

## Local Federated Clubs Host To State President, District Officers Here

Mrs. A. J. House, president of the Texas Federation of Women's Clubs, addressed 60 women of Muleshoe and surrounding towns at a joint meeting and luncheon at Leigon's Saturday, sponsored by the Muleshoe Study Club and the Los Planos Study Club.

Federated clubs from Sudan, Farwell, Friona, Amherst, and Muleshoe heard Mrs. House say, "You women of the small clubs are the backbone of our Federation."

Discussing her theme "Abundant Living Through Service," she said, "The happy people today are those who serve, whether in their homes, in church, in clubs, in school or P.T.A. Federation serves as a training field, as mental stimulation."

To the young mothers, Mrs. House advised, "Your children are watching you and what you do. Be an example to them." And to the club members she said, "Hold high the torch of Federation, the young women of this town are watching you."

Other guests present included Mrs. R. R. Lindsey of Borger, seventh district president, and Mrs. A. T. Coonaugher of Lubbock, seventh district vice-president. Mrs. Lee Pool, president of the Muleshoe Study Club, welcomed and introduced the guests and speakers.

Mrs. House was introduced by Mrs. Verney Towns. Mrs. Jack Schuster gave the invocation, and Alva Lee Shofner played background music. Mrs. Horace Blackburn and Mrs. Sherman Sweatman presided at the guest register.

## Study Club Meets September 26 To Set Projects and Plans For Coming Year

The Muleshoe Study Club met at Leigon's September 26 to make final plans for the joint meeting and dinner for Mrs. A. J. House, state president of the Texas Federated Women's Club.

Welcome was extended new members Misses T. H. Kent, Jr., John Miller, John Purdy, Sr., and E. T. Slack.

The projects for the year, as outlined in the newly issued yearbooks, were discussed.

The club voted to have its annual Home Beautiful tour on October 27. Final arrangements will be made by the finance committee.

Mrs. O. N. Jennings lead a discussion of projects, proposed by the community achievement committee, including placing

## West Camp HD Club Met In Nowell Home Sept. 25

The West Camp Home Demonstration Club met September 25 in the home of Kathleen Nowell for a social period.

Roll call was answered with members giving solutions they have found to their problems.

Refreshments were served to six members, and plans made for the Christmas party to be held in the Ethel Harding home.

The next meeting will be October 9 with Louise Roark as hostess for a program on achievements for the year, sewing, canning, and deep freezing.

## Freezer Meals Topic of H. D. Club Meeting

The Progress Home Demonstration Club met September 26 with Mrs. Sherman Sweatman as hostess for a program on cooking a meal from the freezer, demonstrated by Mrs. Harriette Brummett, county home demonstration agent.

Roll call was answered with a gift over that freezes well. Council report was given and the club voted to invite the Blackwater Valley Club to meet with it on October 24.

Refreshments were served to ten members and Mrs. Brummett.

### ERICKSONS HERE

A. X. Erickson and son, Bill of Denver are here this week seeing after property they own in the county.

## H. D. Agents Column

The Panhandle-South Plains Fair has come and gone. I do hope you had the opportunity to attend and see the exhibits that were displayed. It is an excellent way of checking on ourselves to see if we are attaining good standards in the crafts, textile and culinary arts. I attended Friday night and enjoyed the different exhibits. The Bailey County agriculture exhibit was good proof of the excellent quality of farm products that the farmers are growing in

this county.

Speaking of fairs — the State Fair of Texas begins Saturday, October 5. I hope many of you will be able to attend. Saturday is the day that the 4-H girls will stage the State 4-H Girls' dress revue. Forty-nine outstanding 4-H Club girls will model dresses they have made. The revue will be in the Women's building on the State Fair Grounds in Dallas. There will be two showings. The first revue will be staged at 10 a.m., and the second showing takes place at 11:30 a.m. If you should chance to be at the fair on Saturday, I hope you will see the outstanding dresses from all twelve districts of the state. The models will be judged on selection of design and fabric, construction, becomingness, fit, choice of accessories, grooming, poise and their 4-H records. The top award will be an all-expense trip to the National 4-H Congress in Chicago to model in the National 4-H Dress Revue.

### CONCERNED ABOUT OVERWEIGHT?

Check with your doctor before starting a plan to lose extra pounds. Avoid weird diets and miracle pills. Health is a precious thing but can be destroyed by improper reducing methods. Be safe — eat a balanced diet, but EAT LESS.

### Stained Aluminum Pans

Has the favorite aluminum pan or electric skillet become darkened from use? Some elbow grease and a fine grade steel wool pad will remove some of the stain. After this treatment try cooking tomatoes or some other acid food in the pan. If the stain is not very dark, the cooking of the acid food in the pan, may do the trick without the use of the steel wool.

The dark stain in your pan is probably iron that has been removed from food, while cooking, and has been deposited on the aluminum. The acid food removes it from the aluminum. There is no need in throwing the acid food away. The iron that it has taken from the aluminum is good for you.

### LET'S CHECK FOR FIRE HAZARDS

Farm fires destroy at least \$50,000,000 worth of property on farms every year. The Texas Farm and Ranch Safety Council points out chief causes of fires as defective chimneys; sparks on combustible roofs; inadequate lightning protection; carelessness with matches; spontaneous ignition; improper use of gasoline and kerosene; misuse of electrical appliances and electricity, and unsafe stove and furnace installations.

## PLEASANT VALLEY NEWS Family Party Held At Community Center

by Mrs. Leroy Hicks

Several of the Pleasant Valley Social Club members and their families met at the community center Saturday night, September 28 to enjoy a social. Games were played. Refreshments of cake, coffee, and cool ade were served to those attending.

# Mules Take Springlake 33-6 Friday

## BODY BLOCK!

The Muleshoe Mules stomped hard on the Wolverines Friday night for a 33-6 branding.

On a pitchout from quarterback Dickie Johnson, Derrell Olive, sophomore halfback, darted 21 yards for the first Mule touchdown. Fullback Bill Black plunged for the point.

In the second period, Oliver catching from Johnson again made a sweeping 53-yard strike across, with Black assisting with fancy faking. Run for point was held.

Spearheader Johnson then connected with end Ross Langham for a 15-yard score, and Johnson ran the point.

Black plunged from the one early in the third quarter for another tally, with Johnson making the point run count.

Coach Wayne Mantooth didn't slow the game with his B-team. Halfback Gerald Shanks sparked a 53-yard drive and went over from the one for the final Mule touchdown.

The Wolverines got in the last kick with Doug Louder, right half knocking off the last 20 yards. Kick was wide.

### BULA NEWS BRIEFS . . . .

## Bula Homecoming Set For, Saturday, Oct. 18

All ex-students of Bula school don't forget that Saturday, October 12, is the date of the annual Bula homecoming. Registration and visiting hour will begin at 3 p.m. The alumnae meeting will begin at 4 p.m.

A meal will be served at 6 o'clock sponsored by the senior class.

Climax of the day will be the Cotton Center - Bula football game at 8 p.m. Homecoming queen will be crowned in half time ceremonies. This annual affair is sponsored by the Alumni Association of the senior class.

**LORETTA LOCKER SHOWER HONOREE**  
Miss Loretta Locker, bride-elect of Doyle Winfield, was honored with a miscellaneous shower given Saturday afternoon, September 28, in the home of Mrs. Clyde Hogue.

Hostesses for this courtesy were Misses Arlene Hogue, Shirley Cox, Dorothy Harris, June Hicks, and Margaret Jacques, and Mmes. Clyde Hogue, Beverly De Sautell, Sue Altman, Glenda Lunsford, Cecil Cox and John Latham.

### OFFICERS ELECTED

Girls of the Bula community met and elected officers as follows:

Ruby Cash, president; Elizabeth Doran, vice-president; Linda Phillips, secretary-treasurer; Gwen Autry, reporter, and Theresa Hall, song leader.

Mrs. Harriett Brummett met with the girls. The 3rd Wednesday of each month will be the meeting date.

### WSSC MET

Mrs. C. L. Cox had charge of the program at the meeting of the WSSC. Ladies present were

### Y. L. NEWS

by Roscoe Trostle

Reece Wilterding and family from Tulla, were guests in the Robert Hooten home Sunday, along with Reece's and Maurine Hooten's parents, Mr. and Mrs. Wilterding from Muleshoe.

Rev. and Mrs. Trostle and daughters were on their way to Lubbock Saturday when they apparently knocked a rod out of their car. They were to meet her

sister and family, Mr. and Mrs. J. R. Clark from Wheeler, who were coming down to join their son, James Clark from A. & M., to see the game Saturday night. The Clarks took the Trostles to Valleyview Sunday morning, where Rev. Trostle preached. The Tom Bostics of Valleyview then loaned Rev. Trostle a car until he could get his fixed.

Mr. and Mrs. George Mitchell and family visited in the home of Mr. and Mrs. Ronald Lewis near Bovina Sunday.

### CARD OF THANKS

We want to express our deep appreciation to all of our friends and neighbors for all the kindness and thoughtfulness shown us in the death of our daughter, sister, and granddaughter, Anita Louise Plyler.

## Longhorns Win On Penetrations At Whitharral Game

Whitharral's "had hoo" Panthers took their third heart-breaking loss Friday at the hands of the Lazbuddie Longhorns in a Conference 3 B district tilt. The Lazbuddie lads chalked up their fourth straight win by a narrow margin of one penetration with the final score standing 7-7.

The Panthers trailed throughout the game, with Lazbuddie opening the scoring in the first quarter on a two-yard plunge by Roy Vanlandingham, fullback. Vanlandingham also ran the extra point.

Whitharral's Panthers scored in the final stanza as quarterback Jimmy Jenkins broke away on a 55-yard spring. Billy Thetford, halfback, kicked the extra point.

A final check showed that the Longhorns had four penetrations within the 20 yard line while Whitharral could manage only 3. First downs were even at 9-9. The Panthers had a slight margin on yards gained, rushing with the final tally showing 139 yards for the Panthers and 141 for the Longhorns.

Starting Whitharral end Ray Mane was knocked out of the game with a broken leg in a first period pile-up.

## Bula In District Win Over Nazareth

Bula's Bulldogs defeated Nazareth's Swifts 46-13, in a battle of District 6-B six-man football teams at Bula Friday night.

Leading scorer for the Bulldogs was Norvell Roberts with four touchdowns. Teammate Don McCard tallied three times.

Gerome Gerber and Edwin Hussman accounted for the two Nazareth scores. Bulas record is 30 for the season.

### Post Nuptial Tea In Gilbreath Home For Recent Bride

The home of Mrs. Rufus Gilbreath was the scene of a post-nuptial wedding tea honoring Mrs. Jimmy Wilkerson, nee Betty Shanks from 4 to 6:30 p.m., September 18.

Guests were greeted by Mrs. Gilbreath, Mrs. Joe W. Jones, sister of the bride, Mrs. Wilkerson, and the groom's mother, Mrs. Troy Wilkerson.

Miss Doris Ann Gilbreath was at the registration table which was highlighted by a musical bride's book, a miniature bridesmaid dressed in blue and a floating white gardenia.

The bride's table was covered with a white scalloped nylon organdy tablecloth with a white nylon net ruffle falling to the floor. Accenting each scallop of the cloth were clusters of blue pom-poms. The table was centered with a large white church with bouquets of blue pom-poms on either side. A miniature bride and groom stood in the lighted doorway of the church. Blue rice and blue ribbon streamers with white flowers were strewn in the path to the awaiting car. Printed in white on the blue car were the words, "Jimmy and Betty, Just Married". Streamers of flowers and a miniature pair of shoes tied to the car completed the arrangement.

Miss Velta Gillis served individual blue iced cake topped with miniature wedding bells. Miss Alva Lee Shofner presided at the crystal punch service.

The bride was presented a lovely white gardenia corsage. Mrs. Jones also wore white gar-

### Carolyn Hinkson Installed Thursday As Worthy Advisor Of Rainbow Girls

Carolyn Hinkson was installed as Worthy Advisor of Muleshoe Assembly of Rainbow for Girls in a beautiful ceremony Thursday evening at the Masonic Hall. Decorations were carried out in yellow and white, Carolyn's chosen colors. The color station pedestals were centered with a miniature rainbow of starfoam covered with yellow flowers.

Installing officers were Doris Childers, Worthy Advisor; Elaine Evans, Marshall; Mary Janice Puckett, Chaplain; Mary Jo Holt, recorder, and Mrs. A. J. Gardner, musician.

The dispensation for holding public installation was read, after which the new officers entered the assembly room and were introduced by the marshal. New officers for the ensuing term are as follows: Nan Allison, Worthy Associate Advisor; Nell Moore, charity; Sandra Allison, Hope; Sherry Allison, Faith; Neida Redwine, chaplain; Dolores Wagon, drill leader; Donna Guinn, love; Pat

denias and the groom's mother wore blue feathered carnations sprinkled with pearls.

Many lovely gifts were on display throughout the afternoon. Hostesses were Mmes. Verney Towns, J. T. Shofner, Vernon Jamison, Travis Reed, Sam Fox, D. B. Lancaster, Andrew Dutton, W. W. Couch, F. B. Pierson, Jimmy Dale Black, and Mrs. Gilbreath.

Thomson, religion; Susie Carpenter, nature; Jana Goodwin, immortality; Joy Autry, fidelity; Nelle Boothe, patriotism; Linda Wingo, service; Maria Reed, confidential observer; Juanita Burkett, outer observer; Marie Houston, musician, and Sandra Harris, choir director. Mrs. Lavonne Hinkson was installed as Mother Advisor.

Following the installation ceremony, Carolyn introduced her parents, Mr. and Mrs. Frank Hinkson who were escorted to the East and presented with a corsage and boutonniere. Others presented and introduced were Mrs. Lou Green, Worthy Matron of Muleshoe Chapter of Eastern Star; Mr. John Thomson, District Deputy Grand Master of the 97th District, Grand Lodge of Texas; Mr. Connie Gupton, Worshipful Master of Muleshoe Lodge; members of the Advisory Board, and Past and Present Mother and Worthy Advisors.

The program was given by Mrs. Anna Lucy McAdams who gave a reading entitled "The Talking Tree" and Mrs. Wynnie Dunn who sang "Give of Your Best" accompanied by Mrs. Gladys Everett.

Carolyn presented each of her installing officers and those on the program with a gift. Rev. Aaron Mitchell, pastor of the Lazbuddie Methodist Church, gave the benediction after which the assembly sang "My Rainbow".

Mrs. Allen will give Muleshoe's part at the district WMU meeting in Merton on October 13.

Mrs. Robinson will give the devotional at the next meeting on October 1.

### Bridal Shower At Lazbuddie Honors Mrs. Watts

An afternoon bridal shower at Fellowship Hall in the Lazbuddie Methodist Church, honored Mrs. Billy Watts of Farwell, nee Mina Margaret Jennings, formerly of Lazbuddie, last Wednesday afternoon, September 25 at three o'clock.

Hostesses for the occasion included: Mmes. Frank Hinkson, Virgil Teague, Deboe Carpenter, Arrie Beavers, Alfred Steinbock, David White, C. D. Gustin, and Walter Steinbock, all of Lazbuddie; also Mmes. Glen Dunn, Herman White of Muleshoe and B. Whitt Douglas Bates of Rt. 5, Muleshoe.

Bowls of lovely fall flowers were used throughout the hall. The lace covered serving tables were attractively arranged carrying out the brides colors. The refreshments table was centered with a miniature white church trimmed with blue ribbon and tiny blue flowers, lighted from within and highlighting the miniature bride and groom

### WMU Officers Are Installed Monday In Joint Ceremony

Officers of the Woman's Missionary Union of three Muleshoe Baptist churches were installed in a joint installation ceremony held Monday night at the First Baptist Church.

Mrs. T. W. Goar installed officers of the WMU of Trinity, First Baptist Church, and Progress Baptist churches, carrying out the theme of "The Cross of Service."

A white covered table was centered with a large white styrofoam cross at the base of which were small gold crosses, each bearing a red rose. Dahlias completed the arrangement. Rev. E. K. Shepherd gave the welcome address and Rev. T. W. Goar the devotional.

Mrs. Goar gave a small gold cross and rose to each officer. The large cross was spotlighted as Carolyn and Rosemary Hicks sang, "Jesus Keep Me Near the Cross."

Officers installed included the following:

**First Baptist Church**  
President, Mrs. Verney Towns; recording secretary, Mrs. I. M. Stinson; secretary-treasurer, Mrs. J. R. Henry.

**Trinity Church**  
President, Mrs. Hatch; recording secretary, Mrs. Harris; secretary-treasurer, Mrs. Baker.

**Progress Church**  
President, Mrs. Morrow; recording secretary, Mrs. Shipp; YWA director, Mrs. Merritt.

## Letter Writing Week October 6 to October 12

International Letter Writing Week will be celebrated in Muleshoe during the week October 6 to 12. Postmaster Arnold Alcorn announced today.

Commenting on the establishment of International Letter Writing Week, Mr. Alcorn pointed out that each year since 1938 the Post Office Department has

joined in the observance of National Letter Writing Week—an annual event celebrated to emphasize the meaning and value of letter writing as a symbol of American freedom.

"As a result of its success", Postmaster Alcorn stated, "National Letter Writing Week will be conducted on an international basis this year for the first time. International Letter Writing Week is based on the idea that written communication between people in all the countries of the world will contribute

toward the building of a lasting peace.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate means each of us has to communicate with our fellow human beings. Letters between peoples of different nations are a sure method of establishing friendly relationships and understandings. The problem of freedom loving people will be more quickly solved if they are better understood. I urge all citizens of Mule-

shoe to join in this first celebration of International Letter Writing Week and at the same time write that overdue letter to friends and relatives in America.

## Annual Field Day At Ag Station On October 8 Set

The annual field day of the Texas Agricultural Experiment Station of Lubbock will be held on October 8. Farmers, ranchmen and businessmen are cordially invited to attend. The program will begin at 9:00 a.m., when tours will be made in tractor drawn trailers under the guidance of County Agent, to view the experimental plots and exhibits of latest developments in Agricultural Research. In the afternoon, following a lunch furnished by a catering service at \$1.00 per person, the high lights and new developments at the Lubbock Station and from outlying tests conducted at 13 locations in the Southern High Plains will be discussed by personnel of the Station.

The visitors will have ample opportunity to view and discuss the influence of water management, different levels of irrigation, and fertilization on the yield and quality of cotton and sorghum hybrids, and special crops such as soybeans, sesame, and castorbeans. Some of the later developments that will also likely interest farmers include the "W" planter with press wheel attachment, production of native grass seed, control of nematodes, insects and plant diseases.

In addition, information will be available on the influence of fertilizers, cotton burrs, crop residues, and cropping systems including legumes on the yield of cotton and grain sorghums under irrigation and also under dryland conditions. Studies on simulated hail damage, dates of planting and performance of leading cottons and sorghum varieties also may be observed.

Guests in the Bert Seals home have been their daughters, Mrs. H. A. Douglass and children, Mrs. Billy Barnett and baby, Mrs. J. Pursell, Mrs. Ruth Ingie and son; their sons, Mr. and Mrs. Don Seales; also Walter Seales; and friends, Charlene and Bunt.

## Four Students At Wayland College From Bailey

Bailey county is represented by four students at Wayland Baptist College, which began its 49th year on September 18, according to Dean Cecil Cosper. They are among the students from seven countries and 24 states.

Foreign countries and territories represented are Alaska, Columbia, France, Hong Kong, Japan, Philippines, and Okinawa. New Mexico leads out of state areas with 46 students. In second and third places are Oklahoma with 24 and Colorado with 11. California is next with 10 students.

Bailey countians enrolled are: Evelyn Braicher, Wayne Bristow, Goman Byrd, and Jimmy Morrison.

## Gary Mack Brown President Junior 4-H In Lazbuddie

Gary Mack Brown was elected president of the Lazbuddie Junior 4-H Club at an election held September 23.

Other officers included Happy Jennings, vice president; D. H. Foster, secretary; Lloyd Bradshaw, pledge leader; Rowland Barnes, reporter.

Joe Jones, Palmer County Agricultural Agent organized the club and discussed how to prepare grain sorghum for showing at fairs.

## Brotherhoods To Meet October 8 In Littlefield

A joint meeting of Brotherhood men of Baptist churches on the West Plains, and in Hockley and Cochran counties, will be held at the Littlefield First Baptist Church October 8 at 7:30 p.m.

All Brotherhoods are asked to elect a full slate of officers and bring them to the meeting. Homer Morris is president of the West Plains Brotherhood, and Alton Logsdon is president of the Hockley-Cochran association.

## Wiring Program Heard At Rotary

A program on adequate wiring of homes was presented for the Rotary Club Tuesday by a group of Southwestern Public Co. men.

Speakers were Bub Laird, division lighting specialist, and Roland Hussey, division power sales engineer, both of Plainview. The two illustrated their exposition of the adequate power problem by use of an ingenious panel wired to represent use of the many electric appliances now in use in homes. They described the tremendous increase in use of electricity for power and lighting, and even for heating in the homes of America, and consequently the danger that older installed wiring systems may be inadequate to carry the increased load.

The speakers were introduced by Jeff Peeler, local SWPS manager, and Ray Griffiths had charge of the program. A guest of the club was Chief Jones, a local business man.

### Attend Funeral

Mrs. Doris Commons and Mrs. Bonnie Haberer attended the funeral services of Mrs. White Griffiths, held in Happy, last Monday afternoon.

"Dust storms sure were bad news — till I switched to AMALIE L. P. G.!"

"That old common-grade oil I used to use in these irrigation engines sure did let the dust and rust cake up in those engines! But worse than that, with butane or propane, it thickened up when it looked almost like gear-grease! Man, what a change with this AMALIE L. P. G. Oil!"

AMALIE L. P. G. is more than just a good oil, it's a super oil. When you burn butane or propane (Liquid Petroleum Gas), ordinary oil won't do. It must be ENGINEERED for L. P. G. And AMALIE L. P. G. is just that. 100% pure Pennsylvania—no other crude like it on earth. Special additives, to hold that dust, grit, etc., in suspension—so they filter out. And above all, it holds its viscosity—its "flowing" qualities. Give YOUR engines—and your bank balance—a break!

## GET-AWAY POWER

Cosden gasoline has it! Power to spare when you need it there... for fast get-away or hard, steady driving.

If you're missing part of the power you bought in your car, try a tank of Cosden Premium Ethyl. Notice the smooth, positive way your engine takes hold on a quick get-away. That's a reliable motor.

So is Cosden's knock-free performance... or the extra mileage in every drop. The difference is built-in... at one of the world's most modern refineries.

If your car requires less than a Premium gasoline, Cosden Higher Octane Regular, too, gives you bonus power for real mile-saving economy. Either grade—regular or premium—offers new performance, extra mileage, and improved get-away power.

### BURLAP LININGS FOR IRRIGATION CANALS

A number of Texas farmers may be able to profit from a newly developed asphalt and burlap material designed for use as an irrigation ditch lining.

Already in limited use and expected to be on the market next year, the new lining process consists of two layers of specially treated burlap sandwiched between three layers of a special asphalt material. Developers claim the new development will lower lining costs by forty-five percent seepage of water flowing through canals on its way from the reservoir to the farm.

Without linings, as much as a third of the irrigation water is often lost.

Another possibility for the new burlap inner-liner is its similar use as a seepage-preventer in

artificial tanks and ponds. However, it might meet fairly stiff competition here with another more natural type of sealing agent already in use.

Some Texas farmers and ranchers are calling their leaky tanks with a special type of dirt which, when mixed with porous soil, produces a hard, seep-proof bottom. The big disadvantage here is that the water has to be emptied and the soil dried completely before this transformation can take place.

On the other side of the water-retention problem—evaporation—other Texans are using a chemical "cover" of "fatty alcohols" which, when applied to reservoir surfaces, hold evaporation to a minimum.

All of these developments, and others as well, are at least worth a fair try in the constant search for answers to our water problems.

Parmer County Farm Bureau News

Monday night, October 7, at 8:00 p.m., Parmer county's 9th annual convention will get under way at Hub community building, Cotton John, familiar publicity benefactor of agricultural people of West Texas, will contribute to the interest of the program by speaking. Everyone is invited and urged to attend.

We are sure there are few people who believe there should not be an organized voice for agricultural people. We believe Farm Bureau is the best and most powerful in the world. We base our opinion on the record which we think is conclusive and impressive.

Once again, we would like to urge users of farm fuels to respond to the notices sent from this office regarding the deadline for reclaiming five cents per gallon road tax on such fuels. Also, again we remind you wives that you can make these claims for your husband if he is too busy to do it himself. He will likely allow you fifty percent of the refund if you wish.

There are still plenty of "scotch lite" stickers available here at the office. They are fine for the rear of bicycles as well as farm machinery, pickups, trucks, and cars. We welcome you to pick up as many as you need.

Remember the convention this Monday night at the Hub community building. Renew your acquaintance with Cotton John.

CONSIDER THIS: The words of a talebearer are as wounds, and they go down into the innermost parts of the belly.

GEORGE FAMILY BACK
H. O. George and family have moved back to Muleshoe after residing a year or two in Portales and Clovis, where he has been engaged in heavy construction work. He expects to contract building here again. Their son has enrolled in high school and is playing in the band.

It's all right to hold your head up—but don't turn up your nose.

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ.—(Romans 5, 1.)

How can a man ever be at peace with himself until he first has peace with God, and loves Him and trusts in Him? The Way is through faith—through Our Lord Jesus Christ, Blessed Savior who died for us. Faith is the answer; it is forever the answer.

### FFA BROILER PROJECT

### Ten FFA Chapter Members Raising Chickens For Broiler Marketing

Ten members of the Muleshoe FFA Chapter are taking care of 100 baby chicks as their school and chapter project this year, with the view to selling the broilers, and also learning some of the techniques of poultry raising.

Under the direction of vocational agriculture instructors James Adams and Bill Bickel, the boys each have a pen of 100 chicks, which they take care of in regular vocational agriculture class periods.

The chapter furnishes all the equipment, rents it to the boys. The boys buy the chicks and feed, and when they sell the broilers, keep the money they realize.

The current batch of chicks went into the pens September 13, and are expected to reach three pounds each by November 15 when they will be sold. The school cafeteria will purchase most of the broilers, and the remainder will be sold individually by the boys.

Boys keeping chicks at present include D. W. Puckett, Mervyn Morain, Charles Rebut, Ronald Spies, Stanley Robison, Thur-

man Clark, Joe Childs, Joe Lane, Jimmy Bishop, and Wendell Robison.

The pens are housed in one of the old barracks buildings southwest of the high school gym, and the boys are remodeling the buildings, stuccoing them and painting them as projects for the school year.

Johnny Glascock and children of Portales, N. M., visited Mrs. Henry Hanover in the Baker Johnson home Sunday.

Bailey Griffith was taken to the Cochran County hospital in Morton Monday morning, after an accident in school caused laceration above his eye. He struck his head against the door of a coat locker, causing the cut. He was able to be back in school after several stitches were taken on his head.

Shirley Reeves and Maudene Eubanks of Lubbock, visited their parents, the Leon Reeves and Bill Eubanks the past weekend.

### WEEK IS OCTOBER 1 TO 8 Texas Press Head Urges People To Visit Their Newspaper Plants

Jimmie Gilentine, of Hereford, president of the Texas Press Association urged all Texans to visit their hometown newspaper sometime this week in the 18th annual observance of National Newspaper Week.

"We want all newspaper readers to have an opportunity to witness the actual operation of a newspaper plant during the week of October 1-8," emphasized Gilentine, who is also publisher of the Hereford Brand.

"Texas newspaper men and women, who devote a great deal of their time and talents each year to the success of special weeks, will be reflecting, in their columns and news stories, thoughts on the Constitutional guarantee of freedom of the press and the threats to it," Gilentine continued.

"Many will remind their readers of the first threat which ended in the classic trial of John Peter Zenger in 1735, and firmly established freedom of the press," the TPA president pointed out, "and others will review present day threats, represented by secret or closed door meetings of public bodies."

Gov. Price Daniel, in an official proclamation honoring the Texas Press Association, succinctly summarizes the importance of this basic freedom: "Our Constitutional guarantee of freedom of the press is a guarantee of an individual's right to own and to control a printing press without subservience to the government. ### THIS WEEK

-In Washington

With Clinton Davidson  
 If I told you the government has a proposition that will return you \$11 for every \$1 you invest, and possibly save your life, you might be surprised.  
 But, that is a fact. Bertram D. Tallamy, Federal Highway Administrator, told us about it. It is the government's new highway construction program authorized by Congress just over a year ago.  
 "We are not guessing," Tallamy explained. "These figures are based on actual tests and experience. The motorist who drives 10,000 miles a year will pay in added taxes and get \$92 in reduced costs of operating his car."  
 Studies made by Bureau of Public Roads experts show that the average cost of operating an automobile is 1¢ a mile less on a road built to modern standards than on the present average road.  
 On 10,000 miles of driving that would amount to a saving of \$100. Added taxes on gasoline and tires would amount to \$8. In addition, the accident rate on improved roads is 65% lower than the national average.  
 "Last year," Tallamy pointed out, "40,000 Americans lost their lives and 1,400,000 were injured in traffic accidents. The national rate was 64 fatalities per 100 million miles of travel."  
 Where modern, planned access highways have been built the death rate has been cut in half and the accident rate by two-thirds. The saving in property damage alone will amount to three-quarters of a billion dollars a year when the system is completed.  
 The 41,000-mile interstate highway building program is off to a good start. Tallamy told us "we have progressed at a satisfactory rate and we are on schedule."  
 During the first year surveys were completed and contracts awarded for more than 1,500 miles of express highways and 24,000 miles of primary and secondary roads. By 1973, when the system is due to be completed, it will include 250,000 miles of new and re-built express, state and local roads and streets.  
 The program is being financed on a "pay-as-we-ride" system with funds derived from taxes on gasoline, trucks and tires. Collections during the first year amounted to \$1.5 billion.  
 Contracts awarded during the first year totaled more than \$2 billion. The Federal government pays 90% of the cost on the interstate system and matches the states 50-50 on the primary and secondary roads.  
 The biggest obstacle to completion of the program within the original 15-year period planned has been rising costs of construction. Costs already are up 15% to 20% over earlier estimates.  
 Congress specifically directed the Roads Bureau to limit construction payments to funds available from added tax revenue. Tallamy estimates this will stretch out the construction period to 16 years and may add \$10 billion or more to the estimated \$33.1 billion cost.  
 The interstate system, when completed, will link 90% of all cities of 50,000 or more population and will serve 20% of all motor vehicle travel, Tallamy said.  
 "Even that won't mean that we will have completed our highway system," he added. "After that we'll have to continue to expand the system to meet the growing need for more and better highways."

Several children of the Three Way school attended the fair at Lubbock Monday.

### Mrs. Ralph Cooper Feted At Shower

The Progress fellowship hall was the scene of a post-nuptial shower for Mr. and Mrs. Ralph Cooper of Lubbock Fall flowers decorated the room. The honorees received many lovely and useful gifts. Refreshments were punch and cake squares. Special guests were Mr. and Mrs. Frank R. Simpson of Ovalo, Texas, parents of Mrs. Ralph Cooper.  
 Hostesses were Mmes. Byron Gwyn, Eva Murray, Albert Davis, Mattie Griffin, and Troy Actkinson.  
 Mrs. Bruce Simmacher and daughter, Nina, left Sunday to join Second Lt. Bruce Simmacher who is stationed at San Antonio with the Medical Corps.  
 Roy Farrow Guest Speaker at Meeting  
 Roy Farrow, professor at SMU, Dallas, was the speaker at a church banquet held in Progress Methodist fellowship hall Tuesday evening, September 24. Members of the Progress Methodist Church attended, and had a pledge service at the end of the evening.  
 The menu was ham, rolls, jello salad, carrots, potato salad, pie and coffee.  
 The speaker's subject was "Financial Programs for the Church". A good crowd was present.

### What 2 Pounds of GRAIN SORGHUM Can Do

With harvest approaching it is of particularly serious concern to everyone in this area — merchants — grain dealers — farmers — that grain sorghum suffers from a declining market, with a continuously expanding production far exceeding the present demand. I am sure that you will agree that for a more prosperous area agriculture, the market for grain sorghum must be expanded and more favorable legislation enacted.

The Grain Sorghum Producers Association is attempting to improve the "picture" for grain sorghum through an expanded program of RESEARCH, MARKET DEVELOPMENT, and LEGISLATION. There is now an agricultural economist experienced in grain marketing on the Associations staff to develop these activities.

In order to make it more convenient for you to support these activities, elevators in this area will, with your consent, deduct 2 POUNDS PER THOUSAND from your deliveries and deposit it to the account of the Grain Sorghum Producers Association in your name.
