Large Numbers At Nov. 11 Celebration

ONE OF CITY'S BIGGEST DAYS

Dottie Turrentine Crowned Queen; Parade, Game, Programs Occupy Day

In a beautiful Court of Balloons Dottie of the House of Turrentine was crowned Armistice Queen on Thursday evening of last week. It was a beautiful and colorful ceremony. J. D. Donaldson Jr. was the donor of the crown. Little Miss Lottie Jo. Townes was Maid of Honor. The program as given below was rendered for the entertainment of the new queen. Surrounded by the same attendants her Majesty took place in the parade on the next day and added much color and interest to that occasion.

Those participating in the coronation ceremonies were:

Maid of Honor—Lottie Jo Townes.

Trumpeters—Charles Gagnat and Wilson Dickson.

Train Bearer—David Weathers.

Crown Bearer—Wade Howell.

Donor—J. D. Donaldson.

Attendants—Mary Jane Weathers, Faye Massengale, Mary Margaret Tunnell, Zella Margaret Taylor, Elizabeth Crie, Ney Camille Fenton, Mary Joe Doak, Marie St. Clair, Janice Sanders, Rita Shook.

Butterflies—Shirley Shook, Nell Verna LeMond, Betty Sue Roberts, Katherine Sanders, Elouise Roberts, Louise LeMond, Jessie Fenton, Reta Frances Wyatt, Baby Tot Wetsell, Alga Faye Taylor.

Program

Music—Wells Edwards Orchestra.

Reading—Mary Margaret Tunnell.

Solo Dance—Zella Margaret Taylor.

Saxophone Solo—Wells Edwards.

Reading—La Vada Handley.

Piano Solo—Willie Lois Nevels.

Song—Charlene Maddox.

Reading—Mildred Davis.

Violin Solo—Evelyn Wells.

Program

Music—Wells Edwards Orchestra.

Reading—Mary Margaret Tunnell.

Solo Dance—Zella Margaret Taylor.

Saxophone Solo—Wells Edwards.

Reading—La Vada Handley.

Piano Solo—Willie Lois Nevels.

Song—Charlene Maddox.

Reading—Mildred Davis.

Violin Solo—Evelyn Wells.

Armistice Parade Attracts Attention

The big parade staged here on Armistice Day was a decided success in every particular. It was thoroughly enjoyed not only by the participants but by hundreds of on-lookers who lined the sidewalks along the line of march.

The Tahoka Concert Band led the procession, enlivening the occasion with stirring music. Then followed the members of the Marion G. Bradley Camp of the American Legion.

Then came a decorated float, loaded with school pupils, and standing in the midst but high above the others was the statue-like form of beautiful Charlene Maddox, holding aloft a torch in her right hand, representing the Statue of Liberty. It was a beautiful and impressive spectacle.

Then came the float bearing the Armistice queen, charming little Dottie Turrentine, bedecked in queenly attire and seated on her throne, surrounded by her attendants and helpers. It was all enchantingly beautiful!

Other floats and cars followed, including an old weather-beaten, shackled Ford, supposed to contain members of the high school faculty. In the line was also the City Fire Truck, bearing the slogan, "Let us save your lots."

Many school children were in the line, some on floats and some afoot, most of them in comical dress, some in Indian garb, some representing our colored population, some as clowns, some just as plain old American boys and girls.

It was a fine parade and everybody enjoyed it.

ATTENDING BAPTIST STATE CONVENTION

Rev. and Mrs. B. N. Shepherd and Miss Eleanor Barker left early Monday morning to attend the Baptist State Convention, which is in session at Wichita Falls this week. It is expected that they will be back for the Sunday service here.

Negro Woman Is Slashed With Knife By Man

Lizzie Bowling, colored, lies in a sanitarium at Lamesa hovering between life and death from knife wounds inflicted by a negro man out on the C. A. Barnes farm in the Wells community Sunday afternoon, and Frank Roberson, colored, is in jail charged with the crime.

Three or four ugly gashes were inflicted on the body of the woman in the region of the stomach and intestines, it is said. The first reports were that she had been killed, but she was rushed to a sanitarium at Lamesa for treatment and reports from the sanitarium Tuesday were to the effect that she was still living, though physicians held out little hope for her recovery.

No details as to the cause of the trouble have been given, though it is said that the negro has given his story to the officers.

Both parties to the affray were transients, having come to this county recently to pick cotton. It is said that their home is near Snyder.

Operetta Is Well Attended

A large and appreciative audience heard the rendition of the operetta, "Love Pirates of Hawaii," at the High School auditorium Friday night by the members of the Girls' Choral Club and the Boys' Glee Club under the direction of Mrs. Jack Jackson. The entertainment brought a fitting close to the Armistice Day celebration by making a decided hit with the audience.

Two songs were sung between acts by the Women's Choral Club.

FIRST FREEZE FRIDAY NIGHT

Latest On Record Here; This Has Been Ideal Fall For The Cotton Raisers

Tahoka experienced the first freezing weather of the season on last Friday night, November 11. Just a little ice was in evidence Saturday morning. Cotton leaves were killed in some fields while in others they were only slightly frost-bitten.

On Tuesday morning ice was also reported, while on Wednesday morning its appearance was more general. The thermometer registered 28, or four degrees below the freezing point, on this date.

Frequently freezing weather does not come here until the latter part of October or the first of November but this has been one of the latest seasons on record. The continued warm, dry weather through the fall was just what the farmers needed in order that the cotton might have time to mature, and now everybody says that the belated freeze is a distinct advantage in that it hastens the opening of the bolls. This has indeed been an ideal fall for the farmer.

Ex-Service Men's Program Fine

A very interesting program for and by the Ex-Service men was rendered on Armistice Day at the Methodist church. W. E. Smith acted as master of ceremonies. Led by the choir the congregation sang the "Star Spangled Banner." Brother Shepherd gave the invocation. One stanza of America was then sung by the congregation. M. L. H. Baze gave a short survey of the war, causes, our part in it, the mistakes made, the problem of preventing future wars, etc. A series of war songs followed. Then the subject of a Doughboy's experience was discussed by Jesse Eubanks. Mr. Eubanks gave some of the funny experiences of a fighter on the firing line. The details of a battle were given by Mr. Eubanks in a very interesting manner.

Mr. Williams and Mr. White rendered as a duet the song "My Dream of the Big Parade." Following this song the principal address of the day was given by Judge C. H. Cain. Judge Cain spoke on the subject "The Changing Expressions of Patriotism." In the course of the address the speaker pointed out that the mother at home demonstrated her patriotism in many ways. Judge Cain also called attention to the privilege that each one has of showing patriotism today. He also pointed out that patriotism was as necessary in times of peace as in times of war.

RECEPTION FOR PASTOR

The members of the Methodist Church and all the many friends of the pastor, Rev. R. T. Breedlove, are invited to a reception at the church on Friday evening at 7:45 o'clock. The reception is given by the members of the church in honor of the pastor's reappointment to Tahoka for the coming year. Addresses will be made by representatives of the different organizations of the church and there will be a short musical program. Refreshments will be served.

Texas Utilities Offers To Buy Municipal Light And Ice Plant

KIWANIS CLUB HONORS TEAM

Bulldogs Guests At Luncheon; Coach Lewis Tells Purpose of Football Training

Few members and many visitors were present at the luncheon of the Kiwanis Club Wednesday. Perhaps the small attendance on the part of members was due to the extremely busy season. The number of diners was greatly augmented, however, by the presence of about fifteen high school boys, including the football team together with Coach O. G. Lewis.

Mr. Lewis was called upon for a talk and he responded by explaining some of the purposes and ideals kept constantly in mind in the training of Tahoka's football team. Mr. Lewis stated that it was not his prime purpose to win games with his team but to train the boys to play the game square and clean.

While the boys have not won many games this year they have invariably played fair and won the respect of the opposing team. He stressed the fact that boys build character in the right kind of training given in football, and this school is undertaking to give that kind of training.

Supt. Baze followed Mr. Lewis with a few remarks along the same line. He called attention to the fact that in other days, before the introduction of athletics into the public schools, the boys put in a large part of the time pulling off big fights. Now their energy is directed and expended in clean athletics, and he declared that during the last six years of his teaching experience there has never been a fight that he knows of between high school boys under his charge. Both he and Mr. Lewis appealed to the parents for cooperation and sympathy in the development and the direction of athletics in Tahoka schools.

Following these addresses a little fun was afforded by the boys who gave a graphic imitation of the old Ford car, Model of 1910.

LADY TO LECTURE AT T-BAR NEXT SUNDAY

Mrs. Minnie Echols of Post will lecture at T-Bar school house on Sunday afternoon at 2:30, November 25. Subject: Social Welfare or The White Slave Traffic.

C. B. Gregg of Grassland, who was a business visitor in the News office Wednesday, says that he is almost done picking cotton. He has gathered 42 bales and thinks he will have 10 more. His crop consisted of about 160 acres, all of which except 50 acres was planted after the rain of June 13. He is pretty well pleased with his crop this year.

Another Market Is Opened Here

We have been so busy the past few weeks that we have failed to mention a number of good items. Recently one of our most progressive grocers, E. H. Boullion, installed complete and handsome market fixtures at an expense of more than \$1,000 and opened a market in his place of business. Mr. Boullion is determined to furnish the dining tables of Tahoka and surrounding country with all the good things that the appetite of man calls for and he is therefore constantly expanding his stock or improving his service.

Singers Meet Here Nov. 27th

M. C. Richey of Grassland asks that we announce again that the Lynn County Singing Convention will meet in Tahoka the fourth Sunday in this month, November 27, at 2 P. M. The prospects are good for a large attendance and a good convention, he thinks. All singers and lovers of good music are invited. Come.

Tahoka Is Winner Over O'Donnell

Tahoka was victor over O'Donnell 12 to 6 in the Armistice Day game played on the local gridiron as a part of that day's celebration. The game was hard fought; throughout, each team see-sawing back and forth across the field, with Tahoka showing a slight advantage in the amount of ground gained. Sportsmanship and clean playing on the part of both teams was very noticeable. A fair sized crowd was present.

REV. BREEDLOVE RETURNS HERE

Methodist Pastor Back From Annual Conference Held This Year At Big Spring

The people of Tahoka were delighted to learn Monday that Rev. R. T. Breedlove had been returned to Tahoka as pastor of the Methodist Church for another year.

Brother Breedlove had been here only one year but had done a fine work. Inasmuch as many changes were to be made and other places were seeking his services, it was feared that the Conference might assign him to another charge. "Not only the members of the Methodist Church but the members of the other churches and the residents of the town generally were highly gratified to learn of his return to this place.

Rev. R. T. Weems comes to O'Donnell as pastor while Rev. W. B. Hicks goes from O'Donnell to Muleshoe. Rev. W. C. Hart goes to the Lamesa circuit, while the Rev. Hamilton Wright of Lamesa comes to the Draw-Grassland charge. Rev. J. B. Thompson remains at Wilson.

Rev. D. B. Doak continues as presiding elder of the Lubbock district.

Appointments Made At M. E. Conference

BIG SPRING, Nov. 13.—Before an audience that overtaxed the auditorium of the First Baptist Church, Bishop John M. Moore this morning at the Northwest Texas Conference delivered a masterful sermon on the Incarnation. Previous to the sermon he baptized two babies and ordained with the imposition of the hand the second year class as deacons.

All Protestant pulpits were occupied during the forenoon hour with Methodist preachers. Big Spring turned out en masse to morning services.

This afternoon an impressive memorial service was held for the late Rev. M. E. Hawkins, S. E. Burkhead, Thannish and Mrs. J. F. Michael.

The love feast of the morning was a stirring occasion when preachers, supernumeraries and old people related their religious experiences. Bishop Moore read the appointments at 6 o'clock this evening after a short address. Most of the preachers left for their various homes to—

\$100,000 CASH OFFERED CITY

Will Probably Be Put To Vote Of Citizens; Rates To Be Specified In Franchise

Judge I. R. Kelso of St. Louis, representing the West Texas Utilities Company, appeared before the city council Monday night and submitted a proposition to buy the municipal electric light plant and ice factory. His offer was \$100,000 cash. The City would retain the water system, but the contract of purchase would contain the agreement on the part of the Utilities Company to pump water for the City for a consideration of \$400.00 per month for a period of 20 years regardless of the growth of the city and the extension of the water system during that time. The contract would also fix the rate at which the City would be required to pay for lights.

The City Council deferred action on the proposition until next Monday night. The only action the council can take at that time will be to determine whether or not the proposition shall be submitted to the voters of the city. It is probable that the proposition will be submitted.

Similar propositions have been submitted twice before. The first proposition was to sell these properties for \$66,000. The election resulted in favor of the proposition and these properties were sold to Mr. Thompson of Amarillo. A year later, however, he turned them back to the city. Early this year a proposition was submitted by Mr. Glenn Sample and associate to purchase the properties for \$75,000. This proposition was defeated by a vote of the people. Now the Texas Utilities Company, which is a big concern and owns most of the electric light and power lines on the plains, is proposing to give \$100,000 for these properties.

An election will probably be called and the people will have another opportunity to decide whether or not the City shall continue to operate these plants.

McDaniel Car Is Stolen; Recovered

The Chevrolet touring car of S. N. McDaniel was taken by some thief from the garage at his home at an early hour Tuesday morning, and the sheriff's office was notified late Wednesday evening that the car had been found, abandoned on the highway near Tulia, some time that afternoon. Mr. McDaniel left this morning for Tulia to recover the car.

As soon as Mr. McDaniel discovered Tuesday morning that his car was missing he notified the sheriff's office and the "law" got busy. Reward cards were struck and all the neighboring sheriffs were notified. Mr. McDaniel is highly elated over the quick recovery of his gas wagon, for prospects of his having to walk for some time to come loomed large on his horizon. It is said that the car which was found was uninjured. The gasoline tank had simply run dry and the thief decided to abandon the car rather than run the risk of detection in stopping at a filling station.

A neighbor heard the car driven from the McDaniel garage at about 4 o'clock Tuesday morning, it is said, but did not suspect that it was being driven away by a thief.

Ford Car Stolen At Carnival Grounds

A Ford car belonging to Frank Willingham was stolen from the street near the Carnival grounds on Wednesday night of last week. It was an old car but a new set of tires had just been put on it. In fact, it was the same car, we understand, which suffered a collision with Judge Cain's car a few weeks before and was badly damaged.

Officers are of the opinion that it was taken by a Mexican and have been undertaking to apprehend the thief but without success so far.

TEXAS GLASS COMPANY
MAKES MANY BOTTLES.
Although the manufacture of machine-made bottles is comparatively new in Texas, the Three Rivers Glass Company supplies more than half the beverage bottles and three-fourths of the milk bottles used in Texas, as well as thousands of fig jars and other containers. The business of the company is gradually extending to other States and to foreign countries. More than 200,000 soda water bottles have been shipped to Porto Rico and Central American States.

M. C. A. 26 YEARS OLD.
A few weeks ago the Young Men's Christian Association Temple began its 27th year service. According to the records of the association, the men adopted a constitution and by-laws on September 30, 1901. The staff at that time consisted of a general secretary, a physical director, and a janitor, with an annual budget of about \$3,500. The present staff consists of 15 members, with an annual budget of \$16,000. In building and equipment, the association is valued at \$60,000.

OFFICE FOR C. I. A.
A new postoffice, costing \$10, is one of the late improvements made on the campus of the College of Industrial Arts, the State College for Women, at Denton. The building is sufficient for the mail of every day.

"Groceries and Gents Furnishings"

Phone 91, Tahoka, Texas

T-Bar

Rev. Denton preached here Saturday night and was with us Sunday.

A large crowd was out at the missionary society service put on by the O'Donnell Missionary Society. It was a splendid program led by Mrs. Ben Moore and opened with a reading by Mr. Edwards of O'Donnell. A large number of visitors were out Sunday night. We are always glad to welcome visitors.

Arthur Knoy and family, formerly of Maysville, Okla., now located in Tahoka, were visitors at the home of J. M. Johnson and family last Wednesday.

Miss Opal Knoy of Tahoka was out in our midst Sunday.

Mrs. Jesse Dorman is convalescent after a severe case of tonsillitis.

Mr. W. M. Waldrip is in receipt of a letter this past week stating that his mother, who lives in Johnson county, was critically ill. We have not heard how she was the last few days.

Most every one is about to catch up with cotton picking, waiting for the rest to open.

Some of the men attended the auction sale near Grassland last Saturday.

Come on, Sandstorm, and tell us the news, as we get such a few items of interest most of the time. You are more in the center of the business section.

D. Rogers of Tahoka was a caller at the M. A. Dorman home Tuesday. Several of our young people and

some older ones were in town for the Armistice celebration and the carnival Friday and Saturday.

-A. CORR

Description Given Of New Ford

(From Dallas News)

The new Ford has a speed of more than seventy miles an hour, can exceed fifty miles an hour in second gear and in appearance is a smaller edition of the Lincoln, says John E. Morris, Dallas dealer who returned last week from Detroit, where he rode in the car and talked with Henry Ford about it.

Additional information on the new Ford was gleaned from Raymond Hatton, moving picture star, who flew to Dallas from Detroit last week in a Ford plane, by James L. Price, vice president of the John E. Morris Company.

The new Ford has a wheelbase of 104 inches, with bodies much lower and roomier, Mr. Morris reported. An average-sized man can almost look over the top of the car, which has the flowing lines characteristic of the Lincoln and other large cars. Five wire wheels are said to be standard equipment, while the crown fenders are wider and heavier.

New Name Plate
The radiator is rounded and nickled, like a Lincoln, and is decorated with a new name plate. Within a blue-outlined circle is the white name, "Ford", written in the familiar Ford script. A new design radiator cap is topped by a quail, which was chosen to symbolize the fast getaway of

the new car. Nickled bullet-type lamps are standard.

A variety of tones of gray, green, and blue, with some two-tone effects, is offered in the new Ford. Upholstery is marked by heavy and serviceability, said Mr. Morris.

The new motor is of a much faster type than the old, he declared. The bore has been decreased slightly and the stroke is lengthened, he said he had been informed. The engine easily develops thirty-five horsepower.

Cranksaft Counterbalancer
Use of counterbalancers and an increase in the number of bearings on the cranksaft were said to have practically eliminated vibration. Mr. Morris, who drove the car at a speed of from one to fifty-two miles an hour, declared that at no speed was there any vibration noticeable.

Four-wheel mechanical brakes are standard equipment, with emergency brake at the left side of the driver's seat. The gearshift is standard and the steering gear has been changed to the indirect type. Mr. Morris was given a demonstration in sand, through which the car was steered with one hand. Cooling is by a water pump and ignition from a storage battery, as on most standard cars. The magneto having been discontinued. Gasoline feed is by gravity.

Change of drive from torque rod to tubular shaft was reported by Mr. Morris. The rear axle was said to be semifloating. He did not have an opportunity to inspect the type springs used on the new car.

New Kind of Horn
Two bumpers are standard equipment on the cars. A speedometer, oil gauge and ammeter were said to be members of the dash assembly, while a foot feed and a motor-driven horn are standard equipment. Locks were found on some of the cars, though it was not known whether they will be regular equipment.

Raymond Hatton, movie star, who came to Dallas from Detroit last week, was given the use of one of the new Fords to test as he pleased at the Ford Motor Company proving ground. He drove the car sixty-eight miles an hour and reported to H. M. Burton of the Dallas assembly plant of the Ford Company that the car could easily have done more than seventy. He made fifty-one miles an hour in second gear. After driving it over the roughest roads he could find and trying it as severely as he could, he gave an order for two new Fords to replace his present cars.

Samples of the new cars are expected in Dallas this month. The price will be practically the same as for the old models, Mr. Morris reported.

Unusual production, as soon as the Ford factories are really started turning out the new cars is expected. The departments of the factories have been rearranged for greater efficiency and the output is due to be unprecedented, said Mr. Morris.

Samuel C. Harris and family of Lorraine visited Mr. and Mrs. W. M. Harris here last week end. Mr. Harris is practicing law at Lorraine. He is a brother of our W. M.

PRODUCTION OF LIME IN TEXAS ON INCREASE

Austin, Nov. 16.—An increase in production of nearly 4,000 tons of lime in the state of Texas during 1926 over 1925 has been noted in figures obtained by the Bureau of Economic Geology of the University of Texas in co-operation with the United States Bureau of Mines. During 1926 the figures show Texas produced to the amount of 78,293 short tons, which may be valued at \$706,153. During the preceding year the production was 74,638 tons, valued at \$698,132.

Six plants in Texas were engaged in the manufacture of lime during 1926, according to Dr. E. H. Sellards, director of the Bureau of Economic Geology. These are located in Comal, Coryell, El Paso, Travis and Williamson counties.

Del Rio—Illinois Pipe Line Company starts running oil through 135-mile line from Yates Pool.

With our revolving rib gins, we can make 5 to 15 pounds more lint to the bale, which means \$1.00 to \$2.00 more money. Besides they carry a looser roll which makes a smoother sample. Investigate—J. H. Holloway. adv

SHERIFF'S SALE

THE STATE OF TEXAS, COUNTY OF LYNN.

In the District Court of Lynn County, Texas.

Henry Reed, Plaintiff, Vs. E. A. Lowrie Et Al, Defendants, No. 696.

Whereas, by virtue of an order of sale issued out of the District Court of Lynn County, Texas, on a judgment rendered in said Court on the 20th day of September, A. D. 1927, in favor of the said Henry Reed, and against the said H. A. Lowrie, L. E. Turrentine, E. M. Swan, Thelma L. Swan and J. A. Brashear, No. 696 on the docket of said court, I did, on the 1st day of November, A. D. 1927, at 10:00 o'clock A. M. levy upon the following described tracts or parcels of land situated in the County of Lynn, State of Texas, and belonging to the said H. A. Lowrie, L. E. Turrentine, E. M. Swan, Thelma L. Cotton Is Stolen From Wilson Yard

R. A. Metcalf, public weigher at Wilson, has reported to the sheriff's office the theft of three bales of cotton from the cotton yard at Wilson, one bale being taken Tuesday night and two Wednesday night of last week.
 Sheriff Wesley Simpson and his deputies got on the job immediately in an effort to detect the thieves but no arrests have yet been made.

Mr. and Mrs. T. H. Sears of White-wright are here as the guests of Mrs. Lewis and Mr. and Mrs. H. M. Larkin. Mr. Sears has extensive land holdings both in Grayson county and on the south plains. He says that his farms here are producing fairly good crops but that the Grayson county crops are "blowed up" due to the ravages of the boll weevil. Six renters on his Grayson county farms this year made twelve bales of cotton, he says.

D. F. Short was in the office Monday morning and stated that he was expecting two sons and a brother-in-law out from Mississippi on a visit this week. His sons are Henry D. and L. S. Short and the brother-in-law is J. G. Kennedy. In speaking of his cotton crop Mr. Short stated that he thought he was about half done picking while others who had seen his crop were of the opinion that he would have quite a bit more to pick than he had already gathered.

Prof. J. B. Zimmerman, superintendent of the New Home school, reports that they had a most successful Father and Daughter-Mother and Son banquet at New Home last Friday night. He says it was a unique affair, probably the only banquet of the kind ever held in Texas. They have a most progressive community out at New Home.

CLAY PRODUCTS FOR 1926 VALUED AT \$6,000,000

AUSTIN, Nov. 16.—Clay products in the State of Texas during 1926 were valued in excess of \$6,000,000, according to statistics which have recently been gathered by the Bureau of Economic Geology of the University of Texas in co-operation with the Bureau of Census of the United States Department of Commerce. Of the various clay products, common brick leads in value, the bricks in 1926 having a value of \$2,007,634. Face brick is next in value, amounting to \$1,455,455 and other clay products of which the production is large are hollow building tile, vitrified paving brick or blocks, sewer pipe, fire brick and pottery ware. The exact total of all clay products made in the state during 1926 is \$6,029,209.

85 Counties Represented at Canyon

CANYON, Nov. 15.—Although the West Texas State Teachers College regular session has been going on less than two months, there are already enrolled in it students from 85 counties of Texas and from seven other states.

Potter county leads the list, except Randall, having 61 students enrolled; Swisher follows with 41, while Deaf Smith with 36, Floyd with 35, Hale with 27 are close contenders for high honors.

The most distant county of Texas which is represented is San Patricio, nearly 700 miles away, from which two young men come; Nacogdoches sends one student and Bowie county sends one.

Each of the five counties which form the north boundary of the Texas Panhandle send from three to twelve students.

New Mexico leads in the number of out-of-state students; having 28 attending college in Canyon; Oklahoma has 9; Kansas 5; Massachusetts 1; North Dakota 1; and Missouri 1.

There are more than 1100 students doing residence work in the Canyon College and 101 from 40 counties, 3 from 3 states have enrolled for correspondence work since the beginning of the college year.

Having students from such widely separated parts of the state and nation adds much interest to student life at Canyon. The out-of-state students have a club of 45 members who not only get to know each other's states well but add much to the information of the other students who have always lived in Texas.

Students who come from the same county keep in touch with home affairs and develop their common interests through county clubs. Swisher, Hall, Armstrong, Floyd, and Scurry counties have exceptionally fine county clubs.

Many Reasons Given For Attending College Far Away From Home
 One student, 700 miles from home attends Canyon College because he has tried others and finds it better; another chose Canyon because she wanted to visit the Panhandle; others come because they or their parents have known members of the college faculty; some have relatives living in Canyon.

The greatest number, however, are attracted, they say, by the high standard of work offered by the college and by the favorable all-year climate.

Few of those who come to Canyon and remain for two years or more ever go back to their former far-away homes; they become interested in the fast-developing region in which they find themselves and identify themselves with its schools and interests.

Buildings Going Up At The Tech

LUBBOCK, Nov. 16.—With four buildings under construction, the Tech campus presents a busy aspect. The favorable weather has been responsible for rapid progress of the construction work.

The first unit of the agricultural building is practically finished, and Dean A. H. Leidigh and his faculty expect to move at once into their new home. Both offices and class room are provided for in the new structure. The home building, which has been housing the agricultural school, will now be used entirely for home economics.

The home economics practice house will be ready for occupancy about January 1. This building will be one of the show places of the Tech campus. With excavations complete for the new engineering building and concrete being run for the foundation, the walls will begin to rise real soon. This building will have a frontage of 275 feet and will be an imposing structure. A greenhouse for the agricultural school makes the fourth building now under construction.

WHEN A MAN IS WHAT HE ISN'T—DEN HE ISN'T WHAT HE IS

De sunflower aint de daisy,
 And de melon aint de rose;
 Why is dey all so crazy.
 To be somefin' else dat grows?
 Stick to de place you're planted,
 And do de bes' yo' knows,
 Be de sunflower or de daisy,
 De melon or de rose.
 Don't be what yo' ain't,
 Jes' yo' be what yo' is,
 If yo' am not what yo' is,
 Den yo' am not what yo' is.

Mrs. J. R. Hines, who has been seriously sick in a Lubbock sanitarium, has been home several days and is improving nicely.

Tahoka Man Weds Lubbock Widow

Nearly every week we miss some important news item that should have been mentioned. Sometimes this is our fault and sometimes it is the fault of other parties in not turning it in to us. On Sunday, November 6, a marriage was consummated right here in Tahoka and we failed to make any mention of it whatever last week. Our good friend J. S. Edwards decided that it was not good for man to be alone and therefore he persuaded one of Lubbock's fairest widows to come and keep him company and to henceforth share his joys and sorrows if any. He and Mrs. Sue Clark were married at 6 p. m. on the above date at the Methodist Parsonage. Rev. R. T. Breedlove performing the sacred ceremony. They are as happy as two sixteen-year-olds, and in fact the bride may not be much older than that. Mr. Edwards says that a lot of people have been asking him why he passed up so many good-looking Tahoka widows and went to Lubbock to get a help mate. He might give one explanation and said Tahoka widows might give another; so there you are. We are giving no explanation at all. But may all his days be sunshine—and good luck and good wishes to the bride.

Mrs. Bud Milliken, who is still in the West Texas Hospital at Lubbock, is reported to be doing as well as could be expected under the circumstances.

Sweetwater Gets White Way Lights

Sweetwater, Nov. 16.—A contract has just been entered into between the city commission and the Texas Electric Service Company which will make possible the extension of a White Way system of the street lights throughout the entire business section of this city.

The White Way system now circles the court house square and the new City Hall and another extension is being made along three blocks on Oak Street.

The Light Company has ordered 75 additional light standards and will have these additional lights ready for installation within the very near future.

vidual, firm or corporation, that may
appear in the columns of the News,
will be gladly corrected when called
to our attention.

It is said that great occasions
bring forth great men; that there is
a man for every emergency. Our
own history seems to give proof of
the proposition. We have had our
Washington, our Lincoln, and our
Wilson. When no great issues are
being fought out there seems to be a
dearth of genius. Just now the
politics and the government of our
country seem to be under the control
of men of mediocre ability. In
the South especially there seems to
be no great outstanding political fig-
ure—no Calhoun, no Ben Hill, no
Grady. Even the Bob Toomb's, the
Alexander Stephen's, the Carmacks
are no more. Underwood and John
Sharpe Williams and the brilliant
Bailey have retired from the field of
action. In Texas we have no more Jim
Hoggs or John H. Reagans or Roger
Q. Mill's. Possibly some of the les-

ser stars will grow more luminous
with the passing of the years. Pos-
sibly some great political issue will
bring forth new figures that will
loom large on the political horizon;
but just now we can scan no exceed-
ingly brilliant stars in the political
firmament. O, the times! O, the sea-
sons!

**UNION THANKSGIVING SERVIC-
ES BEING PLANNED**

We understand that a union
Thanksgiving service to be held at
one of the churches in Taboka and to
be participated in by members of all
denominations is being planned.
There has been no service in Ta-
hoka on Thanksgiving Day since the
editor has been a resident of the city.
We do not know whether there was
ever a Thanksgiving service here
or not. This seems to us to be rather
unusual and regrettable. It seems
to us that by all means all the
churches should assemble together
and have a service on this day each
year. We are glad that such a ser-
vice is being planned for this Novem-
ber Thanksgiving Day.

The editor is not much of a foot-
ball fan. Too furious. Too much like
war. Don't fully understand the game.
Still, we enjoyed that game between
Taboka and O'Donnell last Friday. The
O'Donnell boys put up a game fight,
and they seemed to be a clean, gentle-
manly bunch. It was a hard-fought
game, but Taboka-won. Our boys
have not won many games this sea-
son. They are not as large and have
not had as much training as most of
the teams they have met on the grid-
iron, but they have been trained to
play the game fair. No intelligibles
are allowed on the team. They must
make the grade in school work before
they can play on the team. Our Ta-
hoka boys are to be congratulated upon
the fine work they have been doing
in the school and on the gridiron. May
they do much better work yet.

The little town of Lampasas claims
to have already shipped eighteen car
loads of turkeys this season, bring-
ing in returns amounting to \$90,000.
Lynn county has ten times as much
good land and can raise ten times as
much feed as Lampasas. There is
no telling how many turkeys Lynn
county could raise if the farmers
here made turkeys a major crop. In
our delirium over cotton let's not
neglect to raise a lot of chickens,
turkeys, and hogs another year, and
keep a few good dairy cows on each
farm. Diversification always pays
in the long run.

Many expressed themselves as be-
ing agreeably surprised at the excel-
lency of the parade which was staged
on the streets of Taboka on Armis-
tice Day—not that anybody doubted
the ability of Taboka people to put a
thing of that kind over in great style
but because many people had no idea
that so elaborate an affair was being
planned. The American Legion and
our Public School faculty are capable
of doing big things, and they are to be
congratulated upon the success of this
affair.

Saturday was another big day in
Taboka. The stores and sidewalks
were crowded with people, and the
business men did a big day's busi-
ness. The cotton has turned the
trick.

Everybody is proud of Taboka's
band. It is doing splendid work. It
is helping to put Taboka on the map.
It is worth the money.

**ANENT HARLEY SADLER AND
HIS GIFT TO W. T.**

Plainview Herald: Harley Sadler
has a knack for doing things that
endear him to the public. His acts ap-
peal because there's nothing of the
grand stand nature about them. He
does innumerable good deeds appar-
ently just for the sheer love of do-
ing them. Last week he established
a \$100 scholarship in West Texas
State Teachers College at Canyon to
be given to the student with out-
standing talents in dramatics.

State Press, Dallas News: Good
for Mr. Sadler, if he is always do-
ing things that deserve to endear
him to the public. Men of good
hearts, with liberal means, can do
splendid things if they will only let
go. The gift of a scholarship to
encourage dramatic talent is in line
with enlightened thought. We need
good actors, for one thing because
there are so many bad ones. The
stage was for centuries a great edu-
cator, a lively force for good. The
screen is now a much more powerful
agency, because more diffused in its
operation. Many have from the first
condemned the stage and the
successors are condemning the
screen. Yet both carry on, and for the
public good. Some plays or some
pictures may be subversive of the
best thinking, but the majority are
not only profitable from the stand-
point of popular amusement but of-
fer graphic lessons in morals. The
idea that modern amusements of
pastimes undermine youthful char-
acter is indefensible. Boys in their
teen age are not half as mean as
boys of that age used to be. Girls
possibly are a bit freer in manner,
and, as some call it, more daring in
dress than in other years. But when
you go into the streets and see hun-
dreds of young women there are none
whom you immediately recognize as
outcasts. It was not that way in
years preceding the movie or the mu-
sical comedy. There were recog-
nized outcasts, professional outcasts,
in the years ago. There may be
some now, but their number is small
in comparison with that of the bad
old days. Yes, it is so.

FAVORS PAVING HIGHWAY

We feel very sure that we are no
mistaken when we say a number of
people are thinking very much as we
are of our public roads and streets.

There is one solution of our condi-
tion and that is paving of some kind.
The O'Donnell road is nearly impos-
sible at present. It has had a good
job of working and this has to oc-
cur at least once or oftener. This is
expensive. The tax payer does not
see the expense this way but when
he votes a road tax the bulk shows
up and yet we venture the assertion
that in years we are paying out more
money than we will pay now if we
shall vote the tax and then we will
have roads all the time and now we
can not say that we have any road
for two or three months out of the
year.

Steps are being taken to pave a
street to the school buildings. This
move is in the direction that it should
be. You can't make a streets out of
the dirt any more. The city has tried
every way with dirt but there's too
much traffic on them. So we are glad
to know that those along the street
are ready to put in the paving. It
doesn't cost so much of the right
kind is put down.—Lamesa Reporter.

It was not our privilege to attend
the American Legion services at the
Methodist Church last Friday morn-
ing. But everybody says that the
program was fine—so fine that we all
want a similar one next year.

TEE-BAR H. D. C. REPORT

The C. H. D. C. met with Mrs. A.
E. Leverett last Thursday. The
members made a good report, eleven
of the 16 members being present and
2 new members joining. The object
of the meeting was to elect new of-
ficers for the coming year, and must
congratulate our set of new officers
and we look forward to a very inter-
esting year of work and we hope
much success on the part of the offi-
cers and club combined. Officers for
the C. H. D. C. work in our commu-
nity are as follows: Mrs. J. A. Beas-
ley, President; Mrs. H. W. Crews,
Vice President; Mrs. A. E. Leverett,
Secretary; Miss Esther Nichols, as-
sistant secretary and reporter. Mrs.
Vickery and Mrs. E. E. Perry joined
the club as two new members. Mrs.
J. B. Vickery is our "Better Homes"
chairman. A very interesting meet-
ing was had, and after business, we
all went into the dining room to a
very dainty repast of fresh fruits and
whipped cream, chocolate and cake;
cleverly arranged by the hostess
own designing and was the more en-
joyed by every one present. Those
present were: Mesdames J. A. Beas-
ley, president; H. W. Crews, vice
president; A. E. Leverett, secretary;
Miss Esther Nichols, assistant secre-

tary and reporter; J. B. Vickery,
"Better Homes" Chairman. D. Hen-
derson, J. M. Johnson, J. W. Nichols,
A. V. Anderson, O. A. Crutwell, R.
E. Townsen, E. E. Perry and R. L.
Moore.

A pie supper and lemon squeeze
will be given at the school house Fri-
day night, November 18 by the club.
women. Everyone bring a lemon,
and drink lemonade and buy a pie
and have a jolly time.

The year just past in club work
has meant a great deal to some of
us who worked hard for the interest
of club work, and benefit of oursel-
ves and homes, while some who never
got what they were looking for from
the club, probably did not sacrifice
anything, and did not do their part.
Let's make 1928 a better success
than the closing year in club work.
—SECRETARY

**METHODIST WOMEN OB-
SERVE WEEK OF PRAYER**

(Too late for last week)

Week of Prayer was solemnly ob-
served Wednesday at the Methodist
Church. The following program was
rendered:

Song: Sweet Hour of Prayer.
Three Ways of Service by Prayer—
Mrs. Fenton.

Bible Reading—Mrs. L. E. Weath-
ers.

Prayer—Mrs. A. L. Jones.

Why I Became a Christian—Mrs. G.
M. Stewart.

Palmore Institute—Mrs. Smith.

Solo—Mrs. Lane Moreland.

Lunch.

Responsive Reading: Matt. 6:25-33.

International Good Will—Mrs.
Adair.

Reading—Mrs. Suddarth.

Finding Happiness at a School—
Mrs. Roscoe Roberts.

Valley Institute—Miss Ellis.

Prayer for Valley and Palmore In-
stitute—Mrs. Sanders.

A beautiful and impressive candle
service was conducted by Mrs. Robin-
son and Mrs. Dr. Callaway.

Song.

Good Will Offering

The Lord's Prayer repeated in uni-
son closed the program.

Thos. H. Speight, manager of the
Ames Dry Goods store, left Satur-
day night for St. Louis to purchase
new goods. He expects to be back
by next Saturday.

NOTICE OF TRUSTEE'S SALE

THE STATE OF TEXAS,
COUNTY OF LYNN.

Whereas, by virtue of authority vested in me as Trustee named and appointed in a certain Deed of Trust recorded in Vol. 10, page 578, et seq., Deed Records of Lynn County, Texas executed and delivered to me on October 5, 1922, by J. B. Nance and wife M. G. Nance for better securing the payment of six promissory notes, dated October 5, 1922, providing for 8 per cent interest from date until paid, providing for 10 per cent Attorney's fees, numbered one to six inclusive, notes numbered 1, 2, 3, 4, & 5, being for \$200.00 each and note No. 6 being for \$100.00, said notes being payable on or before 2, 3, 4, 5, 6, and 7 years after date respectively, said notes being signed by J. B. Nance and payable to L. P. Henslee or order, being secured by a Vendor's Lien on the land described below, and whereas, the said L. P. Henslee is the holder and owner of said notes and the said J. B. Nance or his assigns has made default in the payment of the last five of the same, the 1st only having been paid and there is a balance due and unpaid of \$360.00 principal, and \$294.00 in interest, and \$119.40 Attorney's fees, making a total of \$1313.40 and said notes, principal, interest and Attorney's fees are now past due and unpaid; and whereas I have been requested by the said L. P. Henslee to enforce said trust, I will offer for sale between the legal hours thereof, between the hours of 10 A. M. and 4 P. M. at public auction to the highest bidder on the first Tuesday in December, 1927, the same being the 6th day of said month at the Court House door in Tahoka in Lynn County, Texas, the following described property, to-wit:

Situated, lying and being in the County of Lynn and State of Texas; Being 22.7 acres, more or less, out of Sur. No. 487, Abstract No. 16, in Blk. No. 1, Certificate No. 468, E. L. & R. R. Co. land, described as follows: Beginning at a point on S B L of said Sur. No. 487, 2326 ft. W. of the S. E. Cor. of said Sur. Thence N. 580 ft. Thence W. 1480 feet. Thence S. 280 ft. Thence W. 440 ft. Thence S. 300 ft. to S. B. L. of said Sur. Thence E. 1920 ft. to place of beginning, with all of the rights, members, and appurtenances thereon in anywise belonging.

Witness my hand this 1st day of November A. D. 1927.

CARD OF THANKS

We wish to publicly express our thanks to the First National Bank of Tahoka for a voluntary donation of \$10.00 to the Draw Girl's Club. Such acts of helpfulness encourages us to try to do still better work than we have ever done.
NOLA PARKS, Pres.
MYRL SHERILL, Sec'y.
MRS. JNO. BERRY, Local Leader.

Prof. Huff of Three Lakes reports that the school there will resume work next Monday. The school started early in the fall and ran several weeks and then suspended on account of the cotton crop. The trustees have decided to resume the school work Monday, however. Prof. and Mrs. Huff are the teachers.

Grassland

(The pupils of the 9th grade English Class are writing for the News this week)

Mr. Editor, we thank you very much for giving us space in your paper for our notes. We feel that this is a great opportunity you are offering our young people.

You have a special invitation to our box supper next Friday night.—Zuella Fox, Supt. School.

Box Supper

Next Friday night the Mothers' Club is giving a box supper at the school building. The proceeds will go to the school. Every one is invited to be present. Boys, bring a well filled pocket book. Girls, you are expected to bring a well-filled box.

School Notes

Our school is progressing nicely under the supervision of Miss Zuella Fox, Miss Gladys Fox, Miss Naomi Lawson, Miss Cressie Turner, and Miss Cecil White, teacher of Music and Expression.

Twenty students have been enrolled in the high school department, and sixty-five have been enrolled in the intermediate and primary section.

We are expecting this to be one of the most profitable school years Grassland has ever had. Two new courses have been added to our curriculum—Home Economics for girls (however one boy is taking this course) and music.

The Mothers' Club met at the school house Friday afternoon with 14 old members present. Two new members were added at the close of our meeting. The following program was rendered:

Song—By all
Reading—Earlene Norman.
Piano Solo—Miss Cecil White.
Open Homes to Young People—Miss Zuella Fox.
Delicious refreshments were served in the Home Economics kitchen at the close of the meeting.

We hope to enroll every mother in this community before the close of the year.

Church Notes

Sunday at 11 o'clock, Rev. Charley Montandon delivered a very interesting sermon at the Church of the Nazarene.

A large crowd attended singing at the Nazarene Church Sunday afternoon.

Sunday School at Central Baptist Church was well attended Sunday morning. The pastor, Rev. M. I. Davis, had charge of the eleven o'clock service.

B. Y. P. U. met at 6:30 Sunday evening. A fine program was rendered by each Union. A short program was at the Adult Union at the general assembly.

Brother Davis preached again at eight o'clock.

The Senior Union will render a program at Close City next Sunday night. We invite visitors to accompany us.

Local News

Mr. and Mrs. Hoover entertained the young people at their home Friday night with a musicale. Several violin numbers were played by Messrs. Norman and Burk. Miss Nina Belle Hoover favored us with a piano number. We are looking forward to the time when Mr. and Mrs. Hoover will give us another entertainment. Some of the young people present were: Misses Vada Satterwhite, Naomi Thompson, Pauline Thompson, Erlene Norman, Odell Chapman, Jewell Satterwhite, Mary Bowen; Messrs. Earl Odum, Ben Hur Lawson, Norman Bowen, Fred Gass, Ray Norman, Theodore Gass, Rudford Chapman, Mr. and Mrs. C. W. Terry, Roy Gipson, and Guthrie Thompson.

A large crowd from here attended the program at Tahoka Friday. Every one came home complimenting the Tahoka school.

Those attending from here were: Misses Naomi Lawson, Cecil White, Cressie Turner, Gladys Fox, Zuella Fox, Bernice and Eula Warrick, Linnie Young, Mrs. E. M. Walker, Mrs. Price Thomas, Mr. Burkhalter and family, Messrs. Paul Lawson, Gus Ferguson, Howard Wheeler, and Munger Kemp.

NOTICE OF SALE

TO ALL WHOM IT MAY CONCERN:

KNOW YE THAT I will sell at Public Sale on the 21st day of November, 1927, at the residence of H. G. Manning, 5 miles east and one mile south of Tahoka, to the highest bidder for cash in hand, one roan Jersey cow, no marks nor brands. Taken up by H. G. Manning.

GUY SHERROD,
Constable Precinct No. 1, Lynn County, Texas

T-Bar

Sunday school and church was well attended last Sunday and every one is right at their busiest time.

Mr. Louis Henderson and Miss Mabel Crews, daughter of Mr. and Mrs. H. W. Crews, were married at the Methodist parsonage at O'Donnell last Saturday eve about 7:00 o'clock. They are among the most popular young people of our community and they have a host of friends who wish for them a very long and happy married life.

A shower was given in honor of the bride and groom Monday evening at 8:00 o'clock and they received some very nice and useful presents. Miss Millie M. Halsey and Mrs. Lowrey of Tahoka were among those present at the shower given by Mrs. R. L. Moore in honor of the bride. Mr. Louis Henderson is the son of Mr. and Mrs. D. Henderson.

Mr. and Mrs. Statham of Hubbard came in last Friday prospecting and are visiting at present with Mr. and Mrs. J. B. Vickery, formerly of Hubbard.

Preaching at the school house next Saturday night, Nov. 12. Everybody is cordially invited to come. Many of the people here working in our community attend Sunday School and Church here and we are always glad to welcome them.

Little Misses Lora Waldrip and Byrda Dorman have been ill the past week and we wish for their speedy recovery.

Hands are plentiful and most of us will be up with picking in a few days, waiting for the green bolls, which are plentiful to open.

Miss Vera Nichols is recuperating rapidly from her operation.

R. L. Moore killed a shoot Saturday. Several of the farmers have their meat for the coming year.

Jack Henderson left this week for the oil fields near McCamy.

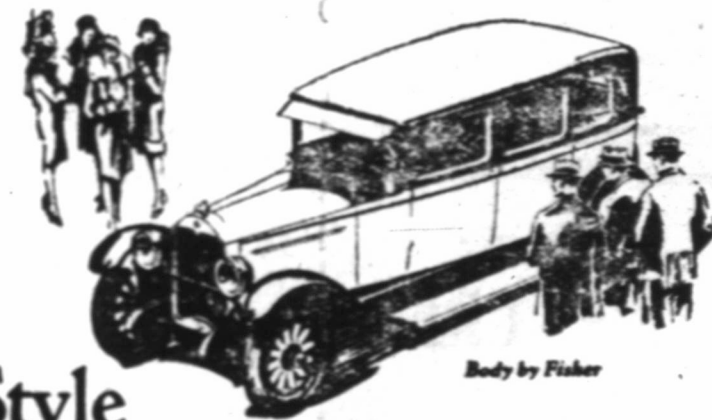

A pie supper and lemon squeeze for the benefit of the ladies home demonstration club work will be at the school house next Friday night week, November 18. Everyone is invited to come and bring a lemon to make lemonade and have a jolly time. Lemonade is free but the seed will be worth a penny each, every lemon has from 1 to 12 seed. Your cooperation in this pie supper will be appreciated. You are welcome.

Facts & Figures

The following illustration serves to show what is an equal turnout for ACCO, or round bales, when compared with square bales.

"A" brings 1350 pounds of seed cotton to the gin and gets 500 pounds of lint. It is put up in the square bale, with 20 pounds of bagging and ties:

500 pounds lint
plus 20 pounds wrapping.
Total 520 pounds

He sells this bale for 20c per pounds, realizing \$104.00.

"B" brings 1350 pounds of seed cotton to the gin and gets 500 pounds of lint. This is put up in two 2) ACCO, or round bales, using only 2 1-2 pounds of wrapping to each bale, or 5 pounds of wrapping all told, thus:

500 pounds lint
plus 5 pounds wrapping
Total 505 pounds

He sells this bale for 20.60c per pound, realizing \$104.03.

How much more lint did "A" Receive than "B"?
How much more money did "A" receive than "B"?
How Much Profit did "A" Make on the so-called "Better Turn-out"?

If you gin your cotton in round bales, you can drive by the office and get your check, thereby saving time and trouble.

Independent Gin

Historical Society Gets New Members

Canyon, Nov. 15.—The work of Panhandle-Plains Historical Society is attracting attention in distant places. Today W. S. Mabry of Selma, Ala., sent his check for membership in the Society.

Mr. Mabry was, in 1873, a member of a surveying party which worked in the Panhandle. Later he was county surveyor of Oldham county and was still later connected with the Capitol Syndicate.

Recently a woman of Ashville, North Carolina, agreed to furnish some material for the Panhandle-Plains Historical Society. Other far away members live in distant parts of Texas, Missouri and Arizona.

O. E. Adams, insurance agent, of Brownfield, was here Wednesday night, the guest of his boyhood friend, Monte Bowron. Mr. Adams says that he has been a resident of Brownfield for twenty-five years, locating there before there was any Tahoka here. Big Spring was the nearest post office. Later Chicago was founded and for a time he got his mail at that once bustling but now extinct little west Texas city. He says he even knew G. E. Lockhart when that gentleman was teaching school. Times do change.

Mr. and Mrs. Claude Gary residing on the McGonagill farm near Edith are the happy parents of a 10-pound boy, who made his arrival in their home Tuesday night. Mother and babe are doing well and Mr. McGonagill says that the father is rational.

Texas Divorce Rate Increases

The United States Department of Commerce has issued some statistics relating to the number of marriages and divorces in Texas during the years 1925 and 1926.

The number of marriages during the two years, according to these statistics, was 139,640 and the number of divorces was 30,591, there being 22 divorces for each 100 marriages.

The figures for the respective counties of the state afford an interesting study. A glance at these figures will show that the ratio of divorces to marriages increases at an alarming rate in the larger cities while it decreases in a most satisfactory manner in the more sparsely settled portions of the state. It will also be noted that the ratio of divorces is much larger where there is a large negro population than in those counties where the negro population is small.

In Jefferson county, which contains the city of Beaumont, there were 47 per cent as many divorces as marriages. In Tarrant county, nearly 44 per cent; in Harris county nearly 43 per cent; in Bexar county 38 1-2 per cent; in Dallas county 37 1-2 per cent; in Wichita county 36 per cent; in Galveston county 33 1-2 per cent; and in McLennan county 33 per cent.

In Potter county, Amarillo, the ratio of divorces to marriages during the two years was less than 16 divorces for each 100 marriages; in Taylor county, 14 divorces for each 100 marriages; in Tom Green county, San Angelo, 17 divorces for each 100 marriages, while in Lubbock there were 22 divorces for each 100 marriages.

Lynn county shows only 11 divorces for each 100 marriages. Hale county 11; Crosby county 11; Floyd county 10 1-2; Dawson county 13; Garza county 15; Jones county 13 1/4; Howard county 12; Mitchell county 11 1-2; Scurry county 10 1-2; Haskell 8; Terry 7. Randall county shows only 3 divorces for every 100 marriages.

It is thus seen that the divorce courts have comparatively little to do on the plains and in other portions of west Texas.

ANOTHER COUPLE MARRIED

Uncle Ike reports the marriage of R. E. Tucker and Miss Cleo Bickley on Wednesday of last week.

Other marriage licenses issued recently were R. E. Whisenant and Miss Azlee Stevens, and Mahlen Metcalf and Miss Alene Wilson.

BOX SUPPER AT EDITH

A box supper will be given at Edith on Saturday night, November 26. A thoroughly good time is promised. Everybody invited.

C. J. Campbell came in Monday to set his figures ahead, and in discussing his farm operations this year he stated that he did not plant much cotton, on account of the drouth holding on so long. He tried a little patch of beans, but they were a failure. He has a lot of feed, however, and about two hundred head of hogs and pigs. He will soon have a carload ready for the market. Recently he sold a bunch of shoats less than 9 months old at a little more than \$28.00 around. Mr. Campbell believes in diversification and he makes money farming.

Jim Weatherford and Mrs. Sam Sanford and daughter Virginia visited relatives at Lamesa last week end. A niece of Mrs. Sanford's underwent an operation for appendicitis at Lamesa Saturday. The operation was decidedly successful and the visitors left the patient doing nicely.

B. J. Emmanuel of Magnolia says that he has cotton planted on June 27-28 which will make a third of a bale per acre. The cotton he planted latest is the best he has, he says. He and one boy planted and cultivated seventy acres of cotton and a big feed crop without spending one dime for labor.

Judge Cain, who returned Tuesday from Greenville, to which place he had been called by the death of a relative, says that all the cotton is out east of Abilene, just a little "scraping" to be done here and there.

Miss Myrtle Murray, district home demonstration agent, spent Wednesday in Lynn county, visiting some of the home demonstration clubs in company with Miss Millie M. Halsey.

There are signs of considerable building activity in Tahoka in the near future. A splendid home is now under construction by M. L. Handley, and we hear of others who are planning to build.

Judge Gordon B. McGuire was here Tuesday to hear testimony upon application for alimony which had been filed in the divorce case of Collins vs. Collins. The plaintiff, who is a physician at O'Donnell, was reported to be sick and unable to attend court, and the hearing was accordingly postponed.

W. J. Johnston of Chillicothe was here last week end visiting the family of his brother-in-law, R. B. Floyd, and dropped into the News office to renew his subscription. Mr. Johnston says that crops are good at Chillicothe and that people are in good financial condition. He thinks that one of the best farming sections of Texas.

Come to the Piggly-Wiggly Saturday to meet your friends. They will be there. We handle the choicest groceries and originators of the best prices. See our special counter. —PIGGLY-WIGGLY.

San Angelo—West Texas Utilities Company will expend approximately \$800,000 on improvements here within the next few months.

Dr. W. K. Johnston of Lubbock, who filled his pulpit here Sunday, called at the News office Monday and requested that we state that the Presbyterian congregation on Sunday night voted unanimously to go in with other churches to hold a union Thanksgiving service here.

Sheriff Wesley Simpson, Chas. F. Shook, J. K. Appiewhite, J. D. Sossoman, and Van Bates left Tuesday morning for the wilds of southwest Texas to hunt deer. It is understood that they were bound for the Sonora-Ozona country. We can tell next week what kind of luck they had by the amount of evidence they furnish the editor.

Chester Connolly, Belton Howell Paul Miller, Beecher Sherrod, and Pete Hendricks spent Tuesday and Wednesday down near Christoval hunting turkey. If they return before we go to press bringing us a nice piece of turkey meat, we will tell all about the trip.

Barna Haney, druggist, of Roscoe was here last Thursday visiting his brother, L. C. Haney.

With our Revolving Rib Gun, can make 5 to 15 pounds more to the bale, which means \$1.00 to \$3.00 more money. Besides they make a looser roll which makes a smoother sample. Investigate—J. R. Holloway.

The Promise In The New Wealth Of The Harvest

As the harvest brings its returns to the nation's farmers, conditions for a big and important part of our population are improving. And the farmer's efforts, at the same time they benefit him, add directly to the prosperity of every person in the land.

With the harvest comes a new obligation, also. As the gifts of nature make fruitful the farmer's work—the need for wise handling of our wealth, that every dollar may produce full value, is driven home.

THIS INSTITUTION INVITES YOU TO USE ITS FACILITIES

The Security State Bank

Tahoka, Texas

Club Girls And Club Women!

The News has perfected arrangements whereby its subscription list may be materially increased and whereby a number of the women's and girls' home demonstration clubs in the county may make some easy money for their uses.

We have agreed that these clubs may take subscriptions for the News, retaining one-half of each new subscription and one-third of each renewal as a commission. Our campaign will begin within a few days and will continue through December. The club that produces the largest number of subscriptions, new and renewals, will be awarded \$25.00, or transportation charges to the A. & M. Short Course at College Station.

Every girls' and women's demonstration club in the county is eligible to enter this contest, and quite a number have already indicated their desire to enter.

Necessary receipt books and instructions will be sent to the officers or some member of each club entering during the next few days. These will be sent to all clubs on the same day so that all may begin work at the same time.

In this way we can help a number of clubs in the county and at the same time materially increase our circulation, and we have felt that this is far better than offering some one person a large prize that can benefit only a very few persons at the best.

Lynn County News

New Home

Article is written by English II, English III and by J. B. Zimmerman. Education Week

On Monday we met in the auditorium and practiced stunts in physical exercise. As Mr. Franklin is an expert man of the United States, he taught us many new stunts to build up our bodies.

We were very happy to have with us Tuesday, Mr. Dale Rushton, who has recently been discharged from the U. S. Navy. Before joining the U. S. Navy, Mr. Rushton served in the U. S. Army. He told us of his travels in the U. S. and he has been in nearly every state in the union. You may rest assured that we used our maps.

Then he told us of his trip from San Francisco to the Hawaiian Islands. He described the people, houses, and different kinds of fruit. His description of the Volcano Mauna Loa was very graphic and interesting because of the great force of the gases to throw from the bottom of the crater, seven hundred feet deep, a rock weighing eight tons.

We learn from Mr. Rushton that every man who crosses the Equator must be initiated into a secret organization. Before he became a member he is called a land lubber and afterwards he is known as a shell-back. The initiation consisted of swallowing a large pill, running the gauntlet, sitting in a barbers chair and having the mouth filled with soap and greasy dish water, and being dumped into a pool of water.

From Hawaii he went to the Samoa Islands. These people eat dead fish cast up by the waves and tide. Navy soap is considered a desert. Our scene shifted next to Sydney, Australia. The World War veterans were very glad to see their former buddies. All stunts, entertainments, and pleasure trips were free. The harbor of Sydney is said to be the most beautiful one in the world. People of Australia were very sad to see our boys start for the States.

After he finished this interesting picture, Mr. Rushton taught the boys and girls many stunts on chinning bars, rings and trapeze. We feel that Mr. Rushton taught us more geography than we could have learned from the books.

During Education Week all pupils memorized the first verses of "The Star-Spangled Banner," "America the Beautiful" and all of "America," including two new verses that were

suggested by the National Educational Association. In fact we carried out the program that Mr. Marrs sent to us.

Banquet

On Friday night we gathered in the Science room for the Father-Daughter and Mother-Son Banquet. The room was decorated very beautifully in the National colors. The front wall was decorated with bunting and other walls were draped with crepe paper.

The table was arranged in the shape of a hollow square with chairs placed on all sides.

A menu, consisting of chicken, salad, pickles, peas, tomatoes, potatoes, okra, pie and cake was served. After the banquet a meeting was held in the auditorium. Miss Addie Jane Hancock sang two songs. The Merry Maidens Glee Club favored us with a special song.

Mr. Roberts Dies

Our community was saddened by the death of Mr. Walter Roberts, age fifty. Mr. Roberts is a brother-in-law of Mr. D. E. Gillespie of New Home. Mr. Roberts is survived by his wife, Mrs. Pearl Roberts, one daughter, Mrs. Robert Hensley, and three sons, Messrs Carl, Leonard, and Warner Roberts. Mr. Roberts and family of Temple Okla. were visiting in the home of Mr. D. E. Gillespie. He became ill Thursday, Nov. 10, and passed away at 20 minutes until 12 o'clock November 14. Although he had been in failing health for a number of years, his passing away was unexpected. He was buried at Tahoka, Texas, Nov. 15. Mr. Roberts was an ardent Christian, and a member of the Missionary Baptist Church at Tilloco, Texas.

Local News

Chester and Truett Smith, who are attending school at Tech this term, and Miss Beulah Smith, a teacher in the Lubbock public schools were home for the holidays.

Miss Fay George, who is a student of Tech, visited home folks this week end.

Misses Floy Roberts and Lenna Minor spent last Sunday with Luella Newman of Lakeview.

Junior Wallace and andand Junior Roberts and Wallace Campbell spent last week end in Slaton.

Mr. J. R. Riley and family of Plainview spent Sunday with their relatives, Mr. and Mrs. L. N. Hancock.

Mr. Arter Fulton of Dallas has been visiting in the home of his brother, Mr. J. P. Fulton.

Mr and Mrs F. Sutton and family visited in the home of Mr. Sutton's brother, Mr. J. F. Sutton of Lamesa, Sunday.

We are delighted to know that Miss Jewell Jasper, who has had an operation, is doing fine and is expected to return home in a few days.

Miss Opal Lawler, who is attending school at the Lubbock Business College, was at home for the holidays.

Mr. F. H. Hancock made a short business trip to Mills county last week.

A pie supper will be given at the high school auditorium next Friday night for the benefit of the New Home Baptist church building fund. Everyone is invited.

A monster Thanksgiving program will be given on Wednesday night before Thanksgiving in our high school auditorium. Remember the date and come early.

With our Revolving Rib gins, we can make 5 to 15 pounds more lint to the bale, which means \$1.00 to \$3.00 more money. Besides they carry a looser roll which makes a smoother sample. Investigate—J. H. Holloway. adv

FAIRVIEW H. D. CLUB HAS SUCCESSFUL PIE SUPPER

The pie supper given by the Club ladies of Lakievie community was well attended, there being a possible hundred people present.

Mr. L. H. Moore, an enthusiast in the work, served as auctioneer, and I must say he did wonderfully well. We received a total of \$46.85. This is to be used by the Club ladies for various equipment needed for their work, and perhaps for one Short Course Scholarship.

—REPORTER

Big Spring—Work of rebuilding machine shops of Texas & Pacific Railway Company here in progress.

South Ward Items

Mr and Mrs. G. E. Lockhart of Lubbock spent Saturday night with W. E. Hammonds.

Mr. and Mrs. M. L. Hunt of Redwine spent the week end in the Hammonds home.

Mr. and Mrs. Winter Knight and little son Gean Earl spent Sunday afternoon at W. E. Hammonds' home.

Lynn Taylor from East Texas is here for a few days with his parents, Mr. and Mrs. C. L. Taylor.

Charlie Allen from Oklahoma came in last Saturday.

Quite a few of our people enjoyed a watermelon feast at Mr. Taylors' Saturday night. Everybody had all the watermelon they wanted for once.

Mr. Will Wright and family spent Sunday with his brother J. W. Wright.

Probably due to the cold weather very few came to Sunday School Sunday. Let's don't let that bother us again, for we have two good stoves and plenty of coal.

Pyote—New 52-room hotel here nearing completion.

Eastland—Hardsurfacing of highway into Abilene nearing completion. Perryton—New city hall completed and in use.

SHERIFF'S SALE

THE STATE OF TEXAS, COUNTY OF LYNN.

Notice is hereby given that by virtue of a certain order of sale issued out of the Hon. District Court of Lynn County, of the 22nd day of October, A. D. 1927, by W. E. Smith, District Clerk of said County for the sum of Two Hundred Seventy Six and 82-100 (\$276.82) Dollars and costs of suit, under a judgment in favor of William D. Green as Independent Executor of the Estate of Wm. Green deceased in a certain cause in said Court, No. 680 and styled William D. Green vs. E. S. Pendleton, placed in my hands for service, I, J. W. Simpson as Sheriff of Lynn County, Texas, did, on the 1st day of November, 1927, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: All of Lots Numbers Four (4), Five (5), and Six (6), in Block Number Ninety One (91), situated in the town of Wilson, Lynn County, Texas

and levied upon as the property of E. S. Pendleton and that on the first Tuesday in December 1927, the same being the 6th day of said month at the Court House door, of Lynn County, in the City of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Order of Sale I will sell above described Real Estate at public vendue, for cash to the highest bidder, as the property of said E. S. Pendleton.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County.

Witness my hand, this 1st day of November, 1927.

J. W. SIMPSON,
Sheriff Lynn County, Texas

DULL, LISTLESS

Made Bright, Energetic By Black-Draught, Says Gadsden Lady.

"Ever since I have known about Black-Draught," says Mrs. Della Mayben, of Gadsden, Ala., "it has been my regular standby for indigestion and constipation."

"I first used Black-Draught fourteen years ago. At that time, I was suffering with a bad case of swelling across my abdomen. Every bite I ate disagreed with me, and I had very severe headaches."

"I decided to try Black-Draught. I was truly astonished at the quick relief. In a few days, I began to feel like a different woman. Instead of being dull and listless, I began to feel bright and energetic."

"From that time on, I have rarely been without a box of Black-Draught in my house." 25 cents. Insist on the genuine.

JUDGE CAIN CALLED TO GREENVILLE BY FUNERAL

Judge C. H. Cain returned Tuesday afternoon from Greenville, to which place he was called Friday by the death of Mrs. B. N. Cain, whose husband is an uncle of Judge Cain's and in whose home Judge Cain spent a year or two when a very young man.

Judge B. N. Cain is general attorney for the Louisiana Railway & Navigation Company of Greenville and is a prominent lawyer of that city. As the funeral service began, all the trains on that railway stood still for two minutes out of respect to the good woman who had died.

The funeral services were held in the First Baptist Church of Greenville at 10 o'clock Sunday morning

LAKEVIEW H. D. CLUB ELECT OFFICERS FOR YEAR

The Lakeview Home Demonstration Club held its regular meeting at the Church Tuesday, November 8, with our county agent and eleven members present, as follows: Miss Halsey, C. H. D. A.; Mrs. S. L. Williams, Pres.; Mrs. E. F. Schwartz, Vice Pres.; Mrs. A. C. Fillingim, Sec-Treas.; Mrs. S. W. Perry, Mrs. R. W. Allen, Mrs. P. H. Staggs, Mrs. C. Wright, Mrs. H. Bright, Mrs. Ross Harmonson, Mrs. L. H. Moore, Mrs. C. C. Nettles.

Roll call was answered with "Why I am a Club Member," after which the report for the year's work was given to our Secretary; also money for our year books and three subjects by each member, twelve to be chosen for the year books.

Officers for the new year were then elected as follows: Mrs. S. L. Williams, Pres.; reelected; Mrs. E. F. Swartz, Vice Pres.; reelected; Mrs. A. C. Fillingim, Sec-Treas.; reelected; Mrs. C. C. Nettles, Reporter. Mrs. R. W. Allen is to be local leader for the Girl's Club. Mrs. E. F. Schwartz, Better Homes Chairman.

The motion was made and carried to have a pie supper at the Church Saturday night, Nov. 12. There being no further business we adjourned till our next regular good it could be to our community at have an extra day in December. Our club is new in the work and Miss Halsey has labored under difficulties getting us started. We were slow to cooperate and to realize the good it could be to our community at large, but now that we have started we are determined to win.

—REPORTER

With our Revolving Rib bins, we can make 5 to 15 pounds more lint to the bale, which means \$1.00 to \$3.00 more money. Besides they carry a looser roll which makes a smoother sample. Investigate.—J. H. Holloway. adv.

W. M. S. STARTS NEW STUDY COURSE

The Woman's Missionary Society met Monday afternoon at the church. The first chapter of our new study book, A Straight Way Toward Tomorrow, was studied and discussed. The subject of this chapter was, The Children of the World Since 1914. A quotation given to this book by Victor Hugo: "In truth, he who has only seen man's misery has seen nothing, he must see woman's misery; while he who has seen woman's misery has seen nothing, for he must see the misery of the child."

- Outline of Chapter 1
- Destructive Forces:
- War.
 - Infant Mortality
 - Child Labor
 - Ignorance—Superstition.
 - Irreligion.
- Constructive Forces:
- Orphanages.
 - Red Cross.
 - Health Program.
 - Protective Legislation.
 - Christian Education.
 - Knowledge of God.
- Song—Safe in the Arms of Jesus. Scripture Reading: Matt: 19:14. The Lord's Prayer repeated in unison closed the study.
- Everyone who can should come and study the remaining chapters of this book with us.

HOPELESS

Weak, Thin, Nervous Woman Gets Strong, Gains Weight.

Mrs. L. N. Crawford, Jr., of Logansport, La., writes: "I felt perfectly hopeless. 'Life wasn't worth living. It seemed. I felt like giving up but, you know, a woman with a family just can't do that. I was weak, thin and nervous. 'I tried so many things but didn't get better. Finally I asked my husband to get me some Cardui. After I had taken three bottles, I was like a new person. 'I gradually resumed my work around the house and went places. I quit suffering. Now I am strong, in good weight, and feel fine.' 'Thousands of women have been helped by Cardui, in a similar way, in the last 45 years.

SISTERS MARRY THE SAME DAY

Marriage licenses were issued here Saturday to Charles Alton Seay and Miss Mary Israel and to J. G. Carroll and Miss Ruth Israel. Misses Mary and Ruth Israel are sisters and they reside in the Slash-L community, in the southwestern portion of the county. We are not advised as to just when and where the marriage ceremonies were performed.
