Incentive Hangs By Slim Thread

Long faces marked another plunge on the rollercoaster ride of funding for wool and mohair incentives Thursday when the news of a Senate vote to eliminate payments for 1993 reached Ozona.

Late Thursday the Senate considered the fiscal year 1994 agricultural appropriations conference report and Sen. Richard Bryan, D-Nevada, and Sen. John Kerry, D-Maine, offered an amendment to eliminate the funding of the National Wool Act. The amendment was co-sponsored by Sens. Frank R. Lautenberg, D-New Jersey, and Russell D. Feingold, D-Wisconsin.

A motion by industry supporters to table the amendment failed by a vote of 56 to 41. The Bryan amendment was accepted in the report, thereby eliminating funding for the Wool Act.

Thirteen senators who had committed to the industry that they would oppose elimination of funding for the Wool Act changed their minds and voted for elimination.

Speaking in support of the Wool Act were: Sens. Burns, Craig, Daschle, Gramm and Cochran.

The House will vote this week on the Senate's amendment to eliminate the wool program. Chances of legislation passing in the House are termed slim, but legislators supporting the funding are preparing an amendment allowing payments in 1994 for the 1993 wool and mohair production.

The agriculture spending bill provides funds for the Agriculture Department for the next fiscal year, which begins Oct. 1.

This is the third time senators have debated the program this year. Funding had seemed likely for another year after negotiations between the Senate and House.

"Last night's Senate vote was not only disappointing, but it was also very unfair," Rep. Bonilla said Friday. "The amendment to cut the program is another example of the government's affinity to retroactivity. Last month it was retroactive taxes, and now it's retroactive cuts that thousands of families were counting on."

"These farmers and ranchers have worked all year to produce fiber, under the assumption that they would receive loans and other assistance to help them compete in the world market," Bonilla said. "Unfortunately, their April payment isn't going to come, but the phone calls from their bankers sure will."

"Many producers already have been getting phone calls from the bank about their loans," Bonilla said. "Despite the picture painted on late-night expose shows, the wool and mohair payments are not spent to 'put a few Lincolns in the carports' - these incentives help hard-working families put food on the table and buy clothes for their kids."

Rep. Bonilla contacted Congressman Dick Durbin, chairman of the House Agriculture Appropriations Subcommittee, on Friday to request at least a week's delay before bringing up the conference report in the House. He met with Durbin and other members Monday to develop a strategy to combat the Senate amendment.

"I am extremely disappointed in the Senate for getting rid of one of the few government programs that doesn't cost taxpayers one dime," Bonilla said. "If we don't restore at least part of the wool and mohair program, thousands of wool and mohair producers in our country will lose the competition, and thousands of producers in Australia will win the grand prize."

A. D. Cox Top Picker

A. D. Cox won the Stockman's \$20 bill last week with 15 good picks, and Gene Castro filled the second place slot with 14.

Sylvia De Hoyos, Ernesto Vargas, Charles Schneider and H. O. Hoover each had 13 picks for third place.

The picks were graded omitting the Texas A&M vs S. W. Louisville non-existent game. Oh well, you can't be perfect all the time.

Wool Sale Offers 141,205 Pounds

Bollman Industries was the top volume buyer with 64,000 pounds at the fall wool sale held at Ozona Wool and Mohair Sept. 22.

Anodyne Inc. purchased 54,200 pounds with Forte Inc. buying 15,200 pounds.

Prices for fall lamb wool averaged .578 per pound for the 7,500

pounds offered. 130,000 pounds of fall short wool averaged .701 per pound.

Fall 12-month wool (original bag) went for an average of .56 per pound for the 8,000 pounds offered.

"Prices were lower than expected," said manager Terry Criner. "It's a little early in the year to tell if

this was a good sale or not."

David Slaughter of Sheffield garnered the top price of .605 per pound for his fall lamb wool. He was also paid top price for his fall wool at .75 5/8 per pound.

Sam Perner, Bean Brothers and Marty Acton received .74 1/4 for their fall wool.

Court Votes To Push For Insurance Claim Payment

At a called meeting Sept. 24 at 8 a.m., commissioners voted to work with a law firm to pursue making the company carrying the county's health insurance cover costs of a bone marrow transplant anticipated for Judge Kathryn Mayfield. The Austin law firm has, in the past four months, had four instances of insurance companies refusing to pay for treatment the companies consider "experimental/investigational", according to Sandy Stokes, county auditor and insurance plan administrator.

The firm agreed to take the case at no charge, and documentation was sent to Austin Friday.

Crockett County has a partially self-funded insurance health plan. The county is responsible for the first \$40,000 in claims per individual, which Stokes explained as a "specific stop loss". A second stop loss formula is applied to the entire group. The insurance company estimates the annual amount of claims expected for

the insured group. If claims exceed 125% of the estimated amount, the insurance also pays that.

On Sept. 10 the county was notified that the insurance company would not pay for a bone marrow transplant the judge expected to have the following week. The company does not pay for treatment which is "experimental/investigational in nature", Stokes was told. The company had already set a \$75,000 stop loss in her case, which they can do, Stokes said.

The commissioners' court voted to waive the stop loss and be responsible for the treatment expenses. This was done at a regular meeting of the court on Sept. 13 after commissioners met in executive session.

"What we're really doing is amending our plan," Stokes said.

At Stokes' request, District Judge Brock Jones called the Attorney General's office to question whether or not the county can take this action.

"A statute governing self-insured

plans doesn't really say," Stokes commented. He has written up the information asking for an Attorney General's opinion, which takes several months.

On Thursday, the announcement was made that Attorney General Dan Morales has sued Prudential Insurance Company of America for the company's refusal to cover a cancer treatment which involves removing the patient's bone marrow and administering chemotherapy in high doses. The treatment is called experimental and investigational by the company according to Morales' office.

"Clearly we have the Attorney General's office behind us. I feel like we've got something to work with now," Stokes said.

"There were some mistakes made" in the meeting when the waiver was approved, Stokes said, "but the court was working with all the information available in such a short time."

Judge Mayfield has not had the bone marrow transplant.

Commissioners Have Called Meeting

The vote to set a countywide and school tax rate of \$1.96868 per \$100 valuation taken at a called meeting of commissioners' court Friday has been set aside. Although there were three commissioners present and a unanimous vote to approve the rate, the court later learned that there must be four court members present with at least three voting.

Judge Kathryn Mayfield and Commissioner Rudy Martinez were not present.

In other action the court voted to approve and execute a contract a renewal with Concho Valley Council of Governments for the Rural Public

Transportation van driver position.

Fees for serving legal papers by the Sheriff's Office and constable were set at the same rate as in the past.

Commissioners voted to execute a resolution authorizing application for community development funds through the Texas Department of Housing and Community Affairs. This is being done in conjunction with the water district in connection with a grant application for sewer and water improvement funds.

The court also voted to pursue working with an Austin law firm to have the insurance company handling stop loss coverage on the county's

medical coverage cover cost of a bone marrow transplant anticipated for Judge Kathryn Mayfield. (See related story.)

A meeting will be called to vote on the tax rate.

Boys Win Championship Trophy

Ozona boys brought home the championship trophy from the Spring Creek cross country meet in Mertzon Sept. 25. The team was challenged by McCamey who was second at the meet. McCamey is in its second year of boys' cross country and will be the challenge at the district meet. McCamey was third at the regional cross country meet last year.

Third place in Mertzon went to Rocksprings who was third in state in Class A last year. Ozona was first with 48 points, McCamey second with 70 and Rocksprings third with 78. Other placings were: 4 Water Valley 106, 5 Comstock 112, 6 Junction 127, 7 Iraan 142, 8 Reagan County 163, 9 Junction team II 221 and 10 Ozona team II 291.

This was the largest team competition of the year.

Ozona was led by John Ramirez who placed seventh overall, Charles Villarreal, 11th, Bryan Valdez 12th, Codie Porras 13th, Johnny Porras 15th, Pete Castenada 27th, Freddy Ybarra 54th and Chris Sanchez 58th.

Others finishing the run were: Jon Sanchez, Blas Villa, Justin Moran, Elliott Barrera and Rene Tambunga.

In the girls' division, Dana Bishop was 36th, and Jamie Porter was 68th, improving their times for the year.

After the meet the teams enjoyed a catered meal prepared by the parents and coach, and then enjoyed a dip in the river.

The high school teams will travel to Big Spring to compete in their meet Oct. 2.

Lion Teamwork Stuns Eldorado Eagles 28-14

by Neal Ulmer, Stockman sports-writer

The Ozona Lion offense and defense came together in a powerful package to wallop the Eldorado Eagles in the team's 28-14 District 6-2A opening win last Friday night.

A much-improved offense led by senior quarterback Justin Castro garnered a total of 224 yards rushing on 39 carries as a well-conditioned set of linemen opened holes for major contributions from four running backs.

Coach Don Payne said, "I was real pleased with the kids' efforts--those were the best four quarters we have put together all year."

"Our defense probably won the game for us through turnovers and pressure put on the quarterback. Eddie De Luna led the defense with 11 tackles, the secondary played much better (due to pressuring the QB), and Julio Martinez played his best game of the season."

Payne added, "It helped that we had only four boys playing both ways against the Eagles. In the Big Lake game we had ten guys playing both ways. That makes a big difference right there."

Leading the pack of Lion runners was J. J. Lozano, with 96 yards on 14 carries. Other backs who carried the ball were Castro with 8 carries for 45 yards, Matthew Ortiz with 5 carries for 31 yards, and Anthony Sanchez with 8 carries for 27 yards.

"Offensively," Payne noted, "I was pleased our running game came through again for us--we lost it for a while, but I think it's back. The rushing should be attributed to our offensive line."

In the first quarter of play, the Lions had their fair share of trouble with a fumble and penalties. Starting on their third series of plays Castro, who managed a total of only 60 passing yards in the game, ran the quarterback option through the left side for a 43-yard TD. Sure-footed Andres De La Garza kicked one of his four extra points through the uprights.

The Lions had difficulty moving the ball in the second quarter again due to penalties. A good break occurred for the Lions due to excellent

defense, when an Eldorado fumble on their own 22-yard line and recovery by Ryan Morris set the stage for a Lion score.

On a third down play from the 14, Castro threw the ball into the end zone and a spectacular jump and catch by Chris Sanchez scored another Lion touchdown.

The Lions forced six Eldorado turnovers--four fumbles and two interceptions. These interceptions both made by junior Jesse Garza were due to defensive pressure put on Eldorado quarterback Farley Dakan.

The second of two interceptions occurred in the third quarter, setting up the Lions' third score. After several running plays Lion Julio Martinez carried the ball for a 3-yard TD run and a 21-0 lead.

About six minutes later Eldorado's Casey Triplett put the Eagles on the scoreboard with a 71-yard run. The Lions held Eldorado until late in the fourth quarter, when a Dakan to Pepper Nix 43-yard pass scored.

The Eagles, playing without injured star running back Reagan Bownds, gained 237 yards of offense. The Lions' defense forced Eldorado to fumble 8 times with Ozona recovering four of those fumbles. Doing an excellent job on defense were Eddie De Luna, Travis Davidson, Julio Martinez, Ryan Morris, Andres De La Garza, and J. J. Lozano.

Ozona's last touchdown came on an Eagle fumble recovered by Justin Moran in the end zone. The extra point was kicked by Andres De La Garza for a final score of 18-14.

Ozona improved their season record to 3-1 and started off district play to 1-0.

Looking to this week's game with the Wall Hawks in Wall, Coach Payne said, "We will be looking to pick up their defensive stunts; they will be sending their linebackers at us, and they're unpredictable--they will throw the ball at any time, from anywhere on the field, and on any down. They will run a lot of draws and a lot of screens."

Join the crowd in Wall Friday, Oct. 1, at 8:00 p.m. and support the Lions against a tough opponent.

which is in the district and the voter must be 18 years of age.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he or she represents, be 18 years of age and be actively engaged in farming and ranching. He or she must also live in the county all or part of which is in the

district. Zone 5 of the District includes land in Crockett County south of Hwy. 290 and west of Howard Draw.

Current members of the board of directors of the Crockett SWCD are Earl Acton, chairman - zone 4; Gene Perry, secretary - zone 3; Pleas Childress III, member - zone 2; Larry Williams, member - zone 1; Paul

Perner III.

The Crockett Soil and Water Conservation District promotes sound soil and water conservation programs on farm and ranch land within the district. The district serves as a voice for ranchers on conservation issues affecting private property rights of landowners. All conservation programs managed by the district are of a voluntary nature to the landowner.

Reagor and Tedra Ulmer, County Extension Agents. "Our Extension Program council's executive board felt this would be an excellent opportunity for Representative Turner to meet people from Crockett County and visit with them about their concerns as well as about our Extension program in the county," said Reagor. State Senator Bill Sims and U.S. Congressman Henry Bonilla were also invited but unable to attend.

This year, a covered dish supper will be sponsored by the Adult Leaders Association. All 4-H members, their families, and interested persons are invited to attend this celebration of outstanding youth. All 4-H members who completed a project during the 1991-92 4-H year and who turned in awards applications are eligible to receive one project pin. In addition,

major awards will be presented to junior high and high school 4-H members.

Junior high members are eligible for junior achievement and junior leadership awards. Senior awards include Gold Star, Mother Davidson, I Dare You, Senior Achievement, Leadership and Citizenship Awards and the \$1,000 Dan Bean Memorial Scholarship.

Gold Star is the highest award presented statewide to senior 4-H members. To be eligible, a 4-H member must have prepared an awards program record book and must have been involved in a variety of activities, and have exhibited outstanding leadership, citizenship and project work.

The Mother Davidson Trophy has been awarded for 40 years and is given

each year to the outstanding 4-H member in Crockett County. Recipients must have excelled in leadership, citizenship and in project work.

The Dan Bean Memorial Scholarship is given annually to the 4-H member with outstanding agricultural projects. A minimum of two agricultural projects is required to be eligible for the award.

There is no charge to attend the event; 4-H families will be contacted prior to the banquet to contribute an item for the meal. For entertainment this year, senior 4-H members are preparing a skit, "I Want to Be" which will be presented during the meal. Senior 4-H members are in charge of the program; County Council President Steffy Sutton will serve as MC for the banquet.

I will continue writing my impressions of the trip Sibyl Howell and I made recently to the British Isles. Before leaving York, we toured the Minister (cathedral). It took two-and-a-half centuries, from 1220 to 1470, to complete this magnificent building. Its medieval glass windows are thought to be among the world's finest art treasures.

From York we traveled north through pretty countryside to Scotland. We stayed the next two nights in the Scottish capital, Edinburgh. The population of Edinburgh is three million.

The first night we went to dinner and a performance of a folklore show. The entertainment was one of Scottish music and dances, by bagpipers and dancers in the traditional dress.

What makes Edinburgh so impressive and exciting is the spectacular castle-fortress perched atop its massive rock, dominating the whole

VADA SHARED THIS POSTCARD OF EDINBURGH CASTLE in Scotland. The Castle was built on top of an extinct volcano and dominates the skyline of Edinburgh. The oldest surviving building is St. Margaret's Chapel which dates from the twelfth century.

city. Our tour of the city's historic sites included a visit inside the castle.

At noon we drove into the countryside north of Edinburgh to visit a Scottish family's home. As we had lunch with them we were able to chat with our hosts about life in this very beautiful part of the world.

We returned to Edinburgh and the rest of the day was left free of group activity - so some of us got off down town on Princes Street. We went first to the Bank of Scotland and changed some money. Our money is not worth much there and I was forever broke - but Sibyl would come to my rescue.

The sidewalks were full of people and musicians were playing all along the way. Across the street was a beau-

tiful park. I would like to have more time there.

From Edinburgh we made our way south for a stop at Gretna Green, the last village in Scotland. From there we went to the area of Chester.

Chester was a Roman camp as long ago as 79 A.D. Like York, it has well-preserved enclosing walls. We stayed there one night.

We crossed scenic North Wales and saw mountains, wooded valleys and visited beautiful Bodnant Garden. Next we crossed the island of Anglesey, just off the Welch coast, and went to the port of Holyhead, on the Irish Sea.

We stopped at a Welch village that claims to have the longest name in the world, with 58 letters. Here is the

name if Scotty wants to print it, ~~It is a very long name with 58 letters.~~

The sign at the train station was 30 feet long. And we had our passports stamped just to say we had been there.

Late afternoon we went aboard a large ship to cross the Irish Sea. The crossing took four hours. We went ashore at a port near Dublin, Ireland, where we stayed for two days.

I'll write about Ireland next week.

Hufstедler And McMullan Enjoy Trip To Mexico

by Ann McMullan

Mary and I felt as if we were on a private plane when only one other passenger joined us for the Aerolitoral flight from San Antonio. The 19 passenger plane flew an hour to Monterey where we picked up a few more travelers for another hour flight to the beautiful colonial city of San Luis Potosi.

The architectural splendors of the silver cities San Luis and Zacatecas (our other destination) are the pride of Mexico's colonial heritage. Nestled between the mountain ranges of the Sierra Madre at 6,200 and 8,200 feet, the cities offer cool, clean air and breathtaking vistas.

On the "Futura" first class bus between San Luis and Zacatecas, it was fascinating to see the desert plants grown to gigantic size, including one species of prickly pear as tall as and in the shape of trees. Rows of six and eight foot tall prickly pear along the highway sported orange, yellow, and red fruit, providing a surrealistic border for the desert behind them.

Our interest in ceremonial masks led us to the remarkable mask museum in each city. The National Mask Museum in San Luis offered helpful information about the excellent collection, a few masks for sale, and our favorites, "gigantes" ten feet tall! The

eight giant figures represent a male and female from Africa, the Orient, Europe and Mexico.

In Zacatecas, the Rafael Coronel Mask Museum is in the remarkable ex-temple San Francisco, a required visit even without the premier mask collection. This collection, donated by a Zacatecan, Rafael Coronel, is a superabundance of more than 4,500 masks and 350 marionettes!!!

Our enjoyment of these two cities was heightened by the festivities of the two week celebrations of Mexico's independence from Spain, the Diez y Seis or 16th of Sept. There were fairs, musical programs at the opera houses, and world class bullfights. Their colorful red, white and green flags decorated the buildings and streets with huge bunches for sale that seemed to be walking toward us on their own, their vendors hidden among them.

One unexpected pleasure was the beautiful and charming people; another the interesting and delicious food. The tacos Potosinos were tortillas rolled around cheese or chicken, then covered with tasty diced potatoes and carrots and some crumbled chorizo. The enchiladas were zesty cheese filled empanadas that made Tex-Mex boring.

In fact, for an easy-to-reach destination loaded with charm, we highly recommend the colonial silver cities!!!

New Faces At Ozona Intermediate School

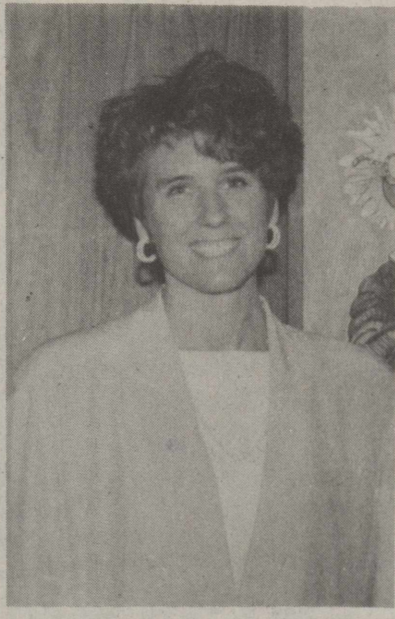

Gwin Jamerson

Third grade teacher Gwin Jamerson is originally from Whiteface. She received her advanced education at South Plains College and Texas Tech University.

She has previously taught kindergarten in Idalou ISD, kindergarten and 4th grade in Midland ISD and kindergarten and 2nd grade in Greenwood ISD.

Mrs. Jamerson and her husband Kelly have two sons, Lance, age 15, and Casey, age 11.

She enjoys sewing and skiing in her leisure time.

Amy Efeney

Amy Efeney comes to Ozona schools from Dallas where she taught 4th grade 1990-93. Mrs. Efeney was a pre-school teacher in her home town of Cedar Rapids, IA, from 1989-90. She teaches 4th grade reading at Ozona Intermediate School.

She holds a bachelor of arts from the University of Northern Iowa and has worked on a master's in deaf education at Texas Woman's University.

Mrs. Efeney and her husband Mike have two shelties, Alix and Spike. She enjoys writing children's books, crossstitch, dancing, reading, running.

"Thanks so much to Ozona for making me feel so welcome!" says Mrs. Efeney. "Especially Darla Jones, Cookie Worthington, Leticia Macias and Becky Hearn."

Sandy Stark

Sandy Stark is the new computer attendant at Ozona Intermediate School. She teaches computer classes from grades 3, 4 and 5.

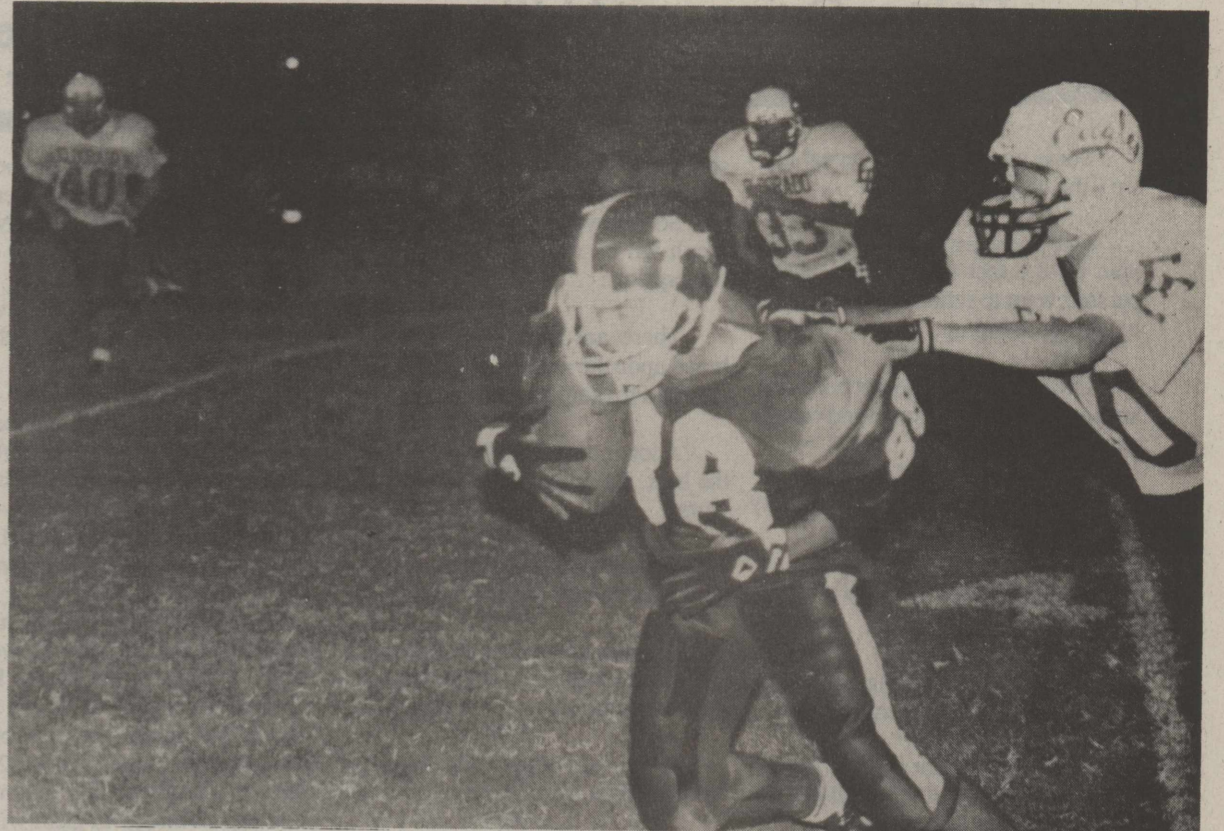

Originally from Carthage in East Texas, she attended Panola Junior College in Carthage, Schreiner College in Kerrville and Victoria College in Victoria.

Mrs. Stark has worked in various school related jobs including high school secretary at Yorktown, secretary to the assistant superintendent in Ozona six years, secretary at DeWitt-Lavaca special education cooperative in Cuero five years, secretary at Menard special education cooperative in Sonora two years and two short-lived classroom aide jobs before entering the secretarial area. She was employed at The Ozona Stockman for two years before returning to school as computer attendant.

Sandy is married to Don Stark who teaches special education in the junior high school. They have one daughter, Melody, who is a graduate of Ozona High School and now an R.N. at Seton Hospital in Austin.

Writing poetry and crocheting are Mrs. Stark's hobbies.

"We are beginning our 12th year in Ozona and this area has become home to us," Mrs. Stark said.

Young Junior Varsity Team Loses To Eagles

by Neal Ulmer, Stockman sports-writer

The young Ozona JV football team played well in the first half against the Eldorado JV Eagles in last Thursday's, Sept. 23, contest. Unfortunately, inexperience and an injury to a key player added up to a 13-0 loss for the JV.

After a scoreless first quarter, the Eagles' first score came on an intercepted Lion pass in the second quarter. The Eagles' second score, in the third quarter, was on a sweep play. An extra point conversion by the Eagles was stopped short by a good goal-line defense.

Although the Lions were outscored, good defensive efforts were turned in by Bryan Mendez, Steve Montes, and Richard Gonzales. Offensively, Gonzales and Mendez stood out for the Lions. The short yardage defense played "real well" according to the coaching staff.

Coach Rod Schneider said, "The JV Lions are a young, learning team. They played real well in the first half. They need to keep the intensity up and

learn how to win; they have a good future."

Schneider also said that the penalties were about even on both sides. The Lions, with a current record of 0-4, are making a lot of youthful mistakes, but they will overcome them with time.

An added misfortune in the game for the Lions was the loss of Richard Gonzales. After playing well on both sides of the line, Gonzales was injured

late in the third quarter with a dislocated ankle and torn ligaments and was immediately sent to the hospital. Following surgery, at presstime, prospects looked dim for the talented youngster's return during this season; however, the coaching staff was hopeful.

The JV Lions will be taking on the Wall Hawks in Lion Stadium on Thursday, Sept. 30, at 7:30 p.m. Let's give this team all our support.

Eighth Grade Cubs Lose A Tough One

by Neal Ulmer, Stockman sports-writer

Penalties and just bad luck caused the eighth Grade Cubs to lose a 34-26 heartbreaking battle with the Sonora Colts on Thursday, Sept. 16 in Sonora.

The Cubs jumped out to a quick 12-0 lead, but bad luck took over as two consecutive scoring plays for touchdowns were called back due to penalties. Later good defensive effort by the Cubs forced the Colts to punt. After receiving the ball, the Cubs' Brian Badillo took a quick pitch from QB Justin Browne and ran 60 yards for a TD. Unfortunately, it was also brought back due to a Cub penalty.

After having three touchdowns called back, the Cubs were down, but not out.

The Sonora Colts were able to tie the game in the second quarter and the halftime score stood at 12-12.

In the third quarter, the Colts got

a go-ahead TD and two point conversion. Not yet out of the ballgame, the Cubs fought back as QB Justin Browne scored on a 3-yard quarterback keeper and converted the two points to tie the game at 20-20. However, the Colts were then able to score two touchdowns and conversions to secure a 34-26 victory.

Coaches Gonzales and Cox praised the team for not getting down when three TD's were called back due to penalties.

Martinez Departs For Saudi Arabia

Lonnie Martinez, who is stationed at Dyess Air Force Base at Abilene, left Tuesday for a four to six month tour of duty in Saudi Arabia.

Martinez was in Ozona for a five-day visit with his parents, Mr. and Mrs. Chris Martinez, before his departure.

A Thanksgiving supper was held in his honor Saturday with more than 50 people present.

Trustees Meet In Executive Session

School trustees met in executive session Sept. 21 to confer with their attorney. Agenda items were listed as: a. consider Edgewood litigation, b. consider voters' rights litigation, c. consider other possible or pending litigation.

No action was taken when the board returned to open session.

At a Sept. 23 meeting, trustees voted to recommend to commissioners a school tax rate of \$1.21 per \$100 valuation.

They also voted to call a rollback election for Nov. 9.

School Hosts Public Hearing On Academic Indicator Report

A public hearing on the Ozona schools' 1992-93 Academic Excellence Indicator Report will be held during the board's regular meeting on Oct. 12. The meeting will be in the board room in the administration building at 7 p.m.

This report, which is prepared by the Texas Education Agency, makes a comparison of each school district and school campus to the performance of other school districts and school campuses across the state. The report is available for public review at the administration building and at the school campuses.

Woman's Forum Hears Program On Mohair

The Woman's Forum met at the civic center Tuesday, Sept. 21, with Maridel Dudley and Barbara Malone as hostesses.

The president, Katherine Russell, directed the business meeting. Elizabeth Dudley led the group in the pledge to the Texas flag. Maridel Dudley announced the handbells were to arrive in a few weeks.

Benny Gail Hunnicutt and Helen White reported on plans for the Fall Forum trip to San Angelo. The trip will be Oct. 9. Members will see the International Water Lily Collection of San Angelo, visit the planetarium at Angelo State University, visit the Nature Center and the new Celebration Bridge.

Mary Lou Lilly introduced guest speakers Stefny Sutton and Jennifer Evans, both seniors at Ozona High School. The girls gave a superior presentation on mohair. The program was titled "Mohair, An Endangered Mir-

acle". Following the presentation, the girls told of their trip to Washington, D. C., to the National Young Leaders Conference where they presented their program on Texas mohair. Stefny told of her trip to the Southern Regional Textiles in North Carolina. She also showed the new fabric that had been developed containing mohair and other fibers.

Those attending were: Louise Bunger, Norma Carson, Crystelle Childress, Elizabeth Dudley, Maridel Dudley, Virginia Hubbard, Benny Gail Hunnicutt, Lu Ingram, Pauline Johnson, Georgia Kirby, Lueta Kost, Marcille Long and Mary Lou Lilly.

Also Barbara Malone, Ethel Miller, Betty Perry, Willa Perry, Bernice Phillips, Katherine Russell, Blanche Walker, Mary Agnes Ward, Bonnie Warth, Helen White, Marg-

aret Tabb, Modene Whitaker, Madye Jo Humphreys, Sophie Kyle, Madeline Stokes and Rachel Childress. Also attending were guests Beverly Evans and Carmen Sutton.

Members Arlene Clayton and Jewel Bailey were in Austin attending the Texas Federated Woman's Club's Fall Board Meeting.

Cross Country Meet Volunteers Needed

Ozona will host a cross country meet for the third time in school history on Oct. 9. The course will be around the baseball fields on the north side of town. The course will be run on grass and pavement in that area.

Local people are needed to help put on the meet. Individuals will be needed for traffic control and other duties around the course.

If you are able to help, contact Coach Pete Maldonado.

Guns, Gun Laws Subject of Sept. AARP Meeting

Monday, Sept. 20, a meeting of Chapter 4774 of the American Association of Retired People was attended by 21 members and two guests.

President Len Hillman introduced Chuck Cosper and his wife, Sue. Mr. Cosper, who is the Crockett County game warden, conducted an informative program on various types of handguns and covered gun carrying laws as well as safety.

After a short business meeting, refreshments were served.

The next meeting will be Oct. 18. The program will be on prevention of car theft and will be conducted by Mr. Babbitt of San Angelo who is in charge of auto theft crime for the D.P.S. D.P.S.

"Please attend," invites Mr. Hillman.

Home Protection Workshop Saturday

A home protection and gun safety workshop slated for Saturday, Oct. 2, will be held at the civic center. The event was previously announced as being at the community center.

The 2 p.m. workshop for adults 55 and over is being conducted by Game Warden Chuck Cosper and Sheriff Jim Wilson.

For more information or to sign up, contact Mr. Cosper at 392-5687 or Sheriff Wilson at 392-5045.

Therefore take no thought, saying, What shall we eat? or, What shall we drink? or Where withal shall we be clothed?

.....For your Heavenly Father knoweth that ye have need of all these things.

But seek ye first the Kingdom of God, and His righteousness; and all these things shall be added unto you.

Take therefore no thought for the morrow; for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Ministerial Alliance Emphasizes Worship Attendance

In the month of October the Ministerial Alliance invites the people of Ozona to come home to Christ. During October the Ozona churches will emphasize worship attendance, trying to get as many worshippers in church as possible. The total attendance will be published in the Stockman each week. This will not be a competition between churches so the attendance of individual churches will not be published, only the total number worshipping.

The Alliance estimates that on an average Sunday there are about 500 people in church or about 15% of the total population. The goal is to increase that percentage to 50% or 1650 people. "It is an ambitious goal, but attainable and necessary if we are to keep God at the center of our lives and faith alive in our community," said Dr. Tim Brewer of the Ozona United Methodist Church.

If you are an occasional worship participant, make a special effort in October to be in church. If you have stopped attending this is an opportu-

nity to start back. If you do not have a church, visit one.

See you in church.

"Call To Holiness" What Is Holiness?

by Martin Sanchez, Pastor-Church of God of Prophecy

It simply signifies cleanliness of the heart, and life, free of sin.

To rescue us from the hand of our enemies, and to enable us to serve Him without fear in holiness and righteousness before Him all our days. Luke: 1:74,75

For God did not call us to be impure, but to live a holy life. 1st These. 4:7

Make every effort to live in peace with all men and to be holy; without

holiness no one will see the Lord. Heb. 12:14

God has called to live in holiness; therefore it is our duty, or our daily worry.

As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Eph. 4:1

And to put on the new self, created to be like God in true righteousness and holiness. Eph. 4:24

But just as He who called you is holy, so be holy in all you do; for it is written: "Be holy, because I am holy." 1st Peter 1:15, 16

Do you not know that your body is a temple of the holy spirit, who is in you, whom you have received from God? You are not your own; 1st Corin. 6:19

For He chose us in Him before the creation of the world to be holy and blameless in His sight. In love Eph. 1:4

Since we have these promises, dear friends, let us purify ourselves from everything that contaminates body and spirit, perfecting holiness out of reverence for God. 2nd Corin. 7:1

Cubs Split Two With The Sonora Colts

by Neal Ulmer, Stockman Sports-writer

The Seventh and Eighth Grade Ozona Cubs met the Sonora Colts on Thursday, Sept. 16, at Bronco Stadium. The Seventh Grade Cubs mauled the Colts by scoring three touchdowns and kicking extra points to win the game 21-6.

Running backs David Gutierrez and Matt Galindo led the running attack by scoring the three TD's. With good blocking by Larry Don Luckie and Mitchell Martinez, Gutierrez took a pitch-out from QB Anthony Ortiz and ran 25 yards for a TD.

The second score came on a left sweep play by Gutierrez with the extra point good, building the score to a 14-0 lead. The final score for the Cubs was a dive play, with Matt Galindo breaking loose to run the ball in from 40 yards away.

The Colts were able to score only once and failed in the extra point attempt.

The second Cubs' offensive unit, led by the running of Alex Castaneda and Donika Martinez, drove down the field to the Colt 5-yard line before

coming up short as time ran out. Outstanding defensive efforts were turned in by Ricky Dominguez and Brad Sullivan.

"Dandy" Donika Makes Ozona Football History

by Neal Ulmer, Stockman sports-writer

Did you ever stop to wonder if females would be allowed to play football as a school sport? Well, if fans looked closely three weeks ago, Thursday, Sept. 9, they would have seen a young woman playing in a school-sponsored game in Ozona, making Lion football history.

Yes, folks, Ozona has a young lady playing. No, she's not playing high school football--yet. If you don't already know what her name is, it's Donika Martinez. A 12-year old seventh grader, she is the daughter of Elpidio Jr. and Bel Martinez of Ozona. She has one older sister, Cassandra, a 15-year-old freshman.

Donika has wanted to play football since she was in the third grade, and has grown up playing with her friends, mainly boys. Over the years she was often asked by some of the older boys to come out and play baseball, basketball, or football.

Actually, Donika has always enjoyed sports, watched them on TV, and wanted to play. That's not surprising, because all of the family likes sports, going to baseball, basketball and football games together. At home they watch sports on TV together. Her dad, Elpidio, played football in school, and he has also encouraged her to play sports. And Donika, like most kids her age, has sports heroes such as Jose Canseco and Michael Jordan who have inspired her to test her athletic abilities.

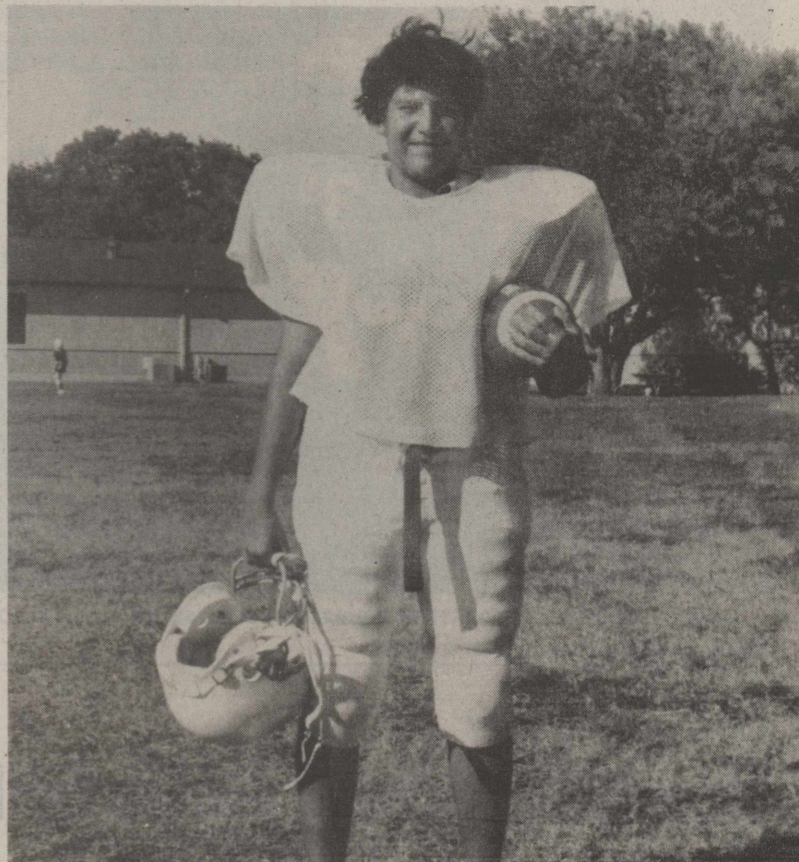

Donika began playing T-Ball when she was six years old. Finding herself enjoying baseball so much and through the encouragement of her family, she continued playing Little League Baseball. "Donika," her mother Bel said, "was the first female in Ozona to be in the Major All-Star League two years in a row," in 1991 and 1992. She has played almost all positions on the baseball field, including pitcher, catcher, first base, and both right and left field.

Donika has not only joined in and played baseball, but she has demonstrated her athletic talents in basketball as well. This year she played in the Ozona Youth Basketball League, where her team, the Nuggets, won the senior girls' championship with a team record of 9-1.

Readers may wonder what Donika's parents think of her playing football in school sports. Many might expect a negative response, but Donika's mother said, "I'm all for her playing football." Dad Elpidio added, "I didn't want her to get hurt, yet I didn't want Donika to say four or five years later, 'Daddy didn't give me a chance to play. Right now I hope she doesn't get hurt, but I'm behind her in playing.'" Sister Cassandra said, "She's crazy! I wouldn't do it, but I'm behind her in playing football."

Donika first made the Ozona Junior High coaching staff aware of her desire to play football when she was in the sixth grade. She told Coach Lee Gonzales of her intention to play football in the seventh grade, and this year she told Coach Rodney Johnson she wanted to play. Johnson responded that it was okay with him as long as she did not cry or complain of a broken fingernail.

One might also wonder what

Donika thought about playing football. "I first felt like I was a wimp, but now I feel I'm as tough as the boys. I was scared at first, but now it doesn't bother me." The boys seemed to feel the same as Donika, but they eventually changed their minds, treating her like one of the boys. One teammate said he was going to knock her down as hard as he could and make her cry. Actually, Donika got a chance to hit him on the field saying, "He never knocked me as hard as he could, afterwards."

She started paying attention to

the football plays at a younger age, and used what she had learned after receiving a chance to play. An eager and fast learner, she quickly became familiar with the plays.

Although she is not starting, Donika is playing as a running back on offense and as a defensive end. In a game against Eldorado she ran two times for 23 yards. She has also turned in good performances on defense.

Will Donika play next year? Fans will all have to wait and see. Right now, she is just concentrating on this year and trying to stay healthy.

Seventh Grade Cubs Still Undefeated

by Neal Ulmer, Stockman sports-writer

The Ozona Seventh Grade Cubs stayed undefeated by scoring in every quarter to win over the Eldorado Eagles 34-12. The Cubs met the Eagles in Lion Stadium on Thursday, Sept. 23. The Cubs got on the scoreboard in the last second of the first quarter with a 5-yard run by Matt Galindo. Jason Alvarez kicked the extra point. Early in the second quarter, the

Cubs scored again on a 35-yard run by David Gutierrez. The extra point conversion on a faked punt and run by Jason Alvarez was good.

The defense played a good game, forcing a pass interception by Anthony Ortiz, which he returned to the Eldorado 29-yard line. The Cubs were not able to move the ball, and the half ended with the score Ozona 15, Eldorado 0.

Good runs by offensive backs Anthony Ortiz, David Gutierrez, Matt Galindo, and Donika Martinez, along with extra points by Jason Alvarez increased the Cub total to 19 points.

Eldorado's two scores occurred in the third quarter, with the first one on an 80-yard kickoff return, the extra point attempt failing. Their second score resulted from a Cub fumble and a 53-yard return for a TD. This extra point attempt also failed.

Touchdowns in the second half included a 40-yard run by Matt Galindo, a 63-yard run by David Gutierrez, and a 43-yard run by Alex Castaneda. Only one extra point attempt was successful.

Two other Eldorado passes were intercepted by Jesse Salazar and Matt Galindo.

Coach Rodney Johnson commented, "I thought it was one of our better games, but we let them have a couple of cheapies on touchdowns. Overall, our defense played really well."

Johnson added, "The left side of our offensive line played real well because we got good yardage and several touchdowns off of one particular play."

The Seventh Grade Cubs will be playing their next game at 4:30 p.m. on Thursday, Sept. 30, in Lion Stadium against Reagan County. Come and back the Cubs.

Eldorado Shuts Out Eighth Grade Cubs

by Neal Ulmer, Stockman sports-writer

The Eighth Grade Cubs were blanked by the Eldorado Eagles in Lion Stadium last Thursday, Sept. 23, by a score of 20-0.

It took a little over a minute for the Eagles to score on a 65-yard run. However they missed the extra point, which was not a factor in the game.

The Eagles quickly moved the ball down the field and scored again on a 3-yard run. A pass play was successful for a two-point conversion.

Picking up a couple of first downs and with several good runs by Gary Dominguez and Brian Badillo, the Cubs had a good chance to score. Finally reaching the Eldorado 14-yard line, a good run by Badillo for a TD was negated due to a clipping penalty by the Cubs. The half ended with the Eagles leading 14-0.

Eldorado picked up their last score late in the third quarter on a 27-yard run. The extra point conversion failed.

The Cubs had one last chance to score after a 47-yard halfback pass from Badillo to Justin Browne was completed. Unfortunately, an incomplete pass and good defense by the Eagles stopped the Cubs from scoring.

Offensively, the Cubs' linemen were able to open up several good holes for backs Justin Browne, Brian Badillo, and Gary Dominguez.

Coach Lee Gonzales, commenting after the game, said, "You have to learn from your mistakes and don't underestimate your opponent; you will get beat if you do."

He went on to tell the boys that they will be working on fundamentals—blocking, tackling, and defense—in the next week. Gonzales continued, "Keep your heads up, and with hard work we will get there."

The next game for the Eighth Grade Cubs will be held on Thursday, Sept. 30, in Lion Stadium against Reagan County. The game will immediately follow the Seventh Grade game, which starts at 4:30 p.m.

GARDEN CLUB EXHIBIT

The Ozona Garden Club is continuing their monthly exhibit at the library. Mrs. Marge Smith has combined sansevieria and giant philodendron blooms in a striking design. The arrangement of the long slender sansevieria leaves and a knarled stump creates a wonderful combination of lines and textures. Please come by the library and enjoy this beautiful arrangement.

BANNED BOOKS WEEK

CCPL is celebrating Banned Books Week. Celebrating the freedom to read, Sept. 27-Oct. 1. Our constitutional freedoms are very precious and we must be ever vigilant in protecting them. Some thoughts on this important subject from quotable people -- "The libraries of America are and must ever remain the home of free, inquiring minds. To them, our citizens - of all ages and races, of all creeds and political persuasions - must

ever be able to turn with clear confidence that there they can freely seek the whole truth, unworped by fashion and uncompromised by expediency. For in such whole and healthy knowledge alone are to be found and understood those majestic truths of man's nature and destiny that prove, to each succeeding generation, the validity of freedom." Dwight D. Eisenhower. "Don't join the book burners. Don't think you are going to conceal thoughts by concealing evidence that they ever existed." Dwight D. Eisenhower.

"Students in school as well as out of schools are 'persons' under our constitution. They are possessed of fundamental rights which the state must respect... It can hardly be argued that either students or teachers shed their constitutional rights to freedom of speech or expression at the school-house gate." Abe Fortas. "It is evident that any restriction of academic freedom acts in such a way to hamper the dissemination of knowledge among

the people and thereby impedes national judgement and action." Albert Einstein.

"In the long run of history, the censor and the inquisitor have always lost. The only sure weapon against bad ideas is better ideas. The source of better ideas is wisdom." Alfred Whitney Griswold. "The vast number of titles which are published each year - all of them are to the good, even if some of them may annoy or even repel us for a time. For none of us would trade freedom of expression and of ideas for the narrowness of the public censor. America is a free market for people who have something to say, and need not fear to say it." Hubert Humphrey.

"Books and ideas are the most effective weapons against intolerance and ignorance." Lyndon Baines Johnson. "Censorship, like charity, should begin at home; but unlike charity, it should end there." Clare Booth Luce. "Thanks to television, for the first time the young are seeing history made before it is censored by their elders." Margaret Mead.

Please visit your public library and see the displays of books, posters and materials celebrating Banned Books Week. Check out a 'banned book' and see what other people don't want you to read.

Business As Usual" Says ASCS

"Until further notice, it is 'business as usual' in the county ASCS office for the wool and mohair program," says Herb Schwertner of the Crockett County Agricultural Stabilization and Conservation Service. Producers are requested to continue to bring in sales documents for the 1993 program year. Also, if an appointment is scheduled to complete eligibility forms in the ASCS office, Schwertner says to keep the appointment, or let the office know so that a time can be rescheduled. The county committee must make "person" and "actively engaged" determinations for each person who applies for any program in 1993.

If you are currently signed up for the emergency feed program, you are asked to contact the ASCS office and consider ending your current feeding

period. With conditions improving, your overall eligibility for benefits may be affected by a prolonged feeding period. All feed tickets should be turned in by Monday, Oct. 4, 1993.

Schwertner reminds all producers that nominating petitions will be mailed in October to all known voters in the county. An election will be held in December to fill the position of county committee member Bill Black. This is his ninth year of service to ASCS, and he is not eligible for re-election in 1993. Petitions must be received in the county ASCS office by Nov. 1, 1993.

Eligibility for participation in all programs administered by the ASCS is established under law without regard to race, color, religion, age, sex, marital status, disability or national origin.
