Insurance woes come back to haunt commissioners

Halloween may be over, but specters of insurance contracts of the past are still around to haunt commissioner's court. Court members agreed Monday night at a called meeting to have Judge Jeffrey Sutton look for an attorney to help settle problems with West Texas Rural Counties.

WTRC was formed several years ago and functions as an insurance pool for its members. The last year Crockett County was a member, they

paid 15 premiums instead of a normal 12, Judge Sutton reminded the court. One premium was an extra boost for the pool and the other two were under terms of the initial agreement when leaving.

"We got out over a year ago, and we're still having folks getting bills that have not been paid," Sutton said. "We've got \$357,000.00 out there with our name on it."

A portion of the county's premi-

ums was supposed to go for a policy with Lloyd's of London which would take care of the run out on claims, Sutton said.

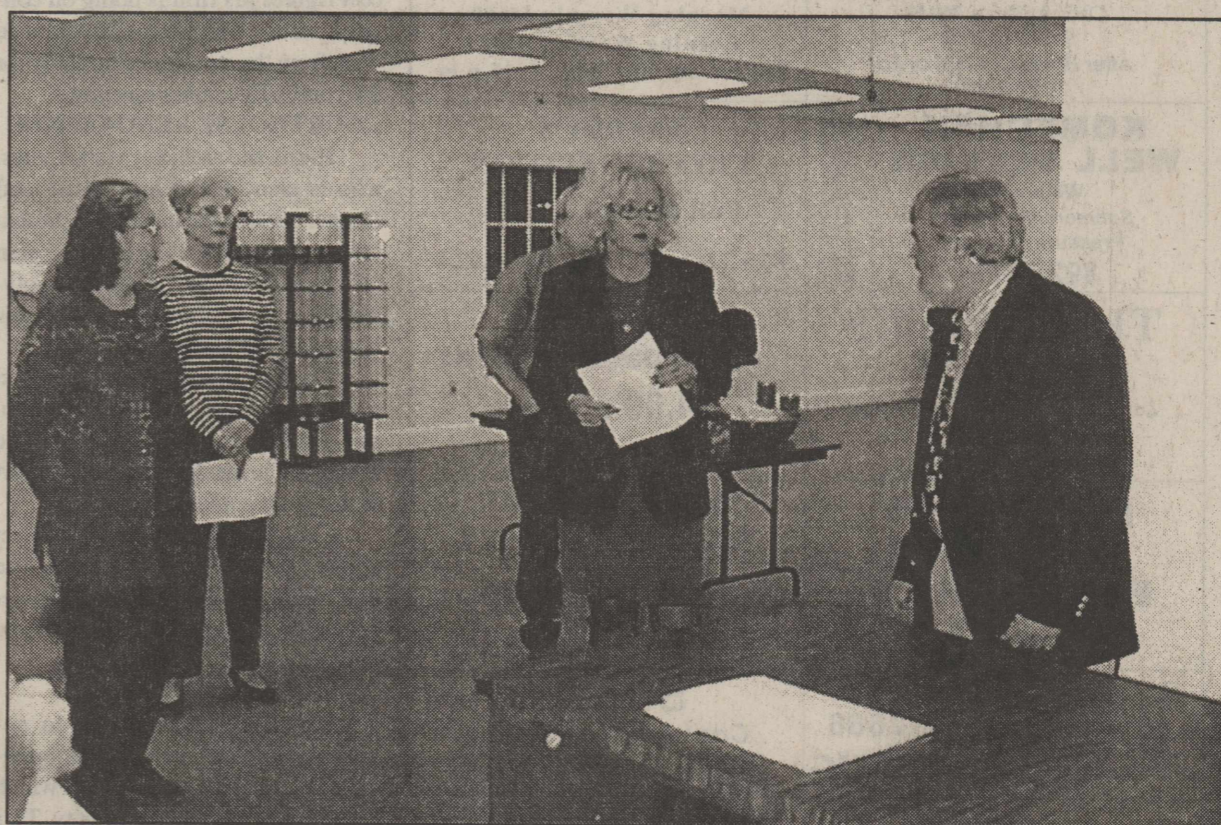

County Attorney Bill Mason asked to see the contract with WTRC and agreed that the court should obtain an attorney in the matter.

BRIDGE/ACCESS ROAD

Businessman Joe Tobar met with the court to present information he has obtained from the state regarding construction of an access road and bridge into Ozona on the south side of I-10.

"They told me that you (elected officials) need to get together and go to Austin," Tobar said. "The people from the state didn't say they didn't have the money (to fund the proposed

Wool prices low

Last week's wool sale was "the lowest we have sold any short wool in 50 years at least," said Donnie Laughlin of Wool Growers. "The world wool market is not good. It doesn't show any signs of recovery." The wool offered was clean and nice, Laughlin said.

Wool Growers offered a total of 236,348 pounds. Of this, 104,000 pounds was paint free fall short wool, 67,675 was fall lamb and 32,000 was 12-month wool.

The short wool which sold went from 16 to 33 3/4 cents, the lamb wool sold at 26 to 38 cents and the 12-month wool went for 28 to 48 cents.

Bollman Industries bought nearly all the short wool offered, Anodyne concentratd on lamb wool, and Provoust was the buyer of the 12-month wool.

Ozona Wool and Mohair offered over 79,000 pounds of paint-free fall short wool, over 36,000 pounds of paint-free spring wool and 17,000 pounds of lamb wool.

"Prices were low but average for the times," said Charles Siedensticker. The high lot of fall wool averaged 37 1/2 cents and lamb wool averaged 34 cents.

Bollman was the primary buyer of the fall and spring wool, and the lamb wool was split between Anodyne and Ford Oglesby. Provoust was also a buyer.

Brown sworn as new 112th assistant D.A.

FORT STOCKTON - Oct. 25, 1999 - On Monday afternoon, Michael J. Brown, an attorney from Lubbock, was sworn in as an assistant district attorney by 112th Judicial District Judge Brock Jones. Brown joins the prosecution team of the 112th District Attorney, Ori T. White.

Brown, a former FBI agent, has extensive experience as both a Federal and State prosecutor. For 12 years he served as an assistant United States Attorney for the Southern District of Texas in Houston. Prior to that, he prosecuted as an assistant district attorney for Harris County.

A native of Odessa, he is a graduate of Austin College and the University of Texas Law School. Brown is Board Certified in Criminal Law by the Texas Board of Legal Specialization.

Lions devour Eagles

By Michelle Holtz
STOCKMAN SPORTSWRITER

The Ozona Lions moved closer to the playoffs Oct. 29 by defeating the Junction Eagles in Junction.

The Lions wasted no time getting the jump on the Eagles. With 8:13 remaining in the first quarter, Lion quarterback Ross Crawford threw a nice 9-yard pass to Dustin Faught for the Lions' first touchdown of the game. Lion Cade Clark's kick for the extra point was successful, allowing the Lions to take an early lead in the game.

In the second quarter, Ross Crawford made an 8-yard run for another Lion touchdown with 10:23 left on the clock, increasing the Lions' lead to 13-0. The extra point attempt was no good.

Kenny Vargas made the Lions' second touchdown of the quarter when he caught a beautiful 65 yard pass from Crawford. The try for extra points failed.

The Lions led the Eagles 19-0 at the half, but both teams were unable to score in the third quarter. However, in the fourth quarter, the Lions resumed stalking their prey in anticipation of devouring the Eagles.

Early in the quarter, with 11:23 on the clock, Tim Maldonado ran in a 5-yard touchdown for the Lions, bringing the score to Lions 25 - Eagles 0. The kick for the extra point was unsuccessful.

A minute and 18 seconds later, Lion Clay Richardson caught the Eagles off guard as he intercepted an Eagle pass, then ran the ball down the field for a Lion touchdown on a 60-yard return. The Lion fans went wild as the Lions continued to move in on the Eagles. Cade Clark kicked the ball successfully to make the score Lions 32 - Eagles 0.

With 59 seconds remaining in the game, Lion Ken Sessom recovered a fumble in the end zone to score the Lions' sixth and final touchdown of the night as the Lions devoured the Eagles. Clark again kicked successfully for the extra point. The Lions

won the game 39-0.

Defensively, the Lions played an incredible game as they held the Eagles from moving the ball into the end zone and scoring. Seth Webster played a great game as he had five tackles, two pass breakups and he covered well on the passes thrown his way. Also having a good game defensively were Ray Ramos and Tim Maldonado with nine tackles each. Offensively, Dustin Faught had a superb night as he blocked well from his wide receiver position, had two receptions for 49 yards and a touchdown.

Also doing well offensively were Kenny Vargas with one reception for 65-yards, one touchdown and one interception; Cade Clark with two receptions for 30-yards. Ross Crawford had 187 yards passing and ran for one touchdown. He also played well on the specialty team, punting twice for a 40-yard average with no returns.

"These young men played hard and really dominated Junction statewide," commented Coach Steve Taylor after the game. "We did make a few too many mistakes and had too many penalties, but it was good to win big, and all the players got some playing time. Ross had another great game, and our whole defense played great. Overall, the Lions held the Eagles under 100 yards for total offense in

the game."

The Lions will host the Wall Hawks Friday, Nov. 5, at 8:00 p.m. in Lion Stadium. The Lions still have a chance of being the district champs, but they have to beat Wall this week.

Museum hosts mohair style show

Fashion designer Dolores Vernor has donated a beautiful mohair coat to the Crockett County Museum to be used for a fall fund raiser. Vernor, a long-time fashion designer, earned a C.P.A. degree in Tampico, Mexico, where she also hosted a live television show. She came to the United States 11 years ago.

In 1990, after discovering mohair, she founded Dolores' Unique Designs in Camp Wood. She said she had never

heard of mohair. Her reaction to the fiber was, it's a "hidden treasure".

Vernor will present her creations at a mohair style show on Nov. 14 at 2:00 p.m. at the museum. "There will be no admission charged to the style show, but please help the museum by purchasing tickets to win the coat," says Nancy Moore. Vernor will draw the lucky name at the show. Tickets may be purchased prior to the show or at the show.

project), they said they have ways." Tobar talked about loss of business to Sonora and the good he believes a south access road would do for Ozona. "I'm willing to have competition to help Ozona," said Tobar who owns a restaurant south of I-10.

"It's time to do something for the southside. It's time to change what we did wrong 25 years ago," he commented, referring to the interstate construction with only a north access road.

"I'm going to work on (getting) that bridge," he said.

Judge Sutton said he will see if someone from the San Angelo TxDOT office will come and talk with commissioners about a smaller scale project.

In another bridge related agenda item, Gary Harris of Parkhill, Smith and Cooper reported that plans and cost figures his firm is doing on construction of a bridge into Chandlerdale West from the east should be ready for the court's December meeting.

COURTHOUSE RENOVATION

Harris and architect Marie Crites, who is also of Parkhill, Smith and Cooper, were at the meeting to present information on creating a master plan for courthouse renovation and applying for grant funding from the Texas Historical Commission.

Crockett County voters approved restoration money in a bond election, and a master plan will be part of the process. The master plan is also a part of the grant application process.

Commissioners soon will select a firm to create the master plan. The first round of applications may be accepted by the state in April, Crites said.

PIPELINE PERMITS

Commissioners voted to approve, with modifications, an application and permit for pipelines which cross rural roads in the county. This will not pertain to pipes carrying water for consumption by livestock or humans.

The pipes are to be buried in a 36" deep ditch surrounded by either six inches of concrete or a one-fourth inch pipe. A \$250.00 inspection fee is part of the application.

Policies regarding pipelines inside Ozona will be discussed later, and commissioners agreed they need separate policies for water lines.

PROPERTY ACQUISITION

Court members voted to have Judge Sutton make an offer to purchase approximately 36 acres of land owned by United Petroleum near the cemetery. The area is surrounded by property already owned by the county.

Commissioners had previously discussed acquiring an 800'x50' easement through the property, which would allow access to land the county owns behind the cemetery. This easement would eliminate the need to go through the cemetery to reach this property.

Judge Sutton voted against making an offer for the entire parcel. The four commissioners voted in favor.

Bobcat ceremony highlights Cub Scout meeting

Pack #153 met on Oct. 26, at the high school auditorium for an evening of skits and awards. The Webelos Scouts led an opening with the presentation of the American and Texas flags and the Pledge of Allegiance.

Denners and the assistants gave reports on the activities their dens participated in over the last month. Reports were given by the following dens: Den 1 - Denner Jesse Ramos and helper Travis Zuberbueler, Den 2 - Denner Danny Anderson and assistant Wilson White. Den 3 - Assistant Lalo Longoria and helper Anthony Villarreal, Den 4 - Denner K. C. Carson and assistant Manuel Villarreal, Den 5 - Denner Dylan Castillo and assistant Damon Johnson, Webelos Patrol Leader - Christofer Fierro. Tiger Cub leader Benny Logan shared their Tiger activities of the past month.

Tiger Cubs, Dens and Webelos performed a skit, or cheer for the pack. The talents and skits performed by the scouts were quite entertaining and full of laughter and fun. The entertainment was one of the highlights of the evening.

The more serious part of the evening's events was the Bobcat Ceremony. Before any cub can achieve his Wolf, Bear or Webelo badge, he must learn the basic foundations of Cub Scouting, which involve learning the Cub Scout Promise, the Law of the pack, what Webelos means (it's a Cub Scout secret), the Cub Scout sign, the Cub Scout handshake, the Cub Scout motto, the salute and the parents are required to read and review with their child the exercises in the booklet *How to Protect Your Child from Child Abuse*. Lights were lowered while parents were asked to come forward with their child and pin the Bobcat badge on their son. The badge is attached upside down and can be turned upright once the cub does a good turn for someone without being asked to. Each cub was given a candle to light. Den leaders representing the new Bobcats were Cody & Stefani Bush, Lou Carson and Victor & Amy Newton. The new Bobcats are: K. C. Carson, Dylan Castillo, Charlie Gravell, Zach Holtz, Damon Johnson, Corey Kelley, Lalo Longoria, Jordan Martinez, Taylor Newton, Josh Ramos, Kurtlan Reyes, Andrew Stevens, Kyle Sewell, Anthony Villarreal, Manuel Villarreal and Lane White.

Tiger Cubs were given Tiger sashes. Volunteers, Alice Lopez and Nancy Smith made the sashes. Patches for the sashes were given to Tigers who participated in the flag ceremony at a football game, soccer and/or who were present for the pumpkin carving. Tiger Cub leaders are Edward and Linda Borrego and Benny and Peggy Logan. The following Tigers earned the patches: Joe Patrick Borrego - soccer, pumpkin, Richard Borrego - flag, pumpkin, Dakota Cox - pumpkin, Sean Davis - soccer, pumpkin, Trey Fierro - pumpkin, Anthony Gonzales - flag, soccer, pumpkin, Duncan Knox - flag, pumpkin, Russel Komechak - flag, soccer, pumpkin, Jayce Logan - flag, pumpkin, Brandon McDaniel - pumpkin, Caden Rutherford - soccer, pumpkin, Austin Suddreth - soccer, pumpkin, Anthony Tambunga - flag, soccer, pumpkin, and

Tyler Vitela - flag, soccer, pumpkin.

Service Stars were given to each scout according to how many years he has been in Cub Scouting. Wolf Cubs who received One Year Tiger Star for being a Tiger Cub last year were: Jesse Badillo, K. C. Carson, Dylan Castillo, Charlie Gravell, Zach Holtz, Damon Johnson, Corey Kelley, Lalo Longoria, Jordan Martinez, Taylor Newton, Josh Ramos, Kurtlan Reyes, Andrew Stevens, Kyle Sewell, Anthony Villarreal, Manuel Villarreal, and Lane White. The Bears receiving a one year Tiger Star and an one year Service Star for being a Wolf last year are: Danny Anderson, Nathan Knox, Matthew Komechak, Chris Lara, Josh R. Smith, Wilson White and Travis Zuberbueler. Bears Ethan English and Jesse Ramos both received a one year Service Star. Webelos Scouts receiving the following Service Stars for one year of scouting are Levi English, Westly Smith, Bill Ten Eyck, and Abel Villarreal. Webelos receiving a two year Service Star are Sean Defalace, Christofer Fierro, Joe Garanzuay, Stephen Gillit, and Josh D. Smith. Josh D. Smith also received a Tiger Service Star. Caleb Mitchell received a three year Service Star. Receiving a Tiger Service Star and a four year Service Star are Timothy Longoria, Grant Stevens and Roman Tambunga. Joshua Roman received a four year Service Star.

Representing the Perfect Attendance Bars were Cathy English, Bobby Knox, Maria Lara and Stephen Zuberbueler and were given to the following cubs who did not miss one den or pack meeting: Nathan Knox, Matthew Komechak, Chris Lara, Josh R. Smith, Grant Stevens, Wilson White and Travis Zuberbueler. Good job fellows!

Whittling Chip cards were awarded to Matthew Komechak, Chris Lara, Jesse Ramos, Josh R. Smith and Travis Zuberbueler. To achieve this card the cubs need to learn and know the safety rules for handling a knife, how to take care and use a pocketknife, and make a carving. Stephen Zuberbueler and Maria Lara did the presentation.

Closing up the awards ceremony was the Sports and Academic Belt Loops, Pins and Letters presentation. Matthew Komechak went home with two belt loops for Bicycling and Art, Chris Lara earned not only three belt loops for Bicycling, Hertiages and Swimming but a Sports Pin and Letter for Swimming. Jesse Ramos received three belt loops for Baseball, Bicycling and Soccer. Josh R. Smith took home a belt loop for Baseball, Bicycling, and Soccer plus a Sports Pin and Letter for Baseball. Travis Zuberbueler received a belt loop for Bicycling, Math and Swimming along with a Sports Pin and Letter for Swimming. A Cub Scout receives a Sports Pin and Letter when he involves an adult and keeps a log of their participation for a specific length of time. Johnny Smith and Freida Zuberbueler were each given a Sports Pin for being involved with their child or who helped another child earn their Sports Pin and Letter.

Announcements were made before the closing of the program. The pack said the Cub Scout Promise and sang *God Bless America*. Tigers served refreshments.

District VIII Garden Club convention

By Charlotte Harrell

The District VIII Convention of the Texas Garden Clubs, Inc. was hosted Friday and Saturday, Oct. 29 and 30, by the Reagan Garden Club of Big Lake, the Mildred Parker Garden Club of Iraan, the Yellow Rose Garden Club of Rankin and the Ozona Garden Club. Jan Van Shoubrouck and Carmen Sutton were co-chairmen of the convention. Charlotte Harrell served as registrar, and Mary Jo Mason assisted with registration at the meeting. The beautiful place cards at the head table and all the name tags were penned by Mary Jo. Jerri Lynn Pierce assembled materials collected from all clubs into the gift bags given each registrant at the door.

Seventy-one gardeners participated in the two-day event, beginning with a reception at the Crockett County Museum. Geniece Childress, Nancy Moore and Cheryl Whitesides served as docents and proudly guided the garden club members through the museum after they registered for the meeting. Light refreshments were enjoyed by all at the museum before dinner at El Chato's Friday night.

Saturday morning the participating gardeners arrived at the Ozona Civic Center to enjoy a delicious buffet breakfast prepared and served by the Reagan Garden Club of Big Lake. The tables were beautifully decorated by all four host clubs. The business meeting began with an invocation by The Reverend Nancy Mossman, the County Attorney Bill Mason graciously welcomed all visitors to Ozona. Next, Carmen Sutton, as president of the Ozona Garden Club, greeted the assembled group, and Mary Creel of the San Angelo Garden Club responded in kind.

Ms. Laverne Hood, District Director of District VIII Texas Garden Clubs, Inc., introduced State President Barbara Baker. During the business meeting, Mrs. Baker announced that Grace Williams of the Ozona Garden Club had been made a State Life Member of the Texas Garden Clubs and presented her with the appropriate pin. All present were so pleased that someone in our district was

recorded this high honor. Before adjourning for lunch, Vivian Childress of the Ozona Garden Club conducted the drawing for many lovely door prizes. Lunch was catered at the Ozona Civic Center by the Hitchin' Post Restaurant with our own Ozona Garden Club member, Debi Hamilton, in charge. All gardeners enjoyed a delicious fall menu of ham with all the trimmings.

After lunch, Andra K. Chamberlin of Midland presented a charming program on "Butterfly Gardening". Ms. Chamberlin told of the conditions ideal for attracting butterflies to your garden. Butterflies are beneficial as pollinators and add beauty to your garden. By providing the right conditions, plants and puddles of water, butterflies will abound. Over 750 species of butterflies live in the United States and Canada. The monarch butterfly migrates but many others hibernate as chrysalises, as caterpillars and as adults. Some butterflies live only a few days and others, such as the monarch, live eight to 10 months. Both native and non-native plants are needed to provide larval and nectar food sources. Butterflies are attracted to large clumps of color, thus plant flowers in groups.

Here are some butterfly-friendly gardening practices:

Avoid all insecticides and pesticides in your garden, otherwise you will kill the very insects and caterpillars you want to attract.

Plant native and adapted plants that thrive without the use of pesticides and insecticides.

Fire ants eat butterfly caterpillars. Individual mounds may be treated.

Aphids can be blasted with a strong stream of water or squirted with soapy water.

A gardener must be prepared to accept the sight of chewed and eaten leaves on the larvae plants.

Very few butterfly species cause significant damage to garden plants.

Butterfly-friendly gardens also attract beneficial insects, hummingbirds, song birds, reptiles and small mammals.

For more detailed information and lists of plants butterflies love, you may contact Charlotte Harrell at 392-2501.

The convention concluded with a credentials report by Charlotte Harrell, courtesy resolutions by Debi Hamilton and inspirational thoughts by Cheryl Whitesides.

ANDRA K. CHAMBERLIN OF MIDLAND presented a program on butterfly gardening at the District VIII Garden Club convention held in Ozona.

Helping Hands Carnival a success

The Helping Hands annual carnival was a huge success says Janet Hill-McDaniel. The turnout was tremendous even with adverse weather early in the day.

All booth operators were pleased that their efforts to raise money paid off. "We had some very different

booths this year, so get your thinking caps on and let's do more next time," says Mrs. McDaniel.

"The parade is one area we will work on to make it bigger and better. Many have already reserved spaces for our big Y2K festivities. Get your name on the roster, too."

Xi Sigma Omega Fall Couples Rush

Members of Xi Sigma Omega brought their husbands and their competitive "spirits" to the Fall Couples Rush on Monday, Oct. 25, at the Hitchin' Post Restaurant. Hostesses for the event were Susan Buchanan and Diane Anderson. Each couple had this magic moment saved for eternity with pictures taken against a background of hay bales, scarecrows and pumpkins.

Following a devilishly good meal, a goulishly fun game of bunko brought forth spirits from our members that have been previously unobserved. Dr. Jekell and Mrs. Hyde, the Wicked Witch of the West, and Edward Scissorhands were seen milling about as the night progressed.

The winners and those of us who

were the ultimate losers, were given prizes for our respective dazzling and dozing bunko techniques. More door prizes were given, to give those of us who were sobbing and wailing a chance to take home a prize. As usual, our luckiest member, Martha Weant, needed a wheelbarrow to get all her prizes to the car.

Members attending were Susan and Rory Buchanan, Diane and Tom Anderson, Shannon and Rick Hunnicutt, Martha and Danny Weant, Laura and Jim Skehan, Debbie and Brooks Long, Laurie Hale and Janet Smith. Guest, Billy Cunningham, provided much of the nights entertainment. Thank you Billy.

The next meeting is scheduled for November. L. Skehan Reporting.

Winona "Winnie" Williams service Oct. 30

Winnie Williams, 80, of Ozona died unexpectedly Thursday afternoon, October 28, 1999, at her home.

Funeral services were held at 2:00 p.m. Saturday, October 30, at the Ozona United Methodist Church with the Rev. Nancy Mossman officiating. Burial followed in Cedar Hill Cemetery. Arrangements were by Preddy Funeral Home.

Winnie was born June 3, 1919, was a native of McCulloch County, the daughter of Mr. and Mrs. Joe Cunningham of Brady. She graduated from Rochelle High School in 1936. On Sept. 1, 1951, she was married to Jack F. Williams in Gainesville. Winnie came into the lives of her extended family as a happy surprise.

Jack F. Williams was the last of the six children of Mrs. Charles L. Williams to escape matrimony. Despite many efforts of matchmaking, he adroitly side-stepped involvement. Winnie was the last of the six children of Mrs. Charles L. Williams to escape matrimony. Despite many efforts of matchmaking, he adroitly side-stepped involvement.

Following the honeymoon, the Ozona family happily welcomed Winnie who became an integral part of small-town life. She joined Jack

as a member of the Ozona United Methodist Church. In time, she joined the Woman's Forum, the Ladies Bridge Assn. of Ozona Country Club and later enjoyed duplicate bridge. She and Jack joined his ranching partner brother, Joe Williams and wife Jeanie, in building and new motel on the eastern edge of Ozona. The Flying W Lodge flourished, and Winnie was often the gracious hostess welcoming the traveling public.

Preceding her in death were her husband, Jack F. Williams who died Aug. 9, 1992, following a two year battle with cancer, an infant daughter, her parents; two sisters, Anna Mae Adams and Avis Harris; brothers, Horace Cunningham, Roy Cunningham and Damon Cunningham.

Survivors include a son, Craig Williams and his sons, Cohn and Tyler of Austin; a daughter, Suzanne Chirhart and her husband, Warren, and son, Adam of Austin. Winnie enjoyed a happy rapport with Warren. To her delight, the Chirharts had returned to Austin to make a permanent home after living in Minnesota for several years. One sister, Romel Nester and her husband, Ivan.

Extended family survivors include three brothers-in-law and their wives, Charles and Jonezy Williams, Gene and Toots Williams and Byron and Liz Williams; sister-in-law, Jeanie Williams, wife of the late Joe Williams, and sister-in-law and her husband, Mary and Joe Clayton.

She was the beloved "Aunt Winnie" to many nieces and nephews.

Pallbearers were nephews Blayne Harris of Dallas, Don Cunningham of Mason, Marion McGaughy of Midland, John Mosley of Horseshoe Bay, Rodney Blauvelt of Comfort, David Williams of Midland, Joe Clayton, Jr. of Brownwood, Michael Williams and Gene Williams, Jr. of Ozona and close family friend, Steve Wilkins.

Memorials may be sent to Ozona United Methodist Church Foundation, P. O. Box 983, Ozona, TX 76943, or your favorite charity.

CARE CENTER RESIDENT ALVIN JENSEN (seated) enjoyed the music provided by Willena Holden and Freddie Nicks last week.

Ozona Chamber of Commerce - Member of the Week

Halbert LPG, Inc. dba Ozona Butane

Member of the Week Ozona Butane was purchased by Bob Halbert of Eldorado in March of 1997. Ozona Butane is part of his Halbert LPG, Inc. company.

Bob Halbert and his brother bought their father's butane business in 1982, 25 years after it was founded, then Bob bought his brother out in 1992.

Purchase of Ozona Butane expanded the service area from Sutton, Kimble, Menard and Schleicher Counties into Crockett, Val Verde and part of Pecos County. Drivers are stationed in Menard, Sonora, Eldorado and Ozona ready to make deliveries to ranches and hunting camps.

The company does all LPG service work and motor fuel installations. Ozona employees are Larry Vestal and Linda Sherek. Phillip Cooper is the driver in Sonora and Jacky Peterson in Menard. Eldorado employees are Ken Thomas and Dan Halbert.

God's Love For Public Worship

by Dr. Dennis Prutow

With individualism rampant, the electronic church stock and trade, tapes, videos, and CDs innumerable, the public worship of God falls on hard times. With heavy emphasis on private devotions and, in some circles, on family worship, the corporate worship of the church takes a back seat. Throw in professional athletics and competition to corporate worship in the church is deep and broad.

Psalm 87:2 has a response. "The LORD loves the gates of Zion more than all the dwelling places of Jacob." God chose to dwell in Zion. He also told the people, "You shall seek the LORD at the place which the LORD your God will choose from all your tribes, to establish His name there for His dwelling" (Deuteronomy 12:5).

When David was driven out of Jerusalem into the wilderness, he was separated from Zion. David cried, "How lovely are your dwelling places,

O LORD of hosts! My soul longed and even yearned for the courts of the LORD" (Psalm 84:1-2).

The dwelling places of Jacob were the tents, the homes, of the various families. Families worshipped privately. They also gathered for public worship. So it is today. From God's perspective, public worship should never be forsaken in favor of private devotions, small group studies, or family worship. "The LORD loves the gates of Zion more than all the dwelling places of Jacob."

Alwine Hohertz service in Miles Nov. 4

Alwine Sophie Hohertz, 99, died at 11:35 a.m. on Sunday, Oct. 31, 1999, at the Crockett County Care Center in Ozona where she resided for the past one and a half years. Graveside service will be at 11:00 a.m. on Thursday, Nov. 4, at Miles Cemetery. Arrangements are by Preddy Funeral Home.

Grandson Doug Johannsen, pastor of Worldwide Church of God, will

officiate. Alwine was born Oct. 18, 1900, in Hamilton County and was married to Richard "Pete" Hohertz on Dec. 18, 1924. She and her husband reared their family on a small farm near Veribest.

Survivors include: one daughter, Helen Nelson of Pasadena, CA; and four sons, Edwin Hohertz of Ozona, Weldon Hohertz of Red Oak, Helvin Hohertz of San Angelo and Loyd Hohertz of Pasadena, CA.

Other survivors include two sisters, Erna Hohertz of Hamilton and Tena Lange of Dodd City.

Alwine was blessed with 29 grandchildren, 30 great-grandchildren and two great-great-grandchildren.

Two children preceded her in death, Elnora Dunnam of Waco and Robert "Bob" Hohertz of Ozona.

Isaiah 44: 8,10 (Amplified Version)
 (9) Fear not, nor be afraid [in the coming violent upheavals]; have I not told it to you from old and declared it? And you are my witnesses! Is there a God beside me? There is no other rock. I know not any.
 (10) Who is [such a fool as] to fashion a god or cast a graven image that is profitable for nothing.

Cowboy camp meeting here Nov. 8-9

Glenn Smith, president of International Western World Outreach Center Inc., will be the speaker at a cowboy camp meeting here next week. Services are planned for Monday and Tuesday, Nov. 8 and 9, beginning at 7:00 p.m. at Circle Bar Truck Plaza R.V. Center. This is located six miles east of Ozona on I-10.

Smith is an ex-rodeo professional and rancher. He ministers the gospel with a western flavor and was ordained to full time ministry in the early 1970's. Preaching and teaching the uncompromised Word of God, Glenn and his wife, Ann, have traveled throughout the U. S. and many other countries.

Model meeting held by Alpha Alpha Mu

On Oct. 25, Alpha Alpha Mu hosted their model meeting for the new pledges joining the sorority. The hostesses for the evening were members of the executive board. They served taco salad and a delicious pound cake from Tammy Jones. It was a very rich cake, considering it had one pound of butter in it. We have several women in our sorority dieting, but we all blew it that evening.

The evening began with our Beta Sigma Phi opening ritual. The executive board told all about their jobs in sorority. The theme for this year is "New Century - New Beginnings". The new officers for 1999-2000 are president Carol Richie, vice-president Melissa Morris, recording secretary Jennifer Hicks, corresponding secretary Dana Cowen, treasurer Kay Shaffer and extension officer Tonya Poindexter. These officers are doing a great job keeping our sorority running smoothly.

The pledges are: Laura Sievering, Jennifer Knapp, Sterling Roddie, Vicky Munoz, Janina Savala and Bobbie Renfro.

Tonya Bullard won the unique door prize - a cow wind chime. At the meeting of Oct. 11, Tonya Poindexter won the door prize of a Halloween pumpkin candle. We are doing our door prizes different from the previous years. We are now getting our hostesses for the evening (if they want to) to donate a door prize. Then if anyone is interested in winning the gift, they donate \$1.00 for three chances. Then our sorority profits a little from each meeting.

Members present were: Tonya Poindexter, Donna Wiley, Carol Richie, Tonya Bullard, Jennifer Hicks, Dana Cowen, Shawna Hopper, Melissa Morris, Patricia Sutton, Adrienne Cook, Kay Shaffer and Jackie Necessary.

JV Lions mow down the Junction Eagles 57-12

By Michelle Holtz
STOCKMAN SPORTSWRITER

The Ozona Junior Varsity Lions hosted the junior varsity Junction Eagles Thursday, Oct. 28, at Lion Stadium.

In the first quarter, Ozona's Jimmy Lopez intercepted an Eagle pass, then he and Abel Rodriguez took turns moving the ball to the 7-yard line. Rodriguez scored; however, there was a penalty against the Lions on the play, negating the score.

The Eagles took over, but the Lion defense caused the Eagles to fumble the ball, which was recovered by Lion Dwayne Smith, leading to a Lion touchdown.

Jared Shaffer, Rodriguez and Quay Oglesby ran the ball down to the 4-yard line. Oglesby took the ball in for the Lions. The 2-point conversion was run in by Kyle Richardson.

Junction fired back with a 72-yard touchdown pass, but their 2-point conversion attempt was unsuccessful.

On the next Lion possession, Lopez ran 70-yards on a sweep, but a penalty caused the play to be called back.

The score at the end of the first quarter was Lions 8 - Eagles 6.

In the second quarter, the Lion offense drove the ball down to the Eagle 11-yard line behind the blocks of Robert Fierro, Wesley Bishop and Eliberto Onate. Rodriguez scored on an 11-yard run. He also ran in the 2-point conversion for the Lions.

Junction began to drive the ball down the field; however, Lion Lalo Garza intercepted an Eagle pass and took the ball in for a Lion touchdown on a 24-yard run. The 2-point conversion attempt was unsuccessful, ending the half with a score of Lions 22 - Eagles 6.

The Lion defense, led by Victor Hernandez, Gus Perez and Luis Cruz, held the Eagles once again in the third quarter. Shaffer and Lopez pushed the ball down to the Eagle 6-yard line. Then Shaffer ran in a touchdown for the Lions. The extra point was no good.

The Lion defense continued to play well in the next play, led by Shaffer, Zeke Rivera and Roy Estrada. The Eagles punted, and Rodriguez returned the punt 71 yards for a Lion score with great blocking by the specialty team. Onate's kick was good for the extra point.

The Eagles then drove to the Lion 4-yard line; however, the Lion defense led by Oglesby, Estrada and Richardson prevailed and held the Eagles.

The Lion offense took over once again and launched a 96-yard drive and score. Rodriguez broke on a 5-yard run, and Shaffer finished the drive with a 50-yard run to score for Ozona. Onate's kick for the extra point was good. The scoreboard now read Lions 48 - Eagles 6.

The Eagles tried to drive the ball down the field to only be stopped by the Lion defense who held the Eagles on the Lion 15-yard line. The Lion

defense was led by Shaffer, Perez and Fierro. The Eagles managed to hold the Lion offense from scoring on the next drive, and broke through the Lion defense to score on a 38-yard run. The extra point attempt was no good. This brought the score to Lions 48 - Eagles 12.

On the Eagles' next possession, the Lion defense caused the Eagles to fumble. Rodriguez recovered and ran in a 45-yard TD due to a key block by Bishop. Onate's kick was good, improving the score to Lions 55 - Eagles 12.

The Eagles were forced to punt on their next possession. Garza and Rivera blocked the punt in their end zone, and Rivera recovered the ball for a safety.

Final score of the game was Lions 57 - Eagles 12.

"I can't brag enough on our defensive unit," said Coach Lynn Sears. "Everyone played very well. These young men are beginning to learn about dominating on the defensive side of the ball. This is the first time this year where we had four healthy running backs that ran the ball well. Abel Rodriguez had a super night of hitting the holes off some superb blocking."

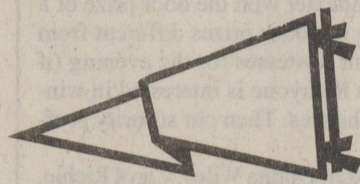

"I think it is important, especially at this level that you can maintain a sporting attitude in a game like this by not trying to run the score up. We ran only dive plays the entire second half, but our players blocked so well our backs continued to score. All of these young men did a great job."

Seventh Grade Cubs take the Eagles by Storm

By Michelle Holtz
STOCKMAN SPORTSWRITER

The Ozona Seventh Grade Cubs took the Eagles by storm in Junction Oct. 28 as they played another great game of football. In the first quarter, J. D. Borrego scored the Cubs' first touchdown on a 16-yard run. Borrego also successfully completed the 2-point conversion.

The Cubs' next touchdown was set up by an interception by Ruben Talamantez. Borrego followed up by scoring on a 4-yard run and also ran in the 2-point conversion.

The Cub defense played an awesome game, holding the Eagles from moving the ball into the end zone and scoring.

At halftime the Cubs were leading the Eagles 16-0.

In the third quarter, Toby Pagan scored the Cubs' third TD of the night on a 38-yard run. The 2-point conversion attempt was unsuccessful.

The Cubs scored again in the third quarter on a 12-yard run by Ruben Talamantez. The 2-point conversion attempt failed.

At the end of the third quarter, the score was Cubs 28 - Eagles 0.

In the fourth quarter Toby Pagan scored the Cubs' final touchdown of the night on a beautiful 54-yard run. The 2-point conversion was run in by J. R. Villarreal, making the score Cubs 36 - Eagles 0.

The Cubs played great offensively and defensively throughout the game. Offensively, they moved the ball down the field well, leaving the team with five touchdowns of the night and three out of five of the 2-point conversion attempts.

Defensively, the Cubs held the Eagles scoreless throughout the night.

"These young men continue to impress me each week both offensively and defensively," said Coach Rick Bachman after the game. "They are improving from game to game and are really beginning to play as a team."

"I can't praise the offensive line-men enough as they had another outstanding game."

"Blocking hard on every play were: Derek Fierro, Alex Avila, Roland Galindo, Michael Garza, Jared Bird, Eddie Rios and Doug Duncan. Vince Castro also had an outstanding game, providing key blocks and running the ball very well as he does every week."

"Our defense completely smothered the Junction team all night. Big hits were made by: Alex Avila, Jared Bird, Doug Duncan, J. D. Borrego, Vince Castro, Jeffery Gillit, Mack Fontdexter, Michael Garza, Toby Pagan, Eliseo Treto and Raven Perez. We greatly appreciate the fine support that we have received all year, and I encourage everyone to come out again this week as we close our season at home against Wall," said Coach Bachman.

Eighth Grade Cubs upset Eagles, remain undefeated

By Michelle Holtz
STOCKMAN SPORTSWRITER

The 8th grade Cubs traveled to Junction Thursday, Oct. 28, to take on the Junction Eagles. The Cubs and the Eagles were both undefeated this season going into this game. The Eagles had not lost a game in the 7th grade or through the seven games this year.

The Cubs surprised the Eagles as they caused seven turnovers for the explosive Eagles' offense, five interceptions and two fumble recoveries. The Cubs relied on their tough defense to upset the previously unbeaten Junction Eagles.

Cub Josh Long had two interceptions and several big hits from his linebacker position. Ryan Wylie, Jarryd Taylor and Arron Garza each had an interception. Taylor also had a big hit while sacking the Eagle quarterback that resulted in a fumble recovery by Joel Ortiz.

The rest of the defense really came up big in a big game. Tyson Vordick and Kris Gray played good pass defense, and Gene Damian, Brad Mayfield, Abel Martinez, Clay Hale, Bryan Skehan and Joel Ortiz controlled the line of scrimmage, keeping the Eagle runners bottled up most of the game.

The offensive line had their biggest task of the year as they had to block a much larger Junction team. They proved they were up to the task as they provided room for the running

tandem of Garza and Taylor. Garza capped the first scoring drive with a 15-yard run up the middle in the first quarter and then added the extra point to give Ozona a 7-0 lead. Taylor scored on an 18-yard run in the second quarter, but the kick was blocked. This made the score Lions 13 - Eagles 0.

Junction scored just before the half to make the score Lions 13 - Eagles 6. The Eagles scored again to make the count 13-12, but the Cubs came storming back with a long 65-yard drive. Garza again reached pay dirt with a 30-yard run around right end and then converted a power run on the extra point attempt to make the score 21-12.

Hale did a great job running the offense as he had pressure from the Junction defense all night. He converted two third down passes to sustain Ozona drives.

The offensive line probably had their best game of the year as they rose to the occasion. Abel Martinez, Skehan and Ortiz rotated at the tight end position. Manuel Gutierrez is the center. Chris Martinez and Arron Espino are the guards, and the tackles are Philip Baggett and Gene Damian.

The Eagles scored a late touchdown with one minute to play in the game, making the final score Cubs 21 - Eagles 16.

"I can't say enough about the heart and character that our team

showed in this hard-fought game," said Coach Steve Osborn after the game. "I am extremely proud of these young men for winning, but more for the class with which they represent our school and community."

The 8th grade Cubs are now 7-0-1 for the season. The 8th grade Cubs can finish an almost perfect season with a win this week against Wall. They will host the Wall Hawks Thursday, Nov. 4, at 6:30 p.m. in Lion Stadium.

Scoring summary: 1st Qtr. - Ozona 15-yard run Arron Garza, kick good by Garza; 2nd Qtr. - Ozona 18-yd. run, Jarryd Taylor. Kick blocked; Junction TD; 3rd Qtr. Junction TD; Ozona 30-yd. run Arron Garza, 2 pt. conversion good by Garza; 4th Qtr. Junction TD

Ozona Youth Soccer League tournament results

By Michelle Holtz
STOCKMAN SPORTSWRITER

The Ozona Youth Soccer League's tournament games scheduled for Oct. 30 were cancelled due to the Friday night thunderstorm. The tournament was rescheduled, and the games were played Sunday, Oct. 31, at the soccer field at the fairgrounds.

In the 5-6-year-old age group the first place tournament team is El Chato's Demolition. The Demolition team took on Lilly Construction, winning 9 to 0.

Demolition then played DeHoyos' Law Office Bandidos, defeating the Bandidos 5-2. El Chato's Demolition then played West Texas Rehab, placing first in their division of the tournament by winning their last game 5-2.

UPR played Dr. Sims' Rugrats in the 7-8 year-old division of the tournament. The Rugrats won 4-2. The Rugrats and UPR then played another game against each other to determine the tournament winner. The Rugrats and UPR played a close game, standing tied 5-5 at the end of regulation time.

In the first shootout, the teams were again tied 3-3. The teams then had their second shootout to determine the winner. UPR won the game on the second shootout as they defeated the Rugrats 3-2.

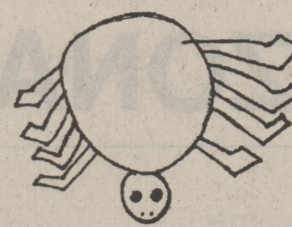

In the 9-10-year-old age group, the WTU team took on the Dairy Queen Troopers. The Troopers won the game 7-1, then moved on to play the Stingrays. In their first game against the Stingrays, the Troopers won 1-0. They then played a second game against each other to determine the tournament winner.

Young writer brings anti-drug message

During Red Ribbon Week in Ozona schools, second grader Lalo Longoria wrote and illustrated a story reinforcing the anti-drug message presented to children. Lalo is the son of Margaret and Lalo Longoria. He is in Mrs. Virginia Cotton's class and is a member of the gifted and talented program at Ozona Primary School.

Lalo hopes to be a mystery writer when he grows up. He has been writing stories on the computer since he was four.

Batty meets Mo

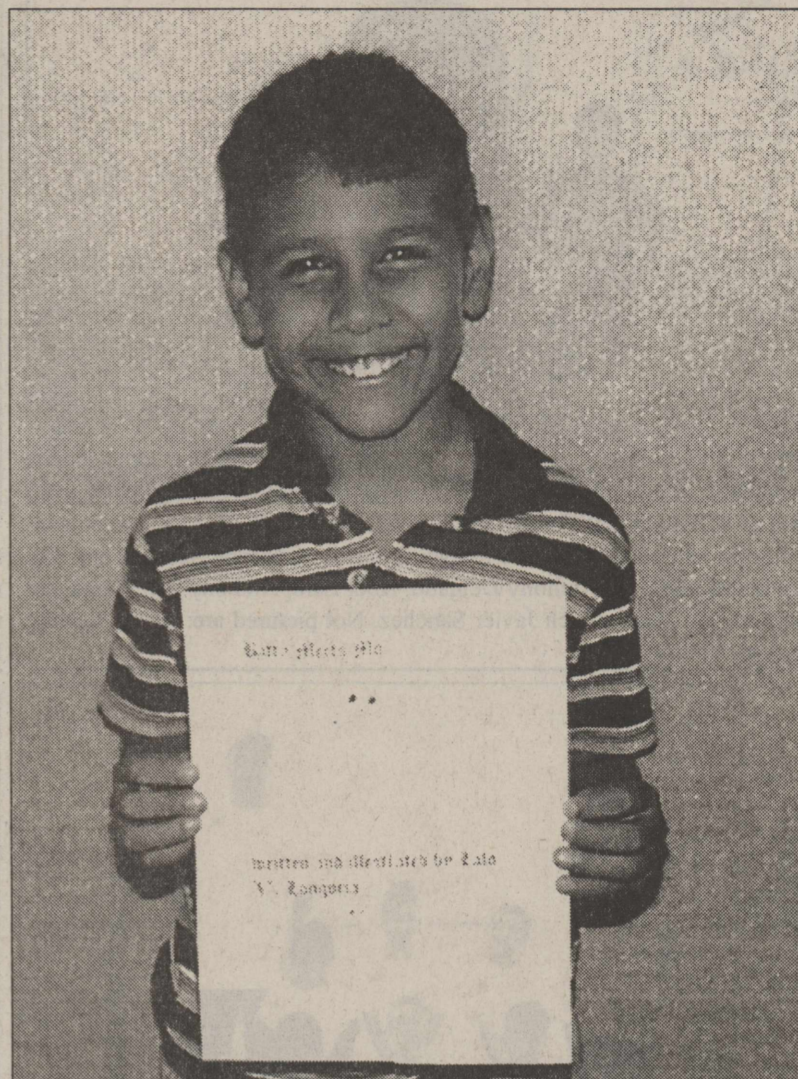

Written and illustrated by
Lalo V. Longoria

One day Batty Bat went for a fly. And met a spider "Hi" said the spider my name is Mo. "Hi" said Mo's new friend my name is Batty.

So they went to the park. Mo said lets swing, Batty said "OK". Next they played Halloween charades.

Batty and Mo met the new girl down the block Cathy Cat so they all played together. On the way home Cathy saw some other cats smoking, drinking and doing drugs. When she got home she told her parents.

The next day on her way home from school Cathy ran into the kids she saw that were doing drugs yesterday. They offered her a cigarette. "No thank you" she replied. So they just walked off.

Freshman Lions defeat the Owls

By Michelle Holtz
STOCKMAN SPORTSWRITER

The Reagan County Owls jumped ahead of the Lions in the first quarter Oct. 28 in Lion Stadium to put six points on the board. With 30 seconds left in the half, Lion Koby Fenton blocked an Owl punt and the ball was returned to the Lions' 12-yard line. There, on the Lions' next play, Mikey Savala threw a sweet 12-yard pass to Ricky Perez to score a touchdown for

the Lions, tying the game 6-6. The 2-point conversion for the Lions was made good by Chase Clark. At half-time, the Lions led the Owls 8-6.

Neither team was able to score again.

"The defense played another great game, holding the Owls from scoring in the second, third and fourth quarters," said Coach Ty Payne.

The freshmen Lions will play in McCamey Nov. 4 sat 6:30 p.m.

Imagine what would happen if we all chipped in and donated \$1 to help those in need. Now think of the possibilities if we all donated \$2. What about \$5? A small amount of pocket change for most, but enough to make a huge difference for those less fortunate when combined with other donations from families throughout West Texas.

This type of benevolence is what West Texas Utilities Company's Neighbor to Neighbor program is all about. This program is a year-round emergency relief fund that is used to help thousands deal with energy costs during adverse weather conditions and emergency situations. Dispersed through Community Action Agencies throughout West Texas, Neighbor to Neighbor is funded through contributions from WTU customers, along with matching funds from WTU. It's just another way we're helping give everyone the power to do good.

Sun prepares for 11-year burp

By Paul Haney
Staff Writer for the
Alamogordo Daily News

Reprinted with permission from the Thursday, Oct. 21, 1999 edition of the Alamogordo Daily News

SUNSPOT -- A solar investigator here is convinced he is onto something big.

Dr. Richard Altrock sees a pattern of eruptions near the sun's surface leading to a huge surge in the release of energy in the early months of next year.

Sort of a sun salute to the millennium being celebrated down here on earth? Something like that, the sun-watching scientist agrees, only bigger and with possible serious consequences for earth dwellers.

Altrock has been photographing and viewing the sun for 25 years from this remote observatory about 35 miles southeast of Cloudcroft.

He uses an instrument called a coronagraph to explore the outer atmosphere of the sun. The coronagraph produces an artificial eclipse of the sun. "It's not nearly as good as when the moon gets between the earth and the sun, putting the sun in eclipse but it will do," says Altrock.

The upcoming January-March period should see an enormous spike in energy eruptions emanating from the sun, the kind of activity that impacts weather and radiation belts that shield the earth 93 million miles away.

The radiation spikes also can knock out satellites that handle e-commerce associated with banks, stock markets and matters as down-to-earth as charge-card activities at the corner gas station. Although the intelligence community rarely complains in public, sun spikes can destroy a spy satellite with insufficient shielding.

It's definitely part of the Y2K buzz that has been making the rounds for several years.

The eruption cycle follows 10 to 11-year cycles. The last "biggie" cycle

The radius and mass of the sun is 440,000 miles and about 2 followed by 27 zeroes.

The radius and mass of the earth is 4,000 miles and about 67 followed by 21 zeroes.

So the sun is approximately 110 times bigger and 330,000 times more massive than the earth. That is not surprising because the mass scales like the cube of the radius, so 110 cubed = 1,331,000, but the average density of the earth is 4 times that of the sun, or 1,331,000/4=339,000, which is close enough for government work.

-Dr. Richard Altrock

peaked in 1989. We are nearing the 2000 cycle which will take about six earth years to work through.

The biggest energy release ever came with a cycle that peaked in 1979. The spike number then was 275 sunspots or eruptions. This compares to 260 in a cycle that peaked in 1957, or 140 in the 1969 cycle and 225 in 1989.

"I look for solar eruption patterns," says Altrock. "A pattern definitely seems to be developing. The first three months of next year appear to be part of a developing sunspot cycle."

With typical scientific reserve, Altrock can't be induced to predict what's going to happen when and with what results. But he can't contain his interest in what his corona-graph is telling him.

The sun is one vast hydrogen bomb in constant detonation. It will probably continue that way for a few billion more years.

The Sunspot National Observatory has been looking at the sun for more than 50 years. Altrock works for the Solar Forecasting Center in Boulder, CO, and the Air Force Research Lab in Colorado Springs.

The Boulder center is part of the National Oceanic and Atmospheric Administration, the so-called "wet" NASA which gets into oceanography as well as weather investigations.

Save lives at the Ozona Health Fair

United Blood Services and the Ozona community are joining together to save lives and have healthier lives. Wednesday, Nov. 10, there will be a combination blood drive and Health Fair from noon until 7:00 p.m. The joint venture will be held at the Ozona United Methodist Church Fellowship Hall.

"What a great opportunity for the Ozona community," said Johnna Pevey, UBS community relations rep-

resentative. "Here is a golden chance to save lives and to also improve the quality of their own lives."

Donors must be at least 17-years-old, weigh more than 110 pounds and be in good health. Donors are also asked to have proof of identification and know the names of any medication they may have taken in the past 30 days.

United Blood Services is the area's not-for-profit provider. In order to supply the 12 area hospitals, United Blood Services must collect more than 300 units each week. "We need your help," said Pevey.

If you would like to make an appointment to give blood, please call Martha Weant at 392-3460. Please try to make an appointment. It will help you get in and out in a timely manner.

For more information about giving blood, please call United Blood Services at 1-800-756-0024.

Ortiz on National Dean's List

Liliana Ortiz of Ozona is among the 120,000 students included in the 22nd Annual Edition of *The National Dean's List, 1998-99*. *The National Dean's List*, published by Educational Communications, Inc., is the largest recognition program and publication in the nation honoring high achieving college students. Ms. Ortiz attends Sul Ross State University at Alpine.

Students are selected for this honor by their college deans, registrars or honor society advisors and must be in the upper 10% of their class, on their school's "Dean's List", or have earned a comparable honor. Listed students are eligible to compete for \$50,000.00 in scholarship awards funded by the publisher, and may also use a referral service for future employment opportunities. More than 2,500 colleges and universities nationwide use the publication to recognize their academically qualified students.

THE LIONS ROAR

IT'S OUT OF THIS WORLD!

As I was surfing the net, I ran into an interesting article on the CNN website that caught my attention. Now, I don't know about you but I find astronomy very interesting! I'm also fascinated by how scientist are getting closer and closer to discovering things people thought possible!

This article came out October 26. It is said that an image of the nearby galaxy Centaurus A captured by the Chandra X-ray Observatory reveals what may be the after-effects of a titanic collision between galaxies several hundred million years ago.

At a distance of 11 million light years 11 million light years from Earth, Centaurus A has been a favorite of astronomers because it is the nearest "active" galaxy.

The image shows X-ray jets erupting from the center of the galaxy over a distance of 25,000 light years—a length comparable to the Milky Way Galaxy!

Also detected are a group of X-ray sources clustered around the nucleus, which is believed to harbor a supermassive black hole, NASA said in a statement.

For twenty years scientists have been trying to understand what produced X-rays seen in the Centaurus A jet. Finally, after two decades of research they know that the X-ray

emission is produced by extremely high-energy electrons spiraling around a magnetic field. Other features of the image excite scientists. They have noticed a new population of sources in the center of the galaxy. They are grouped in a sphere around the nucleus, which must be telling scientist something very important about how the galaxy, and the supermassive black hole in the center, were formed.

Astronomers have found evidence with optical and infrared telescopes that Centaurus A collided with a small spiral galaxy, and the spiral galaxy several hundred million years ago. This collision is believed to have triggered a burst of star formation and applied gas to fuel the activity of the central black hole. The energy output due to the blackhole can affect the appearance of the entire galaxy, NASA said.

So, if you're interested in astronomy (like me) you'll understand how exciting this news is. Let's just hope scientists work harder to find out more information on this spectacular event!

OZONA GRADUATE

Have you ever wondered what Ozona's graduates are doing now? Well, I caught up with Glenn Sutton and asked him a few questions. This is what he had to say:

What college are you going to?

"University of Houston."

What are you majoring in?

"Biology-Medical Technology."

Do you like going to college there?

"Yes."

Do you miss Ozona?

"Not really."

Are the classes hard?

"Yes, certain ones especially History."

Were you prepared to go to college?

"Yeah I was prepared, but college is not like High School. You have a lot more freedom. No one is there to tell you to go to class. You have to depend on yourself to do everything. I prefer college better than High School."

What advice would you give to those who are still in High School?

"To let them know that they are going to have to learn and do things on their own. You can't expect to be able to raise your hand and have the teacher repeat what you missed."

How long are your classes?

"A hour to a hour and half."

Has college been what you expected?

"Yeah, pretty much."

Fall Play Try Outs Held Last Tuesday

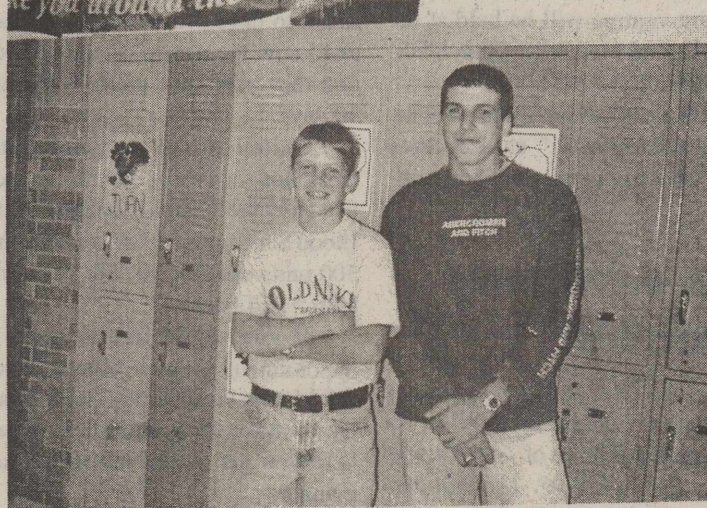

This year fall play will be a little different. The production will consist of several compiled duet scenes, instead of one play. Try outs were held on Tuesday November, 2. Director Ty Payne will pick the best of the duet scenes and they will be performed in the production. The date of the production is yet to be announced.

NHS

Many times I have heard the question "How do you become a member of the National Honor Society?" Well, sit down and grab a pencil. How well you go in each class affects your eligibility. Your cumulative average, which is an average of your semester grades, is considered. The cumulative average for sophomores is 90, Juniors 88, and Seniors 88 also. Other areas considered are scholarship, leadership, service, and character. Once you are considered, you write a resume, which consists of writing two short essays, and listing any extra curricular activities or organizations you belong to. Your resume is submitted to a board of teachers, and they determine if you are nominated for induction. Mrs. Jones has been the NHS sponsor for three years, and has planned many productive activities. The first activity conducted this year was a bake sale, which raised \$290.00 that was used to buy school supplies went to kids in the Primary school. Other activities planned for this year are a coat and blanket drive, can goods drive, and a toy drive, these items will be given to needy citizens of Ozona. A walk-a-thon will also be held, and the donations received will go to the Cystic Fibrosis Foundation. With currently forty-two members, the NHS looks forward to having a very productive year. You can put your pencil down now.

High School Memories

High school is said to be the best years of your life. So far they have been just that for us. Not many people can actually say they despised high school. Everyone had fun at one point in time. We went around town and got some examples of those great memories from former students of OHS.

Sally Oglesby '75 - taking the school bus and riding around town, beating Sonora 21-20 homecoming of '75, homecoming parades, and the snake dance.

Bobby Renfroe '84 - won Houston Stock show with a grand champion lamb.

Pep Porras '90 - graduating

Susie Childress '72 - ringing the victory bell.

Simply Cervantez '69 - making mums for a fundraiser for homecoming.

Cruz Garza '78 - winning regional football

Jamie Porter '97 - the band and track trips

Lorri Tambunga '96 - being a cheerleader and cheering we went to the playoffs in 1994

Martha De La Garza '86 - being mascot
Griz Madina '88 - being mascot
Shane Fuentes '97 - being on the varsity football team my freshman year

Football Game Invocations

"...That they are endowed by their creator with certain unalienable rights..." The constitution, as old a document as it is, protects our, according to the Declaration of Independence, God given rights. So we thought.

Prayer in school has been a controversial issue for many years. Yet it is still practiced in school events such as football games and graduation ceremonies. In March of 1999, the 5th Circuit panel in New Orleans ruled that prayer in football games is unconstitutional. This ruling affects schools in Texas, Louisiana, and Mississippi. Although this ruling was made in court, it is not mandatory. The decision does not become a law everyone must follow; until the U.S. Supreme Court conducts its trial.

In the last nine games Ozona has played, the schools have held merely a moment of silence. As for our school, we will continue to have an invocation. "School districts should follow the standards set by its community. I believed that an overwhelming amount of the community want an invocation." Superintendent Larry Taylor

According to a survey taken by the students at Ozona High School, the majority of them feel strongly about having prayer at the football games. 87 out of 91 students answered yes though the question, "Do you think there should be at football games?" There was one no response, and three who did not care. In a world where random acts of violence are a part of our daily lives, and our children cannot be safe in their own homes, prayer is a light of hope for them. It provides them with a raft in midst of this sinking ship. Who dares be the thief of children's hope and haven?

Who do you look up to?

We went to the intermediate and asked the kids over there "Who do you look up to in High School and why?" This is what we came up with.....

Desiree Galan- I like all the cheerleaders' cause I want to be one when I get older.

Jasmine Moran- I like Lana Sanchez cause I think she's pretty and I want to be a cheerleader like she is.

Bianca Lopez- I like my brother Jimmy just because he's my brother.

Danny Anderson- I like Ty Potter cause he's my friend.

Alex Rodriguez- I like my brothers Abel cause he plays football and Paul plays baseball.

Ray Verrareall- I like Miguel Rjos cause he plays football.

Roman Tambunga- I like my brother Johnny.

Julia Henderson- I like Ross cause he's a nice guy.

Matt Turland- I like Koby Fetton cause he lets me go to his house.

Alexi Cervantez- I like Bobby just because I don't know.

OZONA BASKETBALL

WELL, THE NEW SEASON IS ALMOST HERE FOR THE BASKETBALL GIRLS. THE GIRLS VARSITY, JV, AND FRESHMEN TEAMS STARTED AFTER SCHOOL WORK OUT MONDAY THE 25TH. IT WAS A LONG AND HARD WORK OUT, BUT WE WERE MORE THAN READY FOR IT SAID SOME OF THE BASKETBALL GIRLS. JENNIFER ESPARZA SAID 'THE FIRST DAY OF WORK OUT WAS BASICALLY THE SAME, BUT NOW WE HAVE TO WORK HARDER AND PUSH OURSELVES TO GET BETTER FOR A LONGER PERIOD OF TIME. SO WHEN THE SEASON GETS HERE WE WILL BE READY TO GO OUT THERE AND WIN.' KELLI ANNE GOBLE SAID 'THE FIRST DAY OF PRACTICE WAS VERY INTENSE. WE DO HAVE SOME ROOM FOR IMPROVEMENT, THOUGH, BUT I DO THINK WE ARE LOOKING REALLY GOOD FOR THE FIRST WEEK OF PRACTICE.' 'THE FIRST DAY OF REAL PRACTICE WENT VERY WELL,' COMMENTED KRISTI AVILA. I, PERSONALLY, BELIEVE THE FIRST DAY OF REAL PRACTICE WENT VERY WELL. WE WORKED VERY HARD, THOUGH WE WEREN'T USE TO WORKING OUT FOR MORE THAN 45 MINUTES TO AN HOUR A DAY. SO WE WEREN'T READY FOR AN 2 HOUR WORK OUT, BUT I THINK IT WENT VERY WELL.' LANA STEWART SAID 'I THINK IT WENT VERY SMOOTHLY AND I'M LOOKING FORWARD TO THE NEW SEASON.' WELL, I HOPE THE GIRLS BASKETBALL SEASON IS VERY SUCCESSFUL THIS YEAR. GOOD LUCK IN THE 99-00 SEASON LADY LIONS!

Cross-Country is Going to Regionals III

Monday, October 25, 1999 the Cross-Country girls and guys both advanced to regionals. The girls beat Sonora by one point. The guys come in 2nd by 5 points the girls & guys ran an excellent race Monday. Every girl & guy was proud of them self's for what they accomplished. The parents as well as the fans were proud of the team. Every one of us tried to please the crowd but ourselves as well. The only thing we were running for was for regionals. To show everyone that we could and to say that we did it by ourselves. All the mornings waking up at 5:45 to go run, and after school workouts that were so hot all paid off in the end. All the sore days and lazy days we had that put us behind, it was the will that we had that accomplished where we all are today. We really

need to thank the parents for the moral support and especially Grace and Pete Maldonado for every thing yall did for us this year. Good Luck in Lubbock, hope yall all do great, everyone is behind us 110%.

The Future in a Third Grader's Eyes

We interviewed Mrs. Stokes' and Mrs. Faught's class on Wednesday, October 06, 1999. First, we asked them what they wanted to be when they grew up. These are some of the responses we got:

- Victoria Zapata- a doctor
- Kyle Camp- be in the army
- Blanca Lopez- a teacher
- Deseriee Galan- a cheerleader
- Jasmine Moran- a nurse
- Ethan English- US Marine and a NASCAR driver
- Steven Silva- baseball player
- Ben Flores- a scientist
- Devon Diehl- athlete
- George Mendez- football player
- Heather Thompson- teacher
- Whitney Wilson- a horse trainer and a veterinarian
- Danny Anderson- a scientist and a veterinarian
- Chelsea Spence- veterinarian
- Kelsie Haire- singer
- Latham Ducote- policeman
- Jonathan Flores- policeman
- Keelin Wiley- veterinarian
- Jesse Ramos- policeman
- Alysha Lara- basketball player
- Desarae Garza- cheerleader
- Abigail Rodriguez- cheerleader
- Mandy Munoz- basketball player
- James Caldera- Monster truck driver
- Iris Vergara- doctor
- Wilson White- Christian
- Jordan Dehoyos- teacher

We also asked Mrs. Faught's class what they missed most about primary school. These are the responses we got:

- Kelsie Haire- Mrs. Childress
- Latham Ducote- gym teacher
- Jonathan Flores- teachers
- Keelin Wiley- nothing
- Jesse Ramos- P.E.
- Alysha Lara- Coach Taylor
- Nikunj Patel- music
- Desarae Garza- Mrs. Childress
- Abigail Rodriguez- Mrs. Logan
- Mandy Munoz- Mrs. Logan
- James Caldera- Mrs. Logan
- Iris Vergara- music
- Wilson White- playground
- Jordan Dehoyos- my teacher

Bert and Ernie's advice Corner

We started this column about two weeks ago, and we finally found someone crazy... I mean nice enough to give us one of their problems... This is what they need advice about.

One of my best friends has a boyfriend, a great guy. She keeps on flirting with other guys though, and I don't know what to do, should I try and find a way to tell her or just let her keep doing it.....will you help me?

Well, I think that you should let her do what she is doing, I mean you can hint at it, but if she wants to do that and risk losing a great guy then that's her mistake....If the boyfriend trusts her though, then it really shouldn't matter, I mean everybody flirts every now and then.

Joke of the Week

A man runs into the vet's office carrying his dog, screaming for help. The vet rushes him back to an examination room and has him put his dog down on the examination table. The vet examines the dog, and after a few minutes tells the man that his dog, regrettably is dead. The man, clearly agitated and not willing to accept this, demands a second opinion. The vet goes into the back room and comes out with a cat and puts the cat down next to the dog's body. The cat sniffs the body, walks from head to tail poking and sniffing the dog's body and finally looks at the vet and meows. The vet looks at the man and says, "I am sorry, but the cat thinks your dog is dead too." The man is still unwilling to accept that his dog is dead. The vet brings in a Black Labrador. The lab sniffs the body, walks from head to tail, and finally looks at the vet and barks. The vet looks at the man and says, "I am sorry, but the lab thinks your dog is dead too." The man finally resigned to the diagnosis thanks the vet and asks how much he owes. The vet answers, "\$650". "\$650 to tell me my dog is dead?" Exclaimed the man..... "Well," the vet replies, "I would have charged you only

\$50 for my initial diagnosis. The additional \$600 was for the cat scan and lab tests."

This weeks joke was provided by Summer Browne and John Austin Stokes, from now on if anyone has any jokes they would like to add you will be able to do so.

PLAYOFF'S

Do the students of Ozona High School think the Lions will make it to the playoff's or even farther. The Lions are doing real well in district even with a few injuries but hope to go farther than last year. The Lions have already changed people's minds about them not being a good team and it shows with more people in the stands every game home or out of town. I have asked some of the students here at OHS what they think about the Lions goal to make it to the playoffs. Here is what some of them said.

I.J. Villarreal- I think the Lions have come very far this year and I think they can go even farther.

Allison Preddy- There is no question about it.

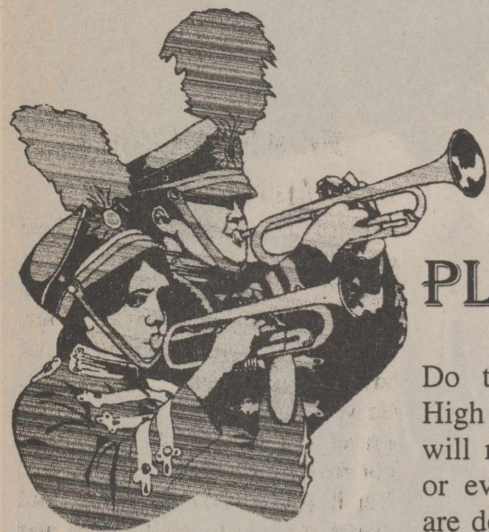

Ernie Hernandez- Yes there the best team since 94.

John A. Stokes- Yeh dude, of course

Jennifer Esparza- I think so

As for me I hope we do and go even farther. The Lions have worked very hard this year and thanks to their hard work and good coaches they will become an even better team each year.

OHS Band

The Ozona Lion Band performed in North Richland on October 23, 1999. There were a total of twenty bands at area. The lion band is under the field direction of senior Allison Preddy. The band directors are Mr. Kelly Glaze and Mr. Skip Carrol. The lion band has a total of 65 band members. The band consists of 20 seniors which are Drum Major; Allison Preddy, flag girls; Alex Lira, Priscilla Tambunga, and Margo Sanchez, percussion; Daniel Gonzales and Terry Davis, trumpet; Kristin Bullard, Michelle Camarillo, Ismael Villarreal, Daniel Landin, and Amanda Hignight, trombone; Kayla Shurley, Eric Ten Eyck, and Jaline Smith, tuba; Tripp Farris and Ernie Hernandez, baritone; Ty Porter and Miriam Gomez, clarinet; Thomas Mossman, French horn; Robert Quiroz, saxophone; Brittany Ellis.

The lion band began their show with mustang then the percussion section and Drum Major Allison Preddy got a chance to show off with a percussion feature called Grandfathers Clock. The Lion Band then slowed the tempo down with Sloop John B. and then progressed on to finish the show with Armada and the Lion Band Signature.

Although, the band did not advance to state they had one of their best performances of all year. The Lion Band wishes the winning bands the best of luck at state competition.

Weekly Drilling and Completion Report

Compiled by Charles Lewis Communications, Lindale, Texas
Nov. 2, 1999

Two 7,000-ft. developmental wells are scheduled to be drilled in the Ozona Field about ten miles southwest of Ozona with Rising Star Energy as the operator. The wells are designated as the Nos. 207 and 307 Roy. They are in 160-acre drilling units in Crockett County's GC&SFRR Survey A-2434.
Flowing 1,066,000 CF gas per day on a 1-in. choke, the No. 2 University "16-33" has been brought on line in Crockett County's Howards Creek Field. Location is about 18 miles southwest of Ozona. W.T.G. Exploration Inc. is the operator. The well earned a 1,700,000-CFD rating on absolute open flow. It was drilled to total depth of 8,850 feet and was perforated for production in the Pennsylvanian Era, 8,428 to 8,474 feet into the hole.
Three new pool wildcats are planned southeast of Ozona by Rising Star Energy of Midland. The wells will be known as the Nos. 7 and 8 E. G. Baggett "28" and No. 10 Baggett "A". The first two wells are situated in a 664-acre lease in the GC&SFRR Survey A-4698. Locations are near the Hunt-Baggett Field, 11.3 and 11.5 miles southeast of Ozona, respectively. The No. 10 well is in a 661-acre lease, same survey A-2400, about 13 miles southeast of Ozona, also near the Hunt-Baggett Field.
The No. 6 McMullan "D" has been recompleted for more gas production in Crockett County's Davidson Ranch Field. Union Pacific Resources is the operator. Located 10.2 miles southeast of Ozona, the well was plugged back to 9,081 feet from an earlier 9,200-ft. bottom. It was re-perforated for Pennsylvanian Era pay, 7,794 to 9,008 feet into the hole. The zone showed ability to flow 244,000 CF gas daily on a 1-in. choke. The open flow rating was calculated at 281,000 CF.
The same operator has filed for permit to conduct a recompletion for extended pay at the No. 2 Henderson "20" in the Davidson Ranch Field. Location is in a 344-acre lease in Crockett County's GC&SFRR Survey A-4540 about 13 miles southeast of Ozona. Originally drilled to a 9,125-ft. bottom, the well will be seeking Pennsylvanian production at a depth of about 7,900 feet.
