Commissioners approve grant request for new hotel

BY MELISSA PERNER
THE OZONA STOCKMAN

Preliminary plans for a new The Crockett County Commissioners' Court approved a grant request for a new Ozona hotel.

Ozona Hospitality Group is building a new Hampton Inn in the location of the former Ozona Intermediate School.

The group is seeking \$239,940 in grant funds from the Texas Capital Fund

infrastructure development program to relocate water transmission and sewer lines, and install a fire hydrant on the property.

At Monday's called meeting, the commissioners approved a resolution authorizing submission of the grant application to the Texas Capital Fund program. The commissioners also approved for County Judge Fred Deaton to be the county representative for all grant matters.

The Texas Capital Fund program is through the Texas Department of Agriculture. The program is an economic development tool designed to provide financial resources to non-entitlement communities. Funds from the program can be utilized for public infrastructure needed to assist a business the commits to create or retain permanent jobs, primarily for low and moderate income persons.

The program also encour-

ages new business development and expansions, according to the programs website.

Eligible applicants are non-entitlement cities or counties only. Businesses or individuals may not directly submit applications.

The entire project is estimated to cost between \$5 million to \$6 million for the 72-room hotel and will create 12 jobs.

The application for the grant is available for public

examination from 9 a.m.-4:30 p.m. after Sept. 21 at the Crockett County Courthouse Annex.

ANIMAL CONTROL FEES

The commissioners also approved maximum fees for the Crockett County Animal Control Department.

Fees for violation, transportation and housing are \$35 for an impound fee and \$10 per day for board fees.

If animals are infested with parasites, they are bathed

and treated soon after arrival to avoid shelter infestation.

Rabies quarantine fees are \$35 for impound and \$15 per day to board, observe and make notes on the animal's condition. Rabies quarantine is 10 days after the dog bite.

"We are good at working with people. We know dogs get out, but we feel like there has to be some kind of charge," said Joe Jurado, animal control

Lions hold back Cranes

BY MELISSA PERNER
THE OZONA STOCKMAN

CRANE - The Ozona Lions picked up their first win Friday night, holding off Crane, 13-6.

"Friday night we played well enough to win and our kids worked very hard to get that victory," said Coach Edward Perez.

Senior Ryan Porras opened the scoring for the Lions with a 33-yard pass from Senior Quarterback Jayton Rodriguez in the second quarter. Chase DeHoyos' kick was good giving Ozona the 7-0 lead.

The next score wouldn't come until Senior Ricky Porras' fourth-quarter rushing touchdown.

Ricky Porras would rush 16 times for 94 yards.

Rodriguez was 3-13 for 109 yards. He also rushed 7 times for 11 yards.

Thomas Fay and Aiden Fierro also had big catches for the Lions.

Defensively, Daniel "Bono" Lombrana was all over the Cranes.

Oscar Nuno caught Crane's only TD on a 30-yard pass from Jake Morgan as time expired.

DPS releases border security trends, activity

AUSTIN - The Texas Legislature has requested that the Texas Department of Public Safety (DPS) provide a publicly releasable summary of border incidents and a data report related to historical trends of crime along the Texas-Mexico border as well as current criminal activity in the Operation Strong Safety (OSS) area of operation.

To that end, DPS has developed a Texas Border Security Dashboard and a Summary of Significant Border Incidents - both of which are unclassified and will be updated periodically.

At the direction of Texas leadership, DPS began conducting OSS on June 23, 2014, with partner agencies in a combined local, state, and federal law enforcement effort to combat the Mexican Cartels and other criminal elements operating along the Texas-Mexico border.

During OSS, DPS continues to conduct around-the-clock land, air and maritime saturation patrols in coordination with law enforcement partners

Mr. and Mrs. Joe Hernandez Jr.

Joe Hernandez Jr. and Doris Haider were married August 2, 2014 in Zwettl, Austria.

Joe's mother, Joanie Medley, of Ozona, attended the ceremony, along with family and friends, and their children Miguel, Samuel and Mia.

The groom is employed at the United States Embassy. The bride works for the Austria Police Department out of Vienna.

Valdes chosen for future medical leaders congress

Nathaniel Valdes, a senior at Ozona High School, has been nominated to attend the Congress of Future Medical Leaders in Washington, D.C. on Nov. 14-16. He is the son of Melinda and Emiliano Valdez, of Ozona.

The congress is an honors-only program for high school students who want to become physicians or go into medical research fields.

The purpose of this event is to honor, inspire, motivate and direct the top students in the country who aspire to be physicians or medical scientists, to stay true to their dream and, after the event, to provide a path, plan and resources to help them reach their goal.

Nathaniel was nominated by Dr. Connie Mariano, the Medical Director of the National Academy of Future Physicians and Medical Scientists to represent Ozona High School based on his academic achievement, leadership potential and determination to serve humanity in the field of medicine.

During the three-day congress, Nathaniel will join students from across the country and hear Nobel Laureates and National Medal of Science Winners talk about leading medical research; be given advice from Ivy League and top medical school deans on what is to expect in medical school; witness stories told by patients who are living medical miracles; be inspired by fellow teen medical science prodigies; and learn about cutting-edge advances and the future in medicine and medical technology.

"This is a crucial time in America when we need more doctors and medical scientists who are even better prepared for a future that is changing exponentially," said Richard Rossi, Executive Di-

NATHANIEL VALDES

rector, National Academy of Future Physicians and Medical Scientists.

"Focused, bright and determined students like Nathaniel Valdes are our future and he deserves all the mentoring and guidance we can give him."

The academy offers free services and programs to students who want to be physicians or go into medical science.

Some of the services and programs the Academy plans to launch in 2014 and 2015 are online social networks through which future doctors and medical scientists can communicate: opportunities for students to be guided and mentored by physicians and medical students; and communications for parents and students on college acceptance and finances, skills acquisition, internships, career guidance and much more.

The National Academy of Future Physicians and Medical Scientists was founded on the belief that we must identify prospective medical talent at the earliest possible age and help these students acquire the necessary experience and skills to take them to the doorstep of this vital career.

Based in Washington, D.C., the academy was chartered as a nonpartisan, tax-paying institution to help address this crisis by working to identify, encourage and mentor students who wish to devote their lives to the service of humanity as physicians, medical scientists, technologists, engineers and mathematicians.

LIBRARY NEWS

Western author speaking Oct. 7

Author Patrick Dearen wears two hats.

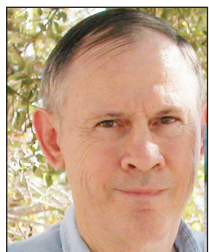

As a historian and folklorist, he digs deeply into the lore and legend of the West and produces books that appeal to both scholars and general readers.

As a novelist, he draws on this reservoir of knowledge and crafts stories of people interacting with a harsh and yet beautiful land.

"I'm the grandson of a 19th century cowboy, but I can't ride, rope or brand. I've never seen the 'stompede devils' possess a herd, or felt my bronc's heart beating against my leg as my animal gave chase. After the single occasion that I spent a half-day on a horse, I couldn't sit down for a week," Dearen said. "So how could I expect to write believably about the Texas range of 1884-85, the setting for my new novel from TCU Press, 'The Big Drift?'"

One word: research. Between 1983 and 1995, Dearen recorded interviews with 76 men who cowboied before 1932. Born between 1892 and 1915, they represented the last generation of cowhands who plied their trade exclusively on horseback.

The true-life big drift of 1884 was the greatest mass migration of open-range beeves in history, a 600-mile journey from the blizzard-struck Great Plains to the

PATRICK DEAREN

Devils River in Texas.

In 'The Big Drift' Dearen tells the story of two men for which the great cattle drift and roundup of 1884-1885 will be a search for redemption.

Trapped under his horse in a blizzard, Texas cowhand Will Brite finds an unwelcome savior as former slave Zeke Boles emerges from the blinding snow and a bloody past. This fugitive stirs haunting memories, but little does Will know that their lives will be inexorably linked throughout the most brutal roundup of the 19th century.

Come and enjoy a good meal and a campfire tale with Patrick Dearen at the Friends of the Library annual Meeting from 6:30-9 p.m. Tuesday, Oct. 7, at the Crockett County Civic Center. The Guadalupeana Ladies of Our Lady of Perpetual Help Catholic Church will cater a barbecue chicken buffet, with questions and book sales to follow. Tickets for the meal and program are \$12 and can be purchased from any Friends member or at the Public Library. R.S.V.P. by Friday, Oct. 3.

WORDS OF INSPIRATION

Without God - All Are Lost

Due to computer problems, this weekly article is an excerpt from the book "In the Grip of Grace" by author Max Lucado.

I could not have said it better.

Symbols are important. Some of them, like communion and baptism, illustrate the cross of Christ.

They symbolize salvation, demonstrate salvation, even articulate salvation. But they do not impart salvation.

Do we honestly think God would save his children based upon a symbol?

What kind of God would look at a religious hypocrite

and say, "You have never loved me, sought me or obeyed me, but because your name was on the roll of a church in the right denomination, I'll save you?"

Our God is abundant in love and steadfast in mercy. He saves us, not because we trust in a symbol, but be-

cause we trust in a Savior. Without God, all are lost. God justifies the believer, not because of the worthiness of his belief, but because of Christ's worthiness.

Have a blessed week, Pastor Dan

DAN SLEDGE is the pastor of Calvary Baptist Church in Ozona, Texas.

OZONA SENIOR HAPPENINGS

Movie day Thursday

BY BRENDA NEWTON
SENIOR CENTER DIRECTOR

Movie day is 2 p.m. Thursday. We will be showing "Maid in Manhattan" with Jennifer Lopez and Ralph Finnes.

Come on over a join us. We have learned to play Bunco now and have a group playing on Tuesday at 7 p.m. Come try it out. It is an unusual game of dice that moves fast and is easy to play. Don't be shy, come give it a try.

The bridge players have started up again. They sound like they are having a great time at 1:30 p.m. Monday.

We have been trying the new exercise tape on Monday, Wednesday and Friday mornings. It was a real workout, but everyone can quit when it gets to be too much. It is exciting because it has modern music in the background.

You should come and try it. The Balance Exercise is working better in the morning, so we will leave it at 9 a.m. Tuesday and Thursday.

If there is something you would like to have started at the center, please let me know and I will try to make it happen. Don't forget the trade table. We have really had a good time with the trash to treasure table lately. Thank you to the ones that have donated to this table.

Exercise 9 a.m. Monday, Wednesday and Friday.

Bridge 1:30 p.m. Monday. Balance Exercise 9 a.m. Tuesday and Thursday.

Crafts 2 p.m. Tuesdays. Mexican Train 1:30 p.m. Wednesday.

Prayer Group 3 p.m. Wednesday.

Quilting 9:30 a.m. Thursday. Movies 2 p.m. Thursday. Come on out, the coffee it on.

OZONA GARDEN CLUB NEWS

Club welcomes new member, discusses programs

BY VICKI STOKES
OZONA GARDEN CLUB

The Ozona Garden Club Members met at the home of Tina Bean on Monday, Sept. 8. Helping Tina with hosting duties was Vicki Stokes.

Rosalind Williams began the meeting by calling for the officers reports, followed by members previewing the new 2014-2015 yearbook and discussing programs for the coming year.

Tina Bean and Vicki Stokes gave a short program on caring for house plants and using colorful pot plants

in yard landscapes.

The meeting ended with a plant auction. We are pleased to have Laura Skehan become a new club member.

The October meeting will be hosted by Marolyn Bean and Charlotte Harrell on the 13th.

We invite anyone interested in becoming a member of the Ozona Garden Club to join us for fellowship and to learn ways to become better gardeners.

More information about our organization can be learned by calling our Club President, Rosalind Williams at 392-3269.

Thank You

We wish to express our heartfelt thanks for the expressions of condolences and love, flowers, calls, cards and food during the loss of our beloved mother. Your thoughtfulness and kindness will always be treasured. Thank you to Father Nilo and the OLPH choir for the lovely services and the Guadalupanas for the delicious meal. Special thanks go to Sheriff Bob Rodriguez and the Crockett County Sheriff's Department. May God bless each and everyone of you.

SQUIRREL IN A BASKET

Recently I received some pictures of a baby squirrel that was orphaned. He was finally accepted and cared for by a small female dog that had just had a litter of puppies. She would lick on him, (not exactly to his liking) and watch over him and even let him stay in the basket with her babies. It was warm and safe there and he was protected. When it came time for feeding he was even allowed to nurse with the rest of the gang. He and the little puppies would take naps together and play together, all the while mother carefully watching over them. Those pictures reminded me of Christianity and our relationship to God. The Bible says we are adopted into the family of God when we accept Christ, (John 1:12,13, Romans 8:15, Ephesians 1:5). Originally God chose the nation of Israel for some special purposes (Romans 9:4,5). For instance, they were chosen to have a special relationship to God but they wouldn't listen and rejected Him and even crucified His only Son, Jesus, so God chose to allow others in their place. I don't know why the mamma dog chose that little squirrel but he has been very blessed and needs to be thankful. If we have accepted Christ and are adopted into the family of God shouldn't we do the same, (Psalms 118:21)?

See you in Church next Sunday.

in the region to deter, detect and disrupt drug and human trafficking, and other related criminal activity.

The Texas National Guard, at the direction of Gov. Rick Perry, has also deployed to the border and is supporting the mission of OSS.

"The goal of this data-driven, multi-agency operation in high-threat areas for a sustained period of time is to deny Mexican cartels and their associates the ability to move drugs and people into Texas between the ports of entry, as well as reduce the power of these organizations, whose success depends on their ability to operate on both sides of the border," said DPS Director Steven McCraw. "At the request of the Texas Legislature, DPS is providing unclassified, detailed information about the trends that have been developing along the border for some time, as well as the current activity occurring in the OSS area of operation."

Mexican cartels are the most significant organized crime threat to Texas, with seven of the eight cartels operating command and control networks in the state, moving drugs and people into the United States, and transporting cash, weapons and stolen vehicles back to Mexico.

In short, an unsecured U.S.-Mexico border is a state and national security problem. DPS personnel, as well as the brave men and women of the U.S. Border Patrol, local law enforcement agencies, state partners and members of the Texas National Guard, are working around-the-clock to keep the local communities safe through Operation Strong Safety.

A summary of significant border incidents can be found at: <http://www.txdps.state.tx.us/PublicInformation/documents/sumSignificantBrdIncidents.pdf>.

that a qualified and knowledgeable judiciary and court staff may administer justice with fairness, efficiency, and integrity.

Since its creation on January 1, 1973, the Texas Center has served as the primary source of judicial education for all appellate, district court, statutory county court, probate, associate and retired and former judges who hear cases by assignment.

"Texas judges who complete the course requirements of the Texas College for Judicial Studies show a commitment and dedication to obtaining the highest level of judicial education available," said Texas Center Executive Director Judge Mark D. Atkinson. "We are therefore very proud of each and every one of these judges, and are confident that their learning and knowledge will benefit the people of the great State of Texas."

LIONS: *from page 1*

Despite the win, both teams had a combined 31 penalties for 269 yards. Ozona finished with 18 penalties for 149 yards, and Crane had 13 penalties for 120 yards.

"It was difficult overcoming the penalties and mental errors we made, but our kids persevered and picked up our first win.

We had a number of busts on assignments and alignments on both sides of the ball so we are going to go back and drill the necessary things to clean all of that up," Perez said. "Defense played big on a short field for most of the evening and the offense executed when we needed to and we were able to come out on top. Most of the problems we had on Friday were errors on our part that are easily adjusted and fixed."

The Lions are 1-2 overall heading into this week's game against 3-0 Grape Creek.

"Our next opponent, Grape Creek, is a good ball club. They are sitting 3-0 and are averaging approximately 52 points a game, so they are explosive on offense. Defensively they have a very good line and should challenge us on both sides of the ball. We are looking forward to another great game this week to test us on both sides of the ball once again," Perez said. "The kids are really doing a great job in playing within our scheme and are improving each week. Every day we are looking to get a step closer to being the very best we can be and to operate as one team on the field. I am very proud of our young men stepping up and playing tough in every game and doing it in a true 'Iron Man' fashion with only 22-24 on the roster depending on the week. I'm looking for good things to come in the near future."

Kickoff is 7:30 p.m. Friday at Lion Stadium. The game will also be Future Lion Night.

Lions second, Lady Lions third at Harper CC meet

The OHS Cross-Country teams competed at the Jacob Krebs Invitational Saturday in Harper.

The Lions placed second behind Class 4A Fredericksburg. They were ahead of Kerrville Tivy, Harper, Comstock, Fredericksburg JV, Johnson City, Tivy JV, Blanco and Bracken JV.

Omero Rodriguez won the meet at 17 minutes, 78 seconds.

Adrian Rodriguez was sixth at 18:23.50; Alex Hopper ninth 18:30; Noe Medina 13th at 18:50.67; Roman Esparza 20th at 19:05; Alan Landa 21st at 19:08; Danny Posadas 43rd at 20:34 and Jackson Abbey 82nd at 23:30.

"We all took an average of about 20 seconds off our times from the previous week. If we continue to work hard and stay healthy, we have some great meets ahead of us," said Coach John Esparza.

The Lady Lions finished third behind Class 4A Fredericksburg and Class 5A Tivy. They were ahead of Johnson City, Harper and Fredericksburg JV.

McKenna Moses was the top runner finishing fourth at 13:01.

Madison Childress was 11th at 13:32; Gabby Treto 17th at 13:47; Nerada Vega 18th at 13:48; Estefania Torralba 31st at 14:34; Brenna Hale 36th at 14:47; Cameron Rutherford 41st at 15:88; Cierra Sanchez 44th at 15:04; Alyssa Newlin 46th 15:09; McKenna Fox 69th at 16:28 and Samantha Torralba 87th at 18:27.

"This was a good race for our girls who are starting to get healthy and really come together. As with the boys, we all had about a 20 second improvement from last week. As long as we can stay healthy, great things could happen," Esparza said.

The Lions and Lady Lions will run Saturday, Sept. 20, at UTSA in San Antonio and Tuesday, Sept. 23, at Mertzon.

OHS

The OMS Cross-Country Teams competed at the Jacob Krebs Invitational in Harper.

The OMS Lions finished third.

Alec Lara was the top runner placing fourth. Aiden Fuentes 23rd and Zachary Talamantez 24th, also received medals.

Also running: Dalton Cloud, Justin Yeager, Chantz

Elliott, Manuel Torralba, Humberto Torralba, Jacob Childress and Dylan Mendoza.

Competing for the OMS Lady Lions were: Ebony Ramirez, Alyiah Ortiz, Kameron Ortiz, Roslynn Mendez, Karina Marmolejo, Jade Borrego, Alana Escamilla, Ivana Hernandez, Raelee Borrego, Mariah Galindo, Paige Villarreal, Wendy Mata and Kristy Rodriguez.

The OMS teams will compete Saturday, Sept. 20, at Christoval and Tuesday, Sept. 23, at Mertzon.

JV Lions pluck Cranes 30-8

The JV Lions defeated Crane, 30-8, Thursday night at Lion Stadium.

Jadon Perez scored two touchdowns for the Lions, with Edgar Damian, Kobe

Rodriguez and Mark Ybarra adding one touchdown each.

"The kids played a great game. I am especially proud of the way they where able

to pull together to secure the victory in the second half," said Coach Mitch Kay.

The JV Lions will face Grape Creek at 6 p.m. Thursday at Grape Creek.

Crockett County eligible for federal drought relief

Washington - U.S. Rep. Pete P. Gallego, D-Alpine, has announced that Crockett, Loving, Pecos, Upton and Ward counties in the 23rd District of Texas are eligible for federal drought relief assistance. They now join more than two-dozen other counties in the 23rd District of Texas that were previously designated as drought stricken. U.S. Secretary of Agriculture Tom Vilsack made the federal assistance available through a declaration on Aug. 14.

"This long-term drought has severely affected communities in the 23rd District of Texas," Gallego said. "You know the drought is bad when most of the 29 counties in the district are eligible for federal drought relief. Yet, it is critical that we help farmers and ranchers - the men and women who put food on our tables - with the tools needed to protect their farms and ranches. As a member of the House Agriculture Committee, I continue to work with Secretary Vilsack to preserve the small businesses and job creators in our rural agricultural communities."

On several occasions this year, Gallego met with Vilsack to discuss how the drought has affected communities in

the 23rd District of Texas as well as how the U.S. Department of Agriculture can better serve the district.

Crockett, Loving, Pecos, Upton and Ward counties now qualify under the Consolidated Farm and Rural Development Act as a contiguous disaster area. Earlier this year, Vilsack designated more than 108 Texas counties as primary natural disaster areas due to the recent drought.

Also earlier this year, Vilsack designated other counties in the 23rd District as contiguous counties eligible for federal relief under the Consolidated Farm and Rural Development Act.

A disaster designation makes farmers in primary counties and surrounding counties eligible for assistance from the Farm Service Agency (FSA), including FSA emergency loans. FSA considers each emergency loan application on its own merits, taking into account the extent of production losses on the farm, and the security and repayment ability of the farmer.

For more information, contact your local FSA office, or visit www.fsa.usda.gov.

For more information on U.S. Rep. Gallego, visit www.gallego.house.gov.

In other news, Staples on Sept. 10 announced the Texas Department of Agriculture will receive \$317,600 in federal funding to help growers and handlers of organic agricultural products defray the costs of obtaining organic certification.

Grant funds will be available to help producers recover part of the cost of applying for the U.S. Department of Agriculture organic certification and applications are due Oct. 31.

State Comptroller Susan Combs on Sept. 10 announced state sales tax revenue in August was \$2.57 billion, up 7.5 percent compared to August 2013.

Revenue gains, she said, were led by remittances from the oil and natural gas, wholesale trade and retail trade sectors.

Also, fiscal year 2014 ended (on Aug. 31) with total collections at \$27.27 billion, up 5.5 percent over fiscal year 2013. Combs said the Office of the Comptroller will send cities, counties, transit systems and special purpose taxing districts their September local sales tax allocations totaling \$627.8 million, up 9.2 percent compared to September 2013.

PUBLIC NOTICE
Brief Explanatory Statements of Proposed **Constitutional Amendments**
Special Election November 4, 2014

Proposition Number 1 (SJR 1)

SJR 1 would authorize the transfer of certain money from the general revenue fund to the state highway fund and the economic stabilization fund. Money transferred to the state highway fund may be used solely for the construction, maintenance and acquisition of rights-of-way for public roadways.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the use and dedication of certain money transferred to the state highway fund to assist in the completion of transportation construction, maintenance, and rehabilitation projects, not to include toll roads."
