Jail meeting Thursday

Public input sought, 6 p.m. at the Civic Center

BY MELISSA PERNER
THE OZONA STOCKMAN

A public meeting to discuss the proposed Crockett County Jail will be held at 6 p.m. Thursday, July 16, at the Civic Center.

The 24-bed building will cost an estimated \$5.9 million. The commissioners are looking at proposing the jail for a November bond election.

The meeting will feature an update from DRG Architects, who are preparing the plans for the county, as well as a question and answer session with the public.

The commissioners want as many local citizens to attend to hear about the new jail and give opinions and comments.

"Hopefully, we'll have a large community turnout," said County Judge Fred Deaton.

Currently, Crockett County prisoners are housed mainly in Upton County. The sheriff's office has also used Pecos and Sutton counties to house prisoners.

Costs average around \$18,000 a month to house the prisoners out of county.

Crockett County averages 12-14 inmates per month.

Prisoners can be held in the Crockett County Jail for only 72 hours, due to the jail conditions.

The new facility would contain offices and rooms for the sheriff and deputies, along with a jail area for housing prisoners.

The Texas Jail Commission, which implements a declared state policy that all county jail facilities conform to minimum standards of construction, maintenance and

Clinic plans discussed

BY MELISSA PERNER
THE OZONA STOCKMAN

Details and cost estimates on the proposed new health clinic was presented at Monday's regular commissioners' court meeting.

The new 10,500 square-foot clinic is estimated to cost around \$3.4 million. Around \$275,000 of that is for furnishing the clinic, which officials at Shannon Medical Center have said they will cover that cost.

EMS Coordinator Eddie Martin said the Crockett County Care Center Health and Emergency Services Board members want to keep the cost at \$3 million.

Martin said architects at O'Connell Robertson said they will look at meeting that amount.

The new clinic is being designed to not only see local patients with local physicians, but to also provide exam rooms for visiting specialists.

The building will be located at Avenue H and First Street, across from Lion Stadium.

The back of the building will face Lion Stadium, while the front will face the private property.

Martin said the board decided to do that due to events at Lion Stadium and parking at the clinic.

"We are still discussing about blocking off the parking at the new clinic, but you have to keep the

New school buses on order for CCCCS

BY MELISSA PERNER
THE OZONA STOCKMAN

New buses are on their way for Crockett County Schools.

At the July 8 regular meeting, Superintendent Raul Chavarria presented the CCCCS School Board options for the new charter buses on the outside paint job and the interior.

The new bus will include electrical outlets for every seat and wireless internet.

Also, the school has purchased two new Bluebird buses that should be in before school starts.

The buses are being purchased with funds from the \$3 million bond that was approved last year.

NEW HIRES and RESIGNATIONS

After a 30 minute closed session, the board approved the hiring of Philippe Vuille for high school math and Crystal Schaffer for fifth grade science.

They also approved resignations from Morgan Smith and Paula Renfro.

MAINTENANCE

Maintenance Director Chuy Martinez said his department has been busy with projects this summer.

Some of these include working on the school housing at 404 Avenue C, 1308 Houston Street and 1310 Houston Street.

Martinez said they have

also been busy with repairs and maintenance to air conditioning units around the district.

Student workers have been painting exteriors on houses, assisting with yard work and assisting floor crews with moving furniture.

Athletic Director Edward Perez has been contact with Carter Construction to fix the pole vault area. Perez is waiting on their bid proposal, and the company will notify him one week before the project begins.

Also, maintenance crews have been working on roof leaks at the middle school, cleaning out gutters, the Heritage Building computer lab project, the condenser unit

for the walk-in cooler and continued upkeep to sports facilities, campus lawns, teacher housing and campus and classroom repairs.

TECHNOLOGY

The district's technology department has also been busy this summer.

In his report Technology Director Keith Harmsen said they have been cleaning off student computers to have them ready for the fall, reprogramming labs at OMS from Windows 7 to Windows 8.1, cleaning out the lab in the Heritage Building for repurposing the third floor lab, updating the CCCCS Online Employment Application, collected equipment from teach-

ers leaving the district and set up newly hired personnel with accounts and email.

They also assisted in delivering online testing at OES, and in setting up and running summer school at OES, including setting up learning programs for different campuses to run at OES.

Also, they have replaced the battery backup and surge protectors at the OHS Library, assisted in replacing the power supply for equipment in the tower behind the Administration Office, updated the phone system to include a live feed from KYXX FM for hold music, set up and completed the new wireless network throughout the district and assisted staff in relocat-

ing offices.

Harmsen also stated in his report that they are in the process of updating the mobile laptop carts at the campuses and will set up the new teacher laptops. Harmsen said they plan to have them available for teachers before they return to school this fall.

FUTURE MEETINGS

The board will have a special called meeting and budget workshop at 6:30 p.m. July 27 at the Administration Building. The meeting is open to the public.

Board members Dwight Childress and Grizz Medina were absent from the meeting.

OZONA CHAMBER PRESIDENT SHANON BIGGERSTAFF (right) has completed all coursework toward her Certified Tourism Executive designation from the Travel & Tourism College.

Biggerstaff designated Certified Tourism Executive

BY JANICE LANGLINAI
TEXAS TRAVEL INDUSTRY ASSOCIATION

AUSTIN - Shanon Biggerstaff, president of the Ozona Chamber of Commerce & Visitor Center Park, has completed all coursework toward her Certified Tourism Executive (CTE) designation from Travel & Tourism College, a program of the Texas Travel Industry Association (TTIA).

In addition to completing the coursework, Biggerstaff also completed a capstone project required for the certification designation.

"After completing the three-year course, we were then charged with the task of writing a Cap Study Project to discuss the impact of our studies on our communities. The chamber redesigned our web site that now caters to our members, residents and travelers. Our web site is also responsive so that it can be viewed on multiple social media devices. We have also developed a mobile site. We now have a staff person dedicated to social media which is crucial to Ozona's success in competing with other communities for travelers," said Biggerstaff.

"Like any industry, the tourism and travel industry is ever changing. The business of marketing a community or building your local tourism product takes the right tools, updated methods, and trained employees. Demographics of the traveler, methods of marketing, social media, have all changed the way in which we operate. Whether you are affiliated with a local motel, attraction, restaurant, or you are an organization responsible for tourism in your town, the resources available to you through this course are invaluable. The long-term relationships that you will build with other 'hospitality' professionals is a bonus."

Travel & Tourism College (TTC) provides participants with an intensive professional education full of marketing, leadership and management courses taught by college professors and

seasoned travel and tourism professionals from around the country.

Over the past three years, Biggerstaff attended TTC courses that covered such topics as the emotional IQ of today's marketing campaigns, hands-on strategies for handling any crisis situation, how to create eco-friendly, sustainable tourism products, management excellence, positively outrageous customer service, essential strategies for tourism marketing success, and how relationships affect advocacy and engagement.

"I am amazed by the amount of innovative solutions and ideas that I was able to bring back to the Ozona Chamber over these past three years, many of which we have implemented," said Biggerstaff. "I highly recommend this program to anyone wishing to move their career forward in the travel and tourism industry."

"With this CTE designation, Shanon has taken her career a step further, increasing her knowledge and expertise in all aspects of travel and tourism marketing and management," said David Teel, President/CEO, Texas Travel Industry Association. "She has increased her knowledge on current trends in the travel industry, social media and research, and is prepared to take on new and larger responsibilities within the travel industry."

Travel & Tourism College is open to all travel and tourism professionals from across the United States. TTC attendance is eligible for continuing education credits with the Texas Association of Convention & Visitors Bureaus, the Texas Municipal League, and the International Association of Amusement Parks and Attractions.

Business of the Month: The General Store

BY SHANON BIGGERSTAFF
OZONA CHAMBER OF COMMERCE

The Chamber of Commerce would like to recognize The General Store as our Business of the Month.

The General Store opened to the public on Oct. 7, 2013. It is owned by Russell and Cole Crenwelge and managed by Cheryl Galindo. Store hours are Monday through Saturday, from 9 a.m. to 7 p.m., and Sunday 1-6 p.m.

"We have seven employees that play a huge role in keeping the store clean and stocked," said Manager Cheryl Galindo. "They are our Assistant Manager, Bertha Rivera, Data Entry and Loader is Lori DeHoyos, and our Clerks are Jo Ann Galindo, Rebecca Galindo, Trystian Galindo, Jonna McDonald, and Lisa Villarreal."

"We started out looking for some way to re-purpose and renovate the old Dudley Building downtown on the square to help revitalize Ozona's beautiful downtown area," said owner Cole Crenwelge. "We saw a need around town to bring in a variety store after Ozona lost Duckwalls, and thought we would like to try to fill that need because a lot of people didn't want to have to travel

to San Angelo for just one item. We hope that we have provided a clean, friendly, and courteous shopping experience to the whole community."

"There are a variety of products in stock including school and office supplies, apparel and footwear, grocery items, Gandy's products, cleaning and cooking supplies, Whirlpool appliances, toys and games, knitting, crocheting, sewing supplies, camping and beach supplies, health and beauty products, a dollar item section, baby supplies, and many other items needed for your home," said Cole.

"We appreciate the communities support for the past two years. We are glad that we can continue supplying the community with a clean, friendly, courteous, and a great family shopping experience. From all of us at The General Store, to our local residents and surrounding communities, thank you!"

The Chamber of Commerce would like to recognize The General Store for providing a quality business that is an asset to the community.

For more information, call The General Store at (325) 392-3202.

OZONA SENIOR HAPPENINGS

Senior Bingo Social July 27

BY BRENDA NEWTON
SENIOR CENTER DIRECTOR

You better get a vacation planned because summer is half over. School will be starting soon and we haven't done all the things we planned to do for the summer. I don't know about you, but I haven't done my spring cleaning. I really got to get busy. I hope you are all enjoying this cool and green summer.

The Senior Bingo Social during the month of July will be on July 27. The menu for this will be hamburgers with all the trimmings, chips, and cherry cobblers with ice cream.

The movie for Thursday, July 16, will be "The Book Thief" starring Geoffrey Rush, Emily Watson and Sophie Nelisse. "Captures the pure joy and triumph of the Human Spirit" said Chicago Sun-Times. Come on out and enjoy

yourself with popcorn puffs and drinks on Thursday at 2 p.m.

Wd-40 can clean what? Dust won't stick to baseboards. Spray a rag with WD-40 and wipe the baseboards down. Vacuuming will keep them clean after that.

Scrap bucket - Keep an attractive can (Maybe covered with contact paper) on your counter, lined with produce bags from the store - toss in scraps as you prepare food, then discard - no mess!

Paisano Baptist Encampment convenes in July

Paisano Baptist Encampment will hold its 95th consecutive cowboy camp meeting beginning Sunday evening, July 26, and continuing through lunch on Friday, July 31. Outgoing president Levi Price will share presiding responsibilities with president-elect Bill Collins, director of Baptist Collegiate Ministry for Northwestern State University in Natchitoches.

Evening services start at 8 p.m. Supper is served at 6 p.m. followed by choir rehearsal at 7 p.m. Missionary and family hours are held each morning at 8:45 a.m. with Bible study at 9:45 a.m. followed by worship at 11 a.m. Preschool, children's day camp, and youth programs occupy the mornings while adults have their own experiences. Everyone is welcome.

Preachers are David Lowrie and Matt Snowden. Lowrie, pastor of First Baptist Church El Paso, returns for his third year.

Snowden will preach at the encampment for the first time. A native of Mississippi, he has led congregations in Meridian, Monticello and Jackson. Snowden serves on

the executive board of the BGCT and chairs the Missions Mobilization Team.

Larry McGraw, professor of Bible and associate dean of the Logsdon School of Theology at Hardin-Simmons University, will lead Bible study. His wife Sandy, who holds a music degree from OBU, will direct Children's Church each evening.

Jim Cleaveland, worship pastor at First Baptist Church El Paso, will lead the music. Nancy Russell will be at the organ with Paul Bright at the piano. Ruth Anna and Marcus Driggers will serve as camp missionaries while Dave Gentry will lead family hour using the theme "Making Family Work in a Toxic World."

Afternoon recreation and other activities exercise the body and spirit and create deep friendships that last generations. Paisano encourages family togetherness and spiritual renewal.

Paisano Baptist Encampment is located in Paisano Pass, between Alpine and Marfa, in far West Texas.

THAT BEAUTIFUL WHITE CLOUD

I remember the time I took a small group of young people (teenagers) swimming to a natural spring. It was so beautiful there and yes; it was a very hot summer day. The water was so clear, cool and refreshing. I decided to float on my back and as I was looking up at the sky I noticed a big beautiful white cloud. It wasn't moving very fast but it was slowly churning within itself. It was so pure and white that you could almost see through it. Looking up into that tall, stately, beautiful cloud reminded me of God. The Bible says God is pure and there is no evil in Him, (Numbers 23:19, Deuteronomy 32:4). It also says He is majestic and there is nothing like Him, (Psalms 104:1, Exodus 15:11). God has always existed and He will always exist, (Isaiah 43:13). When we look up into the sky and see all the stars, the sun, moon and all the sky, we see a tiny glimpse of His creative powers, (Psalms 97:6, 104:24,31-33) Another good thing about God is that He is Love and He has love for others (1 John 4:16) When God created everything He gave us the freedom or special privilege of calling upon and having fellowship with Him, (Psalms 145:18-21). The only way to have that is through Jesus Christ, (1 Peter 3:18, Titus 3:5, John 5:24) Why not call upon Him today? See you in Church next Sunday. Brother J

Overeaters Anonymous meeting Mondays at Methodist Church

Overeaters Anonymous meetings will be held at 3 p.m. each Monday at the Ozona United Methodist Church.

Overeaters Anonymous is not just about weight loss, weight gain or maintenance, obesity or diets. The program offers physical, emotional and spiritual recovery for those who suffer from compulsive eating.

Members find recovery on all three levels by following at 12-step program patterned after Alcoholics Anonymous. Members who recover through the 12 steps find that yoyo dieting is a thing of the

past. They no longer wish to return to eating compulsively.

Overeaters Anonymous is not affiliated with any public or private organization, political movement, ideology or religious doctrine and takes no position on issues outside of its own program. No membership dues or fees are required for participation. The organization is self-supporting through members' voluntary donations and the sale of Overeaters Anonymous literature.

Murr announces grand opening of director office in Kerrville

BY REGAN ELLMER
STATE REP. ANDREW MURR'S OFFICE

State Rep. Andrew Murr, R-Junction, is pleased to announce the grand opening of his Kerrville District Office at 715 Water Street in downtown Kerrville.

The public is invited to attend a ribbon-cutting ceremony and reception which will be held at the office on Friday, July 17, at 3 p.m.

Attendees will have the opportunity to meet Representative Murr's new District Director, Kellie Early, who will be working full-time in the Kerrville office.

She and her husband, Kenneth, moved to Kerrville in 2008, and prior to joining Representative Murr's staff she worked as a paralegal for nearly three decades.

ANDREW MURR

Early has a passion for helping abused and neglected children, and has dedicated most of her adult life to volunteering with Court Appointed Special Advocates for Children (CASA) and is

the current President of the Kerr County Child Services Board. The Earlys are also members of First United Methodist Church in Kerrville where Kellie is a Leader in Bible Study Fellowship.

Area Grazing Management Clinic in Sonora

BY DONNIE LUNSFORD
U.S. DEPARTMENT OF AGRICULTURE

SONORA - The Texas Grazing Lands Coalition will be hosting a Grazing Management Clinic on Aug. 5 at the Sutton County Civic Center in Sonora, Texas.

The featured speaker is Jim Gerrish, a grazing specialist with over 20 years of experience in beef-forage systems with the University of Missouri and the Forage Systems Research Center along with more than 20 years of experience in the commercial cattle and sheep industry on his family farm in northern Missouri.

Topics will include: efficiently capturing solar energy, creating a more efficient water cycle, building a dynamic mineral cycle, enhancing biodiversity in pas-

tureland and rangeland, and grazing system design.

After lunch, there will be a ranch tour to see local rancher, Joe David Ross's high intensity- low frequency grazing operation.

Gerrish and Ross will discuss grazing systems, water distribution and fencing options with an open group discussion to talk about your successes.

"This workshop will discuss successes with intensive grazing management systems and feature a ranch tour where this style of system has been in place for over 30 plus years," said Scott Petty, Edwards Region Chairman. "This event allows conservation minded producers to come together and see what they can take home and implement in their operation."

Cost for the workshop is \$25 a person or \$30 at the door, which includes a catered lunch.

For more information, call Kason Haby at (830) 426-2521 ext. 116. Please RSVP by July 29 to the Edwards Region GLCI, 257 Highway 173 North, Hondo, Texas 78861 or call (830)741-0717.

Thank you to event sponsors Concho Valley, Edwards, and Trans-Pecos Grazing Lands Conservation Initiative Regions in partnership with Texas Grazing Lands Coalition, Texas A&M AgriLife Extension, Natural Resources Conservation Service, Edwards Plateau Soil & Water Conservation District and Eldorado-Divide Soil & Water Conservation District. All partners are equal opportunity employers and providers.

TxDOT roadwork on Highway 163 north

The Texas Department of Transportation is working on State Highway 163 north of Ozona going toward Barnhart.

TxDOT has stated that pilot car operations will be in effect until the end of the job, which should be the end of July, weather permitting.

Be cautious if you are heading that way.

Brannan Paving Co. LTD is the TxDOT contractor for the project costing around \$12.8 million.

10% Military Discount*

Thank You!

America's military men and women sacrifice a great deal to maintain our freedom and way of life. Some of these warriors made the ultimate sacrifice while others came home from the battlefield wounded.

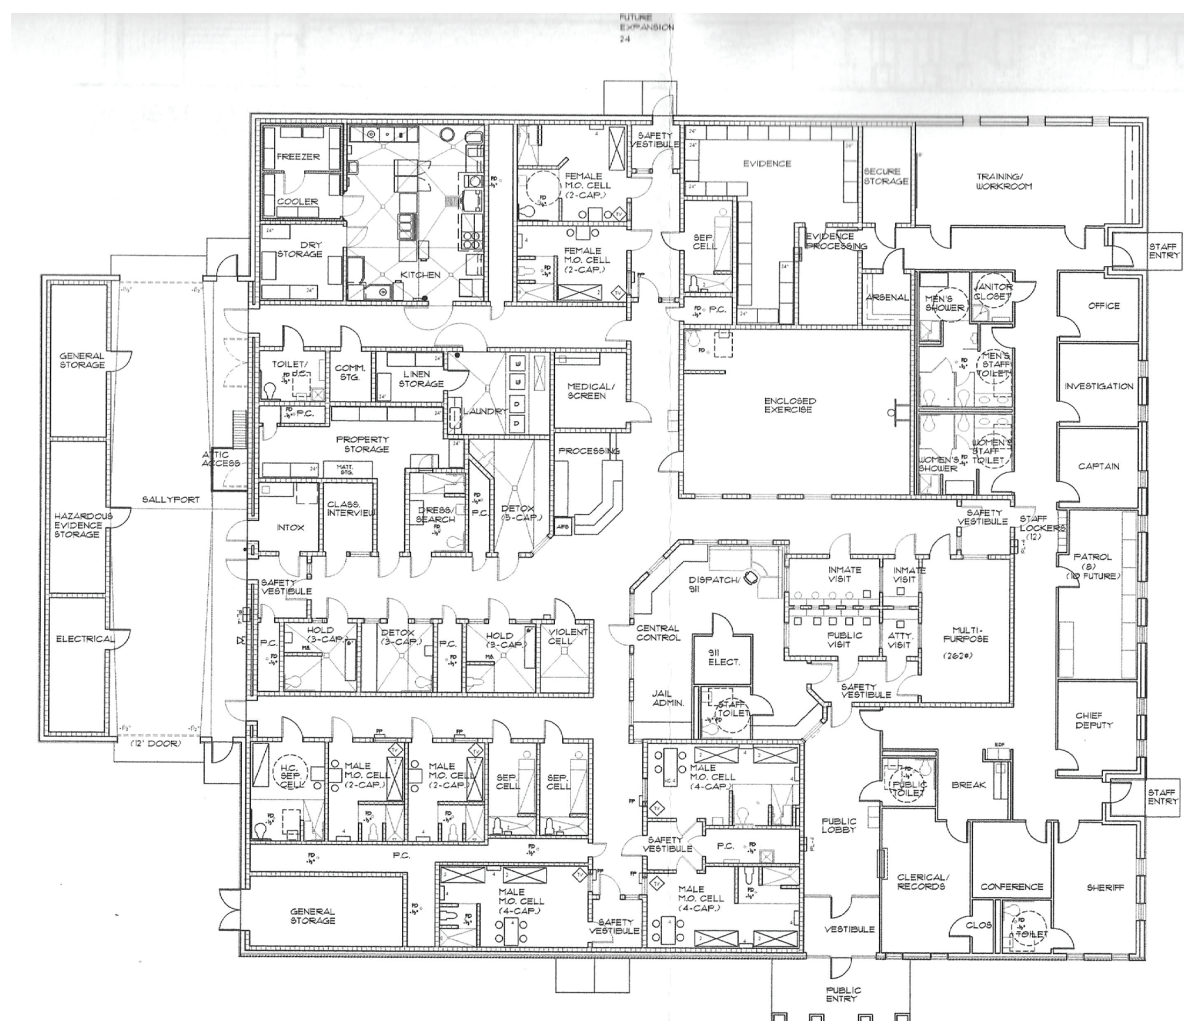

West Central Wireless greatly appreciates their sacrifice and continues to offer our 10% Military Discount to all current, former, and retired U.S. military personnel. West Central would like to further honor our wounded heroes by donating a portion of the processing fees for all internet and cellular activations and upgrades during July. The money will go to several local organizations in West Central Texas and the Hill Country that graciously provide special outdoor sporting and recreational weekends for these brave men and women. West Central and our customers will help sponsor dozens of our military heroes for a special weekend full of camaraderie, fellowship, and outdoor activities like hunting, fishing, and more at area ranches. Come in to any West Central location and help us support our veterans who have supported us.

CONCEPTUAL FLOOR PLAN OF THE NEW CROCKETT COUNTY JAIL that was presented at the June 23 commissioners' court meeting by DRG Architects, of San Antonio.

JAIL: from page 1

operation, has approved the floor plan. It will be located between the cemeteries and the south softball park, south on State Highway 163.

The new facility would require five additional staff members, due to at least two people needing to be in the jail area at all times, said Chago Ybarra, with the Crockett County Sheriff's Office.

The new facility will also have a full kitchen.

The kitchen is a requirement by the Texas Jail Commission, said Wayne Gondeck, architect with DRG Architects, of San Antonio.

Currently, the jail receives meals from the Care Center.

"You don't have to staff the kitchen all the time. You can still do meals from outside. The jail standards have certain requirements on how many hours an inmate can go without food," Gondeck said.

At a June 23 special meeting, Deaton said that would probably continue.

At Monday's commissioners' court meeting, Care Center Administrator Robert Stecher asked if what was reported in the Stockman at the

June 23 meeting was true. Deaton said it was.

Stecher said currently the Care Center charges \$5 a meal for the jail. Cost for a meal is \$8 at the Care Center.

"We would have to talk about maybe increasing the price. I'm not going to be here Thursday night, so I would like to know what your thinking is," Stecher said. "My dietary department freaked out a little bit when they read that."

Deaton said they will look at the cost of staffing a full-time kitchen in the jail, and address the issue at Thursday's meeting.

"Our thinking will depend on what the public's thinking. We're looking for direction," Deaton said.

Located behind the First Baptist Church, the Crockett County Jail was constructed in 1892; a year after the county was organized. In 1973, the county added a new addition to the north side of the jail. According to the Crockett County History Book, published in 1976, at that time the jail was used as living quarters for the sheriff and his family. The jail also shares a wall with the First Baptist Church.

Inside, the facility is a bit

of a maze of small offices and the holding cells.

Crockett County Sheriff Robert Rodriguez said he is often asked to leave his office so deputies can have a private interview room.

In 1975, the Texas Legislature created the Commission on Jail Standards.

Rodriguez has said that the current facility is not up to state jail standards.

The commissioners have until Aug. 26 to call a November bond election. Also up for consideration for a November bond election is a proposed wellness center. The commissioners are also looking at doing a tax notice for a new clinic.

"Jails are not typically popular with the people. However, they know you need a jail. I hope the public will come forth and get the best idea of what is before them in the election," Deaton said.

If the bond passes the earliest the facility can be completed is June 2017.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

EXAMPLE A

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN AIR PERMIT RENEWAL

PERMIT NUMBER 73614

APPLICATION Regency Field Services LLC has applied to the Texas Commission on Environmental Quality (TCEQ) for renewal of Air Quality Permit Number 73614, which would authorize continued operation of compressor engines at the Tippet Gas Plant. The applicant provided the following driving directions: From the intersection of FM 1901 and Highway 305, south of McCamey Texas, drive 5 miles on FM 1901. The site is located on the right side of FM 1901 before the Pecos River, McCamey, Crockett County, Texas 76943. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For exact location, please refer to the application. <http://www.tceq.texas.gov/assets/public/hb610/indexhtml?lat=31.038619&lng=-102.222412&zoom=13&type=r>. The existing facility and/or related facilities are authorized to emit the following air contaminants: organic compounds, nitrogen oxides, sulfur dioxide, carbon monoxide, particulate matter including particulate matter with diameters of 10 microns or less and 2.5 microns or less and hazardous air pollutants.

This application was submitted to the TCEQ on June 16, 2015. The application will be available for viewing and copying at the TCEQ central office, TCEQ San Angelo regional office, and the Crockett County Public Library, 1201 Avenue G, Ozona, Crockett County, Texas, beginning the first day of publication of this notice. The facility's compliance file, if any exists, is available for public review in the San Angelo regional office of the TCEQ.

The executive director has determined the application is administratively complete and will conduct a technical review of the application. In addition to the renewal, this permitting action includes the incorporation of the following authorizations or changes to authorized facilities related to this permit: alterations. An amendment application that is not subject to public notice or an opportunity for a contested case hearing is also being reviewed. The reasons for any changes or incorporations, to the extent they are included in the renewed permit, may include the enhancement of operational control at the plant or enforceability of the permit. For more information about this permit application or the permitting process, please call the Public Education Program toll free at 1-800-687-4040. **The TCEQ may act on this application without seeking further public comment or providing an opportunity for a contested case hearing if certain criteria are met.**

PUBLIC COMMENT You may submit public comments, or a request for a contested case hearing to the Office of the Chief Clerk at the address below. The TCEQ will consider all public comments in developing a final decision on the application. **The deadline to submit public comments is 15 days after newspaper notice is published.** After the deadline for public comments, the executive director will prepare a response to all relevant and material, or significant public comments. Issues such as property values, noise, traffic safety, and zoning are outside of the TCEQ's jurisdiction to address in the permit process.

After the technical review is complete the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. If only comments are received, the response to comments, along with the executive director's decision on the application, will then be mailed to everyone who submitted public comments or who is on the mailing list for this application, unless the application is directly referred to a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING You may request a contested case hearing. The applicant or the executive director may also request that the application be directly referred to a contested case hearing after technical review of the application. A contested case hearing is a legal proceeding similar to a civil trial in state district court. Unless a written request for a contested case hearing is filed within 15 days from this notice, the executive director may act on the application. **If no hearing request is received within this 15 day period, no further opportunity for hearing will be provided.** According to the Texas Clean Air Act § 382.056(o) a contested case hearing may only be granted if the applicant's compliance history is in the lowest classification under applicable compliance history requirements and if the hearing request is based on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission may only grant a hearing on those issues raised during the public comment period and not withdrawn.

A person who may be affected by emissions of air contaminants from the facility is entitled to request a hearing. If requesting a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) applicant's name and permit number; (3) the statement "[I/we] request a contested case hearing;" (4) a specific description of how you would be adversely affected by the application and air emissions from the facility in a way not common to the general public; (5) the location and distance of your property relative to the facility; and (6) a description of how you use the property which may be impacted by the facility. If the request is made by a group or association, the one or more members who have standing to request a hearing and the interests the group or association seeks to protect must also be identified. You may also submit your proposed adjustments to the application/permit which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing within 15 days following this notice to the Office of the Chief Clerk at the address below.

If any requests for a contested case hearing are timely filed, the executive director will forward the application and any requests for a contested case hearing to the Commissioners for their consideration at a scheduled Commission meeting. Unless the application is directly referred to a contested case hearing, the executive director will mail the response to comments along with notification of Commission meeting to everyone who submitted comments or is on the mailing list for this application. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact relating to relevant and material air quality concerns raised during the comment period.** Issues such as property values, noise, traffic safety, and zoning are outside of the Commission's jurisdiction to address in this proceeding.

MAILING LIST In addition to submitting public comments, you may ask to be placed on a mailing list for this application by sending a request to the Office of the Chief Clerk at the address below. Those on the mailing list will receive copies of future public notices (if any) mailed by the Office of the Chief Clerk for this application.

AGENCY CONTACTS AND INFORMATION Public comments and requests must be submitted either electronically at www.tceq.texas.gov/about/comments.html, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. If you communicate with the TCEQ electronically, please be aware that your email address, like your physical mailing address, will become part of the agency's public record. For more information about this permit application or the permitting process, please call the Public Education Program toll free at 1-800-687-4040. Si desea información en Español, puede llamar al 1-800-687-4040. Mesothelioma EXPERIENCE COUNTS
Lawyers with more than 100 years combined expertise.

may occur 30 to 50 years after exposure to asbestos. Many workers were exposed from the 1940s through the 1970s. Industrial and construction workers, along with their families (second hand exposure) are among those at risk for mesothelioma, lung cancer or gastro cancer (throat, stomach, colon). Call us for professional insight.
