James Knox killed in auto accident

James Knox, 46, of Big Hill was killed in a one-vehicle accident early Sunday morning near Fredericksburg.

DPS reports show that Knox failed to negotiate a curve on Highway 16 just north of Fredericksburg while traveling southbound at 4:20 a.m. The 1999 Chevrolet Surban driven by Knox went off the road to the left before colliding with a legally parked pickup.

The Knox vehicle crashed into a large oak tree and rolled onto its right side. The DPS report said the Suburban had major damage to the front, roof and both sides.

Diez y Seis festival planned for Rocksprings Sept. 14

Once again Sacred Heart of test are also scheduled throughout Mary Catholic Church in Rocksprings is planning its Annual Diez y Seis Parish Festival to be held on Saturday, Sept. 14, at the Edwards County Fair-

All day activities are scheduled to begin with a parade at 10:00 a.m.. Polo Cervantes, formerly of Rocksprings, will serve as the parade marshal. Marching in the parade for the first time will be the Buffalo Soldiers of Fort Concho in San Angelo. Organized in February of 1987, the Fort Concho Buffalo Soldiers take part in the living history program of the Fort Concho Museum education department. With the Fort Concho Infantry and Cavalry units, the Buffalo Soldier help the museum tell the story of the military frontier.

Game and food booths will parade. There will be lots of good food to eat, and the church will be selling carne guisada plates with all the trimmings. This year the festival promises lots of entertainment for the entire family. At 9:00 a.m., books will open for the first team roping sponsored by the Catholic Church, and registration for the Third Annual Car

the day.

Entertainment will begin with Rocksprings' DJ team Chimiro and Cheezer. Following will be country music by Border Trash of Sonora featuring locals Ned Dunbar and Colby Cottle. Stacy y Grupo Suave of Junction will follow with their performance. There will be a performance by the AHMATA band of Camp Wood.

The queen coronation will be at 5:00 p.m. Vying for queen are Ariel Rendon of Rocksprings and Gloria Cabrera of Leakey. Performing during the coronation will be Mariachi Del Quinto Sol of Del Rio and folkloric dancers.

One thousand dollars will be raffled later in the night at the dance, which will begin at 9:00 p.m. with music by Talisman of Carrizo Springs.

The church would like to remind all who are attending that there will be no coolers allowed at the fairgrounds.

Bring your lawnchairs and enjoy a day full of festivities.

Packing a safe school lunch

to school may be the reason they come home with stomach cramps, diarrhea or even vomiting. Their illness might actually be caused by a "food bug" instead of a "flu bug".

Wendy Scott of Texas Cooperative Extension, Crockett County says that packing a lunch that will be stored at room temperature and eaten many hours later requires special precautions. Harmful bacteria that cause foodborne illness grow best at room temperature. Temperatures between 40 and 140 degrees F, also known as the "danger zone," can cause these harmful bacteria to multiply and cause illness.

Bacteria that cause foodborne illness need moisture, the right temperature, a food source like protein, and time. Any moist protein food is especially susceptible. Foods that are handled a lot during preparation pose an extra risk because bacteria from hands can spread to them. These foods include protein salads such as ham,

chicken or egg. To avoid spreading harmful bacteria to food, maintain a clean area when preparing sack lunches. Make sure utensils, hands, work areas and food containers are clean. Remember to wash the lunch box or thermos after each use. If using a paper bag, use a bag made for food. Do not use grocery bags because they may be con-

leakage. Keep cold lunch foods cold. Store lunches in a refrigerator. If one is not available, insulated lunch boxes keep foods colder than paper bags. A freezing gel, ice or frozen drink placed in an insulated lunch box will keep food chilled. Advise children to place their lunch in a cool place out of

direct sunlight. Keep hot lunch foods hot. Use a thermos for hot foods such as chili, soups and stews. Use a clean thermos with a tight fitting lid. Rinse the thermos with boiling water and pour steaming hot food into the thermos. The food

should still be hot at lunchtime. If you choose to pack lunch meat sandwiches, make sure to keep them cold. When purchasing lunch meat, pay close attention to "use-by" dates. These products can harbor bacteria that can grow slowly, even at refrigerator temperatures.

Plan a menu of properly prepared and healthy foods. Foods that look or smell sour may be contaminated with bacteria that cause foodborne illness. Don't pack leftovers that have been in the refrigerator for an extended time and don't re-pack perishable lunch items that have not been eaten. Throw them away.

Foods that don't need to be kept hot or cold are a safe choice when there is no cold storage to keep foods chilled. These foods include peanut butter; dried products such as beef jerky; non-perishable cheese and cheese spreads; canned products that can be opened and eaten immediately such as meat, poultry and seafood; fresh fruits and vegetables; and breads, cereals, and nuts. Readyto-eat foods in individual servings such as puddings or canned fruits make a nice addition to sack

lunches. For more information about packing a safe sack lunch, contact the Texas Cooperative Extension Office, Crockett County at 392-

Humility, the Path to Strength

Do you experience a lack of self-confidence? A lot of people do! Some folks try to cover it up by acting tough. Others try to compensate by showing off or by wearing flashy clothes.

Why is it that people like this, who have a poor self-image, are too proud to turn to God? Perhaps it is because their peers would rather accept these same folks. And let's face it, God isn't altogether popular. And so, in an effort to gain some self-esteem, young people and adults go along with the crowd. Yes, they go along even if the crowd pushes them into illicit sex, shooting drugs, stealing,

Yet the Bible promises, "God is opposed to the proud, but gives grace to the humble" (1 Peter 5:5). You see, following your peers and committing acts of sin can only lead to guilt. You damage your self-esteem. And God will oppose you if you refuse to turn to Him for help. On the other hand, when you humbly turn to God, He gives you grace. In other words, He gives you the inner strength and

And so, confess your sins to God. Trust in Christ as the One who paid the penalty for your sins. Ask God to give you that inner strength you need!

The Lion offense moved the ball well in the second half as quarterback David Esparza led them in a near flawless game. Esparza made a pair of nice runs in the half and connected with Jack Rodriguez on two passes, one of which went for a 15-yard touchdown strike. This was the lone touchdown of the night for both teams. Esparza also teamed with running back Nick Perez to add the 2-point conversion on a nice option play.

Fighting through numerous first game mistakes and pregame distractions, the Freshmen Lions had a successful start to their season.

Commenting on the game, Coach Lenny Morrow said, "I thought we made more than our share of mistakes offensively that kept us out of the end zone, but that happens early in the season; however, our defensive effort was what allowed us to get a win. We limited them to 100 yards of total offense, which comes as a result of 11 guys doing their job and getting after it every play."

The Freshmen Lions will host the Brady Bulldogs for their next game. This will be Thursday, Sept. 5, with kick off at 6:00 p.m.

STOCKMAN SPORTSWRITER

With lightning threatening, a Kermit injury, and a disrupted second half, the junior varsity Lions still managed to dominate over the visiting Kermit Yellowjackets by the score of 31-14 Aug. 29.

The Lions were slow to start, but woke up to hold Kermit on Ozona's own 9-yard line. Vince Castro, Daniel Rubio and Raven Perez demonstrated a show of good defense here.

The Lions held the Jackets but were unable to get the offense off the ground, leaving the Lions in a fix. Doug Duncan stepped up to punt a 62-yard kick from the Lions' goal line, giving them a lot more breathing room.

The next series proved to be an unsuccessful one for Kermit, leading to a pass and interception on the third and long play. J. D. Borrego made the interception and returned the ball to the 36-yard line in Yellowjacket territory. On the second play from the line of scrimmage, Toby Pagan ran the ball 31 yards for the Lions' first touchdown. The point-after-touchdown was no good, and the Lions completed the first quarter ahead 6-0.

The second quarter opened with the Jackets in control of the ball. After three plays and a punt, the Lions took over on Kermit's 36-yard line. The Lions gained 17 yards with carries by J. D. Borrego, Vince Castro and Toby Pagan taking the Lions to the 19yard line. On the next play, the Lions powered into the end zone with Dub Walston, Derek Wiley and Jacob Parks blocking for Raven Perez. Again the PAT was no good, and the Lions led the

During the next series of plays, Kermit completed a 46-yard pass, taking the Jackets to Ozona's 14-yard line; however, the momentum was stopped by the Lions' strong defense, notably players Doug Duncan, Brandon Jobe, Michael Garza and Kyle Fish. Once the Lions were back in control of the ball, Toby Pagan drove down the field for an 82-yard touchdown, running through holes created by Glenn Conner, Vince Castro and Raven Perez. Daniel Rubio made good on the PAT, bringing the score to 19-0 in favor of

On their next possession, the Yellowjackets took to the air again only to have a pass intercepted by J. D. Borrego and returned to Ozona's 42-yard line. Justin Galan connected with Doug Duncan for an 18-yard pass that put the ball on Kermit's 46-yard line. Toby Pagan then took the ball all the way down the field. He was tackled short on the 1-yard line as the buzzer sounded, ending the half. The Lions went in at the half leading the Jackets 19-0.

Ozona started the third quarter by receiving the ball and advancing to Kermit's 35-yard line. On the first play from the line of scrimmage, Derek Wiley and Jacob Parks made solid blocks, affording Toby Pagan the opportunity to run the ball 65 yards into the end zone. The Jacket blocked Ozona's PAT attempt and returned it, bringing the score to 25-2. The Jackets' momentum carried them through their next possession, paying off with a 75-yard touchdown, but a failed PAT attempt kept the score at 25-8.

The Lions came back strong on the next series, starting on their own 38-yard line and driving down the field. Vince Castro completed the drive with a 4-yard run and another Lion touchdown. The PAT was no good, and the Lions led 31-8. Kermit answered back late in the third quarter with a final 49-yard touchdown pass. The final score of the game was 31-14, giving the J.V. Lions their first victory of the new season.

"You could tell this was our first game of the season," remarked Coach Lynn Searsy. "We made a lot of mistakes and miscues, but the guys kept playing hard. Our defense made several great stands to keep Kermit out of the end zone. We are proud of their effort.'
