Lions beat Broncos 31-28

BY MELISSA PERNER
 THE OZONA STOCKMAN

LION STADIUM - With eight seconds left in the game, a victory over the Sonora Broncos came down to Senior Ozona Lion Nathan De Hoyos and his foot.

From 37-yards, De Hoyos delivered a perfect field goal kick to seal Ozona's 31-28 win and give the state-ranked No. 8 Broncos their first loss of the season.

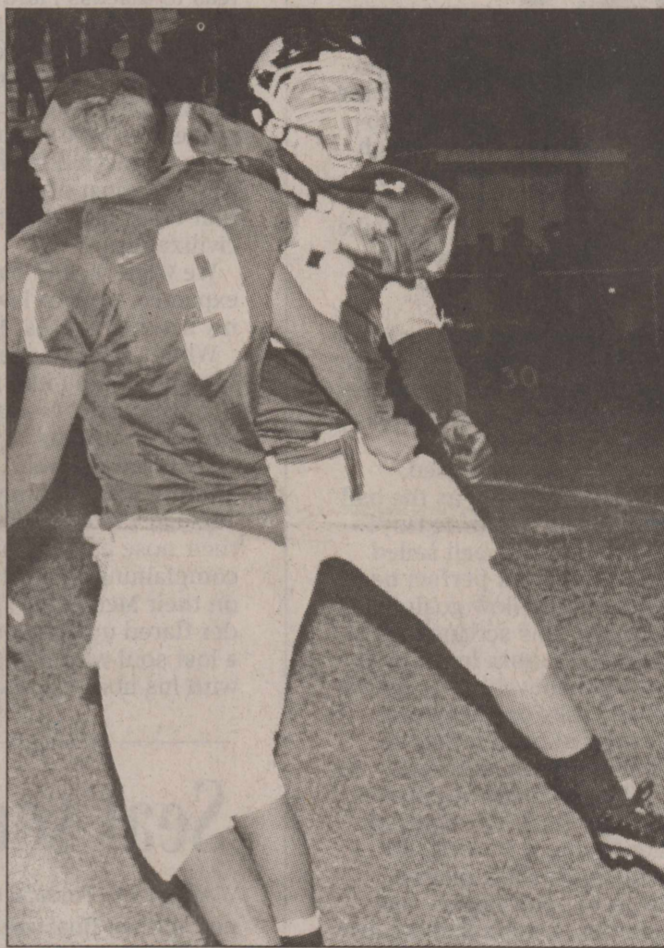

"I was big-time nervous, but I knew we could do it," De Hoyos said in the San Angelo Standard-Times article. "As soon as I could see it going, I knew it was going to go in."

Ozona is now 3-0 in district and stands alone at the top of the District 13-2A Division II standings. The Lions are now 6-2 overall.

With the upset, the Broncos fell to 2-1 in district play, 7-1 overall and out of the state rankings.

"Our kids played with great intensity and passion. They prepared and executed the game plan very well," said Coach Ray Brown. "I was

Employers: take a positive approach with employees

Many small businesses at some time or another develop negative attitudes. It is easy to experience this when a lot of the news is filled with negativism such as tax increases, high unemployment and the downturn in the economy. Small businesses could be experiencing reorganization or downsizing. Whatever the problem, it seems to start with complaining. You begin to wonder why things cannot get done. Bad thoughts

creep in and it seems things will never improve. It is contagious and can affect the most positive small business owner. How can your small business keep this from happening? Let's take a look at some ways that could help.

BUSINESS TIPS
PAUL HOWARD

Be positive. Owners who walk around the business being negative will only cause employees to do the same. Take a positive approach with employees by showing confidence in their abilities. Expect a lot, support them and be clear and honest. Set high standards for your own work. Meet and exceed them to set an example of positive behavior.

Acknowledge negativity. You cannot ignore prob-

lems such as this and sweep it under the rug. If it is not addressed, employees will feel you are out of touch and will not be confident in your abilities.

If frustration and negative feelings exist, do not try to convince people they shouldn't have those feelings. Bring it up in a staff meeting and ask for suggestions on how to handle them.

Try to be positive in all situations. When an employ-

ee does something wrong, praise them for the effort while gently discussing how to fix it. It takes a cooperative effort to turn a negative situation into a positive one. Conversely, recognize those employees that are performing well.

It is easy to get caught up in complaining, especially in informal discussions. When conversations turn negative, change the subject or comment on the content such as, "Let's talk about some-

thing more pleasant."

It is not uncommon for small businesses to go through periods of negativity. Owners need to take the lead and be the positive influence in the organization. It is the little things that you do on day to day basis that make the difference.

The impossible became possible

All season long I had been dreading last week. The Ozona vs. Sonora football game always churns my stomach, and I've only lived here for six years.

Growing up in Seagraves, we had rivals like Shallowater, Plains and Sundown. However, ours wasn't just an easy drive down an interstate to the rival town, nor was it as deep.

Coming into Friday's game, Ozona was the underdog. The Lions were not picked to win due to the fact that they were facing a state-ranked, undefeated Bronco team. It was David and Goliath on the football field.

Across the state, another group of underdogs were putting the heat on what some newspapers had been calling "The Evil Empire." The Texas Rangers were battling it out against the New York Yankees for a spot in the World Series.

Now, I am not a big follower of Major League Baseball, but it doesn't take a die-hard fan to know that the Rangers aren't usually playing in October and that the Yankees, with all their money and star talent, are use to getting to the World Series.

Throughout the evening David battled Goliath on two different ball fields. The Rangers seemed to have an easier time of it, as they took a good lead halfway through their game.

However, at Lion Stadium it was a different story as the Broncos and Lions battled their way aiming for a district victory.

Sonora was big with lots of ways to move the ball and kill time off the clock, but Ozona had something special in their stride. Every time the Broncos scored, the Lions answered right back. At one time, the Lions even had the lead.

The Broncos had been down in games before and had made massive comebacks in the second half to win. That would not be the case in Ozona.

Matching the Broncos step for step, score for score; it all came down to eight seconds and a 37-yard field goal.

Now, throughout the game, the Rangers score was consistently updated for the fans at Lion Stadium. As the football game got closer to the finish, no offense to Nolan Ryan and his team, but

WHAT'S ON MY MIND

MELISSA PERNER

all anyone cared about in Lion Stadium was eight seconds, teams in purple and gold and red and white and the thought going through everybody's minds "will the ball make it through the up-rights?"

The Lions kept their cool and while Senior Nathan De Hoyos said he was nervous about that all-important kick, you never would have known it.

Fingers were crossed, prayers were said as the ball was snapped and De Hoyos connected. The ball sailed high, clean and perfect between two yellow goalposts.

Ozona fans screamed and cheered. Sonora fans stood with unbelievable and astonished looks on their faces. David had beaten Goliath. The underdog had won.

When it comes to games like the one Friday night at Lion Stadium, it's easy for Monday morning quarterbacks to point fingers and state that Sonora lost because the quarterback threw two interceptions or they were overconfident or the coach made a bad call to punt on their last possession instead of going for it on fourth down.

That's all good speculation, but what really happened is that Sonora lost to an Ozona team that had heart and determination. It was a team that played together, executed perfectly and the only goal they had on their plate was to win.

It's not easy to be the underdog, but every once in a while David beats Goliath all over again.

Now, the season isn't over with. Ozona has two more games to win against San Saba and Harper, and the Rangers have the possibility of seven against the San Francisco Giants.

For one night though, time stood still as two teams, two underdogs, defied all expectations.

I had a dream that Ozona beat Sonora and the Texas Rangers are going to the World Series. Oh wait, that really happened.

He jumped back as if a firecracker went off in his shorts. "What do you do?" he said in a way that implied I was inferior because I had calluses instead of a cum laude.

"Mostly I make my living as a writer," I replied.

"You must have had a very good liberal arts education then."

"Nope. I was a vocational agriculture student. What do you do?"

"After graduating from Yale," he made a point of telling me, "I taught art appreciation at the local university. Needless to say, vocational students didn't enroll in my classes. I often wonder how people like you can fully appreciate art, literature and music if you have not been "enlightened"

He was staring at the motor but it might as well have been the trunk for all he knew.

"Hi, got a problem?" I asked, trying to be friendly. "Whoa, first thing I'd suggest, is that you back away from the engine or else take off your jacket and that necktie."

"Why do you say that?" asked the uppity Mr. Smarty Pants.

"Because your tie could get tangled in a belt or fan and could snap your

on these subjects." "Oh, we muddle along in the dark the best we can, I suppose."

"I can't understand why students would waste their education on learning how to feed a cow or turn a wrench. These skills can be learned on the most menial of jobs." "You should take better care of your car," I said, growing more irritable.

"Oh, I'll have a mechanic take care of all that. Can you see what's wrong?" "Well, I'm just a vocational student but I'd say that frayed wire that is arcing to that piece of metal and throwing off sparks might be a clue." (Mr. Smarty Pants reminded me of the old saying about a fellow who was so smart he could name a cow in nine different languages, but so stupid that he bought a cow to ride on.)

"Can you fix it?" the Ivy Leaguer begged the vocational student.

"I already did but you'd better get your old wiring harness replaced."

"Yes, yes. How much do I owe you?" the condescending Yale man asked.

I should have just disconnected a spark plug wire or two, so that down the road the Yale grad might come to more fully appreciate the complexities of the "infernal" combustion engine and the many benefits of a vocational education. Instead I merely "enlightened" him of twenty bucks.

I considered it his downpayment on a tuition in hopes that one day he too might become truly educated.

Seat seekers stage final blitzes before Election Day

AUSTIN — Political candidates, now in their final week of campaigning before the Nov. 2 election, are hauling Texas voters with the traditional march of television and radio spots augmented by newspaper ads, direct mail and those increasingly popular social-networking messages.

For those who haven't voted and want information on candidates, places to go are the League of Women Voters of Texas, www.lwvtexas.org, and the Texas Secretary of State's Office, www.sos.state.tx.us.

Those whom voters choose to put in the state House, Senate, governor's office and comptroller's office will have their hands full. Estimates of the projected state budget deficit have ranged from as low as \$8 billion to as high as \$25 billion.

And the always-challenging task of redistricting will be waiting at the Capitol steps when the 82nd Texas Legislature convenes in regular session on Jan. 11, 2011.

STATUS WITH IRS AT RISK FOR SOME

Nearly 24,000 Texas employees could lose their tax-exempt status because they have not filed required returns in the last three years with the Internal Revenue Service, the Texas Workforce Commission said.

Oct. 15 was the deadline for small nonprofit organizations with 501(c)(3) status to comply with the law under a one-time relief program the IRS announced in July. Non-filers could be liable for filing and paying Unemployment Insurance taxes for the first time if they failed to meet the deadline.

OBITUARIES

Sister Laura Hatton

Sister Laura Hatton died on Sept. 29, 2010, at Maryknoll Sisters Residential Care Center III, in Maryknoll, N.Y. She was 88 years old and had been a Maryknoll Sister for 61 years.

Laura was born on Oct. 2, 1921, in Del Rio, Texas to Elma and Roy Graves. She was the only daughter and the youngest of six children. Her mother later married Ralph L. Hatton. Her parents and five brothers: Howard Graves, Robert Graves, Marvin Graves, Elmer D. Graves and Lee Graves, predeceased her in death.

Laura graduated from Ozona High School in 1939. After receiving an RN in 1942, from Shannon Memorial School of Nursing, she studied at the University of Texas in Austin.

Laura worked for Dr. G.L. Nesasta, an orthopedic doctor, in Ozona for two years. In 1945, she became an Army nurse with the rank of Second Lieutenant. She served at McCloskey General Hospital, Temple, Texas and at Bums General Hospital, Santa Fe, and New Mexico. She left the military in 1946. She went to work at the veterans' association as a senior grade nurse in both Los Angeles, Calif. and New Orleans, La.

After two years of serious study, Laura converted to Catholicism and was baptized in February, 1947. It was during this time that Laura heard a Maryknoll Father speak about foreign missions and realized her calling. She entered Maryknoll as a novitiate in Valley Park, Mo. Sister Laura was assigned to Bolivia in 1952. She spent the next 46 years there. After studying Spanish in Cochabamba, she welcomed an assignment to Riberalta, Beni, where she worked in Hospital Riberalta for 11 years, in the hospital pharmacy and assisted in medical-social welfare in the parish.

Her next assignment was in Cochabamba where for 12 years, she and Sister Elizabeth Ann Altman opened the Santa Ana parish dispensary for many of the poor of the area. These two Sisters and a number of faithful volunteer nurses and committed doctors, known for their compassion and love min-

istered to the hundreds who frequented the clinic both from the city of Cochabamba and distant rural areas. Laura's proficiency in speaking Quechua, the language of the majority of those who came to the clinic, as well as Spanish, was a special blessing. Laura never lost her energy or enthusiasm. Daily she served both children and adults suffering from many debilitating diseases, malnutrition, respiratory infections, typhoid and TB and gastro-intestinal problems. The sick, as many as 100 who came to the clinic daily, knew that they could receive the kind of care that Jesus, the Healer, extended to the poorest of the poor during His days on earth. Laura served in the Center Health Unit at Maryknoll from 1977 - 1979, before returning to her beloved Bolivia, where she continued serving in Santa Ana parish dispensary.

In 1998, Sister Laura returned to Maryknoll Center for renewal and to celebrate her Golden Jubilee. She was assigned to the Rogers Community at the Maryknoll Center. The Coordinators defined her as "a truly genuine person with gentle ways and a quiet sense of humor."

In 2009, Laura moved to Residential Care III where she remained until her death due to complications from cancer.

She is survived by nephews and nieces: Billy Graves, Larry Graves, Jill Graves, Jackie Crone, Buddy Graves, Laura Graves, Joyce Purkeypile, Lee Jay Graves, Eileene French and Gilda Hamilton. A mass honoring Sister Laura will be held at Our Lady of Perpetual Help Catholic Church on Oct. 29, at 2 p.m.

Shirley Ann Conaway

Shirley Ann Conaway—precious wife, cherished mother, devoted friend, and dear neighbor—stepped through the boundary of death into the arms of God and her waiting loved ones on October 20, 2010. Her passing came after she had courageously and uncomplainingly endured her final test, a great struggle with cancer. To the very end, she exemplified goodness, unselfishness, nobility, and a pure and loving heart.

Shirley was born on Dec. 2, 1929 in Pompano Beach, Florida, to Maxwell Morris and Ernest Earl Norwood. She spent her early years in Paducah and Lubbock, Texas, graduating from Lubbock High School and attending Texas Tech University as a premed major. She was a remarkable teacher—both at The Hillander School and in early-morning seminary classes in her church. She was a faithful member of The Church of Jesus Christ of Latter-day Saints. On June 21, 1983, she married her childhood sweetheart and true love of her life, Billy Ray (Jody) Conaway, with whom she enjoyed the happiest adventures of her life. Their union was sealed for eternity in the Dallas LDS Temple.

Shirley was preceded in death by her infant daughter Roxanne; her mother and father; her stepfather, Charlie Everett Blount; her brother, Charles Donald Blount; and her stepdaughter, Connie Copeland. She is survived by her living children and their spouses: William C. Bill and Denise Underwood; Jan and Thomas Pinborough; Mary Kay and James Fryer; Rosanne and Steven Gerard; son-in-law Mike Copeland. She also leaves for a time her treasured grandchildren: Brooke, Buck, and Kate Underwood; Elizabeth and Christiana Pinborough; and Calvin and Hillary Marquardson.

Shirley's great works in life were serving The Lord Jesus Christ, loving her family, and sharing her love with her fellow man—including each stranger and acquaintance who ever had the blessing of crossing her way. Shirley appreciated each day of life, always looking forward with

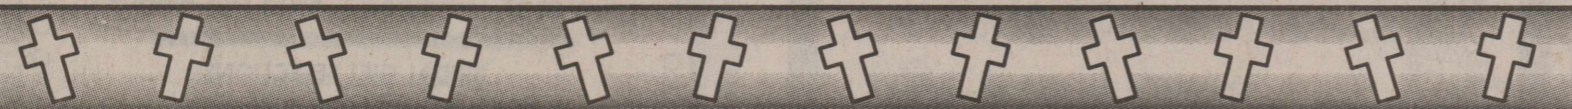

faith and optimism. The family would like to thank Dr. Karen Carr, Dr. Guillermo Brachetta, Dr. Robert Vogel, Sandy Letker, Becky Walker, Shari Evans, Krista Lake, Mary Johnson, and the other doctors and nurses who gave Shirley such expert and compassionate care. We request that in lieu of flowers donations be made to Hospice of Midland.

"I have fought a good fight, I have finished my course, I have kept the faith." (2 Timothy 4:7) "And it shall come to pass that those that die in me shall not taste of death, for it shall be sweet unto them." (Doctrine and Covenants 42:46).

The family received friends from Friday, Oct. 22, at Nalley-Pickle & Welch Funeral Home & Crematory. Funeral services were held at Saturday, Oct. 23, at the Church of Jesus Christ of Latter Day Saints - Gateway. Interment followed at Resthaven Memorial Park.

Arrangements are under the direction of Nalley-Pickle & Welch Funeral Home & Crematory of Midland. Online condolences can be made at: www.npwelch.com

BE CAREFUL WHERE YOU WALK

It was late and dark when we got home and we had groceries to unload. My wife started for the front door but I told her to wait until I could shine some light on the sidewalk. She said, "that's ok I can see where I am going" about that time a big rattle snake that had been stretched out on the sidewalk tried to coil and strike her. Thank goodness she still has good reactions because as she jumped to one side, he struck at her but missed. Needless to say there is one less rattlesnake in this world. I recently purchased a light that will come on when we get out of the car. That incident reminds me of something in the Bible. Evil is everywhere in this world, (1 John 5:19) and Christians have to be very careful where they go and what they do. Satan and his helpers want to strike us and hurt us, (2 Timothy 3:13). If we are not careful we will get, (snake bit) evil bit and it may be extremely difficult to recover. Who we hang out with can help or hinder depending on what kind of person they are, (1 Corinthians 15:33, 2 John 7-10). Carry a flashlight, (God's word, the Bible) for going about and in the dark, (Psalm 119:105, 2 Timothy 3:14-17). Remember, Jesus is the Light, (John 8:12)

See you in Church next Sunday.

CHAMBER OF COMMERCE NEWS

Baskets & More chosen as September Business of the Month

BY SHANON BIGGERSTAFF
CHAMBER EXECUTIVE DIRECTOR

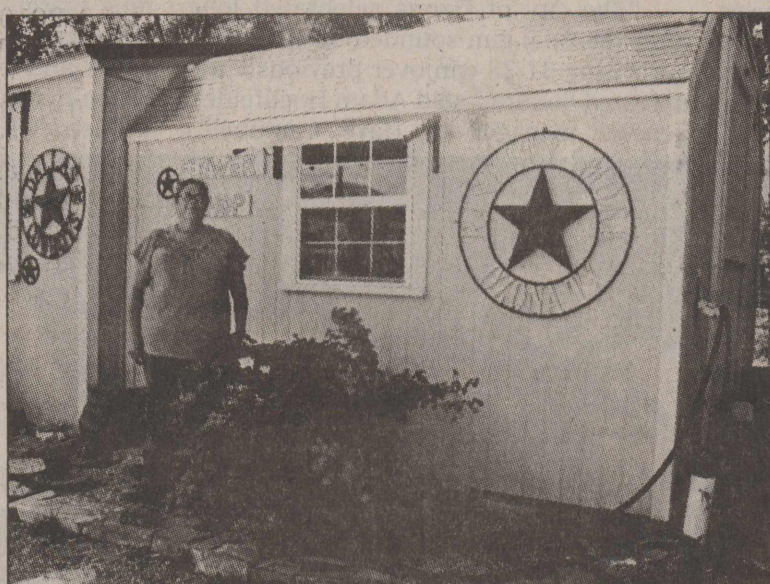

The Chamber of Commerce recognizes Baskets & More as our September Business of the Month.

Baskets & More is a family owned and operated business. Owner Blanca Martinez opened her first garden center located at Avenue I in 1994.

In 1998 she expanded her services, relocated and opened a floral shop on the town square.

"I would really like to thank my customers who have supported me throughout the years. What I enjoy the most is the garden center. I consult with my customers on not only how to care for the plant material they purchase, but the proper way and where to plant their flowers and trees at their homes or businesses. I also consult with them about the best way to get the flowers to bloom. I used to do a lot of landscaping, but now I work with my customers one on one advising them. I have been doing this for 30 years and this is a business we know. I feel like Baskets & More can still provide that one on one personal touch," said Blanca.

"Della Garcia, my Assistant Floral Designer has been with me since 1998. We have provided floral arrangements for birthdays, recep-

tions, weddings, and many quinceneras."

"Baskets and More is available to take care of those year around customer needs. For Valentines or Mothers Day we can design a special one of a kind arrangement for your loved one," said Blanca.

"In April our spring plants and trees arrive and we can help you select the right plant for your home or office. We carry both annual and perennial plants."

"June through September our outdoor plants arrive. We carry plants, trees and scrubs that are native to this area, along with a variety of pottery."

"We have been a long time supporter of Home-

coming, and have on hand mums, garters and spirit sticks. During the holidays we will come to your home or office and take care of all of your indoor decorating needs. We can bring the tree and the decorations. Of course we always have poinsettias every year. We also provide cemetery arrangements for many local residents."

Baskets & More Garden Center is located across from the Super S store.

Hours of operation are Monday through Friday from 9 a.m.-5:30 p.m. and on Saturday from 10 a.m.-1 p.m.

School board to discuss track repairs at tonight's regular meeting

BY MELISSA PERNER
THE OZONA STOCKMAN

The Crockett County CCSD Board of Trustees will consider proposals for track repairs during tonight's (Oct. 27) regular board meeting.

The meeting will begin at 6:30 p.m. at the Administration Building.

Repairs to the track at Lion Stadium was discussed at an Oct. 11 facilities workshop.

The track was resurfaced 10 years ago. It was recoated 5 years ago. Areas of the track have some holes and one part lifts up.

Wally Freytag, of Beynon Sports Surfaces, presented some options to the board during the Oct. 11 workshop.

To just make repairs and recoat the track, cost would be around \$75,000. However, Freytag said if this is done the base will still be 10-11 years and can get brittle, which often causes com-

plaints from athletes about shin splints and hurt ankles.

To replace the entire surface, costs can range from \$130,000 to \$175,000.

With a new surface, there is a five-year warranty, Freytag said. With a recoating there is no warranty.

"Right now it's almost to the point we may not be able to host a meet," said Athletic Director Ray Brown. "You are going to have to patch it to host a meet."

Brown also suggested relocating the pole vault pit to the south end by the high jump area.

Making it an eight-lane track, as well as redoing the curbing on the track was also discussed.

"Anything that needs to be done this year, we need a decision to get it started as soon as football season is over," said Superintendent Chris duBois.

Other items on the agenda:

- Open forum/public

comments.

- Public hearing - School First Rating.

- Transportation and Maintenance report.

- Principals report.

proud of the way they answered every time. They understand that when things don't go well you have to keep playing and to continue to take care of the little things."

The game between these two rivals was heated from the first play. Blow by blow, Ozona answered every time the Broncos scored.

It all came down to the showdown in the fourth quarter.

At the end of the third quarter, Sonora drove the ball down to the Ozona 10-yard line. Quarterback Ethan Morriss ran it in to give the Broncos a 28-21 lead at the start of the fourth quarter.

On the next play, Senior Lion Kyle Dean zoomed past every Bronco on the field for a 67-yard touchdown run. De Hoyos' extra-point was good to tie up the game 28-28 with 11 minutes remaining.

Sonora would get the ball back for one play next when Morriss would toss the ball and Ozona's Austin Suddreth grabbed it for the Lions.

Ozona would have to punt on the series, giving Sonora another chance. The Broncos again took time and moved the ball to the Lions' 40-yard line when Morriss would throw his second interception into the hands of Dean.

Ozona would then try to make a first down at the end of the next series, but came up short.

The Lions defense would hold the Broncos and Sonora would punt, instead of going for it on fourth and seven.

Ozona would get the ball back with two minutes left to play. Abey Lara, Blake

Morrow and Dean would drive the ball into Sonora's territory setting up De Hoyos' winning field goal.

"I really can't describe it," Dean said in the Standard-Times article. "This district isn't over. We've still got to go out there and go after San Saba and Harper."

Dean rushed for 159 yards and two touchdowns on 21 carries. Top receiver for the Lions was Alex Borrego, who had three catches for 104 yards and one touchdown.

Sonora would score first in the game on a one-yard run by Morriss in the first quarter.

Ozona answered right back in the second as Dean found the end zone for the first time. Dean would catch a 29-yard pass from Lara for his second touchdown later in the quarter to give Ozona a 14-7 lead.

The Broncos' Word Hudson caught a nine-yard pass from Morriss as the first half ended to tie it up 14-14.

In the third quarter, Borrego would catch a 66-yard pass from Lara to put Ozona up 21-14.

Once again, Sonora answered quickly with a 37-yard pass from Morriss to Imoni Cross, tying the game again at 21-21 before heading into the fourth quarter.

"We realize that last Friday was a great win, but our focus now has to turn to San Saba," Brown said.

The Lions will face San Saba this week. The Aradillos are 3-5 overall and 2-1 in district, their only district loss coming to Sonora. San Saba is coming off a 48-6 victory over Coleman.

Friday's game will also be Senior Night as it will be the last home game of the season. Kickoff is 7:30 p.m. at Lion Stadium.

Ozona High School Named Army Strong Team of the Week

Dave Campbell's Texas Football is proud to announce that the Ozona High School Lions football team has been named the Army Strong Team of the Week for Division 2A.

The Lions were chosen for this honor because of their teamwork, dedication,

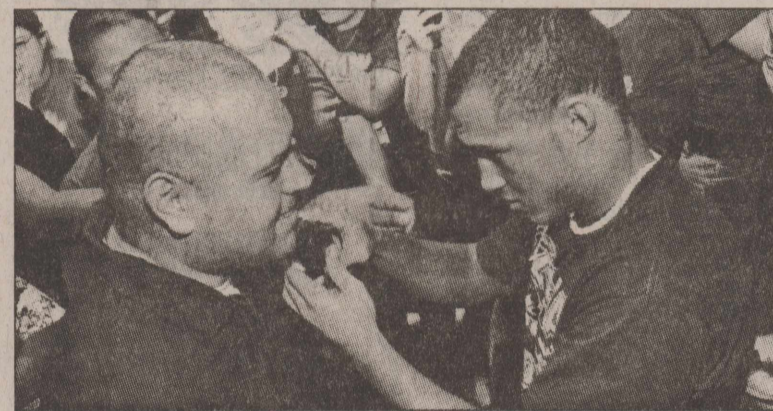

discipline, personal courage and integrity, values shared by U.S. Army Soldiers.

"The city of Ozona celebrated long after the final gun sounded on the Lions' surprising 31-28 win over previously undefeated Sonora," said Adam Hochfelder, general manager of Dave Campbell's

Texas Football. "Kicker Nathan De Hoyos kicked a 37-yard field goal for the winning margin, and RB Kyle Dean was the offensive leader" as he rushed for 159 yards and two TDs. Ozona (6-2 overall, 3-0 in district) is now alone in first place in District 13-2A DII."

KYLE DEAN leaps over a Bronco in their 31-28 stunning victory over Sonora. Also pictured are Jose Aguilar (r.) and Andrew Sanchez (behind Kyle).

KYLE DEAN puts the finishing touches on OHS math teacher and Sonora Alumni Guadalupe Ramon's goatee. The head and face shaving was a result of a friendly wager over the OHS Lions win over Sonora.

THE OZONA MIDDLE SCHOOL BOYS CROSS COUNTRY TEAM WERE CROWNED THE DISTRICT CHAMPIONS at the District Meet held in Wall on Oct. 25. The middle school girls came in third as a team at the meet.

Seventh Grade Lions shutout Broncos

The Seventh Grade Lions hosted the Sonora Broncos and won by a score of 28-0 last week.

Neither team was able to score in the first quarter, but the Lions did manage to score when Dakota Lee busted through for a touchdown. Bryce Martin then converted on a two-point conversion to make the score 8-0 early in the second quarter.

Led by solid defense, Jacob Talamentez, Michael Graham, Kalen Perez, John Gomez, Jose Ojeda and Alan Landa, the Lions forced the Broncos to punt giving the Lions the ball.

The Lions struck quickly when Dakota scored his second touchdown of the night. The two-point conversion failed making the score 14-0.

The Lion defense held again and with 30 seconds left before the half. Bryce Martin then scored on a 30-yard run. Again, the two-

point conversion failed making the score 20-0 at the half.

The second half would see the Lions score one more touchdown when Dakota would pick up his third touchdown of the night. Javier Barrera added the two-point conversion making the final score 28-0.

Lions Jeremy Munoz, Juan Venegas and John Gomez had a great game offensively as Ben Badillo, Noe Medina and Rafael Diaz helped the Lions shut-out the Broncos, said Coach Ubaldo Elguea.

Other Lions that contributed to the victory were Anthony Garza, Ricardo Damien, Kevin Villarreal and Alex Hopper.

The win, evened their season record at 3-3.

The Lions will be back in action when they play host to the San Saba Armadillos at 5 p.m. Thursday at Lion Stadium.

Eighth Grade Lions fall short to Sonora Broncos on Oct. 21

The Eighth Grade Lions fell short to the Sonora Broncos 22-26 last week.

The Lions came out and took the early lead 6-0 when Daniel Lombrana would run the ball in from the 12-yard line the two-point conversion would fail.

Sonora would come back and score and the Lions would fumble on their next possession and the Broncos would recover the ball in the end zone giving the Broncos a 14-6 lead at halftime.

The Lions would roar out in the second half when Jayton Rodriguez would find his way into the end zone behind great blocks from the left side of the field. Rodriguez would also add the two-point conversion making the score 14-14.

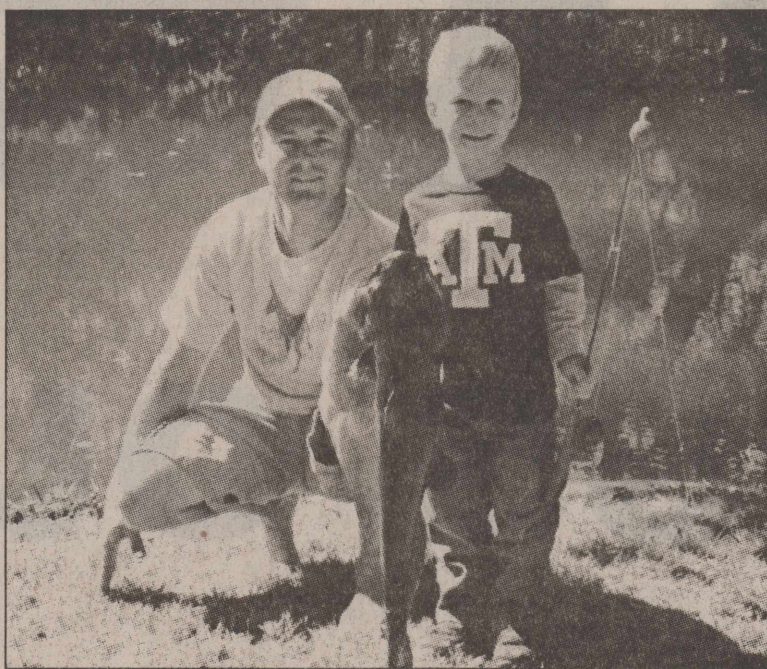

The Broncos would add two more touchdowns, but the Lions would not go down with out a fight.

After Rodriguez would connect with Dylan Perez to give the Lions the ball inside the Bronco 10-yard line, Perez would then find Ryan Porras in the end zone and Rodriguez would add the two-point

conversion making the score 22-26.

The Lions would try for the on-side kick but would come up short.

"We played a tough team and had one too many mistakes. The kids fought all the way to the end and played with a lot of heart and class," said Coach John Esparza.

Ozona Elementary fall activities feature

Veteran's Day program, canned food and coat drives

Ozona Elementary students, teachers and staff will be winding down their fall semester with a variety of community activities.

The campus is honoring our country's soldiers with their "Wall of Honor." For this wall, students will be taking home a yellow star and they are to bring it back to school with a soldier's name. The soldier's name can be that of a fallen hero, a veteran or a soldier who is currently on active duty. Parents are encouraged to help their child decorate their star.

Elementary music teacher Justina Saunders and her musical ensemble of students are busy preparing for the Veteran's Day Program, scheduled for Nov. 11. Details of time and place are forthcoming.

The OES Student Council will be holding a Canned Food Drive throughout the month of November. The drive will commence on Oct. 25 and end on Nov. 19. Only canned goods and non-perishable items should be donated. All food items will be distributed to needy families in Crockett County.

Cold days are approaching, so to prepare for this, the elementary campus will be holding a "Coat Drive."

This drive will start on Nov. 29 and end on Dec. 16. Anyone having coats and/or jackets that can be donated, are asked to bring these items to the elementary campus during regular school hours Monday-Friday. These coats and jackets will also be distributed to Crockett County families in need.

For more information, call Ozona Elementary School at 392-5501 ext. 5730.

Project Graduation pre-game dinner Friday

Ozona Project Graduation will host their annual pre-game meal from 5-8 p.m. Friday, Oct. 29, at the Crockett County Civic Center.

Cost is \$7 per plate. The meal includes barbecue chicken, sausage, potatoes,

green beans, salad, dessert and tea.

All proceeds will benefit Ozona Project Graduation.

CARE CENTER CHATTER

BY ODILIA SANCHEZ
ASSISTANT ACTIVITY DIRECTOR

The residents and staff had a great time at the homecoming parade. Earlier that morning, the Care Center Van was decorated and ready for the parade. The van was loaded up with residents and lots of candy to give out. We also decorated the Care Center Car and it was ready for our King and Queen, Mr. and Mrs. Ansel Reed, to join in the parade. It was awesome to see most of the town participating in the parade and backing up the Lions. It definitely paid off because our Lions came through with a big win over Big Lake. Way to Go, Lions!

The month of October the residents participated in several activities which are not their regularly scheduled ones. On the 11th, they had a great time decorating Halloween cupcakes. Some of the residents couldn't wait to eat them at snack time.

They looked so good that they would decorate one and then eat it. There were plenty to decorate and eat.

On Thursday, Oct. 21, the residents painted and carved pumpkins. We are looking forward to putting them on display.

THE CARE CENTER VAN was all decorated for the Ozona Homecoming Parade on Oct. 1.

play for everyone to see. We had a great time participating in this activity with the residents.

The 25th was a perfect day for making homemade tortillas. When you have been making tortillas most of your life, it is not something you forget overnight.

Some of our residents still want to do some of the things they did when they were at home and making homemade tortillas is one of those things. We heated up the electric skillet and a couple of the residents prepared a batch of tortilla batter. The staff helped in

rolling out the tortillas. They were delicious and the ladies were content.

Our Halloween Birthday Party is scheduled for Thursday, Oct. 28.

There will be costumes and goodies of all kinds. I will fill you in next month on how the party went. I am sure we will have loads of fun. I will also update you on our Bingo Shop Day which is scheduled for the end of the month.

Don't forget to come by and visit with our residents when you have the time.

They will love your company.
