

Tahoka, Texas

ESTATE AND TOWN LOTS

Brady—The City Council of Brady has provided a market square to be used by farmers and other producers to market their products in this city. The market square will be free to all who grow or manufacture the products which they sell, but it is to be closed to others. An ordinance has been passed prohibiting the peddling or marketing of products on the streets of the city. The market plaza is to be provided with sanitary facilities, and will have a competent care taker to enforce the rules of the city ordinance.

NOTICE
I appreciate it if those wishing to piano or voice would see me that we may be able to begin September 5th. Prices \$6

Number 2

CLUB FAIR TO BE SEPT. 23-24

Contests Are Announced By County Home Demonstration Agent For Girls And Women

Every Home Demonstration Club member both women and girls is expected to make an exhibit of their Club work each year. This is usually done by holding a community fair in club booths at a county fair. As no county fair has been planned for Lynn county this year it becomes necessary for the club members to put on a county-wide club fair.

This club fair will be held in Tahoka on September 23-24. All products should be in my office by 6 p. m. September 22, except poultry. Bring that in on September 23.

The Women's and girl's list follows. Read carefully and bring everything you can.

The Lubbock Fair has a larger list and they are urging us to send products there and I am sure Lynn county club members want our county to make a good showing there, as we have been doing for the past three years.

Every poultry club girl and boy should bring 2 pullets and a cockrel to the Lynn county club fair.

Rules
Girls must do all of own work must complete record book and history with exhibit.

Boys must send complete record book and history with poultry exhibit.

Class No. 1-1
First Year Club Work

1. Best exhibit required garden club work, including canning, sewing article for home improvement and complete record book and history.
2. Best exhibit required poultry club work, including poultry, (1 cockrel and 4 pullets) sewing article for home improvement and complete record book and history.

Canned Products

3. 1 quart tomatoes (canned)
4. 1 pint chili sauce.
5. 1 pint tomato pickle.
6. 1 quart canned fruit.
7. 1 quart soup mixture.

Sewing

8. 1 cup towel
9. Holder
10. Uniform cap
11. Uniform apron
12. Best Article for Home Improvement

13. Best history of work, with complete record book.

Class No. 1-2
Second Year Club Work

14. Best exhibit required garden club work, including sewing, canning article for home improvement and complete record book and history.
15. Best exhibit required poultry club work, including poultry (1 cockrel and 4 pullets) sewing, article for home improvement and complete record book and history.

Canned Products

16. Two 2 lb. can tomatoes
17. 1 quart canned beans or field peas.
18. 1 quart baby beets (canned whole)
19. 1 pint Dixie relish
20. 1 pint fruit preserves.
21. 1 pint fruit preserves.
21. 1 pint watermelon rind or tomato preserves.

Sewing

22. Hemmed patch
23. Sewing rag.
24. Bugalow apron
25. Best article for home improvement.
26. Best history of work, with complete record book.

Class No 1-3
Third Year Club Work

27. Best exhibit of required club work, including canning, sewing, article for home improvement and complete record book and history.
28. Best exhibit required poultry club work, including poultry, (1 cockrel and 4 pullets), sewing, article for home improvement and complete record book and history.

Canned Products

29. 2 quarts canned vegetables, different kinds and fancy pack
30. 1 quart tomato mince-meat.
31. 1 quart cucumber pickles.
32. 2 containers of Jelly.

Sewing

33. Best darned stocking

(Continued on last page)

Baptist Meeting Ends Sunday Night

The services being conducted at the City Tabernacle by the Baptist Church will come to a close Sunday night. Thus far there have been a few professions of faith and a few accessions to the church. Dr. Kellam, who has been doing the preaching, has been delivering some wonderful messages, which are greatly appreciated by those who have been attending the services.

Rev. B. N. Shepherd filled Dr. Kellam's pulpit at Calvary Baptist Church, San Antonio, last Sunday, while the latter continued to "carry on" here.

RAIN BENEFITS COUNTY CROPS

Sunday's Showers Vary From One Quarter To One Inch; Cover Most Of The County

Large portions of Lynn county were covered by the rains which fell at an early hour Sunday morning and again Sunday afternoon.

The rainfall in Tahoka Sunday morning before daybreak amounted to exactly one inch, according to the News' rain gauge. During the afternoon a light shower fell amounting to .05 of an inch. Heavy showers fell Sunday afternoon, however, over large portions of the county that received no rain that morning.

Draw, Grassland, Magnolia, New Lynn, Edith, Dixie, New Home, West Point, and possibly other communities received precipitation varying from a quarter of an inch to a full inch. Three Lakes received a heavy downpour. Midway received no rain.

These rains will prove exceedingly beneficial to young feed and to the cotton. Some sections of the county are yet in need of rain, however.

BAPTIST ASS'N. MEETS HERE NEXT WEEK

The Brownfield Baptist Association will meet in Tahoka next Tuesday and will continue in session until Thursday. The Women's meeting is expected to consume most of the day Tuesday and the association proper will begin that night. The association embraces most of Lynn, Terry and Yoakum counties and a portion of Gaines. There are about 25 churches within its boundaries. Possibly 150 to 200 visitors will be here for the meeting.

Harley Sadler Changes Dates

Harley Sadler announces that his company will be here during the week beginning Monday, October 3, instead of September 26 as previously announced. He will show in Lamesa during the week beginning September 26 and will come from that place to Tahoka.

The change in date will probably be pleasing to the people of Lynn county, since more cotton will have been gathered by the latter date, Harley Sadler always draws a big crowd but many people will be better prepared to attend a show with a little cotton money in their pockets.

Chester Connolly and daughter Miss Hazel went to Whitney this week and Mr. Connolly went on to Belton to make arrangements for Miss Hazel to enter Baylor College when the fall term opens.

J. C. Hood and A. C. Samford left Tuesday morning for a few days business visit to Lovington, N. M.

Tahoka Receives Second Bale Cotton

The second bale of cotton for this season was ginned here Wednesday morning at the Holloway gin. It was brought in by Mr. Pendergrass residing near the Cross Roads filling station nine miles north of town and was purchased by J. E. Stuart at 23 cents per pound. Not much cotton is expected during this month, owing to the lateness of the spring rains.

Clean up Tahoka!

NEVELS NO. 1 SPURRED IN

Drilling Started Tuesday Morning; Drillers Under-Reaming On Kingsland Test

Nevels No. 1, situated near the west line of the county just north of Loulynn, was spudded in Tuesday morning, according to F. M. Gill of the Mauldin Drilling Co. This well is being drilled by the Elpo Oil Company.

The drillers at the Kingsland well have been under-reaming, preparatory to lowering the casing and going on down with their standard rig. Mr. Krause says that this well is down now about 2100 ft. instead of 2300 ft. as indicated by previous reports.

J. A. Hart of the Hart Oil Co. is here again with a crew of workmen and states that this company is preparing to resume operations at an early date, on Edwards No. 1, four miles west of Tahoka.

J. H. Wyatt became suddenly ill Sunday night and was taken to a Lubbock sanitarium Monday morning, where he underwent an operation. A further operation, we understand will be necessary. Many friends here are hoping for a speedy and complete recovery.

To Judge Yards During Next Week

Announcement is made that the yards and premises of those who entered the yard improvement contest last spring will be scored next week. The contest was supposed to have ended on September 1, but if any contestant desires to "tidy up" her yard a bit between this time and the date scored, there will be no objection. Any one desiring information about the contest should consult Mrs. M. L. H. Baze.

Supt. Baze Tosses Flower To News

The News has received the following communication. Of course, we appreciate the flowers which Mr. Baze tosses over our way. He believes in "flowers for the living," and so do we. Here are his kind words: I take this method of congratulating you on the school issue of the Lynn County News. The paper reflects great credit upon the town, the schools, and especially the printing establishment and staff. I might add here that I have often thought many times in the past but which I have hesitated to state—not being given much to throwing bouquets—the Lynn County News is the best all-around county paper that I have ever seen. This takes into consideration the quality and quantity of news, the definite stand it takes in matters for the good of the community in the editorials, the fairness exercised, the neatness and general appearance, etc.

Please accept our thanks for your help in school matters.

Very truly yours,
M. L. H. BAZE.

Government Report Boosts Cotton Price

The Government report of the 1927 cotton crop, which came in this morning, estimated the crop at 12,692,000 bales, which was 800,000 bales below the report of one month ago. Immediately upon the release of the report, cotton went up ten dollars per bale, the limit allowed on the board in any one day. December middling cotton opened on the New York Exchange at 22.51 and sprang up to 24.51. Another advance is expected Friday morning. The decrease in the crop estimate is due chiefly to the ravages of insect pests and to dry weather.

PAPERS

We still have a few copies of last week's special edition of The Lynn County News. If you want one for yourself or to send to a friend, come in and get one or more.

COUNCIL LETS GAS FRANCHISE

Tahoka Will Get Gas In Fall Of 1928; Many Towns Are On Big Line

The City Council at its regular meeting Monday night acted favorably upon the application of the West Texas Gas Company, a subsidiary of the Prairie Gas and Oil Company, for a franchise to furnish gas for fuel purposes to the citizens of Tahoka. The basic rate for residences is 67 1-2 cents per thousand cubic feet of gas, for industrial purposes, 45 cents.

The franchise ordinance requires the Company to begin the work of laying its mains not later than May 1, 1928, complete the mains not later than November 1, and be prepared to serve gas to consumers by December 1.

Franchises have already been granted this Company by Midland, Lamesa, and O'Donnell. This company will supply practically all of the towns of the plains with gas. Most of the cities north of here, including Lubbock and Slaton, will be connected up before cold weather comes. The West Texas Gas Company has its principal offices at Amarillo and the gas will be supplied from the Panhandle oil and gas fields.

Car Turns Turtle; Boys Are Unhurt

As Gus Wakefield, Edgar Edwards, and Daniel Davis were on their way to Post Tuesday night, the Ford in which they were riding struck a sand bed and turned completely over. Gus Wakefield was driving and was slightly bruised up, but the other boys fell clear of the car and were unhurt. The car was badly wrecked. They were going over to bring Jim Wakefield home, who had been down to Mineral Wells.

Doctors Of County Discuss Diseases

The second meeting of the Physicians Business and Scientific League of Lynn county was held in the county court room here Saturday night.

A plan of systematic charges and collections as recommended by the committee previously appointed was adopted and will be adhered to by the individual physicians of the county in their practice.

There was discussion of Acute Hemorrhagic Nephritis, which in plain English means Kidney trouble or Bright's Disease.

The organization decided to meet hereafter the first Monday night in each month at the court house, unless arrangement is made to meet occasionally elsewhere, and the next meeting will be held the first Monday night in October.

Those present last Saturday night were Doctors Callaway, Turrentine, Townes, and Smith of Tahoka; Doctors Tate, Campbell, and Shepherd of O'Donnell; and Dr. Howe of Wilson.

Kiwanis Club Goes To Wilson Next

The Kiwanis Club of Tahoka will visit Wilson on Friday night of next week. The Ladies Home Demonstration Club of that place will prepare the edibles. A very brief program will be rendered. This was the announcement made by President Happy Smith at the luncheon Wednesday.

Dr. Kellam was again the guest of the Club Wednesday and made another very entertaining little speech. Music for the occasion was rendered by Messrs. J. A. Whittington, violin, and W. B. Morris and C. F. Fortenberry, guitar. Mr. Whittington played a violin which, it was claimed, was made in 1721, and was therefore more than 200 years old. He knocked the music out of the old machine, too.

S. E. Curry of the King & Wood Oil Company of Okmulgee, Okla., was here a short time Wednesday as the guest of J. B. Nance. Just stopped to look the oil situation over.

City Tax Rate Fixed At \$1.30

At a meeting of the city council Monday night the tax rate for the city was fixed at \$1.30 for each \$100.00 property valuation. This is the same rate that was assessed last year. The property valuations were slightly reduced this year and it was thought for some time that it might be necessary to raise the rate, but the council decided Monday night that it would undertake to make ends meet without a raise in the rate. At this meeting of the council it was decided also to have both of the city standpipes repainted.

COURT OPENS SEPTEMBER 19

Grand Jury And Petit Jury Lists Drawn; Docket Promises To Be Light, Smith Says

The district court will convene in Tahoka on Monday, September 19th. At this time a grand jury will be empaneled by Judge McGuire to investigate violations of the law, and district attorney Price will assist this body in their investigations.

The names of sixteen men have been drawn from which the grand jurors are to be selected. The list is as follows:

- Jim Bannister, Tahoka; W. R. Bartley, New Lynn; R. L. Beattie, Drew; J. P. Bowlin, O'Donnell, J. K. Callaway, Tahoka; R. C. Carroll, O'Donnell; C. O. Carmack, Tahoka; J. M. Noble, O'Donnell, L. H. Moore Slide; Walter May, Wilson; J. H. Smith, New Home; J. A. Loyd, Dixie; John Standefer, Wilson; George Lightfoot, Pride; Jack White, Petty; Earle Morris, Southland.

District Clerk Happy Smith states that the criminal docket promises to be rather light but that there are quite a number of civil cases to be tried. Petit jurors have not been drawn for the first week of the term and this time will be devoted to non-jury cases. Jurors for the second, third, and fourth weeks have been drawn as follows:

Secnod Week

- H. W. Hale, G. E. Hogan, W. F. Slater, B. J. Boyd, D. G. Carpenter, A. L. Lockwood, C. H. Mansell, J. K. Nowlin, C. C. Johnson, John Holder, C. B. Caveness, C. Millsap, Sam Smith, E. W. Holloway, C. Briley, J. C. Campbell, Jack Reeves, W. J. Crabtree, W. B. Slaton, Homer St. Clair, John Cathey, L. G. DePriest, R. E. Carruth, J. C. Ferguson, R. E. Townsen, J. H. Izard, C. C. Huffaker, J. M. Christopher, J. W. Chandler, H.

(Continued on Last Page)

Aged New Home Citizen Is Dead

Mr. George S. Williams, 86, pioneer citizen of Lynn county, residing near New Home, died Monday night. The remains in charge of Harris & Applewhite, were brought to Tahoka Tuesday afternoon for burial, and interment took place at the City Cemetery at 3:30 p. m. The services were conducted by Rev. R. T. Breedlove, pastor of the Methodist Church. A great concourse of friends and relatives of the deceased followed the remains to the cemetery and paid their last tribute of respect to the good man who had been called hence.

Mr. Williams seems to have had a strange premonition of the approaching end. He is said to have told members of the family Monday morning that he would die at 8 o'clock that night, and just as the clock was chiming the eight o'clock hour his spirit went out to meet his God.

Mr. Williams was a highly respected and beloved citizen of his community and of Lynn county. He had resided here many years and those who had known him longest speak in highest praise of his character. Had he lived until November 20, he would have been 87 years of age. The News joins a host of friends in extending sympathy to the bereaved relatives.

Mrs. Monte Bowron returned home this week after spending several days in San Antonio and Corpus Christi visiting with relatives and friends.

CITY SCHOOLS ARE OPENED

Opening Exercises Held Monday Morning; 508 Pupils Enroll First Three Days

The Tahoka Public Schools opened Monday morning with an enrollment slightly below that of the opening week last year.

Up to Wednesday noon, 508 pupils had enrolled, against 536 last year. The decrease is due, of course, to the hard financial conditions that have prevailed here during the past 12 months as a result of the cotton debacle last fall. Since it seems very probable that a fairly good crop will be gathered this fall and that a fairly good price will be realized for it, there is every reason to expect that the attendance will increase considerably during the year.

The high school and seventh grade pupils are being cared for in the new high school building. There are 150 students enrolled in the high school and 43 in the seventh grade, making a total of 193 in the new building. South Ward has enrolled 41.

A comparison with the figures of last year will be of interest:

	1926	1927
High School	149	150
Seventh Grade	60	43
Grades 1 to 6	280	274
South Ward	47	41

The opening program at each of the three buildings Monday morning was brief and simple. At the high school building Supt. Baze outlined the policies and purposes of the school and introduced the teachers. Principal Nat Williams gave instructions to the students about registration and other routine matters, and Mr. White spoke briefly of the vocational agriculture work. The President of the Board of Trustees represented that body in a brief address. The only music consisted of the singing of "America."—Rev. R. T. Breedlove pronounced the invocation at the beginning of the program and Rev. W. K. Johnston pronounced the benediction, upon which the work of registration began, and the school term of 1927-28 was on in full blast.

The opening exercises at the Central Ward school were even more brief. Dr. J. J. Kellam, Baptist minister of San Antonio, here engaged in conducting revival services, was the only speaker.

Upon the completion of registration it was found that there were 66 pupils in the first grade, all in Mrs. Craft's room. At a meeting of the school board that afternoon it was decided that an additional teacher must be provided for this grade, and Miss Inez Edwards was elected. Miss Edwards holds an A. B. Degree from Simmons University and taught successfully last year in Louisiana. She began work Wednesday, and the Board believes that she will do excellent work.

We have no report from the opening exercises at South Ward, where Mr. and Mrs. O. L. Sanders are the teachers.

Narrowly Escapes Serious Injury

J. S. Boyd who drives the oil truck for W. T. Clinton received a slight scalp wound and was knocked unconscious for a few moments this morning when an empty oil barrel rolled off the truck and struck him on the head while he was in a kneeling or sitting posture by the side of the truck. Had the barrel contained oil or had the blow been a little more severe the consequences might have been serious. Mr. Boyd not only has a sore head but a stiff neck as a result of the accident.

New Dry Goods Store To Open

A new store to be known as the Sawaya Dry Goods Company will open for business in the Jones building on the west side of the square tomorrow. The fixtures and stock of goods were placed in the building this week and more are to arrive the first of next week.

The business is being established by Nick Sawaya, formerly a business man of Idalou.

Midway News

We have come back. We have been vacationing. After spending a month in Abilene we took road fever and rolled east to take the children to see "Grampy". We spent the rest of our vacation at Grape-land and while there we met our good friend, Prof. John Zimmerman of Dixie community. Needless to say that he and I each took a solemn and binding oath binding ourselves to the penalty of letting our hair grow long and to go unshaven for a month and a day and a hour if either of us should leave for the West.

Fights 18 Years To Get Rid Of Gas

"I had gas so bad I had to get up nights on account of the pressure on my heart. I used Adlerika and have been entirely relieved."—R. F. Krueger.

Even the first spoonful of Adlerika relieves gas and often removes astonishing amount of old waste matter from the system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you.—Thomas Bros. Drug.

RHEUMATICS WHY SUFFER?

RHEUMALAX relieves rheumatism quickly and surely, for science of today find and perfect what centuries of research have overlooked. A new discovery that relieves or costs you nothing. Sold and guaranteed by Tahoka Drug Co. Tahoka, Texas.

SYSTEM CHECKED

Texas Was Helped by Use of Black-Draught.

Mr. James W. Burnett, who lives on Rural Route No. 4, Whitney, Texas is a great believer in Theodore's Black-Draught for the relief of such common ills as indigestion and constipation. He writes: "Since I first found out about Black-Draught, I have never been without it in the house. For several years, I had been a sufferer with indigestion. Occasionally, my system would become thoroughly choked with poison, and I would have a real sick spell. Now I ward them off by being forewarned, and taking Black-Draught before they come, instead of after. We all use Black-Draught in our home, for constipation and indigestion."

Get a package today, and try Theodore's Black-Draught the next time you are constipated. Sold everywhere. One cent a dose.

Theodore's BLACK-DRAUGHT
Purely Vegetable

long there was a chicken to pull or a speckled pea in the path. The West still looks good to me.

We arrived home on the same day with Mr. Lisenby and Mr. Draper who had also vacated for a season, and we found the fields still golden and the sunlight fresh and fair. Cobwebs and weeds greeted us as we rolled up to our door at sundown August 25 and exclaimed in the language of some one, "Home sweet home, what a hallowed place. A heart full of love and a house full of enchantment."

This community is still without rain but everybody seems happy and hopeful. Heading maize and putting up corn and peas is the order of the day.

Mr. Robinson's canner has put up nearly 200 cans of corn and peas for Mr. Lisenby, Mr. Cleveland, and Mr. Roman will have it in full capacity for one or two more days.

The meeting at Bethel church has proven quite a success. Twelve made the surrender last Saturday night and four Sunday night. The meeting is being conducted by Rev. Mr. Richburg of Big Spring.

POOR CHARLIE

POISON BY WHOLESALE BEING "FED" BOLL WORMS

Up to noon of Monday of this week M. Mitchell, manager of the Dawson County Farm Bureau Association, had distributed around 65,000 pounds of calcium arsenate to Dawson county farmers to fight the boll worms. The first carload which arrived the latter part of last week went like the proverbial hotcakes. Many local shipments of poison were brought in by automobile and brought in by local freight.

On every 30,000 pounds, or a carload of the poison the Farm Bureau corporation saves the farmers \$1005, according to Mitchell. That is a considerable saving on 30,000 pound quantities.

"We are trying to be a real friend to the farmers who are strictly up against it in the matter of procuring the necessary bait for the worms," Mitchell said.

Farmers were trekking into the offices of Martin and Mitchell almost every hour during the early part of the week. The Farm Bureau is serving its own members first, but is also letting farmers not members have the poison at the actual cost price, he said.

During the past week around 65,000 acres of cotton it is estimated, were treated with the arsenate spray with prospects that another carload would be distributed before the week should end.

In some parts of the county the worm has given but little trouble, but in others the infestation is said to have been rather intense. Farmers as a rule have been very diligent to observe conditions and to act promptly with poison.

In the Three Leagues area, where showers caused the worms to start up in large numbers, the worm menace has been considerably minimized by the extremely warm weather that has ensued, according to T. L. Franklin, well known farmer of that area.

In the McCarty community where the spray has been used with good effect the weather has been extremely warm and some cotton is reported to be shedding. O. K. Shillingburg, one of the best known farmers of that area, and typical of a fine class, declares that he needs no further rain, but that his crop looks good now for a half bale to the acre. His maize crop is also immense. His corn has made an excellent crop.—Dawson County Journal.

COURT HOUSE TO BE BUILT OF STONE

At a meeting of the Commissioners Court held Tuesday, it was decided to construct the walls of the court house wholly of stone, instead of part stone and finished with brick.

The lower part, up to the windows of the first story, will be of speckled granite, and the remaining part of the wall of greyish-buff agonite stone. This material will be brought from Missouri, and is one of the best building stones in America. The change will add materially to the appearance of the structure.—Hockley County Herald.

AN ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF TAHOKA, TEXAS.

An ordinance granting a franchise and certain privileges to the West Texas Gas Company (a corporation), with its principal office in the City of Amarillo, Potter County, Texas, and establishing rules and regulations for the use of natural gas for light, heat and power, and establishing a maximum limit for price to be charged for such gas.

Whereas, West Texas Gas Company (a corporation) has applied to the Mayor and City Council of the City of Tahoka, Texas, to grant said company the right to lay and maintain and operate a gas plant for the distribution of natural gas for light, heat and power within the City of Tahoka, Texas, upon the following terms and conditions and reservations such rights and franchise to be as follows, to-wit:

Section 1.

That the right to furnish, distribute and sell natural gas for light, heat and power for all other purposes for which gas may be used within the City of Tahoka, Texas, for a period of twenty years from the date of the passage and approval of this ordinance is hereby granted to the West Texas Gas Company (a corporation), its successors and assigns, hereinafter called the grantee, subject however, to the provisions hereinafter incorporated in this ordinance and for such additional period or extensions of time as may at the expiration of the said term of years, and upon conditions then found satisfactory to the officials of the City of Tahoka, and to this grantee, and provided that this ordinance and franchise is to be in effect and run from and after the day and date of its passage and approval.

Section 2.

That the said grantee is to have the right to lay mains, pipes and equipment, and to construct such buildings and install such machinery or equipment and to sell or lease such equipment to the citizens of Tahoka, Texas, as may be necessary or advisable in their judgment for the proper performance of the service to be rendered to the City of Tahoka, and to its inhabitants and citizens to the best interests of the gas consumers and to have, at all times, access to the streets and alleys of said City for the purpose of laying such mains, pipes and equipment as may be needed from time to time during the term of this franchise, or any extension thereof, provided, that at no time shall the grantee obstruct such streets or alleys so as to interfere with the public use thereof for a period longer than twenty-four (24) hours, and that immediately such mains, pipes or equipment is laid and tested same shall be covered and such streets or alleys shall be placed in the same or as good condition as before such work was done.

All excavations to be properly guarded by barriers by day and by red lights at night, and the said grantee shall hold the said City of Tahoka harmless from any and all damages to persons or property resulting from their negligence in the manner of constructing such distributing plant or system and guarding the same while under construction, by a good and sufficient bond executed by the grantee and some reputable surety company permitted to do business in the State of Texas, in the penal sum of Twenty-Five Thousand Dollars (\$25,000.00).

The work done in connection with the construction, maintenance and operation of said plant and transmission system, and the location of regulating stations, vent pipes therefor, gate valves, gauges, stock boxes, manholes, low, intermediate and high pressure mains, pipes, feeders, service pipes and conduits, and service pipe extension and all appurtenances in the streets, highways, alleys, and other public places in the City shall be subject to and governed by the regulations, rules and ordinances now in force or that may be thereafter lawfully adopted.

Section 3.

That all mains shall be laid at least eighteen (18) inches below the surface of the ground, and so laid as not to interfere in any manner with water mains or pipes or sewer lines of said city, or pipes or conduits of other utilities already installed; and that the connections with the gas mains and pipes shall be placed and laid to the property line of the consumer at the expense of grantee. That the grantee shall not be required to extend main lines more than one hundred and fifty (150) feet to any one consumer.

Section 4.

That said grantee shall at all times after said gas distribution system has been established and placed in operation, be prepared to furnish said

City and its inhabitants with a good quality of gas for light, heat and power, and other purposes and said grantee shall furnish such gas for all purposes for which same may be used in sufficient quantities to supply the needs of said City and its citizens.

The said gas shall be furnished to said City and its inhabitants for domestic use at a net price not to exceed sixty-seven and one-half (67 1/2) cents per thousand cubic feet for all gas used, provided, however, that gas used for heating public buildings, churches, hotels and apartments shall be sold at the following rates:

For the first 50,000 cubic feet used per month, 67 1/2 cents per M.

For the next 100,000 cubic feet used per month 50 cents per M.

For all used in excess of 150,000 cubic feet per month, 40 cents per M.

That the maximum rates for industrial gas shall not exceed the rates set out in the following schedule:

For the first 50,000 cubic feet used per month, 45 cents per M.

For the next 150,000 cubic feet used per month, 35 cents per M.

For the next 300,000 cubic feet used per month, 30 cents per M.

For the next 500,000 cubic feet used per month, 25 cents per M.

For the next 10,000,000 cubic feet used per month, 22 1/2 cents per M.

For the next 20,000,000 cubic feet used per month, 20 cents per M.

For the next 29,000,000 cubic feet used per month, 18 cents per M.

For the next 60,000,000 cubic feet used per month, 16 1/2 cents per M.

For all above 120,000,000 cubic feet used per month, 15 cents per M.

That all above rates are to be charged for gas used through one meter only.

That all bills shall be due and payable monthly, and within ten days from date rendered, and in case of default or non-payment within said time, the grantee shall have the right to discontinue service to said consumer, and to make an additional charge for the gas used for any purpose equal to one-ninth (1/9) of the bill rendered. And in case said consumer shall make application to have services re-established and gas re-connected with his premises, he shall be required to pay all delinquent bills, together with the penalty thereon, and to pay a cut-on charge not to exceed \$1.50 for domestic use and heating purposes, and \$2.50 for individual use. It is further provided that the grantee shall be allowed to make a minimum charge of \$1.50 per

month for gas for domestic and heating service and \$25.00 per month for industrial service.

All gas furnished or supplied by grantee shall be metered, and for this purpose the grantee shall, at its own cost and expense, provide and install for each consumer a good and accurate meter of standard make. Grantee shall also provide and maintain at its proper cost and expense facilities for testing gas meters, and said grantee shall also provide and maintain, at its proper cost and expense a standard meter prover of not less than five cubic feet capacity, equipped with suitable thermometers and other necessary accessories which shall be maintained to the accepted standard of accuracy, all to be to the satisfaction of and approved by the City Council.

Such meters shall be and remain the property of said grantee, and the

Young Men Plead Guilty To Gaming

Complaints were filed Monday against four young men of Tahoka charging them with the offense of gaming, the infraction of the law having occurred, according to the officers at an entertainment Saturday night in the New Lynn community. Two of the young men entered pleas of guilty while the cases of the other two were set for the next regular term of the justice court.

PRESBYTERIAN LADIES RENDER PROGRAM

The Ladies' Auxiliary of the Presbyterian Church met Monday afternoon at the home of Mrs. J. L. Hearse. The following program on home missions was given:

Scripture Reading—Mrs. Hearse. A Triple Anniversary in Our Sister Church—Mrs. Stokes. Early Days in Giles County, Tenn. Miss Hickerson. Conditions in the Flood Country—Mrs. Howell. Brief Talk on the Conference of the Hebrew Alliance—Mrs. Brown. Reading: From Judaism to Jesus—Mrs. Stokes. Old Clothes Work in Kentucky—Mrs. Evans. Summer Conference Report—Dr. Johnston. Spice Box—Mrs. Grace. The Spice Box consisted of questions based on articles in the Presbyterian Survey, which tested how thoroughly the members had read their church papers. Dr. Johnston discussed the nature of the work given in the summer conferences held at Montreal and Kerrville.

COUPLE MARRY HERE SATURDAY MORNING

R. M. Hunt of Draw and Miss Desie Smith of South Ward were the happy parties to a marriage contract entered into at the office of the justice of the peace here Saturday morning. Uncle Ike Metcalf performing the ceremony. These are popular young people of their community and the News joins their many friends in wishing them a long and prosperous journey through life.

BROWNFIELD COUPLE MARRY HERE SATURDAY

W. R. Stewart and Miss Emma Lee Jester of Brownfield drove over to Tahoka Saturday afternoon and called at the office of Uncle Ike Metcalf with a marriage license asking that he perform the ceremony which should make them husband and wife. Uncle Ike responded promptly and gracefully and the couple went away just as happy as they came. It is presumed that they will make their home in Brownfield.

YOUNG COUPLE MARRY AT BRIDE'S HOME

E. B. Gaither and Miss Lura Mae Davis were married Saturday afternoon at 3 o'clock at the home of the bride's parents, Mr. and Mrs. W. L. Davis, near town. Uncle Ike Metcalf performed the ceremony. The young couple left Sunday morning for Mineral Wells, to spend their honeymoon. Their many friends wish them many years of happiness.

FISHER CONDUCTING REVIVAL AT GRASSLAND

Evangelist Lester W. Fisher of Bowie is conducting a revival this week at Grassland. The services were begun Saturday night at Magnolia but it was decided to move over to Grassland and hold the services there.

Evangelist Fisher reported Tuesday morning that there had already been two accessions to the church. "We have no creed but Christ; no message but the gospel; no book except the Bible; and no name but Christian; that's all. We thank you," he said in speaking of his work.

CARD OF THANKS

We wish to thank our many kind friends and neighbors for the assistance rendered us during the sickness and death of our father. May God's richest blessings reward you. —Mr. and Mrs. T. L. Fortenberry.

SCHOOL GIRLS WANT WORK

Jack Alley of the Sunshine Inn reports that there are two or three girls here who want to help some family with the house work and attend the high school. Thus far they have failed to find a place to stay. Any one desiring help should make inquiry of Mr. Alley.

Clyde Briley was over from Post Wednesday, to which place he removed from here a few weeks ago, and he reports that several bales of cotton had already been ginned in our neighbor city. Cotton is a little earlier in that locality. He saw a number of families picking as he came over.

Judge C. H. Cain returned Sunday from Sherman, to which place he went a week earlier on professional business. The Judge also visited Greenville, McKinney, and other cities in that section while away. He reports cotton prospects bad in that part of the state on account of the ravages of insect pests.

Many Tahoka people attended the big circus which showed in Lubbock Tuesday afternoon and night.

School Building Formally Opened

There was a formal opening of the new high school building at six o'clock last Friday evening. A concert was rendered by the Tahoka Concert Band in the new, beautiful auditorium, followed by a brief program. Mrs. Jackson rendered a piano selection and Supt. Baze and the editor made brief talks. The doors of the various rooms were then thrown open and the people who had gathered for the program were permitted to go through and inspect the building. There was a good-sized crowd present in spite of the shower that came up just before the program was to begin.

Rev. F. L. Meadow, pastor of the Methodist Church at Stephenville, was a visitor in Tahoka Wednesday and today and while here was the guest of Rev. R. T. Breedlove. He is a regular subscriber to the News and had some very kind things to say about the paper, which we very much appreciate.

Mrs. Viva Humphreys, who has been attending the summer session of the West Texas State Teacher's College at Canyon, is spending a few weeks at home, with the family of H. W. Caloway, and will return to Canyon for the fall term about September 20.

AN ORDINANCE

Be it ordained by the City Council of the City of Tahoka that the Tax Levy for the year of 1927 be \$1.30 for \$100.00 assessed valuation as follows:

SHERIFF'S SALE

THE STATE OF TEXAS, COUNTY OF LYNN

In County Court, Lynn County, J. V. Conner, plaintiff, vs J. B. Clapp, defendant.

Whereas, by virtue of a certain order of sale issued out of the county court of Lynn County, Texas, on a judgement rendered in said court on the 3rd day of May A. D. 1927, in favor of the said J. V. Conner, and against the said J. B. Clapp, No. 397 on the docket of said court, I did on

the fifth day of September A. D. 1927 at 10 o'clock a. m. levy upon the following described lots, tracts or parcels of land lying and being situated in Lynn County, Texas, and known as all of Lots No. 3 and 4, in Block No. 3, Shook Addition, to the town of Tahoka, Lynn County, Texas, and on the 4th day of October A. D. 1927, being the first Tuesday in said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m. on said day, at the court house door of said county, I will offer for sale and sell at public auction for cash, all the right, title and interest of the said J. B. Clapp, in and to the above described property. Dated this 5th day of September, A. D. 1927.

**MUNSELL DEFENDS POOR
OLD SAN SABA**

Brother Munsell came back at us. Brother Munsell is editor of the Eye Witness, a dandy little paper published at Richland Springs, a fine little town down in San Saba county. In commenting the visit of W. J. Crouch to his old home there a few weeks ago, he deftly but good-naturedly aimed a thrust at the south plains. We commented briefly and asked him a seemingly embarrassing question about the amount of cotton San Saba county has been in the habit of producing. Mr. Munsell failed to answer our question but countered in a rather interesting and adroit manner that makes us feel he ought to have become a criminal lawyer instead of a newspaper editor. This is what Brother Munsell says: "We admire Bro. Hill. A man who won't stand up for and defend his country isn't worth a cuss. Probably he was raised on the plains and doesn't know any better. Probably, otherwise. How often have you heard old-timers tell stories of adventurers who perished on the plains with their tongues swollen out of their mouths, their lips dry and parched and their reason dethroned by the awful sameness of the barren, shimmering wastes of greasewood and bear-grass. We are not insinuating any-

thing, probably, there is water on the plains occasionally and then they may have propagated a variety of vegetation that has grown accustomed to that sun-baked, windswept, shadeless region that will grow. Bro. Hill, San Saba county made enough cotton and maize and wheat to do us and more fruit and vegetables than all the south plains. If you will come down we will feed you on watermelons so large that your best prairie dogs couldn't dig a hole big enough to bury them in a week; we will feed you peaches that you think grow only on the front cover of nursery catalogues; we will feed you apples larger than Mother Eve fed Adam; we will show you a tree—a real, live, wide-spreading tree and let you sit beneath its shade and enjoy the thrill of your life; we will take you to the river and let you wade in the limpid waters of the beautiful San Saba until you soak off the parched alkali crust from your carcass and shed off like a bullsnake."

Brother Munsell evidently hasn't visited the plains in at least sixty years. He is thinking of the plains as they were regarded about three-quarters of a century ago, apparently. He mentions greasewood and bear-grass. What is greasewood, anyway? It seems to us we have heard of the word sometime, somewhere, but we are not acquainted with it out here on the plains. We have heard of a little beargrass over in the sand along the New-Mexico line and they say it is a valuable plant. We don't know. We have seen very little of it in Lynn county.

Now we are not going to jump on San Saba. It would be too much like slapping an orphan or pushing a widow woman's dog in the creek. We are glad you have a few water melons and peaches and apples, Bro. Munsell, all of which are being grown in abundance on the south plains. We are not going to tell you how big the melons grow here. We want you to come and see for yourself. Our prairie dogs have just about disappeared but if you'll come out we'll try to find a colony or two and show you what a Lynn county prairie dog can really do. Among other things we will show you a sand hill three miles north of Tahoka, fifty feet high and covering several acres of land, that a prairie dog dug out of his hole one day several years ago.

Several revival meetings have been held in Tahoka this summer and the last one is drawing to a close. Many great messages have been brought by the various ministers who have conducted the services, but little visi-

ble results have been manifest. It is most deplorable that while these good men have been striving to help and to uplift the men and the boys of Tahoka, many of the latter have hardly gone near the place of Divine worship. Even while the minister preached, some of these men and boys have stood on the streets and spewed out filthy streams of profanity and vulgarity, sometimes even in the hearing of ladies and little children. While the minister preached some of the young men have gone off yonder and gambled. It is indeed pitiable. It is almost tragic that there are so many men and boys with no higher aspirations, no higher ideals than some of these in Tahoka exhibit. There are many of the finest Christian people in the world here in Tahoka but too many who live as if there were no God.

That boy Conaster, who is charged with Bill Smith, with the murder of Sheriff Bob Smith and Deputy Jake Owens near Roby last week, has been apprehended and is in the clutches of the law, though Smith is yet at large. It may be that charges against Conaster will be dismissed and that he will be used as a witness against Smith, but whether this is done or not he has all but wrecked his life. How? Bad company. Young men can not be too careful of the company they keep. A boy that is worth the beans that it takes to feed him will steer clear of bootleggers, dance hall proprietors, and such like. Trouble lies ahead of the young man who makes this kind of trash his associates.

ATTENTION COTTON GROWERS

Some time ago the Dallas News printed a piece of mine which made a very favorable comparison of the social and moral conditions prevailing in Lynn county in comparison with other counties of Texas. Among the many congratulatory letters I received was one from John H. York of Box 159, Route 1, Wewoka, Oklahoma, who says he has a large family and wants to come to Lynn county to head maize, pick cotton and if possible rent and buy land. Those interested should write him at once, since cotton-picking families may not be as plentiful this fall as some folks would wish. Those who prefer Mexicans to pick for them this fall would save time and money by writing direct to the Mexican consuls at San Antonio, Laredo and Del Rio. These men are paid handsome salaries and maintain fine offices in these cities chiefly for the purpose of attending to the welfare of the Mexicans living in Texas and will take pleasure in supplying pickers without charge to those who have cotton good enough for these people to make a living in. Try this for once and I believe it will prove the most valuable piece of information I have put in print for a good while.

CHRIS L. ADAIR

THE FOOL HATH SAID
"The fool hath said in his heart, there is no God." A little more than a year ago, a Houston attorney called together all the men of Houston and adjacent territory who disclaimed a belief in God. An organization of infidels and atheists was perfected and funds were raised by which to combat the teachings of the Bible and to put the old Book out of circulation. That attorney was Mr. White-

sides. The meeting was held in his office. Where is Mr. Whitesides now? In the Harris county jail, charged with murder in connection with the death of his wife, who leaped to her death from a three story building when chased by her infidel husband, while he was drunk. Mr. Whitesides is very repentant and since he has had time to reflect has decided the old Book is true and agrees that if he had followed its teaching, taught him at his mother's knee, he would not now be facing a charge of murder. Italians, One Sacco and Vanzetti, too, wandered away from the teachings of the old Book, became atheists were charged with and convicted of murder and were electrocuted in the Charlestown, Mass., prison Monday just after midnight. There are atheists, of course, who escape the charge of murder, many, probably, who are law-abiding citizens, but we have never known one who had a high conception of morality and we doubt that there is one. The man who has no love nor fear of God is but little above the brute creation and has no more regard for society or virtue than the animal. And that is why "The fool hath said in his heart, there is no God."—Richland Springs Eyes Witness.

AN ORDINANCE

Making it a misdemeanor to attach radio aerial to electric light poles and in any way to tamper with electric light lines running to residences and business houses so as to prevent the registering by meters of all electric current consumed, and fixing a penalty.

Be It Ordained by the City Council of the City of Tahoka: Sec. 1. That it shall be unlawful for any person to attach a radio aerial to any electric light pole within the corporate limits of the City of Tahoka.

Sec. 2. That it shall be unlawful for any person to tamper with any electric light meter or supply line to any meter or in any manner to so fix any electric supply line or distribution line in any residence or business house within the corporate limits of the city of Tahoka or in any place where the said City of Tahoka is furnishing electric current so as to prevent the meter from registering the total amount of electric current consumed by the electric light subscriber.

Sec. 3. That any person found guilty of violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and shall be fined not less than Five (\$5.00) Dollars and not more than Twenty-Five (\$25.00) Dollars.

Sec. 4. That this ordinance shall be in full force and effect after its passage by the City Council of the City of Tahoka and after being published as required by law.

Passed and approved in regular session of the City Council of the city of Tahoka on this the 5th day of September, 1927.

J. R. SINGLETON, Mayor

Attest:
Frankie Wells, City Secretary
[Seal]

The public schools opened here Monday morning. Here's hoping for the most successful school year in the history of Tahoka.

African natives capture monkeys by setting out rum, on which the monkeys get helplessly drunk.

BUICK for 1928

When Buick improves upon Buick—the standard for the year is set

Buick for 1928 introduces a higher standard of beauty and luxury than the world has ever known. Buick interiors are as modish as exquisite drawing-rooms—as harmoniously colored—and as comfortable. Buick's new Fisher bodies are low-slung without any loss of head-room or road-clearance.

And so, down to the smallest detail of construction, wherever refinements could be made, Buick has made them. Again Buick has improved upon Buick. Again the standard for the year is set.

YOUNG CHINESE WOMAN GRADUATES AT T. U.

AUSTIN, Sept. 7.—Coming to the University of Texas in 1921 with only a very little knowledge of English, Miss Mohling Ma of Tsinan, China, was one of the graduates of the University this August receiving both bachelor and master of arts degrees. Miss Ma has been able in only six years to satisfy all University entrance requirements as well as requirements for the two degrees. Not only has Miss Ma satisfied the course requirements but she has done so with honors; her name has appeared frequently on the University honor roll.

In addition to her studies, Miss Ma has taken an active part in extra-curricular activities. She has been a member of the Woman's Athletic Association and in 1925 she was a winner of the orange and white trophy awarded by the Association. She has served on the cabinet of the University Young Woman's Christian Association as chairman of the world fellowship committee for the past 3 years. Miss Ma has also been a member of the Present Day Club, composed of women students of the University who are interested in current events. She was chosen during this past year as a charter member of the International Relations Club.

Miss Ma's father, Dr. P. J. Ma, was a distinguished physician in China who gave his life to the service of the Shantung province. This next year Miss Ma plans to continue her work at the University of Texas for further study in her special fields of botany and chemistry. She plans to return later to China to teach.

LUBBOCK SANITARIUM NOTES

(From Lubbock Sanitarium News) Margaret Miller, a fourteen year old child of O'Donnell was brought to the sanitarium Wednesday and operated on for appendicitis. She is doing nicely.

Mr. C. L. Davis of O'Donnell, is improving, having been in the sanitarium several days under treatment of Dr. Hutchinson.

Mrs. C. T. Toliver, of Tahoka, is doing well, having been operated on Tuesday.

Mr. Earl Moore, of Wilson, who had been in the sanitarium several days for treatment, was operated on Wednesday and is doing well at the present time.

Mr. Maurice Evans of Tahoka, who had an operation Monday, is doing nicely.

Thales Webb, the five year old child of Mr. and Mrs. R. P. Webb of Tahoka, had her tonsils removed Saturday.

LAMESA FIRM MAKES ASSIGNMENT

The Cecil-Burress Dry Goods company at the northwest corner of the public square and just south of the First National Bank, closed its doors early this week and announced that it had made an assignment to the Perkins Dry Goods company of Dallas.

The Cecil-Burress company had been in business here for a long time and many friends hope that soon the company will be able to reopen.—Dawson County Journal.

CITATION BY PUBLICATION

STATE OF TEXAS

To the Sheriff or any Constable of Lynn County, Greeting:

You are hereby commanded to summon G. W. Small, Administrator, of the Estate of Ferdurand Becker, Deceased, and the heirs of Ferdurand Becker Deceased, whose names are unknown, to appear at the next regular term of the District Court of Lynn County, Texas, to be held at the Courthouse thereof, in the City of Tahoka on the 3rd Monday in September, A. D. 1927, being the 19th day of September A. D. 1927, then and there to answer a petition filed in said Court on the 18th day of August A. D. 1927 in cause Numbered 692 wherein B. H. Robinson is Plaintiff and G. W. Small Administrator of the estate of Ferdurand Becker Deceased and the unknown heirs of Ferdurand Becker are defendants, the cause of action being alleged as follows: (See certified copy of Plaintiff's original petition accompanying this citation and made a part thereof.

B. H. Robinson vs. No. 692, G. W. Small, Administrator et al. In the District Court of Lynn County, Texas, September Term, 1927.

To the Honorable Judge of said Court:

Now comes B. H. Robinson, hereinafter styled plaintiff, complaining of G. W. Small, administrator of the Estate of Ferdurand Becker, deceased and the unknown heirs of Ferdurand Becker, deceased, and for cause of action, plaintiff would respectfully represent to the court:

1. That the plaintiff resides in Lynn County, Texas, that the defendant, G. W. Small, administrator of the estate of Ferdurand Becker, deceased, resides in Lynn County, Texas, that said Ferdurand Becker died on or about the 23rd day of December, 1922, and that thereafter on or about the 26th day of December, 1922 G. W. Small was appointed by the county court of Lynn County, Texas, as administrator of the estate of said Ferdurand Becker, deceased, and duly qualified as such and as such administrator the said G. W. Small has never been discharged and is still the qualified acting administrator of the estate of said Ferdurand Becker, deceased, and that the names of the heirs of Ferdurand Becker, deceased are unknown to the plaintiff and that the place of residence of said heirs of said Ferdurand Becker, deceased, are unknown to this plaintiff.

2. That on or about the 1st day of January 1927, the plaintiff was lawfully seized and possessed of the following described land and premises, situated in Lynn County, Texas, holding and claiming the same in fee simple, to wit: Being 200 acres of land out of the S. W. corner of Survey No. 14, Abstract No. 644, Block No. 7, Certificate No. 624, of the E. L. & R. R. R. Company, and being described by metes and bounds as follows, to wit:

Beginning at the S. W. corner of said section No. 14, for the S. W. corner of this tract;

Thence north on the west line of said survey, 1129 Vrs to a point for the N. W. corner of this tract;

Thence east parallel with the south line of said survey, 1000 vrs. to a point for the N. E. corner of this tract;

Thence south parallel with the west line of said survey, to the south line of said survey, 1129 vrs. for the S. E. corner of this tract;

Thence west on S. line of said survey 1000 vrs. to the place of beginning, and containing 200 acres of land, all being in Lynn County, Texas.

3. That on the day and year last aforesaid the defendants unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully with holds from the possession thereof, to his damage in the sum of \$2,000.00.

4. That heretofore, to wit: on or about the 5th day of June, 1913, J. H. Edwards, as sheriff of Lynn County, Texas, by deed of that date, conveyed to, among others, F. Becker, who is the same person as Ferdurand Becker, deceased, all of said Survey, No. 14, Abstract No. 644, Certificate No. 624, E. L. & R. R. R. Company, which included the said 200 acres above described, said deed having been executed by virtue of an execution issued by the District Clerk of Lynn County, Texas, by virtue of which said execution the sheriff aforesaid levied upon and sold said lands above described and made the deed of conveyance aforesaid.

5. Plaintiff would show to the court that at the time of the levy of said execution upon said lands, and at the time of the sale of said lands aforesaid, the said lands were the property of Jack Alley and his wife, Effie Alley and that at the time of

said levy and sale and at the time of the execution of said deed aforesaid, the said Mrs. Effie Alley was occupying, using, claiming the said 200 acres of land above described as her homestead, she having never abandoned same as her homestead and that said levy, sale and conveyance of said land by said sheriff aforesaid as to said 200 acres above described was void as to the said Mrs. Effie Alley and her husband, Jack Alley and that the said Mrs. Alley, joined by her husband, Jack Alley, conveyed said 200 acres of land above described to this plaintiff by their deed of conveyance, dated the 6th day of December, 1924, and that said sheriff's deed cast a cloud upon plaintiff's title.

6. Plaintiff would further show to the court that plaintiff and those under whom he claims title that he and they have had and held peaceable, continuous, and adverse possession under title, from and under the State of Texas, of said 200 acres of land above described at paragraph No. 2 of plaintiff's petition, for more than three years after the defendants cause of action accrued, and before the commencement of this suit.

7. And now comes the plaintiff, and for further plea, would show to the Court that the plaintiff and those under whom he claims title has had and held peaceably the lands and premises described in paragraph 2 of this petition and claimed by him aforesaid and adverse possession of same, cultivating, using and enjoying the same for a period of more than 10 years next after defendants cause of action accrued and before the commencement of this suit.

Wherefore, premises considered, plaintiff prays that the defendants be cited to appear and answer this petition and that upon final hearing hereof, he have judgment for the title and possession of said lands and premises described in paragraph No. 2 of this petition, that said sheriff's deed mentioned in paragraph No. 4 of this petition be cancelled, held void so far as it affects the title to said 200 acres of land described in paragraph No. 2 of this petition, that the cloud cast upon plaintiff's title to said 200 acres by reason of said deed be removed, and that a writ of restitution issue, and for his damages, and all costs of suit, and for all such other and further relief special and general, in law and in equity, that plaintiff may be entitled to and in duty bound plaintiff will ever pray.

B. P. MADDOX, Atty. for plaintiff.

THE STATE OF TEXAS COUNTY OF LYNN:

I W. E. SMITH, Clerk District Court, Lynn County, Texas, do hereby certify that the above and foregoing is a true and correct copy of the Plaintiff's original petition in cause No. 692, styled B. H. Robinson, vs. G. W. Small Administrator, et al as the same appears on file in my office in Lynn County, Texas. Given under my hand and seal of District Court, Lynn County, Texas, this the 18th day of August, A. D. 1927.

[Seal]

W. E. SMITH, Clerk District Court, Lynn County, Texas. You are further commanded to serve this citation by publishing the same once each week for four consecutive weeks previous to the return day thereof in a newspaper published in your county, but if no newspaper is published in said county, then in the nearest County where a newspaper is published.

Herein fail not but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same. Witness W. E. Smith, Clerk of the District Court of Lynn County, Texas. Given under my hand and seal of said Court in the City of Tahoka, this the 18th day of August, A. D. 1927.

[Seal]

W. E. SMITH, Clerk of the District Court, Lynn County, Texas. I, J. W. Simpson, Sheriff of Lynn County, Texas, do hereby certify that the above and foregoing citation is a true and correct copy of the original citation now in my hands. This the 18th day of August, A. D. 1927.

J. W. SIMPSON, Sheriff Lynn County, Texas

Garza county's fair is to be held September 23-24. Two communities have already entered exhibits, according to the Post Dispatch. Entries are open to all communities in Garza county and all communities in Lynn county lying on the original C. W. Post lands. Substantial prizes will be offered.

Morgan Show To Be Here Next Week

The J. Doug Morgan Big Tent Show, featuring Miss Elizabeth Morrill, with all new plays and vaudeville, will play here all next week in their big tent theatre on the lots north of the St. Clair Hotel. The cast consists of 30 people and an 8-piece orchestra. In addition to a feature play each night, there will be five big vaudeville acts.

The Morgan show is making its first call here. It comes highly recommended and has been playing to record crowds at Lubbock and Amarillo.

ELIZABETH HUGHES SOCIETY MEETS

The Elizabeth Hughes Society met with Mrs. Roscoe Roberts Monday afternoon and studied the first ten chapters of Matthew. A delicious iced watermelon was served to the ten present.

—REPORTER.

R. H. Bates of New Home reports a fairly good rain in that part of the county the first of the week. He says that the hail district at New Home, where two destructive hail storms came practically destroying all crops several weeks ago, has been prepared for sowing in wheat, and that the farmers out there are hoping to make good wheat crops next spring on these hail-stricken farms.

OKLAHOMA NOT SO BAD; TEXAS PLAINS WORSE

BY MILTON YARBRO

A salesman representing a West Texas land concern was just closing his talk with a prospective buyer in the East.

"All we need in that country is good people and lots of water," he said in conclusion.

"Yes," responded the skeptical one, "that's all the devil needs."

Truly, it is an immense expanse of plains, hills and towering ranges of rock-spined mountains, but until water is secured in quantities sufficient for extensive irrigation, West Texas cannot hope to become a farmer's paradise.

Perhaps it will never have to worry over acute shortages of rainfall and rivers whose beds harbor nothing but sand and rock. From Fort Worth to El Paso, and the farthest tip of the panhandle to the banks of the snake-like Rio Grande, an intensive quest of oil is now in progress. The greatest shallow pool in the world, seemingly has been discovered near Pecos, where nine wells are reported to be producing 100,000 barrels each day.

Not every one living in West Texas will be fortunate enough to own land where the fascinating liquid awaits the touch of the bit. Millions of acres can be placed under cultivation and those great plains and valley made one gigantic field of waving corn and rippling wheat and cotton bending before an ever-present breeze, if water is found.

The farmers in this section of Oklahoma may deplore the poor quality of their land, lament over floods, curse the worm and boll weevils, but in West Texas droughts descend over periods of years, ranchers see their grass wither and die, and any grumbling over their ill-luck is drowned in sand storms that blast their way thru a defenseless populace.

This is not their lot year after year, it is true, but the good years are so few that children born during these brief months of plenty are named Joy, Thanksgiving and Praise.

It is far more encouraging to see things planted flourish and grow green, even though they are to gorge only insects, than to look out over plowed land where not a plant has fought its way through a sun-baked soil. If our farmers can successfully repulse insect invasions, rotate their crops in the ways suggested by crop experts, keep their soil replenished and unmarred by erosion, and receive a fair price for the marketable products, it appears that 10 acres of Pontotoc county land is of more value than 100 acres of West Texas Sun-drenched soil. — Ada (Okla.) Evening News.

We print the above just to show that there are people intelligent enough to publish newspapers as near by as Oklahoma who are yet densely ignorant or are utter strangers to the truth when west Texas is the subject of discussion.

It would require pages of our paper to recite and describe all the resources of west Texas, but a few facts and figures might serve to show the Ada editor what this "sun-baked soil" in this waterless waste, where "droughts descend over periods of years," where "sand storms blast their way through a defenseless populace," is really producing.

In 1923, Lynn county, which is representative of the South Plains produced 24,394 bales of cotton; in 1924, 38,215 bales; in 1925, 42,189 and in 1926, 48,956. These figures are taken from the government's ginner's reports. Similar figures could be given for a number of other south plains counties. If we spread out and consider other parts of west Texas, we find that in 1926 only five counties in the state produced more

cotton than Jones county. In that year there were eighteen counties in Texas that produced more than 60,000 bales of cotton each, and five of them lie in west Texas, to wit: Jones with 84,088, Crosby with 73,126, Lubbock with 71,019, Hall with 69,405, Runnels with 62,525. There are four other west Texas counties that produced more than 50,000 bales each, to wit: Wilbarger, Taylor, Haskell and Collingsworth. There are still 12 other counties that produced more than 40,000 bales each, to wit: Hardeman, Lynn, Fisher, Childress, Hale, Cottle, Knox, Coleman, Floyd, Mitchell, Scurry and Dawson. No less amazing figures could be given as to wheat and the sorghum grains. The plains counties have only recently been converted into an agricultural region, and the process of converting the cattle ranches into cotton fields and maize fields is still going on. But these counties have made good year after year since the process began and have thoroughly proven themselves to constitute one of the richest agricultural sections in all the South and West. Many of the other counties in west Texas long ago established their reputation as excellent farming sections, and the fallow as near by as Ada, Oklahoma, who does not know this shows himself to be amazingly oblivious to the advancement and development that are going on, just at his front door.

Texas cotton marketed co-operatively this season will show a very material increase over the past year if the present ratio of deliveries continues, according to D. A. Adams, field representative of the Texas Farm Bureau Cotton Association in this county.

Mr. Adams states that on August 31st deliveries were already five times as great as they were on the same date last year, receipts during the past month bringing the total to more than 20,000 bales. Daily receipts, he said, are growing now that the majority of the counties over the State are beginning to market their cotton.

The Association at the present time is advancing \$80 a bale as an initial advance, he said, and this amount is attracting much cotton to the channels of cooperative marketing because it is sufficient to care for all or the majority of indebtedness standing against the cotton. Periodical distributions follow the initial advance, Mr. Adams said, as the cotton is sold orderly and directly to the consumer.

W. E. Reed, editor of the Colorado Record, Mrs. Reed and their daughter Miss Freida Merle, were pleasant callers at the News office Monday. They had been touring the central and south plains. Mr. Reed and the Whipkeys are publishing one of the best weekly papers in west Texas.

F. B. Seago and family removed to Tahoka last week from Comanche. Mr. Seago has accepted a position with the Cash Store. Mr. Seago says that cotton in Comanche county has suffered great deterioration the past few weeks from dry weather.

Miss Dolphia Carmack has gone to Tulia where she will teach Public Speaking in the high school this year. She recently received her B. A. degree at the West Texas State Teachers College at Canyon.

Mrs. H. J. Badgwell and little daughter and Jim Welcher are here from Santa Fe, Oklahoma, visiting Mr. and Mrs. J. S. Wells. Mrs. Badgwell and Mrs. Welcher are grandchildren of Mr. and Mrs. J. S. Wells.

Mrs. Lonnie Taylor, better known as Miss Tula Kuykendall, left last Friday for Illinois. Her husband has accepted a position in a farm implement factory in that state.

52 issues Lynn County News \$1.50

First Bale Cotton For Brownfield

The first bale of cotton was received at Brownfield September 3rd, according to the Brownfield Herald. The bale weighed 580 pounds and graded strict middling. The bale sold for 27 cents per pound. The first bale received in Brownfield last year was ginned on August 31st. Lubbock also received its first bale Saturday morning by J. G. Reynolds who lives near Shallowater. The bale weighed 402 pounds and brought 25 cents per pound, bought by Sam Denman for the account of Silvan Newburger and Sons of Dallas. A \$75.00 premium was donated by the Lubbock Chamber of Commerce. —The Meadow Review.

In 1920 the average population per square mile throughout the United States was 35.5 and that of Texas was 17.8. When Texas brings her population up to the average of the country she will have not less than 9,000,000.

TEE-BAR H. D. C. REPORT

The C. H. D. C. met with Mrs. D. Henderson the first Thursday. Not such a good attendance as usual and we should all have been there. We had a very interesting time and things of much importance to discuss. The canning budget for the fair was among the most important things. Our home demonstration agent was with us, and we surely were glad to have her with us again. We just wish that every member could have been at this particular meeting. We must come up with our part this time and we will have to hurry to do it. Our next meeting will be with Mrs. Pete Page the first Thursday in October.

The club ladies will put on their religious program next Sunday night, September 11. Every one is invited to attend. We will have this meeting at the school house.

The club ladies will have a picnic on the school house yard Thursday afternoon, September 15. The families of the club women and the club girls are invited.

Those present at Mrs. D. Henderson's last Thursday were: Mesdames Anderson, Johnson, Beasley, Lindley, Moore, Nichols, and Misses Esther Nichols, Bernice Anderson, and as visitors, Mrs. Medera, Ruth Crews, and our agent, Miss Halsey. After business a very delightful lunch was served by the hostess.

—Corresponding Sec'y.

AN ORDINANCE

(Continued From Page 2)

grantee shall have the right to require the customer or consumer to deposit with it a sum equal to the maximum monthly bill of the consumer, provided, however, that no deposit shall be in a less sum than \$10.00 for domestic meter, and \$15.00 for industrial meter.

Section 5.
The natural gas to be furnished hereunder shall be at all times kept to a standard of eight hundred British thermal heat units or higher per cubic foot at the point of consumption, at a temperature of thirty-two degrees Fahrenheit, or zero Centigrade; and to determine whether the gas supplied is of the heating value above specified the City of Tahoka may have tests made by a competent analyst under recognized and scientific processes, according to the approved method of making such tests, and said tests shall be from samples of gas collected from the grantee's mains at any point or points within the City. If the result of such tests show that during a month the daily average of the gas supplied was below eight hundred British thermal heat units, then there shall be deducted from the customer's bills for gas during such month a proportionate amount, based upon the deficiency below said eight hundred British thermal heat units. In any month when such tests are being made, the city shall advise the grantee of the results of each test within a reasonable time after it is made, and the official report for such analyst, of which said grantee is so advised, shall be taken and accepted as the agreed prima facie correct test of the heating value of the gas furnished during such month and thereafter until a different result is determined or ascertained in a similar manner; said grantee shall furnish gas to the consumers at a pressure of not less than four ounces, nor greater than eight ounces, measured at the consumer's meter outlet.

Said grantee shall supply and install not less than one and as many as may be needed approved self-registering pressure and gas gauge, capable of recording the pressure of the gas, in the mains at points in the City designated by the City Council, and said self-registering pressure gauge shall be placed at a station which, in the opinion of the City Council fairly represents the pressure of adjacent territory; and such stations shall be securely inclosed under lock and duplicate keys to said station shall be retained by the City Manager, or some officer authorized by the City Council; and such self-registering pressure gauge shall be equipped with removable recording dials to record the pressure, and the said City Manager, or some representative authorized by the City Council, shall remove or cause to be removed from said pressure gauge the pressure record of the preceding period, and provide the gauge with recording blanks for the next period during which such record is desired by the City; and each record taken from such pressure gauge shall be filed in the office of the City Secretary of the City of Tahoka, and a record thereafter be entered upon the books of the City by said City Secretary; and the said City Manager, or some representative authorized by said City Council shall keep self-registering dials in said pressure gauge continuously for a month, or as often as is required by the City Council and the said gauge record and the said book record shall each be competent and prima facie proof of the pressure at the point at which such record was made at the time as shown by said gauge record.

Each consumer of gas shall install and maintain suitable piping within his property lines and suitable appliances and fixtures, except meters, subject to the approval of the City

Council or such supervisor, inspector or other representatives as may be authorized by said City Council to pass upon the same.

Section 6.
The City reserves the right to lay and permit to be laid electric conduits, water and other pipe lines or cables, and to do and permit to be done and underground work that may be deemed necessary or proper by the City Council, in, across, along or under any street, alley, highway, or other public place occupied by the grantee; and whenever, by reason of changes in the grade of any streets, or in the location or manner of constructing any water pipes, electric conduits, sewers or other underground structure, it shall be deemed necessary by the City Council to alter, change, adapt or conform gas mains and service pipes of Grantee, such alterations or changes shall be made by the Grantee when ordered in writing by the City Council or any supervisor or other representative of the City Council so authorized to act without claim for reimbursement for damages against the City; said grantee shall indemnify and save harmless the City of Tahoka from any and all claims for injury or damages to persons or property occasioned by or arising out of the construction, maintenance, operation or repair of said grantee's transmission, transportation and distributing system, and by the conduct of the business in the City.

Section 7.
The right to use the streets, alleys, highways, or other public ways or places of the City of Tahoka by the Grantee, as provided in section two above, shall be and is subject to the following restrictions, limitations and conditions, viz: That in building additional mains or lines of pipe, said grantee shall build and construct the same along and under the alleyways, where alleys exist, rather than along and under streets, and shall only use the streets for same insofar as may be necessary in connecting from one alley to another, and said mains and pipe line shall be placed below the surface of the street or alley and so as to protect all paving, wire cables, water pipes, underground wires or sewer laterals, and shall be so constructed and located with reference to water lines and sewer mains as not to interfere therewith, and under the direction and to the satisfaction of the City Council or the City Engineer.

Section 8.
That the City Council hereby reserves the right to install at the point where said grantee receives its gas for distribution in the City a meter through which all gas for distribution to the City and its inhabitants shall be passed, an adequate self-registering pressure gauge adequate to record the amount of gas distributed to the City and its inhabitants and the pressure at which the same was received by the grantee.

Said grantee shall also supply and install one distant pressure gauge under the direction of the City Council and at the place designated by the City Council which will indicate the pressure at such designated point, said gauge to be placed in the City Hall in the office of the City Engineer.

Section 9.
That after the said gas distribution system shall have been fully constructed, equipped, and in operation as herein provided in the City of Tahoka, if the said grantee shall then fail to substantially comply with the conditions of this franchise, the City of Tahoka shall have the right by ordinance duly passed therefor to forfeit all the rights and franchises herein granted to the said grantee, provided that the City of Tahoka shall give the said grantee, its successors and assigns, sixty (60) days notice in writing, specifying the conditions claimed to have been violated, and giving full and fair opportunity to be heard thereon before declaring such forfeiture which notice shall fairly and fully set out all of the conditions claimed and complained of and shall be given by the said City and signed by the City Secretary under the seal of said City, after having been properly authorized by the Mayor and City Council of the said City; provided, however, that the said grantee shall have sixty (60) days after receiving such notice in which to rectify and correct such violations and to substantially comply with the terms and conditions of the ordinance; should the violations of this ordinance so complained of not have been rectified and corrected and the terms and conditions of this ordinance fully complied with at the end of said sixty (60) days, then and in that event the City shall have the power to forfeit this franchise on account of the violations specified in said notice. That in case of forfeiture as herein provided, the City of Tahoka reserves the right to purchase the distributing plant of the grantee at its fair appraised value

or to allow the grantee to remove same within one year from the date of such forfeiture, provided that before any of said property may be removed, the grantee shall be required to give to the City a good and sufficient bond, that the streets and alleys will be placed and left in as good condition as found.

For each and every branch or violation of any of the provisions of this ordinance by the grantee, it shall be liable to a penalty of Twenty-five dollars to be recovered in any court of competent jurisdiction by suit, of any person, firm or corporation injured or damaged by such breach or violation; and if the breach or violation shall be a continuous one, each day during which such breach or violation continues shall be deemed a separate breach or violation and a separate ground for recovery against the grantee.

Section 10.
That in further consideration of the privileges and franchise granted to the West Texas Gas Company, it shall adopt and use all and any reasonable safeguards to provide for the protection of persons or property against injury or damage growing out of the use of gas and that they shall construct and maintain in good order all mains, pipes and equipment used in said City for the distributing of gas, and shall always be prepared to furnish said City and its inhabitants a sufficient quantity of gas for all purposes, provided, however, that in case of explosion or accidents of any character or nature beyond the control of grantee, to the main lines or to the distributing system provided herein, or shortage of gas supply in the fields from which the grantee secures the gas and the grantee is not able to furnish on account of such unavoidable conditions gas for all purposes, that preference shall be given domestic consumers, schools and hospitals in the use of gas until such time as the supply may prove adequate for all purposes. Provided further that grantee shall not be liable for any damage resulting from such accidents either to the lines of the grantee or to the lines of property of consumers.

Section 11.
It is provided that grantee shall in good faith begin the construction of its main lines and distributing systems by May 1, 1928, and shall complete such mains' lines by Nov. 1, 1928, and shall be prepared to serve gas to consumers on or before December 1, 1928, provided however, that grantee shall not be liable for the time consumed out of such periods by strikes, acts of providence, acts of constituted legal authorities, or acts beyond the control of grantee.

Section 12.
That the grantee herein shall have the right and privilege of assigning this franchise and all the rights and privileges granted herein, and wherever the word "grantee" appears herein it shall be construed as applying to its successors and assigns.

Section 13.
This ordinance shall take effect and be in force from and after its passage and approval and publication as provided by law.

Passed and approved this the 5th day of September, A. D. 1927.

J. R. SINGLETON,
Mayor, City of Tahoka

Attest:
FRANKIE WELLS,
City Secretary of Tahoka
(Seal)

STATE OF TEXAS
CITY OF TAHOKA:
COUNTY OF LYNN

We, the undersigned Mayor and City Secretary of the City of Tahoka in Lynn county, Texas, do hereby certify that the within and foregoing is a true and correct copy of the ordinance and franchise approved and passed granting the West Texas Gas Company the right and privilege to use the streets and alleys and public grounds of the City of Tahoka for the purpose of laying and maintaining gas lines for the distribution of natural gas to the City of Tahoka and the inhabitants thereof for a period of twenty (20) years, and that such ordinance was duly read, approved and passed as required by the City Charter of said City, and duly signed by the undersigned Mayor and attested by the undersigned City Secretary this 5th day of September, 1927.

J. R. SINGLETON,
Mayor, City of Tahoka

Attest:
FRANKIE WELLS,
City Secretary, City of Tahoka.

District Attorney Price was here a short time Tuesday morning. Judge Price says that there will be a heavier criminal docket here this term of court than usual. The court is in session at Brownfield now. He had a heavy docket over there the last term but light one this time, he says. The Judge is making an excellent record as a prosecutor.

T-Bar

Mr. and Mrs. Jim Ward of Plainview were here the first of the week visiting relatives.

Mrs. Charles Cloud came in from Sterling City the first of last week for a visit with her parents.

Messrs. Leslie Crews, Boyd Helm, and Jack Henderson returned home last week from a cotton picking trip.

Mr. Eaton and family left for east Texas last week.

M. A. Dorman and family attended the protracted meeting at Bethel and took dinner with Mr. Payne and family Sunday.

J. M. Johnson and family and Jesse Dorman and wife visited Mr. and Mrs. G. K. Knoy and Miss Katherine Sunday.

J. B. Moore and Calvin Dorman, M. A. Dorman and W. M. Waldrip left Tuesday for New Mexico to get some apples.

Miss Mabel Crews returned home from a visit with Violet Smith of Draw.

Miss Ruby Moore is boarding with Mrs. Kuykendall in Tahoka and attending high school.

Mrs. Edwards and son made a trip to Lubbock Saturday.

W. L. Kuykendall was out on his farm Saturday.

J. K. Callaway and Mr. Whittington were in our midst Wednesday.

M. A. Dorman and son Jesse went to O'Donnell on business last Friday.

J. M. Johnson went to Redwine Monday.

judgment, in favor of Mrs. Sarah L. Jackson in a certain cause in said Court, No. 2795 and styled Mrs. Sarah L. Jackson vs Ed. C. Russell, placed in my hands for service, I, J. W. Simpson as Sheriff of Lynn County, Texas, did, on the 5th day of September 1927, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: All of lot 2 in block 92, and all of lots 5 and 6 in block 103 in the town of O'Donnell, Lynn County, Texas, and levied upon as the property of Ed C. Russell and that on the first Tuesday in October 1927, the same being the 4th day of said month, at the Court House door, of Lynn County, in the city of Tahoka, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Ed C. Russell.

And in compliance with the law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Tahoka, Lynn County.

Witness my hand, this 5th day of September, 1927.

Lynn City

All the farmers are wearing a smile now. A fine rain fell in the New Lynn community last Sunday. The Methodist meeting is now in progress. The services are being conducted by Rev. Thompson of Wilson. Every one is invited to attend. Mrs. W. P. Bussell has been visiting relatives in east Texas for the past week. Mr. and Mrs. C. K. Alewine of Boswell, Oklahoma, are visiting Mr. J. M. Spears and family. The former is a brother of Mrs. Spears. Miss Bobbie Lee Rhoades, a teacher in the New Lynn school, spent the week end at her home in Slaton. Mr. and Mrs. H. O. Huff and child ren visited Sunday and Monday in Muleshoe.

—GIGGLES

O'Donnell Man Makes Money With Jerseys

E. W. Hester who lives just south of town has made a success of the dairy business and at the same time has been setting an example that would be well for others to follow. In conversation with the Index man this week, Mr. Hester gave the editor figures as proof what he has earned from one Jersey heifer during the past two years and eight months. The results of the earnings: from this one cow are startling and will no doubt be of interest to others.

Two years and eight months ago Mr. Hester purchased a two year old Jersey heifer from the yards of O'Donnell for which he paid \$35.00. Recently he refused \$150 for the animal. The first calf from this cow which was a heifer was kept by the owner and he recently refused \$100 for this animal. The second calf was a bull and was sold for \$35 and the third was a heifer which was sold for \$50, making a total of \$85 in cash Mr. Hester realized from the increase and still has a profit of \$125 in the increase which he refuses to sell, making a total of \$300 realized from his investment of \$35 two years and eight months ago.

Besides the \$300 in the increase from the animal, Mr. Hester estimates that he has sold in the neighborhood of \$200 worth of milk and butter which would make a grand total of \$500 in two years and eight months from an investment of \$35. The stock is all registered. Such a return on the investment is far better than the average.—O'Donnell Index.
