

Dean Cole Will Address Muleshoe Folks At CofC Banquet Friday

Dr. Martin L. Cole, dean of Eastern New Mexico University, Portales, will be the principal speaker at the annual banquet of the Muleshoe Chamber of Commerce, scheduled in the high school cafeteria here Friday night, April 23.

Clyde Holt will be inaugurated president for the coming year, succeeding George Hicks. Ralph Mardis will become vice-president and Ray Morrison treasurer. Ray Franz is manager and Mary Weber is office secretary.

W. T. Parker Announces For Comm., Prec. 3

W. T. Parker has authorized The Journal to announce that he is a candidate for the office of Commissioner for Precinct 3, Bailey County, subject to the action of the Democratic Party primary.

Mr. Parker is a resident of Three Way community. He has farmed in the county and pre-ferred the last six years, and the last three years has been a member of the board of directors for Three Way school.

In a statement to the people of the community, he said that if elected he will discharge the duties of the office to the best of his ability, and that he would cooperate with other elected officials for the best interest of his precinct and county.

During the time between now and the primary he expects to contact personally all the people of the precinct. He said that he invites the consideration of every voter and solicits their vote and influence.

Gregory, and Mr. and Mrs. Harvey Bass.

O. D. "Blondie" Ray will be toastmaster at the banquet. Invocation will be pronounced by Rev. Clarence Stephens. LaVon and Don Copley are to play dinner music. A feature of the program will be the singing of the "Barbershoppers", quartette of ENMU. George Hicks, retiring president, will introduce retiring officers and directors. Clyde Holt, incoming president, will review the program of work as it has been evolved from the community clinic held here in February.

Colored Pupils Entertain Lions

Talented pupils of Muleshoe colored school brought an enjoyable program for the Lions Club at the luncheon Wednesday noon in Gerald's Cafe. The principal of the school, Miss Christine Raven, accompanied the pupils.

Chester A. Burkes, a senior, gave his declamation on "Democracy". This boy won the senior declamation at the district meet held recently in Littlefield and will go to the state Inter-scholastic League meet for colored schools.

"The Man with the Hoe" was the title of the declamation given by Renard Johnson, of the 4th grade.

A musical number, "Trees" was given by Norma Rae Horn and a vocal by her also was enjoyed. Raymond Louis, Jr. played a boogie woogie selection on the piano. The Lions and their guests enjoyed the program to the fullest.

Cindermen Win 5th At Sandie Relays

Muleshoe's fine track team won fifth place honors in some very stiff competition at the Sandie Relays last weekend at Amarillo.

About thirty-five schools participated in the meet. Amarillo topped 1st place, Pampa 2nd, Lubbock 3rd, New Deal 4th, and Muleshoe 5th.

In the events, Bill Willis won 2nd place in the discus, Jimmy Holt ran 3rd in the open 440, and Sam Donaldson was 3rd in the pole vault. The mile relay team composed of Jimmy Holt, Robert Richards, G. R. Howell, and Gaylord Tate won third place.

Muleshoe will be represented at the Regional Track and Field Meet, to be held in Lubbock Saturday, by Bill Willis, Sammy Donaldson, Jimmy Holt, Robert Richards, Gaylord Tate, G. R. Howell, and Wayne Moore.

Conservation Of Water Subject At Bovina Meet

Irrigation farmers and those interested in the subject are invited to attend a meeting to consider ways and means of conserving water which will be held in Bovina next Thursday night, April 29, in Bovina Legion Hall. The meeting will take up at 8 o'clock.

Three well known authorities on irrigation and Plains water will speak: Bob Thurmond, Extension Service irrigation expert; Tom McFarland, who is manager of the Hi-Plains Water Conservation District; and Bill Broadhurst, hydrologist for the district.

CALLED TO ALBUQUERQUE
Mrs. Irma Willis is in Albuquerque to be with a sister who is critically ill.

Extension Star Route 2 Sought

An extension of Star Route 2 out of Muleshoe to serve additional farm and ranch families in southwest Bailey County is being sought by residents in that section.

Bailey County Farm Bureau is now assisting these residents in preparing petitions to postal authorities.

Millen Again Heads Bureau

Bill Millen was reelected president of the Bailey County Farm Bureau at a recent meeting of the directors.

Other officers reelected are: O. C. Thomson, vice-president; Joe Sooter, secretary.

Bailey County Cotton Farmers Are Urged To Release Unwanted Acres

Co-op Gin Sets Annual Meeting

The first annual meeting of the Muleshoe Cooperative Gin Company will be held Saturday, April 24, in the Muleshoe high school auditorium. The meeting will begin at 10 a. m. An interesting program will be given.

During the noon hour, lunch will be served in the school cafeteria. The business session will begin at 1 p. m., at which time the by-laws will be read and approved, a financial report will be given, dividends will be issued to all customers, and directors will be elected. All stockholders and customers are urged to attend.

Bailey County cotton farmers who do not intend to plant their full allotment should release their unplanted acreage to the county ASC Committee, according to Farm Bureau President W. T. "Bill" Millen of Bailey County.

"Releasing the unplanted acreage to the committee won't hurt the farmer's individual allotment history," the county farm leader said. "Acreage released will be considered as planted on the farm from which it was released, provided that any cotton was planted on the farm in 1952, 1953 or 1954. Thus, the farmer who releases unplanted acreage gets credit for them in future allotments."

The latter is one of the provisions of the 1954 Law which the Farm Bureau promoted. Mr. Millen stated that is planted elsewhere not only help other farmers who want to plant cotton this year, but also will help to preserve the historical acreage base of the county and the state.

Official premeasurement of all marketing quota crops will be offered. Farmers will have to pay the cost of this. However, it will save the expense of plowing up overplanted acreage or the loss from underplanting.

Springlake Will Stage 3rd Annual Rodeo April 23-24

The third annual Springlake F. F. A. Rodeo is set for two performances, April 23-24, at the Earth Rodeo Arena. Starting time is set for 7:30 each evening. Western Day will be observed, in High School April 23, and a parade will be staged in Earth at 5:30 p. m. The senior class will serve a chuck-wagon supper between parade and show time, and the class will also handle concessions at the rodeo.

Wayne Davis, F. F. A. president, will be arena director. Rex Loftis will serve as parade marshal. The Earth Roping Club will assist in putting on the show.

In addition to the usual rodeo events there will be a Flag Race, and Pee Wee Calf Riding. Teams from Muleshoe, Olton, and Dimmitt will be competing with Springlake for trophies.

At Fort Bliss

PVT. BARTLEY
Pvt. Carol G. Bartley is now stationed at Fort Bliss, Texas, and is a member of the 7th Inf. Battalion, AAA, RTG. He volunteered for service March 15. Gene is the son of Mrs. Jess Bartley, of Amarillo. He will be on leave after their 8 weeks basic training, along with several other boys from Muleshoe.

WORK TO BE RESUMED ON PARK TABLES

J. J. Redwine, park caretaker, tells The Journal that work will be resumed on tables and benches at the park about May 1 or when the duststorms are over. He said several had inquired about the matter and he wanted everyone to know that all the equipment that has been donated will be given a nice going over soon.

Bailey County Said To Need More Effective Emergency Feed Program

Authorities in Austin and in Washington have been appraised of conditions in Bailey County resulting from the continued drought. Bailey County Farm Bureau has wired individuals in both capitals concerning the situation here and have received assurance that special study will be made.

The local Bureau sent the following telegram: "Due to no rain, Bailey County needs a better emergency cattle feed program for approximately 6,000 cattle for drought disaster area."

"Corn and mixed feeds are not suitable for this area due to not having feeding facilities and cost. We need 270 tons of cake per month for 60 days after good rains."

This message went to President Eisenhower, Gov. Shivers, Senators Johnson and Daniel, Congressman Mahon, Secretary Benson, and Claude McCann, Texas ASC committee, College Station. Replies from the Washington Congressional members made note of the Agriculture Department's statement that no emergency stocks of cake are now available. The representatives said, however, that further and special study is being made of the Bailey County situation.

Meeting of the local chapter will be held on the first Monday of each month at 10 a. m.

Polio Chapter Elects Officers

Officers and directors of the Bailey County Chapter for Infantile Paralysis were elected at a meeting held last Thursday night in Gerald's Cafe.

J. V. Peeler will be chairman for the county chapter the coming year and Travis Reed will be the March of Dimes Drive chairman. Mrs. Clyde Holt was reelected secretary and Mrs. Wilbur LeVeque was reelected treasurer.

Directors are Bill Wilson, Rev. Clarence Stephens, W. E. Young, Dee Clements, and C. Owen Jones.

Mike Hyre, Abilene, state representative on the National Foundation, attended the meeting and discussed the Salk Vaccine. This vaccine against polio will be available for vaccinating children of the second grade in 45 U. S. counties. Ten of these counties will be in Texas and will be chosen by state and U. S. health authorities and will be counties where polio has been most prevalent in the last five years. Mr. Hyre said plenty of gamma globulin is now available for anyone who needs it this summer, being furnished through public health authorities.

Meeting of the local chapter will be held on the first Monday of each month at 10 a. m.

Local Dale Carnegie Class Is One Of Largest And Best, Is Report

Praise for the Dale Carnegie Course class that is now meeting in Muleshoe was voiced this week by Mrs. Perry Wampler, of Clovis, regional director. Mrs. Wampler said the class is one of the largest she has ever helped to institute with 43 men and women enrolled.

Carnegie Class Enjoys Dinner

The Dale Carnegie Class met Tuesday night, April 20, at 7:30 p. m. in the Legion Hall.

Mrs. Perry Wampler, director of the Dale Carnegie Course in New Mexico and West Texas, gave a very interesting talk about some of her personal experiences in using some of the Dale Carnegie rules.

Leonard Nussbaum, of Amarillo, the instructor, told and showed what the word "Enthusiasm" can do. Each person present gave a talk about enthusiasm.

The directors, Lee Pool and O. D. Ray, presented the best speech pencil to Sam Fox; the most improved pencil went to Leslie Mills; and the special award pencil was presented to Mrs. Homer Sanders, Jr. Dinner was served by Joe Duke of the Dinner Bell. Practice session will be held Thursday night at 8 p. m., in the home of Mr. and Mrs. Sanders.

Mystery Farm Is Delbert Watsons

Winners of the Mystery Farm contest in the April 8 issue of The Muleshoe Journal are Mrs. Rudolph Morrow, Star Route, and Mrs. Royce Garth, city.

Mrs. Morrow called in at 11:40 a. m. Friday and Mrs. Garth called in at 11:45 a. m. Both ladies correctly identified the farm as that of Delbert Watson.

Two tickets to Cox Drive-In Theatre awaits each of the ladies at the Western Fertilizer Company, a sponsor of the contest.

Much interest and enthusiasm has been manifest throughout the community in regard to the club, and plans are going forward for a good season, said Miss Schumann.

The club extends thanks to several sponsors in Muleshoe, Friona, Farwell, and Lazbuddie for assisting the team to get started.

Dates for games will be published at a later date, so everyone will have an opportunity to see the girls in action. Several girls teams are being organized and hopes are for forming a league, so everyone will know when and where different teams will be playing. The girls are urged to come out for practice and make their team among the best.

Lazbuddie Womens Softball Club Gets Underway

The Lazbuddie Womens Softball Club, with Mary Schumann as manager, got underway with practice set for Monday and Thursday of each week at 3:45 p. m.

Much interest and enthusiasm has been manifest throughout the community in regard to the club, and plans are going forward for a good season, said Miss Schumann.

The club extends thanks to several sponsors in Muleshoe, Friona, Farwell, and Lazbuddie for assisting the team to get started.

Lusky Green Is Candidate For Constable, Prec. 1

L. A. "Lusky" Green has authorized The Journal to announce that he is a candidate for the office of Constable, Prec. 1, Bailey County, subject to action of the Democratic Party primary. He made the following statement to the voters:

TO MY FRIENDS OF BAILEY COUNTY:
In offering my candidacy for the office of Constable of Precinct No. 1, I wish to make a short statement as to my qualifications.

I have been a resident of Bailey County for 25 years, and I am a tax payer. I have four children of my own and would especially like to help the young folks of our community.

I am interested in law enforcement and if you elect me to this office, I will be ready at any and all times to assist you in any way this office will permit.

I will try to see each of you personally, but should I fail to do so, please take this as a personal visit from me. Thanking you in advance for your consideration, I am,

Very truly yours,
L. A. GREEN.

Carl Bamert place Is Mystery Farm

The Mystery Farm in last week's paper was the Carl Bamert place.

Tootie Middlebrook was the first person living in the city to correctly identify the farm. He called in at 3:40 p. m. Thursday. The first person living in the country to correctly identify the place was Pauline Griffin, who called in at 4:35 p. m. Thursday. Two tickets each to Cox Drive-In Theatre await the lucky winners at the Charles L. Lenua Lumber Co., sponsor of this week's contest.

Joe Bob Horsley To Be Home Soon

Mr. and Mrs. R. G. Horsley have received word this week that their son, S/Sgt. Joe Bob Horsley will be home soon.

Joe Bob is in the Air Force, and for the past three years has been stationed at Rhien Main, Germany.

He is a 1950 graduate of Muleshoe High School, and during his high school days was active in football and other sports.

El Paso, Here Comes Rufus!

JayCees of this city, some 20 strong, will leave next Wednesday morning for the annual Texas Junior Chamber of Commerce convention, to be held in El Paso, prepared to tell the story of Muleshoe as it was never told before.

With them will go 2,500 copies of a 4 page newspaper, the "Jay-Cee Convention Special Edition of The Muleshoe Journal".

In this paper there will be stories about Muleshoe's greatness as well as a little nonsense to catch the reader's attention.

A big picture of "Rufus the Muleshoe Mule" will be featured on page one. Rufus already has been the object of publicity over a wide area and is certain to steal the show at El Paso. He will appear on TV, in a program to be broadcast the coming Monday night at 6 o'clock over KDUB-TV, Lubbock. Newspapers and radio broadcast-

ing stations will hear all about Rufus. Dignitaries in cities along the route from here to El Paso have been alerted and have promised to meet the Muleshoe entourage at the city gates to give the official welcome and extend hospitalities.

Object of all this ballyhoo is to publicize the Muleshoe country and it appears the boys have made plans to carry out this objective.

But an ultimate motive for the stunt is to win the election for Rufus Rush, of Lubbock, who is a candidate for the office of national director in the JayCee organization; and the election of Rocky Ford, of Midland, who is backed by the local club for state president.

Six automobiles will carry the JayCees and members of their families to the convention city. They will be put up at Hilton Hotel, the convention hotel, from

where Rufus will stage his antics, the full story of which cannot all be told here but will develop as the convention goes on. One of the shenanigans, we are told, is that Francis, the Talking Mule of motion pictures, will send a special telegram to Rufus sometime during the convention.

Among other publicity stunts the local boys will have 2000 "swizzle sticks", and don't ask what they are, to give out along the route and at the convention. They have had ribbons printed bearing the familiar mule and shoe insignia of this city; and Butch Baker of Cross Roads Cafe has provided 2,000 folder napkins which advertise the Will Rogers Memorial Roundup.

In addition, they have provided themselves with 250 copies of last year's special edition of The Journal which publicized the annual Roundup.

Harbin Bros. Guernseys Purple Banner Winners In Plainview Show

Dallas and West Texas dairymen exhibited the purple banner winners in the Guernsey division of the Panhandle Plains Dairy Show held in Plainview April 16. Sharing the grand champion purses were J. T. Lively and Sons dairymen a few miles north of Dallas, and the Harbin Brothers, Joe and Ralph, dairy operators seven miles northeast of Muleshoe.

The Lindley's exhibited the grand champion cow, Haddons M. Kate, champion of the senior Guernsey female class. Friday was the first time the cow had ever been exhibited at the Plainview show but she had won her class seven out of eight times in other shows in recent months.

The Harbins exhibited the grand champion bull. The animal is Throckmorton Lana's Dup, champion of the senior class. It was the Harbin's first Panhandle Plains Dairy Show grand champion during their seven years of exhibition there. The Harbins formerly operated

a dairy near Levelland. Ralph Harbin was awarded the herdsman sweepstakes award. He won first as herdsman in the Guernsey division and rated over the other four divisions.

Sale at auction of approximately twenty head of Guernseys Friday afternoon concluded the weeklong Dairy Show.

Social Security Rep. To Be Here Wednesday, Apr. 28

Employers under the Social Security Act have an obligation to report all of the covered earnings of each employee up to a maximum of \$3,600 a year. With the exception of domestics working in private homes and farm labor where cash wages only toward social security, the fair value of meals, room and board, an apartment or house furnished the employee as a part of the compensation is to be considered as a part of the employee's earnings for reporting purposes.

Since the amount of the benefit payment the worker will receive at retirement or the amount payable to his family in case of his death depends on the total earnings credited to his account, the employer as well as the worker should be concerned about correct reporting.

If the worker wishes to assure himself of the correctness of his account he may request the Social Security Administration to furnish a statement of his account once each year. A postcard form for this purpose may be obtained at any social security office.

A representative of the Lubbock Social Security Office will be in Muleshoe on April 28 at the Post Office at 9:30 a. m., and will be glad to assist in all matters pertaining to social security.

staff they comfort me. (Psalm 2:4.) Read Psalm 23.

In a sermon on immortality, I heard a clergyman tell the following story: A father took his young son for a walk in the fields. The morning was beautiful. They set out with great joy.

As they were crossing a bridge, the lad said, "Father, I'm afraid to cross the bridge." The father took his son's hand and said, "Son, you have your father, and the bridge is safe." They walked far into the green fields and enjoyed the beauty about them.

As they turned homeward, the lad said again, "I'm afraid to cross the bridge." Again the father assured the boy there was no need to fear. Still the boy was afraid. So the father took him up in his arms. Soon the lad was asleep. When he awoke, he said

again to his father, "I'm afraid to cross the bridge." Then the father said, "My son, we have crossed the bridge and are now safe at home."

PRAYER

Heavenly Father, take all fear from our lives. Put within each heart the abiding presence of Thy Holy Spirit. Surround us with Thy holy arms and grant us Thy abiding peace. In the name of our loving Lord and Saviour. Amen.

Garden Club Members Hear Mrs. Edwards

Mrs. Jack Lenderson presided over the meeting of the Garden Club last week as it met in the home of Mrs. W. R. Bowers.

Mrs. Ray Edwards was guest speaker for the day, and gave a very interesting and informative talk on growing gladioli.

Mrs. Lenderson's mother and sister-in-law, were guests at the meeting.

Mrs. Bowers served refreshments of coffee and cookies to Mmes. Ray Edwards, Marie Lenderson, Dorothy Barron, E. O. Baker, Pat Bulloch, Cayle Reed, Dud Finn, and the two visitors.

After the meeting adjourned the ladies went to the Edwards home, where Mrs. Edwards gave a demonstration on planting gladioli.

It was decided to take any extra plants to the park for Mr. Redwine to set out there.

60 Young People Attend Sunrise Easter Service

Easter Sunday services in Muleshoe were observed by hundreds of people attending the church of their choice to renew their hope and receive the special blessing which seems to attend Easter.

The message of Easter is always fresh. As the spring blossoms are ever new — so springs new hope in the human heart at each Easter tide, was the theme for Easter worship.

Muleshoe was blessed with perfect weather, temperatures ranged from a low of 50 to the high of 90.

The day was started in Muleshoe by 60 young people of four different churches uniting for a sunrise service in the sandhills six miles south of town. Inspired by the cross placed on a distant hill, the group joined in singing several hymns. Rev. Rains of the Nazarene church gave the devotional.

Following services the young people were served breakfast at Fellowship Hall at the Methodist church.

Mrs. W. R. Bowers Hosts Dorcas Class

Mrs. Rita Johnson, president, was in charge as the Dorcas Class of the First Baptist Church met with Mrs. W. R. Bowers last week.

Mrs. Hale, teacher of the class, brought the lesson.

Business was taken care of and it was decided to send a Sunshine Basket to Kay Johnson, daughter of Mr. and Mrs. Johnny Johnson, who has been ill for some time.

Mrs. Bowers resigned as secretary of the class, and her place was taken by Minnie Jones.

Refreshments of angel food cake and Cokes, were served by Mrs. Bowers to Mmes. Johnson, Peeler, Hale, and Jamison.

Girl Scout Cookie Drive Will Start Coming Monday

The Girl Scout cookie drive will start the coming Monday, and the girls expect to sell some 2,000 boxes of cookies. During the week, they will sell the cookies to their friends and neighbors, then Saturday, there will be stalls in each of the grocery stores in town where the cookies will be sold.

These cookies are very high quality with a cream filling. They are special cookies with the Girl Scout emblem on top, and may be purchased only through the Girl Scouts.

Price of the cookies is 50c per box. The girls will appreciate any purchases made. Money will go toward further decorating the Scout Hut.

6th Graders Stage An Easter Parade

The sixth grade of Muleshoe Jr. High School, staged their Easter Bonnet Parade, Wednesday morning, April 14, in the Junior High gymnasium.

Most of the contestants started their original creations with a paper plate and a cup. Then they were on their own. Flowers, veils, feathers, ribbons, Easter eggs, and bunnies — just about anything the boys and girls could find around home, were used to trim the chapeaux.

Everyone had a good time modeling their original designs. The boys may have acted a bit shy, but they were just as proud of their fancy hats as were the girls. The hats proved to be works of art. A lot of originality, style and beauty were displayed.

The seventh and eighth graders were invited to the parade, and several visitors were present.

First place winner was Rita Lewis, second place went to Leiland Dean, and third place to Delores Wagnon. Those receiving honorable mention were: Darrell Oliver, Beverley Halford, Charlene Coulter, Bill Taylor, Fern Prather, and Sharron Evans.

Judges for the occasion were Mr. Joe Walker, Mr. D. Daly, Mrs. Ed Johnson, Mrs. E. Page, and Mrs. J. Watson.

The prizes were awarded by Mr. Walker. First prize was an aqua blue goose egg dotted with dimes, second prize was a gold egg studded with nickels, and third prize was a purple egg covered with bright shiny pennies. Those receiving honorable mention were awarded a colored goose egg.

It is hoped that the show can be repeated next year with even more students participating.

Sixth grade sponsors were Miss Mosteller, Mrs. Thompson, Mrs. McLeroy, and Mr. Bratcher.

Mother of Muleshoe Resident Passes Away At Floydada

Mrs. Ida Cooper, eighty-six, of Floydada, and mother of Arthur Cooper of Muleshoe, passed away Saturday afternoon, April 17, at Floydada, after suffering a stroke.

Mrs. Cooper was born Mary Ida Dudley, near Dresden, Tenn., March 30, 1868, and was married there in 1884 to Mark P. Cooper. Eleven children were born to this union. Mr. Cooper and four children precede her in death.

She has resided in Motley and Floyd counties of Texas since 1913.

Funeral services were held in the First Baptist Church of Floydada, and interment was in the Matador Cemetery.

Surviving children are a daughter, Mrs. Bada Phillips, Plainview; six sons, Alvin of Matador;

Tom of Denison; Elmer of Ballinger; Jack and Earl of Ada, and Arthur, of Muleshoe. Other survivors include twenty-two grandchildren, thirty-three great-grandchildren, and five great-great-grandchildren.

"Grandma" Cooper, as she was affectionately called by her family and friends, led an active hard-working life as a pioneer woman. Up until February of this year when she suffered her first stroke, she did most of her own housework.

She was converted early in life and had been a faithful member of the First Baptist Church for seventy-two years.

Mr. and Mrs. Arthur Cooper and children left for Floydada Saturday evening after receiving news of his mother's death, and returned Monday evening.

Mrs. Cooper was the grandmother of a former Muleshoe resident, Milford Cooper.

Calvary Baptist Extends Welcome

Rev. A. C. Graham, pastor of the Calvary Baptist Church, Main Street and Ave. G., extends a very cordial invitation to all to attend the services.

The Sunday School convenes at 10:00 o'clock each Sunday morning. All departments are fully organized with classes for every age, taught by spirit-filled teachers. The King James version of the English Bible is the only text book.

Preaching service Sunday evening begins at 8:00 o'clock.

The book of Revelation is being taught by Rev. Graham each Wednesday evening at 8:00 o'clock.

Come and enjoy the blessings of the Lord with us.

Pastor Attending 33rd Convention

The Thirty-third Convention of the Texas District, Lutheran Church-Missouri Synod, convened in Austin, from April 19 to April 23. Meetings were held in the Lutheran Concordia College Gymnasium, and meals were served in the college dining hall.

Over five hundred delegates attended the meeting.

The Rev. Dr. J. W. Behnken, president of the Lutheran Church-Missouri Synod, preached the opening sermon on April 19, at 8:00 p. m. The Rev. Fredrick R. Sucker, humble Christian, scholar, gentleman, and theologian, of Sagerton, delivered the Convention essay on "Church Union". The Rev. R. Wiederaenders, president of the Texas District Lutheran Church-Missouri Synod, presided over the Convention sessions.

St. John Lutheran Church of Lariat, is a member of the Lutheran Church-Missouri Synod. St. John's was represented at the convention by its pastor, the Rev. W. B. Gummelt, and Mr. Kaltwasser as lay delegates. Pastor Gummelt and Mr. Kaltwasser left for Austin Sunday afternoon, and will return Friday night.

BABSON DISCUSSES—

Reasons For Layoffs

Washington, D. C., April 22 — I am convinced that the present figures on unemployment are very misleading. With retail sales holding up reasonably well, these figures surely are not due to any so-called "Business Depression". The public must learn that we can now have both unemployment and reasonable prosperity at the same time.

VITAMIN PILLS AND GOVERNMENT FIGURES

The basic reasons for the present number of unemployed are:

(1) our increased population; (2) the large number of women employed; and (3) the constantly increasing number of able-bodied persons over 65 years of age. It can honestly be said that many in this older-age group are listed in the "unemployed" category who would not have been so classified some years ago. The vitamin pills taken by older people undoubtedly keep them in the "employable" ranks longer. There are about 7,000,000 more people now than there were 25 years ago.

The constant introduction of new automatic machinery results

in both unemployment and continued prosperity. One of my associates just visited a chemical plant where three men are now doing the work of eighty men. Fertilizing plowed fields has been done by hauling fertilizer in bags to the field, opening the bags and sprinkling the fertilizer by hand. Now an airplane loads with fertilizer at the factory and carries it in bulk to the fields, where it is sprayed on the ground from the air. No manual labor, no bags, and better results.

OFFSETTING HIGH LABOR COSTS

The rapid increase in self-service stores and coin machines is another illustration of how greater sales are handled with fewer clerks. This also reduces chances of loss to the stores from dishonest clerks who do not ring up sales properly. The practice followed by most modern super-markets will be adopted by many stores in other lines. All these changes have been forced upon manufacturers and merchants by union labor leaders. And the resultant unemployment is due to prosperity—not to depression.

All these plans for saving labor were gradually building up throughout the Truman Administration. The labor leaders demanded higher wages; the consumers resisted higher prices; so there was only one thing for the manufacturers and merchants to do — namely, introduce automatic machinery both for producing and for selling goods. Furthermore, the nation is just starting on this new departure. To hold one's job in the future one must take a greater interest and do better work both at the bench and at the counter.

WHAT ARE THE FACTS?
The above facts are why I say that 1954 can be a fair year notwithstanding an increase in the number of unemployed. The following figures are interesting and important. At the top of the last big boom in 1928-1929, 1% of the population was unemployed. In 1932, at the depth of the depression, 9% of the population was unemployed. Today, with a population of 161,000,000 people, only 2% is unemployed. There will not be much unemployment when spring building gets into full swing.

WHAT IS THE SOLUTION?
Readers will say: "But these unemployed people cannot buy goods unless they have wages. And, unless more goods are bought, unemployment will continue". But Washington has a solution, which is (1) an increase in the minimum wage for those who are employed; (2) a reduction in the legal hours for a working week. This would mean reducing the 40-hour week to 35 or 37 1/2 hours.

My forecast is that there is no permanent solution of the problem. It will always be a race between the labor leaders, for higher wages or shorter hours — and the employers, for more automatic machinery. Sometimes labor will be ahead; other times

**SAND HILLS PHILOSOPHER—
Comes Up With Unworkable Defense
Against The Awful H-Bomb**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm won't get anywhere with his idea this week, but that never has stopped him.

Dear editor:
I was out here the other afternoon watchin my rain gauge while we were getting a little shower, there are a few pleasures in life greater than the fun of watching rain fall after a long drouth, even a shower, and I found a water-soaked newspaper caught in a clump of weeds and took it to the house and dried it out, some newspapers are dull enough when dry but when wet they're about like water-logged lightbread.

The only article in the paper that attracted my attention was one about a United States Senator who was urging the government to put up cash awards for inventions for defense, to head off the inventions for attack.

According to this Senator, the government ought to put up some real money to get the inventors to turn their minds toward defense, and he wants to offer as much as \$75,000 per idea if it'll work.

I think this fellow is on the right track, although I don't know what the results will be. There are some people who say man isn't as smart say as insects. Take flies. When man

brought out DDT a few years ago, it must have been as alarming and nerve-racking to flies as the hydrogen bomb is to man, but what happened? The flies went to work and in less than two years had maneuvered around where they had developed an immunity to DDT, even without the help of government cash.

But I contend man is as smart as most insects, and I would like to see this new program of defense invention started. What the defense against a hydrogen bomb will be, I have no idea. As I understand it, it'll dig a hole 150 feet deep and spread heat for miles around, so bomb shelters are out. Tryin to intercept a plane carryin one of them bombs is hazardous and sooner or later one of em is bound to get through.

What we really need is something along the line of radar rays of some sort which can be sent out all over the world from one spot and explode the bomb ahead of time. Probably wouldn't anything slow a man down from makin a bomb as the knowledge somebody else was likely to make it go off before he was ready to drop it. Very few people would be interested in carrying a time bomb around in their coat pocket if somebody else was in charge of the clock.

If you think this idea will work, go ahead and work out the mechanical details while I move on to other thinkin and we'll split the \$75,000. I advise speed, though. We may not have much time.

Yours faithfully,
J. A.

Easy Does It—Again!

Ladies Aid Society had their rummage sale the other night—and as soon as the doors opened, "Easy" Roberts was inside.

Without a word, he headed straight for the coat counter, picked out a shabby old tweed jacket, and paid for it. "Easy" told me a little later that buying his jacket back was getting to be a regular habit.

"That's been my favorite smoking jacket for years," he said. "And my wife talks me into giving it away regularly. Then I get to thinking how much I like

it and hurry down to buy that jacket back. This is the third time I've done it!"

From where I sit, everyone's entitled to his own likes—whether it's a sports jacket, a baseball team, or the beverage he likes for dinner. For example, the wife likes coffee along with Saturday night spaghetti while I like a glass of beer. We never try to "sell" each other on our personal preferences.

A NEW KIND OF POWER!

PHILLIPS 66

Flite-Fuel

FOR YOUR CAR

Phillips 66 brings you the benefits of a super-powered aviation gasoline component—Di-isopropyl (pronounced di-iso-pro-pull). A Phillips exclusive, proved in high performance combat aircraft!

Today, start enjoying the exciting step-up in performance you get from new Phillips 66 FLITE-FUEL containing Di-isopropyl.

Phillips originated Di-isopropyl and HF Alkylate—so valuable to smooth motor performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now

military authorities have released these restrictions, and Phillips can give their customers the benefits. New Phillips 66 FLITE-FUEL provides increased power, smoother acceleration, higher anti-knock performance, greater fuel economy and freedom from stalling... plus Phillips 66 Controlled Volatility, and the clean burning qualities for which Phillips 66 Gasoline is famous.

Only Phillips 66 FLITE-FUEL contains Di-isopropyl. Get it at stations where you see the Phillips 66 Shield.

**New strength and stamina!
Lower upkeep costs!**

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

You save extra trips. That's because of the extra load space you

get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and

the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

Texas Leads In Telephone Loans

Senator Lyndon B. Johnson has been informed by the Rural Electrification Administration that Texas has received more loans and more money from the REA for the rural telephone program than any other state.

Twenty-five loans totaling \$18,029,218, have been made by REA for the Texas part of the

rural telephone program since it was started in 1950. Subscribers to be served in Texas under loans made to date total 34,462.

Senator Johnson said that throughout the nation, 252 borrowers have received \$162,477,218 to serve 366,325 subscribers under the program.

"The bringing of new and improved telephone service to farms and other rural places is a very important part of the overall REA program," Senator Johnson said.

"I am glad that Texas is in the forefront in extending telephone service to rural areas. Many of our farmers are now receiving telephone service for the first time, and many others are getting better service than they have ever had before."

The Texas Senator said REA Administrator Archer Nelsen has announced that during the present fiscal year, ending June 30, telephone loans will total about \$74,000,000.

Parmer County Farm Bureau News

Sixty-two new bills became law in special session of the 53rd Legislature of Texas meeting March to April 13. There may not be many abandoned ice boxes or refrigerators in this county but it is now illegal to leave one in a place accessible to children without removing lid, door, or fastening device. (H. B. 61) This and the law that has been in force for some time prohibiting leaving any hole, such as an irrigation well, open were passed in the interest of the safety of the children of Texas.

You ladies will want to get acquainted soon with our new Home Demonstration Agent, Miss Corinne Stinson, who will begin serving you the first of May.

Thursday night, April 29, irrigation farmers will want to be present to acquaint themselves with rules and procedures regarding "waste water" in the Hill Plains Underground Water Conservation District. Bob Thurmond, Extension Service Irrigation Expert, Bill Broadhurst, District Engineer and Tom McFarland, District Manager, will be on hand to discuss this and other conservation measures. The meeting will be at Bovina Legion Hall at 8:00 p. m.

If we gave Scotch Lite Farm Bureau Stickers to your neighbor, and not to you, its just because we forgot it. Ask for them when you're in the office.

Cotton Farmers, be sure to

turn in any cotton acreage you will not use by the date specified by the ASC Office. If you planned cotton in 1952 or 1953, released acreage will be considered as planted for your next year's allotment.

On statements for annual dues, some Farm Bureau accomplishments are mentioned, and the question, "How can your organization serve you better?" is asked. "List suggestions on the reverse side and return with your remittance", it continues. One of the statements was returned about three years ago without remittance, but with this suggestion: "The best way you can serve me is to leave me alone." We have complied. We seriously doubt if he made such a reply when notified of his increased cotton allotment which resulted from the cooperative efforts of most of his fellow farmers.

H. B. 18, which would have taken away one-fourth of farmer's tractor gas refund, was again killed in committee.

We suggest that you watch evolutionary developments in administration of S. B. 1, which passed, giving the teachers their pay raise. Farm Bureau favored H. B. 3, which would have assured the present limit of \$45,000,000 required of school districts.

Consider This: By humility and the fear of the Lord are riches, and honor, and life. Prov. 22:4.

Sammye Carroll Is Feted With Shower

Miss Sammye Carroll, bride-elect of Charles Lewis, was feted with a pre-nuptial shower at the home of Mrs. Cecil Tate, Friday, April 16, from 5:00 to 8:00 p. m.

Hostesses other than Mrs. Tate were Meses Julian Lenau, Howard Elliott, Finis Jennings, Roy Jordan, Buford Butts, Glenn Dunn, Clyde Taylor, Frank Wagnon, W. B. Wagnon, and Brick Whitt.

Orchid and white were carried out in decorations and appointments.

The table was covered with a beautiful white cutwork cloth, and centered with orchid tulips flanked on either side by candelabra holding white candles surrounded by orchid lace. In the background was a large gold wedding ring. Bouquets of orchid iris and tulips were placed throughout the house.

Refreshments of punch, party nuts, and cookies were served.

In the receiving line was the honoree, Miss Carroll; her mother, Mrs. Albert Carroll, and the mother of the groom to be, Mrs. A. E. Lewis.

The honoree was presented with an antique quilt by her grandfather, which was quilted in 1908 by her grandmother, to be given to the youngest granddaughter.

Approximately fifty guests signed the register, and many who could not attend sent gifts.

Eight Present For HD Council Meeting

Bailey County H. D. Council met Monday of this week with eight members present, and three clubs represented.

Delegates to the District Meeting in Post, and others wishing to attend the meeting, will leave the Courthouse at 7:00 o'clock a. m., May 5.

Council voted to send in invitations for the District THDA meeting in 1955, which will be

held in Muleshoe.

To celebrate National THDA Week, the clubs will have a window display of work of the members, done during the past year. Everyone is to hand in the articles to their chairman by 10:00 a. m., May 3.

Mmes. A. J. Jones, J. E. Day, and Ada Murrah, are delegates to the District meeting.

Present for Monday's meeting were: Meses. Fern Davis, Roy Carney, G. T. Maltby, J. E. Day, Ada Murrah, A. J. Jones, W. R. Harding, and S. C. Caldwell.

Mrs. Lindel Murrah Hosts Philathea

Mrs. Lindel Murrah hosted members of the Philathea Circle at the last meeting. Opening prayer was given by Mrs. Clarence Stephens.

It was announced that members of the Circle could pick up their share of tickets to sell, for the Mother-Daughter banquet, at the Benetis Produce. A called meeting will be held sometime before the banquet.

The study of the book of Jeremiah was finished, and on the program for the day were Meses. Mildred McReynolds, Ruby Faubus, and Betty Murrah.

Refreshments of angel food cake topped with whipped cream, fudge, and iced tea were served.

Those present were Ida Mae Shofner, Dorothy Weyer, Mildred McReynolds, Ruby Faubus, Ethel Benetis, Gladys Black and son Clifford, Clarence Stephens, Theresa Edwards, Joy Whitt, Fern Autrey, Della Mitchell, Waneen Ragsdale, and Charlene Bickel.

John Ladd Elected Sgt.-At-Arms of Delta Chi Frat.

John Ladd, University of Oklahoma student from Muleshoe, was recently elected sergeant-at-arms, of Delta Chi, social fraternity.

Ladd, son of Mr. and Mrs. Earl Ladd, Box 675, is a sophomore in the OU college of Engineering.

HOME FROM TECH

Jo Annah Schuster, freshman of Tech College, Lubbock, spent the Easter holidays here with her parents, Mr. and Mrs. H. E. Schuster.

Mrs. Benham Brings HD Club Program

The Muleshoe H. D. Club met April 13, in the home of Mrs. W. H. Hanks.

Mrs. R. B. Benham brought an interesting program on "fashion flash", specifying the latest materials, colors, and combinations for spring.

Mrs. Day gave a report on the Commissioners' banquet.

Each member was asked to bring her hobby or something she had made, for display and discussion at the next meeting, which is scheduled for April 27, at the home of Mrs. J. E. Day.

The family birthday party will be held April 23 at the Club room, with Meses. St. Clair, C. H. Gillis, R. B. Benham, and Bessie Fletcher as hostesses. Each member is asked to bring pie, card tables, and chairs.

Refreshments were served to two visitors, Meses. King, Mrs. Hanks' daughter, and the following members: Meses. W. H. Autrey, C. E. Briscoe, Don Bruns, R. B. Benham, Roy Carney, J. E. Day, Bessie Fletcher, H. G. Griffiths, J. H. Hanks, T. F. Maddox, and S. L. Robison.

VISITED DAUGHTER

Mr. and Mrs. Frank Prather visited in Floydada over the weekend with their daughter and family, Mr. and Mrs. Frank Floyd.

IN OKLAHOMA

Supt. and Mrs. Jerry Kirk and daughter visited over the holidays in Sulphur, Okla., with her parents.

"I like my Dearborn stays touch-cool while it keeps us warm!"

And you'll like it, too... Dearborn's Cool Safety Cabinet that never gets hot on top, sides or bottom—won't scorch drapes, walls or furniture—won't burn careless fingers. Circulates bone-warming heat to the far corners!

You'll like these Dearborn features—

FAMOUS HIGH-CROWN BURNER—gives you all the heat you're paying for.

GLO-BRITE RADIANTS—give abundant, floor-warming radiant heat in a jiffy.

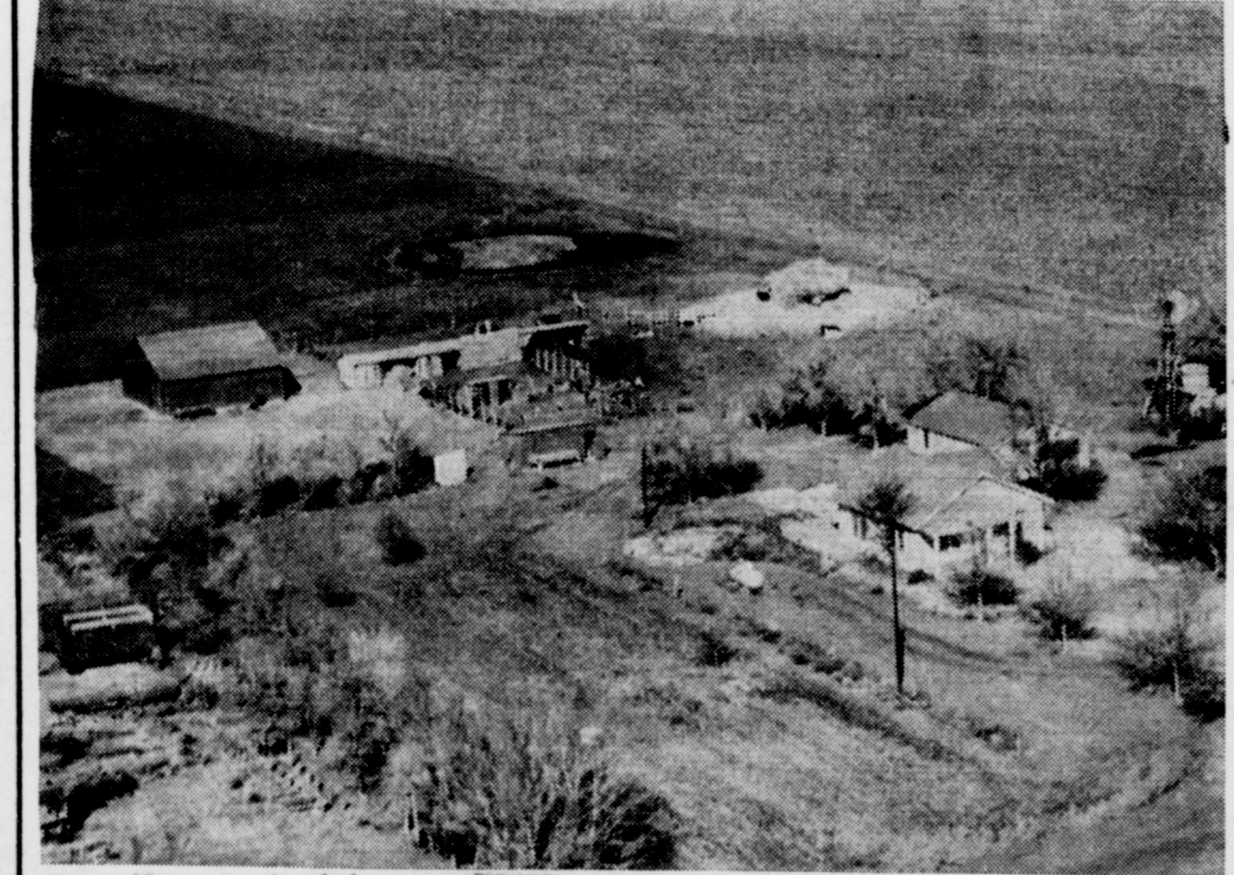

PILOT OPERATED—No more match busting on cold winter mornings.

COME IN—See our complete line of famous Dearborn gas heaters.

"Son, when you take over, this General Electric motor will still be driving our pump!"

"You see, son, General Electric built this motor to last longer. Look at that cast-iron construction—rain, sleet, or dust can't hurt this motor! We don't have to worry about steel bands rusting away. And no extra protection like a shed is necessary because this motor is fully protected against all kinds of weather.

"Another thing I like about G-E motors is that you don't have to lubricate them for a long time. When you do, there are only two places to take care of—one at the top and one at the bottom—both easy to get at.

"Notice that G-E control—protected against the weather just like the motor. It protects our motor against overloads, undervoltages, and short circuits. And I don't have to worry about you getting hurt because you can't open the panel while the power is on.

"General Electric knows our irrigation problems, and they have the engineering experience to give us the motor and control team that will do the best job. Yes, son, when you take over, profit by my experience. Insist on G-E motors and controls!"
