Establishment Corporation Court In Muleshoe Suggested By C of C

A recommendation that a corporation court be established in Muleshoe has been made to the city council by the civic affairs committee of the Chamber of Commerce.

The committee, headed by Paul Scott, manager of the Paymaster Elevator in Muleshoe, has advised the Journal that, contrary to public opinion, the elevator has not been leased. At one time, he said, there were lease negotiations, but that they were not completed.

The elevator is now, and will continue to be, operated by Paymaster. As a public service, the Journal is happy to publish this information to clarify the situation.

An advertisement of the company was to be used in this issue of the paper but space would not permit, and the company's message will be used next week.

Librarians To Meet In Amarillo

District I of the Texas Library Association will hold its fourth annual meeting in Amarillo, Saturday, October 17, at the Stephen F. Austin Junior High School with Miss In Pool, Librarian, Pampa Junior High School, chairman, presiding. The theme of the district meeting will be "Better Library Service for Texans". An interesting program has been planned with Dr. Hazel Pulling of Texas State College for Women as resource consultant. Mr. Thomas J. Gibson, III, state librarian, and Mr. Vernon Porterfield, acting extension director, will also attend the meeting.

Under discussion will be the challenge facing librarians in providing improved library service for Texas.

Mules Lose To Levelland Play Amherst Here Friday

The Muleshoe Mules, though outweighed, made a good game of it at Levelland Friday night before they fell victim to a 34-6 score.

Muleshoe received the opening kickoff and returned it to their 30 yard line. After several unsuccessful line plays, the Mules drew a fifteen yard penalty, down to about their ten yard line. Holt, trying to kick out on fourth down, got a bad kick away, which went out on their own thirty yard line. The Lobos took over and in a couple of plays, Leroy Bishop, fullback, skirted left end for the marker. Eugene Bently, the big guard for Levelland, kicked the extra point, and the Lobos took an early lead of 7-0. The Mules were held scoreless in the first quarter and held Levelland to only 7 points. In the second quarter, Levelland again hit pay dirt, this time Max Freeman, a hard running, nice passing quarterback for the Levelland club took the ball 30 yards around his own right end. This time the extra point try failed. The Mules took over and with the help of a few penalties, drove to the Levelland 20 yard line. Bill Willis, the Mules quarterback and an outstanding player of the night, threw a pass to Jimmy Holt, the Mules right end, who made a leaping catch in the end zone to pull in the ball and score for Muleshoe. The try for extra point was no good, leaving the score at 13-6. Max Freeman showed his passing ability, as he did on numerous occasions, when he hit Gary Lahon with a twenty yard pass which was good for another 6 points. Eugene

Notre Dame-SMU Game Film Will Be Shown Friday

Films of the still talked about 1949 game between Notre Dame and Southern Methodist University, played in Dallas, will be shown at the meeting of the Muleshoe Quarterback Club tomorrow, Friday, Lloyd Alsop, president announces.

The film will be of great interest to all sports fans. This is the game in which underdog SMU successfully challenged mighty Notre Dame and the game in which Kyle Rote of the Mustangs gave the Notre Dame outfit a complexion fit and rode to national fame as a halfback.

Everybody is invited to attend the Quarterback club meetings, help back their high school team, and see good programs staged each Friday noon at Gerald's Cafe.

Steering Com. Elects Officers For 1954 Roundup

At a joint meeting of outgoing and incoming representatives on the Will Rogers Roundup Steering Committee, the election of officers for the 1954 celebration took place. These officers are as follows:

President, Carroll Goss, Lions Club; Vice-president, Paul Scott, Rotary; Treasurer, H. B. Flanagan, JayCees; and Permanent Secretary, Ray Franz, Chamber of Commerce.

Books for the 1953 celebration were closed and new representatives on the committee will meet in session on October 13.

New representatives of the civic clubs are as follows: Lions Club, Carroll Goss and Windy Young; Rotary, Paul Scott and James White; JayCees, Harold Cowan and H. B. Flanagan; Roping Club, Walter Witte and Jack Julian.

ENTERS NURSES TRAINING

Sue Creamer, daughter of Mr. and Mrs. Buck Creamer, is entering Nurses training today, Sept. 24, at St. Anthony's Hospital in Amarillo.

Sudan-Muleshoe Play 6-6 Tie

The Junior High football team met Sudan Junior high team again, this time at Benny Douglas Stadium Tuesday night.

The game ended in another tie, a 6-6 score. The first game between the two teams resulted in a score of 7-7.

Coach Scott said that this was the last tie for his Junior high team, as they were going to win the next one. They are planning on playing another game or two before this season is over.

Jimmy Allison made the lone Muleshoe score on an end run. The try for extra point failed.

The boys all played a good game and no one got hurt. Especially commendable were the following boys: Jimmy Allison, Bob Owen, Jimmy Gross, Whalton Chittwood, and Roger Graves.

Chest X-Ray Unit Coming Here Oct. 2, 3

A portable chest x-ray unit will be stationed in Muleshoe at the C & H Chevrolet showroom on October 2 and 3.

The Texas State Department of Health offers this service free of charge to anyone over 15 years of age and strongly urges everyone's participation even though many people have availed themselves of this service in the past. Healthy people should be x-rayed once per year. All reports are confidential and your local physicians are behind this program 100%.

Beginning at 8:30 a. m., Friday morning, October 2, the unit will be in action. Jerry Kirk, Supt. of schools, has assured us that a clerical staff of 20 girls, working in shifts of 5, will keep everything moving freely.

It is a community-wide project and we sincerely hope everyone will avail themselves of the opportunity for this free service.

G. A. Sahli Rites Held In Amarillo

Services honoring the memory of G. A. Sahli, of Amarillo, who has been auditor for Bailey County and Muleshoe for many years, were conducted at 10 o'clock Monday morning in the First Presbyterian Church.

Mr. Sahli, 59 years old, was found dead in a motel in Wheeler about 2 o'clock Friday afternoon. Physicians, who attributed his death to heart attack, said he probably had died during Thursday night. He had been auditing Wheeler county records.

Survivors include his wife, Mrs. Joy B. Sahli; a son, Delbert Sahli, of Bartlesville, Okla.; a daughter, Sarah Joy Sahli, of Amarillo, and a brother, Herbert Sahli, of Appleton, Wis.

Mr. Sahli had many friends in Muleshoe. About a year ago he joined the Muleshoe Rotary Club and had been a faithful member, having had an almost perfect record. A tribute to his memory was paid by members of the club which met Tuesday noon. County Judge Cecil H. Tate and County Clerk M. G. Bass attended funeral services.

In Amarillo he was known for his leadership in his church, the First Presbyterian, of which he was an elder. Mr. Sahli was born March 18, 1894, in Monroe, Wis. His father was a native of Switzerland.

Mystery Farm Is Identified

The Mystery Farm used in The Journal September 10, was identified as the Al Cassidy place, occupied and operated by F. H. Durham, northeast of Muleshoe. The Journal failed to announce the winners last week.

First to call in and identify the place were: Onard Upton, city. Duane Morrison, out of city. They each have two tickets to the Cox Drive-In Theatre awaiting them at Western Fertilizer Co., sponsors of the Mystery Farm showing that week.

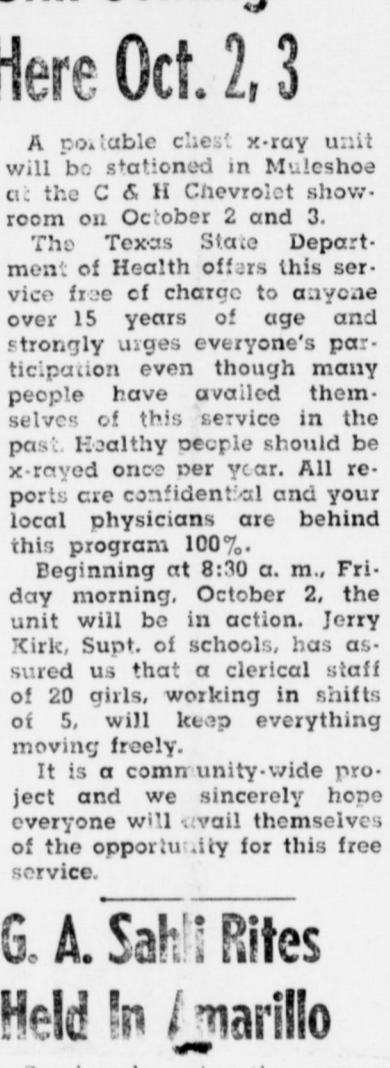

Another Mystery Farm is shown in this week's paper.

Park Auction Is Saturday

She'll Help Park Auction

Pictured here with a quarter-horse is Miss Norma Sanders, of Texico, said to be the only cowgirl auctioneer in the U. S. Miss Sanders has volunteered her services to help cry the auction sale here Saturday at 4 p. m. for the benefit of the park.

She is the daughter of Mrs. Grace Sanders, of Texico. She has conducted sales in Arizona, New Mexico, Nebraska, Kansas, California, Nevada, Colorado, Florida, Wyoming, Utah, Iowa, South Dakota, Texas and Idaho. She specializes in sales of purebred cattle and horses.

Valuable Items Go On Block In Public Affair

Saturday is the big day for the Community Park, for at 4:00 p. m. Saturday afternoon, a gigantic auction will be held at the Community Park.

The list of subscribers and donations has been so great and the popular approval of the work of this Community Park Committee endorsed, that it would take several columns of this paper to list the names of all the people interested in building this park.

Items such as wrist watches, Shetland ponies, electric dishwashers, electric sweepers, radios, table and floor lamps, tires, and tubes, batteries, and hundreds of others will be placed on sale. These items are all new. It will certainly be worth your while to come to the Park Saturday afternoon and see the beautiful array of items and almost 400 bales of hay contributed by the farmers in our area.

The Park Committee is completely aware that an event of this type could not have been sponsored if it hadn't been for the 100% cooperation and endorsement of the businessmen and farmers in our area, and with that realization we would like to extend our sincere thank you.

Auctioneers conducting the regular cattle sale here of the Muleshoe Livestock Auction Co., will give their services to help the park, and they will be joined in this gesture by Miss Norma Sanders, of Texico, advertised as the only cowgirl auctioneer in America, who also will donate her services.

Fire Destroys Strong Garage

A severe loss is reported from the fire which destroyed the Strong garage building and contents early Friday morning. The loss was estimated at \$15,000 to \$20,000 and will agument the large loss sustained when the Allen Guinn Body Shop burned earlier this year.

No one could say how the flames started. The fire was discovered about 4 a. m., too late for the fire department to quell the blaze. No insurance was carried on the equipment and supplies, but the building itself was partially insured. The building was owned by Albert Davis.

Sues Beauty Shop Changes Hands

Tennie Lambert, new owner of Sue's Beauty Shop, is now open and ready for business. Tennie has been in Muleshoe for several months now and is not a total stranger.

The Lambert's moved here from Idalou, Texas, and Sanford is employed by the Highway Dept.

Tennie has been in the beauty and hair styling business about fifteen years.

Last Rites For Parker Infant Held Wednesday

The infant son of Herschel Raymond Parker, Jr., died twelve hours after birth at the Green Hospital at 11:45 a. m. Sept. 21.

The baby will be interred in the Muleshoe Cemetery, and graveside services were held Wednesday at 3 p. m.

Surviving are the parents and one brother, David Patrick. Maternal grandmother is Mrs. Francis Blair and Paternal grandparents are Mr. and Mrs. W. W. Parker of Nocona, Texas.

Muleshoe Coop Gin Now In Operation

The Muleshoe Cotton Gin, the first all new cotton gin to be constructed in Bailey County went into operation Monday, and ginned their first bale of cotton.

The new gin is complete in every respect, boasting the 3-saw Murray Gin Equipm. nt.

The officers and directors expressed pleasure with the operation of the gin, but said that there were several small difficulties which would soon be ironed out, and the gin would be capable of handling any amount of cotton.

Tractor And Fast Hitch Is Shown By I-H Dealers

A demonstration of plowing with the International Super C tractor and the recently devised "Fast Hitch" was staged on the Bill Jim St. Clair farm here Wednesday afternoon by John-Nix, the Muleshoe International dealers, and was attended by a large group of interested farmers and business men.

The powerful little Super C, a two plow tractor, was shown plowing in hard ground and doing a good job, proving not only the power of the tractor but the security of the hitch.

The new hitch is a "snap-on, snap-off, no lifting, no-tugging, no strain" affair, that has to be seen in order to appreciate how fast it is and how convenient. Fred Johnson of the dealer firm expressed his pleasure that so many turned out to see the demonstration.

Steve Sullivan won the capital prize, a new 82 cu. ft. International refrigerator. Eugene Black's name was drawn for the case of paint and other paint winners were Harold Allison, Raymond Gaede, Lewis Scoggins.

Appreciation Day At Maple Sept. 26

Citizens of the town of Maple, located in the south part of Bailey County, appreciate their customers, the people who do their trading there. And so to show that, they will have an "Appreciation Day" the coming Saturday, September 26, from 6 p. m. to 10:30 p. m.

It will be held "rain or shine", since the big Mercantile Building will be used. The program follows:

6 p. m.: Free Barbecue.
Free coffee and soft drinks.
9 p. m.: Gift drawing.

People may register at any time prior to 8:30 p. m. Saturday. There will be free entertainment by the Jack Huddle Band. Sponsoring the Appreciation Day program are: Jack Rhea Grocery, Maple Laundry, Casey-Cannin Gin, Maple Supply and Maple Co-op Gin.

Mrs. Jones Hosts Willing Workers

The Willing Workers Class of the First Baptist Church met last Monday, September 14, at the home of Hattie Ray Jones with Letha Evans as co-hostess. Letha Evans gave the devotional and the meeting was called to order by the president, Wilma Davis.

New and old business was discussed, and new officers were elected for the coming year. They are: Mrs. Carl Bamert, President; Wilma Davis, Vice-President; Goldie Roberts, Secretary; Pat Glasscock, Unice Ellis, Annileta Haley, Pat Scott, and Bobbie Ratliff, group leaders.

Plans were made for joint installation to be held in October. Class was dismissed and the following enjoyed a social and refreshments. Mmes. Pat Scott, Lou Rogers, Lusille Harp, Eunice Ellis, Jane White, Dorothy St. Clair, Pat Glasscock, Laurenette Mason, Wilma Davis, Cookie Bamert, and Lydia Wilhite.

Rosealean Redwine Bill Aylesworth Reveal Engagement

Mr. and Mrs. G. E. Redwine are announcing the engagement and approaching marriage of their daughter, Rosealean, to Bill Aylesworth, son of Mr. and Mrs. Dave Aylesworth.

The ceremony will take place at 7:30 p. m., October 3, in the home of the bride.

Necchi Agents Demonstrate Care Of Machines

Mr. and Mrs. Harvey Bass, agents in Muleshoe for the Necchi sewing machine, gave a very instructive demonstration on the cleaning and use of sewing machines to the Progress Home Demonstration Club when it met with Mrs. Albert Davis Tuesday afternoon, September 15. They stressed that any machine should be cleaned and oiled after five hours of use.

Proceeding the demonstration, Mrs. Davis read a poem on the value of friendship. Roll call was answered by giving "A Favorite Sewing Tip". Members present were Mmes. Alfred Patterson, Howard Roebuck, D. O. Smith, Wilbur Thomas, Ray Quesenberry, and G. T. Maltby. A visitor was Mrs. Bessie Davis, mother-in-law of the hostess.

After the business period, a game of "Clearing Out The Rats" was played. Mrs. Maltby won the hostess gift.

Following the demonstration, Chiffon cake with custard sauce and punch was served to those present.

The next meeting Tuesday, October 6, will be in the home of Mrs. Howard Roebuck in Muleshoe. Election of officers for the 1954 term of office will be the highlights of the meeting.

Seventy-Four Club Ladies Will Attend Meeting

The Bailey County Home Demonstration Council met Monday, September 21, with six members present, and Progress and Muleshoe Clubs represented.

The Year Book committee worked on the year book for the coming year. Mrs. Maltby reported that there would be seventy-four club women from this district who will go to Galveston at the end of this month.

At the next Council meeting in October, officers will be elected, and each club is asked to have their delegates or alternates present.

Philathea Circle Entertains With Canasta And 42

Last Thursday night, September 17, the home of Mr. and Mrs. Deon Autrey was the scene of the regular Philathea Circle meeting.

Members of the Circle entertained their husbands with 42 and canasta party.

Ice cream and cake were served to all near the close of the evening.

Those attending were: Mr. and Mrs. Eugene Black, Mr. and Mrs. David Wyer, Kathy and Brenda, Mr. and Mrs. Horace Edwards, Mr. and Mrs. David McReynolds, Jimmy and Ann, Mr. and Mrs. J. K. Adams, Joyce and Joe, Rev. and Mrs. Hanks, Mrs. Georgia Pena, Mr. and Mrs. Lindell Murrain, Mr. and Mrs. Jim Bickel, and Sharon and Ronnie Autrey.

The next meeting will be held in the home of Charlene Bickel, October 1. There will be a Bible quiz, so all members are asked to bring their Bibles.

W S C S Held Their Quarterly Luncheon

Wednesday morning, September 14, at 10:30, the W. S. C. S. of the Muleshoe Methodist Church met for their quarterly luncheon.

The program was sponsored by Mrs. O. N. Jennings and Mrs. H. Jay Wyer.

"To Make His Kingdom Real" was the subject of The Pageant Interpreting the Quadrennial Theme and Emphasis. Those participating in the program were Mmes. O. N. Jennings, A. C. Gaede, H. C. Holt, and H. Jay Wyer.

Alva Lee Shofner sang beautifully the solo parts, accompanied on the piano by LaVon Copley. The voices in the special choir were Mmes. Cecil Davis, H. O. Barbour, I. F. Willman, and J. T. Shofner.

Mrs. Arnold Morris gave an interesting report on Decipleship, the sixth goal.

The Wesleyan Service Guild were guests for the luncheon. Brother H. W. Hanks gave the invocation. Miss Leatrice Martin, a guest, came the closest to guessing the amount of money contained in the many patches on an apron. She received the apron as a gift for being such a smart girl.

The afternoon session was

short but very important. The basic study book for 1953 "That The World May Know" was introduced by the study leader. A business session followed, conducted by the president.

Details for the Fall Round Up, which is to feature a chili bean and soup supper and is to be Church-wide were formulated. The Round up will take place Wednesday night, September 23.

Mrs. Iris Butts, in behalf of the Wesleyan Service Guild, thanked the W. S. C. S. for their luncheon invitation. Thirty-four were present.

Next meeting of the W. S. C. S. will be held at the Church Monday, September 21, at 2:30 p. m.

New word for **GETAWAY** } **"TT" DYNAFLOW!**

The 1953 Buick Super Riviera. Wire wheel covers, illustrated, optional at extra cost.

We'll get right to the point.

The comments we've been getting from many new Buick owners about the new Twin-Turbine Dynaflow are terrific.

And the reason is - this fully automatic transmission is, in itself, terrific.

It has a new, firm, solid "take-hold" - gives you instant getaway response.

It has new quiet - you can barely hear the acceleration build-up.

It has unique and utter simplicity of operation. You just move your Selector into Drive range, press the pedal, and go. That's all.

But the sweetest thing of all about TT Dynaflow is its smoothness.

You move from standstill to your legal speed in one progressive build-up of power delivery.

You feel a constant "carry" of forward motion, unbroken in any way - because here no gearshifting takes place, either manually or automatically.

Even your deceleration is infinitely smooth and gradual, with the cushioned control of flowing oil slowing down.

Wouldn't you like to sample this wonderful new getaway and pleasant quiet and immaculate smoothness?

We'll be glad to seat you at the wheel of a new 1953 Buick with Twin-Turbine Dynaflow - and let the thrills come where they may. Drop in soon, won't you?

Twilight Ceremony Unites Miss Jo Anne Hanks and Keith Bray

MRS. KEITH BRAY

The sanctuary of the St. John's Methodist Church of Lubbock, was the scene of the twilight ceremony, September 11, 1953, of Miss Jo Anne Hanks, daughter of Mr. and Mrs. G. S. Hanks, Nolan, Texas, and Mr. Keith Bray, son of Mr. and Mrs. Clyde Bray, Muleshoe.

The Rev. Hubert Bratcher, pastor, read the double ring service. The couples only attendants were Mr. and Mrs. Le Roy McAnear of Lubbock.

The bride was lovely in an after five ice blue faille dress sprinkled with rhinestones. Her "something old" was an heirloom handkerchief belonging to her mother. "Something borrowed" was a rhinestone pin belonging to the groom's mother, Mrs. Clyde Bray. Her corsage was white carnations.

The brides' attendant, Mrs. McAnear, wore an autumn hued linen lace dress with brown accessories.

Immediately following the wedding, a reception was held in the apartment of the couple, with the wedding attendants and members of the family present.

Mrs. Bray was valedictorian of her class in Nolan High School and is in her junior year at Texas Tech. She is the niece of Rev. H. W. Hanks of Muleshoe. Mr. Bray is a graduate of Muleshoe High School, and is also a student of Texas Tech.

The couple is at home at 2101 B. 8th Street, Lubbock.

FARM BUREAU WEEK PROCLAIMED—Gov. Allan Shivers, above, signs a document proclaiming the week, Oct. 5-10, official "Texas Farm Bureau Membership Week". Some 180 organized county Farm Bureaus will observe the "Week" by staging the biggest state-wide membership drive in the history of the state farm organization. More than 10,000 volunteer workers will be out to exceed the goal of 75,000 farm families in 1953.

Looking on at the signing ceremony are (left to right) Loys D. Barbour of Iowa Park, District 8 director; Alton Weiss of Manor, president of the Travis County (Austin) Farm Bureau; and C. H. DeVaney of Coahoma, vice-president of the Texas Farm Bureau Federation.

Famous Prison Rodeo Coming Month

At this year's annual Prison Rodeo, where 22 years ago the first stock chute was opened to eject a convict rider astride a wild bull, a new sort of chute will open to wait a prison inmate groundward from an airplane 1,500 feet above to a landing in the same arena used for the first show in 1931.

The parachute jump, by a prison inmate, was given official sanction by Civil Aeronautics Association authorities of Houston here this week and will be a feature of each of the rodeo's four performances, October 4, 11, 18, and 25. Barney Thurman, World War II paratrooper with a record of nearly 50 jumps, serving a 3-year sentence, will make the spectacular leap into the Prison Stadium arena.

Thurman, who is also a member of the National Parachute riggers and Jumpers association, when asked about the risk involved in the stunt, replied, "Parachute jumping isn't nearly as dangerous as riding those wild bulls. A parachute at least won't hook or stomp you once you're on the ground."

Prison Rodeo publicity director, A. C. Turner, announced that the services of E. G. Reed, Temple, Texas airman and plane owner, have been secured to fly Thurman for each of the jumps which will be made from a Cub Cruiser.

Marion Frazier, serving 99 years on Ramsey prison farm, has trained a prison born and raised dog to perform a number of extraordinary routines. Mutt, as the dog is named, is said to be able to climb a ladder faster than a fireman; ride and propel a small scooter; jump through a hoop of fire; open a small gate, go through it on his hind legs, then close it behind him plus other unusual tricks.

Frazier, a native of Mantague, in North Texas, who for the past three years has been one of the bull fighting inmate clowns of the prison show, says he has never before trained any animal, just thought he'd try his hand with Mutt after the pup was born in the Ramsey farm power plant where Frazier works. The result is a dog 15 months old who has the talents of a

born showman and can do everything but figure your income tax, according to his master. Reserved seats in choice sections of the Prison Stadium are still available for the first Sunday show according to a statement from the Rodeo Ticket Office and everyone planning to attend the ceremonies when Governor Allan Shivers opens the rodeo for its 22nd year October 4th is urged to write or wire for their reservations now.

Every 3 days a new diesel joins the Santa Fe fleet!

A 10-year record of "building new" on the Santa Fe

Christened with California champagne, Santa Fe's first multiple-unit diesel locomotive rolled out of Chicago on Tuesday, May 12, 1953.

It powered the first Super Chief.

39 1/2 hours later it rolled into Los Angeles—and the new age in railroading was born.

There were 3600 "horses" in that one. Five years later, the first multiple-unit freight diesel rolled on Santa Fe rails.

There were 5400 "horses" in that one.

Today, there is more than 2,100,000 diesel horsepower on the Santa Fe—1524 mighty diesel units.

From 1943 through 1952, a total of 1261 diesel units were placed in service. Better than one every 3 days for a 10-year record!

And still they come! 262 in 1953!

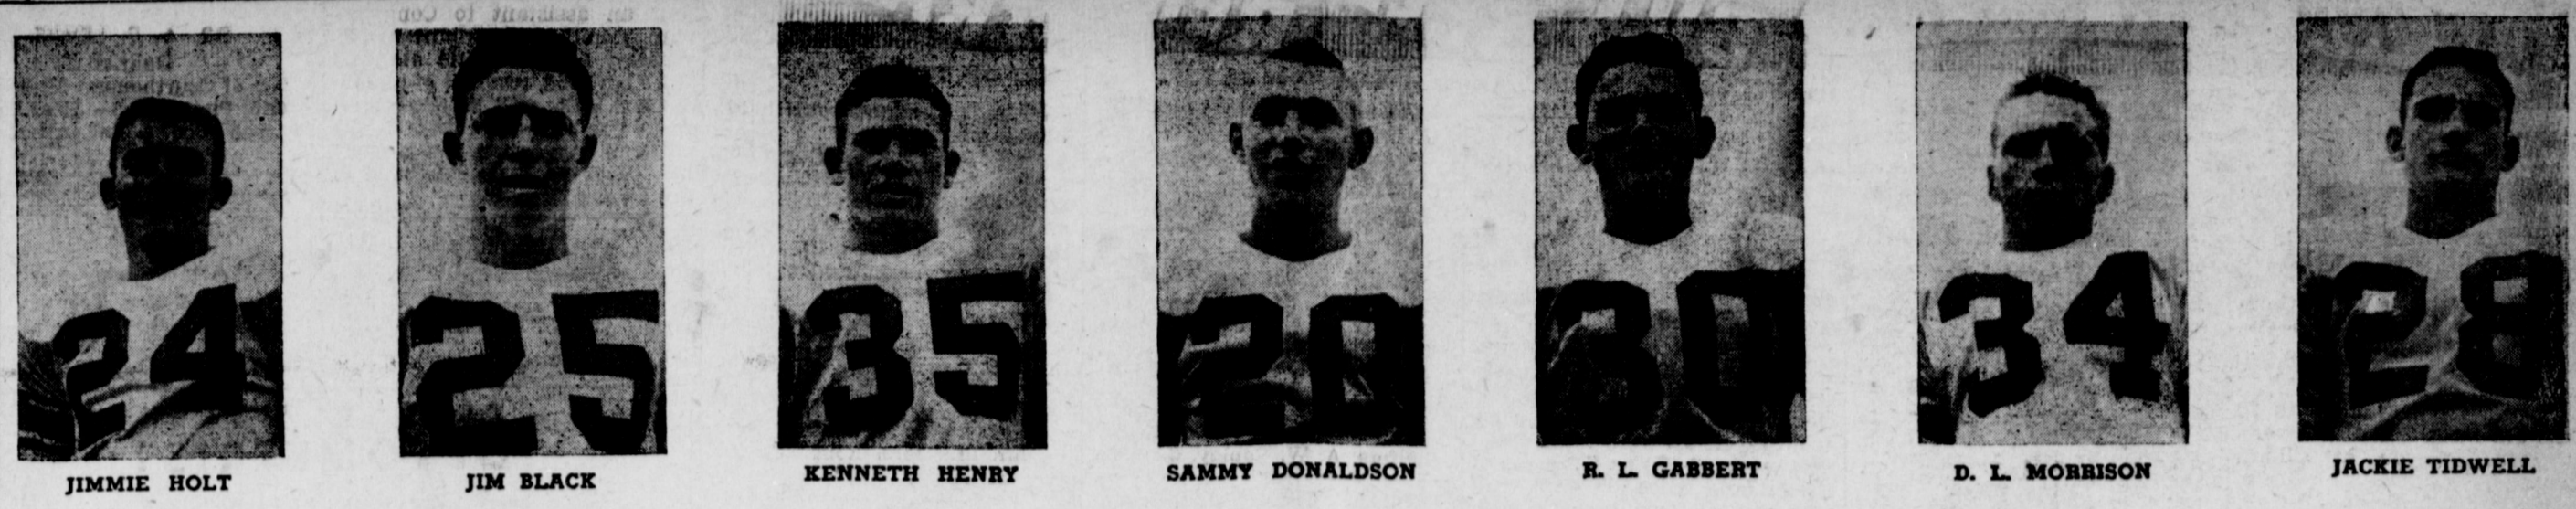

Every diesel added, every mile of heavier rail, makes America's New Railroad a little more completely new. Why, enough new rail has been laid on the Santa Fe in the last seven years alone to reach from Chicago to Los Angeles!

All new—but always the old pride that all this building new costs you, the taxpayer, not one tax penny.

of the game making, the score at the end of the first quarter 7-0. The extra point was made by a pass from Gleason to Briggs.
In the second quarter, Gleason covered a Smyer fumble and White ran a touchdown. Gleason kicked the extra point. The Longhorns held the Bobcats scoreless the second quarter and the half time score was 14-0.
White got off a forty yard pass downfield to Briggs in the end zone in the third quarter, making the score 21-0. White scored again by returning a punt sixty yards for another touchdown behind some beautiful blocking from his teammates. This made the score at the end of the third quarter 27-0.
Coach Dukes played his reserves most of the last quarter. The teams exchanged possession of the ball several times but there were no scores, this making the final score 27-0.
The Longhorns defense did a magnificent job not allowing Smyer even a first down the entire game.
Those seeing action in Friday's game were: Jerry Gleason, Frank Spitzer, Leonard Smith, Leon Smith, David White, Sammy Cox, Jimmy Oliver, Jim Gordon, Chunky Ivy, Durwood Teague, Johnny Gammon, Jim Roy Daniel, Robert Ivy, Jimmie Ivy, Joe Briggs.
The Longhorns next game will be with Cotton Center Friday, September 25 at 8:00 p. m. The game will be played at Spade.

HALE GIVES \$15 TONIC DEAL FOR AUCTION
Last week The Journal listed the Mack Hale Barber Shop as giving a bottle of hair tonic for the big park auction the coming Saturday, Sept. 26.
Mack wants everybody to know it's a \$15 assortment of tonic and hair oils he's giving, and The Journal figures it will be something worth bidding on.

Lazbuddie Wins Over Smyer In Game Friday
In their second game of the season, the Lazbuddie Longhorns topped the Smyer Bobcats 27-0 for their second straight victory.
The Longhorns got off to a fast start in the first quarter. After recovering the kickoff from the Bobcats, White made a touchdown in the first minutes

Moore-Bradshaw Vows Read In First Baptist Chapel

MRS. BILL BRADSHAW

(From Plainview Herald)

Miss Christine Moore, daughter of Rev. and Mrs. J. E. Moore, Muleshoe, and Bill Bradshaw, son of Mr. and Mrs. W. C. Bradshaw, Tahoka, were united in marriage recently in the chapel of the First Baptist Church in Plainview, Texas.

Rev. Moore, the bride's father, read the double ring ceremony before an archway entwined with baskets of white mums and gladioli and seven branch candelabra holding white tapers. A satin covered kneeling bench was used. The pews were marked with white satin ribbons.

Proceeding the ceremony, Carroll T. Aly, Jr., organist, played pre-nuptial selections. He accompanied Koko Maeda of Hawaii who sang "Always," "Because," and "Bless This House." Mendelssohn's wedding march and Lohegrinn's wedding recessional were used. During the ceremony, Mr. Aly played "I Love You Truly."

The bride, given in marriage by her brother, J. E. Moore, Jr., wore a gown of white slippery satin with a Chantilly lace long line bodice fashioned with Peter Pan collar and long sleeves coming to petal points over the hands. Tiny satin buttons were down the front and on the sleeves. The voluminous skirt was gathered at the pointed waist-

line and extended into a chapel length train.

Her fingertip veil of bridal illusion was held in place with a lace covered julett cap edged with seed pearls. She carried a white Bible, for something borrowed, topped with a white orchid and showers of satin streamers. For something old, the bride wore white slippers and something blue was a blue garter.

Maid of honor was Miss Peggy Preston and bridesmaids were Misses Carolyn McAdams and Mona Wilhite. They wore identical dresses of tropic blue net over taffeta styled with strapless bodices and very full waltz length gathered skirts. Short jackets or tropic blue net, fitted headpieces of net and taffeta and mitts made of net and taffeta completed their costumes. They carried colonial bouquets of pink rosebuds.

Misses Linda Brauchi and Carolyn Moore, niece of the bride, were flower girls. They wore floor length dresses of tropic blue taffeta with net and taffeta headpieces and mitts.

Best man was Laylan McMahon and groomsmen were Jim Chilton, Jimmy Ratcliff, and Eugene Watson.

For her daughter's wedding, Mrs. Moore chose a navy blue dress with pink accessories and

pink carnations.

Mrs. Bradshaw chose a dress of navy lace with navy accessories and pink carnation corsage.

Reception In Church Parlor

At the reception in the church parlor immediately following the ceremony, the couple were assisted in receiving by parents of the bride and groom, the best man, and maid of honor.

The bride's table was covered with a blue Japanese linen cloth and centered with the bridesmaids bouquets forming a pink rosebud cascade. At one end of the table was the three tiered cake topped with a miniature bride and groom and at the other end was the crystal punch service.

Mrs. Jack Obenhaus, sister of the bride, presided at the punch bowl. The bridesmaids assisted in serving and Mrs. Laylan McMahon was at the bride's book. Miss Mae Polk, niece of the groom, played selections on the piano during the ceremony.

Out of town guests at the wedding were from Muleshoe, Sudan, Dallas, Brownwood, Amarillo, Tahoka, Borger, Albuquerque, N. M., Lockney, Brownfield, C'Donnell, Abilene, and Big Spring.

For a wedding trip to Dallas, Mrs. Bradshaw wore a muave suit with navy accessories and a white orchid corsage. After September 25 the couple will be at home at 406 W. Sixth Street, Plainview.

The bride is a graduate of Muleshoe High School and Wayland College and is at the present time employed at Southwestern Investment Co.

The groom is a graduate of Tahoka High School, attended Wayland College and has just recently returned from Korea and received his discharge from the army.

Paul Cates Speaks At Methodist Brotherhood Meet

The Brotherhood of the Muleshoe Methodist Church met Monday evening, September 14, at 8 o'clock in Fellowship Hall for their regular meeting with a covered dish supper.

Meade's Bakery of Lubbock furnished the bread for the supper. The Brotherhood wishes to thank them for their generous donation.

Paul Cates, Lay leader of the General Board of activities and a member of the board of Direct-

ors of the Methodist schools of Texas, was the principal speaker. He presented the Muleshoe Brotherhood with their charter.

Other guests present were Dr. H. H. Bratcher, pastor of St. John's Church of Lubbock, Rev. Carrol M. Jones, pastor of the

Progress Church, and six of his members. Thirty men of the Muleshoe Church and the pastor, Rev. H. W. Hanks were present.

ANNOUNCEMENT

WE WISH TO ANNOUNCE THE COMPLETION OF OUR

New Cotton Gin

AT EARTH, TEXAS

We invite everyone to come by and look it over and get acquainted.

Our gin is a completely new 5-90 Hardwick-Etter plant and is equipped with the latest and most modern machinery that can be bought. We are the first in Texas to install the new Hardwick-Etter.

AIR TYPE CENTRIFUGAL LINT CLEANERS

These Sawless machines give additional cleaning after the cotton is ginned, without loss of lint. They are adjustable to cotton of various conditions and can be completely by-passed when not needed.

We have been in the gin business for many years, and it is our policy to operate our business so that the longer we are here, the more friends and customers we will have.

WE ARE COTTON BUYERS

And have many good outlets for cotton. You will find that we consistently pay top market prices. We also write cotton loans at our office, so that we can handle our customer's cotton which every way is most profitable to him.

Cotton producers are invited to try us, and we promise that any cotton sent us will be handled with the same care that we would give our own.

We appreciate your business.

BABSON DISCUSSES—

"H" Bomb And Business

New Boston, N. M., Sept. 24 — I am writing this near a large bombing range in southern New Hampshire. Owing to the comparable ineffectiveness of the bombers which have been used in Korea the past two years, I was curious to get an answer to four questions.

(1) What Is The Defense Against Ordinary Bombing?

Naturally, the fighter-plane is the best defense against the bomber-plane. This means that speed and mobility determine the battle outcome. The result is that these air battles are being constantly fought higher in the air. Because of this the bombers act with less accuracy, with an increasing cost and with decreasing destructive power.

Cities appear to get accustomed to such bombing. The people resort to cellars and trenches, but do not evacuate their cities. Present bombing has become "one of those things" and no more decisive in battle than the machine gun or the bazooka. One reason why both China and the United States are willing to quit Korea is because of the ineffectiveness of ordinary bombing.

(2) What Is The Defense Against Atomic Bombing?

The original atomic bomb, such as used in Hiroshima in 1945, has been greatly "improved" by increasing the destructive power and by reducing the size of the bomb and its accompanying mechanism. Such bombs can be dropped from airplanes, can be shot from guns or presumably used in guided missiles from submarines or in other ways. Radar is supposed to give cities warning enough against such bombing but the time ele-

ment is very short. The sad fact is that the destructive power of atomic bombing is terrific; and, thus far, almost no practical defense now exists against such.

There is also the "H", or hydrogen bomb, which is much more destructive. These could be dropped from large bombing planes or "planted" in a ship within a harbor, or hidden in the cellar of some enemy spy's house within any city. The first night of the war they might wipe out two or more of our large cities in surprise attacks, like what happened to us at Pearl Harbor. The only defense now appears to be radar and evacuation.

(3) What Are The "Pros And Cons" Of Evacuation?

If evacuation is the only protection against atomic bombing, why don't we hear more about it? The reason is twofold. The first reason is the great expense of making arrangements in advance for the mass evacuation of a large city. This would require reguiling of roads for exit, provision for underground bomb shelters, and the necessary temporary housing and feeding facilities, outside the cities. About 20,000,000 people are now living in the twelve U. S. cities which our Government has listed as most vulnerable.

The second reason is the opposition of real estate and other business interests to talk about evacuation. The Chamber of Commerce, the Real Estate Boards, and the Builders Association of these twelve cities will not discuss mass emergency evacuation. They are terribly fearful that such plans would so frighten people as to start evacuation now! For the people to see great emergency villages

SAND HILLS PHILOSOPHER —
Wants To See Move Started To Improve
The Towns Along With The Farm Lands

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has an odd slant this week, his letter reveals.

Dear editor:
Every once in a while I read where there's a move on to encourage the farmer to improve his farmin methods, to build up his soil, to increase his production per acre, improve his pastures, increase the carry-in capacity of his range, and I think it's a good idea, I'm in favor of it, anything the folks in town can do to improve us folks out here in the country, I'm in favor of it, somebody ought to improve me, I don't intend to. But I was just thinkin, we oughtn't to let this thing get one-sided, isn't there something

now being built in the surrounding rural country, and kept awaiting the dropping of the fatal bomb, might scare them to evacuate now. Yet, perhaps no more building of any kind should now be allowed in these twelve cities.

(4) Is Decentralization Surely Coming?

I cannot believe, as many do, that the big cities are already "dead ducks". I, however, do believe that decentralization is to become an important industry. It offers great opportunities to real estate interests, builders and other businessmen. Farm land within 30 miles of large cities will double in value. This rural land will be used for new homes, new shopping centers, new factories, and new office buildings.

One more thought: The present "Businessman's Administration" at Washington cannot afford a business depression now. Obsolescence puts a limit to the bombs and airplanes which may be made now to hold in reserve. As the expenditures for the above and other military supplies will be reduced, a great Campaign for Decentralization may be substituted in its place. This could give business another real "shot-in-the-arm". Moreover, the country as a whole, especially the small cities, should permanently benefit from such expenditures.

us folks in the country can do to encourage the people in town to improve a little?

After we get the country built up, are there any plans for building in the towns?

For example, how about a drive to build up more courtesy per clerk? The per-acre yield in the country is important, but so's the courtesy per clerk in town. How about more parking space per car? Or more butter per slice of toast at the cafes? Or more ice cream per ice cream cone? Or more coffee per cup? Or more entertainment per quarter at the picture show? Or more interestin readin per square inch in the newspaper? Or a drive to weed out dullness on the radio?

Naturally, there's not much point in plantin legumes in town, no place there for an early plow-up, but there are other phases of improvement. For example, farmers are always being urged to improve the quality of their herds. I ain't callin no names, but ain't there a few offspring in town which could stand some improvin? Ain't there a few more desirable characteristics which can be built up?

Improvement in this country ought to go hand in hand, we don't want the farms to get too far ahead of the towns. The per-acre yield doesn't want to get too far ahead of the per-stere yield. If you get a cattelman to grow two blades of grass where one grew before, you want to get the bank to make two loans where it only made one before. For every herd that's improved in this country, there ought to be some improv'in in the family strains in town. Every time a farmer stops a piece of land from erodin, somebody in town ought to stop some mental erosion. Worn-out land ain't any worse than worn-out brains.

If you think this is a good idea, and can't think of any place to start, I'd tell you if my subscription wasn't already delinquent.

Yours faithfully,
J. A.

RETURNS FROM TOUR

Ira Martin has just returned from a business trip which took him through thirteen states. Some of them were West Virginia, Tennessee, Missouri, Kansas, and Illinois. He said crops were really pretty in Indiana, while in some of the states tobacco and other crops were burning up.

Mr. Martin visited in Memphis, Tenn., with J. R. Henry, son of Mr. and Mrs. Clyde Henry of the Progress Community. J. R. is in the hospital there. After leaving Tennessee he went to Chicago, where he said he spent about an hour, but left just as soon as he could because the night lights there scared him. He came back through Indianapolis, and almost got a glimpse of Mr. Truman. He said he was eating lunch in the railroad station and Mr. Truman passed by, but he couldn't see him because of the crowd of people between him and the street.

VISITED IN ARDMORE

Mr. and Mrs. Henry Bass and son, Terry Don, visited over the weekend with their daughter and son-in-law, Sgt. Roy Lee Farley at Ardmore, Okla. Mr. and Mrs. Edminston Clark of Fort Smith, Ark., visited with them too. Mrs. Clark is a daughter of Mr. and Mrs. Henry Bass.

FAILURE OF FEDERAL AID
The drought-breaking rains which fell on Texas recently not only brought welcome respite to farmers and ranchers but also saved the state from a clanking federal relief program that was about to come apart at the seams.
Criticism of the program was gathering momentum even before the project was nullified by

needed hay at a reasonable price for their stricken cattle. This was the principal demand made by ranchers themselves at the Amarillo conference of governors in July which was attended by the leaders of the federal farm program. Yet the subsequent "aid" offered by the Secretary of Agriculture included not one bale of drought relief hay.
Instead, the program that was launched proved to be a flagrant example of political chicanery. Where we needed hay, we were offered government surpluses of feed concentrates.
These were the same surpluses which were used as a political issue during the election last year. Having been condemned as products of an expensive and wasteful farm program, they were now being unloaded under the guise of livestock relief. Yet, it was merely an effort to get rid of a political hot-potato which was still besmirching the skirts of the present administration.
Feed concentrates were of no value without hay roughage. The Secretary should have given Texas that hay. But the critical situation was used to unload unwanted surpluses.
In other words, Texas was used as a dumping ground for a fetid political issue.
Efforts of Texas' own agencies to fill this void deserve due credit. The Civil Defense and Disaster Relief Committee worked hard to secure the needed hay. If the various projects launched on a state-wide basis had had time to slip into high gear, then they would have offset this federal blunder.
The drought still persists in some sections of Texas. Now it is apparent that we must stand on our own feet in combatting this natural disaster, rather than relying on inadequate federal relief.

Bulldogs Make Bids For Honors

Making a good showing in their initial bid on their home field, Bula's six-man football team will give strong competition in District 2 this season. Starting the season with the loss of four seniors, three of whom were all-district men, the Bulldogs outclassed the Flomot Longhorns 26-0 in a non-conference game September 11.

When practice began September 1, 23 hustling boys reported to Coach Claude Morrison for suits. During the first two weeks of scrimmage there was plenty of competition for positions. The only setback was a broken leg suffered by promising end, Bobby Pool. All-district candidate Richard Skinner was running true to form.

Reporting for practice were 7 seniors, 3 juniors, 7 sophomores, and 6 freshmen. Of this group, 10 were returning lettermen and 7 were returning squadmen. The team is well balanced, being two and three deep in all positions. Some of those who showed considerable improvement over last year and who are expected to play a lot of ball this year are Curtis Snitker, Jimmy Bellar, Walter Cunningham, and Quinton Nichols.

Coach Morrison uses the T-formation with balanced and unbalanced line for deceptiveness and power. Operating from the quarterback slot will be Jimmy Gage, senior, who steered the dogs to two touchdowns during the first half of the Flomot game, and Gerald Neel, sophomore, who guided them to two touchdowns in the second half.

This year the squad is out to improve last year's won-lost record of 4-2. The Bulldogs came out third in District 2 competition.

Bula has 8 district games remaining.

In a double ring ceremony solemnized Sunday, September 20, Luella Wilterding, daughter of Mr. and Mrs. Mervin Wilterding, of Muleshoe, became the bride of Tom Surguine, son of Mr. and Mrs. Roy Surguine of Boulder, Colo.

Rev. C. M. Cole, of Vero, read the service before an altar banked with candelabra holding white tapers. A background was formed of fern and baskets of white mums.

Candlelighter was Reece Wilterding, brother of the bride. Musical selections were "Ah, Sweet Mystery of Life", "Through The Years", and the traditional wedding march.

Given in marriage by her father, the bride wore a street length dress of white silk shantung and matching accessories.

Mrs. Robert Hooten of Oklahoma City, Okla., was her sister's matron of honor. She wore a navy linen ensemble.

Mr. Ray Surguine of Boulder, Colo., was his son's best man.

Immediately following the reception, the couple left for San Francisco, Calif., where he will sail for Guam. Mrs. Surguine will join him there soon.

Rebekah Lodges To Have Celebration

Muleshoe Rebekah Lodge met in regular session Tuesday night with Fern Davis presiding in the absence of Clara Lou Jones. The main order of business was the annual birthday celebration which will be held Thursday night, October 8, with all lodges in this district invited to attend. The menu was planned and committees appointed.

Mr. Flayd D. Golden, president of Eastern New Mexico University, will be the speaker for this celebration. All members are asked to be present next Tuesday night to help make final plans.

The lodge received an invitation from the Littlefield Rebekah Lodge to attend a social and program there Thursday night, Oc-

tober 1. A supper will be served. After the meeting closed, refreshments of cookies, lemonade and coffee were served, after which everyone worked on the quilt which will be auctioned at the celebration.

Linda Landers gave the reading, "A Busy Day In The Life of Jesus". Bea Aylesworth and John Aylesworth discussed "Are Juniors Workers", and Bro. Larson led the group in a choral singing.

The meeting closed with benediction.

ATTENDED FUNERAL
Mr. and Mrs. Matt Dudley attended the funeral in Wichita Falls Sunday of her aunt, Mrs. Annie Ella Owen. They were accompanied by Mrs. Dudley's sister, Mrs. Pearl Clark and daughter, Donna, of Plainview.

ARE VISITING HERE
Mr. and Mrs. Tom Dudley of Duncan, Okla., are here visiting their sons, Matt and John and their families.

Charles Taylor Is Complimented By Navy Officer

Mrs. R. V. Dudgeon, of Star Route, Sudan, has received a nice letter about her son, Charles Taylor, who has graduated recently from the U. S. Naval Pre-Flight school, Pensacola, Fla. His commanding officer, Captain A. N. Perkins of the Navy, wrote the boy's mother:

During his fifteen week pre-flight course he has demonstrated by his attitude and diligence that he possesses the high qualifications necessary to become a Naval Officer and pilot. His successful completion of the course, which are on the college level, represents no little accomplishment and you may well feel justly proud of him.

"May I express my sincerest congratulations to you and to your son in the fulfillment of his ambition for a Navy career."

FROM NEBRASKA
A. F. Panter and son, Wayne Panter, of Lincoln, Neb., have been here for a visit with Mrs. Jennie Panter and to attend to business matters. The elder Panter owns a farm near Muleshoe, now being operated by D. O. Burelsmith. Wayne is a Lincoln newspaperman.

Phone Co-op Is Discussed At Rotary Meeting

A thorough explanation of the problems which have been encountered by the Five Area Telephone Cooperative, whose headquarters are in Muleshoe, was given to Rotarians and their guests at the noon luncheon of the local club Tuesday by D. B. Lancaster, manager.

A loan has been made to the Cooperative by the REA, but many matters have to be ironed out before actual construction is deemed advisable. A thorny problem is the matter of tolls, proposed where a farmer dials a business house in Muleshoe. Another problem is the alternate

OKLAHOMAN VISITS
Mrs. Laura Rush of Mangum, Okla., visited in the homes of her sisters Mrs. Vera Colson and brother, Roy Hogan last week. Mr. and Mrs. Ocie Tinsley of Altus, Okla., spent the weekend in the Hogan home.

proposal to raise telephone rates here in the city to compensate for lack of tolls for local calls.

The Cooperative would build its own lines and switchboards and arrangements have to be made for dialing from their lines by B. A. Dalton as the Junior Rotarian for September. He was selected by the high school student council. Travis Reed was another guest of the club as was Glenn Gatewood, Sudan Rotarian.

M. G. Bass and L. S. Barron were named to write a letter expressing the condolences of the club to the family of G. A. Sahli, a member who died unexpectedly Friday. Onard Upton reported on the inter-city meeting of Rotary clubs in Lubbock last Tuesday night, attended by six local Rotarians. Bob Gregory and Ray Franz reported on proposed project for the club, on which they will get additional information.

Train Schedules Here Changed

Schedule changes for passenger trains through Muleshoe on the Santa Fe were announced this week by H. O. Barbour, agent, who said the changes reflect a speed up on the line.

No. 75 train, to Texico, will arrive in Muleshoe at 9:57 a. m., instead of at 10:29 a. m. No. 76 from Texico, will arrive at 5:00 p. m. instead of 4:50. Changes are effective the coming Sunday, September 27, at 1201 a. m.

Is he in business "to stay?"

When you buy a used car from a Ford Dealer, you're dealing with an established businessman who has a large investment and his good name at stake. We're here today, and we'll be here tomorrow!

Check the used car, sure! But check the dealer too!

Does he really know cars?

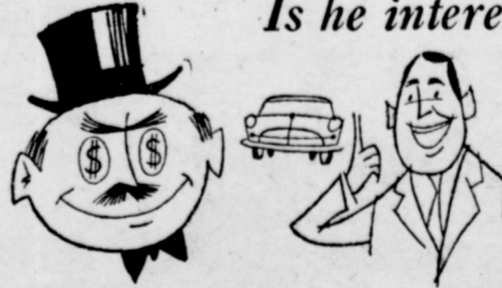

Ford Dealers are in the service business, too; work with cars day in and day out. We know how to spot trouble fast. And our expert mechanics have the equipment and "know-how" to handle any service job.

Are his prices really fair?

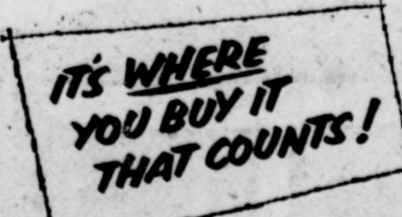

Ford Dealers handle used cars and trucks as a service to customers who trade them for new ones. We get a lot of trade-ins. And we keep them moving to free our working capital. That's a good reason why we offer our used cars and trucks at rock-bottom prices.

Is he interested in you?

Remember—we Ford Dealers want to keep your good will because we want to take care of all your automotive needs. Someday we hope to sell you a new car, or another used car, and in the meantime, we want your service business.

Do his cars meet **A-1** standards?

When you go to a Ford Dealer's and see the A-1 label on a car, you know it meets with the dealer's A-1 standards. And because you can trust the man you bought it from, you can trust the car.

Mike Hinkson Is Honored With Birthday Party

Mike Hinkson, son of Mr. and Mrs. Frank Hinkson, was honored on his fifth birthday with a party at his home Saturday afternoon. The afternoon was spent playing games. Refreshments of cake, ice cream, and punch were served to the following guests: Timmie and Stevie Foster, Lajuana and Roy Teague, Tamara and Joe Bryan Jennings, Billy Haymes, Shirley Taylor, Donnie Smith, Frankie Hinkson, and the honoree, Mike.

Mason And Bates Vows Exchanged In Clovis, N. M.

The marriage of Miss Nona Mason to Mr. Leon Bates was solemnized Friday evening, September 18.

The double ring ceremony was performed by John G. Reese, pastor of the Pile Street Church of Christ in Clovis, N. M., and took place in his home.

The bride is the daughter of Mrs. Leona Mason of Muleshoe, and the groom is the son of Mr. and Mrs. E. J. Bates of Sudan.

For her wedding ensemble, the bride wore a royal blue suit, with white accessories.

Bridesmaid, Laura Whalin of Muleshoe, was attired in a tan suit with which she wore white accessories.

Serving as best man was Roy Otwell of Sudan.

Others attending the wedding were Mrs. Leona Mason and daughter Lona Mae, and Mr. and Mrs. E. J. Bates.

After a short wedding trip the couple will make their home in the Sudan community, where the groom is engaged in farming. The bride will continue her employment at the Muleshoe Locker Company.

VISITED DAUGHTER
Mr. and Mrs. Clyde Bray visited in Amarillo Sunday with their daughter and son-in-law, Mr. and Mrs. Horace McAdams and children.

First Chapter Of New Lesson Is Studied By WSCS

When the Women's Society of Christian Service met Monday, September 21, at 2:30 in the Church the group sang "Guide Me O Thou Great Jehovah", as an opening song. The scripture reading was "Spiritual Service". The first chapter, "A Disillusioned World", was discussed by Mrs. H. Jay Wyer, the study leader.

The session was dismissed with prayer by Mrs. H. Jay Wyer.

Business was conducted by the president. Everything was reported in readiness for the Fall Round Up Church-wide supper to be sponsored by the W. S. C. S. Wednesday night, September 23.

There were eighteen present for the beginning of the study course. Every woman of the Methodist Church is invited to come and study with the group, and anyone who is interested is welcome.

High School Band Elects Officers

The Muleshoe High School Band, under the direction of Tom W. Shirley met Monday and elected officers. They are: president, Leon Bayless; vice-president, Jimmy Wilkerson; reporter, Phil Provence; and secretary, Paula Provence. Linda Lancaster was appointed librarian.

The band attended the Tri-State fair in Amarillo Monday, the 21 of September. Approximately forty-three bands were in the parade there and reportedly all band members had a swell time. Band members wish to take this opportunity to thank Mrs. Clements for driving the bus, and Mr. and Mrs. Paul Craig and Mr. and Mrs. Shirley for taking their cars. Also they wish to thank the school for the new snare drum and bass clarinet purchased recently.

The band has forty high school members this year, and separate Junior high and beginners bands. The band meets on Monday nights for extra practice.

A good attitude has been noticed among the band members this year and it is hoped Muleshoe will soon have a band they can be proud of.
