## Lions hold off Owls for win

By MELISSA PERNER  
 Editor and Publisher

BIG LAKE - The Ozona Lions defense created a wall around the Reagan County Owls Friday night to keep a one-point lead and an 8-7 win.

The Lions held off the Owls to gain their second District 2-AA victory.

"Friday night was a tough game. We were so emotionally spent from the week before and we had a bad week of workouts," said Coach Benny Granger. "Somehow, the boys were able to find a way to win. I've coached many games that if you didn't play great, you lost. We were fortunate to get a win due to the fact that we played so poorly. We will put this one behind us and move on."

Ozona would trail to Reagan County, 2-7, until the fourth quarter when quarterback Justin Maldonado completed a 32-yard pass to Matt McGuire to put the Lions on the Owls' 19-yard line. Maldonado, who just moved up from the JV squad two weeks ago, would lead the Ozona most of the game after Drew Clayton was injured in the second quarter.

Jack Rodriguez would then get the ball into the end zone on fourth and 12 to give the Lions the one-point lead.

It was then up to the Ozona defense to hold off the Owls with

### Bonilla discusses problems with illegal immigration, border control

By MELISSA PERNER  
 Editor and Publisher

Security along the Texas-Mexico Border has become a top priority for U.S. Rep. Henry Bonilla, R-San Antonio.

Bonilla addressed the issue, along with other happenings in Washington D.C., in front of a crowd of local citizens on Oct. 12 at the Crockett Room.

"This is not an ethnic issue," Bonilla said. "The Department of Homeland Security is dysfunctional in securing our borders."

Bonilla's fight deals with the invasion of OTMs (Other Than Mexicans) that have been crossing into the United States through towns like Eagle Pass, Del Rio and Laredo. The people come from countries like Central and South America and Asia.

In a Sept. 21 letter from the Texas Delegation of the U.S. House of Representatives to President George W. Bush, the group declared a "state of emergency" along the border.

Bonilla, who signed the letter along with other Texas Republicans and Democrats, said that Eagle Pass has an average of 200

OTMs crossing the border daily. The letter also states that the 165 agents the Department of Homeland Security took from Texas and assigned to Arizona should be returned.

"The DHS policy of processing OTMs and releasing them with orders to appear in court has made a mockery of our border security. OTMs now seek out Border Patrol agents rather than run from them because they know they will be arrested, given a good meal, a nice place to sleep, medical care and then released. At some times, the number of OTMs is so great that agents have difficulty performing the required background checks before releasing them on their own recognition," the letter stated.

"We don't know why the Department of Homeland Security is hesitant to do this," Bonilla said. "We demand something be done and we are tired of waiting."

The border crisis also includes an increase of illegal drugs and border violence.

"I have friends in Del Rio and Eagle Pass who can't run ranches due to illegals coming across and

### Bone Density Testing Now Available in Sonora at Lillian M. Hudspeth Memorial Hospital

**What is bone density testing?**  
Bone density testing is often performed to help diagnose osteoporosis or to see if you're at increased risk of this disease. Osteoporosis thins your bones causing them to become more fragile and likely to break.

**Who should be tested?**  
Bone density testing is recommended if: you're a woman age 65 or older, you're 60 and at increased risk of osteoporosis, you're a postmenopausal woman who has recently fractured a bone, or you're a younger postmenopausal woman with other risk factors for osteoporosis.

**How is it done?**  
Quantitative Computerized Tomography (QCT) measures your spine using a CT scanner combined with computer software to determine your bone density. This method provides detailed, three-dimensional images and can take into account the effects of aging and diseases other than osteoporosis on your bones. The test only takes a few minutes to perform and requires no preparation.

**Will my insurance cover bone density?**  
Most insurance covers the cost of bone density subject to individual policy requirements, deductibles and cost shares. Medicare will cover one bone density per year. Our Patient Representatives will be happy to pre-certify your coverage.

**How can I schedule a bone density?**  
Consult with your local physical for a referral. Contact the Radiology Department at 325-387-2521 x130 for more information.

**Levis & Lace News**

By **TINA JARVIS**  
Levis and Lace Square Dancer

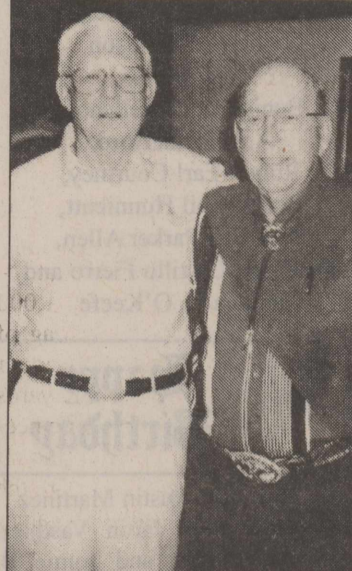

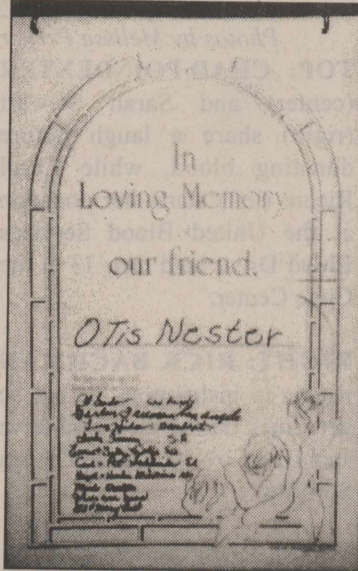

Tonight we celebrated the life of Otis Nester. Friends came from far and near. Songs were sung, dances were called. Your friends at the Care Center played their song. Bob Bell and John Green entertained us all. Many speeches were given with reverence. And Thanks For all the things that Otis held dear. He played and sang for his

friends at the Care Center. He danced and helped teach others with his square dance club.

Today we return the favor with song, dance and love. Afterwards sandwiches and chips were served at the Senior Building, and Tina Jarvis and John Geen called for a few more tips.

Thanks to Otis's friends from San Angelo, Midland and Odessa and from here for making this possible.

We even had a visitor from the Netherlands come with Carl and Pat Schlinke for this memorial.

**The Opportunity**

Lately I have watched several documentaries or read personal accounts or was told by eyewitnesses of accounts of the people that were rescued from the devastating hurricanes. I think it is very hard to understand what someone is going through unless it has happened to you. Thousands of people were able to get away or get to safety. Some on their own and others with a lot of help. Many were taken to shelters, homes, churches or benevolent facilities. Many were thankful and very appreciative for what was done for them or for the attempts that were made to help.

But that is not the case for all. I have heard of accounts where those helped became drunk, disorderly and insulted or abused the people trying to help. They also trashed (destroyed) the places they were staying and some so bad they could not use the facilities any more. The two and totally different responses reminds me of something the Bible talks about. First the Bible says God loves us very much, (1 John 4:19).

Second, He has provided a way of helping us, (1 John 4:10). Just as many did not respond to the help offered or they abused that help. We might be treating God the same way. The Bible is very clear that there are those who will obey God and do good and those who will do evil and not obey, (Revelation 22:11 & 12).

## FROM THE COUNTY AGENT

By Miles Dabovich, CEA-AG/NR

### Turf grass fertilizer applications

Spring is when most people think of fertilizing lawns. However, warm-season turf grasses, especially Bermuda grass and St. Augustine, benefit greatly from fall fertilizer applications. Lawns receiving a fertilizer boost in the fall are more winter hardy, have a healthier root system, and green-up earlier next spring. Area lawns need all the help they can get after the last three hot, dry summers.

#### What kind of fertilizer should I use?

We recommend using a 3-1-2 ratio fertilizer. This means fertilizer that contains 3 parts nitrogen to 1 part phosphorus and 2 parts potassium. This ratio will supply the correct proportion of the three main nutrients - nitrogen, phosphorus and potassium. Examples include 21-7-14 or 15-5-10 fertilizers. Depending on the fertilizer used, several micronutrients may also be supplied.

#### When should I fertilize?

Applications should be sometime between Sept. 15 and

Oct. 14. This will give plants sufficient time for growth and storage of nutrients prior to the freeze and winter dormancy.

#### How much fertilizer should I apply?

Apply the fertilizer at a rate of 1 pound actual nitrogen per 1,000 square feet of lawn area. Using more than this at a time can promote excessive growth, turf diseases, and other problems. Nitrogen is very water soluble and excess nitrogen can lead to nitrate problems in runoff during rainfall.

#### How do I determine the area or square footage of my lawn?

Measure or step-off your turf grass areas in both directions. Be sure to include smaller areas next to driveways, sidewalks, and between houses. Length (feet) x Width (feet) = Area Example: 50 feet x 50 feet = 2500 square feet

#### What is meant by actual nitrogen?

The numbers on a fertilizer bag or container represent the

percent content of the three main nutrients. The first number always given the percent nitrogen (N), the second is percent phosphorus (P) and the third percent potassium (K). For example, a 50 pound bag of a 21-7-14 fertilizer is 21 percent Nitrogen, 7 percent Phosphorus and 14 percent Potassium. To figure the actual pounds of the nutrient just multiply the weight of the bag times the percent - 50 x 0.21 = 10.5 pounds of actual nitrogen in the 50 pound bag. The actual pounds of phosphorus and potassium are figured the same way and in this case are 3.5 pounds of phosphorus and 7.00 pounds of potassium.

At the recommended rate of 1 pound actual N per 1,000 square feet, a 50 pound bag of 21-7-14 fertilizer will cover 10,500 square feet. Most yards are not that large. It may be necessary to weigh out the amount of fertilizer needed and store the remainder in a sealed container in a cool, dry place.

#### 2005 Crockett County Deerfest - 'Winning - Your Way!'

The 18 annual Crockett County Deerfest will be held at 6 p.m. Dec. 3. The event will again be held at the Fair Park Convention Center in Ozona. This year's Deerfest promises to be the biggest and best event ever!

Deerfest is heading in a new and better direction. There will again be a Grand Prize at the end of the evening and even more exciting is a partnership between Deerfest and Cabela's, the World's Foremost Outfitter. There will be 71 Cabela's Gift Cards given away totaling \$25,000! Cabela's will also be present with displays of their merchandise and will also be donating other door prizes for the drawing.

Due to increased firearm

regulations and background checks, it is becoming increasingly more difficult for "gun winners" to take their prizes home with them on the night of Deerfest. Also winners sometimes wished for another type of rifle than the prize they won and some winners, if given the option, would rather have other hunting gear such as scopes, knives, clothing, camping equipment, etc.

The Deerfest theme for the future is "Winning - Your Way!"

The Deerfest Committee is excited about this new direction and being able to work with a company such as Cabela's. Deerfest truly appreciates the support of local businesses, organizations and individuals who have supported Deerfest in

the past with their donations. They will be contacted in the near future for their continued support.

With the help of Family Power Sports in San Angelo, the Grand Prize will be a 2005 Polaris Ranger 4X4 multi-purpose vehicle valued at \$10,000! The winner is responsible for tax, title and license.

The Cabela's gift cards will be 20 - \$150, 20 - \$350, 20 - \$450, 6 - \$500 and 5-\$600. Cabela's will have catalogs available for the winners as well as being present to answer any questions.

There will be a meeting at 7:30 p.m. Monday, Oct. 24 at Crockett National Bank. Anyone having questions can contact Laurie Hale or Tom Anderson.

### Annual McMullan Cowboy Camp Meeting Oct. 24-26

The annual McMullan Cowboy Camp Meeting will take place Oct. 24-26 at the ranch, which is located on State Highway 190 about 10 miles east of Iraan.

Meals will start at 6 p.m. with services at 7 p.m. each evening.

Dennis McKinley of Western World Missions, of San Angelo, will be the speaker.

The Iraan Community Church Praise Team will have the Praise and Worship music each night.

This past week, six of our facility residents went to the First Baptist Church Widows' Banquet. The ladies really enjoyed the food and fellowship.

Wednesday evening, our facility was full with friends, square dancers and family members to honor the memory of Otis Nester and the many people he inspired in Ozona and across Texas with his singing, music and square dancing.

Ten of our facility residents performed their program "Hands Up" and square dancers took the floor with their dancing.

Our refreshments of punch, cookies and cakes were provided by the CCCC Family Council.

Thanks goes to everyone that took part in the program.

Volunteers for the week are Nell Wester, Rachel Ybarra, Ozona Church of Christ, First Baptist Church, Lana Chandler, Levis and Lace Square Dancers, CCCC Family Council, Ofila Enriquez and Judy Reagor. Thanks to your all.

Residents enjoyed the singing and music with Judy Reagor on Wednesday.

Our Halloween party will be at 3 p.m. Oct. 31 in the main dining room. Come enjoy the fun!

### Ozona Senior Happenings

By LYNN ENGLISH  
Senior Center Director

The cooler days we have been having lets us know that Fall is here and we are moving forward to Thanksgiving and Christmas.

Those of you who missed my column last week it was because my mother, Arie E. Cash, passed away on Oct. 5. She was just nine days from her 93 birthday. It is hard losing your mother at any age and I will miss going to the Care Center to visit her.

Eddie Hale had knee surgery on Oct. 12 in San Angelo. We wish him good luck in therapy and a speedy recovery. We missed Eddie at our bingo social Tuesday evening.

Geniece Childress is in therapy in San Angelo after a hip fracture. Pleas remains at home waiting for Geniece to return. We miss her and wish her a quick recovery.

Estelle Williams is due to have knee surgery soon and will be gone for awhile. We also learned that Estelle had a birthday on Oct. 8. Best wishes go out to you from the people at the Senior Center.

Nell Wester is out of town this week. She left Sunday to visit her daughter for a while. Jim Lott is feeding her cats in her absence.

Merle and Mary Welty came in to visit last week. It is wonderful to see Merle out after having to be at home. We are looking forward to their next visit, as they always come smiling.

Our last Pot Luck was Oct. 12. Intrepid and TLC Health Care were here taking blood pressures and blood sugar.

We are looking forward to our next Pot Luck on Oct. 26. Our program will be presented by Katie Harrison who represents Hospice. Please come and join us.

There are several things to do here at the Senior Center. We have a number of games or you are welcome to bring your favorite game with you.

Our "Walk Two Miles" exercise class is growing and we want you to join us. We meet at 8:30 a.m. Monday, Wednesday and Friday.

There is a hot bridge game going every Monday. The ladies who come have a ball. They sure cheer up Mondays.

If you are a pool player, we have a pool table in the back. We also have puzzles and the coffee pot is always on.

Our activities are for those 50 years of age or over (we are flexible). Come out and see us soon and see what you are missing.

God bless all of you.

We care about your local news at

four minutes left in the game. Reagan County's Brandon Davenport would find Joey Garcia for a 48-yard pass to the Owls within inches of a touchdown.

The Lions then kept the Owls from crossing the goal line with three seconds left on the clock. Ozona then pushed the ball forward on the final play of the game to bring home the win.

Defensively, the Lions put up a strong showing holding Reagan County to only one touchdown that came early in the second quarter by Josh Ferguson.

Ozona's Colby Mayfield would get a safety with three minutes left in the first half, after Matt McGuire blocked Reagan County's punt to put Ozona on the board 2-7.

Kyle Fish, Jarrod Simmons, Jose Galvan, Freddy Fierro, Levi Vargas, Caleb Mitchel, Matthew Payne, Ely Silva, Stephen Gillit and Eric Fierro also put up a strong showing against the Lions. Ozona is now 5-2 overall and 2-2 in District 2-AA.

## JV Lions fall short to Owls

By MELISSA PERNER  
Editor and Publisher

The Ozona Lions JV football team battled for four quarters but came up just short, 6-12, against the Reagan County Owls Thursday night.

The game was a defensive struggle as both teams made strong defensive stands throughout the game.

However, Reagan County used two long pass plays in the first half to score one touchdown and set up a second to take a 12-0 lead.

The Lions got on the scoreboard with a touchdown run from Josh Santos to make the score 12-6 at halftime.

The second half was all defense as both teams turned back one scoring drive after another.

The Lions were paced by great defensive plays from the defensive front of Rylee Ramos, Aaron Pearl, A.J. Montanez and Cody Gotcher.

"Each took turns making

tackles in key situations in the second half with Ramos providing the most memorable tackles as he finished with seven total tackles, three tackles behind the line of scrimmage and a quarterback sack," said Coach Lenny Morrow.

Offensively, the Lions moved the ball well at times with nice holes being opened up by the offensive line to give running room to Montanez and Santos.

The two combined for 100 yards of rushing to keep the team in position to win till the very end.

"We have played what amounted to one good half in each of the last two district games. That is good enough to keep the score close but not good enough to beat a good opponent. We will continue to work hard and we will continue to correct our mistakes, and I have no doubt that will change to help us finish off the District schedule on a more positive note," Morrow said.

The JV Lions face the Eldorado Eagles at 6 p.m. Thursday in Eldorado.

# Cross country teams compete well in final meet before district

By MELISSA PERNER  
Editor and Publisher

The Ozona High School Cross Country team ran in their final tune-up for the District 2-AA meet Saturday in Ballinger.

Both teams competed well as the girls finished third overall behind Wall and Ballinger and the boys were the runner-ups behind Wall.

The girls' race saw Allison Skehan continue her climb to the front of the pack as she finished fifth overall with Vicki Treto not far behind in 12th place. Sara Dorrough raced to a 19th place finish, Jessica Moore crossed in 26th and Stacy Silva rounded out the scoring in 36th.

The boys were led by Levi English who ran a good time to finish under 18 minutes in 6th place overall. Roman Tambunga, Tate Collis and Ross Kelley were

the next across as they finished 11th, 14th and 15th respectively. Ethan English used a strong finish to claim the 17th spot with Michael Maldonado in 23rd and Wilson White in 37th.

"We have had a solid season up to this point but now we have made it to the races that count. We are competing in a strong district and both the girls and the boys are hoping to finish in that top three as a team to advance on to regional. All the plaques and medals that have been won up to this point won't win a single race from this point on. From here on, it is all about which team is the toughest and wants it the most. We are about to find out what we are made of," said Coach Lenny Morrow.

The Ozona cross country teams will travel to San Angelo State Park on Monday to compete for the District championship.
