About Homemakers & Homemaking IN BAILEY COUNTY BY MOLLIE JORDAN

October 16 is a big day on the 4-H calendar in Texas. Texas' top 4-H seamstresses will be selected when the State Dress Review is held October 16 in the State Fair Auditorium from 11 a. m. to 12 noon.

Modeling dresses will be 58 top representatives selected from district reviews. In the preliminaries, 158 counties held reviews. Judging will be based on construction of the garment, how well the girl wears the dress, whether the dress is becoming, posture and poise add to the score. Since the 4-H clothing program covers all these fields, more than just sewing skill is necessary to win.

Girls competing are between 14 and 21 years of age, and have at least three years of club work. Perhaps Bailey County will be represented at the state review next year. Anyway we can be sure that some of the girls will show their dresses at the county and district dress reviews.

The district two scholarship for a 4-H girl was awarded to Yolanda Ellis, home economics student at Texas Tech. Yolanda is from Plainview and had a fine 4-H record. Progress West Camp and Muleshoe Home Demonstration clubs all contributed to the fund which made this scholarship possible.

COPPER AND BRASS USED IN HOUSEHOLD ITEMS

Copper and brass are being used in many household items today. The bright and shiny metals add beauty and usefulness to many ordinary utensils, but they must be kept clean.

Both copper and brass are hard metals and can be treated much alike. For spots that don't come off with hot soapy water, try rubbing with hot vinegar and salt. Lemon rind and salt or hot buttermilk will do the trick also. If you prefer a dull finish, ap-

ply a paste made of Rottenstone and boiled linseed oil. Wipe off the paste with a cloth moistened in linseed oil, and polish the surface with a dry cloth.

An antique finish is polished only with linseed oil or lemon oil.

NEW BULLETIN ARRIVED

A new bulletin "Freezing Combination Main Dishes" arrived in the office today. This booklet from the U. S. Department of Agriculture has the answers to many questions asked about freezing cooked or ready-to-be-cooked dishes.

Freezing is a real time-saver when preparing main dishes such as meat loaves, stews and casseroles — and here are a few suggestions for success.

DO — Leave vegetables and macaroni slightly undone for freezing. Otherwise they will be soft when reheated. Vegetables which are fully cooked are also likely to have less color and flavor or be off-flavor.

DO — Freeze meat pies or turnovers with pastry crusts unbaked. Crusts baked after freezing will have fresher flavor and be more flaky and tender than those baked and frozen.

DO — Cool the main dish quickly before freezing. Set the uncovered pan of food on ice or in ice water. Quick cooling stops the cooking and helps to keep the natural flavor, color, and texture of the food. It also retards growth of bacteria that may cause spoilage.

DON'T — Add a cheese or crumb topping to a casserole before freezing. Such toppings are best added when the food is reheated.

DON'T — Hold main dishes too long in frozen storage. For economical use of freezer space and tip top quality two or three months is long enough to hold main dishes in frozen storage.

Would you like some of the recipes of combination main dishes especially adapted for freezing and more information on the techniques of freezing these dishes? Come by the office of the home demonstration agent and pick up a copy of the bulletin.

FROM CALIFORNIA

Claud Ellis, of Ukiah, Calif., visited in the home of his father, J. W. Ellis of Muleshoe last week, while his sister, Mrs. Maude E. Jones spent a few days with her daughter, Mrs. H. B. Byerley and family of Petersburg.

WELLBORN ATTENDS HAIR STYLE CLINIC SUNDAY

Curtis Wellborn, of Wellborn Beauty Shop, spent Sunday, October 10 in Abilene where he attended a Hair Style Clinic. Guest artists were Margaret Vinci of Chicago; Garland Bales of Abilene; Margie Stevenson, of Lubbock, J. C. Prince, Amarillo.

Mrs. McReynolds Gives Program As Philathea Meets

Philathea Circle of the First Methodist Church met October 7, at 7:30 in the evening, at the home of Mrs. Bennie Chapman. Joy Whitt, vice-president, called the meeting to order, and the opening prayer was given by Mrs. Hanks.

A report was given on the community calendar, and all ads and birthdays must be turned in by the next meeting day, October 21, if they are to be on the calendar.

A very interesting program was given by Mildred McReynolds on "Our Faith In Prayer."

The next meeting is to be in the home of Doris Jones, and will be October 21.

Refreshments were served to one visitor, Mrs. Hanks, and to the following members: Mmes. Mildred McReynolds, Ida Mae Shofner, Gladys Black, Fern Awrey, Joy Whitt, Betty Murrell, Doris Jones, Ethel Benites, Gertrude Myers and Theresa Edwards, by the hostess, Mary Nell Chapman.

WSCS Will Complete New Study Monday

Mrs. R. O. Gregory was hostess to twenty members and seven visitors Monday, October 14, in her home, as the W. S. C. S. of the Muleshoe First Methodist church held a regular meeting.

The program opened with the group singing, "We Gather Together". Mrs. Hanks, a visitor, led in prayer.

Mrs. S. C. Beavers brought chapters eight, nine, and ten, of the new study, "Man and God in the City".

A playlet, under the direction of Mrs. S. C. Beavers, was acted out by Mmes. Beulah Carles, M. F. Birdson, S. C. Beavers, I. F. Willman, and E. L. King, and Misses Linda Stephens, Susan Birdsong, and Claudia Huber.

A short business session was held by the president.

The study on "God and Man In The City", will be completed at the next meeting, Monday October 18. Rev. Clarence Stephens will be guest speaker. All members are asked to be present.

Mrs. Clarence Stephens and Mrs. Mervin Wilterding attended the district meeting at Kress, Monday, October 11.

Mrs. Moore dismissed the group with a prayer.

Those present were: Mmes. S. C. Beavers, J. J. Gross, H. M. Shofner, Arnold Morris, Morris Childers, Cecil Davis, Roy Bayless, R. O. Gregory, F. B. Pierson, F. W. Watts, Bill Moore, I. F. Willman, Beulah Carles, C. R. Farrel, M. F. Birdsong, O. S. Richards, Frances Blair, E. L. King, H. Jay Wyer, and T. H. Harvey.

Weiner Roast Is Planned By The Sunshine Club

Nine members of the Sunshine Club met last Thursday, October 7, in the home of Mrs. L. D. Tipton.

Vice-president, Mrs. L. C. Browder, called the meeting to order. Each member answered the roll call with a favorite verse from the Bible.

A marshmallow and weiner roast was planned for October 22, at 7:00 o'clock at the home of Mrs. H. D. Crawford. Everyone is invited and urged to attend. Bring enough weiners and marshmallows for the family. Games will be played.

Mrs. S. D. Anderson will be hostess for the next meeting, October 21, at 1:30 o'clock in the afternoon.

Present were: Mmes. Patterson, C. H. Odum, Muri Barnhouse, S. D. Anderson, Dave Coulter, E. W. Adkins, L. C. Browder, and H. D. Crawford.

OES Members Attend Meeting At Earth Monday

Several members of Muleshoe Chapter No. 792, O. E. S., attended the Friendship Night and salad supper at the Earth Lodge, Monday evening, October 11.

Rainbow Girls of the Earth Assembly presented a very entertaining program.

Lodges represented other than Muleshoe were: Floydada, Hereford, Olton, Littlefield, Sudan, and Dimmitt.

Members from here attending were: Billie Mathis, Lola Bray, Viola Layne, Mary Farley, Mr. and Mrs. W. F. Creamer, Lou Green, Mickie Bryant, and Carolyn Herrington.

NOTICE

In last week's issue of The Journal in the Rainbow Girl's Installation write-up, names of girls who won awards for learning their Rainbow work were given. Mary Janice Puckett was not listed among those, but she also won an award.

Mrs. Gene Coburn Is Honoree Of Bridal Shower

Mrs. Gene Coburn, nee Miss Elaine Miller, was the honoree of a bridal shower last Tuesday afternoon, October 5, at 2:30 in the afternoon, at the home of Mrs. Wiley Baker.

Hostesses other than Mrs. Baker were: Mmes. D. O. Burlsmith, Sam White, ohn Mounts, Jim Curtiss, Albert Ramm, Boone Allison, and W. R. Herrington.

Beautiful bouquets of fall cut flowers were placed at various points of interest throughout the house. Gifts were on display on a table covered with a lovely white cloth, and centered with a miniature bride and groom standing under an archway.

The bride's chosen colors of pink and white were carried out in the refreshments of angel food cake and punch.

One game was played during the afternoon.

Approximately twenty guests were present, and many sent gifts who were unable to attend.

ARRIVED HOME

Mrs. Bill Aylesworth arrived home Tuesday of this week for a few days visit with relatives and friends. She has been at Killeen with her husband, Pvt. Bill Aylesworth, who is stationed near Killeen, at Ft. Hood.

NOTICE TO MEMBERS OF MULESHOE STUDY CLUB

The Muleshoe Study Club will meet in the R. E. A. building this evening, Thursday, October 14, at 8:00 o'clock.

Hostess is Mrs. Buck Ragsdale, and the program chairman is Mrs. Lonnie Arnold.

Jack Douglass and Benny Chapman have worked up a program on soil conservation, "Beat The Sand and Build the Soil", which should prove very interesting and helpful.

ESTERBROOK pens, points, pencils, at The Journal.

Brazilian Friends Meet Again

LeRoy "Pete" LaMaster gets a demonstration on tea sipping from Bobby Lawrence, two year old son of Rev. and Mrs. Kyle Lawrence. The Lawrence and LaMasters met in April, 1953 at Manaus, Brazil, 1,000 miles up the Amazon river—and the Lawrence recently paid a return visit to the LaMasters in Perryton, Texas. Bobby was born in Brazil and has a full two-year command of the Portuguese language.

Legal Notice

NOTICE TO BIDDERS AND NOTICE OF INTENTION TO ISSUE ROAD AND BRIDGE WARRANTS COUNTY OF BAILEY:

NOTICE IS HEREBY GIVEN that the Commissioners' Court of Bailey County, Texas, will receive bids until 11:00 o'clock A. M., on the 8th day of November, 1954, at the Courthouse in Muleshoe, Texas, for the purchase of the following road machinery:

1—Motor Graders, powered by 100 h.p. Diesel Engines, equipped with cab, heater, windshield wiper, hour meter and 1300x24 front tires.
NOTICE IS ALSO GIVEN that it is the intention of the Commissioners' Court of Bailey County, Texas, to pay for said road machinery out of an issue of Bailey County Road and Bridge Warrants in the maximum amount of \$50,000.00, bearing interest at a rate not to exceed three (3) per cent per annum, and maturing at such times as may be fixed by the Commissioners' Court, serially or otherwise, with a maximum maturity not to exceed four (4) years from their date; which warrants will be authorized by the Commissioners' Court by an order to be passed on the 8th day of November, 1954.

A cashier's or certified check, issued by a Texas Bank, payable without recourse to the order of Cecil H. Tate, County Judge of Bailey County, Texas, in the amount of five (5%) per cent of the amount of the bid must accompany each bid as a guarantee that if awarded the contract the bidder will promptly enter into contract and execute bonds in the amount and in the form required by law. The County will make arrangements for the contractor to dispose of the warrants herein mentioned at not less than par and the contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

CECIL H. TATE,
County Judge,
Bailey County, Texas
42-2tc.

PARMER COUNTY Farm Bureau News

By RAYMOND EULER

The seventh year of operation for Parmer County Farm Bureau is now underway. "Shine" (Robert Hines) McFarland, now of New Mexico was one of the first really active members of the group that we know of. He acted as secretary, treasurer and general promoter for several years. The first president was Charlie Thompson, son of Lee Thompson, of Farwell. Before his term expired he resigned because of health complications and was replaced by Fred Bolton who lives out by Oklahoma Lane. Roy Miller, northwest of Friona was president in 1950. Bruce Parr, east of Friona, in the Black community served three terms, being replaced by A. J. Ellison, living east of Bovina last year.

Membership has grown appreciably under the leadership of each one of these men. Business that has to be taken care of has grown even faster than the membership, it seems. There are times when the presidency is a full time job, and all of these leaders have given freely of their time and money to be sure their jobs were well done.

The board of directors of Parmer County Farm Bureau has always been made up of farmers who assumed the responsibility of leadership vigorously. The number of directors has been increased to ten, and in a great majority of director's meetings all have been present, and seldom are more than two absent. It is our opinion that few laymen who have not served in an official capacity realize the service these men have rendered to the farmers of this county and the state and nation. The value of the organization would be hard to estimate, but we have concrete evidence of more than \$24,000 per year cash savings on individual services to members which is more than three times the amount of dues paid by all members. Indications are that future years hold forth greater realization of services than those past. With this as our vision we can enjoy the work that becomes necessary each day that we begin.

Consider This: He that tilleth his land shall have plenty of bread; but he that followeth after vain persons shall have poverty enough. Prov. 28:19.

HERE FROM KILLEEN

Miss Elizabeth McCordle, of Killeen, has been a guest in the home of her old friends, Judge and Mrs. R. J. Klump. She is on her way to San Francisco for a visit.

Fire Prevention Works

Sparky trains his hose on fire losses. The graph shows that, when inflation of the dollar is taken into account, the loss is not so great as it otherwise seems. The National Fire Protection Association, sponsor of Fire Prevention Week, Oct. 3-9, estimates that the 1954 loss will hit \$1,190,000,000, but this amount would be more than cut in half in terms of the 1940 value of the dollar.

Fire prevention really works. While the dollar fire loss today is three-and-a-half times as great as in 1940, the real loss is far less. In terms of 1940 dollars, as shown in the graph, the U.S.-Canadian loss in 1953 would have been only about \$550,000,000, instead of \$1,160,000,000. The National Fire Protection Association, sponsor of Fire Prevention Week, Oct. 3-9, says: "Current inflated dollar loss figures are misleading. The amount of actual property destroyed by fire is not far above the fire waste many years ago. This is in the

face of a huge increase in combustible property—thousands of new homes, new factories, new schools, and untold amounts of combustible manufactured goods that cram buildings, highways, and storage facilities. The trend of losses in relation to the total amount of combustible property has been decreased through measures of fire prevention and protection. This means that people are learning and applying the simple elements of fire safety and that the intensive program of fire prevention which is being carried on by many organizations is paying off."

HOW MUCH COULD YOU PAY?

If you lost a damage suit tomorrow, how much could you pay? At home, taking part in sports or other leisure activities — most any contact you and your family have with others — you need the financial protection of our Comprehensive Personal Liability Insurance. This Weeks Mystery Farm

CAN YOU IDENTIFY THE MYSTERY FARM? If you are the first correctly to identify the farmstead pictured below, you will be awarded two tickets to Cox Drive-In Theatre in Muleshoe. Watch The Journal each week for a picture of an attractive farm home of the Muleshoe country.

Just phone The Journal and inform us where you live and whose farm you think this is. There will be two tickets each for the first out of city dweller and the first city resident to telephone or call at this office. Phone 5400 and 7220.

BABSON DISCUSSES—

Florida's Future

Babson Park, Mass., Oct. 14 — Almost everyone — including boosters for California, Arizona and New Mexico—will agree that the Florida winter climate cannot be beat. Up to the present time, however, readers have heard no praise of Florida's industrial possibilities.

Reasons Why Florida Lacks Industries

Any state which lacks industries usually lacks available jobs. This means that before moving to Florida you had better arrange to have a check from a pension fund or from invested funds sent to you from the North each month. Don't go to Florida now without either money or a promised job. This may apply also to other states; but I know Florida, having spent thirty winters there.

The main reason Florida has lacked jobs is because it has lacked heavy industries. The main reason it has not held its own industrially is because of its lack of natural gas—absolutely essential for industries which require a large amount of heat. Only four of our forty-eight states are operating with this handicap.

Why Florida Lacks Lacks Natural Gas

The first answer to this question is because natural gas has not been found as yet in Florida. It will be found some day; but when, no one knows. The second answer is that the constantly increasing demand for natural gas by the Carolinas, Alabama, and other states lessens Florida's chance for supply by pipeline.

The situation has become worse since the big pipelines have been extended to the industrial East. These new pipelines mean more gas used at higher prices. This discourages the building of big pipelines into and through Florida to take natural gas into the state from states bordering Florida on the north.

Florida May Have An Industrial Boom

Through work being done by Willard L. Morrison, a famous

engineer of Lake Forest, Illinois, supplemented by the work of the Florida Research Group, at Babson Park, Florida, I believe Florida will get a great supply of natural gas from Venezuela. This gas will be compressed at Venezuela—on the basis of 600 cubic feet of gas being made from one cubic foot of liquid gas.

Gas Will Be Shipped By Water

This liquefied gas will be shipped in barges. They will be towed singly or in pairs from Venezuela to Tampa. The barges will be used for storage of the gas while it is being vaporized. Remember, one cubic foot of liquid gas will make 600 cubic feet of natural gas. Florida may well have the cheapest natural gas of any state.

Already Mr. Morrison is making contracts for sale of this liquefied gas to the Stock Yards of Chicago, after towing it from New Orleans up the Mississippi River. Yet, Florida is 2,000 miles nearer Venezuela than is Chicago. Yes, Florida is headed for a great industrial development.

The Value of Refrigeration

When the condensed liquid turns into gas, a tremendous amount of cold is produced. Mr. Morrison has selected the Chicago Yards as his first customer instead of many other nearer cities because of the Stock Yards' demand for refrigeration. But, certainly, Florida needs refrigeration as well as natural gas! It is needed not only to freeze citrus juices and to preserve other products, but to "cool the entire state in summer." If natural gas is discovered in Florida, or piped in, such gas will give the needed heat, but not the needed refrigeration. Liquefied gas, however, will provide both warmth in winter and coolness in summer, together with the terrific heat needed for industry throughout the year. For further details contact any Florida Gas Company.

Rexall Drug Co. Names Damron's As Rexall "Honor Store", Plaque Awarded

JUSTIN DART

Justin Dart, president of Rexall Drug Co., has designated Damron's Rexall Drug Store as a Rexall "Honor Store" in recognition of its high standards of community service...

JOE DAMRON

The award to the local store was made in accordance with the provisions of a special program instituted by Rexall Drug Co. The "Honor Store" program establishes certain standards to which Rexall stores must conform before they may receive the "Honor Store" award...

Most People Killed by Fire Die in Their Own Homes

Home fires kill more people than all other fires combined, says the National Fire Protection Association. During Fire Prevention Week, Oct. 3-9, the NFPA urges all members of every family to learn how to combat the six main fire causes...

- 1—Smoking and careless handling of matches. Put out cigarettes and matches carefully before throwing them away. 2—Dirty and poorly maintained chimneys and heating equipment. A house can catch fire if a dirty chimney shoots sparks onto flammable roofing material...

3—Hot ashes and coals. Keep them in covered metal containers. Keep the area near a furnace free of combustible materials. 4—Trash accumulation. Remove rubbish regularly from the house...

- 5—Improper handling of gasoline and kerosene, and use of flammable liquids for home drying and cleaning and paint removing. The NFPA stresses the importance of making children fire safety-conscious from the earliest years. The association advises, "Teach them from two years on to distinguish between the right and wrong uses of fire..."

Party Held At Joe Walker Home

Mrs. Gordon Murrah and Mrs. Troy Atkinson were in charge of games at the party which was held at the home of Mrs. Joe Walker, September 30. Ladies of the Progress W. S. C. S. were present.

Prizes were given to winners of the games, but Mrs. Murrah received all the prizes. A rush shower in her honor.

Refreshments of cookies and grape punch were served to Mrs. Mattie Griffin, Carol Jones, Arthur Cooper, Bud Carter, Earl Henry, Troy Atkinson, Gordon Murrah and Byron Gwyn by the hostess.

Mother's Going Out!

Be it shopping, bridge or business, mother doesn't worry about leaving instructions for children returning from school. Modern electronics has come up with an easy-to-operate Timex Magnetic Disc Recorder made especially for home use. It records voices and plays back results immediately...

Ladies Report On Day At Fair As Muleshoe HD Met

Mrs. Roy Carney and Mrs. S. C. Caldwell reported on their day as hostess at the ladies building at the South Plains Fair in Lubbock earlier this month as the Muleshoe H. D. Club met at the home of Mrs. S. L. Robinson Tuesday of this week.

Mrs. Carney gave a talk on the many things which were made from feedstuffs, while Mrs. Caldwell spoke on the copper work which was on display in the building.

Mrs. Briscoe won the hostess gift, six dessert dishes and two photo-holders.

Miss Mollie Jordan showed slides of different styles of barbecue pits, and Mrs. Caldwell told the group of her plans for making a barbecue pit at her home. The pit will be built at the next meeting of the H. D. Club, which will be held Tuesday, October 26. This will be an all-day meeting.

Officers were elected for the coming year. They are: president, Mrs. Roy Carney; vice-president, Mrs. Olen Dutton; secretary-treasurer, Mrs. S. L. Robinson; reporter, Mrs. S. C. Caldwell; council delegate, Mrs. J. H. Hanks; alternate delegate, Mrs. A. W. Copley; and parliamentary, Mrs. C. E. Briscoe.

In addition to the above mentioned ladies, the following were present: Mmes. Don Bruns, E. H. Baugh, C. H. Gillis, Gene Landers, W. W. Smith, Walter Witte, W. H. Awtrey, H. G. Griffiths, W. R. Bowers, and Alton Krieger, and visitors, Mrs. W. A. Stevens and Mrs. Hanks' daughter.

Bosses Night

More than the JayCeess' bosses, who were present. Those were: Ebb Randol, pastor of the Church of Christ; Rev. J. E. Moore, pastor of the First Baptist Mission; and Gil Lamb, of Radio Station KICA, of Clovis, N. M.

The hall was beautifully decorated, and at one end a banner read: "Welcome Bosses — The Finest Fellows In The World". Lowell Irvin St. Clair was toastmaster. He introduced Mr. Howell, Music Director in Muleshoe High School, who in turn presented the choral group of the high school in four numbers: "We Thank Thee, O Lord", "Go Down Moses", "In The Still Of The Night" and "September Song". The group is composed of twenty-six boys and girls, and their singing was very good.

Minister Ebb Randol gave the invocation, after which Lowell Irvin St. Clair introduced the Muleshoe JayCees President, James Crow, who gave a fine short talk and asked for the bosses and guests to be introduced. Buddy Blackman, past president of the Muleshoe JayCeess and past vice-president of the Texas Junior Chamber of Commerce, then gave the welcoming address.

Ralph Krebbs, of Lubbock, the main speaker of the evening, was then introduced. Mr. Krebbs is past president of the Plainview JayCeess, past president of the Lubbock JayCeess, past vice-president of the Texas JayCeess, past extension chairman for five states for the United States Junior Chamber of Commerce and past holder of various offices in life insurance organizations here on the South Plains.

Mr. Krebbs told the bosses what the JayCeess were doing all over the United States with their time when they asked for an hour or two off now and then. He also told of how the Muleshoe JayCeess, with Rufus, their mule, really stood out at the State JayCee convention and how they put Muleshoe on the map, at least in JayCee circles.

He then told how in 1915, a young man named Henry Giesinger, went to a town meeting in St. Louis, Mo., where a bond issue was being decided that would take some thirty years to pay off. He noticed that all the men who were deciding this issue which he and other young men would have to pay off, were fifty and sixty years of age. He told how young Henry got busy and organized a club of young men to help decide their own future debts. This came to be the first JayCee organization in the world. The second JayCee organization was in Dallas. There are now one hundred sixty-two of these organizations in Texas, and eighteen hundred in the United States. Today the Junior Chamber of Commerce is International, having organizations in fifty-five foreign countries.

Rev. J. E. Moore gave the benediction, and a very enjoyable evening ended.

Bible Quiz Held At WSCS Meeting

The third lesson on "Jesus Teachings Concerning Women" was studied by ladies of the Progress Women's Society of Christian Service as they met for a regular session at the Church, this week.

Mrs. Joe Walker, president, conducted a business meeting. The rummage sale, planned for next Saturday, October 16, will be held at the court house lawn. Mrs. Troy Atkinson, secretary-treasurer, reported that the movie projector is paid for. The new project is table and chairs for the nursery. Also, members decided to keep the nursery open for babies and young children during church services, as well as during society meetings. Several ideas for raising money were discussed.

Mrs. Mattie Griffin gave the devotional talk, "Nothing to Fear But Fear." Mrs. Johnnie Westbrook then discussed chapters seven and eight of the textbook about Mary and Martha, and other New Testament women. A talk on "Jane Adams, founder of Hull House", was given by Mrs. Joe Walker.

Mrs. Carol Jones held a Bible quiz on Women of the Bible. The meeting closed with a hymn, "I'll Go Where You Want Me To Go."

Ladies present were: Mmes. James Wedel, Carol Jones, Byron Gwyn, Joe Walker, Johnnie Westbrook, Mattie Griffin, Arthur Cooper, and Troy Atkinson.

The Weather

Table with 3 columns: Date, Low, High. Rows for Oct 7, 8, 9, 10, 11, 12, 13.

Cool mornings and hot days are the rule here. A 37 degree low is predicted for Amarillo tonight, not far from the frost line.

Rep. Jesse Osborn Discusses Eleven Proposed Amendments To Constitution

Jesse M. Osborn, of Muleshoe, representative for this district in the Texas Legislature, reviewed for members of the Rotary Club and their guests the salient features of eleven proposed amendments to the constitution of Texas to be voted on Nov. 2, when the club met Tuesday.

Mr. Osborn surprised his listeners by saying that since the constitution was adopted in 1876, it has been proposed 1,700 times to amend it. In 213 cases, both Houses of the Legislature have passed amendment resolutions; and of this number 113 have been adopted by majority vote of the people.

The eleven proposed this year is the greatest number that have been up for action of the voter, at any one time.

While he reviewed each proposed amendment, on most of them he merely pointed out arguments for each side, leaving the listener to form his own opinion. But on several, Rep. Osborn has decided views.

Senate Joint Resolution No. 10 (Amendment No. 4 on the ballot) especially has his endorsement. The amendment would permit the State to use surplus funds

that have accumulated in the Confederate Pension Fund to erect office buildings for State Courts and department offices on lots already owned by the state, saving an estimated rental outlay by the state of some \$225,000 a year. He sees no reasons why this amendment should not be adopted.

And Rep. Osborn is opposed to Senate Joint Resolution No. 5, which would empower the Legislature to set salaries of the Governor and several other state officers. He believes these salaries should be set down in the Constitution, and not left to the discretion of future Legislators.

Mr. Osborn favors Senate Joint Resolution No. 14, which would prohibit the use of the credit of the State or grants of any public money for building or operation of toll roads or turnpikes but he believes private capital should build them.

He also is opposed to the provision in S. J. R. 5 which would fix compensation of members of the Legislature at \$25 per day for not more than 120 days of any session. At present Legislators are paid \$10 a day for the first 120 days of a session, \$5 a day thereafter; and travel commutation for one trip to the capital.

While this change would add only \$360,000 to the State's expenses, yet increases here and there, even small, he said would amount to important money in the aggregate and all of it has to come from the taxpayers. He was not convinced that an increase in salary would automatically insure that more able men would go to the Legislature. Many questions were asked the speaker upon the conclusion of his remarks, indicating the interest of those present in learning about the proposed amendments.

Theresa Edwards Hostess As Los Planos Club Met

The Los Planos Study Club met Thursday evening, October 12, in the home of Theresa Edwards. Elaine Damron, president, was in charge during the business session. Arvella Haberer, Moral and Spiritual advisor, gave an inspiring talk. A report was given by Hattie Ray Jones, Federation Councillor. Mary Nell Chapman, gave the treasurer's report.

Billie Joan Smith introduced the guest speaker for the evening, Dr. George Prothro, of Clovis, N. M. who spoke on children's diseases: polio, rheumatic fever, and cat's scratch fever. Following his very interesting talk, members of the club and Dr. Prothro held a question and answer period.

A report on the Girl Scouts was given by Dorothy St. Clair, chairman of the town committee. A report was also given by the Finance Chairman, Ruth Fowler, who stated that the rummage sale would be held the coming Saturday in Muleshoe.

The club is to have a guest speaker at their next meeting, through the courtesy of the National Federation. His topic will concern "Casualty Insurance."

Cletis Moore, Betty Murray and Frances Griffin, were accepted as new members of the club. Club members voted to endorse the JayCeess plan for private voting booths.

Refreshments were served to one guest, James Reese, of Lubbock, and the following members: Lometa Smith, Helen Schmitz, Dorothy St. Clair, Arvella Haberer, Laurantette Mason, Dian Reed, Gladys Black, Mary Nell Chapman, Betty Hopper, Hattie Ray Jones, Ruby Lee Kerr, Elaine Damron, Ruth Fowler, Ruth Roberts, Pat Scott, Billie Joan Smith, and the hostess, Theresa Edwards and Ruth Franz.

Good Attendance At WMU Meeting

Members of the W. M. U. of the First Baptist Church of Muleshoe, met in joint session with all circles of the church Monday, October 4, at 9:15 a. m. for the first meeting beginning a new year of work.

The program concerned mission work and was presented in a very interesting manner by Mrs. E. K. Shepherd, program chairman. Those on the program wore costumes of the country they represented.

Despite the downpour of rain there was a very good attendance. Those present were: president, Mrs. Faye Cox; Mmes. Pauline Jamison, Mona Towns, Mildred Howell, Bobbie Ratliff, Evelyn Perkins, Ruth Fowler, Truma Griffiths, Lou Dell Wilhite, Cora Stinson; Balah Motherall, Henry Harvey, Wilma Davis, Oneta Sedgewick, Gladys Wimberley, Uleta Jenkins, E. K. Shepherd, D. W. Winn, Betty Bratcher, A. E. Bray, J. E. Moore, Ed Hicks, L. D. Sanderson, W. B. Harlan, Ruth Roberts, C. M. Hinkle, and W. B. McAdams.

Beginning this week there will be three day circles, with one at the mission, and a business woman's circle to meet in the evening. One circle will meet each Wednesday at 9:15 a. m., and one each Monday afternoon at 2:30 The Mission Circle is to meet each Wednesday at 9:15 a. m. All circles will meet in a joint meeting the first Wednesday of each month at 9:15 a. m.

Farmers Burn Dollars

The labor and production of many months went up in flame as fire destroyed this Indiana barn and its contents, including 700 bushels of corn and 100 tons of newly harvested hay. If the moisture content of hay is too high when it is stored, fire by spontaneous ignition often results.

American farmers squandered more than \$380,000 a day last year on the poorest investment of all. That was the daily loss in farm fires in 1953, a total of more than \$139,000,000 for the year.

- 1—Be careful with cigarettes and matches, and get your family and employees to follow your example. 2—Keep the space around stoves and furnaces clear of combustibles. Never attempt to build "home-made" heating equipment; have it set up and serviced by a qualified heating man. Take extra care with an oil heater; keep it clean, turn it off and let it cool before refilling it, and use a funnel and metal container with a pour spout when pouring oil. 3—Don't let trash collect in corners, closets, along building walls. Keep oily rags in closed metal containers. 4—Replace flammable wood shingle roofing with asphalt shingles, asbestos, metal, or other fire-resistant material. Flammable roofs invite the spread of fire. 5—Protect all main buildings with approved lightning rod systems and frequently check their grounding. 6—Before refueling equipment, shut it off and let it cool. Refuel out-of-doors and away from flames. 7—Periodically check all wiring, and have an electrician replace any that is worn or defective. Keep a supply of extra fuses of proper amperage (15-ampere fuses for house circuits). 8—Don't let grain-drying equipment overheat and don't place dried grain where it can be ignited by sparks from machinery.

Ester Ruth Ford And Bill Estep Are Married Here In Evening Ceremony

In a simple but impressive ceremony performed at the Assembly of God Church here October 7, at 7:30 in the evening, Miss Ester Ruth Ford became the bride of Billy Joe Estep.

She is the daughter of Mr. E. T. Ford of Muleshoe, and the groom's parents are Mr. and Mrs. L. L. Estep, also of Muleshoe. Rev. Long, pastor of the Assembly of God Church, of Olton, read the ceremony.

The bride was lovely in a ballerina length gown of Chantilly lace over taffeta, fashioned with a fitted bolero jacket, and long fitted sleeves, which extended to points over the hands. The bouffant skirt was worn over crinolins to emphasize fullness. Her fingertip length veil of tulle, was attached to a small hat sprinkled with rhinestones and pearls.

Naomi Watson furnished the traditional wedding marches at the piano. Immediately following the ceremony the couple left on a wedding trip to Ruidoso, N. M. Mr. and Mrs. Estep will make their home in Sudan, where he is employed by the Santa Fe Railroad.

Out of town guests attending the wedding were: Mr. and Mrs. Edward Estep and daughter, Portia; Glen Williams, Goodland; H. E. Schafer, Route 2; Raymond Maynard, City; A. J. Lenderson, City; Glen Stevens, Route 1; Jim Clements, Star Route 2; H. C. Holt, City; D. L. Redwine, Route 2; A. C. Gaede, Route 1; George Glover, Okla. City; A. L. Gabbert, City; Union Compress, City.

Glen Williams, Goodland; H. E. Schafer, Route 2; Raymond Maynard, City; A. J. Lenderson, City; Glen Stevens, Route 1; Jim Clements, Star Route 2; H. C. Holt, City; D. L. Redwine, Route 2; A. C. Gaede, Route 1; George Glover, Okla. City; A. L. Gabbert, City; Union Compress, City.

VOLUME 32, NUMBER 41 MULESHOE — County Seat of Bailey County — TEXAS THURSDAY, OCTOBER 14, 1954

Texas Notables Support Amendment To Permit State To Build Own Offices

Seven former attorney generals and four former governors of Texas have announced their support of Amendment Number Four which would provide two state office buildings at no extra cost in taxes and a quarter of a mil-

The Amendment will be up for a vote on November 2 in the general election and provides for the transfer of unneeded money in the Confederate Pension fund to a State Building Commission for construction of a state court building and a state office building.

It has already been endorsed by Governor Allan Shivers, the State Legislature, and both Democratic and Republican 1954 conventions. Adding their word of approval this week are the following former attorney generals and governors: Dan Moody, James V. Allred, Robert Lee Bobbitt, William McGraw, Gerald Mann, Grover Sellers, Price Daniel, Miriam Ferguson, and William P. Hobby.

This Amendment was recommended by the governor to the legislature and was co-sponsored by Senator George Moffett of Chillicothe and Rep. Bill Daniel of Liberty.

The 66-year old Capitol Building long ago burst its seams as far as office space is concerned. State agencies are housed in a 192-block area in the city of Austin at a cost of \$250,000 annually in rentals. The Supreme Court and State Courts in the Capitol Building are so crowded that the Supreme Court justices are located on separate floors and do not have an office large enough for a private conference. Lawyers in the attorney general's office are similarly crowded, and the State Library and Archives long ago resorted to putting valuable records in a moldy basement as the only available place to store them. The State Courts and the library would occupy the State Courts Building and agencies now renting space outside the Capitol would go into the State Office Building.

LANCASTER AND SOOTER TO CO-OP MEETINGS

D. B. Lancaster, manager of the Bailey County Electric Cooperative Association and of the Five Area Telephone Cooperative, attended a meeting on rural telephones, held in Waco first of the week.

He then joined Joe Sooter, a director of the Electric Cooperative in a meeting of electric cooperatives held in Fort Worth.

Planetarium At Tech Available For Star Gazers

LUBBOCK, Oct. 8 — The sun, the moon, the Milky Way—not to overlook Mercury, Venus, Mars, Jupiter and Saturn—have arrived at Texas Technological College.

By way of explanation, small images of these heavenly bodies have been attached to the Planetarium's giant projector. They will be reflected by the projector, along with some 25,000 other starry images, against a dome screen at the Planetarium to create an illusion of the skies.

These tiny stars and planets are attached to the projector with mathematical precision so that in projection they appear exactly as they would be seen by a person looking skyward on a clear night. The projector can make adjustments to show the relation of these stars and planets to the earth any night of the year.

The new additions for the projector, purchased at a cost of about \$1,000, are permitting a more varied lecture program for this year, according to Dr. W. C. Holden, museum director.

Program themes will change monthly, Dr. Holden said. Special lectures for groups of 15 or more may be arranged Monday thru Friday or on Sundays by contact-

ing Dr. Holden or a member of his museum staff.

Program themes for this year are as follows:

October — "The Solar Merry-Go-Round, The Planets", a discussion of the nine planets in the solar system.

November — "The Romance of Perseus and Andromeda", legends of the autumn sky.

December 1-22 — "The First Christmas", the story of the Star of Bethlehem with background Christmas music provided.

January — "The Mighty Hunter", concerning Orion, nebula and the path through the sky, their literary significance and mythology.

February — "Long, Long Ago" a program of American Indian sky legends.

March — "Our Calendar and the Moon", the story of the historical development of the calendar, including a description of the moon's phases.

March 27—April 7 — "The First Easter", a special program about the constellations as Christian symbols, with Easter music.

April 12-30 — "The Tragic Story of Callisto and Arcas", the legend of the big and little bears and other stories of the spring sky.

May — "The King Sized Planet", story about Jupiter, largest planet in the Solar system.

James Todd To Be Here October 20

James Todd, minister elect of the Christian Church, W. 2nd St. and Ave. G, will be in Muleshoe on Wednesday, Oct. 20, for a special meeting with the members of the official board, together with members of the congregation to perfect plans for the future work of the congregation.

G. T. Maltby, chairman of the board, is officially calling the meeting for the evening of Wednesday, Oct. 20, at 7:30 o'clock. The meeting will not take the place of the regular monthly meeting of the board scheduled for Oct. 13 at which time the usual routine matters of the board will receive consideration.

The meeting on Oct. 20 is for the planning of the fall and winter program in view of the fact that Mr. Todd has a sixty day notice with the Christian Church at Stinnett, where he has been minister for the past five years, and he cannot come to Muleshoe until November 15. His first services will begin on Sunday, Nov. 21.

Regular Sunday worship services are now being conducted by Mr. Ike Stuber of Lubbock Sunday morning at 11:00 a. m.

and evening at 7:30. Mr. Stuber will continue to serve the congregation through Sunday, November 14.

Clifford Morton Group Commander Of ROTC Unit

Clifford Morton, Dimmitt student and Cadet Colonel in the Baylor University ROTC, has been named group commander of his unit.

Morton is the son of Mr. and Mrs. Eugene Morton, Route 4, of Dimmitt. Morton is a senior at Baylor this year and is a major in economics.

Other officers of the ROTC unit include Cadet Colonel Wayne Swearingen of Houston, Wing Commander; Cadet Colonel Roger Flesman of Waco; deputy Wing Commander; and Cadet Major Lewis Price of Tulsa, Okla. as Wing Adjutant.

WERE IN ROSWELL

Mr. and Mrs. Rufus Gilbreath and daughter Doris Ann, visited in Roswell, N. M., at N. M. M. L. with their son and brother John Charles Gilbreath the past week-end.

LAST WEEK

E. O. Baker had charge of the program last week and presented Hendrik Bruns, of Germany, who gave his listeners a lot of information about his home country, its people and institutions. Hendrik, who is the Junior Rotarian for the month, is here as an exchange student and will graduate from Muleshoe high school next spring.

He is making his home with Mr. and Mrs. Byron Gwyn, studying agriculture at first hand. When Hendrik had finished his talk, he was bombarded with questions about his native country, its customs and traditions, schools, government, occupation of the people, agriculture, etc.

BAILEY COUNTY FARM BUREAU WILL CONTINUE ITS

GOOD NEIGHBOR COTTONSEED PROGRAM

This program was carried out last year for the first time. It was originated by the local Farm Bureau to assist dry land farmers of Bailey County who had suffered three years of drouth. Though the program was entirely experimental, it proved a great success.

Over 1,300 bushels of good cottonseed was contributed by irrigation farmers and ginners of the county and distributed free to farmers who were hit most severely by the drouth.

A fourth year of drouth has followed the other three, and the need for this program is

SAND HILLS PHILOSOPHER

Wants To Know What Comic Books Some Of The Big Men Of History Read

Editor's note: The Sand Hills Philosopher on his Johnson grass farm gets around to discussing the comics this week, but we're not sure what point he makes.

Dear editor:

I have been listenin to the discussions and readin about em, these discussions on comic books, an dwhile I'm not an authority on this type of literature as very few of em turn up out here and the newspapers I get hold of arrive too irregularly for a man to keep up with the comics and there ain't nothin more puzzlin than to come in late on a comic series and find somebody bleed-

in to death and not be able to figure out what's funny about it, but I have been gain over the situation in my mind and have come to the conclusion that if comic books have the power to make delinquents out of people, somebody sure ought to investigate the comics the present generation read when it was young.

Anybody who could draw a comic book that'd result in the kind of war-like world we got on our hands now must have been the champion delinquent-maker of all time.

Go in further back, I don't know who drew the comic books Julius Caesar read, but he must have been awful.

Coming further up, who drew Hitler's funnies? Stalin's? By the way, them Chinese funnies must have been pretty devastatin too.

Gettin out on another plane, who drew the comic books all these housin authority officials read when they was young?

I don't want to name any names, but occasionally a Congressman turns up givin evidence a few comic books must have slipped through to him when he was growin up, and nearly every state legislature in the country

produces a few characters who obviously got hold of some comic books when they was at the formative stage.

When you stop to think about it, this world from the start of history certainly would have been a different and more peaceful place if the comic book manufacturers hadn't been at work.

Understand, speakin seriously, I'm not in favor of feedin children on a diet of horror comics, but while we're keepin them out of touch with the comics, we'd better shut em off from the daily news, too, because it's frequently full of horror also. In fact, maybe most children would come out a lot better if they didn't have to come in contact with adults at all.

Yours faithfully,
J. A.

NOTICE FOR BIDS FOR PURCHASE OF MACHINERY (THE STATE OF TEXAS) COUNTY OF BAILEY)

The Commissioner's Court, of Bailey County Texas, will accept bids to be opened on the 2nd day of November A. D., 1954, at 10 a. m., at the Commissioner's Courtroom, of Bailey County, Texas, on the following machinery:

ONE (1) Two Ton Truck; In part payment the County of Bailey, will trade in one (1) 1949 Chevrolet 2 Ton Truck;

The County will pay cash for the balance remaining after the trade in, out of the Bailey County Lateral Road Account.

The Court reserves the right to reject any and all bids.

Witness my hand at Muleshoe, Texas, this 11th day of October A. D., 1954.

(SEAL) CECIL H. TATE, County Judge, Bailey County, Texas 42-2tc.

VISITED PARENTS

A Negro Writes On Segregation

By DAVIS LEE

Publisher of the Newark, N. J. Telegram

The efforts being made by certain paid agitators and pressure groups against segregated schools in the South may cause Southern Negroes to lose a lot more than they will gain.

The trouble with this group, as with similar ones, is that the initiators don't count the overall cost to the race. The present effort is designed to destroy the whole pattern of segregation, and to establish an integrated social order in which there will be no distinction made in this country on the basis of race, religion, color or nationality.

This is a laudable objective, but human nature just has not changed that much, and the achievement of such an objective could cause repercussions that might set the Negro back fifty years.

Integration in the schools in the North and East is not a howling success. A Negro can attend most of the schools up there and get an education, but few of the states that educate him will hire him as a teacher. The State of Connecticut doesn't have twenty-five Negro teachers.

Nowhere in these integrated states do Negroes get anywhere near proportionate representation. Every device is employed to keep qualified Negroes from being assigned. Recently a reputable New York labor union made a report on the employment of Negro teachers in New York City and charged that a systematic scheme has been adopted to exclude Negroes as teachers.

This is not true, in the South. The State of Georgia employs 7,313 Negro teachers, and paid them close to \$15,000,000 in salaries last year. North Carolina paid its Negro teachers over \$22,000,000 last year. Florida is another state that ranks at top on teacher pay.

Mississippi paid \$7,414,278 in salaries to 6,753 Negro teachers in the state last year.

If these states, that are now pouring millions of dollars annually into Negro pockets which provides our people with money that enables them to enjoy the dignity of man, to enjoy the prestige or respectability to buy homes and the necessities of life, are forced to abandon the segregated school, 75 percent of the Negro teachers in the South will lose their jobs. Not only that, but approximately 20,000 Negro principals will lose their jobs as well.

The present movement to end segregation in the schools is merely the beginning of a well laid plan to completely end seg-

regation in everything—in the South. If this happens the Negro will be thrown into direct competition with the white race, and our business institutions will crumble.

No place in the world do Negroes own and control as much as do those in the South. Atlanta is without question the Negro capital of the world. It is the center of Negro culture, education, business and finance. And both Negroes and whites live, work, and operate business without either being conscious of the other's race.

This movement to integrate the schools of the South is loaded with more racial dynamite than appears on the surface and the Negro will be the one who is blown away.

During the past two years I have spent more time in the South than I have in my office, and I have interviewed thousands of Negroes in all walks of life and I have found very few who favor mixed schools. They want their own schools, but equal facilities. This being the situation, one questions the fairness of forcing these colored citizens to accept what they don't want. If a little group of paid agitators succeeds in forcing their will upon these people, it appears to me that they should at least be given an opportunity to be heard.

Right now the Southern Negro is in a better spot educationally, politically and economically than the Negroes any place else in the world. Race relations are continually improving. Every day more Southerners are recognizing the Negro as a man and according him the respect that he merits, but the Southern Negro himself can do more about improving conditions than can courts, legislation or pressure groups.

Despite all the hullabaloo about the liberal North and East, no Negro has been made head of a State College or University. Down South the woods are full of Negro college and university presidents. In Texas a Negro college president of a state school gets \$10,000 a year.

Negroes need to refresh their memories on the fact that just a few years ago we were raising Cain because colored kids in the South were being taught by white teachers. We wanted them taught by Negroes until now Negro teachers have completely taken over.

A group goes back into the courts declaring that the Negro is not satisfied with equal facilities, that the separate but equal law is unconstitutional, that nothing less than integration will do. That doesn't seem fair to me.

NOTICE FOR BIDS FOR PURCHASE OF MACHINERY (THE STATE OF TEXAS) COUNTY OF BAILEY)

The Commissioner's Court, of Bailey County, Texas, will accept bids to be opened on the 2nd day of November A. D., 1954, at the Commissioner's Courtroom, Bailey County, Texas, at 10 a. m., on said date, on the following machinery:

ONE (1) Loader, with rubber tires, 1 yard dipper; In part payment for said Loader, Bailey County, Texas will trade in One (1) Elevated ditching machine (Head Burg).

Bailey County will pay cash for the balance remaining after

he trade in, out of the Bailey County Lateral Road Account. The Court reserves the right to reject any and all bids.

Witness my hand at Muleshoe, Texas, this 11th day of October A. D., 1954.

The First!

Phillips 66 brings you the first All-Weather Motor Oil which has proved it meets the most exacting standard ever established for automobile lubrication... Mil-0-2104, Supplement 1 level.

The toughest standard ever set up for automobile lubrication is the Mil-0-2104 Supplement 1 test. New Trop-Artic is the first all-weather motor oil to meet the requirements of this test. It is an oil which will serve you winter and summer... an oil so good it can double the life of an automobile engine!

Compared to ordinary motor oils, new Trop-Artic reduces ring wear 40% or more. It cuts oil consumption 15% to 45%. It keeps pistons and bearings cleaner... longer-lasting. It saves you money by increasing gasoline mileage. This has been demonstrated in tests representing over 150,000 miles of driving.

Trop-Artic is truly an all-weather oil... S.A.E. 10W through S.A.E. 30. Therefore it flows instantly for easy starting at sub-zero temperatures, and yet it retains the film strength necessary to prevent engine wear under high temperature driving conditions. It isn't just heavy duty. It's double duty.

Any car, in any climate, at any time of the year will perform better with Phillips 66 Trop-Artic. It is a worthy companion product to Phillips 66 FLITE-FUEL, the new high performance gasoline recently introduced by Phillips. It pays to stop at the station where you see the Phillips 66 Shield.

PHILLIPS PETROLEUM COMPANY

Trop-Artic THE NEW All-Weather OIL THAT CAN DOUBLE THE LIFE OF YOUR MOTOR!

We're out to make a Record - and how can we miss with a hit like this?

WE'RE shooting for the biggest October in Buick history and we're willing to go all out to make it. Right now, Buick is outselling every other car in the nation—regardless of price class—except two of the so-called "low-priced three."

So you know that it has the combination of horsepower—room—comfort—performance—and styling too good to miss.

And it isn't hard for you to figure out that Buick dealers must be offering the kind of prices and trade-ins that the public goes for—because you can't make record sales these days unless you have everything it takes to make a winning combination.

Come in and see us, and you'll know what we mean.

Here's the big 3-Way Bonus we offer in Buick today

- Advanced Styling**—the very look of tomorrow, with long, low glamor lines, sports-car snap, and that trend-setting panoramic windshield that most other cars won't have till 1955 or later.
- Better Buy**—a lot more automobile for your money—more room and power and ride comfort and solidity of structure—plus the higher resale value of a car that will still be fresh and new-looking well into the future.
- Top Allowance**—from the tremendous volume that has put Buick into the top 3 of the nation's best sellers. So you get the benefit of our soaring success in the form of a higher trade-in allowance on your present car. Come in and check!

This New Buick Special V8 2-Door, 6-Passenger Sedan actually costs less than some models of the "low-price three" Come in and check the price!

Buick Sales are Soaring - so Buick 'deals' are bigger than ever right now!

SCS Members To Visit Girlstown

The Wesleyan Service Guild met Monday evening, October 11, 7:30 p. m., with Mrs. Fred Johnson, president, presiding over the meeting. Guild was opened by the singing of "The Beautiful Garden of Prayer." Devotional was given by Elizabeth Harden. "Be Ye Doers of the Word."

Mesdames A. S. Stovall, Clarence Stephens and Fred Johnson brought the program, "The Social Problems of the City," on the study "Man and God in the City," in a very entertaining and enlightening manner.

Mrs. Clarence Stephens reported on the W. S. C. S. meeting held at Kress Monday, October 11.

Week of Prayer will be observed Tuesday, October 26, by the ladies of the church. Further notice will be made, concerning the

meeting and program.

Several members plan to leave Saturday morning, October 16, at 9 a. m., for a visit to Girls Town at Whiteface. Any member not present who would like to go please contact Mrs. Johnson between now and Saturday morning.

Mrs. H. W. Hanks, a former member of the Guild, was a visitor. Mrs. Hanks now lives in Berkeley, Calif., where her daughter, Miss Mary Nell Hanks, is teaching school.

Refreshments were served to a new member, Mrs. Lula Gorrell; Mrs. H. W. Hanks, a visitor and members, Mmes. Gilbert Lamb, Buford Butts, Jim Burkhead, Clarence Stephens, Jessie Wright, Mable Dowell, A. S. Stovall, Ray Edwards, M. M. Stemmmons, Lois Schoenberger, Miss Elizabeth Harden, Mr. Fred Johnson, and the hostess.

The next meeting of the Guild will be October 25, in the home of Mrs. Buford Butts, with Mrs. Delma McCarty as hostess.

Read the Journal Want Ad's.

Friendship Class Officers Installed

A covered dish luncheon and social was enjoyed Wednesday, October 6, by members of the Friendship Sunday School Class of the First Baptist Church, as they met at the home of Mrs. Ray Griffiths, teacher of the class.

For the luncheon, which began at 12:30, guests were seated at quartet tables. Each table was centered with a beautiful bouquet, and favors were small white Bibles.

Following lunch, Mrs. Joe Dameron, president, called a business meeting, during which new officers were installed for the coming year. Installing officer was Mrs. C. M. King, who used as her theme, "Ship Voyage."

Special music was rendered by Mmes. R. D. Precure and W. B. McAdams.

Officers installed and their offices are as follows: teacher, Mrs. Ray Griffiths; assistant teacher, Mrs. C. M. King; president, Mrs. Joe Dameron; vice-president, Mrs. Cecil H. Tate; secretaries, Mmes. W. B. McAdams and Pat Bullock; treasurer, Mrs. Edd Johnson; group captains, Mmes. F. H. Davis and N. C. Moore; fellowship, Mrs. R. D. Precure; social, Mrs. A. W. Crow.

Eighteen members and two guests were present for the occasion.

Co-Workers Class Presents Hostess With Lovely Gift

Co-Workers Sunday School Class of the First Baptist Church, met at 7:30 Thursday evening, in the lovely new home of Mrs. Bert Remund and her mother, Mrs. Millie Wilson, for their monthly business and social.

The table in the dining room was centered with a beautiful arrangement of dahlias in fall colors, and the entertainment rooms were adorned with lovely floral arrangements which added to the charm and beauty of this enjoyable occasion.

In the late afternoon, the Muleshoe Floral delivered to Mrs. Wilson, a corsage of pink carnations, compliments of the class.

Mrs. C. E. Layne, president, was in charge during the business session. Opening prayer was led by Mrs. Janet McDonald, the teacher. Mrs. W. E. Payne brought the devotional from the 95th chapter of Psalms. Secretary, Mrs. L. C. Roddam, read the minutes of the previous meeting. Group leaders elected were: Mrs. Hope Flanagan, Mrs. Janet McDonald and Mrs. Bert Remund.

Several projects were discussed and adopted. After the business session a pleasant social hour was enjoyed. The class surprised Mrs. Remund by presenting her a beautiful Triple piece of china for her new home. The entire group sang "Happy Birthday" to

Mrs. Wilson, whose birthday was October 8.

Delicious refreshments of coffee, sandwiches, cake, and mints, were served to visitors: Mmes. Eddie Lane, E. K. Shepherd and L. H. Jones, and associate mem-

bers: Mmes. Muri Wilson, E. R. Hale, and Members: Mmes. W. E. Payne, Janet McDonald, Myron Pool, Jr., George Hicks, L. C. Roddam, H. L. Flanagan, C. E. Layne, Miss Lillie Williams, and the hostesses.

ATTENDING FAIR

Mr. and Mrs. E. E. Dyer and Mr. and Mrs. Howard Cox left Monday for Dallas where they are attending to business and witnessing the State Fair.

Study Club Gives PTA Program Here Next Monday Night

Muleshoe high school PTA will meet the coming Monday night, October 18, 8 o'clock in the school auditorium.

Muleshoe Study Club will have charge of the program and will present a panel discussion on "What Do We Want of Our Schools?"

The panel is to consist of both teachers and parents and will deal with the present educational recession facing all schools in the nation.

Mrs. Gerald Allison, president of the PTA, invites all citizens to attend, especially all parents and teachers.

ATTENDED LUBBOCK GAME

Mr. and Mrs. Jack Cox and Shirley Mathieson attended the football game in Lubbock Saturday night. They were accompanied back to Muleshoe by the Cox's daughter, Holly Ann, who is a student at Texas Tech.

LET'S GET TOGETHER ON THIS!

YOU ARE ABOUT TO HIRE A CONGRESSMAN

YOU WANT: 100% support for the administration you elected two years ago. Intelligent treatment of your problems by a man whose background qualifies him to understand them. Active and alert representation by a member of the Eisenhower team, whose voice will be HEARD in Washington.

I, "PETE" LaMASTER, am applying For the job!!

BEFORE YOU SUPPORT ANY CANDIDATE YOU'LL WANT TO KNOW HIS BACKGROUND, HIS RECORD, HIS CONVICTIONS

NAME: LeRoy "Pete" LaMaster

DESCRIPTION: Age 36; resident of Perryton, Texas native Texan; attend Baptist Church; married to Carolyn Conley of Perryton;

EDUCATION: Perryton High School; John Tarleton Agricultural College; Texas Tech.; Bachelor of Science Degree in Agriculture from Texas College of Arts and Industries in Kingsville;

EXPERIENCE: Ass't. Supervisor with Farm Security Administration; during more than three years in Navy spent twenty months aboard ship in Pacific; Since 1946 a farmer and stockman on farm near Perryton; eighteen months in South America studying the people and governments there.

POLITICAL CONVICTIONS: Born a Democrat, like most natives of the Texas Panhandle. Now I have come to the conclusion that my political views are not entirely in keeping with those of the Democratic Party, as it has been controlled by the radical left wing element and big city machines. My convictions more closely conform to those of the EISENHOWER ADMINISTRATION. I believe I can render a greater service to you folks in this District as a Republican representative.

FOR THE SUPPORT PRESIDENT EISENHOWER NEEDS - AND THE 100% REPRESENTATION

THAT YOU WANT

 Will discuss
 THE FARM PROGRAM

THE VERDICT IS BEING DELIVERED

Reports from Hydra-Matic* GMC owners clinch the all-around superiority of "Hydra-Matic Hauling"

HYDRA-MATIC* GMC's are rounding out their first two years in service. And the experiences of owners in every field of truck use seem to leave no doubt about this:

"Hydra-Matic Hauling" is obsoleting the slower, harder, more costly ways of the manual-shift truck!

Hydra-Matic GMC trucks are

earning more for professional haulers. They are slashing deeply the costs of delivery operations. They are speeding schedules; saving time, money and trouble for owners in all kinds of businesses.

These proved economies are waiting for you in light-, medium- and heavy-duty GMC's. Why don't you come in and see what we can do for you?

*GMC's Truck Hydra-Matic Drive now has been proved by more than half a billion miles of use in civilian and military vehicles. It is standard equipment on many GMC models; optional at extra cost on some others.

Eleven Proposed Amendments Explained

The eleven proposals analyzed here constitutes the largest number of Constitutional changes to be voted on at one election in the history of Texas.

It is not the purpose of these analyses to indicate how anyone should vote on any of the proposals, but to present facts which will be helpful in determining whether these amendments are desirable.

S. J. NO. 7

If adopted, Senate Joint Resolution No. 7 would amend Section 51a of Article III of the State Constitution, which is the section governing public assistance.

Only two changes would be made but they are fundamental: 1. The total amount which the Legislature could appropriate for the State's three public assistance programs would be increased from \$35,000,000 a year to \$42,000,000.

2. The Legislature would be required to enact laws under which the name of recipients of public assistance would be available to the public.

S. J. NO. 6

If adopted, Senate Joint Resolution No. 6 would add a new Section 63 to Article XVI of the Constitution to permit qualified

members of the State Employees Retirement System to receive credit toward retirement for time worked as a teacher, and similarly, to permit qualified members of the Teachers Retirement System to receive credit toward retirement for time worked as a State employee.

H. J. R. NO. 37

House Joint Resolution No. 37 proposes to amend the Constitution by adding a new section 51g to Article III, giving the Legislature power to pass such laws as might be necessary to secure coverage under Federal Old Age and Survivors Insurance for proprietary employees of the State's political subdivisions.

S. J. R. NO. 10

Senate Joint Resolution No. 10, if adopted, would add a new Section 51b to Article III of the Constitution. It would create a State Building Commission composed of the Governor, the Attorney General and the Chairman of the Board of Control. The Legislature could designate by law some other State official to serve in place of the Chairman of the Board of Control.

S. J. R. NO. 5

Senate Joint Resolution No. 5, if adopted, would amend sections 5, 21, 22 and 23 of Article IV of the Constitution, and Section 21 of Article III. It would also add a new Section 61 to Article III. This proposal would authorize the Legislature to fix the annual salaries of certain of the State's constitutional officials and it would set the pay of the members of the Legislature at \$25 for each day of a session up to 120 days.

S. J. R. NO. 14

Senate Joint Resolution No. 14 proposes a new Section 52-b to Article III of the Constitution providing that the Legislature shall have no power or authority to lend the credit of the state in any manner to persons or to political subdivisions of the State for construction, operation or maintenance of toll roads and turnpikes.

S. J. R. NO. 4

Senate Joint Resolution No. 4, if adopted, would amend nine sections of the State Constitution, and would add three new sections. It is difficult to assess the full effect of these proposed changes.

Clearly S. J. R. 4, if adopted in November, would immediately provide four year terms for District Clerks; Criminal District Attorneys; County Judges; Judges of County Courts at Law; County Criminal Courts, County Probate Courts and County Domestic Relations Courts; County Clerks; and County Treasurers; County Surveyors; County Commissioners for Precinct 2 and 4; Justice of the Peace; and Inspectors of Hides and Animals.

S. J. R. NO. 2

Senate Joint Resolution No. 2 proposes to add a new section 4 to Article IX of the Constitution, would authorize the Legislature to provide by law for the creation of countywide hospital districts to furnish medical and hospital care for the indigent and needy in counties having a population in excess of 100,000, and in Galveston County. The counties now within this bracket are Bexar, Dallas, El Paso, Galveston, Harris, Jefferson and Tarrant.

H. J. R. NO. 8

The Constitution now provides that in counties of less than 10,000 inhabitants, as determined by the last preceding United States census, the Sheriff shall be the Tax Assessor-Collector. House Joint Resolution No. 8 proposes to add a new section 16a to Article VIII, giving the Commissioners Court in such counties the right to submit to the qualified property taxing voters, the question whether they would prefer to have a separate full time office of Tax Assessor-Collector. If a majority of those voting approve the addition of this official, he will be elected at the next general election.

ARE PROUD PARENTS

Mr. and Mrs. Bill Stinson are the proud parents of a son, Bill, Jr., who was born in Newport, R. I., October 7, and who weighed 7 lbs., 5 oz., at his arrival.

Mr. and Mrs. Stinson plan on moving back here to make their home as soon as Bill is discharged from the U. S. Navy the latter part of next month.

HAVE NEW SON

Mr. and Mrs. R. P. McCall are announcing the arrival of a son, whom they had not named at this writing. He was born in the Methodist Hospital at Lubbock, Monday morning of this week. This is their fourth child. They had two daughters and one son, and the new arrival kind of evens things up.

RETURNED HOME

Mr. and Mrs. Check Colson and family, who have been here visiting his mother, Mrs. Vera Colson, and other relatives, returned to their home in Bowling Green, Ky., Monday of last week. Returning home with them was his brother, Clark, who plans to visit with them for a while.

LEAVES THURSDAY

Ben Choate, who has been here visiting his parents for the past two weeks, leaves Thursday for San Diego, Calif. Ben has completed Boot Camp at San Diego, and has been home on leave. He is studying to be an electrician.

HERE FROM LUBBOCK

Mrs. Marcel Rose and daughter Debra, of Lubbock, were here over the weekend visiting her parents, Mr. and Mrs. W. T. Melson.

More people drive FORD V-8's than all other V-8's combined

And it's still the only V-8 in the low-price field! No other engine in the world has enjoyed so much popularity as Ford's V-8. Today, 4 out of every 5 V-8's are Ford V-8's. Ford and Ford alone offers a V-8 in the low-price field... and for hundreds of dollars less than most sixes.

FORD'S V-8 IS THE SAME TYPE OF ENGINE AMERICA'S COSTLIEST CARS ARE SWINGING TO!
Seven makers in the last six years alone have switched to V-8 power in their most expensive models. Yet Ford's been offering V-8 power for over 22 years! Ford gives you your choice of Fordomatic,* Overdrive,* or Conventional Drive—the finest choice of drives in the low-price field.

FORD'S V-8 IS THE MOST MODERN V-8 OF ALL!
Ford's new 130-h.p. Y-block V-8 is the most modern overhead valve V-8 in any car at any price. And it's just one of Ford's many "Worth More" features like new Ball-Joint Front Suspension and tomorrow's modern styling. See and Value Check all of Ford's "Worth Mores" and you'll agree Ford's worth more when you buy it, worth more when you sell it. *Optional at extra cost.

Muleshoe Residents At Lubbock Clinic

LUBBOCK — Rev. Carroll M. Jones and Dr. T. M. Slemmons of the Muleshoe area, were here Thursday and Friday attending a lecture-clinic for physicians and ministers at First Presbyterian church.

"Serving the Suffering" was the theme for the clinic which was sponsored by the director's committee on religious life of Methodist Hospital in Lubbock.

Over 200 doctors and ministers as well as visitors, who were neither doctors or ministers, were in attendance. They represented some 70 towns and cities including all sections of the Northwest Texas Conference, Wichita Falls, Fort Worth, Dallas, Cisco, Ruidosa, N. M.; Ganzales and Fort Stockton.

Dr. Gilbert H. Marquardt of Wesley Memorial hospital, Chicago, Ill., and Dr. Russell Dicks of Duke University, Durham, N. C., were the featured speakers. Dr. Marquardt spoke from the doctor's point of view and Dr. Dicks from the minister's.

Topics discussed included: "The Role of the Doctor and Minister in Helping People Who Suffer From Feelings of Anxiety, Hostility and Guilt"; "The Doctor's and Minister's Role in caring for the Dying—What and When to Tell the Patient and the Family"; "How Ministers and

Doctors Help or Hurt the Work of the Doctor or Minister With the Sick"; and "Work With Alcoholics, Education, Prevention and Treatment."

SON VISITED

Mr. and Mrs. Dan Bray and daughters, of Lubbock, visited the past weekend here with his parents, Mr. and Mrs. Clyde Bray.

WERE IN MORTON

Mr. and Mrs. Bill Parker and son Lloyd, visited in Morton Sunday with his brother, Owen Parker and family, and his sister and brother-in-law, Mr. and Mrs. Hardy Ryan.

JOIN THE MOVE TO MERCURY

JIM POTTER, Motor Trend—Conducted exhaustive road tests of thirteen leading cars. Mercury proved the lowest-cost car to own, based on 10,000 miles, among all medium-priced cars in the test. Only one of the "so-called" lowest-priced cars could nose out Mercury for over-all economy!

STAFF REPORT, Car Life—"The best to date in (its) weight and price class . . . more than enough power."

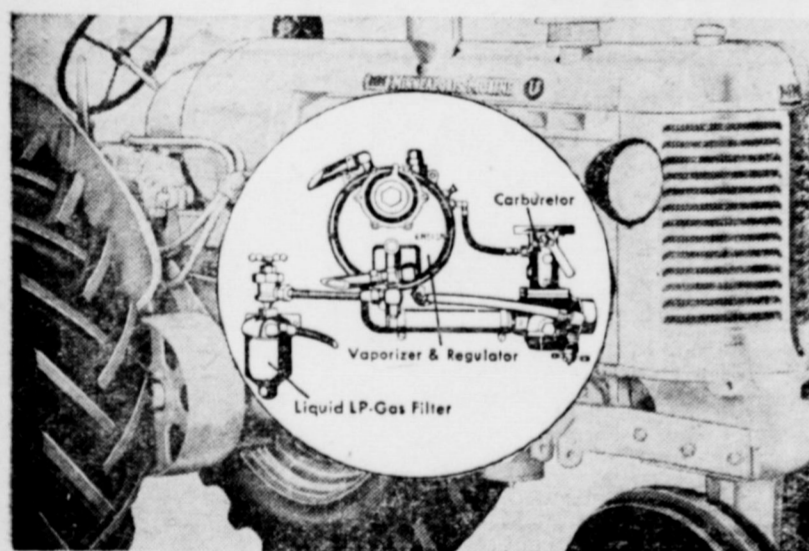

TOM McCaHILL, Mechanix Illustrated—"The place where Mercury really shines this year, aside from its speed-over-the-ground performance, is in its handling and roadability . . . what a difference ball-joint suspension makes!"

WILBUR SHAW, Popular Science Monthly—The 3-time winner of the famous 500-mile Indianapolis race, now president of the Indianapolis Speedway, reports "They've done it! . . . I was struck by the smoothness of the power pick-up."

GRIFF BORGESON, Cars—"One of the best engineered power plants in the industry, regardless of price . . . May prove to be the last word in postwar passenger car engines."

WALT WORON—DON MacDONALD, Motor Trend—"You'll like the 1954 Mercury, particularly if you like power that'll make you sit back in your seat when you stomp the throttle." "If there is no other reason for the increase in horsepower (now 161) the added acceleration is enough."

make your tractor a MODERN tractor

CONVERT TO LP-GAS With ENSIGN Carburetion

Right there in the circle above you've got the key to modern tractor efficiency — LP-Gas fuel plus Ensign Carburetion. It's just good business sense to find out how modern LP-Gas efficiency scraps ordinary performance standards. Get the facts on profit-boosting fuel savings and phenomenal freedom from maintenance expense (3 or 4 seasons without service!). The six points below suggest a few LP-Gas and Ensign Carburetor advantages. Keep the profit-angle in mind as you read them!

1. Fuel savings 25 to 40 percent.
2. Lube oil lasts four times as long.
3. 50 to 75 percent fewer overhauls.
4. Increased power. 100 octane fuel permits high compression.
5. Smooth-running engine — no vibration.
6. Same fuel storage serves tractor and household.

Let your Authorized Ensign Dealer check your engine. He can tell you what you can save by making your tractor a MODERN tractor with LP-Gas.

Rains Will Allow Farmers To Plant Winter Legumes During October

COLLEGE STATION, Oct. 11 — Recent rains bolstered the farm outlook and in many areas signaled the go-ahead for planting of winter legumes.

Legumes should be seeded as soon as the moisture supply is adequate to insure a stand and to get the crop started, says Ben R. Spears, extension agronomist. Winter legumes should be planted about November 1.

In the East Texas timber area hairy vetch, Singletary peas, Austrian winter peas and crimson clover are the recommended legume varieties. Dixie wonder peas and common and Williamette vetch are adapted in the southern half of the area but are not winter hardy enough for the northern part of East Texas.

Annual yellow blossom sweetclover is well fitted to the Gulf Coast Prairie and South Texas areas, while the vetches and winter peas, including Dixie wonder, also can be grown.

In the valleys of the Brazos, Colorado and Trinity Rivers where the soil contains more lime, hubam and Madrid sweet-

clovers do well with the addition of lime.

Hubam and Madrid Sweetclovers get the nod in the Blackland, Grande Prairie and South Texas regions. This is because of their root systems and ability to increase the crop yields that follow and their ability to reduce losses from cotton root rot.

Hairy vetch and winter peas grow well in these areas but are not as effective in the control of root rot or in opening the soil. Spears says the sweetclovers should be planted in the fall in areas south of Waco, Texas, but spring seedings are recommended in areas to the north.

Hairy vetch, according to Spears, is the most dependable legume in the West Cross Timber area; however, winter peas and the sweetclovers are also adapted to this area.

For the Rolling Plains section, alfalfa, hairy vetch, sweetclover and Austrian winter peas are recommended. Alfalfa does especially well on subirrigated soils of the region. The principle adapted legume

on the High Plains and El Paso valleys is irrigated alfalfa. The biennial sweetclovers, hairy vetch and Austrian winter peas also can be grown as irrigation is available.

Spears suggests farmers check with their local country agricultural agent for information on legume varieties for a particular area and for the latest tips on fertilizing, inoculating and seeding practices.

Cpl. Matthews In Munich, Germany

MUNICH, GERMANY — Cpl. Glen F. Matthews, son of Earl F. Matthews, Muleshoe, recently returned to Munich after completing field maneuvers with the 5th Infantry Division's 47th Anti-Aircraft Artillery Battalion.

Matthew's battalion, in which he is a tank driver, scored consistent hits on radio controlled "enemy" aerial targets despite bad weather during the tests.

The 21-year-old soldier entered the Army in November, 1951, and arrived overseas in August of the following year.

Enoch's Boy Is In Military Section Of Movie

FORT LEWIS, WASH. — Pfc. Bobby R. Short, 21, son of Mr. and Mrs. Bishop M. Short. Enoch's will appear in battle scenes of Universal-International's forthcoming "To Hell and Back" dramatizing the life of Medal of Honor winner Audie Murphy.

Short and others of the combat-ready 123rd Regiment help add authenticity to action sequences being filmed in the desert-mountain terrain near Yakima, Wash. A rifleman in Company F, he entered the Army in April, 1953 and received basic training at Camp Roberts, Calif.

Stop Taking Harsh Drugs for Constipation
Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!
For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.
When you are temporarily constipated, get relief but gentle relief—without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.
Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.
Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Cadillac
Happiest Homecoming of the Year!
The longed-for day has come at last. He has taken delivery of the car of his dreams... he has enjoyed his first wonderful ride behind the wheel... and now—he's coming home!
And what a proud and happy man he is as he turns into that familiar driveway and presses against the horn rim to signal his arrival!
For this—as any Cadillac owner can testify—is a very happy homecoming!
It would be difficult to imagine a more thrilling or a more delightful family gathering than that which heralds the arrival of a new Cadillac. It is a truly memorable and exciting and joy-filled occasion.
And then, there are those admiring friends and neighbors who usually drop by to welcome a new Cadillac to its new home—and to get a personally conducted "tour" of the car from its owner.
But, perhaps best of all, there's the deep personal thrill that comes to a man when he first contemplates his own Cadillac in his own driveway.
It gives him a genuine sense of satisfaction to realize that he possesses one of the world's most sought-after products—and a feeling of gratitude to know he has been able to provide his family with Cadillac's great comfort and luxury and safety.
Yes, it's a unique and wonderful experience to bring a new Cadillac home.
And we honestly feel that the motorist who is privileged to enjoy this experience in 1954 is in for a very special treat. For the car is now more wonderful to drive... and more beautiful to behold... and more inspiring to own than ever before.
Why not stop in soon—and let us show you what we mean? One hour behind the wheel, and we think you'll be looking forward, with great anticipation, to your own "Cadillac homecoming!"

Breakfast, luncheon or dinner, Quick Coffee Cake is sure to be a favorite.

You'll have no trouble with breakfast "skimpers" when you serve this Quick Coffee Cake. It is so tender and delicately delicious that finicky appetites will perk up for a second helping.

Because it's not too rich, this quick coffee cake makes a luscious accompaniment for luncheons and dinners too. Serve it with tender, juicy baked ham gone glamorous with golden pineapple chunks for garnish. Add garden fresh, cooked vegetables with plenty of melted butter or margarine. The coffee cake is so easy because it doesn't even require special shaping. Just pour the batter into a greased 8-inch square pan and pop it into the oven while the ham is baking.

Serving specialty breads with your meals is a simple way to add variety and taste appeal to menus. If you don't have time to bake a coffee cake yourself, your bake shop is sure to have one that will please your family. Check to see that your baker uses enriched flour, just as you do. Enrichment means extra nutrition for your family at no extra cost to you.

QUICK COFFEE CAKE

1 1/2 cups sifted enriched flour
2 teaspoons baking powder
1/2 teaspoon salt
1/2 cup sugar
1 egg, beaten
1/2 cup milk
3 tablespoons melted shortening

Pour into greased 8-inch square pan. Bake in moderately hot oven (400° F.) 25 minutes. Makes 1 coffee cake.

LIBRARY NEWS

Mrs. E. R. Wright, librarian, announces that the library has several new books. Among those are: "The Grand Duchess", by Ann Duffell; "Oleander Cove", by Peggy Dern; "Stamped Jones", by W. F. Bragg; "Powder Smoke Canyon", by Lee Smith; "Murder Is No Accident", by Fred Orpet; "The Dragon's Mouth", by Laselle Gilmon; and "Katheryn", by Anya Seton.

SUNDAY GUESTS

Mr. and Mrs. Johnny Askev and children, of Littlefield, and Mr. and Mrs. Nolan Young and children, of Cotton Center, were Sunday guests in the home of Mr. and Mrs. Red Simmons. Late afternoon guests in the Simmons home were Mr. and Mrs. Leroy Scott and children.

Mrs. Young is a sister to Mr. Simmons.

SON IS HERE

Visiting this week in the home of Mr. and Mrs. J. M. Moore, is their son, J. B., of Harlingen, and his friend, Ronald Wasson, of Big Spring. Also visiting this week in the Moore home is Wayne Moore, of Aspermont. Saturday, Mrs. Moore's nephew, A. C. Reeves and family, of Midland visited here.

RETURN HOME

Mr. and Mrs. W. D. Moore returned home recently from a ten day vacation trip. On the trip, they went to Cleveland, Ohio, where they attended the World Series games. They went by way of Oklahoma, Missouri, Illinois, and Indiana, and they returned through Mississippi, Arkansas, Tennessee, Kentucky, and West Virginia. Mrs. Moore said it was really beautiful in Indiana, where the leaves were turning. In Wheeling, West Virginia, they picked up Mrs. Anna Moeller, who had been there visiting relatives.

HOME FOR WEEKEND

Marlon Inman, who is a student at Harden-Simmons, at Abilene, was here the past weekend visiting his parents, Mr. and Mrs. Sherman Inman and other relatives and friends.
