

Progress Methodist Awarded Second Place In "Rural Church of The Year"

Progress Methodist Church has won second place in the "Rural Church of The Year" in Texas. Rev. Carol M. Jones, pastor, has just received notice of the award from Dr. Daniel Russell of A. & M. College.

A certificate of award will be presented at the church at the Ninth Annual Rural Church Conference at A. & M. June 30 to July 1.

Babson Forecast For Second Half In Journal Soon

The Journal will publish Roger W. Babson's Forecast For The Second Half of 1954 soon. The forecast will be released June 24.

A careful checking of the Babson Predictions made in the Business and Financial Outlook For 1953 upholds the remarkable average of the past years, being 84% correct. Below is the score for the last sixteen years. It holds the best and highest record for Annual Forecasts on U. S. Future Business.

Forecast For	% Accurate
1953	84
1952	88
1951	86
1950	81
1949	80
1948	91
1947	93
1946	95
1945	87
1944	91
1943	94
1942	86
1941	78
1940	76
1939	89
1938	83

Watch for Roger Babson's Forecast for the second half of 1954 in an early issue.

Our Honor Roll

Subscribers to The Journal the past week are as follows:

Harry Walker, San Antonio.
Robert E. Martin, Route 1.

WHEAT MARKETING CARDS NOW AVAILABLE

Any wheat farmer in Bailey County who has not made a written request to the Bailey County ASC Office and will harvest wheat this year, can pick up their wheat marketing card by calling at the ASC Office and signing a receipt. A written receipt must be received or a receipt signed before any marketing card can be delivered to the producer.

The award is made on the basis of a "Report of Progress", which this church submitted May 1 of this year to the Town and Country Development Program. The report containing almost 100 pages detailed the program and activities of the Progress Church from April 1, 1953, to April 1, 1954.

The Town and Country Church Development Program, sponsored by Sears-Roebuck Foundation, Progressive Farmer Magazine, and Texas A. & M. College is concerned with churches that are located in centers of 5,000 population or less.

This letter of notification from Dr. Russell brought also a scholarship from Progressive Farmer to pay expenses of Rev. Jones while attending the Conference. First place in the state went to Our Savior's Lutheran Church, Route 1, Clifton; third place went to Bethel Methodist, Route 5, Waxahachie.

Cotton Release Date Now June 18

Farmers in Bailey County may release their 1954 cotton allotment back to the County Committee and be given credit for having planted cotton provided the farm has a history for one of the three (3) base years, according to Lonnie M. Bass, County Office Manager. This means if the history years used in 1955 for establishing allotments are 1952, 1953, 1954, and you release your acreage back to the County Committee, you must have a cotton history for one of the years 1952 or 1953 to be given credit for your 1954 released acreage.

The final date to release your cotton acreage has been extended to June 18, 1954. If you want to release all or part of your 1954 cotton allotment, come by the ASC Office in Muleshoe and sign the necessary papers. If you desire further information on the cotton release, come by the office and we will be glad to explain the program to you.

DEADLINE SET FOR NEW GROWERS WHEAT ALLOTMENT

Any producer in Bailey County desiring a new growers wheat allotment must come by the ASC Office and make application by June 30, 1954. The new growers wheat allotment is applicable to those farmers who at the present time have no allotment and would like to have a wheat allotment for 1955.

Rev. L. D. Cleveland To Y. L. Methodist

Rev. L. D. Cleveland, of Childress, newly appointed pastor for the Y. L. Methodist church arrived last Wednesday with his wife and daughter, Bessie Lee, to assume his new duties. Rev. Cleveland is a graduate of Gulf Coast business school at Lamesa, and of Clarendon Junior College.

PARENTS OF DAUGHTER

Mr. and Mrs. Bobby Wallace are parents of a daughter, born June 4 at Green Hospital and Clinic in Muleshoe. The little miss weighed 5 lbs., 14 ozs., and is named Teresa June. She is the first granddaughter of Mr. and Mrs. S. V. Willis and R. L. Matthesen, and is also the first great-granddaughter on both sides of the family.

USDA Announces "Distress" Loans On Wheat On Ground, Temporary Storage

The U. S. Department of Agriculture today announced that limited price support recourse loans for a temporary period will be made to wheat farmers where regular storage facilities are not available, and where it is feasible to store wheat on the ground or in temporary structures during the summer months. These loans will be similar to ones offered a year ago as announced on June 19, 1953.

Reports from some plains-area States indicate that there will likely be a shortage of available storage space, and that farmers may not be able to put their wheat under the regular price support program. As a result, they may be forced to leave their wheat in the open or to market it prematurely at prices. The special distress loan program is designed to aid these producers, making it possible for them to market in a more orderly way and to take advantage of price supports.

Hail Damages Buildings, Crops

Hail stones "big as a tennis ball" bigger than a hen egg, fell in a strip of country west of Muleshoe about 10 miles beginning at 4 o'clock Tuesday afternoon. Little rain accompanied the terrific hail.

The cloud roared menacingly as it went toward the north, and it was surmised much hail fell north of Muleshoe.

Jimmy Wedel, farmer 10 miles west of Muleshoe, brought a bucket of the stones to The Journal office shortly after the hail stopped. They weighed 2 to nearly 3 ounces. Harold Mardis probably had similar hailstones on his place.

Jimmy called in later to say that west of him even larger

stones fell, in the Nowell boys neighborhood, where he said the stones got as big as baseballs.

Jimmy said so far as he can tell his crops were not damaged, just a stalk of cotton very now and then getting the brunt of the blow from a hail stone. Grain sorghum was not damaged at all, but probably cotton and castor beans would show slight damage, Wedel said.

Further north considerable damage from hail has been reported. The roof on the home of Verney Towns, which is on Clovis highway, was said to have been heavily damaged. Hail did quite a bit of damage to young cotton in that area. The Redwine boys had a heavy hail and some

damage. Mr. Towns and three other got into a pickup during the storm. The pickup had its windshield broken in many places and was badly damaged, but the men were safe inside.

W. L. Sanderson, who lives a few miles northwest of Muleshoe, lost the roof on a home he was building. The house was unfinished but the roof had been finished, and the adjuster allowed him a new roof.

Bert Gordon, 9 miles northwest of Muleshoe reported heavy damage to his cotton, and Ross Glaze, about 5 miles northwest reported damage to his wheat. Donald Schuman, northeast of Muleshoe also reported crop damage.

George and Ed Johnson of Muleshoe, said the hail "wiped out" wheat on 740 acres they own north of Bovina. George said the hailstones were very large but also very thick. He said hail fell in a path from over in New Mexico to north of Friona.

Others reporting hail damage included: S. T. Tipton, damage to cotton; Herbert Nash, crop damage; C. N. Baker, O. M. Self, Mike Allen, Sam Shelley, all northwest of Muleshoe, damage to buildings. Countless automobiles caught in the storm were damaged and reports on these and other losses will be coming in to local insurance agencies.

Wheat Is "Wiped Out"

Others reporting hail damage included: S. T. Tipton, damage to cotton; Herbert Nash, crop damage; C. N. Baker, O. M. Self, Mike Allen, Sam Shelley, all northwest of Muleshoe, damage to buildings. Countless automobiles caught in the storm were damaged and reports on these and other losses will be coming in to local insurance agencies.

Sen. Andy Rogers Is Announcing For Second Term

It was deep satisfaction in 1951, as a State Representative, to help create our new 30th Senatorial District and thereby give West Texas a fair share of representation in Austin.

It has been an honor, a pleasure and a privilege to serve as the first Senator from that new District.

In reviewing my record, I would be the first to insist that I have made mistakes. No doubt, I shall make others. These will always be honest mistakes.

As your freshman Senator, I gained the following committees: Chairman of Stock and Stock Raising; Vice-chairman of Agriculture; Vice-chairman of Education, and member of Water Rights and Irrigation, Veterans Affairs and Public Printing.

Major legislation I introduced, and which is now law, includes an amendment to the Gilmer-Aiken school program which has saved our District \$250,000 of your local school tax money; Texas' first Grain-Warehouse and Grain Storage Law, and an act creating the Greenbelt Municipal Industrial Water Authority to build a dam on the Red River near Clarendon and Hedley.

My bill to prohibit the sale, publication and distribution of lewd, lascivious and vulgar literature and pictures in Texas passed the Senate unanimously, but died in the House of Representatives.

I consider water, its development and conservation, to be our most pressing State problem. I shall continue to do all within my power to keep the control of underground water resources in the hands of those who own the land.

When you elected me two years ago at the age of 27, I was the youngest Senator ever to have had the honor of serving West Texas. This is my fourth occasion to ask to serve the people of West Texas—twice as State Representative, and now, the second time as your Senator.

This is the second time I have been unopposed. For this—and for all of your kindness, help, encouragement, cooperation, friendship and understanding—I say, "thank you" from the bottom of my heart.

I will appreciate your vote and support and pledge my best to the opportunity of serving you again. I shall approach the job humbly and prayerfully.

ANDY ROGERS

Candidate Speaking

June 10 - Progress.
June 25 - Enocha.
July 9 - Y. L.

All are evening events, starting about 8 o'clock. Watch this space for other dates.

THE MULESHOE JOURNAL

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY
VOLUME 32, NUMBER 23 MULESHOE - County Seat of Bailey County - TEXAS THURSDAY, JUNE 10, 1954

US Highway 87 To Become A Four Lane Thoroughfare In Bailey County

The 1955-56 Consolidated Highway Program approval and release for planning operations was recently announced in Austin by the Texas Highway Commission. The purpose of the program is to set out specific projects on which construction is contemplated in order that engineering work, plan preparation and specifications may proceed and right of way be secured, according to S. C. McCarty, District Engineer of the Texas Highway Department at Lubbock.

The project in Bailey County is listed as follows:

Bailey County, US Highway 84, from Muleshoe SE to Lamb County Line, 8.3 miles in length, consisting of grading, structures and surfacing for 2 additional lanes, at an estimated total cost of \$249,000.

Mr. McCarty stated that it is considered desirable to get this planning work under way in anticipation of funds that would be made available to the Highway Department for the construction of this program of work. He further stated that Resident Engineer, W. H. Garrett would be in charge of the work in this area.

Little League Is Now Franchised

Muleshoe Little League, recently organized has been presented a Certificate of Franchise, signifying this League's affiliation with Little League Baseball, Inc.

Notification of the Franchise was received this week by local officials from Carl E. Stotz, Williamsport, Pa., commissioner.

Little League teams are taking a "spring training" period now and will start their regular season with two games scheduled in city park Tuesday afternoon, June 22.

Johnson Helps Raise REA Funds

Senator Lyndon B. Johnson hailed the action of the Senate in amending on June 2 the House version of the Agriculture Appropriations bill to increase the Rural Electrification Administration lending authority by \$35,000,000.

Senator Johnson, Democratic Leader in the Senate, rallied his fellow Democrats in support of the amendment. It was approved by a 42-40 vote, closely following party lines.

The amendment would boost REA's lending authority, starting July 1, to \$135,000,000. The President had asked for \$55,000,000. The House and the Senate Committee had approved \$100,000,000.

"It seemed to me false economy to appropriate less money for REA than was appropriated last year," Senator Johnson said. "The REA program does not cost the Government any money. The money loaned is being returned at 2 per cent interest. I am proud, as all friends of REA are proud, of the fact that these loans are being paid back ahead of time."

"On every rural electrification co-op of which I have knowledge, the demand for power is growing steadily heavier. This increasing demand means that hundreds of thousands of miles of line must be rewired. Heavier wire and heavier posts and larger transformers must be provided in order to meet the new demand created by the REA program. Money must be made available for loans to finance this necessary work."

Handicap Tourney For Women Sunday

Women members of the Muleshoe Golf Club will have a matched play Handicap Tournament on the local golf course, Sunday afternoon, June 13. Tee off time will be 1:00 p. m., with drawing for partners on No. 1 tee.

Mrs. Ruby Hart and Mrs. Naomi Alcorn will be opposing captains. Choosing of sides will be done from women present at tee-off time.

The losing side will entertain the winning side with a party. Date of party to be announced later.

Letters to the Editor

Dear Sir:

Will you please have a "Will Rogers Memorial Roundup" this year? We enjoyed it very much last year and think it would be worth a lot to our town and community to have a celebration like that each year.

Sincerely,
Martha Wuerflein

Water District Geologist Discusses Underground Water Source In Talk Here

Members of the Rotary Club at their Tuesday noon luncheon heard more about a subject that is always interesting to Plains people - water.

G. W. "Doc" Willis, of Lubbock, the geologist for Hi-Plains Underground Water Conservation District, discussed conclusions of scientists studying facts and data they have accumulated in a continuing investigation since 1937. Mr. Willis was for a long time associated with W. L. "Bill" Broadhurst, now the district's hydrologist and considered a foremost authority on underground water.

Some members of the club told Mr. Willis they sort of subscribed to the theory to account for Plains underground water supplies. He said data the geologists have amassed indicate.

Some members of the club told Mr. Willis they sort of go along with the theory that Plains underground water has its source somehow in the mountains of New Mexico; he said if this belief makes one happy it's all right, but that data the geologists have indicate the recharge theory is the correct one. Whichever theory one believes, it won't change the water situation, he figures.

He drew diagrams of the underground rock strata and the formations encountered to explain how water recharges into the underground water bearing sands.

The District now has begun two separate experiments on speeding recharge of surface waters following heavy rainfall.

A question and answer session followed Mr. Willis' talk and brought out many interesting facts about Plains water. There is still lots of water underneath the soil of the Plains, was one cheering statement made by Mr. Willis.

The speaker was introduced by Rotarian Harold King, who had charge of the program for the day. D. B. Lancaster gave a report on the Rotary Club's entry in the Little League, the Cardinals, which team he will manage.

STAR Agriculture

Released by
The Texas Department of Agriculture

By John C. White, Commissioner

PESTICIDE OUTLOOK

The overall supply of insecticides, fungicides and weed killers is generally adequate this year. Unless unusually heavy demands are suddenly made for these products, there will be enough for all anticipat-

ed requirements. Early season orders for pesticides was rather slow and manufacturers were not inclined to increase production as much during the past winter as in previous years. This could lead to some problems of distribution in case of epidemic infestations of pests.

If favorable rains came to the Cotton Belt of Texas and the Southern States in June and July, Boll Weevil populations might increase to enormous numbers. The situation would be serious if pesticide stocks had been purchased only for usual needs. Manufacturers might have trouble in shipping the chemicals to the danger areas in time to halt the outbreak. However, ample capacity exists for the production of all the major chemicals.

Insect infestations and fungus infections are, to a large extent, dependent on weather conditions and other natural factors. Few of these are predictable to any satisfactory degree.

The division of acreage this year to crops other than cotton, wheat and corn may affect pesticide consumption locally but probably will not mean a surplus of chemicals. In the overall picture, weather influences infestations much more than proposed acreage shifts, especially cotton. However, some crops planted on diverted acres will themselves require application of chemicals.

Some growers may use more pesticides per acre on the reduced acreage allotment in an attempt to increase their rate of production. Use of insecticides nearly always results in more cotton, weather permitting. Treated plots sometimes yield as much as 25.5 percent more cotton than untreated plots.

Printers Win Over Plant X Game At Sudan

Muleshoe Printers and Muleshoe R. E. A., clashed in a softball game last Thursday evening at Morton, with the Printers ending up on the short end of a 16-15 score.

Lewellan was the losing pitcher, with the help of numerous errors on the part of both the infielders and outfielders. Flanagan was the catcher; Tidwell, 1b; Fox, 2b; Shaw, ss; James, 3b; Robert Waggoner, lf; Colson, cf; and Marion Waggoner, rf. Played Plant X Friday

Friday evening, the Printers traveled over to Sudan for a game with the Plant X softball team.

The Printers won the game to the score of 9-1. Plant X made their first and only score in the first inning with a home run.

The Printers played an errorless game behind the pitching of Eugene Shaw.

R. E. Washington Serving Aboard USS Manchester

Raymond E. Washington, seaman, USN, son of Mr. and Mrs. Wylie N. Grubbs, of Muleshoe, is serving aboard the light cruiser USS Manchester in the Far East as part of the UN Peace Patrol.

Sailors aboard the Manchester had the distinction of being among the first Americans to observe Easter this year when the ship crossed the International Date Line en route to the Far East.

With the crossing of the line and the rolling forward of the ship's clocks, Saturday was eliminated, causing Easter Sunday to fall on the day after Good Friday.

It was four p. m. Saturday in New York, eleven a. m. in Honolulu, and ten p. m. Saturday in

Today's Meditation

JOY IN WORSHIP

Stir up the gift of God, which is in thee. (II Timothy 1:6). Read II Timothy 1:1-7.

It is one thing to rejoice in the wonderful heritage handed down to us. It is quite another thing to do and dare so worthily of the past that the influence which we make on today's environment becomes itself a heritage which our children's children will look back upon.

Can you hear them saying to their children, "Those ancestors we had back in 1954 were stout hearted people. They gave expression to a way of life which makes it easier for us to know the truth, to enjoy the beautiful, to walk in the path of honor?"

Rome, when Easter services began on the fantail of the Manchester in mid-Pacific.

Accompanying the cruiser were the destroyers USS Wiltsie, USS Homer and USS Theodore E. Chandler, and the radar picket destroyer USS Chevallier.

Among the five ships there were only two chaplains, one Catholic and one Protestant. They were shuttled back and forth by the Manchester's helicopter until they had held services on each ship.

Yes, it is very important for the Timothys of our day to have mothers like Eunice and grandmothers like Lois. Real joy in worship is realized when each new generation takes the unfeigned faith of their ancestors and rekindles it into a new fire of light and love and loyalty for the generations yet to come.

PRAYER

May we be faithful to our Christian heritage, our Father. May it bud and blossom anew in our generation, to the end that a rich harvest of golden fruit may be gathered tomorrow. In the name of the Saviour who teaches us to pray, "Our Father who art in heaven. Amen."

THOUGHT FOR THE DAY

Today's deeds are more important than the memories of yesterday.

Chas. A. Pierce, (Calif.)

VISITED PARENTS

Col. H. D. Smith, Jr., of Washington, D. C., visited his parents, Mr. and Mrs. D. Smith last week. He is one of the Air Force Officers serving with the faculty team of the Industrial College of the Armed Forces.

VISITED HERE

Nell DeShazo, of Midland, and Dick DeShazo, of Amarillo, spent the weekend in Muleshoe with friends and relatives.

Married In Ceremony At Lubbock

Miss Pat Pierce, of Lubbock, formerly of Muleshoe, became the bride of Mr. George Hughes, Lubbock, in a double ring ceremony, performed May 8, at 10 o'clock in the evening at the church of Christ at 4th Street and Avenue D, in Lubbock.

She is the daughter of Mr. and Mrs. S. H. Pierce of Muleshoe, and his parents are Mr. and Mrs. T. Hughes, of Lubbock.

Arthur B. Watkins, minister of the church, officiated at the wedding ceremony.

Traditional wedding marches, "Because", and "I Love You Truly", were the selections presented by a group of vocalists from the church congregation.

Vows were exchanged before a background of fern, and large white baskets of white peonies. The bride, given in marriage by her father, was lovely in a street length dress of white organdy, featuring a double full skirt, and a fitted bodice. A "V" at center front and center back accented a small waistline. Tiny white buttons ran down the center front and center back of the large collar, outlining the neck. Her short white organdy mitts, which came to a point over the hand, were also trimmed with the tiny organdy covered buttons. Her shoulder length veil fell from a tiara covered with seed pearls. She carried a bouquet of white carnations, with a detachable corsage, which was worn with her going away suit.

Miss Martina Tate, was maid of honor. Her dress was of aqua organdy, and was fashioned after that of the brides.

Jerry Hughes, served as his brother's best man.

Ushers and candle lighters were Johnny Fredenburg, cousin of the groom, and Carol Davis.

Flower girls were Betty Pierce, sister of the bride, and Margaret Hughes, sister of the groom. They carried small baskets of rose petals.

Reception Followed Ceremony

The reception immediately following the ceremony, was held in the home of the groom's grandparents, Mr. and Mrs. George C. Hughes, Sr., who reside twelve miles out of Lubbock on the Abernathy highway.

The bride's table was covered with an aqua net cloth over a white linen cloth, to carry out her chosen colors. An arrangement of white peonies was the centerpiece. The cake, two tiered, white and aqua, was triangular in shape, and was topped

Philathea Held Pledge Services

Pledge Services and initiation of new officers were held by members of the Philathea Circle, June 3, in the home of Mrs. Oscar Allison.

Following a short business session, Mrs. Finley Pierson gave an interesting talk, and presented Sharon Awtrey, daughter of Mr. and Mrs. Deon Awtrey, with an honorary membership certificate to the W. S. C. S.

Sharon Awtrey and Marsha Lynn Blackman led the group in a song.

Mrs. Stephens installed the following officers in a beautiful service: president, Dorothy Weyer; vice-president, Mary Nell Chapman; secretary, Betty Murray; treasurer, Sammie Allison; recording secretary, Ethel Bennett; and reporter, Margaret Adams.

Mrs. Arnold Morris gave a very impressive pledge service, and Mrs. Sam McKinstry furnished music at the piano.

Present were Meses. Barbara Blackman, Sammie Allison, June Allison, Dorothy Weyer, Charlene Bickel, Theresa Edwards, Mary Nell Chapman, two new members, Meses. Doug Jones and W. E. Myers; and visitors, Meses. Finley Pierson, Sam McKinstry, Jim White, and Arnold Morris, and Rev. and Mrs. Clarence Ste-

83rd Birthday Is Observed By Mrs. Bell Snyder

Half Century Club members met recently at the home of Mrs. Frank Snyder, for a birthday celebration, honoring Mrs. Sarah B. Snyder, better known as Bell Snyder, on her 83rd birthday. Mrs. Snyder is a member of the Club.

Following are the members who were present to wish her many happy returns of the day: Meses. Mattie Duke, Lois Schoenberger, Snow Davis, Neil Rocky, Beulah Carles, Pearl Moore, Mary Young, Sallie Harden, Lula Kistler, Hazel Farrell, Etta Welch, Clara Young, Leota Wilderding, Lucy Layne, Gussie Mardis, Alpha Julian, Jennie Panter, Laura Gilbreath, Bertie Paul, Clara Willman, and Ethel Walker.

A beautiful four tiered birthday cake, punch, and sandwiches were served from a table covered with a lovely lace cloth.

Mrs. Mary Young presided at the punch bowl.

Accompanied at the piano by Mary Young, members sang several selections.

A very enjoyable social was held, and Mrs. Snyder received many fine gifts.

Mrs. Sallie Harden will hold the next meeting at her home on June 17, with Beulah Carles serving as co-hostess. This was announced in a recent issue of The Journal, but was changed because of the birthday party.

Youngest person attending the party was two years of age, and the oldest was ninety-four.

Back To Base

A/3c Tony Jack Pierce, son of Mr. and Mrs. S. H. Pierce, has returned to his base at Pine Castle AFB in Orlando, Fla., after a few days leave with his parents, and other relatives and friends.

Visited Thursday

Mr. and Mrs. George Hughes of Lubbock, Mr. and Mrs. Bill Pierce, of Muleshoe, and A/3c Tony Pierce, of Pine Castle AFB, Orlando, Fla., visited in the G. H. Pierce home Thursday evening.

Lose Game To Muleshoe Team

Lazbuddie Women's softball team played Muleshoe last Thursday, June 3, with the score at the end of the game 15-5 in favor of Muleshoe.

Muleshoe made ten scores in the first inning, then the Lazbuddie girls buckled down and held the Muleshoe team to only five more runs in the game.

Tuesday afternoon the Lazbuddie team motored over to Stegall for a game, and on June 10, the Lazbuddie girls will tangle with the women's team from Enochs.

The game will be played on the Lazbuddie ball field, at 4:30 p. m. Everyone is invited to attend these games, and there is no charge.

Wittner-Knox Plans Revealed

Mr. and Mrs. Andrew Wittner are announcing the engagement of their daughter, Peggy Louise, to Billy Gene Knox, son of Mr. and Mrs. Frank Knox, of the Goodland Community.

The wedding will take place at the Three Way Baptist Church Saturday, June 12, at 7:30 in the evening.

A reception will be held immediately following the ceremony in the home of Mr. and Mrs. Frank Knox.

Birthday Dinner Honors Mr. Barnett

Pat Barnett was honored with a birthday dinner Sunday, in the home of his youngest son and daughter-in-law, Mr. and Mrs. Billy Barnett, of Muleshoe.

Music was furnished by Wallace Burris, and Charlotte and Marilyn Barnett, granddaughters of the honoree, sang, "Happy Birthday".

All present enjoyed a delicious dinner, and in the afternoon, cookies and home made ice cream.

Many happy returns of the day was the wish made by those attending, for Mr. Barnett.

The public is welcome to attend.

LeVeques Have Guests

Mr. and Mrs. W. B. LeVeque were hosts for a dinner Sunday in honor of their fathers, Frank LeVeque and Fred Millican of Springfield, Colo., for the following relatives: Mr. and Mrs. Milton Huffhines, Mr. and Mrs. Edward Huffhines and children of Hale Center; Mr. and Mrs. Nolan Huffhines and family, Mr. and Mrs. Noel Berry and Mr. and Mrs. Chas. Mullican, all of Lubbock.

Vacationing In Ark.

Mr. and Mrs. H. C. Holt, accompanied by Mr. and Mrs. Horace Holt and daughter, Carolyn of Amherst, left Tuesday morning for Hardy, Ark., where Mr. Holt was born. They will visit relatives at points in Oklahoma and other towns in Arkansas, including Hot Springs. They plan being away two weeks.

MU Royal Service Program Held

Royal Service Program of the Progress W. M. U. was held at the meeting June 7. The meeting, which began at 8:00 p. m., was opened by Mrs. W. Locker, in the absence of the president, Mrs. H. T. Pugh. Proclaiming the Saviour in Formosa, was the theme of the day's program. Opening song was "Jesus Saves", and Mrs. J. J. Redwine led the opening prayer. She stated that "we have a Saviour sufficient for all the need that we have, as well as the whole wide world."

A very interesting lesson was enjoyed by the group on missionary study.

Seven ladies were present for the meeting. Closing hymn was "The Kingdom Is Coming". Mrs. M. L. Shipp closed with a prayer.

Memorial Service Held By Rebekahs

Following the regular business session Tuesday evening, June 8, Muleshoe Rebekah Lodge held a beautiful memorial service, with Fern Davis and Allie Snyder giving readings.

The service was honoring deceased members. Following the service, Ruby Green placed the flower upon the altar.

Fay Lambert and Callie Smith sang two duets, "Sweet Hour of Prayer", and "Rock of Ages".

Callie Smith, chaplain, gave the closing prayer.

After closing lodge, refreshments of homemade ice cream and cake were served.

Members are invited to a canasta party at Earth, June 18.

Peggy Wittner Is Feted With Bridal Shower

Peggy Louise Wittner, bride-elect of Billy Gene Knox, was feted with a miscellaneous bridal shower Tuesday afternoon, June 1, in the home of Mrs. Tommy Galt. Co-hostesses were Elmes Brock, Hodnett, Delbert Richards, Dolly Ann, H. E. Kirby, Dave St. Clair, A. G. Taylor, Baker Johnson, Frank Griffith, L. W. Chapman, and D. P. Brinkler.

The servin table was laid with a linen cloth, and centered with a cake. The cake was made to represent a bride, with the three tiers as the skirt and a small doll on top complete with wedding veil.

Elizabeth Dupler served the cake, and Peggy Underwood poured the punch. All appointments were in crystal.

Guests calling were Mmes. Jack Lowe, Horace Hutton, Bea Dupler, A. E. Robinson, Jewel Brockman, Archie Sowder, Amos Sedgwick, Ed Neutzler, Adolph Wittner, C. L. Taylor, L. D. Sanderson, Marion Walker, W. R. Evers, Morris Gant, George Wheeler, Jimmy Wheeler, Leon Reeves, Andrew Wittner, Jerry Ferguson, Peggy Ferguson, Clint Everett.

Albert Ellis, Cass Stegall, Memi Neutzler, Pete Tarleton, E. T. Wittner, Morton; Donald Knox, Littlefield; and Misses Shirley Reeves, Peggy Underwood Madalyn Galt, Gail and Bettye Ann, Anna Margaret Gunter, Berniece Kirby, Nan Griffith, and Elizabeth Dupler.

The hostesses wore corsages made of wash cloths and presented them to the honoree at the close of the shower.

HOME AFTER LONG TRIP

Mr. and Doc Wilhite and children, Jeral Lynn, Carrell, and Rodney, have returned after a long, two weeks trip to scenic points in Colorado and Wyoming, and to the Black Hills of South Dakota.

MRS. CARROLL TO HOSPITAL IN HOUSTON

Mrs. Albert Carroll entered a hospital at Houston for treatment Tuesday. Mrs. Carroll was accompanied on the train by Mrs. A. E. Lewis and her daughter, Mrs. Charles Lewis.

Dr. Lewis and Charles had driven down to Houston earlier.

HOME FOR VACATION

She Creamer, who has been attending Nursing School in Amarillo, is home for a two week vacation with her parents, Mr. and Mrs. W. F. Creamer, before resuming her studies.

WERE GUESTS SUNDAY

Guests in the W. H. Awtrey home Sunday were Mr. and Mrs. W. H. Awtrey, Jr., and daughter Rhonda Kay; Shelia Rae, of Hereford, and Mr. and Mrs. Deon Awtrey and children, Ronald and Sheran.

FARMER COUNTY Farm Bureau News

By RAYMOND EULER

Farm Bureau Directors meet next Monday, June 14, at 8:00 p. m., in the Friona Legion Hall. We announced the wrong date last week. They are always on the second Monday of the month, and you are welcome to sit in on these meetings.

A release from the United States Department of Agriculture corroborates information received earlier from Texas Farm Bureau president, Walter Hammond, that "Distress" loans would be available for producers who could not find storage for wheat this season. The news release will probably appear elsewhere in the paper you are reading. This is the provision, passage of which made Daily Headlines Nationally in 1949, along with Farm Bureau and Hammond when he made the proposal in Washington. Farm Bureau was instrumental in gaining reinstatement of this provision last week. If you like this provision, we believe you will keep your dues current for several years to come without its costing you anything.

The greatest masterpiece on the proper and efficient facilitations of appurtenances for eating fresh, steaming hot roasting ears we have ever seen appeared last week in the Hopper, by Sonny Graham. We believe it will be well worth your while to read it now, if you missed it before.

We are encouraged at the interest being shown by many farmers in getting rid of Johnson grass infestation in the county. If this activity continues, it is probable that within a few years it can be set back to a minor problem, easy to handle. See County Agent, Joe Jones for proper methods of treatment for any noxious plants you may dis-

HEATHINGTONS ARE PARENTS OF BOY

Mr. and Mrs. Willard Heathington are parents of a boy, born Tuesday morning, June 1, in base hospital, Fort Hood, Texas. Proud grandparents, Mr. and Mrs. F. Heathington, and Mr. and Mrs. I. L. Kitchin, went down over the weekend to get acquainted with the young man.

WERE RECENT GUESTS

The J. H. Greens of Ft. Worth, the Berlin Simpsons, of Tulsa, Okla., Mrs. Earl Kincaid, of Lubbock, and Lin W. Greer, of Tucumcari, N. M., were recent guests in the home of Mr. and Mrs. H. Jay Weyer.

VISITORS HERE

Visitors in the T. P. Kittrell home over the weekend were Mr. and Mrs. Joe Wigley and family, Junior and Janette, of Alamogordo, N. M. They all attended a family reunion Sunday in Hale Center in the home of Mrs. Kittrell's sister, Mrs. Jack Anderson. Others from this area attending the reunion were T. J. Kittrell and Ysleta Brown, Mr. and Mrs. Bill Craft, and Mr. and Mrs. W. E. Kittrell and children Kay O'Lynn and little Ken, of Muleshoe.

TO MAINE

T/Sgt. and Mrs. Arthur L. Rusch left earlier this week for Limestone, Maine, where he will be stationed at Limestone AFB. Sgt. Rusch has formerly been

stationed at Roswell, N. M., at the Air Base there. They plan to make their home in Limestone for several years. Mr. and Mrs. Rusch spent the past weekend here with her parents, Mr. and Mrs. W. F. Creamer.

cover on your farm.

Wheat harvest is getting underway this week on some fields. We, along with practically everyone else, wish the fields were more numerous and extensive than they are these days. We're thankful, though, for the irrigation water that makes possible the good fields of harvest we have.

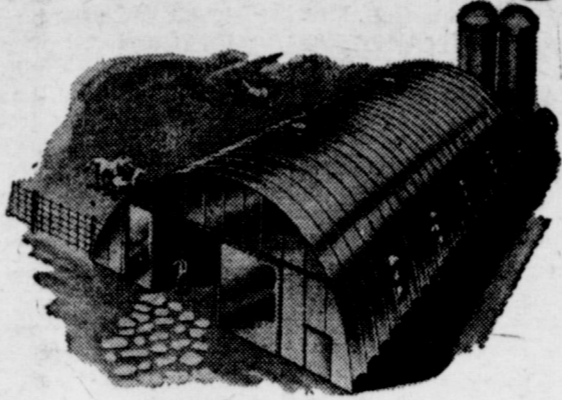

Consider This: "Be not thou envious against evil men, neither desire to be with them; For their heart studieth destruction, and their lips talk of mischief." Proverbs 24:1-2.

stationed at Roswell, N. M., at the Air Base there. They plan to make their home in Limestone for several years. Mr. and Mrs. Rusch spent the past weekend here with her parents, Mr. and Mrs. W. F. Creamer.

TO MT. PLEASANT

Paula and Jackie Baker, daughters of Mr. and Mrs. Butch Baker, are in Mt. Pleasant to spend the summer with an aunt and uncle.

Every Room Is A Corner Room

Here is a low-cost house of simple construction designed for comfortable living. It is an attractive house, compactly arranged, with pleasing horizontal lines. A large amount of usable wall space in the bedrooms permit desirable furniture arrangement. The two large closets in each bedroom provide storage for clothes, blankets, etc. A linen closet is in the hall, the lower section of which can be used as a dirty clothes hamper. The kitchen is arranged so that it will be unusually cool.

The window by the table makes a cheerful spot for eating, and the windows by the sink and stove provide an abundance of light where it is always needed. The large pantry, a small ventilated pantry, a lined closet and a water heater closet provide an abundance of storage space.

If more work space is needed or a screened porch wanted at some later date, the back door is placed so that this can be easily arranged by using shed room construction. This will provide a large amount of space very economically and in no way detract from the appearance of the house or necessitate any alteration in the kitchen.

A centrally located chimney will serve a living room heater and also the stove in the kitchen if a wood or coal kitchen range is used. If you want a fireplace for living room heat, it would be convenient to use the space now shown as a ventilated pantry and that shown as a chimney for storage.

The long front porch is a pleasant place to spend summer afternoons and evenings.

You can obtain blueprints for this The Muleshoe Journal's Farm & Ranch, Southern Agriculturist Plan No. 4807 and a handy list of materials by which you can figure your construction cost accurately. Send \$2 to Building Editor, Farm & Ranch, Southern Agriculturist, Dept. L-36, Nashville, Tenn. Order by plan No. 4807. Blueprints are adequate for any farm carpenter or any farmer handy with tools.

CHRISTIAN SCIENCE SERVICES

That spiritual understanding of God protects man from disease and danger, and is not subject to material laws of chance and change, will be brought out at Christian Science services Sunday.

Keynote of the Lesson-Sermon entitled "God The Preserver of Man", is the Golden Text from Deuteronomy: "The eternal God is thy refuge, and underneath are the everlasting arms" (33:27).

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "God has endowed man with inalienable rights, among which are self-government, reason, and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker, divine Truth and Love" (106:7).

From the King James Version of the Bible the following verses will be among those read: "Because thou hast made the Lord, which is my refuge, even the most High, thy habitation; There shall no evil befall thee, neither shall any plague come nigh thee dwelling" (Psalms 91:9, 10).

IS ILL
R. C. Cline of Cline's Studio, has been ill for the past week, and is under the care of Dr. M. F. Green.

John Smith. 12-231tp.

**Father And Son
Banquet June 18**

Grandmother Lucy Layne re-
ceived the book, "Walking With
God", as a gift from members of
the Woman's Society of Christian
Service, as that organization met
Tuesday morning at 8:00. She
was ninety-two years of age.
Opening the meeting, the
group sang, "Lilly Of The Val-
ley", after which Mrs. Jay Wyer,

president, took charge. Treasury
report was given by Mrs. Arnold
Morris.

A report was given by the
committee on the Father-Son Ban-
quet, which is to be held June
18, in the Fellowship Hall. Only
a limited number of tickets will
be sold to this affair. The com-
mittee asked that reports be
made by Tuesday morning as to
how many tickets had been sold.
It was decided to serve the
Lions on Ladies Night, which is
tomorrow evening, Friday, June
11.
Members voted to autograph
a copy of the book, "Walking

With God", and present it to Mrs.
Tom Smallwood, who is moving
to Lubbock.

The lesson was introduced with
the Scripture, "In as much as you
have done it unto the least of
these, my brethren, you have
done it unto me". Mrs. Ruby
Jennings gave a very interesting
review of the book, "The Negro
In The Methodist Church". Au-
thor of the book is Dr. Mason
Crum.

Mrs. I. F. Willman concluded
the program by giving a short
history of five colored children,
outcome being the vote of the
Supreme Court to rule out segre-

This Weeks Mystery Farm

CAN YOU IDENTIFY THE MYSTERY FARM? If you are the first correctly to identify the farmstead pictured below, you will be awarded two tickets to Cox Drive-In Theatre in Muleshoe. Watch The Journal each week for a picture of an attractive farm home of the Muleshoe country.

Just phone The Journal and inform us where you live and whose farm you think this is. There will be two tickets each for the first out of city dweller and the first city resident to telephone or call at this office. Phone 5400 and 7220.

Miss Sammie Carrol And Charles Lewis Wed On Anniversary of Bride's Parents

MR. AND MRS. CHARLES LEWIS

On the twenty-ninth wedding anniversary of her parents, Sammie Beth Carroll, daughter of Mr. and Mrs. Albert S. Carroll, of 1005 West 8th St., Muleshoe, became the bride of Charles Gilbert Lewis, son of Dr. and Mrs. A. E. Lewis, of 1411 Ave. D, Muleshoe.

Minister Ebb Randol, pastor of the Church of Christ of Muleshoe, read the double ring service at 8:00 o'clock Saturday evening, May 29, in the sanctuary of the Church.

The altar was banked with greenery and a Cathedral Candabra formed the background, with large baskets of white stocks and calla lilies on either side. Smaller urns of white flowers flanking the central arrangement completed the setting. Pews on the center aisle were marked with white tapers tied with large white satin ribbon bows.

A mixed quartet composed of Jack Baker, Wylie Baker, Mrs. Boone Allison, and Dick Felts, sang "Through The Years" as Carroll Don Martin and Douglas Beaty, cousins of the bride and groom respectively, lighted the candles. The quartet sang the traditional wedding march for the processional, and "Oh Promise Me", as the recessional. Mrs. Robert Waggoner attended the bride as matron of honor

and the bridesmaids and matrons were Mrs. Herman White, of Friona; Miss Mina Margaret Jennings, Muleshoe, cousins of the bride; Mrs. Bill Hicks, of Seminole, Okla.; Miss Wanda Walker, of Tyler, and Junior bridesmaid was little Miss Bonnie Stalnaker, of Ft. Worth.

The little flower girl was Lynn Beaty, of San Antonio, cousin of the groom. The bride's attendants' dresses were identical, of imported Chantilly-type lace over net and taffeta. Designed with strapless bodices completed by net stoles covering the shoulders. The fitted bodices having escaoped fold over bustlines and tiny cord accenting waistlines. Joining these were immense waltz-length skirts, cut on circular lines, with stiffened lower edge raised to show net ruffles across the front. They were worn over crinolines to emphasize fullness. Dresses of the flower girls were fashioned after that of the bride's. They carried white net ruffled parasols held over the shoulder, with their corsages of orchid feathered carnations fastened in the top of each parasol. The flower girl carried a tiny inverted parasol filled with orchid flowers. They all wore white net mitts with tiny orchid ribbon bows to complete their ensembles.

Escorted to the altar and given in marriage by her father, the bride was attired in an original model of white imported Chantilly lace and nylon tulle ruffles over net and taffeta. Designed with sheer yoke, outlined with embroidery of iridescent beads and sequins. The fitted bodice had long sleeves ending in points over the hands and terminated with deep points at center front waistline. From this stemmed a magnificent skirt made of shirred lace, with escaoped lower edge completed by ruffles of lace. A "V" panel at center back, made entirely of ruffles, swept into a short and graceful Chapel train. Hoops and crinolines were worn underneath to emphasize the fullness. Her veil of silk illusion, outlined with applied lace, was joined to the tier embroidered with sequins and pearls. Her cascade type corsage was a beautiful purple throated white orchid surrounded by stephanotis and white lace leaves. For something old she wore her grandmother Carroll's wedding band. Something borrowed was a costume pin belonging to Mrs. Glenn Dunn, a longtime friend of the family. The pin was given to Mrs. Dunn by the bride when she was three years of age. She wore the traditional "blue garter", and "lucky Penny" in her shoe. Something new was a

lovely single strand of pearls, a gift from the groom.

Mrs. Carroll, mother of the bride, was attired in a pink lace and linen frock with pink and navy accessories. Her corsage was a white orchid. Mrs. Lewis, mother of the groom, wore a pastel blue lace and linen frock, with blue and black accessories. Her corsage was a white orchid.

A small reception honoring the bridal party was held in the home of the bride's parents. The bride's table was covered with a beautiful white satin cloth reaching to the floor, overlaid with nylon net with a full gathered floor-length ruffle. Arrangements of white and orchid flowers decorated the serving tables. The three tiered wedding cake was topped by a miniature bride and groom underneath a wedding bell.

After a short wedding trip to points in Colorado, the couple returned to Muleshoe where they will reside until September.

For traveling the bride chose a grey linen suit with patent accessories. Her corsage was the orchid taken from the center of the bride's bouquet.

The bride is a graduate of Muleshoe High School and has attended Baylor University for the past two years. The groom is also a graduate of Muleshoe High School and has attended Baylor University for the past two and one half years. The couple plan to resume their studies this fall at Baylor Dental College, and S. M. U., in Dallas.

Out of town guests were: Mrs. Bruce Abney and Gail Dean of Parsons, Kans.; Mrs. Ralph Disch and Judy, of Green Forest, Ark.; Miss Flossy Carroll, of Tenn.; Mr. and Mrs. Claud Goss, of Maud, Okla.; Mr. and Mrs. Bill Hicks and Stanley, of Seminole, Okla.; Mr. and Mrs. Chester Blaylock, of Seminole, Okla.; Mr. and Mrs. Don Martin and Carroll Don, of Hereford; Mr. S. L. Carroll, of Hereford;

Mr. and Mrs. Ross Walker and Wanda, of Tyler; Mr. and Mrs. Bill Stalnaker and Bonnie, of Ft. Worth; Mr. and Mrs. C. Bryant, of Hereford; Mrs. L. S. Lewis, of

Needmore; Mrs. G. G. Lewis, Needmore; Mr. and Mrs. G. B. Busch, Friona; Mr. and Mrs. George Treider, Friona; Mr. and Mrs. Earl Miller, Earth; Mr. and Mrs. Olen Jennings, Littlefield; Miss Pat Howard, McComb, Okla.; Mr. and Mrs. Horace Gardner, Morton; Mr. and Mrs. Elmer Gardner, Morton; Mr. and Mrs. Howard Tate, Dallas;

Mr. and Mrs. Collins Beaty and family, San Antonio; Dr. and Mrs. Dan Scheffler, Nordheim; Mr. and Mrs. Henry Williamson and Mrs. Ayers, Brownfield; Mr. and Mrs. Dick Perrin, Littlefield; Mr. and Mrs. Fred Hagaman, Conway; Dr. and Mrs. Elmer Moore, Lubbock; Mr. and Mrs. Dick Rockey, Friona; Mr. Richard Gaines, Pueblo, Colo.; Mr. Gene Walker, Clovis, N. M.; Miss Phyllis Lee, Clovis, N. M.; Mr. A. M. Beaty, Abilene; Mr. and Mrs. H. T. Brawley, Hobbs, N. M.; Mr. and Mrs. Jack Straw, Olton; Mr. and Mrs. L. L. Ginnings, St. Vrain, N. M.; Mr. and Mrs. J. C. Ginnings, Portales, N. M.; Mr. and Mrs. Ira Roberts and Vernon, Portales, N. M.; Mr. and Mrs. Jimmy Ellison and Gary, Clovis, N. M.; Mrs. C. B. Graves, Hobbs, N. M.; and Mr. and Mrs. Lavern Roberts and family, Hereford.

were present as the Muleshoe Home Demonstration Club met in the home of Mrs. Reil Williams Tuesday afternoon, June 8, at 3:00 o'clock.

Roll call was answered by "The Craft I Enjoy Most". Mrs. S. C. Caldwell and Mrs. R. F. Wright, brought a first aid program on various bandages, including uses of triangle bandages, and square knots.

Mrs. S. L. Robinson demonstrated glass cutting. The club plans to take the neck off the bottle at the next meeting. First aid will be continued at this meeting, and a lesson on artificial respiration will be given. The meeting will be held at the home of Mrs. R. F. Wright, June 22.

Club members are planning to have an all day meeting sometime soon, at which time etching or aluminum will be taught. Those wishing to order a tray, bring money to club meeting.

Mrs. S. C. Caldwell won the hostess gift, which was a first aid kit.

Mrs. R. R. Benham was presented with a lovely duster from club members. Mrs. Benham led a scrambled word game in which Mrs. Don Bruns won an unusual pot holder. Several heard from their club pals.

After the business meeting the group went to the Roadside Park, where they enjoyed a weimer roast with all the trimmings, despite a high wind and sand.

BABSON DISCUSSES—

Babson Speaks To Employers

Babson Park, Mass., June 10—Some of my young friends feel that a recent pessimistic column of mine will handicap them in getting a good position. Hence, they wish me to tell the optimistic side of the story. There is much newspaper talk about the delinquency of juveniles, the carelessness of youth, and the

lowering of school and college standards.

Of course, the destruction of school or any property should be given the severest criticism, but some feel these crimes are only a natural reaction from the moral letdown that always has accompanied periods of great wars. So much has been written by me regarding the pessimistic side of the "modern youth" problem that I really should pass along some optimistic words, especially now at graduation time.

HOURS AND WAGES

Stores are having some trouble from stealing by employees; but this has been due partly to the store's carelessness. When it comes to the industry, initiative and loyalty of the honest ones, I must admit that the high-school graduates today may possess some good traits to a greater extent than any previous generation. Modern youth may wish to work fewer hours; but with telephones, calculating machines and dictaphones, they may accomplish more in a 40-hour week than I did when working 50 hours per week. They claim five times as much!

Now as to wages: On the wall of a store adjoining my Wellesley office is a tin sign dated 1904 reading:

"THE BOSTON HERALD PRICE ONE CENT"

One of the leading newspapers of New England. The Boston Herald now sells for five cents. We employers are disturbed at the wages which "modern youth" ask; but are these wages more than five times what we paid high school graduates fifty years ago?

WHAT IS PALEONTOLOGY?

Paleontology is the science of ancient life. Recently, Doctor Barnum Brown, Curator Emeritus of the American Museum of Natural History, a leading paleontologist, told me that the facts prove conclusively every normal generation is abler than its predecessor. The new generation may do things which we oldsters do not like; but it has other qualities which more than offset our objections. This improvement, he claims, is due to many factors—one of which is the better diet which each generation has—more protein, more fruits and vegetables, and especially a greater variety of food. When I attended high school, I despised such subjects as Latin, Greek and certain higher mathematics. When I would tell

the teacher that I would never use these subjects, the teacher would reply, "These are taught to help you develop your brain." Yet today, psychologists tell me that driving automobiles through traffic does far more to develop the brains of modern youth than did any of those high-school subjects which were taught us. In fact, it may be that automobiles are today doing more to sharpen high-school brains than many of the textbooks which I studied.

AUTOMOBILES AS TEACHERS

I am scared stiff when riding with one of my grandchildren. The way he drives "in and out" of traffic astounds me. Yet, he never has an accident. The automobile may make the present generation superior to the pre-auto generation to which I belonged. Furthermore, instead of urging youth to drive slower we should perhaps be content to urge "careful driving". The best brains are said to be developed by alert, careful driving.

Therefore, I should say that 1954 graduates—who avoid liquor and excessive smoking—may be the best we have ever had an opportunity to hire. Perhaps, we employers may well place them in the jobs of us oldsters who cannot think as fast or visualize as quickly as we once could. In fact, one of the best tests which an employment manager can use on applicants may be to ask for the applicant's auto record. It may tell more than high-school marks! I do not know.

ATTENDED INSTALLATION

Rev. and Mrs. Clarence Stephens and family, and Elizabeth Harden, attended the public installation, of the Rainbow Girls at Morton, Monday evening of this week.

LEAVES FOR CALIFORNIA

Benny Bickel will leave today for San Diego, Calif., where he will enter the Naval Reserve Camp for two weeks boot training.

TO WEST POINT

Gwyneth Bigham left last Thursday for West Point, where she will attend the wedding of her cousin, LaRue. She will stay for the June graduation exercises.

SAND HILLS PHILOSOPHER—

Opposed To Atom-Run Tractor, He Doesn't Want Job of Keeping It Secret

Editor's note: The Sand Hills Philosopher on his Johnson grass farm seems a little jittery this week, his letter reveals.

Dear editor:
I heard a man on the radio the other night, I think he was an expert, at least he claimed he was and he spoke with considerable authority, which doesn't necessarily mean anything as most radio news analysts speak that way anyway, and he was contending America is missing a real bet by not using atomic energy for some other purposes besides bombs.

"Here we've got this tremendous source of power and we ought to be studying methods of using it in many other ways, for example as sources of energy for automobiles tractors, other machinery, etc."

I think this fellow is on dangerous ground. Now I'll admit I'd like to have a tractor you could buy a thimbleful of atomic energy for and run for the next ten or fifteen years, but here's the point this expert is overlooking:

"T. A."

What if they installed some atomic engine on my tractor out here and the thing worked fine. What would I want to know, is who's gonna guard the thing?

Personally, I certainly don't want the responsibility of keeping in any atom secrets. My observation has been that even the top men in the country connected with atomic energy aren't up to keeping the thing secret. Oh, it's true the secret has been fairly safe with some politicians, but that's mostly because they didn't understand the principle of the atom anyway and couldn't have revealed it if they'd wanted to. The secret of what's on the back side of the moon is safe for the same reason.

But the last thing I want out here is some secret information. I'd rather return to plowin with mules, ain't no secret connected with that system, ain't no investigation likely to develop about it, ain't no foreign agents interested in it.

In fact, if things keep goin like they are, the dumb people may turn out to be really smarter than the smart ones, as it looks like the smarter a man gets the more suspicious he arouses, and the safest place for a secret no doubt is in the mind of a man who can't understand it. Don't know why the experts haven't thought of this

before. What they ought to do is divide the atom secret up into fifteen parts, pick out say fifteen Congressmen who can't understand even one-fifteenth of it, make em memorize their parts, but don't tell em what order the memorized sections go together in, kill off the scientists who thought up this thing in the first place, and the secret will finally be safe and secure.

Meanwhile, keep those atom tractors away from my farm. I couldn't understand one anyway, but I don't want to have to go to Washington to prove it.

Yours faithfully,
J. A.

LEFT FOR DALLAS

Ann Woodley and Barbara Douglass left Tuesday of this week for Dallas, where they will visit Barbara's aunt, Mrs. Lyndol Childers. Mrs. Childers has a cabin cruiser on the lake at Dallas, and the two girls are planning to have a big time. They will be gone about a week or ten days.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get sure but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

From where I sit ... by Joe Marsh

Wise Stepmother

Have you heard about young Skeeter Roberts' unusual pet, the tame owl "Blinky"? He's had her about three years.

I say "her" because up to a couple of weeks ago nobody was quite sure. But now "Blinky's" a mother—of two chicks!

Seems "Blinky" had been acting kind of strange—so on a hunch, Skeeter put a couple of hen's eggs in her nest. Darn if "Blinky" didn't set on them for 5 days! Last Friday they hatched, and now "Blinky's" as proud as a mother hen! (So's Skeeter.)

From where I sit, there's a lesson for all of us. Guess you'd call it "tolerance." Birds and animals often seem to do better in that respect than humans. If I like a glass of temperate beer with supper and you'd rather have cider—it should be okay with both of us. Neither of us should give a "hoot" what the other fellow likes, says, or does, as long as he follows the law of the land. Right?

Joe Marsh

TV NEWS

by ROY DYER

Television is our business ... and we make it our business to keep in touch with everything that's happening (and going to happen) in this exciting medium.

Every day we meet a lot of people and talk about what's going on in TV ... about the new shows, the new stars, the new sets, the developments in

store for the future. Everybody is talking about television, and why not? TV antennas are sprouting upon most homes and people are spending a lot of time ... and having a lot of fun ... in front of that screen.

Thinking about this, we came up with the idea of writing a column about television. After all, we hear a lot about what's new in the business, and most people would like to read about these events and the people who make them. So we're going to make a stab at it. Hope you'll look in on us here and let us know how you like (or dislike) our column comments.

We'll be glad to see you personally, too, at the store. Drop in and give us your honest reactions to these writing efforts. At the same time, you can look over our complete line of quality PHILCO TV sets, with Deep Dimension pictures. You'll find a complete range of home furnishings in our store. Philco appliances, Kroehler living room sets, floor coverings, and linoleum. Stop in and visit us. And remember, "If it's furniture or hardware, we have it", at DYER HARDWARE and FURNITURE. Phone 2590, Muleshoe, Texas.

VISITED MOTHER

Mrs. Marion F. Harris visited in Lubbock last week with her mother.

Miss Marye Pair and Bobby Poteet Wed In Ceremony At West Camp Sunday

MRS. BOBBY POTEET

Miss Marye Pair became the bride of Mr. Bobby Poteet in a candlelight ceremony at 4:00 o'clock on the afternoon of May 30, at the West Camp Baptist Church. The double-ring ceremony was performed by Rev. T. L. Pond, pastor of the church. The bride is the daughter of Mr. and Mrs. Arvol Pair of West Camp, and the groom's parents are Mr. and Mrs. M. H. Poteet, of Texico.

Vows were repeated before an archway of greenery, flanked by candelabra and baskets of white gladiolus, mums, and fern trees. White satin bows marked the pews.

Vocal selection was given by Shirley Smith, who sang, "Because" and "The Wedding Prayer", as the couple knelt at the altar.

with a sweetheart neckline edged in pearls, and long sleeves coming to a point over the hands. Her waistlength veil fell from a garland of white rosebuds. She carried a white Bible topped with a white orchid and stephanotis.

Carrying out the tradition, the bride wore a gold wedding band belonging to her mother for something old; something new was a string of pearls, which were a gift from the groom; something borrowed was the penny she used in her shoe; and something blue was a blue garter.

Mrs. Charles Benton, sister of the bride, served as matron of honor. She wore a pink ballerina length dress, fashioned with scalloped neckline and full skirt. Her gloves matched her dress in colour, and she carried a bouquet of pink gladiolus.

Miss Darlene Sprauls and Miss Ann Whitley were bridesmaids. Their dresses were orchid, and were fashioned after that of the matron of honor. They carried bouquets of cascading asters. Mikala and Sherri Austin, were flower girls. Their dresses were orchid, and were identical to the bridesmaids.

Larry Benton, nephew of the bride and Cary Crume, nephew of the groom, were ring bearers. Serving the groom as best man was Jack Woodson of Gaitesville.

Mrs. Erma Jobses presented nuptial music at the organ, and Miss Mary Rolland presided at the registration book.

Immediately following the wedding, a reception was held

in the home of the bride's parents. The serving table was covered with a lace cloth over pink, and centered with a beautiful bouquet of pink roses, with white candles on either side. The candles were accented with pink bows at the base.

Miss Betty Lorrarn served the cake, and Miss Verna Beth Christian poured punch.

For traveling, the bride chose a navy linen suit which she complimented with white accessories. Her corsage was a white orchid.

After a honeymoon to points in Colorado, Mr. and Mrs. Poteet will be at home at 1009 Columbia Plainview, until the groom enters the U. S. Air Force.

The bride is a '54 graduate of Farwell high school, and the groom graduated this spring from Texas A. & M.

Mrs. Kenneth Hall Honoree of Shower

Mrs. Kenneth Hall, formerly Miss Beverley Arnold, was the honoree of a bridal shower recently at the home of Mrs. U. R. Young and daughter Sue.

The serving table was covered with a linen cutwork design cloth, and decorated with beautiful red roses. Lime sherbet punch, and a beautiful three tiered cake, designed and decorated by Mrs. A. J. Shafer, was

served to the guests.

Mrs. Hall was presented with a blanket and luncheon cloth from the hostess, and also with a "Honeymoon Cottage", which was filled with many lovely and useful gifts.

Hostesses for the occasion were Mrs. U. R. Young and daughter Sue, Mrs. N. C. Moore, Mrs. Bob Glass, Mrs. A. J. Shafer, and Mrs. Rudolph Moraw.

RILCO POSTFREE Utility Building

COMPLETELY FRAMED BY 5 MEN IN LESS THAN ONE WORKING DAY

PROVIDES 100% USABLE SPACE FOR Machine Sheds, Storage Buildings, Loafing or Feeding Barns

NEED a sturdy, practical farm building in a hurry? With Rilco Utility Rafter, your building is already half built. Rilco Rafter is factory fabricated from dry Douglas Fir permanently bonded with waterproof glue. No cutting or fitting on the job is needed. And once the frame is up, the building can be covered with wood shingles, composition shingles or sheet metal. Rilco buildings are available in various spans and may be built any length. Engineered rafter-to-foundation connections assure extra strength and rigidity. Continuous framing from foundation to roof ridge eliminates posts, braces, and provides highly attractive appearance. We'll be glad to show you the many advantages in erecting your next building with these labor and time saving Rafter.

Approved For Government Loan and Government Storage

Please tell me how Rilco Rafter can be used to build the type of building I have checked.

Cool With CLEAR VUE Air Conditioning Deluxe

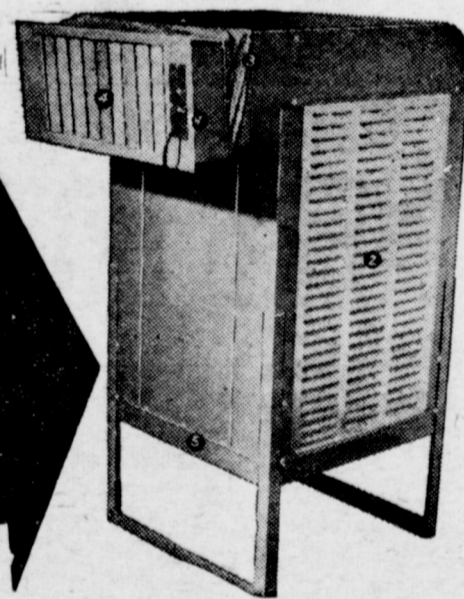

Clear-Vue evaporative cooling is the ideal air conditioning system for low-humidity climates. As well as cooling your home, Clear-Vue evaporative cooler actually improves the condition of the air. During dry summer months evaporative cooling restores moisture to the air... relieves dry membrane in nasal passages and prevents excessive skin dryness. On naturally humid days evaporation is reduced; thus, it does not create excessive humidity. Evaporative cooling holds balanced humidity. Clear-Vue cleans the air... removes dust and lint... before it enters your home. Saves cleaning time and protects your health.

with CONTROLLED HUMIDITY

EASY TO INSTALL

Built-in adjustable metal stand fits all window heights. No special adapters, special scaffolding or expensive installation.

FITS CASEMENT WINDOWS, TOO!

- ADJUSTABLE STAND
- HUMIDITY CONTROL
- LARGER COOLING PADS
- ADJUSTABLE LOUVERS
- EASY INSTALLATION
- FLEXIBLE AIRDUCT
- ADJUSTABLE GRILL

CLEAR-VUE INVITES COMPARISON

Before you buy, compare CLEAR-VUE with any other cooler. You'll find that only CLEAR-VUE incorporates ALL of the features you want in a cooler. In addition to the features illustrated above, CLEAR-VUE has adjustable water troughs for perfect water distribution. Water flow too, is controlled from the attractive, inside grill. Wide louvers permit absolute control of the direction of the air flow. The inside grill takes but a small portion of the window allowing plenty of light and giving you an unobstructed outside view. No special construction, tools or skilled labor is necessary for installing the CLEAR-VUE Air Conditioner.

SMALL DOWN PAYMENT — 6 MONTHS TO PAY

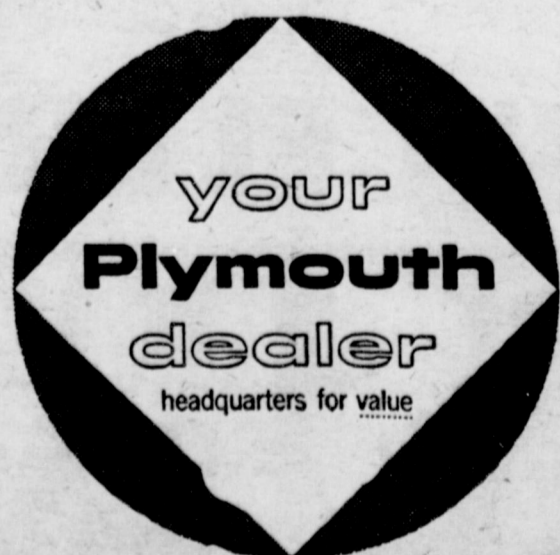

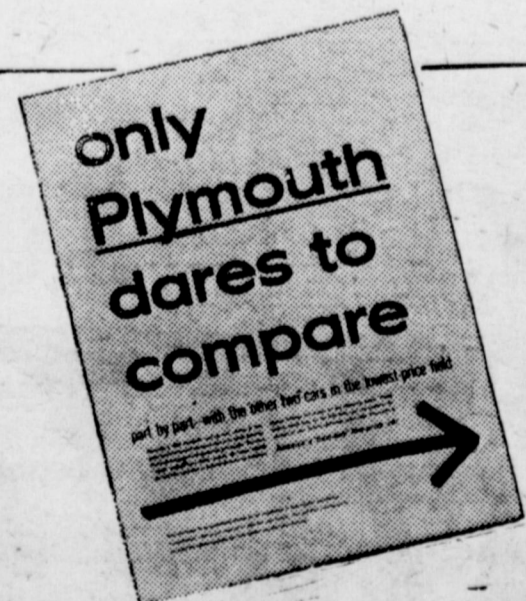

They tore down the "Big 3" low-price cars and proved **Plymouth** your **best buy!**

The hottest news to come out of Detroit in a long, long time—that's what we have to tell you!

We'll give you documented proof that Plymouth is your best buy. We'll show you what Plymouth engineers found when they actually tore down brand-new models of each of the "Big 3" cars in the lowest-price field.

You'll see factual comparisons of safety, convenience, comfort, power—dozens of important features—in a just-published 8-page book.

Visit us today. Get your copy of the fact book... then get behind the wheel of the new '54 Plymouth. You'll soon be convinced that Plymouth is your best buy.

FREE! Get this 8-page book from us today! It's your buying guide to real best-buy value. Read it before you buy ANY car.

Wheat Harvest Now Under Way

Arnold Morris Auto Company Receives Special Award

Arnold Morris Auto Co., of Muleshoe, today received official notice from Detroit that it had been singled out for a special award from the Chrysler Corporation.

The award, a bronze plaque, was given in recognition of the completion of six years participation in the Master Technicians Service Conference - a continuous, nation-wide training program in the servicing of Chrysler Corporation cars.

Notification came from W. B. Rice, director of service of Plymouth and administrator of the program under which approximately 9,000 Chrysler Corporation dealers receive, each month, a package of training material consisting of sound slide film, charts and booklets.

The Master Technicians Service Conference is the largest and among the most successful mechanical training programs ever attempted by American industry. It assures car owners of expert service by master technicians - men to keep up-to-date on modern service methods.

Individual awards have been made to the service personnel of Arnold Morris Auto Co., who are participating in this program. "We take our hats off to these master technicians", Rice said. "Many have taken this training on their own time, showing their determination to become experts in their field."

Buford Zuttis, who has served as the dealer's conference leader in the training program says,

West Texas Sales 34% State Total

ABILENE, June 9 - The region served by the West Texas Chamber of Commerce, with 30 per cent of the state's population, accounted for 34 per cent of the state's retail sales last year and had 34 per cent of the effective buying income in Texas, according to a tabulation made by the regional chamber. The figures were computed from estimates published in the recently released "Annual Survey of Buying Power" issue of Sales Management Magazine.

Population of the West Texas region was estimated at 2,670,300. Retail sales in 1953 were listed as \$3,062,146,000 and effective buying income as \$4,267,622,000.

VISITED PARENTS

Mr. and Mrs. John W. Moore spent the weekend here with her parents, Mr. and Mrs. Dave Aylesworth. Mrs. Moore is employed at Claude, where her husband's parents reside, and Mr. Moore is stationed with the U. S. Armed Forces at Ft. Bliss, Texas. This was his first leave since entering the Armed Forces.

ATTENDED GRADUATION

Marion Clark Harris and Helen Stovall attended the graduation exercises at N. M. M. I., last week.

"The Master Technicians program takes the guesswork out of automobile service, keeps labor and material expenditure at a minimum, and results in more accurate work at less expense to the auto owner."

Telephone Plan Is Re-designed

Rural telephones for a large area around Muleshoe is not a forgotten project, instead the entire plan is being restudied in Washington, D. B. Lancaster, manager of Bailey County Electric Cooperative told The Journal this week.

He said the project has been redesigned and submitted to the Rural Electric Administration for a new look. The Administration has written that the plans are being studied there and Mr. Lancaster said it is expected here that a report will be forthcoming by the end of next week.

Mr. Lancaster is manager of the Five Area Telephone Cooperative, which has obtained a loan from REA for construction of the proposed system.

Some details of the project never were ironed out to the satisfaction of the board of directors of the cooperative, and this brought on the redesigning.

Sam Fox Takes 1st Place In Flag Tournament

Sam Fox won first place in the men's Flag Tournament which was held on the local golf course Sunday afternoon.

Morris Douglass took second place, and third place honors went to Don Bryant.

Fred Johnson won the \$5 bonus for landing on the third green. Mr. Johnson was the only one out of eighty-four tries to land on the green.

First Loads Of New Grain Came In First of Week

Wheat harvest began around Muleshoe Monday of this week and by weekend should be well underway, if not finished. Elevator men say the harvest this year will be very light.

O. D. Jenkins, manager of the Muleshoe Elevator, reported receiving a load of wheat Monday from Carl Wallraven, who farms about two miles north of Shady Rest. It was No. 1 wheat, dry, colored well and weighing 60 pounds. Mr. Wallraven, he said, had about 20 acres of wheat in this field and was said to be averaging nearly 50 bushels to the acre.

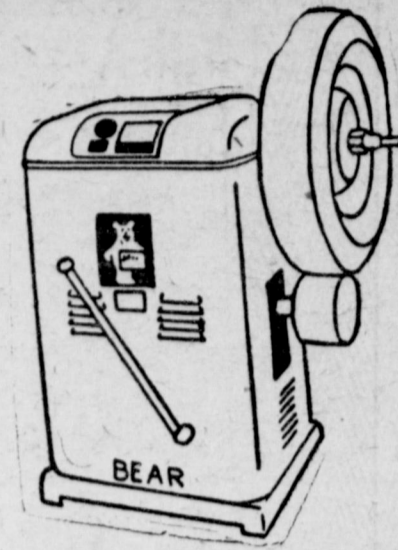

Roy Jordan, manager of S. E. Cone Grain & Seed Co., elevator here, reported receiving a load the same day from Dick Willman, of Y. L. Community. Mr. Willman's first load was nice, dry wheat, grading No. 1 and weighing 60 1/2 pounds to the bushel. Mr. Jordan estimated he had about 60 acres and said Mr. Willman was averaging about 30 bushels to the acre.

Wheat being brought in will likely go into storage and Government loan, since the loan price is quite a bit above the current market price.

There is still storage available in elevators here, grain men said.

HOME BETWEEN SEMESTERS

Rufus Aylesworth is home between college semesters to visit his parents, Mr. and Mrs. Dave Aylesworth and other relatives and friends. Rufus is a student at T. C. U., Ft. Worth.

Mrs. N. Durham Honoree Of A Bridge Party

Mrs. Norman Durham, of Austin, was honored during her visit here with a bridge party given by her mother, Mrs. A. S. Stovall. The party was held at the Stovall home last Friday afternoon.

Refreshments of ice cream, cake, and iced tea were served. Those attending were: Mmes. Noel Woodley, Marion Harris, Charles Lenau, Herb Griffiths, Bill Jim St. Clair, Fred Johnson, M. F. Green, Sam Damron, Morris Douglass, Buddy Blackman, and Mrs. Fuston McCarty, of Littlefield, and the honoree.

Bridge Tournament Sponsored By ESA

The Bridge Tournament, sponsored by the ESA, will be held tonight (Thursday), at 8 p. m., at the Legion Hall.

Each person attending is asked to bring a partner. Refreshments will be served, and several attractive prizes will be awarded, donated by the merchants of Muleshoe.

Informal Parties Honor Mrs. Moore

Mrs. Wilsey Moore, of Dallas, daughter of Mr. and Mrs. Lonnie Arnold, of the Needmore community, has been entertained at several informal parties during her visit here.

Wednesday evening, Mr. and Mrs. Rudolph Moraw served a chicken dinner, Thursday evening Mr. and Mrs. Bob Glass entertained Mrs. Moore and other guests in their home. Mrs. Glass and Mrs. Moore are sisters.

Mrs. N. C. Moore, mother of Wilsey, entertained with an ice cream dinner in the afternoon in her home, and members of the family called during the afternoon and evening.

Mrs. Moore will be here several days more before returning to Dallas, where Wilsey is a player on the team of the Dallas Eagles.

Wanda Estep Is Feted With A Bridal Shower

Miss Wanda Estep, bride-elect of Don Sanders, was feted with a pre-nuptial shower in the home of Mrs. George Templar from 1:30 to 6:30 Saturday afternoon, June 5.

Hostesses for the occasion were: Dorothy Giles and Mmes. D. W. Cargile, Jimmy Shafer, Vernon Thomas, Glenn Splawn, Robert Kimbrough, Chet Horsley, George Templar, Finis Kimbrough, E. E. Dyer, Delma McCarty, and Bob Kimbrough.

The refreshment table was covered with an ecru lace cloth, and centered with a lovely arrangement of pink and orchid flowers, and pink sweetpeas. In a glass bowl which was reflected in a mirror underneath. A ring of gathered orchid net ran around the bowl and over the mirror to complete the arrangement.

Upon arrival guests were registered in the bride's book by Dorothy Giles, and served pineapple lime sherbet punch and cake by Mrs. Bob Kimbrough. Punch and cake icing were orchid, chosen color of the honoree.

After being served, guests were ushered to the bedrooms of the Templar home where the many lovely and useful gifts were on display.

Out of town guests calling during the afternoon were: Mrs. J. C. Turner and daughter Ann, Idalou; Mrs. Wilmar Strader, Lyford; Mrs. L. B. Teal, Lubbock; Mrs. Anna Sanders, Morton; and Mrs. Guy Sanders and daughter Joyce, Morton.

Other calling were: Mmes. Cheatum, D. W. Cargile, Jim Bickel, Charlie Prather, Jimmy Shafer, Vernon Thomas, Otis Blaylock, I. F. Willman, M. F. Jackson and Neomi, A. J. Gardner, Glenn Splawn, Robert Kimbrough, Bob Kimbrough, Finis Kimbrough, Chet Horsley, George Templar, E. E. Dyer, and Loy Ferguson.

Many who were unable to attend sent gifts.

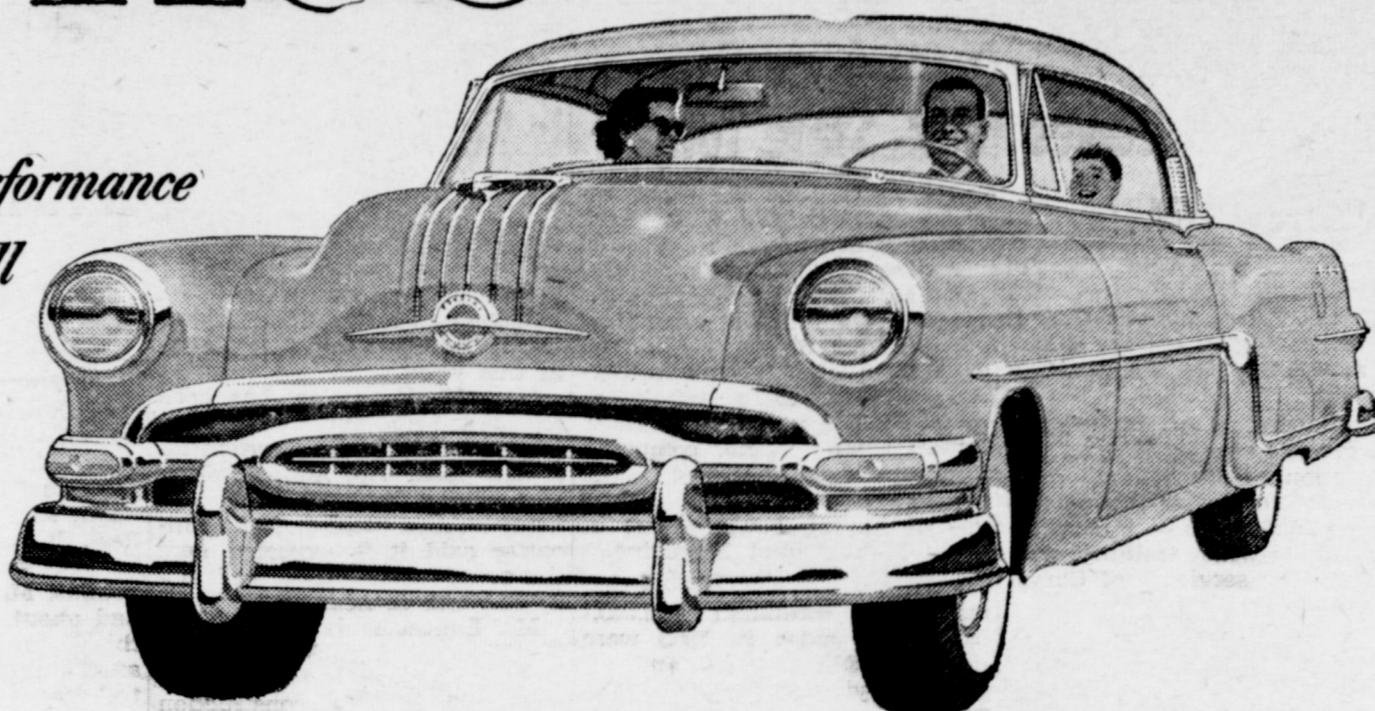

TO ILLINOIS

Mrs. H. L. "Babe" Barbour is visiting in Mt. Sterling, Ill., with her mother and other relatives and friends. Mr. Barbour drove her to Mt. Sterling Monday of last week, returning home Friday.

Big-Car Luxury and Performance
at the Lowest Price of all

The closer you compare values the more certainly you'll see that Pontiac is the standout buy on automobile row.

In size and weight alone Pontiac offers you more car per dollar than a like amount ever bought before. And that's important, because that long wheelbase is the reason for comfort, riding ease and roadability unapproached within hundreds of dollars of its modest price.

And along with these big-car features you get remarkable savings. Operating and upkeep economy are, of course, exceptional. First cost is the least for any big, luxury automobile—within a few dollars of the lowest-priced cars. Our trade-in appraisals are notably large and Pontiac's resale value is among the highest in the industry. Come in for the facts about today's most startling value.

HURRY, HURRY, HURRY, Last Call For "FEATURE ATTRACTION"!

PRESENTED BY YOUR

Here are the rules . . .

Just list the feature you like best on the entry card your Reddy Kilowatt Dealer will give you, then tell why you like this feature in 25 words or less. All entries will be judged on originality, sincerity, and aptness of thought. Decision of the judges will be final, and all entries become the property of Southwestern Public Service Company. Your entry must be in by June 12, 1954.

Dealers, distributors, Public Service Company employees, and their respective families, are not eligible to participate in Feature Attraction.

JUNE 12TH IS LAST DAY FOR ENTRIES IN BIG RANGE CONTEST

FEATURE ATTRACTION, the interesting and exciting contest in which six lucky ladies are going to win modern electric ranges, is in the home stretch. June 12th, that's next Saturday, is the last day on which you can submit your entry, so be sure to see your Reddy Kilowatt Dealer and have him give you a complete demonstration of his range. After the demonstration, pick the feature which most appealed to you, and tell why it did in 25 words or less on the entry card that he will give you. It's that easy, but it's fun, and exciting, too. Don't be left out.

LOOK FOR THESE FEATURES—AND MANY OTHERS—ON MODERN ELECTRIC RANGES

- CONTROLLED HEAT**—You can actually melt chocolate or cook a frosting right on a surface unit. No need for a double-boiler.
- ACCURATE**—Your thermostatic oven heat control, plus six-sided insulation, is your assurance of accurate oven heat measurement.
- ECONOMICAL**—The average family can cook electrically for 7 cents a day. Then there's the big economy that comes from electric cooking's cleanliness.
- LABOR-SAVING**—Complete meals can be prepared in the oven and deep well, a great time-saver. Economical, too, for you use only one heating unit.
- COOL**—The cooking heat goes right from the element into the pan. None escapes to heat up your kitchen.
- CLEAN**—Most spillovers burn off, and drip trays are removed easily. Walls and curtains stay bright and shiny with flameless electric cooking.
- AUTOMATIC**—No more pot-watching when you cook on an electric range. Set the oven timer to turn the meal on and off. That's all there is to it.
- FAST**—High speed units heat up at once, and all of the heat goes into the cooking task. There's no waste heat in electric cooking.

Miss Lou Ann Logan Becomes Bride Of Bob Blaylock In Ceremony Sunday

MRS. JOE BOB BLAYLOCK

Miss Lou Ann Logan, daughter of Mr. and Mrs. Odell Logan, became the bride of Joe Bob Blaylock, son of Mrs. Opal Blaylock, Muleshoe, and M. B. Blaylock, Texaco, in a ceremony read Sunday, May 30, at 10:00 a. m., at the Main Street Church of Christ in Clovis, N. M.

The double ring ceremony was read by John G. Reese. The bride wore a street length dress of pink embroidered nylon with a fitted bodice accented with tiny rhinestones. Her sash was of white gardenias, and her accessories were also white.

Two Initiated Into Rainbow

Rainbow initiations were held Thursday evening in the Masonic Hall, with Elizabeth Farley, Worthy Advisor, in charge. Girls initiated were Kay Lenderson and Nancy Donaldson. A large group of Eastern Stars and Masons witnessed the initiation. Refreshments of punch and cookies were served by the girls to those attending.

ATTENDED REUNION

Mr. and Mrs. Scott Morris and grandson, Dannie Parsons, attended the Cook County reunion at Lubbock last Sunday, and also visited their daughter and son-in-law, Mr. and Mrs. Roy Dunn.

Miss Sue Logan attended her sister as maid of honor, and Jerry Blaylock served his brother is best man. Others attending the wedding were Mrs. Odell Logan, mother of the bride, Mrs. Opal Blaylock, mother of the groom, and Mr. and Mrs. James C. Finley.

Le Bleu, Merriott Plans Announced

MISS NELIDA LeBLEU

Announcement has been made of the engagement and approaching marriage of Miss Nelida LeBleu, daughter of Mr. and Mrs. V. V. LeBleu, of Trousdale, Okla., to Mr. Lonnie Dee Merriott, son of Rev. and Mrs. E. L. Merriott, of Lazbuddie.

Miss LeBleu is a graduate of Muleshoe High School, and Mr. Merriott is a graduate of the Lazbuddie High School.

The wedding will take place at the Calvary Baptist Church, at 2:00 p. m., June 24, with Rev. A. C. Graham officiating.

Friends and relatives of the families are invited. A reception will be held in the home of the bride's sister, Mrs. Ogle Lorraine, 1208 W. 5th St.

Plans as to where the bride and groom will reside have not been disclosed.

Officers Are Installed In Eastern Star

A very beautiful and impressive Installation Ceremony was held Friday evening, June 4, in the Masonic Hall at 8:30, by Muleshoe Chapter No. 792, Order of the Eastern Star.

New officers for 1954-55 were installed by Mmes. Wynnie Dunn, Worthy Matron; Jackie Tate, Marshal; Hattie Griffiths,

Chaplain; Elizabeth Gardner, Organist; Miss Elizabeth Harden, Secretary; Ikabelle Wilkerson, Warder; and Bettie Burkhead, Sentinel.

Mrs. Billie Mathis was installed as Worthy Matron; John W. Thomson, Worthy Patron; Mrs. Lola Bray, Associate Matron; W. F. Creamer, Associate Patron; Mary Farley, Secretary; Anna Lucy McAdams, conductress; Lou Green, associate conductress; Margaret Epting, treasurer; Callie Smith, chaplain; Myrtle Creamer, marshal; Margaret Epps, organist; Star Points, Mildred Wingo, Adah; Jewel Strong, Ruth; Ada Thomson, Esther; Lorena Thomson, Martha; Bertha Johnson, Electa; Mickey Bryant, warder; Hazel Nowell, sentinel.

Mrs. Ruby Cox and W. F. Creamer, out-going Matron and Patron, were presented with a gift from their officers by Mrs. Lola Bray, and John W. Thomson. Mrs. Elizabeth Gardner presented the past matrons gift and welcomed Mrs. Cox into the Past Matron group.

A short program was presented by Mmes. LaVonne Hinkson, Viola Layne, and Mary Frances Holt, who presented the colors and emblems to the star points. "Star of the East" was sung by the choir.

Mmes. Lura Rundell and Iris Thornton, of Bovina, were visitors. Mrs. Rundell made a short talk.

Mrs. Billie Mathis, dedicated her year book to Mr. R. J. Klump, who has served the Muleshoe Chapter as Worthy Patron and Associate Patron for the past sixteen years. Due to ill health for

the past few months, he has been unable to attend, but was present for the installation Friday evening.

The newly installed matron and patron made talks.

At the close of the meeting, refreshments were served in the dining room by Mmes. Wynnie Dunn, Ruby Cox, Clara Kelly, and Chessie Carroll.

The Worthy Matron appointed her committees: auditing, W. F. Creamer, Maud Young, and Ada Thomson; examining, J. W. Thomson, Myrtle Creamer, Wynnie Dunn, and Ruth McCarty; finance, Lorena Thomson, Elbert Nowell, and Anna Lucy McAdams; instruction, Wynnie Dunn, Ruby Cox, J. W. Thomson, Viola Layne, and Lou Green; program, Helen Gardner, Hattie Ray Jones, and Elaine Damron; resolutions, Margaret Epting, Viola Layne, and Jackie Tate; sickness and distress, Mary Farley, Jewell Strong, and Ikabelle Wilkerson; and reporter, Elizabeth Harden.

TO PENNSYLVANIA

Mr. and Mrs. D. C. Aylesworth of Plainview their grandson, and Rufus Aylesworth left early this week for Harrisburg, Penn. Mr. and Mrs. Aylesworth will spend their vacation in Harrisburg, and Rufus will go on to New York City, where he will visit some of his old army buddies.

IS IMPROVED

Condition of Joy Dean Mayhugh, who has been in a Houston Hospital for the past two weeks, was reported to be somewhat improved earlier this week. Mr. Mayhugh was in Muleshoe

It's a BUICK! It's a V8!

It's only a few dollars more than the low-price cars!

Come In And Check The Price! This 1954 BUICK SPECIAL 2-Door, 6-Passenger Sedan actually costs less than some models of the "low-price three"!

No wonder Buick Sales are Soaring!

TAKE heart, good friend—you can buy a hit-of-the-year Buick if you can afford any new car, And we'll gladly show our price tag to prove it.

For the price on this tag is the delivered price—the local price—of the new Buick SPECIAL 2-door, 6-passenger Sedan—and it's just a few dollars away from those of the so-called "low-price three"—lower, in fact, than even some models of those very same cars.

But look what this Buick price gets you!

It gets you the very look of tomorrow in styling modernity, even to the spectacular new panoramic windshield that seems to outdate everything before it.

It gets you Buick V8 power—highest in

SPECIAL history—plus the economy of new Power-Head Pistons.

It gets you Buick room, Buick luxury, Buick size and structure and solidity—including of course, the famed Million Dollar Ride and a new precision in handling ease.

It gets you, too, solid and deep-down value.

For any way you look at it, you're money ahead with the car that's years-ahead now in looks and line and the lift of its power—and the car that's outselling every other car in America except two of the "low-price three."

Drop in today or the first thing tomorrow—just to try and to drive and to compare a new Buick. We'll let the car prove its points.
