However, Sen. Bill Ratliff, R-Mount Pleasant, has questioned Mauro's proposal, saying the \$7.6 billion is probably closer to \$3 billion or \$3.5 billion "in actual general revenue discretionary money."

 State District Judge John Dietz of Austin has refused to block rules approved by Insurance Commissioner Elton Bomer that will require workers' compensation insurers to return \$195.3 million in surplus premiums to policyholders. #### Letter urges consideration, cleanliness

While The Stockman does not print unsigned letters to the editor or letters with just initials, one arrived recently which requires comment. The writer urges pet owners to provide shelter, food and attention for their animals, noting especially the needs of those caged or tied.

'If we are not willing or able to (provide these things), why even have a pet? Be kind and considerate to them, they are at our mercy."

The second issue is the increase of trash piling up along streets and highways in Ozona and Crockett County. "It's ugly and depressing," says the writer. "It doesn't take much effort to dispose of trash properly, but it will take a lot of time and effort to clean the mess up."

The trash problem is one that could and should be taken up individually. One of this editor's favorite quotes is "If everyone swept in front of their own door, what a clean world this would be.'

Think about it.

# A Wife's Humility

By Rev. Mike Davis **Harvest Time Christian** Center

A drunkard husband, spending the evening with his jovial companions at a tavern, boasted that if he should take a group of his friends home with him at midnight and ask his Christian wife to get up and cook supper for them, she would do it without complaint. The crowd considered it a vain boast and dared him to try it by a considerable wager. So the drunken

crowd went home with him, and he made the unreasonable demands of his wife. She obeyed, dressed, came down and prepared a very nice supper just as quickly as possible and served it as cheerfully as if she had been expecting them.

After supper one of the men, a little more sober than the others, asked her how she could be so kind when they had been so unreasonable, and, too, they knew she did not approve of their conduct.

Her reply was, "Sir, when my

husband and I were married, we were both sinners. It has pleased God to call me out of that dangerous condition. My husband continues in it. I tremble for his future state. Were he to die as he is, he must be miserable forever; I think it my duty to render his present existence as comfortable as possible."

This wise and faithful reply affected the whole company. The husband thanked her for the warning and became a serious Christian and a good husband.

First, to the Crockett County Care Center, Crystal Hargraves, Gerald Creel and the wonderful staff that cared for Carl and gave so much of themselves to his care. We can not begin to name everyone but each played a very special part in his life at the Care Center, from those who cared for his daily needs to the kitchen ladies who made a special effort to provide foods he liked. We shall forever be indebted to you for the manner in which you cared for Carl.

We appreciate Brother Bill Fuller, Brother Raymond Bugg and John Henry Cash who ministered to Carl not only at his death but all the days of his life. We thank you for your wonderful ministry you each shared with us during the funeral and your tribute of Carl's life that was a witness of a daily walk with the lord. ## Lions pound Badgers 70-38

By David Screws STOCKMAN SPORTSWRITER

Davidson Gym was rocking last Tuesday night when the Lions hosted the McCamey Badgers, treating them to a 70-38 drubbing in the season opener for both schools. Justin Browne nailed two 3-pointers on the way to a 10 point first quarter output to stake the Lions to a 17-9 lead by the end of the period. The Lions outscored the Badgers 12-5 in the second until the Badgers beat the buzzer with a three at halftime to stay within 12 points.

The second half was all Lions as Browne finished off the night with a team high of 21 points while the Lions whitewashed the Badgers, outscoring them by 20 in the half. Armando Flores also scored in double figures, contributing 13 points, and Bobby Cervantez

Pushing their season record to 2-0 the Lady Lions cake-walked over a frustrated Ballinger Lady Bearcat squad. #### Texas teachers delighted by SBED decision

The state's largest educator's group welcomed an announcement last week by the chairman of the State Board for Educator Certification that the board will reverse its earlier proposal requiring current teachers to

"We are extremely delighted that Chairman (Jim) Nelson and the SBEC have heard the cry of Texas teachers," said Doug Rogers, executive director of the 84,000-member Association of Texas Professional Educators.

Mr. Nelson made his surprise announcement at a hearing in Amarillo Nov. 17 that was attended by teachers and administrators. It is one of many that the board is conducting statewide to hear first-hand from those who will be most affected by the board's proposals.

"We have been trying for months to convince state leaders that the board could allow teachers to maintain their lifetime certificates and still meet the state legislature's intent to instill accountability," said Rogers. "Many teachers felt that the renewable certification requirement was just another hurdle for them to clear after having proved themselves time and time again.

"I hope this decision means that the SBEC will continue to value teachers' input about what is best for their profession," he added.

#### GT summer programs offered through A&M

A new summer program concept for high ability students in grades eight through 12 is being offered this summer at Texas A&M University at Galveston. These career oriented courses or "career camps" will help students expand their horizons with a prep course in the field of their choice. This early exposure to the many different aspects of the career of their interest will enable them to make better course decisions in both high school and college. Participation in this program will also allow each student the opportunity to complete academic requirements necessary to graduate from high school with the new national distinguished achievement degree.

The two sessions are June 28-July 11, 1998 and July 12-25, 1998. Areas of exploration are: emergency medicine/trauma, marine biology, computer animation, engineering/ robotics, veterinary medicine and marine biotechnology.

Field trips (including transportation), room, all meals, and all class materials are provided. Students, counselors and faculty are housed in campus dormitories, have access to racquetball courts, swimming pool, and game room as well as dining, lounge and study areas. Classes meet mornings and early afternoons with late afternoons and evenings spent in organized recreational activities.

For information and reservations, contact TAMUG-T.A.G. Director, Community & Youth Education Dept., Box 1675, Galveston, TX 77553-1675. Ph. 409-740-4921, Email: armstrom@tamug.tamu.edu

Managing land for wildlife is gaining interest with Texas landowners. And whether it's deer in central Texas or quail and pheasant on the Plains, wildlife packets produced by the Texas Forest Service West Texas Nursery in Lubbock are available to assist landowners in creating habitat.

Now is the time to order wildlife packets from the Texas Forest Service before preferred species are sold out, says Ray Crager, Texas Forest Service silviculturist in Lubbock.

Since 1978, West Texas Nursery has been growing high-quality, adaptable seedlings for two-thirds of the state to be planted as conservation windbreaks and wildlife habitat.

Four wildlife packets are available; Quail/Pheasant, Deer, Turkey and Squirrel. Each packet contains 100 bare-root deciduous trees and shrubs which cater specificially to the habitat needs of their labeled species. The packets include the following species:

Quail/Pheasant: Russian olive, aromatic sumac, nanking cherry and

Deer: shumard oak, flameleaf sumac, bur oak and fourwing saltbush Turkey: hackberry, shumard oak, aromatic sumac and mulberry

Squirrel: little walnut, shumard oak, osage orange and bur oak

#### Roundup brings dollars to REHAB

Ranchers, agribusinessmen and women and literally dozens of volunteers once again have "gone the distance" for West Texas Rehabilitation Center, contributing more than \$290,000 to Cattlemen's Round-Up for Rehab through Oct. 31.

This unique brand of caring was generated by special livestock sales in San Angelo, Abilene, Coleman, Stephenville, Ranger, Junction and Stamford, club lamb, goat and pig sales as well as cash gifts.

Also this year for the first time, Texas Production Credit Association and Federal Land Bank Association teamed up as event underwriters. Wrangler also added corporate support to the effort.
