## To Boost Tahoka Next Wednesday

### CITY GOING TO LUBBOCK FAIR

About Fifty Cars and Band Signed Up For Wed.: Tahoka Plays Floydada

The opening day of the Panhandle South Plains Fair, Wednesday, September 29, has been designated as Lynn county day and Lubbock is expecting a big delegation from this county. The Tahoka Concert Band has been engaged by the Fair authorities to play on that day, according to H. Nelson, secretary of the Tahoka Chamber of Commerce, and he is expecting fully a hundred cars from Tahoka in Lubbock on that day. A big parade is being planned, led by the band, consisting of decorated cars and floats representing the various business houses and civic organizations of the city and county. It is earnestly desired that every business house in Tahoka be represented in this parade, so as to make as creditable showing for Lynn county as possible. Of course it is desired that the business houses of other towns in the county be represented also. Farmers are asked to come in and join in the demonstration. The party will leave the court house in Tahoka at 8:30 and the parade will begin in Lubbock at 10 o'clock.

In the afternoon football game between Tahoka and Floydada will be played. All Tahoka wants to be here to root for the home team.

At the Kiwanis luncheon Wednesday, upon the suggestions of G. H. Nelson, this organization decided to have a float in the parade to be headed by Lynn county at the Panhandle South Plains Fair next Wednesday, and Dr. C. B. Townes and Mack Briley were appointed as a committee to put the thing over.

It was also decided to accept the invitation of New Home to meet with the people of that thriving community for a luncheon and Friday night of next week was the time set for the occasion.

Band Concert Sunday Afternoon

Announcement is made that there will be a band concert at 6 o'clock Sunday afternoon on the court house lawn. Everybody invited and urged to attend.

### Tahoka Has First Fire In Months

On Thursday night of last week Tahoka had the first fire that has hit the city in months. The home of Mrs. H. T. Eubanks, mother of C. Eubanks, in the Southeast part of town, was completely destroyed. The origin of the fire is unknown. Mrs. Eubanks was not well and was spending the night at the home of her son. When the fire was discovered it had already made such headway that it was impossible for the fire department to save the building. The furniture was also destroyed. Insurance to the amount of \$1,000 was carried on the building. There was no insurance on the furniture. On Tuesday of this week Master Fenton announced that the insurance loss had been adjusted and payment of same would be made at once. The citizens of the town made a nice purse for Mrs. Eubanks to partially remunerate her for the loss of the building and furniture.

The donations, according to Jack Kelly who collected the same, were as follows: \$112.00 in cash, \$32.50 in merchandise, and quite a number of household necessities contributed by neighbors and other friends.

The September number of Outdoor Recreation, a magazine published at Morris, Ill., contains an illustration and well written article by Chris Adair of Tahoka on "Safety First Camp Lore."

### Says Shallow Oil Field Prospect Good

"I believe prospects for a shallow oil field southwest of Tahoka are good," L. V. Hughes, driller on the Hart Well No 1, told The News one day last week. "I just made a trip out over that section and saw oil shale cropping out of a hillside."

Mr. Hughes moved his family here the latter part of last week from Vernon, where he has been drilling in the Wilbarger county field, and they expect to make their home here for some time.

Work is progressing slowly on the well west of town, he declared, due to the fact that the walls of the well cave in every time after they have drilled only a few feet.

Reliable reports are to the effect that Hart No 2, to be drilled somewhere southeast of town, will be started within the next six weeks.

### COURT OPENS FALL SESSION

#### Grand Jury Goes Into Session; Judge McGuire's Charge To Jury Impressive

The fall term of the district court for Lynn county opened at 10 o'clock Monday morning, Judge Gordon B. McGuire and district attorney A. W. Gibson being present.

The first business of the court was to impanel a grand jury and set them to work. F. E. Redwine of this city was appointed by the Court as the foreman of this body. The personnel of the body is as follows: F. E. Redwine, foreman, Tahoka; Marion Lee, O'Donnell; J. Wright Edwards, Three Lakes; J. H. Cobb, six miles north of Tahoka; G. M. Heard, Wilson; John Hamilton; B. J. Emanuel, Magnolia; J. C. Walker, Grassland, Glenn Allen, O'Donnell.

Bailiffs were appointed as follows: Howard Henderson, door bailiff; D. Sanders and T. A. Wimberley, riding bailiffs.

In empaneling the grand jury, Judge McGuire delivered a most impressive charge to that body. Taking notice of the criticisms being made of the courts with reference to alleged delays and failure to enforce the law, the Judge stressed the duty of grand jurors and petit jurors to enforce the law as it is written. He pointed out that this government consists of three distinct branches, the legislative, judicial, and executive. It is the business of the legislative department, he declared, to enact laws. "These legislators are chosen by the people, just as we of the judicial and executive depart-

(Continued on back page)

### Reception For School Teachers Next Week

The Parent-Teachers Club is planning a reception for the teachers of the public school. The reception will be held on Friday night of next week in the Baptist Church and will be conducted much on the same plan as that of last year. A program committee has been selected and an appropriate program will be rendered. The function will begin at 7:30. It is expected that all the members of the faculty and a great number of the patrons of the school and citizens of the town will be present. In fact, every person who is interested in the welfare of our school and community—and all should be—should be there to welcome our teachers and to speak a word of encouragement to them.

Ovid Donaldson of Tahoka is a member of the football squad of McMurry College at Abilene. He has made quite a record on the McMurry team and has returned to that school again this year to resume his studies. He plays end.

## SCHOOL ADDS NEW TEACHER

### Election Of Mrs. Swan To Give Crowded Condition Of Grades Some Relief

The crowded condition of the third and fourth grades has made it necessary for the school board to add another teacher to the faculty, there being 54 in the third grade and almost 50 in the fourth grade. At a meeting of the board Monday night Mrs. Leta Swan was elected to teach in these grades. The fifth and sixth grades are almost as badly crowded but there is no other room in the school building to place another teacher, and the teachers in these grades are being relieved to some extent by Miss Jackson, the Spanish teacher who is doing some of the work in these grades. The room in the old basement formerly used by Mr. Lacey for the teaching of vocational agriculture has been fitted up for a regular class room and is being so used. If many additional pupils enter during the winter months the board of trustees is going to have a real problem caring for them.

At the meeting Monday night, Mrs. Nat Williams, wife of the principal, was elected to teach Expression, but she will use her apartments for this work.

Mrs. Swan, who was elected Monday night, was formerly Miss Leta Carmack and is well known to the pupils and patrons of the Tahoka schools, having taught here successfully for two years before her marriage.

### LAW GIN COMPANY BUILDING RENT HOUSES

The Geo. B. Law Independent Gin Co., successor to E. R. Allen, is building two rent houses on its premises just east of the Santa Fe railway track to be occupied by laborers at the gin and their families. The houses will be completed within a few days.

## REVIVAL WILL CLOSE SUNDAY

### Meador Preaches Excellent Sermons In Meeting At Local Methodist Church

In spite of the busy season, Rev. C. B. Meador has been preaching to good-sized crowds at the Methodist Church each night since the meeting began nearly two weeks ago. While the visible results of the meeting have been small, so far as conversions go, yet the sermons and services have been of a highly constructive and inspiring nature, and it is believed that the church has been greatly strengthened spiritually. The song services conducted by Mr. Smith have been most excellent and inspirational. The morning services have been fairly well attended and they have been exceptionally impressive and helpful. The services will close next Sunday night. It is hoped that great crowds will flock to the services during these last few days.

### NEW PRODUCE HOUSE FOR TAHOKA

A new produce house for Tahoka is to be opened in a building on the south side of the square on next Saturday, according to Douglas Carver of Lamesa, who was here this week making arrangements to open the business. The Carver Produce Company has a house at Lamesa, conducted by Mr. Carver and his father, and they have decided to extend their operations. "We had intended going to another place," Mr. Carver told the News, "but upon reaching Tahoka and making some investigations here we decided that this is a mighty good place to open a house."

Young Mr. Carver is a graduate of Simmons University, having completed the course there last year, and is a most excellent young man, who will be welcomed into the business, social, and religious circles of the town.

## Cotton Coming In Rapidly; C. Of C. Is Seeking Hands

### GETS MAN ON THEFT CHARGE

#### Simpson Brings Back Man From Dallas Charged With Theft Of Car

W. L. Conallee alias Walter Hamilton is occupying a room up in Wesley Simpson's iron-barred apartments on the fourth floor of the court house and has no rent whatever to pay.

Hamilton, as he is known here, was located in a paint shop in Dallas, where he has been working only a few weeks. Simpson had previously located him in Hamilton county but before it was possible for him to get the necessary papers and go after him Hamilton was gone. Simpson went down to Dallas a few days ago and returned with his prisoner Tuesday morning.

Hamilton is wanted here on charge of the theft of L. L. Jones' car and also for unlawfully disposing of mortgaged property. It will be remembered that Hamilton formerly lived here. In March of this year he disappeared in the car of his father-in-law, L. L. Jones, leaving his wife and child. After he was gone, it was found that he had forged a check on Jones, according to Sheriff Wesley Simpson, but this occurred in Terry county. He had also disposed of a car which was mortgaged. He is wanted by offices in both Dawson and Terry counties, according to Mr. Simpson.

### TRADE TRIP A BIG SUCCESS

#### Band And Boosters Received Hearty Welcome In All Towns Visited Last Thursday

On Thursday, Sept. 16th the Tahoka band and a number of the business men of Tahoka went on a little excursion trip to Wilson, Slaton, Crosbyton, Ralls, Lorenza, Idalou, and Lubbock. About fifteen cars made the trip, boosting Tahoka, Lynn county, and the Lynn county fair that is to be held in Tahoka on October 8-9. Everyone reported the trip as being a wonderful success.

In each town the band played two numbers, G. H. Nelson, Secretary of the Chamber of Commerce, made a short talk, the band played another number, some of the boys put circulars in each business house in town, and the delegation bid them farewell for the next town. When the delegation reached Idalou Happy Smith made the talk and swept the bunch off their feet.

The Tahoka band led the parade for the Crosby county fair, which was in full swing. The welcome that was given the Tahoka people by the people of Crosbyton shall not soon be forgotten. The watermelons they served to all of us were enjoyed to the fullest capacity, and it seems that the capacity of some was exceedingly great. We hope that the people of the towns visited will give us an opportunity to show our appreciation in a greater way for the courtesy extended to us by paying us a visit on our fair dates, October 8-9. If they cannot come at that time we want them to come when they can.

One of the Number

## KIWANIS CLUB AT JOE STOKES

### Fine Feast Spread; Community To Have Booth At The Lynn County Fair

The Kiwanis Club members were guests of the Joe Stokes community last Friday night. A great feast was served by the women of the Joe Stokes community, so those who attended from Tahoka report. As usual, the Tahoka Band was present to furnish music and altogether there were about 35 in the Tahoka party. On account of a death and serious sickness in the community as well as the showery weather, the local attendance was light. G. H. Nelson, secretary of the Tahoka Chamber of Commerce, and Prof. Griffith, principal of the Joe Stokes school, made addresses. Assurances were given the visitors from Tahoka that Joe Stokes would have a community booth at the Lynn County Fair on October 8-9 and that the Joe Stokes people would be here in large numbers.

### HOUSE FOR TAHOKA

Winter Knight has been a busy man the past few days. Selling cars? No. He hasn't had time to think of a car. A 1927 model American boy arrived in his home last Friday morning and Winter declares he is in perfect running order, apparently good for 75 to 100 years service. Grandpa George A. is just a bit more jovial than usual himself, while the boy and mother are both happy. The young man has been christened Gene Earl.

### Parking Notice

Please note the white marks on the sidewalks and park your cars accordingly. Do not park along red lines at corners.

M. C. Finch, City Marshal.

Three million telephones are now in service on the farms, ranches and plantations of the United States, an unequalled world's record.

### W. S. Swan Has Returned To Tahoka

W. S. Swan, who has been in the employ of the Texas & Pacific Railway at Big Spring as special officer for the past several years has resigned his position and returned to Tahoka.

Mr. Swan has been a faithful and efficient officer and has had long experience as a peace officer, having previously served for eight years as sheriff of Jones county. "I was just tired of being away from my family so much," Mr. Swan told the News man, "and decided to quit." The editor knew Mr. Swan down at Big Spring when the former was in official position down in that district, and we know that he was highly regarded by the citizenship of that city and by the other peace officers there.

### PICKERS WILL BE HERE SOON

#### Being Sent At Rate Of 200 and 300 A Day From South Texas Nelson Says

Cotton is coming at the rate of 100 bales per day now, 105 bales being received at the local yard Wednesday. At noon Thursday the receipts amounted to 402 bales.

In response to a telegram sent to the labor department at San Antonio by G. H. Nelson, secretary of the Tahoka Chamber of Commerce, early last week, applying for 600 cotton pickers for Lynn county, he received advices later in the week to the effect that the matter had been referred to the federal employment agents who stated that beginning on Friday of last week Mexican pickers would be released and sent toward the plains at the rate of 200 or 300 daily. It was impossible to get the Mexicans earlier on account of the big Mexican celebration to be held there and in all territory where Mexicans are to be found in large numbers on Thursday of last week. It is believed that pickers will gradually reach Lynn county in sufficient numbers to take care of the situation. In the meantime Mr. Nelson is leaving no stone unturned to secure pickers.

Some two weeks ago the Tahoka Chamber of Commerce held a meeting of all the farmers of the surrounding communities to ascertain the needs of the farmers for cotton pickers and to come to some agreement concerning the price to be paid for picking. At that meeting I was appointed as the representative of the farmers in this section to speak their sentiments at the meeting of the South Plains farmers and labor agencies at Lubbock on last Monday.

The farmers in this section went on record as being in favor of paying not more than one dollar and board or one dollar and twenty-five cents and the pickers board themselves. Fuel was not to be furnished by the farmers.

At the meeting in Lubbock last Monday practically every county on the South Plains was represented. The whole body went on record as being in favor of paying not more than one dollar and board or one dollar and twenty-five cents and the pickers board themselves. No fuel is to be furnished by the farmers.

We were assured that many thousands of pickers would be coming this way within the next few days, and therefore no reason for alarm. Calls for about 16,000 pickers were made at this meeting in Lubbock.

### Eight Schools Of County In Session

Five schools in Lynn county started Monday, Sept. 13, according to county superintendent H. P. Cave-ness. In fact there were six including the ward school in the Tahoka Independent district. These schools were: two in Tahoka, O'Donnell, Wilson, New Home and West Point. The schools were already in session at Joe Stokes, New Lynn, and Pride. Other rural schools are not expected to start until the major part of the cotton crop is gathered.

### IT RAINED RESULTS!

Few want ads ever brought better results than one run a short time ago in the Mitchell (S. D.) Republican by one Chris Stiber.

He spent 25 cents and advertised for five inches of rain.

And then it rained for seventeen hours and agricultural and mathematical stars figured out it was worth a million dollars an hour to the state.

Seventeen million dollars. Not so bad for a quarter want ad!

**THE STORY OF FIRE PREVENTION WEEK**

Fire Prevention Week is a week of education—it is the period in which the effort is made to bring to the attention of everyone the danger to life and property that exists in fire, and to suggest the methods by which most fires can be prevented.

But Fire Prevention Week is more than just this. It is also a rally point from which the people of America, completely aroused to fire-consciousness, should sustain their interest throughout the year in the campaign against fire.

On October 9, 1871, Mrs. O'Leary's cow kicked over a lantern in a barn and thus started the great Chicago fire. The cow has become the symbol for the everyday carelessness which must be checked if this country's disgraceful fire waste is to be restricted.

The anniversary of that date is therefore set aside as Fire Prevention Week.

FULL PAGE EACH WEEK FOR YEARS

Since 1909 the English & Howers, department store owners of Clear Lake, S. D., have carried a full page advertisement in the Clear Lake Courier every week, without missing a single insertion.

"In all instances their advertising has been backed up with the goods they had to sell," says a writer in the National Editorial Association Bulletin, "with the result that for the year following the start of their consistent advertising the average monthly gain in gross sales amounted to nearly \$1,000 a month over and above their previous business and has continued good ever since."

"They also advertise in the Deuel County Advocate, another paper of Clear Lake, and do other advertising. They change their advertisements often, most generally every two weeks. "This town has less than 1,000 population, and the entire county less than 90,000."

J. Anson Coughran says that he knows it pays to advertise. He ran an ad in two issues of the News, advertising land for sale. He doesn't know how many sales are traceable to this ad but he does know that it resulted in one sale that brought him and associates a commission of \$600.00. Others might profit by his example.

**In the Kitchen with 6 Famous Cooks**

**BREADS AND BISCUITS AS 3 EXPERT COOKS MAKE THEM**

(Ed. Note: This is one of a series of articles on cooking which 6 famous cooks are contributing to this paper.)

Bread can be much more than the uninteresting, prosaic "stuff of life." It can be made so delicious that you eat it because you want to, not because you think you ought to.

Famous cooks have unearthed many delicious bread and biscuit recipes from various parts of the country for you. Follow their recipes for pleasing variety in breads.

**Easy Bran Muffins**

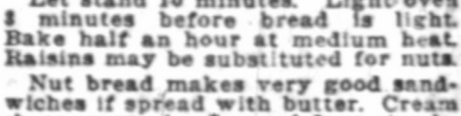

Mrs. Rorer, the Philadelphia cooking expert, recommends her bran muffins for breakfast. "They are very nutritious and healthful," she says. "One might paraphrase the old saying into a bran muffin a day keeps the doctor away." It would hold just as true.

"These muffins are easily made," she affirms. "Beat one egg, add a cup of milk, a half teaspoon salt, one tablespoonful sugar, and one tablespoonful melted butter. Sift one half cup flour, three level teaspoons baking powder, and bake in a hot oven, in greased, gem pans for 10 minutes."

Mrs. SARAH T. RORER

**Nuts for Nourishment**  
Mrs. Rorer has a very appetizing and nourishing nut bread, too. Here's how to make it: Chop enough pecans to make a half cupful. Put two cupfuls flour in a bowl, add four level teaspoons salt, and two tablespoonfuls of sugar, and sift. Mix in the nuts. Beat one egg, add one cupful of milk, mix and add the flour. Beat well and turn at once into a greased bread pan. Let stand 10 minutes. Light oven 8 minutes before bread is light. Bake half an hour at medium heat. Raisins may be substituted for nuts. Nut bread makes very good sandwiches if spread with butter. Cream cheese may also be used for a simple, delicious filling.

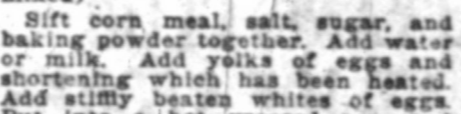

**Southern Corn Bread**

Corn bread, that favorite of the South, is another nutritious change from the every-day white bread. Made with the recipe of Miss Rosa Michaelis, famous New Orleans cook, it's a welcome part of any meal.

Here are the ingredients:  
1/2 cup of sugar  
4 cups cornmeal  
1 1/2 teaspoons salt  
1 egg  
2 tablespoonfuls baking powder  
1/2 tablespoonfuls shortening  
2 cups water (or milk, or the two mixed)

Sift corn meal, salt, sugar, and baking powder together. Add water or milk. Add yeast or eggs and shortening which has been heated. Add stiffly beaten whites of eggs. Put into a hot greased pan. Bake in hot oven. This can be served with butter or with syrup.

**Real Beaten Biscuits**

If you have a patient right arm, you are bound to make successful beaten biscuits. This is another old southern recipe of Miss Michaelis.

1 quart flour  
1 1/2 teaspoons of lard  
1 pint of milk  
1 teaspoon salt

Sift dry ingredients. Then add the shortening and blend by using the fingers—rub until smooth; add gradually the liquid and knead all together till the dough is formed. Should be rather stiff dough. Then lay the dough on a biscuit board and beat with rolling pin half an hour. Knead lightly, but again for ten minutes, till air bubbles form all over the dough. Then roll out and cut with cutter in any shape and stick top here and there with fork. Bake in moderate oven about fifteen minutes or till top and bottom are a light brown.

**Use Oranges**

Orange muffins are just the thing for breakfast. Toasted, they are delicious to serve with afternoon tea. Mrs. Belle DeOrs, of San Francisco, formerly with the Pacific Coast Branch of the New York Cooking School, gives this delectable recipe:

1 cup flour  
4 teaspoons baking powder  
1 teaspoon salt  
1/2 tablespoonful sugar  
1 egg  
1/2 tablespoonful melted butter  
1 cup orange juice  
Grated rind of one orange

Beat eggs and add liquid. Stir and combine dry ingredients. Add melted shortening and fruit mixture. Bake in greased muffin pans, in moderate oven about 10 minutes.

You may serve a different bread or biscuit every meal. These recipes are especially helpful to women with the lunch problem, as different sandwiches may be used with all but the beaten biscuit with good results.

**Much Ventilation**

One manufacturer is selling an efficient oven with 108 holes. These holes provide perfect air circulation and carry away all surplus moisture and all odors. This oven is especially made for oil stoves.

**Baking Hint**

The oven should always be preheated a few minutes before biscuits are put in. They require fast baking.

**For Oil Stove Users**

Women who cook with oil will appreciate one of the newer, easily filled, glass reservoirs. The hands do not come in contact with the kerosene at all.

**Tech To Offer Courses On Saturday**

LUBBOCK, Sept. 20.—Teachers of the immediate section surrounding Lubbock will be accommodated this fall and winter by special courses of fered in the Tech on Saturdays, according to an announcement made this week. Other courses may be offered at after-school hours should the demand justify it.

The teachers taking special courses will be required to do the preparation during the week, and two hour lectures will be given on Saturday. In this way they will be enabled to make credit for three term hours of work each term, or nine hours for the entire year.

The courses are being offered under the direction of Dr. Evans, head of the department of education. Some of the teachers will also avail themselves of correspondence courses. The two opportunities combined will enable teachers to make eighteen hours or more throughout the year.

T. Paul Barron, editor of the Midland Reporter, passed through our city Monday and stopped in a few minutes to meet the editor of this paper. Mr. Barron is publishing a splendid paper in his splendid little city and we appreciated the compliment therefore when he praised our paper and stated that he read and appreciated it each week. Barron is a live wire in one of the oldest and best towns of the west.

Albert Curry, employed on the O'Donnell Index, was here a short time Monday hobnobbing with the News force. He was on his way home from Plainview, to which city he had gone to visit his brother Charley, who is attending Wayland College there.

**CONSTIPATION**  
And Attendant Ills Relieved By Taking Black-Draught.  
The Rev. Granville Edwards, who lives at Schoolfield, near Danville, Va., was troubled for a long time with constipation and its attendant ill, which kept him from feeling fit. He writes: "Luckyly I then, which was about twenty years ago, heard about Black-Draught and began to take it. After taking Black-Draught for a little while I noticed that my trouble began to disappear. The poisons, which had accumulated in the body, as a result of constipation, were eliminated, and I felt a hundred per cent better. The dizzy feeling, which I had felt almost every morning before breakfast, was gone. "Black-Draught is a household article with us. We always keep it on hand." Try Theodor's Black-Draught for constipation. Sold everywhere. 25c.

**DIZZY SPELLS**

They Would Come On This Lady And Last For Several Days.

"I have known Cardui for a long time," writes Mrs. Hattie Bourk, of Jacksonville, Fla. "Recently, I used Cardui for bad spells which came on me. I would get very dizzy and would often be out of my head for a short space of time, from sheer weakness."

"Having taken Cardui before as a tonic, I began to use it regularly. I improved at once. I kept on taking it and do not know how I should have got through this time, without it. I have been feeling normal now for some months."

Cardui has helped thousands of others. It should help you. Buy it at your druggist's.

WITCHER RESIGNS; RESIGNATION ACCEPTED

AUSTIN, Texas, Sept 21—Governor Ferguson in a message to the senate this afternoon announced tender and acceptance of resignation of Acting District Attorney W. C. Wichter, of Lubbock, effective October 1. Witcher's nomination had been opposed and despite his resignation the senate must either reject or confirm his appointment.

**GINNING TIME**

**Seniors Organize For The Year**

The Senior class met at 4 o'clock Monday afternoon, Sept 20, 1926 and elected its officers. The officers elected are as follows:

- President — Clay Bennett
- Vice-Pres — Burton Hackney
- Secretary — Evelyn Hatchett
- Treasurer — Lillie Mae Reid
- Sargent at Arms — Laurence Sanford
- Reporter — Berta Hill
- Parliamentarian — J. E. Ketcher

The president appointed the following Committees: Social Committee R. E. Doak, Claude Williams, Alice Small, Jewell Sargent, Helen Lee Maddox.

Committee to arrange Senior chapel program—Leta Tarrance, Ethel Kuykendall, Norene Powell, Orvis Weather, Marvin Munn.

Committee to decorate the Senior room—Charlotte Barnett, Jewel Minor, Ruby Tredway, Opal Denton, Frank Willingham.

Committee to submit mottoes, colors, and flowers to the class, from which the class motto, colors, and flower will be chosen—Winnie Freeman, Winnie Spears, Doris McGonagill, Burnett Smith, Mary Lynn Scott, Nellie Richards, Pauline Thompson.

The Senior Class also placed their order for diplomas and invitations Monday afternoon.

**DRAW ITEMS**

Everybody here seems busy now. Cotton picking is in progress.

Mr. and Mrs. Marvin Eldridge have returned from the oil fields and will open up the restaurant at this place for the gathering season.

C. R. Cargile has gone to Roswell, N. M., to get a load of apples.

Mr. Geo Pugh and Sam Eldridge are visitors at County Line this week.

Mr. and Mrs. D. A. Kulkand visited their daughter and husband, Mr. and Mrs. Grover Maner, Sunday.

There seems to be a lot of canning of late field and garden products this week. Look out, Hard Times we are learning fast to get ahead of you.

Miss Millie M. Halsey will make her regular visit in this neighborhood this week helping the club girls get ready for the fair. Hurray! girls, some one will win a trip to the Dallas Fair.

The boll worms sure have played havoc with the cotton the last few days.

Mrs. Ben Bryant has been a visitor this week with her mother.

Everybody is so busy they are at home, hence not a lot of exciting news this week.

Correspondent

**AN ORDINANCE**

Regulating the Parking of Automobiles and other Motor Vehicles. Be it ordained by the City Council of the City of Tahoka:

1. That all automobiles and motor vehicles park at the curbs at an angle of 45 degrees.

2. That it shall be unlawful to park any car at curb less than 22 feet from corner of sidewalk.

3. That all ordinances or part of ordinance in conflict with the provision of this ordinance are hereby expressly repealed.

4. Any one person firm or corporation found guilty of any provision of this ordinance upon conviction shall be fined \$1 to \$25.00.

This ordinance shall go into effect upon passage and publication as required by law.

Passed and approved Sept. 14, 1926.

J. R. Singleton, Mayor

Attest: Frankie Wells, City Secy

**Stomach So Bad Can't Eat Even Fruit**

"For years was badly constipated and troubled with gas after eating. Could not eat fruit and many other things. Adlerika has done me good—can now eat anything" (signed)

W. H. Fletcher, Adlerika removes GAS and often brings astonishing relief to the stomach. Brings out a surprising amount of old waste matter you never thought was in the system. Stops that full bloated feeling and makes you enjoy eating. Excellent for chronic constipation. Thomas Bros Drug Co.

**FOR WORKING PEOPLE**

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of

THOMAS BROS. DRUG CO.

Presbyterian Women Elect New Officers. The Presbyterian Missionary Society met at the home of Mrs. John Evans Monday and after the lesson the following new officers were elected:

- Mrs. G. T. Naab — President
- Mrs. J. L. Heare — Vice-President
- Mrs. R. P. Weathers — Sec'y-Treas.
- Mrs. R. L. King — Asst Sec'y-Treas.
- Mrs. John Evans — Teacher

Prof and Mrs. Killen of Diecks Arkansas, spent last week in Tahoka visiting Mr. and Mrs. R. J. Reid. This is Mr. and Mrs. Killen's second visit to the plains and they were very much impressed with this country.

Sherman Davis has entered school at Simmons University, Abilene.

Mrs. Joe Smith of Lamesa spent the week-end in Tahoka visiting friends and relatives. Friends will remember Mrs. Smith as Miss Maude Edwards.

Dr. J. M. McCoy was a business visitor in Lubbock Tuesday.

Mrs. M. Sanders accompanied by her son and daughter, Mr. and Mrs. Harry Symonds, visited in the home of Mr. Jack Alley Sunday and Monday. They went from this place to Denver, Colo., where they expect to spend a week or two.

Mr. T. J. Bailey, post master at Royse City, was a business visitor in Tahoka Tuesday. Mr. Bailey complimented our town and our new post-office highly.

**Tahoka Trippers Invade Lubbock**

Headed by the Tahoka municipal band, a large and enthusiastic group of Lynn county citizens stormed Lubbock yesterday afternoon about 6 o'clock advertising the Lynn County fair October 8 and 9. They marched down Main street and entertained with a short concert in front of the court house lawn.

G. H. Nelson, secretary of the Tahoka chamber of commerce made a short speech between numbers and invited the local citizens to the fair. Nelson stated that Tahoka and Lubbock are working for the same cause, "Making the west, the very best." He told of the plans for the fair and urged that a large number of Lubbock county citizens attend.

The booster caravan had just completed a circuit of this section, making Wilson, Elston, Crosbyton, Ralls, Idalou and Lubbock. They spent most of their time at the Crosby county fair which is being held in Crosbyton.—Lubbock Avalanche.

Malcolm Dolloff, who has been at McAllen for several months, was here Tuesday morning on his way to Seagraves, to which place he was called by the serious illness of his mother. Malcolm formerly lived here and went from this place to McAllen.

The missionary society of the First Christian Church met last Monday at the church in a business session.

Billie Brandon and Ernest Ray returned Sunday from Kansas City, Mo., They made the trip in a car.

**NOTICE TO THE PUBLIC**  
Any erroneous reflection upon the  
reputation or standing of any indi-  
vidual, firm or corporation, that may  
appear in the columns of the News,  
will be gladly corrected when called  
to our attention.

We believe that Dan Moody's ap-  
peal to the Ku Klux Klan to disband  
should be heeded. In fact we be-  
lieve that thousands of good men  
who were induced to join the Klan  
two or three years ago have con-  
cluded that the movement was a mis-  
take and the organization has been  
a failure and have already abandoned  
it. There are those that take the po-  
sition that as long as the Knights of  
Columbus exists and "carries on,"  
the Ku Klux Klan should also con-  
tinue to live and to function. We do  
not believe it. The objection urged  
against the Knights of Columbus is  
that it is a secret Catholic organiza-  
tion designed to wield political in-  
fluence and to control the politics of  
this country in the interest of the  
Catholic Church. If this be true, as  
we believe it is, then we think that  
the Knights of Columbus is an un-  
American and harmful organization.  
But shall we fight it by doing the  
very same thing that we denounce it  
for doing? If it is wrong for Catho-  
lics to band together in a secret or-  
ganization for political purposes, is

it not wrong for Protestants to do  
the same thing? We think so. We  
are opposed to secret political orga-  
nizations, whatever may be the pur-  
pose and whatever may be the reli-  
gious belief of the members. Such  
an organization can only breed dis-  
trust and hatred. It can only re-  
sult in the building up of a political  
machine that the politicians at the  
head of it can use for their own sel-  
fish purposes. It is always used by  
selfish men through which to pass  
the flames of prejudice and passion  
and to create distorted views of pol-  
itical and religious matters. If the  
Catholic Church is undertaking to  
control the politics of this country  
through the Knights of Columbus, a  
secret organization, let's cry out  
openly against its perfidious purpose;  
let's not go and organize a like orga-  
nization to control the politics of the  
country in a like way in the interest  
of the Protestants. All such organi-  
zations are un-American, undemo-  
cratic, and unwise. Surely most good  
men who joined the Ku Klux Klan  
have long ago seen the mistake. We  
are ready to make an open fight,  
an organized fight if need be,  
upon any secret organiza-  
tion organized for the purpose of  
controlling the politics of this coun-  
try, and if the good people of this  
country generally will take that  
position there is no danger from the  
Knights of Columbus or any other  
secret political organization.

Dr. George W. Truett last Sun-  
day entered his thirtieth year as  
pastor of the First Baptist church,  
Dallas. That is surely a wonderful  
record for any man, to stay in har-  
mony with any organization or con-  
gregation of people and speaks  
louder than the force of language  
as to his character and manner of  
dealing with the public—Killeen  
Herald.

Dr. Truett is a wonderful man, one  
of America's greatest preachers.  
How different from another preach-  
er in a near-by city who has also  
been the pastor of his church for  
many years! But Norris lives and  
thrives seemingly on sensationalism  
and religious demagoguery. If he would  
abandon his theatrical methods,  
banish hatred and malice from his

heart, quit exalting himself so much  
and try humbling himself more, let  
love and generosity become the im-  
pelling motive power of his life and  
work, he might cease to have the  
blind worship that some of his fol-  
lowers now accord him but he would  
win the love and esteem of hundreds  
of thousands of people throughout  
this country who have little confi-  
dence in his sincerity. How much  
better than his are the methods and  
spirit of George W. Truett!

**SOMETHING IN A NAME**  
A barber by the name of Terrell  
flipped a coin to see for what state of  
fice, he would announce in the July  
Primary. The office of State Land  
Commissioner won, and the barber  
without a moments preparation, and  
without spending a penny, writing a  
letter or making a speech, lacked only  
35,000 of defeating a man well  
known in the state and probably the  
best qualified man for his position  
who has recently held office in  
Austin. That is certainly a fine com-  
ment upon the efficiency of the  
primary system, and of the intelli-  
gence of 300,000 voters who voted  
merely for the name without know-  
ing a single thing about the man  
for whom they cast a vote—Ran-  
dall County News.

In the primary election there were  
four Terrells running for as many  
different state offices. Three of  
these were holding offices and so far  
as we know, were making good  
ones. Anyway the name had been  
pretty lucky, and the one The News  
has reference to came near defeat-  
ing the most popular Candidate in  
the past decade—Crosbyton Review.

The man with the proper civic  
spirit investigates before he criticizes.  
He takes the trouble to look into the  
future of his own home town before  
he condemns it. The trouble with  
most critics, as with the knocker, is  
that they do not know enough about  
the things they criticize. Construc-  
tive criticism is valuable because it  
carries with it a full knowledge of  
the situation, but just mere knock-  
ing is ignorance on a rampage. There  
is nothing elevating or enlightening  
in continually finding fault, yet the  
small town frequently has this type  
of citizen with which to contend; a  
small minority which thinks that  
its town is not good enough for them.  
But if it depended on their efforts,  
there would be no town at all—  
Lorenza Tribune

Say, Suits, you have hit a lot of  
us. How often we have criticized and  
afterward found that we did not  
know all the facts! In fact, most  
criticism arises out of ignorance or  
only a partial knowledge of the facts.  
The knocker, the kicker, and the  
habitual critic usually knock and  
kick and criticize without knowing  
anything about the matters com-  
plained of and in blissful ignorance  
of their ignorance. Only the con-  
structive critic really helps in any  
community enterprise.

Mr. Haines, the Republican candi-  
date for Governor, predicts that the  
Fergusonites will bolt the ticket  
in November and that he will be  
elected Governor against Dan  
Moody. Haines further is an opti-  
mist. Haines certainly states that  
"what the Democrats of Texas  
need most is a good, powerful Re-  
publican party." It has been our  
observation that when the Republi-  
can are powerful they are not good  
and when they are good (like they  
are in Texas) they are not powerful.  
—Otney Enterprise.

The worst trouble with the Repub-  
lican party in Texas is that its  
leaders are purely opportunists,  
with little evidence of any real con-  
victions on any question. Two years  
ago, when the Klan had been de-  
feated in the second Democratic  
primary the Republicans made a bid  
for the Klan vote. Now, after Fer-  
guson and the rabid anti-klan ele-  
ment have been defeated in the Demo-  
cratic primaries, the Republican  
leaders are making a bid for that  
vote. If the Republican leaders in  
Texas expect to ever have a  
respectable following they must  
themselves be respectable.

**TEXAS' LAMENTABLE RECORD  
FOR 1935**  
254 people burned to death.  
25 million dollars worth of prop-  
erty destroyed by fire.  
85 per cent of the fires are from  
preventable causes.  
60 per cent of the fires are in the  
home.  
Our fire insurance rate increases  
or decreases according to our fire  
losses. Stop preventable fires and  
lower the insurance rate.  
Many School buildings in Texas are  
vulnerable fire traps—without prop-

er fire escapes or protection. Will  
we allow our children to spend three-  
fourth of their time in such build-  
ings?  
1. Our loss by fire is over \$500-  
000 every minute.  
2. Fire kills 1,500 people annually in  
U. S.  
3. Every year fire injures 5,000  
people.  
4. Fire cost in U. S. exceeds total  
cost of Education.

Joseph Weldon Bailey deplora  
the passing of the good old days of  
yore when the dances, the music and  
the politics were so much better than  
today. He mourns the disappearance  
from public life of the great men of  
another generation, but modestly re-  
frains from mentioning names—  
even the greatest of them all. Few  
men have been so highly endowed  
both mentally and physically as  
Senator Bailey. His was a remark-  
able, a wonderful personality. Time  
was when a single word from him  
called thousands to his standard. But  
those days are past. He is out of  
harmony with the things of today.  
His attitude toward the liquor and  
the labor issues helped to bring about  
his permanent retirement from pub-  
lic life. A group of faithful still  
follow his flag but the group is ever  
lessening, and where thousands an-  
swered his call to arms in other days,  
only hundreds now follow his flag.  
Pathetic is the figure of a statesman,  
or a politician, as he faces the set-  
ting sun of a brilliant career—Rogers  
News.

**HERO WORSHIP**  
No young lady ever lost her hero  
because her hands happened to be a  
little calloused from wielding the  
broom or stained from dipping them  
in dishwater. No girl ever fell down  
in the estimation of her hero because  
she stayed at home all afternoon and  
helped mother with the work, instead  
of coming down town and putting on  
a parade. No girl ever lost her hero  
because she made life more pleasant  
for dad and added more pleasure  
from his brow and caused him to  
look forward to the evening at home  
with pleasure. No girl ever lost her  
hero because she wasn't an adept at  
using all the latest and most popu-  
lar slang for a young man to admire  
and much less a young lady. If the  
young lady wishes the company of a  
true gentleman she will avoid cur-  
rent slang as she would poison. No  
girl regrets losing a hero who in  
reality was a common, cheap, tin  
horn sport, and she had better be a  
kitchen queen for dad and mother all  
her life than a broken-hearted drudge  
if a slave for some brainless brat a  
single day. Just because a girl ar-  
rives at gray hairs and faded cheeks  
in single blessedness is no sign she  
didn't have a chance. Most likely it  
is because she kept posted on market  
values and refused to sell her heart  
and happiness for a mess of pottage.  
—Wabash Plain Dealer.

**GROWING SMILES**  
A smile is quite a funny thing;  
It wrinkles up your face;  
And when it's gone you never find  
Its secret hiding place.  
But far more wonderful it is:  
To see what smiles can do:  
You smile at one, and he smiles at  
you,  
And so one smile makes two.  
He smiles at some one, since you  
smiled,  
And then that one smiles back;  
And that one smiles, until, in truth,  
You fall in smiling track.  
And since a smile can do great good  
By cheering hearts of care,  
Let's smile and smile and not forget,  
That smiles go everywhere.  
—Selected.

Mineral Wells—That real business  
men are willing to invest heavily in  
chamber of commerce work, and as  
matter of fact had rather invest  
larger sums for putting over big  
things than to invest small sums for  
routine work has long been realized.  
However a practical illustration of  
this fact was given by Carr P.  
Collins president of the Crazy Hotel  
Company who has offered to increase  
the subscription of his company to  
the local chamber of commerce from  
\$50 a month to \$5,000 a year if the  
Mineral Wells C-C will raise a \$50-  
000 annual budget. Mr. Collins stat-  
ed that he had rather pay \$500  
monthly than to pay the \$50 sub-  
scription on the present basis.

Stiles—A \$75,000 court house is  
to be erected for Reagan County, and  
the contract has been recently award-  
ed. The building will be a three-  
story structure of gray brick, steel  
and tile. The jail will occupy the  
third story.

**SHE WINS**

A newspaper published in another state offered a prize for the best answer to the conundrum:  
 "Why is a newspaper like a woman?"  
 The prize was won by a woman who sent in this answer:  
 "Because every man should have one of his own and not run after his neighbor's"—Peabody (Kan.) Gazette

"Willie!"  
 "Yes, mamma."  
 "What in the world are you pinching the baby for? Let him alone!"  
 "Aw, I ain't doing nothing! We're playin' automobile, an' he's the horn."  
 —B. Y. P. U Magazine

An Eye For "Business"  
 The new stenographer was very very beautiful. The two partner-members of the firm were holding a meeting.  
 Senior Partner: "How about you going out and getting some orders?"  
 Junior Partner: "How would it be if you went?"

Swing Low, Sweet Chariot  
 A junk shop near a railroad crossing in New Jersey bears this admonition to motorists:  
 "Go Ahead, Take a Chance. We'll Buy Your Car."

That Explains It  
 Judge: "How many times have you been in court?"  
 "Only once ye honor!"  
 "How long has that been?"  
 "About twenty years ago."  
 "Hm. That's not a bad record. And you haven't done any wrong since?"  
 "No sir."  
 "Where have you been?"  
 "In jail!"

Not Her  
 Police Captain: "I think we have located your lost wife, sir!"  
 "What did she say?"  
 "Nothing."  
 "That's not my wife."

BOOST!  
 Boost your city, boost your friend; Boost the lodge that you attend. Boost the streets on which you're dwelling. Boost the goods that you are selling. Boost the people 'round about you—They can get along without you. But success will quicker find them if they know that you're behind them.

Boost for every forward movement, Boost for every new improvement; Boost the man for whom you labor, Boost the stranger and the neighbor.

Cease to be a chronic knocker. Cease to be a progress blocker. If you'd make your city better, Boost it to the final letter.  
 —Detroit Free Press

Mother Knew  
 From Answers, London.  
 Small Daughter—Mother, what is an optimist?  
 Her Mother—An optimist, my daughter, is a woman who thinks her friends think she looks as young as they say she looks.

Returning late last Saturday I went to see my little nieces and nephews at school Monday morning and greatly appreciated the earnest work of Miss Seroyer and Mrs. Henderson. The world never will very long have a surplus of such teachers and their little folks seem to eagerly respond to their teachers' diligent efforts. How long before our own people will render their school teachers the same measure of loyal devotion, sympathy, respect, and cooperation as they receive in less favored lands?

Now, brother and sister writers, please cut out that alias business and put your own label on what you tell the world. When you bring your chickens, corn, cotton, and cows to the county fair you sure stamp them with your own name and address. Now I am just as proud of what I write in the News and outdoor magazines as Col. Mebane was of his world-famous strain of cotton or as Uncle Henry of his tin flyer and I never write under an alias, so please take the hint as your thousands of reader friends would like to know you better.

C. L. Nance of Bristow, Oklahoma, was here two or three days this week visiting his brother, J. B. Nance. He was accompanied by F. M. Taylor of Bristow and Sheriff J. Arthur Wilson of Sapulpa.

B. H. Oxford of the firm of Oxford & Oxford, lawyers, of Plainview was here Monday representing a client in the district court.

**STORY ON EARLY DAYS DELAYED**

Due to circumstances which come up in even the best of regulated printing offices, we are forced to delay Mrs. H. C. Cris's first article on "The Early Days in Lynn County" until next week. It is a good one! Watch for it.

**P-T CLUB HAS STARTED WORK**

Complete Organization. Will Join Federation; Plan Exhibit For Lynn County Fair

It was a busy meeting of the Parent-Teachers Club held in the public school auditorium Tuesday afternoon. This was the second meeting of the year. No set program had been prepared but many items of business demanded attention.

Organization was completed by electing Mrs. Leta Swan as secretary Mrs. C. B. Townes, the treasurer, made a report showing in a general way the work that was done by the club last year, about \$300.00 being raised and expended for the benefit of the school.

It was decided by a vote of the body to federate with the state organization and the treasurer was instructed to send the necessary funds to admit the club into the federation.

The club also decided to have a booth at the Lynn County Fair and to have a decorated float in the parade, and committees to look after the matter were named.

After some discussion it was also decided to have business and social sessions alternately this year. The business session meets the first Tuesday afternoon in each month and the social meeting will be on the third Tuesday night in each month. Get it right, everybody: Business meeting the first Tuesday afternoon; the social meeting the third Tuesday night.

A reading by Mrs. Nat Williams and a piano solo by Miss Juanita Jackson were much enjoyed.

There was a good attendance at the meeting Tuesday afternoon but more parents should have been present. The editor was asked to make a "touching" appeal to the parents to come and "give a hand" and help put over the work of this organization. We know of nothing more touching than to announce that the membership fee is only a dollar a year—either silver or rag money will do—and that there is possibly no organization in town outside the churches that can do as much good for the community and especially for the children as this club can do. So, come on folks and join, and we will "touch" you for only one dollar.

Committees appointed for the year were announced by the President, Mrs. Paul Miller as follows:

- Program: Nat Williams, Mrs. J. B. Walker, M. L. H. Baze;
- Finance: Dr. C. B. Townes, Mrs. B. N. Shepherd, Mrs. R. P. Weathers.
- Social: Mrs. Jno. E. Eldridge, Mrs. W. T. Clinton, Mrs. G. H. Nelson;
- Refreshment: Mrs. A. L. Jones, Mrs. L. E. Turrentine, Mrs. C. C. Barnes;
- Membership: Mrs. Charles Shook, Mrs. D. H. Goodnough, Mrs. G. W. Small, Mrs. J. H. Edwards, Mrs. Claude Wells;
- Publicity: E. I. Hill, Mrs. H. C. Cris;
- Hostess: Mrs. I. S. Doak, Mrs. S. W. Sanford.

**T-BAR NEWS**

The majority of the farmers in this community have begun to gather their cotton crop.

Brother Sullivan closed a two weeks meeting here Sunday morning. There was a large crowd at singing Sunday evening and at prayer meeting Sunday night.

The girls Home Demonstration Club is required to send or take all her sewing and canning she has completed to Miss Halsey's office not later than September 28. Now, girls, let's make a showing at the Lubbock and Lynn county fairs.

Miss Lois Goodrich from Tahoka spent the week-end with Mabel and Lucy Crews.

Charley Nichols left Tuesday morning for Nocona, Texas.

Evelyn and Iola Wilkinson spent Saturday night and Sunday visiting in the T-Bar community.

Mr. and Mrs. Townsen and daughter Lucile spent Sunday with rela-

tives near O'Donnell. Mr. J. H. Garrett and family took dinner at the home of Mrs. Frazier Sunday.

Mr. Boyd and Helm and Eugene Ward spent the week-end in Tulla, Texas.

Gladys and Ruth Terry were visitors in this community Sunday.

Mr. W. M. Ward, and Mr and Mrs. R. L. Moore, left Sunday night for Gal.

Wilma Andrews spent Saturday night with Ruby Moore.

Apple Blossom

A meeting held by Rev. Sullivan closed Sunday night.

Mr. Taylor of Lamesa, Mrs. Nichols Lewis Briley and son Curtis all have returned from a few days fishing trip, stating they had a number of bites but not fish bites. They caught only three fish.

Gladys and Ruth Terry were visitors in T-Bar Sunday.

Carl Richter, Lucile Townsen, Jamie and J. C. McCarley are attending the O'Donnell school. Vera Nichols and Gladys Moore are students in the Tahoka school.

After a few days visit with relatives and friend Charley Nichols has returned to his work. Left Monday morning for the oil fields.

Reporter

Mrs. W. S. (Skip Taylor while on her way to Lubbock Wednesday afternoon, accompanied by her children, turned her Ford Coupe over crushing in the top and doing other damage to the car. Mercifully, neither she nor either of the children were injured.

Hon. J. M. Marshall of Lubbock was here Monday to attend the opening of the district court.

**Anglin Attends Big Family Reunion**

W. S. Anglin and children, Herman Hazel, and Dama, returned Tuesday from Gorman where they attended a family reunion and the Golden Wedding anniversary of his parents, Rev. and Mrs. H. S. Anglin.

Mr. Anglin reports that there were seven children, twenty-eight grand children and three great grand children besides a number of neighbors and friends present to enjoy the occasion. The golden wedding anniversary was Monday. On this day also Herman Anglin had a birthday, being just 16 years old.

Mr. Anglin says that his parents have lived in the same community—the Oakland community—for more than fifty years. His father, who is a Methodist preacher, has been preaching regularly once a month in the church in that community for the past 47 years. He gave the land 19 years ago on which the church stands. Three churches have been built on the site. The first one was built of logs. Many years later it was torn away and a frame structure reared in its place. Several years later still this frame structure was burned and the Rev. Anglin himself built and paid for the church that now stands.

In the early days he was a Methodist circuit rider. He organized a number of churches at different times in that section of the state.

it is being planned now for all of these churches to have a joint celebration at an early date in honor of the founder.

## OCTOBER 3-9 DECLARED FIRE PREVENTION WEEK IN TEXAS

Due to the fact that fires in Texas and all over the United States have been increasing in number and amount of destruction during the past few weeks, Governor Miriam A. Ferguson has designated October 3 to 9 as fire prevention week and during this week many special programs will be given over the state emphasizing the importance of guarding against fires.

Fire Chief Garrett Richards and the Tahoka Fire Department are giving the observation of the week in Tahoka, and in all probability some kind of special program or programs will be given in the local schools.

In 1915 Texas' fire loss was \$5,127,406. Fire loss in the United States in 1915 was \$172,033,200. In 1925 it is estimated to be \$1,370,000,000.

Below is the Governor's proclamation: Year by year, the destruction of property by fire in America has been mounting until the total annual loss is now more than \$500,000,000. This means a waste each day of an average of \$1,370,000 of resources which we can ill afford to lose.

But far worse than the destruction of valuable property is the toll of human life through fire. The average number of persons burned to death each day in the United States

is stated to be forty-eight. In our own great State of Texas last year there was more than twenty million dollars worth of property and 284 lives destroyed by fire. A most conservative estimate is that 85 per cent of fires are from preventable causes.

NOW, THEREFORE, I Miriam A. Ferguson, Governor of Texas do hereby designate October 3rd To 9th, 1926 As Fire Prevention Week.

City officials, civic and commercial organization, school officers and teachers are hereby requested and urged to arrange meetings and exercises for the study of fire prevention problems, and for impressing upon the public the seriousness of the waste caused by fire and the need of the utmost care protecting life and property from danger. Editors and public speakers are requested to call special attention to his subject during that week. Our fire waste is already too large; we cannot permit it to increase. By united effort we can reduce it from year to year.

IN WITNESS WHEREOF, I have hereunto set my hand, and affixed the great Seal of the State this 18th day of August, 1926

Attest:  
MIRIAM A. FERGUSON,  
Governor of Texas.  
EMMA GRIGSBY MEHARG,  
Secretary of State

### Railroad Crossings Are Hazardous

You are vitally concerned in the hazard at the crossing.

There are 242,807 highway crossings passing over railroads. During the past five years, 3059 were eliminated; yet, because of additions, there has been an increase of 14,494 crossings.

Over 20,000,000 automobiles are registered in the United States. Their field of operation in every highway—every crossing.

The 1925 statistics show 2,206 persons were killed and 6,555 injured at such crossings. Automobiles were involved in 84 per cent of these casualties.

The complete separation of railroads from highways would eliminate these mishaps, but its accomplishment will require generations of time, and cost about \$19,000,000,000. Immediate remedies must be sought. The following suggestions are offered:

The separation of the highways from railroads should proceed in an orderly and consistent manner.

Public authorities should discourage the creation of new crossings. Highways should be re-routed,

where practicable, to avoid crossing railroads.

Railroad crossings should be clearly and uniformly indicated to highway traveler.

Due notice should be given of the approach of trains.

Travelers view of approaching trains should be improved where possible.

Extreme care should be exercised at every railroad crossing—no matter how rusty the track may appear.

Warning signals should be obeyed by highway travelers.

Where it is obligatory to stop before passing over railroad tracks there should be no equivocation, an actual stop, plus observation, should be the rule.

Every highway traveler should look and listen where such acts will avail him.

Drivers of automobiles should be competent, trustworthy, and of good habits.

Reckless driving over railroad crossings should be condemned.

All efforts to prevent crossing accidents should be encouraged.

The three C's CROSS CROSSINGS CAUTIOUSLY, should be indelibly impressed upon every driver.

### MIDWAY NEWS

On Monday evening of this week a meeting was called at the Midway school house to make arrangements for the exhibit at the Lynn County Fair. Fifteen "midweights" responded to the call. All seemed anxious to see Midway attempt to go over the top. It was pointed out that the prizes were not all the honors to be had by the effort. A county fair has educational and civic values that are of first importance. No community in Lynn county should fail to have a booth well filled and decorated. We have much to gain and nothing to lose by the effort. Look for us, we are coming.

Midway has a splendid three room brick school house and one of the best teacher's homes in Lynn county. Some splendid and much needed civic improvements are staged for the very near future. The school term is set to begin November 1 with C. M. Roberson and Mrs. Mary Roberson as teachers and will run eight months. Just "watch our smoke"

Mr. Roman was quite sick for two days of last week.

The ladies of Bethel Baptist

Church met on Monday afternoon at the church house to make a nine-patch quilt top for the Buckner's Orphans Home. There was a good turn out and all brought needles, thread, scraps and so forth. The top was not quite finished. Their next meeting will be October 4 at which time the top will be finished and quilted.

Bethel Baptist Church was built this year. The members come from Midway and Joe Bailey communities. It has a live Sunday School and preaching every first and third Sundays.

Mr. C. M. Roberson had quite a number of his friends to dinner last Sunday. There was plenty for all. He says that if they will just let him know when they are coming he will kill a chicken, open a keg of nails, and churn.

Pecos—The Commissioners' Court of Reeves County has recently made provisions for marking the highways of this territory. Arrangements have also been made to buy new machinery with which to keep these roads in good condition, especially the highway leading from Pecos to Ft. Stockton.

Wichita Falls—A state fish hatchery is to be located at Wichita Falls, according to reports from the State Game and Fish Commissioner. The hatchery will be located near the diversion dam below Lake Kemp. This will be the third hatchery to be located in West Texas Chamber of Commerce territory.

Clyde—Answering the call of Secretary W. H. Shanks of the Chamber of Commerce the Callahan County Sheep and Goat Raisers Association has recently been organized. The organization plans to build a warehouse at Clyde and make the city a market center for their products.

# What 30 Years of Cooking taught Mrs. Rorer about Stoves

By MRS. SARAH TYSON RORER  
Philadelphia Cooking Expert

"I PREFER oil stoves to any other kind. I speak from the fullness of 30 years' experience with them. Oil is clean, economical, and dependable. It saves a world of work. No coal or wood to carry in, no ashes to carry out. And no dust.

"I have just completed a special experiment on the 1926 model Perfection Oil Stove, testing it under all possible cooking conditions. I cooked many meals in my own kitchen. Every dish was deliciously cooked.

#### Immediate Cooking

"Steak began to broil and my molasses cake began to rise almost as soon as I lighted the burners. There was no waiting for the heat to 'come up.'

"The bottom of every utensil used in the experiment was as clean as a china dish. No soot was necessary. Those long Perfection chimneys certainly are insurance against sooty kettles.

#### All at the Same Time

"I cooked many things at once. For boiling beef I used a very low flame. I French-fried potatoes over a hot flame with yellow tips about 1 1/2 inches high above the blue area. I cooked white sauce over a medium flame.

"I used all grades of heat at the same time satisfactorily.

All flames remained steady and even. They did not creep or 'crawl.' This is a real blessing to the cook. She can forget her stove and keep her mind on her cooking.

#### "Very Well Satisfied"

"Altogether I was very well satisfied with the Perfection Stove. And, my good opinion of oil stoves has increased, if that is possible."

#### 4,500,000 In Use

The other five famous cooks were enthusiastic about the 1926 Perfection, too. And every day 4,500,000 women get real cooking satisfaction from their Perfections. You, too, will get the most cooking satisfaction the year around when you cook on the latest model Perfection.

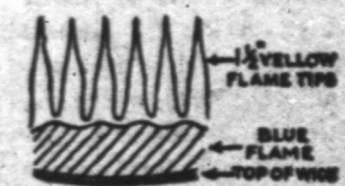

See the complete line at any dealer's today.

All sizes, from a one-burner model at \$7.25 to a large, five-burner range at \$130.00.

Buy the stove endorsed by Mrs. Rorer and the other five famous cooks, the 1926 Perfection.

PERFECTION STOVE COMPANY  
Dallas Branch:  
325 Trunk Avenue

Send today for our free booklet, "Favorite Menus and Recipes of 6 Famous Cooks." Contains many of Mrs. Rorer's.

"Use this flame for pre-heating the oven for cakes. It has yellow tips about 1 1/2 inches high above the blue area," says Mrs. Rorer.

"Heat at the touch of a match to the wick, when you cook on the Perfection," Mrs. Rorer says.

MRS. RORER is one of the six famous cooks who just completed a novel cooking test on the Perfection Stove. Others are: Miss Lucy G. Allen, Boston; Miss Margaret Allen Hall, Battle Creek; Miss Rosa Michaelis, New Orleans; Mrs. Kate B. Vaughn, Los Angeles, and Mrs. Belle DeGraf, San Francisco.

### Cain Reports On Democratic Meeting

At the Kiwanis luncheon Wednesday Judge Cain was called upon to give a report of his trip to the state Democratic convention in San Antonio recently. "One of the most striking things of the convention," the Judge stated, "was the presentation of a gavel to the chairman, Cone Johnson, by Judge Fly of Galveston." This gavel was made from a limb of the old oak tree under which Sam Houston lay when Santa Anna was captured and brought to him. It was presented to Judge Fly as his own personal property by the convention which first nominated Jim Hogg for governor thirty-four years ago. Judge Fly, who has been a member of the court of civil appeals at Galveston for thirty years, has kept this gavel as a price less possession. He was so delighted at the nomination of Dan Moody for governor that he resolved to take this prized treasure from its receptacle in his home and present it to the Democratic convention at San Antonio which should declare Moody the nominee and write the platform on which he is to be elected. The speech of presentation which he made, according to Judge Cain, was one of the most impressive and touching ever heard in a convention in Texas. Thirty-five years ago Judge Fly was one of the Democratic war-horses in this state and he is still deeply loved and highly esteemed by the Democracy of Texas and especially by the members of the legal profession.

Miss Mareda Hickerson left Monday to again enter the University of Texas at Austin. Miss Hickerson is working on her Master's degree and lacks only about six months of having completed the work.

Mrs. J. D. Bacon of Murchison, Henderson county, left for her home Saturday night after a two weeks visit with her sister, Mrs. C. W. Conway.

E. P. Hicks, attorney-at-law, of Tulsa, Oklahoma, is here this week on business. Mr. Hicks formerly resided here and still owns property in and near Tahoka.

### COURT OPENED FALL SESSION THIS WEEK

(Continued from First Page)

ments are chosen, and they enact laws after due deliberation. It may be that you and I would have written the law differently or not at all. It may be that we would have done better or worse, but it was not our business to write the laws. It is our business to enforce them. When the citizens get to the point where they can feel and say that the man who has violated the law has violated my law, then we will have less trouble in enforcing the law," he declared. He called attention to three classes of crime, which he instructed the grand jury to investigate. Crimes against the person, such as assaults and acts of violence, crimes relating to property, such as theft, swindling, forgery, etc., and crimes relating to the public welfare, such as bootlegging and kindred offenses. He denounced the thief and the bootlegger as the most despicable of criminals and enjoined the grand jury to make thorough investigation of any alleged violations of the law by these classes.

On last Friday morning E. N. Weathers caught a ride out to his farm north of town and he alighted from the car before it had stopped, thinking he could do so safely. Its speed was evidently greater than he thought, however, for when his feet hit the ground he lost his footing and suffered a terrible fall. Three or four ribs were terribly strained if not fractured, and he has been nursing a very sore side since.

### NEW LYNN ITEMS

Cotton picking seems to be the order of the day. I do believe our gin is breaking the record according to report they have ginned 50 and 60 bales, with a string of wagons seen coming down every road. Scarcely any hands are coming in. We hope to see them soon.

The great revival meeting is being conducted by Rev. Toney an evangelist and Miss Ruth Lainer as singer. Everybody being greatly impressed by her singing.

Rev. C. W. Shelton former pastor of Lynn Chapel and Grassland churches has accepted the work for

another year. Quite a number of small houses are being erected around New Lynn for the purpose of taking care of cotton pickers who are badly needed in this section.

Mr. and Mrs. A. Y. Pemberton of this community left Monday morning with the last load moving to O'Donnell, where they will reside in the future. Mr. Pemberton will be in the gin business there. These people will be greatly missed by many friends. O'Donnell is lucky to get such people as these.

Mrs. L. V. Price is visiting in Lamesa this week.

Harold Wade, one of our High School students, is now attending school in Tahoka. He is staying in the home of his aunt, Mrs. M. E. Barker.

Mr. and Mrs. C. Carson of O'Donnell visited in the home of Mr. and Mrs. J. T. Wade this week.

Mr. W. A. Baggett, our groceryman, had quite a little surprise Sunday afternoon when he came home from a short drive to find all of his gasoline pump and oil stands had been broken into, his locks and gasoline gone. The citizens of Lynn do not

### IT DRIVES OUT WORMS

The surest sign of worms in children is pinnose, lack of interest in play, fretfulness, variable appetite, picking at the nose and sudden starting in sleep. When these symptoms appear it is time to give White's Cream Vermifuge. A few doses drives out the worms and puts the little one on the road to health again. White's Cream Vermifuge has a record of fifty years of successful use. Price 35c. Sold by THOMAS BROS. DRUG CO.

Will soon be with us. May we suggest as a thoughtful Christmas Remembrance the sending to your friends your Portrait?  
Let a dozen photographs solve a Dozen Christmas gift problems.  
**Kregg's Art Studio**  
We are prepared to do the highest class of Kodak finishing also.

appreciate such things as this and hope this will be the last. Mr. Huff and J. T. Wade made a trip to Sweetwater Friday returning Sunday bringing 4 cotton pickers but were not able to keep two of them. Midway, why dont you write again? We enjoy so much your items.
