Care Center Chatter

By Jan St. Clair **Activity Director**

Our residents at the center have really had a very exciting Christmas season. All our residents are so happy and excited about so many things that have been going on. First of all, our Christmas party for residents and relatives turned out as good as can be. A big crowd turned out, more than expected, and the menu was excellent. Tamales, pinto beans and rice were served along with all the salads and good desserts, tea, coffee, egg nog and hot apple cider.

Entertainers have really gotten our residents' faces brightened with big smiles. Mrs. Henderson's and Mrs. Cotton's second grade classes with their program, and our special Santa who entertained us, John Temple Hoover, and Mrs. Katharine Russell and Mrs. Reagor's piano students, our special commissioner, Freddie Nicks, and his wife, Pat, the Catholic Youth Choir, Ozona Headstart children and Ronda's School of Dancing.

Thank you all so very much. Without you, all our residents wouldn't have had a special Christmas. We want to wish everyone of you a very Merry Christmas and Happy New Year.

Thanks again. Jan St. Clair and Lupe Martinez

Freshmen Lions lose out in Crane

ADVANCING TO DISTRICT COMPETITION in the National Council of State Garden Clubs poster contest are these Ozona Intermediate School students. They are: Sarah Hixson, third grade - tie for 1st place; Jessica Knaack, fourth grade - 1st place; Kyle Webb, fourth grade - 2nd place and Levi English, third grade - tie for 1st place.

Intermediate students advance in Ozona Garden Club contest

Ozona third and fourth graders joined others from around the country participating in a National Council of State Garden Clubs poster contest. The theme, "Happiness is a Butterfly in my Garden", required that a butterfly be incorporated in the picture.

Tied for first place in the third grade division were Levi English and Sarah Hixson. Ozona's fourth grade winners were Jessica Knaack, first place, and Kyle Webb, second.

These winners advance to district and have an opportunity to go on to regional and state level competition, says Linda Hixson of Ozona Garden Club. The posters are first judged through the local garden club of each community.

For Your Family.

In 1897 an editor of the New York Sun wrote an editorial that lives to this day. It was in reply to an 8-year-old girl who asked, in a letter to the editor, "Is there a Santa Claus?" We would like to share that editorial with your family this holiday season.

Deborah, Austin, Henry and Allie Bonilla

Yes, Virginia, there is a Santa Claus

Dear Editor: I am 8 years old. Some of my little friends say there is no Santa Claus. Papa says "If you see it in The Sun it's so." Please tell me the truth, is there a Santa Claus? Virginia O'Hanlon,

115 West 95th Street

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except what they see. They think nothing can be which is not comprehensible by their little minds.

All minds, Virginia, whether they'd be men's r children's, are little. In this great universe of

ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, the world would be extinguished. as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know they abound and give your life its highest beauty and joy.

Alas! How dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no child-like faith then, no poetry, no romance to make tolerable this existence. We would have no enjoyment except in sense and sight.

The eternal light with which childhood fills

Not believe in Santa Claus! You might as well not believe in fairies. You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus coming down, but what would that prove? Nobody sees Santa Claus, but that is no sign there is no Santa Claus.

The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart.

Only faith, fancy, poetry, love, romance can push aside that curtain and view and picture the supernal beauty and glory beyond.

Is it all real? Ah, Virginia, in all this world there is nothing else real and abiding.

No Santa Claus! Thank God he lives, and he lives forever. A thousand years from now, Virginia, nay, ten times ten thousand years from now, he will continue to make glad the heart of childhood.

Rabies cases drop 98 percent

A dramatic drop in rabies cases has occurred in South and Central Texas due to a \$4-million-a-year rabies vaccine air drop program, says the Texas Health Department. The vaccine is sealed in hollow baits made of dog food and fish meal, which are eaten by coyotes and foxes. The number of animal rabies cases cand by the canine strain of the virus has fallen 98 percent in South Texas and 93 percent in Central Texas since the program was started in 1995.
