

## Here At Home

By J. M. Forbes

Despite the fact that school authorities have begun the construction of two additional classrooms as a temporary measure to relieve overcrowded conditions in our schools, we may be more short of classrooms this fall than The Journal estimated in a page editorial last week.

Consider the fact that Union Compress, now installing machinery in its new plant here, will employ about 100 men, nearly all new to the community. If each were the head of a family and the families had an average of three children, we would be shy of classroom space by some 300. If this does not develop, the two classrooms will barely be sufficient to eliminate the necessity of going back into the barracks with two or more classes.

These compress employes, it is said, will be largely men of Spanish or Mexican descent and will use the regular school buildings along with the other white children of the town. If a considerable number are Negro, the colored school likely will be crowded.

Many have said that The Journal estimate of growth in ten years is in their opinion exaggerated. It is purely a guess, but based on past growth and at least no one can prove at this time that it is wrong. Time will tell. Meantime, we hope every patron of the Muleshoe schools will begin to study the situation that will confront the schools sooner or later.

## Local Dairy Cattle High Producers

Milk cows in two local dairy herds are mentioned among high producers in the April report of the Randall County Dairy Herd Improvement Association.

In the G. T. Maltby herd Betsy, a Milking Shorthorn, produced 1230 pounds of milk, 46 pounds of butterfat, 3.7 percent. In the Joe H. Harbin herd, a Guernsey, Molly, produced 1730 pounds of milk, 78 pounds of butterfat, 4.5 percent; Chum, a Guernsey in the same herd, had milk production of 1040 pounds of milk, 52 pounds of butterfat, 5.0 percent; and Colleen of the Harbin herd had 900 pounds of milk, 42 pounds of butterfat, 4.7 percent.

## Flight Tourney For 4th Weekend

Muleshoe Golf Club will have a flight tournament July 4 and 5 for both the men and women. Deadline for turning in qualifying score will be 6 p. m., Saturday, July 3. Qualifying scores should be turned in to Buck Wood or in the handicap box. Tournament entrance fee will be \$2.00.

## VISIT IN CALIFORNIA

Mr. and Mrs. Spencer Beavers and children left last Thursday for a ten day visit at points in California.

## Quarterback Club To Meet Friday

New officers of the Quarterback Club will be selected when the club meets Friday night at 8 o'clock in the Harvey Bass Appliance. Lloyd Alsop, president, has called the meeting, and everyone who is interested in high school sports is invited to attend.

Coach Leroy Scott is to address the gathering and discuss problems and outlook for his football team this fall.

Other matters on the agenda include a discussion of an electric score board and better lighting of the football field.

## Rev. E. R. Sheppard Speaks At First Baptist Church Sun.

Rev. E. R. Sheppard, pastor of the First Baptist Church of Snyder, will speak at both the morning and evening services at the first Baptist church in Muleshoe Sunday.

He is coming in response to an invitation from the pulpit committee of the local church to be considered as a pastor to fill the vacancy brought about by the resignation of Rev. A. W. Blaine, who has moved to Dallas.

Rev. Sheppard is considered one of the outstanding Baptist pastors of West Texas. He has been pastor at Snyder for the past seven years. He has a wife and three sons, age 8, 11, and 14.

All church members are especially urged by the pulpit committee to be in attendance at services Sunday, and the general public is invited to come out and hear this noted speaker.

## Rites Here Today For Mrs. Gurley

Mrs. Lou Victoria Gurley 83, a former resident of Muleshoe community, passed away in General Hospital, Los Angeles, Calif., Friday June 18 at 3 p. m.

Funeral services were held from the First Baptist Church of Muleshoe at 10 a. m., today, Thursday, June 24, by Rev. J. E. Moore, Muleshoe Missionary Baptist church pastor. Interment was in Muleshoe cemetery by the grave of her husband who preceded her in death about fifteen years ago.

The family lived near Progress, since leaving here they have resided at Pacoima, Calif., a Los Angeles suburb.

Survivors are four sons: Lonnie, Pacoima, Calif.; Andy, Konaga, Calif.; Ardie Albuquerque, N. M.; Boyd, Pacoima, Calif.; and three daughters Mrs. Dora Shipman, Albuquerque, N. M.; Mrs. Lillie Stone, Albuquerque; Mrs. Lois Wells, Pacoima.

Mrs. Gurley was born Jan. 20, 1871, at Shreveport, La. She was a member of the Baptist church. Pallbearers were Ralph Huff, Don Adkenson, Lester Hammons, Bill Spencer, Arnold Shelby, Buford Price, all of Earth. Funeral arrangements were under direction of Singleton Funeral Home.

## Main Street Beauty Two Classrooms Shop Moves To New Location

The Main Street Beauty Shop, Mrs. Bernice Hendrix proprietor, has recently moved to the building formerly occupied by the Jack N' Jill Shoppe. They feel they are now prepared to give their customers better service, Mrs. Hendrix said.

She has recently installed new and modern chairs and equipment, and is planning on further modernizing her shop. She was in her former location about two years. Besides Mrs. Hendrix she is assisted by two operators, Reba Hail and Flossie Dutton.

## Two Classrooms Being Provided

Construction of a 2-room addition to the junior high school has been started under direction of the Muleshoe school board of trustees.

The new construction will be of a temporary type and is being done to alleviate as much as possible a crowded condition that is expected to be more pronounced than ever when school begins next fall.

Each room will be 24 feet by 28 feet in dimension. The building will adjoin the junior high gym at the northeast corner, with a breezeway to allow ready access to the other parts of the building.

Irish Potato harvest in the Muleshoe country began this week. First crop to be gathered and brought in to the Barrett potato processing plant was that of G. W. Simmons, Springlake.

## 97,558 Acres Of Cotton In County

Bailey County's cotton allotment for 1954 is 122,558 acres. Of this figure an area appraisal recently published estimated 97,558 acres were planted.

Due to drought and other causes some acres were not planted. Probably considerable less than 97,558 acres of cotton is now growing in the county because of loss from hail and dry weather since planting.

Mr. Simmons had 90 acres and the yield was said to be fair. Fred Barrett, Jr., said they would begin harvesting some 90 acres at Morton Friday of this week.

He said the price promises to be good this year. Yesterday the price for No. 1 potatoes was \$3.00 per hundred pounds.

Yield, Barrett said, is not going to be too good this year because of an early freeze and later on some bad hailstorms. But yields are fair and should bring the grower in most instances a satisfactory return.

The Barretts have some 500 acres planted to potatoes this year and Bill Millen, who has his own processing plant, has about 130 acres. All told the acreage here is about 650.

The Barrett plant early in the week was a busy place, with about 40 employes on the job there.

## Mahon Announces For Re-election To Congress

GEORGE MAHON

George Mahon has announced this week that he is a candidate for re-election to Congress. His application to have his name on the ticket in the July primary is on file with the County Democratic Chairman. He has no opponent, but, as in previous years, he is placing his announcement in the newspapers of the District in order to let the people know of his candidacy and as a means of requesting their vote and continued support.

"I want to announce for re-election, and at the same time thank the people for their generous support and good will through the years. I will be grateful for your support in the July primary," the Representative said. "I am always mindful of the fact that public office is a gift of the people and should never be taken for granted."

Mahon is one of the senior Members of Congress from the standpoint of years of service in Washington. His record in behalf of the people is well known to West Texans.

"In some undertakings," he said, "I have failed. Other efforts have been successful. I have tried in big and little matters to do the best possible job in behalf of our Nation and the people of our District."

In his statement Mahon said, "If re-elected, and I use this means to solicit your continued favor, I shall go my whole limit to do a good job. I want to contribute everything within my power to the cause of decency and good government and to the cause of peace and security."

"I am not unaware of the fact that there are scores of important matters in which the people of our District are interested. It is the duty of a Member of Congress when questions arise to do what he can in the public interest. He cannot foresee what the future developments may be."

"Congress is now wrestling with such issues as the new farm program, an effective policy of water and soil conservation, methods of encouraging economic well being and prosperity, how far to go in military preparedness, how to keep out of another war, and numerous other vital matters."

"Thousands of people write me each year for personal services of one kind or another having to do with the Federal Government. I welcome a continuation of these requests. Most of them are not of a legislative nature, but they are important to the people and it is my duty and pleasure to perform any service, however small, at any time for the people I have the honor to represent in Congress."

## Barbour Named Route 2 Carrier

H. L. "Babe" Barbour has received notice of his appointment by the U. S. Postoffice Department as carrier on Rural Route 2 which runs west and north out of Muleshoe. His appointment is effective July 6 and he will deliver the mail over the route for the first time that day.

He will, however, make the route several times prior to that date with the present substitute carrier, W. B. "Uncle Bill" McAdams, who had been the carrier on this route for many years, retired early this year. An examination for the position, was conducted January 9 by the Civil Service Commission and was taken by 38 persons.

Since Mr. McAdams' retirement, Mrs. Phyllis Beavers, who had been his substitute, has been carrying the mail under a temporary carrier appointment. Mr. Barbour recently sold his service station here to be free to take up his carrier duties.

## Hay Growers To Meet Here Next Tuesday, June 29

Hay growers of this section will have the opportunity to hear a man who has had a lot of experience discuss their problems at a meeting called for next Tuesday night, June 29, to be held in the courthouse in Muleshoe. The meeting will begin at 8 o'clock and is being called by the Bailey County Farm Bureau.

Their speaker will be Fain Caeser, Oklahoma City, director of the Marketing Service of the Oklahoma Dept. of Agriculture.

Arrangements for this meeting were made after a preliminary meeting held June 15.

All who are interested in hay are asked to please be present and hear this experienced man talk.

## Baptists Remodel Church Parsonage

Men of the First Baptist Church Monday night decided to go ahead with an addition to and remodeling of the church parsonage.

A master bedroom will be added on the back of the residence and a half bathroom provided. The old part of the building will be remodeled to give a new dining room and kitchen, it will be redecorated and new bathroom fixtures. The work will cost about \$4,000.

The meeting was called by the board of deacons, and was open to all. The church has been without a pastor since the recent resignation of Rev. A. W. Blaine, who with his family has moved to Dallas.

## L. T. McKillip, 59, Pioneer Citizen And Former County Official, Died Wednesday

Doyle D. Bates At. Ft. Bliss

Doyle D. Bates, son of Rev. A. D. Bates of Winslow, Ark., recently began eight weeks of Army basic training in the Antiaircraft Artillery Replacement Training Center at Ft. Bliss, Texas.

He will spend his first eight weeks of basic military training on fundamental subjects such as rifle, machine gun, and bazooka marksmanship, and familiarization with Army technical subjects. This first phase of training is climaxed with a one week maneuver in the field.

Ft. Bliss, established as a frontier outpost more than a century ago, is located in west Texas on the Mexican border, adjacent to El Paso.

## "All Kids Day" Plans Shaping Up For July 10

Two bicycles to be given to the outstanding boy and girl sports contenders in the events of All Kids Day will be on display this weekend at C. & H. Chevrolet.

Kids Day, sponsored by the Jaycees, will be held in the City Park here July 10.

On exhibit also at the C. & H. office will be the bulletin board, giving more information about the Big Turtle Race Meet to be held in connection with Kids Day. Local business firms and individuals are buying a turtle, naming him and entering him in the race which is expected to generate a lot of excitement.

There will be all sorts of events for the kids, softball, candidate speaking, and other things in store for young and old alike. The Jaycees especially want the parents to turn out and enjoy the day, too.

## FHA Office Will Close June 28-29

The local Farmers Home Administration office will be closed Monday and Tuesday, June 28 and June 29. The office will be closed to enable the county supervisor, Arch T. Fowler, and office clerk, Evelyn Stephens, to go to Amarillo to attend a district meeting.

All Farmers Home Administration personnel from the Panhandle and South Plains will be present at the meeting. Reports will be made at the meeting concerning local conditions and loan funds used.

The report for Bailey County shows that this office has loaned slightly over one-half million dollars since the beginning of this fiscal year last July 1, 1953. This is the heaviest demand for loan funds this office has experienced. Most of the loans made have been of the emergency type for current operating expenses.

## Mrs. Cockerham Rites At Sudan

Littlefield, June 19 — Funeral services for Mrs. Hester L. Cockerham, of Sudan, were held at the Sudan Baptist church with Rev. Wayne Perry, pastor, officiating.

Mrs. Cockerham, who had lived in Sudan for 30 years, died in a Muleshoe hospital, which she entered on the day before her death.

Mrs. Cockerham was born on June 6, 1900 in Collin County, Texas. She was in the Memorial Park Cemetery of Littlefield with Hammons Funeral Home in charge of arrangements.

Survivors include the husband, O. D. Cockerham, Sudan; two daughters, Mrs. Max Blair, Los Angeles, Mrs. David Keithley, Littlefield, and one son, Carroll, of Truth or Consequences, N. M.; her father W. C. Lee, Earth, brother, J. W. Lee, Amarillo, and one sister, Mrs. J. P. Weatherford, Amarillo.

## "Goober" Perkins Drowned Sunday

Wayne "Goober" Perkins, 8 year old son of Mr. and Mrs. E. L. Perkins, of Oklahoma City, drowned Sunday morning, June 20, in a swimming pool there.

His father, who was employed at the pool, witnessed the tragedy. He said "Goober" jumped into the deep water and by the time he reached him and pulled him from the water, the lad was dead. Resuscitation measures failed to save him.

The Perkins family are former residents of Muleshoe, having moved from here in April of this year. "Goober" attended Muleshoe school. Surviving are his parents, and four sisters, and his grandparents, Mr. and Mrs. John Guenter, of Oklahoma City.

Mrs. J. E. Perkins, of Muleshoe is an aunt. Mrs. T. W. Berry of Muleshoe and her brothers and sisters are second cousins of "Goober".

# Babson's Forecast for Second Half

By ROGER W. BABSON  
Babson Park, Mass., June 24 — While most of the columnists and business counselors last December forecast a depression for 1954, I constantly insisted that 1954 would be a "fair business year". This you will find in my Forecast which then appeared in this paper.

## GENERAL BUSINESS

(1) Despite my general optimism with regard to prospects for business during the last half-year, there will be many cross-currents. The improvement over the first six months will be no one-way street. Some industries will lag, or fall behind. Others are slated for betterment. Building has held up well, and was the backbone of business in the first half of 1954. The momentum generated should carry through the balance of the year.

(2) Also deserving of attention as in line for continued high activity, or for improvement, are the following industries. Electric power output, aircraft production, rubber manufacturing, household equipment, electrical equipment, petroleum, natural gas, shoes, and textiles. Even the sick coal industry will enjoy some pickup from the very depressed levels experienced during the first six months of 1954.

(3) Due to slip further down,

or slated to show the lease improvement, are the following industries: Machinery, machine tools, railroad equipment, metal fabricating, steel and iron, and autos and auto parts. In particular, auto output will not match the first half, with competition keener in the last half than at any time since the 1930's.

## SALES AND INVENTORIES

(4) As in the case of general business discussed above, sales prospects will rule selective. With purchasing power holding well, demand for food products and soft goods will remain at a brisk pace. The public, however, have learned something about watching their pennies. They have become more price-conscious. For this reason, I predict that the mass distributors, such as the grocery and variety chains, will run ahead of the others saleswise, during the last half year.

(5) Retail sales in general, although about 4% lower dollar-wise, have held up during the first half in terms of physical volume as discounts and other concessions reduced the actual receipts. This is encouraging since it shows that consumers are still willing to spend if the price is reasonable. In terms of units, retail sales will hold up through 1954. Inventories will

constantly be reduced during 1954. The Retailers Who Do Best in 1954 Will Be Those With The Best Parking Facilities For Their Customers.

## POLITICAL OUTLOOK

(6) I forecast that the more liberal attitude on the part of the Eisenhower Administration will surely continue through November and perhaps until the 1956 elections. During the past six months rumors have been spreading to the effect that President Eisenhower will not run again; but there is no agreement at this writing by either party as to who the next candidate will be.

(7) The President has won his conflict with Senator Bricker; the House approved his Tax Bill; the Taft-Hartley Labor Bill has been shelved, to the relief of all; and he has so far kept out of the McCarthy-Army row. I forecast that for the balance of the year he will leave domestic affairs to his associates and devote most of his time to helping Mr. Dulles ward off trouble with Russia and China, and avoid another "Korea".

(8) During the first six months of the year a "New Look" has developed in connection with defense expenditures. Appropriations for foot soldiers and certain classes of airplanes have

been cut in favor of items for atomic warfare and guided missiles. Best authorities agree that we will get more protection and fighting strength from this change with less cost. As a promise "to get our boys out of Korea" was a great factor in electing Dwight Eisenhower as President, he naturally will hesitate to send U. S. foot soldiers into Indo-China, at least before the coming November elections.

## WAR AND PEACE

(9) There will be no World War in 1954 started by Russia or the U. S. A. In the last half of 1954, however, the United States will move closer and closer to the position occupied by Great Britain during the 19th Century. The United States will prepare to engage in small wars anywhere in order to prevent outbreak of a world conflagration.

(10) I predict that the United States in the last six months of 1954 may by-pass the United Nations and try to form a "defensive" league of nations interested in Southeast Asia. The purpose: To keep the rice, tin, and rubber of that area from falling into Communist hands. Most of the arms and military know-how needed by such an alliance on

## Peggy Louise Wittner Becomes Bride Of Billy Gene Knox In Candlelight Ceremony

MR. AND MRS. BILLY GENE KNOX

In a beautiful candlelight ceremony performed at the Three Way Baptist Church at 7:30 o'clock in the evening, June 12, Miss Peggy Louise Wittner became the bride of Mr. Billy Gene Knox.

The bride is the daughter of Mr. and Mrs. Andrew Wittner, of Baileyboro, and the parents of the bridegroom are Mr. and Mrs. F. E. Knox, of Goodland.

With Rev. J. E. Moore officiating at the double ring ceremony, vows were exchanged before an archway of greenery and candelabra, flanked on either side by large baskets of white gladiolus.

Given in marriage by her father, the bride wore an original model of white slippery satin and Chantilly lace featuring a tight fitting bodice with a scalloped neckline, and long sleeves which extended to points over the hands. The floor-length skirt was fashioned with an escalloped peplum.

Her fingertip length veil of tulle, was attached to a crown or orange blossoms, and she carried a bouquet of white gladiolus and gardenias.

Elizabeth Dupler, of Maple, was maid of honor. She wore a ballerina length creation of green taffeta with a net overskirt. The tight fitting bodice was fashioned with a sweetheart neckline edged in pearls and rhinestones. Her bouquet was of white easter reed daisies.

Bernice Kirby and Betty Ann, of Goodland were bridesmaids. Their gowns were styled after that of the maid of honor. Miss Kirby's dress was orchid and Miss Ann wore pink. Their bouquets were of easter reed daisies dyed to match their dresses.

Sharyn Wittner and Marelyn Galt were flower girls. Their dresses were green and pink respectively, and were fashioned after that of the bridesmaids.

Ring bearer, Jimmy Kyzer, carried the rings on a white satin pillow. John Hodnett, of Goodland was best man.

Ushers and candlelighters were Eugene Wittner and A. J. Ellis. Traditional wedding music was furnished at the piano by Mrs. Albert Ellis, who accompanied Anna Margaret Guenter as she sang "Indian Love Call", "Wonderful One", "Always", and "The Lord's Prayer". Peggy and Mamie Lee Fowler, sang, "Tell Me Why".

**Reception Followed**  
A reception followed the ceremony at the home of the groom's parents. The bride's table was covered with a lace cloth, and centered with a lovely arrangement of white gladiolus.

Peggy Fowler poured punch from a crystal punch bowl, and Pearl Griffith served the beautiful four-tiered wedding cake.

For traveling, the bride chose a red printed linen dress, which she complimented with white accessories, and a white gardenia corsage taken from the center of the bride's bouquet.

After a wedding trip to points in New Mexico, the couple will make their home near Goodland, where the bridegroom is engaged in farming.

## Lewis and Elrod Plans Revealed

Mr. and Mrs. Leon Lewis announce the engagement and approaching marriage of their daughter, Lenita, to Billy Elrod, son of Mr. and Mrs. Bill Elrod, of Muleshoe.

Miss Lewis was a member of the 1954 graduating class of Muleshoe High School. Mr. Elrod is a graduate of Odessa High School and attended Sul Ross and Texas Tech Colleges for three years.

The wedding will take place at the First Methodist Church at Clovis, N. M., at 8:00 p. m., June

26, with the pastor of the church officiating.  
The bride and groom will reside at 2307 Broadway in Lubbock. The groom is employed in Lubbock.

### PROUD PARENTS

Mr. and Mrs. Willy Baker are the proud parents of a son, Mark Weldon, who weighed 8 lbs., 6 oz., at his arrival at West Plains Hospital and Clinic Sunday morning, June 13. Grandparents are Mr. and Mrs. C. M. Eaker of Abilene.

### HAS RETURNED

Kay Brown, daughter of Mr. and Mrs. J. M. Brown, has returned from a two weeks vacation with her grandparents, Mr. and Mrs. J. T. Wharton, of Amarillo.

### ANNOUNCE NEW ARRIVAL

Mr. and Mrs. H. G. McGee announce the arrival of a new addition to the family. Their son, Randal Gene, was born June 9, at the Lubbock Methodist Hospital, and weighed 7 lbs., 3/4 oz. Proud grandparents are Mr. and Mrs. C. M. Brown and Mr. and Mrs. Claude McGee, all of Muleshoe.

### VISITED SON

Mrs. M. H. Cross, of Plains, visited here last week with her son, Emmitt Cross and family. She left Muleshoe and traveled to Levelland where she will visit her daughter, Mrs. Annie Hariston.

**Golf Tournament July 4 Weekend**

Members of the Muleshoe Ladies Golf Club held their monthly meeting on Wednesday of last week in the home of Betty Jo Beatty, with Arlene Phelps as co-hostess.

Following a covered dish luncheon, a business meeting was held. It was decided to participate in a tournament for local men and women to be held over the weekend of July 4.

The losers side of the ladies tournament held on June 13 invited the winners and their husbands to a picnic at Horse-shoe Bend.

Present for the meeting were: Veree Fox, Marie Lenau, Dorothy St. Clair, Mary Pool, Marlene St. Clair, Edith Evans, Ruth Malone, Helen Gardner, Mildred Lambert, Ruby Gregory, Melzine Elliott, Ruby Hart, Naomi Alcorn, Jo Wood, Mary Frances Holt, Lois Lenau, and the hostesses.

**CALIFORNIANS VISITED**

Mrs. Louise Griffin and children, Richard, Ronnie, and Linda and Mr. and Mrs. Ray Nitto, all of San Diego, Calif., visited with relatives and friends at Progress this weekend.

**Outdoor Eating Program As The HD Club Met**

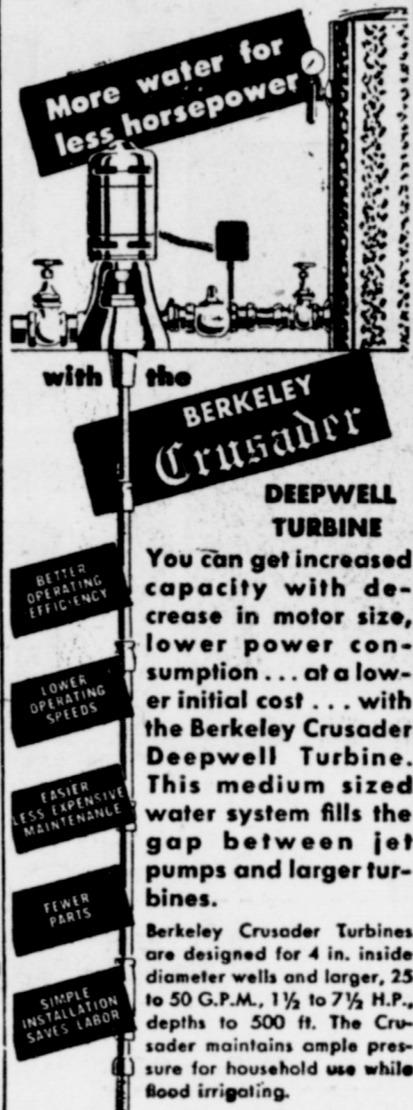

Mrs. Fern Davis gave the opening exercises on "Take Time", as members of the Progress Home Demonstration Club met at her home on June 15.

Roll call was answered with "My Yard Improvement Resolution". A report was given on the candidate speaking, and plans discussed for the family night which is to be held in August.

A very interesting program was given by Mrs. Elzada Gullely, on outdoor eating. Members then told what food they preferred cooked outdoors.

Refreshments were served by the hostess to two visitors, Mrs. Bessie Davis and Joyce Gross, and to the following members: Mrs. Jessie Mae Thomas, Ada Murrah, Marie Maltby, Elzada Gullely, Mary Sweatmon, and Veta Self.

The next meeting, July 6, will take place at the home of Mrs. Mary Sweatmon.

## High Plains Counties Now Operate 27,983 Irrigation Wells, Report

The semi-arid expanse that once was considered a near desert—the High Plains of Texas—has done so much with irrigation that it now is one of the highest cotton producing areas anywhere. Irrigation was first begun here in 1912, in restricted amounts. Since that time, however, especially after the "dust bowl" years of the thirties, irrigation has played such an important part in the farming operations that 43 High Plains counties now have 27,983 operating wells.

This figure is taken from a May tabulation of area wells by Robert V. Thurmond, extension service irrigation specialist, Lubbock, who compiled the tabulation from estimates given by agricultural agents in each county. The survey shows that the area now has 3,627,105 acres which can be protected from drought through the use of irrigation water.

Compared to 1953 figures, which showed 45 High Plains counties to have a total of 24,304 irrigation wells and 3,063,548 irrigated acres, also compiled by Thurmond, the survey shows that 3,679 new wells were put into operation since May of 1953 and that 563,557 acres were converted from dryland to irrigated land because of it.

The survey included reports from all counties above the Caprock escarpment and several adjoining counties on the east. Outside the South Plains, the number of wells by county were comparatively small.

**Top Counties Listed**  
Hale, Hockley, Lubbock and Swisher counties remained the number 1 counties in the area, having 3,200, 3,275, 3,200, and 2,800 wells respectively. Swisher County has the most irrigated acres with 460,500, according to the survey. Hale

County is second with 450,000 acres. Lubbock is third with 320,000 acres. The other counties range from as low as 220 acres in Wheeler County to 296,000 acres in Lamb County, the fourth high county.

The survey shows the number of farms which have irrigation. It ranges from as low as three in Roberts County to as high as 1,750 in Hale County. Lubbock County has 1,700 irrigated farms according to Thurmond's tabulations.

The survey report says 15,125 irrigation pump engines in the 43 counties are operated from butane as compared to 6,617 from natural gas; 4,692 from electricity; 1,088 from gasoline, and 460 from diesel fuel.

## Guernsey Cow Sets The State Champion Record

Ralph Harbin, Muleshoe, Texas, is the owner of a purebred Guernsey that has just completed a state championship production record. This cow, Blue View Philosopher's Bona, produced 9,243 pounds of milk and 521 pounds of fat, which is the highest Herd Improvement record in the state of Texas, made by a five year-old, milked two times daily for 305 days.

The sire of this cow, Wood-acres Royal Philosopher, owned by L. H. Smokler, Dallas, Texas, has one son and 17 tested daughters in the Performance Register of The American Guernsey Cattle Club.

## Freddie Maxcey Takes Training

Freddie E. Maxcey, seaman apprentice, son of Mr. and Mrs. W. C. Maxcey, Jr., of Earth, Tex., is among the 400 Eighth Naval District Naval Reservists who left here on Memorial Day for two weeks of the biggest Naval Reserve Training maneuvers yet undertaken by Eighth Naval District Reservists.

The reservists went aboard seven ships Sunday (May 30) for indoctrination in safety and training drills. Most of the reservists had time to see New Orleans before leaving for the two weeks at sea.

The ships departed New Orleans Memorial Day for Dry Tortugas, off the coast of Florida, to conduct anti-submarine warfare exercises. The Navy said this is the first time that submarines have been used for exercises of this kind with Eighth Naval District ships.

It wasn't all work. Soon the reservists were off to a week end of liberty and recreation. Liberty ports included Havana, Cuba, Nassau, Bahamas, and Miami, Fla.

After leaving their liberty ports, the ships will return to Dry Tortugas for more drills and exercises. This time for anti-aircraft and surface gun firing. The reservists returned to New Orleans and to inactive duty on June 12th.

## Cpl. John Guana With 7th Infantry

7th DIV. KOREA — Army Cpl. John P. Guana, 24, son of Mr. and Mrs. John P. Guana, Earth, is serving with the 7th Infantry Division in Korea.

Men of the "Bayonet" division are undergoing intensive training to maintain the peak combat efficiency displayed by the unit from Pusan to the Yalu river.

Corporal Guana, an assistant platoon sergeant in Company G of the division's 32nd Infantry Regiment, entered the Army in December 1952 and arrived overseas during May 1953.

## HAD SUNDAY GUESTS

Sunday guests in the home of Mr. and Mrs. Paul Craig were Mr. and Mrs. J. O. Whipple, of Clovis, N. M.; Billy Faye Whipple, of Muleshoe; and Mr. and Mrs. R. C. Martin, Jr., of Need-

more.

Surprise guests Sunday were Mr. and Mrs. L. J. Rowe and sons Davie and Steve, of Guam. The Rowe family have made their home in Guam for the past two years, and Mrs. Craig said it was really a surprise when they drove up Sunday, for they did not think they were in the United States. After a thirty day leave, Mr. Rowe will be stationed at Corpus Christi on shore duty. Mrs. Rowe and Mrs. Craig are sisters.

## BACK FROM ASSEMBLY

Worthy Advisor Elizabeth Ann Farley, Past Worthy Advisor Barbara Hinkson, and Mother Advisor Mrs. Jewel Strong, returned from the Grand Assembly of Rainbow in San Antonio last Thursday. Elizabeth received an appointment to the Grand Choir, and Barbara was made Grand Representative from the state of Texas to the state of Wisconsin. Some 5,000 persons attended the assembly.

# Cool With CLEAR VUE Air Conditioning Deluxe

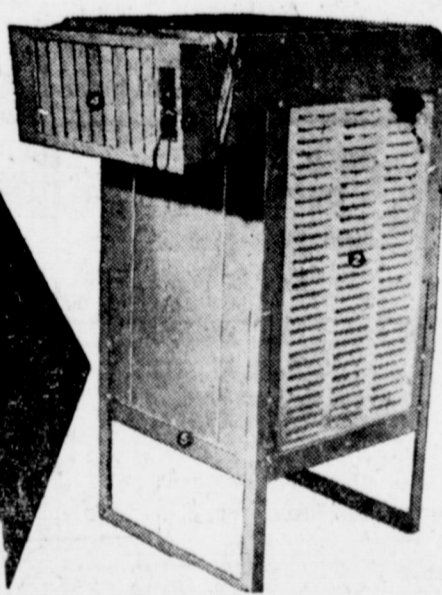

Clear-Vue evaporative cooling is the ideal air conditioning system for low-humidity climates. As well as cooling your home, Clear-Vue evaporative cooler actually improves the condition of the air. During dry summer months evaporative cooling restores moisture to the air... relieves dry membrane in nasal passages and prevents excessive skin dryness. On naturally humid days evaporation is reduced; thus, it does not create excessive humidity. Evaporative cooling holds balanced humidity. Clear-Vue cleans the air... removes dust and lint... before it enters your home. Saves cleaning time and protects your health.

with  
CONTROLLED  
HUMIDITY

EASY TO INSTALL

Built-in adjustable metal stand fits all window heights. No special adapters, special scaffolding or expensive installation.

FITS CASEMENT  
WINDOWS, TOO!

- ADJUSTABLE STAND
- HUMIDITY CONTROL
- LARGER COOLING PADS
- ADJUSTABLE LOUVERS
- EASY INSTALLATION
- FLEXIBLE AIRDUCT
- ADJUSTABLE GRILL

## CLEAR-VUE INVITES COMPARISON

Before you buy, compare CLEAR-VUE with any other cooler. You'll find that only CLEAR-VUE incorporates ALL of the features you want in a cooler. In addition to the features illustrated above, CLEAR-VUE has adjustable water troughs for perfect water distribution. Water flow too, is controlled from the attractive, inside grill. Wide louvers permit absolute control of the direction of the air flow. The inside grill takes but a small portion of the window allowing plenty of light and giving you an unobstructed outside view. No special construction, tools or skilled labor is necessary for installing the CLEAR-VUE Air Conditioner.

**Piano Pupils Met At Mrs. McKinstry's**

A group of piano pupils met in the home of Mrs. Sam McKinstry Monday, June 21, at 2:30 p. m. for the first class meeting of the summer. Jane Sanders played several numbers as students were arriving, and registering with Susan Allison at the guest book.

Each student was given a flash card with musical symbols, and each in turn displayed their card and told what it represented in music.

A note drill game was played. Technic has been stressed during the month of June. At this meeting students demonstrated the different kinds of technic with students at the two pianos while two other students beat the time.

Tommye Welch played "America", with the group gathered around the piano singing.

Cynthia Pool played "Home On The Range", with the group singing, and Raymond Lewis played a boogie. Mary Sanders, a beginner, then played a number.

The rest of the afternoon was spent playing musical bingo. Tommye Welch won three games and Joyce Adams won two.

Kool aid and candy was served to the following: Joe and Charles King, Sylvia and Cynthia Pool, Jane and Mary Sanders, Earlene and Patricia Peterson, of Lazbuddie; Tracy and Ileva Angelev, Carolyn and Veta Allison, Joyce Adams, Susan Allison, Raymond Lewis, Jr., Alva Lee Shofner Tommye Welch and Kay Lenderson.

SAND HILLS PHILOSOPHER UNWORRIED—

About Prospects Of Man Controlling The Weather, Wants To Start Now

Editor's note: The Sand Hills Philosopher on his Johnson grass farm must need a rain, his letter implies this week. On the other hand, he may be just going on.

Dear editor:

Me and a neighbor were talking the other afternoon about an article he'd read in a magazine which claimed in fifty years man will be able to control the weather, start a rain when he wants to, stop one when he wants to, etc.

good idea, but he was opposed to it, on the grounds it would take all the guess work out of farmin and make life too dull.

"If you can sit down at the first of the year, pick out the days you want it to rain during the next twelve months, draw up a farmin program to fit the schedule, and proceed to

From where I sit ... by Joe Marsh

No Sale!

Right in front of Granny White's beautiful old house on Maple Avenue there's a brand-new sign: "Antiques. Inquire Within."

Now—don't get excited. Granny explained it all the other night—after we settled down in her parlor, me with my temperate beer, Granny with her tea.

I asked her if she was really going in the antique business. "Oh, no," says Granny, "I wouldn't sell anything. I put that sign up so folks would come in and talk—and look around. If they insist on a price, I tell them some outra-

geous figure! I guess I just like people," she said.

From where I sit Granny can be excused for her little ruse. She may be in her eighties, but her mind is young—and open. She's the kind of person who's made this town so wonderful. Granny not only likes people—but she respects them and their preferences and opinions. Come to think of it, "liking" and "respecting" mean much the same thing, don't they?

Babson's Forecast

(Continued From Page 1)

anti-Communist nations in the Far East will be furnished by Uncle Sam. This means that cuts in arms expenditures already scheduled for the last half of 1954 by the Administration, may not be put into effect. The Korean situation will remain about as is—"much talkie, no shootie"; but Indo-China will constantly become a greater threat.

(11) Do not forget Europe and the Middle East. France is torn by internal dissension and a blow-off could come there any time. West Germany is growing more impatient with French bickering over the Saar and over European army including German participation. Russia will strive mightily to widen the split between France and West-

ern Germany by holding out the "bait" of reunion between East and West Germany.

(12) Friction between the Jews and the Arabs in the Middle East is being encouraged by Communist agents. The smoldering fires there could break into flame at any time, requiring a hurry-up call for Uncle Sam's fire department.

(13) Of course, some day the market (especially the Dow-Jones Industrials) will get a bad wallop with very much lower prices. On the other hand, this may not come during the next few months. Up to this time the high yields of stocks have not appealed so much to investors, owing to the personal tax on both dividends and on income in general. Although stock yields compared with those of twenty years ago are higher if personal taxes are not considered, yet when these personal taxes are deducted, today's yields have not been attractive.

(14) The new Tax Bill and the increased buying for pension funds, and investment trusts have, however, increased the demand for common stocks and could hold the market up for some months to come. I forecast that it will be very important to make careful selections of stocks. Don't buy stocks just because they have gone off heavily in price and appear cheap.

(15) Unfortunately, many small concerns will find it more and more difficult to compete with their big competitors. Not only can these big corporations make goods cheaper and have better means of distribution, but they can spend huge sums on advertising, which a smaller concern cannot do. This will be especially evident during the next six months. The companies which will prosper most are those which have inaugurated effective labor-saving programs. Manufacturers will win only as they purchase new labor-saving machinery, spend more money on research and on well-directed advertising.

(16) Automobiles will continue to be hard to sell and easier to buy during the last half of 1954. Both the automobile stocks and the cars will be in less demand. There will be more bargains in used cars, discounts on new cars, especially cars of the "independent" manufacturers.

(17) Canada will continue to boom during the second half of 1954, but this may be a good time to take profits on Canadian investments.

(18) Money, inflation, and interest rates. When Mr. Eisenhower assumed the Presidency with his Cabinet of "9 millionaires", they proclaimed a new monetary policy which would increase the value of the dollar and raise interest rates. Either fortunately

or unfortunately, the economic situation caused a reversal of this policy. The value of the dollar shows no increase over January 1st and this has been hailed by Wall Street as a sign of further inflation. Will Street has boomed certain common stocks accordingly. Interest rates during the second six months of 1954 should average about as at present.

(19) The fear of involvement in Indo-China is strengthening the commodity markets. This takes some of the pressure off of Secretary Benson and those who have been resisting increased tariffs. I forecast an upward movement in many commodity prices—other than farm prices—during the balance of 1954.

(20) Money supplies are on the rise again now. They will continue to expand during the last half. Inflationary effects on the price level will be limited as our capacity to produce is now large. Remember, the surest way to squelch an inflationary fire is with a flood of goods. Inflationary effects of the expanded money supplies could also be nullified by the change in the Government's method of collecting the corporate income tax. The new tax law may put the large corporations on a pay-as-you-go basis, squeezing their cash holdings.

(21) Any psychological inflationary flare-ups that may take place as a result of war scares, big or little, will not be long-lived. They will definitely be dangerous to follow up. A word of warning: Don't get drawn in to any speculative moves in commodities of stocks based on the outbreak of a small war. If the need arises, our Government will move with lightning swiftness to sue controls into effect. They are already "triggered". The only real danger of any federal tax increases will come with the outbreak of another war.

(22) As to unemployment, I will say that this has increased some over last year, but if considered on a per-capita basis, it is even less than that of five years ago. Look for a moderate reduction in the ranks of the unemployed during the last six months of 1954.

(23) The improvement which I expect in employment should not, however, be sufficient to make union leaders careless. Jobs will still be very much in demand. This should mean that the last hal will see no prolonged strikes.

(24) Most union-management settlements will be made with a moderate amount of give and

take. Any wage advances will be limited to the neighborhood of a reasonable hourly figure, plus some additional fringe benefits. The Administration and the Labor Leaders will not try to re-vamp the Taft-Hartley Bill during the last six months of 1954.

(25) My forecast as to the various classes of real estate is as follows:

(a) Large commercial farms will experience a further sag in their land values during the last half-year as farmers' gross income dips lower.

(b) Small farms on the fringes of big cities (105v-vyrtv HE of big city suburbs should hold or rise in price as people get further away from city centers. This move could become an avalanche in the event of really serious war scares.

(c) I look for vacant land in the suburbs to hold its value well. In the big cities it may be another story, unless the land is suitable for parking purposes.

(d) Business properties in the big cities may ease somewhat in price during the last six months of this year. Suburban business properties can be expected to hold up. Demand for more shopping centers will be noticeable during the months to come.

(e) Home property (especially the older houses, particularly in the cities) will continue sagging in price. In the suburbs, the bigger houses, even of recent vintage, will be harder to sell. Most salable home properties will be the newer houses in the middle and lower-price brackets with emphasis on the "ranch-houses" so-called.

(f) In the last half-year, construction will still be a powerful support to our economy as it has been for so long. Seasonally, building will hold well, strengthened by continual liberal credit

terms. Some boost to building could come in the second half if civilian defense moves create a "dispersal scare". If this happens look for a rush by many factories to move operations into areas far from bomb-vulnerable cities.

CONCLUSION: I cannot end this Forecast without reminding readers that we are living in a truly New Era, comparable only with the year I. A. D., 1954 years ago, or the invention of printing 500 years ago. The H-bomb, in the hands of any ambitious dictator, could bring about unparalleled conditions. These changes could make the things, about which I have written above, of little value or consequences. Only a great spiritual awakening can save us.

MONEY, INFLATION, AND INTEREST RATES

Color TV sets are being manufactured and are available in

some areas... but the public isn't buying. Recent widely advertised dealer showings of color TV receivers in New York were attended

by thousands of people... showing the degree of public interest... but from all this store "traffic" only one set was sold!

How come? The answers add up to some good reasons for buying a big-screen black-and-white set today. A spokesman for one set manufacturer sums up the reasons this way: 1.) the public won't buy a set costing \$700 to \$1200, even for color; 2.) they won't buy a set at these prices which give them only a 12 1/2 inch picture; 3.) they won't buy a color set when there are only two hours of color programming available per week in the best areas, and even less in many places; 4.) they won't buy a color set which requires a service contract costing \$250 or more per year.

Add to this the possibility of color converters being ready soon (one has already been patented) and you have a host of reasons why the smart buying public is investing in a big screen black-and-white set today, instead of waiting years for color receivers to come up in size... and down in price. It takes a really strong pair of rose-colored glasses to see color TV as "just around the corner" at prices the average buyer can even think of... so take a good clear look at that 21-inch black and white set. It's your best buy! See the big 21-inch PHILCO TV sets in our display now, for the best in viewing. "If it's furniture or hardware—we have it", at DYER HARDWARE & FURNITURE.

## Miss Patsy Gore And Mr. Gerald Green Exchange Vows In Morning Ceremony

On Sunday morning, June 20,  
at 8:00 a. m., in a double ring  
ceremony, Miss Patsy Gore be-  
came the bride of Mr. Gerald  
Green. The bride is the daugh-  
ter of Mr. and Mrs. A. W. Gore of  
Star Route, Sudan, and the groom  
is the son of Mr. and Mrs. L. G.  
Green, of Mountainair, N. M.  
Vows were exchanged in the  
home of the bride's aunt and  
uncle, Mr. and Mrs. Hugh Gore,  
with the Rev. Wayne Perry, min-  
ister of the Sudan Baptist  
Church officiating.

The altar was formed with  
candelabras holding pink tapers,  
flanked on each side with bask-  
ets of pink gladiolus and white  
mums.  
The bride, given in marriage  
by her father, was lovely in a  
white embroidered nylon street  
length dress over taffeta. It was  
fashioned with a fitted basque  
bodice with a small round collar  
edged in lace.

Her fingertip silk illusion  
veil was attached to a small hat  
of the same material as her  
dress, edged in lace and seed  
pearls. She wore small lace  
mitts, and her bridal bouquet  
was of pink sweetheart roses  
and stephanotis atop a white  
Bible.

Carrying out the bridal tra-  
dition, she wore a blue garter, and  
her ensemble was something  
new. She wore a penny in her  
shoe for luck and for something  
old, and something borrowed  
was the white Bible, belonging  
to Mrs. Alex Weber, who also  
carried it at her wedding.

Miss Mary Alice Weber, of  
Muleshoe, was maid of honor.  
She wore a white linen sheath  
dress with a blue nylon reding-  
ote. Her accessories were white,  
her corsage was of pink and  
white feathered carnations.

Roy Akin, of Morton, served  
the groom as best man.  
Candlelighters were James  
Gore and Billy Gore, brother and  
cousin of the bride respectively.

Traditional wedding music  
was furnished during the cere-  
mony.

**Reception Followed**  
Immediately following the  
ceremony a reception was held  
in the home.  
Miss Nadine Johnston poured  
the punch, and Miss Wanda  
Whitmire served the cake. The  
cake was baked and decorated  
by Mrs. A. J. Shafer and present-  
ed as a gift to the bride and  
groom.

Guests were registered by Miss  
Freda Lou Gage.  
Out of town guests were pre-  
sent from Morton, Muleshoe, and  
Wichita Falls.

For a wedding trip to Ruidoso,  
N. M., the bride chose an aqua  
and white printed dress with  
white accessories and a pink  
rose corsage, which was taken  
from her bouquet.

Mr. and Mrs. Green will make  
their home in Muleshoe where her  
is engaged in business.

The bride is a graduate of Sud-  
dan High School, and the groom  
graduated from Morton High  
School.

shouls. A long range program should point towards converting about 8 or 9 million acres of present crop land in the southwest to permanent grassland where the soil is unsuited for cultivation. For land that is to remain in cultivation, such conservation practices as stubble mulch tillage, cover cropping, strip cropping and terracing for water conservation are necessary.

**HERE FOR FATHERS DAY**

Mr. and Mrs. Curtis Brashier and daughter, Mary Ann, of Tullia, spent Fathers' Day in the home of her parents, Mr. and Mrs. J. H. Farley.

**WERE GUESTS**

Guests in the W. R. Bowers home the past weekend was her aunt and uncle, Mr. and Mrs. Ernest Lee, of Wilson, Okla., and their daughter and son-in-law, Mr. and Mrs. Henry Williams, of Morton.

**SHOPPED IN LUBBOCK**

Elizabeth Farley, Bobbie Myers and Darla Myers, went shopping in Lubbock Monday.

**RETURN FROM EAST**

Mr. and Mrs. Paul Gardner have returned from a vacation to Washington, D. C., and New York City, and reported having a wonderful time. They toured fifteen states on the trip. In Washington they attended a ball game between the New York Giants and the Washington Senators, and saw President Eisenhower present the Senator's 1st base man, Mickey Vernon, with a medal for having the most hits last year. They set in during a session of the House of Representatives and the Senate, and said this was very interesting. Mrs. Gardner said they also toured the Capitol, the White House, The Government Printing and Engraving Plant, and the F. E. I. Department.

In New York City they attended a Broadway play, and visited the Empire State Building, Radio City, The Statue of Liberty, and other places of interest.

Mr. and Mrs. Gardner said the Cummings family told them to say "Hello" to all their old friends here.

**THE NEED FOR CHANGE IN FARM PRACTICES**

Recent drought-breaking rains in Texas should not be the signal to relax our soil and water saving efforts. Rain today does not guarantee prosperity on the farm tomorrow.

Topsoil can be removed from good land in a few years by careless farming. When our topsoil is gone, the productivity of the land is gone. Subsoil moisture can be wasted even more quickly—in a few short weeks of thoughtless soil neglect.

Yet, every time it rains, many farmers relax just as though there was never going to be another drought. Their attention is diverted by the more immediate problems of taxes, high cost of living and public scandals. But there is no greater scandal than the costly waste of our natural resources.

The most recent drought again emphasizes the need for changes in land use and farming practices in many parts of Texas. In the states of Colorado, Kansas, New Mexico, Oklahoma, Nebraska and Texas, more than 11 million acres of crop land and about 5 million acres of range land have been damaged by wind

erosion this past spring.

Many of the present difficulties arise from the fact that a great deal of poor land in the drier sections of this area has been improperly placed in cultivation during the last 12 or 15 years. In the six-state area, the amount of cropland increased by about 3.6 million acres from 1929 to 1949. Much of this should have been left to grasses.

The plowing up of sod land for cash crops and the soaring land prices were undoubtedly influenced by the favorable weather and high yields of the 1940's and the high prices for wheat and cotton. Then the drought started and the resources were rapidly exhausted.

Emergency tillage programs have been inaugurated but these at best, are only short term mea-

**CUSTOM NOTE:** Twin-Turbine Dynaflo and Safety Power Steering are standard equipment on every Buick ROADMASTER at no extra cost.

**It makes you feel like the man you are**

**Y**ou must know, of course, that a fine car is more than merely a means of fine travel.

It is, as the psychologists tell us, an extension of a man's own personality.

It reflects what you feel, what you like, what you are.

So we ask you to take the wheel of a Buick ROADMASTER like the one shown here—for it is, we have found, the automobile chosen more and more by those who are definitely moving ahead in the world.

You will find it a car that fairly breathes success.

From its size and its breadth and the magnificent modernity of its styling, you know it is a car of custom stature—and so does the watching world.

The wondrous windshield is a pride in itself. You don't just see the view—you command it.

You will find it, too, a car of luxurious obedience.

From the moment you ease your foot down on the pedal, you take immediate mastery of the road and of distance.

And you know it—in the silken whip of Twin-Turbine Dynaflo, the

might of Buick's greatest horsepower, the magic cushioning of coil springs on all four wheels, the exhilarating ease of Buick Safety Power Steering at your hand.

But with all this, you buy with prudence when you buy a ROADMASTER.

For—though it is, and looks, custom production—it sells for the lowest price-per-pound in the fine-car field. And so wise an investment makes you feel even more like the man you are.

Drop in, or phone us this week, and we'll gladly arrange a demonstration.

**BUICK SALES ARE SOARING!**

Latest figures for the first four months of 1954 show Buick now outselling every other car in America except two of the so-called "low-price three." Better look into Buick if you want the beauty and the buy of the year.

Lockers Enjoying Their Stay In Florida

26 pound 'Snook, speared in 36 foot depth at Midnight Pass, near Sarasota.

Sarasota, Fla June 17, 1954

Dear Editor

This our fifth month in Florida and I must say, we have enjoyed it very much, picking fruit right in the yard, and occasionally over the fence swimming in the Gulf, basking in the sun on snowy white beaches, underwater spear fishing off the reefs in crystal clear Florida Keys, enjoyed games of Boston Red Sox in spring training. But with all this, we're very interested in hearing about all our friends back home. And of course our best source of information is The

KIDS DAY

Business is booming in the Muleshoe JayCee club as plans go forward for our big kids day July 10. We have ordered two bikes, a boys and a girls. These bikes are to be given as grand prizes to some lucky boy and girl of the Muleshoe territory. The bikes will be displayed in C. & H. Chevrolet Co., showroom as soon as they come in. Also, we have ordered a huge truck load of Watermelons which will be given to all kids free. And whoever can eat the most watermelons will be given a nice prize. Lowell Irvin St. Clair is spending all his time thinking new novel contests for all you kids.

Doc Putman and our Little League Club showed the Lions and the other old mens clubs that the JayCeers are going to put them in the shade.

TURTLE NEWS

We are receiving reports from different turtle owners: The news this week is from Western Drug. Harry Waddle says "Banana Split" is working out at Churchill Downs and looking like he has a fast turtle. In the last workout he ran 1 1/8 furlong on a muddy track without whip in 2:02 time. Little Flinn was jockey for that day. Reports on Muleshoe Produce turtle "Ice House Joe" doing work out in fine fashion. Dragnet, Hugh Freeman's turtle has nothing to report this week except "Nothing by the Facts", this seems to be a closed case. Murrell Brown's turtle "Red Cross" has proven itself in a squeeze by having a wonderful workout at "Juarez Downs" track.

Fathers Honored With Big Banquet

The Father and Son banquet, honoring fathers and sponsored by the W. S. C. S. of the Methodist church and held at Fellowship Hall last Friday night was well attended.

Fred Johnson was the clever master of ceremonies, Piano solos were rendered by Gary Smith and Charles King. Arthur Splawn sang two songs, accompanied by Charles. Roald Johnson made an interesting talk on "What Father Means To Me".

Jimmy Wilkerson gave a cornet solo, accompanied by Linda Lou Lancaster. Fred Johnson gave the main talk of the evening on "Pride Fathers Have in Their Sons". A fitting poem was read by Rev. Clarence Stephens. Fifteen minutes of "Magic" given by David Stephens proved highly entertaining. The program was closed by a cornet solo, "Holy City", given by Jimmy Wilkerson.

Gifts were given to the oldest father present, the father with the most sons present, and the youngest father. I. W. Haney proved to be the oldest, and six-ty for the honor of having the most sons, and following a drawing for honors, Fred Johnson came out winner, and David Weyer proved to be the youngest father present.

The speakers table was beautifully decorated with a red heart-shaped box placed on a reflector surrounded with red roses. Satin streamers from the box were lettered in gold with the words: "My Heart Belongs to Daddy". Attractive packages were also placed on the serving tables. The menu consisted of ham, potato salad, green beans, harvard beets, hot biscuits, butter, pie and iced tea.

Fathers and sons attending were:

Betty Morgan, Joe Pat Wagon Are Married

Mrs. Joe Pat Wagon

(Photo by Cline)

Mr. and Mrs. Tom Morgan of Muleshoe are announcing the marriage of their daughter, Betty, to Mr. Joe Pat Wagon, son of Mr. and Mrs. B. H. Wagon, of Muleshoe.

The wedding took place April 20, at the First Christian Church in Portales, N. M., with the Rev. Dwight W. Gladieux officiating.

The bride attended Muleshoe High School, and graduated with the class of '53. The bridegroom is also a graduate of Muleshoe High School. He is now stationed at Ft. Bliss, with the United States Armed Forces.

Mrs. Lonnie Tharp Feted With Shower

Mrs. Lonnie Tharp, nee Jerri Allison, of Lariat, was feted with a come and go bridal shower from 2:00 to 5:00 in the home of Mrs. Asa Smith, on the afternoon of June 22.

Hostesses were Meses, Sam White, Cecil Atchley, John Mounts, Afton Stancell, Willie Harrington, Asa Smith, and Charles Felts.

Carrying out the chosen colors of the honoree, pink punch and white angel food cake were served from a table covered with a lovely white lace cloth over a pink cloth.

The table where the bride opening her gifts was covered with a white cloth and centered with a miniature bride and groom standing under an archway of wedding bells and flowers, surrounded by pink satin ribbon and silver lace.

The table displaying the gifts, was covered with a pink cloth and had pink pom-pom bows at each corner.

Signing the bride's book were Meses, Boone Allison, Lewis Tharp, Bob Hammonds, O. C. Peetree, Hazell Leslie, Joy Stancell, Betty Burelsmith, Nadine Randall, Laurence Cooper, O. M. Self, Junior Renner, Margaret Curtis, Rebecca Martin, June Smallwood, Jauree Smallwood, and Dick Gerles.

Also Meses Ann Adams, Betty Hubble, Betty Curtis, Elaine Magness, Cora Sue Atchley, Shirley Smith, Glenna Davis, Dixie Turner, Kayla Felts, Leslie Cooper, Marilyn Austin, Linda Kube, Karolene Towns, and Jeanette Hughes.

Many who could not attend sent gifts.

Santa Fe Official Rotary Speaker

Some thoughts on what the railroad has done to help develop this new country and what the railroad means to the economy of the section were brought to Rotarians Tuesday noon by Dave Tipple, Division Freight and Passenger Agent of the Panhandle & Santa Fe, Lubbock.

It is hard to vision this section's progress and rapid development without the railroad, he said, and it is hard to imagine the present economy of the section without the railroad.

The railroad carries wheat and other grains, cotton, potatoes and other products such as oil from this section to the great markets or export centers, and brings in machinery, equipment and supplies needed by the residents.

The Santa Fe is a big tax payer in all the counties, cities, and school districts it touches. It spends money for improvement of roadbeds, equipment, supplies and to employes. The railway is a big factor in the everyday business life of the county and community.

Guests included: H. O. Barbour, Muleshoe Santa Fe Agent; Dr. T. M. Slemmons and Dr. W. F. Birdsong, West Plains Hospital & Clinic; Bill Johnson and Marvin Standefer, Southwestern Public Service Co., Plainview.

Progress WSCS Plan Projects

Singing the hymn "Jesus Calls Us", ladies of the Women's Society of Christian Service of the Progress Methodist Church opened their regular meeting June 17, at 3:00 o'clock in the afternoon.

Mrs. Joe Walker held the business meeting, and the society voted to help with the food at the M. Y. F. sub-district meeting, to buy a movie projector for the church, to furnish a bedroom at the parsonage, and to have a "Spanish Festival", for an all family social next month.

Some of the projects may not be completed until later this year.

Mrs. Carroll Jones then led the devotional service on "Women and the Rural Community". Prayer, scripture, and meditation were by the leader and the group sang, "Must Jesus Bear the Cross Alone?"

Talks and persons giving them were as follows: A picture of rural work in Japan, by Mrs. Jean Carter; Conversation on a bus, by Mrs. Joyce Walker; The larger parish country work, and group ministry, Mrs. Byron Gwyn; Scarritt College trains rural workers, Mrs. Lois Kramer; Ways of meeting rural needs, Mrs. Carol Jones.

After the hymn, "Help Somebody Today", was sung by the group, the meeting was dismissed as the group repeated "The Lord's Prayer" in unison.

Four Visitors Present For Half Century Meeting

Refreshments were served by the hostess, Mrs. Sallie Harden, and co-hostess Mrs. Beulah Carles as members of the Half Century Club met last Thursday afternoon.

Games were played during the afternoon. Present for the meeting were four visitors, Mrs. Hardaway and her daughter and Meses, Buford Butts and Griffiths, and members: Meses, Lois Schoenberger, Jennie Panter, Mattie Duke, Snow Davis, J. J. Willis, Pearl Moore, Gussie Mardis, Bertie Paul, Alpha Julian, George Johnson, and Daisy Engram.

The next meeting will be held July 1, at the home of Mrs. Blondie Ray, with Mrs. Mattie Duke serving as hostess and Mrs. George Johnson as co-hostess.

Sox, Cardinal Win Opening Games

Muleshoe's Little Baseball League opened its first season of play Tuesday with a double header game in the newly completed ball park. In the first game the JayCee's Sox won over the Legion Cubs, 13 to 8.

Rotary's Cardinals won the second game, defeating the Lions Club's Lions, 10 to 5.

Both were remarkable well played considering that some of these lads had probably never had a baseball in their hands three weeks ago. A huge crowd watched the games and witnessed the ceremony preceding the umpire's call "Play Ball".

A Muleshoe minister led in prayer at the park and the national anthem was played. Fred Johnson, the League commissioner, emceed the ceremony.

A big parade through the downtown section attracted a lot of attention. The boys in their uniforms rode on truck beds. The band and fire department turned out to help signalize the formal beginning of League play.
