Lions hold Cranes

*Ozona
now 3-0*

BY MELISSA PERNER
THE OZONA STOCKMAN

CRANE - Coach Ray Brown said last week that Crane would be a test for the undefeated Lions.

Ozona passed.

Last Friday, the Lions marched into El Ave Stadium and took down the Golden Cranes, 20-16, on their own turf to improve to 3-0.

"We obviously knew that playing Crane in Crane was a huge challenge for us, and one that we wanted to see how our football team would respond. Out staff could not be more pleased, not only with coming away with the win, but the great effort and tenacity displayed by our kids," Brown said.

Ozona be productive on both sides of the ball with the offense getting things started in the first quarter.

The Lions would drive the ball down the field to the one-yard line where Senior Blake Morrow punched it in the end zone for the first touchdown of the game.

OZONA LION BLAKE MORROW manages to find a hole during Friday's 20-16 win against Crane. Morrow scored two touchdowns for the Lions and carried the ball 15 times for 66 yards.

Care Center Administrator search continues

BY MELISSA PERNER
THE OZONA STOCKMAN

The Crockett County Care Center Health and Emergency Services Board of Directors continued their search last week for a new Care Center Administrator.

Last week, the board met and reviewed 16 applications they had received for hiring an interim administrator.

The board narrowed down the list to five applicants. These applicants were invited for scheduled interviews Tuesday, Sept. 18, and tonight, Sept. 19.

The applicants are from Houston, Dumas, Texas, El Paso, Pasadena, Texas and Brooksmith, Texas.

Director of Nurses Vicki Childress said the Care Center needs to have an interim administrator in place by Oct. 4 or the state could penalize the facility 30 days.

Childress said she was mistaken in that the state would let the facility file an appeal if they did not have one by Oct. 4.

She said the state officials suggested names of people who could be a temporary administrator if needed.

"We are going to choose who we think is the best person for the job," said John L. Henderson, board president.

The board is looking to replace former director Jeff Bacher who died last month.

Child passenger safety week promotes car seat checks

Securing children properly in age and size-appropriate child safety seats, in the backseat of vehicles, is the most effective thing people can do to protect children in the event of an accident. According to the National Highway Traffic Safety Administration, nearly three out of four child safety seats are not used properly. During Child Passenger Safety Week, Sept. 16-22, Child Passenger Safety Technicians are available to provide free, hands-on care seat education and inspections. For Ozona residents, the Texas Department of State Health Service in Sonora at 103 E. Main is the closest office. The law requires all children under 8, unless taller than 4-feet, 9-inches, to be in a child safety seat system which includes traditional child safety seats with harnesses and booster seats. Whitney Walson, Crockett County Texas AgriLife Extension Agent, said parentment need to keep children rear-facing until the age of two or until the limit of their rear-facing convertible seat, which is usually 35 pounds or more. Children should stay in a 5-point harness system until they are mature enough to ride in a booster seat. Booster seats are for children who are at least age four and 40 pounds or more. Keep children in a booster seat until the seat belt fits correctly, which is usually between ages 8-12. For more information, call the Sonora office at 387-2234 or visit <http://buckleup.tamu.edu>.

LIBRARY NEWS

By Louise P. Ledoux | Crockett County Librarian

Library receives PEARL Grant

CCPL began a new Media Book Club program in 2011 as a community outreach project for promoting and enhancing the advancement of Rural Libraries Grant Program from the University of North Texas in Denton.

The PEARL Project is funded by the Robert and Ruby Priddy Charitable Trust.

The Priddy Charitable Trust has focused on liberal arts education, pre K-12 public education, community health care and rural public libraries. Around \$1.8 million was given for the grant and has benefited 105 rural libraries in Texas.

The number one goal of the Program is to enhance community cooperation between the small libraries and governing agencies, civic organizations, educational and social institutions, community leaders and local residents. Upon completion of the project, CCPL will receive a \$1,000 grant.

CCPL began the PEARL project to help our library go on after the devastating budget cuts of the 82nd Texas Legislature and the loss of state and federal funding, technical support and our library system.

We were looking for a community outreach program to raise awareness of the library and our services through interviews with local library users and business members.

With help from PEARL staff, we came up with the Media Book Club as a way to

CROCKETT COUNTY PUBLIC LIBRARIAN LOUISE LEDOUX (left) and Friends of the Library President Elva Ramirez hold a certificate from the PEARL Project at the University of North Texas for a \$1,000 grant.

showcase the library, our patrons, and services through different public media outlets, such as the Ozona Stockman newspaper, KYXX FM Radio, our CCPL Internet website and Facebook page.

From the very first interview it was very popular and a great success. To date we have had 10 newspaper interviews and 14 radio interviews.

The Ozona Stockman has a circulation of 1,800, and KYXX FM Radio has a listening audience of 62 percent of the population in Crockett, Sutton and Schleicher Counties. Transcripts are also available on the Library website and Facebook page.

Last week, Librarian Louise P. Ledoux traveled to Denton to report on our success-

ful program and to receive the \$1,000 grant.

The grant also sparked a very successful fundraiser for the library from the Chamber of Commerce. The library was chosen as the 2011 Business of the Year and raised almost \$8,000 to support the library after state budget cuts.

The Crockett County Commissioners Court also increased the Library Operating Budget for books and for computers.

The library is in good shape now to continue on our own through the next several years.

The funds will be used for new books and materials, to update and maintain the public computers, and for programs for our patrons.

OZONA SENIOR HAPPENINGS

Senior Bingo Social Monday

BY BRENDA NEWTON
SENIOR CENTER DIRECTOR

Wow, you don't realize how fast time flies until you have a weekly deadline. I really cannot see how Melissa and Paul and group do it.

Anyway, we did have the visit from E.A. Wadsworth. She gave a really interesting talk on mind and body exercise. She also showed us how to use the exercise pads that go with the Wii. Too fun.

She promised to come back on Oct. 2 and do the basics to find out if we are physically fit to do the exercises. She had some great exercises done with towels, stretchy things and chairs.

She said they were not hard to do but very good for keeping those muscles toned and working for the future. Should be fun. I am looking forward to it.

The probation offices have moved back to their new offices in the courthouse. So glad for them, and glad to have our rooms back.

I have been working on the back room to make it comfortable for the men.

The pool table is usable and there are tables for check-

ers, cards and dominoes. This room is accessible from the door at the back, so there is no reason to have to come through the main room to get to it. Just let me know you are there and make yourself at home.

We asked if we would decorate the building for homecoming. How about giving me ideas and help on this. We can make the decorations inside and then put them up the week of homecoming.

We still have the exercise going on at 8 a.m. Mondays, Wednesdays and Fridays, but you are welcome to come in and use it anytime you would like. All the facilities are there for your use.

Levis and Lace Square Dance are having lessons on Tuesdays from 7-9 p.m. The ladies still play bridge on Mondays at 1:30 p.m. and Mexican Train is still on Wednesdays at 1:30 p.m.

Don't forget Bingo on Monday, Sept. 24, at 6 p.m.

Sure would love to have you come out. Please don't let the Senior word scare you off.

It is just a great place for adults to come have a good time. Let me know how I can make it great for you.

ANOTHER AMBASSADOR KILLED

Chris Stevens was born in Grass Valley California on April 18, 1960 and died on September 11, 2012 in service for his country. He was not the only one as there were three other staff members killed. He was the United States of America Ambassador to Libya. His job was to be a representative for His home country and as most ambassadors lived in foreign land. That sad event reminds me of something in the Bible. All Christians, anyone who has trusted Christ as Lord and Savior, are called to be ambassadors for Christ, (2 Corinthians 5:20). Our homeland is not on this earth but in Heaven, (Philippians 3:20). We are to be representatives or witnesses for Christ to a lost and troubled world, (Acts 1:7&8). When our assignment is finished God will call us home, (2 Corinthians 5:1-10). Christians are heaven bound but in the last days on earth it is going to get rough, (1 Thessalonians 1:10). Most of the world will reject Christ and accept false religions and want to kill Christians, (2 Timothy 3:1-5, 2 Peter 3:3). They will think or are taught they are doing God a favor and are going to receive great rewards. We are remain faithful to the end, (John 6:38-40) no matter what and we are to live in a way that does not disgrace or bring shame to the Christian name, (2 Thessalonians 2:10). See you in Church next Sunday. Brother J

LIONS: *from page 1*

Tyler Galindo's kick was good making it 7-0 Lions with 3:04 remaining in the first.

However, it didn't take long for Crane to respond as the Golden Cranes found the end zone with 4:23 left in the first half on a Charles Tapia one-yard touchdown. Pookie Woods would run in the two-point conversion making it 8-7 in favor of Crane.

Ozona answered back immediately as Quarterback Jayton Rodriquez found Senior Alex Borrego for a 25-yard touchdown pass making it 13-8 with 2:46 left.

Rodriquez was 12-17 for 148 yards. Borrego caught the ball seven times for 80 yards.

Crane would not be stopped on their home field as Woods slipped past the Lions' defense for a 54-yard touchdown run. Woods

would run in the two-point conversion making it 16-13 Crane at halftime.

As the second half started, the game would be a battle of defenses until Morrow broke through on a nine-yard run to the end zone for what would be the game winning touchdown. Galindo's kick

was good making it 20-16 for the Lions.

Morrow carried the ball 15 times for 66 yards.

For the rest of the game, the Lions defense put up a stance keeping the Golden Cranes at bay.

Toward the end of the game both sides would fail to

convert the ball.

Crane intercepted but then fumbled giving the Lions the ball under 2 minutes left in the game.

Ozona failed to convert giving Crane the ball back.

With 55 seconds left, Senior Rocky Venegas picked off a Crane pass to secure the Lions win.

"There were several instances that Crane's speed was evident, but we continued to stay focused and play physical football. Ultimately that was the difference in the game," Brown said.

After two weeks on the

road, Ozona returns to Lion Stadium facing Grape Creek Friday and then Sonora on Sept. 28.

Grape Creek is coming off a 38-22 win over Junction.

"Our goal is still to grow and improve against each opponent heading into our district schedule. Grape Creek is an upstart team this year sitting at 2-1 and the ability to generate a lot of offense. We will see a very similar offensive scheme from Grape Creek that we saw from Crane," Brown said.

Kickoff is 7:30 p.m. at Lion Stadium.

Eighth Grade Lions pounce Cranes

The Eighth Grade Lions won 14-12 last week over Crane at Crane.

"This was a great game from start to finish," said Coach John Esparza.

The Lions would trail 0-6 after the end of the first quarter, but the Lions defense would come up huge when the whole defense would fly to the football forcing a safety.

This would cut Crane's lead to 2-6.

The Lions would take the lead late in the third quarter after big runs from Matthew Scheel, Thomas Fay, Jatón Perez and quarterback Aidéan Fierro, ending with Fierro following the offensive line into the end zone from the 3-yard line.

"The third quarter drive

took all but about 90 seconds off the clock. Our line did a great job of opening holes and we didn't make many mistakes in the second half and controlled the ball," Esparza said.

Crane would take the lead again 8-12, but the Lions would again answer the call by great runs and outstanding offensive line play.

That would lead to Thomas Fay finding the end zone making the score 14-12.

However, the fun wasn't over. The Lions defense would have to come up big again forcing Crane to a three and out and sealing the victory for the Lions.

"This was an awesome way to start the season. We still have lots of work to do, but I am so proud of the

way they came out and executed our offense," Esparza said.

The Lions face Grape Creek at 5 p.m. Thursday at Lion Stadium.

Seventh Grade Lions fall to Crane

The Seventh Grade Lions lost to Crane 6-34 last week in their opening game at Crane.

"This was a tough game. We traveled with only 13 kids but they played their hearts out. We fell behind early and could have turned it in but the kids just kept fighting I am so proud of their effort," said Coach John Esparza.

The Lions had some good

STATE: STRETCH OF ROAD GOES TO 85

Forty miles of State Highway 130 between Austin and San Antonio now boast the highest public highway speed limit in the nation: 85 miles per hour. The Texas Transportation Commission, which oversees the Texas Department of Transportation, approved the speed change under a 1999 state law, Transportation Code Chapter 545. The law says the commission may establish a speed limit not to exceed 85 miles per hour on a part of the state highway system if: (1) That part of the highway system is designed to accommodate travel at that established speed or a higher speed; and (2) The commission determines, after an engineering and traffic investigation, that the established speed limit is reasonable and safe for that part of the highway system.

LAWMAKER, JUSTICE DIES

Robert Alton "Bob" Gammage, 74, of Llano and originally of Houston, died Sept. 10. Gammage was a former state representative, state senator, U.S. representative, Texas Court of Appeals judge and Texas Supreme Court justice. He ran for governor in 2006 but was defeated in the Democratic Party Primary Election. Gammage was one of the "Dirty Thirty" - a coalition of state representatives in the 1971 Legislature who successfully fought against corruption in the upper levels of state government and spurred voters to a large-scale defection from incumbent officeholders. A funeral service for Gammage was held in the Senate Chamber at the Texas Capitol, followed by burial in the Texas State Cemetery on Sept. 13.

IF LIVING, PLEASE RESPOND
Secretary of State Hope Andrade, pursuant to a state law that took effect Sept. 1, 2011, sent letters to more than 70,000 Texans, asking them to acknowledge they are living by completing and returning a form within 30 days. Those who don't respond could be deleted from voter registration rolls.

KEEP THE LIGHT ON PUBLIC NOTICES

When government officials make decisions, they must let their citizens know. That's why the state requires them to publish their actions through public notices in newspapers.

But some politicians would prefer to bury public notices on little seen, rarely visited government websites - away from public scrutiny!

If it is not in the newspaper, you won't know about it.
