**Los Planos Style Show March 25**

Friday, March 25, the Los Planos Study Club will sponsor its annual style show. This year the show is expected to be the best yet.

There will be special numbers as an added attraction. Lovely models will be chosen by St. Clair Dept. Store, Remund-Wilson, Robinson's Western Shop, The Fashion Shop, Cobb's Dept. Store, and C. R. Anthony Co.

All of the latest spring fashions for home, travel and society will be shown.

Tickets are on sale by all members of the club, \$1.00 for adults, 50c for children. Proceeds will go for the club's project, the Girl Scout Troops of Muleshoe.

**Mrs. Woodley Is Wesleyan Guild Guest Speaker**

Wesleyan Service Guild met Monday evening at 7:30 at the home of Mrs. Jim Burkhead.

Mrs. Ray Edwards presented two chapters on the study of three countries, India, Pakistan, and Ceylon.

Guest speaker was Mrs. Noel Woodley, who reviewed several interesting and touching stories from the book, "Jeep Tracks".

In the absence of the president, Mrs. Buford Butts, Vice-president, was in charge of the business session. The group voted to serve supper to the young people one evening during Youth Activity Week. The next meeting will be March 28, the place to be announced later.

The vice-president brought forth the thought, "So live with men as if God saw you, so speak to God as if men heard you". The group sang, "Blest Be The Tie".

Refreshments were served to the visitor, Mrs. Woodley, a new member, Mrs. W. F. Gable, and old members: Elizabeth Harden and Mmes. A. C. Leveridge, A. S. Stovall, Buford Butts, Ray Edwards, Clarence Stephens, Frances Gilbreath, Homer Sanders, Sr., and Homer Sanders, Jr.

**Anita Broyles Is Honoree Of Bridal Shower**

A come and go shower honoring Miss Anita Broyles, bride-elect of D. L. Morrison, Jr., was held from 5:00 to 7:00, Tuesday afternoon, March 15, at the lovely home of Mrs. Gerald Allison.

Pink and white, the chosen colors of the honoree were carried out in decorations and appointments. The serving table, covered with a white linen, cut-work cloth, was centered with a beautiful arrangement of pink carnations and two starfoam lovebirds holding wedding bells and wedding bands. Completing decorations were two white tapers in crystal candelabra surrounded by white lilies of the valley.

Honeymoon punch and individual white cakes topped with pink icing was served to those attending. Miss Karolene Towns and Miss Betty Shanks alternated at the punch service and at playing the piano.

The honoree and her mother

**Miss Donna Wright Marries Eugene Shaw In Impressive Ceremony Sunday**

MR. AND MRS. EUGENE SHAW

(Photo By Cline)

In an impressive ceremony performed at the Progress Methodist Church, Sunday afternoon at 3:00 o'clock, Miss Donna Jean Wright became the bride of Eugene Shaw.

She is the daughter of Mr. and Mrs. O. B. Myers and his parents are Mr. and Mrs. W. J. Shaw.

Rev. Carrol Jones officiated as vows were exchanged before an archway of greenery centered with a large white satin bow and wedding bells. A huge basket of gladiolus in the background completed decorations.

The bride's stepfather, Mr. O. B. Myers gave her in marriage. She was lovely in a ballerina length gown of white net over taffeta, featuring a tight fitting bodice with low neckline and a full gathered skirt. Her fingertip length veil of white net was attached to a bandeaux of white flowers. She carried a white gardenia corsage on a white Bible with aqua and pink satin streamers.

Carrying out the tradition, for something old the bride wore some pear earrings; something borrowed was the white Bible; something new was her wedding ensemble; and something blue was a garter.

Mrs. Doyne Green, sister of the groom was matron of honor. She wore an aqua dress and carried a corsage of white carnations on a white Bible. Darlene Black was bridesmaid. Her dress was pink and she also carried a corsage of white carnations on a white Bible.

Doyle Green, brother-in-law of the groom served as best man. Candlelighters were Keith Buhrman and R. L. Gabbert. Kenneth Henry and Gordon Wilson were ushers.

Mrs. Joe Walker, organist, accompanied Mrs. Franklin Mann as she sang "Always", and "The Lord's Prayer". Mrs. Walker played "Melody of Love", as the candles were being lighted, and also the traditional wedding marches.

Immediately following the ceremony the young couple left for a wedding trip to points of interest in New Mexico. They will be at home near Muleshoe where the groom will be engaged in

farming.

Mr. and Mrs. Shaw are both senior students in Muleshoe High school.

Out-of-town guests attending the wedding were Dale Wright and Wayne and the Wright families, brothers of the bride, Leveland; Pvt. Charles L. Reynolds, Camp Humphreys, Mr. and Mrs. John McIntosh and Wesley; Mr. and Mrs. Lonnie Mitchell, Mrs. Iris Reynolds, and Earl Reynolds, all of Clovis, N. M.;

Janice and Janet Reynolds, Tucumcari, N. M.; Mr. and Mrs. Dee Inman and daughters, Ft. Sumner, N. M.; Mr. and Mrs. Buster Cogdills, Jane and Stanley, Roswell, N. M.; Mr. and Mrs. Charles Shaw, Jr. and daughter, Mrs. Wilma Sutton and daughter, Mr. and Mrs. Leroy Davis, and Mr. and Mrs. Barney Green and family, all of Littlefield.

**Bridal Shower Is Given Honoring Miss Donna Wright**

A miscellaneous shower honoring Miss Donna Wright, bride-elect of Eugene Shaw, was held following a wedding rehearsal Saturday evening, March 12, at the home of Rev. and Mrs. Carrol Jones.

Hostesses were Mmes. Jones, John Thomson, Troy Actkinson, Byron Cavin and Joe Walker.

The serving table was laid with a white lace cloth and centered with the beautiful crystal punch service. Lime sherbit punch and individual cakes were served to approximately forty-five guests. Many who were unable to attend sent gifts.

Honor guests included Miss Wright, her mother, Mrs. O. B. Myers; and the mother of the bridegroom to be, Mrs. Bill Shaw.

Out-of-town guests included Mrs. Iris Reynolds, and Earl Reynolds, Clovis, N. M.; Mrs. Buster

**Doris Jean Childers Honored By Friends**

Doris Jean Childers was honored on her 15th birthday with a party given at the home of Mr. and Mrs. Clyde Holt, with Elaine Evans and Mary Jo Holt as hostesses.

The refreshment table was laid with lace cloth, centered with the white birthday cake decorated with green candles. Green punch was served from a crystal bowl. Sandwiches and mints were also served to the following guests:

The honoree, Doris Jean Childers, Ginger Roberts, Joan Green, Sue Cunningham, Mary Janice Puckett, Bo Bryant, Stanley Myers, Jerry Blaylock, Todd Hodges, Keith Buhrman, Eddie Wilt, Gene Paul Jarman, Stanley Fox, Doyle Rush and the two hostesses.

Games were played and a beautiful gift presented the honoree.

**THE DAVID ANDERSONS VISIT MAJOR EDMONDS**

Mr. and Mrs. David Anderson and children, Davy Jean and Hal made a trip to the Carlsbad, N. M., Caverns last Thursday. On their return they visited their nephew, Major R. C. Edmonds in Roswell. ## Totally Disabled Persons May Benefit From New Social Security Provision

Workers and self-employed men and women under 65 who have been totally disabled for at least six months and who have worked in jobs covered by social security for a substantial time may benefit from an entirely new provision in the Social Security Act, Mr. John G. Hutton, manager of the Lubbock, Texas social security office said today.

This amendment applies equally to those who are now disabled and to those who become disabled in the future. Similarly, some retired workers who are now receiving monthly social security checks may be favorably affected if they are still disabled as the result of a disability which began before they reached 65.

"This does not mean that cash payments based on disability are now possible under the social security program," Hutton cautioned. "It does mean, however, for the first time, that periods of prolonged disability will not count against some wage earners or self-employed persons in figuring the amount of their average monthly wage on which old-age and survivors insurance payments are based."

Mr. Hutton explained that under the social security law in effect before the 1954 amendments the average monthly wage had to be figured from a specified starting date until the worker became 65 or died. Those who could not work over a long period of time because they were disabled had their average earnings reduced by these periods of no earnings or of low earnings.

In addition, the months of disability also had to be counted in figuring whether or not the individual had worked sufficiently long in jobs covered by the social security law to be eligible for any old-age or survivors insurance benefit.

"Under the new law, average earnings and eligibility requirements will not be affected by the period of disability," Mr. Hutton stated. "In effect, this means that the amount of the social security benefit at death or at 65 would not be eligible by inability to work during lengthy disability periods."

Qualification for use of the "disability freeze" depends on these factors:

1. The worker must be totally disabled by a medically-determinable illness, injury, or other physical or mental impairment which can be expected to be of long-continued and indefinite duration. This condition must have existed for at least six months, and he must still be disabled at the time of filing his application for a determination of disability.

2. The worker must have been employed or self-employed for a substantial period of time in occupations covered by the social security law before onset of his disability. A "substantial period of time" means 5 years of coverage out of the 10 years before the disability, of which time 1 1/2 years of coverage must have been in the 3 years prior to disability.

"Any worker under 65 who believes he qualifies under these conditions should get in touch with his nearest social security office to file an application for a determination of disability," Mr. Hutton advised.

Our representative will be in Muleshoe at the Post Office at 9:30 a. m., March 23, and will be glad to assist in all matters pertaining to social security.

Mr. Hutton explained that under the social security law in effect before the 1954 amendments the average monthly wage had to be figured from a specified starting date until the worker became 65 or died. Those who could not work over a long period of time because they were disabled had their average earnings reduced by these periods of no earnings or of low earnings.

## FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Positive Relief

The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex.

Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that troubling agony.

Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine to help provide longer lasting relief. Ar-Pan-Ex is exclusively perfected to curb chronic, deep-seated pain.

Why AR-PAN-EX Helps  
Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pain.

Nothing Like AR-PAN-EX  
Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions.

Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

**Local Girls See State Tourney**

Jean Montgomery, Velta Gillis and Wanda Middlebrook, a teacher in Muleshoe High school, journeyed to Austin last week for the girls' state basketball tournament.

The group left on Thursday night and returned from the games on Sunday.

Along with seeing a lot of good basketball while in the capitol city, the girls visited almost every point of interest in the immediate area.

**Exchange Student Program Lauded By German Boy, Senior In Muleshoe High**

Editor's Note: One of the outstanding students in Muleshoe High school this year is an exchange student from Germany, Hendrik Bruns. As a member of the senior class, he has been voted "class favorite" and was a candidate for the "most handsome" boy in MHS during the recent "Muletrain" elections. Recently Hendrik was required to write a theme in his English IV class and the result was not only a good paper as far as the rules of the course went, but the content was very timely indeed. The theme, printed below, deals with a program being carried on between two governments with which very few people in this area are familiar.

"This year 220 German teenagers were brought into the U. S. under the State Department's sponsorship. These students are placed in American homes by five different organizations which cooperate with the State Department. The German teen-age program is a part of the world wide exchange of persons program conducted by the State Department with the assistance of numerous organizations and private citizens.

"In Germany the Americans have not only the task of inter-

preting American ideals to the German people, but of overcoming misconceptions about the U. S. built by the Nazi period, when the Germans were behind their own iron curtain. One of the best ways to accomplish those tasks between the two countries is to have as many Germans as possible to visit America, and as many Americans to visit Germany. Nearly 10,000 Germans have visited the U. S. since 1946 in periods varying from a week to a year.

There is no intention to propagandize the visitors but every effort is made to show that the American way of life accents freedom, peace, and friendship with our nation.

"The teenage program is especially valuable; it clearly is not to propagandize. No family, school, church or community could live for a year for the benefit of one visiting teenager.

"The international understanding gained through such an association is a firm basis upon which we all can hope to build a more peaceful world. The family contributions helps to make success possible, because they can do what no organization could possibly do.

"Let's continue exchanging students from one to another country, and try to understand each other better. Only friendship and understanding brings the world more peace."

### Four Nationally Ranked Wrestlers Appear On Lions Card Saturday Night

Four nationally ranked professional wrestlers appear in a double main event at the Muleshoe Junior High School gymnasium Saturday night for the second card of its kind in this city. The Muleshoe Lions Club is sponsoring the event, with proceeds going to Lions Club charities.

The current champion of the Southwest States junior heavy-weight territory, Bob Geigel, of Des Moines, Iowa, appears against his immediate predecessor, Dory Funk, proprietor of Flying Mare Ranch, Umbarger, Texas, in the top part of the twin feature.

Funk, who held the title six times, was forced to give it up last summer when he became a

DORY FUNK

bit too heavy for the classification. There followed a 24-man tournament in which many countries were represented, and big Bob Geigel won it. He has clung to it since then, and has been a most active champion. The match in Muleshoe Saturday night is not for the title; a champion is required to defend his title only once each 90 days under Texas wrestling rules.

Bob Clay, handsome Oklahoman from Muskogee, an agile, quick and experienced wrestler, takes on Boris Kameroff, of Russian nativity but now a U. S. citizen whose permanent address is New Haven, Conn. This could be one of the wildest or one of the cleanest matches. Each man wrestles "clean" until a spark is set off between him and his opponent. Then things get bad.

### 1 000 Expected To See "Harlem Hits" At Lazbuddie

The Muleshoe Junior Chamber of Commerce Negro Minstrel production for this year, "Harlem Hits of '55", will be presented Friday night, March 18, in the Lazbuddie high school gymnasium. The show is being presented under the auspices of the Lazbuddie Booster Club and a part of the proceeds are to go toward lighting the baseball field at Lazbuddie.

The minstrel this year is under the direction of Mrs. Pat Glasscock and Silkie Watkins, and all who saw the show when it was presented in Muleshoe vouch that it is the best show yet produced by the local JayCees. There are specialty acts galore, dancing, singing, and a lot of fun for everyone.

Anyone who missed this show in Muleshoe will certainly miss an evening of hilarious entertainment if they don't drive out to Lazbuddie and catch this show at 8 tomorrow night.

There will be plenty of seats for everyone. Due to the fact that a large crowd is expected, the rather small Lazbuddie auditorium to the large gymnasium and arrangements have been made to seat a thousand or more people.

So far as known, this will be the last performance of this year's minstrel show.

### VISITING RELATIVES

Mr. and Mrs. Bill Boling are visiting relatives and friends this week in Plainview, Lubbock and Wellington. They were expected to return home Thursday or Friday.

### Freshmen Place High At Bovina

Muleshoe High School's freshman basketball teams captured high honors in the frosh tourney at Bovina last week. The local girls downed the host Bovina team in the championship finals last Thursday night 27-24, and the MHS boys edged past Lazbuddie 30-28 in the battle for the consolation crown.

After trailing 18-12 at half time the Mulettes came to the front in the last round of play to the Bovina girls by five points. Elaine Evans led the attack for Muleshoe scoring 14 points. Two local girls, Bobby Nell King and Mary Janice Puckett, were placed on the all tournament team.

Lazbuddie's boys held the upper hand through most of the consolation battle but Muleshoe kept the gap narrow and with

only ten seconds remaining to play, Billy Black hooped the field goal that broke up the deadlock and won the ball game for Muleshoe. Black also took high point honors for Muleshoe team. Bobby Sanders was the only local player making the all tournament team.

Kress defeated Grady, N. M., for the championship in the boys division. Lazbuddie stopped Grady's girls in the consolation finals.

### WERE IN AUSTIN ON BUSINESS TRIP

### Egg Producers Should Go Ahead With Pullet Plans

Egg producers who sell on grade or above current prices are advised to go ahead this year with normal flock replacements. Market conditions indicate that

efficient producers should make pullet replacements at regular intervals. Chances for profits among these producers remain good, says F. Z. Beanblossom, extension poultry marketing specialist.

This was the same outlook of four months ago and recent developments further support Beanblossom's advice.

Laying flocks underwent stiff culling during the fall and win-

ter, and fewer late hatched pullets were added to flocks.

There were nine percent fewer pullets on farms of laying age on February 1, and the number of January Texas-hatched chicks for farm flock replacement fell 22 per cent below a year ago.

This factor coupled with the reduced number of pullets available for layers along with heavy culling strengthens the outlook for the far-sighted producer, he says.

Egg production during January hit record levels in all areas

excepting the South Central states, Texas included.

The specialist says spring egg surpluses are likely to "about parallel" those of last year, although somewhat smaller than first expected. Nevertheless, spring-time surpluses will be high compared with recent years.

### Farmers Study Cotton Acreage, Other Problems

The regular meeting of the Bailey County Farm Bureau was held in the R. E. A. building, Monday night, March 7, with Bill Millen presiding. The following were present: Joe Sooter, O. C. Thomson, Robert Blackwood, Pete Black, Ralph Ethridge, Earl Darsey, Lester Howard, Truitt Smith, W. T. Parker, Loyd Stephens, and Jimmie Wedel, directors. Others present: Claude Henry, Loyd Williams, Everett

Roark, Dan Thompson, George Mitchell, Jack Lowe, Mrs. Tra-week, Mrs. Pete Black, Mrs. George Mitchell, Ernest Bass, Bill Millen, Buck Ragsdale, Rudolph Moraw, Lewis Scoggins, D. O. Burelsmith.

Discussion was held on having a county wide Farm Bureau social. After many ideas had been suggested and discussed, it was decided to have the first social at Muleshoe with the Y. L. Progress, Muleshoe and West Camp communities furnishing the entertainment. The next social would be held in the Needmore Community with Needmore, Circleback, Baileyboro, Three Way, Bula, and Longview communities furnishing the entertainment.

The ladies present were named on the entertainment and refreshment committees. Date for the first social is April 15, beginning at 8:00 o'clock p. m. Every one should remember that date and keep it open, come out and have a good time with your neighbors and friends. Directors discussed the Good

### LIVESTOCK POINTERS

The saying goes, "Nature takes care of its own" — in the animal kingdom and otherwise. But in these days of small profit margin on farm livestock, a little assistance from man is necessary.

With the spring crop of animals coming on, the difference between profit and loss may be only one or two pigs, calves or lambs for the average farmer in certain sections of Texas. Some pointers offered by the American Foundation for Animal Health might be helpful in holding down the death loss.

"Be sure that mother animals get top notch rations", the foundation suggests. "They should get plenty of suitable proteins, vitamins, minerals and good legume hay."

"Keep brood animals comfortable and clean in properly-ventilated quarters."

"Be sure the young are born on clean pasture, or in clean, dry well-bedded quarters, away from drafts, if possible."

"Near the end of the gestation period, be on hand so that if assistance is needed in delivery, a veterinarian can be called to disinfect the navels of the young."

### FOUR BOYS RECOGNIZED IN TEXAS TECH CEREMONY

Four Muleshoe boys were listed in the more than 400 outstanding Texas Tech students honored Sunday at the College's annual Recognition Service. The program was held at 2 p. m. in the Student Union building.

Jack Wilterding, a sophomore, was recognized for having ranked in the upper 3 per cent of his class. Jimmy Allison has won a Dunlap scholarship and was in the recognition group. Roald Johnson received an award in track, and Jim Green an award in golf.

Neighbor Cotton Seed Program for farmers south of the sand in the dry land areas. The Farm Bureau does not have as many bushels of cotton seed this year as they had last year. The seed will be handled in the same manner as they were last year.

The topic of transferring cotton acreage from a dryland farm to an irrigated land farm was discussed at length and it was decided to send letters to Sec. of Agriculture, Ezra T. Benson; Congressman George Mahon and Senators Price Daniels and Lyndon Johnson, pointing out the magnitude of the situation. The farmers who are interested in this matter are urged to write letters to these gentlemen. As this action may have to come from Congress please do not delay in getting your letter in the mail.

"Check up to see that the newborn nurse properly. Calves should get the cow's first milk. Baby pigs should have access to clean sod or an iron preparation which will prevent anemia."

"Be alert for signs of scouring. It may indicate over-feeding, improper feeding or disease."

"Have pigs vaccinated against cholera around weaning time. Also, check with your veterinarian as to whether other stock may require vaccination."

"If any unexpected sickness should appear, get an expert diagnosis without delay. Prompt action may mean the saving of many valuable animals — and make for that vital difference between a gain or loss in stock raising."

### Sgt. Richardson Arrives in Hawaii

Headquarters, 25th Infantry Division, Schofield Barracks, March 5 — Sergeant First Class Hanci C. Richardson, son of Mr. and Mrs. H. C. Richardson, Arch, New Mexico, arrived with his wife at Pearl Harbor, Oahu, Hawaii.

Sergeant Richardson is a member of Hq., Co. 27th Infantry Regiment, 25th Infantry Division, which is in garrison at Schofield Barracks, Hawaii.

His wife will remain with him until completion of his overseas duty. Mrs. Richardson is the former Gertrude Montgomery.

The 25th Tropic Lightning Division was the senior American combat unit in Korea prior to its transfer to Hawaii late in 1954.

About **Homemakers & Homemaking IN BAILEY COUNTY** By **MOLLIE STINSON**

Good news! There is another new home demonstration club in the county. Word came into the office while I was in Lubbock that Three Way has organized a club. Mrs. Horace Hutton brought the news in. I don't know who the officers and members are yet, but I'm sure that Three Way

Mrs. Gardner remained there to help take care of her only grandchild while Mr. Gardner and Don returned to Muleshoe.

Home Demonstration Club will add a lot to club work in the county.

Friday afternoon at 2 p. m., the committees are meeting to plan the commissioners' banquet. If you are on this committee from your club, be sure to come in to the club room for this meeting. Mrs. Fern Davis is general chairman for the banquet this year.

In grandmother's day there were sulphur and molasses, sassafras tea, and "store bought" tonic to tone up the blood each spring. Today this toning up is done the year around by including a variety of vegetables in the diet.

Green vegetables are important in the diet, mainly because of their vitamin A and C content. The intensity of the vegetable's

**So. Western Life Sets New Record Sales and Benefits**

Again in 1955, Southwestern Life Insurance Company set new records in insurance sales and payment of policy benefits during a calendar year. It has been announced by president James Ralph Wood in his annual report on the Company's business operation.

New paid-for insurance issued in 1954 totaled \$228,345,382, a 48 per cent increase over the 1953 total of \$153,680,329.

This unusual gain is primarily accounted for by \$69,020,786 of group insurance on federal employees underwritten by the company. Excluding this sum, new insurance sales amounted to \$159,324,596.

It was the fifth consecutive year in which the Company's agency force had set a new mark in producing new business.

Insurance in force at the end of the year was \$1,211,600,685, an increase of \$146,540,725.

Southwestern Life policies issued to individuals in 1954 average \$6,057 in face amount, reflecting a continuation of the trend toward the purchase of more adequate amounts of insurance. Ten years ago, the average amount of protection provided by each such policy was only \$2,509, Wood reported.

Policy benefits paid to policyowners and beneficiaries total \$18,359,140, a new record and more than \$3,400,000 above the payments in 1953. Since 1903, when it was organized, the Company's policy benefit payments amount to more than \$199,000,000.

The Company's financial statement shows 1954 year-end assets of \$322,553,009, an increase of \$26,360,792 for the year. Policy reserves increased \$22,845,272 to a total of \$282,098,661. Total liabilities increased \$23,256,851.

green color and the part of the plant from which it comes are clues to its food value. In general, the greener the vegetable, the richer it is in minerals and vitamins. The dark green leaves may carry several times as much of some nutrients as green stalks.

The fresher the green vegetables, the better. Flavor and crispness, and perhaps some food value too, are lost when vegetables wilt or are stored.

If vegetables must be held for two or three days before using, refrigerate them. Keep them moist in the vegetable crisper, covered container or in a plastic bag. Be careful not to bruise leafy vegetables in storing. Store peas and beans in the pod, if possible to keep them fresh.

For best quality, cook green vegetables quickly. Use a cover on the pan to speed the process. Cook until the vegetable is tender but still slightly crisp. Long cooking makes the vegetables limp and changes color and flavor and usually causes a loss in food value.

and appear on the balance sheet as \$291,343,774. Southwestern Life is represented here by Marion F. Harris.

CHRYSLER WINDSOR DELUXE NASSAU WITH SPITFIRE V-8 ENGINE

**"It's got everybody excited and we'd like to show you why"**

Forgive us if we burst with pride . . . but we've got a terrific car here, and we want the whole world to know it!

It's the new Chrysler and the people who've been coming to see it and drive it are just as smitten with it as we are. It's the smartest, sleekest machine that ever appeared in an automobile showroom—and you should see it!

Most people prize good looks in a car. The 1955 Chrysler has it! Fashion people call it "tailored steel"—smart and different. It almost looks like it's going when it's standing still!

This, they tell us, is the new fashion in styling. We say hurrah! As for performance . . . well, double your enjoyment back if you don't think it's the best car you ever drove. Do it soon!

## Lazbuddie News

In accordance with the National Public Schools Week, the Lazbuddie Independent Schools had a special visitation day on Wednesday, March 9, but the school welcomed visitors all through the week. On Wednesday, however, the lunchroom prepared a lunch for all visitors. Some 78 persons registered in the

cafeteria for the special lunch.

\* Mr. and Mrs. Luther Ham were in Lubbock on Thursday, March 10.

\* Eddie Morgan, a layman minister from Floydada, filled the pulpit of the Lazbuddie First Baptist Church on Sunday, March

13, in the absence of the pastor, C. K. Roberts, who is in Corpus Christi fishing with the W. S. Menefees.

\* The Tierra Blanca Association Workers Conference was held in the Salem First Baptist Church on Thursday, March 10. Those attending the conference from Lazbuddie were: Mrs. Raymond Houston, Mrs. Carrie Withrow, and Mrs. Claude Heath.

\* Teachers from the Lazbuddie Schools who attended the Teachers Meeting in Amarillo on Friday, March 11, were Mr. and Mrs. James G. Ward, superintendent

of Lazbuddie Schools; Mr. James H. Haynes, High School principal; Mr. and Mrs. Fred Wilbanks, Grade School Principal and third grade teacher; Mr. C. W. Duke, coach; and Mr. and Mrs. Wilson Clemens, commercial and Spanish students' teacher.

\* Mr. D. B. Gordon, of Idalou, visited his brother and family, Mr. and Mrs. Bert Gordon, on Tuesday, March 8.

\* Vocational Agriculture students who are in Lubbock for the Livestock Show from Lazbuddie are Glen Watkins who is showing a calf, Leland Gustin who is

showing swine, and Jimmie Oliver and Mr. J. N. Black, Vocational Agriculture teacher.

\* Visitors in the Arvil Lawrence home on Sunday afternoon were Janis Clark, Maryellen Thompson, and Patsy Cox. The girls were visiting Duella Lawrence.

\* The Lazbuddie Baptist W. M. U. members are going to entertain the Seniors of Lazbuddie School with a banquet in the basement of the church on April 7.

\* A shower honoring Miss Charlene Graef, bride-elect of Gene Phillips of Portales, N. M., was held in the home of Mr. and Mrs. D. B. Ivy. The bride's chosen colors of pink and white were carried out in the decorations. The bride was presented a pink carnation corsage and her mother was presented with a white carnation corsage.

The table decorations were composed of an arrangement of white stock, pink snapdragons, and white tulips. In back of the floral arrangement were three pink tapers. To the right of this was a miniature bride doll and to the left was a tiny ceramic cupid.

The guests were served pink punch, white cake with pink icing and nuts, with a white spray of flowers as decorations. The napkins used were white with Charlene & Gene engraved

in pink on one corner and a tiny wedding bell tied with a white and pink ribbon was attached to the opposite corner. On the mantle was a huge arrangement of stock, snapdragons and tulips. In the center of this bouquet was a wedding ring made of sta-foam with silver glitter to represent the diamonds.

Those present to play games and the opening of the gifts, in which the honoree's mother, Mrs. C. C. Graef and her aunt, Mrs. E. L. Mitchell, assisted were: Mmes. Judd Clark, Rony Smith, Bill Whalin, Finis Jennings, Leland Ivy, John Littlefield, Gene Smith, Juel Treider, Dan Cargile, Kenneth Seales.

A. T. Beavers, James Beavers, Helen Hall, George Crain, Mike Langford, James E. Welch, Virgel Teague, C. C. Graef, Ira Wimberley, Sam Lucy, H. E. Reeder, Jr., Jack Smith, R. J. Steinbock, Trixie Kyle, Demp Foster, Richard Engelking, O. D. Spittler, Frank Spittler, J. D. Carpenter, Frank Hunt, H. W. Carpenter, Ed Clark, Wayne Clark, Bert Gordon, Walter Steinbock, J. C. Scruggs, R. G. Treider, Sr., Wesley Barnes, Garvin Thorn, Roy Daniel, Wenonah Gonsler, Everett McBroom, Eugene Martin, and Ben Foster.

Out of town guests were Mmes. Freeman Davis, Frank Daugherty, Wallace Cox, Raymon Carlson, and Bill Mitchell, all of Olton; Will Graef and Bill Price of Clovis, N. M.; J. J. Williams and Elton Graham of Littlefield, and

Arthur Gibbs of Independence, Mo.

Many who were unable to attend sent gifts.

### WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. J. L. Alsop were Mr. and Mrs. J. Tommy Lowe of Knott, Texas and Mrs. R. B. Sparks and children of Lubbock.

### EXPECTED GUESTS

Mrs. F. B. Gaede and daughter, Mrs. Freddie Williams and daughter, Pat, of Limon, Colo., were expected to arrive here Tuesday of this week for a visit with Mrs. Gaede's parents, Mr. and Mrs. Mrs. J. S. Horsley. Mrs. Gaede's son, Charles, of Camp Rucker will join them here during the weekend.

### RETURNED HOME

Mrs. M. L. Howard returned home Tuesday from Throckmorton, where she attended funeral services for her nephew, Glen Roy Nichols.

### BACK FROM AUSTIN

Mrs. M. L. Howard and daughters returned home Sunday from Austin where they attended the basketball games and visited in the Buddie Brown home.

### ATTENDED LECTURES

Rev. and Mrs. Carol Jones of the Progress Methodist Church were in Abilene last week, where they attended the lectures at McMurry. Their daughter, Barbara, a student at the college and Mrs. Jones' mother, Mrs. C. E. Bell of Lubbock accompanied them back home to spend the weekend.

### ALSUPS ENJOYED TRIP TO CALIFORNIA

Mrs. Charles Alsop and sons, Davie and Dicky returned Wednesday from California where they have been visiting relatives and sightseeing for the past three weeks.

Mrs. Alsop said she thought the highlight of the trip for the boys was the train trip there and back. She said they were ill quite a bit of the time they were out there. The group spent one day in San Francisco and Oakland, where they took a boat ride on the bay, rode the trolley, and toured "Fisherman's Wharf". They also spent a day at Pine Crest, where they watcher the skiers and took a ride on the ski lift. Most of their time Mrs. Alsop said, was spent at Modesto, Calif.

### Aubrey Lambert In Airborne Class

Fort Campbell, Ky — Pvt. Aubrey R. Lambert, son of Mr. and Mrs. S. A. Lambert of Box 11, Muleshoe, is one of several hundred men who will attend the 11th Airborne Division Basic Airborne Class during the month of March.

The course is designed to give potential airborne personnel the training necessary to become qualified paratroopers. It consists of stiff physical training, discipline, and the techniques of jumping.

Pvt. Lambert, a rifleman, is assigned to Company "F" of the famous 508th "Red Devil" Airborne Regimental Combat Team, the only such combat team in the United States.

The mission of the famous 508th RCT is to train for and maintain combat effectiveness of the troops in its command.

One of the most decorated outfits of World War II, troopers of the Red Devil regiment are authorized to wear the Distinguished Unit Citation, and the French fourragere for campaigns at Normandy, Ardennes and Central Europe.

## Are you a "Do-It-Yourself" Driver?

Or would you rather be waited on hand and foot?

Rather shift for yourself . . . or let Powerglide do it?

Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission\* in Chevrolet's field!

Rather roll your own . . . or just push a button?

Chevrolet gives you separate crank controls both for windows and ventpanes. It's one of many extra conveniences in Chevrolet's Body by Fisher.

Your fingertip adjusts all four windows with automatic window and seat controls.\* Are available on all Bel Air and "Two-Ten" models.

Position the seat yourself . . . or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

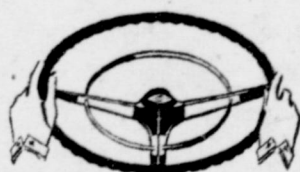

Apply the brakes like this . . . or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

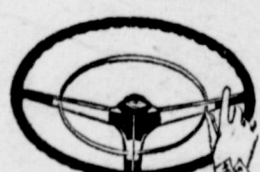

Chevrolet Power Brakes\* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing type brake pedal.

Want standard steering . . . or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering\* carries a reduced price!

### Automatically—

Chevrolet's stealing the thunder from the high-priced cars!

What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

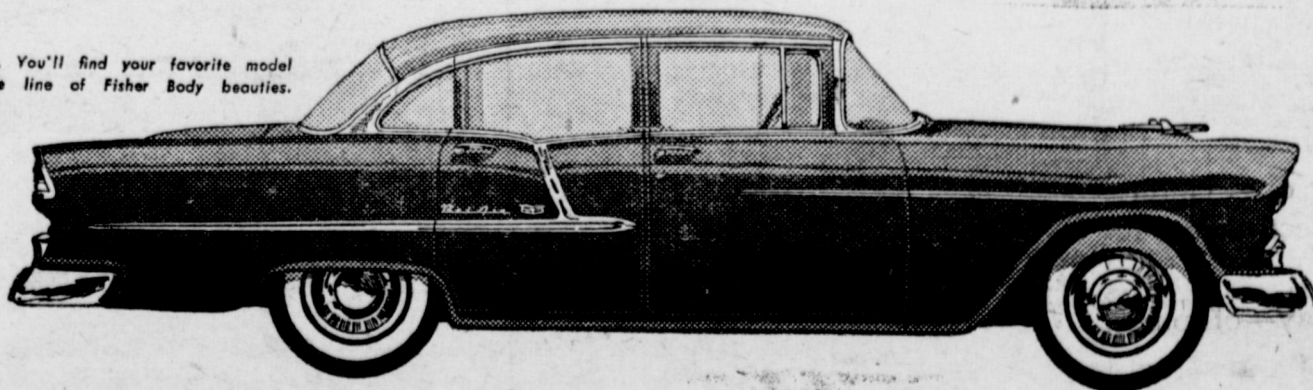

—perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in every way!

## Taxpayer Service Again Offered

L. B. Barkley, Administrative Officer in Charge of the Lubbock office located at 1600-19th Street, Lubbock, Texas, announced today that the Internal Revenue Service would resume holding special Taxpayer Assistance Days on Mondays beginning Monday, March 14.

The hours will be from 8:30 a. m. to 5:00 p. m. Taxpayers who have read their instructions, who have their W-2, Withholding Tax Statement, and are fully prepared to file their tax return but have a technical question can go to the local office for information on Taxpayer Assistance Day. Additional Taxpayer Assistance Days will be held on Mondays, March 21, 28, April 4 and 11.

Mr. Barkley stated most taxpayers can prepare their own returns after reading the instructions without any assistance from Internal Revenue. The fact that only one out of ten taxpayers filing returns this year have contacted Internal Revenue proves that most taxpayers can prepare their own returns without help from Internal Revenue.

During January and February 124,877 taxpayers contacted Internal Revenue for some sort of assistance. 84,000 of these contacts were questions over the telephone. Taxpayers can get their questions answered by calling telephone PO5-5706.

## Today's Meditation

Read I Corinthians 1:4-9. **God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it. (I Corinthians 10:13.)**

One winter night many years ago, I had an appointment to meet one of our missionaries who was on furlough. It was snowing. When the missionary stepped out of the carriage, his luggage opened and a great number of small belongings fell into the snow.

I was astonished to see the missionary's calm reaction to the disturbing incident. "It is well," he said, "that it did not happen when I walked the landing plank from the steamer." His self-discipline was very impressive to my young heart. How could he be so unaffected? Why did he

not burst out in exclamations, even in anger? Was he unconcerned about his property?

Really he did have a reaction. His reaction was based on the fact that he had for many years gone to the school of God. There he had learned to master his temper, to discipline himself, so it was that God, who is faithful, did not let this missionary be worried, but made him always a way to escape.

## PRAYER

Our Father, Thou hast begun a good work in us. Show us Thy way, Thy way, instill in us Thy spirit, that we may be led to Christ. Grant us joy of heart as we submit ourselves to disciplined living. We pray in the name of Christ, Amen.

## THOUGHT FOR THE DAY

In that Christ Himself has suffered, being tempted, He is able to help us who are tempted.

### HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways — they're rolling up bigger sales than ever before in history — topping the popularity that has already made Buick one of the "Big Three" in total national sales.

**A "Small Car" price makes it yours — delivered and ready to roll**

WE keep coming across a good many people who still are surprised when they see the low delivered price of the Buick shown here.

They're surprised because they know that this price is just about what a lot of the smaller cars are asking—if not more.

But that's just the point.

What's making the 1955 Buick the hottest one in all Buick sales history is the simple fact that its low delivered price buys so much more automobile.

Much more automobile when it comes to the lift and life of great V8 power—Buick power in record might.

Much more automobile when it comes to style and size and room and ride steadiness—and the integrity of construction that comes of Buick building.

Much more, too, when it comes to matching your motoring needs to the simple practicality of your budget—because Buick offers you

**DID YOU KNOW—**

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three best-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

a stunning choice in just about every price class...

Like the rock-bottom-priced SPECIAL—the high-powered CENTURY—the extra-spacious SUPER—the magnificent and custom-built ROADMASTER. Each is a Buick through and through—and each is a big reason why Buick sales are soaring as never before.

Why not drop in on us this week and see how much your new-car dollars can really buy—in thrills and fun and comfort and deep satisfaction—when you buy Buick.

**BABSON DISCUSSES—  
Should U. S. Strike First?**

Babson Park, Mass., March 17 — Certainly, the Fullbright Committee has displayed ignorance and inability to intelligently discuss Stock Market procedures by the foolish questions they have asked.

**DOW-JONES INDUSTRIALS**

They seemed utterly at sea when discussing the "Dow Industrial Average" and comparing same with the highs of 1929. The Committee members worked with pencil and paper trying

to get an average which checked with the Dow-Jones Average for that day. They could not make it check; hence, they "smelled some monkey business by Wall Street." They forgot entirely that prices must be adjusted to stock dividends, split-ups, and other changes in the number of shares.

**SIMPLE ILLUSTRATIONS**

For instance, take a stock such as General Motors which last split two for one. In order to give the new quotation after the

split a fair comparison, the new quotation must be adjusted for splits, stock dividends, etc. All this would be simple were it not for the fact that some of the 1929 stocks have been dropped from the Average.

Furthermore, there have been mergers which required higher mathematics to make the correct adjustments. These were made in order to be fair. It is very wrong for any member of the Fullbright Committee to suggest judging, in fact, of the 1929 Dow-

Jones List of 30 stocks only 17 remain in the present list of 30 stocks. Incidentally, it is rather interesting that the Wall Street Journal — owned by the Dow-Jones Company — apparently desires to sidestep this entire Average problem.

**OTHER AVERAGES**

There are other important "Averages" such as the New York Times' Averages. Their Industrial Average is made up of 25 stocks; but the comparison may easily be checked. If the New York Times' Average goes up, the Dow-Jones Industrial Average usually also goes up, but by a varying amount. Other leading newspapers have separate Averages; but if plotted, they all will be nearly parallel in movement.

The Boston Stock Exchange broadcasts the "Babson Averages" each Monday through Friday at noon and after the close of the market. The real value of these Averages is not to compare with 1929; but to compare with "yesterday" or a "week or month ago." Now just a word regarding "Specialists", which seemed to trouble the Committee.

**SPECIALISTS DESCRIBED**

In fact, the "Specialist" is the protector of the public who buy and sell stocks. He is charged by the New York Stock Exchange with a very specific and extremely responsible duty, namely, that of "making a market" in one or more issues. To do this he must often risk his own funds by buying a stock in a falling market at a higher price than the public will pay at any given moment.

In a rising market, the specialist is expected to sell stock from his own account at a lower price than the public is willing to sell. This prevents wide gyrations in the market price of any given stock, and protects a hurried seller from being "clipped" by being forced to accept a low price for his stock. Conversely, an anxious buyer is protected against paying too high a price at any given time.

**PARMER COUNTY Farm Bureau News**

By RAYMOND EULER

"The Right To Work", an editorial in the Farm Journal, is a comprehensive article we would like to know everyone had read and studied. Why don't you?

When we looked in on the 4-H boys and girls in Friona Legion Hall Saturday afternoon, we saw young folks and their sponsors from every section of the county, numbering about fifty. Miss Stinson was directing them in some folk games and everyone was participating except Miss Johnnie Tomlin, who said she was just recovering from the mumps. Our congratulations to Corrine and Joe Jones and Community sponsors, for their work with the rural youth of our county.

We believe we are speaking for the five hundred people who have to sit in the rear half of the Friona School Auditorium at public programs. We are justly proud of the auditorium. We would be even prouder if the right kind of public address system was in working order so that we could hear, as well as see what is going on on the stage; and if a blackboard is required for a program, one on which chalk would show, would be extremely helpful.

These two things could be remedied at very little expense, by incorporating some non-directional mikes for plays and similar activities; and everyone knows how expensive blackboards are.

The Farm Bureau membership drive has, to date, netted over a hundred "new members", that is members that have not been in good standing in this county within the last six months. The total figure for the drive will not be known until next week.

Weeds will be growing again soon. Farm Bureau Directors Archie McCutchan and Gilbert Kaltwasser, in cooperation with County Agent Joe Jones have again set up a committee to cope with the noxious plants, as they did last year.

Continued cooperation from county commissioners and State Highway Officials assures an even more extensive battle against bindweed this year. Rail road officials are expected to join by combatting these weeds on their right of ways, too. Those composing the committee to date are: Archie McCutchan, Gilbert Kaltwasser, Nelson Welch, Ovid Lawlis, R. E. Sneed, and Charlie Calaway. They will meet soon for formal organization.

Consider This: All the ways of a man are clean in his own eyes; but the Lord weigheth the spirits. Proverbs 16:2.

**WERE HERE SUNDAY**

Mrs. Weldon McCarty and children were here Sunday visiting her parents, Mr. and Mrs. F. H. Davis and other relatives and friends. Mrs. McCarty and children are planning to leave soon for England where her husband is stationed with the U. S. Armed forces.

**SAND HILLS PHILOSOPHER UNWORRIED—  
Over Television's Role In Getting  
Candidates Elected To Public Office**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is arguing with his neighbor now, but it's his argument, not ours.

Dear editor:

One of my neighbors out here is upset. He's the one who takes things pretty serious, is happy to see a rain but knows it's gonna rain too much before it stops and after it stops figures we're bound to have another drouth before it rains again.

What upset him this time was a statement he read in his newspaper from a national political leader who was telling his party workers what they need is more candidates who look good on television.

"What a way to elect a man to office, just because he photographs good", this neighbor complained. "What's looking good on television got to do with the serious business of running the government?" And he went on to say that if voters were gonna elect candidates on that basis, television is a dangerous instrument.

I don't look at it that way. As I see it, television for politicians is just a modern-day use of the principle of the hand-shake.

I know it seems odd to decide which man you're gonna vote for on how his face shows up on a television screen, but it really ain't must different from decid-

ing by how he shakes your hand and how well he remembers your name, and that's the system we've been using in this country for years, and it seems to work at least the government from city to county to state to national seems to work better here than it does in most countries.

Most people don't seem to understand that progress consists of doing the same thing in a different way. Fifteen buggies trying to pass each other at the same street intersection at the same time was just as much of a traffic jam as fifteen two-toned automobiles trying to do the same thing, but most people claim it's more progressive to do it with cars. You can get just as tired driving a four-row tractor as a one-row tractor, but everybody knows the four-row is more progressive, that is, everybody but me. It's more progressive to cook a steak on a modern automatic range than over a fire between two rocks, but the taste of the steak is the same.

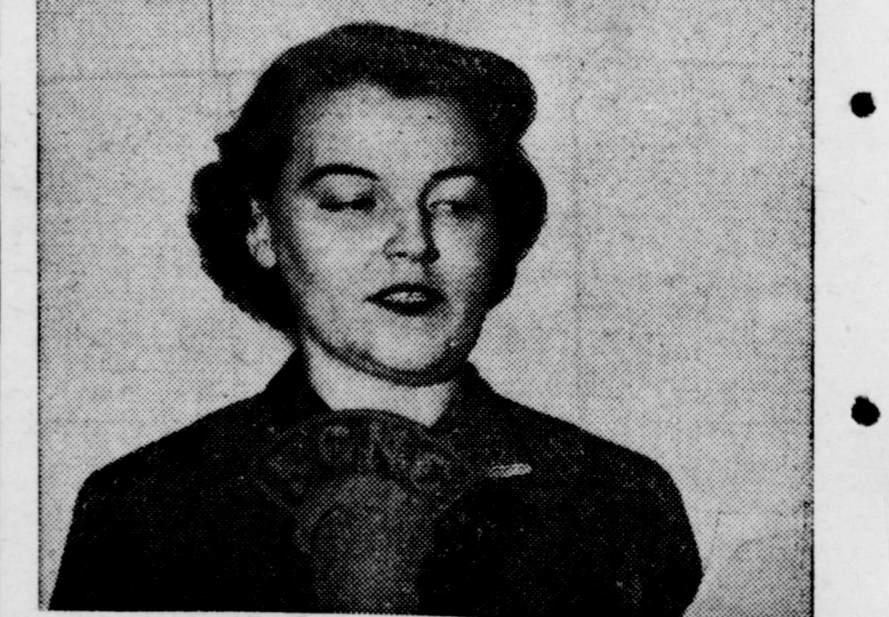

Personally, I'm not afraid of progress. I'd just as soon elect a man by the way he shows up on television as the way he shakes my hand. In some cases, I'd a heap rather. After all, the only test anyway doesn't come until he gets in office and starts functioning, and those that don't function satisfactorily don't remain forever, although it does seem like it takes an awfully long time in some cases to get around to finding them out.

Yours faithfully,  
J. A.
