## Pipeline Injunction Suit Filed Today!

### SCOOP SAYS

By J. M. FORBES

I have advised my young friends who first asked for advice: Be FOR something and not AGAINST something.

You'll get a lot more enjoyment out of living, you'll get more feeling of accomplishment, if you'll just follow this little formula.

Be for God and religion, better schools, a cleaner town and community morally and physically. This automatically and without the scintilla of a doubt, puts you against the opposite side.

What a sermon, but you won't be charged anything extra for it when you next pay your subscription dues. It's gratis, de nada, for free.

Me, if I were a big shot, and was running the country, I'd go up here about where Farm Road 214 crosses Runningwater Draw and I'd build me a dam. You go scouting along to Friona, and at the point where said road crosses said draw you look to the west and there, seven, eight, ten miles away is the huge Shirley elevator at Bovina.

You realize what a tremendous watershed the draw has. You realize the road is very steep at that point, and that a dam in that vicinity would impound, should it ever rain, water to back up nearly to Bovina. It would be a tremendous lake for the recreation of our population and the conservation of water.

Clavis, we feel sure, will get down here. It's a beautiful area, the northwest of that city. But there'd still be plenty of water to accumulate in front of a dam placed where I have just located it.

H. M. Gable, whose recharge well was featured in The Journal last week, has not figured out a new way to put down well casing. Despite the intimation in the story that he put the gravel in the hole before he put down casing, it just didn't happen that way. He put down the casing first, just like everybody does, but to prevent any misunderstanding, we thought we had better make that point clear.

Rotarians say that everybody in Muleshoe will be given the opportunity to purchase a flag, to be displayed on proper occasions, like Memorial Day, Flag Day, Fourth of July, etc. But it's a big job, and they just haven't had time to make the whole city yet. They'll be around.

### Memorial Day Is Legal Holiday For Local Merchants

Muleshoe merchants will observe next Wednesday as a legal holiday, along with the two banks, the postoffice and most of the offices in the county courthouse.

Next Wednesday, May 30, is Memorial Day, and is one of the five holidays observed in cooperation with the retail merchants committee of the Muleshoe Chamber of Commerce. It is on which the flag is to be displayed, also.

Other holidays include New Year's Day, Fourth of July, Thanksgiving and Christmas.

### Band Soloists Place In First Division May 12

Nine out of eleven individual band soloists from Muleshoe high school won first division honors at the regional band contest held in Levelland May 12. Norvil Howell, band director, reported this week.

Placing in first division were David Mathis, Winston Allison, Rosemary Hicks, Jack Roubine, Linda Miller, Charles White, Ross Langham, Gene Gray, and Jeanette McGuire.

Second division winners were Sue Logan and Lyndell Fletcher. Ensembles placing in second division were the brass, horn, and clarinet quartets.

COUNT AND COUNTESS OF COTTON

are shown here, center, as Sharon and Terry Hutton of Three-Way, with runner ups, left, Carol Ann Evans and Larry Allison, and far right, Linda Jordan and James Kinde. (Staff Photo)

### Royal Family of Cotton Named Last Weekend

An entire kingdom of cotton royalty was proclaimed in Muleshoe Friday and Saturday nights, as the county turned out to observe the annual celebration of National Cotton Week, and to see the coronation of a king and queen, a princess, a count and countess and a maid of cotton. Members of the royal cotton family received gift certificates for cotton merchandise in addition to their various titles.

Appearing before a large audience both nights, the celebration was held in the 200 block of Main street in Muleshoe, and featured an essay contest won by Pat Cooper, and the naming of a Bailey county king and queen of cotton, Mr. and Mrs. Ross Goodwin, Jr., of near Muleshoe.

Sharon and Terry Hutton, sponsored by the Three Way Farm Bureau were named countess and count of cotton, with runner-ups Carol Ann Evans, Larry Allison, and Linda Jordan and James Kinde.

Patsy Nowlin, sponsored by the Muleshoe Lions club was named princess of cotton, with runner ups Sharron Thorn and Betty Hutton.

Shirley Matthiesen, sponsored by the JayCees, won the maid of cotton contest, with attendants being Billie Ann Pence and Janice Oliver.

### TEXAS ALMANAC

From far off Tulare, Calif., has come an order to The Journal, Mrs. Myrtis D. Allen, renewing her subscription, enclosed money to pay for a copy of the Texas fact book.

MAID OF COTTON, 1956 BAILEY COUNTY, and her attendants were chosen Friday night during the observance here of National Cotton Week. Maid of cotton, center, is Miss Shirley Matthiesen, sponsored by the JayCees, with attendants Billie Ann Pence, left, and Janice Oliver, right. (Staff Photo)

### Final Exams Wind Up Last Week of '56 School Session

The last week of school in Muleshoe began Monday morning with final examinations. There will be no school Friday of this week, and pupils will return Saturday morning to receive their report cards from 9 to 10 o'clock.

Thursday afternoon in the elementary school, an awards assembly will be held, from 1-3 o'clock for the fourth and fifth grades.

Commencement exercises for senior graduates will be held at 8 p.m. Friday (tomorrow) in the senior high school auditorium.

Patricia Simmacher is valedictorian of the senior class, and Linda Lou Lancaster is salutatorian. The commencement address will be delivered by Dr. Lowell H. Harrison of West Texas State College.

The charge is necessary, Mayor Bovell said, because of the increased expense of operating the garbage and sanitation department.

### Swimming Pool To Open Memorial Day For The Summer

The municipal swimming pool in Muleshoe will open for the summer season, next Wednesday, Memorial Day, at 1 p.m., and will be open for the summer with Wayne Mantooth in charge.

Weekday hours for the pool are from 1-9 p.m., and on Saturday and Sunday from 1-6 p.m.

Morning sessions have been booked by several organizations, therefore the pool will not be open to the general public during the mornings.

Jean Montgomery and Eddie Wilt have been employed to assist Mantooth as lifeguards and instructors.

Single admission tickets may be purchased, or season tickets will also be available.

Considerable work has been done on the pool this spring by the city, and Mantooth reports it is in good shape for the swimming season.

### Banks To Close

Both the First National and Muleshoe State Banks will remain closed all day May 30 and June 4 in observance of Memorial Day and the birthday of Jefferson Davis.

Customers needing payrolls and other transactions are advised to note the closing dates.

### POSTOFFICE TO CLOSE

Muleshoe postoffice will be closed next Wednesday, May 30, in observance of Memorial Day. Postmaster Arnold Alcorn announced today.

### Wednesday Rain Brings Relief To Drylanders

Accompanied by high winds, 47 of an inch of rain fell in the Muleshoe area Wednesday night, with general rain falling over most of Bailey county in amounts ranging up to 1.1 inches.

The first recorded moisture of any consequence in a long time, brought a halt to most irrigation in the irrigated part of the county, and offered some hope to the dryland area for enough moisture to plant on.

Early Thursday reports to the Journal office showed 70 of an inch at Needmore and the game refuge; 1.1 inch at Stegall; half inch at Circleback; one inch near Shafer gin and from a half to three quarters of an inch northwest of there. East and south of Needmore, it was reported to have rained more than an inch.

County Agent J. K. Adams told the Journal that if farmers in the dryland area had managed to store enough ground moisture from the February snows, they might have enough in spots to begin planting this week. Most of the irrigated cotton is up to a good stand now.

No hail damage was reported from the Wednesday night rain in this area.

### City To Charge For Garbage Hauling, With May Billing

Muleshoe residents will find an additional charge on their city water bills, effective with the May billing. Mayor W. T. Bovell told the Journal this week. The additional charge will be for garbage and trash hauling and will be \$1 per month for residences, and from \$2 to \$10 per month for business firms, depending on the amount of garbage hauled.

Pickup of garbage in the residential area will continue on a twice a week basis, with the truck servicing business firms five days weekly.

The charge is necessary, Mayor Bovell said, because of the increased expense of operating the garbage and sanitation department.

In 1955, the city spent \$8,000 to operate the garbage truck, and an additional \$3,600 for operating and maintaining the dump grounds.

### Howard Cox Is Ill

Howard Cox was hospitalized Saturday night with a recurrence of the same trouble which struck him several months ago.

He is in West Plains Hospital, where he is resting comfortably, and is expected to be released Friday morning.

### Mayor To Toss Out First Ball In L. L. Opener Mon. Nite

The Little League baseball season gets underway in Muleshoe Monday evening at Little League park with a program of opening day features, including introduction of all players, managers, sponsors and umpires, a band concert and flag raising ceremony.

The program will begin at 5 p. m. with a band concert by the Muleshoe high school band. All players, managers, sponsors and umpires will be introduced by the master of ceremonies, Gil Lamb. Boy Scouts will officiate in a flag raising ceremony, and the invocation will be given by Rev. E. K. Shepherd.

Mayor W. T. Bovell will toss out the first ball of the season, in a game between the Jaycee sponsored Sox, and the Lions club Lions. The Sox will be the home team for the opening game.

Following the game, a TV set will be given away by the Lions club, benefit of the Texas Lions crippled children camp at Kerrville.

### Lamb County Landowners Cite Restriction Clause In Hiway Deed

An injunction has been applied for in District Court for Lamb County to restrain the City of Lubbock from proceeding with their publicly announced project of laying a water pipeline to Bailey County to extract a maximum of 72,000,000 gallons of water from water bearing sands of this area daily. The city owns water rights under some 53,000 acres of Bailey County lands.

Attorneys early this morning filed a suit in the district court of Lamb County for this injunction.

The suit is filed on behalf of Vilas Jewel Doss and her husband, Stanley A. Doss, of Lamb County.

### FOR ROAD USE ONLY

Basis of the application for injunction is contained in these words, inserted in the deed, granting a highway right of way, 60 feet wide across Labors 11 and 20, both in League 672, Lamb County:

A strip of land 60 feet in width immediately South of and adjacent to the Pecos and North Texas Railway Company right of way, across Labor No. 16, League No. 671, and Labors Nos. 20 and 11 in League No. 672, and containing 9.17 acres of land more or less. Said land to be used by said Highway No. 7 as a public road and FOR NO OTHER PURPOSE, and in case said road should be abandoned said strip of land will revert to the said James M. Hamilton or his assigns.

James M. Hamilton was the predecessor in title to the Doss couple.

The petition for injunction is signed by a local attorney, Jack D. Young, and John D. Aikin. Hereford, of the firm of Witherspoon, Aikin, Thomas, and Langley.

Bailey County and Lubbock have engaged in a dispute for some time over moral, ethical, business and economic aspects of the latter's announced plans to cut in on a supply of water that already appears to be dwindling, witness the fact that scores of pumps have been lowered in the area this year.

### VIOLATION OF RESTRICTION

The petition for an injunction restraining the city of Lubbock from proceeding with construction of their proposed pipeline has been filed in advance of the time advertised for opening of bids for construction of the pipeline. Bids were to be opened at 2:30 p. m. today.

Muleshoe and Bailey County people consistently have tried to avert a showdown with the city of Lubbock over the water use situation. In 1952, shortly after

### Water Meeting Called Mon. Nite!

To bring everybody up to date on the water pipeline controversy with Lubbock, and to acquaint one and all that "it is not too late", Bi-State Water Board is calling a meeting for Monday night, 8 o'clock in the high school auditorium in Muleshoe.

Tell your neighbor, call your friends, get them out to the meeting.

A Lamb County couple, Mr. and Mrs. Stanley Doss, have asked for an injunction against Lubbock's building a pipeline along their property. Other suits of this nature in Lamb and other counties may be forthcoming; our people need to give this movement their every support in the continuing battle to save our water.

Lubbock had announced their purchase of water rights in the county, a group of citizens met at the Lubbock Country Club with Lubbock representatives.

A short time back, Muleshoe people requested and were granted a hearing with the Lubbock City Commission, Lamb and Bailey County people feel sufficient warning has been given to Lubbock's city commission and people that any legal means open to them would be adopted to combat Lubbock's plans.

About the violation of restriction mentioned above, the petition for an injunction says:

"The proposed use of the said highway right of way as above set forth for the said water pipe line is a violation of the restriction hereinabove referred to, and for no other purpose," and the laying of the said water pipe line would constitute a taking of this plaintiff's property without payment therefor and would amount to a confiscation of plaintiff's property, all of which said facts entitle this plaintiff to an injunction out of this Court enjoining and prohibiting the said City of Lubbock from laying the said water pipe line across and along the land of plaintiffs hereinabove described.

### OTHER DAMAGE PREDICTED

Furthermore, Mr. and Mrs. Doss

expect further to show to the court that the installation and operation of a water line of such size and with such pressure would "constitute a continuing menace and nuisance and threat to this plaintiff and to plaintiff's use and enjoyment of their property in that it is common knowledge that such water lines break on occasion and have to be repaired and a break in the line would completely destroy the crops on plaintiff's land adjoining said highway and wash off the top soil and endanger the life and property of the plaintiff."

The above described suit was filed with the district clerk for Lamb County, Littlefield, early today.

Before press time with this paper, a majority of Lubbock's city officials had been served with a copy of the petition.

Judge E. A. Bills, judge of the 64th Judicial District, who resides at Littlefield, will be called upon to decide whether the evidence presented will be sufficient for granting of an injunction.

A state law, adopted in 1949, grants municipalities the use of state highway or county road right of way for laying of water pipelines. However, the statute was enacted long after the date of the deed in question.

### Eighth Graders Graduate Tonight

Graduation exercises will be held tonight at 8 o'clock in the high school auditorium for 125 eighth grade graduates of Muleshoe Junior High School.

Mrs. Joe Walker will play the professional and recessional, and the invocation is to be given by Rev. J. B. Atkins.

Tommy Thomson will deliver the salutatory address, following reading of the 19th Psalm by Sharon Evans. Rosemary Richards will deliver the valedictory address on "I speak for Democracy," following a vocal selection.

Troy Perkins, principal of the junior high school will present diplomas, and Rev. J. D. Hudson will offer the benediction.

### Summer Classes In Spelling-Reading To Begin On June 4

Summer classes in remedial reading and spelling will begin at the Muleshoe elementary school June 4, and will continue for six weeks, principal Frank Ford said this week.

Registration for classes, which will be taught by Mrs. Rutherford, must be made by noon, May 28 in Ford's office.

Tuition fee for the course is \$25. Classes will be held from 8 to 12 a. m. five days each week.

### Lt. Weldon McCarty Killed As Two Jet Bombers Collide Over England

First Lt. Weldon McCarty of Muleshoe lost his life in an airplane accident in England Tuesday, details of which are still lacking here.

The Associated Press reported a collision in the air over Eastern England of two jet bombers which belonged to Wethersfield, Essex and it is presumed this is the collision in which the local man was killed. The Air Force has not released information to the family here.

Lt. McCarty has been in England with the Air Force two years and in the service three years. He was 24.

He was born here, and graduated in 1949 from Muleshoe high school, where he had high scholastic standing and was an outstanding athlete, starting in football as a halfback and winning all district honors. He graduated in 1952 from Texas A & M College, receiving his degree and a commission as a second Lt.

He is survived by his wife and their two children, LaGauli, 6; and Gray Lynn, 4, who were in England with him; his parents, Mr. and Mrs. Delma McCarty, Muleshoe; and a brother, Fus-ton McCarty, Lubbock. Mrs. Weldon McCarty is the former Margaret Hart.

### MRS HART RESTING WELL

Mrs. Houston Hart was admitted to West Plains Hospital here Sunday evening, and attendants there reported today that she had been resting well, and is improved.

son Davis, daughter of Mr. and Mrs. F. H. Davis of Muleshoe.

LT. WELDON McCARTY

introduced the RA guests. The RA boys sang their hymn, and the girls sang, "We've A Story To Tell."

"Steering the Stars" was a toast to the RA boys by Patsy Morrow. Bill Atkins, ambassador in chief of the RA boys, responded with a toast to the GA girls.

Benediction was by Rev. Atkins.

**To RA Conclave**

On Friday and Saturday, May 25 and 26, a group from the Progress Baptist Church plan to attend a conclave of West Plains Association near Floydada. Sports and swimming contests are scheduled Friday afternoon, with program Friday night and Saturday morning. Twelve boys and three adults from Progress plan to attend.

\* Mr. and Mrs. W. C. Row, of Roswell, N. M., visited Sunday with his sister and family. Mr. and Mrs. J. M. King. They were on their way to Amarillo.

**PROGRESS WSCS HOLDS PLEDGE SERVICE**

A white cross for purity and a bowl of red roses for courage symbolized the theme of the pledge service of the Progress WSCS last Thursday, May 17, in the church sanctuary.

Following the business session, Joyce Walker led the devotional on "The World Community". Elmita Gray reported on "The World Federation of Women", and offered prayer. The hymn, "Something For Jesus", was sung, after which Ruby Actkinson explained the purpose of the pledge and distributed cards which were signed and returned by the members. After the prayer of dedication the group sang, "Take My Life and Let It Be".

A shower of baby clothes and hospital needs was given for the Mission Home at San Antonio. Fifteen dollars was the estimated value of the shower.

Punch and cupcakes were served by Elmita Gray to: Mrs. Bill Welch, a visitor, and Mmes. Louise Green, Ruby Actkinson, Nellie Powell, Ruth Cooper, Johnnie Westbrook, Velma Gwyn, Doris Wedel, Sadie Bass, and Fern Davis. Six children were in the

**KING AND QUEEN OF COTTON**. Mr. and Mrs. Ross Goodwin, Jr., were chosen king and queen of the first annual celebration of National Cotton Week in Muleshoe Saturday night. They are shown here as they accepted a gift from Murl Wilson, president of the Muleshoe Chamber of Commerce. (Staff Photo)

nursery kept by Mrs. Margie Neal.

New officers of the WSCS and the M. Y. F. will be installed next Sunday evening at 7:45, at the regular church services.

**LYNN JACKSON UNDERGOES SURGERY**

Lynn Jackson, 18, son of Rev. C. T. Jackson, underwent minor surgery to the muscles of his left eye Monday morning at St. Anthony's Hospital in Amarillo. News received here Tuesday from his father, was that the operation was successful and that Lynn would remain in Amarillo the remainder of the week.

\* Mr. and Mrs. John W. Thomson and children were Sunday guests in the home of their daughter, Mrs. Carl Dwyer, at Canyon.

\* Mrs. Mattie Griffin returned early Sunday from a trip which included a weeks visit with a nephew in Wichita, Kans., and several weeks with her sister in Anadarko, Okla.

\* Thirteen members of the WSCS spent Monday giving a thorough housecleaning to the Methodist church building. Those helping were Mmes. Earl Henry, Joyce Walker, W. E. Bass, Byron Gwyn, Johnnie Westbrook, Eugene Shaw, Bill Shaw, Louise Green, Griffin, Arthur Cooper, A. Davis, Powell and Hogan.

\* Mr. and Mrs. Ed Eason were in Amarillo Monday, where she remained for medical treatment until Wednesday. The Easons' son, Billy, returned home recently from college at Arkadelphia, Ark.

\* Sue Atkinson, Texas Tech student, spent last Wednesday evening in the home of her parents, Mr. and Mrs. Troy Actkinson. Accompanying her on the visit were four of her friends, also of Tech. They were Misses Paula Bell and Joyce McCormick, both of Littlefield; Carol McKenzie, of Waco, and Martha Heard of Hereford.

\* Mr. and Mrs. S. C. Otto recently returned from a several weeks vacation at Hot Springs, N. M.

\* Ben Roming spent last Sunday visiting in Friona.

\* Mr. and Mrs. A. W. Chiddix recently moved to a farm about

nine miles west on Farm Road 1760. They formerly resided in the Liberty community, near Plainview. They have four grown sons, two of whom are married, and the other two in the service. The community welcomes them and hopes they will be happy in their new home.

\* Mr. and Mrs. Wayne Johnson and daughter, Dan, of Olton, stayed Saturday night with his parents, Mr. and Mrs. O. S. Richards, and his brother Leander. Mrs. Mattie Griffin and Mrs. Richards accompanied them home Sunday afternoon to attend baccalaureate services at Olton, where Mrs. Johnson is a member of the graduating class.

\* Mr. and Mrs. Doyle Green and son, Darwin, spent the past weekend in his father's home in Littlefield.

**Vacation Bible School Begins At Main St. Baptist**

Vacation Bible school begins Monday, May 28, at the Main Street Baptist Church here. The subject, "Champions for Christ," will be studied from 9:00 until 11:30 a. m. each day, Monday through Friday.

All children from one year through fifteen years of age are invited to attend. There will be Bible-centered study, handwork projects, refreshments and recreation for all. Registration of children will begin Friday afternoon, May 25, at 2:30.

Mrs. J. T. Eubanks will serve as General Superintendent of the school, and will be assisted by the pastor, J. D. Hudson and a corps of twenty-seven teachers and workers.

On Friday evening, June 1, there will be a closing program given by the children. Certificates of attendance will be given to the children, and work done by them will be on display for the parents to see. This service will begin at 8:00 p. m., and the public is invited to attend.

"Remember children, Monday morning at 9:00 o'clock, we will be looking for you at the Main Street Baptist Church for Vacation Bible school, Yours friends will be there."

**H. B. Doughty Dies As Earth Home Burns; Muleshoe Firemen Fight Blaze**

EARTH, May 21 —The charred body of H. B. Doughty, 46, was found about 5 a. m. today on the floor of his bedroom at his home in Earth after firemen from Muleshoe fought flames that had spread from the bedroom to other parts of the dwelling. Doughty lived alone in part of the two family residence. Occupants of the other part of the house were out of town. Members of his family said so far as they had been able to determine, Doughty was last seen about 1:30 p. m. Sunday when he left the home of a sister, Mrs. Sam Cearley, who lives about a mile from the Doughty residence.

L. H. Randolph, justice of the peace, returned a verdict of death from accidental burns.

Origin of the fire was undetermined but authorities thought Doughty may have been smoking in bed.

Funeral services were conducted at 4:30 p. m. Tuesday in the Earth Methodist Church. The Rev. Eugene Matthews, pastor of the Earth Methodist Church, officiated. Interment was in the Springlake Cemetery.

W. E. Irvin, a Church of Christ minister and next door neighbor of Doughty, turned in the alarm to the fire department after the driver of a bread truck discovered the fire and roused the Irvin family.

All windows and doors of the house were closed and firemen said this probably prevented the fire from spreading throughout the house. The blaze was confined to the bedroom and adjoining kitchen.

It could not be determined whether Doughty was dressed or in his night clothes.

Sam Cegly was the first member of the family to the scene. It took firemen several minutes to bring the blaze under control sufficiently to permit entry into the damaged portion of the house.

By Mrs. D. O. Smith

Mr. and Mrs. Bert Sparks have moved here from Portales, N. M. and he is employed at the Johnson Welding Shop at Needmore. They are members of the Church of Christ, have one child Gary, 1 1/2.

Coming here from Tulsa are Mr. and Mrs. Roy Wrinkle and daughter, Cynthia. They are members of the Baptist Church. Mr. Wrinkle is employed by Fry and Cox Bros.

Mr. and Mrs. Joe Langer are former residents of Truth or Consequences, N. M. They have two children, Tennie Lee, 5, and Linda Jo, 4. They are members of the Catholic Church. He is employed by Langer Bros. House Moving Co.

**ATTENDED PARTY AT SPUR**

Mrs. W. T. Andrews and mother Mrs. Edna B. Daniel, were in Spur one day last week to attend the annual Rosemary Party of the W. S. C. S. of the First Methodist Church there.

An annual affair, the party is for ladies 70 or older. This year a Japanese theme was carried out in dress and decorations. Mrs. Daniel received the prize for traveling the longest distance to attend the party.

Survivors are two daughters, Mrs. Edwin O'Hair, Dimmitt, and Mrs. Jack Angeley, Earth; seven sisters, Mrs. Rupert Spann of Tulsa, Akla., Mrs. Cearley and Mrs. Kenneth Cowley, both of Earth, Mrs. Bill Graham and Mrs. Jack McNeely, both of McAllen; Mrs. Lawrence Edwards and Mrs. R. S. Brown, both of Martha, Okla., and four grandchildren.

Mrs. Doughty died in September of 1954.

**PROGRESS NEWS**

Rev. C. T. Jackson, pastor, and C. E. Kauffman, lay leader of the Progress Methodist Church, are attending a church conference at Big Spring, which lasts through Sunday.

Although the pastor will be absent Sunday morning, there will be regular services both morning and night. James Wedel and Mrs. John Thomson are in charge of the program at 11 a. m. The service starting at 7:45 p. m. will include installation of officers of the WSCS and Methodist Youth Fellowship.

**Vacation School Clinic**

Theme was "Onward, Christian Soldiers" when the Progress WMU met Monday afternoon at the Baptist church. Each circle met separately for their Royal Service programs.

Circle 1 members present were Mmes. K. L. Shipp, Bessie Davis, Herbert Peugh, J. J. Redwine and Sam Blackwell.

Circle 2 members attending were Mmes. Ruth Blair, Billie Downing, Mary Morrow, Maxine Redwine, Helen Redwine, Ben Atkins, and one visitor, Mrs. A. G. McCray.

After the WMU, a clinic was held to instruct vacation Bible school workers in their duties. The vacation school will start Friday, June 1, with registration. Each session will be from 3-6 p. m., and there will be five sessions following registration, each afternoon from June 4 through June 8.

Teachers and officials will include Mrs. Ben Atkins, Mrs. Billy Downing, Mrs. Ruth Blair, Mrs. Helen Redwine, Mrs. A. G. McCray, Mrs. Herbert Peugh, Mrs. Elton Gulley and Mrs. Mary Morrow.

**To Sponsor Activities**

On Thursday night, May 31, the WSCS will sponsor a family night for everyone, with returning college students as guests of honor. All members and friends of the Church are invited, and asked to bring steak or chicken to fry at the outdoor grill. Other dishes to make a good meal are also requested. Mrs. Fern Davis is in charge of entertainment.

Sunday, June 3 at 3 p. m., the Progress Methodist Church will honor the old timers of the community with an old fashioned sing-fest. Special talent is welcomed, but the main feature of the program will be gospel songs by the congregation.

**Brownies Visit Hens**

Brownie Troop 1, visited the farm home of one of their adult leaders, Mrs. James Wedel last Wednesday and made a tour of the caged laying hen houses. Following the tour, the girls held a weiner roast.

Present were Judy Daly, Linda Bartee, Wilma Puckett, Judy Putman, Carole Ann Evans, Caryn Haley, Wanda Riels, Nancy White, Wanda Harris, Shirley Smallwood, Susan Birdsong, Wanda Wedel, Brenda Kay and Linda Stephens, accompanied by Mmes. G. L. White, Earl Harris, W. F. Birdsong, B. R. Putman, Bartee and Wedel.

**Backyard Youth Banquet**

A banquet for 32 young people and seven adults was held in the home of Mr. and Mrs. A. G. McCray May 18. The affair had a star theme throughout. The program began with the invocation

**FLAGS DECORATED** downtown Muleshoe last Friday and Saturday in observance of National Cotton Week. The flags were sold by the Rotary club and adorned the front of nearly every business house downtown. The flags will be flown on special occasions, the next of which will be next Wednesday, Memorial Day. (Staff Photo)

NEIGHBORS PLANT CROP FOR GEORGE

While George Wuerflein of Pleasant Valley was convalescing in a Dallas hospital, his neighbors planted his grain and cotton for him last week. These nine tractors made short work of planting his cotton. (Staff Photo)

### W. T. Cunninghams Observe Golden Wedding Anniversary At Their Home

Mr. and Mrs. W. T. Cunningham, of the Three Way Community, recently observed their Golden Wedding Anniversary, with openhouse at their home. Children of the couple were hosts.

W. T. Cunningham and Miss Willie Mayfield were united in marriage April 14, 1906, in Hardeman County, Texas, where they made their home seven years before coming to the plains. They have resided in Bailey County thirty-four years this fall.

Mr. and Mrs. Cunningham are the parents of ten children, seven of whom are living. Only four

of the children were able to attend the anniversary celebration; they were Lewis, of the home; Clyde, of Dell City; Carl of Baileyboro; and Jimmy of Baileyboro.

Their other children are Claude, Albuquerque, N. M.; Ray L. Roscoe, and Mrs. Ivy Matthews, of Mountain Home, Idaho.

Open house was held from 2:00 until 3:00 o'clock, the evening of April 15. Cake and cold drinks were served to the approximately one hundred relatives and friends who called.

### Hobo Jamboree Climaxes Years Activity Of Kappa Kappa Iota Sorority Thursday

Margaret Slemmons, Grace Whitley and Ruth Dunn were hostesses for the hobo jamboree which was held in the back yard of the Slemmons' home Thursday, May 17, to climax the years activity for Kappa Kappa Iota sorority.

Succulent odors of chicken and brewing coffee drew the hobos to the back yard of the Slemmons' hangout, where they found a prepared knapsack filled with dainties. A brilliant red table cloth and matching striped napkins were a far cry from the newspaper cloths and rags of the real hobo clan. A table was laden with chicken, sandwiches, salads, and other delicious food, which replaced the traditional blackened coffee pot and "coffee from the old tin can".

Roylene Hawkins and Juanita Kirk scored high on a test of hobo knowledge — but it is a well known fact among the hobo tribe that "Champion of Bums" is a temporary title.

President Mary B. Obenhaus was in charge of the impressive initiation ceremony which followed the supper. New members initiated were: Juanita Kirk, Frankie Parker, Mary Jo Clegg, Roylene Hawkins and Joyce Walker.

Group singing of Kappa songs by all members closed the meeting.

Members present were: Elizabeth Watson, Blanche Johnson, Christine Rutherford, Orla B. Jones, Ruth Dunn, Margaret

### Norene Morgan Dwight Sheriff Plans Revealed

Miss Norene Morgan

Mr. and Mrs. Asa Morgan, of Portales, are announcing the engagement and approaching marriage of their daughter, Norene

### Funeral Services For Neil Rockey Conducted Monday

Funeral services for Neil Frederick Rockey were conducted from the First Baptist Church here at 2 p.m. Monday, May 21. Rev. E. K. Shepherd, pastor, and Rev. Clarence Stephens, Methodist pastor, officiated. Odd Fellows funeral rites were conducted by local Odd Fellows, and Rebekahs lodges.

Interment was in Bailey County Memorial Park, Muleshoe, with Singleton Funeral Home in charge of arrangements.

Pallbearers were Les Testerman, V. L. Bradley, Walter Bonness, Ed Edmiston, J. Wyer, Julian Lenau, Shorty Holmes, and Buck Wood.

Mr. Rockey, who was 65, passed away the preceding Wednesday night at Guaymas, Sonora, Mexico, where he and Mrs. Rockey had been staying since February. They had visited the well known fishing spot on the Gulf of Lower California often in the last few years.

Born Sept. 10, 1890, in Osage, Kans., Mr. Rockey spent many years in New Mexico before moving to Muleshoe. He was married at Elida, January 13, 1909, to Miss Hattie Oneal Evans.

In 1928, the family moved here to Dwight Sheriff, son of Mr. and Mrs. Roy Sheriff of Muleshoe.

The wedding will take place on August 9, at 3:00 in the afternoon in the Baptist Student Union on the Campus of Eastern New Mexico University.

All friends and relatives of the couple are invited.

and acquired an interest in the Ford dealership, later Mr. Rockey bought the interest of his partner and operated the dealership until he sold it in 1953.

Mr. Rockey always took an active interest in civic affairs. He served as president of the old Kiwanis Club, of the Chamber of Commerce, and of the Muleshoe school district board of trustees. His lodge claimed much of interest, and he rose through successive positions to serve as Texas Odd Fellows Grand Patriarch. He joined the Baptist church early in life, and was a member of the Masonic Lodge.

He is survived by his wife; three sons, Richard Rockey, of Twisp, Wash., Glenn Rockey, Baird, and Oneal Rockey, Muleshoe; a daughter, Mrs. Melzine

Elliott, Muleshoe; a sister, Mrs. Ada McClain, Hollister, Calif.; and four grandchildren.

### DANIEL SLEMMONS TO BE GRADUATED JUNE 5

Mr. and Mrs. Senn Slemmons are to leave Saturday for Grand Forks, N. D. where their son, Daniel, will be graduated by the University of North Dakota in ceremonies June 5.

Daniel is a pre-med student and will enter Southwestern College of Medicine, a University of Texas school, at Dallas, to finish his medical studies.

One of the new MHS band majorettes that we neglected to mention last week was LaQuinna Stone who will be a freshman at Muleshoe High School.

MULESHOE CHIROPRACTIC CLINIC IN BARRON BUILDING South of Courthouse Phone 6090

### CLINIC REPORT

#### HOW TO GET WELL

"You listen to radio and buy what they commercially ding-dong into your consciousness day after day. You try, from one thing to another. All give temporary relief by deadening pain or temporarily stimulating functions. You grow desperate; give up in despair.

In some unexpected manner, somebody suggests you "try" Chiropractic. Chiropractic literature is given to you. You read it; it sounds too good to be true. Like everything medical, you think it overrated, boastful, untrue impossible. Like the drowning man, you grasp at a straw. You go to a Chiropractor who has been highly recommended. Without endless preliminaries he suggests you have *spino-graphs*, makes an analysis, seems confident. He gives you an adjustment; you gradually begin to feel better—slowly at first as disease begins to go, then consistently health begins climbing back. In a few weeks or months you are back at work, at a minimum cost, hale and healthfully hearty.

When the Chiropractor is called by sick person, he comes with a POSITIVE knowledge of capability of Innate (Nature); KNOWLEDGE of cause; ABILITY to correct it. From then on, getting sick person well is up to Innate in Patient". These words from the man who was instrumental in developing the Chiropractic Science responsible for restoring most sick people to health. Dr. B. J. Palmer, head of the Palmer School of Chiropractic.

#### RUPTURED DISCS

A man, age 44, was referred to our clinic with condition medically diagnosed as ruptured disc and arthritis. He suffered excruciating pain in lower back and down right leg, whether sitting or standing. Entrance complaints also included nervousness, neck and shoulder pains, nervous indigestion, black-out spells. This man had not been able to work for some time. After a spinal analysis to locate pinched nerves causing his trouble, spinal x-rays were taken to reveal the cause of the nerve pressure. Spinal adjustments were begun to remove pressure on nerves affected. Under recommended service, this patient reports no aches or pains.

#### DIZZINESS

Case History: Woman, age 43, years, was literally led into the Chiropractic Clinic with a so-called incurable condition medically diagnosed Meniere's Disease. This condition had persisted for 14 years with drugs offering no correction. Her Meniere's symptoms of extreme dizziness, loss of balance, noises in ear, and nausea were accompanied by symptoms of constipation, sinus, pleurisy pains, heart palpitation. Our standard nerve and x-ray analysis revealed vertebral pressure on spinal nerves to the inner ear; and also other areas of major nerve pressure. Corrective Chiropractic adjustments have rested this woman to normal health. She now stands proud and tall when she walks.

## Last Meeting of Year For Hi-Low Piano Club To Be At Fellowship Hall May 29

Hi-Low Piano Club, of which Mrs. Sam McKinstry is counselor, will have their last meeting of the year Tuesday, May 29, at Fellowship Hall, at 8:00 p.m.

All piano pupils of Mrs. McKinstry and their parents are urged to attend, and visitors are always invited to these monthly meetings.

Mrs. J. K. Adams, president of the club, will open the meeting, and roll call will be answered with a "Music Alphabet Word".

Summer music will be discussed, as Mrs. McKinstry plans to continue piano classes through-

out most of the summer months for those pupils desiring to really work. Mrs. McKinstry says also that summer is a good time for adults to get that much-wanted musical education.

A good program of music will be presented by the pupils. Special numbers will include "Bless This House", sung by Elaine Evans, who will be accompanied at the piano by Doris Childers. Doris will also play "Tarantella" by Heller.

Frank Foster will play Bach's two-part "Invention No. 13". Seven-year-old Tommye Welch will demonstrate his ability to play the F sharp and C sharp scales, both parallel and contrary, full piano.

Hostesses for this final meeting will be Mmes. J. H. Angeley, John Gammon, W. F. Harrison and M. S. Childers.

Background music will be played by Linda Monk and Doris Childers.

OFFICE SUPPLIES at The Journal. See us for ledgers and ledger sheets, bookkeeping systems, typewriter and adding machine ribbons, columnar pads, adding machine paper, typing paper,

leg. At present she is employed at Clovis Memorial Hospital.

The bridegroom is a graduate of Bevelly, Ohio high school, and attended Electrical School. He is now stationed at Clovis Air Force Base.

Following a short wedding trip, the couple will make their home in Clovis.

Decorations at the altar featured an archway of palms and candelabras flanked by baskets of pink and white gladiolus and carnations.

Traditional wedding music including the Wedding March, was played by Mrs. Finis Jennings, who also accompanied Mrs. J. B. Jennings as she sang, "Always."

Given in marriage by her father, the bride wore a lovely street length gown of blue crystalline, styled on princess lines. Her accessories were white, and she carried a white orchid atop a white Bible.

Sister of the bride, Miss Jimmie Carpenter, of Texas Tech, Lubbock, attended her as maid of honor. Bridesmaids were Barbara Hinkson, Lubbock; Noretta James, Mrs. Betty Smith and Shirley Steinbock, Lazbuddie; and Betty Wagon, of Muleshoe.

Don Briggs, of Ft. Worth, served the groom as best man. Glenn Lusk, of Lubbock, was an usher.

Mrs. Moore is a 1954 graduate of Lazbuddie High School and attended Amarillo Nursing Col-

### Pre-Nuptial Shower Fetes Miss DeShazo

Miss Nell DeShazo, bride-elect of Jardon Newman Weems, of El Paso, was feted with a miscellaneous shower Saturday afternoon from 3:00 until 6:00 o'clock, in the home of Mrs. George Johnson.

Miss DeShazo's chosen colours of pink and green were carried out beautifully in decorations and also in refreshments.

The serving table was covered with a cloth of pink nylon net over pink taffeta, and centered with an arrangement of white stock and green dyed carnations, flanked by candles in crystal holders.

Miss William Ed Jones served guests lime sherbet punch, cookies and mints. Mrs. Jay Wyer presided at the guests register.

In the receiving line with the honoree were her aunts, Mrs. Earl Harris, Muleshoe; Mrs. Constance Harpo, Levelland; and Mrs. Lela Keyworth, Clovis, N. M.

Some one hundred guests called during the afternoon, and many sent gifts.

Hostesses for the occasion were: Miss William Ed Jones and Mrs. R. L. Jones, Ed Johnson, Rob Dameron, Jay Wyer, Connie Gupton, Mary Young, Arnold Morris, Hattie Griffiths, George Johnson, Chet Horsley, A. J. Gardner, F. B. Pierson, and W. B. McAdams.

### Society and Guild Officers Installed Past Sunday Eve.

Officers and secretaries of lines of work of the Women's Society of Christian Service and the Wesleyan Service Guild were installed at the Sunday evening service, May 20.

Bro. Clarence Stephens, pastor, officiated at the candlelight service, as a total of twenty-three workers were installed.

Mrs. Mervin Wilterding succeeds Mrs. H. Jay Wyer as president of W. S. C. S., while Mrs. Senn D. Slemmons became president of the Wesleyan Guild, taking the place of Mrs. Fred Johnson.

The two organizations have a total membership of seventy-nine members.

### Roylene Hawkins Shower Honoree

Miss Roylene Hawkins, bride-elect of Sgt. Herman Keel, was honored with a pre-nuptial shower last Thursday afternoon at 4:00 o'clock in the homemaking cottage.

Hostesses for the occasion were Mrs. Mary Albright, Ruth Franz, and Mary B. Obenhaus. Some thirty-five guests called, and many who were unable to attend, sent gifts.

Centering the serving table, which was covered with a white lace cloth over pink, was a miniature bride and groom standing under an archway on styrofoam, surrounded by spring flowers.

Ruth Franz poured punch, which was served with ice box cookies and mints.

Mr. and Mrs. A. S. Lambert, daughter, Barbara and son Larry spent the first of the week at Bonham visiting her mother who has been ill for sometime.

### Safe 'n Sound

BY W. M. POOL JR.

Did you ever stop to think how many little things can happen that might lead you right into court? Little things like your neighbor stumbling over your child's tricycle, or the dog nipping a passerby? You can protect yourself very inexpensively with one of our Comprehensive Liability Policies that covers you against damage suits and pays any judgment up to the limit of the policy for injury to anyone while on your property. It provides the same coverage for your personal acts (including sports) and those of your family, resulting in injuries to others while away from home. It pays attorney's fees to defend claims including court costs even through there may be no judgment rendered. A \$10,000 policy costs only \$10.00 a year Less 3 cents a day.

### Muleshoe Study Club Activities For Year Climaxed With Dinner At El Monterrey

On May 18, at 6:00 p. m. the Muleshoe Study Club met at the home of Mrs. Vance Waggoner for installation of officers for the 1956-57 term.

The Club Collect was read by Mrs. Buck Ragsdale.

Mrs. Glenn Dunn, assisted by Mrs. Buck Ragsdale, conducted an impressive candlelight ceremony and used the General Federation theme, "Ye Are The Light Of The World." After a brief talk by Mrs. Dunn on "Co-

operation Is Strength," Mrs. Waggoner, as outgoing president, gave the lighted candle to the incoming president, Mrs. Lee Pool. As each officer was handed her lighted candle by Mrs. Buck Ragsdale, her duties were outlined by Mrs. Dunn.

Incoming officers other than the president include: vice-president, Mrs. Horace Blackburn; secretary reporter, Mrs. Jerry Kirk; corresponding secretary, Mrs. Buck Wood; librarian and treasurer, Mrs. Mary Hart; parliamentarian, Mrs. A. S. Stovall; critic, Mrs. John Watson; and historian, Mrs. A. J. Gardner.

Mrs. Lois Lenau was accepted by the club as an associate member.

At the close of business, members proceeded to Clovis, N. M.,

where they enjoyed a Mexican dinner at the El Monterrey.

Attending were: Mmes S. C. Beavers, Horace Blackburn, Glen Dunn, A. J. Gardner, Mary Hart, Jerry Kirk, Julian Lenau, Lee Pool, Buck Ragsdale, H. S. Sanders, Jr., T. M. Stemmmons, A. S. Stovall, Vance Waggoner, John Watson, Buck Wood, and W. T. Andrews.

#### CARD OF THANKS

We wish to thank the merchants of Muleshoe and all our white friends for their help on our pastor's First Anniversary.

St. Matthews Baptist Church

### Bartley and Hall Engagement Told

Mr. and Mrs. W. F. Bartley, of Muleshoe, are announcing the engagement and approaching marriage of their daughter, Barbara, to Tommie Hall, son of

### Farewell Party Honors Wilhites

Mr. and Mrs. Doc Wilhite and children were entertained Monday evening, May 21, with a "Going Away Lawn Party," and supper at the home of Mr. and Mrs. A. T. Fowler.

The yard was beautifully decorated with a large serving table, and foursome tables which were centered with arrangements of roses and honeysuckle.

Almost sixty persons enjoyed a lovely meal of fried chicken, salads, vegetables, cake and home-made ice cream.

The Wilhites were greatly surprised when as the group was seated around a huge campfire, they were presented with an

### Gilbreath Home Scene of Party Honoring Seniors

John Gilbreath, who is a high school senior at N. M. I. Roswell, N. M., was honored with a party last Friday evening at the home of his parents, Mr. and Mrs. Rufus Gilbreath.

Co-hostesses for the party, with Mrs. Gilbreath were Mmes, Lee Pool and Andrew Dutton.

electric frying pan, and some pieces of their sterling silver. The presentation was made by Rev. E. K. Shepherd.

The family is being entertained with a number of lovely breakfasts, dinners and parties, before their departure for Ft. Collins, Colo., where they plan to make their home. They have resided here for the past twenty years.

Some twenty five members of the Muleshoe High school graduating class attended, with their sponsors, Dale Albright and Mrs. Albright, Mrs. Ola B. Jones and Roberta Biles.

Following refreshments of sandwiches, which were rolled like diplomas, punch, olives, pickles, potato chips and cookies, the group played games.

one visitor, Mrs. T. Haley, of the Progress Club.

A number of business matters were discussed, and Glenda Haley gave a report of the recent Council Meeting, at Littlefield.

The Achievement Day committee reported, and a theme was chosen. There is to be "Country Fair". Displays were discussed, and each member was asked to bring any handwork or pretty canned food for the tables. This meeting is scheduled for June 7.

A number of the members worked on cup towels to be given to the kitchen of the new Community House.

Meeting was adjourned and refreshments were served to the visitor and the following members: Sena Stevens, Hattie Mae Bickel, Mildred Stewart, Alma Moore, Glenda Haley, Ruby Willman, Vena Taylor, Victoria Hendricks, Judy Green, and Jo Meeks.

market manager for the Piggly-Wiggly store there.

Waggoner was employed at the Muleshoe Piggly-Wiggly store prior to his transfer.

#### VISITED PARENTS

Mr. and Mrs. Delton L. Hughes and son visited the past week in the home of his parents, Mr. and Mrs. Roy Hughes, of Needmore.

#### OBSERVED 93rd BIRTHDAY

Mrs. M. J. Hoosier, who makes her home here with her daughter, Mrs. J. L. Actkinson, observed her 93rd birthday Sunday. A number of friends and relatives called on her during the day.

#### ATTENDED BANK OPENING

Mr. and Mrs. M. D. Gunstream, Mr. and Mrs. James B. Glaze and Mr. and Mrs. W. T. Andrews, traveled to Bovina Saturday afternoon, to attend the opening of the new First National Bank there.

### Pleasant Valley HD Meeting Held In Earl Moore Home

Roll call was answered with a favorite summer recipe as members of the Pleasant Valley Home Demonstration Club met on May 17, in the home of Mrs. Earl Moore.

Mrs. Gladys Haley presided over the meeting, which was attended by eleven members and

#### TRANSFERRED TO SNYDER

Robert Waggoner has been transferred to Snyder as meat

### Jera Lynn Wilhite Surprised With Supper and Party

Jera Lynn Wilhite was entertained with a surprise lawn party supper and slumber party at the home of Delores Cannon Friday evening, May 18.

Jera Lynn is leaving Muleshoe to make her home in Fort Collins, Colo. She has lived here all her life and started to school with some of the girls who entertained.

Those who were present were: Rosemary Hicks, Nan Allison, June Ward, Patsy Nowlin, Mary Janice Puckett and Connie Potts, and the honoree and hostess.

Miss Wilhite was presented with several lovely gifts.

### Line of Rainbow Officers Read For The Coming Year

Mary Janice Puckett, Worthy Advisor, presided over a regular meeting of the Muleshoe Assembly of Rainbow Girls last Thursday evening at Lodge Hall.

The line of officers for the coming term was read, and is as follows: Quineil Elliott, worthy advisor; Mary Jo Holt, worthy associate advisor; Sandra Briscoe, charity; Doris Childers, hope; Carolyn Hinkson, faith; Nan Allison, chaplain; Nell Moore, drill leader; Sandra Allison, love; Neida Redwine, religion; Pat Thomson, nature; Sherry Allison, immortality; Kay Brown, fidelity; Delores Waggoner, service; LaQuina Stone, confidential observer; Jackie Burden, outer observer; Sandra Howard, musician; and Sandra Welch, choir director.

Installation date was set for May 31.

### G. A. Party Held In Shepherd Home

Intermediate G. A.'s of the First Baptist Church enjoyed a party Tuesday evening of this week at the parsonage.

The group played "Get Acquainted," "The Rabbit Game," "Madam Butterfly Died Last Night," and "Nine Books."

Refreshments were sandwiches, pickles, potato chips, cookies and Cokes.

The evening ended as the group sang two songs, after which Rev. E. K. Shepherd led in prayer.

Attending were: Rosemary Richards, Tommy Thompson, Carolyn Hicks, Darrell Oliver, Kathy Phipps, Carl Thomas, Priscilla Inman, Tommy Bratcher, Mozella Ellis, Robert Robinson, Jeanetta Harrison, Max King, Nelda McCary, Rheta Turner, LaQuinta Stone, Claudia Cox, Darla Johnson, Paul and James Shepherd, and the sponsors, Mmes. E. K. Shepherd, Buddy Lane and Cleon Davis.

### Earl Moore Home Setting For PV HD Club Meeting

Home Demonstration Club members of the Pleasant Valley community gathered at 2:30 last Thursday evening, at the home of Mrs. Earl Moore, for their regular meeting.

The meeting was presided over by Mrs. Allen Haley. Others taking part on the program were: Mmes. Elmo Stevens and Dick Willman, who gave a demonstration on covering old lamp shades. Following the demonstration the ladies hemmed and embroidered tea towels for the Community Center building.

Refreshments were served to one visitor, Mrs. A. H. Haley of Progress and the following members: Mmes. O. E. Green, W. J. Meeks, Doyle Turner, Alton Taylor, W. F. Stewart, B. H. Bickie, Allen Haley, Stevens, Willman, Claude Hendricks and the hostess.

The next meeting is to be held at the Community Center on June 7, at 2:00 o'clock, when the P. V. H. D. Club members will be hostesses to other home demonstration clubs of Lamb County.

This meeting will carry out a "Country Fair" theme. Each club is to bring exhibits.

## MAY AT DUNLAP'S MEANS MORE FOR YOUR MONEY

## Awards Presented To Students At Assembly Program; Seniors Perform

Just before their departure from MHS on the senior trip, an assembly was held with the entertainment part of the program done completely by seniors. At the first of the program, Bill Parker, MHS principal presented school awards to various school activities, such as agricultural students, athletes, and the band.

Receiving gold medals for band solos at contest were Winston Allison and David Mathis. Band members receiving silver medals were Rosemary Hicks, Linda Miller, Charles White, Janelle McGuire, Jack Roubinek, and Jean Gray.

Ag students from MHS receiving awards were Billy Harmon, who got the degree of Star Chapter Farmer, Larry Dunham, who won an award for soil and water management; Jack Durham, who was given an award for farm safety; and Buddie Black, receiving three awards, the Star Chapter Farmer award, the Farm Electrification award, and the mechanics award. Making the presentations of these awards Richard Greene, junior student of MHS.

In the presentation of athletic awards, Mr. Parker presented Don Copley with an award for winning second in the boys' singles, and Elaine Evans and Linda Lou Lancaster for winning second in the girls' doubles.

Coach Bill Taylor presented the annual Fighting Heart awards, which are given to the boy and girl athlete who have the most ability, sportsmanship, and spirit in them. John Young was awarded with the boy's Fighting Heart award, while Nor-etta Harrison was presented with the girl's award.

June Freeman, MHS senior, presented to the school an award the Interscholastic League had presented to the Hee Haw, MHS's school paper. It was a Good Merit award, and the Hee Haw was judged as one of the top eleven school papers in the state.

Stanley Fox, 1956 Student Council president, installed the new Student Council officers for next year, and presented Johnny Allison, new SC president, with the gavel.

For the senior's part of the program, Betty Shanks, Linda Lou Lancaster, and Billie Ann Pence started the entertainment with two musical selections. Edward Wuerflein recited a poem and Velta Gillis read the senior class will. Pat Cooper read the class prophecy of what the seniors will be doing in 1976.

Buddy Pool sang "Heart of my Heart," and Siegrid Hoffman

**BRITISH LABOR PARTY LEADER VISITS U. S.** — British Labor Party Leader Hugh Gaitskell and his wife arrive in New York City. They have started a nine-day trip thru key cities in the U. S. during which they plan to be in Washington, D. C., to visit with President Eisenhower.

## Nine From County To Graduate From Tech On Monday

Final plans for conferring degrees on 597 Texas Tech students are locked in place as the wheels of time and final examinations grind toward the 30th annual commencement scheduled at 8 p. m. Monday, May 28, in Jones Stadium.

The 24 candidates for master's degrees and the 573 students scheduled to receive bachelor's degrees will hear Dr. William H. Cowley of Stanford University discuss American higher education during the commencement address.

Candidates for Bachelor degrees from Bailey County include: Muleshoe - Billy Ray Stinson, Josephine Dot Erwin, English; Jimmy Wayne Gaede, Agronomy; Donald Glen Moore, Agronomy; Jo Ann Hanks Bray, Home Economics Education; Patricia Joy Broyles, Applied Art; Lloyd Everett Krieger, Finance, Bula - Gerald Leon Thompson, Agricultural Education, and Baileyboro - Kenneth Dale Krebs, Finance.

The Rev. W. A. Welch, Dallas, minister to Texas' largest Disciples of Christ congregation, will deliver the baccalaureate sermon at 8 p. m. Sunday, May 27, in Jones Stadium.

In case of inclement weather, the baccalaureate sermon will be given in the Lubbock Municipal Auditorium and the commencement exercises held in the Lubbock coliseum.

A graduation rehearsal is scheduled at 8:30 a. m. on May 27 in the stadium. The annual president's reception for graduating seniors will be held at the home of Dr. and Mrs. E. N. Jones from 3:30 to 5 p. m.

The Spring Semester will end officially with the 1956 graduation.

### PARENTS VISITING

Mr. and Mrs. H. I. Bass, of Anton, are here visiting in the home of their son and daughter-in-law, Mr. and Mrs. Harvey Bass and family.

## Lamb County Calls \$80,000 Road Bond Vote

The Lamb County commissioners court called an \$800,000 bond election May 18 for June 23 to furnish bonds for acquiring rights of way on U. S. highways 84 and 70.

Petitions bearing 112 signatures requesting the election were presented to the commissioners Monday.

The action of calling the bond election resulted from information supplied by Marshall Formby that unless some action was taken by May 22, the fund appropriated for widening highway 84 in Lamb county would be revoked.

Lamb county is the last county in the Lubbock to Clovis chain on highway 84 to take action to secure right of way for widening 84.

Although no appropriation has been made for widening highway 70, the commissioners court felt that such an appropriation would be made in the near future.

### VISITED IN TULLIA

Mr. and Mrs. E. P. Burelsmith visited over the weekend at Tullia with his nephew.

# The Muleshoe Journal

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 35, NUMBER 21

THURSDAY, MAY 24, 1956

## Water Program A "DANGEROUS PRECEDENT" ... Clovis Chamber Urges Lubbock City Commission To Consider All Phases

Through its president, Jack Stagner, Clovis Chamber of Commerce has written a letter to the mayor and city commission of Lubbock urging that those city officials "consider all aspects of your program again" calling it a "dangerous precedent," and expressing fears for the future of agriculture in the Muleshoe area if the city of Lubbock carries out its plan to pump a large amount of water out of Bailey County water sands. A copy of the letter was furnished The Journal, and is printed below in full:

May 16, 1956  
Honorable S. S. Forrest, Jr., Mayor, City of Lubbock and the City Commissioners, Lubbock, Texas

Gentlemen:

We in Clovis have watched with considerable interest your controversy with the people of Muleshoe and surrounding area and feel that perhaps you have failed to consider many important aspects in making your decision to acquire water in Bailey County, Texas.

Farmers in that area have invested hundreds of thousands of dollars in irrigation wells and equipment and have developed an income which has meant millions of dollars to business people in the area including Lubbock and Clovis. Many of them paid high prices for their irrigated farms?

Also, the economy of Muleshoe has risen to new heights due to the agricultural progress in the area. The citizens of Muleshoe have worked hard in promoting agriculture and their community. Business people in Muleshoe have invested millions of dollars on the strength of their agricultural economy. Many of them face bankruptcy if your program is carried out.

We feel that you are to be commended for looking ahead and attempting to solve your water problem before a crisis exists, but we do feel that you should consider other communities and other individuals. We do not believe that your intentions are to force a great financial hardship upon this area but that will no doubt be the end result.

We like to see competition between cities and communities for that is what makes them great. However, we cannot condone one city taking undue advantage of another.

We in Clovis are cognizant land because it could be irrigated. Your water program could mean financial ruin to the entire area by forcing these farmers to revert back to dry land farming. Where would Lubbock have been today without the importance of this area to our economy. Also we know

that the farm dollar of this area means more to Lubbock than to Clovis. We want to protect every phase of our economy and feel that you, too, are interested in the same.

Your program is setting a dangerous precedent. If Lubbock can take Bailey County's water, what is to prevent Dallas or Ft. Worth from taking Lubbock County's water?

We urge you to consider all aspects of your program again. We hope that you will not be responsible for the death of some fine communities and the bankruptcy of many excellent farmers.

We hope that Clovis, Muleshoe, Lubbock and other communities can continue to work harmoniously together to further develop this great area without jeopardizing on for the other. Sincerely yours,  
Jack Stagner, President  
Clovis Chamber of Commerce

## Phillip Pegues New Director For Scout Council

Joe T. Salem, president of the South Plains Council, Boy Scouts of America, announced today the employment of Phillip T. Pegues, of Pampa, to serve as Field Director of the Twenty County Scout Council, effective July 1.

Mr. Pegues comes to the South Plains Council with headquarters in Pampa, where he has served as District Executive the past 5½ years. Pegues has had a long and successful Scouting career having attained the Eagle Scout

rank as a boy and has served as Assistant Scoutmaster and Scoutmaster on Brownwood and Ft. Worth. Mr. Pegues is a graduate of Eastland high school and had his college work at Texas Wesleyan College and North Texas State College. He is a graduate of the 123rd National Training School for Scout Executives.

Pegues will replace Raymond

Lupfer who has served as Field Director the past 4 years. Mr. Lupfer will continue to serve the South Plains Council as Assistant Scout Executive in charge of camping, activities, and leadership training.

### VISITED FRIENDS

Glenda Hall visited friends last weekend in Oklahoma.

**BLINDED COLUMNISTS VOWS TO CONTINUE FIGHT** — With his eyes bandaged and his forehead showing the marks of his ordeal, Victor Riesel talks to reporters. The labor-columnist, who was recently blinded by an acid attack, vowed to continue his fight to expose labor racketeering. Police have not yet apprehended the unknown thug while rewards for his capture and conviction total almost \$45,000.

You've passed an important milestone. There will be others you will find interesting and rewarding.

Get all the education you can. And in this wonderful land of America please accept our best wishes for your future success and happiness.

Seen only on higher priced cars and Chevrolet

The meaningful emblem of Body by Fisher

When you see "sterling" on silver you know what it means—solid silver, all the way through.

And when you see the medallion "Body by Fisher" on an automobile it means much the same thing—quality all the way through, in things unseen as well as on the visible, gleaming surface.

The significance of this emblem cannot be tested on the showroom floor. Its meaning was not built up in a day but only after

long years in which owners learned that "Body by Fisher" was a veritable symbol of solid, enduring satisfaction.

Only one who has owned a Chevrolet for several years can fully know the deep sense of satisfaction this emblem pledges. It is the warranty of an inner soundness that your eye or your touch cannot test. And only Chevrolet in the low-price field is entitled to wear the small, proud plaque that proclaims "Body by Fisher."

America's largest selling car—2 million more owners than any other make!

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

Drive with care . . . EVERYWHERE!

MULESHOE, TEXAS

# REDDY'S Farm Report

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT  
SOUTHWESTERN PUBLIC SERVICE COMPANY

Egg raising has come of age. From the time when grandpa "kept a few chickens," to the present day, egg raising has gone "scientific." Producers today carefully manage their chickens determining correctly balanced rations, taking proper sanitary precautions, all with an eye to a better price per dozen.

However, all the precautions are to no avail if freshly laid eggs are not cooled from their 106 degree temperature to the 55 degrees necessary to grade "A" quality. It has been proven that eggs kept for a week at 55 degrees and 85% relative humidity are superior in quality as compared to eggs not cooled and kept only one day under

average Texas summer temperatures. Eggs deteriorate even more rapidly in hotter weather.

What does egg cooling mean to the egg producer? It has several advantages: 1. He gets a higher price per dozen for his quality eggs because the ultimate consumer is willing to pay more for eggs that he knows are quality. 2. He is assured of a constant market because cooled eggs are a better edible food product. 3. He needs to make fewer trips to market, thereby saving on hauling costs and time. 4. Obviously the investment in egg cooling equipment will more than pay off.

What kind of cooling equipment will do both the cooling and humidifying job needed to maintain quality? Tests at the Texas Agricultural Extension Service found that refrigerative equipment must be used, and that, in general, a twelve case cooler will handle the production from 1,800 laying hens by marketing twice weekly. The cost, expressed in terms of kilowatt hours of electricity per case of eggs cooled. This is indeed cheap insurance for keeping your market eggs at top quality. Incidentally, those who have tried evaporative egg coolers found that in high temperatures the method failed to bring egg temperatures down to 55 degrees and that humidity control was lacking. Too much relative humidity may cause mold to develop on the eggs, while too little may cause weight shrinkage, as much as 3 1/2% in five to seven days.

Most farm store dealers have access to a line of moderately-priced refrigerative egg coolers and will be glad to give you information on their particular brand.

"For better eggs and better prices, the eggs should be gathered often and cooled immediately," says Herbert Hunt, "because eggs, like milk, are a perishable product." Mr. Hunt cools the production from a flock of 600 hens on his Claude, Texas farm. He uses a twelve case cooler. In the picture Mr. Hunt, left, and Jack Stallings, Universal Mills feed representative, examine cooled eggs.

## FARMER COUNTY Farm Bureau News

By RAYMOND L. JELER

President Kaltwasser received a telegram Wednesday morning, sent by J. Walter Hammond to all Texas county Farm Bureau presidents regarding cotton exports from CCC stocks at world competitive prices. This feature was not included in the farm bill that had just passed the house. He urged presidents and members to wire Congressman Poage and Rogers, urging their support of an amendment introduced by Senator Eastland making this export provision effective immediately upon passage of the bill. Kaltwasser sent the telegram as suggested and we do not, at this time know whether the amendment was adopted or not.

There was strong opposition to the amendment by sections of the cotton trade and the administration. The action requested is considered the most important factor facing cotton producers so far as markets are concerned, since foreign markets provide outlets for a large share of American production when prices are competitive with other producing countries.

American Farm Bureau, in cooperation with other groups, is exerting every possible effort to overcome the present bottlenecks in shipping commodities at harvest time. Part of the problem is the actual shortage of box cars. (There were 2.5 million box cars in 1926, and only 1.7 in 1956). The other problem, according to congressional conversation, is deliberate delays in moving cars, in some instances, to collect additional revenue.

Bruce Parr, weed committee chairman, reports that State seed inspectors have met with members of the committee within the past week, cooperating in the drive against noxious seed in certified seed sacks.

Farm Bureaus all over America are planning "Get Out the Vote" campaigns this year. If you don't vote because you don't think it is important, then you should not complain about the administration your more alert neighbors voted for. And there are some things vastly more important than dollars that should be considered in selecting your choice candidate. One of them is freedom. If you sell your freedom for a dollar, with promises of more, you will never receive subsequent payments; and you

will have no more freedom to sell for more dollars.

CONSIDER THIS: An inheritance may be gotten hastily at the beginning; but the end thereof shall not be blessed.

—Proverbs 20:21.

## FFA Boys From Here To Attend State Convention

A delegation of four boys, all members of the Muleshoe F. F. A. Chapter, will go to Dallas July 25, 27 for the 28th annual convention of the Texas Association of Future Farmers of America. Convention headquarters will be at the new Statler-Hilton hotel.

Charles Thomas, advisor, will accompany Buddy Black, Richard Greene and Ralph Roming.

More than 3,000 boys from all over Texas are expected for the convention. Activities will include a tractor operators' contest, election of a president and a sweetheart, and presentation of awards and scholarships totaling more than \$10,000. More than 800 Lone Star Farmers degrees and honorary degrees will be awarded. The awards banquet, a convention highlight, will be held at the Fair Park's Women's Building, a number of other activities and entertainment are planned.

Dallas leaders for the convention include Murray Cox, farm director of Radio Station WFAA, Tom Milligan, of Farm & Ranch Magazine; and Charles Scruggs, of Progressive Farmer magazine. State Convention Committee includes Cal Johnson, chairman; Homer Gibbs, representing Dallas; Beal Pumphrey of San Antonio; David Cunningham of Houston; and Doc Ruhmann, of Ft. Worth.

## Large Field Will Compete In Races At Ft. Sumner Sun.

Information received this past week-end by race officials indicates a large field of internationally famed sports cars and drivers will compete in the Fort Sumner Road Races to be held at the Fort Sumner New Mexico Municipal Airport, May 27th. Entries have been received from seven states and a field of over seventy sports cars is expected. There will be seven races based on the automobiles engines displacement as specified by the regulations of the Sports Car Club of America.

Among the cars entered, are cars capable of speed over 150 miles per hour, those that will accelerate from 0 to 60 m. p. h. in less than five seconds, cars that are capable of high speeds over the twisting turns of the road type course.

Race action will begin Sunday, May 28th, with preparation of the course and practice. Practice will continue through out the remainder of the week until technical inspection and compulsory laps on Saturday morning, May 29th. No admission will be charged for these practice sessions.

"I'm growing beans, peas, tomatoes and squash — and tired already!"

The race program will begin at 9:30 Sunday morning, May 27th, with a "Concourse D'Elegance." There will be an opportunity for spectators to inspect these interesting, high powered automobiles at this time. The road race itself will begin shortly after 12:00 noon that afternoon.

**WEEKEND GUESTS**  
Weekend guests in the A. C. Leveridge home was their daughter and son-in-law, Mr. and Mrs. Larry Burke, of San Marcos, another daughter, Zora Leveridge and friend Betty Cadenhead, of Oklahoma City; and Mr. and Mrs. Delbert Black, of Muleshoe. Mrs. Black is also a daughter of the Leveridges.

**SON IS VISITING**  
Oliver Actkinson, of Arlington, arrived home Sunday evening for a visit in the home of his mother, Mrs. J. L. Actkinson, and other relatives and friends.

**TO OKLAHOMA**  
Mrs. O. M. Self and daughter Mrs. R. V. Ivy, visited relatives and friends at Sentinel, Okla.

**WERE IN LUBBOCK**  
Mrs. W. L. Rice and children, Willie Mae, Douglas, Norman, Wanda and Cathy, and Annabelle Rathiff, of Sudan, and Dorothy Giles, spent Sunday at McKenzie State Park in Lubbock.

**TO NORMAN**  
Leander Sims, who has been here on a fourteen day leave following his Navy Boot training, will report to the Navy base at Norman, Okla. this week for six months of school. While here he visited his mother Mrs. S. A. Richards and other relatives and friends.

**VISITED IN MARLOW AND FORT WORTH**  
Mr. and Mrs. W. R. Bowers and children visited the past week-end in Marlow, Okla., with her mother, Mrs. Bertie Millsap, and in Ft. Worth with their daughter and son-in-law, Mr. and Mrs. Alvin Dalton.

**TO OKLAHOMA**  
Billie Jones left Tuesday of this week for Oklahoma City for a few days.

## THE JOURNAL'S FARM PAGE

### BLACKWATER VALLEY SOIL CONSERVATION DISTRICT NEWS

When a farmer decides to irrigate, the first and most important thing to consider is the source of water. For most people in this area, that means an irrigation well. Several factors will control the location of a well on any given farm. For food-type irrigation, the well should generally be located on the high point of the farm. On some of the more sandy soils where sprinkler irrigation is to be used, the well may need to be located near the center of the farm. Of course, it may be necessary to obtain a permit before the well is drilled.

The sprinkler method is generally used on the sandier soils, and water is applied at a rate less than the intake rate of the soil. The main disadvantage of this type of irrigation is the high initial cost and the high operating cost.

Flood-type irrigation might be broken into two methods—the level method and the graded method. Both of these methods have advantages and disadvantages. A level system is easy to operate properly but may be expensive to install. The graded system is harder to operate properly but may be cheaper to install. Soil Conservation technicians are

available in all local soil conservation districts to help any cooperators of these districts in the design and the planning of any type of irrigation system. These technicians have been well-trained for this work and are glad to be of service.

**WHAT OTHERS ARE DOING**  
F. J. Collins, Goodland; Eddie Ramm, S. L. Busbice, A. L. Panter of Westcamp; and George Heath, Stegall have recently completed installation of concrete pipe to be used with flood-type irrigation systems. The advantages of concrete pipe are well understood in our area, and these men will increase their irrigation efficiency by reducing water losses, erosion, and cutting labor cost.

Borders have been installed on the Erickson farm north of Muleshoe by Claude Sanders with the aid of the Muleshoe Soil Conservation Service technicians. Graded borders used by Claude, a cooperater, will give him better control of his water. Drilled or sown crops are best adapted to this type of borders.

Water spreading terraces have been completed on the O. W. Vanlandingham farm located northwest of Enochs. Wayne is utilizing outside water in a bypass spreader system. He should judging from past experiences on other farms, completely fill the soil profile on about 50 acres. This will insure a good crop for past experimental records show that on dryland one-half the crops yield depends on amount of moisture in soil at beginning of season. Technicians of the Muleshoe work unit of the soil Conservation Service furnished technical assistance to

Wayne, a cooperater with the Blackwater Valley Soil Conservation District.

The Board of Supervisors of the Blackwater Valley Soil Conservation District wish to thank all of those who had a part in the publication of the special edition of the Muleshoe Journal during Soil Conservation District Week (May 6-14). Such interest and enthusiasm exhibited on the part of all concerned was very gratifying. They are looking forward to an even bigger and better edition next year. Conservation of our soil and water is a good and growing movement in America and the Board believes that it will become bigger and better as a nation, as a state, and most important as a local democratic District.

## FFA Boys Receive Medals For Their Outstanding Work

Medals furnished by National FFA Foundation were awarded to outstanding boys of the Muleshoe FFA Chapter at high school assembly Friday, May 18.

Those receiving awards were: Buddy Black, Star Chapter Farmer, Farm Electrification, and Farm Mechanics; Bill Harmon, runner up for the star Chapter Farmer; Jack Dunham, Farm Safety; Larry Dunham, Soil and Water Management and Bill Harmon, Dairy Farmer.

Each boy received a medal for each award, and a brochure.

## Three-Way News

Mrs. Frank Griffith

\* Mr. and Mrs. Jimmie Wheeler, of Lovington, N. M. formerly of Maple, are the parents of a daughter, born May 16. They have one other child, a boy.

### GRADE SCHOOL GRADUATION EXERCISES WED MAY 16

The Grade School commencement exercises were Wednesday evening, May 16, at the school gym. Theme for decorations was candlelight.

The processional and recessional was presented by Miss Kay Cole. Invocation was given by Rev. A. R. Coleman. Charles Lattimer gave the salutatory address, which was followed by Bailey Griffith.

Joan Hodge and Peggy Fowler sang "Somewhere Over the Rainbow," and the class will be read by Ernest Tucker. The valedictory address was given by Carter Williams. The entire class then sang a selection.

Presentation of awards was by Clyde Lyons. Sam Green presented diplomas to twenty-three students. They were Elsie Amalia, Joan Burris, Sue Burris, Tom Byars, Freddie Carter, Jo Ann Clark, Joe Clark, Bonnie Duarte, Bobby Dupler, Roy Eppertly, Jane Garvin, Clara Gisham, Bailey Griffith, Ann Hightower, Jesse Hodge, Charles Lattimer, Charles

Lewis, Robert Sandlin, Patsy Sowder, James Tarlton, Ernest Tucker, Bobby Walker and Carter Williams.

### SHOWER HONORS JUANITA WALL

Miss Juanita Wall, bride-elect of Virgil Woolam, was honored with a miscellaneous shower Wednesday, May 16, from 2:00 until 5:00 o'clock in the home of Mrs. T. D. Davis.

Hostesses were Meses. Jimmie Cook, Tommy Lynch, Guy Miller, Dee Tucker, Bennie Hanson, D. V. Terrell, Bulah Tombs, T. D. Davis, Fred Carter, Bob Kindle, Iva Williams, E. M. Lowe, C. L. Taylor, H. C. Edwards, Earl Weges, Jack Baker, Gene Pierce, A. E. Robinson, Hugh Dupler and Frank Griffith.

About thirty five guests called and others sent gifts.

Refreshments were cake and punch. The serving table was laid with a lace cloth and centered with an arrangement of red roses.

### High School Commencement Was Last Thursday Evening

Commencement exercises for high school graduates were held last Thursday evening, May 17. Miss Sue Warren played the

processional and recessional. Invocation was given by Rev. Hughes and John Criner announced the speakers. Betty Arin gave the salutatory address. Joan Reeves and Joan Hodge sang "Now Is The Hour," after which the valedictory address was presented by Paula Griffith.

Judge Glenn Williams, guest speaker, spoke to the group on "Keeping The Palace." Mr. Criner presented awards to Betty Arin and Paula Griffith. Archie Simms, supt., presented diplomas to twenty-one graduating seniors.

Benediction was led by Rev. Bob Rowe.

### BRENDA GRIFFITH IS SHOWER HONOREE

A miscellaneous bridal shower was held recently honoring Miss Brenda Griffith, bride-elect of Mrs. Baker Johnson. Co-hostesses were Meses. Leon Reeves, Cecil Cole, Jack Lowe, Ted Furgeson, Horace Hutton, John Shackelford, Tom Franklin, Lewis Jordan, Truitt Smith, Carl Pollard and Zimry Boozer.

Junior hostesses were Meses Kay Cole, Virginia Pollard, Lynda Lowe, Donita Jordan, Drilma Boozer, Betty Sue Hutton, Joan Reeves, Sue Warren and Jaqueta Holcomb.

The receiving rooms were decorated with arrangements of roses and streamers of orchid ribbon on which was written Brenda and Jimmie, June 2.

Covered with a lace cloth, the serving table was centered with

an arrangement of roses, flanked by crystal candle holders bearing pink and yellow tapers. Orchid streamers running from the centerpiece spelled out "Brenda and Jimmie."

Virginia Pollard presided at the crystal punch service, and Nan Johnson served the cake which was laid in pastel colors.

Miss Linda Lowe registered guests in the brides book. The guest of honour, her mother, and the mother of the prospective bridegroom were presented with corsages of rose buds.

Each hostess wore a corsage of some kitchen gadget and presented it to the honoree following the shower.

Some forty guests attended and many who were unable to attend, sent gifts.

### Maid Of Cotton Entries From Three Way Community

Entries in the Maid of Cotton contest from Three Way were: Miss Sue Warren, sponsored by the F. H. A.; Kay Cole sponsored by the P. T. A.; Elizabeth Dupler by the Home Demonstration Club; and Peggy Fowler, by the Farm Bureau.

Carolyn Parker was a candidate for the Princess contest, and Madlyn Galt and Sharon Hutton were in the Countess contest.

Terry Hutton was in the contest for Count of Cotton; Sharon Hutton and Terry Hutton were chosen Count and Countess.

Miss Nan Johnson, Donita Jordan, and Kay Cole entered the sewing contest.

### ALAMOGORDO ON BOOM A. F. ROBERTSON REPORTS

Alamogordo, N. M. is something of a hot spot according to word brought back to Muleshoe by A. F. Robertson, who has just completed construction of two 3-bedroom rent houses there.

He showed The Journal staff an article printed in The Alamogordo Daily News May 13 announcing the beginning of a project to build 1200 residence and a shopping center in the town. The project was to cost \$12 to \$15 million. The town's main attraction is the White Sands National Monument, which the week before attracted 4,000 visitors, the paper said.

FROM LUBBOCK  
Mrs. R. L. Brooks, of Lubbock, formerly of Muleshoe, was here Saturday afternoon to attend the bridal shower of Miss Nell DeShazo. She is visiting here this week with Mrs. George Johnson and others.

Presentation of awards was by H. A. Reynolds, Supt. of schools. Receiving perfect attendance awards were: Linda Phillips, Mike Risinger, Jackie Risinger, Bruce Angel, Sandra Scagner, Phyllis Fred, James Clevenger, and Minnie Mansel.

High school students receiving perfect attendance awards were Joy Dane, Sammy Reynolds,

COTTON FRESH — Sport shirt of cool cotton fibers, by Arrow, has varied horizontal stripes, features short-point collar. It's worn with Arrow's white duck shorts.

## Highlights From Bula

By Mrs. John Blackman

\* Mrs. Clifton Baker, the former Millie Pierce, daughter of Mr. and Mrs. Phillip Pierce, was the recipient of many lovely gifts at a miscellaneous shower given in the home of Mrs. Verge Hasty.

Mrs. Clyde Hogue had charge of the various games. The winner of each prize presented the prize to the bride.

Mrs. Baker is a member of the Sudan graduation class of 1955-56. Mr. Baker is a member of the Armed Forces and is stationed in Louisiana. He is here on a two week furlough. Mrs. Baker will accompany him back.

Refreshments were assorted cold drinks, mints and cake squares decorated with pink rose buds.

The hostess gift was a rose colored bed spread and towels. Those present were Meses. E. Crume, Ruby Reid, Hubert Berryhill, Fred Locker, R. A. Seifers, T. L. Harper, John Richardson, Sr., Ben Pierce, Leonard Clevenger, and Judy, Marcelle Clevenger, Phillip Pierce, John Latham and Faye Jean Jackson, sister of the bride, of Lubbock.

Hostesses were Meses. Clyde Hogue, Robert Claunch, Royce Teaff, John Latham, DeWitt Tiller, and Virgil Hasty.

### GRADUATION EXERCISES

Commencement exercises were held in the school auditorium last week for both grade and high school graduates. Thursday evening, the fourteen members of Bula grade school eighth grade graduating class received their diplomas. Processional was rendered by Mrs. John Gunter, and Rev. A. D. Moore gave the invocation. Salutatory address was given by Carol Cooke, and Opal Bogard gave the class history.

Class will was given by Linda Holt, followed by the valedictory address by Dean Harris. Songs by the entire class followed.

Mr. Morrison, sponsor of the class, presented diplomas, and M. J. McDaniels gave the benediction.

Presentation of awards was by H. A. Reynolds, Supt. of schools. Receiving perfect attendance awards were: Linda Phillips, Mike Risinger, Jackie Risinger, Bruce Angel, Sandra Scagner, Phyllis Fred, James Clevenger, and Minnie Mansel.

High school students receiving perfect attendance awards were Joy Dane, Sammy Reynolds,

Lanell Claunch, Beth Sweeney, Jean Dane and Marie Sweeney.

**SUAREZ RECEIVES MEDAL**  
The Charles Palmer Davis bronze medal was presented to Mike Suarez, Thursday evening at the graduation exercises.

Mike, an all-around student, was selected on his scholastic grades, excellence in field and current events, and personal qualities of leadership.

The medal is presented in honor of the founder of current events as a citizenship award.

### HIGH SCHOOL GRADUATION EXERCISES FRIDAY NITE

High school graduation exercises were held Friday evening, May 18. Mrs. John Gunther presented the procession.

Class members gave the entire program as there was no guest speaker.

Carl Halford gave the invocation which was followed by the class song "Till We Meet Again." Salutatory address was given by Barbara Bogard and class history by Gerald Nell.

Richard Blandton gave the class prophecy, which was followed by the valedictory address by Ramona Motes. Benediction was by Curtis Green.

President of the school board, John Hubbard, presented diplomas to the graduates, and Supt. Reynolds presented the awards.

Students receiving diplomas were: Zilma Harris, Ramona Motes, Carolyn Young, Gracie Altman, Joy Dane, Juanita Pearson, Carl Halford, Robert George, Curtis Green, Gerald Neel, Don Blanton, Beth Sweeney and Barbara Bogard.

The seniors and sponsors left immediately after the exercises on their trip to New Orleans, La. Sponsors are Mr. and Mrs. Morrison.

Mr. and Mrs. A. N. Motes and daughters Carolyn and Rachel, of Morse, attended the graduation exercises Friday, and visited in the A. D. Moore home.

\* Visiting this week in the C. J. Brattian home were his parents, Mr. and Mrs. C. C. Brattians, of Seattle, Wash.

\* Mr. and Mrs. Rhodes, of Bentonville, Ark., visited Friday in the L. H. Madlin home.

\* James Reynolds, of Seagraves, visited Friday in the home of his parents, Mr. and Mrs. H. A. Reynolds.

**FROM CROSBYTON**  
Mr. and Mrs. O. C. Fowler of Crosbyton visited the past weekend here in the homes of Mr. and Mrs. T. L. Haney and Mr. and Mrs. Harvey Bass.

**SISTER VISITED FROM EL PASO**  
Mrs. Helena Lane and daughters of El Paso, visited last week here in the home of her sister and brother-in-law, Mr. and Mrs. Royce Garth.

**SUNDAY GUESTS**  
Sunday guests in the home of Mr. and Mrs. D. O. Burelsmith and daughters was her sister and brother-in-law, Mr. and Mrs. H. U. Jackson of Lubbock.

**SONS VISITED**  
Mrs. Vera Colson had as guests in her home over the weekend her sons, Clark, of Carlsbad, N. M. and Ek and family, of Artesia.

**ICE CREAM SUPPER**  
After services at the Church of Christ Wednesday evening, the group drove to the home of Mr. and Mrs. John Blackman and enjoyed a cake and ice-cream supper. The affair was given in honor of Mr. and Mrs. Hollis Paine of Portales, N. M. and Mr. and Mrs. Leatherman, of Trulock, Calif. Forty-six attended.

\* Bula citizens are very happy over the new telephone system they are now enjoying.

\* Mr. and Mrs. C. K. Holt, Sr., of Lubbock, and Jimmy Johnson, of Littlefield, attended the eight grade graduation exercises Thursday evening, and visited the C. K. Holts, Jr. family.

\* Mr. and Mrs. Jack Hicks and daughter June are here this week, from Rochester.

\* Mrs. Cecil Jones, accompanied by Mrs. Dutch Cash and daughter Ruby of Enochs, to Ft. Worth, Wednesday of last week and returned the first of this week.

**CLASS PARTY**  
Miss Kay Spence, daughter of Mr. and Mrs. Ray Spence, entertained the seventh grade class with a party in her home one day last week.

Winners were roasted over an open fire. Other refreshments were cookies, punch and marshmallows.

Games were played until 10:00 o'clock.

Those attending were: Betty Holt, Linda Salyers, Bonnie Stroud, David Williams, Lee Pearson, Tonye Piaz, Kathy Phillips, Darwin McGee, Sandra Donna, and Kay Spence, and the class sponsor, Mr. McDaniels.

### SISTER VISITED FROM EL PASO

Mrs. Helena Lane and daughters of El Paso, visited last week here in the home of her sister and brother-in-law, Mr. and Mrs. Royce Garth.

### SUNDAY GUESTS

Sunday guests in the home of Mr. and Mrs. D. O. Burelsmith and daughters was her sister and brother-in-law, Mr. and Mrs. H. U. Jackson of Lubbock.

### SONS VISITED

Mrs. Vera Colson had as guests in her home over the weekend her sons, Clark, of Carlsbad, N. M. and Ek and family, of Artesia.

The Muleshoe Journal

Be sure of a stand of small grain... KILL ALL SPECIES OF WIREWORM WITH A SINGLE **dieldrin** seed treatment

NEWLY SEEDING FIELDS make good feeding grounds for true and false wireworms and other soil insects. If there is not enough moisture in the soil to permit quick sprouting, seeds are vulnerable to insect attack for several days. But the threat of wireworm damage should be recognized at all times.

A dieldrin preventive seed treatment is a sure way to protect small grain seeds until they sprout.

### LOW-COST PROTECTION

It costs just pennies per acre to treat seed with dieldrin, but dollars per acre to feed the wireworms untreated seed! A dieldrin seed treatment prevents "spotty" stands... eliminates the expense of time and money for re-planting or sowing extra seed for the wireworms to feed on... assures you of a longer

grazing period. And dieldrin does not harm plant development.

### COMPATIBLE WITH FUNGICIDES

Dieldrin is compatible with fungicides... can be applied at the same time to save the expense and work of a double treatment. You can buy dieldrin-treated seed from your seed dealer, or treat the seed yourself. Dieldrin can be applied as a slurry, dry, or in a grain drill. A convenient method is to apply dieldrin to the seed in the grain drill as you plant. Follow directions on the label for the particular formulation you buy.

### LESS WORK AT PLANTING TIME

Seed can be treated now and stored until planting time. Dieldrin eliminates the rush of treating seed and planting within a few days. Dieldrin formulations are available throughout the small grain growing areas. See your local supplier.

## BABSON DISCUSSES . . . JUNE GRADUATES

Babson Park, Mass., May 24 — The practice now followed by the Personnel Departments of large corporations to secure the best graduates from high schools and colleges is absolutely wrong. They interview those graduates whose marks place them among the highest 10% or 20% of their class. This custom may disrupt the entire class and spoil some of the graduates. When a graduate, or any one else, gets the idea he is "indispensable," it is a dangerous situation.

The marks which one receives in high school or college are largely due to memory. These marks are no index of industry, loyalty, or even common sense. Educators preparing examinations try to devise questions which determine "judgement", but the students learn the questions and answers in advance. This even results in judgement tests being determined largely by memory. Memory is very important; but it does not take the place of judgement, loyalty, integrity, or the fundamentals which make and break corporations.

**564,000 QUESTIONS**  
Educators are greatly disturbed over the fabulous question tests which the radio and television chains are operating. To have a horse jockey become the leader for data on art; or to have a cobbler secure such a reputation for his knowledge of opera; or to hear of others of these "miracles" is very disturbing.

Yes, they get far better results from these jockeys and cobblers than from professors or experts on the subject. I forecast that these results will completely revolutionize educational methods, standards, and tests. Either the nation is missing the intellectual capacity of thousands of unknown and humble people, or else the professors and experts are standing on very thin ice.

### WHAT ABOUT THE QUIZ KIDS?

Educational leaders are giving the "Quiz Kids" much thought and worry. The 10-year-old boy who answered questions on the stock market naturally interested me greatly, since I have given my entire life to stock market problems. The answers given by this kid could not be matched by

any member of the New York Stock Exchange. But how much will it amount to? My organization will spend considerable time and money watching this 10-year old boy.

All I can say now is that I once employed the man who had been the youngest to graduate from Harvard College, up to that time. He could perform wonderful street car transfers. I have in him would be a great aid for Babson's Reports. We, however, could not keep him at work on the things for which he was best fitted. He had a hobby for collecting street car transfers. I have in my library a book which he wrote on the subject. Finally, he refused to do anything but run a lawn mower. Yet he received very high marks in college.

### NEWSBOYS ARE WORTHY OF ATTENTION

If I were an employment manager, I would make a study of newsboys. A successful newsboy must have a fair memory. He must have courage, initiative, honesty, and industry. I have a friend, Harry B. Taplin of Wellesley, Mass., who is making a study of newsboys. Certain qualities must be possessed by all boys (and girls) who deliver newspapers to homes. I especially, however, have in mind those boys who hold the busy locations on downtown street corners of our big cities. I have never made a study of those boys, but my hunch is that they often become very successful in business, if given an opportunity. I wish every newspaper in which this column is published would make a study of its newsboys.

It is useless to discuss the great problem of education in a column such as this. I, however, wish to leave with readers two thoughts: (1) That there is something fundamentally wrong with our present educational system of marking and promoting. These radio and television exhibits should make many college professors and trustees shamed. (2) If you have a boy or girl of good character and habits who graduates in the lowest 20% of his or her class, don't be discouraged. The chances of such graduates may be just as good as if graduating at the head of their school or college classes.

## Back to Work!

### Today's Meditation

Read John 14:1-7.

I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself: that where I am, there ye may be also. (John 14:2,3.)

On a copy of an old map is marked a trail that ran through the states of Ohio and Kentucky. It tells just where to cross the river, and how to find one's way through the wilderness. The man who made the map, chopped blazes on the trees as he went along. He wrote on the edge of the map: "If ye follow my marks, ye will not come into any great danger, for I have marked a safe trail."

In the Holy Bible we have such a map. It is not for guidance in certain areas of our lives only, but for the whole of our lives. We have the record there of many who took a wrong turn, refusing to follow the trail.

But we have also the record of a multitude who did follow the marks. Enoch walked with God all his life. And at last, one day God and he walked farther than ever before. So far we can imagine that God said: "It's too far to go back

this time, Enoch. Come home to my house."

### PRAYER

Father, we thank Thee for the marked way of life. We would follow in the way Thou hast prepared. Grant us Thy spirit and power that we may be enabled to follow, through Christ. Amen.

### THOUGHT FOR THE DAY

The markings on the trail are useless to me unless I follow them.

Fred W. Hartwell,  
House Painter (N. Y.)

### TO EAST COAST

Mr. and Mrs. C. C. Matthews of the Lazbuddie community left this week for an extended tour which will take them through Arkansas, Tennessee, and Raleigh, N. C. From Raleigh, they plan to go on to the East Coast.

They went by way of Lubbock, where they picked up their daughter, Evelyn Matthews, and Mrs. Matthews' sister, Mrs. A. C. Melligan.

### WERE IN CLOVIS

Mrs. Zilpha Zimmer and Mildred Davis were in Clovis on business Saturday afternoon.

The aim, by and large, is to make certain that you get the essential facts so that your purchase of stocks or bonds is an investment rather than a blind gamble. To do that, the Commission requires that those offering stocks and bonds for sale make a full disclosure of all essential facts. Other functions are to advise Congress on legislation affecting the stock and bond markets, regulation of market operations in accordance with the law, and investigation when any company or broker is suspected of violating the law.

"We don't recommend, or guarantee, any stock or bonds," Armstrong emphasizes. "Buying and selling still is a matter of individual judgment. What we aim to do is to create public confidence that the markets are operated honestly, and to prevent manipulation by anyone who seeks to defraud the public."

"The abuses that led to the 1929 market crash have been eliminated. Anyone who attempted now to rig the market could go to jail," Armstrong told us. "In 1929 stocks listed on the New York Exchange had market value of \$60 billion. By 1932 that value had shrunk to \$16 billion."

Loss of confidence by investors in the market, more than any other single factor, contributed to the 1929 crash and the depression that followed. Capital to operate industry dried up. The SEC played an important part in restoring confidence of investors and in the rise in national production and prosperity.

The total value of listed stocks recently reached \$225 billion. That increases to over \$250 billion when bonds, exclusive of government, are included.

"The Commission," Armstrong summed up, "can protect the investor against almost everything except his own bad judgment."

## THIS WEEK

-In Washington

With Clinton Davidson

There are some 4,000 agencies, departments and commissions in Washington, all of them having direct or indirect effect on the business operations and daily living of everyone in the United States.

Most of them seldom, if ever, get into the daily flow of Washington news. It is interesting to go behind the scenes to see how some of them operate, what they do and why they are necessary, if they are.

This week we would like to take you with us on a visit to the Securities and Exchange Commission. You could call the Commission the Wall Street policeman, I suppose. That's the general idea.

The Chief of Police, in this case, would be mild-mannered and personable J. Sinclair Armstrong, whose title is Chairman of the SEC. His commission commands a staff of 715 whose job it is to keep tabs on what Wall Street and other stock exchanges do about selling stocks and bonds.

The Commission was created by Congress in 1934, out of the backwash of debris cast up by the 1929 stock market crash. It has one main purpose, to protect the public against fraud in the sale of stocks and bonds.

## Sand Hills Philosopher Wants Congress To Find Somebody Else To Worry About Besides Farmers

Editor's note: The Sandhill Philosopher on his Johnson grass farm is worried about the amount of worry being done about him, if we understand his letter correctly this week.

I was talking with a bunch of my neighbors yesterday afternoon and we have decided the time has come for the politicians to find somebody else to worry about besides us farmers.

It's not that we mind all the concern the politicians are expressing about us, I guess it's better to be worried over just ahead of an election once every four years rather than to be ignored altogether, but being the only fly in the whole national appointment is beginning to get tiresome.

Consequently, I have been racking my brain to dig up some other group the country can worry about part of the time. Say confine worry over us farmers to the morning and devote afternoons to somebody else.

For example, I believe there is a surplus of filling stations in this country, although I haven't counted em. At least I notice there are a lot of filling station men who are driving last year's cars and it's been so long since I've seen a line of cars waiting to get into a station I'm convinced Congress could find something to worry about in this connection if it'd try hard enough.

Or take blacksmiths. The family size blacksmith shop is disappearing from this nation, machine shops are edging them out, but do you hear a single holler from Washington? Not a President in the last four decades has been given an opportunity to Veto a blacksmith bill.

Understand, I'm not suggesting that Congress stop worrying about us farmers and I don't think Congress will as long as the office remains elective, but you

Yours faithfully,  
J. A.  
TO SPEARMAN  
Eldon Colson left recently for Spearman, where he is to be employed.

## Planting Time

### AN EDITORIAL

## Position Makes No Difference

"One of the problems confronting the advertising department of any newspaper is the request from advertisers for particular page positions. The Daily News meets this problem fairly and squarely by refusing to sell position to any advertiser. The buyer of advertising seems to appreciate this policy because he realizes his competitor is also governed by the same rule.

"A recent study by the Bureau of Advertising gives weight to what our advertising department has been doing. It recalls that every town has a merchant who thinks the sports page is the only page people read. Next door to him the merchant prefers the back page because that is "where people look first." The retailer across the street demands society because that's all women read. A druggist wants his ad across from the comic and a hardware man thinks editorial pages are read most. That's the way it goes. Everyone has his own idea of where people read most and first.

"The fact is, they're all wrong and they're all right. The Bureau of Advertising's study of reading habits in hundreds of towns found that all pages of the newspaper are read. In fact, left hand pages get one per cent more readers than right hand pages.

"Truth of the matter is that the page and the position of an ad on the page make not one whit of difference in capturing readers. It is what the advertisement says, how it says it, and how it is presented that gets readers."

Anadarko, Oklahoma, Daily News

## Boy Scout Camp To Begin May 27 At Site Near Menard

The summer camping season for Boy Scouts in the South Plains Council opens May 27 with the George White District, which is comprised of all the Scouts in Bailey, Lamb, Cochran, and Hockley counties, beginning their camp at Camp Sol Mayer, at Menard, Texas for the week, May 27-June 2.

Robin Sullender, district chairman of the George White camping and activities committee will serve as camp director. Ralph Parish, district executive, will serve as program director of the camp. David Stanley of Levelland, district advancement chairman is going to serve as handcraft instructor at camp. The Reverend Bill Pearce of the Wesley Methodist Church in Levelland will serve as the camp Chaplain Wayne Nesmith, Eagle Scout, Troop 24 of Levelland will serve on the waterfront. Raymond Lupter, council assistant executive will serve as the commissary director. Troops will ar-

### CHRISTIAN SCIENCE SERVICES

The vital importance of understanding the true nature of God and man will be emphasized at Christian Science services Sunday in the Lesson-Sermon "Soul and Body."

The Scriptural readings will include Paul's statement to the Philippians (3:13,14): "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (203:13): "Scriptural perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth."

noon, May 27 and the camp will break the following breakfast on Saturday, June 2. Program highlights will be canoeing, boating, swimming, lifesaving, fishing, archery, rifle range, nature lore, etc. All meals will be served in the lovely dining hall at Camp Sol Mayer.

The George White District has annually for the last three years staged a district-wide camp. In the summer of 1954, the district camped at Camp Long out of Las Vegas, New Mexico. In 1955, they camped at Sol Mayer and are returning again this year to Camp Sol Mayer.

District chairman, C. A. Duval, is urging every Troop in the District to get their reservations in for this camp.

**NUNS VISIT SCENE OF CATASTROPHE** — Mother St. Paul, Superior of the Order of the Grey Nuns of the Cross, whose rest home at Orleans, Ontario, in Canada, became an inferno when a twin-engine jet plane crashed into it, visits the scene with her staff. Nineteen persons have been reported dead in the explosion and the ensuing fire at the structure. The rest home had been located in a quite and secluded area near Orleans. It was totally destroyed.

### Pleasant Valley News

The Pleasant Valley Farm Bureau met Tuesday night at the community center with Gerald Allison in charge of the short business meeting.

Billy Free was appointed to be secretary until the secretary is able to return to his duties.

Visitors present for the meeting were the Sprinklake Farm Bureau, J. H. Angeley of the Earth Farm Bureau and Mickey Stevent the secretary of the Farm Bureau of Littlefield.

Refreshments of coffee and Cokes were served to visitors and members attending.

Mr. and Mrs. Billy Free and children were last Tuesday evening callers in the home of Mr. and Mrs. Leroy Hicks.

Mr. and Mrs. Roy Taylor were in Brownfield on business last week.

George Wuerlein who had lung surgery last Monday in the Baylor Hospital in Dallas is recovering nicely from last reports.

Mr. and Mrs. Fern Barnett, Mrs. Dick Rockey, and Mr. and Mrs. Pete Braxton all from the Black community were visitors in the Pleasant Valley community last Tuesday.

Bill Kimbrough and Bob Haney from Littlefield were visiting in the community last Friday.

Mr. and Mrs. W. E. Angeley of Morton were visiting in the P. V. area last week.

Mrs. Gerald Allison left Saturday with the Muleshoe seniors on their senior trip. Mrs. Allison is one of the sponsors.

Mrs. Bonnie Haberer, Mrs. Leroy Hicks, F. L. Shelby, and Mr. and Mrs. Harry Engelking were touring the Black community last Wednesday.

Freddy and Jack, two small sons of Mr. and Mrs. Harold Allison were on the sick list last week.

The Pleasant Valley Home Demonstration Club met recently in the home of Mrs. Allan Haley to work on flower planters.

Mmes. J. J. Renfro and P. L. Helms of the Oklahoma Avenue Club of Littlefield gave a demonstration on making plastic flowers and foliage.

Visitors present were Mrs. Bobby Landers of Lubbock and Mrs. Renfro and Mrs. Melms of Littlefield.

Refreshments of lemonade and cookies were served to those present.

Mr. and Mrs. Thurio Branscum visited last weekend with his

ARRESTED BY F. B. I. IN SECRET PAPER THEFT — F. B. I. agents have arrested uniform emblem makers Sidney Stern (L) and Seymour Hindman (R) in the New York City area in connection with the theft of secret government documents from the Brooklyn Army Terminal. Stern and Hindman were arrested at their places of business in East Orange, N. J. The F. B. I. said the documents had been recovered, but declined to give any details.

### Lazbuddie News

Mrs. Bert Gordon — Phone Y. O. 5 3376

The Lazbuddie Home Demonstration Club will meet on Wednesday June 6, in the home of Mrs. Andrew Brown. The program will be on preparing meals from the freezer. Visitors are welcome to attend these meetings.

Mrs. R. J. Stienbock has been in Ann Arbor, Mich. where she has been receiving treatment from a specialist. Her condition has improved and she is expected home the last of the week.

Mrs. J. L. McClain of Shawnee Okla. is visiting in the home of Mr. and Mrs. Claud Heath. Mrs. Heath is the daughter of Mrs. McClain.

Rev. and Mrs. C. K. Roberts were in Lubbock on Monday.

Mr. and Mrs. John Littlefield and Carroll visited in Pettit Sunday with her sister.

brother and family Mr. and Mrs. Dexter Branscum in Wichita Falls, Texas.

Sherri Turner was ill last week with measles.

Mr. and Mrs. Billy Free and children were last Saturday dinner guests in the home of his mother Mrs. Mildred Free of Earth.

Mr. and Mrs. Sam Brownlee are fishing at Lake Texoma this week. They expect to visit relatives in Clarksville before returning home.

Girls placing in the cotton contest at Muleshoe last Friday and Saturday were: Sharon Thorn, Janice Oliver, Juanita Scott, Donna Redwine and Maudine Barnes.

Mrs. John N. Crim is visiting in Amarillo with Mrs. Max Crim.

The Lazbuddie W. M. U. met at the church Monday for the Royal Service program with Mrs. Claud Heath in charge. The program opened with the group singing "Onward Christian Soldiers." Mrs. Roger Buckmaster brought the special music accompanied by Mrs. Ophelia Williams. Those present for the very interesting program were: Mmes. Claud Heath, Jimmy Ivy, Buster Jones, Weldon Slayton, Roger Buckmaster, Ophelia Williams, Wesley Barnes, Juel Treider, W. S. Menefee, F. W. Greene, Harold DeLoach, and Bert Gordon.

Mr. and Mrs. Ronnie Smith of Earth spent Sunday with her parents, Mr. and Mrs. Jimmy Ivy.

### Trinity Baptist Bible School Starts May 28

Vacation Bible school begins at Trinity Baptist Church Monday, May 28, at 1:30 p. m.

Classes will be held daily from 1:30-4 p. m., for two weeks, with Mrs. Glenn Phipps as principal of the school.

Children from three to 16 years of age are welcome to attend the Vacation Bible school.

### Rev. Luna Talks For Rotary Club

Rev. R. V. Luna, pastor of Assembly of God Church here, was guest speaker at the meeting Tuesday of the Rotary Club. He was introduced by Earl Harris, program chairman.

Rev. Luna brought a short message in which he brought out some reflections on the influence that each person can and does have on other humans around him.

The club voted to adopt a fine system, whereby any member who becomes a father or grandfather, gets his name or picture in an out of town newspaper, gets his name on radio or appears on TV is subject to a \$1 fine. It's all in fun but will help raise money for the club treasury.

The board of directors announced they had voted \$100 to help support the Babe Ruth League here this season.

#### VIEWED AZALEA FIELDS

Back from a trip to his old haunts in Missouri and Arkansas are Mr. and Mrs. A. F. Robertson. They visited his relatives around Ada, Mo., and went through the beautiful azalea fields of Southern Missouri. The beauty of the countryside is complemented by the very pleasant aroma of the red flowers which are everywhere. The Robertson also got in a trip to Bull Shoals, in Arkansas.

### CHURCH OF TODAY

READY-MADE HOUSE OF WORSHIP is this prefabricated church manufactured by United States Steel Homes, Inc., the housing subsidiary of U. S. Steel corporation, at its ultra-modern plant in New Albany, Ind. Many of the churches already have been erected in various localities of the nation. Due to mass production techniques, the churches are erected speedily and economically without loss of strength or quality. All are expandable and, due to panelization, floor plans may be varied. The church pictured above was designed by William M. Cooley of Chicago, A. I. A.

### CALDWELLS VISIT RELATIVES & FRIENDS

Mr. and Mrs. S. C. Caldwell visited last Sunday at Denver City with Mr. and Mrs. Onard Upton, former Muleshoe residents and attended church services there, after which they traveled to Andrews, where they visited his sister and brother-in-law, Mr. and Mrs. Pat Patterson. The next day they visited at Roby with a friend, Vera Wilson, who is in the hospital with a broken neck suffered in an auto accident. Leaving Roby, they went to Abilene to visit another sister of Mr. Caldwell's, Mrs. Will Crisswell and family. While on the trip they visited in Clyde with some former Muleshoe residents, Mr. and Mrs. Leslie Hays; at Peacock with another sister of Mr. Caldwell's, Mrs. Wilburn North; at Slaton with her mother, Mrs. John Furr, and at Lubbock with John Norecombe.

### CARD OF THANKS

I wish to thank everyone for the flowers and get-well cards which were sent to me during my recent stay in the hospital. I also wish to thank the doctors and nurses for their kindness.

Mrs. R. L. Hughes

### Vacation Bible School Begins At Church of Christ

Vacation Bible school will begin at the Muleshoe Church of Christ May 28 at 9 a. m., and will continue daily for one week.

W. R. Tittle, minister of the church announced today. Classes will be held for all ages from nursery class through adult groups. Classes will be from 9-11 a. m. Tittle will serve as general superintendent of the school which will offer classes in handicraft, story telling, and related subjects from the Bible.

### REASONS FOR PLANTING SESAME

1. More profitable than Milo.
2. Have good harvesting plan. All Sesame is sold by the Texas Sesame Growers Association, assuring proper price at time sold.
3. Sesame is one commodity that we do not have surplus of in U. S.
4. The average price in 1955 was \$10.04 per 100, with prospects in 1956 for same price.
5. Sesame is one commodity that does not affect any crop allotments on your present crop.
6. Sesame is next to cotton in net income per acre planted.
7. When your Sesame is ready to harvest, we will be in position to receive it and take care of it in the same manner we did in the fall of 1955.

We Have Seed Here For You When You Want To Plant
