# Comptroller study rates Ozona Schools two stars

#### BY MELISSA PERNER THE OZONA STOCKMAN

Two Stars was all Ozona Schools were given after the Texas Comptroller's Office released a report last week that compares school spending to student achievement.

Crockett County CCSD was given a two out of fivestar rating on the Financial Allocation Study for Texas, or FAST. Of the 1,235 school districts and charter schools rated, 879 received higher than Ozona, while 145 had the same rating, according to the comptroller's office. Only 107 received lower rating's.

Statewide, 43 districts came away with five star ratings, the highest awarded in the report, called "Connecting the Dots: School Spending and Student Progress." Veribest ISD, located near San Angelo, was the closest five-star rated school.

The state legislature authorized the study last year to determine a method to compare school districts on a level playing field. The study also determines which districts allocate financial resources in a way that contributes to high academic achievement and cost-effective operations. According to a news release, the report is designed to help trim school spending without sacrificing educational quality.

School districts and

schools were judged on how much money was spent relative to their scores on the Texas Assessment of Knowledge and Skills. Using formulas to link spending with academic progress, the report sought to compare districts in an unbiased way. Student progress was measured with controls for demographics and other characteristics. A spending index was developed using a number of measures including the percentage of spending used for instruction and the ratio of budgeted to actual spending. A district would earn a five star-rating by showing improved academic performance and fiscal efficiency.

Public school spending has increase by 63 percent during the last decade, outpacing both enrollment growth and inflation, the release said.

"These types of performance levels are sobering, and exactly why we have worked hard the last year or so to implement a variety of strategies to begin correcting the course. We have begun initiatives to meet the needs of struggling readers, English Language Learners, bolster capacity in math and science instruction, leverage technology as much and as soon as we can, and begin a culture of high expectations - starting with things like a

# Commissioners discuss retiring officials

#### BY MELISSA PERNER THE OZONA STOCKMAN

Replacing retiring officials was discussed at the Crockett County Commissioners' Court final meeting for 2010 Monday.

The commissioners spent the majority of the afternoon discussing and finalizing a job description for the County Road Supervisor and the County Building and Parks Superintendent.

Crockett County Road and Maintenance Superintendent Eddie Moore will be retiring at the end of this month. The commissioners also presented Moore with a plaque for his service.

County Judge Fred Deaton said the commissioners' court has not made a final decision on whether it will be a one or two-person job, but that two sets of job descriptions were discussed for county road superintendent and parks and building.

Ruben Mendez was approved by the commissioners as acting road supervisor until the position is filled.

Advertising for the position is expected to start after the commissioners' Jan. 10 regular meeting.

County Auditor Sandy Stokes also gave his final reports during the meeting. Stokes will also be retiring at the end of the month.

Advertising for his position has already been done. Appointment of a new auditor will be made by 112th Judicial District Judge Pedro Gomez Jr. Stokes will remain in office until Jan. 1.

#### **BURN BAN APPROVED**

The Commissioners approved to once again extend the county-wide burn ban for another month due to dry conditions.

A burn ban does not prohibit outdoor burning activities related to public health and safety that are authorized by the Texas Natural Resources Commission, such as firefighter training, public utility, natural gas pipeline or mining operations, planting or harvesting or agricultural crops or burns that are conducted by an approved Prescribed Burning Association, Natural Resource Conservation Service, the Texas A&M Agricultural Experiment Station or certified prescribed burn manager.

All burns need to be reported to the Crockett County Sheriff's Office and the Ozona Volunteer Fire Department prior to commencing.

The band also does not prohibit outdoor cooking in

# From Tahoka to Hong Kong, Tambunga has lived his dream

www.ozonastockman.com

#### Dear Editor,

The following is a story of how I lived my dream. My advice to all people that have a dream, plan it, work hard and with God's help it will happen, especially the young people. Whatever their goal and dream is, go for it and always have a dream and goal in life.

Put God in front of you, he will lead the way.

I am retired and have plans

to make one more trip to Alaska. Try this, and it's a lot of fun, but with determination and God's help, it's possible.

Thank you for letting me share my dream. Merry Christmas to everybody and may God bless you and your family. **Coy Tambunga** Ozona, Texas

as. I had a dream to someday go to China. I loved to travel and always loved airplanes. I would look at the skies and only wished, but it never happened.

My dream was always about how people live in China, their customs and ways of living, but only professional football players and/or rich people would fly like that.

But after working for AMI-CO, an insurance company, I qualified for the President's Club National Award. My first trip was to Rio de Janeiro, Brazil, followed by a trip to Madrid, Spain, then to Sydney, Australia, in 1983, my last year with the company.

The following trip was to Hong Kong. I said, "This was my dream. I had to make it happen." I knew it was going to be my last year with the company. Most of my fellow employees told me no-

body would make it because it required too many points. I worked seven days a week selling insurance, but I will never forget how I felt when they announced the top qualifiers from the San Angelo district.

I was the only one from the district to make it. I placed eighth in the nation.

My wife, Edna, and I traveled to Hong Kong and I lived my dream for eight days. We have pictures and memories that we will never forget.

I am 70 years old and had a birthday Nov. 21, 2009, where I returned from a deep sea fishing trip in Port Aransas. I caught a big fish, for it being my first time fishing.

In closing, I would like to thank the Lord for all the blessings, for all the opportunities and for letting me share my dream.

God bless you all.

After his first 500 days in The White House we thought it was time to check in on Bo, the First Dog. Here's a transcript of our recent chat with Obama's dog.

Q. So Bo, how is life in The White House. A. Well, I'm not exactly livin' like a dog. I don't eat out of cans or sleep under the porch. Just last night I had a scrumptious five course dinner leftover from the Peruvian Ambassador's State Dinner. Although the Sea Bass was a little underdone for my tastes. And I've never been a big fan of arugula.

Q. Being under the media microscope as you are, do you have a personal life?

A. Not much. In the White House there is a constant stream of lobbyists, Congressmen and other undesirables traipsing through who always want to pet me. Sometimes I just want to reach out and take a big bite out of them. Know what I mean? Q. Yes, we do. How about companion-

ship with other dogs?

A. Well, I'm neutered, you know, so it's not that big a deal. I have been given complete access to the President, although, I must say he's not much of a dog person at The White House? Q. Can you tell us any dirty secrets of the

Q. Bo, what are your goals of your administration?

A. More dog parks and health care for pets. It's a tragic fact but there are millions of dogs and cats in this country without any form of medical insurance. I plan to remedy that situation in the time we have remaining.

Q. Since you brought it up, do you think you have two or six years left on your run

A. The focus for the next two years will be on reelection because if we lose we'll have to move back to Chicago. You ever been to Chicago in the winter with the wind House until I'm dead. Just like Congressmen.

Q. Much was made of the fact, earlier this year, of your extravagant vacation.

A. Which one, we took six this past year? I suppose your talking about the time I flew on my own jet with my handler, Reggie Love, who makes \$102,000 a year. All I can say is that Reggie is a great guy and he does have other responsibilities.

Q. Much was made of the fact that you came from Ted Kennedy.

A. I didn't actually come from Ted, he gave me as a gift. Even though I'm a Portuguese Water Dog I don't know how to swim, and I think you'll agree, that wouldn't have been wise to live with Ted without knowing how to swim.

Q. Wasn't your name really Charlie and didn't you actually come from Texas before you came to the White House? And weren't you rejected by the first family you went to st live with because Now were meant, to be angog companion dog for an older female but you kept trying to suckle her?

I'd like a pair of legs that don't ache (in any color, except purple, which I already have) and arms that don't hurt or flap in the breeze; but are strong enough to pull my screaming child out of the candy aisle in the grocery store.

I'd also like a waist, since I lost mine somewhere in the seventh month of my last pregnancy.

If you're hauling big ticket items this year I'd like fingerprint resistant windows and a radio that only plays adult music; a television that doesn't broadcast any programs containing talking animals; and a refrigerator with a secret compartment behind the crisper where I can hide to talk on the phone.

On the practical side, I could use a talking doll that says, "Yes, Mommy" to boost my parental confidence, along with two kids who don't fight and three pairs of jeans that will zip all the way up without the use of power tools.

I could also use a recording of Tibetan monks chanting "Don't eat in

#### TAX COLLECTIONS UP FOR NOVEMBER

Comptroller Susan Combs on Dec. 8 said November state sales tax revenue totaled \$1.84 billion, up 8.7 percent compared to November 2009.

Sales tax revenue has grown for eight consecutive months compared to year-ago levels, with recent gains above the 5 percent mark, she added. Combs uses sales tax collections as one of more than a dozen "Key Texas Economic Indicators," all of which can be

LAWMAKER TO FILE 'TAX HONESTY' BILL State Rep. Richard Raymond, D-Laredo, on Dec. 6 announced he will introduce a constitutional amendment that establishes honesty in taxation and classifies fees, surcharges and other revenue-generating measures as taxes.

Raymond, vice chair of the House Appropriations Committee, said, "It is time we make it harder for politicians to hide the truth from the people, and the truth is, if you raise fees, you raise taxes. We need to make sure all taxes are out in the open; so Texans know when their taxes are being raised."

Raymond said he fears "that a looming deficit of roughly \$25 billion will tempt some lawmakers to try and make up that deficit by raising fees and surcharges without calling them taxes. That would include items like driver's licenses, hunting and fishing licenses and even obtaining a copy of a birth certificate."

# Mr. and Mrs. John Quay Oglesby

Stormi Lee Sessom and John Quay Oglesby were married in a double ring candlelight ceremony on Saturday, November 13,2010, at the Ozona United Methodist Church with the Honorable Brock Jones officiating. The bride is the daughter of Jodie and Jack Baggett, Jr. of Ozona and Eva Jo and Steve Sessom of Eldorado. The groom is the son of Sally and Sterling Harris and the late Mike Oglesby of Ozona.

The altar was flanked by two antique iron candelabra. Each candelabra had thirty-three votive lit branches and was decorated with fall foliage. At the entrance to the aisle were two topiaries draped with a variety of beautiful burgundy, mocha, tangerine and baleria fall blossoms. A special arrangement adorned the altar placed in loving memory of the couple's grandparents and the late Mike Oglesby, father of the groom, and Mitzi Sessom, sister of the bride.

Matron of Honor was Mrs. Staci Lockhart of Eldorado, sister of the bride. Bridesmaids were Miss Taylor Oglesby of Austin, sister of the groom, Mrs. Haley Forehand of Ozona, Miss Misti Moore of Austin, and Mrs. Melissa Hokit of Ozona. The flower girls were Charli Sessom, daughter of the bride and Stevi Lockhart, niece of the bride.

Best man was Wilson Stokes of San Angelo. Groomsmen were Koby Fenton of San Antonio, Chase Clark of Buie, Adam Raschueber of Austin and Heath Holt of Big Lake. Drew Lockhart, nephew of the bride served as ring bearer. Ushers were Philip Baggett of Austin, Walt Harris of New Braunfels, G.L. Bunger of Ozona, and Jerrod Holt of Big Lake. Greeting guests at the church and handing out programs was Payton Lockhart of Eldorado, niece of the bride.

The bride, given in marriage by her father, wore the "Milana" bridal gown by Australian designer Maggie Soltero. A vintage look, her slim, sculpted gown was fashioned of champagne lace and illusion tulle over light gold satin. Lavish beading of glass seed beads, tiny pearls, silver bugle beads and sparkling Swarovski crystals highlighted the delicate pattern of the lace. Sheer beaded lace cap sleeves hugged her shoulders and topped the fitted lace bodice to the jeweled band accenting her waistline. A romantic lace-up corsette closure with satin straps enhanced the back of her gown. The fitted silhouette of her lace skirt over satin, flaired from the knee into a spray of illusion tulle, which swept into a Chapel length train. Stormi wore a gold lavaliere and a sixpence, both of which belonged to her great grandmother, Ola Mills, and have been worn by all of the family brides. The traditional borrowed and blue tokens were a pair of pearl earrings surrounded by diamonds and blue sapphires loaned from her dear friend, Camille Jones. Stormi carried a clutch of beautiful ivory and champagne roses. The Matron of Honor and bridesmaids wore long caramel gowns of graceful, flowing tiffany chiffon. Their dresses featured a shirred asymmetrical empire bodice with one shoulder strap captured by a corsage of hand rolled caramel chiffon flowers. They each carried a nose gay of autumn colored peonies, enchantment lilies, and mocha roses. The flower girls wore candlelight satin ballerina-style dresses with a rhinestone embellished flower detail on the waistband that tied in a bow sash in the back. The skirts had a mesh overlay of iridescent sequins. They wore a halo of baby's breath with satin ribbons in their hair and carried baskets of autumn leaves.

The bridegroom and his attendants wore black tuxedos with matching bronze vests and ties. The groom wore a boutonniere of champagne rose buds and his attendants wore boutonnieres of a variety of fall blossoms.

The mother of the bride was escorted in by Philip Baggett, her stepson, while the mother of he groom was escorted in by her son Quay, the groom. As the grandparents were seated, "Word of God Speak" was being performed by guitarist Jesse Ramirez II and pianist Edward Hernandez, both of Lubbock. The duet performed "Cannon in D" as the bridesmaids entered the church. The congregation stood as the guitarist performed "The Romantic Waltz" as Stormi was escorted down the aisle by her father. Nannette Vernor sang "From this Moment" and after the exchange of vows, Vicki Stokes and Nannette Vernor sang "Forever Young.

Immediately following the ceremony a reception was held at the Fair Park Convention Center. Guests were welcomed into an elegantly transformed ballroom. The ceiling of the entry was a sway of bronze organza with a crystal chandelier hanging over the bronze satin covered registry tables. Portraits of the bride, along with candles and champagne roses completed the registry table. Upon entering the ballroom, a sweeping balloon valance of black satin hung from the ceiling centered with three staggered crystal chandeliers. The surrounding outer walls were formed with black satin draping. The tables were covered with bronze tablecloths topped with bronze organza swirl overlays. Each table was centered with crystal towers of colorful fall blooms complimented by mirrors and crystal candle lit votives. The chairs were covered in black and had love knots tied around them of bronze organza.

The bride and groom's cake tables were covered in an iridescent slate taffeta of rosette design with a large chandelier hanging above. The bride's cake was a three-tiered ivory Italian Creme. # Toys for Tots applications due Friday, donations being collected through Saturday

Veterans of Crockett County are once again collecting new unwrapped toys and money donations as we enter this holiday season.

These donations will be used to provide a gift during Christmas for the children in Crockett County that might not be as fortunate as others.

The Toys for Tots campaign will last until Saturday, Dec. 18, at which time all toys and money collected will be turned over to the Ozona Salvation Army where they will distribute the toys, with the support of the Ozona Volunteer Fire Department.

The Ozona Salvation Army will have applications for the people that need some assistance this holiday.

Applications can be picked up at the Ozona Fire Station. This program is intended for children that will receive nothing for Christmas this year.

Due to a lack of funds, the program is restricting to children ages 12 and under. Deadline for applications is Friday, Dec. 17.

"We do appreciate the good people in our town and want to thanks them," said Lou Marrow, Salvation Army Chairperson.

Crockett County Veterans will be asking everyone to join them in bringing a smile to a local child this holiday season.

Toy containers are located at Ozona Fire Department, Duckwalls, Dollar General, the Ozona Fire Station or Crockett County EMS Building.

Crockett County Veterans have already started collecting toys and will be available at various locations throughout town every Saturday morning from 10 a.m. to noon.

"The veterans are asking you to join us during our 2010 Toys for Tots Campaign. If you would like to drop off a toy or make a money donation come by when you see our volunteers collecting on Saturdays," said Frank Tambunga, coordinator.

A favorite pass time of the family were their fishing trips to the Devils, Rio Grande and Pecos Rivers. He precede her in death on May 13, 1960. Dorothy lived her summers in Ruidoso, N.M., where she had many special friends. A very special friend, Betty Conley of Midland met Dorothy in Ruidoso every year. While in New Mexico Dorothy played bridge four times a week, went to horse races wher she was a member of the Ruidoso Jockey Club. She was also a member of the Ruidoso Womens Club and the Senior Citizens.

Her pride and joy was the family ranch, where she was an arrowhead hunter and a Christian ranch woman putting up garden produce and fruit. She worked inside the goat and sheep pens when shearing. Treasuring her life every day Dorothy loved needle work and made her children's and grandchildren's Christmas stockings. Loving the holidays, she looked forward to having her family come home to the ranch during Thanksgiving and Christmas.

With honor and pride, Dorothy watched Shawn and Mecca in A.J.R.A., high school, college and Pro Rodeo Association competitions. Shawn went on to The National finals rodeo in Las Vegas in 1992-1995 and Dorothy watched with a big smile. So proud of her grandchildren, she watched Tripp, Fontaine, Whit and Phaedrae as they participated in many swimming and cheerleading competitions. She enjoyed attending her nieces and nephews school and sport activities as well, which included, special nieces Fontaine Fowler Cope and Jan North Smith. Her nephew David North loved to come to the ranch and hunt. Active in attending sport events, Dorothy would make trips to Lubbock, Texas to watch Texas Tech Red Raiders football games.

## **OUR NEW GRANDCHILD**

My wife and I were blessed with the arrival of a new grandson several months ago. I enjoyed very much watching mother and new baby together. She got up early in the morning and worked in the kitchen. She had a little crib close by and she talked to him and he made funny little sounds back to her. It is amazing the bond that is developing between them and the love relationship they have. As I watched him in his little crib kicking and smiling I wondered what his future will be? Our newest grandson reminds me of something in the Bible. I wonder what Mary thought when she was informed by the Angel Gabriel that she would have a child? She had lived in a way that pleased God very much and as a result He was going to bless her in a special way, (Luke 1:26-35). She was going to have a baby but no ordinary baby, as He was to be the Son of the Most High, (The Son of God) and His name was to be Jesus, (Matthew 1:18-25). He was going to be a King and would save people from their sins, (Luke 2:10&11). The Bible does not say much about the early years that Mary spent with her son but we know she loved Him and tenderly cared for Him, (Luke 2:7). See you in church next Sunday. Brother J

**REPORT:** from page 1

**College Readiness office and** adding structures like our AVID program," said Super-intendent Chris duBois. "We have also emphasized support to teachers and principals to meet these high expectations with new data and instructional tools, new access to powerful curriculum processes and targeted professional development based on student needs."

The Comptroller's office found the district to have composite academic progress at a 35, which is a percentile ranking of combined math and reading progress.

Ozona's composite adjusted spending per pupil was \$14,798. The district had a "high" spending rating. The rating compares districts against up to 40 "peer" districts of similar size, serving similar stu-dents in similar cost environments.

The FAST ratings are designed to identify districts that produce strong academic growth at a lower cost than their peers. The news release said that districts receiving five stars have a "very high" student progress rating and a "very low" spending rating, whereas one-star districts have very high spending and very low progress compared to their fiscal peers.

duBois said for those really interested in the breakdown of the report, more information is available on the report's website.

"It's certainly worth people's time," he said.

The report shows an average over three years, ending in 2008-2009, during which time CCCCSD was rated academically acceptable by the Texas Education Agency. Last year, TEA rated Ozona a step up as Recognized.

Campus ratings showed Ozona High School with a one star rating and Ozoana Middle School with a errone and a half star rating. The study also did not include Ozona Elementary because the campus was not reported until the 2009-2010 school year due to the school still being split into two campuses, duBois said. This means that data used in the study is at least two years old. Also, in the academic section of the report no allowance was made for districts with high populations of special education, at risk, low socioeconomic or bilingual students. "This doesn't mean we should ignore it," duBois said. "I'm all about this tool and find it very interesting.'

engaged in direct instructional service to students - it's all-hands-on-deck for sure. We have a lot of hard work and shifting in awareness to come, but we will get where we need to be," duBois said.

School districts are being told they should expect to get an estimated \$3 billion to \$5 billion less in the next two-year budget as lawmakers begin wrestling with a \$24 billion revenue shortfall in January.

Public education made up more than 40 percent of the state's \$87 billion general revenue budget approved for 2010-11. Spending per student grew 63 percent during the past decade outpacing both enrollment growth and inflation, said Texas Comptroller Susan Combs.

"Taxpayers are within their rights to expect exceptional academic achievement, and they are also entitled to receive the best value for their tax dollars," Combs said.

Because of the shortfall, schools are not going to es-cape scrutiny, but taxpayers can't be shortchanged either, duBois said.

Along with funding, duBois said the legislature also needs to take into consideration their academic standards and accountability.

"I hope the legislature spends time talking to the people directly involved and realize they are asking us to do more with less," he said.

The Superintendent also said he encourages all taxpayers and citizens to become involved in knowing more about their school district.

"I encourage all parents and community members to become part of a push There is also one open- call (325) 387-3900 or visit for high academic goals ing to fill the remaining two www.texaspecostrail.com. for their students. Jerrod duBois was named to the All Tournament Team. The Lions were also led offensively by Abey Lara and Austin Suddreth.

The Lions won their final game against Midland JV, 53-41.

Score by quarters: Ozona - 15 13 8 17 - 53; Midland JV - 4 12 10 15 - 41.

Scoring: Jose Aguilar 8; Lara 14; Suddreth 8; Alex Borrego 5 and duBois 18. Also playing: Saul Vargas, Luis Soto, Richard Borrego and Ryan Mayfield.

The Lions defeated Irion County in their third game, 41-20.

Score by quarters: Ozona - 13 9 12 7 - 41; Irion County - 6 4 3 7 - 20.

Scoring: Aguilar 8; Lara 14; A. Borrego 4; Soto 1; duBois 12 and Mayfield 2. Also playing: Suddreth, Vargas and R. Borrego.

"This was one of our better defensive games we have had this year. I was proud of the way we rebounded from losing a close game with Sonora. You never know how the players will respond when you play your heart out and lose a close one. We are still learning to play with new teammates and work together to get things accomplished," said Coach Ted Rohan.

The Lions lost to Sonora in the second game, 48-44. Score by quarters: Ozona – 13 12 12 7 – 44; Sonora – 15 12 8 13 – 48.

Scoring: Aguilar 4; Lara 2; Suddreth 15; A. Borrego 6; Vargas 4; duBois 13. Also playing: Soto, R. Borrego and Mayfield.

"We learned that we could play with Sonora. Although we did not win, we are making significant strides in getting ready district play," Rohan said. In the first game, Ozo-

na lost to Kermit 51-42.

Score by quarters: Ozona - 11 11 16 6 - 42; Kermit - 16 13 12 10 - 51. Scoring: Aguilar 13;

Lara 11; Suddreth 7; A. Borrego 3; Soto 2; duBois 16. Also playing: Vargas, R. Borrego and Mayfield.

"We played hard for three quarters against one of our old district rivals. We played much better than we did in Ingram. We are still learning how to play four quarters," Rohan said.

The Lions are 3-8 overall heading into Friday's game against Junction. Games will start at 5 p.m. at the Davidson Gym. Lady Lions defeat Junction, place third at Irion County

The Ozona Lady Lions defeated Junction, 77-53, on Dec. 7.

Scoring: Kristen Mendoza 22; Melanie Miller 19; Stacie Quiroz 12; Britni Mitchel 10; RaeLynn Arredondo 8 and Natalia Ortiz 6. Other key players: Adrienne Sanchez, Layla Perez, Makayla Badillo, Alex Rodriguez and Brenda Venegas.

The Lady Lions also competed in the Mason Tournament over the weekend.

Ozona lost to Mason, 59-40, in their first game. They then won again over Junction, 65-25, and over Llano 58-34. The Lady Lions then lost to San Saba 76-42 in their final game.

"The girls played hard and had some good things happen. The Llano game was the most complete game we have played all season. Our press looked good, we attacked the basket offensively and every player contributed," said Coach Cristy Isenhower. "If we can continue to gain confidence, I think we will be able to surprise some people, including ourselves. When we get after people and settle down, these girls are really fun to watch. This is a good group and will continue to get better."

The Lady Lions also placed third at the Irion County Tournament held Dec. 2-4.

Arredondo and Quiroz were selected to the All Tournament Team.

In their first game, the Lady Lions defeated Menard 50-43. They then defeated Rocksprings 48-20. Ozona then lost in overtime to Paint Rock 53-55. The Lady Lions improved against Irion Co from first game of the season but lost 44-62.

"The girls are playing hard and working together. As we cut down on turnovers, we will see more positive results," Isenhower said.

#### POST OFFICE DISCUSSED

A discussion on proposing a letter to request to the United States Postal Service to provide mail delivery to physical addresses in Ozona, and to provide a better location for the local post office took place among the commissioners. Commissioner Frank Tambunga had a request from Shelly Childress to have the item placed on the agenda for the commissioners to send a letter to Francisco "Quico" Canseco, who was recently elected U.S. Representative for District 23 which includes Crockett Tambunga also said many people have been having problems with mail being sent back or returned if it contains a physical address and not a P.O. Box ad-"We have already been through all this with Congressman Rodriguez. Hopefully, Canseco will send somebody by here to let us know how to touch base with him. It shouldn't make any difference. They have your physical address at the post office and they should be able to convert that and put it in your box," Deaton Commissioner Randy Branch said the U.S. Post-

### Counties meet requirements for livestock assistance

#### **BY JED W. HRUSKA** COUNTY EXECUTIVE DIRECTOR **REAGAN-UPTON-IRION-CROCKETT**

Nineteen additional counties have met the trigger requirements for the Livestock Forage Disaster Program (LFP). Counties recently determined eligible for native and improved grasses are Bandera, Brazos, Crockett, Dimmitt, Grimes, Houston, Kinney, Leon, Madison, Maverick, Milam, Robertson, San Jacinto, Terrell, Trinity, Uvalde, Val Verde, Walker and Zavala.

The following counties were granted a sign-up extension until March 1, 2011: Bandera, Brazos, Crockett, Dimmit, Edwards, Grimes, Houston, Kerr, Kimble, Kinney, Leon, Madison, Maverick, Milam, Real, Robertson, San Jacinto, Sutton, Terrell, Trinity, Uvalde, Val Verde, Walker and Zavala.

LFP provides payments to eligible livestock producers that have suffered livestock grazing losses due to qualifying drought or fire. Fire losses apply only to federally managed rangeland. Eligible livestock under LFP include beef cattle, alpacas, buffalo, beefalo, dairy cattle, deer, elk, emus, equine, goats, llamas, poultry, reindeer, sheep and swine. For losses due to drought, qualifying drought ratings are determined using the U.S. Drought Monitor located at http://www.drought. unl.edu/dm/monitor.html.

"It is imperative that livestock producers meet their deadline for disaster assistance

#### ANTI-BULLYING **LEGISLATION FILED**

State Sens. Wendy Davis, D-Fort Worth, Judith Zaffirini, D-Laredo, and John Whitmire, D-Houston; and state Reps. Richard Raymond, D-Laredo, Mark Strama, D-Austin; Ryan Guillen, D-Rio Grande City, and Carol Alvarado, D-Houston, each have filed bills to curb bullving that occurs particularly among school children.

The bills would prohibit oldfashioned bullying, "cyber" bullying, harassment and intimidation, all of which can take many as Workforce Commission said

as there are no late file provi-sions for LFP," said Hruska. "To insure a smooth application process, producers should have all required supporting documentation with them at the time they visit our office to apply for benefits."

In order for an LFP applicant to qualify for program benefits, the applicant must have purchased insurance coverage through FSA's Noninsured Crop Disaster Assistance Program (NAP) or the Pasture, Rangeland and Forage Insurance-Rainfall Index for Grazing (PRF-RI) program offered through the Risk Management Agency (RMA).

Producers who meet the requirements of a socially disadvantaged, limited resource, or beginning farmers or ranchers, as defined in the Food, Agriculture, Conservation, and Trade Act of 1990, Section 2501 (e) (7 U.S.C. 2279(e)), do not have to meet this Risk Management Purchase Requirement (RMPR).

LFP program applicants should note that in addition to risk management provisions, certain payment limitation and adjusted gross income eligibility requirements must be met in order to qualify for livestock disaster program benefits.

For more information or to apply for LFP and other USDA Farm Service Agency disaster assistance programs, please contact the Reagan-Upton-Irion-Crockett County FSA office at (325) 884-3753. Information can also be obtained on line at http://www.fsa.usda.gov.
