

## Muleshoe School Children Must Go Back Into Old Barracks This Fall

Members of the Rotary Club and their guests were surprised, if not astonished when Jerry Kirk, school superintendent here, told them at their noon luncheon Tuesday that some of the Muleshoe school children "will go back into the barracks" with the beginning of another term.

Most had not thought such a move was imminent. They felt that the normal growth of the district in population would necessitate new buildings "in a year or two." They had not expected that an increase in enrollment would cause some of the children to be housed in the old barracks still on the grade and junior high grounds.

Mr. Kirk said certainly one grade, most likely two grades, are possibly three grades will have to use the barracks this

fall. The school district trustees recently bought one and one half blocks located near the new high school to house a new junior high building some time in the future.

Housing was only one problem brought up by Mr. Kirk in his 30 minute talk to the club. He stressed the problem of attendance, saying that if parents do not see that their children are in school every day, it can cause the school to lose one or two teachers, because of the emphasis on daily attendance in the Gilmer-Aikin set-up.

He discussed problems of discipline; problems caused by youngsters losing interest in their school and their lessons. "We try to teach our youngsters respect, discipline, and citizenship. We try to teach them to become useful members of society, and to be the sort of trained person that you as business and professional men would want to employ and have in your organization," Mr. Kirk explained as he invited the cooperation of all in the district to help achieve these ends.

Mr. Kirk was introduced by Ray Franz, program chairman for the month. Bob Gregory and D. B. Lancaster reported on the district assembly for new presidents and secretaries of Rotary clubs, held in Levelland Sunday and Monday. E. O. Baker, who made up his attendance in San Francisco, told about his pleasure at being able to attend a meeting of this club, which has 560 members and meets in famous Palace Hotel.

The club had a 100 per cent attendance for Tuesday, April 20.

Guests included Neal Brewer of the Stamford Club, builder of Muleshoe's new gymnasium, and R. L. Gabbert, junior Rotarian for the month.

## John Ben Shepperd For Re-Election

JOHN BEN SHEPPERD

Texas Attorney General John Ben Shepperd formerly filed for re-election to a second term today, subject to action of the Democratic primary.

In his announcement Shepperd pledged continuing war by his office on "Crime, Communism and Corruption." "We feel our quick action in checking the drive by the Communist Party to take over key Texas ports and our fight in Duval County to uncover and halt the theft of public funds both have won approval of the people."

Shepperd, who was elected Attorney General in 1952, after serving two years as Secretary of State, is 38 years of age and a native of Gladewater, Texas. In his race for Attorney General two years ago, Shepperd received 80% of the votes. In his home county, Gregg, and in Travis county where he now lives, he received more votes than ever has been cast for an Attorney General in the history of either county. As yet, he is unopposed for re-election.

During his first year in the Attorney General's office, Shepperd led important actions for the state such as defense of the Tidelands Act, made proposals to ease the Texas drouth areas, and successfully blocked a communist threat to Texas ports and oil and industrial centers.

## Cerebral Palsy Clinic May 10

A clinic for the examination of cerebral palsied children will be held Monday, May 10, 1954, at the Lubbock Cerebral Palsy Treatment Center, 3502 Ave. N, Lubbock.

Specialists present to examine children will be: Dr. R. G. Lovelless, Lubbock; Dr. R. Q. Lewis, Lubbock, and Dr. C. E. Ratcliff, Lubbock, orthopedists; Dr. R. K. O'Loughlin, Lubbock, neuropsychiatrist; Dr. J. B. Roundtree, Lubbock, pediatrician; Dr. G. M. Wallace, Lubbock, eye specialist; and Dr. J. M. Reynolds, Lubbock, dentist.

Parents who plan to bring children to the clinic are requested to register the children at the Center before the date of the clinic. Information regarding the clinic may be obtained by writing Dr. Esther Snell, Director, or calling Lubbock 4-7110.

## Six Mules Qualify For State Meet

### Holt Sets New 440 Yard Mark

Muleshoe high school sent six boys to the Interscholastic Regional Track and Field Meet in Lubbock Saturday and qualified all six to go to the state meet in Austin. The six and the event in which they qualified:

**J. R. Howell, mile relay.**  
**Robert Richards, mile relay and 880 yard run.**  
**Gaylord Tate, mile relay.**  
**Jimmy Clyde Holt, 440 yard dash and mile relay.**  
**Sammy Donaldson, pole vault.**

These boys and their coaches, Leroy Scott and Elbert Johnson, will leave next Wednesday morning for Austin, where preliminaries in the State Interscholastic League Track and Field Meet will get underway Friday. Finals there will be run off Saturday.

By going early, the boys will get the chance to work out on the cinder track at the University of Texas and will get that much more acclimatization.

**Holt Sets Record**  
Jimmy Clyde Holt, running the race of his career, set a new mark in the Regional Meet for Class A with a 50.3 seconds 440 yard dash. Previously he had set a new mark in the district meet, which also was held in Lubbock. Jimmy improves with each track meet, as do his teammates. Coach Scott says all of his boys have bettered their performances in succeeding meets all spring.

Jimmy was followed at about four yards distance by his well remembered competitor all spring, Bennie Counts, of Phillips' high school. Right behind at about ten yards back in third place was Joel Lummus, "Lummus of Dumas". Jimmy has had a hard time with these two lads all along, and he was made especially happy to beat them both

in one race. Lummus and Jimmy were even at two races won for each boy during the track season, counting preliminaries and finals.

**Jimmy's 50.3 quarter set a new regional mark, the old one being 51.7 seconds set by Darrell Robbins of Friona in 1953.**

**Donaldson Wins Vault**  
Sammy Donaldson was tied for first place in Class A pole vault with five other boys, all of whom successfully negotiated the 11 ft., 6 1/2 inches mark. A toss of the coin gave Sammy the first place ribbon. This broke the regional record of 10 ft., 6 inches set in 1951 by Buddy Card, Pecos, later tied by several others. It was more than a foot higher than the previous record. Sammy will be down there at Austin trying for state honors.

**Willis Wins Second**  
The small contingent of Muleshoe fans hollered themselves hoarse about Sammy's triumph, and had to do it all over a min-

ute later when it was announced that Bill Willis of the Muleshoe team had won second in the discus throw. George Branch, of Levelland, won this event with a throw of 146 feet, 3 3/4 inches. Bill tossed the disc 141 ft., 6 inches.

**Richards Runs Fine Race**  
Robert Richards, sort of a dark horse performer, made the Muleshoe folks feel mighty good by his splendid race in the half mile run. Richards has a smooth, easy stride and sets a fast pace for himself. He came in on this grueling run in a close second to Billy Ferrill, Monahans. Winning time in this race was 2 minutes, .05 seconds. The standing record in this event is 2 minutes, .029 seconds.

**The Mile Relay**  
There are few mile relay teams in high school circle of Texas that can beat Muleshoe's mile relay team. This has been as - (Continued To Back Page)

## Jurors Of Bailey County Praised By Judge Bills

Judge E. A. Bills of Littlefield has authorized The Journal to announce his candidacy for reelection as District Judge of the 64th Judicial District, which includes Bailey County.

Judge Bills is serving his first regular term as District Judge, and is now candidate for a second regular term.

In making his statement Judge Bills said:

"I appreciate the jurors of Bailey County. The grand jurors and trial jurors have cooperated well with the court. We have tried many cases, civil and criminal, in Bailey County. That has been necessary to keep the dockets clean and the dockets are now in good shape. "I certainly appreciate the fine vote that Bailey County gave me when I was elected as District Judge for my first regular term, and I now solicit the vote and support of the people of the county in my race for a second regular term."

VOLUME 32, NUMBER 17 MULESHOE - County Seat of Bailey County - TEXAS THURSDAY, APRIL 29, 1954

## Progress Church Offers Free Use Of Their Recreation Grounds To Public

The Journal has been privileged this week to make one of the most unusual announcements ever tendered to it by any one. The letter follows and speaks for itself. It's from Progress Methodist Church:

In the desire to provide wholesome recreation for as many as will avail themselves of it, we wish to announce that the picnic area on the grounds of the Progress Methodist Church are open to all, free of charge.

Any family, family gathering, club, groups, or class is invited to use our facilities.

At the present time these include a large barbecue pit and enclosed wood furnace that will not black pots or pans or belch smoke in picknickers' eyes; a natural gas open cooker nearing completion, water on tap, table room for 50 people, croquet grounds, a slide and sand pile for kiddies, plenty of fire wood, shade trees in the making, and 2 1/2 acres irrigated grass lawn for softball, volley ball, and whatever you want it for. The grounds are lighted for evening activities.

If friends and neighbors don't use these, we will use them ourselves. But to avoid conflict, call Troy Atkinson or see the pastor, Carol M. Jones.

## Smallwood Place Is Mystery Farm

The Mystery Farm in last week's paper was that of T. R. Smallwood. The Smallwood farm is located north-west of Muleshoe.

First two persons to call in and correctly identify the place was Arthur Charles Splawn, who lives in the city, and Aliene Lowery, of Route 2.

Two tickets each to Cox Drive-in Theatre await the winners at Western Fertilizer Company, sponsor of last week's contest.

## Laura Whalin And Helen Stovall Win MHS Honors

Honor students of the senior class of Muleshoe High School for 1954 were announced Monday of this week.

Valedictorian is Laura Whalin, daughter of Mr. and Mrs. C. W. Whalin. Laura's average was 92.9. She is eighteen years of age, and her present plans are to attend West Texas State College at Canyon.

Helen Stovall is salutatorian of the class. She is the daughter of Mr. and Mrs. A. S. Stovall, and her average is 91.9. Helen is seventeen years of age, and plans to attend Texas Tech College at Lubbock.

Highest ranking boy was Jimmy Allison, who had an average of 88.1.

Two runner-ups were Wanda Busby with an average of 90.4, and Dorothy Lowery with an average of 89.9.

## Necchi Club To Be Organized Here

Plans are underway for a meeting here tonight, (Thursday) to organize a Necchi Club. More than 60 women have indicated their desire to join the club, covering a territory from Morton to Friona.

The meeting will be held at the Bass Appliance Company, a corps of officers will be elected, and plans formed for future meetings.

Speakers for the evening will be J. V. Peeler, of the Southwestern Public Service; Ray Franz, manager of the Muleshoe Chamber of Commerce, and J. M. Forbes, Editor of the Muleshoe Journal.

Women eligible for membership in the club are those who own zig-zag sewing machines purchased from the Harvey Bass Appliance Co.

## Former Muleshoe Resident Dies In Albuquerque

Mrs. Margaret Jackson, well known in Muleshoe and this area, having resided here for several years when she was chief operator for the Telephone Co., died at the Presbyterian hospital in Albuquerque, N. M., at 1:27 a. m. Friday, April 23. She would have been 65 April 30.

Mrs. Jackson, who had made her home in Brownfield the past several years, having recently been employed with the Brownfield News, was returning from Neotsu, Oregon, where she had been to settle some property interests, and was visiting her sister, Mrs. Mary Keenan, when she became ill. Death resulted from cerebral thrombosis, following major surgery for cancer.

Funeral services were held at 2 p. m., Sunday, at the Hammond's Funeral Chapel, in Littlefield, with Dr. T. J. Finley, Minister of the Church of Christ in Dimmitt, a former pastor of Brownfield, presiding. Pallbearers were her nephews: E. C. Wade and H. B. Wade of Jayton; Gene Wade, Groom; Roy Wade, Littlefield; Aubrey Wilf, Oklahoma; Mike Kennan, Albuquerque, N. M.; and R. E. Willis, Carlsbad, N. M.

Mrs. Jackson was born in Richmond City, Ind., April 30, 1889, to William J. and Mary E. Wade. She is survived by two daughters, Mrs. Bob Archer of Hobbs, N. M., and Mrs. Ferrell Echols of Brownfield; one son, R. A. Jackson, of El Paso, Tex.; two brothers, E. S. Ward of Casa, Ark.; and C. E. Wade of Olio, Ark.; three sisters, Mrs. M. E. Wilf, Marlin, Texas; Mrs. Mary Keenan, Albuquerque, N. M., and Mrs. Irma Willis, Muleshoe, and four grandchildren.

Interment was made in the Littlefield Cemetery, where a daughter, Margaret, who died in infancy, is also buried.

## Joseph C. May Funeral Rites Held Tuesday

Joseph Camille May, a resident of Parmer County for one and one half years, passed away Sunday, April 18, 1954.

Mr. May, a retired farmer, was born in Switzerland, and at the time of his death was seventy-three years of age. He had been a member of the Catholic Church since childhood.

Funeral services were held Tuesday in the Saint Joseph Catholic Church, at Clarksville. Burial was in the Clarksville cemetery. Local arrangements were in charge of Singleton Funeral Home.

Mr. May is survived by his wife, Mrs. Clara May; six sons; John and Joe, Clarksville; George Muleshoe; Julius and James, San Fernando, Calif.; and Albert, Vanise, Calif. Three daughters, Mrs. Lucy Upchurch, Santa Anna, Calif.; Mrs. Louise Brownlee, Muleshoe; and Mrs. Annie Jackson, Santa Anna, Calif.

Other survivors include a sister, Mrs. Philomina Desie Clarksville; thirteen grandchildren, ten and eleven great-grandchildren.

## Fielder Jewelry In New Quarters

Fielder Jewelry will be in new quarters by Saturday, May 1, according to Mr. and Mrs. Coy Fielder, who own the store.

They have fitted up a room in the Gupton building, at 913 Ave. B for their new store. It has been redecorated and new partitions installed. The room was formerly used as a dining room by the Postoffice Cafe.

Fixtures and stock will be moved in place by Saturday morning and the Fielders invite everyone to visit their new store.

## King, Woodley Tourney Winners

Harold King and Mrs. Elizabeth Woodley won the mixed Scotch tournament held Sunday afternoon on the local golf course with a low for 18 holes of 92. Their prize was 12 golf balls.

Lowell Irvin St. Clair and Mrs. Hattie Ray Jones held second low score, 93, and received 8 golf balls as a prize. In third place was the team composed of Mrs. Naomi St. Clair and Bobby Wallace with 98.

Sam Fox and Mrs. Dorothy St. Clair won a golf ball each for the highest score, 116, and also got a golf ball each for making the highest score on a single hole. Arnold Alcorn and Mrs. Ruth Malone won a golf ball each also for high score on a single hole.

Gil Wollard and Russell Haber, playing under a handicap, had the lowest score of the afternoon and won eight golf balls for that, as well as winning the prize for the blind hole, having a birdie on that particular hole. Forty-eight persons entered the tournament.

## Atty. G. A. Paquin Opens Law Office

Atty. G. A. Paquin, of Waco, is this week announcing the opening of law offices in the suite occupied by Atty. Karl L. Lovelady, at 1010 Ave. D., south of the courthouse.

Mr. Paquin stated that he has moved here with his family and they plan making Muleshoe their permanent residence. He is a graduate of Baylor Law School at Waco. He served four years in the service of his country during World War II. Following the war he was administrative officer with the United Nations Relief and Rehabilitation Administration, located for a year in Germany and Belgium.

He and his wife have four children, Vici Sue, 13; Jimmy Charles, 5; Michael, 3; and Nana Marie, 14 months.

## Troop 8 Scouts Met Past Monday

Girl Scouts of Troop 8, held a meeting Monday, and a discussion was held on investour and uniforms.

Mrs. E. O. Baker attended the meeting as assistant leader.

Mrs. Elliott gave the girls cookies from the sale of these cookies will be applied to improving the Scout Hut.

## Insurance Man Will Speak Here

Austin Crownover, Waco, head of the insurance division of Texas Farm Bureau, will come to Muleshoe for a talk Monday, May 3.

The meeting will begin at 8 o'clock in the district court room. Bill Millen, Bailey County Farm Bureau president urged all members to attend and hear Mr. Crownover discuss the insurance and the organization of the Farm Bureau.

## Morgan Manager Of Cobb's New Wichita Store

Hoyt Morgan, manager of the Muleshoe Cobb's Department Store for nine years, has been appointed manager of a large modern department store Cobb's are installing at Wichita Falls.

Building for the new store is to be completed in about a month and fixtures and stock will be placed during July. They expect to have the opening about August 15.

The Morgans will leave here about July 1, according to present plans. He will continue as manager here while devoting a part of his time to purchase of merchandise for the new store. The new manager of the Muleshoe store will be announced later.

Mr. and Mrs. Morgan have two children. Hoyt, Jr., "Mike", a student in the 8th grade and Barbara, in the 4th grade. They have been active in church and civic organizations since moving to Muleshoe on March 12, 1945, and will be missed by their host of friends here.

But it is a big promotion for Mr. Morgan, who has done an outstanding job as manager here. The new store will be large, 27,000 square feet of floor space, six department heads, advertising and display departments, and a front of 180 feet. The store will be in a new shopping center being erected in a thickly populated section of Wichita Falls' residence area. The center has a tremendous parking area, said to be large enough to accommodate more cars than all of the streets in the city covered by parking meters.

## Cotton Buyers Notice Issued

A special notice to cotton buyers has been issued by the Bailey County ASC office as follows:

All persons in Bailey County who will buy cotton on the 1954 crop should contact the ASC office in Muleshoe or mail their name and address to the ASC office so that necessary forms and regulations may be mailed to them under the Marketing Quota Program at a later date.

## Muleshoe Co-op First Annual Meet Held April 24, With Good Report

The first annual meeting of the stockholders, patrons and friends of the Muleshoe Co-operative Gin Company was held Saturday, April 24, in the Muleshoe High School.

J. H. Wingo, president, presided for the meeting which began at 10:30 a. m., with Western music rendered by Don Copley on the trombone, and LaVon Copley at the piano. Invocation was given by S. C. Caldwell.

Otho Key, representative of the Plains Co-operative Oil Mill of Lubbock, gave an interesting talk concerning the operation of co-operatives. Tom Brown, of the Plains Co-operative Compress of Lubbock, also was recognized.

Earl Sears of the National Cotton Council of America, had an interesting part on the program, showing the usage and values of

cotton and cotton products, and urged his listeners to use more of these cotton materials.

The By-Laws of the gin company were read and approved.

During the noon hour lunch was served by the High School cafeteria, at which time organ music was played by Don and LaVon Copley.

The business session was held in the afternoon. The audit report was read and explained by Harold Douglass of Lubbock, representative of Edwin E. Merriam and Company, certified public accountants.

The two directors elected to serve on the board for the next three years were W. H. Lee and Dick Willman.

The financial statement may be seen elsewhere in this issue of The Journal.

### Regular Rebekah Meeting Tuesday

The Muleshoe Rebekah Lodge No. 114 met for regular session with Fern Davis, Noble Grand, and Myrtle Freeman as vice-grand.

Members voted to send \$25 to the president fund, which is to furnish rooms for the new convalescent wing of the old folks home at Ennis.

After the business session concluded, Clara Lou Jones held a school of instruction, which gave a study of the by-laws.

### Scouts Present Program To The Study Club April 22

Scoutmaster Ernest Kerr and eight scouts presented a program for the Muleshoe Study Club, Thursday evening, April 22, at the home of Mrs. Lee R. Pool.

"Scouting Is Outing", said Mr. Kerr, as he told the club of the values of scouting, and how the boys are taught to take care of themselves.

Scouts taking part on the program were: Wink Thomson, who gave an account of the recent camporee in Littlefield, and displaying the first and second place ribbons won by the Muleshoe group there; Darrel Oliver who gave a demonstration on making camping equipment and Joe King who told the story of an injured boy, with Marvin Mills acting as the victim and Darrell Lancaster, Roger Mitchell, and John Lee Thomas administering first aid.

A very informative question and answer session followed.

The club decided to have Mrs. W. H. Willoughby, of Bovina, to make a return appearance at her earliest possible convenience. Mrs. Willoughby's review on the book, "A Good Man", recently, was enjoyed to the utmost by the club members and their guests who heard her.

Mrs. Willoughby has graciously consented to review "Barabbas", the story of the prisoner released when Christ was crucified. This review will be open to the public, and will be held in Fellowship Hall the evening of May 14.

Mrs. Willoughby is an outstanding reviewer, and many will want to make plans to hear her.

Angel food cake and homemade ice cream were served to the scouts, one guest, Mrs. W. M. Pool, Sr., of Lubbock, and eleven club members.

### Keith Gaede In WSCS Play Cast

Keith Gaede, son of Mr. and Mrs. R. C. Gaede of Muleshoe, was cast in one of the roles for the annual Opera Workshop production of "Singin' Billy", presented at West Texas State College May 3 and 4.

Gaede is a freshman majoring in music and voice at West Texas State.

### WERE IN LUBBOCK

Mrs. Charles Lenau and children and Miss Myrtle Lenau, were in Lubbock Saturday on business.

### OES Members Attend Annual Home-Coming

The following members of Muleshoe Chapter No. 792, Order of the Eastern Star attended the laying of the cornerstone at the O. E. S. Hospital in Arlington, Texas, and the Annual Home-coming at the O. E. S. Home: Mrs. Wynnie Dunn, Mrs. John Johnson, Mrs. Jewell Strong, Mrs. Bert Mathis, and Mrs. John Farley.

These ceremonies were conducted on the beautiful and spacious lawn of the O. E. S. Home Saturday afternoon and Sunday, April 24 and 25. The ceremony of laying the cornerstone at the Hospital, was presided over by W. B. Jack Bell, Grand Master, Grand Lodge of Texas, A. F. & A. M. his corps of Grand Officers, and by Mary Ella Schoverling, Worthy Grand Matron, Grand Chapter of Texas, Order of the Eastern Star, and her officers.

This beautiful and impressive service was attended by a large group of Masons and Eastern Stars from the various cities in Texas.

### LOCAL LIONS ATTEND DISTRICT CONVENTION

Several local people attended the annual district 2-T Lions convention, held in Amarillo Friday and Saturday.

Included in the Muleshoe delegation were Bill Moore, Lee Pool, Arch Fowler, Mr. and Mrs. Jeff Peeler, Rheata Peeler, and Mr. and Mrs. Rufus Gilbreath.

Rheata represented the Muleshoe club in the Lions queen contest, which was won by the Littlefield representative.

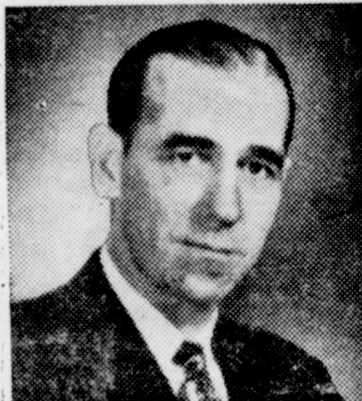

### ATTENDED FASHION CLINIC

Curtis Wellborn of the Wellborn Beauty Shop, spent Sunday and Monday in Lubbock, where he attended the Hair Fashion Clinic, and studied spring and summer trends in hair shaping and styling, under the direction of Thomas Colesant, of New York City.

### IS IMPROVING

Mrs. Rachel Sterling has been quite ill with a bad case of pneumonia, but is improving now.

### Heads USO Drive

Watrous H. Irons, above, president of the Federal Reserve Bank of Dallas, has been named Texas campaign chairman for the 1954-55 United Defense Fund. The drive will be launched next fall. Principal agency of the United Defense Fund is the USO, which provides recreational activities for the men and women in the armed forces. Appointment of Mr. Irons as campaign chairman was made by Ben. H. Wooten of Dallas, general chairman for Texas.

Pair And Poteet Engagement Revealed

MISS MARYE PAIR

Mr. and Mrs. O. W. Pair of Muleshoe, Route 2, announce the engagement and approaching marriage of their daughter, Marye, to Mr. Bobby Poteet, son of Mr. and Mrs. M. H. Poteet of Texico, N. M. Wedding vows will be exchanged May 30, at 4:00 o'clock p. m., in the West Camp Baptist Church. Rev. T. L. Pond will officiate at the double ring ceremony. Friends and relatives are invited to attend the wedding. Miss Pair is a senior at Farwell High School, where she will graduate in May. Mr. Poteet is a senior at Texas A. & M. College, and will graduate in May.

Mona Wilhite Presented In Organ Recital

Miss Mona Wilhite, Wayland College senior, was presented in her senior organ recital at the First Baptist Church, Muleshoe, at 8:00 o'clock in the evening, last Friday, by Mandell Meredith, instructor of organ.

Wheat Deadline Set As May 15

NOTICE TO WHEAT FARMERS  
Farmers in Bailey County having wheat in excess of their allotment must come by the ASC office in Muleshoe as soon as possible to designate what they plan to destroy in order to avoid paying a penalty on their wheat. According to Lonnie M. Bass, County Officer Manager, wheat in excess of allotments must be designated at the ASC office and be destroyed before May 15, 1954.

Farmers having wheat already designated as green manure, volunteer, or mixed, must have this acreage destroyed before May 15, 1954. If green manure, volunteer, or mixtures are allowed to reach maturity, they are classified as wheat and are subject to penalty on all acres. Anyone having wheat without allotment who wish to harvest are urged to contact the ASC office immediately, so we can measure your wheat and issue cards to those having under 15 acres to be eligible to sell on open market without paying a penalty.

Anyone desiring further information on wheat acreage are urged to contact the ASC office in Muleshoe.

ARE HERE VISITING  
Miss Myrtle Lenau and mother, Mrs. Charles Lenau, Sr., of Hobart, Okla., are here visiting the Julian and Charles Lenau, Jr., families. They plan to be here two weeks.

County for a total consideration of \$1,700,000 to four Lubbock men.

Purchasers are: J. D. Leftwich, R. H. Fulton, F. O. Bennett, W. S. (Buck) Moss, and Elmer East. The deal was handled by J. B. McPherson of the Lone Star Trading Post, Lubbock.

Mr. East, who is vice-president of the Lubbock National Bank and well known in this county, acquired that part of the ranch lying in Lamb County totaling 6,651.2 acres, all of which is suitable for farming. He paid \$648,492 for this land, and it is said all of it will be sold in small tracts to farmers. Some of this land appears to be fairly level, and lies along the Plainview highway opposite the farms of the Allison Bros.

Leftwich, Fulton, Bennett and Moss purchased the 38,848.8 ranch area and livestock for a consideration of \$1,051,508. All of this land lies in Bailey County. The four others plan to retain the other area intact as a ranch for the time being.

The ranch, sometimes known as the Muleshoe ranch, almost surrounds the town of Muleshoe. It was purchased by the late E. K. Warren of Three Oaks, Mich., in 1910 for approximately \$5 per acre. Warren, a corset manufacturer had been persuaded to go into the ranching business by a son.

**Has Remained Intact**  
The ranch has remained intact since Warren purchased it 44 years ago.

Principals in the sale included heirs of Warren; Edward K. Warren and wife, Etta; Josephine Warren Hoffman and husband, Raymond L. Hoffman; Louise Warren Larkin and husband, John F. Larkin; Caroline Warren Wilson and husband, Gale D. Wilson; Chas. K. Warren and wife, Patricia Warren; William H. Kramer, and wife, Margaret K. Kramer, and John F. Larkin, John F. Larkin II, and Jerry W. Larkin, as trustees of the Louise Warren trust of Three Oaks, Mich.

Kramer had been manager of the ranch and had visited it frequently in the past 40 years, coming by airplane in recent years.

The Warren heirs recently sold the Caprock ranch in Loving County, which was acquired about the same time the Muleshoe property was purchased.

Negotiations for sale of the ranch have been going on for several weeks. The ranch had been reported sold to different parties in the past several months but the deals were not consummated.

The contract for sale of the ranch was signed in Lubbock Saturday.

Leftwich, Moss and Bennett are in the construction business. Fulton in the oil and pipeline construction business.

### INSECT AUTHORITIES To Meet In Lubbock

LUBBOCK, April 28 — Top-notch cotton insect authorities will appear on the program of the annual Cotton Insect Control Meeting scheduled for Tuesday, May 4, in Lubbock, according to W. H. Jones, Texas Agricultural Extension district agent. The event will begin at 9:30 a. m., on the campus of Texas Technological College with sessions in the agricultural engineering building.

The meeting is held to present latest information on cotton insects to county agricultural agents, vocational agriculture instructors, and the insecticide industry including dealers, distributors and formulators, field men and aerial applicators. Others interested will also be welcome.

After a welcome by W. L. Stangel, dean of the Texas Tech Division of Agriculture, Dr. J. C. Gaines, head of the Texas A. and M. College entomology department, will discuss the "General Cotton Insect Problem", followed by a discussion of "Cotton Insect Research Results in the High Plains Area" by W. L. Owens, entomologist of the Texas Agricultural Experiment Station at Lubbock.

"The Cotton Industry's Part in Insect Control" will be presented

cultural director of the Texas Cottonseed Crushers Association. After lunch in the Texas Tech animal husbandry pavilion, Don L. Jones, superintendent of the Texas Agricultural Experiment Station at Lubbock will discuss "Observations and Relations of Late Irrigation to Cotton Insects".

The "Pink Bollworm Control Program" will be presented by F. I. Jeffery of San Antonio, assistant project leader of pink bollworm control for the USDA, and the 1954 Cotton Insect Guide prepared annually by the Texas Agricultural Extension service, will be presented by Neal Randolph, extension entomologist.

#### COMING HOME SOON

Cpl. Virgil W. Burris, who has been serving in the Far East with the 65th Eag. Bn., writes The Journal that he expects to come home next month. He is the son of Mrs. V. L. Burris. His letter follows:

I have been receiving The Journal regularly and have enjoyed it very much.

It takes about one month to get it here, so I decided that I would write and let you know I

will be coming home next month and my address will be Muleshoe.

### An Aerial View Of Your Home Town

The folks who took The Journal's Mystery Farm pictures "throw in" this splendid aerial picture of Muleshoe. It's a year or two old, because, it will be observed that the courthouse trees have not been topped. At left is the fine new high school building, at far right the city park. Muleshoe's fine elevator plants are seen in the middle distance, the golf course and airport may be clearly seen further out. Beyond the town's northern

limits may be seen the great expanse of fine farming land which stretches a long way, north, east and west.

### Bristow Second In Declamation At Regional

Wayne Bristow was the only place winner in the Texas Interscholastic League Regional literary meet, held in Lubbock April 23 and 24. Wayne was second in Class A boys declamation. Wayne is the son of Mr. and Mrs. Clinton Bristow. Unfortunately he will not get to go to the state meet, for in the literary division only the first place winners are eligible to compete at Austin.

Ten lodge members from Muleshoe attended the O. E. S. School of Instruction, which was held in Plainview, Thursday, April 15, under supervision of the Grand Officers of Texas. Those attending were W. F. Creamer, Mmes. Wynnie Dunn, Billie Mathis, Viola Layne, Ruby Cox, Mary Farley, Jewel Strong, Myrtle Creamer, Lola Bray and Anna Lucy McAdams. W. F. Creamer, Wynnie Dunn, Billie Mathis, and Viola Layne received their "A" certificates, while Ruby Cox, Mary Farley, Jewel Strong, and Myrtle Creamer received "B" certificates. Two hundred forty-six attended the meeting. Eighty-seven "A" certificates were given and ninety-seven "B" certificates.

Anna Lucy McAdams gave a reading at the banquet which was held in the Hilton Hotel in honor of Grand Officers.

### Edward N. Jones Received Wings

(Official USAF Photo) Edward N. Jones received his pilot wings and commission as Second Lieutenant in the Air Force in graduation at James Connally Air Force Base, Waco, on April 14. The ceremonies climaxed a year of training in three flying phases. Lt. Jones, a 1952 graduate of Woodrow Wilson High School, entered the Air Force in 1952. Prior to his entry into the Air Force, he served one year with the Navy. He is the son of Mr. and Mrs. L. H. Jones of Muleshoe.

**SIX MULESHOE BOYS** who qualified at the regional Saturday for the State Interscholastic League track and field meet in Austin May 8 pose with their coaches. Left to right: Sammy Donaldson, pole vault; Bill Willis, discus; Robert Richards, 880 yard run; Jimmy Clyde Holt, 440; Gaylor Tate, mile relay; G. R. Howell, mile relay. Standing behind the boys are their coaches: Elbert Johnson at left and Leroy Scott.

### Track Meet—

(Continued From Page 1) sserted by many persons who are in the know. In this event, Gaylor Tate led off with the first 440 yards for Muleshoe and actually outran some of the hotshot quarter milers. He handed the baton to J. R. Howell perhaps a little ahead of any of his competitors.

J. R. tore out and was in the forefront when he handed off to Robert Richards. However this handoff was not too smooth and some fraction of a second may have been lost there. Richards, who had one hour of rest after his tough half mile, did not spare the horses but was right in there with the best. He handed off to Jimmy Holt, who may have had a stride on his anchor opponent, the aforementioned Bennie Counts of Phillips. The two boys ran a dead heat; there was not a half stride between them, there was only inches. But Bennie busted the tape and Muleshoe took second in the mile relay. Muleshoe wound up in third place. Andrews high school was first with 29 5/6 points; Denver City slipped ahead of Muleshoe for second, with 16, while Muleshoe had 15 5/6 points. Sports fans here point out that Muleshoe is sending more ath-

(Photo by Cline's Studio) letes to the state meet than in several years put together. Last year, the high school here had Buck Johnson, now of Texas Tech, a miller; and Jimmy Clyde Holt, then a competitor in the half mile. And the red hot sports of the Muleshoe neighborhood are convinced that Jimmy has found the race he's best fitted for, and they're willing to go out on the limb in predicting he will be a leading contender for top honors against all comers in the state meet in Austin. Coach Scott says in all of his coaching experience he has never coached such a group of fine boys, boys who are sincere and determined in their preparations for their events. Muleshoe is expecting great things from these six boys who will represent their high school, their district, and their region in the state meet in Austin.

## Jim Johnson Gets His Wings

Jim Johnson of Muleshoe received his wings from the Navy Air Corps in a ceremony at the Pensacola, Fla., naval air training station last Wednesday. His parents, Mr. and Mrs. Fred Johnson, of this city were present for the ceremony. Also present was Lt. Johnson's wife who has been there with him while he was in training.

Lt. Johnson was assigned to the Kingsville, Texas Naval Air Station and will be flying the Navy's jet airplanes. He and his wife traveled with his parents on the trip to Texas as far as Opelousas, La. The party stopped at a small Louisiana lake for fishing, caught quite a few nice bass, Jim landing the best one, a four pounder.

## Top Cotton Insect Experts Appear On Annual Program At Tech Tuesday

Farm Bureau's proposed farm program — a compromise between two extremes in agricultural planning — has been introduced in Congress, according to Bill Millen, president of the Bailey County Farm Bureau. Companion bills embodying specific proposals for improvements in price support and adjustment legislation were introduced recently by Reps. Martin (Rep.) of Iowa and Herlong (Dem.) of Florida. The House Agriculture Committee, of which Congressman W. O. Poage of Waco and Clark Thompson of Galveston are members, is studying the bills now.

Provisions of the bills carry out the major policies on price supports and related legislation adopted by the official voting delegates to the American Farm Bureau Federation convention last December in Chicago. Included in the proposed legislation are certain recommendations adopted by the voting delegates to the Texas Farm Bureau annual convention last November in Mineral Wells. The bills call for the variable provisions of the Agricultural Act of 1949 to go into effect next year, but with several important amendments. At least two of the amendments were compromises on recommendations adopted by the Texas Farm Bureau.

One of these would make it mandatory for the government to pay 90 percent supports for any basic commodity, except tobacco, the first year that marketing quotas are in effect on that crop after a year in which they were not in effect. This gives producers an extra year in which to build up their stocks with demand before any changes may be made in the support level.

Another Texas Farm Bureau recommendation in the two bills is the provision establishing a soil fertility bank to alleviate the surplus problem and store up fertility in the soil. This is a compromise on the TFB acreage retirement plan. Under the provisions of the Farm Bureau sponsored bills, the Secretary of Agriculture would be authorized to require producers to devote a percentage of their cropland to soil building crops or practices as a condition of eligibility for conservation payments and price supports on commodities which are not under marketing quotas. The Secretary would be directed to require that a producer comply with all marketing quota programs in order to be eligible for conservation payments and price supports.

One proposed amendment to the 1949 Act provides that up to \$2.5 billions worth of surplus commodities be set aside before computing support levels so that the crops in surplus now could start off under the variable system with supports at or near 90 percent of parity.

Farm surpluses in this "commodity set-aside" would be used to expand international trade and in foreign aid programs. However, the surpluses in the commodity set-aside would be used in figuring marketing quotas and acreage allotments.

Another proposed amendment would require the Secretary of Agriculture to provide for a marketing quota referendum for a crop when supplies reach a specified level. This guarantees producers the right to indicate how they feel about keeping supplies in line with demand. Had referendum on quotas and allotments been called in 1952, the problem of unmanageable surpluses might not exist now. The amendment takes some of the politics out of national farm legislation.

The Farm Bureau sponsored bills also provide for a gradual transition for the basic commodities from the old to modernized parity in steps of five percentage points per year until the change has been accomplished. These commodities would be affected beginning Jan. 1, 1956. Modernized parity supercedes the old formula which is based on 1910-1914 figures. It takes into account technological and economic changes since the 1910-1914 period. For all commodities except the basic the modernized formula is already in use.

The Farm Bureau proposals, as embodied in the Martin and Herlong bills, represent a "middle road" or compromise between extremes in agricultural farm programs. Producers of some commodities which will be affected by acres diverted this year from basic commodities generally favor straight flexible price supports. Some favor doing away with all price supports. On the other hand, some producers of basic commodities favor straight 90 percent supports regardless of supply and demand.

Cash farm receipts from the six so-called basic crops constitute 23 per cent of total cash farm receipts. The other 77 per cent of gross farm income is derived from all other farm and ranch commodities. Some 60 per cent of the gross income of American farmers and ranchers comes from the sale of commodities which do not have any government price support whatsoever.

The Farm Bureau program contains some of the best features of both variable and rigid price support plans. It guarantees a certain amount of freedom from government control, and, at the

### CHRISTIAN SCIENCE SERVICES

How the selfishness and egotism which would impede man's spiritual progress can be overcome through obedience to God, divine Love, will be brought out at Christian Science services Sunday.

The Lesson-Sermon entitled "Everlasting Punishment" includes the following verses from the King James Version of the Bible:

same time, provides essential price protection.

"As many as I love, I rebuke and chasten: be zealous therefore, and repent. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me (Revelation 3:19-20).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will also be read:

"In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love and adamant of error, self-will, self justification, and self

love, which wars against spirituality and is the law of sin and death" (242:15).

The Golden Text is from Job: "Surely it is meet to be said unto God, I have borne chastisement, I will not offend any more (34:31).

### Be Lazy, But Do A Better Job, Is Unique Advice

College Station, April 28 — Be lazy, and do a better job, say homemaking experts. Leave anything undone that you can, get someone else to do it, or don't do it at all.

Of course, experts call it "smart lazy" or good management.

Relax while you ask yourself three questions. (1) What can you leave undone? (2) What can you get someone else to do? (3) Does the job have to be done at all?

Knowing what to leave undone, as well as what to do, makes the load lighter, says Minnie Bell, Home Management Specialist for the Texas Agricultural Extension Service.

Consider what you can leave undone. If you don't want to bend, stoop, stretch or reach too far, THINK and you can avoid it. Store things within easy reach. Hang pots and pans on hooks.

Let someone else or something else do the job. Let dishes dry themselves.

Does the job have to be done at all? You don't need to iron sheets, towels, cup towels, socks, knitted underwear.

Since some things do have to be done, so leave out all the steps possible. Use a trap or utility table to carry dishes and food to and from table. Store all cleaning supplies in a basket so one trip takes them from room to room.

Store together things that are used together. Sit when you sprinkle, iron, or prepare food.

### Queen Contest Slated For '54

WACO — The Texas Farm Bureau will sponsor a state-wide queen contest again this year, according to J. Walter Hammond, president of the state farm organization.

Purpose of the contest is to give recognition to the beauty, charm and vivaciousness of Texas farm and ranch girls. Contestants will be judged on three main points: (1) appearance, (2) poise, and (3) personality.

Finals of the state-wide queen contest will be held the night of Nov. 8 at the 21st annual convention of the Texas Farm Bu-

reau in Galveston. The girl chosen Texas Farm Bureau Queen will receive \$500 for herself and a matron escort to attend the 36th annual convention of the American Farm Bureau Federation in December in New York.

Only daughters or sisters of Farm Bureau members are eligible for the contest. To enter the contest, girls must be 16 by Sept. 1, 1954, and not over 22 years of age on that date. Daughters of employees, officers, or directors of either the state or county Farm Bureau organizations are not eligible. Neither are previous state winners.

County Farm Bureau over the state will begin holding eliminations in July. County winners will compete in 13 district contests to be held Sept. 13-25. District winners and their matron escorts will receive expense-paid trips to the Galveston convention. In addition, the contestants will receive beautiful wrist watches.

Miss Payteen Peeples, 17-year-old blonde beauty from Quail, Collingsworth County, was Texas Farm Bureau Queen last year.

### Sprinkle Clothes With Garden Hose

A garden hose can wash away the chore of hand sprinkling starched clothes on busy laundry days.

Without ever gathering the starched clothes from the line, the homemaker sets the nozzle of the hose on a very fine spray and gently plays the water on the starched clothes.

Minnie Bell, home management specialist for the Texas Agricultural Extension Service, advises the housewife to sprinkle clothes on one side only when she uses the garden-hose technique. All of the garment will absorb moisture while it is folded awaiting ironing.

As the sprinkled clothes are removed from the line, they should be folded and placed in a plastic bag, ready for ironing.

#### BROKE ARM

Clifford Mardis, employee at the State Line Farms, received a broken wrist while loading cattle at the Farms last week. He was treated at the Green Hospital and Clinic.

#### IS IMPROVING

Kelly Joe Barnett, of Baileyboro, who was badly injured recently while roping a calf, is improving in the Green Hospital and Clinic.

#### WEEKENDED HERE

Mr. and Mrs. Cecil Spence and daughter of Albuquerque, N. M., were here over the weekend visiting with her parents, Mr. and Mrs. M. E. Finley, and his parents, Mr. and Mrs. R. G. Spence.

#### UNDERGROUND WATER PIPE RULING ASKED

Farmers are urging that the installation of underground irrigation pipe shall be considered by revenue authorities as a current expense in filing income tax returns.

The Bailey County Farm Bureau has asked representatives in Congress to look into the matter, and they have taken the request to the Senate finance committee.

you can't buy this new power in any other low-price car!

only the new '54 Plymouth offers you ...

#### new PowerFlite transmission with new PowerFlow engine

PowerFlite, combined with the great new 110-horsepower PowerFlow engine, gives you flashing acceleration, with no lurch or lag. PowerFlite is the low-price field's newest, smoothest fully automatic no-clutch transmission.

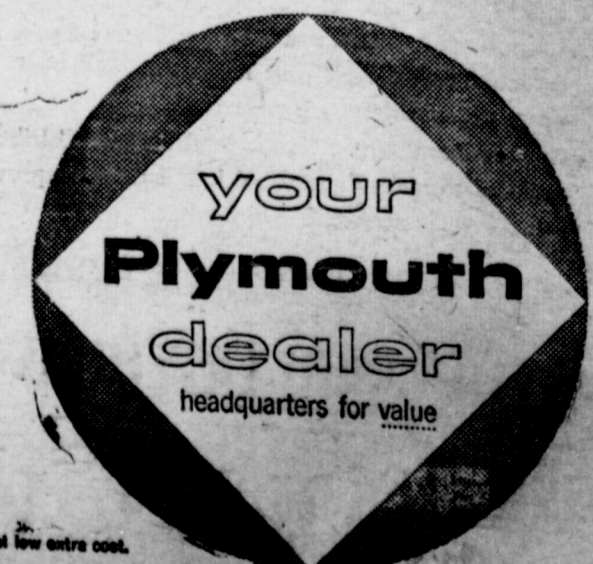

#### new Power Brakes

Give you quick, straight-line stops with only half the usual pedal pressure! For smooth, predictable stops, Plymouth's Safe-Guard brakes have two hydraulic cylinders in each front wheel, where competing cars have only one.

#### full-time Power Steering

Works every minute you drive, not just occasionally. Plymouth's Power Steering eliminates "wheel fight," gives you safe, precise control on rough, bumpy roads, and lets you park with just one-fifth of the normal effort!

You'll find the newest power advances in the low-price field only in the new 1954 Plymouth! And that's not all! You'll find comfort, economy and safety features that you can't buy in any other low-price car. We'd like to arrange a demonstration drive for you today—just drop in or phone.

PowerFlite, Power Brakes and Power Steering each available at low extra cost.

## Miss Norma Graves, Robert Waggoner United In Marriage Here Easter Sunday

Miss Norma Graves, of Muleshoe, daughter of Mr. and Mrs. C. B. Graves, of Hobbs, N. M., became the bride of Mr. Robert Waggoner, son of Mr. and Mrs. Clyde Waggoner, in a double ring ceremony April 18, at the Church of Christ in Muleshoe.

Vows were exchanged before an archway of greenery, flanked on either side by candelabra holding white tapers, and huge baskets of white "mums" and gladioli. Minister Ebb Randol was officiating clergyman.

The bride, given in marriage by her uncle, A. R. Riddle, of Hobbs, N. M., was lovely in a dress of white lace over satin. The bouffant skirt fell to ballerina length and the tight fitting bodice buttoned down the front, and featured a high neckline with Peter Pan collar, and long sleeves which extended to points over the hands. Her chapel length veil of illusion was edged in lace. She carried a bouquet of white roses.

Sammye Carroll, maid of honor, wore a full skirted ballerina length dress of pink net over satin, featuring a low neckline, and carried a double heart of lace and carnations. Her gloves and hat were dyed to match the dress.

Bridesmaids were Mrs. Billy Whipple, sister of the bride, Mrs. Dorothy Wyrer, sister of the groom, and June Free. Their dresses were fashioned after that of the maid of honor, and were aqua, orchid, and chartreuse, respectively. Each carried a single heart of net and carnations.

Flower girl, Brenda Wyrer, wore a dress of pink net over satin.

Ring bearer was David Alsop, and ushers were Lewis Shaffer, Ernest Ware, and Charles Lewis.

A reception was held in the Church educational building immediately following the ceremony. Doris Fields served the cake, Lou Ann Logan poured the punch, and Shirley Mattheisen registered guests.

Following a honeymoon to Carlsbad Caverns, Roswell and other points of interest in New Mexico, Mr. and Mrs. Waggoner are at home in Muleshoe. He is employed at the Pugh's Wigly store, and Mrs. Waggoner is employed at the Alsop Insurance Agency.

### HOME ON LEAVE

John A. Benson, Jr., of the United States Navy, is home on a thirty-day leave, and is visiting his parents, Mr. and Mrs. John Benson. At the completion of his leave he will be stationed at Albuquerque, N. M.

## Ladies Golf Ass'n. To Tournament

Members of the Muleshoe Ladies Golf association held their regular business meeting April 21, with Mrs. Dudley Malone and Mrs. Buck Wood serving as hostesses. The meeting was held in Mrs. Malone's home.

A covered dish luncheon was held, and it was decided to continue meeting in homes of the various members for these luncheons.

Guests at the May 19 meeting will be members of the ladies golf clubs from Morton, Littlefield, Hereford, and Clovis, N. M. Lunch will be followed by matched play. Mrs. Howard Elliott will be the hostess on this occasion, with Mrs. Dudley Malone, Lowell Irvin St. Clair, and Et Evans assisting as co-hostesses.

As members of the West Texas Golf Association, the club members from Muleshoe will attend the luncheon and tournament in Plainview on May 5.

Members present for the meeting were Mrs. Pat Bobo, Elmo Evans, Sam Fox, Howard Elliott, Morris Douglass, Noel Woodley, Red Johnson, Et Evans, J. M. Forbes, Woodie Lambert, Vance Waggoner, Charles Lenau, Paul Gardner, B. Z. Beaty, Lowell Irvin St. Clair, Bernard Phelps, and the hostesses.

its engineers to visit us in Central Florida and exhibit some of the uranium being produced from phosphate clays. The recovery is very small per ton of clay; but there are billions of tons. This makes our part of Florida an important source of uranium. This should add to the attractions of the stock of some of our established phosphate companies.

(2) The President has made reference to bombs in a recent speech and at his news conferences. This also is significant. What is the reason for this exhibiting of our uranium resources and the constant references to the H-Bomb? Then we also have the pictures of the H-Bomb tests in the Pacific, and the various newspaper and magazine articles released thereon. These developments make me suspicious that important news is in the offing. Something perhaps is going on behind the scenes which none of us realize, and it may be announced before this column gets printed. It may be that the President is trying to prepare us for such an event.

**SOMETHING MORE TO THINK ABOUT**

The A-Bomb has been expensive to make. It is officially reported that such a bomb may cost \$50,000. On the other hand, the reverse may be true of the H-Bomb. After the new plant near Augusta is complete, it may be possible to make H-Bombs for \$100 each. I don't know, and am only reporting rumors.

Another story going about is that the new H-Bomb will make obsolete a good portion of the famous Oak Ridge Plant in Tennessee. Very revolutionary events are pending. The H-Bomb, owing to its greater destructiveness at less cost, may be of much more importance than the A-Bomb, although the latter is needed to set off the H-Bomb. Furthermore, this H-Bomb may be a factor—perhaps the deciding factor—in bringing about World Peace for the next fifty years.

**RELOCATING OUR CITIES**

Two points I am willing to forecast: One is that the H-Bomb will result ultimately in moving the White House Executive Offices, the Senate and House of Representatives, plus the Supreme Court, to the center of the United States, Washington, D. C., is now at its peak of importance. It could begin to decline in population and prestige. Washington real estate may now be a "good sell".

The other point is that the various Departments will someday be located in other cities within a radius of 50 miles. The de-

**Stop Taking Harsh Drugs for Constipation**

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get sure but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

**SAND HILLS PHILOSOPHER—**

**In Favor Of Television Gadget To Check On Cattle From The Living Room Sofa**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has a lazy interpretation for a new use for television, his letter this week reveals.

Dear editor:

I have never stood in the way of progress, as most progress has been able to go around me without its slowin down or me speedin up, like wind around the Rock of Gibraltar, and it was with considerable interest I read the other day where the television industry is working on some new gadgets.

One of these for example is a television camera they put up on the look-out tower where fire watchers now stay in forests, and the camera revolves slowly around, sending a picture to a control center 50 miles away. Under this system, forest fires can be automatically spotted, thus eliminating the lonely work of a man sittin up there all by himself lookin through a pair of binoculars.

I thought this matter over all yesterday afternoon and have come to the conclusion it opens up vast new fields of time-saving, although it has been my observation the more time-saving gadgets mankind gets the harder people work, and I like to cite the example of myself as proof you can have plenty of time on your hands without goin the gadget route. As I have contended all along, a four-row cultivator is no improvement over a two-row if all it means is you're gonna work more land and still plow from sun-up to sun-down. If a four row cultivator doesn't enable a man to stop work at noon, in the final analysis he may not be any better off than he was with the two

fense Department will be at one city; the Treasury Department will be at another city; while the Justice Department will be at another. In other words, the nine Major Departments will be in nine smaller cities located like satellites about the central city where the Executive, Legislative, and Judicial roots of the American Tree are to be transplanted. The only defense against enemy A-Bombs or H-Bombs is decentralization. Hence, factories will also be decentralized. The Central West and South will increase in population and prestige. Real estate in such midwestern cities may now be a "good purchase."

**RECENT FBI NOTICES**

Added to the events mentioned above, we note the remarkable notice sent out by J. Edgar Hoover of the FBI, to be on the watch for heavy suitcases. These may carry A-Bombs and their lead insulations. As a result of all the above, I forecast further important International Conferences which will be aimed to bring about World Peace at least for the life of all living today. These conferences, which started at Geneva on April 26, will discuss China and other Far East problems, as well as Russia. They may even lead to an international discussion of birth control, which is intimately connected with the elimination of war.

row, particularly if he works all year and winds up in the hole anyway. At any rate, this television gadget intrigues me. Farmin would have a whole lot more appeal to me if I could sit in my livin room and direct a robut tractor up one row and down another, just by twirlin some dials. Ranchin wouldn't be no trick at all if a man could sit under an electric fan and check on his cattle as they grazed in front of a television camera, and I don't see why you couldn't set up an other camera to watch your cork while you fished stretched out on the livin room sofa. Understand, though, when they get these things perfected, they sure want to include a key so a man can lock up the set when he pleases. The last thing I want is a television gadget a wife can flip on to see if her husband is plowin or is stretched out in the sun studyin the clouds.

**Objectives Listed For H. D. Week**

COLLEGE STATION — Work of 40,000 Texas home demonstration club women will be spotlighted when National Home Demonstration Week, May 2-8 calls attention to the achievements that farm and ranch women have made through organized planning and action.

Maurine Hearn, State Home Demonstration Leader for the Texas Agricultural Extension Service, says the women will observe these objectives for the week.

1. To encourage and assist parents in the training and guidance of children and youth; to develop teamwork in the family.
2. To encourage all families to eat well-balanced meals.
3. To help families to make wise decisions in the use of the family income.
4. To aid families to make satisfactory choices in the selection and use of clothing and household fabrics.
5. To help families achieve the maximum standards of housing possible within their incomes.
6. To encourage the families to use their influences to strengthen the communities in which they live.
7. To acquaint young families with the educational opportunities provided by the Extension Service and the many avenues through which home demonstra-

tion work may serve their needs. 8. To recognize that families through organized study, planning, and action are making a lasting contribution to home and community improvement.

**Parmer County  
Farm Bureau News**

"If you drive while your license is suspended for any one of the reasons in the list of seven, you may upon conviction be placed in jail for as long as six months and be required to pay a fine up to \$500" Driving while drunk or drugged is one of the reasons listed previous to this quote from the Texas Department of Public Safety Driving Handbook. We have had some reports of alleged laxity on this point in Parmer County.

It is our opinion that the case is rare, if existent at all, when the full extent of this law should not be upheld by those in authority. The death or serious injury of some innocent citizen because of laxity would convince those who do not agree, but it is not our desire that this should be the factor that would begin more stringent action in our courts.

In the last two or three weeks, there have been reports of partial failure of some irrigation wells in the county. It is the opinion of some drillers that these failures are due to accumulation of minerals and corrosive materials which clog perforations, rather than lowering of the level.

Water District Engineers will have the water analyzed as soon as possible in an effort to determine if perforations can be reopened by use of the proper application of chemicals. Russell Massey suggested that procedure and we are passing it on to Engineer Bill Broadhurst of the Water District.

There are increasing numbers of minor to major complaints about waste water running down the road or through the yards of neighbors. These complaints are made to the County Water Committee, which in turn relays them to the District Board at Lubbock. No injunctions have been filed in this county, and we hope none will be necessary.

The Scriptural Golden Rule is intended to be the basis for our public relations in this office. If you notice infractions of this rule in any respect, we will appreciate your calling our attention to it, so that we may make amends and adjustments to prevent their happening again. We say this without reserve, particularly with the fact in mind that the membership actually owns and controls this office to whatever degree it desires. We appreciate suggestions for improvement.

Consider This: "The ear that heareth the reproof of life abideth among the wise." (Prov. 15:31).
