Mules bounce Wildcats 22-7

By **DELTON WILHITE**
Journal sportswriter

Just as heat and pressure can transform coal to diamonds, adversity and tradition can transform a struggling football team.

The transformed Mules bounced the Wildcats of Littlefield out of Benny Douglas Stadium 22-7 Friday night.

"We had two weeks to work on some things and we were a totally different team tonight," proclaimed Mule coach David Wood. "The kids knew we had to have a transformation because the smallest mistakes in earlier games killed us."

"We were able to overcome mistakes tonight because of the transformation. Tonight we overcame some adversity — but during the week had to overcome some, too. We were unified into a single unit and it was not Xs and Os...it was believing in Muleshoe football and the way it has been the last four years."

From within that single unit, A.J. Flores answered the call by scoring all three of the Mule TDs and added a two-point conversion. Flores scored on carries of 12 and three yards and controlled a tumbling shovel pass early in the final frame for a 71-yard TD.

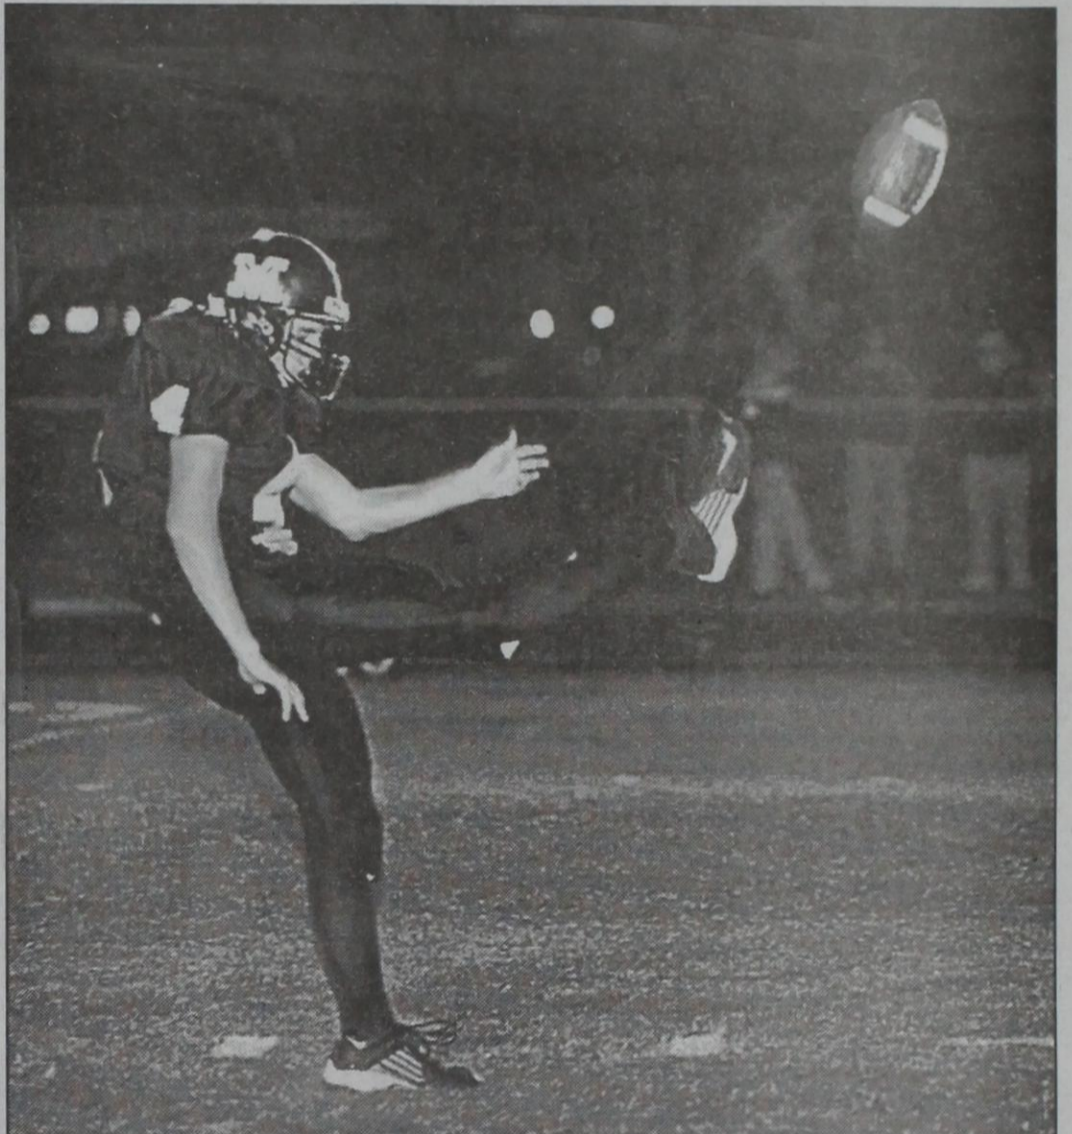

Rey Martinez reeked havoc in the Wildcat backfield all night and Landon Sheets not only completed four of 10 passes for 124 yards and one TD but picked off two

The money will be used to remodel the 72-unit Farm Labor Housing Project according to James Hartline, the project manager. The units are located at 301 East 6th Street in Muleshoe.

The federal award is a \$300,000 grant and a loan of \$1,542,672 which will be paid back over a period of 33 years.

Hartline said the units built in 1978, "are worn out so we applied for the money." The Housing Authority is planning to replumb, install new fixtures in the bathrooms as well as new appliances in the kitchens. They will extend the kitchen cabinets and replace the sinks.

Council votes to install stop signs

By **MARSHALL STINNETT**
Journal writer

The Muleshoe City Council met for a full 25 minutes Tuesday morning at city hall.

The council voted to go ahead and put a four-way stop at the corner of West Ave G and South Sixth Street near the football field. The council had voted to table the proposal at the last meeting for further study.

Muleshoe Police Chief Don Carter said he supported the proposal. Councilman Juan Chavez stated that he was opposed to the new stop signs. When Mayor Victor Leal asked Chavez what his opposition was to the stop signs, Chavez said, "They (the stop signs) are going to be an inconvenience." Chavez was concerned about ice on streets making it harder to get up the hill after having to stop for the stop signs.

The proposed stop signs passed 3 to 1 with Chavez's casting the no vote. Councilman Jerry Hicks was absent.

The council passed a resolution supporting the Texas Trail Committee in their application for official designation of the Texas Plains Trail. The proposed trail will come through Muleshoe.

Comité Patriótico was awarded \$1,200 for their September 16 celebration from the Hotel/Motel Tax Funds after the group submitted an itemized list of bills showing \$1,356.88 in expenses for the event. The council had committed the funds in August.

\$1,200 was committed to the committee working on the Crane Fest from the Hotel/Motel Tax Fund.

Commissioners to finalize 2002 budget

By **MARSHALL STINNETT**
Journal writer

The Bailey County Commissioners' Court met in regular session Monday and did their fiscal year end housekeeping business to complete the closure of FY 2002.

The Court approved various county department reports including the Treasurer's report for August, soil conservation worksheets and voted to pay the monthly county bills.

The Court also approved returning Law Enforcement Officer Standards and Edu-

cation Funds for a constable in precinct 2 to the State Comptroller's office. The county no longer has a justice of the peace in precinct 2 so there is no need to have a constable.

Corrections

The reported death of Lucille Nash was greatly over exaggerated in last week's Letter to the Editor section.

Nash is alive and well and living in Casa Grande, Arizona. In a phone call to Willie Mae Graves last week, she reported her health was good and that she was looking forward to moving back to Muleshoe.

The Journal regrets this error and wishes Ms. Nash continued health.

County's ground water levels declined

SPECIAL TO THE JOURNAL

Bailey County ground water levels declined an average of 0.67 of a foot during 2001. This is based on measurements taken from 103 privately owned wells in the observation network maintained by the High Plains Underground Water Conservation District No. 1.

Ground water levels within the county declined an average of 1.01 feet annually during the ten year period from 1992 to 2002. An average annual decline of 0.81 of a foot was recorded for the five year period from 1997 to 2002.

Ground water levels in the Ogallala aquifer within the 6.8 million acre Water District service area declined an average of 0.78 of a foot from 2001 to 2002. This decline is 0.36 of a foot less than the 1.14 feet of decline recorded for 2000.

A network of 1,209 pri-

vately-owned observation water wells is used to determine the annual change in the quantity of water in the Ogallala aquifer within the High Plains Water District. The depth-to-water measurements are taken in January and February of each year to allow water levels to stabilize from pumping during the previous growing season.

Three counties within the water district recorded water level increases since last year. Eight counties showed average annual decline of more than one foot.

Maps showing the location of observation wells were published in the April issue of The Cross Section, as well as tables listing the water levels in these wells at one-, five-, and 10-year intervals.

Copies of the April 2002 Cross Section are available by contacting the High Plains Underground Water Conser-

vation District No. 1, 2930 79424 or by calling (806) Avenue Q, Lubbock, TX 762-0181.

defense." Continued Wood, "Rey is good at shooting the gaps and making things happen in the backfield while others are good at stifling the offensive line play."

"We practiced hard all week," said Martinez, "and we were kind of upset because Lubbock (*Avalanche Journal*) put us down. We showed we have a lot of heart tonight."

The Mules took control of the game early by forcing Littlefield to go three and out on their first possession. The Wildcat punt rolled dead on the Mule 23 and seven plays later A.J. Flores broke a tackle at the line of scrimmage and then went untouched for the final 12 yards.

The Mules' opening drive went 77 yards on seven plays with 6:13 remaining in the first period. An angling direct snap from Daniel Campolla to Flores on the Swinging Gate added two points to the Mules' early lead.

Miguel Nuñez blasted the ensuing kickoff to the Wildcat 19 and Joel Cowart leveled the return man on the 20. Littlefield lost the handle on the ball on the second play of the series and Danny Bonilla recovered for the Mules on the Wildcat 17.

Flores followed a block from Miguel Castorena to the three-yard line and on the next play took a pitch wide left for the final yardage. Nuñez booted the extra point to push the Mule lead to 15-0.

The Wildcats' only tally came late in the second period with Thomas Reyes going in from two-yards out. Littlefield's left-footed kicker, Russell Jeffcott, tacked on the point-after to cut the Mules' advantage to

15-7 at intermission.

Landon Sheets proved he not only could throw passes, but that he could also pick them out of the air on defense. Following the first of two Sheets interceptions, Flores banged ahead for four-yards behind Jeremy Alfaro and Abraham Biaza.

On second down, Sheets faked to Cowart up the middle and rolled left on the option play.

A Wildcat wrapped up Sheets two yards behind the line of scrimmage. A funny thing happened on the way to the turf, Sheets located Flores open in the flat and sent him a tumbling shovel pass.

Flores pulled in the pass and out-raced all defenders 71-yards down the Wildcat sideline for the final TD of the night. Nuñez added the final Mule point to complete all scoring for the night.

"That was a heads up play by Sheets," exclaimed A.J. Flores. "He knew he was going down and he looked up and found the open man. He is young but he made the perfect play."

Flores rushed for 140 of the Mule's 209 rushing yards on 21 attempts. Sheets completed four of 10 passes for 124 yards and had two intercepted. Bonilla and Bryan King each recovered a Wildcat fumble.

Jonathan Peel of Littlefield completed nine of 18-pass attempts for 201 yards and Tyson Reed grabbed five passes for 133 yards. The Wildcats rushed 34 times for 70 yards with Reed carrying 12 times for 64 yards.

The Mules face the 0-1 Brownfield Cubs on the turf in Benny Douglas Stadium Friday night at 7:30.

Lazbuddie schools select students of the month for August

Courtesy photo

Ryan Mason, Chelsea Nichols, Tobin Redwine and Kayla Parham are Lazbuddie's student of the month.

Tobin Redwine is the 17-year-old son of Bobby and Debra Redwine. Tobin's birthday is April 3. Important things to Tobin are family and getting to the front of the lunch line. 911 Day meant an attack on the American way, and a chance for Americans to

unite and seek vengeance. Tobin intends to graduate from high school in May. His favorite movie line is "I've decided to live forever or die trying." Yossarian from *Catch 22*. If he won a million dollars he would buy a small section of the beach large enough

for only a hammock and two palm trees and spend the rest on a campaign towards making shoes illegal. He likes *Nirvana Unplugged*. Mom's homemade macaroni and cheese, cream corn, barbecue ribs, and a huge glass of pink milk; Three-toed sloths, Steve Buscemi, a big gemstone, and the beach for a favorite vacation destination. His fear factor is a sasquatch who lives somewhere in his backyard and who has been dubbed the Lazbuddie Beast.

Kayla Parham is the 15-year-old daughter of Terry and Celie Parham. She was born on February 20. Family and her best friend, Melanie Winders are important things. She intends to graduate with honors. Her favorite movie line is "They call me cool Ethan" from *Slackers*. With a million dollars she would buy a BMW. She lives steak and baked potatoes, the cheetah, Ashley Judd, Sapphires, and one day traveling to Paris, France.

Her fear factor is spiders.

Ryan Mason is the 11-year-old son of Sheldon and Debbie Mason. His birthday is November 12. 911 means a lot to him. He plans to get all A's. His favorite movie line is "I'll be back." He would save a million dollars. He likes AC/DC, barbecue, dogs, Wesley Snipes, topaz jewels, and would like to visit Egypt. His fear factor is heights.

Chelsea Nichols is the 12-year-old daughter of Mike and Sherrie Nichols. She was born on February 14. Her family, friends, pets, and of course, basketball are important to her. 911 was scary, but she thinks it brought her and her family, and her friends closer. Her goals are to do awesome in athletics, but she wants to do even better in academics. Her favorite line from a movie is "Show-offs aren't winners, be a team player," from *Love and Basketball*. With a million dollars, she would buy a

huge house and buy all the sweets she could eat. Her favorite things are CD's that she's burned with her favorite songs on them; Steak and baked potatoes,

cats, Sandra Bullock, Amethyst, going to Disneyland and the beach. Her fear factor is she hates snakes so much. She would hate to be in a tub full of them Yuck!!

DOWN THE STREET

By LEAH BELL
Journal writer

Down the street this week, Simon Chavez Sr. was home in Earth for a few days a couple of weeks ago.

Chavez runs his own sprinkler company in Missouri, but makes frequent trips home to visit his wife, Nicky.

His daughter, Nora, told me that Chavez' business is busy during this time of year. While he's gone, son Roy runs things in Missouri.

Remodeling efforts continue at First Bank of Muleshoe. Bank officials ask that customers be patient.

Bank employee Susan Sudduth said last week, "We can see the end, but it's not here, yet." The bank is getting a "facelift," installing a fountain and some general visual updates.

Tisha Boehning told me that Keith and Sylvia Vourazeris are in Hobbs, NM. Boehning is a family friend.

Adam Vourazeris and his wife, Shanna (nee Coker), are in Canyon where they are pharmacy reps.

Mary Lopez, who works at City Hall, reported on some of her kin, the Espinoza family.

Her sister, Carmen, is still singing with the Tejano group Algo Simple which is based out of Canyon. She is married to David Rodriguez.

Sister Virginia is married to Jerry Rodriguez. They live in Monahans.

Virginia is a teacher's assistant and Jerry is an assistant high school band director.

They have two children, Amber and Martin "Bubba" Rodriguez.

Interestingly, sisters Carmen and Virginia, married brothers. The group all met in college.

Mary's brother, Andrew, is in

Dallas. He is married to Jessica and is an assistant principal in a Dallas suburb.

LeAnn Gallman told me that Jerry and Mary Hicks recently visited Jerry's son, Jeff, in New Jersey.

Jeff's wife, Christine, just had the couple's first child, Braden.

The Hicks' spent a few days spoiling their new grandbaby before traveling to see son, Mark, in Boston, Massachusetts.

Gallman told me that the city closed their fiscal year in first week of October. She was very busy with paperwork the day I saw her.

J.K. Adams, who keeps records of Bailey County rainfall for the NWS, called a couple of weeks ago and reported .43 inches of rain at his place on Tuesday, Oct. 1 and .33 inches of rain on Wednesday, Oct. 2, for a total of three-fourths of an inch of rain.

I visited with Wilma Smith who was thrilled to have received a surprise visit from her son, David, recently.

David is a lawyer in Dallas and was involved in a federal trial in Lubbock. The proceedings wrapped-up early, so he drove to Muleshoe to visit his mother for three hours before his plane was to leave.

Wilma had seen David in August, but she enjoyed the chance to get a visit for a spell.

Smith's other son, Chuck, lives in Muleshoe and works for Bailey County Electric Co-Op.

Charlotte Holt got a pleasant surprise from members of the Mighty "M" Band recently.

Holt is a band enthusiast and has been for many years. She continues to travel with the group to competitions even though her own kids have graduated and married.

Holt recently lost her hus-

band, Cecil, to cancer. As part of the band's condolences, they have given Holt a trip to Cozumel as an escort on their spring trip.

Holt told me that the cruiseship provided "extra" tickets to the band as a reward for purchasing so many tickets, and band members decided that they wanted her to go on the trip with them. She was very excited about the whole idea.

Wilcy and Mary Moore just returned from a New England foliage tour. Among the stops along the way were Massachusetts and Vermont.

They flew out of Dallas into Boston for an eight-day guided tour of the "spectacular" foliage throughout New England.

While in Boston, the Moores made plans to see a couple from Boston that they had met on another trip. (*I didn't catch the location of that trip.*)

"I never dreamed we'd get to see this couple again," said Mary as she was getting her hair done at the Honey Comb. "They were such a cute young couple. We couldn't miss the chance to see them even if we did have to miss a lobster dinner pre-planned by the tour guide."

I hit the streets every Friday gathering stories for this column. I visit businesses around town, but I don't go door to door. So, if you have some news you'd like to get printed, call me at 272-4536.

I'll share your "gossip" with neighbors and friends—reunion news, trips, family updates, where are they now, humorous events, upcoming club functions, etc.

Because of space restraints not every story I receive will make it in the paper the same week I get it, so please be patient.

"Make Me a God!" Is a Strange But Common Request

"Make me a god!" It seems like such a strange request—until we realize how often we probably make this same request ourselves.

Israel's children were waiting in the desert at the foot of Mt. Sinai. Moses had been summoned up the mountain by God Himself. Jehovah was about to give to Moses to give to His people the tables of the Law.

But Moses had been gone a good while. Forty days and nights. And Israel's children were as restless and impatient as a little child waiting on his mama at Cloth World. What had happened to Moses? What

Focus On Faith
Curtis Shelburne

was taking him so long? Was he even still alive or had that awesome display of power on the mountain unmade him?

At first, perhaps, they were just impatient. But impatience turned into anger, and anger flowered into folly as they accosted Aaron, "Moses is gone. We don't know what happened to him, but he's gone. Make us a god!"

Why did they need a god? Was it because the God who rained plague after plague on their humiliated Egyptian taskmasters, was somehow away like Moses, off on a long journey?

Was it because the God who had parted the Red Sea and then swallowed Pharaoh's entire army in swirling death too weak to somehow help Israel's children along on the rest of their journey?

Was it because the God who had created this world and who gave them their very lives was not God enough?

Was it because the God who would soon be feeding them with manna and sharing with them His very Presence was less than the answer to their need?

"Make us a god!" A god you can make. A supposed creator created by his own creatures. Hmm.

What comes first—the chicken or the egg?

What comes first—the creator or the creatures? I've always wondered how mechanistic and naturalistic evolutionists get around the big question: "Who lit the fuse for the Big Bang?" So, they say, life on earth originated from some primordial soup? Well, who made the soup? Where did the stuff of creation come from? It seems to me, you must have a creator, a cook, a pre-existent chef of amazing power, back there somewhere.

And now the request comes: Make us a god! And it makes me wonder about the kind of god who can be made by creatures who fashion him in their own liking, set him up on a stand, and then bow down to him, presumably to thank him for life and all good things.

I see a problem here. And it would seem even sillier if we didn't do the same thing ourselves all the time.

"Make us a god!" The god that Aaron made for them was gold. Fitting, I suppose. Lots of ours are, too. We bow before Money and what it can buy. We bow before Pleasure. We bow before Success and Prestige. But the God who redeemed us on a cross is God enough. Let's bow before Him.

Seventh grade Mules beat Littlefield

By DELTON WILHITE
Journal sportswriter

The seventh grade Mules did not let a 62-yard TD run by the Littlefield Wildcats in the first period slow them down. The Mules moved to 1-0 in district play by downing the Wildcats 16-0.

Littlefield added the two-point conversion to take an 8-0 advantage with 3:10 left in the first period. The Mules were driving early in the second frame but a Wildcat stepped in front of a Garrett Riley pass on the Littlefield six-yard line.

Creston Standard held the Wildcats for no gain on their first play after the interception. Colton Heinrich made

the initial hit on third down to force Littlefield to punt. The Wildcat punter kicked a line drive from his end zone.

Riley took the punt on the Littlefield 39 and followed his blockers to the Mule sideline and rambled in for the Mules' first tally of the night. Richard Rojas blasted over for the two-point conversion to knot the game at 8-8.

Jordan Marlow batted a Littlefield pass and Juan Salcido grabbed the ball for the Mules on the Littlefield 41. Neither team could score again before intermission.

The Mules' first drive of the second half stalled at midfield. Riley's punt

pinned the Wildcats back on their 12-yard line. Luis Ramirez made a third down tackle that set Littlefield back a yard to force them to punt.

The Wildcat punt rolled out of bounds on the Littlefield 36 to give the Mules a scoring opportunity. Riley kept the ball on back to back option plays to move the Mules to the one.

Riley pushed in on a quarterback sneak to give the Mules the lead. Heinrich caught the two-point conversion toss to complete the night's scoring.

The Brownfield Cubs visit the Mules Thursday in Benny Douglas Stadium.

TEXAS RETIRED TEACHERS ASSOCIATION

The fall convention of District XVII was held in Lubbock at the Region XVII Education Service Center on Monday, September 23.

Retired teachers who attended from Muleshoe were Lucy Faye Smith, Rose Sain and Mary Nell Bleeker.

All eight statewide associations were represented with about 60 persons in attendance.

Jo Ann Holtzhouse from the TRS organization gave updates on the new things that are happening with the teacher's retirement plans. This in-

formation was for active teachers as well as retirees.

There are about 150,000 retired people in retirement communities in Texas. There are over one million members involved in the state as a whole with the retirement system.

Dr. Myron Kiehler spoke second. He stated that membership of the retirees is very important since our health concerns will be taken up in the Texas Legislator this coming term.

There will be ground breaking of the new Retired Teachers building in

Austin in the near future. Kiehler has hope of attending.

New officers elected for the year of 2003-2004 were as follows: President, Jackie McElfresh; 1st Vice President, Glenna Burns; 2nd Vice President, Richard Roberts; Secretary, Patricia Knight; Treasurer, James Leggitt.

New officers will take office July 1, 2003.

Rose Sain won our door prizes.

OCTOBER 20-26

Libra - Sept 23/Oct 23
Work gets tense later in the week. Don't despair. With a calm head, you can help things get back to normal. A friend takes you out on Friday. Enjoy!

Scorpio - Oct 24/Nov 22
Don't wear your heart on your sleeve this week, Scorpio. The person to whom you're attracted finally responds to your advances, but don't get too excited — yet.

Sagittarius - Nov 23/Dec 21
A disagreement with a friend throws you off track. Try to stay focused on the task at hand; don't worry about it too much. The two of you will work things out by the weekend. See if Taurus can lend a hand.

Capricorn - Dec 22/Jan 20
Don't be shy when you meet someone important this week. Get yourself noticed, this is the perfect opportunity to advance your career. A close friend shares a secret.

Aquarius - Jan 21/Feb 18
You have your freedom this week and you couldn't be happier. Spend time doing what you want to do instead of what others tell you. An Autumn road trip will fit the bill.

Pisces - Feb 19/March 20
Laugh at everything that goes wrong early in the week. If you don't you may just have to scream — that would only cause more problems. Do what you can to simplify the situation.

Aries - March 21/April 20
A friendly conversation ends up causing you a lot of problems later this week. A misunderstanding results in an argument. Stay calm, cool and collected.

Taurus - April 21/May 21
Control your temper this week, Taurus. Someone is trying to bait you into an argument. Just keep your mind on what you have to do and everything will be OK.

Gemini - May 22/June 21
You have a relaxing week ahead. Enjoy it! Pamper yourself, and splurge a little if you want. Now's the time to do it, because things will get hectic again soon.

Cancer - June 22/July 22
Keep the pedal to the metal this week, Cancer. People are counting on you. A loved one needs to ask a favor — it will be difficult, but you just can't do it this time. You're speeding ahead.

Leo - July 23/August 23
Don't hold grudges. Accept a friend's apology. A loved one needs romantic advice. Be supportive and helpful; Virgo plays an important role in this, especially on Tuesday.

Virgo - Aug 24/Sept 22
Accept only the best this week. An acquaintance tries to pull a fast one on you, Virgo, but you won't have it. That special someone has a something romantic planned for you.

Gonzales scores third win

By LEAH BELL
Journal writer

If the *Journal's* football contest was an Olympic event, Veronica Gonzales would, so far, be sporting two golds and a bronze in this year's competition.

Gonzales took the \$25 top payout in week six's contest, outguessing Adam Graves of Amarillo and Harold Pollard of Enochs who took the \$15 second and \$10 third places respectively.

Once again, it came down to the tiebreaker score to separate the top two money winners.

Week six's tiebreaker game was the Oklahoma at Texas tilt. The Sooners beat the Longhorns 35-24 for a total of 59 points.

Gonzales missed five games with a tiebreaker guess of 45 points. Graves also missed five games but was further

away from the tiebreaker score, guessing 42 points.

Pollard missed six games and guessed 49 on the tiebreaker.

Two other contestants were within four points of knocking Pollard out of the money. Phillip Gonzales and William Orozco both missed six games and both guessed 45 points on the tiebreaker game.

The date and time entries were turned in proved P. Gonzales to be rightful owner of fourth place. Orozco had to settle for fifth.

Eighteen of the contest's 23 entrants missed New Mexico's 25-16 win over UNLV, making it the most missed game of the contest.

Other games giving entrants fits were: Central Florida's 31-27 win over Western Michigan; South

Carolina's 16-12 win over Kentucky; Floydada's 19-9 win over Friona; and Littlefield's 15 point loss to Muleshoe.

Eight of week six's games were won by home teams, men took six of the top ten places and not one person made a guess higher than the actual tiebreaker score.

Statistically speaking, 78 percent of those entering the week six contest missed seven games or more.

Starting with sixth place, contestants rounding out the top ten were: Debbie Weir, Francisco Torres, Richard Orozco, Mandy Garner and Sandra Orozco.

Other contestants and how they fared were: John Graves, 11; Bruce Bruns, 13; Alene Bryant, 14; Carl Jacobs, 16; and Retha Tighe, 23.

Mules prepare for warfare against Brownfield

By DELTON WILHITE
Journal sportswriter

Having dispatched the Wildcats of Littlefield last Friday the Mules now prepare for the second step of their five-step quest for the district title.

The Brownfield Cubs come to Muleshoe following a heart breaking 14-13 defeat at the hands of Lubbock Cooper.

"This is a big week for us," said Mule coach David Wood. "Of course every game during district is a big game. I said last week that if we could beat

Littlefield we would be in the driver's seat and we are as far as making the playoffs.

"However, these kids have the District Championship gold ball as their goal for the season and are willing to do everything in their power to make it happen. Anything can happen during the course of a football season and there are some hurdles we must overcome this week.

"But it is no step for a stepper and these kids have proven they are steppers. It is always an advantage to

play at home. You can relax at home while the other team rides a bus to the game," continued Wood.

It is rumored the Cub's big running back, Adrian Hines, will be back in the lineup after being injured in the second game of the season. Hines, a senior, weighs in at 185 pounds and runs like Nathan Haile of Friona.

Jeremy Franco, who plays fullback, is almost a duplicate of Hines at 185 pounds. Zack Howard is a 150-pound quarterback and is the son of the Cub's

head coach Mark Howard.

"They run all phases of the veer and like to keep the ball on the ground but they have not run up that many points on the ground against the teams they have played. Wood added, "But they can also throw the ball and we have to be ready for that also.

"Brownfield uses two different defensive formations. They use a split defense and a 50 look that appears to be almost a 5-3 stack in that they pull the strong safety up into an outside linebacker position."

Wood concluded, "We must stay focused this week and not lose any intensity we had last week. We have our goal and that is that gold football at the end of the season."

Dimmitt dropped Slaton this past week and is playing the best they have played all season. They would like to have a say in who wins that gold ball and who represents the district in the playoffs. Dimmitt takes on Littlefield this week while Cooper and Slaton square off.
