Security cameras pushed to next year's budget

By MELISSA PERNER Editor and Publisher

Any installation of surveillance cameras on district campuses will not be done until the next school year.

At the April 19 monthly meeting of the Crockett County Consolidated Common School District Board of Trustees, the board decided to table any decision on two bids presented about the cameras and put the money into next year's budget. This comes after the board approved the purchase of 10 security cameras and a server at the November 2004 monthly meeting.

District Technology Coordinator Rod Miller presented two bids for eight cameras that would be placed around the high school campus. There would be two cameras at the Administration Building, two at the agriculture/mechanic shop, one at the band hall, two at the bus barn and then one inside the Alternative Education Program classroom.

The bid from Ener-Tel was around \$20,000 which included a 36 month warranty, installation and that cameras would run on a separate network, Miller said.

Another bid of around \$30,000 from Avnet would have away within the last year. the cameras linked into the school's network, Miller said. This bid also includes a 36 month warranty and training on how to install the cameras.

"If we're looking at phasing this in and adding more cameras to other campuses then I would feel more comfortable with the Avnet," Miller said. "If we're going to have more cameras then I think this is definitely better.'

The board also unanimously approved a request for early release from current contract by high school band director Sonny Bahlman.

An accident Friday evening resulted in the death of an Ozona student on Interstate-10.

Robert Wayland Dentler, 16, was pronounced dead at the scene by Justice of the Peace Jim Hearne.

A fund has bee set up for Robert Wayland Dentler at Ozona National Bank. For more information, call Ozona National Bank at 392-1300

Dentler had run across the interstate, from south to north, when he ran into the path of an oncoming pickup, said DPS Sgt. Junior Bilano. The incident happened around 9:31 p.m. in the eastbound traffic lanes of I-10.

The driver of the 1990 Chevrolet pickup was Andrew James Duhe of Port Neches.

The incident is being ruled as an accident, Bilano said.

Dentler was wearing black shirt, black pants and black boots at the time of the incident, Bilano said.

Duhe said he did not have time to react or even put on the breaks, Bilano said.

Dentler was a freshman at Ozona High School and regularly attended the Calvary Baptist Church.

Members of the Crockett County EMS, Ozona Volunteer Fire Department, Texas Department of Transportation and DPS responded to the call.

OZONA FFA WOOL JUDGING TEAM of (left to right) Aaron Renfroe, Kyann Kothman, Dean Wadsworth and Andy Birkenfeld placed 10th out of 40 teams at the State Wool Judging Contest on April 23 at Texas Tech in Lubbock. Members within the team each evaluated fleeces for fineness, length and yield, rank fleeces within a group and gave reasons for their placing of these classes. Contestants in the wool judging contest must be very familiar with all grading standards and evaluation techniques because no measuring devices are to be used during the contest. This year's team had had much sucess and represented Ozona FFA quite well, said FFA Advisor Patina Crowder.

Robert Wayland Dentler

Robert Wayland Dentler, 16, of Ozona died Friday, April 22, 2005 in Ozona.

Funeral service was Monday, April 25, 2005 in the Calvary Baptist Church with burial in Cedar Hill Cemetery. Arrangements are by Preddy Funeral Home.

Robert was born April 17, 1989 in Big Spring. He was a student at Ozona High School.

Survivors include his mother and stepfather, Charlotte Marie and William Ty McElwain of Ozona; Father, Todd Dentler of Ruidoso, N.M.; one sister, Kayla Fuller; maternal grandparents, Mike and Linda Reid of Coahoma; maternal great-grandparents, Carl Dale and Earlene Reid of Coahoma; paternal grandparents, Billie Dentler of Ruidoso, N.M. and Martin and Sharon Dentler of Seymour; grandmother, Janie Everett of Ozona.

Pallbearers were Clay Everett, Rowdi Wise, Carl Noblitt, Ronnie Noblitt, Troy Ramsey and Toby Ramsey.

"I don't really know what to say. There are so many words, but none of them seem to define the feelings that we've all experienced. So many lives were touched or affected by Robert, it's unbelievable. Robert loved life. He loved being alive and he loved his family and friends with an unshakable loyalty and devotion. Robert never let you stand alone. Even if the odds were against you, maybe even especially then, he would be right there beside you. And even though he would never let anyone stand alone, he had no problem doing it himself.

Robert loved God. He went and sought out the Lord after his parents showed him what could be found on that path. But Robert loved doing things differently and when one church didn't suit his needs, he went and found one that did. Calvary fit Robert. It was real and just a come-as-you-are type thing that Robert loved, and there Wednesday night, you could find Brother Dan sitting on the steps of the alter and Robert on the front pew and that was all the congregation. Because of Robert's thirst for God, a lot of his family followed to Calvary and there, a lot of us found what we'd forgotten. It comforts us to know where Robert is, and it's good to know we've got him watching over us. So until we get to meet him again up in heaven: We'll miss you, Robert, but we're glad you're home.'

My wife wanted to surprise me for my birthday and she did. She came home one afternoon with a little brown box. I opened it and inside were eight strange looking little creatures. I asked her, "What is it?" and she said, "turkeys and guineas". When they are only one day old it is hard to tell them apart. Six weeks have passed and now it is easy tell them apart. The turkeys are much bigger and have different colored feathers. The guineas are making their distinct call and dart around all over the place. The problem I had distinguishing the guineas from the turkeys is somewhat like a problem we face in Christianity. Most people claim or profess to be Christians. I don't pay much attention to what they say I just start watching their actions or behavior.

Eight Guineas and Turkeys

The Bible says in Matthew 7:16 you will know a tree by it's fruit. In Proverbs 20:11 the Bible says even a child will be known by his deeds. For instance a married man never goes to Church or reads his Bible. Never prays unless it a dire emergency and if he uses God's name it is in a curse word. He may even be having an affair with another woman and yet says, "I am a Christian" Titus 1:15 & 16 talks about that.

See you in Church next Sunday.

Sheffield Boot Camp honors its volunteers

By JANE HARBER Community Relations Coordinator

Millions of volunteers all over the nation are being honored this week as National Volunteer Week begins. Among those recognized are the men and women who donate their time and talents to helping the youth at the Sheffield Boot Camp.

In 1974, President Richard Nixon signed an executive order establishing the week of April 17 - 23 as an annual celebration of volunteering. It has remained to this day the official time to recognize and celebrate the efforts of volunteers of all kinds. This year's theme, "Volunteers Inspire by Example," truly reflects the power volunteers have to inspire not only the people they serve, but also others to join them in volunteering.

Sheffield Boot Camp took full advantage of the opportunity to honor its volunteers. At a volunteer recognition ceremony held on Sunday, April 17, 2005, in the boot camp's gymnasium, approximately 20 volunteers were recognized. Chaplain Jerry Fortune gave the invocation and benediction. Commandant Maria Porras, Assistant Commandant Mike Davis and management staff at Sheffield Boot Camp all attended the ceremony, along with cadets from the facility. Volunteers enjoyed a performance by the Sheffield Boot Camp Color Guard. Commandant Porras spoke about the importance of the "family" type of influence that volunteers have on the cadets.

Penn Baggett, a long-time

Camp, spoke about what it honor of our priceless volun-Penn and his wife, Lara Sue, were recognized and given certificates of appreciation for their accomplishments as volunteer chaplaincy team leaders.

Two Sheffield Boot Camp cadets told what volunteers have meant to them and how volunteers have changed their lives. Volunteers, cadets and staff

alike enjoyed a large selection of treats prepared by the Sheffield Boot Camp kitchen staff after the ceremony.

Jane Harber, Community Relations Coordinator and head of the volunteer program at Jane Harber at 432-836-4624, Sheffield Boot Camp, said, "We ext. 2215, or e-mail her at wanted to have a celebration in jane.harber@tyc.state.tx.us.

The time they have spent, the sacrifices of their finances, the giving of themselves - all have opened the door of hope for the future of many cadets here at Sheffield Boot Camp. Their dedication and commitment have made a difference. Volunteers are a very integral part of the process of rehabilitating these young men back into society as positive and productive members, and we salute them for all they have done."

Soil and water conservation districts are sponsoring Soil and Water Stewardship Week as a commitment to protecting our renewable

Therefore, I John R. Jones, County Judge of Crockett County, in full appreciation of the value of our soil, water and wildlife resources, and desiring to honor those who protect those resources, do hereby proclaim April 24 through May 1, 2005 as Soil and Water Stewardship Week in Crockett County, Texas.

oint committee to iron out state budget

AUSTIN power comes in small numbers in the Legislature. In case you skipped civics the day the teacher wrote the

number of state representatives and senators on the blackboard, the figure is 181 - 31 senators and 150 representatives. District boundaries change every decade with the latest census data, but the size of Texas' legislative body does not.

The political power of these lawmakers hinges on party affiliation, seniority, savvy and support, but 10 of them have now been conferred with extra clout. The power upgrade comes with appointment to the joint conference committee that will have to work out the differences between the House and Senate's take on the state budget.

Lt. Gov. David Dewhurst has appointed Senators Kip Averitt (R-Waco), Robert Duncan (R-Lubbock), Steve Ogden (R-College Station), John Whitmire (D-Houston) and Judith Zaffirini (D-Laredo) to the committee. Appointed by House Speaker Tom Craddick are Representatives Dan Gattis (R-Georgetown), Lois Kolkhorst (R-Brenham), Vilma Luna (D-Corpus Christi), Jim Pitts (R-Waxahachie) and Sylvester Turner (D-Houston.)

Forewarned, forearmed...

According to Department of Public Safety, which runs the state's concealed handgun licensing program, 30 members of the Legislature are among Texas' 230,000 licensed

Most of the legislative pistol packers are members of the House (26) and the GOP (21) and most are male (25.) The joint conference committee that will wrestle with the state's multi-billion dollar budget has only one licensed handgun carrier, Rep. Gattis. Another of the handgun

license holders is Rep. Suzanna Gratia Hupp (R-Lampasas), author of a bill that would prohibit the DPS from releasing the names of those who can pack concealed heat legally. The measure has passed the House and now is in the Senate.

The list of legislative pistoleros does not include Rep. Fred Hill (R-Richardson). That may explain his recent analogy, one of the more colorful quotes from the floor so far this session: "The time to kill a snake is when you've got the hoe in your hand."

Pricey pride...

Approved April 20 by voice vote, House Bill 137 by Rep. Ken Paxton (R-McKinney) would add the words "Proud to be the Home of President George W. Bush" to the 66 "Welcome to Texas" signs on highways leading into the state.

As introduced, the bill only required an addition to existing signs, but as amended, the bill also provides that the signs be changed in 2009 when the nation will have a new president.

The new text, which would require new signs, would say: "Welcome to Texas - Proud to be the Home of Presidents Dwight D. Eisenhower, Lyndon B. Johnson, George H.W. Bush, and George W. Bush."

The Texas Department of Transportation had not yet released the cost for the new signs that would have to be added after Bush's term ends. The Senate received the bill April 22 and referred it to the Transportation and Homeland Security Committee.

Water tax down the drain... The drain plug's been pulled

on a proposal by Sen. Ken Armbrister (D-Victoria) to tax retail water consumption exceeding 5,000 gallons a month.

Minus the tax provision, Armbrister's water use planning bill flowed freely from the Senate Natural Resources Committee on April 21, ready for floor consideration.
