## Kay Lenderson Wins Spelling Bee

BEFORE THE BATTLE — School champions line up for the annual county Spelling Bee, held in Muleshoe Friday afternoon. Left to right Jerry Roddam, Kay Lenderson, and Sandra Cooper, Muleshoe; Rachel Motes, Kathy Archer, and Stanley Snitker, Bula.

## Here At Home

By J. M. Forbes

The Hereford Brand prints pictures of the city's dumpground to prove its assertion, "the No. 1 eyesore between Amarillo and California on U. S. Highway 60". The paper says the city dads have adopted a long range program to eliminate same.

Here in Muleshoe our city fathers cleaned up the dumpground, then dug a huge pit in which you better put your junk. When that's full, they'll cover it up, dig another pit on the property. All is over the sand hill ridge from the highway and the whole arrangement is to be about the best.

However, our city dads are faced with a problem that will require some thinking about. Never was a city needed a sewage disposal system any worse. About sundown every evening especially if the wind is right, one can . . . but why go into it. We happen to know the mayor and perhaps the councilmen consider this Problem No. 1, and we agree.

Other sanitary measures might be considered for some of our downtown and residential section alleys are pretty dirty and pretty unkempt. One time Bloddy Ray got all his neighbors together and they cleaned up their alley to such an extent that they invited inspection. We might make Sgt. Ray alley cleanup expediter. The Chamber is still considering a general cleanup and they're the folks to push a campaign of that kind. Hope they wait a while until I can get the alley back of The Journal in shape.

Mr. A. B. Brown, of Lubbock, telephones to inquire where he can find the man who "witches" for water, supposed to live hereabouts. I have made inquiry but failed to locate the water witch, who Mr. Brown says is considered real good at this art, thought by some to be obsolete. As badly as we need water, a man who can find it in any way is welcome and has his work cut out for him; so if you know who does this sort of thing, please let this column know. Mr. Brown has two places he wants "witched out".

## TWO TEACHERS HELD VERY UNUSUAL RECORD

One would think from reading The Journal that two school teachers, Miss Grace Chapin of Wichita Falls and Miss Edna Mae Mongel, of Clarendon, just about had the longevity record for teaching. The Journal other day said they taught here in 1827 and 1928.

Now comes one H. E. Musson, of Oklahoma, inquiring where they taught during the 101 years between dates, or were they resting. Shucks, Mr. Musson, we can and do make worse errors than that. Sometimes we purposely make errors to test our readers. Mr. Musson writes:

Dear Ed: Ain't these teachers getting a little ancient to still be taking a part in the business world and can they still get around under their own power; and 1827 is a little early for the Muleshoe schools don't you think? Do you really need a proof reader?

Kay Lenderson, 14 year old 8th grader in Muleshoe schools, realized an ambition she has held for several years Friday when she became the Bailey County champion in the annual Spelling Bee. Kay spelled down five other grade school youngsters to win the right to represent the county at the district Bee in Lubbock March 4.

Only Bula and Muleshoe schools were represented. Bula's team was composed of Rachel Motes, daughter of Mr. and Mrs. A. M. Motes; Kathy Archer, daughter of Mr. and Mrs. F. L. Archer; and Stanley Snitker. Kathy was second high and Stanley third high, so the Bula team gave a fine account of itself. Stanley's parents are Mr. and Mrs. C. C. Snitker.

Besides Kay, members of the Muleshoe school team were Jerry Roddam, Mr. and Mrs. L. C. Roddam; and Sandra Cooper, daughter of Mr. and Mrs. A. L. Cooper. Kay's parents are Mr. and Mrs. Jack Lenderson.

Winner of the district Bee will have as a grand prize an expense free trip to Washington, D. C., for the National Spelling Bee. Many other valuable prizes are offered in the Lubbock Bee and in the National at Washington.

Fred Johnson, local implement dealer, was on hand to pronounce the words. Judges were Mrs. Julian Lenay, Mrs. Vance Wagon, and Lloyd Alsop, all of Muleshoe. The county Bee is sponsored by The Journal, and J. M. Forbes acts as director. The Journal gives prizes of \$15 for first place speller, \$7.50 for second place, and \$2.50 for third place.

Kay's last opponent standing was Kathy Archer, of Bula, who got her tongue tied up and spelled "brief" brief. Kay correctly spelled brief and the next word given to her.

Kathy was in second place and in third place was Stanley Snitker, who finally went down by putting only 1 "t" in attain. He was the first boy in the history of the county Bee to land in the top three. Stanley is a 7th grader and should give some even tougher competition next year.

Jerry Roddam went down by stumbling over "anniversary". Sandra Cooper went down on "appearance". Rachel Motes missed "administration", just got it tangled up.

## Red Cross Drive Starts Monday

The annual Red Cross Fund Drive starts Monday, March 7, with a Kick-off Breakfast at Gerald's Cafe at 7:30 a.m. All workers are invited to attend the breakfast.

Rev. Clarence Stephens is Fund Chairman for the County and Bob Gregory is co-chairman. Eddie Lane will head the drive for the Business District and Bob Harvey is Community chairman. Epsilon Sigma Alpha Sorority, Epsilon Chi Chapter with Mrs. Joy Finley as president will conduct the residential drive. Jerry Kirk is chairman for the schools.

Names of community chairmen are not available at this time, but will be published later. Total goal for the County is \$2,050.00, some less than it was last year.

Anyone who has not been contacted and would like to help with the drive is invited to attend the breakfast.

## 80 Attended Farm Bureau Supper

Eighty persons attended the kick-off supper held Monday night by the Bailey County Farm Bureau to launch their annual membership drive. The event was held in the Legion Home, and the meal was served by the Diner Bell.

Odell Frazier, Canyon, field man for the Bureau made a short talk. A group of ladies was named to direct social activities for the county Bureau.

## "Harlem Hits of '55", JayCee Annual Minstrel, First Performance Tonight

Opening tonight for a two performance run, "Harlem Hits of '55" promises more entertainment than the JayCees have ever squeezed into their annual show. Curtain is at 8 o'clock in the high school auditorium.

The JayCees have gone all out to produce a minstrel that will more than please. They have a very large group of local players

and singers, dancers, and specialty performers.

Gil Lamb is the interlocutor and end men are Tootie Middlebrook, Jackie Henderson, John Smith, Gerald Priboth, Bill Wilson, J. B. "Sugar" Glaze, Jim Hall and James Crow.

A specially organized orchestra is composed of Ray Franz, Pinky Barbour, Norvil Howell, Buddy Blackman, Jim Wilkerson,

Harold Combs, Morgan Locker, and Lloyd Alsop. Nuf said.

Specialties will be offered by Don Lewis, Irvin St. Clair, Warren Ragsdale, Billie Joan Smith, Anita Schmitz, Marlene St. Clair, Doris Fields, Elizabeth Moraw, the JayCees and JayCees. The chorus line includes Jo Ellen King, Nan Allison, Quinell Elliott, Barbara Evans, Sandra Briscoe, and Janelle Sedgwick. Another specialty number will be given by the Can-Can girls.

"Harlem Hits of '55", will be given again Friday night at 8 o'clock so that those who can't go tonight will have another opportunity to see it.

## Over 1000 Acres Are In Prospect

Potato planting in the versatile Muleshoe area is scheduled to get underway next week, and according to officials of Fred S. Barrett Produce Co., there will be some 900 acres for processing through their local plant. That would be the largest acreage to potatoes than has ever been planted here.

Eddie Lane, local manager for the company, said the acreage signed up is located in Bailey, Parmer, and Lamb Counties.

"We are planning on a large tonnage per acre this year and are working to that end", Mr. Lane said.

Money paid out for labor will mean a great deal to the economy of this trade area, more this year than ever. Mr. Lane said a large number of laborers will be used in the potato deal, planting, cultivating, and harvesting.

To meet the need for housing, the Barretts are bringing in two buildings, each 20 feet by 100 feet and these will be moved in next week and will soon be available for use of the laborers.

Mr. Lane pointed out that in the short time it takes to harvest potatoes and lettuce last year, the company paid out some \$200,000 for labor, and he said most of this money is spent in Muleshoe.

## Millen To Plant 100 Acres

Bill Millen, veteran potato grower here, said he will have 100 acres of Irish potatoes this year, planting to begin next week. Millen operates his own processing shed here in Muleshoe.

## Gregory Builds Sheds

The Journal learns that Buck Gregory, residing northwest of Muleshoe will have his own processing shed this year. It will be at Lariat, a rail station near his farm. Gregory also has grown potatoes for some years.

## Farm Bureau Directors Meet

Farm Bureau directors are to hold their regular meeting the coming Monday night in the Bailey County Electric Cooperative Association building and will meet jointly with a committee of ladies who have been named to conduct the social side of the organization for the coming year. Named from the various communities are the following:

Three Way: Mrs. Cass Stegall, Mrs. Jack Lowe.

Circleback: Mrs. A. W. Gore. Needmore: Mrs. Janie Moraw, Mrs. Buck Ragsdale.

Y. L.: Mrs. Robert Blackwood, Mrs. George Mitchell, Mrs. Bill Millen.

Muleshoe and Progress: Mrs. O. M. Self, Mrs. Clyde Henry and Mrs. Pest Black.

West Camp: Mrs. E. A. Bass, Mrs. Betty Burelsmith, Mrs. Lewis Scoggins.

Bill Millen, Bureau president, is urging all directors and the above named ladies to be at the Monday night meeting.

## Conducted Band Clinic Here

C. M. STOOKEY

Directing a band clinic in Muleshoe Monday evening was C. M. Stookey, chairman of the Eastern New Mexico University School of Music. Mr. Stookey worked with the Muleshoe high school band at the invitation of its director, Norvil Howell, an ENMU graduate.

## Harris New Owner Of Western Auto

Sale of the Western Auto Associate Store in Muleshoe was announced this week by B. A. Dalton, who has owned and operated the store since its establishment July 9, 1949. Earl Harris, who comes here from Lubbock, is the new owner. The store occupies the Tye Young building on Main Street.

Mr. and Mrs. Dalton do not expect to move away from Muleshoe. They wanted to get out of operation of the business because she has been in poor health for some months.

Mr. Harris has been one of the owners of Harpole-Harris Lumber Co., in Lubbock.

The Harris family will move to Muleshoe the latter part of the week. They have three children: Sandra, 10, in the fifth grade; Wanda, 7, in the second grade, and Royce, age 3.

## Irrigation Day Drew Good Crowd

Bailey County Electric Cooperative Association's Irrigation Day program opened at 10 a. m. Wednesday with a crowd that filled the district court room.

Joe Sooter, president of the association, led off with an explanation of the need for a sound maintenance and service program for irrigation pumping equipment.

"Maintenance of Pump Motors, New Equipment, etc.", was the subject for a talk by J. H. Venderick, of General Electric. A question and answer period consumed the remainder of the morning period.

In the afternoon session, "Facts and Fancies of Bailey County Agriculture" was the subject for J. K. Adams, county agent.

R. L. Dickens, of Westinghouse Electric, had for the subject of his talk, "Maintenance of Switching Equipment". Pump Maintenance, Efficiency, etc., was discussed by Bob Thurmond, Extension Service engineer. John Shanklin, REA agricultural engineer, conducted a question and answer period. The school wound up at 4:30 p. m.

## Senior Play Cast Announced Here

Muleshoe High school's senior class of 1954-55 met Monday night and picked the cast for the class production this year, "We Shook The Family Tree".

Wanda Cherry was awarded the leading role of Hildegarde, a high school girl who is tired of being a wall flower. The supporting cast is as follows: Mr. Dolson, her father, Wayne Bristow; Mrs. Dolson, her mother, Mona Mitchell; Sally, her younger sister, Bettie Collins; Bob, the older brother, Keith Burman; Jimmy, the younger brother, Jimmy Wilkerson; Paige, who likes to play postman, Sue Achinson; Ellie May, Bob's sweetheart, La Von Bessie; Jill, her friend, Barbara Douglass; Freddie Sherman, who wears knickers, Billy Ellis; Mr. Sherman, her father, Clinton Dillard; Mrs. Sherman, his mother, Wanda Joyce Clements.

Charles Clair, director of speech at MHS, announces that April 1, 1955, will be production date for this year's play.

## School Week Visitation Schedule

Muleshoe schools are making preparations to welcome patrons and friends who will visit them during Public School Week, March 7 through 12.

Days and hours when these visits will be most convenient have been listed by school authorities, as follows:

First Grade: Monday, March 7, 10:30.  
Second Grade: Tuesday, March 8, 9:30.  
Third Grade: Wednesday, March 9, 10:30.  
Fourth Grade: Tuesday, March 8, 3:15 to 3:45.  
Fifth Grade: Tuesday, March 8, 2:00.

Junior High Visitation throughout the week: Assembly program, Tuesday, March 8, 10:00.

High School Visitation throughout the week; Southern School Assembly program Tuesday, March 8, 2:45.

Culminating visitation week, there will be a program at the high school auditorium at 8 p. m., Thursday, March 10. The theme will be "Once Upon A Time". Bill Parker is program chairman.

## Wrestling Fans To See Championship Tag Team Match Here Saturday Night

Professional wrestling, as endorsed by the National Wrestling Association and supervised by "legitimate" representatives of NWA, comes to Muleshoe Junior High School gymnasium Saturday night, March 5, under auspices of the Muleshoe Lions Club.

A tag team championship match is scheduled for the main event when Southwest States Enterprises, presided over by Dory Detton of Amarillo, presents a three-contest card.

Tough Bob Geigel of Des Moines, Iowa, and his capable partner, Boris Kameroff of New Haven, Conn., defend their Southwest States tag title against a popular brother team from Canada, the famous Parks boys—Herb and Bill. Actually, there is a lot of Irish in the Canadian duo. Bill, the younger, is a tall black-haired, strong man who is better known as "Dinty" in other parts of the world. Brother Herb also smacks of Ireland, although his beautiful wife, Ada, is definitely French-Canadian.

The Parks brothers operate separate resorts for summer-time visitors to Canada near North Bay. Dinty's place is on Lake Nipissing, Herb's at North Bay. They're in business competition except when they tour the United States during the winter months. Then they team up like "brothers", and really give good accounts of themselves.

Geigel and Kameroff—the latter is of Russian descent but a naturalized citizen of the U. S.—go in for the rough stuff, and there is no way of telling what they'll do next. The Parks brothers prefer to wrestle "like gentlemen", but each is capable of getting rough when the opposition warrants tough and rough wrestling. It will not take them long, nor the fans, to discover

## Piggly Wiggly Store Remodels Shelving

Piggly-Wiggly store in Muleshoe, Red Simmons, manager, has just completed remodeling and modernizing their display shelves. They are two tiers higher and also narrower than previously, thus giving more aisle space for customers and it also makes the merchandise more accessible to shoppers.

Departments are also numbered, so as to be easily seen throughout the store. Mr. Simmons stated that they endeavor at all times to make shopping in their store as pleasant and convenient as possible.

BILL PARKS

that Geigel and Kameroff prefer the rough business. Herb Parks has been recognized internationally as one of the most durable and obinate wrestlers. It takes a lot to get him down.

To warm up for the main event, Bob Geigel, the individual junior heavyweight champion of the Southwest States as well as co-holder with Kameroff of the tag team championship, meets Bill Parks.

That's the second event on the card, scheduled for one fall or 15 minutes.

To arouse interest from the start, and give each guy a chance to get back at the other, Herb Parks takes on Boris Kameroff, one fall or 15 minutes time limit.

Professional wrestling is sponsored in Muleshoe by the Lions Club with profits going to Lions Clubs charities and benefits.

Saturday night's program starts at 8:15 at the Junior High gym. Admission prices are one dollar, general admission; \$1.50 for ringside seats, and 50 cents for children.

## DON COPLEY PRESENTED PIANO SOLO IN AMARILLO

Mrs. A. W. Copley and Don were visitors in Amarillo last weekend. They were guests of Mrs. Copley's aunt, Mrs. C. C. Blackwell.

Saturday morning Don was one of twenty-four piano solo contestants at the Amarillo College. The contest was sponsored by the Amarillo Symphony Orchestra.

Don played Mendelssohn's Concerto in G Minor. He is a student in piano and organ of The Cecil Bolton Studio of Music in Lubbock.

Saturday afternoon, Mrs. Copley and Don visited Mrs. H. M. Shofner who is in the Northwest Hospital in Amarillo.

## H. A. Douglass Funeral Rites Held Saturday

Funeral services were held Saturday at 2:00 p. m., in the First Methodist Church here for Harden Andrew Douglass, 69, who died in an Amarillo hospital Thursday afternoon at 3:00 o'clock. The Rev. Preston Florence of Seminole presided, assisted by the Rev. Clarence A. Stephens. Burial was in Muleshoe Cemetery, Singleton Funeral Home directing.

Harden Andrew Douglass was born August 20, 1885 at Iredell, and moved to this area March 4, 1902 where he engaged in early-day ranching. Mr. Douglass helped to organize Bailey County and was active in legislative measures for its organization when he went to Austin on that mission in 1918. Douglass was elected the first Sheriff and Tax Collector of Bailey County in 1919, having served in that capacity until 1932. He was also engaged in farming for a number of years. Mr. Douglass served with the Navy Department on San Clemente Island in the Pacific during World War II, and later served with that Department in California for several years before retiring.

Harden Andrew Douglass was united in marriage December 10, 1908 to Maudie Ellen Vaughn, and to this union were born seven children, six of whom survive:

Morris Douglass, H. A. Douglass, Jr., and Mrs. Glen Stevens, all of Muleshoe; Mrs. Millard Moore, Amarillo; Mrs. Alva Sparks, Lubbock; and Mrs. L. N. Childress, Dallas.

He is also survived by one sister, Mrs. Erna Miller, Waco, and two brothers, Paul Douglass, Kermit, and Cicero Douglass, Crosbyton, and ten grandchildren.

Active pallbearers were Vance Wagon, Sam Fox, Harold Weyer, James Crow, Ike Bayless, and Fred Clements. Honorary pallbearers were Pat Bobo, Clay Beavers, J. P. Kuykendall, of Lubbock, Ray Griffiths, Johnny McMurtry, Jack King, Bert Seales, and Ross Glaze.

## Good Listening Can Pay Dividends

"Listening" was the subject of a talk before the Rotary Club at its Tuesday noon meeting by Loyd O. Roberts, of Clovis, a former Muleshoe citizen.

The art of concentrated listening can be developed by anyone, he said, and it will pay dividends. He said it has been found by researchers that a business man spends three fourths of his time listening, on the telephone or otherwise.

But much of this time, since listening is much faster than speech, most people are thinking of something else while they are listening, either about some other matter of business or what they will say when the other person has finished talking. In this manner the mind wanders off, so little is gained.

The habit of concentrating on what is being said can be of big value to an individual, and by proper listening one can repeat later the most important things that were said. And, by close listening, a person can learn a lot by considering what was said and also what was not said.

# Lazbuddie News

On Tuesday night, February 22, the Junior Class of Lazbuddie High School, under the direction of Mr. Wilson Clemens, presented their class play, entitled, "Grandma's Best Years". It was a comedy in three acts. The cast of the play was as follows:

Mrs. Abbott, Carolyn Seales; Sadie, the maid, Shirley Carpenter; Joyce Abbott, Nealy Steinbock; Marion Abbott, Mina Jennings; Dottie Morgan, Sherry Steinbock; Willie Abbott, Jimmie Ray Oliver; Shorty, Clayton Ray Graef; Jim Meyerson, Leon Smith, Jr.; Gram, Mary Blackburn; Patch, Chunky Ivy; Mabel, Joy Smith; Bubbles, Theresa Jesko; Mrs. Carlson, Janice Lawhorn; Miss Quelch, Clo Ann White; Edwin Carlson, Leland Gustin, and Cousin Oscar, Glenn Watkins.

A bridal shower honoring Mrs. Frank Donald Spitzer, nee Miss June Smith, was given in the home of Mrs. Wesley Barnes on Thursday, February 24. The chosen colors of the honoree

were carried out in the decorations, which featured a miniature bride and groom. The honoree, the honoree's mother, and the groom's mother were presented with lovely carnation corsages.

Juanita Scott and Maryellen Thompson accompanied by Mrs. Bernice Webber, entertained with several musical selections.

Refreshments were served to the following guests: Mmes. Gene Smith, Frank Spitzer, O. D. Spitzer and girls, Douglas Frye, James Welch, C. C. Graef, Ira Wimberley, Roy White, Claude Heath, A. W. Black, Robert A. Dunn, and Walter Steinbock.

Misses Jo Smith, Charlene Graef, Maryellen Thompson, Juanita Scott, Wanda Hunt, Betty Floyd and Mary Blackburn.

The School board and Faculty of Lazbuddie Independent School District are announcing the Public School Week activities that are to be held in connection with the National Public

School Week during March 7-12.

We would like to especially invite every adult in the community whether a parent or not, to visit our classrooms and see the school system in action. Each teacher and pupil will be happy to have any visitor at any time, but want to urge everyone to make a special effort during the week of March 7-12 to visit a public school.

Wednesday the lunchroom will serve lunch to the parents. It has been suggested that the parents, rather than eat with the children, meet in the lunchroom at 12:15 and eat in a group.

In a game played on Friday night, February 25, the Lazbuddie girls won the District title over the Bovina girls by defeating them by a score of 45-38.

Clara Jean Jesko of Lazbuddie made the first points and Lazbuddie continued to keep this lead. The first quarter score was close with Lazbuddie ahead by a score of 11-9.

In the Bi-District play off on Monday night, February 28, Lazbuddie played Cotton Center on the neutral court of Sudan.

This was an exciting game from start to finish, with both teams playing remarkable ball. The quarter scores were 14-12 with Cotton Center in the lead. The second quarter both teams did well and that quarter score was 29-25 with Cotton Center still leading.

In the third quarter, Lazbuddie almost caught up with Cotton Center and the score at the end of that period of play was 40-39.

The final score was 51-53 after a very exciting fourth quarter. As this was the Bi-district play-off, Lazbuddie was eliminated from Regional play.

The high pointers for the Lazbuddie team during this game were Janice Oliver and Jean Gammon who both had 17.

High point for Cotton Center was Cannon with 28 and Clayton had 19.

Sam Isabelle and Sammy spent some time in the home of Mr. and Mrs. Buck Crim at Muleshoe recently.

Mr. and Mrs. Bert Gordon and Jim and Louise Ham went to Brownwood over the weekend. They spent some time looking

over the Howard-Payne campus and talking with some of the teachers of that institution.

The Junior High School girls and boys were entered in a Junior High school tournament in Muleshoe over the weekend and the girls came home with a Consolation title and trophy by defeating Farwell, Sudan and Amherst. They were defeated, however, by Kress which put them out of the running for first place but they went on to win consolation.

The Junior High school boys defeated Kress, but they were defeated in their second game which eliminated them from any chance for a trophy at all.

Lazbuddie is proud of their fine basketball teams, both High School and Grade School, and hope to have even better ones next year.

### Glenn, Whitener Vows Exchanged

Miss Eddie Raye Glenn became the bride of Glenn Edward Whitener in a quiet ceremony performed at 6:00 in the evening, Feb. 26, at the home of Rev. W. E. King, pastor of the Central Baptist Church in Clovis, N. M. Rev. King performed the ceremony.

She is the daughter of Mr. and Mrs. E. A. Glenn of Muleshoe, and his parents are Mr. and Mrs. L. L. Whitener of Texas City.

The bride is a graduate of Muleshoe High School and W. T. S. C., at Canyon. At present she is teaching the fifth grade in

Muleshoe, and will finish out the school term before moving to Canyon where the couple plans to make their home.

The bridegroom served three years in the U. S. Marine Corps, some of this time in Korea. He is now an Art student at West Texas State College.

### WSCS To Begin New Study At Next Meeting

Mrs. H. C. Holt led in a beautiful prayer to open the regular weekly meeting of the W. S. C. S. of the First Methodist Church, Monday afternoon of this week. The meeting was held in the sanctuary of the church.

Following the prayer the group sang, "Only Trust Him". The lesson was on "A Young Woman Moves To The City". Those taking part on the program were Mmes. Mervin Wilterding, R. O. Gregory, and O. S. Richards.

Mrs. Wyer, president, was in charge of the business session. Financial report was given by Mrs. Arnold Morris. She said \$235 had been paid on the special project and this will go into the fund for the new church. The WSCS is still taking orders for baked goods. Call Mrs. F. B. Pierson for anything you might need. All proceeds go into the building fund.

Monday, March 7 is the time set for the next meeting. A new study, "That They May Have Life", will begin at this meeting under the leadership of Mrs. F. B. Pierson. The slogan is, "Come, Bring Someone".

Mrs. Wilterding dismissed with prayer. Attending were Mmes. H. Jay Wyer, Clarence Stephens, Morris Childers, R. O. Gregory, H. C. Holt, J. J. Gross, J. E. Day, C. R. Farrell, O. S. Richards, Mervin Wilterding, Arnold Morris and F. W. Watts.

"I enjoy my family while I dry my clothes ELECTRICALLY!"

says MRS. PAUL FRANCIS 909 SOUTH 4TH STREET ARTESIA, NEW MEXICO

"Time releasing" is the way Mrs. Francis describes her new electric clothes dryer. Time that was once devoted to outdoor drying drudgery is now available for family enjoyment and pleasure.

"I used to hear that you didn't need a dryer with beautiful New Mexico sunshine," Mrs. Francis says. Yes, the sunshine is beautiful in the southwest, but so are the colors in your clothes — if you don't let that beautiful sun fade them, and dry them in an electric clothes dryer.

"I've cut my clothes costs for the children considerably," Mrs. Francis concludes. Here's full-time economy, for your clothes last longer when they are dried electrically, and because they can be worn, in many cases, right after being dried, you don't need so many clothes. Dry clothes the modern way. Of course, it's electric.

### Tulia Dominates 2-AA District Team

Coaches of the teams in District 2-AA met in Olton Monday night to select the all-district squads and approve the 1955-56 basketball schedule. The 2-AA champion Mullettes placed two girls on the girls' team along with Olton and Lockney. Champion Tulia dominated the all-conference boys' team with three members of their starting quintet placed on the first five. Jean Montgomery and Ginger Gaede copped honor positions for Muleshoe at forward and guard. On the second team the

Mullettes placed Barbara Douglas and Noretta Harrison in the same positions. Donna Wright and Alice Dawson made honorable mention. In the boys' running Eugene Shaw filled a first five guard slot. The Mules' ace center Gordon Wilson copped center on the second squad and Eddie Wilt came in for honorable mention. Teams in District 2-AA next year will be Olton, Lockney, Tulia, Littlefield, Dimmitt, Muleshoe. The Floydada Whirlwinds are moving in on 5-AA while 6-AA lost Littlefield. Dimmitt's Bobcats are taking a big step up from class A competition.

### Sudan and Bovina in State Play

The part of the Lone Star state we call home will be properly represented at the State Basketball tournament beginning in Austin today. Sudan's powerful Hornets, along with the towering Bovina Bulldogs won the right to state competition by taking their class in the Region 1 playoffs at Lubbock last Saturday. Both Sudan and Bovina are expected to bring home the high honors.

### Dalhart Stops Mullettes 42-36

Muleshoe's high-riding Mullettes saw their dreams of a state title in '55 slip from their hands in the bi-district grind at Hereford Tuesday night when the locals tangled with the Wolverines from Dalhart, Texas. The house was packed to see the champions from 2-AA and 1-AA battle to the wire in a very close matched contest. The Wolverines came from behind after trailing in the first round of play to win, 42-36. Muleshoe's crack center Jean Montgomery used an early charity toss to score for the game's first tally. Seconds later Dalhart also used the foul rule and went ahead 2-1 and the pace of the entire game was set. Halfway through the frame the Mullettes tied it up 6-6 and took the lead, with free shots continuing to make the difference. The locals' first quarter lead didn't come easy, but the breaks set the Mullettes ahead in the starter 12-8. In the second round Dalhart took a series of short leads as the contest stayed neck and neck, then with minutes running out in the first half and the game in a 23-23 dead-lock, Dal-

hart sank two shots free gratis and led 25-23 going into the third period. Defense was the way to do it in the third as the Wolverines held Muleshoe to two points and added four to hold their first half lead. Evans and Holt saw action on offense for Muleshoe in this quarter. Time and time again in the final quarter the Mullettes pulled within one point of the Wolverines, but immediately the Dalhart offense hooped another two and hung on to their standard three point lead. As time ran out the locals threw the book out the window in a last desperate effort to close the gap between them and victory. Twice, Mulette center, Jean Montgomery charged across the center stripe onto the Dalhart end of the court and broke up a Wolverine free, but the score was already decided by the fleeting hands of the clock. Jean Montgomery ended her high school basketball career by leading her team's scoring with 25 points. Mollins of Dalhart was high point for the night with 29.

### Shaw Named On All-State Team

When the Texas Sports Writers Association announced the Class AA all-state basketball team Monday the name of Muleshoe's "little sparkplug" of the '55 Mules, Eugene Shaw was ranked

among those who came in for honorable mention in the list of Lone Star hoopers. Shaw, who set a school scoring record this season with a total of 527 points, shared honors in West Texas' District 2-AA with Dan Tucker of Tulia. Read The Journal Want-Ads.

### Mrs. H. Jay Wyer of Wesleyan Guild Guest Speaker

Mrs. Buford Butts was hostess to members of the Wesleyan Service Guild of the First Methodist Church Monday evening, February 28, at 7:00.

Mrs. Fred Johnson, president, was in charge of the meeting, which opened with the group singing, "Rescue The Perishing". This was followed by a prayer by Mrs. Clarence Stephens, who also gave a talk on the continuation of the study, "Under Three Flags".

Guest speaker for the day was Mrs. H. Jay Wyer of the W. S. C. S., of the Methodist Church. She gave a very interesting talk on "A Flower", a story which she took from the book, "Jeep Tracks".

Hostess for the next meeting will be Mrs. Jim Burkhead. The meeting will be March 14.

The meeting closed with a prayer, "Our Lives Are God's Gift To Us; What We Do With Our Lives Is Our Gift To God", read by Mrs. Fred Johnson. "Take My Life" was the closing song.

Refreshments were served to guests: Mrs. Jessie Clark, Mrs. H. Jay Wyer, Magann Lamb, Patricia Butts and Buford Butts; two new members: Mmes. A. C. Leverage and Garland Freeman; and other members, Elizabeth Harden and Mmes. Ray Ed-

wards, Sam McKinstry, Jim Burkhead, Pearl Stephens, Mable Dowell, Frances Gilbreath, A. S. Stovall, M. M. Stemmmons, Fred Johnson, Jessie Wright, Gilbert Lamb and Homer Sanders, Jr.

### OES Chapter Is Invited To Two Lodge Meetings

A regular meeting of the Muleshoe Chapter of O. E. S. was held Monday evening, March 1, at 7:30 in the evening at the Masonic Hall.

Presiding over the meeting was Worthy Matron Billie Mathis and Worthy Patron John Thomson.

Invitations from the Hereford and Plainview Chapters were read inviting the lodge members here to visit them. Plainview extended an invitation to their Friendship Night, which will be held March 18 and the Hereford Lodge invited members to attend their regular meeting the evening of March 29, which will be in connection with Friendship Night.

Anyone wishing to attend these meetings is asked to notify Mary Farley. Those going to Plainview will meet at the lodge hall and leave at approximately 5:00 p.m., and those going to Hereford will leave the hall about 6:15.

Two visitors were present. They were: Mrs. Jennie Clark of Sudan and Mrs. Mildred Gregory of Ord, Neb.

Margaret Collins and Hazel Welch served refreshments in the St. Patrick Day motif.

### Twenty Ladies Attended World Day Of Prayer

World Day of Prayer, conducted under the leadership of Mrs. Roy Bayless was held Friday, February 25 at the Methodist Church. Some twenty ladies were present.

Soft music, "Sweet Hour of Prayer", was played by Mrs. Glenn Maltby to open the program. Purpose of the program was to unite all and the theme was "Abide In Me".

Those taking part on the program were: Mmes. Jack Epps, H. Jay Wyer, I. F. Willman, R. O. Gregory, Morris Childers, W. D. Moore, H. C. Holt and Arnold Morris. Mrs. Delbert Spraberry sang two solos, "I Need Jesus" and "Beautiful Garden of Prayer". She accompanied herself on the accordion.

Mrs. Bayless dismissed the group after the offering was taken to the altar.

The following attended: Mmes.

Jack Epps, Glenn Maltby, E. C. Monroe, and Leota Wilterding, First Christian Church; Mrs. Delbert Spraberry, Assembly of God; Mrs. Mattie Griffin, Progress Methodist Church; and Mmes. H. Jay Wyer, O. S. Richards, H. C. Holt, Mervin Wilterding, Morris Childers, I. F. Willman, Roy Bayless, W. D. Moore, R. O. Gregory, C. R. Farrell, Arnold Morris, Rachel Sterling, Ray Edwards and Buford Butts, Muleshoe First Methodist Church.

### 25 Attended The Muleshoe HD Club Meeting Feb. 21

On February 21, members of the Muleshoe Home Demonstration Club gathered at the home of Mrs. Fred Bruns for their regular meeting.

During the business session, Mrs. W. R. Bowers was nominated to represent the council as a delegate to the district meeting April 28, at Morton. Mrs. S. C. Caldwell was the nominee for T. H. D. A. chairman.

Mrs. Mollie Stinson spoke on work simplification and tailored buttonholes. She also showed some slides on farm and home development.

Mrs. Alton Kriegel won the hostess gift, a hamburger press and the second hostess gift, an apron was won by Mrs. Jack Bruns.

Mmes. Jack Bruns, Carrie White, Tom Zimmer and Dale Burden were guests.

Members present were Mmes. C. E. Briscoe, M. E. Simmons, John Boydston, Mary Rattliff, M. A. Allison, J. E. Day, Alton Kriegel, E. H. Baugh, Roy Carney, W. E. Smith, Mollie Stinson, W. E. Bowers, Olen Dutton, Bessie Fletcher, D. L. Robinson, J. H. Hanks, Don Bruns, Fred Bruns, S. C. Caldwell, Tommie Sanders, and M. R. Odem.

The two are majoring in speech at WT. Miss Bulls is a graduate of Springlake High School. Miss Woodley was graduated from Muleshoe High School.

Miss Bulls is the daughter of Mr. and Mrs. Crill Bulls and Miss Woodley is the daughter of Mr. and Mrs. Noel Woodley.

### Revenue Service Warns Business Men On Depository

L. B. Barkley of the Lubbock Internal Revenue Office stated today that the Internal Revenue Service has cautioned North Texas businesses about a new penalty provision of the Internal Revenue Code of 1954.

The 1954 Code provides a penalty on business taxpayers who fail to comply with the depository receipt system unless reasonable cause can be established. This penalty is 1 percent of the amount of the underpayment of the deposit for each month or part of a month during which the underpayment continues. Mr. Barkley reported, however, that the penalty does not exceed 6 percent in the aggregate. The penalty also will not be imposed for any period after the date prescribed for filing the return (without regard to any extension of time) or the date the tax is paid, whichever is earlier.

Mr. Barkley said that under the new instructions taxpayers subject to filing returns on Forms 941 or 720 or both whose reportable taxes in either category total more than \$100 for any month except the third month of a quarter are required to make deposits. These deposits must be made on or before the fifteenth day of the succeeding month or taxes reported on Form 941. Deposits must be made on or before the last day of the succeeding month for taxes reported on Form 720. In every case the taxpayers must secure validated depository receipts for submission with the quarterly return.

Depository receipts can be obtained from any Federal Reserve Bank or from a local bank au-

## Miss Sue Creamer Becomes Bride of Roy Virgle Webb, 62, Kemp In Ceremony Feb. 26 At Clovis

Mr. and Mrs. W. F. Creamer announce the marriage of their daughter, Sue, to Roy Kemp, of Amarillo, son of Mr. and Mrs. R. Kemp, of Paris.

The wedding was solemnized at the First Methodist Church in Clovis, N. M., Saturday evening, February 26, at 8:00 o'clock, with the Rev. Thomas H. Raper officiating.

Carolyn Herrington, sister of the bride, was maid of honor and Wallace Benson of Amarillo served the groom as best man.

The bride was attired in a suit of blue-grey Irish linen, with which she wore white accessories. Her corsage was of red carnations. Carrying out the tradition, something old was some rhinestone earrings; something new, her ensemble; something blue, an imported blue linen handkerchief belonging to Mrs. Alvin Allison.

The bride is a graduate of Muleshoe High School and has been a student nurse in St. Anthony's School of Nursing at Amarillo for the past eighteen months. The bridegroom graduated from Paris High School and is now employed by the

## Family In Burning House Awakened By Baby's Cries

Mrs. E. L. Hargrove, of Corcoran, Calif., a sister of Mrs. Bill Collins of Muleshoe, and her family recently had a disastrous fire which did \$14,000 damage to their home, but were awakened by the cries of their two weeks old baby in time to escape injury.

According to the Corcoran paper, the couple were roused at 3 a.m., by the baby's cries and found the room filled with smoke. Mrs. Hargrove picked up the baby and their two older daughters and fled out the front door.

The fire started from a floor furnace in a closet of the den. Damage was mostly confined to the den and adjoining service porch, but firemen estimated damage to building at \$8,000 and to the furnishings at \$6,000.

## Baker and Bristow Place In Tech Meet

Mary Alice Baker and Wayne Bristow of Muleshoe High school placed in the finals of the Texas Tech spring speech meet at Lubbock last Saturday. Mary Alice placed third in girls' poetry reading and Bristow took first in the class A and B division of boys' extemporaneous speaking.

This year's meet doubled in size any of the previous annual festivities. More than 225 students from high schools in this area were guests of the college at a luncheon in the hall room of the Student Union building at noon Saturday. The first, second and third place awards were presented at this meeting by the directors of the various contests excepting those in debate, the second round of debate being held that afternoon.

Abilene took top school honors placing someone in almost all of the day's contests and winning the Class AAAA debate grind.

## OUR HOME TOWN

Our home town . . . where a lot of people made a big fuss over it when we were born . . . where we speak to people every time we meet them on the street, even if it's a dozen times a day . . . where we know most people, and like almost all of them . . . where friendship is most fervent, and foes are most ferocious . . . where hello's come from the heart . . . where everybody is interested in what's our own private business . . . where we all walk the same streets littered with fallen buckeyes and blowing autumn leaves, covered with swirling snows of winter and glazed with fresh spring showers . . . where Main Street in the fog has reminded us of London lanes, and where Broad Street has felt as good as Paris in the spring . . . where humid summer nights have been all we'll ever know of the tropics . . . where we go to the same schools and churches, trade in the same stores, laugh together in the same movies, lie ill in the same hospital beds and try to keep a little money in the same banks . . . where we gossip about each other, secretly grateful for each other's goings-on . . . Here are the people who irritate us, re-

joice in our good fortunes and sympathize with us in our troubles . . . It is here that we roll past our civic successors along the sidewalks as we go in the same hearse out to the cemetery . . . Here we have played, gone to school, worked, dreamed, suffered, been happy, and looked up to the sky at the universe and eternity, and here a lot of people will make a big fuss over us when we die.

## PARMER COUNTY Farm Bureau News

By RAYMOND EULER

By the time you read this there will be more than likely at least 775 members in Parmer County Farm Bureau, the best representative membership we have ever had. If the rest of Texas does as well, Texas will have a much better position in formulation of national farm policies.

Now that you are a member, remember this: Your ideas may not be discussed in meetings of your organization if you are not there to present them. Begin now to plan to attend the annual county conventions in October when policies for 1936 will be decided by majority vote of the membership. The officers you elect know full well that their duty is to do everything they can to promote your bidings throughout the year; and that is what they will do.

There should be at least a thousand at that convention to argue, discuss and decide what to do. Therein lies your strength; but don't wait until convention time to start thinking. Bring or send your ideas to the office, or present them directly to the proper committee men, and they will be given full and fair consideration.

Here are the committees you may want to contact: Membership, T. E. Lovett, Charlie Calaway and Harold Carpenter; Legislative, Ralph Miller, Bill Mayben, C. A. Lawrence and O. B. Moyer; Service, Raymond Euler, L. F. Bruns and Walter Kaltwasser; Resolutions, Raymond Schueler, Bruce Parr, T. R. Smallwood and A. R. McCutchan; Audit, Hadley Reeves, J. T. Jones and Kenneth Neill. The first one named is chairman of his committee. If it is more convenient, write your suggestions down and leave them in the of-

**STOP KNOCK**

with **Esso Extra** for '55

**STOP MOTOR OIL KNOCK WITH HUMBLE UNIFLO**

Humble Esso Extra gasoline for '55 will give you the best anti-knock performance you've ever had.

But motor oil can also cause knock. Some oils form combustion chamber deposits that raise compression ratios even higher, increase a high compression engine's tendency to knock. These deposits also cause pre-ignition ping.

Humble Uniflo motor oil does not form knock-causing deposits. Thus, in effect it raises the anti-knock performance of your gasoline.

Uniflo also saves gasoline, lengthens battery life, gives you

superior lubrication and cooling. You use the same grade the whole year around.

When you use both Esso Extra gasoline and Uniflo motor oil, you're using the best performance combination ever.

The entirely new gasoline with the highest performance rating ever offered Texas motorists.

When your car knocks, you're losing power, burning too much gasoline, dirtying your engine. Knock—even ping—is more than a noisy inconvenience—it's expensive, too.

But you can stop knock with Humble's Esso Extra for '55. This entirely new gasoline has the highest octane rating (anti-knock quality) offered Texas motorists.

It's an absolute must for the new high compression 1955 engines.

And it assures the improved performance of any car, any make, any model.

Get the Esso Extra habit! . . . Your car will give you performance you never dreamed it had!

**No. 1 in Texas**

Now, more Texans than ever before prefer Esso Extra to any other premium gasoline.

**Part Time Farm Workers**

Editor's Note: This is another in a series of articles prepared for farm families by the Lubbock, Texas, District Office of the Social Security Administration.

Are you a seasonal or part time worker in agriculture? If you are, you should have a social security card because your employer is required to report your agricultural wages if you receive cash pay of as much as \$100 in a calendar year. No longer do you have to worry about "qualifying" and working on a cer-

tain number of days in a quarter.

Effective January 1, 1955, the only qualification is that your cash pay from farm work is at least \$100 in a year from the same employer. If you earn \$90 in a year from one employer and \$90 from a second employer, these wages would not count toward social security. Neither would it count if you were paid part of a crop amounting to several hundred dollars. But—if you earn \$100 from one employer and \$125 from another, then both employers will report your earnings for social security.

Whenever your pay from any farm employer is less than \$100 in a year, he should return to you any amount he took out of

your pay for social security for that year. Since at the time you start to work for a farmer, neither he nor you know exactly how much you will earn, it is best to defer deductions until \$100 is reached; then if it turns out that you do not earn as much as \$100 in a calendar year, there is not the problem of returning erroneous deductions.

If you are a harvest hand, or a cotton puller, your wages count just the same as if you were a regular hand. You must have cash wages of at least \$100 before your employer is obligated to report you. If you are a harvest hand, you may be employed, supervised and paid by a contract harvester who may be your employer instead of the owner of the farm. But you still must show your social security card to your employer so he can make the proper reports. Your eligibility at age 65 or the eligibility of your survivors, in event of your death, may rest on credits for part time farm work so be sure to fulfill your obligations in this cooperative insurance plan for your benefit.

**HOT NEWS**

**ABOUT THE HOT CAR**

*Buick production hits new highs to handle the orders pouring in!*

**GOOD** thing the Buick factories stepped up production of the 1955 cars when they did — because customer orders are pouring in.

It seems that just about everybody wants a 1955 Buick — the "hot" car that's getting hotter by the hour.

So hot, in fact, that it's topping the huge popularity which moved Buick into the "Big Three" of the nation's best sellers last year.

Know why? Plenty reasons.

Bold new styling, of course. And brilliant new V8 power. And room and comfort and luxury interiors — and an even finer, softer, steadier ride.

But the big reason is a new magic from the field of aviation — Variable Pitch Dynaflow.\*

Twenty propellers inside this wondrous automatic drive do what the modern airplane propeller does — they switch their pitch.

One way, you get a lot more miles per gallon in normal driving and cruising.

You switch the pitch to another angle just by pressing down on the gas pedal — and you get a new kind

of instantaneous response for getaway or safety-surge accelerating power.

It's an experience you've never had before in an earth-bound vehicle — and it's thrilling beyond words.

So you can see why we're writing up orders and selling Buicks at a record rate.

And you can see more of the reason why when you look into the low pricing schedule that makes Buick the buy of the year, hands down.

**Buick Sales Are Soaring!**

Proof? Buick is outselling all other cars in America except two of the best-known ones in the smaller-car field. And for two good reasons: (1) popular prices low enough for any new-car buyer to reach; and (2) a line of cars to fit any budget, from the low-priced SPECIAL, to the high-powered CENTURY, to the extra-spacious SUPER, to the custom-built ROADMASTER.

Come in and check things for yourself. Once you do — and press that gas pedal — we believe you won't be happy till you're bossing your very own Buick.

\*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

### FHA Chapter Has Sweetheart Banquet

Muleshoe High school's home making department held the annual FHA Sweetheart Banquet in the high school dining room Saturday night. In every respect this year's formal occasion was termed a success. The sweetheart theme was followed throughout with FHA being spelled out on the wall in red and white flower design. Streamers of the same color were draped over the exits and hung from the chandeliers. Light was provided by red candles placed at each table.

Rev. E. K. Shepherd of the local First Baptist Church brought a very timely message on the American Home. Special guests of the FHA were Christal Gretz and Hendrik Bruns, exchange students from Germany. Guests of honor were Mr. and Mrs. Jerry R. Kirk, Gordon Wilson was honored as the FHA "bo" for '55.

Excellent entertainment was provided by girls from the local high school. June Freeman, Shirley Black, and Noretta Harrison led off with several pantomimes. A piano solo was enjoyed by LaVon Copley, and Geri Lynn Wilhite entertained the group at the accordion and piano.

Miss Elizabeth Ann Farley, FHA president, was in charge of the night's program. Noretta Harrison gave the welcome. The invocation was by Wayne Bristow and the benediction was given by Mrs. Charles Thomas.

In appreciation of his attitude toward the homemaking department of MHS, Mr. Kirk was presented a gift on behalf of the entire FHA chapter.

### Mrs. Blackburn Presents Amusing Talk At Meeting

Mrs. Glenn Dunn was hostess to members of the Muleshoe Study Club Thursday evening, February 24, at 8:00 o'clock in the R. E. A. building.

Mrs. Horace Blackburn gave a clever talk on "Are Reducing Pills Harmful?" She illustrated her talk with amusing slogans and advertising clippings and sayings of the "before and after", which are usually associated with fat people trying to lose weight.

Mrs. T. M. Slemmons presented an interesting talk on "The Perils of Narcotics". She reported that the problem of narcotics is facing us all and is far from being whipped. Mrs. Slemmons especially stressed the fact that narcotics are affecting the teenagers of today.

The president, Mrs. H. D. King was in charge of the business meeting. Club members voted to have a scrap book this year instead of a press book.

Financial report was given by Mrs. John Watson on the Kidnap Breakfast. The next meeting will be held in the home of Mrs. J. M. Forbes.

Date and marshmallow roll and coffee were the delicious refreshments served by Mrs. Dunn to the following members: Mmes. Homer Sanders, Jr., Lonnie Arr-

morning and Mrs. Byron Griffiths reports that attendance has been wonderful. All ladies of the Church are invited to attend.

Thursday morning the meeting will be held at the Baptist Mission.

old, Buck Ragsdale, A. S. Stovall, Harold King, Horace Blackburn, T. R. Slemmons, and John Watson.

### Progress Church Observes World Day of Prayer

Friday evening, February 25, members of the W. S. C. S. of the Progress Methodist Church sponsored a "Family Night", in observance of World Day of Prayer.

There were silent hymns and silent and oral prayers. Mrs. Joyce Walker, president of the W.S.C.S., told of the history and purpose of the World Day of Prayer. Rev. Carol Jones gave a devotional talk on "The Power of Prayer."

Twelve women and young ladies, dressed in exotic costumes of various countries, went to the front of the sanctuary and each explained how the day was observed in her country. Some of the countries represented were: Peru, India, Alaska, Japan, Pakistan, Holland, and Korea.

Miss Christl Gratz of Germany, an exchange student who is attending high school near Dallas this year, represented her country.

Refreshments were foods served in the countries of Peru, India, Mexico, and France.

### Attendance Good At WMU Meetings

The W. M. U. of the First Baptist Church will meet each morning this week with the exception of Wednesday. In observance of the Home Mission Week of Prayer.

Meetings are held at 9:15 each

**SAND HILLS PHILOSOPHER FAVORS—  
Pay Raise For U. S. Congressmen  
But Wants Farmers Included Too**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm seems to want a patch a rider on the Congressional pay bill, his letter this week reveals.

Being interested in the welfare of the country, which includes the welfare of Congressmen, I naturally have been interested in the efforts being made to increase the salary of the latter up in Washington.

A lot of reasons have been given as to why Congressmen ought to make more money, that is, more money in their regular government pay check, this has no reference to anything that comes in on the side in some cases, I don't know whether Congressmen are as smart as state office holders or not but I know of one or two cases where a state employee can take a \$6,000 a year salary and in a few years become wealthy, by sheer economy and financial genius, I guess, like turning off the lights at home except the one he's sitting under, at any rate, to get on with what I was saying, out of all the reasons given why Congressmen ought to have their salaries increased, the one I liked best is this:

Living costs have gone up, and it wouldn't do to keep the pay so low that only a rich man could afford to serve in Congress.

Now that makes sense to me, and what I want to know is why don't they spread this idea around to take in other lines of work?

For example, take farming. The price of everything a farmer sells has come down, outside of uranium, while the price of everything he buys has stayed high, and it seems to me it'd be bad too for the country to have an agricultural situation where the income is so low only a rich man could afford to farm.

I'm in favor of a Congressman getting paid enough to where a poor one can serve, although I will not go into the technical problem of who's going to decide where the dividing line is, where he gets just enough salary to live and stay poor and not enough to become rich, but I'm also in favor of applying the same rule to farming.

If you agree, I hope you will

**BABSON DISCUSSES—  
Should U. S. Strike First?**

Babson Park, Fla., March 3 — In view of the latest news from Russia, businessmen and investors are much excited regarding the new book published by D. Van Nostrand Co., Inc., New York City, entitled "Influence of Force in Foreign Relations". As the author, Captain W. D. Puleston is a neighbor of mine and recently gave a most dynamic address at the Webber College Winter Conference, I must comment thereon and advise everyone to read it.

**EIGHTEEN "FATAL MISTAKES"**

Captain Puleston told me last spring of these "mistakes". Shortly thereafter, Mrs. Franklin D. Roosevelt, the late President's wife, was visiting my home in Wellesley Hills, Massachusetts. I asked her what she thought of these "mistakes" for which the Democratic Administration were reported responsible. Mrs. Roosevelt answered: "Well, notwithstanding Captain Puleston's so-called 'mistakes', we won two wars, didn't we, Mr. Babson? Perhaps someone should now write a book on the "Eighteen Master Strokes" which won these two wars!"

Personally I believe that, although a fearless critic, Captain Puleston is in touch with Congress and get my point over. When a pound of beef on the hoof that used to buy two gallons of tractor gas now buys only one, a farmer is left in the same shape as a poor but honest Congressman. It will not be healthy for the country to allow law-making in Washington and farming out here on my place to become professions only the rich can afford to engage in. There just ain't enough rich people to carry the burden, not out here, anyway.

Yours faithfully,  
J. A.

Puleston is eminently fair in his judgements. He emphasizes mistakes made by the Republican statesmen such as Root, Hughes, Kellogg, Stinson, and President Hoover, equally with those made by President Wilson and Roosevelt. He points to Wilson's statesman-like, but unheeded, appeal to European leaders in 1916 to seek a "peace without victory". Similarly, Puleston has pointed to mistakes made by military as well as diplomatic leaders. He carefully cites proof showing the undue subordination of the trained military to untrained civilians. Politics, between 1909 and 1941, by weakening our armed forces, caused first Germany and then Japan to attack us on the incorrect assumption that they could defeat us before we could prepare to fight.

**WHAT SHOULD U. S. DO NOW? STRIKE FIRST?**

Businessmen and investors want to know what Captain Puleston thinks we should do NOW. This is it: —Increase the nation's defense, particularly the strategic industrial areas, against air attacks; devise more efficient methods to prevent delivery of bombs, or retention of any such bombs now held in the country by enemy agents; keep a large proportion of our land, sea and air forces, particularly fighting planes, always on the alert; prohibit the entry of unidentified planes into certain important areas; finally, and most important, decide now that we will never again await an "overt enemy attack".

Americans have been led to believe that their Government is committed to awaiting an enemy attack with nuclear bombs. Puleston points to an horrible and long-accepted middle course, namely, if an enemy nation, possessing the ability to destroy us, disposes its forces in position to do so, we should immediately mobilize and station our forces in position to strike the enemy and defend the United States.

When in all respects we are ready, inform the hostile government that if within 48 hours it does not demobilize its forces, we will take any or all measures to protect our country. If the potential attack should be immediately delivered, as mobilized, we would get an even break; if the enemy then demobilizes we can prevent war. If, in spite of our warning, it continues to hold its forces ready to spring surprise attacks, we then should Strike First. Under International Law, having given the foe fair warning, we would be fully justified, claims the Captain.

**POLITICS MAY BE A FACTOR**

In case we are in World War III or "sitting on a keg of uranium" in November, 1956, it seems as if President Eisenhower would be certain of re-election. I cannot imagine a better-trained man for the Presidency under such a condition. Whether or not the Republican strategists have this in mind, I leave to you readers to decide. The Presidential election coming next year certainly complicates the situation. Certainly, the character and location of each industry should be most carefully considered. Also read "The National Cycle of Government", an important mimeographed brochure, written and published by Edison E. Shrum of Fornfelt, Missouri.

Readers should study the history of Formosa before deciding what attitude the United Nations will take. The fact is that Formosa was a part of China for centuries until 1895, when China was forced to "give" it to the Japanese. The Japanese developed Formosa and made it what it is today. At the close of World War II, the Japanese were compelled to give up Formosa and return it to China. Strictly speaking, there are two Chinas today — the Mainland under Communist Administration — and Formosa under the conservative Chiang Kai-shek. Both claim sole representation in the United Nations. Thus far only Formosa, ruled by Chiang Kai-shek, is a member of the United Nations.

**WHAT OF THE FUTURE? MY FORECAST**

Although we should hold Formosa for the present, I forecast that Formosa will sometime again be an integral part of China which will have a compromise government such as General Marshall recommended. Before then both Chinas will be members of the United Nations. I further forecast that World War III will be avoided for this year at least. Even though Captain Puleston seems logical in saying that only by "striking first", after fair warning, can we avoid being destroyed, I doubt if the American people would support "striking first" based only on Formosa. Yet, the recent vote of Congress indicates that we might. Certainly we are in a very critical situation.

Businessmen will be tempted at least to postpone capital expenditures until the air becomes clearer. Investors will consider the stock market very selective. Even now investors are purchasing mainly the aircrafts, metals and oils, together with certain other stocks which should prosper, as "war babies". Wise investors will probably not buy stocks of companies in large cities vulnerable to bombing. Furthermore, all investors should keep in mind the probability that prices, wages, and money rates would probably be "fixed" immediately at the start of any World War III, and a severe profits tax be re-enacted. President Eisenhower might veto some of this legislation; but with the Democrats in control of Congress it could be passed over the President's veto in view of Russia's attitude.

**KNOW AND OBEY TRAFFIC LAWS**

COLLEGE STATION, March 2 — No one can continually violate traffic laws without paying the penalty . . . either a fine or involvement in an accident. If you don't know the rules, learn them, advises the Texas Farm and Ranch Safety Committee, and then obey them.

The committee has figures from the National Safety Council which show that records of fatal accidents in 1953 involved 76 traffic violations per 100 drivers. Speeding, nearly 3 out of 10 drivers in fatal accidents were violating a speed law. The percentage in rural areas was even higher, slightly over 10 percent above the rate for cities.

Among drivers involved in fatal traffic accidents, 18 out of 100 had been drinking. Seven out of 100 drivers in fatal accidents did not have the right-of-way. The city rate exceeds by almost three times the rural rate in this classification. Improper passing involved 3 out of each 100 drivers in fatal accidents and 9 out of 100 drivers failed to keep to the right of the center line of the highway.

Disregarding a traffic sign, signal or officer was the violation involving 6 out of 100 drivers in fatal accidents. The committee points out here that rural drivers were more frequently guilty of disregarding stop and warning signs while their city cousins more often disregarded a signal or officer.

Statistics show 8,600 pedestrian fatalities in 1953 with 36 percent caused from crossing between intersections; more than 1,800 of the 6,650 adult pedestrian deaths were attributed to alcohol while crossing against the signal accounted for 5 percent of those killed. Playing in the roadway accounted for 26 percent of the child pedestrians under 5 years of age killed or injured and 18 percent of those between 5 and 14 years of age.

Finally warns the committee, don't depend on luck for traffic safety. Know and obey traffic laws, they were passed for your protection.

**CONVERT TO LP-GAS With ENSIGN Carburetion**

Right there in the circle above you've got the key to modern tractor efficiency — LP-Gas fuel plus Ensign Carburetion. It's just good business sense to find out how modern LP-Gas efficiency scraps ordinary performance standards. Get the facts on profit-boosting fuel savings and phenomenal freedom from maintenance expense (3 or 4 seasons without service!). The six points below suggest a few LP-Gas and Ensign Carburetor advantages. Keep the profit-angle in mind as you read them!

1. Fuel savings 25 to 40 percent.
2. Lube oil lasts four times as long.
3. 50 to 75 percent fewer overhauls.
4. Increased power. 100 octane fuel permits high compression.
5. Smooth-running engine — no vibration.
6. Same fuel storage serves tractor and household.

Let your Authorized Ensign Dealer check your engine. He can tell you what you can save by making your tractor a MODERN tractor with LP-Gas.

**DROUTH HAY PROGRAM SURVEY**

Half a loaf appears to be better than none as far as the drouth relief hay program for Texas is concerned. According to a survey made by the Texas Department of Agriculture, the program which paid a part of hay transportation costs to drouth areas proved to be of some benefit to hard-hit cattlemen, but it

March 31st marks the final phase of the present program inaugurated jointly by the state and federal governments. Should it be continued in 127 counties designated in the disaster area? The department wanted to find out and sent questionnaires to leading agriculturists in each county.  
Some 200 replies to the first

question "Should the program be continued", leaned heavily towards extension beyond March 31, especially if additional rains were not received. Seventy-five said "yes", indicating drouth conditions were still serious in those counties. "No" said 63 letters and "perhaps, if no rain comes", declared 66 others.

Judging from the answers and other sources, many of the counties have fair to good prospects for spring grass at this time. More moisture is still needed, however, before adequate pastures are assured.

Was the hay program adequate? Fifty-seven flatly stated "no", 91 said "yes" and another 57 said some benefits were derived from it but the program should be improved if it is continued.

Most of the criticism was directed at the price of hay by the time it reached the drouth areas. Any benefits derived from the reduced freight rates was absorbed by the increased cost of the hay, most correspondents said. Others cited too much red tape which caused the program to lag. Still others said that protein feed was needed more than hay.

In reply to suggestions for program improvement, a Palo Pinto man summed up the general feeling by requesting a cheaper source or supply of hay with less

red tape and more aid in freight rates.  
But a Stonewall farmer recommended that the department take the only sure method of drouth relief.  
"Have it rain more", he said.

away, thinking they were only trash. So I got busy and mounted all the samples that day!

I am spending this week in Lubbock at an advanced dress-making workshop. After this week of intensive training you will probably see some improvement in demonstrations. If you don't, the Extension Service will surely have been wasting their time working on me!

Speaking of improvements, I am quite thrilled (although I had nothing to do with it) over the new members and renewed interest showing up in all of the clubs. For instance at the last club meeting, Progress had four new members and eighteen present in all. That is the largest club meeting they have had since I've been here. Not long ago Muleshoe club had five new members to join at one meeting, and West Camp club is growing, too. Of course Community Center is almost all brand new, yet they are adding members at every meeting.

**CHRISTIAN SCIENCE SERVICES**

That man's health, prosperity and happiness are not dependent upon the five material senses but are governed by God's changeless law, will be brought out in the Lesson-Sermon entitled "Man" to be read in Christian Science churches this Sunday.

Passages such as the following from the Bible and from the Christian Science textbook by Mary Baker Eddy will be read: "Cease ye from man, whose breath is in his nostrils; for wherein is he to be accounted of?" (Isaiah 2:22).

"Christian Science sustains with immortal proof the impossibility of any material sense, and defines these so-called senses as mortal beliefs, the testimony of which cannot be true either of man or of his Maker. The corporeal senses can take no cognizance of spiritual reality and immortality" (Science and Health with Key to the Scriptures, p. 488).

The Golden Text is from Ecclesiastes: "Lo, this only have I found, that God hath made man upright" (7:29).

About  
**Homemakers & Homemaking  
IN BAILEY COUNTY**  
By MOLLIE STINSON

All girls interested in studying shrubs will meet Saturday, March 5 at 2 p.m. in the home demonstration agent's office in the courthouse.

This program is just getting underway so it is still open to anyone who would like to join 4-H and enroll in the program. Girls must be thirteen or over to be eligible to study shrub identification.

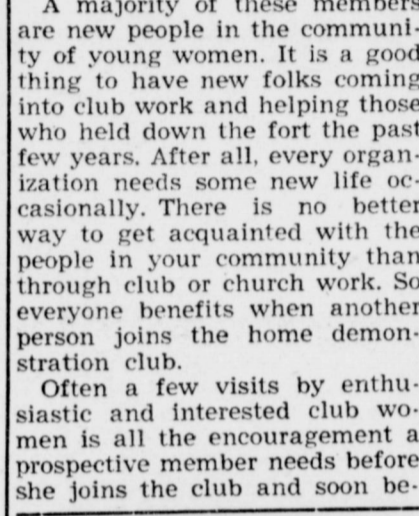

The characteristics and uses of common shrubs will be studied. This study will be climaxed by a county shrub identification contest on April 16. The four high point girls will enter the district 4-H shrub identification contest in May. Winners of the district contest will go to 4-H Roundup at Texas A & M in June.

Everyone who enters the program should benefit from knowing more about shrubbery and the uses of these plants. This applies to the agent, too, who is really learning a lot while getting ready to help the girls. The group will probably meet once a week until the county and district contests are over. Field trips to nearby nurseries and experiment stations are planned.

I spent all one day last week gathering specimens of different shrubs to mount and use in studying with the girls. Council, clubs and many other things came up to keep me busy, so the 'twigs lay in a box in my office all week. Friday morning when I came to work I saw the box outside. To my horror the janitor was about to throw them
