## Parent complains about inconsistencies of school cell phone policy

Lack of enforcement, no documentation kept on students in violation of the district's rules

By MELISSA PERNER Editor and Publisher

A cell phone policy where students are not punished the same and documentation is not taken where the main concerns of one parent during the Crockett County CCSD Board of Trustees monthly meeting on June 18.

Jill Koerth spoke to the board in open forum about the district's cell phone policy. Koerth, who is also a teacher with the district, said she was at the board meeting as a concerned parent about the problems found in the policy.

The district's cell phone policy states that for safety purposes, the district permits students to possess cell phones; however, cell phones must remain turned off during the instructional day, including during all testing. The use of cell phones in locker rooms or restroom areas at any time, while at school, or at a school-related or school-sponsored event is strictly prohibited.

Generally, students that display cell phones or have them turned on while on school property before the end of the school day will be required to pay a charge of \$5 for the first offense before the phone will be returned.

## Miller-Shaffer united in marriage

Andrew Lane Shaffer and Kimberly Ann Miller were married May 10, 2008 in Riverside, Calif., at the Green Estate, home of the bride's grandparents, Jerry and Darlene Green.

Andrew is the son of Ray and Kay Shaffer of Ozona, and the grandson of Jessie and Cathy Bailey of Ballinger, Texas, and the late W.J. and Betty Shaffer. He is a 2003 graduate of Ozona High School. Andrew joined the U.S. Army during his senior year. Sgt. Andrew Shaffer is currently deployed to Iraq, where he works in transportation safety.

Kimberly is the daughter of Cary Miller of Riverside, Calif., and the granddaughter of Jerry and Darlene Green of Riverside, Calif. She is the great granddaughter of Camilla Brown. The bride is a 1999 graduate of Fontana High School, in Fontana, Calif. She also attended Intercoast College in

The ceremony was conducted on the grounds of the Green Estate by Pastor Greg Freeman. The bride's grandmother re-landscaped the grounds with white roses and assorted perennials in the bride's colors. The reception was held around the pool area with PRO and denoing. Andrews and Viewbarks was held around the pool area with BBQ and dancing. Andrew and Kimberly danced their first dance to "When I said I do" by Clint Black and Lisa Hartman-Black. Several more special songs where danced to also.

Family and friends from Texas that traveled to Riverside to be a part of this special occasion, Ray and Kay Shaffer (groom's parents), Dustin (brother and Best Man), Jared (brother and groomsmen), Mandy ( sister and bridesmaid), Austin (nephew), Gabby (niece and Flower Girl), Cathy Bailey (groom's Nana), Charles Shaffer (groom's uncle) and Zac Webb from Austin (friend and groomsmen).

After the wedding the couple flew back to Texas for a reception with their Texas friends and family. A "Front Yard Party" was held at the home of Linda Kramer, in good ole Crockett Heights style with the help of many close friends and family. Wedding presents were on display in Linda's house and a barbecue was served to Andrew and his California bride. There was a shortage of nothing and a huge surplus of smiles and laughter. Kimberly is a great asset to the Shaffer clan and can hold her own with her new family.

Entertainment was provided by the Crockett Heights Band consisting of David Pagan, Don Kilgore, Allan Stover, Cory Mitchell and Dean Wadsworth. Greg Jones, also a member was unable to be present. With the help of Don Kilgore the crowd enjoyed classic music from Hank Williams and other oldies all the way to Cross Canadian Ragweed with help of Dean Wadsworth.

The couple enjoyed their time back in Texas, but time went way to fast and they returned to California and busied themselves to get ready for Andrews departure to Iraq. Kimberly will reside in Riverside as she anxiously awaits the return of her true love, Sgt. Andrew Shaffer.

As a bonus, Hudspeth Memorial is much closer to your home than facilities in San Angelo. If you need medical lab tests, consider these advantages:

- One-third the driving time.
- One-half the cost of gasoline.
- Usually shorter waiting times in a less-crowded atmosphere.

Hudspeth Memorial is an outstanding choice for the healthcare needs of people who live in Ozona and Crockett County. We invite you to test us out.

## Ozona Senior Happenings

By LYNN ENGLISH Senior Center Director

Wasn't the rain that we had this past weekend great and appreciated? We are all so thankful and are wishing for more.

Betty and Bob Hartley returned from New Mexico last week. They had a wonderful time visiting with their family. Bob just couldn't leave well enough alone thus he came back with another injury. Bett said "she was not going to take him anymore if he doesn't quit getting hurt."

Diane Phillips came to Ozona last week from her home in Colorado. We all agreed that Diane was a sight for sore eyes. She will visit friends in Ozona this week and return home next week.

Also arriving in Ozona last week was Gwynel Wells. She is the daughter of the late Lefty Walker. Gwynel it is delightful having you and hope

It had been built many years ago and was built very well. It had served many guests in splendor and grandeur. It had weathered the tests of time and faired well but there were those who wanted to tear her down and replace it with something new and different even though she still was sound and able to serve her guests well. She had been built on a good foundation, excellent materials and superb architectural design. Those wanting to destroy her won and they destroyed the grand old hotel by implosion. (A process in which objects are destroyed by collapsing in on themselves). The destruction of that grand old hotel reminds me of what may be happening in America today. America was founded on good sound principles. As a nation we respected God and honored parents, honesty and hard work. Marriage of one man one woman was also honored. Today there is a tide of opposition to those things and many are promising a change to a different way of life. God promises if we will stay with His ways He will continue to bless our nation but if we abandon His ways we will suffer, (Psalm 115:13&18). Pray for our Nation and its people, (2 Chronicles 7:14, Psalm 67:1). Also pray for our leaders and that God would raise up good godly men and women to lead our nation, (1 Timothy 2:1, 2, 8).

## Tobar family thanks everyone for support

I would like to take this opportunity to express my gratitude to everyone for all their prayers and support for the past two years.

This has been a very difficult time for my family and me and knowing that so many people were behind us makes us realize why we call Ozona home.

To Joe Tobar, Ludy Vargas, Tasha Nowell, Lisa Ann Perez, Jesus Flores, Patsy Sims and Anna Ramirez, we would not still be standing without the strength you provided to

To my lawyer, JW Johnson,

Letters to the Editor

For anyone we missed, please blame my memory, not my heart.

I hope and pray that no other family has to endure what my family and I have been through. It has been a long difficult road and we can finally rest knowing that our judicial system does work when a person is TRULY NOT GUILTY!!

Sincerely, Commissioner Alfredo M. Tobar & Family

## Local citizen speaks out about school district's complaint policy

I am writing regarding your recent report from the June 5 school board meeting regarding the district's complaint policy for any complainants and concerns to the school

Mr. Gott stated he would not re-• Theft report filed by an Ozona search or take any complaint seriously brought to him by a board member unless the proper procedures were followed.

> Our concern involved the principal, Mr. Dan Webb, which is level one of the process.

My son did contact Mr. Gott, which is level two of the process, but received no action other than he would "look into the issue."

After my son was ignored by the

administration, I took it upon myself to write a letter (with my name and address) to the principal, superintendent and school board members with my son's permission.

Other than being contacted directly by two board members that shared in our grief, I too have been ignored by the administration.

There has been no solution or explanation to the issue for my son or myself except a phone call to my supervisor by the principal, Mr. Webb.

Don't be so sure that even if you follow the "policy" that you will still be taken seriously and see a solution to your complaint or concern.

> Sincerely, Barbie Myers

## Former Ozona teacher speaks out for intermediate school principal

I would like to speak out in support of Manley Holmes and the job that he has done for the Ozona Intermediate School for so many years.

I had the privilege of working for Mr. Holmes for 12 years as a 3rd grade teacher. During that time, our TAAS/ TAKS scores continued to improve, and our students were continuing to the next grade level better prepared.

Mr. Holmes invariably put the own abilities as an educator and needs of the students above all else, knew that he had his students' best interest at heart.

He consistently supported his teachers and I personally was never denied anything that I asked for that would benefit my students or would help my students better succeed in the classroom.

For the Crockett County School Board to reassign him the way that they did is callous and hardhearted.

I realize that the district is undergoing some transitions, but Mr.

Holmes deserves much more from this school board for the time that he has so selflessly dedicated to Ozona Schools.

I would like to publicly say that the 12 years I worked for Mr. Holmes were some of the most enjoyable in my teaching career, and I attribute much of my students' successes to his direction and his conviction that all students can learn. He taught me to believe in my

to build my classroom strategies and in working with him, I always around my strengths and to use those strengths to focus on the needs of my students. Mr. Holmes, thank you for help-

ing to shape me into the teacher I became under your leadership.

I wish the best for you and I pray that God will bless you and your family in the future.

Sincerely,

Terri Faught Special Education Teacher / Teacher of the Deaf and Hard of Hearing Seminole ISD
