The Ozona Lions defeated the Post Antelopes to win the regional Division I Class 2A title Nov. 19 in Big Spring, advancing to the quarterfinals. The Lions will play the Canadian Wildcats Saturday at Lowery Field in Lubbock. Game time is 7:00 p.m. with Ozona as the home team in the west stands with the pressbox.

In the initial quarter of the regional game, both teams exchanged their first possession. On their second possession of the game, the Lions ran a series of 10 plays, scoring a touchdown on the last play of the series.

The Lions gave Post no choice but to punt. The wobbly punt set the Lions up at the 34-yard line for first and ten. On the next play, Ross Crawford handed off to Clay Richardson, advancing to the 37-yard line for second and seven.

The Lions' next series of plays consisted of Crawford breaking through the Post defense to set the Lions up on the 40-yard line for first and ten. Crawford was taken down by the Post defense behind the line of scrimmage on the 38-yard line, second and seventeen.

Kenny Vargas took over on the next play, darting down the right side of the field to the 33-yard line and a first and ten. Crawford drove the ball to the 28-yard line for second and five.

Miguel Rios then drove the ball to the 24-yard line for third and one. The Antelopes stalled Rios at the 24-yard line, making it fourth and one for the Lions.

A penalty against the Lions moved the ball back to the 28-yard line for fourth and five.

The touchdown came through when Crawford threw a sweet 28-yard pass to Dustin Faught who was in the end zone. Faught caught the pass to score the Lions first and only touchdown of the game, and Cade Clark's kick was successful for the extra point.

The Lions led the Antelopes 7-0 with 4:02 left in the first quarter, and both teams remained scoreless for the rest of the game.

The Lions held the Antelopes to only 60 yards rushing. The Lion defense played an awesome game, keeping the Antelopes from reaching the end zone. The closest the Antelopes got to the end zone was 29 yards.

Lion defender Tim Maldonado had a terrific game with 10 tackles followed closely by Juan Garcia with nine tackles. Also doing well defensively for the Lions were Dustin Shaffer with seven tackles, Ty Mitchell with six tackles and Ray

Ramos with five tackles.

Offensively, the Lions rushed for 159 yards and completed five passes for 111 yards and one touchdown.

"It was a great effort by our players," said Coach Steve Taylor after the game. "There were a lot of bodies flying around. It was a great defensive battle. Our defense played their best game this year with a lot of great plays and great performances in particular from Juan Garcia, Tim Maldonado, Ty Allen and Ray Ramos. Seth Webster had another great game.

"Offensively, Bobby Cervantez and Dustin Faught made some great catches, and Kenny Vargas ran the ball well. Ross did another good job of running the offense and was just a step away from making some great plays," said Coach Taylor.

Several Lions had something to say about the game and their team.

"We just go out there every week trying to prove ourselves, and I think we have," said Dustin Shaffer.

"Defenses win games, and our defense came through," commented Ty Allen. "It was a very big win. Knowing we could hold that caliber of team to that small of yardage."

Ross Crawford said, "Next to Iraan, Post probably had the best defense we have faced all year. I didn't think that 7-0 would win the game, but we were playing good enough defense. Fortunately, seven points is all we needed."

"We're playing as a team," said Bobby Cervantez, "and it seems like our defense keeps getting better every week. As long as our defense keeps playing good, I think we can keep winning."

State Capital HIGHLIGHTS

Compiled by Ed Sterling
TEXAS PRESS ASSOCIATION

AUSTIN—The U.S. Supreme Court has agreed to hear the case of Santa Fe Independent School District vs. Jane Doe regarding the constitutionality of student-led prayer in public schools.

Attorney General John Cornyn and Gov. George W. Bush filed a friend of the court brief on March 26 asking the court to hear the case.

"I am optimistic that the [Supreme] Court will protect the First Amendment rights of students," Cornyn said Nov. 15.

In February, the Fifth U.S. Circuit Court of Appeals in New Orleans held that schools could allow students to deliver prayers at graduation as long as they are non-sectarian and nonproselytizing and that even student-initiated prayers are never permissible at school-sponsored football games.

Cornyn said Fifth Circuit's decision "cast a cloud over the student's right to engage in voluntary prayer at football games."

AG Seizes Gambling Devices

The Texas Attorney General's office, the Texas Department of Public Safety and local law enforcement officials last week continued in their quest to rid the state of illegal gambling equipment.

They worked together to seize 120 Las Vegas-style eight-liner slot machines in Brown County and 143 in Gregg County.

"My office will work closely with local law enforcement to vigorously investigate and prosecute those who violate the law," Cornyn said.

Search warrants were served and after investigations were conducted, suspects were arrested in the counties for charges ranging from gambling promotion, keeping a gambling place and possession of gambling devices and gambling paraphernalia.

Illegal wagers and thousands of dollars in prizes also were seized.

Lower Electricity Rates Due

Texas electric customers of Central and South West Corp. can expect lower rates and improved service to result from a merger with American Electric Power Co. approved by the Public Utility Commission earlier this month.

The agreement provides for specific rate reductions and service improvements over a six-year period, PUC officials said.

CSW is based in Dallas and its Texas operations include West Texas Utilities Co., Southwestern Electric Power Co. and Central Power and Light Co. The companies serve some 988,300 customers in Texas.

Rylander Promotes 'e-Texas'

Texas Comptroller Carole Keeton Rylander last week

launched an initiative to put many Texas government services online.

The move will make a routine transaction, such as renewing a license, permit or paying taxes, a simple, electronic procedure.

"Texas government needs to be transformed from a brick-and-mortar model that closes after 5 p.m. and on weekends to a virtual government that services Texans 24 hours a day, seven days a week," Rylander said.

Other Highlights

■ Lady Bird Johnson, 86, was released from an Austin hospital Nov. 13 after an overnight stay following a fainting spell.

■ Reagan Brown, Texas agriculture commissioner from 1977 to 1982, died last week of injuries suffered in a tractor accident on his Brazos County ranch. He was 78.

■ Shorter days and cooler nights signal the beginning of fall and the start of the propane-heating season. The Texas Railroad Commission reminds Texans to have their propane tanks and heating appliances properly inspected before the first signs of colder weather.

■ The Texas Commission on Alcohol and Drug Abuse, which oversees drug treatment and prevention programs statewide, said it will have to delay new services because of a \$28 million budget shortage.

■ On Nov. 2, voters approved a constitutional amendment to end property taxes on privately leased vehicles. But the measure won't take effect unless the Texas Legislature approves a law creating the tax break during the 2001 legislative session.

■ Attorney General Cornyn and actor Chuck Norris last week presented the Peace Officer of the Year Award to Texas Ranger Sgt. Drew Carter, who brought alleged serial killer Rafael Resendez-Ramirez to justice in July.

■ Attorney General Cornyn last week asked the Fifth Circuit Court of Appeals to end Federal Judge William Wayne Justice's 20 years of oversight of Texas prisons.

■ Last week, an animal rights activist wearing a turkey suit stood at a busy Austin intersection, encouraging grocery shoppers to skip eating turkey this Thanksgiving and "go vegetarian."

THE HANDS OF HEROES

Two of the most influential men of my life have left this world and entered Heaven. In my mind, as delusional as it maybe, I believe the Heaven which they entered is like the stories that they told. Both men lived in an age of hardship in which most people today could never imagine. They lived in a time of no computers, travel was slow and uncomfortable, and the roads were mostly unpaved. Both grew up in similar environments. One man was my Grandfather, the other was B.B. Ingham. Two of the things I remember most are the incredible stories they told and the incredible hands that went along with the men. Most people would call me strange for listing hands on the most memorable list, but the hands of these men lived lives like what movies were made of. Novels could be written based on the lives of these two men and their wives. Their wives are heroines in their own right. I guess they were the women who helped make the heroes.

Some of my fondest memories are of fishing with these two as a child. I think I spent more time either tangled up in the bushes on the other side of the river or flinging the bait off my hook trying to cast. I know they both told me a million times "Dana, the only fish you're going to catch is a flying fish. You've got to leave your hook in the water to catch anything."

B.B. told me incredible stories of the taming of Crockett County, catching bank robbers and of the family ranch on the Pecos River. My Grandfather had similar stories. He told many tales of World War II and being in New Guinea and the Philippines and working as a cowboy in Coleman County. He actually traveled in a covered wagon. Do you think kids today could ever imagine traveling in a covered wagon? If I could have a wish it would be that more children could have a B.B. Ingham or Skeet Jackson. I know these two would be their heroes also. So during this time of Thanksgiving let your heroes know how important they are. Get them to tell you a story of "The Good Old Days." Maybe dedicate the song "Daddy's Hands" to them, but tell them that you love them, before its too late.

The third man, which I didn't mention is still around and is also a great storyteller with pretty incredible hands. He definitely takes after his Father. Thank you Dad for everything. Never quit telling your stories.

Dedicated to the loving memory of B.B. Ingham Jr. and Garland (Skeet) Jackson. We miss you and love you.

Woman's Forum News

by Charlotte Harrell

The November 16, 1999, meeting of the Woman's Forum was hosted by Genece Childress and Mary Sellers at the Crockett Room of the Ozona National Bank. The twenty-two women attending the meeting each responded to the role call by stating in one word or more what the word "Thanksgiving" brought to her mind. The program was presented by Vada Pridemore who researched the origins of our national Thanksgiving holiday. Though the pilgrims held the first Thanksgiving Day feast in 1621, it was not made an official national

holiday until Sara Hale successfully lobbied President Abraham Lincoln to make it so. Sara Hale, though scantily educated as a girl and widowed young, went on to publish poems, books, and edit *Godey's* magazine for 40 years. She championed the abolition of slavery and women's rights. Vada also regaled the group with witty excerpts of Thanksgiving observations made by various authors. Vada gave Crockett County librarian Louise Ledoux and the internet credit for much of her research.

Club President Jane Black announced that Charlotte Harrell had been nominated to fill the Heart of

Texas District position of First Vice President for the 2000-2002 administration.

Jane Black next reported that Debbie Long of the Crockett National Bank solicits help with the bazaar to be held Monday, November 22, to benefit Project Graduation. Crafts and baked goods should be brought to the bank on Sunday, November 21, or on Monday, Nov. 22, before noon. All Woman's Forum members were encouraged to help, if possible.

Marolyn Bean reminded everyone that maquettes of *The Tie That Binds* sculpture are available for Christmas gifts. Anyone wishing to purchase one should call her as soon as possible.

Katharine Russell spoke of the need to purchase two octaves of choir chimes, costing \$800, for use with about 60 young people in a community-wide program at the First Baptist Church. The Woman's Forum agreed to pay \$400 towards the purchase of the choir chimes.

Marolyn Bean appealed to Woman's Forum members to help the Ministerial Alliance with the distribution of gifts to needy families whose names are on the Ozona National Bank Christmas tree. It is expected that about 50 families will be recipients of these gifts. The delivery of the gifts will be the afternoon of December 21, and a sign-up list was passed.

Members attending the meeting were Jewel Bailey, Marolyn Bean, Jane Black, Genece Childress, Nancy Childress, Arlene Clayton, Margie Coates, Marilyn Cox, Charlotte Harrell, Glenda Henderson, Benny Gail Hunnicutt, Lu Ingram, Georgia Kirby, Shirley Kirby, Dorothy Montgomery, Jean Odum, Willa Perry, Vada Pridemore, Katharine Russell, Mary Sellers, Louise Taliaferro and Helen White.

Four to lead Wednesday Advent luncheon program

By Rev. Nancy Mossman

"Come Home for Christmas," an Advent study for adults, will be offered as a luncheon program at the Ozona United Methodist Church on the four Wednesdays before Christmas.

Advent is the Christian season of the year that precedes Christmas. It's a time of preparation and is intended to help make Christmas more meaningful.

The Advent program will begin at noon on the first four Wednesdays

in December. Those who want to participate are invited to come to the Fellowship Hall at the Ozona United Methodist Church for lunch prepared by members of the Ozona Community Center Board of Directors and to join in a devotional study led by a different speaker each week. A study guide is available for \$4, but is not necessary to participate in the program. Donations will be accepted for the lunch and the proceeds will benefit the Ozona Community Center.

The speakers for the study will be: Gary Vannoy Dec. 1, "Come Home to Love"; Jane Black Dec. 8, "Come Home to Hope"; Louise Ledoux Dec. 15, "Come Home to Mercy"; and Brock Jones Dec. 22, "Come Home to Bethlehem".

All four speakers are active members of our community who bring a variety of gifts. Gary Vannoy, a leader in the Ozona Church of Christ and leader of a community youth program on Wednesday nights, is a veterinarian who has served Ozona for more than 20 years.

Jane Black, an Ozona native, recently retired from ranching and is a member of the Ozona United Methodist Church and an active Sunday School teacher.

Louise Ledoux, also an Ozona native, is the Ozona Public Librarian and a member of the Ozona United Methodist Church. Louise has been instrumental in soliciting funds from foundations and the community to support the library and its new construction.

Brock Jones, another Ozona native, is the District Judge and a Sunday School teacher in the Men's Bible Class at the Ozona United Methodist Church.

All the teachers will be using the study guide, which will be available for participants. It can be purchased at the Ozona United Methodist Church Office or at the Fellowship Hall the day of one of the luncheons.

"I assure you, most solemnly I tell you. We speak only of what we know [we know absolutely what we are talking about] we have actually seen what we are [testifying to] we were eye-witnesses to it. And still you do not receive our testimony [you reject and refuse our evidence — that of myself and those who are born of the spirit]"

TEAM KIDS FROM THE BAPTIST CHURCH visited the residents of the care center last week. Submitted Photo

Care Center Chatter

Last Wednesday evening, Nov. 17, the Team Kids from the First Baptist Church sang for residents and staff and presented residents with cards. The singing was enjoyed by all; there is nothing better than kids to brighten up our residents.

Saturday at noon was the sitting for the residents and family Thanksgiving luncheon. Turkey and dressing made by the dietary staff was a job well done. There were more than enough sweets and covered dishes brought by residents' families. The day was enjoyed by everyone.

Thanks go to the First Baptist Church and the Ozona United Methodist Church for the use of their tables and chairs. We couldn't have done without these two churches giving us the help for seating our residents and

families. Baskets and More provided the beautiful flower arrangements. Thanks so much.

Tables and chairs were moved by the following people thanks to Sheriff Shane Fenton, Deputy Shawn Morrow, Fernando Mata, Dennis Clark, Teodoro Morales and Gabriel Flores. A huge thanks goes to these men. A special thanks is in order for Penny Tippie and Julian Garcia for all their help.

Suzanne Harrison LVN came in early to assist with our luncheon. Thank you.

Those who helped serve are Dana Kay St. Clair Erickson of Naples, FL, Katherine St. Clair, Tina Tebbetts, Amy Barber and Socorro Maldonado, a job well done and appreciated.

Our Christmas party will be Dec. 19 at 7:00 p.m. at the care center. Each family is to have a gift under the Christmas tree for their family member.

We still need donations of outside lights for Christmas so we can light up the care center for the holidays. You can call 392-3096 and we will pick the lights up.

I have been on vacation. Will catch up next week.

West Texas Boys' Ranch deer hunt

by W.D. Haire

The 18th Annual West Texas Boys' Ranch Deer Hunt was held Nov. 12 and 13 on the Gene and Betty Perry Taylor Box Ranch.

Friday evening about 7:00 p.m., eight boys arrived with a lot of anticipation. Each boy was wondering what they would accomplish on the actual hunts of Saturday evening and Sunday morning. Naturally big bucks were the main topic of conversation as each boy was allowed to shoot one buck and one doe. I think a side bet or two may have been mentioned.

After the boys arrived at camp, each was assigned a grown up guide; (I use the term grown up loosely), and which blind they would be in the next day; also a few do's and don'ts concerning hunting and camp activities. The boys and guides were: Jared Flynn with Tommy Miller, Char Carter with Dude Speed, Steven Lazenby with Jack Gillit, Brandon Smith with Eddie Moore, David Garcia with Adrian Haire, Paul Garcia with Aaron Haire, Gus Garcia with Jason Montgomery, and Timmy Martinez with Jerry Perry. David Baker and Fidel Hernandez were the houseparents that brought the boys to

the ranch.

An outing of this magnitude could not be accomplished without a lot of volunteers such as kitchen help consisting of Harvey Hill, chef-in-charge, of Ozona, Fred Garcia of Marble Falls, Clay Garcia of San Antonio, Josh Garcia of San Antonio, Herbie Garcia of Floresville, Teodoro Morales of Ozona, and Jeffrey Gillit of Ozona.

Special thanks go to Tina Moran for desserts of cakes, pies, and cookies, also Texaco Oil supplied the paper goods, Lisa Ortiz for purchasing groceries, Gloria Williams for preparing camp, Dee Keilers and James Montgomery, of Ozona, and Tom Neely of Leander, for their help around camp, and a very special thanks to Gene and Betty for the wonderful facilities.

All in all, a very successful hunt, and lots of fun, was had by all the boys, as fourteen deer and two turkeys were harvested. By the way, the guides each year are allowed to return the next year, if they wish to. Two guides with the initials of Tommy Miller and James Montgomery had better watch out as this writer is thinking of ways to get even for the derogatory remarks made about my pickup!

Texas game warden field notes

AUSTIN, Texas - The following excerpts were taken from recent Texas Parks and Wildlife (TPW) game warden field reports.

If I Get One More Ticket, My Wife Will Leave Me...

Three men caught cast-netting shrimp at night by two Jefferson County game wardens attempted to hide their sack of shrimp beneath some underwater rocks and hid an ice chest in some nearby cane. One of the men, who had eight prior TPW violation convictions, pleaded repeatedly with the game wardens to not issue a citation. He claimed that his wife had threatened to divorce him if he were to receive any additional citations from the game wardens.

Those Antlers May Look Good to You, But...

The Llano County Sheriff's Office contacted the county game warden about a deer problem at a residence in Horseshoe Bay. A 10-point buck had his antlers caught in a rope swing and was unable to get loose. Every time the buck lunged, the rope swing would lift the buck off his feet, swinging him back and forth until he was able to get his feet back on the ground. The warden waited until the buck stopped swinging to cut the rope, allowing the deer to escape. The officer said it was the craziest thing he has encountered as a game warden.

Warden Cadets Get a "Gimme" During Training...

Two Fort Hood soldiers picked the wrong time and place to try their hand at poaching. As several game warden cadets were training for "unknown vehicle stops," the men drove past a vehicle containing a game warden trainer and several cadets. The trainer made a call was made to halt the training session until the vehicle passed. Another warden, who was playing the part of the violator in the exercise, called back to say that the vehicle had stopped and the men were shining a light into a pasture between the training vehicles. When the men passed the second game warden vehicle they noticed the Texas Parks and Wildlife emblem on the vehicle and a short chase was on. During the inter-

view, the soldiers confessed to shooting from a public roadway. Six cadets witnessed their first poaching investigation.

You Can Pay Me Now or Pay Me Later...

Checking on shots heard from nearby railroad tracks, a Jefferson County game warden saw two men walking along the tracks wearing camouflage and carrying shotguns. As the warden approached the men, they ran into the woods. When the warden caught up with them, only one of the men had a shotgun and was able to produce a hunting license. An initial search of the area did not produce the other shotgun, so the warden released the men. He then conducted a thorough search and found the missing shotgun and a bag of shells. He took the gun and in its place left his business card with a note to the owner to call to get the gun back. Later that night, the man called to claim his gun.

admitted he was hunting dove without a license, and apologized for his deceit.

Howdy, Welcome to the Neighborhood...

A Llano county warden was working in his backyard one evening when he overheard some new neighbors talking about stolen property. A little detective work resulted in enough information to obtain a search warrant. The search turned up two stolen personal watercrafts.

That Trick Might Work Somewhere Else...

Checking a Florida-based Gulf shrimp boat off-loading a catch at a wholesaler, a Matagorda game warden asked the captain for a Gulf boat license. Sixty minutes later, the captain produced a Xerox copy of a non-resident Gulf license that had been issued from the Freeport office about 30 minutes after the warden had

boarded the captain's boat. The captain was taken before the local justice of the peace and charged with not having a non-resident Gulf shrimp boat license. A fine of \$500 dollars was levied, and the JP ruled the unloaded shrimp would be sold with proceeds going to the state.

Cub Scout Pack #153 holds November meeting

Pack #153 met last Tuesday, Nov. 16, for their monthly meeting. It was a night filled with Bobcat and Bear advancement, awards and entertainment. The scouts have certainly been busy these past few weeks.

Tiger Cubs led by Benny Logan conducted the opening with the *Pledge of Allegiance*. Reports of the months activities were given by the following dens; Den 1 by denner Travis Zuberbueller and assistant Chris Lara, Den 2 by denner Wilson White and assistant Nathan Knox, Den 3 by denner Lalo Longoria and helper Taylor Newton, Den 4 by denner Manuel Villarreal and assistant Andrew Stevens, Den 5 by denner Damon Johnson and assistant Kyle Sewell. The Webelos report were given by the patrol leaders Levi English and Catlin Sessom.

Bobcat and Bear badges were the first to be awarded in a special candlelit ceremony. Webelos leader Frank Tambunga presented Bobcat badges to Nicholas Perez and Catlin Sessom. To receive the Bear badge a scout must be in third grade or at least 9 years of age and complete 12 achievements from their Bear book.

The Bear leaders Cathy English, Bobby Knox and Freida Zuberbueller presented the following cubs with their badges; Danny Anderson, Ethan English, Nathan Knox, Matthew Komechak, Chris Lara, Jesse Ramos, Josh R. Smith and Travis Zuberbueller. Chris Lara, Josh R. Smith and Travis Zuberbueller earned one gold and two silver arrow points. Danny Anderson and Nathan Knox both received a gold arrow point. Wilson White received 4 sports belt loops in archery, bicycling, swimming and tennis.

Den 1 performed a song for the pack using homemade instruments they made in their den. The performers were Matthew Komechak, Chris Lara, Jesse Ramos, Josh R. Smith and Travis Zuberbueller.

Special guest Debbie Bangeman, accelerated reading instructor from the Primary School, presented a reading patch to the Tiger Cubs for their hard work and accomplishments as beginner readers.

Tigers who received this patch were: Joe Patrick Borrego, Richard Borrego, Dakota Cox, Sean Davis, Trey Fierro, Anthony Gonzales, Duncan Knox, Russel Komechak,

Jayce Logan, Brandon McDaniel, Caden Rutherford, Austin Suddreth, Anthony Tambunga and Tyler Vitela. Not all were present.

Last but not least, sport belt loops were given to the following Wolves for their participation in a sport. Wolves receiving a soccer and baseball belt loop were K. C. Carson, Dylan Castillo, Damon Johnson, Zach Holtz, Corey Kelley, Josh Ramos, Kurtlan Reyes, Kyle Sewell and Manuel Villarreal. Receiving soccer belt loops were Lalo Longoria and Taylor Newton. Anthony Villarreal earned a baseball belt loop. Lane White received belt loops for archery, bicycling, soccer and swimming.

Frank Reavis, high school physics and chemistry teacher, honored us with his presence and entertained the audience with his ingenious performance on electricity. The experiments were electrifying and magical. The ghost catchers and sound effects kept the scouts mystified.

Scouts recited the Cub Scout Promise and sang *God Bless America* as the closing. Refreshments were served by Tigers Cubs led by Edward and Linda Borrego.

Guess Who?!

While looking through some old annuals, I found a picture of a member of the School Board. He is the father of two boys and one girl. The oldest of the three is a boy and the youngest a girl. This is his fourth grade picture. See if you can guess who this is. At the bottom of this picture is his name.

Thanksgiving Jokes

Why did the turkey cross the road?

off to work on the chicken's day off.

If April showers bring May flowers what do May flowers bring?

Pilgrims!

What key has legs and can't open doors?

A Turkey.

Asked to write a composition entitled, "What I'm thankful for on Thanksgiving," little Timothy wrote, "I'm thankful that I'm not a turkey."

What did the mother turkey say to her disobedient child?

If your father could see you now, he'd turn over in his grave!

THE TOP TEN REASONS COLLEGE STUDENTS ARE LOOKING FORWARD TO THANKSGIVING BREAK

10. You'll know that your turkey is a Butterball rather than a Grade E yet semi-edible fur ball
9. Your mother will not be serving your mashed potatoes and stuffing with an ice cream scooper.
8. Pumpkin pie is a great alternative to green jell-o.
7. After your eighth glass of cider, your emergency dash to the bathroom will not be delayed by having to line the seat with toilet paper
6. Clean underwear, comfortable bed, access to a car, bedroom larger than a 12x14 cell... OK, even if it is for only four days
5. To eat your meals the only trek you'll have to make is from the couch to the kitchen, rather than the dorm to the dining hall...in below freezing weather
4. Instead of listening to "when I first started teaching here..." you can be entertained by "when your mother was your age..." and "during the Depression we weren't lucky enough to have Brussels sprouts. Hell, all we could afford was the sprout!"
3. You can eat your corn steamed with butter rather than popped in your microwave
2. You'll know the hair in the shower drain is your own
1. You won't be eating your Thanksgiving meal off a tray!

1999-2000 Lady Lions

After the terrible loss to Coahoma in the area game, all the Lady Lions could think about was that this wasn't going to happen again, we were going to go further next year.

This year started with a great outlook. We would only have to make up for two losses. With everyone improving and a possible move in from Robert Lee, everyone was excited and looking forward to the first game. Along with Kelli's moving in came another, Terri Duncan. Along with them came Ammie Perez, who had played till the middle of her sophomore year. With these move ins "I think our team has been strengthened by three "new" players- Kelli from Robert Lee, Terri from White Deer, and Ammie Perez- returning from a two year absence," said Coach Faught, " These players give us more flexibility, depth, and skills we would not have had."

Then came an awful upset. Kelli Osborne, one of the best shooters, hurt her ankle a few weeks before the season had even began, and Millie Wadsworth dislocated her shoulder in a rough practice. "Before this had happened I was thinking that we were going to be very successful because of so many good players. But once I heard that two of our players were injured, I realized that others players were going to have to step up," said Kelli Goble about the injuries. I personally became a bit scared. Our team was already lacking height, which was something we were going to have to make up for, now we'd have to make-up for two key players. But our first few scrimmages went quite well. At Iraan, we won all four quarters. Then in Midland, we won three of five. We also won our first game against Stanton by quit a big margin.

I asked Coach Faught what were his expectations for this year, after seeing how we've been doing in practice, as well as how we did in our games. He said, "I expect us to be improved from last year. And in turn, we should go further in the playoffs. As well as getting through the year without anyone losing their uniform or shoes."

- Christmas, because I get presents and I get to eat a lot of food- Jessica Herring, Soph.
- Birthday, because it my birthday- Crystal Ortiz, Jr.

Although Thanksgiving was not the popular choice, it is one of the most important holidays there is. It's a time when people are able to sit down and think about all the things that they are thankful for. It's a time when people come to realize all the gifts they already have, those that were given from God. Whether a new car or a home and family, we always have something to be thankful for.

Happy Thanksgiving

THE NEW AND IMPROVED LIBRARY

The library is finally completed and being put back together. They have a lot of new stuff and reasons for it.

The friends of the library set up several fundraisers in order to rebuild the library. They had the annual lawn mower race, book sales, bar-b-q, the famous flamingos, and the library sisters. They also received county bond elections, and foundation grants.

The library now has new computers. They have 8 for the internet rather than 3. They have new restrooms instead of the closest they called a restroom before. They have some beautiful stained glass windows for the front entrance done by Deborah Lindsey. They have engraved bricks that can be bought in honor or memory of someone. It is all approved for the handicapped. The front entrance is now on the west side of the building. All the books are located on the 1st level and the upstairs will be for meetings.

Louise Ledoux's main hope is that everyone will find it easier to use and find material and there is more room. She hopes that it is more accessible. They will reopen Sunday, December 5th, from 2 to 5. Please come check it out.

Regional Champs

The Lions have done it again. They have pulled off another hard fought game beating Post 7-0 for the Regional championship. The Lions defense has dominated the last five games only letting their opponents score 9 points. The Lions have also held their opponents scoreless in the fourth quarter the last five games. The defense, led by the front three Ramos, Allen, and Shaffer, have held their last two opponents under two hundred.

The game Friday was a defensive battle from the start with the only touchdown coming early in the first quarter by

Dustin Faught who caught a beautiful pass from Ross Crawford. The extra point by Cade Clark was good to put the Lions ahead 7-0. The rest of the game was a defensive battle with both of the teams going scoreless the rest of the game.

The Lions will play the Canadian Bobcats in Lubbock at Lowrey Stadium at 7pm. The Bobcats, who are ranked number four in state, beat Jim Ned 42-0 to advance to the Quarterfinals. We wish the Lions the best of luck and hope to see them play in the Semifinals.

Rebecca Flores- Spending time with family and my Grandmother's food.

Peter Rodriguez- I give thanks for family and good things to come.

Tammy Alvarez- Spending time with family, friends, and the food.

Ariana Lira- The food, and spending time with my family.

Pricilla Tambunga- The Cheesecakes, and the other food.

TEC 2000

"Cleanville", it's not about sponges and suds. It's the name of a project, involving the "Texas Engineering Challenge 2000". This is the second year Mr. Webb has looked into this program. This year however, he is going to get a team together to work on it. The fee for a team of eight is \$50. this project involves building a machine that separates garbage into eight categories, which are steel, aluminum, 1 & 2 plastic, brown glass, and clear glass. The size of this machine can be no larger than 10ft., by 10ft., by 7 1/2ft., and the expense for this project can't exceed \$250. The chapter (regional) meets will be held from February-March in Lubbock, Texas. The teams that advance to State, which will be held April 14-15 in Austin, are awarded a \$5000 scholarship for each member. Other prizes include items such as computers. The people who are currently interested in forming the team are: Shane Albers, Jason Davis, Joseph Knaack, Kyle Richardson, Cristina Sanchez, Eric Webb, and a few others. "Anyone is welcome to participate, but it will require a lot of work." Mr. Webb said. If you found this interesting, and would like more information, just go by and talk to Mr. Webb, in room 211.

The Few and The Proud

Have you ever considered being a marine? Neither had we until we interviewed three marines for this article. The Marine Corp is based on pride.

The three marines were Chapman, Fowler, and Neddo. Chapman's reasons for joining were for desire, direction, and a college education. His favorite part is the Joint Task Force Mission. Fowler joined because his parents had always been part of the Air Force so he was used to the military. His favorite part is jumping out of airplanes and helicopters (parachutes included). Neddo joined because he wanted to travel and be able to do that for free was all he needed. His favorite part was going to Bridge Point, California for warfare training. This taught him to adjust to different altitudes and environments.

Here is the basic program: First, you go to the twelve-week boot camp. Then, you go home for 10 days. After that, you go back for approximately a month for further training in weapons, warfare, etc. Then you are done and you report to duty one weekend a month and two weeks of the summer. You receive \$19,008 for college and they pay for your traveling due to being a marine. You have 100% medical and dental coverage. You get 30 days paid-vacation and are paid twice a month.

When looking for a job, if the choice was between a college graduate or a marine, they will pick the marine due to discipline. They know a marine won't show up late or resist authority. This is something to remember.

Chapman said, "Be your last resort. You can get the money you need for school and discipline you'll always use."

Fowler said, "Anything you want out of life, we can give you."

They said you would know a marine if you saw one. If you know of someone in the military and don't know what part, then you can be for sure it's not the marines. it kind of made us think. How about you?

PERMIT NO. 10059-003

APPLICATION. Crockett County Water Control and Improvement District No. 1, P.O. Box 117, Ozona, Texas 76943-0117, has applied to the Texas Natural Resource Conservation Commission (TNRCC) for a renewal of Permit No. 10059-003, which authorizes the disposal of treated domestic wastewater at a daily average flow not to exceed 9,000 gallons per day via evaporation. This permit will not authorize a discharge of pollutants into waters in the State.

The wastewater treatment facilities and disposal area are located approximately 0.5 mile north of Interstate Highway 10 at a point approximately 5 miles east of the intersection of State Highway 163 and Interstate Highway 10 in the City of Ozona in Crockett County, Texas. The plant site and disposal area are located in the drainage basin of Devils River in Segment No. 2309 of the Rio Grande Basin.

The Executive Director of the TNRCC has prepared a draft permit which, if approved, will authorize the conditions under which the facility must operate.

PUBLIC COMMENT / PUBLIC MEETING. Written public comments and requests for public meetings may be submitted to the Office of the Chief Clerk, at the address provided in the information section below, within 30 days of the date of newspaper publication of this notice. A public meeting is intended for the taking of public comment, and is not a contested case hearing. A public meeting will be held if the Executive Director determines that there is a significant degree of public interest in the application.

CONTESTED CASE HEARING. The TNRCC may grant a contested case hearing on this application if a written hearing request is filed within 30 days from the date of newspaper publication of this notice. The Executive Director may approve the application unless a written request for a contested case hearing is filed within 30 days after newspaper publication of this notice.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) applicant's name and permit number; (3) the statement "I/we request a contested case hearing;" (4) a brief and specific description of how you would be affected by the application in a way not common to the general public; and (5) the location and distance of your property relative to the proposed activity. You may also submit your proposed adjustments to the application/permit which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

If a hearing request is filed, the Executive Director will not issue the permit and will forward the application and hearing request to the TNRCC Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court.

INFORMATION. Written hearing requests, public comments or request for public meetings may be submitted to the Office of the Chief Clerk, MC 105, TNRCC, P.O. Box 13087, Austin, TX 78711-3087. For information concerning the hearing process, contact the Public Interest Counsel, MC 103, the same address. For additional information contact the Office of Public Assistance at 1-800-687-4040. General information regarding the TNRCC can be found at our web site at www.tnrcc.state.tx.us.
