

## Here At Home

J. M. Forbes

Within the next few days, a compilation and analysis of suggestions made by some 200 local people in the "Community Clinic", held Feb. 16, will be received here from the West Texas Chamber of Commerce, whose Ralph Duncan helped local Cof C officials to conduct the clinic.

Want to guess, in the meantime, what were the improvements or ideas most often mentioned? Ye editor would, and guesses like this:

- Sanitary improvements, including the adoption of a sanitary code.
- Moves to make Muleshoe a cleaner, more attractive city.
- Rural telephones.
- Improved system of reporting fires.
- More paved streets and alleys.
- More recreational facilities for old and young.

If you want, we will publish your guesses, in coming issues of The Journal. When we think of sanitation, we think of a statement made in regard to loose paper, much in evidence on our streets, made by city attorney Karl Lovelady: We need an educational campaign to teach people how much nicer it would be to put waste paper in waste paper containers. We ought to have downtown receptacles for the waste papers, too.

Well, you know ever piece of paper you see downtown in front of our stores on stormy days has been turned loose by some individual.

This writer has not, you will note, said anything in the above list about additional industries to ring more payrolls to our city, admittedly a critical need. About new plants or industries or businesses: We remember what old Vance Wagnon said nearly 9 years ago: When Muleshoe needs a service, some business man or woman will provide it.

### What Else Do We Need?

Muleshoe, Bailey County, and surrounding areas are perhaps the "last frontier" in Texas, one of the newest areas to be incorporated into the civilization of the Southwest. We've been busy consolidating our gains; we have been busy improving our farms, our places of business, our city homes, our streets and alleys, all the physical appointments of our life here in our corner.

Now, perhaps we can turn a little more to the cultural and spiritual side of our existence. Here on this bank and shoal of time. That people are anxious to improve their minds, to develop the mental and spiritual side is evident in many ways here in our community, and especially we think of all those adults who are taking the Carnegie course. Could we get a college course in literature, or any other of the fine arts, to be taught as an extension project here, the class would be overrun.

So much for what Muleshoe and community needs: how about a little more appreciation of what Muleshoe and community already have: Modern department stores, and merchandise shops: fine drug stores, fine grocery stores, fine hardware and appliance stores, variety stores, fine restaurants, implement houses and machine shops, great elevators, service firms, etc. Plus fine schools, fine churches, and many, many pretty streets and residential sections. We ain't doing bad.

## Muleshoe Volleyball Teams Lose Games To Littlefield

Littlefield and Muleshoe volleyball teams clashed the past Monday night in Littlefield, with the Littlefield team winning all games played.

In the first A game, Littlefield jumped to a 6-0 lead in the first minutes of the game. Muleshoe closed up the lead when they scored 5 points, but could score no more, and lost to Littlefield to the tune of 15-5. In the second A game, Muleshoe scored the first 3 points, but Littlefield soon tied the score, and built up a 12-3 lead. The Mulettes rallied to make the score 12-7, but couldn't hold back the Littlefield girls, lost the game 15-8.

The B team Mulettes built up a 12-2 lead in the first set, but Littlefield rallied and made 13 straight points, to win 15-12. In the second set, the Mulettes again built up a strong lead with a score of 11-4, only to see the Littlefield team pass them up and win with a score of 15-11.

## Mystery Farm Watson Place

The Mystery Farm in the March 4 issue of The Journal was the Tom Watson farm. Mrs. Watson came to the office to identify their farm, and to pick up the free picture which was awaiting her here.

First person to call in and correctly identify the farm was Larry Hicks, and next to call in was Mrs. Troy Actkinson. Two tickets to Cox Drive-In Theatre awaits them at the Western Fertilizer Co., sponsor of the contest.

## Thieves Break In Lariat Elevator

Thieves broke into the Lariat Elevator via the door glass Sunday night, and made away with the safe.

Boone Allison, manager of the elevator Tuesday of this week reported that the safe had been found about two miles east of Lariat on a country road. He said that although there was no money in the safe when it was taken, it contained some valuable Federal Warehouse receipts.

## Ashford Forms Construction Co.

Ashford Construction Company is a new firm in Muleshoe, recently formed by A. F. "Shorty" Ashford. The firm has established an office on Sudan highway opposite the Muleshoe Elevator.

Mr. Ashford has a truck, motor grader, truck loader, etc., to do dirt moving of any kind, either farm or city. The firm will contract land leveling, bench leveling, terracing, digging slush pits for irrigation wells, etc. Also, they will supply caliche or yard dirt wherever needed.

## Choice Animals Go To Lubbock

Bailey County 4-H and F. F. A. Fat Stock Show judging will be staged in the New School bus barn Saturday morning, March 13, beginning at 10:00 a. m.

Club boys attending school in Bailey County and members of 4-H and F. F. A. clubs in Bailey County are eligible. The show will be limited to fat lambs and fat barrows this year. Each boy will be paid prizes on his two highest placings in fat barrows and fat lambs division. There will be no fat calf show this year.

### Fat Barrow Show:

Breed Champion, \$5; Grand Champion, \$10; Barrows will show by breeds, except in the event four barrows or less of the same breed are shown. In this event, this breed will show with the next smallest numbered breed. A committee of Voc. Ag. teachers and county agent reserves the right to reject any barrow deemed unworthy and will divide each breed as evenly as possible into light and heavy classes but will show as one class if five or less are shown. Premiums in each class are as follows:

1st	\$8.00
2nd	\$6.00
3rd	\$4.00
4th	\$2.00

All other barrows \$2.00 per barrow but not exceeding two prizes per boy.

The Fat Lamb Show will be made up of a Southdown class and a fine wool class and prizes will be the same as for fat barrows. Grand champion lamb premium will be \$10.

Boys are notified to bring in their exhibits Friday afternoon.

The judging will be rushed through to completion by noon so that the young exhibitors can reload their livestock and depart for the big Junior Fat Stock Show at Lubbock where they will be judged March 15, 16, and sold March 17.

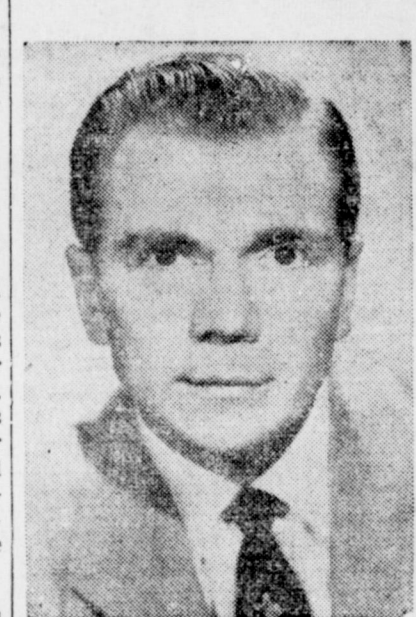

The Muleshoe Chamber of Commerce is furnishing liberal prizes as set forth by the following regulations governing the show.

## School Census Shows Increase For 1954

Muleshoe School Census shows an increase of 80 students for 1954 over the 1953 census, according to figures released by the County Superintendent's office this week. This is estimated to be brought about by the new families taking up their residence in this growing city.

Total for this year is 1524, of 48 of that number being colored. Total census figures for 1953 was 1444.

Total for Bailey county is 2057 as listed by the following schools:

Muleshoe	1524
Circleback	78
Bula	162
Threeway	293

Jerry R. Kirk, superintendent of schools has announced that the registration of first grade pupils who will start to school September, 1954, will be held March 19, 1954, in the first grade building.

If your child is six years of age on or before September 1,

1954, it is very necessary and important that he be registered on this day.

Here is the program of registration on this day: Registration of pupils 9:00 to 10:00 a. m. Ice Cream Party, 10:00 to 10:30 a. m. A movie will be shown after the ice cream party.

Due to the possibility of an over-crowded situation next school year, we urge you to please come and register your child on this day, so that provisions for extra rooms and teachers can be made before school starts next fall.

Last year at this time registration only about 75% of the students were registered, therefore, it was extremely difficult for school officials to make plans and assignments before September.

Each child should be accompanied by a parent so that the registration can be carried out more efficiently. It is not planned to serve these children in the lunch room, however, if any of you would like to remain for lunch, please feel free to do so. The present first grade children will not come to school on March 19, 1954, because all of the first grade teachers will be needed to assist with the registration.

## Little League Officials Meet With Ladies

On Thursday, February 25, Little League Baseball officials met with representatives of the ladies groups and organizations in Muleshoe.

The purpose of this meeting was to invite the ladies participation in helping round out a complete recreational program for children of all ages. The recreational program suggested would incorporate all types of activity, and be under guidance of voluntary personnel.

After thorough discussion, it was mutually agreed that the ladies would report back to their organizations and discuss this program. At a future date, Little League officials again will meet with representatives of these ladies clubs.

Because of the nature of Little League Baseball and its confining age limits, the increasing demand of children of all ages for recreation caused the Little League officials to begin action in trying to develop a well rounded program.

To all of you who are interested in the development of the park, you should take off a few minutes and drive by, and see what has been done in the way of building the Little League baseball park, and the addition of small evergreens donated by Dave Aylesworth. You will be very pleasantly surprised.

## Rev. DuPriest Lions Speaker

Rev. Milton DuPriest, who is conducting the revival at the First Baptist church, and his song leader, Glenn Norris gave the program at the Lions Club meeting held in Gerald's Cafe Wednesday. They were accompanied to the meeting by Rev. A. W. Blaine, pastor.

Rev. DuPriest made a splendid address to the club, mixing some humor with serious reflections on religion. Mr. Norris used an old saw and a violin bow to entertain the club with a beautiful musical number.

A nominating committee to suggest a slate of officers and directors was named and consists of past president Bill Moore, Rufus Gilbreath, and O. D. Ray. It was announced that the west end of the Scout Hut is being remodeled for use of the Girl Scout troop recently organized here.

**BABSON DISCUSSES—  
"FAIR PRICES"**

Babson Park, Fla., March 11— I wonder if you have noticed in the columns of your paper that another temptress is brewing between some manufacturers and the sellers of their merchandise. Cause of the blow; merchandise is being sold below fair-trade prices.

**DISCOUNT HOUSES**  
Before the war, on the Continent and especially in South-eastern Asia, nobody ever paid the asking price unless he had a hole in his head. At that time, in America, very few ever questioned the list price. Today, in increasing numbers, Americans are shopping for discounts. I am convinced that this movement is largely encouraged by returning soldiers from abroad. After their experiences both in foreign countries and in their canteens here at home, it is very difficult to get them to pay list prices anywhere.

On the other hand, courts of the States having "Fair-Trade" laws have upheld the legality of such laws. Recently, the Supreme Court of the United States has favored the "fixed-price" manufacturers. However, the final decision lies with consumers, not with the courts. Remember what happened to all the oleomargarine legislation.

**THE MANUFACTURERS' ARGUMENT**  
Price-fixing, some manufacturers say, is necessary in order to get the widest possible distribution. The argument here is that if a company's product is being undersold by a price-cutter, the legitimate dealer will give up that line of goods, distribution outlets will shrink, orders drop off, production lag, and workers will be out of a job. For this reason, these companies say the time has come for them to spend money on lawyers, as well as on advertising. They are ready to spend plenty to curb price-cutting of "fair-traded" merchandise. My sympathies go out to them.

There is little question that profit margins in some industries are slim. Let's admit it, though—the profit take in other industries is fabulous and word has gotten around. How? Via consumer economics courses in public schools and colleges, consumers' buying magazines, and by word of mouth.

**SOME SIMPLE ECONOMICS**  
It is my belief that price-fixing won't solve our price problems any more than Government regulation. This once seemed an easy solution to the problem. Fair-trading and insistence upon maintaining a price level may help keep the inefficient

businessman in business a little longer. In the long run, however, it may only prolong the day of judgment.

Newton's Law of Action and Reaction is a powerful natural law which cannot be legislated out of existence. Economic periods of adjustment are not just accidents. Such periods usually develop out of excesses practiced during boom conditions. Businessmen become too bullish; they may misjudge the future; they overestimate their markets and the size of the consumer's pocketbook. So when demand slackens, a reaction sets in and somebody cuts prices to move some stuff.

**PRICE-CUTTING MAY HAVE USES**  
This is a perfectly reasonable course of behavior, and it may be good for our economy because it shakes out some of the deadwood, sharpens production efficiency, activates consumer research, improves quality, makes management more cost-conscious and forces it to reappraise its pricing policies. I forecast that neither legislation, nor a stiff-necked policy, nor court action will outwit the laws of Supply and Demand, Action and Reaction.

Perhaps the time has come for a reappraisal of profit margins. Don't get me wrong. I believe in the profit system. A profitless volume, like a profitless prosperity, will get us nowhere. What I want to point out, however, is that "Fair-Trade" laws or price-cutting are not the real problems. These are symptoms of our basic difficulty. What needs to be cured is not the symptom, but the problem. Let's get on with solving the problem of more efficient and more honest management.

**CHRISTIAN SCIENCE SERVICES**  
That permanent peace and harmony are within the reach of mankind through the spiritual growth that reveals the true, spiritual nature of man in God's likeness will be emphasized in the Lesson-Sermon entitled "Man" which will be read at Christian Science services Sunday.

**Your Senator Reports**

By LYNDON B. JOHNSON

**RE-STATEMENT:** As the tempo of congressional activity increases, I would like to state again my idea of the proper role of the Democratic minority in this Congress.

It is the right and responsibility of the majority to present a legislative program. It is the right and responsibility of the minority to point out the weak and the strong points of this program. Both opposition and support must be based on principle—not on partisanship.

**FARM PROGRAM:** This means that in considering farm legislation, for example, now the subject of committee hearings in Both Senate and House, we must work for a program which will protect our farm economy without being unfair to other groups in our national life.

I oppose the sliding scale price support system—not for the sake of opposition, but because I know farmers already are in trouble and I don't want to see them pushed farther down the economic ladder. We can't get away from the record of history, which shows that the lower farm prices go—the higher farm surpluses rise.

**TAXES:** This concept of the minority's rightful role means that in considering tax reduction, to take another example, our purpose—during this period of "economic readjustment"—should be to seek the fairest means by which to increase consumer purchasing power.

That is why I favor increasing the personal income tax exemption. A \$200 per year increase would mean an annual saving of about \$160 for a married man with two children. Every family would have proportionately that much more money to spend for goods.

non-partisan lines. The amendment reported by the Senate Judiciary Committee never came to the floor for a vote. After voting for several provisions designed to close the constitutional loophole with respect to treaty-making powers, I urged Senator George to introduce a substitute amendment that that would attain the basic objectives of Bricker Amendment supporters.

He did so. His amendment was supported by Senator Bricker and others among the sponsors of the original amendment. We lost by just one vote.

Nevertheless, a valuable purpose has been served. Americans have been alerted to the need for action to protect the constitutional rights of the States and of the people generally. The issue will be with us again, and I predict that some such measure as proposed will finally be enacted.

**FOR TEXAS:** I believe Texans generally feel, as I do, that all of us are Americans before we are members of any political party. As your Senator, I want to act in the best interests of Texas and of America. I have no higher ambition.

**Today's Meditation**

Faith In The Father's Mercy

I have not found so great faith, no, not in Israel. (Luke 7:9). Read II Corinthians 4:1-7.

One day on a winding highway, a bus was running at such a rate of speed that most of the passengers were afraid. They feared for their lives. One passenger, a boy at the back of the bus, lay fast asleep.

The man sitting beside him awakened the boy and said: "Wake up, son. Don't sleep. Our lives are not safe. Aren't you afraid?" The boy replied, "No, I'm not afraid; my father is the driver. He knows that I am with him and he loves me."

The faith of that little boy in his father drove away all fear and overcame all worry. The world needs the kind of faith in God that the little boy had in his father. Victorious living depends upon faith in the merciful Father, the loving Father of all people of every race, nation, and social condition.

Childlike trust in the measureless love of God helps us to possess a great and victorious faith.

**PRAYER**  
Gracious Father, Thou knowest that we are creatures possessed by fears. Help us to turn to Thee in childlike faith so that we do not become victims of our fears. Help us that we "be not faithless, but believing." In Christ's name. Amen.

**THOUGHT FOR THE DAY**  
How great is my faith in the merciful Father?  
Isaiah Manahan (Phil.)

put off. "This scientific sense of being, forsaking matter for Spirit, by no means suggests man's absorption into Deity and the loss of his identity, but confers upon man enlarged individuality, a wider sphere of thought and action, a more expansive love, a higher and more permanent peace" (265:5-15).

The Golden Text is from Psalms: "Mark the perfect man, and behold the upright: for the end of that man is peace" (37:37).

**TO NEW CAMP**

Lt. Jimmy Nickels of the U. S. Air Force, and his mother, Mrs. P. E. Nickels and sister Shirley of Portales, N. M., were visitors

recently in the home of Mr. and Mrs. Leonard Evans. Jimmy was on his way from Washington state, to a new Air Base in Florida.

**From where I sit... by Joe Marsh**

**Steve Tips the Balance**

Was just leaving home this morning when the Missus reminded me to stop at Steve and Al's Meat Market for a pound of hamburger. "Be sure to get it from Steve," she said.

"Why?" I wondered. So when I got to the market I asked Steve if he knew. "I'll tell you, Joe," he said. "Al and I sell the same meat, and a pound is a pound. Maybe it's just that we go at it differently."

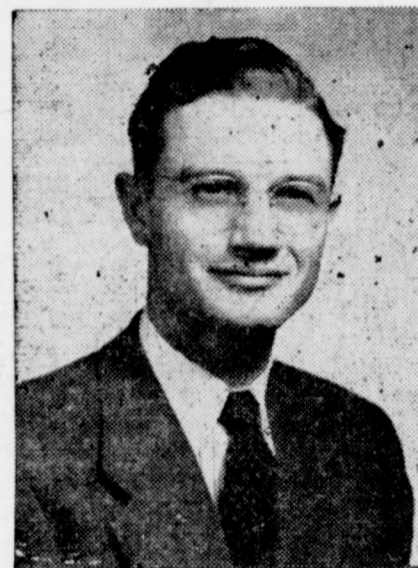

"Al loads the scales and takes away 'til he has a pound. But I put too little on and start adding."

To your wife — that probably looks like a better buy."

From where I sit, there's always more than one way to approach a thing and still come out fair and square to all. My wife likes a cup of tea with dinner; I prefer a temperate glass of beer. We get along fine. Gets me pretty mad though, when somebody starts "throwing his weight around" and demands that I see things exactly his way.

GREAT NATIONAL LIFE INSURANCE CO.

**HOME ECONOMISTS GUIDED ON LIFE INSURANCE**

"More families rely on life insurance for financial security than have savings in the bank," observed a feature article in the September issue of "What's New in Home Economics", a national magazine circulated to some 40,000 teachers of home economics.

Entitled "Life Insurance: Cornerstone of Family Economy", the article discusses the various family needs for life insurance, describes types of policies and their uses and shows how this form of protection also builds retirement values.

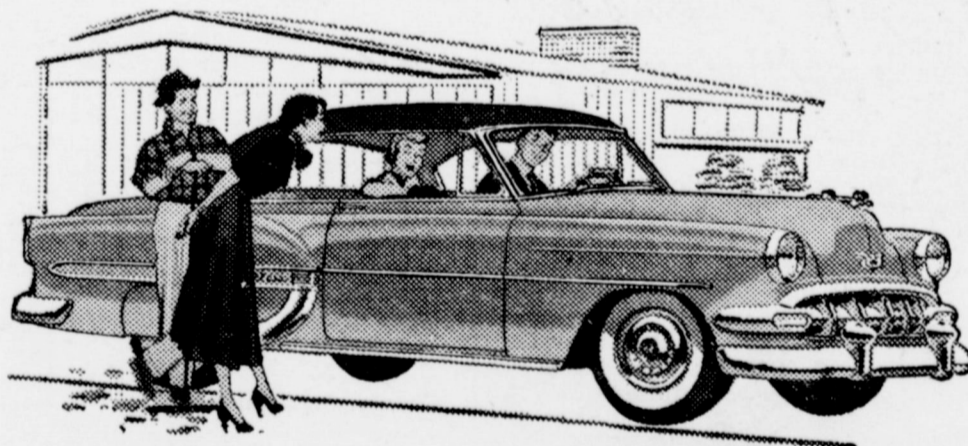

"Different policies are tailored to meet different needs", the article states. "A given type of policy can also have special features inserted to cover special situations. This emphasizes the importance of the life insurance agent, who can help a family plan each policy and each part of its whole program to meet its own needs and pocketbook."

(Isn't this why more people want—and buy—Chevrolets than any other car?)

**What you want most Chevrolet gives you first**

See how Chevrolet stays ahead of other low-priced cars in all the things that mean the most to you. See how much less Chevrolet costs you—it's the lowest-priced line of them all. Come on in and let us show you how you can have the things you want and be a good many dollars ahead with a new Chevrolet. That's promising a lot, but we welcome the chance to prove it!

**OUT AHEAD** with that bigger, lower look. Only Chevrolet and leading higher-priced cars have Body by Fisher with that big, smooth, low-slung look.

**OUT AHEAD** with the highest-compression overhead valve engines. Chevrolet's great engines have the highest compression ratio of any leading low-priced car.

**OUT AHEAD** with that smooth and solid big-car ride. Chevrolet's the only low-priced car with Unitized Knee-Action — one reason for its finer road-smoothing, road-hugging ride.

**OUT AHEAD** with zippy, thrifty Powerglide. It's the first and most advanced automatic transmission in the low-price field. Acceleration is instantly responsive and as smooth as silk. Optional on all models at extra cost.

**OUT AHEAD** with bigger brakes. Chevrolet brakes are largest in the low-price field for smoother, safer stops!

**OUT AHEAD** with automatic power controls. Chevrolet is the first low-priced car to bring you all the latest automatic power features and controls as extra cost options.

### Training Service Held At Main Street Baptist

The Young people of the Baptist Churches composing the Plains Baptist Association held

their training service with the Main Street Baptist Church last Saturday evening, and Sunday afternoon.

Both services were well attended. There were approximately 200 visitors from the various churches composing the Plains Association. Most of the churches were well represented, and several had part on the program. All those present seemed to

enjoy the services. James Flipo of Hopewell Church near Olton preached at the Saturday evening service.

The regular morning services were held on Sunday, after which a bountiful meal was served at the noon hour. The all day service continued after the meal, with several interesting programs presented during the afternoon.

An invitation is extended to all to attend services at the Church at any time.

### Vera Jean Joiner And Leo Bartley Exchange Vows

Miss Vera Jean Joiner, and Mr. Leo Bartley, were united in marriage at the Muleshoe Church of Christ, in a beautiful single ring ceremony, Tuesday, March 9, at 8:00 o'clock in the evening.

Ebb, Randol, minister of the Church, was officiating clergyman.

Special music was furnished by Denton Thompson, minister of the Lazbuddie Church of Christ, who sang, "O Promise Me", and "I Love You Truly".

The bride, given in marriage by Mr. S. C. Caldwell, was lovely in a floor length gown of white satin and lace which featured a tight fitting bodice with a slightly flaring skirt and a short train. Her fingertip length veil of illusion, fell from a tiara, and she carried a colonial bouquet of white carnations and stocks.

Mrs. Vivian Pierce was her sister's matron of honor. She wore a pink, floor length dress, and carried a colonial bouquet of pink carnations.

Best man was Gene Bartley, brother of the groom.

Immediately following the ceremony, a reception was held in the Church. Mrs. S. C. Caldwell registered guests in the bride's book. Mrs. Paul Scott poured the punch, and the tiered wedding cake was served by Mrs. Orbery Jarman.

Following a short wedding trip, the couple will be at home north of Muleshoe, where the groom is engaged in farming.

#### ATTENDED OPENING

Minister and Mrs. Ebb Randol, Mr. and Mrs. S. C. Caldwell, Mrs. Zephia Zimmer, and Mrs. J. W. Jarman, attended the opening of the New Mexico Christian Children's Home, at Portales, Tuesday of this week. A delicious bar-b-q lunch was served at the noon hour.

### Mrs. Mattie Axtell Gave Book Review

A review of the book, "The Woman With A Whip", by Marie Flores, was given Tuesday night by Mrs. Mattie Axtell, of Springlake, for members of the Los Planos Study Club.

This book concerned the life of Evita Peron, and Mrs. Axtell gave an excellent review of it.

Dorothy St. Clair, Arlene Phelps, Barbara Blackman, Lometa Smith, and Betty Hooper, served as hostesses, as the club met in the home of Naomi Alcorn.

Refreshments in the St. Patrick's Day motif, shamrock sandwiches, mint pastries, nuts, and lime punch was served to sixteen members of the club, and the following guests: Maxine Ragsdale, Mrs. Sam Damron, Naomi Alcorn, Paul Scott, Mrs. Bulloch, and Mrs. J. L. Hinson.

#### AT ROTARY MEETING

Mr. and Mrs. E. O. Baker represented the Muleshoe Rotary Club at the annual District Conference, held in Childress. They went over Thursday afternoon, and came home Saturday afternoon.

#### MULESHOE SERVICE STATION HAS NEW PAINT JOB

The Muleshoe Service Station, Finis Kimbrough, proprietor, has repainted the inside of their building, greatly enhancing the attractiveness of their station. They have also rearranged their supplies, so as to give better service to their customers.

#### CHRISTIAN SCIENCE SERVICES

The healing power of that faith which is rooted in a spiritual understanding of God will be brought out at Christian Science services this Sunday.

The Lesson-Sermon entitled "Substance" includes the following passage from the Bible: "Now faith is the substance of things hoped for, the evidence of things not seen. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear" (Hebrews 11:1-3).

Among the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following:

"When we come to have more faith in the truth of being than we have in error, more faith in Spirit than in matter, more faith in living than in dying, more faith in God than in man, then no material suppositions can prevent us from healing the sick and destroying error" (368:14).

The Golden Text is from Psalms: "Thy name, O Lord, endureth for ever; and thy memorial, O Lord, throughout all generations" 135:13).

Recent announcement that Santa Fe Railway now is completely dieselized brought from historical files the above photos on development of Santa Fe locomotive power. Locomotive No. 1 (top), the "Col. Cyrus Holliday," a 39-ton steam engine named after founder of the road, was built in Topeka (Kan.) shops in 1881. Bottom photo, today's "Super" makes the Chicago-Los Angeles run behind 6000 horsepower.

**Wayland Teacher Addresses Rotary**

Sheridan Lee, professor of biology in Wayland College, Plainview, addressed the Muleshoe Rotary Club Tuesday noon on the subject, "Parasites". He pointed out that parasites, such as worms, do not have to work, search for food, get about on their legs, since they have none, or use their arms in labor since they don't have arms either. Man has to work, think and do for his living but he enjoys it. That's why civic clubs are created, so that man can work at doing something more for himself, his community, and fellow man.

Doing something for others, he said, is of more pleasure to us than making money. However, he said, man does not live by bread alone, but bread is very important.

It was a philosophical talk that was enjoyed by all present. The speaker was introduced by Bob Gregory, in the absence of O. D. Holton, program chairman. Holton's brother Bud Holton, now a student in Wayland, arranged for the instructor to come here.

### College Editor Experiences A Sandstorm

Editor's Note: Bob King, Muleshoe high school graduate now a student at the University of Texas, has sent The Journal a copy of an article on our recent sandstorm, written by Bob Kenny, editor of The Daily Texan, student publication at the University. Bob said he thought the article would be of some interest to our readers because it concerns them and their territory. Thanks, Bob.

Late last week sandstorms blanketed most of Texas and great areas over the rest of the

U. S. To those of us unfamiliar with them, it seemed as though the whole of the Great Plains must be passing by. Plains residents, though, become accustomed to the phenomenon. "Pretty rough today," they say as whole farms go whizzing past the window. "Yep, I expect it'll stay this way till we get some rain."

We had our first real experience with West Texas sandstorms last week end on a flying trip to the Panhandle, and came out of the encounter pretty badly shaken.

On Friday the dust was so thick in Panhandle towns that visibility was limited to a block. Sand piled on porches and in corners one to three inches deep. But on the farms the farmers stirred huge suffocating columns of dust that rose and raced off to the Southeast.

Every breath was a wish for clean air; every bite of food tasted like the soil from which it sprang; even the bed sheets were covered with a fine layer of dust, which made sleeping reminiscent of a night on the beach at Padre Island.

Flying back to Austin Saturday we learned for the first time the real danger of the sandstorm as we watched one form and grow.

In the upper Panhandle a slight snowfall had laid the dust, the air was clear and cold, the fields were damp. They lay in

### A & M Bulletin Prepared For Cotton Farmers

COLLEGE STATION, March 8 — Cotton farmers confronted with 1954's tightened allotments will find helpful information in two bulletins released by the Texas Agricultural Extension Service.

The publications are the "1954 Guide for Controlling Cotton Insects in Texas" and "Ways to Fight the Pink Bollworm."

In addition to listing revisions on early and late season insect-control measures and revised insecticide recommendations, this year's control guide explains the benefits derived from using certain insecticides in combination.

The pink bollworm as a major threat is emphasized by \$28,000,000 damage to cotton in 38 South Texas counties in 1952. This is the only major cotton insect to survive winter in the larva stage in old bolls, locks and seed.

Infestations of pink bollworms can be greatly reduced by cultural practices at only minor

additional expense to growers, say the latter bulletin. It goes on to say that bollworm controls are most effective on community or statewide basis.

This bulletin contains the planting and plow-up dates for Texas, along with other pink bollworm regulations and control measures.

## Ford rides on a Ball-Joint cushion

### ...and it handles with ball-bearing ease

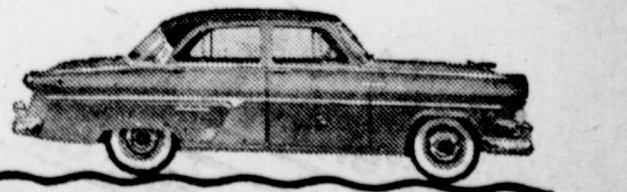

**CONVENTIONAL KINGPIN SUSPENSION** depends on hinge-like joints for movement of front wheels up and down or right and left. This system also requires lubrication at 8 points of wear at each front wheel. Doesn't permit maximum up-and-down wheel travel and is not sealed against dirt and water.

**NEW FORD BALL-JOINT FRONT SUSPENSION** replaces "hinges" for pivoting and up-and-down wheel movement with sealed ball joints. This eliminates 12 points of wear... helps keep front wheels in line longer. You get a smoother, more level ride. Your Ford keeps that new car "feel" longer.

It's THE GREATEST chassis advance in 20 years. And only the '54 Ford in its field has it! It pays off with the smoothest ride you've ever experienced in a low-priced car... easier handling... fewer service worries... and many, many other advantages.

And besides this revolutionary advance, Ford offers two brand new deep-block power plants: the 130-h.p. Y-block V-8 and the 115-h.p. I-block Six. You'll also find a new stronger frame... a beautiful new Astra-Dial control panel... new styling inside and out... plus all the other finer car features that have already established Ford as America's "worth more" car!

### Los Planos Style Show March 26

"A Lifetime Of Fashions", is the theme of the big style show to be given, March 26, by the Los Planos Study Club.

The show will begin at 8:00 p. m. and will take place in the High School Auditorium, with Paul Gardner serving as narrator.

Don and LaVon Copley are having their electric organ moved to the auditorium, and will furnish the music for the show. There will be several specialty numbers.

There will be a revolving platform on the stage for the benefit of the models.

Furniture for the stage is being furnished by E. R. Hart Company.

Each drygoods store will be represented by their chosen models, who will wear the latest fashions.

Tickets may be purchased now from any of the stores, or from any member of the Los Planos Study Club. Prices are \$1 for adults, and 50c for children. Proceeds will be used to sponsor the new organization of the Girl Scouts in Muleshoe.

### Mrs. Lenderson New President Of Garden Club

Mrs. A. J. Lenderson was elected president of the Garden Club for the coming year, at Tuesday's meeting.

Other officers elected were: Mrs. E. O. Baker, first vice-president; Mrs. Lee Pool, second vice-president; Mrs. Wiley Bowers, recording secretary; Mrs. Roy Jordan, corresponding secretary; Mrs. Morris Childers, treasurer; Mrs. W. D. Moore, parliamentarian; Mrs. Clay Beavers, librarian; and Mrs. Joe Dameron, publicity.

Leading the program for the day was Mrs. Lee Pool, who spoke on flower arrangement. Mrs. Jack Lenderson arranged a bouquet of jonquils and yellow jasmis as a demonstration.

Following the demonstration, Mrs. E. O. Baker told the group how to successfully grow geraniums.

Plans were made to attend the District Convention in Odessa, March 29 and 30.

There is to be a plant exchange at the next meeting.

Hostess for the meeting Tuesday was Mrs. Joe Dameron. Those attending were Mmes. E. O. Baker, Jack Lenderson, Clay Beavers, Morris Childers, Charles Lenau, W. D. Moore, Lela Barron, Wiley Bowers, Roy Jordan, Ross Goodwin, Lee Pool, and one guest, Mrs. Jimmy Reese.

### Chinese Luncheon Is Enjoyed By Friendship Class

Mrs. Ray Griffiths entertained members of the Friendship Class of the First Baptist Church at her home Tuesday, with a Chinese Luncheon.

Ladies of the class reported to the front door of the Griffiths'

home, but were told to go to the back. They were received at the back door by their hostess, Mrs. Ray Griffiths, who wore a beautiful and very original Chinese corsage.

After removing their shoes, the ladies were led to the living room, where they were seated around a cloth which was spread on the floor, Chinese style. After getting to their knees, to offer thanks in the Chinese custom, they were served a delicious Chinese meal, which was eaten with chopsticks.

Following the meal was a short business session.

Those attending the luncheon were Mmes. Joe Dameron, R. D. Pecune, C. M. King, Arthur Crow, Pat Bulloch, W. B. McAdams, R. L. Jones, W. E. Young, and M. F. Green.

### Philathea Circle Plans For Banquet

President Ida Mae Shofner called the meeting of the Philathea Circle to order last Thursday afternoon, at the home of the hostess Dorothy Wyer.

Gladys Black invited members of the class to her home March 18, for an anniversary dinner. Each person is to bring a covered dish for the meal.

It was decided that the Mother-Daughter Banquet would be held the Thursday, before Mother's Day on Sunday, which will be May 6. The president suggested that the committees start planning for the banquet as soon as possible.

On the program which followed, Della Mitchell gave "Conditions In The Time of Jeremiah", Gladys Black gave "The Great Reformation Under Josiah", and Fern Autrey gave "Jeremiah, Prophet and Preacher", and "Jehoiakim The King".

Those present were Fern Autrey, Gladys Black, Georgia Pena, Mildred McReynolds, Ruby Faubus, Betty Murrh, Margaret Adams, Thresa Edwards, Joy Whitt, Della Mitchell, Beth Blair, Charlene Bickel, and a visitor, Peggy Bringall, of Webster City, Iowa.

### High School PTA Will Meet Monday

On Monday evening, March 15, at 7:30, members of the High School P. T. A. will meet at the high school building for the regular March meeting.

The program for the evening is to be a panel discussion led by Mr. Connie Gupton, School Business Manager, on the subject "How Our Tax Money Is Spent". This is a subject which is and should be a concern of each parent, patron, and teacher of the Muleshoe community, and since P. T. A. is your organization, and your money pays the taxes, it will benefit each person to know how this money is being spent.

### FATALLY INJURED

Mrs. J. M. Moore received word earlier this week that her nephew, Lewis R. Whitt, of Wichita Falls, was fatally injured in an automobile accident Saturday.

The funeral was to be held at the Methodist Church in Marvsville Tuesday, with burial in the Marvsville Cemetery.

Miss Betty Campbell And Van McCormick  
Are United In Marriage At Roswell, N. M.

MR. AND MRS. VAN MCCORMICK

A double ring ceremony, read February 20, in the North Hill Church of Christ in Roswell, N. M., united in marriage, Miss Betty Campbell, and Mr. Van McCormick. He is the son of Mr. and Mrs. L. F. McCormick of Muleshoe.

The vows were read by Claude Lawrence, minister of the North Hill Church of Christ. David McCormick, and Miss Dorothy Cunningham sang "Oh Promise Me", and "I Love You Truly".

Given in marriage by her brother, Glenn Campbell of Clovis, N. M., the bride was lovely in a ballerina length dress of frost blue, with a matching hat and veil.

Freida Campbell, cousin of the bride, was maid of honor, and Paul Coats of Seagraves, served as best man.

A reception followed the ceremony in the Henry Luck home. The bride's table was laid with a white lace cloth, and centered with white gladiolus, and the tiered wedding cake.

Mrs. Wilma Singer and son Neil have returned to Muleshoe to live after residing the last three years in Gunnison, Colo.

## Fidelis Class Met With Mrs. Griffiths

Mrs. Byron Griffiths was hostess March 3, at 4:00 p. m., to members of the Fidelis Class.

Mrs. Eddie Lane opened the meeting with a prayer, and Mrs. T. R. White presided over the business session.

The devotional was given by Mrs. Lee Pool.

The next meeting will be held at the home of Mrs. T. R. White, with Mrs. Zida Mae Black bringing the devotional.

Games were played and refreshments were served to Mrs. E. F. Eason, Eddie Lane, Ray Black, Eugene English, L. T. Green, T. R. White, Lee Pool, Ed Hicks, and the hostess.

The meeting was dismissed with a prayer by Mrs. Ed Hicks.

## Sheltons Observe 50th Anniversary

Mr. and Mrs. H. C. Shelton of Rotan, and parents of Mrs. J. L. Taylor of Muleshoe, recently celebrated their 50th wedding anniversary.

Mr. and Mrs. Shelton were married February 16, 1904. Before her marriage, she was Stella Hooper. Her parents moved to Roby in 1886, when the town was established and her father was the first druggist in Rotan, and served as the county's third sheriff.

Mr. Shelton is editor of the Rotan Advance which he has published each week since 1907. He got his first job with a newspaper at the age of twelve, sweeping out at the Merkel Mail. He became a printer at the age of nineteen and came to Fisher County in 1898 to work on the Roby Banner as a printer. He later worked in Sweetwater, and in 1902, established a paper at Odessa. In 1906 he established the Hemlin Herald.

Friends of the couple decorated the house throughout with beautiful gold flowers. Blending with the anniversary theme in the living room were Early English candle sticks in time meloed brass, part of the rare collection of a nephew, Jim Ned McWhorter of Ft. Worth. On the mantle, from his collection of bronze, were 18th century statues by Cornet, which were originally from the famous William Randolph Hearst's collection.

On the buffet in the dining room was a duo of 17th century brass candelabra. In cathedral design, each holding ten lighted candles. Several rare paintings from Jim Ned's collection hung on the living room walls. More than two hundred friends and relatives attended the affair. The couple's four children and five grandchildren were there. Attending from Muleshoe were Mr. and Mrs. J. L. Taylor.

## State Accepts Four 4-H Awards

The State Club office has accepted four national 4-H awards programs for participation of members in 1954, the National Committee on Boys and Girls Club work has announced. The program are Garden, Clothing Achievement, Poultry and Tractor Maintenance, in the last three of which awards have been changed.

In the 4-H Clothing program, four (formerly one) gold-filled medals of honor will be provided for winners in qualifying counties by the awards donor, Coats & Clark, Inc. As in the past, the state winner will receive an all-expense trip to the National 4-H Club Congress in Chicago. Also, 12 state winners selected for national awards will each receive a \$300 college scholarship.

Instead of five sterling silver medal awards to county winners in the 4-H Poultry program, four gold-filled medals will be provided this year by the Tractor and Implement Division, Ford Motor Co. Awards of an all-expense trip to the National 4-H Club Congress in Chicago for state winners, and \$300 college scholarships to ten national winners remain unchanged.

## IS IMPROVED

Mr. and Mrs. Leonard Evans visited over the weekend at Ft. Hood, with their son, Doyle, who is in the army base hospital there. Doyle was injured in a car accident recently near Ft. Hood. His condition is reported improved, and he has been taken off the serious list.

## SPENT WEEKEND WITH DAUGHTER

Mrs. Roy Hogan has been visiting in the home of her daughter and son-in-law, Mr. and Mrs. E. J. Calloway, Jr., at Goldthwaite.

## DOING FINE

Mrs. Jack Schuster is in the Littlefield Hospital, and is reported to be doing fine.

the past week. She said she had a very nice surprise awaiting her at her return, as Mr. Hogan had a large part of the house re-decorated during her absence.

Mrs. Hogan reported a wonderful time while on her visit, as she got to see several families who formerly lived here. She also said it rained quite a bit while she was down there.

### Experiment Station To Conduct Vegetable Research Around Hereford

COLLEGE STATION — a grant of \$12,000 for research to expand the vegetable industry in the Hereford area has been made by the Hereford Vegetable Growers and Shippers Foundation to the Texas Agricultural Experiment Station.

Director R. D. Lewis of the Texas Agricultural Experiment Station said the funds will be used during the coming year for research in cultural and management practices of vegetables, primarily lettuce, Irish potatoes and onions.

The fast expanding vegetable industry in this High Plains area is developing on irrigated land. In the Hereford area there is an estimated 215,000 acres irrigated by about 1500 wells.

Howard Gault is president of

the foundation which includes membership closely related to the vegetable growing industry.

"Much of the research will be conducted on land made available by cooperating farmers," said Director Lewis. "This will allow tests to be conducted on a greater number of soils and conditions and also more farmers can participate."

He said work will include tests to determine which varieties and strains of vegetables are best suited to commercial production, kinds and amounts of fertilizer, application and amounts of irrigation water, and disease and insect control.

The foundation and its contributing associated industries have appointed a research board to represent the vegetable industry of Hereford to work with the experiment station staff members in making plans for the research program.

### Stop Taking Harsh Drugs for Constipation

**Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!**

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *sure* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the *finest natural laxatives* known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

### Pvt. Baker In Sea Exercise

LA ROCHELLE, FRANCE — Army Pvt. Walter B. Baker, son of Mr. and Mrs. Burt Baker, Lazbuddie, took part last month in ODEX 16, an offshore exercise near Bordeaux, France.

Under simulated tactical conditions, assuming that no port facilities remained on the coast, troops utilized BARCS, 197,000 pound amphibious cargo barges, to move supplies from ships anchored far offshore to positions on the beaches.

A mechanic with the 460th Transportation Company, Private Baker entered the Army in October, 1952, and completed basic training at Camp Chaffee, Ark.

### Wilburn Pair Sports Star For Naval Air Station

Wilburn Pair, aviation electronic technician, USN, son of Mr. and Mrs. O. W. Pair, of Muleshoe, was recently named "Sports Star of the Week" for his outstanding team play and sharp defensive action with the Naval Air Station, Hutchinson, Kansas, varsity basketball team.

A smooth, capable floor man and re-bouncer, Pair has notched 7.3 per-game average to date, his best shooting effort being against a rough Smoky Hill Air Force Base quint, when he hit 16 markers. Though only 6'3" in height, he can be seen roughing it up on the boards with any of the bigger boys.

A native of Texas, the quiet, likable "Flyer" forward first set his eye on the hoop at Smyer high school, where he was tabbed to four all-tournament rosters for sparkling play in his senior year.

Texas Tech next held claim to Pair, as he starred with the "Red Raider" yearlings and played some with Tech's varsity. Border conference runner-up squad.

Pair tied up with the Navy in June, 1952, and was transferred to Hutchinson from AT school at NATTC Memphis, Tenn. He claims Muleshoe, as his home and is attached to ATU-601 Electronics.

Mrs. L. A. Green and her parents, Mr. and Mrs. Tom Smith, and her sister, Mrs. W. C. Dickinson, of Clovis, N. M., were in Clayton, N. M., Sunday.

**VISITED SISTER**

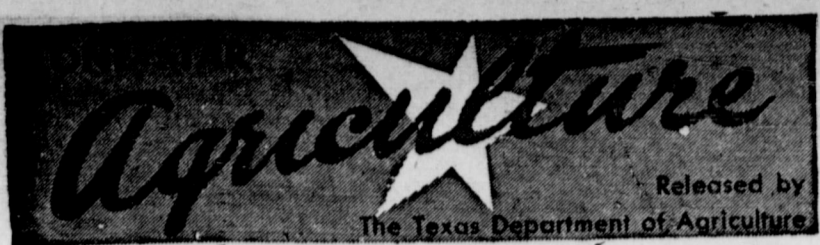

Mr. and Mrs. T. D. Huff of Borger, visited her sister and family, Mr. and Mrs. Cecil Harvey and other relatives here the past weekend.

**RELATIVE OF LOCAL PEOPLE PASSES AWAY**

E. M. Lowe and Jack Lowe, and their parents, Mr. and Mrs. J. H. Lowe of near Maple, last week visited at Paris with relatives and friends. An uncle of the two Lowe brothers, J. M. Farks, was seriously ill. He passed away after the Bailey County folks came home. They report things are nice and green in that part of Texas, with oats and wheat looking good.

**VISITED PARENTS**

Mr. and Mrs. William Pierson of Lubbock, were here over the weekend visiting his parents, Mr. and Mrs. Finley Pierson.

**COTTON EXPORT OUTLOOK**

The year 1954 will again see the United States in the position of a residual supplier of cotton to the world.

In other words, the demand for our cotton will be limited until other exporting countries have largely sold out.

The present outlook holds no cause for undue alarm, however. Indications are that the total cotton exported this year will not be less than last season's 3 million bales—and possibly somewhat more.

Last year, other cotton producing nations shipped about 8½ million bales. The export total of all countries, including the United States, was 11.5 million bales. These other countries also are expected to ship about as much in 1954.

One factor which will help this year is that the textile trade in most foreign countries is measurably better than it was a year ago. The demand for imported

cotton is expected to pick up. If this improvement holds throughout the coming season, the consumption of imported cotton in foreign cotton should exceed that of 1953.

Cotton production in the U. S. is limited through acreage allotments this year. Although a shortage definitely is not expected to develop, this limited production should help strengthen the demand for cotton and prevent the necessity of storing much of the crop.

We should not regard a surplus of cotton as a drug on the market. Instead, it is to our advantage to have an adequate reserve on hand in the event of an emergency. Cotton is a ver-

## Revival Starts Sunday, Mar. 14

JAMES B. FRANKLIN

A revival meeting for the First Baptist Church of Lazbuddie will begin the coming Sunday, March 14 and continue through March 21. There will be services at 10:30 a. m., and at 8:00 p. m. Rev. James B. Franklin will be the evangelist and Bob Wimple, who lives at Heidenheimer, Texas, will lead the singing. The public has a cordial invitation to attend.

### JON ANN THOMSON IS INITIATED BY SOCIETY

CANYON, March 10, (WTNS)—Miss Jon Ann Thomson, daughter of Mr. and Mrs. J. W.

Thomson of Muleshoe, is among 35 West Texas State College students recently initiated by special initiation and recognition services into Alpha Chi, national honor society.

Miss Thomson is a sophomore majoring in English. She is a member of Buffalo Masquers, Wesley Foundation, Square Dance Club, and was a member of the Mary E. Hudspeth.

## Colored Students Present Program

The Woman's Missionary Society of the First Baptist Church observed the Annie Armstrong Week of Prayer, by meeting each day, Monday through Friday, for one hour of prayer, and a program.

The programs concerned the various mission fields, and told of the work of the missionaries, and their financial needs. This work is expanding rapidly the ladies learned, and the need is great for building supplies, and other necessities.

Friday's program touched on the need among Negroes. On this day, a group from the Negro School here in Muleshoe, entertained the society, for a period of fifteen minutes, bringing two selections of group singing, and special piano numbers. Those taking part on the program were Thelma Ann Thompson, Raymond Lewis, Jr., and Norma Ray Horn.

This program was enjoyed by everyone present, as the child-

## Home Decoration Is Subject As HD Club Meets

Mrs. J. T. Boydston was hostess to members of the Muleshoe

H. D. Club in her home Tuesday of this week. Opening the meeting the group sang, "Beautiful Texas".

Each lady answered the roll call with, "A Courtesy Which I Need To Strengthen".

The coming Monday is Council meeting day, and council will meet in the club room.

A round table discussion on "Home Decoration", was the program for the day.

Mrs. Sylvia Robinson showed the group several hand made towels. These towels were made

of Swede weave, and were very beautiful. Anyone wishing to make these towels is asked to bring money to the next meeting, with which to buy materials.

Following the business and program, Mrs. Simmons led several games.

The hostess gift was won by Mrs. A. W. Copley.

Those attending were Meses. Sylvian Robinson, Harold Griffiths, R. R. Benham, Alvin Krieger, Claude Fletcher, A. W. Copley, M. E. Simmons, J. E. Day, Claude Gillis, Don Bruns, C. E. Briscoe, J. F. Maddox, W. F. Bowers, Roy Carney, and Walter Witte.

Visitors were: Meses. Fred Wilbanks, C. C. Benham, and J. M. Wimberley.

The next meeting will be held March 23, in the new home of Mrs. M. E. Simmons.

Delicious refreshments were served by the hostess.

## Former Student Is Honorary Colonel

Mona Smith, former student at Muleshoe High School, now a student at W. T. S. C., was honored at the Military Ball, which was held at the college last Friday evening.

Mona was made honorary Colonel of the ROTC.

The formal ball was held in the college cafeteria, and was well attended.

## Annual Negro Minstrel Slated For The 18 And 19

Two full evenings of entertainment are in store for everyone who plans to attend the Negro Minstrel next Thursday and Friday nights, March 18, and 19, at the High School Auditorium.

The show promises plenty of laughs for the entire family as the end men give out with their humor and specialty acts.

Money from this show will go into helping the JayCees buy uniforms and equipment for Little League team which they plan to sponsor this summer.

## Annual FFA Rodeo Regulations Are Announced; Six Events Are Listed

Rules and regulations to govern Muleshoe's annual FFA Rodeo, traditionally held the evening of "Western Day" observed by the local schools, were adopted last week when the committee met. Six events will be staged. The rules adopted follow:

1. A participant must be an active FFA member, on or before Dec. 1, 1954. (Pee Wee calf riders are exempt from this rule.)

2. The management of this rodeo does not accept responsibility for any accident which

## Sixty-Seven At Kick-Off Supper

Sixty-seven were present when the Bailey County Farm Bureau staged their membership drive kick-off supper last Monday night in the Legion Home. Joe Duke served the meal.

Principal speaker was Marvin Carter, service agent at Littlefield; other speakers included Lonnie Bass, SCS officer here and Jack Yarbrough, president of the Lamb County Farm Bureau. Bill Millen, president of the Bailey County unit, said good reports are coming in from contestants, but no figures on the drive have been released.

## WERE IN LUBBOCK

Mr. and Mrs. G. T. Maltby attended the meeting of the Disciples of Christ in Lubbock Monday afternoon. They represented the First Christian Church of Muleshoe at the meeting.

## Local Men Will Enter Lubbock Roping Contest

Benny Pena, of Muleshoe, will be one of three top ropers of the county to square off for valuable prizes in the opening show of the Lubbock Rodeo Association, to be held in their arena south of Lubbock March 20 and 21.

Pena is considered by the people of Eastern New Mexico and West Texas to be one of the best ropers in the business. He was reared at Ft. Sumner, now resides in Muleshoe. Two of his most formidable opponents will be Val King, a Lubbock boy; and Johnnie Leonard, of Del Rio, now a student in Texas Tech.

It is expected that fifty ropers will enter the contests. Large cash awards as well as merchandise prizes such as a \$250 hand tooled roping saddle for the winner will add zest to the contest.

## Progress WMU West Camp Ladies Met Together

The Progress W. M. U., and the ladies of the West Camp Baptist Church met at West Camp for an all day meeting, Monday, March 1, for an observance of Lottie Moon Week of Prayer.

The morning program was brought by ladies of the Progress organization and the afternoon program by the West Camp ladies.

A delicious lunch was served at noon by the West Camp ladies, and was enjoyed very much.

On March 4, the W. M. U. met with Mrs. Glenn Phipps, for the Royal Service Program. Five members and two visitors were present for the meeting.

Bro. Doyle Winters brought the very interesting lesson on "Lifting American Morals". The opening song was "How Firm A Foundation". After a prayer led by Mrs. Clyde Henry, the meeting was dismissed with a prayer by Mrs. Pugh.

On March 8, the W. M. U. held a meeting at the Progress Baptist Church, and the Bible study on the life of David was continued. The lesson was led by Mrs. J. H. Wimberley, and was very interesting.

There were seven ladies present for this meeting. Opening prayer was led by Mrs. Clyde Henry, and the 23rd Psalm was read by Mrs. Doyle Winters. Mrs. Winters then closed the meeting with a prayer.

**WEEKENDED HERE**  
Mr. and Mrs. "Pinky" Barbour of Olton, and Mr. and Mrs. Billy Don Barbour of Clovis, N. M., were in Muleshoe over the weekend, visiting relatives and friends.

## Negro Students Present Musical For WSCS Members

A business session was conducted by the president of the W. S. C. S. Monday afternoon, prior to a program on "The Negro and the Methodist—Are We our Brother's Keeper?"

Miss Scott of the Muleshoe Colored School, with three of her pupils, gave of their talent and time, to give the W. S. C. S. a well rendered musical program.

Raymond Lewis, a 10 year old boy played a piano solo, "Evening Bells". Thelma Ann Thompson, an eleven year old girl, played "The Breaker", by Aaron, and "When Troubles Burden Me Down", arranged by the Roberta Martin singers, was played and sang by a fifteen year old girl, Norma Ray Horn.

These numbers were rendered with poise, talent and beauty.

It was announced at the meeting that funeral services for Brother Hanks, were to be held Wednesday afternoon, March 10, at 2:00 p. m., at the Highland Heights Methodist Church at Sweetwater. Burial was to be in the Sweetwater Cemetery, under the direction of Wells Funeral Home.

The W. S. C. S. will meet Monday, March 15, for their quarterly luncheon and business session.

## Mrs. Maltby Hosts Progress HD Club

"Let's Discuss Decorating", was the theme of the very interesting program presented to members of the Progress H. D. Club by Mrs. Sherman Sweatmon, as they met in the home of Mrs. G. T. Maltby, March 2.

"Let your home reflect your personality", Mrs. Sweatmon stated. She showed the group several colored pictures on room decoration and doorways.

Mrs. Maltby gave the opening exercises. This was followed by the roll call, which each member answered with "a courtesy I need to strengthen".

The club voted to send \$4 to the District 2 Scholarship fund.

A delicious salad plate with hot chocolate, was served to the following ladies: Mes. Veta Self, Mary Sweatmon, Gladys Haley, Ada Murrah, Jessie Mae Thomson, and Fern Davis, by the hostess, Mrs. Maltby.

Each member is asked to bring a guest with them to the next meeting, which will be held with Ada Murrah, on March 16. The program subject for the day will be on "Legal Matters".

The play, "A Ready Made Family", played to a full house, March 2, at Three-Way and was given a good hand.

It is being considered by cast members, to take the play to other communities on invitation.

**Sudam Department Store Sold Residents Of Spur, Matador**

SUDAN, March 6 — The Salem Department Store, owned and managed by Joe T. Salem for the past 22 years, is now under new management.

George Gabriel, Spur mayor, and Andy Hurst, Matador, took over operation of the store on March 1 after purchasing it from Salem. Hurst will act as manager of the store and will move his family here from Matador as soon as possible.

Salem, long prominent in church affairs and Boy Scout work, has announced he will devote his time to these pursuits.

Among offices Salem holds are those of vice-president of the Northwest Texas Conference of Methodists, lay leader of the Plainview Methodist Church District and member of the board of directors of Lubbock Methodist Hospital.

He will take over the presidency of the South Plains district, Boy Scouts of America, upon the retirement of the present head, B. F. Malone of Lubbock, on June 1.

## NEW SPRING AIR

FOAM LATEX MATTRESS

TRI-ZONED FOR NEW SLEEP COMFORT!

The Tri-Zone Sleep Set (mattress and matching box spring) is a Spring Air exclusive. Yours in both single and full sizes.

Foam Latex by U. S. Rubber

Per Set **\$149.50**

• **TRI-ZONED.** 15% more density in the center section. More support where you need support. It posturizes your sleep!

• **RIGHT SUPPORT FOR HEAD AND FEET** because end sections are lighter, cores larger.

• **4½ INCHES THICK.** And all of it cool, porous, clean foam latex rubber for relaxed comfort.

• **NO SWAYING.** Cores in center zone are smaller, mattress stays firm. You rest . . . you never slide.

• **DIMPLED TOP** helps keep you in place. No slipping, ever.

• **NO WOBBLE,** thanks to special coring design. Mattress can't flatten out or twist.

• **SOLID EDGES** hold their shape. A wider rim of pure latex all around the mattress.

• **DECORATOR COVER** brings new beauty to your home . . . lasts longer too.

• **MATCHING BOX SPRING . . .** extra height . . . also Tri-Zoned!

### FIRST BIG MATTRESS IMPROVEMENT SINCE FOAM RUBBER...Tri-Zone Design!

Now really sleep. Sleep on the new Spring Air "Tri-Zone" Mattress . . . and discover comfort you never dreamed possible.

This unique foam latex mattress is specially designed to give 15% more support in the important center zone . . . the area where you need extra support for deep, restful sleep.

With it, a Spring Air special box spring, also Tri-Zoned to form a firm foundation for Tri-Zone comfort. Compare! No other bedding, at any price, gives you the comfort-features of this new Spring Air achievement!

**Parmer County Farm Bureau News**

All Farm Bureau Insurance Services are maintained ONLY for Farm Bureau Members in good standing. This is the policy for all casualty, fire, liability and hospitalization insurance. Life insurance is excepted from this ruling because of the long term contract nature. There has apparently been some misunderstanding about this.

Farm Bureau is a Christian, democratic organization of, by and for farmers and ranchers. Only those deriving at least 51% of their income from farming or ranching can be voting members. Others are welcomed as associate supporting members, and are entitled to all services, but they cannot vote in the formulation of resolutions. Every recommendation from

Parmer County Farm Bureau to the State Farm Bureau has been adopted by a majority vote at annual convention time. No individual in the organization has the power or right to make recommendations other than those voted by the membership to any group in the name of Farm Bureau.

There has never been, and will never be, an increase in Farm Bureau dues in this county unless the membership votes for such increases with full agreement upon the use of such additional funds. (There is no indication that the directors will ever ask for consideration of such an increase. If the membership should make such a request, it would of course be voted upon.)

No member has ever made a suggestion to Parmer County Farm Bureau without receiving full consideration. If you have recommendations to make, they will be given the same consideration. All of our resolutions

have come from the membership, and will continue to do so.

These administration policies are in effect in the county, district, state and National Farm Bureau. When a Farm Bureau Official speaks, as such, he must speak only in line with recommendations of the voting membership.

Farm Bureau is the only organization (over 1½ million member families) that is formulating the agricultural policies of the nation by democratic processes. If you're not sure you want to be a member, remember that you will be heard when you are, and not before. This is the tool farmers can use, in cooperation with fellow farmers, in promoting better ideas.

Consider This: Apply thine heart unto instruction, and thine ears to the words of knowledge. —Proverbs 23:12

**Exchange Student May Be Sent Here**

It will be known soon whether a German high school student will come here to reside near Progress and to attend Muleshoe high school.

Application has been completed by Progress Methodist Church for such a student. The student, if sent here, would reside in the home of Mr. and Mrs. Byron Gwyn of Progress community.

Rev. Carrol M. Jones, pastor of Progress Methodist, said notification would come in about a month, but there is no reason why the student won't be sent here except that there might not be enough students to fill all applications. The church made application to Brethren Service Commission, which works thru the State Department, and the student would come here as part of the Exchange Student Program.

Several European countries, including England, France, Spain, Italy, Austria, and Germany, are participating in the exchange program. The students live in the homes of America for the duration of one school term, and when the term is over they are given a tour of the U. S. by groups before they return to their homelands. The students must be between 16 and 17½, and probably will be in our 9th or 10th grades. Rev. Jones said. Both boys and girls are eligible to come here in the exchange program.

One German girl is now attending Kress school. She has been a speaker at programs in the Progress church and the Y. L. Methodist church.

**Western Band Newly Organized**

The newly organized western band of Muleshoe will make its first public appearance on Saturday, March 6, at Hunke's Music and Electric Shop on Main street beginning at 9 p. m.

Members of the band are: Dan Cruse, Jr., guitar; Bill "Sleepy" Drake, fiddle; Jackie Henderson, guitar; Dudley Hughes, bass fiddle; Dwayne Simpkins, drums; James Meason, mandolin.

The formation of the band is a result of a project started by Tom and Lily Hunke to bring together talented musicians here in Muleshoe and vicinity to play for enjoyment and relaxation.

The Hunkes hope that a number of similar musical groups will be formed. At the present, work is underway to form a junior western band.

Anyone who is interested in participating is invited. There is no charge and the only qualifications required are: 1. That the applicant be a resident of Muleshoe community and 2. that he has a desire to get together to share their common interests. Leave the names of interested people at Hunke's Music and Electric Store.

The public is invited to listen to the newly formed band the coming Saturday between 9 and 10 p. m.
