Number 3

## Methodist Revival Is Now In Progress

### GOOD SERMONS HEARD BY MANY

Angelist C. B. Meador and Singer  
Ross G. Smith In Charge Of  
Meeting

In spite of the busy fall season that  
just opening and in spite of the  
fact that the children are in school,  
good crowds have been attending the  
revival services being conducted at  
the Methodist Church by Rev. C. B.  
Meador, evangelist, and Mr. Ross G.  
Smith, singer.

The services began Sunday morn-  
g, when the evangelist preached a  
great sermon on prayer. On Sunday  
night and again on Monday night he  
also preached on prayer. These were  
very thoughtful and heart-searching  
messages that were greatly appre-  
ciated by the congregation present. On  
Tuesday night the message was con-  
cerning the Devil as a Pay-master  
and on Wednesday night, "Some Sins  
that the Bible Doesn't Mention"

Prayer meetings are being con-  
ducted each evening by the men and  
the women just before the regular  
preaching services, while the Boos-  
ters have meetings each day at 4  
and at 7 P. M., conducted by Mr.  
Smith. Both the regular choir and  
the Junior choir are rendering some  
stirring music under Mr. Smith's di-  
rection, and the solos by Mr. Smith  
are much appreciated.

The evangelist does not attempt  
anything sensational in order to at-  
tract attention or draw crowds. He  
uses no theatrical methods in the  
pulpit. But his sermons are rich in  
thought and spiritual uplift and the  
Christians attending get a spiritual  
treat at every service. Those who  
have little or no interest in matters  
religious and are not moved by the  
ordinary sermon are deeply impres-  
sioned by the strong, thoughtful mes-  
sages which the evangelist is bringing.  
More of that type should attend  
these services. Some of the very  
best services, it is said, are being  
held at the morning hour. The busi-  
ness men have not been asked to  
close their places of business for  
these services, but every business  
man who can possibly do so should  
attend them.

Friday night has been designated  
as High School Night, and both  
pupils and teachers are given a  
special invitation to attend this  
service.

The meeting will continue  
throughout next week.

### WORK ON WELL GOES FORWARD

Working Day And Night On Hart  
No. 1; Completing Derrick For  
Well 16 Miles West

Nobody knows how deep the  
drillers have gone in the test oil  
well four miles west of Tahoka  
Drillers are working day and night,  
however, and much progress has un-  
doubtedly been made within the last  
three weeks. The drillers have been  
hampered at times by caveins, but  
those in position to know say that in  
spite of this handicap the drill has  
been sent on down rapidly. If the  
present progress is maintained, it  
will not be many weeks, in all prob-  
ability, until it is known whether or  
not there is oil at any depth less  
than 3500 feet at this point.

The News is also informed that  
the derrick is just about completed  
for the wildcat well to be drilled on  
the Brownfield Ranch sixteen miles  
west of Tahoka just over in Terry  
county. As soon as the derrick is  
completed preparations will be made  
to spud in this well.

### New Parking Rules To CITIZENS OBJECT

Be Put Into Force

At a meeting of the City Council  
Tuesday night an ordinance was  
passed changing the parking regula-  
tions of the city. Heretofore the  
ordinances have required that cars be  
parked in the middle of the street on  
some of the business streets. This  
ordinance was amended so as to re-  
quire cars to be parked at the curb  
on all streets at an angle of 45 de-  
grees, and prohibiting the parking  
of cars in the middle of the street.

This will provide more parking  
space but will leave less space in  
the street for traffic. Hereafter  
cars will be compelled to back out  
as heretofore. It is believed by the  
council that this will be a more satis-  
factory arrangement, especially after  
people become accustomed to the  
new order.

### To Present Petition

The News is advised that some op-  
position to the change in the park-  
ing regulations made by the city  
council Tuesday night has developed  
and a petition is being circulated ask-  
ing that the City Council rescind its  
action. Those opposing the change  
argue that cars parked along the  
curb instead of the middle of the  
street must back out and that there  
is more danger of collisions with  
other cars passing along the street.  
They also claim that cars parked  
along the curb will greatly interfere  
with the delivery of freight to the  
business houses and will otherwise  
interfere with business. We are expres-  
sing no opinion in the matter. We  
are merely setting down the objec-  
tions raised by the objectors.

### PIONEER LADY DIED FRIDAY

Mrs. H. T. Gooch Dies In Lubbock  
Friday; Is Buried In  
Local Cemetery

Mrs. H. T. Gooch died of cancer  
at the family home in Lubbock Fri-  
day morning. Funeral services were  
conducted Saturday afternoon in the  
First Methodist Church of Lubbock,  
Rev. E. E. White, the pastor officiat-  
ing. The remains were brought to  
Tahoka and interment followed in  
the City Cemetery here.

Besides her husband, Mrs. Gooch  
left surviving her one son and two  
daughters, Paul Gooch of O'Donnell  
and Misses Marie and Fay Gooch of  
Lubbock.

Mrs. Gooch and her husband, H. T.  
Gooch, came to Lynn county about  
twenty-five years ago, removing  
from this county to Lubbock about  
two years ago. Their home was in  
the southern part of this county, near  
O'Donnell. They were well known  
throughout the county, especially  
among the pioneers and early settlers.

Mrs. Gooch had numerous friends  
and they were here from many parts  
of the county Saturday afternoon to  
attend the funeral and to pay their  
respects to the good woman whom  
they had loved and esteemed through  
many years.

Miss Mildred Holloway of Red-  
wine is one of the many young  
people who has come to town to at-  
tend the High School. She is stay-  
ing at H. W. Calaway's home.

J. W. Small, a prominent agricul-  
turalist of Lamesa, formerly a busi-  
ness man of this city, was here on  
business Tuesday.

### Announcement Extraordinary!

Mr. and Mrs. H. C. Crie, formerly owners and editors of the  
Lynn County News, will next week begin a series of articles in  
this paper dealing with the early days and history of Lynn coun-  
ty. Many interesting incidents in the development of this sec-  
tion will be featured in the articles, Mr. Crie says, such as the  
strife between the nestors and the cattle men, the great  
prairie fire, the organization of the county, early day railroading  
on the Plains, etc.

Lynn county people who know the Cries know that these articles  
will be interesting from beginning to end. They are capable and in-  
teresting writers. They came west and grew up with the country  
and are acquainted with the fact of Lynn county development  
from first hand knowledge.

The articles come as a result of a desire of the people to know  
the story of early Lynn county days, as a desire of The News to  
give the news of the early days, as a desire of The  
as urgent request from the Panhandle-Plains Historical Society  
that these facts be put down in writing for the benefit of present  
and future generations.

Look for the first article next week. Read these articles from  
the very first.

### FOUR INJURED IN CAR WRECK

Zappe And Brown Cars Collided On  
Lubbock Highway; Injured  
In Hospital

Two cars ran together on the  
highway four miles north of Tahoka  
Tuesday morning and all four of  
the occupants were injured. Wm.  
Zappe was on the way to Lubbock  
accompanied by H. A. Heller, an oil  
scout, who had been to Tahoka on  
business, driving his big Studebaker,  
and J. W. Brown and J. P. Fulton of  
New Home were coming to Tahoka  
in a Ford coupe. Each car, according  
to J. P. Fulton, was on the wrong  
side of the road and at about the  
same time the drivers each decid-  
ed to cross over to the right side of  
the road, then each seemingly  
decided not to cross over but  
a moment later each for a second  
time started to cross over, when the  
cars came together with a terrible  
impact. Both cars were turned over  
completely. The four injured men  
were soon brought to town for medi-  
cal attention. Wm. Zappe was  
seemingly rather seriously injured  
and after an examination by a phy-  
sician here he was taken to Lub-  
bock for an x-ray examination to

### BOOSTERS VISITING TOWNS OF PLAINS TO ADVERTISE THE FAIR

Farmers Requested  
To Gather Exhibits

G. H. Nelson, secretary of the Ta-  
hoka Chamber of Commerce, re-  
quests that farmers select the best  
farm products from their fields and  
gardens and bring same to his of-  
fice in order that a creditable ex-  
hibit may be gotten together for the  
Panhandle South Plains Fair to be  
held in Lubbock on Sept 29 and 30,  
and Oct. 1 and 2. Many counties will  
have splendid exhibits at this fair  
and there is no reason why Lynn  
county should not have as good an  
exhibit as any of them. Help Lynn  
county make a great showing at Lub-  
bock.

### EDWARDS & LOCKHART BUILD COTTON HOUSE

Edwards & Lockhart are building  
a cotton house at their gin, 24 x 28  
feet in size, divided into twelve stalls  
or compartments, and having a  
capacity of thirty-six bales. It will  
be equipped with a combination un-  
loader and cleaner which will be  
motor driven. This house is being con-  
structed for the convenience of  
their customers, so that any farmer  
desiring to leave a bale of cotton or  
more at the gin may do so at any  
time, day or night.

### DRAW-REDWINE KIWANIS HOST

Fine Meeting Held With Draw-Red-  
wine Home Demonstration  
Club Serving Feast

The Kiwanis Club of Tahoka was  
entertained at a luncheon given by  
the Women's Home Demonstration  
Club of Draw in the splendid public  
school building at that place Friday  
night. The Tahoka Concert Band  
was present to furnish music for the  
occasion and the program as prepar-  
ed was carried out.

A sumptuous feast was spread by  
the ladies, which everybody greatly  
enjoyed. After the supper, the crowd  
assembled in the splendid school au-  
ditorium where it was entertained by  
some good band music.

The editor was called upon to dis-  
cuss the relation of Kiwanis to the  
home demonstration clubs of the  
county. Mrs. Tom Smith made a  
most interesting report of the trip  
of the three women and two girls  
from Lynn county to the A. M. Short  
Course given at College Station re-  
cently. Mrs. John Berry gave a re-  
port of the wonderful work done by  
the Draw-Redwine Demonstration  
Club since its organization a little  
more than two years ago. This re-

## School Opens With Large Enrollment

### The Cop'll Get Ye If FINE ALDERMAN

You Don't Watch Out

Grover Stewart, one of the city  
dads, got in the toils of the law  
Monday. He just forgot, that was  
all, but he had to pay for it. He left  
his car parked by the curb near the  
First National Bank longer than the  
city ordinances permit, and city  
marshal M. C. Finch, who was on the  
job, reminded him of his dereliction  
and invited him to appear before the  
mayor and explain his conduct. He  
told the court that he should pay a  
fine the same as any one else and  
the mayor assessed a fine of one  
dollar and trimmings. Grover is not  
going to park his car by the curb  
any more.

### City Marshal Gives Warning

Attention is called to the fact that  
it is a violation of the city ordinances  
for merchants, mechanics, or others  
to obstruct the sidewalks. Warning  
is hereby given that any mechanic or  
other person placing or leaving  
any car on the sidewalk for repairs  
and any merchant placing and leav-  
ing goods and merchandise on the  
sidewalks will be prosecuted. Our  
sidewalks must remain unobstructed.  
Please heed this warning. This  
notice is made necessary because  
even one of the city aldermen refus-  
ed to observe this ordinance unless  
others were compelled to do so.

M. C. Finch, City Marshal.

Sheriff J. W. Simpson is attending  
the state sheriff's convention in ses-  
sion at Eagle Pass this week. He is  
expected home Friday.

### FOOTBALL TEAM WORKING HARD

Coach Lewis Optimistic; Schedule  
For Season Is Announced  
By Coach

"Candidates for the High School  
team are light in weight, but the  
boys seem to have the fight that it  
takes to make a winning team,"  
Coach Garland Lewis told the News  
man Wednesday night. "Tahoka's  
going out after honors this year, and  
we are determined to play the  
game hard and clean. We're going  
to use football to develop 'em men-  
tally as well as physically."

With 18 out for the team and sev-  
eral more to come out, the boys are  
working hard for the first game  
which will probably be with Wilson  
Sept. 23. S'gnal practice is now in  
order, and the first scrimmage will  
be held Friday. Eight letter men  
from last year's team have report-  
ed for practice.

The following is the schedule as  
it now stands:

- Sept 23—Wilson at Tahoka (tentative)
- Sept 29—Floydada at Lubbock (Panhandle-South Plains Fair)
- Oct. 8—O'Donnell at Tahoka (Lynn County Fair)
- Oct. 15—Littlefield at Littlefield.
- Oct. 22—Lamesa at Tahoka
- Oct. 29—O'Donnell at O'Donnell
- Nov. 5—Slaton at Slaton.
- Nov. 12—Open
- Nov. 19—Open
- Nov. 26—Open

J. M. Sherrod and family of Lub-  
bock visited F. M. Sherrod and fam-  
ily here Sunday.

Miss Jo Bullock of Aspermont is  
the guest this week of her sister, Mrs.  
J. B. Walker.

### MANY ATTEND FIRST PROGRAM

Largest Attendance In History Re-  
ported; Prospects Bright For  
Best School Year

The Public schools of Tahoka open-  
ed last Monday morning under most  
auspicious circumstances. A good  
program had been arranged and there  
was perhaps a larger number of pa-  
trons and citizens of the town pre-  
sent at the opening exercises than  
for many years. There was a slight  
increase also in the attendance over  
last year, although not quite as many  
pupils registered in the high school  
as last year. Up to Wednesday night  
340 pupils had registered in the  
grammar school and primary grades  
against 308 up to the same time last  
year, while 149 had registered in the  
high school against 166 last year.  
At South Ward 47 had enrolled  
against 50 last year. The total  
enrollment is 536 against 514 last  
year. One more teacher is being us-  
ed in the lower grades than last  
year but the vocational agriculture  
teacher in the high school has been  
dropped this year, so that the faculty  
now consists of the same number of  
teachers as was used last year. One  
or two of the teachers were added  
last year, however, some time after  
school opened. In all probability,  
other teachers will have to be add-  
ed this year as the attendance in-  
creases in the winter months.

The decreased enrollment in the  
high school this year is accounted for  
by the fact that there was a compar-  
atively small number in the seventh  
grade last year, just 37, whereas  
there are 60 in the seventh grade this  
year.

The faculty assignments have been  
made as follows:

- High School
- Public Speaking—Supt. M. L. H. Base
- Mathematics—Prin. Nat. Williams
- Science and Math—Coach O. G. Lewis
- History and Civics—Mrs. Hans Tun-  
nell
- English—Miss Janice Jernigen
- Spanish and English—Miss Juanita  
Jackson
- Home Economics—Miss Tempy Gar-  
rett

- Grades
- 7th Grade—Mrs. Loreta Story
- 7th Grade—Miss Stella Stone
- 6th Grade—Miss Ima Galloway
- 6th Grade—Miss Alta Casale

(Continued on back page)

### REDWINE LADY BADLY BURNED

Presence Of Mind Saved Mrs. Clay-  
ton Beard From Death When  
Clothes Catch On Fire

Mrs. Clayton Beard of Redwine re-  
ceived serious but not fatal burns  
Tuesday when her clothing caught  
fire while she was burning some  
trash in the hen house. Her entire  
left side, her left arm, and the left  
side of the face were severely burned.  
Her remarkable presence of mind no  
doubt saved her from death. Instead  
of running, as most persons do when  
their clothing catches fire, she im-  
mediately fell upon the ground as  
soon as she realized the gravity of  
her situation, and rolled over and  
over in the dirt, thus checking the  
spread of the flames until aid  
could come.

A physician was called immediately  
and the wounds were dressed, and  
the last reports are that the patient  
is doing as well as could be expected  
under the circumstances. She will  
recover.

**WIT & HUMOR**  
MOSTLY CLIPPED FROM THE EXCHANGES

If you are doing good work, don't worry; somebody will find it out.—The Ambassador.

**TOO MUCH FOR HIM**  
Going out of my office one day, I met in the doorway a French friend, his face full of eagerness.  
"You tell me vat is a polar bear?"  
"A polar bear! Why he's a big bear that lies up in the polar regions."  
"And vat does he do, ze polar bear?"  
"Not much of anything, I guess—sits on the ice and eats fish."  
"He sit on ze ice and eat fish?"  
"Yes, why not?"  
"Vy not? Because I have just been asked to be a polar bear at a funeral and if I have to sit on ze ice and eat fish I will not go!"—The Ambassador.

**Mother Didn't See It**  
A schoolmaster wrote the following criticism on the edge of a boy's report card:  
"A good worker, but talks too much."  
When the father signed the report and sent it back, the card bore in addition to his signature this report: "You should hear his mother."

**Caddie Master (to new recruit):**  
Now then, you feller, hop to it, and don't just stand aroun' lookin' dumb like as if you was a member of th' club."—Atlantic Seal.

If A Man is knocked down human interest is aroused; if he stays down nobody cares.—The Ambassador

Doctor: "Your mother-in-law's condition necessitates a warmer climate."  
Newly-wed Young Man (after a moment's reflection): "You do it, Doc, I haven't the heart."—Juggler.

Ike: "Svim out here, fadder: I'm sinking."  
Abe: "I can't svim. Throw papa your watch and I will pray for you."

From the neck down a man is worth about \$1.50 a day.  
From the neck up—ah, that's up to you!

**The Printer's Fault Again**  
JUDGE LANDIS, baseball czar, was a much-feared questioner when he sat on the Federal bench at Chicago. Whenever he began to figuratively "look through" a witness, he frightened all thoughts of evasion from the mind of the witness. And one day, so the loungers say as they recount the stories of his days on the bench, there appeared before him a little Jew who was involved in the burning of his store. "What time did you take out your insurance papers, Abie?" questioned the Judge. "At nine o'clock, your Honor," responded Abie. "What time did the fire start?" demanded Landis. "Twelve o'clock," faltered the nervous Abie. "Why the unnecessary delay?" thundered the Judge, and in confusion Abie faltered, "Our fire sale ads vere not done!"

**One on the Deacon**  
"Brother Brown, I've a collectin' fo' de benefi' o' our worthy pastah," explained one of the deacons as he called on one of the brethren. "You all know our rector am leabin' ditch and we all am agoing to git together and gib him a little momentum."

Unfortunately for the country there are a lot of folks who think more of the "red wine and brew" than of the Red, White and Blue.

It is not our custom to shift the responsibility of mistakes this paper makes to the shoulders of some one else, but last week our patience was tried to the limit. In lifting the type for an obituary the boy in the office in some manner that he is unable to explain, got a one line ad for the show at the Liberty theatre mixed up with the obituary. The line read: "What has become of Sally?" It appeared in that part of the obituary that told about the funeral. Nothing that has appeared in this paper in years has created so much comment and as such as we regret the mistake we are trying to bear up under that if anything like that ever happens again we will be ready to quit and try and get a job on the outside. If the name of the deceased had happened to have been Sally all we can say is that we would have been running yet.—Needhake (Kan) Register.

**Tredway Family Has Big Reunion**

There was a great family reunion at the home of Mr and Mrs. A. M. Tredway last Sunday. It was the occasion of Mr. Tredway's eightieth birthday. The sons and their wives decided to give the parents a surprise party and so they cooked up many good things to eat, loaded them in their cars, and set out Sunday morning for the parental roof. At the noon hour a great dinner was spread, which was greatly enjoyed by all. Those present besides Mr. and Mrs. Tredway were T. G. Tredway and Porter Tredway and family of Tahoka, W. A. Tredway and family of O'Donnell, and E. J. Tredway and family of Lubbock, about thirty in all. Among the number were twelve grand-children and two great grand-children. Friends of the family were also present in the afternoon, and all pronounce it a joyous occasion.

**Roads To O'Donnell Are Being Worked**

The farmers living to the north and west of O'Donnell are rejoicing over the splendid work being done on the roads by County Commissioner J. B. Miles. The main thorough-fares and laterals are being graded and put in good shape for the heavy tonnage that will be brought over them this fall when the farmers start bringing the products off their farms. Many of the section roads have never been graded and they were getting almost impassable in wet weather, but so far as the work has proceeded, they are in good shape.

Mr. Miles is never so happy as when he is doing something to improve the roads of the county, this line of work being his special hobby, and the work he has done during his term as commissioner will live long in the memory of the people served.—O'Donnell Index.

**Plains Steers Top Kansas City Market**

Panhandle bred steers again established another record on the Kansas City market Thursday when the top price of the year was reached at \$11.00 per hundred by a shipment of twenty-four senior yearling steers from the herd of C. O. Keiser of Canyon. The steers averaged 1,001 pounds. These steers were the product of Panhandle Hereford, bred in Randall county and finished for the market largely on Panhandle feeds. No particular effort had been made by Mr. Keiser to establish a record with this shipment. The sale of this bunch of steers at the record price was made against the shipments from some of the noted herds and finishing sections of the Mississipp valley.

The record of \$11.00 is the top on yearlings for this year, not only in Kansas City, but also on the Chicago market, bringing further credit to Panhandle steers. Mr. Keiser states that the steers were the cull from his herd of registered Herefords. He has advocated among the Hereford breeders that the use of registered bulls will improve the beef production of the Southwest, and this is a fine example from his own herd. Word from Kansas City states that this shipment of steers dressed unusually high.

This record was given more publicity by Kansas City newspapers than any shipment of the year.  
Mr. Keiser has broken several records with his Hereford during the past few years. On August 11th he topped the market at \$10.40 with a shipment of steers which averaged 941 pounds. He is firmly convinced that the cattle business is coming back strong which will mean much to the breeders of the Panhandle and he Southwest. He has a herd of about 1200 cows on his ranches in Randall county, practically all of them registered and pure bred Herefords. He uses only registered and pure bred bulls and the record of his steers on the market show the full effect of this breeding to the best blood lines.  
Two car loads of long yearling steers are being prepared for the American Royal show this fall and are expected to add another record to the Keiser Hereford herd.

**Overrably Doubtful**  
Traffic Cop: "Hey, you! Is that your car?"  
"Well, officer, since you ask me, considering the fact that I still have 50 payments to make, owe three repair bills and haven't settled for the tires, I really don't think it is."—Motor World.

Do you have trouble with your Eyes, Ears, Nose, Throat, or need Glasses. If so consult

**Work On O'Donnell School Progressing**

Brick work has been completed on new O'Donnell High School building, and inside men are ready to finish the building to completion in time for use early in November. The building will be strictly fireproof, is two-stories in height, is to have steam heat, and a large auditorium. In building the school the trustees are planning for the future having the building built so that it may easily be added to as the town grows and the number of school students increase.

O'Donnell schools were badly crowded last year, but as soon as the new building is completed the cramped condition will be greatly relieved, however citizens of that town say they do not think it will be but a short time until more room will be necessary.

**O'Donnell Preparing For Fall Business**

The O'Donnell Index last week contained ten pages, the increased size of the paper being made necessary by the liberal advertising done by the merchants. The business men of O'Donnell are obviously preparing to make a strong bid for business this fall, and they are already using printer's ink in liberal quantities to invite the people to trade with them. O'Donnell merchants have always been strong on advertising and that doubtless one of the secrets of the splendid growth of their town.

**NOTHING LIKE IT ON EARTH**  
The new treatment for torn flesh, cuts, wounds, sores or lacerations that is doing such wonderful work in flesh healing is the Borosone liquid and powder combination treatment. The liquid Borosone is a powerful antiseptic that purifies the wound of all poisons and infectious germs, while the Borosone powder is the great healer. There is nothing like it on earth for speed, safety and efficiency. Price (liquid) 30c, 60c and \$1.20. Powder 30c and 60c. Sold by  
**THOMAS BROS. DRUG CO.**

**Cotton Is Coming In Lively Now**

At noon today (Thursday) 63 bales of cotton had been received at the yard here. About the same number had been ginned at the six Tahoka gins.

Cotton is now opening rapidly in most parts of the county, pickers are being procured, and many more farmers will begin gathering their crops next Monday morning provided the weather remains favorable. The crop will move rapidly from this time on.

**Band Tax Defeated In O'Donnell Election**

The proposed band tax was badly defeated at O'Donnell in the election held Tuesday, according to C. H. Doak of that city, who was here on business Wednesday. The vote was 46 to 159 against the tax. The proposal was to levy a tax of three cents on the hundred dollars valuation with which to support a municipal band. The band is being supported by voluntary subscriptions by some of the business men. Since the band was deemed an asset to the whole town, those urging the tax argued that the whole town should support the band, but a majority of the people did not take that view of the matter.

Asked as to the cotton prospect in the vicinity of O'Donnell, Mr. Doak expressed the opinion that his town would gin 20,000 bales this season.

**Wilson Lutherans Building Church**

The New Lutheran Church building at Wilson is nearing completion and in a short time the congregation hope to move into their new church home. The building is a nice building of frame and stucco construction and stands out as one of the best little churches the Lutherans have in all West Texas, Wilson people say. The building is a credit to Wilson and is in keeping with that little city's plan to build the very best of what it does build.

**JUDGE CAIN RETURNS FROM SAN ANTONIO CONVENTION**

Judge C. H. Cain returned Wednesday, after having attended the State Democratic Convention at San Antonio last week and visited relatives and attended to business matters in Bosque county. Judge Cain was placed on the platform committee and helped to formulate the platform which was adopted by the convention. He was well pleased with the work of the convention, generally and thinks that there is a brighter future for Texas politically.

Mr. and Mrs. P. A. Collins of Aspermont left for their home Tuesday after a few days visit with Mr. and Mrs. Paul Miller. Mrs. Collins and Mrs. Miller are sisters.

**WILDCAT OIL WELL AT TRENT PROVES TO BE GOOD PRODUCER**

The wildcat oil well which was brought in at Trent eighteen miles east of Sweetwater last week has proven to be even a better well than was at first thought. Press reports Tuesday stated it had produced 950 barrels in a 24-hour period and oil men generally are pronouncing it to be a 600-barrel to 1000-barrel well. On Monday Mr. Winters, on whose land the well was drilled, sold one-fourth of his royalty in the 318-acre tract to a big oil company for more than \$29,000. Leases have leaped up to several hundred dollars per acre in the adjacent territory and the big companies are busy procuring leases on lands throughout that section. Intense interest in the new well prevails, and it is certain that other wells will be drilled at an early date. Possibly much of Nolan, Jones, Taylor, and Fisher counties will be punctuated with holes in search of the flowing gold. Not only Trent and Merkel but also Sweetwater and Abilene will reap much benefit from the new oil field which undoubtedly will be developed.

**CHARLEY TUNNELL LEAVES FOR THE UNNIVERSITY**

Mr. and Mrs. Chas. N. Tunnell left this (Thursday) morning for Austin, where Charles will enter the University as a student of journalism. Mr. Tunnell has been writing news and feature stories for the newspapers and magazines for the past two or three years and has evinced much talent in this line. That he will make a successful journalist no one in Tahoka doubts.

**CHILDREN'S WEEK SEPT 26-Oct 3**

Children's week will be observed the week between Sept. 26 and Oct. 3 during which time the teachers of Primary and Junior grades of the M. E. Sunday School will make a special effort to become acquainted with the parents of her pupils. On Sunday evening Oct. 3 a little pageant "Voices of the Future" will be presented in the Church auditorium. Our Slogan "The race moves forward on the feet of little children."

**CARD OF THANKS**

We wish to extend our heartfelt thanks and appreciation to our many friends and neighbors for the kindly services and beautiful floral offering during the illness and death of our beloved wife and mother.  
H. T. Gooch  
Marie Gooch  
Fay Gooch  
Mr. and Mrs. Paul Gooch.

**O'Donnell Constable After Cold Checks**

Constable B. L. Parker of O'Donnell was here Tuesday on official business. Mr. Parker has been making it hot recently for the cold checkers in and about his town. He has filed several complaints within the past few weeks for this offense and several of the accused men have pleaded guilty. A few of them have indicated their intention to fight their cases. Mr. Parker has also run in several poker players in the last few weeks. He will probably have plenty to do this fall.

Miss Sammie Jones, who is a student in the West Texas State Teachers' College at Canyon, was the guest Sunday of her uncle and aunt, Mr. and Mrs. A. M. Tredway.

Rev. and Mrs. B. H. Shepherd and a number of the members of the Baptist Church here have been attending the Brownfield Baptist Association which has been in session at Brownfield Tuesday, Wednesday, and Thursday of this week.

L. C. Boyd of Decatur was the guest this week of his brother-in-law, L. C. Heath. On Monday they went over into Yoakum county on a big wolf hunt, being joined at Brownfield by a party of relatives and friends who assisted in the hunt.

Mrs. Jno. Minor and children returned last Friday from a visit with relatives in Eastland and Bell Co. They also visited the State Capitol while away.

San Angelo—Fall shearing of goats is now under way throughout this section. Reports received here are to the effect that the goats are shearing an average of about three and one half pounds each. Shearers are being paid six cents per animal for the shearing.

**Friday High School Night At Revival**

Friday evening, September 17, will be "High School Night" of the revival now being conducted at the Methodist Church. There will be reserved seats for both high school teacher and students. The high school colors of purple and white, with banners and pennants, will make up the decoration for the occasion.

The subject of the sermon by Evangelist C. B. Meador will be "The Great Race of Life." Brother Meador has proven himself a friend to young people at all times and has helped many young men and young women find their place in life.

Services start promptly at 8 o'clock. "You will miss it if you miss it." Come!

**Ask Re-Establishment Of Journalism School**

AUSTIN, Sept. 14—At their recent regular meeting the Board of Regents of the University of Texas recommended to the legislature the re-establishment of the department of journalism of that institution on a broader scale than it formerly occupied. Although teaching of journalism as a department of the College of Arts and Sciences of the University was discontinued a year ago, all of the courses continued to be taught as a part of the curriculum of the School of Business Administration of the University and they will be given again this year.

**Buck Briley Moves Family To Abilene**

W. G. Briley and family left Monday for Abilene, where Mrs. Briley and the children will reside. Mr. Briley will divide his time between Abilene and Tahoka, his business interests here requiring most of his time at this place. A telephone call to his place of business here Tuesday afternoon stated that he had encountered bad mud between Roscoe and Abilene and did not arrive in Abilene until after noon Tuesday.

Otho Thomas returned Sunday the store but not well by any means. He had undergone a minor operation. S. B. Goodrich spent Tuesday and Wednesday in Big Spring on business.

**MASTERPIECE SCHOOL SUPPLIES**

We can outfit your boy and girl with this unexcelled line of school tablets, note books, note paper, scissors, construction paper and everything needed to work in school.

Come in and see *Masterpiece* goods on display.

vidual, firm or corporation, that may  
appear in the columns of the News,  
will be gladly corrected when called  
to our attention.

**ANOTHER EDITOR ASKS SOME  
QUESTIONS**

Editor Hill of the Lynn County  
News replied in his last week's  
issue to our latest statement relative  
to the legal fraternity. The  
article, as a whole, was admirable  
both in spirit and content. We wish  
we were able to present it in full to  
our readers this week, as it is quite  
illuminative, and, in the main, coin-  
cides with our own views on the  
subject under discussion. There are  
two points, however, that we would  
be pleased to have Judge Hill dis-  
cuss, not for controversial reasons,  
but for enlightenment that we may  
learn, and also pass on the informa-  
tion to our readers: These questions  
are: 1. When a lawyer takes a case,  
is his sole duty to his client, or does  
he still owe something to society and  
the State? 2. Is it right and proper,  
in view of the relationship of the  
practicing attorney to the Court, to  
pass a paper of endorsement of the  
presiding Judge among the members  
of the bar who practice before his  
court (higher or lower) for their ap-  
proval or disapproval?—Rogers News

To Editor Taylor's first question we  
would answer unhesitatingly that in  
our opinion no lawyer's duty to his  
client is superior to his duty to society  
and to the State. In fact, there is no  
conflict between a lawyer's duty to  
his client and his duty to society and  
the State. Society and the State  
have decreed that every man accused  
of crime shall have the right of de-  
fense by himself and by counsel in  
the courts. The vilest criminal has  
this right. He has the right to a fair

trial, according to law, and to have  
any facts that would tend to justify  
or excuse him presented to the court.  
It is the duty of an attorney employ-  
ed by one accused of crime to see  
that all these facts are presented in  
the light most favorable to the de-  
fendant and that all of defendant's  
rights are scrupulously guarded and  
preserved to him by the trial court.  
When a defense attorney has done  
simply this he has done his duty to  
his client and has violated no duty  
which he owes to society or to the  
State. It is no doubt true that  
many criminal lawyers, in the de-  
fense of their clients, lose sight en-  
tirely of their duty to society and the  
State and go their full length, by fair  
means or foul, to wrest a verdict of  
not guilty from the jury regardless  
of the matter of right and wrong  
and regardless of the injury to soci-  
ety: Such practice, so far as it can  
be ascertained, should be condemned  
by the bar and by the public alike.

To your second question, we think  
that would depend entirely on the  
circumstances of the particular case.  
Ordinarily we can see nothing wrong  
or improper in the members of the  
bar endorsing any judge for any posi-  
tion for which they believe him to be  
well fitted and qualified. There may  
arise conditions and circumstances  
occasionally where it would be im-  
proper for the bar to be asked to en-  
dorse for any position the judge of  
the court in which they practice.  
Judges, as a rule, are fair enough and  
high-minded enough to treat the  
members of the bar with proper re-  
spect and fairness and courtesy when  
the latter are political sup-  
porters of the former or not. And  
lawyers, as a rule, are independent  
enough to vote their own convictions  
in the election of judges without being  
swayed by fear of the judge be-  
fore whom they practice. There may  
be exceptions to the rule, but we be-  
lieve that ordinarily when lawyers  
endorse a judge or a member of their  
profession for a position, such endorse-  
ment more often reflects the honest  
and patriotic convictions of said  
lawyers than is usually reflected by  
mere letters of endorsement sign-  
ed by the public generally.

We do not claim that all lawyers  
are actuated by patriotic motives in  
all contests involving the election of  
a judge. But we do believe that the  
lawyer or the judge who gets the  
endorsement of the bar for any high  
judicial position is usually the man  
who is best fitted and qualified for  
the position sought. The lawyers  
are in better position than the ordi-  
nary citizens to evaluate and ap-  
praise the worth and ability of one  
of their profession and their judgment  
in the matter is worth more. We  
certainly would not debar the law-  
yers from giving or withholding their  
endorsement of any candidate for any  
judicial position. There may be in-

stances in which their endorsement  
should not be followed by the other  
voters. It has been our observation  
that the average voter votes for his  
own choice anyway, regardless of en-  
dorsements by the bar, at least  
when he is acquainted with one or  
more of the candidates. Bar endorse-  
ments do not mean as much, in our  
opinion, as Senator Taylor seems to  
think, and certainly the lawyers would  
not be able, even if they were to at-  
tempt it, to dictate the election of our  
judges.

It is strange that some newspaper  
editors who are constantly criticizing  
the courts for failure to convict  
criminals and who delight to quote  
statistics showing the comparatively  
small number of "murderers" who  
are ever punished, will rush into print  
in defense of some fellow who has  
killed his fellow man and will pre-  
judge the case in favor of the slayer  
when said slayer happens to be a man  
said editor likes or admires. For in-  
stance, the Claude News has been un-  
sparring in its denunciation of the  
courts for their alleged shortcomings  
in failing to send to the penitentiary  
or to hang some of the killers. Yet,  
without having heard the State's  
evidence and having heard only the  
defendant's unsworn statements made  
while not under oath and not subject-  
ed to cross examination, The Claude  
News has been steadfastly defend-  
ing and seeking to justify Dr. J.  
Frank Norris for taking the life of  
an unarmed man recently. Unlike  
our Claude contemporary, we are  
not ready to pass on the guilt or in-  
nocent of Dr. Norris, for the case  
has not yet been tried and not all the  
testimony has been divulged. The  
editor of this paper has prosecuted  
several men charged with murder,  
however, and the excuses and defens-  
es set forth by Dr. Norris sound  
strangely familiar to us. In fact,  
they seem more specious and flimsy  
than the defenses made by many a  
man whom the courts have convicted  
of murder and sent to the peniten-  
tiary. Let's not pre-judge Dr. Nor-  
ris's case, brother Waggoner, with-  
out having heard or read all the evi-  
dence. We have heard practically  
none of the State's side of the case  
yet. When the evidence is all in, we  
may agree with you that Dr. Norris  
was justified in killing Chipps, but  
let's not undertake to try the case out  
through the newspapers on the defend-  
ant's statements alone. Let's give  
the courts a chance to bring out all  
the testimony on both sides and to  
pass judgment on the case, before  
rendering our verdict, brother  
Waggoner.

Three Chicago bandits robbed three  
jewelry salesmen of \$480,000 in  
diamonds on an Illinois Central train  
the other day. Quite a bunch of loot,  
enough to tide most of us over for a  
month or so. The robbery was well  
planned and successfully executed.  
But the bandits are in jail, and  
most of their loot has been recover-  
ed. The trouble was that the plans  
for their get-away went awry. A  
sheriff in a little town who had been  
advised of the robbery and warned  
of their approach pumped lead into  
the tires of the car which they were  
driving as they passed through his  
burg. With two or three flat tires,  
they soon found it impossible to  
make satisfactory speed. Their en-  
gine got hot and they had to abandon  
the car. They undertook to make  
their way across the country, but  
it was raining and that Illinois mud  
somewhat impeded their locomotion  
in a barn in a corn field and captured.  
In the meantime the officers and  
two hundred farmers had instituted  
a search for the robbers. They were  
located in a barn in a corn  
field and captured. They  
were induced to tell where they  
had hidden their loot and most of it  
was recovered. Those three bandits  
no doubt were in high glee as they  
sped along that Illinois highway to-  
ward Chicago at about fifty or sixty  
some odd per hour with nearly a  
half million dollars worth of dia-  
monds in their car, but they were  
bucking both the law of God and of  
man. A sheriff was on the job. A  
few well-aimed shots from his gun put  
their car out of commission. The  
rain and the mud soon put the men  
out of commission. The fool hath  
said in his heart that he can suc-  
cessfully defy the law of God and of  
men. Crime does not pay, however  
large the loot.

It has been again demonstrated that  
crime doesn't pay. Last Thursday  
two men walked into a Clarksville  
bank, forced bank officials to the  
vault entrance, gathered up \$35,000  
in currency and silver, hastened out  
the door and started for their car  
parked near by. But Ranger Captain  
Tom Hickman happened to be visit-  
ing ex-Ranger Sergeant Stanley in  
Clarksville and the two happened to

be near the bank when the bandits  
entered. To the alert and trained  
eye of the Ranger Captain, there  
seemed to be something suspicious in  
the conduct of the two men. He and  
Stanley immediately hid near the  
bank and waited for the bandits to  
emerge. When they did so Hickman  
hailed them. They made a dash for  
their car, when Hickman and Stanley  
began firing. The result was two  
perfectly dead bandits. Their loot  
of course was recovered. The dead  
bodies were identified as those of two  
Fort Worth men who are believed to  
have been the same men who robbed  
the bank at Irving in Dallas county  
recently. If men could live the  
bandit life without any danger what-  
ever of being caught, it is still  
strange that they would choose such  
a life, for there can be no real pleas-  
ure in it. It is still more strange  
that men will enter upon such a  
career when reason and the experi-  
ence of others should teach them  
that in the great majority of cases  
such a course leads either to the pen-  
itentiary or to death. It is a terrible  
thing for an officer to have to kill  
a man but it seems that sometimes  
that is the only course open to an  
officer. Hickman and Stanley did a  
real service to their country last  
Thursday. Perhaps it will put the  
fear of the law into the heart of many  
a would-be bandit.

Last week Germany was admitted  
into the League of Nations by a  
unanimous vote of the League mem-  
bers. If Germany has entered in  
good faith, as we have every reason  
to believe she has, this almost insures  
the permanence and efficiency of the  
organization. While it does not  
render another World War an impos-  
sibility yet it does make it a much  
more remote probability. The League  
has already prevented more than one  
war in Europe since the cessation of  
the great World War. With Germany  
in the League, the peace of Europe  
for the next generation seems assur-  
ed. The World can never fully com-  
prehend the debt of gratitude it  
owes Woodrow Wilson, for without his  
efforts there would have been no  
League. Whether it would have been  
Wise for the United States to enter  
the League, as Wilson desired, may  
yet be questioned, but no man can  
question his service to humanity in  
promoting and effecting the organi-  
zation among the nations of Europe.  
As time passes the figure of Wood-  
row Wilson will loom more and more  
majestic on the horizon of history.

The state Democratic platform con-  
tains no plank relating to the gaso-  
line tax. That is a proposition that  
the legislature will have to deal  
with, however, for it is certain that  
somebody will introduce a bill to in-  
crease the tax. It seems to us to be  
the easiest and most equitable way  
to procure funds with which to build  
and maintain state highways. More  
money should be available for the  
building of lateral roads in the vari-  
ous counties, and apparently the  
easiest and most equitable way to  
procure these funds would be to allow  
the counties a larger share of the  
automobile license tax. The whole  
matter will doubtless be threshed out  
in the legislature.

A Clarendon merchant has paid for  
300 subscriptions to the Clarendon  
News for the rest of the year. This  
offer was made through the Claren-  
don Chamber of Commerce without  
cost to that body. This merchant has  
the right idea to put over his adver-  
tising. It is much cheaper to pay  
for the extra subscriptions in order  
to make sure that everyone in the  
trade territory reads the home paper,  
and carry regular advertising for the  
store in the paper, than it would be  
to send circulars. Advertising in the  
papers carries with it the prestige  
of the paper and others who advertise  
in it, while circulars carry only the  
prestige of the individual store and  
usually hit the waste basket unread.  
—McLean News.

A traveling peddler dressed in a  
poorly fitting suit approached the  
News editor one day recently with a  
proposition to sell us a suit of  
clothes, claiming a cheaper price and  
better goods than could be bought at  
the local stores. We treated the  
gentlemen just exactly as we hope  
our friends treat the printing ped-  
dlers. Any man who stops to think  
would know that the traveling ped-  
dler cannot give the satisfaction that  
his neighbors can in any line of goods,  
but the peddler depends upon his  
high-powered salesmanship to put  
over the deal, and when the goods  
come he is somewhere else.—McLean  
News.

D. D. Shifflet, coach and teacher  
in Tahoka High School year before  
last, is this year principal and coach  
of the Midland High School.

Lubbock—Lubbock's new \$500,000  
six-story hotel will be opened  
September 1, according to the man-  
ager. The hotel is modern in every  
particular. There are 124 guest  
rooms a large lobby and  
on the main floor, a banquet  
and three private dining  
rooms. There will also be an open  
dancing and for public

## SOCIETY & CLUB NEWS

MISS HAZEL ALLEY, Editor

### A NEW FEATURE

This week The News adds another new feature to its news giving service—that of a Society and Club column. Miss Hazel Alley, well known among most Tahoka people will conduct this column, and we ask that those having news of this class notify her or The News either.

We are endeavoring to give all the news we can, and the more rapidly the advertising space grows, the more rapidly will we improve the news service.

The News Management

### Meeting Of Mothers Club

The Mothers Club met with Mrs. Louie Weathers last week. A social meeting was enjoyed, after which a light refreshment was served to the following: Mmes. B. L. Hamilton, John Thomas, O. Roberts, R. L. Mooreland, W. T. Bovell, S. E. Reid, M. M. Stewart, Chas. Shook, Buster Fenton, Carl Griffin, H. B. Howell. The club will meet with Mrs. Skip Taylor this week in a business session.

### Presbyterians Hold First Service In New Church

Dr. W. K. Johnson of Lubbock held his regular monthly services here last Sunday morning. This was a very happy occasion being the first services held in the new Presbyterian Church. This church makes three beautiful modern churches for Tahoka.

The Missionary Society of the Presbyterian church meet in a business meeting Monday evening.

Mr. and Mrs. E. Smith and daughter Ariene spent the weekend in Floydada visiting relatives.

Miss Olabell Singleton has been visiting friends in Lubbock the last week.

### Lynn County To Exhibit Products At Lubbock Fair

Miss Millie M. Halsey County Home Demonstration agent, was in Lubbock Monday consulting with Miss Hazel Hammer, Lubbock County Home Demonstration agent, about Fair space.

The Lubbock Fair officials have given a generous space for the exhibits of club products to be furnished by Lubbock and other Counties.

Miss Halsey was made superintendent of this department and will be assisted by Miss Hammer of Lubbock and Miss Grimes of Dawson county. Each of these Home Demonstration Agents are urging their club women and girls to send exhibits.

All exhibits must arrive by September 27th as they are to be judged September 28th.

### Forty-Six Parents Join P. T. A.

The Parent Teacher Association made a good beginning on Monday morning. Forty-six parents signed for membership, and plans were laid for this school year.

It was decided that the enrollment fee be placed at \$1.00 per member, the same constituting dues for the year.

It was also decided that the time of the meeting be the 1st and 3rd Tuesday afternoons in each month, at 4 o'clock, the first meeting to be held next Tuesday the 21st at that hour.

We urge all he parents especially to co-operate in this work, there are many things which need to be done which can only be accomplished through such an organization as the Parent-Teacher Association.

### Christian Ladies Meet

The Missionary Society of the First Christian Church met at the Church last Monday evening and quitted instead of the usual Bible lesson. Sunday school is held at the First Christian Church every Sunday morning at ten o'clock, every one is cordially invited to attend.

### W. M. S. Begins Fall Study Course

The Fall Study Course for the women of the M. E. Missionary Society was begun Monday afternoon. Twenty-four text books have been purchased and this promises to be one of the most interesting courses we have yet used.

A study of the Moslem women and children, with a comparative study of the Mohammedan and Christian Religions is the subject of this course.

Any woman interested in learning of the Status of our sisters of other lands is invited to study with us. Lessons will be continued each Monday for five weeks.

Mr. and Mrs. Jim Wetsell and children returned from New Mexico the latter part of last week. Mr. Wetsell has land interests near Portales. He reports crops fine in that section of the country.

The Postmaster D. A. Parkhurst and his family had in their home last Saturday Mr. Clyde McSpadden of Temple, Texas.

Mrs. R. P. Weathers went to Lubbock last week and underwent an operation for her throat. She has returned home and is recovering nicely.

There will be church at the Church of Christ next Sunday. Every one is urged to attend.

Mmes. W. B. Slaton, G. M. Stewart and Otho Thomas were in Lubbock Thursday shopping.

### Miss Halsey Seeks Products For Exhibit

I have been asked to act as Superintendent of the Home Demonstration Department at the Lubbock Fair September 29 Oct 2.

The Fair officials have been very generous with their space. We had hoped that a number of counties would exhibit club work, but on account of overlapping Fair dates several cannot send exhibits. This leaves the counties that do send exhibits more space to fill. Therefore I am urging each club woman and each club girl in Lynn County to do her part to make a good showing for our County.

Send your products to me right away or take them to the woman's building on the Lubbock Fair grounds on Sept. 26 or 27. All club products are to be judged September 28 by Miss Mildred Horton State Home Demonstration Agent.

Let's show what Lynn County Clubs can do!

Yours sincerely  
Millie M. Halsey  
C. H. D. A.

### PAVING PROJECT MAKING GOOD PROGRESS

About five blocks of concrete have been poured in the project now under way in Slaton. Brick laying began Tuesday, and a block of brick had been laid by Wednesday. The brick laying will proceed right along on blocks where concrete has been laid.

Streets that have not yet had concrete laid on them are rapidly being shaped up by removal of dirt and leveling of the surface. A large amount of the work that requires the major portion of time has already been finished and progress is expected

to be more rapid from now on than it has been heretofore. The preparatory work has been the principal time-consumer.

With the completion of the first seventeen blocks of paving provided for under the present contract, it is planned to proceed at once with the extension of the paving on the three additional streets to be paved, Lynn street in the business section and West Garza and South Tenth in the residence section. A total of about thirty blocks will be laid before the job is completely finished—Slaton Slatonite.

### ALLEGED AUTO THIEF IS CAUGHT

A man giving the name of Dallas Connor was arrested in the outskirts of town late Saturday afternoon by chief Murray and confined in jail as a suspected auto thief. He was driving a Dodge touring car and his attempt to trade for some old worn out tires was his undoing.

The chief landed him in jail and that night he told it all. The car was taken in Hobart, Oklahoma, and Monday the sheriff at Hobart together with the owner of the car were here and they took Connor back with them. Connor either left or escaped from the penitentiary on September 1st; stole the car on the 2nd and on the fourth was repining in the strong house in Plainview.—Plainview News.

Tahoka invites you to the Fair, Oct. 8-9.

### GINNING TIME

And we want every body to see us at the gin before too late and hear our SONG TOO.

We can show you better than we can tell you.

Resp.

### NERVOUS

Louisiana Woman Tells Why She Relies On Cardui For Her Troubles.

"When just a girl," writes Mrs. G. W. Britt, of Haughton, La., "I suffered quite a bit at times . . . I would be so tired all the time that I didn't really enjoy anything."

"I took three bottles of Cardui and very soon, I saw quite a difference. Later on in life, after I got married, I was very weak and nervous, before my baby came. I remembered what Cardui had done for me when a girl and sent for it again."

"I only had taken two bottles when I felt so much stronger and better. I am a great believer in Cardui because I know it did me good."

Cardui should do you good, too. Try it.

### Teachers Had Great Session In Lubbock

LUBBOCK, Sept. 16.—After passing a resolution favoring the continuation of the South Plains Teachers Institute along similar lines with increased enrollment for the future, the more than 1,000 teachers in session here this week adjourned Friday afternoon, after what is said to have been the most valuable meeting ever held by the teachers of this section. The attendance reached 1000 before the session closed.

The resolutions adopted by the body stated the belief that the per capita apportionment for the present year should be increased to at least \$15. The recommendation was made that a law be passed making the minimum salary of teachers \$1,000 per year, with requirements for special professional training at stated intervals.

The teachers of the South Plains also went on record as favoring the county superintendent elected on the same basis as the city superintendent. The teachers in their resolutions called attention to the remarkable opening of the Tech a year ago with more than 1,000 students, and urged that the legislature in special session consider plans for relief of the crowded conditions that are bound to exist. There were approximately the same number of teachers in the institute as there were students in the college last year, and the visitors were brought face to face with this problem which confronts the Tech with prospects for a much larger enrollment than ever.

The body of teachers voted special thanks to Dr. Paul W. Horn, Tech president. Dr. C. H. Judd of Chicago special lecturer; Mrs. S. M. N. Marrs, and others, for the success of the institute.

The session adjourned Friday, after recommending that the institute be held beginning the first Monday in September, 1926, at the Tech, and with Dr. Horn as conductor.

### JOE FEATHERSTONE ACCIDENTLY SHOT

While hunting with a party of boy friends in the canyons east of town Monday night, Joe Featherstone was accidentally shot with a twenty-two calibre rifle. Joe was rushed to O'Donnell and his wound treated by a physician. It was found that the bullet entered back of the left shoulder and ranged to the side and unless complications set up, it will remain imbedded in the flesh. The gun was not injured—O'Donnell Index.

THOMAS BROS. DRUG CO.

### ADVERTISING NOT EXPENSE; INVESTMENT

The idea prevails among some business people that advertising is merely an expense, something to be added wholly to the operating costs of a business.

It is of course true that advertising is one of the necessary operating costs of a business, but it is also true that it is an investment creating values for future use.

When a concern advertises regularly, it builds up good will. It creates a reputation for that concern for enterprise and progressiveness, and it draws people to the store to see the goods thus described, and a good part of these people will become permanent customers.

The good will of a business is as much a part of its assets as money locked up in the building, or fixtures it owns or the stock that it carries. If you buy a good business, you usually have to pay a heavy sum for that good will. You are building that permanent investment every day you advertise.—Michigan Press Bulletin.

### Two Tons Versus Eighteen Hundred

"It takes a pretty good-sized automobile to weigh two tons, but an 1,800 ton engine and train is not unusual.

The only people killed at grade crossings are those who take chances. There are just two kinds of chance-takers—those who see the train coming and think they can get across—and those who are heedless and do not see the train until too late.

There is only one safe rule to follow in crossing railroad tracks. Be absolutely certain that no train can possibly reach the crossing while you are on the track. Remember—the odds are all in the train's favor."

These are the words of Mr. A. B. C. Hardy, President of the Oils Motor Works.

No crossing accidents occur without carelessness.

### CITATION BY GUARDIAN, ON APPLICATION FOR SALE OF REAL ESTATE

The State of Texas. To the Sheriff or any Constable of Garza County, Greeting:

You are hereby commanded to cause to be published, once a week for Twenty days, exclusive of the first day of publication, before the return day hereof, in some newspaper of general circulation, published in said county which has been continuously and regularly published in said county for a period of not less than one year, if no paper is published then in the nearest county in the 106 Judicial District to-wit: The Lynn County News.

Whereas, in cause No. 92, Guardianship of Harold Voss, Geneva Voss, and Hazel Voss, Minors, pending in the county court of Garza County, Texas, wherein Mrs. Jessie Voss who resides in Garza County, Texas, is guardian of the person and estate of Harold Voss-Geneva, Voss, and Hazel Voss, minors, having on the 20th day of August A. D. 1926, filed in the county court of Garza County, Texas, in said above entitled and numbered cause her application for the sale of the following described land belonging to said minors, lying, being and situate in the county of Floyd State of Texas, to-wit: All that certain tract, or parcel of land situated in said county, and described in two tracts as follows; 1st. tract; being the N. W. ¼ of Survey No. 47, in Block D-6 in Floyd County, Texas, less about two acres formerly conveyed to the P. & N. T. Ry Co. 2nd tract: About 15 & ¼ acres of land out of the S. W. ¼ of Section No. 47 in Block D-6 Cert No. 77 issued to the D. & P. Ry Co. Containing 172 acres in said two tracts more or less and being the same land deeded by R. L. Sims, and wife to A. F. Hancock, Feb. 29th 1916 and which deed is of record in Book 37 pages 398-99 said land deeded to Mrs. A. D. McCartney by A. F. Hancock, of date of July 17th, 1917, and recorded in Vol 40, page 482, deed records of Floyd County, Texas.

Now, therefore, you are hereby commanded to summon all persons interested in said estate of said minors, to be and appear at the regular term of the honorable county court of Garza County, Texas, on the 3rd Monday in September, A. D. 1926, at the courthouse in the City of Post Texas, the same being the 20th day of September, A. D. 1926, to contest said sale if they so desire. Herein fail not, but of this writ make due return, showing how you have executed the same.

Witness my hand and official seal, this 23rd day of August, A. D. 1926. Ira Weakley, Clerk County Court, Garza County Texas.

### Cotton Marketing Is Being Studied

G. L. Crawford, Research Marketing Specialist in the Division of Farm and Ranch Economics, Texas Agricultural Experiment Station and Mr. Robert E. Spilman, formerly with the United States Department and Costs Division, arrived in Lubbock September 10 to inaugurate a survey of cotton staple and grades in the Lubbock section, the data to be used in a study of the market demands for various staples and grades which the Texas Station is conducting in co-operation with the Federal Bureau of Agricultural Economics.

Data are to be gathered at five points representing the principal cotton producing regions.

Ten to fifteen samples will be taken each day during the season from bales sold and brought to the yard or workhouse. Record will be made of the grade, the price; the name and class of the gin; the variety and class of the buyer; the variety and grade of seed; the method of harvesting; whether picked snapped or gathered as bolls; and the condition of the seed cotton as to dirt, trash and amount of moisture. These samples will be sent to the laboratory at College Station and studied there.

Samples from the Coastal Plains section are being taken at Robstown. The samples for Eastern Texas at Henderson; for the Central Texas Blackland section at Hillsboro. For the Brazos Valley area at Bryan; and the sample taken at Lubbock are to be representative of the Northwest Texas area.

The actual samples will be gathered over a period of three months and Mr. Spilman will remain for the period to select representative samples suitable for the purpose of the study.

It is expected that the farmers and cotton buyers will co-operate in securing these samples since the data are absolutely necessary to the study, which, if effective, should simplify the problem of ascertaining the correct values of the various staples and grades of Texas cotton and if these cottons are correctly valued, there is a general impression that farmers having the better grades and staples will be able to secure more nearly their proper worth in the market.

Having accomplished this much, Mr. Crawford thinks the tendency will become more toward improved staples and grades which have seen a gradual decline for the past twenty years.

W. M. Day who bought cotton here last season but who spent the summer at Seabrook in Harris county has returned to the Plains to buy cotton this fall. His main office will be at Slaton but he will spend much of the time in Tahoka.

R. L. Lewis, cotton man, of Abilene was a business visitor to Tahoka Wednesday.

### In the Kitchen with 6 Famous Cooks

MEATLESS MEAL, "FIT FOR COMPANY"

ED. Note: This is one of a special series of articles contributed by 6 Famous Cooks. Their recipes are "different." Cut them out and paste them in your cook book.

At the Battle Creek College Home Economics they specialize in planning and preparing well-balanced meals which are both attractive to the eye and nutritious to eat.

MARGARET ALLEN HALL

Miss Margaret Allen Hall, dietitian and nutrition expert of the college, has prepared for our readers a "company" menu which is particularly palatable, even though it is absolutely meatless. Proportions are given for the serving of ten.

- Eggs a la King
- Glazed Sweet Potatoes
- Ritz Tomatoes
- Fruit Salad a la Creme
- Bread
- Beverage
- Butterscotch Pie

Directions for each dish follow.

**Eggs a la King**  
4 tablespoons butter  
4 tablespoons minced sweet pepper  
1 cup (one quart) milk  
2 tablespoons flour  
1 cup mushrooms (fresh or canned)  
1 hard boiled egg, cut in pieces  
2 teaspoons salt

Melt butter, add pepper and mushrooms, and cook until soft. Stir in flour and add milk. Stir until thickened. Add seasoning and eggs. Heat very hot and serve on squares of toast; or pour into a baking dish, sprinkle with buttered crumbs and brown in a quick oven.

**Glazed Sweet Potatoes**  
12 medium-sized sweet potatoes  
1/2 cup sugar  
2 cup water  
2 tablespoons butter

Boil the sweet potatoes in salted water for ten minutes, remove the skins and cut in halves lengthwise. Arrange in a buttered pan. Make a syrup by boiling the sugar and water for three minutes. Add the butter, brush potatoes with syrup and bake until brown, heating with remaining syrup. Serve in a hot covered dish.

**Ritz Tomatoes**  
Slice bread in usual manner, shape with three-inch biscuit cutter and toast. Slice ripe tomatoes, place a slice on toast, sprinkle with salt, grated cheese or cottage cheese and onion, and finely chopped pepper. Bake in hot oven until tomatoes are cooked and slightly browned.

**Fruit Salad a la Creme**  
2 large bananas  
1 pint sliced pineapple  
1 pound Tokay or Malaga grapes  
1 cup Cream Salad Dressing

Drain the pineapple and cut into small pieces. Peel the grapes, cut into halves and remove the seeds. Peel the bananas, scrape off the fuzzy portions, and dice. Mix with the Cream Salad Dressing and serve on a plate garnished with lettuce, or place a spoonful of fruit on the lettuce leaf with a smaller spoonful of the dressing.

**Cream Salad Dressing:**  
1 tablespoon butter  
1 tablespoon flour  
1 cup cream  
1 cup lemon juice  
1 egg yolk  
1 teaspoon salt  
1 tablespoon sugar  
2 cups whipped cream

Melt the butter in a double boiler, stir in the flour and the cream (syrup, milk being preferable). Stir until

The best fair Lynn County ever had—Oct. 8-9.

Miss Eleanor Barker left Sunday night to enter Howard Payne College at Brownwood for the ensuing year.

it begins to thicken. Beat the egg yolks, add to them the salt, sugar and lemon juice, and turn into the thickened cream. Cook in a double boiler about five minutes, or until the eggs begin to thicken. Cool, and fold in the whipped cream.

**Butterscotch Pie**

**Plain Pastry:**  
2 cups flour  
1/2 cup fat  
1 teaspoon salt  
Ice water

Mix salt with flour. Cut fat into flour with two knives. Add just enough ice water to hold mixture together without its being sticky. Roll lightly from center outward. This is sufficient pastry for double crusts of one large pie or two pastry shells.

**Butterscotch Filling (for two pies):**  
4 egg yolks  
1/2 cup brown sugar  
1 cup milk  
1 cup butter  
1/2 teaspoon vanilla extract

Beat yolks of eggs in inside of double boiler, add milk and butter. Mix flour with sugar, and add to milk mixture. Cook until thickened. Remove from fire and cool. Fill cooked pastry shells. Cover with whipped cream or meringue.

Make a meringue with the four egg whites beaten until stiff, fold in four tablespoons powdered sugar, pile irregularly on top of the pie and bake in moderate oven until brown.

A meatless meal, yes. But who would ever miss the meat?

(Be sure to read next week's special cook-articles.)

**Why Long Chimneys?**  
Many women wonder why oil stoves with long chimneys are superior to those with short ones. It is because the long chimneys insure perfect combustion. In other words, every drop of oil is completely burned before the heat reaches the cooking. There is no chance for soot or odor.

Short chimney stoves as a rule focus the heat in one point—the very center of the burner. Long chimney stoves focus the heat on the bottom of the kettles, but diffuse it over the entire kettle bottom. That's why food cooked on long chimney stoves is better done.

**T-BAR NEWS**

Everybody in this community is preparing to pick cotton. Some have already begun picking.

Since our last communication to the News, the leaf worms have made their appearance here. We hope they will not be as numerous as the candidates were a few weeks ago.

Brother Sullivan is continuing the meeting at T-Bar this week.

Elmo Dixon, the rambling man, spent a few days in our community but is now working for Jack Sparkman east of Tahoka.

Charley Nichols returned home from the oil field at Nocona on last Sunday.

Vera Nichols, Gladys Moore, and Mabel Crews of T-Bar started to school in Tahoka Monday morning.

There was fine attendance at Sunday School and Church last Sunday. New Sunday School officers were elected. Brother Henderson was elected Superintendent, Brother Andrews assistant superintendent, and Miss Jamie McCauley, secretary-treasurer.

Mr. Ward and family and Mr. Cloud spent Sunday afternoon with J. W. Nichols and family.

Mrs. Wiley Curry and children of Tahoka spent Sunday with her uncle and aunt, Mr. and Mrs. J. W. Nichols.

Mr. and Mrs. W. M. Harris returned Saturday from Marietta, Cass county, to which place they were called a week before by the serious illness of Mr. Harris' mother, who suffered a stroke of paralysis. She was much improved when they left. Mr. Harris states that corn and feed crops in northeast Texas are very fine this year but that cotton is only fairly good. Worms and other pests are damaging the crop more or less all the way across the state, he says.

Uncle Ben Rogers returned Friday night from a business trip to Snyder, Rotan, Roby, and other places east of us.

## A FAMOUS SOUTHERN COOK

Says

*if all oil stoves sold on their working merits the Perfection oil stove would be in most every kitchen*  
Rosa Michaelis

Southern domestic science specialist tells her experience in a recent national cooking test. Every woman who cooks will be interested in it.

THEY know how to cook in New Orleans. And that is where Miss Rosa Michaelis learned. This famous southern cook tried out the Perfection in her own kitchen. She is one of the six famous cooks who recently made a nation-wide test of this stove. Each gave it a rigorous trial. Each baked, broiled, fried and boiled—not one but a number of meals. They all agreed on the merits of the Perfection. Read what Miss Michaelis said.

### Quickness is Remarkable

"I never fried a veal steak more beautifully. It retained all the juices and was a lovely, rich brown after frying only ten minutes," said Miss Michaelis. "The quickness and intensity of the heat in the long Perfection chimneys is remarkable. It's clean, too. After frying pancakes and boiling rice, the bottoms of the utensils showed no signs of soot."

### Like a Gas Stove

"Everything I cooked was uniformly successful. I found the Perfection just about the same as a gas stove to work with. In some respects it was better. I prefer it to broil steak, for instance. I liked the way the top and bottom browned at the same time in the Perfection broiler."

### No Delay In Refilling

"It's an absolutely safe stove. The oil tank may be refilled while burners are lighted. Once when my supply of oil ran low, my rice went right on cooking. I substituted a filled reservoir and my hands never touched the kerosene."

### Roomy Cooking Surface

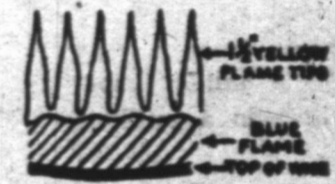

"The oven is large and the cooking surface is roomy. I stored a number of utensils on the handy base shelf. I could see my fuel in the glass reservoir and watch my baking through the glass oven door. The flame is easy to start, easy to regulate, easy to extinguish," she concluded.

### Look Over the Line

Look over the line of the latest, improved models at any dealer's. The sizes range from one burner to five burners; the prices from \$7.25 to \$130.00. Select the right size for your particular needs. Join the 4,500,000 satisfied women who now cook on Perfections.

PERFECTION STOVE COMPANY

### Evangelist Party Guests Of Kiwanis

Evangelist C. B. Meador and singer Ross G. Smith, who are conducting a revival meeting at the Methodist Church, were guests of the Kiwanis Club at their noon-day luncheon Wednesday. Rev. Meador made a brief talk and Mr. Smith rendered a vocal solo, which were much enjoyed. Rev. Meador praised the attractiveness of our little city.

Dr. C. B. Townes also made a most interesting report of his visit to Muskogee last week to attend the District meeting. He had many nice things to say about Muskogee, the attractiveness of the city and the hospitality of her citizens, and declared that he came back with a better conception and a higher esteem for the principles and work of Kiwanis. He came back, as he expressed it, with a good taste in his mouth, and Happy Smith wanted to know just what brand it was that put the good taste in his mouth.

The next convention goes to Corpus Christi, Dr. Townes announced.

### New Lynn School Preparing Exhibit For County Fair

New Lynn School is already making preparations to have an exhibit at the Lynn County Fair, according to Mrs. J. T. Wade, one of the teachers, who was in town Monday afternoon.

Mrs. Wade says that the school has been in session at New Lynn five weeks already this term, the trustees having decided to begin the school work early in order that school might be suspended during the cotton picking season this fall. It will probably suspend Friday afternoon and be resumed late in the fall. There are about 130 pupils in attendance, according to Mrs. Wade. The faculty consists of L. V. Price, principal, Mrs. L. V. Price, teacher of intermediate grades, Mrs. J. T. Wade, teacher of the 3rd and 4th grades, and Miss Jessie Sargent, primary teacher.

### W. R. Lace Now In Governmental Service

The News on Wednesday received a communication from Prof. W. R. Lace, written at McAllen, Texas, in the lower Rio Grande Valley. Mr. Lace states that he is now in the employ of the Federal Horticultural Board, making a survey of cotton insects, especially the pink bollworm. Mr. Lace and his party have been in the "Magic Valley," he states, since September 1, but they are due to leave for other parts of Texas and for Louisiana soon. Mr. Lace ordered the News sent to him at Houston.

Dr. and Mrs. C. B. Townes returned Saturday night. Mrs. Townes visited relatives at Cleburne while the Doctor attended the District Kiwanis in session last week at Muskogee, Oklahoma. The doctor reports a most pleasant trip; says he came back with a good taste in his mouth.

### Citizen Of France Visits Parents Here

Mr. and Mrs. Albert Knoy from Paris, France, are here visiting the former's parents, Mr. and Mrs. G. W. Knoy, and other members of the family.

They sailed from France on The Leviathan Aug. 10 and arrived in Tahoka September 3rd in time for the Knoy family reunion on September 4th, after spending a few days in New York attending to business matters for the company with which he works.

Mr. Knoy went to France in 1917 as a soldier in the American army. In 1919 he was transferred to the American Red Cross and as a Captain in this division he had the privilege of seeing a large part of historic Europe. At different times he was stationed in Italy, Greece, Turkey, Roumania, Austria, Serbia, Montenegro, Albania, and France. After his discharge in 1921 he became connected with a Paris bank, and is now in the employ of the French office of the Du Pont Powder Manufacturing Company, he was given a vacation of several months and is taking advantage of the opportunity to visit home folks.

Mrs. Knoy is French, and was born and raised in France. She was a school teacher when the couple met, and her maiden name was Fernande Constance Flaive. Mr. Knoy speaks French, English, and Italian fluently. He says they will go back to France to spend three or four more years; then they intend to return to the United States to make their home.

### Avalanche And Journal Companies Consolidate

The Avalanche Publishing Company and the Plains Journal, Inc., have consolidated, and both the Morning Avalanche and the Daily Journal will hereafter be published from the Avalanche office, one as a morning paper and the other as an afternoon paper. Jas. L. Dow will remain as editor of the Morning Avalanche and Charles A. Guy as editor of the Journal. D. D. Roderick of the Journal will be the business manager of the new Company. A weekly paper will also be issued as heretofore.

### Knights Of Grip To Meet Saturday

LUBBOCK, Sept. 16—Saturday, September 18, traveling salesmen from all parts of the Southwest will gather here for the Fifth Annual Peddler's Jubilee.

The peddlers will be the guests of the Lubbock Chamber of Commerce who originated the idea in West Texas of giving the peddlers a big party each year to cement the feeling of friendship between the peddlers and the business men of Lubbock.

The peddlers will register at the Lubbock Hotel at one o'clock Saturday, after which will be staged a big parade, a ball game between the Peddlers and the Rotarians and a big banquet in the evening to be followed by a meeting of the R. O. R. E. secret organization of the peddlers.

The Knights of the Grip have meant much to Lubbock and the South Plains by the favorable comment they have expressed about this section while making their trade calls over the Southwest.

### SOUTH WARD NEWS

South Ward School opened Monday morning with the following program:

Song — Onward Christian Soldiers  
Song — America  
Invocation  
Piano Selection — Mrs. Griggs  
Talks — Patrons  
The School And Its Purpose  
Joseph R. Griggs

Immediately following the program, registration and classification began. Prospects are good for a successful year with forty-seven pupils enrolled.

New officers and teachers were elected for the Sunday School Sunday morning. Renew your resolutions and come each Sunday morning by 9:45 o'clock.

### Report Made On Scout Encampment

(By H. B. PALMER)  
September 13—Well the first session of camp on the C. W. Post Camp site is now history. As we look over the individual record of each Scout that attended camp and we are reminded of the many experiences we had together during our ten day stay there, we can hardly help but come to the decision that its worth while. The Boys ranch has been established. They yelled out at every opportunity, when they were asked whose camp is this? "OURS," and they caught the vision of what that 400 A. track of land can mean to the South Plains boy in the course of a few years. They were satisfied with the effort already put forward for this year. But of course expect further improvement each year. Most of all a swimming place on the camp site, and as we add a feature or two each year made possible by our big hearted men; we can see there a beautiful park with scenic driveways, animals a beautiful little lake bordered with trees, nut and fruit bearing trees and grape vines on every canyon. Adobe Adirondack lean cabins in the nooks and many things that will help to make more and better Scouts.

Here follows a statement of the amount of money received from both men and the boys for the camp, and how disbursed. Every cent was checked out, we have the checks and records which are ready for inspection at any time at Scout Headquarters.

Total amount received from all sources of income to date,	\$976.63
Meats & Poultry	\$156.89
Milk, fresh & evaporated	292.06
Fresh vegetables	88.95
Total cost of food.	\$476.80
Supervision and instruction salary	75.12
Labor and helpers salaries	20.00
Cooks and helpers not staff	160.40
Telephone calls Post, Texas	6.15
Paid to Dr. M. E. Corgan, Post Texas for medical service and supplies for sick	15.50
Room at Rodgers Hotel, night and day for two sick boys	4.00
Transportation for supplies	34.53
Fuel, oil	1.60
Rental on tents and small table	66.00
TOTAL	\$900.91
Bal. to date	74.74

(Note, the executive board will decide what is to be done with the balance.)

Temple and Miss Wilma Brashear left this (Thursday) morning for McMurray College, Abilene, where they will be students during the coming school year. They were accompanied by their father, J. A. Brashear, who will remain over Sunday attending the opening exercises.

Mr. and Mrs. S. N. McDaniel returned Tuesday from Hot Springs, N. M., where they spent several weeks vacationing. Mr. Mack says he likes Hot Springs because they have lots to eat and little to do out there. Fruits and vegetables grow luxuriantly down in the Rio Grande Valley and living expenses are cheap. Possibly one reason he likes Hot Springs so well is because as he got back to Tahoka Mrs. Daniel put him to work. He was swinging a hammer, but with little pep, as he talked to the

J. S. Wells says that much of the cotton in Lynn county has greatly deteriorated during the last thirty days. He estimated the total crop for the county this year at 50,000 bales. H. M. Larkin agreed with him on this estimate. Mr. Wells and Mr. Larkin are both well informed as to conditions throughout the county and their judgment is usually sound, so we are guessing that they have just about properly sized up the crop.

**Young Wife Afraid To Eat Anything**

"I was afraid to eat because I always had stomach trouble afterwards. Since taking Adlerika I can eat and feel fine," (signed) Mrs. A. Howard. One spoonful Adlerika removes GAS and often brings surprising relief to the stomach. Stops that full, bloated feeling. Removes old waste matter from intestines which you never thought was in your system. Excellent for obstinate constipation.

Thomas Bros Drug Co.

**First O'Donnell Bale Sold At Auction**

The first bale of cotton for this season was sold at auction to the First National Bank and brought 19 cents per pound. The grower, Grady Best, was given a premium of \$84.75 by the business men. The cotton brought \$83.60, the seed brought \$15, making a total of \$183.35 he received for the bale. Owing to the rapid growth the plant is making after the heavy rains of a couple of weeks ago, cotton is not opening very fast, only four square bales and three round bales have been received at the O'Donnell gins during the week. The price being paid has been a little above 17 cents.

Not until we have a few days sunshine will the cotton begin to come in to any extent. It is expected that there will be a shortage of pickers and it behooves the farmers to get busy before it is too late to secure their crews and have them ready for the cotton when it is ripe for picking.

The farmers have conquered the worms by the diligent use of poison and very little evidence remains to show that a worm has ever parked himself on a stalk of cotton in the O'Donnell territory.—O'Donnell Index

**BERRY FLAT SCHOOL WILL BE RELOCATED**

After many months dissension and turmoil, the citizens of our neighboring Berry Flat School District of Borden County, have agreed for the removal of their school building to new premises nearer the center of the district, as required by law. The site for its location has been tentatively agreed upon by the Board of Trustees or near the southwest corner of the Milt Fuller Section 19, provided suitable water can be found at that point. Mr. Fuller agreed to sell the district two acres of land at that corner of his section, and give two acres free of charge, making four acres of land, which will constitute the school premises.

Immediate steps have been taken for the drilling of a well for water, and the opening of roads crossing at the proposed school premises, and the building will be moved as quickly as possible, in order to be ready for the opening at a near date.

The citizens of the district are to be congratulated upon their action and they have the best wishes of their neighbors for a long and successful school and better feelings among all their tax-payers.—O'Donnell Index.

**Bob Haynes Buys The Miami Chief**

Bob Haynes has bought the Miami Chief and has already taken charge of the plant. Mr. Haynes already owned the Seagraves Signal and the Meadow Review. For many months Mr. Greer has been running the Review for him. It is understood that he expects to get some one to take charge of the Seagraves Signal so that he can give his time to the Miami Chief. Miami is the county seat of Roberts county in the north Panhandle and is one of the best small towns in that section. The nearest producing oil wells are only thirty miles away and several wells are being drilled near Miami with the hope of finding oil. If oil should be found Miami would leap into the city class in a hurry and Bob would be sitting on top of the world. Mr. Haynes was proprietor and editor of the Lynn County News for a number of years, and many friends here are hoping that he soon finds himself in the middle of a big oil field, with great streams of gold, liquid or otherwise flowing right into his sanctum.

**Joe Stokes To Suspend For Cotton Picking**

Prof. H. E. Griffith, principal of the Joe Stokes school, was a business caller at the News office Monday and he stated that the Joe Stokes school had already been running for five weeks. It will run two or three weeks longer, when it will be suspended for the fall season so that the children may assist in gathering the cotton crop. Mrs. Griffith is the primary teacher, only two teachers being employed at present. Mr. Griffith thinks another teacher will be necessary later on, however. The Joe Stokes community has a good three-room brick school building and is situated in one of the best farming sections of the county, near the Lubbock county line.

Mrs. N. A. Jones was a business visitor in Lubbock Monday.

**Gin At Newmoore Nearing Completion**

The building for the new gin at Newmoore is almost complete and the workmen will begin installing the machinery some time this week, according to L. F. Goad and J. P. Pendleton, who were in town Monday.

The gin is being built by Seth Moore of Arizona, and it will be one of the best, equipped with 4-80 Murray machinery. This section of the county has been greatly in need of a good gin, and its coming is welcomed by the farmers of that section.

The Edwards and Lockhart gin at New Home will soon be complete and ready to do a big run of business in the northwest section of the county. This gin is likewise first-class in every respect. The McDonald-Ely gin at New Home has also been making some improvements.

**Windmill Offered As Prize At Lubbock**

LUBBOCK, Sept. 16.—A roller bearing windmill is offered to the farmer bringing the best ten heads of maize to the Panhandle South Plains Fair this year, according to a recent announcement by the Fair Board.

The windmill is worth approximately \$75, and is being given by the Artell Wholesale Hardware Company.

Any farmer wishing information regarding the type of heads and the best method of preparing them for exhibition at the fair should write D. F. Eaton, superintendent of the Department of the Fair.

The fair dates this year are September 29, 30, October 1 and 2, and the maize heads will have to be entered by September 28 and delivered to the Agricultural Building before nine o'clock September 29, according to Eaton.

Hot competition is expected in the contest.

Get your community float ready for the big parade at the Lynn County Fair on Saturday afternoon, October 9. Make a good showing for your community.

**CITATION BY GUARDIAN, ON APPLICATION FOR SALE OF REAL ESTATE**

The State of Texas, To the Sheriff or any Constable of Garza County: Greeting: You are, hereby commanded to cause to be published once a week for Twenty days, exclusive of the first day of publication, before the return day thereof, in some newspaper of general circulation published in said County which has been continuously and regularly published in said county for a period of not less than one year, if no paper is published then in the nearest county in the 106 Judicial District to wit: The Lynn County News.

Whereas, in cause No. 92 guardianship of Harold Voss-Geneva, Voss and Hazel Voss, Minors, pending in the county court of Garza County, Texas wherein Mrs. Jessie Voss, who resides in Garza County, Texas, is guardian of the person and estate of Harold Voss, Geneva Voss and Hazel Voss, minors, having on the 20th day of August, A. D. 1926 filed in the county court of Garza County, Texas, in said above entitled and numbered cause, her application for the sale of the following described land belonging to said minors, lying, being and situate in the county of Ellis, State of Texas, to-wit: All that certain Lot, tract or parcel of land situated in the City of Waxahachie, and parts of Blocks No. 25 and 26 of what is known as "Town Addition" to Waxahachie, Texas, and more particularly described as the property conveyed by G. C. Groce to Mrs. Martha McCartney, by deed of date of March 9th 1920 and recorded in Deed Records of Ellis County, Texas in Vol. 241 page 223.

Now, therefore, you are hereby commanded to summon all persons interested in said estate of said minors, to be and personally appear at the regular term of the honorable county court of Garza County, Texas to be holden thereof at the courthouse in the City of Post Texas, on the 3rd Monday in September, A. D. 1926, same being the 20th day of said Month, to contest said sale if they so desire.

Herein fail not, but of this writ make due return, showing how you have executed the same.

Witness my hand and official seal, this the 23rd day of August, A. D. 1926.  
Ira Weakley, Clerk County Court Garza County, Texas.

**SLUGGISH**  
Black-Draught Makes Her Feel Fit, Says Missouri Lady.  
Mrs. Anna M. Hanley, 2536 Brighton Street, Kansas City, Mo., says:  
"I have found Black-Draught a most satisfactory medicine for constipation, with which ailment I was troubled for a long time. Often I suffered from severe headaches which came, I think, from absorbed poisons. I had a dull, sluggish feeling, and my work was accomplished only by great efforts. I had heard about Black-Draught, so I decided to try it, and am thankful to say I was greatly benefited after taking it. Black-Draught relieved my constipation and, after I had overcome that condition, I found the other troubles disappeared, too."  
Theford's Black-Draught should relieve you. Try it. 25c. Everywhere.

**THE DIVINE PROVIDENCE**, which governs the Universes and the Heavens and the Hells, and the least as well as the greatest of all things in creation; and in the everyday life of man. \$1.25  
**THE DIVINE LOVE AND WISDOM**, the profoundest book and revelation concerning God and His Creation ever written, first published in Latin at Amsterdam 1763; along with this a key "Interpretation Between the Royal and the Body" first published in Latin at London 1769. \$1.25  
Price of all three at one time, including postage \$2.75  
**Who Was Swedenborg?**  
Swenno Swedenborg, the son of a Bishop, was the great Swedish scientist, philosopher and theologian, whose vast range caused Emerson to term him the "mastermind of scholars." Dr. Parkes Cadman recently named him the "Universal Genius." Officially connected, by appointment of the King, with the great mining industry of Sweden, he measured all the sciences of his time, and wrote the most useful books on metallurgy, minerals, geology, astronomy, and the human brain.  
His life search was for the human soul. How his spiritual senses were opened, after he was 50 years of age, that he might reveal the human soul, the life after death, and the Deities, may be read in the above named, uplifting, useful book.

A. Telephone 21E.

FOUR ARE INJURED IN AUTOMOBILE WRECK

(Continued from First Page) determine the extent of his injuries. It was found that the coccyx bone, at the lower end of the spinal column, was broken. One of the lower limbs was painfully hurt but it was found that the bone had not been fractured. There were some other bruises about the head, but aside from the fracture of the coccyx bone, no serious injury was sustained. Heller, the oil scout, was also considerably bruised up and it was thought that he might have received some internal injuries but none of a serious nature have developed. Mr. Brown received some severe bruises but was otherwise uninjured. J. P. Fulgon received an ugly gash across the forehead that required eight stitches by a surgeon to close up. The injured parties as well as persons who saw the wrecked cars declared that it seemed miraculous that some of the number were not killed. Both cars were badly damaged, but not entirely wrecked. When Mr. Zappe's car went over, some port on it caught his trousers, and one pocket of the same with its contents was afterwards found about forty feet over in a field, to which place it had been hurled when torn from its place.

SCHOOL OPENS WITH LARGE ENROLLMENT

(Continued from First Page) 4th Grade—Miss Mary Walker 3rd Grade—Miss Mattie W. L. Seroyer 2nd Grade—Miss Dovie Colenback 2nd and 1st Grades—Mrs W. O. Henderson 1st Grade—Mrs. L. F. Craft Music—Miss Mae Weakley South Ward Prim.—Joseph R. Griggs South Ward Prim.—Mrs. Joseph R. Griggs.

The exercises Monday morning were opened by a concert by the Tahoka Band, followed by the invocation, delivered by Rev. B. N. Shepherd, pastor of the Baptist Church.

The President of the School board, E. I. Hill, spoke a few minutes on the Prospects for the Year. Rev. Jno. E. Eldridge, pastor of the Methodist Church spoke interestingly on the Relation of the School and the Churches of the City. G. H. Nelson, secretary of the Chamber of Commerce, made a most inspiring address on the value and pleasure to be derived from an education and on the relation of the school to the town. The intensity and vigor of the applause with which he was greeted when he stepped out on the platform bespoke the esteem in which he is held by the student body. Prof. O. G. Lewis, coach, made a brief statement of his purpose and ideals for the Tahoka High School in athletics during the year. Principal Nat Williams made a short address concerning the work of the school, and Mrs. Paul Miller, president of the Parent-Teachers Club, spoke on the work of that organization. Piano solos were rendered by Miss Weakley, the piano teacher, and Miss Jackson, teacher of Spanish. The members of the faculty were introduced by Superintendent M. L. H. Baze, who presided during the rendition of the program and who, himself made a brief address concerning the aims and aspirations of himself and faculty. It would be superfluous to say that the superintendent and other faculty members on the program made a favorable impression on the patrons and others present.

The benediction was pronounced by Rev. C. B. Meador, of Abilene, who is here conducting revival services at the Methodist Church.

Luallin Gets Leg Mangled In Accident

Ovid Luallin became the victim Friday of a peculiar and serious accident in which one of his legs was badly injured. While operating a "burning-out" machine in the shop of the Connolly Motor Company, his leg was caught by the machinery and the peculiar and rapid motion of the machinery resulted in a great portion of the flesh of the limb being literally "chewed up." He has since been confined to his room undergoing treatment by a physician. Since no bones were broken and only flesh wounds were inflicted, it is hoped that the injured member will completely heal within a few weeks. Mr. Luallin is able to be up a part of the time now.

DRAW-REDWINE CLUB ENTERTAINS KIWANIANS

(Continued from First Page) port is given in full below. G. H. Nelson, secretary of the Tahoka Chamber of Commerce, told about the Lynn County Fair to be held here on October 8-9. In the beginning of his address he made some telling arguments in favor of the employment of a farm agent in this county, this discussion being provoked by some observations made by Mrs. Tom Smith to the effect that while there were men and boys attending the Short Course at the A. & M. College from numerous other counties, there were none there from Lynn county. Ira Doak was called upon and expressed his appreciation of the feast as well as the fine work being done by Miss Halsey and the Home Demonstration Club. Miss Halsey herself was called on for an address and in her quite unassuming way told something of the work she is doing. A. R. Hensley of Draw was called upon for a few remarks but declared he had eaten too much to talk. Mr. LeMond, in behalf of the people of Draw, thanked the Band and the Kiwanis Club for their part in making the entertainment a success, and had some exceedingly nice things to say about the band. Monte Brown the band director, and Moco Wakefield, the president of the band organization were introduced to the audience and Moco made a big speech. Happy Smith, President of the Kiwanis Club, presided throughout the program.

The Report of the work done by the Draw-Redwine Club, as given by Mrs. John Berry, was as follows: Club Work by Individuals at Home Home Improvements 63

Cooking; not valued in dollars and cents but a help to the home and to the health of the family.

In 1924 a record was made of canning only, there being more than \$1,000 worth of canned products reported from the organization of our club in June until the last of December.

In 1925 we had learned to cull our flocks and feed for egg production as well as other things about poultry, so we made a report on that, the value of our year's work being \$1842.27.

We did more and better garden work and held a fresh vegetable show, the value of our garden work being \$1397.00.

A number of steam pressure cookers and sealers were bought and though we were handicapped by the fact that we had to order all cans from outside the county we did some good work in food preservation. Not only did we can vegetables, fruits, make pickles, jelly, etc., but a number of families put up beef, pork, and chicken. Our canning for the year was valued at \$2230.15.

We have studied the clothing problem from several angles. Some of it is valued, some is not, but our totals in that line for 1925 were \$518.00. So that our year's total was \$6987.47. Our total to date for 1926 is \$676.60, more than half of this being for meats canned in tin.

Besides this, our club has been acting in community work. We helped buy school house piano, helped fence the cemetery and helped clean up the cemetery, helped buy light for the school building at Draw and Redwine, each year we helped seal two representatives to the A. & M. Short Course. This year we had two representatives to the A. & M. Short Course. This year we had two representatives to the A. & M. Short Course. This year we had two representatives to the A. & M. Short Course. This year we had two representatives to the A. & M. Short Course.

Clasco—The Clasco Lions Club will erect a model home here. The Club has arranged with builders supply men and lumber companies to furnish the necessary materials for the building. They will finance the labor expense. After a period of advertising and inspection, the building will be sold and the proceeds used to pay the lumber men and other materials. The club hopes to act to stimulate a building boom which is very much needed here.

Mrs. J. H. Tate of Comanche here this week visiting her parents, Tate, and family.
