Adult Education Class To Be Offered By Muleshoe School, Starting Sept. 15

Plans have now been completed by the Education Committee of the Muleshoe Chamber of Commerce and the School Administration of the Muleshoe Independent School District to offer a schedule of classes for adult education.

These courses are of a high school level and have been scheduled to meet many requests of people desiring to complete their high school education and receive a diploma. Courses will be taught by members of the faculty of the Independent School District and any person desiring credit will receive 1/2 unit per semester for each course subscribed to. Classes will be held one night per week and will be of two hours duration beginning at 8 p. m. and closing at 10:00 p. m.

First classes will be held on September 15. The tuition for these classes will be \$25.00 per semester and a minimum of 15 enrollees per class will be necessary with the exception of Woodworking in which there will be a maximum of 10 enrollees for each period. Tuition for Woodworking will be \$35.00 per semester because of the necessary decrease in enrollment.

The following classes will be available if the minimum enrollment of 15 is realized for each. Vocational Agriculture, Woodworking, Home Economics (Vocational), Texas or United States History, Bookkeeping, Economics, Typewriting, Shorthand, English, Mathematics, and Spanish. Application cards may be obtained at the following locations:

Muleshoe Chamber of Commerce; Ladd Pontiac; Superintendent of Schools; Holt's Panhandle Service.

Tuition must be paid on or before the first scheduled class and should preferably be accompanied with the application card or the application form used in the Muleshoe Journal. All checks should be mailed or presented to the Chamber of Commerce, P. O. Box 846, Muleshoe, Texas.

It is with a great deal of interest and enthusiasm that the School Administration and the Education Committee of the Chamber of Commerce has planned this program. Many hours have been spent working out the details for this service that the people of Muleshoe may have the advantage of an education that will be invaluable to them in their daily living habits.

At a party at the American Legion Hall Tuesday evening, the Muleshoe Jaycees kicked off the annual membership drive. The club was divided into two teams, the Reds and the Blues. Herbert Griffiths was elected captain of the Reds, and Bill Jim St. Clair captain of the Blues.

The losing team will host the entire club and their families to a party at the City Park, at the close of the drive.

Any young man between the ages of twenty-one and thirty-five, who is interested in civic development, is urged to contact any Jaycee about joining the club.

Kindergarten Begins Sept. 1

Mrs. Clinton Bristow will register expression pupils August 30, and classes will begin September 1.

Also, those who haven't registered for Kindergarten, which begins September 1, may do so by dropping by Mrs. Bristow's house or phoning her at 4080.

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY
VOLUME 32, NUMBER 31 MULESHOE — County Seat of Bailey County — TEXAS THURSDAY, AUGUST 12, 1954

More Lights For Football Field

ASC Elections Will Be Held On August 20

All farmers and ranchers of Bailey County are hereby advised that on August 20, 1954, an election will be held for the purpose of electing community committee members and alternate community committee members for 1955. Those elected as Chairman and Vice-Chairman of the Community Committee shall be declared elect as delegate and alternate delegate, respectively, to the County Convention.

Ballots have been mailed to all eligible voters in the community whose names appear on county office mailing lists. These ballots were mailed August 9 and must be returned to the County ASC office at the expense of the voter. Ballots returned by mail must be postmarked not later than August 18, 1954 and received in the County Office by 5:00 o'clock August 20, 1954. Ballots may be returned in person, and if so, must be returned to the county office by 5 o'clock on August 20, 1954. Farmers and ranchers eligible to vote in the community election who do not receive ballots may obtain ballots at the county office in Muleshoe. The following list of names were submitted by the nominating committee of each community:

Community "A" Robert Byrd, Henry Druessow, Joe Embry, Harold Gable, H. G. Harvey, Duward Head, O. C. Kirk, Orville Pair, W. E. Myers, John Smallwood.

Community "B" Dick Chisholm, Alex Darieck, John Gunter, Brock Hodnett, Horace Hutton, L. J. "Pete" Sanders, B. M. Seales, Watt Underdown, Marion Walker, B. J. (Willie) Welch.

Community "C" Raymond H. Akin, Arnold C. Archer, Raymond J. Austin, John T. Davis, Jack Harper, Otis A. Neel, Ernest Parks, Jess Richardson, DeWitt Tiller and Paul G. Young.

Get Acquainted Night Aug. 27

On August 27 at the high school football field, patrons of the Muleshoe Independent School District are invited to attend an informal social evening for the purpose of getting acquainted with the teachers and faculty of our independent school area. Arrangements for this program are under the direction of the Education Committee of the Chamber of Commerce with the co-operation of the P. T. A.'s and school administrations. There will be watermelons available, a short program sponsored by each community of this school area and get-acquainted cards to be worn by every person attending, to make the program a colorful one and probably an annual affair.

Mrs. Onard Upton, Mrs. Gerald Allison and Mrs. O. D. Ray are representing the P. T. A.'s. Mrs. Noel Woodley and Mrs. H. E. Schuster will represent the Chamber of Commerce and Mrs. A. S. Stovall and Mr. Bill Parker will represent the school faculty.

It is the general consensus of opinion that the patrons of our independent school area, have obligation to meet and make the school faculties of high school, junior high and elementary schools an integral part of the community, for these are the people entrusted with the welfare and education of the children. They are held completely responsible for the success or failure of the children in the schools and whatever can be done to make them feel at home and a living part of the community will benefit both the teacher and parents. In many instances school teachers have been regarded as a class of people by themselves but once you get to know these people you will find that they are human, down-to-earth and cooperative as anyone else in the community.

Let's show them our willingness to co-operate and our willingness to let them participate in community affairs on August 27

Quarterback Club Sponsoring New Lights For Benny Douglass Memorial Stadium

The Muleshoe Quarterback Club Lloyd Alsop president, this week beginning the sale of tickets for the purpose of additional lighting for the Benny Douglass Memorial Stadium in Muleshoe. They are sponsoring a drive to raise \$15,000 to revire the entire field. It has been estimated by competent electricians that it will be possible to secure 20% more light from the old system by using larger wires to carry the load. Two new type reflectors will also be installed, according to present plans.

When the new and better lights are installed, it will be possible to take moving pictures of the game, and when these are played back, players can then see their mistakes, and it tends to make for better and smoother plays, as has been proven by other teams using that method.

At the final home game, it is planned to give four tickets to the Cotton Bowl football game, plus \$10.00 cash. Tickets are selling for 50c each. It is hoped to have the new lights installed in time for the opening of the football season here.

The Quarterback Club will meet Tuesday night, August 17 at Gerald's Cafe to make further plans to promote the drive for funds for the lights.

Rev. Sheppard Guest Speaker As Rotary Club Met

Rev. E. K. Sheppard, new minister of the First Baptist Church here in Muleshoe, brought the program as the Rotary Club met Tuesday of this week. His very interesting talk was on "Four Essentials For Betterment Of The Community". Rev. Sheppard comes here from Snyder.

Visiting Rotarian was Ernest Withers of the Ft. Sumner, N. M. Club.

E. O. Baker brought as guests, his son-in-law, Lowery Mallory, of Piedmont, Calif., and his father, Lowery Mallory, Sr., of Amiston, Ala.

I. H. Robinson Wins Watch At Lindsey Jewelry

I. H. Robinson was the winner of the watch given away by Lindsey Jewelry on their opening day here last Saturday.

Mr. Lindsey said some four hundred persons registered for the watch.

The Lindseys reported that they had a grand opening day, and wish to thank everyone who helped them by visiting the store and by sending the beautiful flowers.

Registration At Three Way Will Be Aug. 27 and 30

Registration for High School students at the Three Way Schools will be held August 27.

Schedule for the day is as follows: Seniors, 9:00 to 10:30 a. m.; Juniors, 10:30 to 12:00; Sophomores, 1:00 to 2:30 p. m.; and Freshmen 2:30 to 4:00 p. m.

Registration for grade school pupils will be held on Monday, August 30, with buses making their first runs that day. Lunches will be served at the school for the first time that day also.

Following is a list of the teachers at Three Way and their respective classes: 1st grade, Miss Vada Frasier; 2nd, Mrs. Chellie Bradley; 3rd, Mrs. Maude Davis; 4th, Mrs. Katherine Sims; 5th, Mrs. Gerald Edler; 6th, Mrs. Marie Johnson; 7th, Mrs. Juanez Green; and 8th, Mrs. Sam Green.

Mrs. Laverne Green will teach English in the High School; Mrs. Helen Gay, Home Economics; John Criner, H. S. P. and Commercial; Ray Crawford and Archie Sims, Agriculture.

Wherever Rotary Clubs are located, President Gregory asserted in discussing the Governor's visit, their activities are similar to those of the Rotary Club of Muleshoe because they are based upon the same general objectives; developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professional men, and fostering the advancement of good will, understanding and peace among the people of the world.

New H. D. Agent For County Is On Job

MISS JORDAN Miss Mollie Jordan recently

appointed home demonstration agent for Bailey County by the Commissioners' Court and the Extension Service, is already on the job and is cooperating with Bailey County H. D. Women in the various clubs.

Miss Jordan is a graduate of Texas Tech, Lubbock. She has a room here in the home of Mrs. Lou Green. Miss Jordan told The Journal that she has greatly enjoyed her work so far, and has had fine cooperation with the ladies of the H. D. clubs. She assumed her duties here August 1.

Mr. and Mrs. M. L. Jackson, Neoma and Eugene are visiting in Sulphur and other points in Oklahoma with relatives. Eugene has been visiting about two weeks at Sulphur with Mr. and Mrs. C. W. Ramage and family.

Ann Cole Is New Farm Bureau Queen

Miss Ann Cole, of the Three Way community is Bailey County's new Farm Bureau Queen. She succeeds Miss Dorothy Lowery, who was county Farm Bureau Queen last year.

Miss Cole is the daughter of Mr. and Mrs. Cecil Cole. For being first place winner, she received a prize of \$50, and the right to enter the District Farm Bureau Queen Contest, which will be held at Lubbock some time in the near future.

Second place winner was Miss June Free, daughter of Mr. and Mrs. G. E. Free, of the West Camp community. June received a prize of \$15.

W. D. Moore Bailey County Chairman

W. D. Moore, was appointed chairman for the Emergency March of Dimes Drive in Bailey County at a breakfast held at Gerald's Cafe Wednesday morning.

Mike Hyre, of Abilene, State representative of Northwest Texas District composed of 52 counties was present and told the officers of the great need for this emergency Drive from August 16 to 31.

"March of Dimes machinery—both local and National, is in danger of grinding to a halt because of lack of funds. Contributions in January fell \$20,000,000 short of the need for 1954. The for patient care, the vaccine tests for patient care, the vaccine trials and gamma globulin."

Emergency March Of Dimes Drive On

653,000 children in 44 states, of 237 counties who received the trial vaccine this year, there have been 19 non-paralytic cases, and not one of paralytic polio.

Texas is now undergoing an increase in polio cases, and of the money donated, one-third stays in the county, one-third goes to research to pay for vaccine tests and gamma globulin—which has been made available to everyone this year, and one-third to epidemic aid and patient care.

Plans were made at the breakfast to spark the drive, and donation cards are being mailed to all families in the county, and the committee urges that they not be discarded, but place any amount donation in them and return as soon as possible.

Lucille Cherry Returns From Ft. Worth School

Mrs. Lucille Cherry, proprietor of the Muleshoe Beauty Shop, returned last week from taking an advanced course in hair styling at the Vernon Isabell School for advanced training. Mrs. Cherry studied all the latest hair styles and is licensed to give the new space cuts, and European styles. Her ad will be found on another page.

Ralph Yarborough To Be Honored At Sudan Barbecue Friday Evening

Ralph Yarborough, candidate for Governor of Texas, will bring his campaign to this immediate section with a personal appearance in Sudan Friday night, August 13.

Sudan is making preparations to play host to 5,000 people, according to Preston Hawks, editor of the Sudan Beacon. F. O. Masten, Sudan farmer, will furnish free barbecue to everybody that comes and he wants the full 5,000 to be there. Everyone is invited and the barbecue is free.

Mr. Yarborough will speak and will greet personally those who attend and get acquainted with them.

Entertainment Will Be Furnished At Sudan Barbecue Friday Evening

Entertainment will be furnished by the "Lubbock Serenaders" Hawks said. Drew Watkins, well known Sudan ginner, will introduce the candidate. Mr. Yarborough is in the run-off campaign against Gov. Allan Shivers. Mr. Hawks said so far as he is concerned it is the first town of the state to be host to either candidate.

Sixty Sudan people have volunteered their services to help serve the barbecue and dan is expecting to put this which will honor Judge Yarborough, on the top shelf.

McKinstry Piano Class Has Last Summer Meeting

Monday, August 2, from 2:30 until 4:00 in the afternoon, the piano class of Mrs. Sam McKinstry met in her home for the last meeting of the summer.

A special guest, Miss Jessie Patterson, of Clinton, Okla., was present. Miss Patterson, a cousin of Mrs. McKinstry, is also a piano teacher. Also present was Mrs. J. D. McKinstry, sister of Mrs. McKinstry, of Hagerman, N. M.

Pupils and mothers who attended were: Mary and Jane Sanders, Joyce Adams, Mrs. J. K. Adams, and Joe, Mike and Darla Robert-

son, Mrs. W. H. Robertson, Anna McReynolds, Mrs. D. McReynolds and Jimmy, Kathy Moore, Janet and Susan Franz, Mrs. Ray Franz, and Paul, Sandra and Linda Scott, Mrs. Paul Scott, Tommye Welch, Mrs. L. J. Welch, Sylvia and Cynthia Pool, Carolyn Hinkson;

Mrs. Frank Hinkson, Earlene and Patricia Peterson, Nan and Susan Allison, Mrs. Oscar Allison and Sam O., Zonnie, Pat Angeley and Mrs. Alice Angeley, Veta and Carolyn Allison, Mrs. Harold Allison and Jack and Raymond Lewis.

Students who played at this meeting were: Linda and Sandra Scott, Cynthia Pool, Joyce Adams, Raymond Lewis, Susan and Janet Franz, Mike Robertson, Ann McReynolds, Carolyn and Veta Allison, Jane and Mary Sanders, Tommye Welch, Mrs. Jarvie An-

geley and Irene, Tommye Welch and Carolyn Hinkson.

Flash cards were studied. These cards have proven very interesting and instructive. Musical scrap books of the students were displayed and thoroughly enjoyed by all. Pictures were taken of the group playing musical bingo. Cokes were served.

Mrs. McKinstry will re-open her studio August 30, and will register all piano students the first week of school.

During the Shiver's Administration more miles of Farm-to-Market roads and state highways have been built than in any other comparable period. (Pol. Adv.)

Approximately 4,000 more miles of Farm-to-Market Roads will be built in the next two years, if Allan Shivers is re-elected. (Pol. Adv.)

HELP! HELP!

Help us raise some money! The Junior Class of Muleshoe high school will have a concession stand at the Rodeo Grounds August 13, 14 and 15 from 5:30 until closing time. They will sell barbecue sandwiches, soft drinks, pop corn, snowcones and chewing gum.

The money will be put into the class treasury to be used by the Junior Class during the coming year for the Junior-Senior Banquet, and other expenses.

COTTON FRESH!

Cool and fresh on a sultry summer afternoon, this pretty miss wears a trim cotton frock in a refreshing color, seafoam green. Her dress, designed by Nali-Bee, is in a rich, textured Everglaze cotton with rhinestone and cord trim. The cotton fabric has a wrinkle-resistant finish.

Allan Shivers personally went to Washington and fought for and helped obtain additional cotton allotments this year, for this area. (Pol. Adv.)

Rebekah Initiation To Be August 24

With Noble Grand Myrtle Freeman presiding, a regular meeting of the Rebekah Lodge was held at the Lodge Hall in Muleshoe, Tuesday evening of this week.

Everyone is urged to attend the meeting next Tuesday evening, as there will be practice for installation. Initiation will be held August 24.

The Rebekahs concession stand at the Rodeo was discussed, and anyone wishing to help is asked to come on out there.

Refreshments were served to sixteen members and two visitors.

WAS GUEST

A guest in the home of Mr. and Mrs. Scott Donaldson last week was her mother, Mrs. Yancy, of Plainville.

Allan Shivers has supported every major piece of school legislation in the past 20 years. (Pol. Adv.)

During the Shiver's administration the average school teacher's salary has been increased more than \$1100.00 per year. (Pol. Adv.)

Youth Week Held At Progress Church

Annual Youth Activities Week of the Progress Methodist Youth Fellowship was held August 4, to August 8. The five night program began with a weiner roast last Wednesday evening, August 4. Projects during the work period included making curtains for the M. Y. F. room, painting game tables, speaker's stand and communion table, making volley ball court with lime and building book shelves. Bill Garrett was adult leader for these projects. Worship and discussion periods were held each evening. Devotional talks were made by David Stephens, Kiel Quisenberry, Joyce Walker, and Rev. Carrol Jones. Mrs. Arthur Cooper led discussion periods on three nights. A special feature Friday evening

was a panel discussion on vocations. Panel members were Dr. Mary McNeff, of Farwell, Physician; Joe Walker, teacher; Rev. Carrol Jones, minister; and Troy Atkinson, farmer. On Saturday evening a banquet was served to the young people. Members of the W. S. C. S. contributed the food and it was served by Mrs. Troy Atkinson and Mrs. Albert Davis. Speaker was Hendrix Bruns, German exchange student, who told of life and conditions in the rebuilt western Germany. Group singing each evening was led by Barbara Jones. Sunday evening, final night of the Youth Week, was also, "Family Night". The young people enjoyed a game of volleyball and other recreation on the church lawn, and later refreshments at the Troy Atkinson home. Following fellowship classes, the youth had charge of the program at the regular church hour. It concluded with a devotional talk on "Family Living", by Rev. Jones, who then served communion to the congregation by family groups. A recreation period each night of the week included two films, shown by John Thomson and Bill Garrett. The regular youth counselor, Mrs. Byron Gwyn, also helped each evening. It was declared a very profitable and happy week of activities.

Ed Little Plants Hairy Vetch, Cotton Has Good Results

Ed Little, a Blackwater Valley Soil Conservation District cooperator who lives in the West Camp community, reported very good results with hairy vetch inter-planted with cotton.

Last August Mr. Little planted about twelve pounds of hairy vetch between cotton rows on 43 acres of land. He inoculated the seed at planting time and used a legume row seeder for planting. After the cotton was harvested, the vetch was irrigated as needed to make a good growth. In June of this year, Little harvested a few acres and got around 1,800 pounds of vetch seed to use for seeding future crops. He estimated that the vetch was making between 400-500 pounds per acre. The rest of the vetch was turned under as a soil improving crop.

Little stated that bees are necessary for maximum seed production.

Hairy vetch and Austrian winter peas can be planted in either cotton or grain sorghum with the legume row seeder. This row seeder is constructed high enough off the ground that it will not damage the cotton or grain sorghum.

By using this method of planting legumes, farmers can include a soil improving crop in their rotation, and have a cash crop at the same time.

When these legumes are used as green manure, they should be allowed to make as much growth as possible before being plowed under. Usually two to three weeks is needed for decomposition before planting the next crop.

Vetch and winter peas will add nitrogen and organic matter to the soil, improve soil condition, increase water holding capacity of the soil, prevent wind and water erosion, and increase yields on following crops.

Texas Banks Are Principal Farm Lenders In State

Texas farmers and ranchers continued to go mostly to the state's banks to meet their credit needs during 1953 according to W. Q. Casey, executive vice-president, Muleshoe State Bank, who represents the Texas Bankers Association as Bailey County Key Banker.

Quoting from the thirteenth annual farm lending survey of the Agricultural Commission of the American Bankers Association, Mr. Casey noted that banks were by far the largest lenders to the state's farmers and stockmen during the year. On December 31, 1953, Texas banks had

loans totaling \$270,125,000 outstanding to farmers; while the insurance companies, the financial agencies with the second largest amount of farm loans outstanding, held \$247,389,000 at the same time. In addition to their regular lending operations, Texas banks also held \$257,945,000 in C. C. C. loans under the government's price support program, which is not included in the above bank total.

"The banks have been encouraging farmers and ranchers to make better use of their present acreage through modern methods rather than buy additional land during this period of high land prices", Mr. Casey said. "The bulk of the farm loans held by banks are production loans rather than real estate loans. Production loans include credit to finance growing and marketing of crops; breeding, raising, and fattening of livestock; purchasing of modern equipment; and the like. Banks held \$238,071,000 of these production loans at the end of 1953, compared with \$59,426,000 held by Production Credit Association and \$50,234,000 held by the Farmer Home Administration."

The remaining \$32,054,000 in farm loans outstanding in banks at the beginning of this year were made up of farm mortgages. All of the \$247,389,000 held by insurance companies were mortgages, with \$128,034,000 in mortgages being held by the Federal Land Banks and \$23,133,000 held by the Farmers Home Administration.

Mr. Casey reported that \$58 of

the 882 insured commercial banks in Texas served agriculture by making credit available to farmers and ranchers during 1953. "In this day of mechanized, highly competitive farming, meeting the credit needs of agriculture is one of the most important services of the state's banks", he said.

"It sure is nice to have some trout or a piece of bear meat around whenever that's just what I feel like eating. I can live last year's fishing and hunting trip over again, and enjoy a good meal to boot. I recommend a freezer to anyone who goes hunting or fishing."

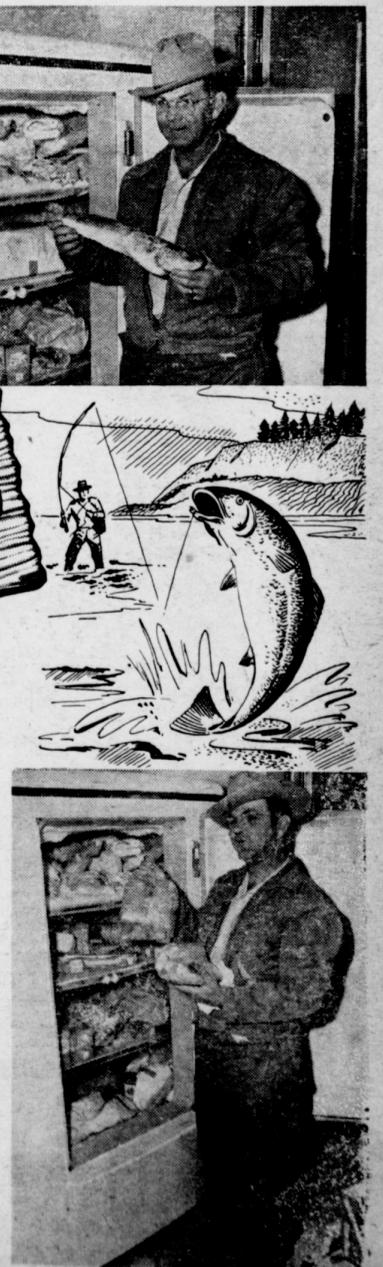

A sportsman like Mr. McMahan gets a real pleasure out of sharing his catch with friends. And Mrs. McMahan finds it easy to prepare a fish dinner in a hurry. Right after the catch, she puts cracker meal on the fish, cooks and freezes them. When friends drop in, a fresh fish dinner is just a matter of warming an already prepared meal.

Keep the pleasure and good eating of your hunting and fishing trips all year round. Keep your fish and game in an electric home freezer.

MRS. H. L. McMAHEN says:

"A freezer is a real help around the house. I can serve quick meals—and use out of season foods. And, as for 'Curly's' hunting and fishing trips, I'm like any wife, I sure enjoy eating what he shoots and catches."

Miss Luana Walker Becomes Bride Of Mr. J. W. Watts In Morning Ceremony

MR. AND MRS. J. W. WATTS

(Photo by McMath)

In a beautiful double ring ceremony performed at 10:00 o'clock in the morning, August 9, Miss Luana Maree Walker, of Muleshoe, became the bride of Mr. J. W. Watts, of Roswell, N. M.

The bride is the daughter of Mrs. Hertha M. Walker of Muleshoe, and the bridegroom's parents are Mr. and Mrs. V. A. Watts of Childress.

With Rev. H. M. Higgins, of Littlefield, officiating, vows were exchanged in the home of the bride's grandmother, Mrs. Anna F. Moeller in Muleshoe, before a mantle decorated with two lovely arrangements of blue and white shasta daisies, flanked on either side by candleabra bearing tall white tapers.

Given in marriage by her brother, Harry L. Walker, of San Antonio, the bride was lovely in a floor length dress of powder blue tulle over taffeta, featuring a tight off-shoulder bodice and a bouffant skirt. A pointed cape edged in blue chantilly lace completed the ensemble.

Her fingertip veil of illusion fell from a hat of shasta daisies, and she carried a bouquet of lily of the valley, from which she took her corsage when she went away.

Matron of honor was sister of the bride, Mrs. Charlene Green, of Ft. Worth. She wore a ballerina length dress of pink georgette, and carried a lovely bouquet of blue shasta daisies entwined with blue satin ribbon and tulle. Her hat of blue shasta daisies and rhinestones, was dyed to match her bouquet.

Florence Ann Green, niece of the bride, of Ft. Worth was flower girl. Her gown was a full skirted affair, of white nylon.

Lawrence Watts, of Slaton, served as best man.

The traditional wedding music was furnished by record.

Mrs. Walker, mother of the bride, chose for the wedding, a blue and white silk street length dress, with which she wore a white shasta daisy corsage. Mother of the groom, Mrs. Watts, wore a black silk dress and a white shasta daisy corsage.

At the reception which followed the wedding, Mrs. Naomi Talley presided at the guest register. Seventy-two guests attended.

The bride's table was covered with a white hand-crocheted cloth. A beautiful arrangement of blue shasta daisies, white pom-poms, white gladiolus and baby's breath was placed on one corner of the table. Centering the table

was the beautiful three-tiered wedding cake, which was decorated with blue bells, and topped with a miniature bride and groom standing under a bell. At one end of the table was the punch bowl. Coffee was served from a china coffee pot which was over one-hundred years old.

Mrs. Frank Swint served the cake, Mrs. Harry Walker presided at the punch bowl and Mrs. Wilma Singer poured the coffee.

Wedding gifts were on display in the front bedroom of Mrs. Moeller's home.

At 1:00 o'clock, a wedding dinner was served to the bride and groom, and to Rev. H. M. Higgins, Mrs. Anna Moeller, Mr. and Mrs. V. A. Watts and sons Elgin, Lavance and Bill, Wilma Singer and son Neil, Betty Swint and children, Harry L. Walker and Nancy and son Jerry and Maurice O'Connor, Naomi Talley and Faith, Lois West, Hertha Walker and Charlene Green and children.

Immediately following the dinner, the bride and groom left on a wedding trip to Roswell, N. M., where they will make their home.

Mrs. Watts graduated from Muleshoe high school, attended Our Lady of the Lake College at San Antonio, and New Mexico University at Albuquerque, N. M. Prior to her marriage, she was employed as office clerk at the Pioneer Natural Gas Company.

The bridegroom was graduated from high school and is a barber at Roswell.

Out of town guests attending the wedding are as follows: Mr. and Mrs. V. A. Watts and Elgin, Childress; Mr. and Mrs. Albert Smith and son, Farwell; Mr. and Mrs. C. F. Summers and children, Clovis, N. M.; Mr. and Mrs. Maurice O'Connor, Odessa; Mrs. C. I. Cobb, Jr., Abilene; Bill Watts, Roswell, N. M.; Mr. and Mrs. Harry Walker and sons, San Antonio; Mrs. Charlene Green and daughter and son, Ft. Worth; and Ethel Thomas, Farwell.

Guests from Muleshoe attending were: Mrs. Birdie Paul, Mattie Duke, Lois Schoenberger, Jennie Panter, Fred Johnson, Mr. and Mrs. A. J. Gardner, Mmes. A. B. Pierson, I. W. Harden, Beulah Carles, H. O. Barbour, C. R. Farrell, Arnold Morris, Charles Lenau, Holly Bury, Roy Whitt, J. L. Taylor, Bill Kistler, Everette Talley and daughter, Mr. and Mrs. Connie Gupton, Mr. and Mrs. W. A. Watts, Mr. and Mrs. R. L. Roubinek, Mr. and Mrs. Julian Lenau, Mr. and Mrs. Frank Swint and sons and daughter, and Lois West and Wilma Singer.

The people who oppose the third (2 year) term for Shivers are the same that voted a 4th (4 year) term for a recent President. (Pol. Adv.)

Mr. and Mrs. I. H. Gatlin Will Observe Golden Wedding Anniversary Saturday

MR. AND MRS. I. H. GATLIN

(Photo by Cline) State Park, Lubbock, and as many of the folks could not make it to the anniversary the coming Saturday, one of the daughter-in-laws baked a beautiful three-tiered anniversary cake and presented it to Mr. and Mrs. Gatlin. The cake was iced in gold and was topped with a miniature bride and groom.

Some sixty persons attended the reunion. A picnic lunch was spread at the noon hour. Photographs of Mr. and Mrs. Gatlin and others of the group were made. Many nice gifts were received by the honored couple.

Those attending from Muleshoe other than Mr. and Mrs. Gatlin, was their granddaughter Dede Stovall, Mr. and Mrs. E. H. Gatlin, Mr. and Mrs. James Moore and children, Mr. and Mrs. Merle Barnhaus and son, Mr. and Mrs. W. P. Watkins and children, and Mrs. Mary Pruitt.

lost time accident for every million man-hours, as compared with a utility industry average of 11.50 lost time accidents for every million man-hours worked.

The old saying "You couldn't do it in a thousand years" applies to this recent safety accomplishment, for it would take one man a thousand years to accumulate two-million man-hours without lost time accident. The 1850 Public Service Company employees need not over three months to accumulate a one-million total.

Three million without an accident is the next goal, and the Public Service folks are after it.

SW Public Service Sets Safety Record

Southwestern Public Service Company employees have now worked two-million consecutive man-hours without a lost-time accident, the longest continuous accident-free period in the company's history, and one of the top safety records among the nation's electric light and power companies.

Only seven other electric companies in the country have achieved the two-million mark for the entire company, the records of the Edison Electric Institute reveal. The EEI award for recognition of million man-hour or more safety accomplishments was inaugurated in 1943, and to be the eighth out of nearly 300 member companies to reach the two million accident-free man-hours goal is a significant safety achievement for Southwestern Public Service Company.

The present unbroken string of accident free days began on January 30 of this year. The company is averaging less than one

S. O. Workman, charged with driving while intoxicated, was found "not guilty" when tried in county court here Tuesday and Wednesday of last week.

Representatives for the defendant were Karl Lovelady and G. A. Paquin. Norman Bays, County Attorney, represented the state.

Judge Cecil H. Tate presided over the court.

The six man jury was composed of Arnold Alcorn, Bill Garrett, Tommy Galt, P. A. Altman, Glenn R. Dunn, and Howard Ashley.

Allan Shivers carried the Box where Mr. and Mrs. Yarborough live, 3 to 1. Do a man's neighbors know him better than you and I? (Pol. Adv.)

PARMER COUNTY Farm Bureau News

By RAYMOND EULER

We think you will enjoy reading the following words written by Letha Turner upon returning from Farm Bureau Institute:

"One might think of the officers of Texas Farm Bureau to be 'stuffed shirts'. In meeting these men they are entirely like you and I. The president, J. Walter Hammond, lives on a farm at Tye, Texas, a town of about 300 residents, as do many of the other officers.

"It was encouraging to know what the Texas Farm Bureau is doing in the legislative field. You probably have heard of the 'Hammond Plan', and will be hearing more about it in the future. This plan seems to be suited for our part of the country.

"The Farm Bureau is principally interested in helping the farmers, and to do this they must band together and fight against those people who think the farmers are getting rich. We are outnumbered, but together our voices can be heard.

The Farm Bureau is an organization by the farmers, for the farmers, of the farmers, to do what the farmers want done."

We wish every farmer could be exposed to the knowledge of Farm Bureau principles that prompted Mrs. Turner to write those words.

Parmer County Farm Bureau is grateful to the Highway Department and the County Commissioners who are cooperating with farmers in their battle against

bindweed. You farmers who have binweed on county road right of ways should go to Parmer County Implement Company and get Aticide provided by your commissioner and treat it. All you do is sign agreement on a post card.

"More and more farm folks are beginning to realize that surpluses can't be wished away by pretending they aren't there. The taxpayer may be willing to buy what the market won't, for a time, but even the government representing the taxpayer must find a use for the stuff or throw it away." This quote from Paul C. Johnson, editor of Prairie

Farmer, one of the midwest's great farm papers.

Consider This: The wise shall inherit glory; but shame shall be the promotion of fools.

Proverbs 3:35

J. W. Willson Dist. Chairman Of Bond Campaign

J. W. Willson of Floydada has been named District Chairman in an eight county district in the new stepped-up campaign for U. S. Savings Bonds throughout Texas. Announcement of the appointment came from Chairman Nathan Adams and Co-chairman Ed Gossett, Dallas, of the Savings Bonds Advisory Committee for the state.

The new district chairman will help give leadership to all phases of the Savings Bonds program in the district, which includes Hale, Parmer, Bailey, Castro, Lamb, Briscoe, and Floyd counties. "Times throughout the world now are, and for the next several years probably will be, as critical as any experienced during the past quarter of a century. Therefore, it is highly essential that everyone of us do everything we can to keep ourselves, of community, out state and our nation strong" the district chairman emphasized. "Purchasing Savings Bonds is a way that everyone can help insure financial and economic well-being of his community, state and country. Furthermore, their new features, such as increased interest rate of three per cent, compounded semi-annually, makes them a more desirable investment for everyone. "Purchases of Savings Bonds must be substantially increased the remainder of the year in order to put the county quotas and the Texas goal over the top. The 1954 quota for the district is \$2,088,000 and for the state is \$199,3 million. The national goal calls for "A Billion More in '54". We are confident," the district chairman concluded, "that the citizens of the counties in our district will cooperate fully to help attain the 1954 goals."

Ten Area Boys To 4-H Encampment

County Agent J. K. Adams, and nine area 4-H boys left earlier this week for Lubbock, where they will attend the three day encampment at Fair Park.

Boys making the trip were: Burt Kitchens, Star Rt. 2; Richard Coleman, Maple; Wesley Warren, Maple; Larry Pollard, Sudan; Bailey Griffith, Arch, N. M.; Howard Pollard, Goodland; Mike O'Hair, Goodland; Mike Pollard, Goodland; and Don Richardson, Maple.

While there the boys will engage in many outdoor activities, and learn more about 4-H work. Six other boys in this area were eligible to make the trip, but were unable to go.

BACK FROM FT. WORTH Mr. and Mrs. M. S. Childers have been in Ft. Worth at the bedside of her father, Mr. Land, who has been critically ill.

Muleshoe Ladies Team Holding 3rd Place In League

The Hereford Ladies softball team was holding first place in the league Saturday of last week, with Springlake running second, and Muleshoe in third place.

The Muleshoe ladies had played twelve games, at this writing. They had won nine of these and lost only three.

The girls have played Bovina twice winning both games; two games with Littlefield, winning

one and losing the other; two games with Dimmitt, winning both; two games with Farwell, both of which the local team won; two games with Hereford, losing one and winning one; one game with Lazbuddie, which they won, and one game with Springlake, which they lost.

Monday of this week the team was to play Lazbuddie again, and Friday evening they will tangle with Springlake.

Following is a list of the players: Betty Schenault, Goldie Roberts, Bernice Galloway, Ruby Faubus, Frances Blaine, Maxine Murrah, Alice Mae Burge, Ethel Benetis, Marie Allen, Myra Hogan, Argilee Millen, and Wilma Waddie.

Mrs. Griffiths Party Honoree

Mrs. Ray Griffiths was honored with a surprise birthday party Thursday morning, August 5, at the home of Mrs. R. D. Precure, by members of the Sunshine Class of the First Baptist Church.

Assisting in hospitalities were Mmes. M. F. Green, Joe Dameron, Ed Johnson, C. M. King, and R. D. Precure.

Invocation was offered by Mrs. A. C. Bray. "A Tribute To Teachers", was given by Mrs. Horace Blackburn, and Mrs. Bob Hart gave a reading, "The White Cliff".

Mrs. Griffiths was presented with a hand-tooled leather purse, with the initials H. F. G. engraved.

A short business session was conducted by Mrs. Joe Dameron, president of the class.

The serving table, covered with

a tan linen cloth, was centered with an arrangement of dainty open faced sandwiches in the shape of a flower. Tangerine mocha sherbet, served in tall tumblers of fruit juice was silhouetted by small multi colored umbrellas.

The cake was embossed with the class colors of purple and orange, and the teachers name.

Attending were Mmes. F. H. Davis, A. W. Crow, W. E. Young, Pat Bulloch, W. B. McAdams, Horace Blackburn, A. C. Bray, R. L. Jones, Lula Gorrell, Bob Hart and son, and the honoree and hostesses.

Mrs. Robinson, Mrs. Maltby To State HD Meet

Mrs. Sylvan Robinson and Mrs. G. T. Maltby, delegates from Bailey County to the State Demonstration Association meeting, left Tuesday morning for Dallas, where the meeting is being held, Wednesday, Thursday and Friday of this week at the Adolphus Hotel.

The two ladies went to Lubbock, where they caught a chartered bus to Dallas, along with about sixty other ladies from this district.

Mrs. Maltby says this year's meeting will be bigger and more interesting, as state officers are to be elected.

Philathea To Sponsor Family Night, August 18

Thursday evening, August 5, the Philathea Circle of the Methodist Church met at 8:00 o'clock in the home of Mrs. Jim Bickel.

The meeting was called to order by the president, Dorothy Weyer, and opening prayer was given by Helen Gardner.

After a short business session, the following program was given: "Jesus' Love For Rural Folks" by Charlene Bickel, and "The Study of Rural Life in Korea and Japan" by Dorothy Weyer.

Philathea Circle will sponsor a Family Night at the church on August 18.

The next meeting will be held at the home of Mrs. Eugene Black.

Delicious refreshments were enjoyed by the following mem-

bers: Guetruch Meyers, Doris Jones, Helen Gardner, Thresa Edwards, Fern Awtrey, Dorothy Weyer, Margaret Adams, and hostess Charlene Bickel.

TEL Met With Mrs. Joe Vaughn

Mrs. Joe Vaughn was hostess as members of the T. E. L. Class of the First Baptist Church met at her home, Tuesday, August 3, for a business and social.

Mrs. John Benson, 1st vice-president, opened the meeting. Mrs. Lois Shook, reading from the twenty-seventh chapter of Psalms, gave the devotional.

Mrs. John Benson, president, conducted the business meeting. A report of the group captains was given after which the group was dismissed with prayer by Mr. Bessie Harlan.

Enjoying delicious refreshments were Mmes. Lois Shook, Emele Snow, Beulah Motherall, Lovie Benson, Clara Bell Young, Grace Winn, Bessie Harlan, Bula Evans, Berdie Paul, Aliene Dyer, and the hostess.

GUESTS HERE
Mr. and Mrs. D. W. Winn had

as guests in their home the latter part of last week, her sister, Mrs. Olice Jones and son, Montie Joe and her daughter and son-in-law, of Rising Star. The group was on their way to the mountains for a vacation.

VISITED PARENTS

Mr. and Mrs. Dan Winn, Jr., and children of Slaton, visited here Sunday with his parents.

PONTIAC!

You'll have a Bigger Car!

Today's Pontiac is the biggest ever built. In fact, no car near its price provides you with the road-hugging comfort and stability of Pontiac's long wheelbase. And Pontiac's size is apparent, too, in its roomy Body by Fisher that lets you stretch out and relax amid every fine-car luxury, appointment and convenience.

You'll have Finer Performance!

Today's Pontiac is the most powerful ever built. Pontiac's big, husky engine puts you in command of more power than you're ever likely to need. You enjoy instant response in traffic, and as you cruise the open road your engine merely loafs along, saving money every mile and greatly prolonging engine life.

You'll have World-Famed Dependability!

Today's Pontiac is the most dependable ever built. Pontiac's record for long life is acknowledged everywhere. No car at any price will deliver more miles of carefree, economical service. This unsurpassed dependability means you can drive and maintain your Pontiac at amazingly low cost, mile after pleasant mile.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

You'll have the Greatest Beauty!

Today's Pontiac is the most beautiful ever, with its distinctive Silver Streak styling. And Pontiac's beauty is more than skin deep: inside you'll find luxurious appointments and fabrics usually reserved for much more costly cars.

You'll have America's Top Value!

Today's Pontiac is the greatest value ever built. With all its fine-car qualities, Pontiac is actually priced right next to the lowest—so low, in fact, that if you can afford any new car you can afford a Pontiac. Add to that the fact Pontiac has the highest resale value in its price class and you'll have an unmatched motor car buy. Come in soon.

Recipe of the Week

NUT SPONGE CAKE *

½ lb. shelled nuts (peanuts, walnuts, black walnuts, Brazil nuts, almonds, hazelnuts or pecans).

6 tablespoons all-purpose flour.

1 teaspoon cream of tartar.

10 eggs.

¼ cup sugar.

1 teaspoon vanilla extract.

Preheat oven at 375 degrees F. Line bottom of a 10-inch tube pan with waxed paper. Grease the paper. Grind the nuts in a food grinder, using medium blade. Sift flour and cream of tartar together and mix with the ground nuts. Separate eggs. Beat the yolks, add the sugar gradually. This requires about 15 minutes with electric mixer. Add vanilla flavoring. The yolk mixture should be light in color, thick and very smooth. Beat egg whites until they hold a precise peak. Sprinkle flour-nut mixture over beaten egg yolks pile beaten egg whites over this and gently mix or fold all ingredients together, but only enough to disperse all patches of egg white. Pour batter into pan, leveling the top with a rubber spatula. Bake 50 minutes in 375 degree F. oven or until cake tester comes out dry when tested in center of cake. Invert cake on wire rack, cool about 1 to 2 hours.

MOTION PICTURES ARE YOUR BEST AND CHEAPEST ENTERTAINMENT

EXPECT THE IMPOSSIBLE!

Cinerama Is Not For Towns Of The Size of Muleshoe In Near Future

Most of the ads placed by the Melba theatre, Dallas, for "This Is Cinerama", carry this line: The only theatre in the Southwest that will or can show Cinerama.

There are a number of reasons for this statement. The enormous cost of producing Cinerama attractions and the different technical problems involved in their production make it improbable that more than one will be produced annually. This means that a Cinerama theatre will normally have only one change of program per year.

To convert a standard motion picture theatre for Cinerama presentation requires an average outlay of 250 thousand dollars, and once converted the theatre can not present regular motion pictures, which would be completely distorted on the great, curved Cinerama screen. In addition, the projectors required for Cinerama are so unlike those used for standard motion pictures that no interchange would be possible even were the differences in screen dimensions not a barrier.

A third factor is the high cost of operating a Cinerama theatre. The average movie house has two projectionists on its payroll; a Cinerama requires eleven, each of superior competence. The Melba, in Dallas, requires an operator and executive staff of 42, not counting its crew of janitors and cleaners.

These three factors, only one Cinerama production per year, playing in a theatre expensively re-constructed to play Cinerama attractions exclusively, and faced

with a weekly overhead expense far greater than most theatres can possibly gross, explain why there will never be more than a few Cinerama theatres in the entire country.

The Melba, Dallas, is intended to serve the entire Southwest, not just Dallas or Texas alone. Only by being in the very heart of the Southwest's heaviest population concentration can its costly type of operation be justified.

There are thirteen Cinerama installations in the United States and no more are under way at the present time. Foreign installations are to be made in London, Rome, Tokyo and Western Germany before the end of the year.

Texas 4-H Junior Leadership Training Lab Set August 23

COLLEGE STATION, August 10 — Texas will roundup over 100 of its top 4-H Club members when the Texas 4-H Junior Leadership Training Lab is held August 23-28 at the Bastrop State Park. Attending will be 115 4-H Club members and 50 adults.

Floyd Lynch, State 4-H Club leader, says the purpose of the week's activities is to develop leadership qualities in 4-H Club members through actual participation of meeting together, playing together, cooperating and achieving through organization and group action. It is an experience of young people and adults working together.

Dr. Glenn C. Dildine will present the major topic of study, "The Role of the Junior Leader". Dr. Dildine is Coordinator, Research Project on Developmental Needs, National 4-H Club Foundation, Silver Springs, Maryland.

Guiding the group in creative arts of many kinds will be Dr. Kenneth Ailsman, Education Department, Ohio State University, Columbus, Ohio. Nature study will be taught by John Twining, University of Texas, Bureau of Economic Geology, Austin, Texas. Also working with this group will be C. W. Simmons, Farm Forester, Texas Agricultural Extension Service.

Three boys and three girls from each of the 12 Extension districts in Texas are eligible to attend. In addition, 4-H Club members from two counties with winning records from previous lab attendance will be in Bastrop.

Sponsoring the leadership lab is the United Gas Company and the Texas Agricultural Extension Service.

RETURNED HOME

Shirley Jordan, of Sacramento, Calif., who has been here visiting her grandparents and her brother and other relatives and friends, returned home Thursday of last week.

VISITED HERE

Mr. and Mrs. James Culp, of Littlefield, were visiting in Muleshoe earlier this week.

The grilled chicken shown here in the company of a hot macaroni casserole, a big green salad and cold beer is one of the barbecue specialties featured in a new recipe booklet.

Whether your setting is an elaborate fireplace, a home-made pit or a charcoal-burning cart on wheels, you'll find the folder, "Favorite Recipes for Backyard Barbecues", a most helpful guide.

The booklet is free upon request and features an outstanding collection of recipes designed especially for cooking outdoors over coals. There are 10 recipes in all—enough to see you through a whole season of praise-winning barbecues for family and friends.

Included among the recipes are sandwich suggestions for

light weekend suppers and late-evening snacks. Then, there are specialty dishes such as shish kebab and barbecued ribs—the kind which are perfect for parties.

In addition to the recipes, the folder tells how to prepare a dramatic appetizer bowl of assorted crisp relishes on crushed ice, and gives other tips on how to serve outdoors.

For a copy of the booklet containing all this information, send your name and address to Hospitality Service, Room 1031, 420 Lexington Avenue, New York 17, New York.

CHRISTIAN SCIENCE

That true happiness is to be found through understanding the spiritual laws which govern the universe including man will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Soul".

The spiritual nature of happiness is set forth in the following passage which will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (60:29-2):

"Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul. Higher enjoyments alone can satisfy the cravings of immortal man. We cannot circumscribe happiness within the limit of personal sense."

The prophet Isaiah's promise of peace and joy to those who spiritually understand God will be included in the readings from the Bible (Isaiah 55:12: "For ye shall go out with joy and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands.")

TEXAS Comes FIRST

WITH ALLAN SHIVERS
AND
ALLAN SHIVERS

Is FIRST With Texans BECAUSE . . .

PUBLIC SCHOOLS: As a State Senator, Lieutenant Governor and Governor, Allan Shivers has supported, sponsored or signed every major piece of legislation during the past 20 years. The Texas public school system today is more outstanding than ever before. He believes Texas must continue to meet the growing needs of our schools.

WATER CONSERVATION: Allan Shivers is a strong, outspoken advocate of water and soil conservation. He has a far-sighted program in this important area and the proven leadership to carry it through. "Soil and water conservation constitute our Number One domestic problem", he said recently.

ROADS: Allan Shivers was one of the original sponsors of the farm-to-market road system in Texas. During his administration, more miles of farm-to-market roads and state highways have been built than in any other comparable period. He believes highway construction and maintenance should keep pace with a growing Texas.

OLD AGE ASSISTANCE: Allan Shivers as a State Senator, wrote the first Texas Old Age Assistance Law. Two years ago, he promised the old people of Texas he would seek a constitutional amendment to increase old age pensions. That amendment will be voted on by the people next November. Allan Shivers carries out his promises.

TIDELANDS: Allan Shivers courageously battled for years to return to Texas school children the tidelands, rightfully owned by Texas but unjustly seized by the federal government. He helped achieve a conclusive victory, and since then, the tidelands already have added \$32 million to the state's Permanent School Fund.

LOCAL GOVERNMENT: Allan Shivers believes government should be kept as close to home as possible. He is firmly convinced that the Supreme Court should give local school boards maximum latitude in handling the many difficult, varied problems that, in future years, will grow out of the segregation decision.

ECONOMY: Despite the vast improvements which have been made, Texas still ranks among the lowest in the nation in per capita state taxes. Unlike most states, Texas operates on a cash basis without either a sales tax or state income tax. Allan Shivers is opposed to both.

THE FULL PROGRAM: Allan Shivers already has been recognized as one of Texas' great governors, and as one of the best in the nation. He wants to complete the dynamic, positive program for Texas started with his leadership. Upon the solid foundation already built, and with his demonstrated ability to get the job done, the people of Texas can enjoy state government at its best during the next two years.

What Kind of Neighbor are YOU?

Unable to dig up real dirt, the desperate Shiverscrats attack Ralph Yarborough by slanderous innuendo. We quote a few of their snide remarks: Quote: "In the primary Shivers carried the box where Mr. and Mrs. Yarborough live 3 to 1", and quote: "No body knows a man like his neighbors."

If you are the kind of a neighbor who judges a man's worth only by his material wealth — **you won't vote for YARBOROUGH.**

If you despise a man because he works with his hands — **you won't vote for YARBOROUGH.**

If you approve of worthless or crooked insurance companies that fleece investors out of their savings — **you won't vote for YARBOROUGH.**

If you are the kind of a neighbor who thinks it's smart for a High Government Official to accept a GIFT of several hundred thousand dollars, **you won't vote for Ralph YARBOROUGH.**

BUT...

If you want Texas Government to get back into the hands of all Texas people — **Vote for Ralph YARBOROUGH**

If you believe that capital labor, doctors, bankers, teachers, clerks, mechanics and small business men are all equally important to the welfare of our great state — **Vote for Ralph YARBOROUGH**

If you believe in fairness to all groups, with no favors to just one — **Vote for Ralph YARBOROUGH**

If you admire to see the son of a poor farmer, one of eleven children, fight and labor with his bare hands for an education; and in the tradition of Abraham Lincoln — rise to a high and honored position in the land — **Vote for Ralph YARBOROUGH**

If you are a good Republican, who believes in Two terms — not a life time in public office — **Vote for Ralph YARBOROUGH**

THIS above all — IF you are a DEMOCRAT — You will vote for RALPH YARBOROUGH.

FRIENDS — It lies in your own hands — vote the kind of neighbor you are.

BABSON DISCUSSES— New Tax Laws

By ROY DYER
One of the startling stories of the past video year is the decline of Arthur Godfrey from his rating eminence. The June Nielsen rating charts have CBS-TV network officials more disturbed than ever. They show the Redhead's "Talent Scouts" program in 18th place, where a year ago it was fighting with "I Love Lucy" for top position. The Wednesday night "Godfrey and Friends" show was down in 32nd position. It used to be a regular among the top ten.

Adverse publicity from the LaRosa incident, the revoking of Godfrey's flying license and other lesser troubles, are blamed for the slip in popularity. And now Arthur appears to be having more troubles with his "Friends" cast. This is especially alarming to CBS because of the upcoming Wednesday night "Disneyland" series, which threatens to take away even more of Godfrey's audience. This new competition will be the real test of Godfrey's hold on his audience.

Another Redhead who has had his ups and downs during the past year, Red Skelton, seems to be on his way up again. He's being showcased during the summer in a new format adding singing and dancing to his comic gift. Ve showmen believe all Red needs is the right material. But then, who doesn't?

You might say all you need for good TV reception is the right materials, tied, bolted and wired together. But there is a difference in set manufacture. See the difference in PHILCO viewing in our showroom. DYER HARDWARE & FURNITURE, Phone 2590, Muleshoe.

Babson Park, Mass., Aug 12—The new tax law will help everybody. It is the first complete revision of all the Federal tax laws which has taken place for many years.

HARD LUCK AND BABY SITTING FAVORED
One of the first things recognized is that we all should get easier tax treatment for misfortune. This includes everything from sickness and accident to business losses, not only are allowances made for this year's hard luck, but we are also allowed to charge these losses against a greater number of previous year's gains. Limited child-care expenses for low-income parents are exempted.

You may deduct medical expenses above 3 per cent of income, instead of 5 per cent as at present. But, you must remember that from now on you may only deduct sums spent for drugs and medicine above 1 per cent of your income. Mothers, or widowers, who must work to support children under 12 or other dependents and any woman whose husband is incapacitated, or working couples with combined family income of less than \$4,500 may deduct up to \$600 spent for child care. If you miss work because of an illness or an injury you are entitled to tax exemption on payments made to you by your employer up to \$100 a week. The exemption does not apply in the first seven days of an illness, unless you are hospitalized.

RELIEF FOR DIVIDEND AND RETIREMENT MONEY

If you are a stockholder, you won't have to pay any tax at all on the first \$50 of income in dividends. Furthermore, you can take 4 per cent of any dividend income above \$50 and deduct that from your tax payment. Although the double taxation of dividends is wrong and dishonest, I do not feel so badly that the President's request was not fully granted, especially in the case of young people. Older people who cannot work and are wholly dependent upon dividends should have total relief, but not everyone. In fact, the discrimination should perhaps be by ages rather than by the total dividends received, except when they are reinvested in the stock of the same com-

pany. You won't have the basic 20 per cent tax rate on the first \$1,200 of retirement income received after you pass 65. If you are a retired Government employee such as a teacher, fireman or policeman, you can get the benefit even though you're under 65. If you have a child who is under 19 or is in college and who has a job which pays him more than \$600 a year, you can continue to list him as a dependent with a \$600 exemption on your return if you pay half of his support. If your husband or wife dies, you may continue for two years to get the full benefit of income splitting by a joint return.

HELP FOR BUSINESSMEN
If you are a businessman or farmer, you may use the new double declining-balance method of quick depreciation on a plant or piece of equipment. This means that in the first years of life, you can write off twice the amount for depreciation now allowed; thus you can concentrate most of the write-off in the early years of use of the item. A corporation may get other relief, including: More liberal treatment for research expenditures; greater freedom to set aside surpluses; the right to offset a loss against profits of two prior years instead of one as now; greatly expanded depletion allowances for mining companies; a cutoff date of April 1, 1955, for the 52 per cent corporation tax rate, when it automatically drops to 47 per cent. If you are a farmer putting a lot of money into soil rebuilding, you may deduct these outlays up to 25 per cent of your gross business income.

INSTALLMENT BUYING
To help business, installment buying is being encouraged by allowing you to deduct the carrying charges on all such purchases. To help churches, hospitals, and colleges, we can deduct, as tax-exempt income, 30% of our contributions to such, instead of the former 20%. The main purpose of these new tax laws is to help struggling parents and struggling businessmen. Big business and the rich are benefited very little.

The date when we must file our returns is extended from March 15 to April 15. Furthermore, married couples filing joint returns and who have a family income of less than \$10,000 (most of it subject to withholding) no longer need to file an advance estimate of their tax. This simplifies filing for millions of people. For these changes we can thank both the Republicans and Democrats.

SAND HILLS PHILOSOPHER— Looks Over Survival Kit Scientists Are Working On In Case of War

Editor's note: The Sand Hills Philosopher on his Johnson grass farm takes a dim view of some atomic scientists plans, his letter this week reveals. He's probably an authority on surviving with the least amount of effort or equipment. Dear editor:
I read the other day in a news-

paper I picked up on the highway after it fell out of a car which sideswiped another on the way to a traffic safety meeting where a bunch of atomic scientists in New Mexico, out where they make the bombs, have been working, sort of as a pasttime I guess to get their minds off their heavier work, on survival kits. Since they know more about the effects of an atom bomb than the rest of us, naturally their minds have been turning to thoughts of how they're gonna survive after a few of the things have been dropped, in case they are, and I suppose they will be, as up to now I have never seen a dictator with a new weapon who sooner or later didn't get around to tryin it out.

But aside from all that, I was more interested in what these scientists thought a survival kit ought to contain, to enable them to live off the land in case civilization went up in smoke. The main items on their list were a rifle and ammunition, matches, flashlight, candles, knife, axe, needle, and thread, fish hooks and lines, soap, salt, blankets and canned food.

I have read this list over carefully and I do not believe it will do the job. For example, I believe man has now reached the point where it would be impossible for him to survive without a law-

mower. Also, nowhere on the list do I find an electric refrigerator, or a can opener, or any directions for repairin a faulty parking meter. Some races on earth might survive without these necessities, but I don't believe we could swing it in this country. Also, I notice them scientists have included a rifle and I suppose they figure on living off game, but most of the game in this country is now confined to zoos and most zoos are in cities, which are generally considered the places where the bombs would fall. Seems to me they'd better leave room in the trunks of their cars, where they're storing their kits for a walkin plow and a grubbin hoe, although the more I think about it, the less reason I can find for even countin on keeping their cars, unless they can refine gasoline in a tin can over a camp fire.

In fact the more you think about this, the more items you pile up and before long you find it'd take a six-wheel trailer-truck to haul the average family's survival kit, and it seems to me it would be a little smarter and a lot easier not to have an atomic

From where I sit ... by Joe Marsh

"Nothing to Sneeze At"

This year our town decided to do something about its hay-fever sufferers. Hap Thomas is our health officer, so he was made ragweed "inspector."

"Can't see why anybody should be bothered by a few weeds," he snorted. "I say it's all in their minds." But Hap went on out to do his job.

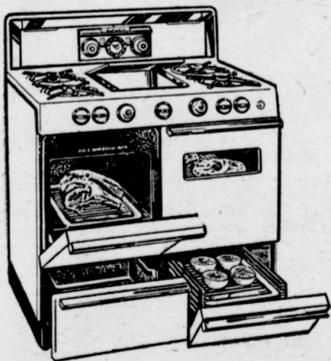

Then, yesterday, I met Hap—looking kind of sheepish. His eyes were red and as he took out a big handkerchief, he sneezed. "Know somebody who isn't allergic, who'd like a job?" asks Hap.

From where I sit, I can sympathize with Hap. It's no joke. But as Hap admitted later, he was dead wrong in scoffing at the idea of hay fever. Making light of other people's ideas and opinions is a familiar trouble with a lot of folks. Whether it's hay fever, football or a choice of, say, buttermilk or beer as a thirst-quencher, I'm just naturally "allergic" to anybody who "knows-it-all!"

50% better mileage-

NOT 5¢ FOR REPAIRS IN 34,400 MILES!"

Here's the typical performance record of GMC Hydra-Matic* trucks as being reported from all parts of the country

A WHOLESALE BAKER, supplying his entire state, put Hydra-Matic GMC's on his longest routes. In racking stop-and-go-work, they're averaging 58 delivery stops per day, 28,000 miles per year.

Here's what their carefully kept records show:

The Hydra-Matic GMC's are getting 12.2 miles to the gallon—50% more than their standard trucks.

In use now up to 34,400 miles, not a nickel has been spent on repairs for any one of them.

Brake linings, usually replaced at 25 or 30 thousand miles, are still in good shape.

Clutch replacement, usually necessary at about 16,000 miles, is completely eliminated.

And the drivers of these Hydra-Matic GMC's are the happiest, most job-contented men you'd want to employ!

Now, how about you? From Pickup to heavy-duty hauler, there's a Hydra-Matic GMC to better any trucking operation. Come in and let's see about yours.

*Standard on many models, optional at extra cost on some others

Character in Ceramic

Definitely new and practical is a touch of ceramic with furniture. Here small inlaid ceramic tile squares add interesting informality and versatile durability to the top of this double dresser. It is part of a new 13 piece oak grouping, finished in rose beige with non-glazed tiles in a selection of several colors. Note, too, the tapered brass legs.

SUNDRESS FOR STAR

Wesleyan Guild Opens Meeting With A Song

The Wesleyan Service Guild met Monday evening, August 9, at 8 p. m. in the home of Mrs. Jim Cox. Meeting was opened by singing "Take My Life and Let It Be," followed with prayer by the president, Mrs. Fred Johnson.

The president presided over the meeting, and reported on the weekend at Ceta Canyon July 24-25 which was attended by Mmes. Clarence Sephens and A.

S. Stovall. Both ladies made reports on their trip.

Miss Darla Myer, who attended the School of Missions held in Lubbock July 26-30 as a representative from the Youth group of the Muleshoe Methodist Church and who was sponsored by the Wesleyan Service Guild, made a very interesting report of the school.

Mmes. Buford Butts and Mable Dowell brought a very impressive lesson on the Emblems of the Wesleyan Service Guild, bringing out the true meaning, showing each member the many things they can do.

Visitors present were Misses Mable Dowell, Darla Myers, Patricia Butts, Mrs. Ed Myers, Edwin Cox, members attending were Elizabeth Harden, Mmes.

Buford Butts, Fred Johnson, A. S. Stovall, Clarence Sephens, Lois Schoenberger, Homer Warner, and Jim Burkhead, Dee Warner, and the hostess. Refreshments of frosted Cokes were served.

Next meeting will be August 23 in the home of Mrs. Mable Dowell.

The meeting was dismissed by singing "Blest Be The Tie".
