ions fall prey to Badgers

By Michelle Holtz STOCKMAN SPORTSWRITER

The Lions hosted the McCamev Badgers for the District I-AA opener. Badger running back Rigo Suarez touted this game as the route to a possible district championship. However, the Lions were determined to send the Badgers home via a different road.

The first half proved to be a defensive battle as the Lions and the Badgers played to a draw. However, the highlight of the game was a goal line stand by the McCamey defense to shut down the Lions in the first two quarters. The half ended with a severe weather front moving over the stadium, and the game was delayed approximately 40 minutes before each team was allowed to begin warming

The Badgers struck first with 6:35 left in the third quarter on a 1-yard touchdown run by Suarez. However, on the ensuing extra point attempt, the ence materials, read primary source the content of 600 books taken from Lions blocked it into the hands of documents, and look at magazines the series United States Authors, Arron Garza who cruised 90 yards for World Authors and English Authors. a 2-point conversion. Rigo Suarez plunged over on a fourth down from the 1-yard-line to give the Badgers the lead. The point after touchdown was good as the McCamey quarterback hit an open receiver in the end zone for a 2-point conversion to give McCamey a 14-8 lead with 8:21 left in the game.

Several key mistakes and a close fourth down conversion to run out the clock for McCamey would end the Lions' hope for a win.

Offensively, the Lions finished the night with 42 carries for 210 yards. Arron Garza was the leading rusher

Stephen Zuberbueler, the district conservationist of Crockett Soil and Water Conservation District, won first and second places in an Odessa competition last week. Sponsored by the Texas Section of the Society for Range Management, the contest took place as part of their 3-day meeting.

Nine photographers entered 35 photographs of rangeland scenes, range plants and wildlife. Zuberbueler's first place picture was of Calamity Creek south of Alpine with Cathedral Mountain in the background. Placing second was a rural scene taken in Mason County in late April. He has won the contest in previous years with a picture of an old ranch house and a rangeland scene.

My husband, Peter, who is retired at the young age of 41, had gone back to bed with me when his mother called to tell him about the first plane going into the WTC. He said he tried to wake me but I was too sleepy and he let me sleep until the plane crashed into the Pentagon and then he woke me. My considerate husband wanted me to call mom and dad because Rick had gotten through on the cell phone to say that they were worried about me. For all of us, the days that followed were filled with emotions that I won't even try to explain because I know that the world felt those same emotions. However, I have to try to describe some wonderful emotions that I experienced because of the people in Ozona. Thanks to two very wonderful parents, I have always felt loved and cherished but on that day I realized how some folks in Ozona, folks I had not seen or talked to in ages, cared about me. Since that day, I have felt so cared about and loved and cherished because many of you thought of me on that day. Please accept my apology for losing touch and

October is Breast Cancer **Awareness Month**

An estimated 12,300 Texas women will be diagnosed with breast cancer in 2001, and about 2,600 women will die of the disease. Nationally, breast cancer is the most common form of cancer in women.

Research shows that breast cancer mortality could be reduced by at least 30 percent if women followed recommended breast cancer screening guidelines.

Though more than 75 percent of all breast cancer occurs in women 50 or older, women of all ages are at risk. African American women are the most likely to die of breast cancer than any other group of women. Getting a mammogram and breast exam only once is not enough. The American Cancer Society recommends that women get a mammogram and clinical breast examination every year beginning at age 40.

disease, Woman's League asked Elizabeth Upham, chairman of the American Cancer Society in Crockett County, and E. A. Wadsworth, Wesley Nurse, RN, to be out guest speakers. Elizabeth talked about the history of the ACS in the United States and in Crockett County, what the ACS does locally to recognize Breast Cancer Awareness Month, and the current research that is being done. Afterward, E. A. instructed everyone on how to perform a breast self-exam. The program was very informative, and both Elizabeth and E. A. are extremely knowledgeable about breast cancer and what can be done to prevent it. If you have any questions about breast cancer, we urge you to contact one or both of them.

Following the program, Jodie Baggett conducted the business meeting. The main item of discussion was the Homecoming barbecue, which will be held at the civic center on Friday, Oct. 26, from 5:00 to 7:00 p.m. Tickets are \$5.00 and can be purchased from any Woman's League member. Residential Steel Frame Construction

You have seen it on TV or have seen it in other cities. I'm glad to announce that it is now available here. I have worked on ranches in Crockett, Sutton, Val Verde and Irion counties, in Eldorado and Sheffield, and the top two problems that I see everywhere are wooden structures being eaten away by termites and rotten wood caused by water damage. Now you can eliminate these problems with a quality built steel frame structure. These buildings will not rot, rust or be eaten by termites. These structures are also stronger than wooden buildings. These custom built homes all feature ventilator fireplaces, custom built cabinets, ceramic tile bathrooms, insulated windows and doors and have six-inch thick insulated walls and ceilings. They are also energy efficient. So if you are thinking about building and want your house to last as long as the land you build on, or just thinking about remodeling, painting or ceramic tile, give me a call. I'd like to be your contractor. References available.

Inclinations and Attitudes

By Dr. Dennis J. Prutow

You gently tip your skis over the brow of the hill. All of a sudden gravity takes hold. Swoosh. Down the slope you go. It's a steep incline. You're a novice. You don't know how to stop. Trees fly by. Suddenly, a huge soft drift engulfs you like a soft glove. Whew!

You are looking at the silhouette of a small plane from behind. The silhouette bobs below the horizontal line in the instrument. The nose of the plane is down. You pull back on the wheel slightly. The little plane in the instrument shoots above the line. You're headed up too fast. You push back on the wheel to level the plane. The instrument shows the plane's attitude, whether the nose is up or down.

The Bible talks about the attitude or inclination of our hearts. "Have this attitude in yourselves which was also in Christ Jesus" (Philippians 2:5). A sinful inclination of heart speeds down the slope of sin and rebellion unable to stop before the fatal crash. The sinful attitude of heart also noses downward, away from heaven.

When we are inclined toward evil and have an affection for sin, we do not change paths. God must pull back on the wheel of our lives and level off our flight. God must catch us in the soft gloves of His abundant grace.

Ozona Country Club holds on to Rye Cup

The Ozona County Club Rye Cup Team held on to the cup for another year Oct. 5 and 6 with a dominating win over Sonora Golf Club 17-7.

On a cold windy morning, Ozona started well in the alternate shot matches coming out on top 4-2. Ozona's dynamic duo of Ronald Koerth and Steve Wilkins started the day off well, finishing quickly with a 7-5 win over Jim Bailey and Oscar Marshall. Koerth and Wilkins won the first five holes to never be threatened in the match. Also winning matches were Jimmy Moore and Marvin Clark 5-4 over Wes Evans and Preston Joy, Rick Webster and B. T. Turland 5-4 over Devoe Smith and Brad Hull.

The big win in the morning and the one that really set the tone was the upset win of Duane Childress and Gary Yeager over Sonora's best morning pairing of Steve McBride and Ernie Mayer 2-1.

"Chili and Yeager beating their best team was the match that really got us going," said Ozona co-captain David Pagan. "We were pumped up after that, and I think it took a little wind out of their sails."

Because of this huge win, the team unanimously named Childress and Yeager co-mvp's.

The afternoon low ball matches were more of the same as Ozona once again came out ahead 4-2. Winning matches were Ronald Koerth and Kent Hokit over Steve McBride and Jim Bailey, Steve Wilkins and Jarod Morgan over Devoe Smith and Oscar Marshall, Freddy Garza and B. T. Turland beat Wes Evans and Preston Joy, and Duane Childress and Gary Yeager continued their winning ways beating Virgil Birge and Ernie Mayer.

With a huge 8-4 lead going in to Sunday, Ozona only needed four Captain Sooner Williams wasn't satisfied with just that. "We never try to send someone out in a match we don't the line by ability." The consequence of this strategy were some great matches. Ozona's best four players all

The other singles wins were by house. Freddy Garza over Preston Joy, Jimmy Moore over Brad Hull, two Ozona vidual records. players who were extremely solid both days. Kent Hokit beat Jim Bailey, the David Pagan highlight of which was Hokit birdieing five holes in a row. Also coming 3-0, Rick Webster 2-1, Jarod Morgan up with big wins were Marvin Clark 2-1, Kent Hokit 2-1, Freddy Garza 2over Oscar Marshall and Deene Holden coming back strong from two 2-1, Duane Childress 2-1 Co-MVP, points to retain the cup, but Ozona's defeats on Saturday to beat Gary Gary Yeager 2-1 Co-MVP, B. Wilkins summed up the team's think they can win. We matched our success. "Defensively, the guys played great, holding their star running back to 25 yards on 19 carries. Wesley Bishop, Chase Clark and Quay Oglesby played especially good.
