## Lion Band To Regional Marching Contest

The Ozona Lion Marching Band will travel to Brady on Saturday, Oct. 21, to perform at the Region VII U.I.L. Marching Contest. Judges for the contest are Warren Thaxton from Abilene, J. B. Perry from Springtown and Don Theode from Clifton. The contest will begin at 10 a.m. with Class A bands followed by Class AA bands at 1 p.m., AAA bands at 3 and AAAA bands at 4:30. The Lion Band will perform at 2:30 and the division ratings will be announced at 2:45.

The public is cordially invited to attend and support the Lion Band as they take the first step on the way to the state marching contest.

At the Friday night game with Eldorado, the Lion Band will perform their contest show. Music performed for the show will be "Entry of the Centurions", a percussion feature called "That's All Folks", and a spirited march called "Mustang". Slate Williams and Emily Stuart will perform a duet, and Charles Villarreal

will be the soloist. Drum major for the Lion Band is Jessica Fuller, and the band director is Mr. Kelly Glaze assisted by Mr. Norman Carroll.

Bands in Class A, AA and AAAA that earn a Division I or Superior rating at the region contest are eligible to compete at the area level. This year the area contest will be Oct. 28 in Fort Worth. Only the top two bands from each class at area contest will advance to the state marching contest. This contest will be held on Nov. 6 in Austin.

## Arrott And Hignight Honored At District

Nancy Arrott, daughter of Jimmy and Debbie Arrott, and Jason Hignight, son of John and Sara Hignight, were recognized on Saturday, Oct. 7, at the District VI 4-H Gold Star Banquet.

The theme for this year's banquet was "Experience the Wonder: Imagine, Believe, Achieve". Alpine was the site for the event, sponsored by West Texas Utilities Company, TU Electric, and Texas/New Mexico Power Company.

District Council public relations officer Casey Upham was one of the

council officers responsible for the program. He introduced special guests at the program. Pete Gallego, State Representative from the 74th District, spoke to the honorees and guests on the importance of basics in one's life—friends, family and roots.

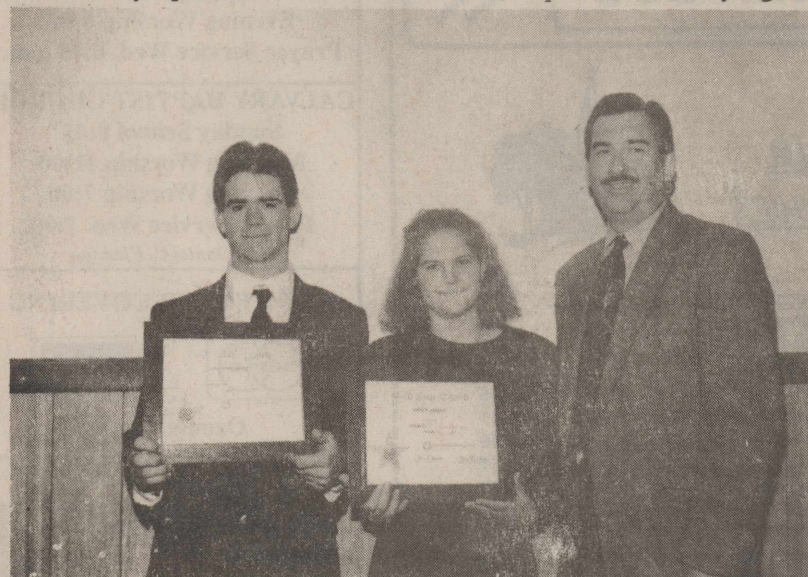

Arrott and Hignight were among 23 honorees this year from the 24-county district. They were accompanied to the banquet by their parents, Jimmy and Debbie Arrott, John and Sara Hignight, Amanda Hignight, Elizabeth Upham and County Agent

Billy Reagor.

Jason Hignight represented Texas at National 4-H Congress in Orlando, FL, in 1994. From national rabbit shows to Texas 4-H Roundup and the Texas 4-H Fashion Show, Jason's commitment to excellence and hard work have exemplified the 4-H motto "Making The Best Better". As a senior 4-H'er, Jason has been a counselor at State Water Camp as well as a participant for two years, attended SPEC-TRA, leadership labs and Wildlife Camp. He is a teen leader in the rabbit and rifle projects and a former "I Dare You" award winner.

Nancy Arrott has been active during her 4-H career in the sheep, photography, foods and nutrition and child development projects. She was a recipient of the Texas 4-H "Beating The Odds" recognition at State 4-H Roundup in 1994 and has received the "I Dare You" award and the prestigious Regina Everett belt buckle at the county level for most points won at major stock shows. She exhibited a sixth-place photo at the state contest and was the pride of Crockett County when her lamb was named reserve champion at the Houston Livestock Show in 1994.

Both of these young people are fine examples of the quality of 4-H'ers Crockett County continues to produce and both are very deserving of the honor of being chosen as Texas 4-H Gold Star recipients.

**CROCKETT COUNTY 4-H GOLD STAR** recipients were honored in Alpine at the District 6 4-H Gold Star banquet. Pictured from left are Jason Hignight and Nancy Arrott with Kit Horne of West Texas Utilities Co.

## Lions Win Water Valley Meet

By Neal Ulmer  
Stockman Sportswriter

Cross country trekkers Lori Sanchez and Charles Villarreal placed first in the Water Valley Cross Country Invitational Meet held Oct. 14 in Water

### Early Voting Begins In Constitutional Amendment Election

Oct. 18 through Nov. 3 is the early voting period for a Nov. 7 special election to consider 14 proposed amendments to the Texas constitution. The state's constitution, which dates to 1876, has often been criticized as too detailed and confusing. It has already been amended 353 times.

Summaries of the 14 proposed amendments follow. Descriptions may differ from the actual ballot wording.

Prop. 1 - To allow the Texas Higher Education Board to issue up to \$300 million in bonds to finance more student loans.

Prop. 2 - To authorize lawmakers to exempt Masonic lodges and some other state charitable organizations from property taxes.

Prop. 3 - To allow use of existing bond authority of the Texas farm and ranch finance program to include assistance for expansion, development and diversification of production, processing, marketing and export of Texas agricultural products.

Prop. 4 - To allow Texas homeowners to refinance their homes to pay off an Internal Revenue Service lien, or in the case of divorce to buy out the other spouse's equity in the home.

Prop. 5 - To permit the Texas Land Board to issue another \$500 million in general obligation bonds to finance low interest home loans for Texas veterans.

Prop. 6 - To extend the over-65 senior citizen homestead property tax exemption to the surviving spouse of an elderly person.

Prop. 7 - To eliminate \$250 million in general obligation bonds set aside for the now-defunct superconducting super collider project.

Prop. 8 - To allow residents of Mills, Reagan and Roberts counties to abolish the office of constable.

Prop. 9 - To allow investment of money from the Texas Growth Fund in a business without the business's disclosure of investments in South Africa or Namibia.

Prop. 10 - To abolish the state treasurer's office and merge it into the comptroller's office.

Prop. 11 - To permit open-space land used for wildlife management to be treated like agricultural land in property taxes.

Prop. 12 - To allow lawmakers to

(Continued on pg. 2)

### Sales Up In County

A report of sales issued Sept. 25 by the State Comptroller's Office for the first quarter of 1995 shows Crockett County with a 19.8% increase for all industries. Gross sales of \$12,066,208 were reported by 133 outlets compared to 125 outlets reporting \$10,075,876 in the same period of 1994.

Retail sales posted a 15.2 percent increase with 80 outlets reporting gross 1995 first quarter sales of \$6,313,418. During the same period of 1994, 79 outlets reported \$5,481,015 in sales.

Surrounding counties and their statistics are: Crane, 65 outlets, \$5,252,258, down 5.9% from 68 outlets and \$5,580,652; Reagan, 52 outlets, \$6,340,055, up 11.9% from 58 outlets and \$5,663,895; Sutton, 73 outlets and \$5,800,563, up 17.1% from 78 outlets and \$4,955,320; Terrell, 21 outlets, \$944,294 up 1.6% from 30 outlets and \$929,761; Upton, 73 outlets, \$3,077,710, up 18.7% from 77 outlets and \$2,995,656; Val Verde, 500 outlets and \$62,356,133, up 1.6% from 516 outlets and \$61,374,176.

Valley. Villarreal led the Lions to a first place finish, and Sanchez led the Lady Lions to fourth.

"We are priming and getting ready for district as our main goal," said cross country coach Pete Maldonado, "and preparing for regional for both boys and girls. First goal is to win district and our second goal is to prepare to compete well at regional."

Ozona placed first followed by: 2 Early, 3 Reagan County, 4 Water Valley, and 5 Robert Lee. There were 67 runners in the boys' division with Charles Villarreal placing first with a time of 17 minutes, 52 seconds. Other Ozona team members placing were: 3 Johnny Porras 18:29, 7 George Hernandez 19:01, 9 Blas Villa 19:11, 12 Will Roane 19:33, 34 David Martinez 22:07 and 44 John Baker 23:41 minutes.

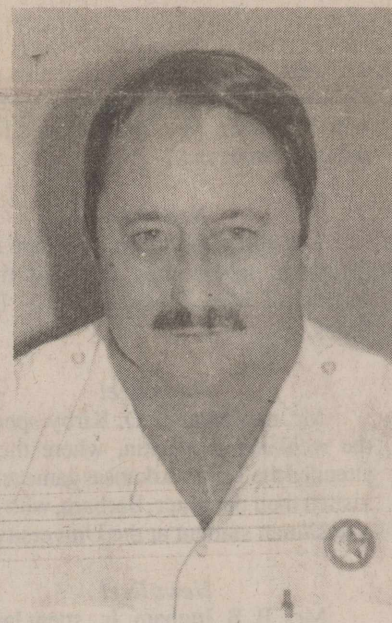

In the girls' division, Sanderson placed first followed by: 2 Sterling City, 3 not available, and 4 Ozona. There were 73 girls in their division led by Ozona's Lori Sanchez with a

time of 14 minutes, .03 seconds. Other Ozona team member placings are 7 Terren Marshall 14:50 and 15 Amy Laughlin 15:26. No placings were available for four other Ozona Lady Lions, but their times were: Gina Castro 16:36, Patti Dominguez 17:01, Maria Trujillo 17:02 and Felicia Ramirez 18:00.

Placing first in the junior high boys' division was Cub runner Matt Castaneda with a time of 5:47. Other teammates placings and times are: 3 I. J. Villarreal 5:54, 13 David Vandenburg 6:23 and 38 Roman Castaneda 9:52.

The District 5-2A Cross Country Meet will be held in Iraan Wednesday, Oct. 18. The high school girls will start at 2 p.m., the high school boys at 2:30 p.m., junior high girls at 3:30 p.m. and at 4 p.m. the junior high boys' competition will start. The regional cross country meet will be held in Lubbock on Nov. 4. If at all possible, go out and back Ozona's cross country teams.

## Davis Announces For Sheriff

Alton Davis

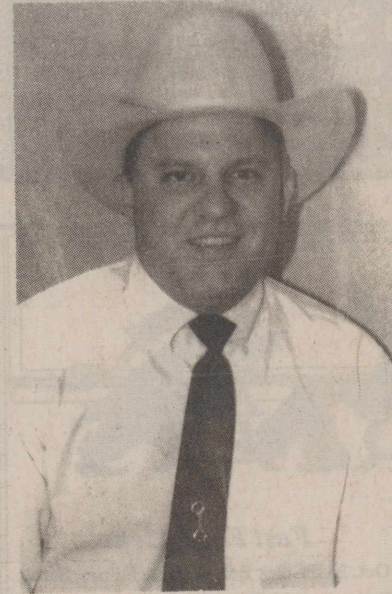

I would like to take this opportunity to announce that I will be a candidate for Sheriff of Crockett County in the March 1996 primary election. I am 47 years old and married to Vicki, who is in her 11th year teaching at Ozona Primary School. Vicki and I have one child, Sean, who is two years old. I have worked for the Crockett

County Sheriff's Department for seven years, since October 1988. I became Chief Deputy on January 1, 1989. I have been involved in law enforcement since 1970. I served four years with the U. S. Army Military Police. I have 19 years' experience as a licensed peace officer in the State of Texas and hold an Advanced Certificate from the Texas Commission on Law Enforcement Officer Standards and Education. I have attended numerous law enforcement classes including investigation and administration, and I am a member of the Homicide Investigators of Texas Association and the Texas Chief Deputies Association. I have 11 years' experience in Sheriff Department supervision and administration. I hold an Associate of Arts Degree from Kansas State University.

I have the experience and qualifications to manage the Crockett County Sheriff's Department in a professional manner that will reflect honesty and integrity in the protection of the community. I would appreciate the support of the citizens of Crockett County in the upcoming campaign and election for Sheriff.

Pol. Adv. Pd. For By Alton Davis, Box 236, Ozona, TX 76943.

## Fenton Seeks Election As Sheriff

Shane Fenton

I would like to announce my intention to file for the office of Crockett County Sheriff.

In the summer of 1996, I will have completed 10 years of service with the Sheriff's Department. I was first hired as the only jailer in 1980 under Sheriff Billy Mills before entering the oilfield for five years. In 1986, I returned to the Sheriff's Department as one of four jailers, again under Sheriff Mills. In 1989, Sheriff Jim Wilson promoted me to deputy, and I currently serve in that position.

In 1989, I attended the Police Academy in San Angelo, Texas, graduating in the top five of my class. I have completed 700 hours of training from various schools within Texas, including Texas A&M University, Sul Ross University and Tarrant County Junior College. I have received three letters of commendation from Sheriff Jim Wilson for distinguished service in the line of duty.

I am a member of the Sheriff's Association of Texas and The Texas Police Association. I am a Master Mason in Lodge 747 in Ozona, and I attend the Ozona Church of Christ.

On February 21, 1961, I was born in the Crockett County Hospital and have been a resident of Ozona for 34 years. My wife, Peri (Pennington), and I have been married 14 years and have two children. Koby, 11, and Peyton, 6, are students in Crockett County Public Schools.

The integrity of the personnel currently employed in the department is the highest you will find anywhere, both personally and professionally. Although I have some new ideas, it is my main goal to expand and move forward some of the policies that were implemented several years ago. The concerns of local citizens and the well-being of our youth are of utmost importance.

Your support and your vote would be greatly appreciated.

Pol. Adv. Pd. For By Shane Fenton, Box 271, Ozona, TX 76943.

Mrs. B. B. Ingham, Jr., spent last week in Abilene with her daughter, Mrs. Bill Littleton and her family.

## Miller Robison Service In Marfa District Court Held

L. Miller Robison Sr. died Oct. 12, 1995, in Medical Center Hospital in Odessa at the age of 82. Masonic graveside services were held Oct. 14 at 10 a.m. in the Marfa Cemetery.

Miller Robison was born Dec. 19, 1912, in Del Rio to Pearl (Miller) and Pink Robison. He attended Ozona schools, graduating from Ozona High. Eda Schneemann and Miller Robison were married July 13, 1935, in Pecos. At the time of his death they made their home on a ranch near Fort Davis.

Judge Brock Jones presided in 112th District Court Oct. 16. At that time, Vanessa Dianne Clary, who was charged with possession of a controlled substance, accepted a plea packet, resulting in five years probation, a \$750 fine and \$120.50 in court costs. The state's motion to dismiss was granted in two separate charges of burglary of a building against Jose Rodriguez Rodriguez Jr.

## Election

(Continued from pg. 1)

exempt from property taxes on personal property and mineral interests when the total that comes in doesn't cover the costs of collecting the levy.

Prop. 13 - To give local governments the option to exempt shrimp and fishing boats from property taxes.

Prop. 14 - To increase the property tax exemption for disabled veterans in Texas.

Applications for ballots by mail should be sent to Debbi Puckett, County and District Clerk, Dr. C. Ozona, TX 76943 by Oct. 31.

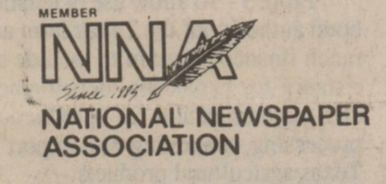

He was a member of Baird Masonic Lodge #522, Waco Scottish Rite 32nd KCCH, Suez Shrine Temple, Abilene Consistory, York Rite, York Rite College and Callahan County OES.

Mr. Robison was a longtime sponsor of FFA and 4-H.

He is survived by his wife of the home; three sons, Lewis Miller Robison Jr. of Fort Stockton, Tom Robison of Fort Davis and Ray O. Robison of Brackettville; one daughter, Eda Ann Brown of Thornton; a sister, Blanche Walker of Ozona; five grandchildren and two great-grandchildren.

Serving as pallbearers were: Mike Brown, Bill Max Robison, Lewis Miller Robison III, Jackson Robison, Roy Martin Jr., Bill Renfro, Mike Fielding and Dan Schneemann.

Memorials may be made to Shriner's Crippled Children's Hospital in Houston.

### Miss Davee, Mr. Hodge Marry

Barbara Ann Davee and Michael Anthony Hodge were united in marriage at 2 p.m. Sunday, Aug., 20, in Sumter, South Carolina.

The bride is the daughter of Joyce and James Wadford of Sumter and Nancy Davee and the late Bobby D. Davee of Ozona. She graduated from Sumter High School and is employed as the manager of Card America in Sumter.

The bridegroom is the son of Harry and Jean Hodge and the grandson of

Mr. and Mrs. Bubba Hodge and Zada Davis, all of Sumter. He graduated from Sumter High School and is employed by Sumter Tire.

Giving the bride in marriage was James Wadford. Lee Morse officiated the ceremony.

The reception was given by family members at the Christian Tabernacle Church, and pre-nuptial parties were held in Sumter.

The couple resides in Sumter.

### Sign Up For Crafts Fair Booth

The Annual Crockett County Arts and Crafts Guild show and sale set for Nov. 4 still has booths available according to T. K. O'Bryant. A Christmas in November theme promises gift items for all ages, an opportunity to buy and sell quality handcrafted goods.

Live entertainment and special exhibitors will be on hand at Fair Park Convention Center along with many favorites who are returning from years past.

To reserve a booth, contact Mrs. O'Bryant at 392-3557.

### Baby Shower Honors Tammy Perner

A baby shower was held Sept. 17 at the Crockett Room for Tammy Davee Perner.

Hostesses were Tonya Bullard, Betty King, Janet Thompson, Billie Morris, Lori Rutherford and Susan Womack who set up games and prizes

for the guests.

Friends and family attended and learned that Tammy and Clint are expecting the Perner baby to arrive early to mid-November. Tammy went on to announce that doctors have predicted a girl.

### Partners In Education Program

The primary and intermediate schools are starting a volunteer program called Partners in Education. Anyone interested in volunteering some of his or her time to working with the children and teachers is welcome to join. Volunteers may work with the students in the classroom, assisting the teacher in any way he/she feels is useful, running off papers or making bulletin boards and/or sharing special interests, hobbies or skills

with the students.

An orientation meeting to learn more about the Partners in Education program is scheduled for Thursday, Oct. 26, at 1:30 p.m. in the primary school cafeteria. Anyone interested in helping the students is encouraged to come. Anyone who is interested in volunteering but cannot make it to this meeting should contact Rose Mae Whitehurst at the primary school. The number is 392-5505.

The worst jolt most of us ever get is when we fall back on our own resources.

—Kin Hubbard

#### CARD OF THANKS

Ozona Band Boosters would like to thank Band Booster members Diane and Martin Martinez for donating their time to paint the band instrument truck. We would also like to thank Lalo Longoria who helped paint the truck.

The Lion Band will be traveling to Brady on Saturday for the Regional Marching Contest. The band is scheduled to march at 2:30 in the afternoon.

Band Boosters would like to thank everyone who worked in selling calendars. The sale brought in \$2,000.00.

### Cowboy Church Services Oct. 23

Glen Smith of Cowboy Ministries will be at Circle Bar RV Park's meeting room Monday, Oct. 23, at 7 p.m. Everyone is invited to attend.

### Country Club Bridge News

Louise Bunger was hostess to four tables of bridge at Ozona Country Club Oct. 12. High score for the afternoon went to Jewel Bailey. Winnie Williams won second high and bingo went to Elizabeth Dudley.

Also playing were: Emma Adams, Sandy Bebee, Jane Black, Dorothy Friend, Sophie Kyle, Dorothy Montgomery, Celia West and Jonesy Williams.

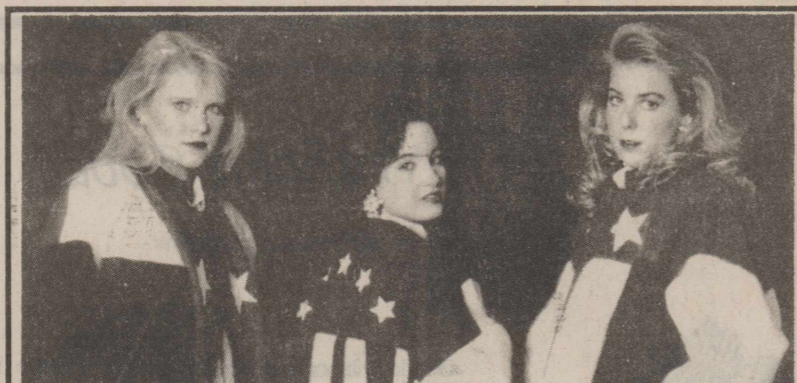

Mrs. Jesus L. (Chuy) Martinez, Jr. nee Lori Ann Kring

### Pain may be eliminated for millions

(SPECIAL) - A new drug has been approved that is exciting researchers in the treatment of pain. This material has been formulated into a new product known as "Arthur Itis™" and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis™ relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis™ is an odorless, greaseless, non-staining cream and is available immediately without a prescription and is guaranteed to work. Use only as directed.

## Simmons Named Woman of Year

Gail Simmons was named Outstanding Young Woman of the Year at the Hobbs, NM, chamber of commerce banquet held at Hobbs Country Club. Gail, 31, is the owner of "The Party Line". She and her husband, Carl, have two sons, Drew and Trent.

"Gail is not only a great wife, mother and friend, she also juggles an

at-home career with serving her church and community," according to her nominator.

A graduate of Texas Tech University and a member of Zeta Tau Alpha sorority, Simmons was nominated and awarded a spot in the Outstanding Young Women of America Yearbook for 1992.

The 1994-95 president of the Junior Service League, Simmons is a member and past officer of Hobbs Panhellenic, currently the Eastern New Mexico Key Woman for ZTA, a member of various committees at First United Methodist Church, a member of the Advisory Council for Hobbs High School Vocational Education, a member and past officer of Home Economists in Business, a member and past board member of Christian Women's Club, past board member of the American Cancer Society and a member of the Texas Tech Ex-Students' Association.

Gail is the daughter of Benny Gail and John R. Hunnicutt of Ozona.

## Girl Scouts Are Back

Girls Scouts are back and ready to make a new start in Ozona.

Anyone interested in joining or even helping with a troop is asked to call the following for information: Kindergarten Daisy Scouts - Elizabeth, 392-3908; Grades 1-3 Brownie Scouts, Missy, 392-3654; Grades 4-6 Junior Scouts, Karen, 392-5615.

## Meals On Wheels Menu

**Monday, Oct. 23**  
Smothered Steak with Onion Gravy, New Potatoes, Yellow Squash, Bread, Pineapple Fruit Cup

**Tuesday, Oct. 24**  
Mexican Casserole, Pinto Beans, Lettuce and Tomato Salad, Tortillas

**Wednesday, Oct. 25**  
Baked Ham, Yams, Green Beans, Rolls, Cake Squares

**Thursday, Oct. 26**  
Chicken Vegetable Soup, Macaroni Salad, Cornbread, Fruit Cobbler

**Friday, Oct. 27**  
Baked Fish, Cole Slaw, Mashed Potatoes, Bread, Pink Panther Dessert

People who are eligible to participate in the program must not be discriminated against because of race, color, national origin, sex, age, disability, religion or political belief.

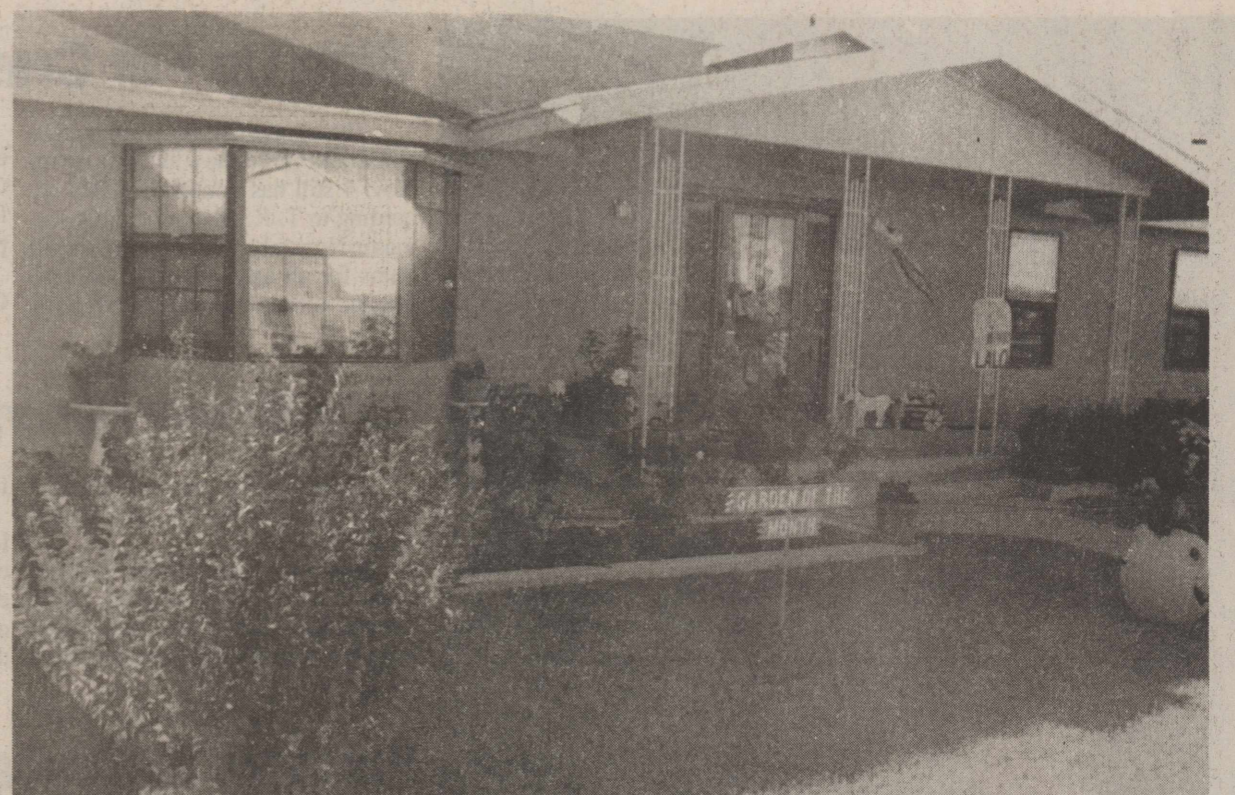

"GOOD THINGS COME IN SMALL PACKAGES."

The smallest bird of prey is the white-fronted falconet, which is the size of a sparrow.

And it shall come to pass, that whosoever shall call on the name of the Lord shall be delivered:

All progress is based upon a universal desire on the part of every organism to live beyond its income.

—Samuel Butler

Love your life, poor as it is. You may perhaps have some pleasant, thrilling, glorious hours, even in a poorhouse. The setting sun is reflected from the windows of the almhouse as brightly as from the rich man's abode.

—Henry David Thoreau

## 4-H Foods Projects Wrapping Up

A giant "4-H All-Stars" food workshop was held on Saturday, Oct. 7, at the convention center to wrap up the 4-H foods and nutrition project. Attending were 40 4-H members, leaders and parents who took part in presenting and enjoying a number of different presentations on foods, the relationship between science and foods, and good nutrition.

Starting off the morning with the 4-H Motto and Pledge and Pledge of Allegiance to the U. S. Flag, the 4-H'ers jumped right in with demonstrations on grape snacks, food show, food science experiments, fun with cookie cutters, quesadillas, crepe-making and yeast breads. County Agent Tedra Ulmer led a session on menu planning, and Mrs. Lupe Maskill demonstrated fantastic tortilla making.

The group enjoyed eating the products of their demonstrations, and many 4-H'ers managed to complete their menu and recipe and turn them in for the 4-H food show.

food show is Monday, Oct. 23, at 4 p.m. A makeup/come and go workshop will be held on Saturday, Oct. 21, at the Extension Office. County Agent Tedra Ulmer will be on hand from 9 a.m. to 4 p.m. to help with menus, recipes, questions and nutrition information. 4-H'ers who do not need that information or who have turned in their written information do not need to attend.

The county food show will be held at the civic center from 9 a.m. to 1 p.m. on Saturday, Oct. 28. 4-H'ers must have completed at least six lessons and have turned in a menu and recipe. A project record can also be turned in but is optional.

For more information about the project or food show, contact the Crockett County Extension Office at 392-2721. Educational programs and information provided by the Extension Service are available to persons of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Due date for all paperwork for the

**Card of Thanks**  
To the Hostesses of the Perner shower:  
I want to again thank you for your time, efforts, and friendship. The shower was beautiful and warm. I felt truly honored.  
Tammy Perner

**Card of Thanks**  
To all the friends of R. J. (Chew) Wilkerson -  
Thank you so much for your concern, prayers, cards, etc. This has meant so much. Please call or come up to see him. It would brighten his day.  
Thanks,  
The Family of R. J. (Chew) Wilkerson

**Happy 30th Birthday**  
to  
**Jesse De La Garza**  
With lots of love  
Vickie and Sarah

**CARD OF THANKS**  
I want to take this opportunity to thank the people of Crockett County for making our 1995 Homecoming a big success. A special thanks goes out to Steven Wilkins, Jeffery Stuart, Rod Miller, the cheerleaders, the band, the football players, the booster club, the vol. fire department, and of course—Michael Mitchell for their hard work on the bonfire. Furthermore, I would like to thank the public for attending the bonfire and the football game in support of our students.  
I also want to take this opportunity to thank Joyce and Garland Young, Rod and Kim Miller, Larry and Carolyn Taylor, Donna Cameron, and Jeffery Stuart and the O.H.S. Student Council for their hard work and attendance at the homecoming dance Saturday night. But more importantly, I want to thank the Ozona High School Student Council for recognizing the O.H.S. graduates with buttons.  
It is only through dedication and enthusiasm that the community can continue to enjoy these festivities.  
Sincerely,  
Tanya Sorrells  
High School Principal

**Attend Church This Sunday**

**Perishable Food**  
By Dennis J. Prutow

Our daily labor is tied up in making ends meet. We rise early and hit the sack late. Look at what Jesus Christ says, "Do not work for the food which perishes, but for the food which endures to eternal life, which the Son of Man will give to you" (John 6:27). Don't be ridiculous, Jesus. We must work. How do you expect us to live if we don't work?  
When Jesus speaks of food which perishes, He uses the same word He mentions in John 3:16. "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life." The emphasis is the same.

There is food that spoils and rots. There is life that is rotten. The mother of a child ruthlessly murdered said of the killers, "I hope they rot in hell". They may. Hard words? Perhaps. Our neglect of eternal things in favor of food that perishes contributes to barbarous behavior.  
What is the food which endures to eternal life? "Jesus said to them, 'I am the bread of life; he who comes to Me will not hunger, and he who believes in Me will never thirst'" (John 6:35). If you follow Christ, you "store up for yourselves treasures in heaven, where neither moth nor rust destroys" (Matthew 6:20).

# Library News

## FRIENDS OF THE LIBRARY

The Friends are now sending out the next round of grant proposals to various foundations to complete the funding for the library expansion. After the successful bond election, the Friends now have almost two-thirds of the funds needed for the expansion and remodeling of the library building.

The Friends are very optimistic that they will get a positive response from the foundations, since such a small amount is needed to complete the funding. The great show of support by the whole community with the passage of the bond election will be an enormous plus in the grant proposals.

The Friends are now making plans for the 1995 Christmas Tour of Homes. This fundraiser was a great success last year, and promises to be even bigger this December. The Friends will be meeting soon to finalize preparations. If you are interested in including your home in the tour, or would like to help with the tour, please call or come by the library. You can also contact Friends president Jeanne Wellman or vice-president Dean Allen.

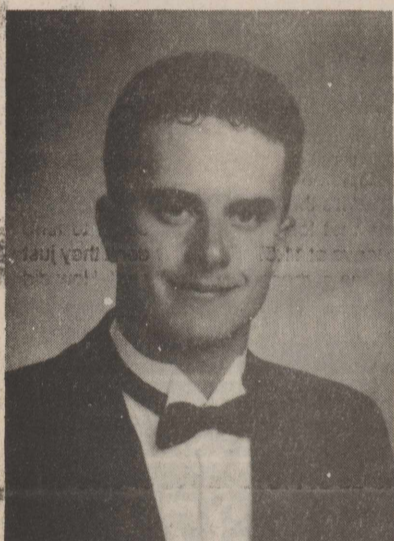

## PUBLIC COMPUTERS

CCPL is in the process of acquiring new computers for the public to use in the library. The county commissioners have authorized the purchase of two PCs and a printer. These computers will provide word processing, spreadsheet and database programs plus multimedia encyclopedias and reference on CD-ROM.

CCPL will also be receiving a computer, printer/fax, and modem connection through the Concho Valley Council of Governments Dislocated Worker Program. The computer will allow patrons to search for job opportunities, write resumes, research careers, keep up with programs to assist dislocated workers, and much, much more. The computer will also put employers in contact with prospective workers. This program will benefit the entire community, from school children seeking career information for reports, newcomers to the workforce, mid-career veterans facing a move or career change, business searching for employees, to the elder worker looking for part-time work to supplement retirement. The program should be up and running by November. Please come by the library for more information on this important program from the Council of Governments.

Louise P. Ledoux  
Crockett County Librarian

## Bryson Receives Scholarships

A wildlife management major, Bryson is the son of Leta Jean Bryson of Alpine and Robert Bryson of Ozona and Sonora.

Robert W. Bryson Jr., a 1994 graduate of Ozona High School, has been notified that he is the recipient of two scholarships for the 1995-96 academic year at Sul Ross State University.

Dorothy M. Leavitt, secretary of the Sul Ross Ex-Student Association, informed Bryson that the association's executive council had a long and difficult task in selecting recipients from the largest and finest group of applicants she could remember.

The Ex-Student Association's scholarship will be distributed in increments of \$250 for the fall semester and \$250 for the spring semester.

Bryson is also the recipient of the American Legion Scholarship provided by Post No. 790 of Alpine in the amount of \$400 for the Fall 95 semester and \$400 for the Spring 96 semester.

## Museum Notes From Mary

The summer months are the busiest time for the museum. Our largest number of visitors was 417 in July. Of those, there were 35 Ozona residents with 229 from other places in Texas, 137 from other states and 16 from other countries. In April there were 23 from other countries but in January only four. Our lowest total visitor count was February with 173 but March was 406.

Statistics are fascinating. Records are kept each month and each year of how many visitors are from Ozona, the rest of Texas, all other states and other countries. Alaska and Hawaii are really states, but these folks are such a long way from home they're listed and counted as "other countries".

To the end of September we've had 237 Ozona visitors (were you one of them?), 1072 Texas visitors, 1174 from other states and 125 representing other countries (including one Alaska

and two Hawaii).

1995 through September has had 14 docents give 118-1/2 hours on Saturdays, and they had 163 visitors. Some docents worked more than once. Here are those who helped and the hours they gave: Geniece Childress 64.5, Lee Drago 9, Dickie Dell Ferro 5.5, Martha Gries 3, Virginia Hubbard 3, Lu Ingram 3, Zelma Johnigan 3.5, Pauline Johnson 3, Ann Light 3, Leta Powell 2, Hilda Powers 13, Katharine Russell 3, Dean Stroud 3, Margaret Tabb 3.

Docents are a very important part of the museum plan as you can see. If not for them, the 163 visitors wouldn't have had a chance to see our collections. Those who visit tell others who put our museum on their "list of things to see and do in Texas".

If you haven't visited our fine museum for a time, or if not at all, we invite you to stop in, take a little time and see our memories.

## 4-H Photography Begins Wednesday

The 4-H photography project starts Wednesday, Oct. 18, from 5 to 6 p.m. at the fellowship hall of Ozona United Methodist Church. Topics to be discussed include meeting dates, places and times, project topics, contests and field trips.

Supplies needed by each student include a camera and film, pen or pencil, and a three-ring loose-leaf folder or binder. If you want to learn how to use and take care of a camera and to take good, clear photos, come

join us.

The project will be taught by photography leader Neal Ulmer. Additional adult helpers or leaders are needed. Parents are welcome to participate in this activity along with their children, and any youth from the third grade to age 19 may participate.

If you have any questions regarding the photography project, call Ulmer at 392-5443. To join 4-H or for more information, call the Crockett County Extension Office at 392-2721.

THE TEXAS LOTTERY PROUDLY INTRODUCES  
A GAME WHERE THE CHANCES OF WINNING  
ARE ACTUALLY BETTER THAN THE CHANCES  
OF GETTING HIT BY LIGHTNING.

### FIRST, THE FACTS.

ACCORDING TO THE NATIONAL WEATHER SERVICE, YOUR CHANCES OF BEING STRUCK BY LIGHTNING ARE ONE IN 600,000. YOUR CHANCES OF WINNING A CASH 5 TOP PRIZE ARE ONE IN 575,757. THE OVERALL ODDS OF WINNING ANY CASH 5 PRIZE ARE ONE IN 100. BY THE WAY, THESE STATISTICS MAY VARY IF YOU ARE AN AVID GOLFER.

### PLAYS JUST LIKE LOTTO.

CASH 5 IS PLAYED LIKE LOTTO TEXAS, EXCEPT THAT YOU CHOOSE 5 OF 39 NUMBERS. JUST GO TO YOUR NEAREST TEXAS LOTTERY RETAILER, ASK FOR A PLAYSIP, FILL IT OUT AND PAY A DOLLAR FOR EACH PLAY. YOU CAN PLAY UP TO FIVE TIMES ON EACH PLAYSIP. IF YOU LIKE, USE QUICK PICK FOR A RANDOMLY CHOSEN NUMBER.

### PRIZES WORTH CELEBRATING.

THE REALLY GREAT NEWS ABOUT CASH 5 IS THAT ALL PRIZES ARE WORTH CELEBRATING. ON THE AVERAGE, OVER 20,000 PLAYERS WILL WIN EVERY TUESDAY AND FRIDAY NIGHT. ALL WINNERS OF CASH 5 ARE PAID IN ONE LUMP SUM. EVERY DRAWING, THOUSANDS WILL WIN BY MATCHING 3 OF 5. HUNDREDS WILL WIN BY MATCHING 4 OF 5, AND SEVERAL PLAYERS WILL WIN THE TOP PRIZE BY MATCHING 5 OF 5.

### TUESDAY AND FRIDAY DRAWINGS.

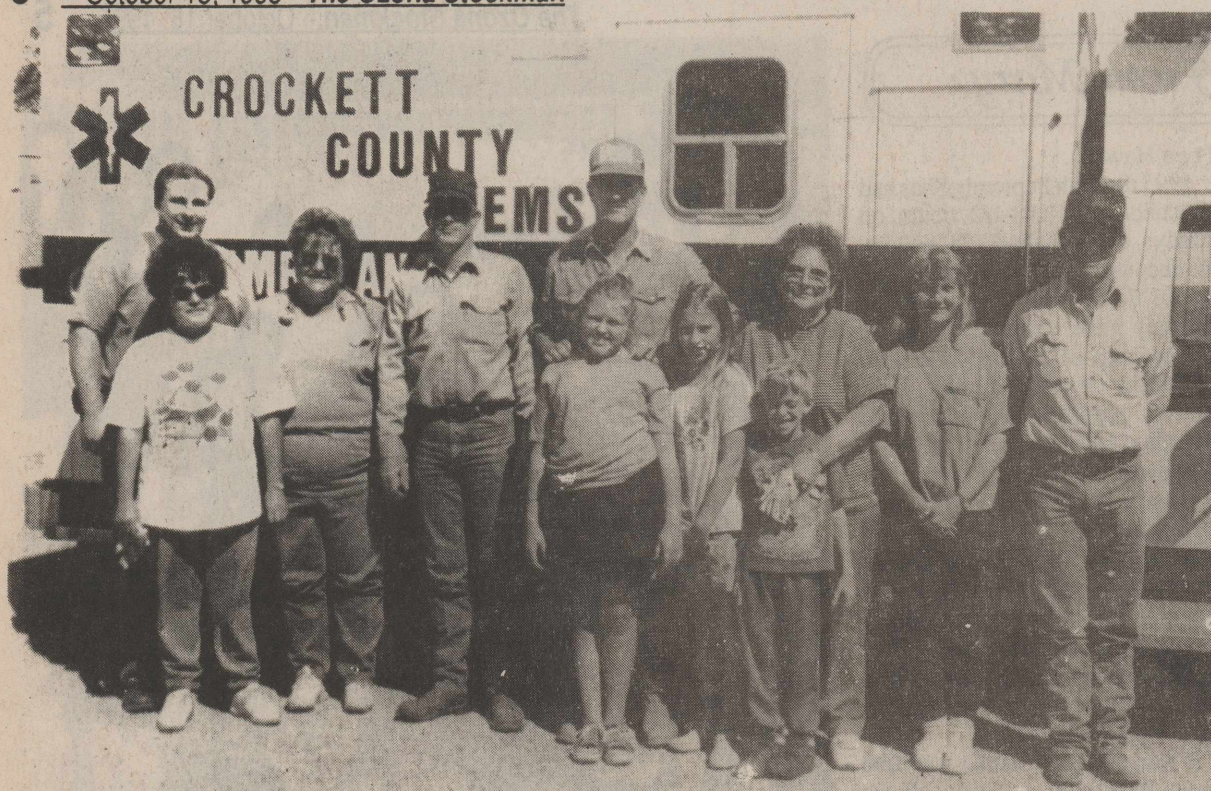

TO FIND OUT IF YOU WON, WATCH THE CASH 5 DRAWINGS EVERY TUESDAY AND FRIDAY EVENING AT 9:59 P.M. RESULTS WILL ALSO BE PRINTED IN THE NEWSPAPER FOR THOSE WHO MISS THE DRAWINGS. YOU CAN ALSO FIND WINNING NUMBERS AT YOUR LOCAL LOTTERY RETAILER. GOOD LUCK, TEXAS.

MUST BE 18 YEARS OR OLDER TO PLAY. ©1995 TEXAS LOTTERY

Watch The Cash 5 Drawings Exclusively On FOX KIDV-TV Every Tuesday And Friday Night At 9:59 p.m.

**SPENDING PART OF A SATURDAY** working on their EMS extrication training are: Tom Craiker, Bernice Payne, Kay Shaffer, David Morgan, Tommy Miller, Betty Bullard, Jackie Baker and Wayne Holmes with young volunteer victims Becky Cowan, Melanie Bullard and Matthew Bullard. Assisting with extrication were: Dana Cowan, Dee Keilers, Beverly Freddy, Leesa Marshall and Doug Meador. The group offered special thanks to Hubbard Body Shop for supplying the extrication vehicle.

## EMT/B Class Completed

Twelve students have completed the required criteria to become eligible for Emergency Medical Technician testing. Classes began July 17 and ended Oct. 14. Students completed 100 hours of classroom time, made three emergency ambulance runs and spent 24 hours observing and working at Angelo Community Hospital.

Texas Department of Health testing will be Oct. 24 in San Angelo. Those completing the course from

Ozona are: Betty Bullard, Kim Cad-dell, Larry Glosson, Tommy Miller, David Morgan, Donna Morrow, Shawn Morrow, Bernice Payne and Kay Shaffer. Three students from Sheffield completing the course are: Jackie Baker, Tom Craiker and Wayne Holmes.

The course was sponsored by Angelo Community Hospital with Keith Butler coordinating the class. Doug Meador served as instructor.

## New Faculty

**WILL THOMPSON**

New to the staff of the Ozona School System is Will Thompson. Thompson is the director of the alternative education center established by the school this fall.

Prior to accepting the position with the school he was employed by Lilly Construction. He received a bachelor of science degree in animal science from Texas A&M University in 1992 and is a 1988 graduate of Breckenridge High School.

Hobbies and other interests of the Breckenridge native are fishing and hunting and working with civic organizations such as the chamber of commerce, Lions Club and DeerFest. Thompson and his wife, Stefany, have three daughters, Ashley, age 7, and twins Haily and Taylor, age 4.

\*\*\*

Nothing is particularly hard if you divide it into small jobs.  
—Henry Ford

allowed to show them.

Immediately following validation, there will be a feeding and showmanship clinic for all market lamb exhibitors.

If you have any questions, call County Extension Agent Billy Reager at 915-392-2721 or go by the County Extension Office on the top floor of the courthouse annex building.

## 4-H Lamb Validation Oct. 21

All 4-H market lamb exhibitors will be required to bring their lambs to the 4-H Show Barn on Saturday, Oct. 21, to be validated. Validation will begin at 8:30 a.m. Validation is not optional. It is required for exhibitors who plan to show only in the county stock show, as well as for those planning to attend major livestock shows. Those exhibitors who do not bring their lambs for validation will not be

## Middle-Ear Infections Can Be Serious

**HOUSTON - It is the peak season for one of the most common childhood illnesses, and many parents don't know it.**

Middle-ear infection, or otitis media, can occur any time of year, but fall and winter are especially bad, said Dr. Newton O. Duncan, a pediatrician at Baylor College of Medicine in Houston.

Players to watch are quarterback Zane Bruce, running backs Michael O'Daniel and Clay Butler who ran for 113 yards in 23 carries in the Anthony game, wide receiver Randy Adame and offensive/defensive tackle Ty Williams.

Pep rally for the Lions will be held at 3:40 p.m. in Davidson Gym on Friday. Be a Lion supporter and "Back the Lions".

big defensive tackle in Ty Williams (6-2, 240 lbs.)," said Coach Hargrove. Defensively, they play a split-six and basic defense, but they don't stay in it all the time.

Eldorado coaches see that their team strengths are speed at their skill positions and size in their linemen. A weakness they see is lack of depth.

Overall, Coach Hargrove was pleased with the Lions' effort as he said, "We've had some bad second and fourth quarters in the last several weeks, but we played at a higher level. Offensively, we had 15 first downs, right at 150 yards rushing, and about 100 yards in passing. We ran about 63 offensive plays, which is a lot in a ballgame."

The Lions did not leave the field without injuries. With knee damage were Casey Upham, Lynn Haire and Sam Fuentes, and Justin Browne sprained a thumb. Patrick Sanchez and Shayne Fuentes sat out the game with knee injuries.

The Lions will host the Eldorado Eagles at 8 p.m. on Friday, Oct. 20. The Eagles, with a 2-4 season record, lost last week to the Anthony Wildcats 14-10.

Offensively, the Eagles play a two-back set with a wingback and sometimes with one back. They use two quarterbacks with one who runs well and the other throwing well.

"If we play at the level we played with Iraan, we've got a good opportunity to win. They have some speed, which is a real concern. They have a

# Despite Flaws, Braves Beat Lions 42-14

By Neal Ulmer  
Stockman Sportswriter

Last Friday in Iraan fumbles and penalties marred a good performance by the Braves as they defeated a courageous Lion team 42-14. With the win, Iraan is 1-0 in district and 6-0 for the season while the Lions are 1-5 season and 0-1 in district play.

A strong wind blew throughout the game, harassing the kicking game and quarterbacks.

"I thought it was the best effort of the kids, overall. The kids played with a lot of intensity and played hard. We played pretty level throughout the entire game," said Coach Walter Hargrove.

Commenting on the game as a rivalry, Hargrove said, "I know the Iraan game has been a big rivalry and that rivalries are good, but the game was a clean game on both sides. I was proud of our kids, their character and class, and the Iraan kids were good. There was nothing cheap in the game - it was a good clean game and that's the way games should be."

The Braves received the opening kickoff on their own 20-yard line. They were unable to move the ball, going against a 20-25 mph wind that forced them to punt.

The Braves received the ball on their own 48-yard line. It took six plays for the Braves to reach the end zone. Good running by backs Heath Copeland, Brandon Ramsey and Reinaldo Mendoza and a 29-yard pass completion to Ross Blackwelder placed the ball on the Lion 20-yard line. The Braves scored on a 20-yard run by Mendoza, and the first of four PAT's by Jeremiah Medina was successful with 9:00 left in the first period putting the Braves up 7-0.

The Lions again had trouble moving the ball starting from their own 18-yard line. A punt against the wind by quarterback Justin Browne gave the Braves good position again at their own 46-yard line.

Several plays later a 12-yard pass completion to Robin Hanna and a 13-yard run by Copeland positioned the ball on the Lion 15-yard line. Copeland scored from four yards out with 1:26 left in the first period. Medina succeeded on the PAT, giving the Braves a 14-0 lead and first quarter score.

The Lions moved the ball from their 20 to the 31-yard line before they were forced to punt. Good field position by the Braves placed the ball on their own 41-yard line. They picked

up 6 yards on a pass before fumbling the ball on the next play at the Braves 47-yard line. This was one of four fumbles lost from a total of six.

Starting at that point, the Lions moved the ball toward Iraan's goal line. Darrin Jackson ran for an 11-yard gain, and Jon Sanchez caught two passes, a 12-yarder and an 18-yarder. The Lions reached the Braves' 3-yard line, but once there, Jackson was stopped for no gain and lost 12 yards on two plays. Coach Hargrove decided to go for a 22-yard field goal by Bryan Mendez. The try was missed, and the Braves took over at the 15-yard line.

Copeland picked up yardage of 13 and 7 yards up to their 35-yard line. On the next play, the Braves fumbled, and Jon Sanchez picked up the ball, running down to the Brave 8-yard line before being tackled. On the second play from the 8, Pete Castaneda caught a Brown pass for a touchdown with 5:55 left in the second period. The PAT by Mendez was blocked, but the Lions were on the scoreboard 6-14.

The Braves scored with only 33 seconds left in the first half on a 1-yard plunge by Mendoza. The PAT was no good, but the Braves went into the locker room leading 20-6.

The Lions stopped a good drive by the Braves early in the third period on their own 13-yard line. Proud of some good Lion defense, Coach Hargrove said, "Defensively, we played pretty good and better than we have been. We played with more intensity on defense. Our tackles and responsibilities were better. They had some strong backs."

Iraan scored twice in the third period with the first touchdown coming after Braves' Reinaldo Mendoza intercepted a Brown pass on the Lion 16-yard line. Copeland scored his second touchdown on a 9-yard run with 5:40 left in the period. A pass from Harvey to Hanna was successful for the 2-point conversion, increasing the Braves' score to 28-6.

Harvey and Hanna connected again on a 35-yard pass with 42 seconds left in the third period. Medina kicked the PAT, giving the Braves a 35-6 lead and third quarter score.

The Lions started their second scoring drive on their own 29-yard line. Browne picked up a 27-yard run, and Jackson ran well on several succeeding plays with his best being a 9-yarder. The Lions reached the 18-yard line, and on the next play Sanchez caught a beautiful pass on the near sideline for the score with 6:51 left in

the final period. Ray Fierro caught a pass for the conversion, increasing the Lion score to 14-35.

The Braves' last touchdown took six plays to cover 75 yards. The score came on a 44-yard run with 4:12 left in the game. The PAT was good, and the Braves continued their domination with a 42-14 lead and final score.

Overall, Coach Hargrove was pleased with the Lions' effort as he said, "We've had some bad second and fourth quarters in the last several weeks, but we played at a higher level. Offensively, we had 15 first downs, right at 150 yards rushing, and about 100 yards in passing. We ran about 63 offensive plays, which is a lot in a ballgame."

The Lions did not leave the field without injuries. With knee damage were Casey Upham, Lynn Haire and Sam Fuentes, and Justin Browne sprained a thumb. Patrick Sanchez and Shayne Fuentes sat out the game with knee injuries.

The Lions will host the Eldorado Eagles at 8 p.m. on Friday, Oct. 20. The Eagles, with a 2-4 season record, lost last week to the Anthony Wildcats 14-10.

Offensively, the Eagles play a two-back set with a wingback and sometimes with one back. They use two quarterbacks with one who runs well and the other throwing well.

"If we play at the level we played with Iraan, we've got a good opportunity to win. They have some speed, which is a real concern. They have a

### Carlises Turn Dinner Into Rescue Mission

Former Ozona residents Lee and Don Carlisle were in Taos, NM, last month for rest and relaxation on their way home from a medical conference in Santa Fe, she is a nurse and he a doctor, when they were thrust into a violent drama that ended in death.

The Carlises were seated for a quiet patio dinner at a Taos restaurant when they heard screams coming from behind them. A few feet away was a man in his early 40s weaving and stumbling beside cars parked in a narrow lot near their table.

At first they believed he was drunk, then the man fell against a car. The couple saw a gaping stab wound in the man's chest, another man holding a knife and a screaming woman.

Dr. Carlisle ran to the man, only to find that he was dead already. The assailant grabbed the woman, pulling her hair back with his left hand and holding a knife to her throat with his right hand.

"I said, 'There's nothing you can do here. He's dead. Let the lady go...Look, I'm a doctor. Let me take the lady to the hospital,'" Carlisle recounted.

The woman, who appeared to have been beaten, was reported in several northern New Mexico newspapers to be the man's estranged wife.

While the doctor continued urging the man to free his hostage, Mrs. Carlisle tried to keep the crowd from moving closer and antagonizing the man.

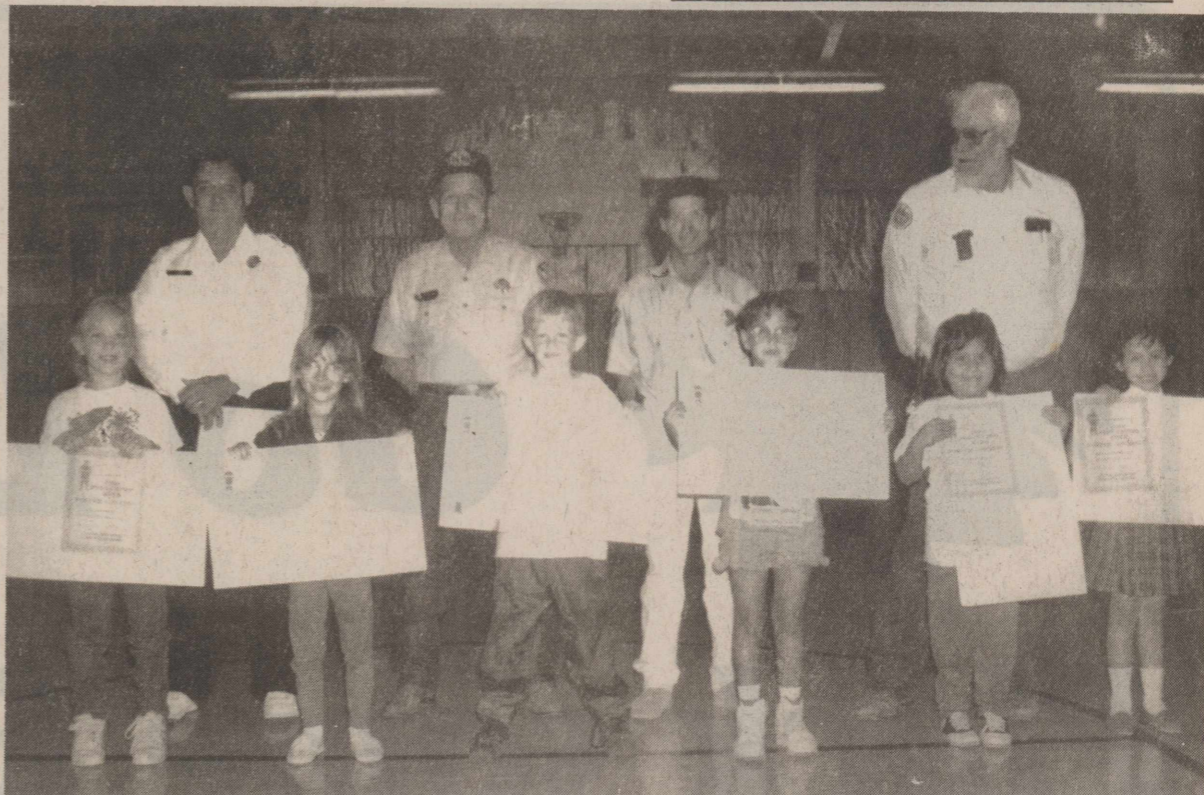

When the first police officer arrived, Dr. Carlisle was still standing in the middle of a triangle formed by the dead man, the hostage and her assailant and himself.

The woman continued to scream while her assailant tried to drag her across the parking lot to a car he could use to drive away. After more officers arrived, the man finally threw the knife down and pushed the woman away from him.

"She ran into our arms," Mrs. Carlisle said.

Dr. Carlisle, more than a 30-year veteran of emergency and family medicine, continued to have questions about the evening and how he could have saved the life of the victim.

"What did I do wrong? What were the mistakes? You always think that,"

**FIRE PREVENTION POSTER CONTEST** winners at Ozona Primary School are: l-r Victoria Miller, Megan McDaniel, Dean Wadsworth, Kelli DeHoyos, Rebecca Enriquez and Cristan Cervantez. Back row, Ozona Fire Chief Bob Falkner, firemen Elliott Barrera, Dana Caddell and Dee Keilers. *photo by Neal Ulmer*

he said. "I know that if he'd been in the ER, I could have opened his chest...I just think, maybe things could have been done smoother."

"I'm not sure if we were in the right place at the right time, or just the wrong place at the wrong time," said Mrs. Carlisle, "but we seem to be involved in more unique situations than most people do. This harrowing experience was the most dramatic, however, since rescuing the motorist (along with Deputy Gene Cooper) when Wayne Wahl died."

"When we visited with the Taos police the day after the incident, the captain stated that the woman involved told them that night that Dr. Carlisle kept her from being killed - to tell him 'Thank you for saving my life.'"

"To me, it was such a helpless feeling, believing at any moment he was going to cut her throat in front of us, and the only thing I could do was to beg him to let her go."

"We were certainly glad to see the Taos P.D. arrive - the first officer to arrive behaved professionally (as did the later officers) by not firing at the assailant and injuring the hostage as we both feared he might. Finally, after being surrounded, the man threw the knife down and shoved the woman toward us."

"All in all, we're sad we were unable to do anything for the victim,

and glad the woman survived," she said.

An account in a New Mexico newspaper quoted one witness as saying Dr. Carlisle had "put his life on the line".

"That's nice to hear," the doctor said.

Dr. and Mrs. Carlisle both work in the Concho Valley Regional Hospital emergency room in San Angelo.

#### TO THE CITIZENS OF CROCKETT COUNTY

I want to take this opportunity to tell you that I will not be seeking election to a third term as Crockett County Sheriff. Instead, I intend to pursue a full-time writing career.

It is an honor for me to have served Crockett County as its sheriff. I will always look back on this experience as the high point in my 30-year law enforcement career. I particularly appreciate your willingness to support good law enforcement and the many ways that each of you have shown that commitment. I am very proud of the staff that we have in the Crockett County Sheriff's Office, and their willingness to serve the county and act in a professional manner.

I intend to complete my present term, as Sheriff, and turn the department over to the newly elected Sheriff on January 1, 1997. My new career does not require me to move from Ozona, so Janet and I will continue to be an active part of this community.

I thank you all for the kindness and support that you have shown me over the years.

Sincerely,  
Jim Wilson  
Crockett County Sheriff

**Don't Short Change  
The  
Checks & Balances  
On Your  
State Finances!**  
**We need a State Treasurer's Office!**

**VOTE NO** On Proposition **10**  
**NOVEMBER 7**

On November 7th, is PROPOSITION 10 to abolish the State Treasurer's Office good for Texans?

**NO!** Where will the "Checks and Balances" necessary in any business, government or private, if ALL power concerning revenues and disbursements are in one office - the State Comptroller's. The law states that no State warrant of check may be paid without the written consent of the State Treasurer. The State Treasurer, by law, is the custodian of all State revenue. All taxes, fees, and other revenues collected by the State Comptroller **MUST** be remitted to the State Treasurer. Voting **NO** for Proposition 10 will keep the "checks and balances" in place for our State, not place all the power in the State Comptroller.

**What about the State Auditor as "checks and balances" upon the State Comptroller?**

The duty to audit follows an act or event and uncovers wrong doing **AFTER** a wrongful deed is done. The duties of the State Comptroller and State Treasurer keep these "checks and balances" **BEFORE** an act or event occurs.

**What actual dollar savings would passage of Proposition 10 be for Texans?**

The only savings would be the State Treasurer's salary of \$79,247 per year, only .00001% of the total current State budget. The duties and employee positions of the State Treasurer's Office would be transferred to the Employee Retirement System for State Employees, so there will be no dollar savings by elimination of employee positions in the State Treasurer's Office.

**May a business that both receives and pays our revenue operate without a treasurer?**

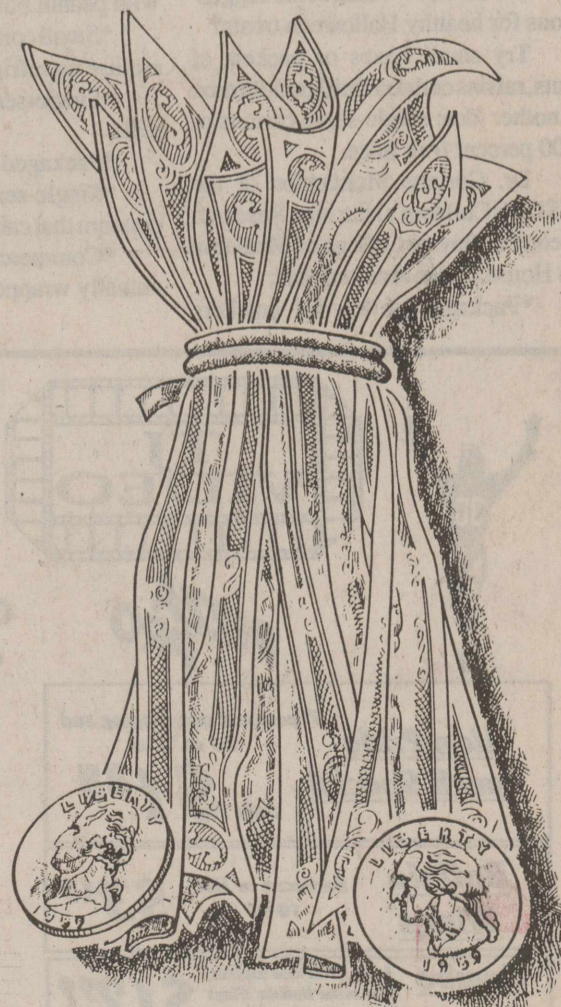

**NO.** A treasurer is essential to both paying out and receiving revenue. So long as the State of Texas has a treasury, it **MUST** have a State Treasurer. A treasury cannot be abolished. Abolishing the State Treasurer's Office would concentrate all the power in the State Comptroller.

**Who would gain most from the abolition of the State Treasurer's Office?**

The State Comptroller of Public Accounts.

**Who wins with the abolition of the State Treasurer's Office?**

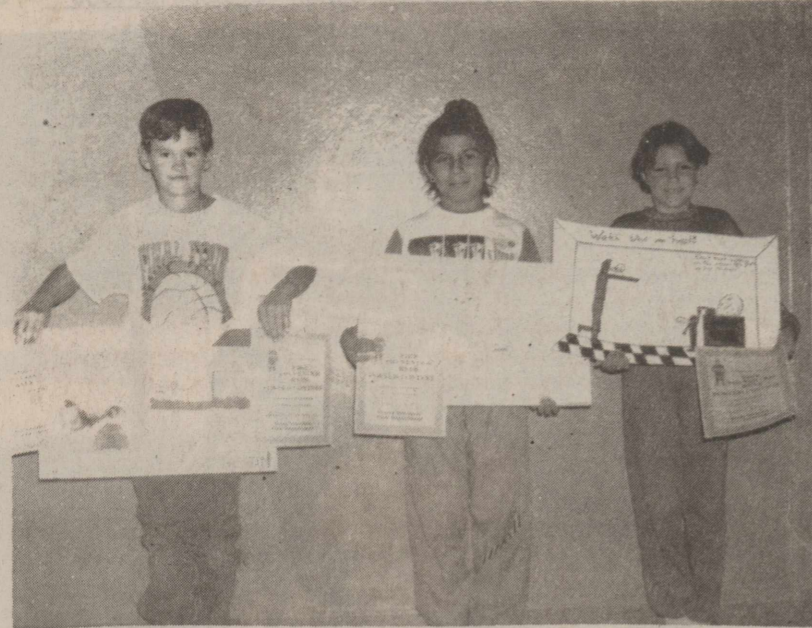

Only the State Comptroller, who would be responsible to **DO IT ALL** without DAILY "checks and balances"

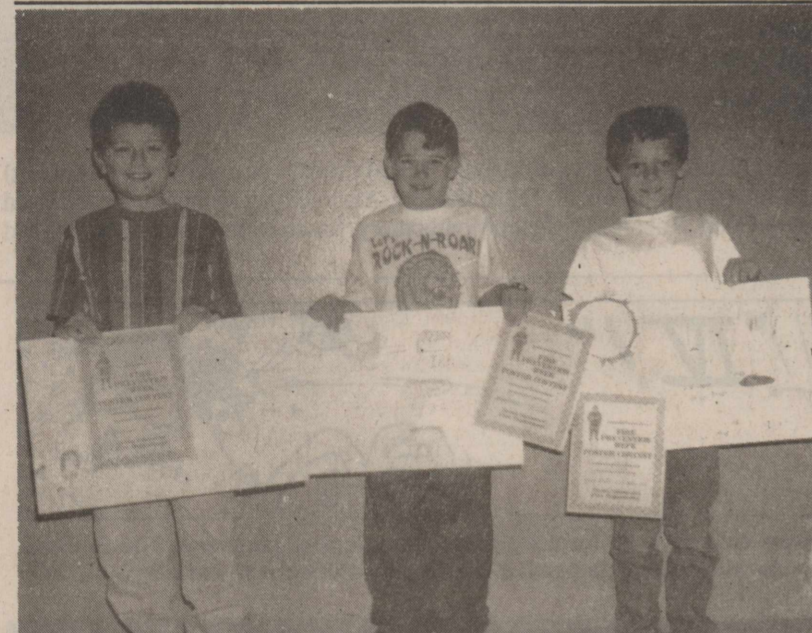

**Early Voting October 18 - November 3**

\* Not published at taxpayer's expense. Contact your local County Treasurer for more information. -- Pd. Pol. Adv. by CTPAC members.

The Ozona Eighth Grade Cubs mauled the Junction Eighth Grade Eagles 50-0 in an Oct. 5 game in Ozona. The Seventh Grade Cubs lost to the Eagles 8-6. The eighth grade now has a season record of 1-2, and the seventh grade has a record of 1-3. "Offensively, we had the best game of the year," said Coach Rodney Johnson. "Both groups played very well. I was extremely happy with their performance."

Matt Castaneda scored four touchdowns and one 2-point conversion, Bobby Cervantez ran for two touchdowns and one 2-point conversion, and Peter Rodriguez scored one touchdown in the Cubs' win. Miguel Rios scored a 59-yard touchdown, but it was called back due to an Ozona penalty. He did score a 2-point conversion.

The first touchdown came on a 29-yard run by Castaneda with 5:33 left in the first period. He scored again for the 2-point conversion, putting a total of eight points on the board for the Cubs.

Good runs by Maldonado with a 20-yard run and a 19-yard run by Ross Crawford, the quarterback, put the Cubs back within striking distance. Castaneda again took the ball in for an 11-yard touchdown as the clock ran out in the first period. A run for the conversion by Randall Borrego was no good, but the Cubs increased their score, 14-0.

A good Cub defense held the Eagles in check as some solid tackles were made by Travis Vordick, Roman Castaneda and Casey Jamerson. One Eagle fumble was recovered by Jason Davis, and one pass was intercepted by Jeffrey Mendez.

It took the Cubs five plays to score with good running by Maldonado, 25 yards, and Borrego, four yards. Castaneda ran for five yards and a 14-yard touchdown with 3:59 left in the second quarter. The conversion by Borrego was good, expanding the Cub score 22-0.

Bobby Cervantez intercepted a pass on the Cub 34-yard line late in the first half, but time ran out before the Cubs could score again.

Early in the third quarter Miguel Rios scored on a 59-yard run only to have the TD nullified by a penalty. A pass intended for Ty Porter fell incomplete, but Ozona inched up to 42-0.

With 4:39 left in the game, Castaneda returned a 50-yard punt for a Cub score. A run for the conversion was good, giving the Cubs a 50-0 score and victory.

Proud of the defensive effort, Coach Johnson said, "Defensively, we shut down their running game, which gave our offense a lot of opportunities to score."

The Ozona Seventh Grade Cubs came up a little short as they lost to the Junction Eagles 8-6. Specialty teams can sometimes make or break a football team and game. That appeared to be the case in the seventh grade game.

Surprised, surprised were the Cubs when a kickoff was returned for a touchdown by the Eagles. Junction's only touchdown came on a 70-yard run back from the Cub kickoff. The run came at the 5:40 mark in the first period. A pass for the conversion was good, giving the Eagles an 8-0 lead.

"I felt we played real well," said Coach Rick Bachman, "as I noted improvement from last week. The boys

got behind early but never gave up." Good running by offensive players Stephen Tarr, Chad Flanagan, Chase Adams, Derek Tambunga, Leon Garcia and Chris O'Bryan got the ball up field, but penalties cursed the Cubs throughout the game.

"Offensively, I was pleased with the way we moved the ball, but we committed infractions which nullified big plays. We need to work extremely hard on our mental game and our concentration on the field," said Bachman.

Both the first quarter and halftime score was Junction 8, Ozona 0. For a while it looked to be a defensive game and a possible shutout by the Eagles.

The Cubs played good defense and were on the field for a large amount of time. "Defensively, I was very impressed and satisfied with our performance. We shut Junction out with their only touchdown coming on their return in the opening kickoff," said Coach Bachman.

Midway through the third period, the Cubs got rolling. They started on their own 23-yard line. Good runs by Garcia, Faught and Ray Ramos on a pass placed them on the 50-yard line. Garcia then took off on a 50-yard touchdown with 3:19 left in the third period. Garcia was stopped short of the goal line for the conversion try, putting the Cubs two points behind at 8-6.

Neither team was able to score the rest of the game, and it ended with the score Ozona 6, Junction 8.

He who does not live in some degree for others, hardly lives for himself.

—Montaigne

### JV Braves Drub JV Lions 14-8

By Neal Ulmer  
Stockman Sportswriter

The JV Iraan Braves got an early touchdown to astonish the Ozona JV Lions and win the game 14-8 in Lion Stadium last Thursday. The Lions' season record is 1-4.

"These kids are starting to grow up; they are learning and taking the coaching. That pleases us as coaches and makes for a bright future for these kids," said Coach Dane Vickers.

The Lions received the opening kickoff on their own 43-yard line. On the first play, a Brave intercepted Ozona's Anthony Ortiz's pass and returned it to the Lion 19-yard line. Three plays later, the Braves were in the end zone on a 1-yard plunge by quarterback Rylander with 8:01 left in the first period. Rylander ran in for the conversion, giving the Braves an 8-0 lead.

The Lions tried to get some offense going in the first quarter, but were stopped at each turn. The early touchdown appeared to stun the Lions, forcing them to make some mental mistakes.

A concerned Coach Vickers said, "The kids were a little lackadaisical after the interception on the first play. It really took the wind out of us, and we didn't really overcome it until the second quarter. There were a few mental errors that really hurt us in the first half."

The Braves scored again on their next possession, starting from their own 35-yard line. The Lions put up a good defense as it took the Braves 17 plays to score. Brave Mike Castaneda

scored on a 1-yard run with 7:26 left in the second quarter. A pass completion to David Jones was successful, increasing the Braves' score to 16-0.

Late in the second period, the Braves started driving the ball down field and actually scored on a 23-yard halfback pass. Luckily for the Lions, it was negated due to an offensive pass interference call. Just before time ran out in the half, Lion Jesse Salazar intercepted a pass to stop a Brave drive on the Lion 37-yard line.

Early in the third quarter, three fumbles by the two teams occurred in two minutes' time. Both teams were also bothered by penalties in the quarter.

Coach Vickers noted that the Lions were playing better in the second half. "When the guys figured out that they could really play with them, they did well," he said. "We played pretty solid both offensively and defensively in the second half."

The Lions stopped a Brave drive midway into the fourth quarter with a fumble recovery by Armando Flores on the Lion 47-yard line. Unable to move the ball, the Lions were forced to punt. The Braves fumbled the ball on the punt return with a Lion recovering on the Brave 9-yard line. On the next play, Matthew Galindo slipped through the middle for a Lion touchdown. Ortiz ran the ball in for the conversion to cut the Brave's lead to 16-8. The game ended a few minutes later with the Braves in control.

The Lions will play on Thursday, Oct. 19, at 6 p.m. in Eldorado. Get out and enjoy the fall season and "Back the Lions".

### Halloween Treats?

HOUSTON - Need some suggestions for healthy Halloween treats?

Try small boxes or packets of nuts, raisins or dried fruit/granola mix. Another idea: single-serve cartons of 100 percent fruit juice.

Dr. Corinne Montandon of the USDA's Children's Nutrition Research Center at Baylor College of Medicine in Houston also recommends:

\*Packages of low-fat crackers

with peanut butter or cheese filling.

\*Small containers of pudding that require no refrigeration.

\*Single-serve boxes of dry cereal.

\*Packaged fruit rolls.

\*Single-serve packets of low-fat popcorn that can be microwaved later.

\*Commercially baked and individually wrapped muffins.

## Eighth Grade Cubs Beat Warriors 42-28

By Neal Ulmer  
Stockman SportsWriter

The Ozona Eighth Grade Cubs mauled the Iraan Warriors 42-28 in an Oct. 12 game in Iraan. The Ozona Seventh Grade lost 24-0 in an earlier game. Season record for the eighth grade is 2-2 while the seventh grade record is 1-4.

"I have never been so proud of a group of kids than this bunch last night," said Coach Rodney Johnson in commenting on the game. "We were behind most of the game, and we never gave up. We made the big plays to keep us in the game."

This was a high scoring game with both teams moving the ball up field quickly. Iraan was the first team to score in the first period on an 8-yard run. A run for the conversion was good, giving the Warriors an early 8-0 lead.

Ozونا bounced back fast to score on a 27-yard pass from Bobby Cervantez to Peter Rodriguez. A run for the conversion failed, but the Cubs pulled to 8-6.

Again, the Warriors bounded back with an exciting 80-yard run, and the conversion was no good for a first quarter score of Warriors 14, Cubs 6.

Early in the second quarter Cervantez scored on a 15-yard run. The conversion failed, and the Cubs inched their score up to 14-12. Trying to stay ahead, Iraan scored on a 2-yard run with the conversion good, increasing their score 22-12.

Bouncing back again, the Cubs' Cervantez scored on a 7-yard run. Cervantez connected to Rodriguez on a conversion pass to stay close to the Warriors at halftime 22-20.

The second half of the game was similar to the first half with the exception of the Cubs playing harder to win.

At the beginning of the third period, Iraan scored on a 19-yard run, but the conversion was no good. With the touchdown, the Warriors increased their score to 28-20.

The Cubs worked the ball down to the Warriors' 1-yard line. Ozona's Matt Castaneda scored on a 1-yard plunge into the end zone and also ran the ball in for the conversion, trying the score at 28-28. Thus, the third quarter ended in a tie.

The Cubs stepped up their playing a notch by scoring 14 points in the final quarter and holding the Warriors to no points scored. Ozona's first touchdown occurred on an electrifying 83-yard pass play from Ross Crawford to Rodriguez. The conversion was no good, but the Cubs took the lead 34-28.

Later in the quarter, Castaneda cut loose on a 75-yard run. Crawford

connected to Cade Clark on a pass for the conversion to increase their score and beat the Warriors 42-28.

Recollecting earlier coaching days, Coach Johnson said, "This game reminds me of my days coaching six man football. One team scores, then the other team comes right back and scores. Last one with the ball wins."

The Ozona Seventh Grade played hard and fell to the Iraan Warriors 24-0 in an earlier game. Evidently the Warriors were larger in size, which appeared to worry the Cubs.

"Our guys were small compared to their players. Iraan had a pretty good size team," said Coach James Lopez.

Iraan started their first touchdown drive on their own 48-yard line. On a fourth-and-ten, they took a chance and ran a 38-yard counter-option to the Cub 14-yard line. On the next play a Warrior ran around the left side for a 14-yard touchdown. A pass for the conversion failed, but the Warriors took a 6-0 lead.

Ozona's Stephen Tarr led the Cubs in the first half and threw a good pass with a good catch by Chris O'Bryan. They were not able to move the ball much farther and were forced to punt. "Offensively, in the first half we couldn't move the ball," said Coach Lopez.

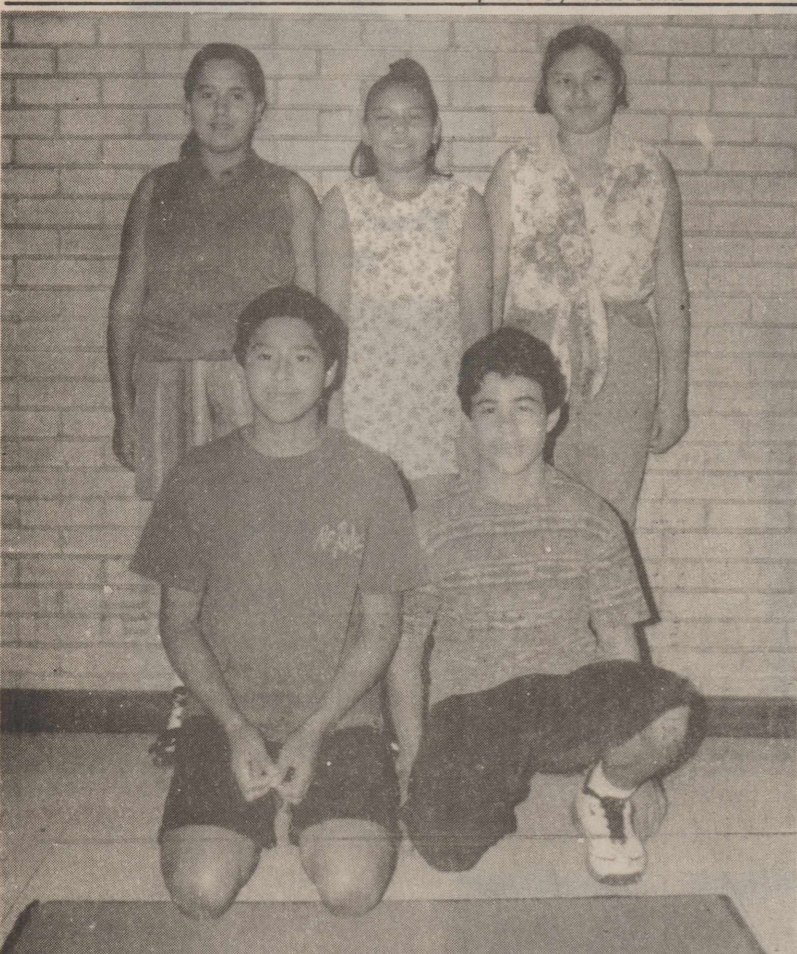

The Warriors received the ball on their own 45-yard line. It took four plays for the Warriors to score. One play gained 37 yards with Trey Hale making a good tackle, preventing Iraan from scoring. They reached the 9-yard line, and on the next play they scored on a run around the left side. The conversion failed, but Iraan increased their score 12-6.

The next Iraan possession was stopped by a good hit from Jeffrey Mendez. This caused an Iraan fumble which was recovered by Hale. Time ran out in the first half with the score Iraan 12, Ozona 6.

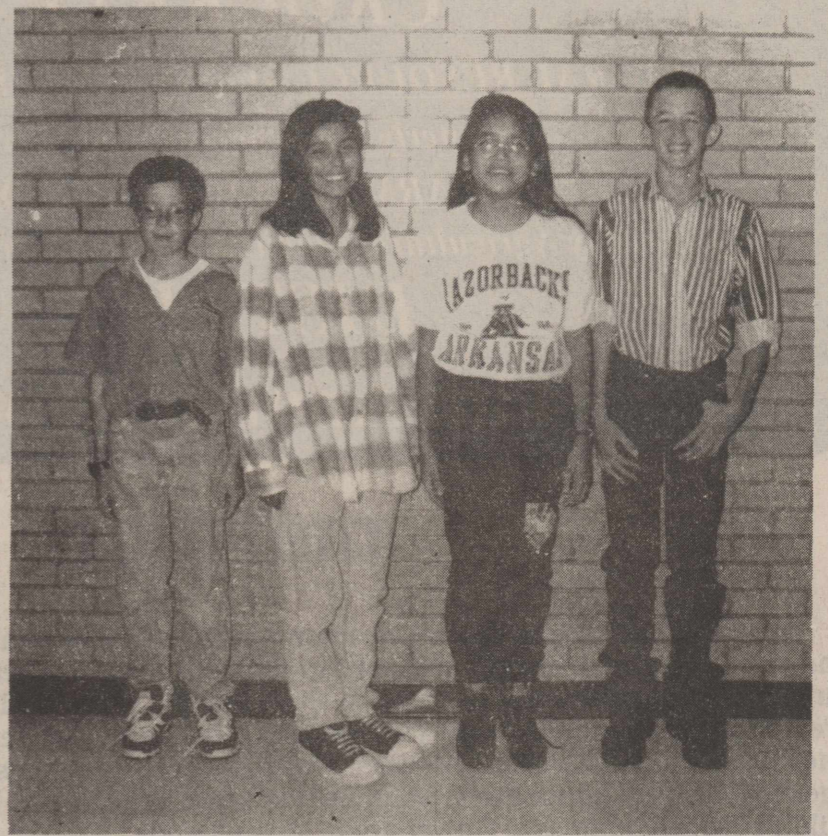

In the third quarter, the Cubs tried harder with good runs by Leon Garcia and Tarr and a good attempt to catch the ball by Ray Ramos. A Dustin Faught pass was intercepted by an Iraan player on their own 16-yard line. The Warriors wasted little time in getting into the Cub end zone, going the 84 yards in three plays. They reached the end zone on runs of 54, 25 and 5 yards. The Warriors failed on the conversion but expanded their score to 18-0.

The Cubs were in possession of the ball at the end of the third quarter. Good runs by Garcia and Faught placed the ball on Iraan's 19-yard line before they turned it over on downs. The Warriors scored on a 65-yard run, failed on the conversion, but increased

their score 24-0.

The Cubs made one last attempt to score, reaching the Iraan 41-yard line before time ran out. The Warriors won the game 24-0.

"Iraan played a good ball game, fired off the ball and executed well," said Lopez. "The one play that killed our boys was the counter-option. In

the second half, we moved the ball, but we self-destructed, mainly mentally by not thinking on the line and who to block. Our kids tried real hard. They try hard every week."

The Cubs will host Eldorado in Lion Stadium at 5 p.m. on Thursday, Oct. 19. Help the Cubs score a victory and "Back the Cubs".

### Quiet Killers

HOUSTON - The most fearsome opponent for some young athletes is their heart condition.

Sudden death can occur in teenagers with heart disorders who appear perfectly normal but suffer heart failure during the stress of athletics.

Among the "quiet" killers of teenage athletes are:

\*Hypertrophic cardiomyopathy, a hereditary heart condition that thickens the left ventricle, which can impede blood flow and disturb heart rhythm.

\*Long Q-T syndrome, which results from irregularities in heart rhythm, causing seizures, fainting and death. In children, this heart condition

rarely produces symptoms prior to sudden death.

\*Wolff-Parkinson-White syndrome, which also results from abnormal heart rhythms.

Dr. Jeffrey Towbin, an associate professor of pediatrics and molecular genetics at Baylor College of Medicine in Houston, said parents and children need to be aware of a family history of heart disorders. "If we knew these kids were at risk, we could recommend therapies and possibly prevent them from participating in sports."

Many heart disorders can be detected in infancy through EKG readings and electrophysiological studies.

### Vehicle Title Applicants Required To Provide S. S. Number

The Texas Department of Transportation will soon require additional information on title applications for motor vehicles. Beginning Nov. 1, Texans who request title transactions in counties using the Registration and Title System must provide their social security number. RTS is an automated system that electronically links county tax offices to TxDOT headquarters in Austin. The Crockett County Tax Office uses RTS to process motor vehicle transactions.

The social security requirement is part of House Bill 1863, passed by the 74th Legislature; the bill addresses fraud prevention in public assistance programs. TxDOT is mandated to collect the social security numbers and make them accessible to other state agencies for the purpose of determining eligibility for those programs. Individuals who do not have a social security number, or are not eligible for one, must complete a statement before their title application is processed.

Disclosure of the social security number will be voluntary in Texas counties not using RTS. Questions concerning the new requirement should be directed to the Crockett County Tax Office, or the nearest Vehicle Titles and Registration Division office.

TxDOT is implementing RTS statewide, with completion expected by December 1996. The computerized system makes it possible for registration records to be updated within 48 hours, which is a major benefit to law enforcement. Customers will also receive their vehicle titles within five days of the date the title applications arrive at TxDOT Headquarters.

For more information, contact Tom Stokes, Tax Assessor-Collector in the Crockett County Tax Office at 392-2674 or 392-2675.

### Rosacea Can Bother Fair-Skinned People

HOUSTON - Don't mistake rosacea for a healthy glow.

"Some people with rosacea assume the blushing will go away," said Dr. Suzanne Bruce, a dermatologist at Houston's Baylor College of Medicine. "If your face is red after an exercise cooldown or after a short time outdoors, it could be rosacea."

Common sufferers are fair-skinned adults, frequently women. In some cases, the nose becomes bumpy, red and swollen, and cheeks enlarge from excess skin tissue.

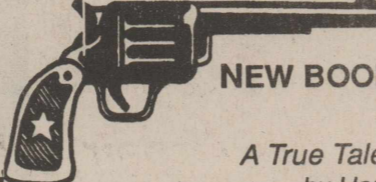

Half of patients also experience eye burning and grittiness.

To help prevent rosacea flare-ups, Bruce says:

\*Limit daytime outdoor activity, and apply a sunscreen of sun-protection factor 15 or higher.

\*Avoid alcohol- or acetone-based cosmetics and hair sprays.

\*Stay away from too many spicy foods, hot coffee and alcoholic beverages.

**DISTRICT**

The Crockett Soil and Water Conservation District was established in 1950 to identify and prioritize resource concerns within the county and to serve as a medium for local ranchers in coordinating assistance from federal, state and local agencies. Agencies providing assistance include the Natural Resources Conservation Service (formerly known as Soil Conservation Service), Texas Agriculture Extension Service, Farm Service Agency (formerly Agricultural Stabilization and Conservation Service), Texas Parks and Wildlife Department and University of Texas Lands.

A Memorandum of Understanding between the USDA-NRCS and the District allows the NRCS to furnish technical assistance to ranchers, farmers and other interested individuals in order that conservation plans can be developed to meet the needs and capabilities of the land and the objectives of the landowner.

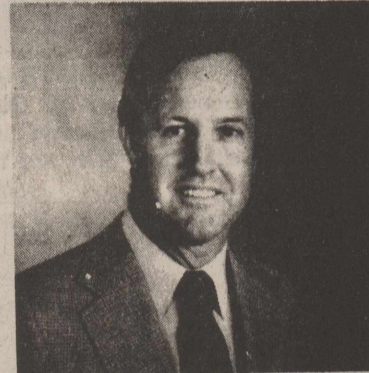

The District is governed by a five member board of locally elected directors. These directors serve as a voice for landowners and operators within the District. Directors for the past year include Earl Acton, Chairman; Larry Williams, Vice-Chairman; Pleas Childress III, Secretary; Paul Perner III, member, and Steve Wilkins, member.

Improper grazing management, brush infestation, conserving soil, water, plants and related resources and improving wildlife management on rangeland as secondary land use are the primary concerns outlined in a long range program and plan.

The Crockett Soil and Water Conservation District realizes these concerns need to be addressed and steps taken to solve these problems in order to protect our resource base.

Gene Perry receives plaque from John Earl Smith, Region II Director of the Texas Association of Soil & Water Conservation Districts.

## CONSERVATION RANCHER

The Crockett District nominated Gene Perry as this past year's Outstanding Rancher and he was selected as the Outstanding Resident Conservation Rancher for Region II of the Texas Soil and Water Conservation Districts at the annual awards banquet held in San Angelo in May of this year. Region II comprises 51 counties ranging from Blanco County to El Paso County and from Andrews County to Maverick County.

Gene and Betty Perry have two separate ranching operations in Crockett County. Both ranches consist of a total of 8,759 acres. He is a past director of the Crockett SWCD. He had served the ranchers of the district for 14 years.

Perry's main goal in his operation is to make it profitable and to sustain and improve the range resources on the ranches. Proper grazing management is the key to the success of the ranches. Extensive crossfencing (64,956 feet), livestock pipelines (25,000 feet), five water storage facilities, 12 troughs and two wells are some of the conservation practices he has completed to initiate his grazing systems.

He has implemented a three pasture, one herd grazing system on his west ranch and a 13 pasture short duration grazing system on the east ranch. These systems in combination with flexible stocking have enabled him to improve range condition and trend. Vegetative cover has doubled on the ranch since the implementation of these systems. Proper grazing use is a must in his operation. Even during the harshest years, Perry has been able to obtain proper grazing use on both ranches.

To intensify and expedite range improvement and increase moisture conservation, a selective brush control program was implemented. Cedar and mesquite have been treedozed or grubbed on 6,000 acres of ranches. Mesquite and pricklypear have been aerielly treated with herbicides on 7,500 acres. Follow-up treatment is carried out on all acreage treated.

The Perrys have developed a unique wildlife management program on the ranches. A large percentage of the deer harvested on the ranch are taken by various organizations and groups. Hunts for the West Texas Boys' Ranch, High Sky Girls' Home, 4-H Field and Stream, hearing impaired and father/son are held annually. A hunter safety camp is also held to familiarize individuals on safety procedures involved in hunting.

There are various other events hosted annually on the ranch. The sixth grade conservation field day is held on the ranch to educate youth on the conservation of natural resources. He also hosts the Crockett County Classic Sheep Dog Trial with national and international participation, as well as other tours and functions.

To accommodate some of these functions, the Perrys have constructed a bunk house, kitchen and classroom area for stayovers and education of youth.

Perry has participated in various organizations including: Crockett County School Board, Crockett County Water Board, Crockett County Appraisal Board, served as director for the Texas Sheep and Goat Raisers, Mohair Council of America, Texas Game Warden Association, Texas Hereford Association, National Cattle Raisers' Association and the Texas Southwestern Cattle Raisers' Association.

## CONSERVATION TOUR

The Gene Perry Ranch was the location of the annual Hill Country Association of the Soil and Water Conservation District's spring tour. More than 90 individuals representing 20 districts attended the tour. The Perry Ranch was chosen because of some of the outstanding conservation work which has been applied over the years.

Participants observed the short duration grazing system which was implemented to improve range condition and production and increase carrying capacity. Mr. Perry has installed a 13 pasture - one herd system which has allowed him to almost double his carrying capacity over the last 10 years. More than 12 miles of electric fencing was needed to initiate the system. A unique rock bracing system has been used on most of the new fences.

Brush management practices, including treedozing and aerial spraying, were also observed. More than 7,500 acres of aerial spraying for the control of mesquite and pricklypear has been applied over the years. Six thousand acres of treedozing mesquite and cedar has been accomplished on both deeded and lease land that Perry operates. An overview of the wildlife operation was also presented to the interested group.

After a catered barbecue lunch, Ivan Weir, trainer for Weir-Perry Kennels, put on an excellent border collie demonstration. Various age groups of dogs were used to demonstrate the different stages of development and training each group required.

The Crockett SWCD hosted this year's tour and would like to thank Gene and Betty Perry for their hospitality and congratulate them on their conservation efforts.

## CONSERVATION EDUCATION

The Crockett SWCD annually sponsors a sixth grade conservation field day. This year's event took place April 26 on the Gene Perry Ranch.

The purpose of the field day was to increase the awareness of natural resources and educate the children to the need for proper management to sustain and improve these resources. Topics consisting of soils, water, range and wildlife were presented by professionals with the Natural Resources Conservation Service and Texas Parks and Wildlife Department.

Ivan Weir entertained the group with a sheep dog demonstration. They showed how these dogs are used to assist ranchers in their everyday ranching operations. The dogs, which are from Weir-Perry Kennels and trained by Mr. Weir, put on a show that all enjoyed.

Following this presentation, the children were treated to a hamburger lunch provided by the Crockett SWCD and cooked by John L. Henderson and volunteers Keith Olive and Laurie Hale.

Billy Reagor, County Extension Agent, gave the students a presentation on sheep and goat production in Crockett County and described some of the various uses of wool and mohair.

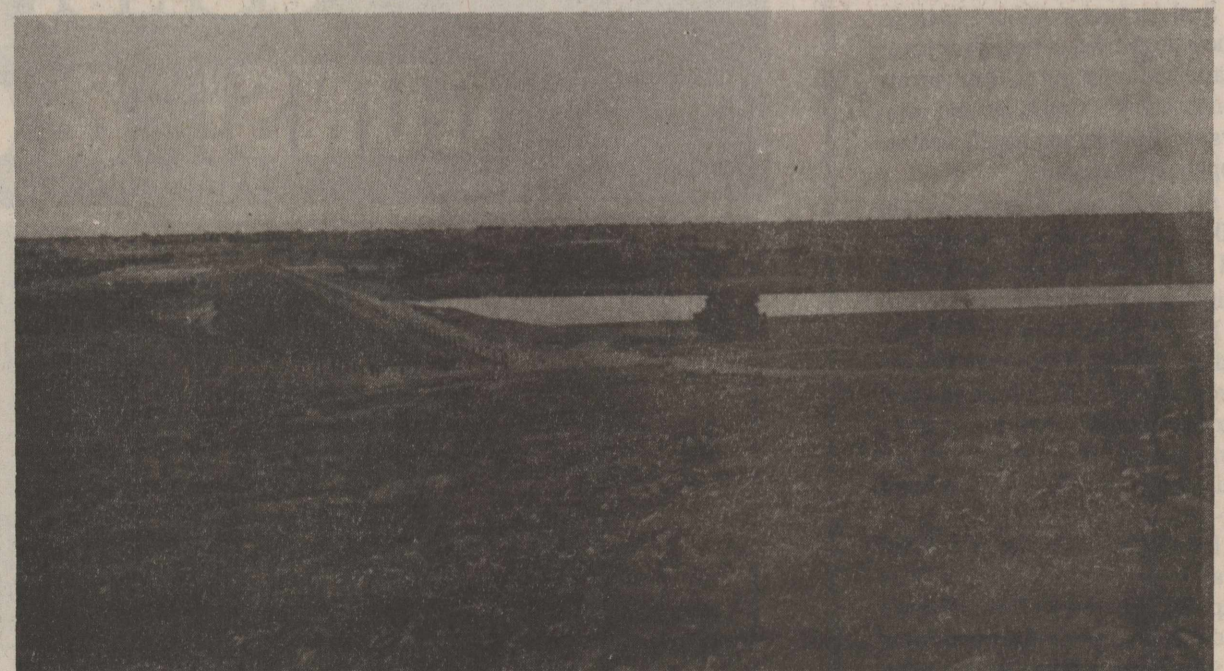

A trip to Wool Growers Central Storage capped off the day. Children learned all about processing of wool and mohair, starting from the initial shearing in the field to the finished clothing project.

## JOHNSON DRAW WATERSHED

The possibility of flooding in Ozona similar to that disastrous day of June 28, 1954, has been greatly reduced by the construction of seven floodwater retarding structures on Johnson Draw watershed and two miles of channel improvement through the town of Ozona. Through the initiative and cooperative action of local people and ranchers, the Crockett SWCD, the Crockett County Commissioners Court and the National Resources Conservation Service, the construction of these structures was completed by 1959.

These structures are designed to detain runoff from 78% of the watershed above Ozona. Presently, all structures and the channel are in good condition due to the maintenance made by the sponsors.

Conservation of livestock water storage facilities, pipelines and troughs are high priority conservation practices applied within the District. These practices allow ranchers to disperse their watering areas to improve livestock distribution in pastures and reduce spot overgrazing. Enhancement of range improvement and improving ground cover are the benefits of these practices.

Choice Spring Lambs 77-80#

### Special Sale Benedfits Rehab

A registered Simmental bull will be among the offerings up for bid Monday, Oct. 23, during the Cattleman's Round-Up for Rehab special sale at Junction Stockyards.

Conducted to benefit West Texas Rehabilitation Center, this 17th annual Kimble County fundraiser is coordinated by CRR volunteers Marc and David Dobbins and Diann and Larry Crenwelge.

"The bull is being donated by Sonny and Donna Price of High Point Ranch," said Mrs. Dobbins. "Also, we have several head of goats - as well as a hand-crafted quilt by Louise Simons."

Individuals and businesses wishing to make donations of livestock, cash or miscellaneous items may contact Mrs. Dobbins at 446-2886 or 446-3458 or Larry Crenwelge at 446-3378.

Cattleman's Round-Up activities generate "treatment dollars" for Rehab Center out-patient operations in San Angelo and Abilene where more than 14,500 disabled children and adults are served annually.

### Winter Energy Saving Tips From WTU

October is National Energy Awareness Month, and West Texas Utilities Company offers the following tips to save on energy costs as temperatures fall this season.

**Seal Air Leaks:** About 15 percent of the energy used to heat your home is wasted on warming cold air leaking through cracks. Caulk around windows, wall cracks and install weather stripping around doors.

**Add Insulation:** An extra layer of R-30 attic insulation (a thickness of 10 to 11 inches) can cut your energy bills by eight percent or more.

**Install Attic Vents:** Moisture build-up during cold weather lessens the effectiveness of attic insulation. Your attic should be able to "breathe" during hot and dry weather. Proper ventilation will help attic insulation year-round.

**Install Storm Doors and Windows:** No part of a home lets more heat escape per square foot than windows and doors. Storm windows and doors add value to your home while lowering heating bills and raising comfort.

These improvements help save energy and money, but the biggest savings come from high-efficiency heating and cooling equipment - such as an electric heat pump.

Heat pumps don't "create" heat like conventional systems. Instead, they pump heat from one place to another. By using energy that's already in the environment, heat pumps help conserve natural resources and can help cut energy bills by up to 40 percent less than conventional systems.

Programmable thermostats can also help reduce energy needs by heating your home and water when you need it most.

## Ranchers Asked To Make Nominations For County FSA Committee

"Ranchers and other eligible voters are asked to nominate candidates of their choice by Oct. 30 for the county Farm Service Agency committee election ballot," said Laurie Hale, PAIC. The FSA committee was previously known as the ASC county committee.

The FSA county committee election will be conducted from Nov. 24 to Dec. 4 by mail ballot. FSA, an agency of the U. S. Department of Agriculture, administers farm commodity, crop insurance, and conservation programs for farmers and makes farm ownership and operating loans.

Crockett County ranchers have the opportunity to nominate persons they feel would best serve their farm community on the FSA county committee. Farmers may request and receive nominating petition forms from

the county office.

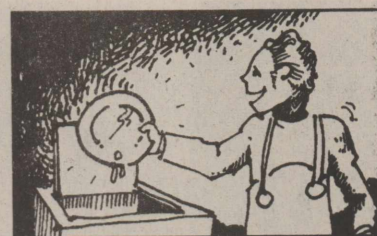

Mrs. Hale reminded ranchers that to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve, if elected, and must be signed by at least three eligible voters in the local administrative area. Also, the petition must be received in the FSA office by the Oct. 30 deadline.

Eligible voters may circulate or sign nominating petitions for as many candidates as they choose. Anyone wishing to nominate a rancher for the county FSA committee election may contact the county office for details, including eligibility requirements.

Ranchers should petition for and elect those individuals they feel would do a good job as an FSA committee member. "FSA committees are essen-

tial in the administration of farm programs," Mrs. Hale said, "and we welcome all valid petitions."

The opportunity to nominate, vote and be elected to office is guaranteed to all farmers regardless of race, color, religion, national origin, age, sex, marital status or disability.

The first power-model commercially produced dish washing machine was invented by Mrs. W.A. Cockran of Shelbyville, Ind. and was completed in 1889.
