Lions Upset Dogs 9-7 With 2-Point Safety

Neal Ulmer Stockman sports-writer

The Ozona Lions came from behind in the fourth quarter and took the bite out of the Coahoma Bulldogs when Travis Davidson tackled half-back Kelby Bailey in the end zone for a Lion safety. The two-point safety gave them the needed points to upset the Bulldog's homecoming 9-7 in last Friday's night game in Coahoma.

Lion head coach Don Payne said, "Travis Davidson had a great game with 18 tackles and the game winning safety. Our defense played pretty good and solid. Coahoma had two good drives—the first one and last one."

With a total of nine turnovers, the Lions had a difficult time getting up steam to put points on the scoreboard. "I don't think we played exceptionally well—particularly early in the game. I felt like we were flat. I think we picked up the tempo in the second quarter and our kids started taking over the game," said Payne.

The Lions scored in the third quarter on a 6-yard pass play from quarterback Chris Sanchez to Tony Valencia. The win improved the Lion's record to 2-1-1.

The Lions' defense had troubles from the start trying to control Bailey and his Bulldog teammates. On Coahoma's first possession Eric McMillian scored from 2-yards out with 7:16 left in the first quarter. The extra point kick by Brandon McGuire gave the Bulldogs a 7-0 lead.

The Lions tried to retaliate by first attempting a pass to Jesse Garza, but the ball fell incomplete. On the next play, quarterback Chris Sanchez fumbled the ball and the Bulldogs recovered on the Lion 18-yard line.

Several plays later the Bulldogs reached the Lion 4-yard line. Bulldog senior halfback Mike McMillan carried the ball, and Lion defensive end Adam Carroll made the stop, forcing a fumble with the Lions recovering on the 5-yard line.

Both teams started having trouble moving and controlling the ball as it changed possessions seven times in the first quarter. Offensively, Payne said, "We're still turning the ball over way too often, but I thought Chris Sanchez stepped up his play and gave us a spark we needed. We still need to start connecting on our short passing game."

Coahoma had a good chance to score in the second quarter after a Lion fumble within their own 20-yard line. They were not able to capitalize on the turnover and in turn fumbled the ball on the 9-yard line.

The Lions started moving the ball from their own 9-yard line. Chris Sanchez picked up 9 and 13 yards with Jesse Garza hauling in an 11-yard pass taking the ball up to the Lion 36-yard line. On the next play Matt Ortiz fumbled the ball with Coahoma recovering.

The Lions started playing good

defense with tackles being made by Travis Davidson, Anthony Sanchez, Juan Trujillo, and Bryan Mendez. "I was real proud of our defense for shutting them down after the first series," said Payne.

Both teams stepped up their defense, and each were forced to punt. The first half ended with the score Coahoma 7, Ozona 0.

Quarterback Chris Sanchez had a tough time in the passing department completing 7 of 19 passes with two interceptions. This quarter was no exception as Ozona took the ball in the second half on their own 35-yard line. Sanchez threw a long pass intended for David Browne but was over his head. Two plays later Sanchez threw a completed pass to Jesse Garza but Garza fumbled and Coahoma recovered on the Lion 38-yard line.

The Lion defense held the Bulldogs on their next possession, forcing them to punt. The ball goes into the end zone and the Lions received the ball on the 20-yard line.

The Lions made five first downs, taking 13 plays to go 80 yards for the touchdown. Good running by Chris Sanchez and Anthony Sanchez, a 9-yard pass to Jesse Garza, and 6-yard touchdown pass to Tony Valencia got the Lions into the end zone. The extra point kick by Bryan Mendez was good and the Lions tied the game at 7-7 with 2:32 left in the third quarter.

In the fourth quarter, the Lions received the ball on their own 46-yard line. In nine plays, the Lions worked the ball to their own 16-yard line with running plays by Anthony and Chris Sanchez and a 9-yard pass to Jesse Garza. On the next play Chris Sanchez threw a deep pass and was intercepted by Coahoma's Henry De La Rosa on their 3-yard line.

On Coahoma's first play of that series Bulldog running back Kelby Bailey was tackled in the end zone by Lion linebacker Travis Davidson on a defensive stunt for the safety.

The Lions and Bulldogs exchanged the ball back and forth on punts, fumbles and interceptions. Neither team was able to capitalize on the other's mistakes and the game ended with the Lions in possession of the ball.

Lions' Jesse Garza and Tony Valencia each had an interception. Other Lions doing a good job on defense were Anthony Sanchez with 13 tackles, Bryan Mendez and Chris Sanchez with 11 tackles each, Juan Trujillo with nine tackles, J.J. Lozano with eight tackles, and Adam Carroll with seven tackles. Tony Valencia, Jesse Garza, and Casey Upham had three tackles each, Justin Moran two tackles, and Julio Martinez, Matthew Ortiz, and Lance Jamerson had one tackle each to give the Lions a total of 91 tackles.

The Lion coaching staff have

Annual 4-H Banquet Slated For Oct. 3

Outstanding senior and junior 4-H members will be recognized, along with 4-H members who will receive a pin for completing a project in 1993-94 at the annual Crockett County 4-H

Banquet Oct. 3. All 4-H members and their families are encouraged to attend and enjoy a free hamburger supper provided by the Parent/Leader Association at

the civic center. Each family is asked to bring one can of food to contribute to a food drive for Helping Hands. This banquet is in celebration of National 4-H Week, which begins Sunday," said County Extension Agents Tedra Ulmer and Billy Reagor. National 4-H Week is celebrated by more than five million 4-H members across the country annually.

Each year several major awards are presented at the banquet, including the Mother Davidson Trophy for Outstanding Senior 4-H Member and the Dan Bean Memorial Scholarship for the Outstanding Agricultural Program Member.

The Gold Star Award is the highest statewide honor a member can receive. This year's recipients and their parents will also be recognized at the

district banquet in Pecos on Oct. 8. The "I Dare You" award is given in recognition of outstanding achievement, citizenship and leadership. Senior 4-H members are also recognized with achievement, leadership and citizenship awards, along with outstanding junior members.

The Senior 4-H Club is in charge of Monday's program, the junior high club is in charge of serving and cleanup, and the intermediate club is in charge of decorations.

4-H is the world's largest youth-serving organization and is based on the motto "To Make the Best Better". Members pledge their head, heart, hands and health to bettering their country, community and world.

Suspect Flees After High-Speed Chase

Officers were in pursuit at speeds of over 100 miles per hour Monday night after responding to a theft of gasoline call from Sutton Chevron.

The driver of a 1986 maroon Toyota 4-door fled into the brush after wrecking out 25 miles west of Ozona on I-10.

DPS Troopers Keith Olive of Ozona and Robert Sherrod of Sonora were in pursuit when they sighted the car nine miles west of town. In re-

sponse to their attempt to stop the car, the driver tried to elude capture. He was in the process of crossing the median to start back toward town when the car hit a rock embankment on the south side of I-10.

Troopers, Sheriff's Department personnel and civilians joined in the search aided by spotters in two planes. The search was stopped at nightfall, Sgt. Neil Roney said.

Wool Sale Shows Results Of Dry Weather

A poor demand for short wool was reflected in prices at wool sales here last week. Ozona Wool and Mohair and Wool Growers held sales Thursday.

Ozona Wool offered 120,000 pounds with the major portion, 105,000 pounds, being paint free ewe wool. "Prices were not real good on paint free wool," said Glen Fisher. Prices ranged from .57 to .97 per pound with the bulk bringing .77 to .83.

Prices on lamb wool were from .84 to .96 per pound on the 6,000 pounds offered. The 12-month wool brought .90 per pound on 9,000 pounds.

"The market is good in Australia on longer wools right now, but the demand is poor on short wool," Fisher said.

Fisher also said he sold 40,000 pounds of stain-free adult mohair last

week with prices from \$2.57 to \$2.63. Wool Growers had offerings from both the Ozona and Sonora warehouses Thursday.

Wool brought from Sanderson included 9,200 pounds of lamb wool which averaged .96 per pound, 73,000 pounds of fall ewe wool at an average of .7685 and 13,400 pounds of 12-month wool which sold at an average of .90 per pound.

The sale of wool for the Ozona warehouse included 107,000 pounds of fall paint-free ewe wool at an average of .771, 20,400 pounds of 12-month wool which averaged .90 and 14,100 pounds of lamb wool at an average of .96 per pound.

"It was an awful dry year and it showed in the wools," said Donnie Laughlin, manager. "Competition on short wools was non-existent."

LEROY KEESE AND DARRELL KEESE, wool buyers for Forte, put pen to paper while attending the sale at Ozona Wool and Mohair Sept. 22. 120,000 pounds were sold at the warehouse Thursday morning. Photo by Scotty Moore

Retail Sales Down Slightly

A report released this month by Comptroller John Sharp showed retail sales in Crockett County down by 1.8% from the first quarter of 1993. The portion of the report for all industries in the county was up by 6.6%, however.

Retail sales for the first quarter of 1994 listed 78 reporting outlets with \$5,480,317 gross sales. During the same period in 1993, 69 outlets showed gross sales of \$5,580,375.

The report for all industries showed 122 reporting outlets this year with \$10,076,072 gross sales compared to 110 outlets and \$9,454,284 in sales during the first quarter of 1993.

Retail statistics for area counties follow.

Crane - 62 outlets with \$5,566,691 in 1994 sales compared to 63 outlets

and \$5,093,013 in 1993, up 9.3%. Irion - 25 reporting outlets each year with \$698,785 in 1994 sales compared to \$694,216 the previous year, up .7%

Schleicher - 37 outlets, \$1,647,760 in 1994 sales compared to 33 outlets and \$1,574,556 in sales for 1993, up 4.6%

Sutton - 77 outlets and \$4,955,999 in sales for 1994 against 73 outlets with \$4,786,626 in 1993 sales, up 3.5%

Terrell - 29 1994 outlets with \$918,671 in sales compared to 26 outlets and \$650,042 in 1993 sales, up 41.3%

Upton - 72 1994 outlets at \$2,962,924 and 77 outlets with \$4,317,972 in 1993, down 31.4%

Val Verde - 477 outlets in 1994 with sales of \$61,161,803 compared to 501 outlets and \$59,587,941 in sales for the first quarter of 1993, up 2.6%

Trustees Set Tax Rate

Trustees of Ozona schools met in called session Sept. 20 during the noon hour to approve an ordinance setting the tax rate to fund the 1994-95 school year. That rate was set at \$1.23 and further approved at a meeting of commissioners' court on Sept. 22.

The board also accepted bids for athletic supplies and drivers' education vehicles during this meeting. Successful bidders for athletic supplies for basketball and all spring sports were Athletic Supply Inc. of Odessa, Athletic Supply of Abilene and Bridges Sporting Goods.

All American Chevrolet was

awarded the bid for two new drivers' education cars. To be purchased are Chevrolet Lumina 4-door sedans. They will be used for drivers' education, student activity trips and teachers' staff development trips.

The drivers' education fee for the school year was set at \$125.00 per student, up \$5.00 from the previous year.

Changes in school board policy were approved at this meeting, which was the second reading. No action was taken on an agenda item regarding the proposed addition of supplemental material to the health curriculum.

Commissioners Approve Tax Rates

Commissioners held a called meeting Sept. 21 at 7:30 a.m. with a two item agenda. At that time they set and approved a county-wide and school tax rate for 1995 budgets. The county's tax rate of .683 per \$100 valuation consists of .509 General Fund, .018 Interest and Sinking Fund, .010 Road and Bridge Special Fund and .146 Farm to Market Road Fund.

The school's tax rate was approved at \$1.230. Those in Emerald Underground Water District are taxed at a rate of .016 per \$100 valuation.

The court also approved an inter-local government contract with the McCamey Volunteer Fire Department of the Upton County Rural Fire Prevention District #2 to provide fire protection services.

Social Security Rep. To Visit

Garland Gregg, representative for the San Angelo Social Security Office, has scheduled his October visit to Ozona. He will be in the conference room on the second floor of the courthouse annex on Wednesday, Oct. 19,

between 1 p.m. and 2:30 p.m. Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at that time.

He served in the Signal Corps in the Army in World War II. After his discharge he worked as a truck driver as long as his health permitted. On Nov. 28, 1969, he moved to the Carmen Home.

Fort Lancaster History Comes To Life Oct. 1

Volunteers with the Fort Concho Living History Program will take part in a living history camp at historic Fort Lancaster on Saturday, Oct. 1, from 10 a.m. to 4 p.m. Fort Lancaster, an active U.S. Army garrison before the Civil War, is located in western Crockett County near Sheffield just off Interstate 10 on U.S. 290.

The living history programs of Historic Fort Stockton and the Sons of the Confederate Veterans of Midland will be joining Fort Concho for firing and riding drills, wagon rides, camp interpretation, and daily frontier mili-

tary activity. The day will begin with a flag raising by the troops at 10 a.m. and close with a retreat at 4 p.m.

All three camps will be open for public inspection, and the volunteers will run hourly activities and be available all day to talk with visitors.

This will be the fifth visit by Fort Concho to Fort Lancaster. Over the past seven years the living history program has helped this historic site with special programming and joined other groups at portraying military life from another century.

Admission is \$2.00 for adults and \$1.00 for children 6-12. There is no admission charge for children five and younger.

Ozona Craft Show Nov. 5

Crockett County Arts and Crafts Guild will host its 9th annual show Nov. 5 at the 4-H Barn. Hours are from 9:30 a.m. to 5 p.m.

For more information or to reserve a booth, contact T. K. O'Bryant by calling 392-3557.

By Louise Ledoux

Banned Books Week At CCPL

Sept. 24-Oct. 1 is Banned Books Week. This annual observance celebrates the freedom to choose what we read. I'm writing to invite your support in making our community aware of the challenges to the freedom to read. Yes, books are still being banned. In 1993 and 1994, people challenged such diverse works as the *Bible*, *Little House on the Prairie*, *Where's Waldo?*, *The Adventures of Huckleberry Finn*, *The American Heritage Dictionary* and *A Thousand Acres*. It is hoped that this observance will help people understand what happens when words and ideas are suppressed and hidden.

Words. Ideas. The Freedom to read them, without censure or limitations. The right to choose what to read. These freedoms are among the most difficult to legislate - whether in a court of law, in our homes, schools, churches or in the workplace. What one person considers threatening, another finds exhilarating. In nations populated with diverse cultures, races and lifestyles, free expression can be the powerful dose of medicine that can heal or hurt.

Winston Churchill said: "Every-

one is in favor of free speech. Hardly a day passes without its being extolled, but some people's idea of it is that they are free to say what they like, but if anyone else says anything back, that is an outrage." Fifty years later, Churchill's words are still true.

Reading stimulates a thinking mind. Censorship destroys the ability to discover differences and the commonalities in our fellow humans. Civilization has progressed because all viewpoints are allowed to exist. They can and should be debated, but only if they are allowed to be heard. The freedom to read tests our basic constitutional rights, just as the freedom of speech and the freedom of the press test those same rights. This week we should reflect on those rights and think of them as the price of democracy. Perhaps a high price, but one that is well worth its cost.

CCPL is celebrating Banned Books Week with a display of banned and challenged books. Visit the library and check out a banned book. You'll be surprised what some people do not want you to read.

Book Review Entertains Forum Members Alcohol/Drug Abuse Counselor Here

A book review of "I'll Gather My Geese" by Hallie Stillwell was presented by Glenn Watkins at the Sept. 20 meeting of Ozona Woman's Forum. The meeting was held at the Crockett Room of Ozona National Bank with 31 members present to enjoy the interesting life story of Mrs. Stillwell. Helen White and Blanche Walker were hostesses.

Hallie Stillwell is a 96-year-old ranch woman of the Big Bend area and has written two books of her life experiences. She is Mrs. Watkins' aunt.

Members present were: Marolyn

Bean, Jane Black, Louise Bunger, Geniece Childress, Sue Cosper, Elizabeth Dudley, Martha Gries, Glenda Henderson, Virginia Hubbard, Madye Jo Humphreys, Benny Gail Hunnicutt and Lu Ingram.

Also Pauline Johnson, Georgia Kirby, Shirley Kirby, Luetta Kost, Mary Lou Lilly, Marcile Long, Barbara Malone, Ethel Miller, Dorothy Montgomery, Willa Perry, Bernice Phillips, Katharine Russell, Margaret Tabb, Blanche Walker, Helen White, Beverly Evans, Madeline Stokes, Mary Agnes Ward and Modene Whitaker.

Do you know someone who has a problem with drugs or that drinks too much?

Are you looking for help and want to know what your options are?

Help is available. The Alcohol & Drug Abuse Council for the Concho Valley is treating chemical dependency through education, prevention and rehabilitation. The council has expanded its outreach services to the Concho Valley, and will have a counselor in Crockett County every Thursday afternoon between 1 and 3 p.m. The counselor may be contacted at the courthouse in Ozona, or you may call the council office in San Angelo at 655-9641 to set up an appointment. The Council is here to perform screenings, answer questions and assist the residents of Crockett County.

educational literature. Short-term crisis counseling is available for anyone affected in any way by alcohol or other drug abuse. Call the crisis hotline number 1-800-880-9641 any time, day or night.

The Alcohol & Drug Abuse Council for the Concho Valley is funded by many organizations, businesses and individuals. The Council receives funding from the United Way of the Concho Valley, the Texas Commission on Alcohol & Drug Abuse, the City of San Angelo and special grants.

The Council welcomes questions about drugs and alcohol. If you would like more information about the Council and its services, the address is: Alcohol & Drug Abuse Council for the Concho Valley, 1009 Caddo, San Angelo, TX 76901 915 655-3361.

Fall Plant Care Topic Of Meeting

At 6:30 p.m. Sept. 26, members of Preceptor Mu Chi met in the home of Betty Koerth. Blanca Martinez presented the program on "Plant Care for Fall and Winter". She said now is the time to mulch around your trees and fertilize grass. Also, this month is a good time to plant trees, shrubs, snapdragons, pansies and plants of the cabbage family. Mrs. Martinez answered questions about specific plant problems. This was an interesting and informative program.

The business meeting included discussion about booths in the Halloween Carnival.

Refreshments were served by Mrs. Koerth to the six members present and guest Mrs. Martinez. Members attending were: Mavis Dunlap, Zoe Green, Bobbie Fatout, Betty Koerth, Donna Sanders and Jeanne Wellman.

The next meeting will be Oct. 3 at Granny Miller Hall at 6:30 p.m. Mavis Dunlap reporting

Planned Parenthood To Educate About Breast Health

October is National Breast Health Awareness Month, which is devoted to increasing awareness of the benefits of preventive health care, including breast cancer check-ups and pap tests for women. For its part in this national effort, Planned Parenthood of West Texas will educate women about early detection of breast cancer through monthly self breast exams.

The key to successful treatment of breast cancer lies in early detection and for that, women need to follow the recommended breast screening guidelines, which include monthly breast self-examination. Nine out of 10 breast

lumps are found by women themselves.

To obtain a copy of the breast screening guidelines, education in self breast exam, or information on pap smears, call the Planned Parenthood clinic in San Angelo for an appointment. The number is 944-1909.

Sale Benefits Center

There will be a rummage and bake sale on Oct. 22. The money raised will be used to purchase a storage building for Ozona Community Center.

If you have any of the following items to donate, please call 392-2012, 392-2094 or 392-3956 to arrange for pick up service beginning Oct. 11.

Needed are: household items in working order, miscellaneous children's and infants' items and clothing, baked goods, handmade items. No adult clothing or shoes, please.

The Triumph Of The Cross

By Pablo S. Talamantez

It's hard to put those two words together: triumph and cross. Yet it was on the cross that Jesus of Nazareth triumphed over the powers of sin and death and evil; it was on the cross that He opened for us the possibility of resurrection and everlasting life. And it is the cross that He urges His followers to embrace, to take up daily in His footsteps.

We tend to think of our cross as the suffering that we cannot avoid. But that definition of the cross misses something important - the very something that makes suffering redemptive and the cross triumphant.

To be human is to suffer. No one escapes this life unscathed and unscarred. Indeed we will never truly understand the meaning of Christ's cross until we enter into the pain of others. Our suffering can yield insight into the pain others feel. And when it does, when we lift the whole of human sorrow in our prayer, when we listen with compassion to those around us, then we truly lifted our cross in imitation of Jesus.

Then will our suffering also become redemptive, then we will enter with the Lord into the triumph of the cross.

"You had no cross and You came to get ours."

Xi Sigma Omega Hosts Blood Drive Oct. 4

United Blood Services, a non-profit community blood center, is responsible for supplying blood for patients in area hospitals. Each day, more than 100 volunteer donors are needed to adequately meet those patients' needs. Currently, there is a critical need for all blood types, especially type O. Ozona area residents can help by donating blood at the Ozona blood drive, sponsored by Xi Sigma Omega, at the civic center on Tuesday, Oct. 4, from 1 until 7 p.m.

There is no substitute for blood. It can only come from caring volunteers. Anyone between the ages of 17 and 19 who weighs at least 110 pounds and is in good health can be a blood donor. The procedure to donate blood is very simple. All donors are given a questionnaire regarding their present health status and past medical history, as well as a mini-physical which consists of a blood pressure, pulse, temperature and iron level check. The actual donation takes only 10 minutes. The equipment that is used is brand new for that donor - it is completely sterile. After donating, the donor receives punch and cookies and then relaxes for a few minutes. After resting, the donor can resume normal activities. Healthy donors can safely give every eight weeks.

Blood is made up of four components: red cells, platelets and plasma and a clotting factor. Each pint of blood that is donated is separated into

those different components to help patients with various needs. So, just a few minutes of time and one blood donation can help up to four hospital patients.

Plan now to join your friends and neighbors at the Ozona community blood drive on Tuesday, Oct. 4, from 1 to 7 p.m. at the civic center.

Mrs. Crawford Reaches 100

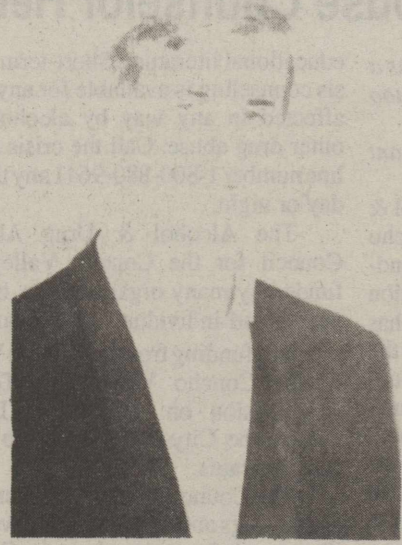

Maggie Crawford was honored at Crockett County Care Center's monthly birthday party Sept. 19 with a bouquet of roses in observance of her 100th birthday.

Mrs. Crawford's birthday was Sept. 12. She has been a care center resident since July of 1981.

Girl Scouts To Register Oct. 6

Scout Night registration for Ozona girls is Oct. 6 at the intermediate school cafeteria. Parents and children are asked to be there at 7 p.m.

Scouting groups being formed are: Daisies - kindergarten and first graders; Brownies, second and third graders; Junior Scouts, grades 4, 5, 6; and Cadets, 7th grade and up.

Hignight Wins Trip To National 4-H Congress

Jason Hignight's 4-H record book has won him a trip to National 4-H Congress at Disney World, according to Crockett County Extension Agent Tedra Ulmer.

Hignight, a 7-year 4-H member and the son of John and Sara Hignight, placed third in this year's state competition. He was recently offered a partially-funded trip to Congress.

Hignight's rabbit project has grown from one to over 250 rabbits, and he has participated in shows at the state and national level. He was named Junior Dwarf Hotot Breeder of the Year in Texas and has won numerous showmanship and other awards with his animals. In addition, he has served as a teen leader in the project and has conducted numerous citizenship activities related to his rabbit project.

He has also been active in rifle, field and stream, range judging and sheep.

Hignight will travel to Florida in December along with Crockett County's other state winner, JoLynn Vannoy. Vannoy placed first at state with her home economics achievement record book. Hignight, Vannoy and Katherine Foley of Sheffield are the only 4-H members from the 23-county District 6 to attend this year's congress.

Sorority Club Year Begins

The first meeting of Xi Sigma Omega was held Sept. 12 at the Crockett Room with hostesses Roylan Sullivan and Pam Tarr.

Guest speaker was Crockett County Schools Superintendent Larry Taylor. Mr. Taylor informed the group about the finance bill and how it is affecting all of us as tax payers and as parents of students in the Crockett County School System. There were many questions asked and answered by Mr. Taylor's informative talk.

A short business meeting was then

held, which included club correspondence read by president Donna Herring and a treasurer's report by Roylan Sullivan.

Refreshments were then served from a table decorated with purple and gold. Barbie Myers was the excited winner of the door prize, a beautiful mum from the table.

Those in attendance were: Cynthia Hokit, Leslie Wilson, Pam Tarr, Susan Buchanan, Paula Westmoreland, Kim Caddell, Barbie Myers, Donna Herring, Connie Jennings, Shannon Hunnicutt, Martha Weant and Roylan Sullivan.

Barbie Myers reporting

Joy Fellowship Meeting Oct. 5

The second Joy Fellowship meeting will be held on Wednesday, Oct. 5, at the Crockett Room during the lunch hour between 12 and 1 p.m.

The theme for this meeting is "Fall in love with Jesus". The speaker will be Ernestine Scott from San Angelo. She will be speaking on how she found the Lord, and the importance of Bible study.

At the last meeting there were 24 ladies present and a good time was enjoyed by all, said Mrs. Leora McKelvy.

The group's motto is "bring a friend, bring a salad". There will be a door prize at each meeting. All ladies of the community are encouraged to attend regardless of race, religion or social status.

"We will be looking forward to seeing you and meeting more new friends," said Mrs. McKelvy.

About ten percent of all people are left-handed.

Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

2 Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God:

3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of anti-Christ, whereof ye have heard that it should come: and even now already is it in the world.

1 John 4:1-3

4-H Banquet

(Cont. from pg. 1)

Participation in 4-H develops responsibility, leadership, and many learning skills. Boys and girls learn to work with each other in projects such as livestock, foods, clothing, rifle, field and stream, and many others such as veterinary science and fitness. In addition, scholarships and trips can be won through 4-H. In the past six years, 4-H members from Crockett County have received approximately \$90,000 in 4-H and related scholarships.

Most important, 4-H is a "family affair". Parents are welcome at all activities, and the whole family is encouraged to learn and work together. For more information on how your family can benefit from 4-H, contact the Crockett County Extension Office at 392-2721.

Educational programs such as 4-H which are sponsored by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

In Search of Meaning
By Dennis J. Prutow

When we call time out from the grind of making a living, when we hop off our entertainment carousels, we take time to really think. And we inevitably start asking basic questions. Why am I here? What is my purpose for existence? What is the meaning of life? These are nagging, persistent questions? They can drive us to despair. Or the answers can give us unbounded hope.

Unfortunately, despair is more prevalent. We see it on the faces of kids in the street, mothers in the grocery store, and dads at the office. And no wonder; if the human race crawled out of the primeval slime and is destined to find its end six feet under, what is the use? The tombstones which celebrate life with two dates, birth and death, tell the tale. We live. We die. That's it.

The Bible sheds more positive light on our lives. It tells us why we were put on this earth. Men and women were placed on this lush outpost in a magnificent universe "that they should seek God, if perhaps they might grope for Him and find Him, though He is not far from each one of us" (Acts 17:27). Our mission is to seek out the Author of life. Who can better inform our greatest longings? Our search for meaning and purpose ends in Him.

Cubs Lose To Hornets in Pouring Rain

By Neal Ulmer
Stockman Sportswriter

The Ozona Seventh Grade Cubs hosted a combined team of seventh and eighth grade Irion County Hornets Thursday, Sept. 15, in Lion Stadium. Although the Cubs lost 10-0, they played a good game, considering Irion County played 10 eighth graders 90 percent of the game.

"We were right there with them after the first drive," said Coach Rick Bachman. "Their quarterback and running back were both eighth graders. It was a good learning experience."

The Hornets got on the scoreboard in their first drive, starting on their own 33-yard line. The Cubs were unable to stop the Hornets as they ran nine plays, with four of those gaining 17, 11, 9 and 15 yards. The Hornets scored on a 4-yard touchdown run, a run on the two-point conversion was good, and the Hornets led 8-0 in the first quarter.

Ozona's quarterback Ross Crawford and backs Miguel Rios and Matt Castaneda picked up yardage most of the evening but were unable to get the ball across the goal line. The Ozona coaches noted the Cub linemen stayed with their blocks and did well in spite of being outsized.

"Irion County is a lot more physical than Sonora," said Coach Rodney Johnson.

Defensively, Coach David Delgado said, "We made some adjustments and shut them down."

The Hornets' only other score came on a safety in the fourth quarter when an Ozona punt was blocked in the end zone. This made the score Irion County 8, Ozona 0. The Cubs tried to come back but were unable to do so.

Two Ozona offensive standouts in the game were Ross Crawford and Matt Castaneda. The linemen did a good job considering the difference in size.

Defensively, standouts of the game include Miguel Rios, Ernie Hernandez, Matt Castaneda and K. C. Boyd. Coaches noted the outstanding play of Clay Richardson in the Sonora game.

Before the regular game started, a fifth quarter was played for the non-starters and younger team members. Each team ran a total of 12 straight offensive plays starting on their own

Boys Run For Three Cross Country Wins

By Neal Ulmer
Stockman Sportswriter

The Ozona boys' cross country team did it again, bringing home the championship trophy from the Mertzton meet held Sept. 24, the Ector County ISD meet held Sept. 19 in Odessa and the San Angelo Invitational meet on Sept. 17.

The boys continue to pare down their score, finishing in Mertzton with 37, 39 in Odessa and 38 in San Angelo.

In San Angelo Charles Villarreal was two minutes behind first-place Carlos Perez of Brownfield, but still turned in an excellent time of 17.11 for

a fourth-place finish. Bryan Valdez was right behind, with fifth place in 17:19. Codie Porras finished seventh in 17:36, and Johnny Porras turned in a 17:46 time for ninth place in the team scores.

Pete Castaneda again finished in the top 20 with a 13th place team finish of 17:52, and Lando Peña-Alfaro placed 15th with a time of 18:08.

Individual placings included: 4 Charles Villarreal, 5 Bryan Valdez, 8 Codie Porras, 10 Johnny Porras, 14 Pete Castaneda, 16 Lando Peña-Alfaro, 24 Rene Tambunga, 27 Gabriel Tambunga, 28 Steven Perez, 65 Paul Perner and 66 Blas Villa in the 80-man field.

Ozona's 37 score in Mertzton was followed by Water Valley with 46, Reagan County 59 and McCamey 64.

Charles Villarreal was second place for the Lions. Other Ozona boys' rankings included: 5 Codie Porras, 7 Bryan Valdez, 8 Johnny Porras, 11 Lando Peña-Alfaro, 14 Pete Castaneda, 15 Rene Tambunga, 18 Gabriel Tambunga, 28 Steven Perez, 36 Paul Perner, 49 John Baker and 31 Blas Villa.

In San Angelo on the girls' side, Amy Laughlin passed the finish line in 21st place and Terren Marshall was in 25th place to help the Lady Lions to a seventh-place finish out of 13 teams, including Brownfield, Lubbock Roosevelt, Brady and Wall. Finishing out the team scores were: Felicia Ramirez in 56th, Patti Dominguez in 58th and Maria Trujillo in 60th place.

Individual placings were: 26 Amy Laughlin, 30 Terren Marshall, 65 Felicia Ramirez, 67 Patti Dominguez and 70 Maria Trujillo.

Ozona girls placed third overall out of 16 teams in Mertzton. Placings for the runners were: 8 Terren Marshall, 11 Amy Laughlin, 13 Mel Lozano, 14 Heather Hall, 16 Julie Hall, 35 Maria Trujillo, 38 Felicia Ramirez, 41 Patti Dominguez, 80 Adriana Lozano, 92 Amy DeHoyos, 101 Michelle Marshall, 106 Jamie Porter.

Coach Pete Maldonado invites interested individuals who want to train with the high school boys' or girls' teams to join them for their 50-minute morning run each day at 6 a.m. or for an afternoon workout at 2:30 p.m.

Sophomores To Take PSAT Test

The PSAT, Preliminary Scholastic Aptitude Test, will be given to sophomore students in the high school cafeteria Saturday, Oct. 15, at 8 a.m.

"This test can help a student get over test anxiety, and without any bad consequences people can really see what they can do," said David McWilliams, high school counselor.

The PSAT is suggested for two main reasons. The first is to give students a preview for the SAT test, one of the two college entrance exams. The other is to provide part of the basis

for becoming a National Merit Scholarship Semifinalist.

"I think it's (the PSAT) a very good instrument for a student to get a preview of the SAT and also to make a general projection of what they may possibly make on the SAT," McWilliams said.

This year's PSAT will be paid for by Ozona High School, unlike last year's, which the students had to pay for themselves. Sophomore students may sign up for the test in the counseling office before Oct. 7.

30-yard line. When this was completed, both teams were given three plays to score from the five yard line.

Outstanding play in the fifth quarter group included Kenneth Sesom, Paul Sanchez, Randall Borrego,

Casey Jamerson, John Austin Stokes who had a fumble recovery and a pass interception, and Daniel Landin with a pass interception.

The seventh and eighth grade Cubs will play in Junction Thursday. Go to the game and "Back the Cubs".

Lions Upset Dogs (Cont. from pg. 1)

made some changes due to some injuries and the loss of a player. Doug Meador sustained ligament damage in the knee in the Sanderson game and will have surgery Oct. 16. According to Coach Payne, Lance Jamerson has done a good job at center for the injured Meador. Playing in the guard positions are Luis Longoria and Clay Westmoreland and the tackles are Elliott Barrera and Justin Moran. Punter Jesse Garza averaged 36.6 on five punts.

This week's game with the Junction Eagles, the Lions will face a rather

small but quick and aggressive team according to Coach Payne. They will be looking to improve their 1-3 record. The Lions will be playing the Junction Eagles at 8 p.m. in Junction. The high school pep rally will be held at 3 p.m. on Friday, Sept. 30 in Davidson Gym.

Third Graders Tour Service-Oriented Businesses

On Friday, Sept. 16, Mrs. Childress' third grade class took a field trip to the Crockett County National Bank after reading about banks in social studies. Kay Stewart gave the children an interesting tour of the bank. The students were so excited to get a pen from the bank. When they returned to school, they used the pens for their spelling test.

After leaving the bank, the students took a tour of La Unica tortilla factory. The factory is owned by Mrs. Valdez who also owns Bryan's Poco Taco. Mrs. Valdez showed the students how the corn is cooked, washed, ground and made into tortillas. The children found the process interesting, and they loved the hot tortillas with butter.

Upon returning to class, the students learned about a Mexican fiesta and the importance of Mexican Independence Day. The class enjoyed a fiesta in their classroom complete with Mexican food for lunch, authentic

Reunion Planned

A planning meeting is being scheduled in October for a reunion of students and teachers who attended or taught at the old Poly Elementary or William James Middle School in Fort Worth during the 1960's.

For more information contact Nancy Schneider Woods at 817 831-6572, Sherry Smyers at 817 595-1524, Ron Schneider at 817 458-3575 or write to P. O. Box 7060, Fort Worth, TX 76111.

music and a pinata. Students brought products from Mexico to share with the class. Students are also learning Spanish words as part of their continuing study of Mexico.

Participating are: Clay Hale, Gene Damien, Arron Garza, Travis Tebbetts,

Breanne Gesch, Jake Stewart, Lisa Valdez, Zachary Beasley, Kasi Yeager, Vanessa Rivera, Jonathon Hernandez, Jasmine Rico, Jamie Hall, Bubba Martinez, Janet Rodriguez, Chris Smith and Laura Pierce.

Bike-A-Thon Coming Soon

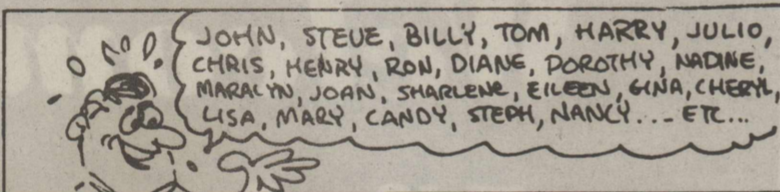

St. Jude Children's Research Hospital has announced plans for the Ozona "Wheels for Life" Bike-A-Thon to be held on Oct. 22. Mrs. Debra Gilstrap will serve as coordinator of the event and encourages all residents to support this important community effort.

St. Jude Children's Research Hospital, founded in 1962 by the late entertainer Danny Thomas, is the largest non-profit childhood cancer research center in America in terms of the number of patients treated and treatment success. All findings and information gained at the hospital are shared freely with doctors and hospitals all over the world. Thanks to St. Jude Hospital, children who have leukemia, Hodgkin's disease, sickle-cell anemia, and other child-killing

diseases now have a better chance to live.

This year's bike-a-thon poster child, 8-year-old Shauna Richters, represents all of the patients treated at St. Jude Hospital. Shauna was diagnosed with Wilms' tumor, a malignant growth on her left kidney, in December of 1990. Shauna is in remission from her cancer and completed her chemotherapy (anti-cancer drugs) in June, 1991. She is doing well and returns to St. Jude Hospital every six months for checkups. Shauna celebrated her last chemotherapy treatment with a present she had eagerly looked forward to: a new bike.

Residents and businesses may lend their support to the hospital by making a contribution or by becoming a rider.

The study of names is named **onomastics**.

ASU Sponsors College Day

Angelo State University will open its doors for a review by future students and their parents Saturday, Oct. 1, during a College Day for high school seniors and juniors.

ASU coordinator of special activities Ms. Shirley Morton says the day's events are designed to give prospective students an extensive overview of the ASU campus, the University's programs, and student activities at the San Angelo campus. "Students and parents can meet with University faculty, administrators, and current students to get a feel for ASU," said Morton. The prospective students can talk with departmental personnel concerning courses of study, degree programs, and academic expectations. Also, staff personnel will be available for counseling on financial aid and scholarship opportunities.

"The involvement and participation of the parents have increased in the past several years," said Morton. "Parents are much more inclined today to take an active role in helping their child select a college." Although financial issues are high on the list of parents' concerns, questions involving safety, degree programs, and work and extracurricular activity opportunities are also on parents' minds.

The program begins at 10 a.m. and runs through 3 p.m. Saturday, Oct. 1. Registration begins at 9:15 a.m. in the Houston Harte University Center. Prospective students are invited to be guests when the ASU Rams meet the Tarleton State University Texans at San Angelo Stadium at 7:30 that evening.

There is no charge for attending College Day, and lunch will be provided for participants.

Morton encourages San Angelo students and parents who are generally familiar with ASU also to attend the program. "I know many people in San Angelo and nearby think they know ASU and have a good general knowledge of its programs and activities. When you are making an important decision such as the selection of a college, it's essential to take a comprehensive look at all the options."

For more information, contact the Office of University Affairs at 915 942-2117.

Breakfast Eating Affects School Performance

No matter what a child's family income, not eating breakfast affects his or her ability to learn in school. Any child who goes to school without breakfast, doesn't eat breakfast at school, and is hungry, will not learn as much as the child who starts off the day with a nutritious meal.

The "gnawing feeling of hunger" experienced by children who don't eat breakfast will cause physical, mental and behavioral symptoms that keep these children from being able to understand and learn.

Believe it or not, this condition, called "transient hunger", even causes physical symptoms such as respiratory illness, stomach pain and other mysterious but very real ailments.

There is also more absenteeism among children who don't eat nutritious foods and adequate calories in the morning. That creates another learning disadvantage for these children, when compared to those who can be at school regularly.

Children's behavior can also be affected by transient hunger. Teachers describe this behavior as "restlessness", "low-time-on-task", "hyperactivity", "sleepiness" or "unacceptable personal relations".

Research shows that hungry children score lower on achievement tests. They not only score lower on the problems they try to answer, but even quit trying to solve the problems and leave more unanswered than well-fed children.

The school breakfast program is available in Ozona. If you don't choose to have your child participate, make sure he or she receives a nutritious breakfast at home. This can consist of a couple of servings from the bread food group, such as cereal and toast, a serving from the fruit group such as juice or fresh fruit, a serving from the milk group such as milk, yogurt or cheese, and possibly servings from the vegetable or meat groups.

Remember, children need adequate calories for energy. One granola bar doesn't fill the bill - or your child's stomach. If you have a child who can't seem to eat adequately when he or she

first gets up, you may need to wake them up a little earlier so they can get going before breakfast. Stick an extra granola bar or piece of fruit in the car on the way to school so they can head off the "munchies" before school.

And remember, you don't have to eat the traditional old "scrambled eggs, toast, orange juice" breakfast. Pizza, fruit plates, muffins and lots of other "nontraditional" breakfast foods may be more appealing, fast and filling for junior! For more "kid food" ideas, contact me at 392-2721 or come by my office, located on the second floor of the courthouse annex. We can provide information about ways to feed children nutritiously - with foods they like.

Educational programs and information provided by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Oct. 21 Career Day at OHS

By Dora Garcia
Advanced Placement
English Student

The Advanced Placement English class and the National Honor Society will be holding a Career Day on Friday, October 21. This will be an opportunity for students to learn about the various fields in the job market.

Each student will have 40 minutes in a booth area to visit with military recruiters, college recruiters, and hopefully job or career recruiters. Job interviews would also be possible at this time.

If any local or area businesses would like to set up a booth (we provide these) and use this opportunity to search for job applicants, we would welcome them. If you are interested in having a career booth, please contact David McWilliams at 392-5501, ext. 209.

Campaign Seeks To Prevent Discrimination In Hiring

COLLEGE STATION - Ignorance of the law is no excuse, even though it's probably a major reason why employers in Texas and elsewhere are having difficulty complying with the anti-discrimination provisions of the 8-year-old Immigration Reform and Control Act.

In an effort to help employers better understand IRCA, the Texas Agricultural Extension Service has teamed with the U. S. Department of Justice and the Texas office for Immigration and Refugee Affairs in mounting an awareness campaign through the news media. The campaign asks employers to "Look at the facts, not at the faces" and thereby reduce hiring discrimination and other unfair practices against workers.

IRCA requires employers to verify identity and work eligibility of all workers. The law also prohibits employers from treating workers and prospective workers unfairly.

Special Counsel William Ho-Gonzalez of the U. S. Department of Justice says discrimination is "an altogether too common phenomenon". Fear of penalties, combined with ignorance of the law, are at the root of the pattern of illegal behavior by employers, the attorney says. Violations are common in every sector of the economy.

"This is not unique to the agriculture industry," Ho-Gonzalez says.

The law requires that employers fill out an I-9 form on each new employee, confirming that proper work documents have been presented, said Dr. Richard Edwards, an agricultural economist and expert on IRCA for the Extension Service.

"For the first five years of the act, the focus was primarily on ensuring that employers adhered to their responsibilities relating to completing I-9's, and maintained these forms for the prescribed length of time," he said.

Now the law's anti-discrimination provisions also are being emphasized.

Prior to the enactment of IRCA, Edwards explained, there was worry that employers would try to skirt the new law by refusing to hire people they considered "foreigners".

"Congress reacted to these fears by writing penalties into the act which would be imposed if employers were found guilty of discrimination during the hiring process," Edwards said.

"Unfortunately these fears have proven to be well-founded, as recent studies have shown that 19 percent of employers nationwide admitted to discriminatory hiring practices."

In Texas, that proportion jumps to 28 percent.

The statewide information campaign is directed particularly at employers in small businesses who may not be well informed about IRCA provisions. Information packets were sent in late July to chambers of commerce, trade associations and other employer groups, especially in rural areas.

An informative brochure about the law and an instructional video are available through local offices of the Extension Service. The video may be borrowed from the county Extension office, or employer organizations may request a copy in English or Spanish in limited supply from the Department of Agricultural Communications, 201

Reed McDonald, College Station, Texas 77843-2112.

IRCA-related questions also are handled by the Employer Hotline in the Office of Special Counsel for Immigration-Related Unfair Employment Practices at 800-255-8155.

Lone Star Events

Sept. 30-Oct. 23—State Fair of Texas, Dallas. Though it is more than 100 years old, the State Fair of Texas continues to thrill millions of visitors every year. It is the biggest exposition in the country, with events like a carnival, colorful parades, exhibitions, and rodeos. Be sure to take in the International Snow Fliers Show where freestyle skiers recreate the Winter Olympics.

Rio Grande Study Results Released

AUSTIN - Relatively few main river sites sampled during a recent study of the Rio Grande displayed substantial toxic chemical impacts, according to the results of a two-year, binational study released last week by participating state and federal agencies. Toxic chemicals were of greater significance in tributaries or drains entering the river, which relates to the fact that some of them transport wastewater in a relatively undiluted form.

Sampling was conducted at 45 selected sites in the main river and tributaries from El Paso - Juarez to Brownsville - Matamoros. More than 150 toxic chemicals were analyzed in water, sediment and fish tissue. Water and sediment samples also were subjected to toxicity testing.

Two of 19 sites in the main river had a high potential for toxic chemical impact. One was a site downstream of El Paso - Juarez and the other was a site downstream from Laredo - Nuevo Laredo. Among tributaries or drains, sites with a high potential included the El Paso Haskell Street wastewater treatment plant discharge, Juarez discharge canal, Manadas Creek near Laredo, Zacate Creek near Laredo, Arroyo El Coyote near Nuevo Laredo and Anhele Drain near Reynosa.

Primary study participants included the Texas Natural Resource Conservation Commission, Texas Parks and Wildlife Department, Texas Department of Health, U.S. Environmental Protection Agency and the Mexican National Water Commission. Binational coordination was handled by the International Boundary and Water Commission, U.S. and Mexican sections.

The study was not intended to be a definitive evaluation of specific health concerns such as the risk of eating fish from the river, but instead, to reveal reaches of the river and particular chemicals that require additional investigation.

"This study was a one-time look at the entire Texas-Mexico reach, which is important given the previous scarcity of information for areas of the river," said Roxie Cantu, TPWD biologist. "It should provide a focus for future work."

In the main river, five chemicals

exceeded screening levels in water, eight in sediment and 12 in fish tissue, whereas in the tributaries, 17 chemicals exceeded screening levels in water, 15 in sediment and eight in fish

tissue. Arsenic was the most common contaminant that exceeded screening levels in water, whereas it was nickel in sediment and selenium in fish tissue.

A County Judge

In a rural county such as Crockett County the County Judge wears numerous hats and I list the following:

- Hat No. 1:** The County Judge presides over the Commissioners Court and may vote on issues--especially on tie votes.
- Hat No. 2:** The Constitution says he will keep office from day to day, meet with the citizens and help them with their problems by referring them to the proper channels, making routine decisions and generally take care of the County's business.
- Hat No. 3:** The County Judge is the chief budget officer. He prepares the County budget each year and presents it to the Commissioners Court for their input, changes and approval.

Each of the above can be satisfactorily handled by most business people, with the help of ROBERTS RULES OF ORDER.

THE HATS LISTED BELOW REQUIRE MORE PARTICULAR ATTENTION

- Hat No. 4:** The County Judge is the Judge of the Criminal Court in all cases calling for County Jail time--up to 1 year in County jail and a fine of up to \$3,000 or both--this is the punishment for Class A and Class B misdemeanors. The accused may demand a jury trial and the County Judge will preside at these jury trials.
- Hat No. 5:** The County Judge is the Judge of the Civil Court in matters above the jurisdiction of the J. P. Court and below the jurisdiction of the District Court; again there may be jury trials.
- Hat No. 6:** The County Judge is the Probate Judge and he inspects Wills filed for Probate to see they have been prepared with the proper formalities of law and properly witnessed to make them admissible. The Judge appoints Administrators, admits Wills to Probate and Orders Inventories. Some matters he will have to refer to the District Judge if the County Judge is not a licensed attorney.

In the Probate Field, more importantly, the Judge appoints GUARDIANSHIPS--ON HIS OWN INITIATIVE, if necessary, rules on incompetencies. This is a newly revised, more important job for the County Judge, made so by the newly revised Guardianship Laws.

For 83 years of its 104, Crockett County has had an Attorney as County Judge--a person who had the training, knowledge and experience to wear these different hats.

USDA Holds Policy Forum In Texas

COLLEGE STATION - The U. S. Department of Agriculture will hold a public forum Oct. 15 in Kingsville to solicit public input on policy issues needing consideration during the development of the 1995 farm bill.

Harold Bob Bennett, Texas State Executive Director for USDA's Agricultural Stabilization and Conservation Service (ASCS), said the forum will be held at Texas A&M University - Kingsville from 8 a.m. to 4 p.m.

"Secretary of Agriculture Mike Espy firmly believes that the future of U. S. agriculture in the 21st century will depend on the policy foundation we establish in the 1995 farm bill. This is a unique opportunity for Texas farmers, consumers, and others in the agricultural sector to offer their suggestions on how to improve existing USDA programs and policies as well as to suggest new tools that will help U.S. agriculture reach its full potential in the century ahead," said Mr. Bennett.

Among the officials who are scheduled to participate in this farm policy forum are House Agriculture Committee Chairman Kika de la Garza from Texas' 15th Congressional District. USDA participants include Under Secretary for International Affairs and Commodity Programs Eugene Moos and Acting Assistant Secretary for Economics Keith Collins.

Individuals who would like to make a presentation are requested to register in advance. To register, contact the Texas State ASCS Office, Phone 409 260-9207 or FAX 409 260-9358.

Crockett County Sheriff's Report

Week Ending 9-27-94, 8 a.m.

ARRESTS:

9-21-94...Santiago DeHoyos Vargas, age 26, of Ozona was arrested by sheriff's deputies on a warrant for revocation of probation on a burglary of a building conviction.

9-22-94...Mariano S. Maskill, age 38, of Ozona was arrested by sheriff's deputies on a warrant charging him with family violence assault with bodily injury. He was released on 9-24-94 after posting bond.

9-25-94...Francisco Javier Ortiz Jr., age 39, of Ozona was arrested by deputies and charged with family violence assault and resisting arrest.

9-26-94...Blas Arroyo Ramos, age 54, and Arturo Robles Jr., age 40, both of Ozona, were arrested by sheriff's deputies and charged with public intoxication.

INCIDENTS:

9-21-94...Guadalupe Borrego Maskill reported that she had been assaulted by her husband. A warrant was issued and the husband was later arrested. The case is pending in county court.

9-21-94...Chris Borrego reported that a person had broken a window and reached inside a building at his residence, unlocked the back door and entered the building. Upon investigation by the deputy, it was determined that the window was not broken and that the only damage was a small hole in two window panes that appeared to have been made by a pellet gun. The amount of damage to the windows has not been determined.

9-22-94...Mariano Maskill reported that he was driving his pickup on Santa Ana Street in front of his

residence when someone threw an object at the right side of his pickup, causing a small dent and paint to be chipped about the size of a nickel. Estimated damage to the pickup was \$336. The case has been referred to the County Attorney for prosecution.

9-26-94...A 14-year-old juvenile reported that he had been assaulted by a 17-year-old. The assault apparently was the result of an argument over a pencil. The case is under investigation.

Could This Be You?

You are scared...you feel alone...I can't let anyone know...What will people think...it won't happen again...he said he was sorry...I provoked him...it was the first time...the alcohol made him do it...I guess I deserved it...the children don't see him hit me...I still love him...I don't want him to go to jail.....

If you are thinking that these words sound familiar, there is help. The ICD Family Shelter of San Angelo offers emergency shelter and advocacy to victims of domestic and family violence. Services provided at no charge to victims and their families include counseling, emergency shelter, a therapeutic children's program, a counseling resource for abusive men called "New Directions" and also non-residential services for those seeking options in the 13 counties surrounding San Angelo. For more information in this area, call Melody Jeter, Outreach Coordinator, at 1-800-749-8631 or 915-655-5774.

NATIONAL CONSTITUTION WEEK was observed Sept. 17-25 by school children over the nation. In Ozona on Sept. 20, Phil Ricks, district director for Congressman Henry Bonilla, and Scott Keith, regional director for Phil Gramm's office, observe as Ozona's Intermediate School student Aaron Garza signs a replica attachment of the Constitution of the United States. Other students waiting to sign the document are (l-r) G. L. Bunger, Clay Hale, J. T. Lara, Rebecca Shaw and Leslie Flores. The enlarged Constitution signed by the Ozona and other area students will be sent to Philadelphia where it will be put on public display in the National Constitution Center. Photo by Neal Ulmer

August Drilling Permits Up Says Railroad Commission Report

The Railroad Commission of Texas issued a total of 1,276 drilling permits in August compared to 1,100 in August 1993. The 1994 August total included 721 permits to drill new oil and gas tests, 41 to re-enter existing well bores, 60 to deepen existing holes, 210 to plugback existing holes, and 82 for other wells. August amended drilling permits totaled 162.

Total drilling permits issued in 1994 year-to-date is 8,283, a two percent decrease from the 8,459 issued during the same period of 1993.

Permits issued in August included

443 oil, 324 gas, 474 oil and gas, 16 injection, 10 disposal and nine other permits.

In August operators reported 381 gas, 374 oil, and 46 service completions, compared to 247 gas, 428 oil and 51 service completions during the same period of last year.

The total of well completions

recorded for 1994 year-to-date is 5,647, a six percent increase from the 5,317 recorded in 1993.

Operators reported 890 holes plugged and 103 dry holes in August, compared to 1,005 holes plugged and 204 dry holes reported during the same period last year.

 Pol. Pd. Adv. "Committee to Elect Bob Turner," 1907 12th St.,
 Brownwood, TX 76801, David Harper, Treasurer

As a member of both the Texas Rural Coalition and the Texas Conservative Coalition in the Texas Legislature, Bob Turner wants to deal with the issues faced by Texans who make their living in agriculture.

"I am extremely concerned about the individual property rights of Texans. As Chairman of two Statewide committees on Protection of Private Property Rights in the State Legislature - I am convinced that our battle is huge - but - that if we work together we can rewin and retain our cherished private property rights."

ASCS NEWS From Laurie Hale

Producers who have suffered at least a 40% loss in pasture grazing and are feeding livestock may make an application for the Emergency Feed Program. The feed period will start the day the producer signs up and end 90 days after that. The program is not retroactive; if you have bought feed and it has been fed, there is no payment on that feed. For more information, contact the ASCS office.

Sept. 30, 1994, ends the year for ACP practices. Producers who have practices scheduled to end Sept. 30

should contact the office. 1995 applications will not be taken until Nov. 1, 1994.

Elections for the County Committee will be held Dec. 5, 1994. This year we have changed the way producers are nominated. The office will no longer send a nominating petition to each producer through the mail. Anyone wanting to nominate a producer will need to pick up a petition from the office. Nominations will be open from Oct. 6, 1994 - Oct. 31, 1994.

Junction Stockyard Report

Junction Stockyards sold 204 head of cattle Friday, Sept. 16. Calves sold mostly \$1-\$2 lower except medium steers which sold steady to \$2 higher. Packer cows were steady to \$1 lower. Stocker cows were in fair demand.

McCamey Plans Chili Cook-Off and Crafts Fair

The McCamey Chamber of Commerce will sponsor their annual chili cook-off and arts and crafts fair Saturday, Oct. 29, at the Santa Fe Park on East Hwy. 67 beginning at 9 a.m.

If you want to reserve a booth for the arts and crafts fair, call the chamber at 652-8202 for a reservation form. You may designate your booth area in advance only if the booth fee is paid.

For more information, contact the McCamey Chamber of Commerce at Box 906, McCamey, TX 79752 or call 915-652-8202.

USDA Asks For Comments On 1995 Support Prices For Wool And Mohair

The U.S. Department of Agriculture's Commodity Credit Corporation on Sept. 13 asked for public comment on the support prices for pulled wool (wool on unshorn lambs) and mohair for the 1995 marketing year.

The National Wool Act of 1954, as amended (the Wool Act), the 2-year phaseout of the wool and mohair program began with the 1994 marketing year. Producer payments for the 1995 marketing year will be calculated using the support prices covered by this proposed rule, but will then be reduced by 50 percent in accordance with the Wool Act. The Wool Act is in effect through Dec. 31, 1995.

The Wool Act provides that the support price for pulled wool - the wool removed from the pelts of unshorn, slaughtered lambs - be set at a level relative to the shorn wool support price that will maintain normal pulled wool marketing practices. This provision has been implemented in the past through payments based on the live weight of unshorn lambs marketed.

The Wool Act also provides that the mohair support price be set at a level to maintain about the same percentage of parity as for shorn wool. Under the Wool Act, the mohair support price may be set at not more than 15 percent above or below the shorn wool parity percentage.

The shorn wool support price is determined by a formula specified in the Wool Act. Based on the current reported parity index, the 1995 shorn

wool support price will be \$2.12 per pound, grease basis.

The proposed regulation was scheduled to be published in the Federal Register on Sept. 16. Comments on the proposed regulation should be sent to: Director, Fibers and Rice Analysis Division, Room 3760-S, USDA/ASCS, P.O. Box 2415, Washington, D.C. 20013-2415 and must be received by Oct. 17. A preliminary regulatory impact analysis on the options considered is also available from that office. Public comments will be available for inspection in Room 3756-S of USDA's South Building during normal business hours.

Reeves County Fall Fair Oct. 6-8

The official start of the 5th Annual Reeves County Fall Fair and Livestock Show is the fair concert Oct. 1. Four bands are scheduled to appear at the event held at the Buck Jackson Rodeo Arena. They are: Mazz, Elsa Garcia, Gary Hobbs and La Ley Del Bravo. Advance tickets may be obtained by contacting the Pecos Chamber of Commerce at 915-445-2406. Advance tickets are \$12 each. They will be \$15 at the gate.

The Sheriff's Posse Arena is the location for the 21st annual World Championship Barbecue Beef Cook-off Oct. 7 and 8.

Contact the chamber for more information on any of these events.

Permian Basin Oil Show Oct. 19-21

The first two days of the 1994 Permian Basin Oil Show, Oct. 19-20, are limited to oil personnel only, with the show opened to the public on Friday, Oct. 21. No children will be allowed on the show grounds during the first two days. Admission to the show is free.

To enforce the attendance rules, members of the board of directors will patrol the show grounds during the first two days, and visitors must wear

their registration badges during those first two days.

Advanced registration will be held at 11 locations Monday and Tuesday, Oct. 17 and 18, from 8 a.m. to 4 p.m.

Among the locations for advanced registration are: Odessa - Permian Basin Oil Show Main Gates, 42nd and Andrews Highway; Midland - Midland Center, 105 North Main, Room 3; San Angelo - Swartz Oil Co., 4112 College Hills Blvd., No. 210.

Public Notices

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Marathon Oil Company, P.O. Box 552, Midland, TX 79702 is applying to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the San Andres/Grayburg, M. A. Shannon Est. "O" Lease, Well Number 24. The proposed injection well is located 16 miles Southeast of Iraan, in the Olson Field, in Crockett County. Fluid will be injected into strata in the subsurface depth interval from 2100 to 2450 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code as amended, Title 3 of the Texas Natural Resources Code as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing within fifteen days of publication to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, P.O. Box 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/463-6790). 1c33

BIDS NOTICE
