

News of Baird PEOPLE & THINGS

By E. M.

A GOODLY NUMBER of civic minded Baird men were on hand Saturday afternoon with paint brushes and scrapers and other tools to work on the building purchased recently by the Chamber of Commerce for use as a medical clinic when the organization succeeds in securing a doctor or doctors for Baird. The concrete block building is located across the street east of the courthouse and was the home and beauty shop of Mae Claire Wheeler. Its location and arrangement make it ideal for its intended use, and the Chamber of Commerce is to be commended for its farsightedness. The town which has the most to offer is the town which secures the doctor.

LET'S ALL GET behind the Chamber of Commerce, and the committee given the doctor hunting task, and help them in every way possible. Baird needs another doctor and needs him badly. People don't like to move to communities where there is a shortage of medical facilities. A few dedicated individuals are working hard to find the right man for the vacancy here, and they deserve your help and your encouragement.

HEAR THAT THE workshop held at Baird High School Saturday was a success. A lot of club women from a number of towns in the district spent the day learning how to be better club women and how to make their clubs better clubs.

GUESS MOST EVERYONE in Baird was proud of the Bears Friday night as they downed the Eastland Mavericks 6-0. The Mavs were picked by most everyone to down the Bears easily. The Bears probably played their best game of the year Friday night, and they will improve every game. They are young, and they went into the season with little experience. . . . Both the Eastland and the Baird bands put on good half-time shows. A fire routine on the part of twirlers was the feature of the Baird performance. Both ends of the twirlers' batons were soaked in gasoline and set afire, and as the lights of the field were turned out, the girls went through a series of twirling routines. It was pretty impressive.

WE OWE VICKIE Varner an apology. In last weeks col. we gave an account of her twirling ability and said that she couldn't be more than eight or nine years old. Well she could. She is "almost 11." It's quite an insult for a 10 or 11 year old to be called eight or nine, and we apologize. We promise that when she gets to be thirtyish we will report her age as 28 or 29, and that should offset the mistake.

HAD A REPORT THIS week on what we think is the meanest kind of thief — one who piles his trade in the local cemetery. Several people have reported that pot plants and other floral arrangements placed on the graves of their loved ones have been stolen. Anyone who would steal flowers from graves merits being called the meanest thief. Hear that Clyde people are having the same trouble. It's a pretty ugly thing to do.

THE CURIOSITY SEEKER has been a topic of conversation in some areas also this week. Coming in for the most criticism is the chaser of fire trucks and the ambulance chaser. The fire truck follower is a hindrance to firemen and should stay at home. At a recent fire, department members could not reach the blaze with the equipment until spectators were forced to move. There is a law against such goings on. Ambulance chasers are those who go along out

BANK PRESIDENT JOINS IN WORK — Bob Norrell, president of the Baird First National Bank, joined volunteer workers Saturday in working on doctors clinic purchased recently by the Chamber of Commerce. Working along side Mr. Norrell are Fred Hart, Rancher and oil man; Charles Reeves, Lumberman and Lonnie Ray, retired auto dealer.

HARD AT WORK — Owen Thompson, Charles Reeves, Fred Hart, Jay Reeves and Lonnie Ray join hands in scraping old paint off walls of Chamber of Commerce doctors clinic. The group of volunteers are working to get the building in top condition for the doctor the Chamber of Commerce is seeking for Baird. Inspecting the work is Raymond Young, president of the Baird Chamber of Commerce.

Doctors Clinic Is Getting Face Lifting By Volunteer Workers

The interest of Baird residents in securing a doctor for the community was manifest Saturday afternoon when a number of them reported for volunteer work at the building purchased recently by the Baird Chamber of Commerce for use as a clinic and office.

The group scraped off old and peeling paint off the outside walls of the masonry building and began applying a coat of new paint. They brought their own ladders and tools and the Chamber of Commerce furnished the material.

The clinic building is located across the street east of the court house and is about a block from Callahan County Hospital. It was purchased by the Chamber of Commerce upon the recommendation of a committee appointed to study ways and means of securing a doctor for the community.

The building has been used as a residence and a beauty shop, and is ideal for a clinic. The inside of the building is receiving a primer coat of paint. The final coat will be applied after a doctor is located and he decides on other changes and on colors.

County History To Be Published

B. C. Chrisman of Baird has completed the manuscript on the history of Callahan County which he has been working on for a number of years, and he is now making an advance sale of the book in order to determine the number which should be published.

Mr. Chrisman has spent a number of years in research on the book and those who have read the manuscript report that it is both factual and entertaining. It will contain some 300 pages and will contain numerous pictures of Callahan County and its residents.

The Naylor Company has accepted the book for publication, and a number of advance copies reserved will determine the price of the book. A report from the Naylor Company included the following comment: "Our editorial department has given us a favorable report on your manuscript of 'A History Of Callahan County,' and they feel it will make up into a most attractive book. Our editor reports: 'a very well written, well thought out county history; deals with facts without boring the reader; a very fascinating county history that should be of special interest in its immediate area.'"

Mr. Chrisman is advertising the book in the three county newspapers and asks those who desire to reserve a copy to clip the coupon and mail it to him or see him in person.

Junior Hi Girls To Play Powder Puff Football

Baird Junior High will have a "Powder Puff" football game on October 31 at 7 p.m. at the Bears Den. The money derived from the game will be used to pay for a supper for the junior high football team.

The girls will play the game and the boys will form the pep squad. The girls will be in uniform, but it will be a no contact game. Flags will be used by the ball carriers and the defense must take the flag from the runner.

The halftime entertainment will be a spook parade and will consist of pre-school children to those in the eighth grade. A prize will be given to the best spook entry as judged by the judges. Those desiring to enter the parade were asked to register at the principals office.

Baird MYF To Host Sub-District Meet

The Baird MYF will host the Sub-District MYF, Sunday at 2:30 p.m., at the Baird Methodist Church. Mrs. Walter White will direct the music for the program.

Mary Jo Thompson is local MYF president, and Carol Lynn McGowan is Sub-District MYF president.

City To Install Street Markers Along Highway 80 Through City

The City Council decided at the regular meeting Tuesday night to proceed with plans to install street markers on some of the principal streets in Baird with the intention of marking other streets as funds are available.

Recently the Council appointed Claud Holley, Manager of the Chamber of Commerce and James Asbury, City Secretary as a committee to obtain information as to the approximate cost of markers on suggested streets

BEARS UPSET MAVERICKS FRIDAY; PLAY CROSS PLAINS FRIDAY NIGHT

The Baird Bears, playing their best game of the 1963 season roped, tied and branded the Mavericks from Eastland Friday night as the two teams met on the Baird field for the opening game of the 1963 District 10-A football season.

The 6-0 edge the Bears had over their Eastland opponents failed to tell the complete story as the Bears were reluctant even to let the visitors have the ball. The Baird team completely dominated the play all during the 48 minutes of play. The Mavericks had only one moment of glory and that was in the third quarter when they took possession of the ball and worked it deep into Bear territory. But, the stiff Bear defense held and the Mavs were left with only a smell of the promised land.

The Stingy Bears let Eastland have the ball only 34 times on running and pass plays, while they had possession 72 times. Eastland made only two first downs and 30 yards in the first half and wound up the game with 8 firsts and 66 yards rushing. Most of the second half

first downs were made in the only sustained drive by the Mavericks, and the Bears gave them a couple on penalties. All in all, it was a dismal evening for the Eastland team and fans. The Mavericks were rated as second in the district and a 26-6 choice over the Bears.

Wally Harris scored the lone tally of the game on the first play of the second period when he circled end for 11 yards. The Bears had several scoring thrusts blunted by penalties, one pass interception and two lost fumbles.

Tally Windham, Baird full-back, had the best evening for the Bear backs as he ran or bulled his way for about 170 of his teams 281 yards. He just couldn't be stopped. Eddie Childers, Freddie Alexander, Tommy Barton, Ritchie Crow, Steve Stanley and Harris had their share in the glory. But, it was the Baird line which dominated the play most of the way. They were downright miserly with the yardage. Time after time the speedy Eastland backs were tossed for losses or held for no gain.

Defensively the Bears have been rough all year. They have given up only 20 points in the six games played so far this year. Standouts in the line Friday night were Thomas Robbins, Bobby Black, Ed Auit, Mac McIntosh, Danny Ross, Douglas Jaggars, Bruce Bell and Pat McKinnon.

The Bears go to Cross Plains Friday night to take on the winless Buffalos. They came out of the Eastland game in top form. The Buffs will be gunning for their visitors as they believe that it will probably be their only chance for a win this season. The Buffs are large but began the season with little experience. They have been improving and should reach their season's peak against the Bears.

Statistics on the Eastland game are as follows:

| Baird | Eastland |
|----------|----------------------|
| 19 | 8 |
| 281 | yards gained rushing |
| 3 | passes attempted |
| 1 for 5 | passes completed |
| 2 for 21 | punt average |
| 4 for 50 | penalties |
| 2 | fumbles lost |

Abilene Youth In Callahan Hospital

One Abilene youth was in Callahan County Hospital Wednesday as a result of injuries received in an automobile accident seven miles south of Putnam on Farm Road 1064 about 10 p.m. Tuesday.

In Callahan County Hospital receiving treatment for head cuts and under observation was James Walter Carter, 16, of Abilene. He was one of three youths hurt when their car overturned after falling to negotiate a curve. The other two are William Lackey, 17, and Darrell Pitts 16, both of Abilene. Lackey was the driver of the car. He was treated at the Baird hospital and released. Pitts was thrown from the car. He is in Hendricks Hospital in Abilene.

Callahan County Sheriff's Deputy Todd Newton investigated the accident. He said the car overturned at the intersection of Farm Road 1064 and Farm Road 880. The car was a total loss.

Cosgrove Resigns At Church of Christ

Neal Cosgrove, minister of the Baird Church of Christ for the past year and a half, has resigned his position here and has moved to Gatesville where he has accepted work with the Gatesville Church of Christ.

In resigning, Mr. Cosgrove said that the position at Gatesville represented an advancement, and that he felt that it was too good an opportunity to refuse. He began his work with the Gatesville church Sunday. The Cosgrove family moved last week.

Hon. W. R. Ely, former Baird resident, visited friends here last Tuesday.

Livestock Producers To Discuss Drought Problems At Baird Meet

Flower Show Is Set For Saturday

The Big Heart Garden Club will present their annual Flower Show, next Saturday, October 26, from 3 to 8 p.m., at the Community Center in Clyde.

The theme for this year's show is "Autumn Paint Brush," and everyone is invited to attend and view the floral arrangements, said Mrs. Clay Long, president.

Voting Begins On Amendments

Absentee voting on four proposed amendments to the Texas Constitution began Monday, October 21, at the office of Mrs. Beatrice Deal, county clerk. The special election on the four proposed amendments will be held on November 9.

The four proposed amendments call for the elimination of poll tax as a requirement for voting; eliminating of residence requirements and allowing more expenditures from state funds for needy aged, blind, children and disabled persons; a retirement fund in political subdivisions within Jefferson County; and for issuance of more bonds for Veterans Land Fund, and the increasing of the interest rate and extension of the life of the program.

Holley Speaks At B&PW Club Meeting

The B&PW Club of Baird met Thursday night at Bibbs cafe. Mr. Claude Holley, manager of the Baird Chamber of Commerce was guest speaker.

Among other civic projects, Mr. Holley discussed the prospects of securing medical services for our community.

Mrs. Roy Nunn of Kent was a guest of Mrs. Farris Bennett.

HOME FROM HOSPITAL

W. E. Box has been taken to his ranch home south of Baird after several weeks in Abilene and Baird hospitals. Mr. Box underwent open heart surgery in Abilene, and his condition is improved. He is prominent in farming and ranching organizations in the county, and has been a resident of the area for many years.

There will be a meeting of all livestock producers in Callahan County at 7:30 p.m. Tuesday, October 29, in the District Court Room of the Callahan County Courthouse in Baird.

The purpose of the meeting will be to determine if livestock producers desire to come into the drought relief program.

Counties designated under the program are eligible for government grain, and other benefits.

It is necessary, spokesmen said, that all livestock producers attend the meeting to make their wishes known. If only a few attend the meeting, chances of the county entering into the program might be slight, even though the need may exist.

Continued dry and hot weather have placed hardship on certain areas, and to get assistance, those areas must make their wishes known.

Shower To Honor The Eddie Pettys

A miscellaneous shower is being given for the Eddie Pettys of Merkel, who recently lost everything they had in a fire which destroyed their home. The Pettys lived in Baird before moving to a lease near Merkel where Mr. Petty is a pumper.

The shower will be at the American Legion Hall here Saturday, October 25, from 4 p.m. to 6 p.m. Items of clothing for adults and children, linens, kitchen equipment or any other household item will be welcomed.

Those wishing to bring their gifts early were asked to see C. H. Lunsford, commander of the Baird Legion Post.

BUYS ANGUS BULL

S. L. Canada, Baird, recently purchased an Aberdeen-Angus bull from Reo Jolley, Clyde, Texas.

ATTENTION LEGIONAIRES

Please pay your American Legion dues for the coming year (\$6.00) as soon as possible. You may pay James Eubanks at the Bank, Jerry Loper at City Drug or me, C. H. Lunsford, Commander. We meet on third Thursday of each month.

New CHEVELLE! by Chevrolet

Only this could come between Chevrolet and Chevy II. The Chevelle is a highly polished car on a trim 115-inch wheelbase. Remarkably agile and easy to handle and park. But it's roomy inside, with many of the comforts you'd expect in a bigger car. Its ride comes from the people who developed the Jet-smooth kind. Its four engines—V8 or 6—carry that irrepressible Chevrolet spirit all

the way up to 220 hp*. Its lively, graceful styling and Body by Fisher craftsmanship make its modest price all the more remarkable. And it comes in three series and eleven models—wagons, sedans, sport coupes, convertibles. Want to check further? Consider this your invitation for a real hood-raising, door-slammng, seat-bouncing, wheel-turning time of it at your Chevrolet dealer's.

NEWS OF MORAN

Union Usuals And Unusuals

By Veda Yarbrough

Hi neighbors, today is real nice, cloudy and cool. Rained a little bit just as we got into Vernon about one o'clock. Yes, I came home with Mildred and Gerald. They came Saturday about noon. We all had dinner with Roma and John McIntyre. Saturday night, they and A. Yarbrough had supper with me. Oh, yes, the great granddaughter is with them, that is why I came home with them to spend a week.

Mr. and Mrs. Randall McNiece and boys visited with us Saturday night, was so good to have them.

D. A. Yarbrough had dinner Sunday with his sister, Onie Abernathy in Baird.

Visiting over the week end with Mark and Ollie Burnam were Gayle Burnam and Bill, Retha and Nevin Brown of Abilene.

Mr. and Mrs. Guy Elland of Stanton visited a while Friday with Dick and Annie Yarbrough.

I had dinner Thursday with the Mobley girls and they had good old cat fish and were they good. Also visited a little while with Evelyn Culwell and girls, then by to see Mrs. Mary Ramsey. When I got there I was so surprised to see my cousin, Jessie (Ramsey) Parmer and husband, was good to see them, has been quite a while since I had seen them. They both looked so good.

We are sorry that Miss Ora Clinton is still sick, we hope you soon get better.

You should have been at the Stanley Party at my house Friday afternoon. We had a good time and a good crowd, was glad all of you came.

Be good and I'll see you next week. I plan on coming home next Sunday.

S.S. CLASS SOCIAL

Mmes. Ben Waters, Callie Callahan and Iva Chambers hosted a social for members of the Booster Class of the Methodist Church, Wednesday evening, October 16, in the Fellowship Hall of the church.

The Halloween Season was apparent throughout the room. The service table was beautifully decorated with pumpkins, goblins, and dainties wrapped in Black and Gold paper. Silver and Halloween napkins completed the arrangement.

The meeting opened with the group singing the hymn, "Let The Lower Lights Be Burning", led by Lola Baughman with Mrs. Albert Morris at the piano.

The invocation was given by Rev. Lyle Miller.

The class favorite game, being "42" was played during the social hour, after several games it seemed that no individual emerged as champion, with each person losing at least one game.

Delicious strawberry shortcake, coffee and tea were served to the following: Mr. and Mrs. C. C. Ballard, Mr. and Mrs. R. W. Brooks, Mr. and Mrs. Walter McCollum, Mr. and Mrs. A. C. Morris, Mr. and Mrs. Ben Waters, Mr. and Mrs. Ezra Weil and Mmes. Callahan, Iva Chambers, C. B. Hill, Luke Huskey, Miss Lola Baughman and Rev. and Mrs. Lyle Miller and Little Roy.

Mr. and Mrs. Ed Brewster of Albany visited her parents, Mr. and Mrs. Ben Pinnell, Sunday.

Mr. and Mrs. L. L. Walker spent the week end in Fort Worth. While there, they attended the football game between TCU and the Aggies.

ANNUAL BANQUET

Amid the setting of the Halloween Theme, the basement of the church, the officers and teachers of the Sunday School Department of the Moran Baptist Church, held their annual banquet, Friday night, Oct. 18.

A delicious meal of charcoal steak with all the trimmings was catered by Eubanks center of Cisco.

The invocation was given by Bro. Boyd Tabor. Sylvia and Sandra Hart of Cisco sang three beautiful songs, accompanied by Mrs. C. S. Barrow at the piano. Bro. Bob Eklund, pastor of the First Baptist Church of Baird, brought the message, which challenged the workers to do better work this coming year. His scripture was taken from the book of Exodus. Closing prayer was given by the pastor, Bro. Johnny Smith.

A most enjoyable evening was had by all. Those attending were Bro. and Mrs. Bob Eklund, Sylvia and Sandra Hart, Bro. and Mrs. John Smith, Bro. and Mrs. Boyd Tabor, Mr. and Mrs. Virgil Morris, Mr. and Mrs. Roy McCoy, Mr. and Mrs. Glen Cottle, Mr. and Mrs. Ralph Snyder and Sammy, Mr. and Mrs. Floyd Pool, Mr. and Mrs. C. Mesquite District TFWC Has Workshop In Baird Saturday; Almost 100 Attend

Baird Federated Clubwomen hosted a very successful workshop for the Mesquite District Saturday, October 19. Among the 98 clubwomen registering were 10 state board members, 24 district board members and 19 club presidents. Mrs. J. F. Boren of Abilene, who taught for many years in the Baird High School was recognized as poet laureate both of Mesquite District and of Texas Federation of Women's Clubs.

Most outstanding action taken at the workshop was the voting of a \$100 scholarship to be given each year to some worthy student of Mesquite District to be applied on college tuition.

Mrs. James Asbury, general chairman and her co-chairman, Mrs. Ray Black, praised the local club presidents and members of the four study clubs who cooperated to make this the first workshop ever held in Baird, complete in every way. They also wish to thank the local merchants who contributed flowers, door prizes, and gifts for the souvenir packets presented to each clubwoman registering.

They extend thanks to Principal Winn Talley and the eighth grade boys who participated in the presentation of the colors and to Mrs. Walter White for music at the luncheon.

Appreciation is expressed to the members of the senior class of Baird High School, their mothers and sponsors, Mrs. Frank Crow and Mrs. Dick Vestal, for serving a delicious luncheon, and to all others who helped in any way. Special decorations for the stage curtain in the cafeteria were contributed by some of the first grade students.

Flowers used for stage decorations at the workshop were carried to the various churches of Baird on Sunday, October 20, and then were presented to the

Baird Rest Home and to the County Hospital.

C.J.C. Homecoming Planned For Nov. 2

CISCO — Five nominees for Homecoming Queen have been chosen at Cisco Junior College in a general election by the student body, according to Mrs. Charles Parker, student council sponsor. Homecoming is scheduled for November 2.

The five coeds elected are Marky Wilson, Fort Worth; Judy Clary, Post; Sharon Denton, Bridgeport; Jan Yardley, Cisco; and Sue Lack, Brownwood.

The name of the nominee chosen to reign as queen will be announced during the half time activities at the football game between the CJC Wranglers and the Blinn Junior College Buccaneers.

Another highlight of the half time activities will be recognition of a "Coming-Home" Queen elected by the Ex-Students association during their meeting Saturday afternoon.

Tom Kaker, sophomore student from Bridgeport, will present bouquets to both queens. Kaker is the president of the Student Council.

Foremost among activity for CJC students will be a building decoration contest. Service organizations, clubs and both the sophomore and freshman class will be responsible for decorating different building on campus. Three prizes will be awarded.

Seniors from all area high schools have been invited to attend the homecoming barbecue and game, as guests of the college, according to G. C. Hogue, president.

CARD OF THANKS

We wish to express our sincere appreciation to all our friends for the many kind and thoughtful expressions of sympathy during the loss of our loved one. May God bless each of you. STATE CAPITAL

Highlights

AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN — School people have inquired whether passage of the constitutional amendment on November 9, removing the poll tax as a requirement for voting, will cut down on State aid to schools. The answer is "no."

Dr. D. Richard Bowles of Austin, former president of the Texas State Teachers Association, says repeal of the poll tax will not harm public schools financing since the levy provides only three-tenths of one per cent of State aid to local schools.

He noted further that the Amendment does not call for cancellation of the poll tax. It merely removes it as a requirement for voting. He added that the law is written so that if a school district lacks anything toward its minimum program, "it will be automatically made up from the Minimum Foundation Fund."

"School people who feel that the poll tax should be removed as a qualification for voting should have no hesitation about voting for Amendment No. 1 on November 9," Dr. Bowles said.

ALCOHOLISM RATE HIGH — Educating the public on alcoholism and trying to give aid to alcoholics is a very difficult job. But it is one to which the six-member Texas Commission on Alcoholism and its director, Macon W. Freeman, are devoted.

It is estimated that there are close to 6,000,000 alcoholics in the U.S. with some 300,000 of these in Texas.

Freeman says the alcoholic tries to hide himself. His family and friends try to shield him. Together they succeed so well that most people think he's buried on skid row.

"About three per cent are on skid row. But more than 90 per

cent are your neighbors," said Freeman. "They have good jobs. But they are disturbed and their families are disturbed."

He said that for every 100,000 alcoholics who are rehabilitated another 250,000 get sick. Ministers, doctors, nurses, social workers, Alcoholics Anonymous and just plain interested citizens are working just that much harder to combat the disease. He said an estimated 50 to 75 per cent of "identified" alcoholics can be cured.

Texas Commission on Alcoholism works for education and rehabilitation through cooperation with other state agencies, and with some 30 community councils on alcoholism.

TEXAS IS AVIATION MIND-ED — Texas provides more airports for civilian aircraft than any other state. A recent survey shows that Texas has 621 civilian and joint-use airports. California, which follows second, has 505.

However, California leads in the number of aircraft — 12,073 — while Texas' civilian aircraft total is 7,325.

Aviation is the subject of a lot of talk among state agencies. Texas Industrial Commission added a licensed pilot to its community coordinator staff. Two flight safety supervisors

with the Texas Aeronautics Commission — John G. Uranga and Laddie J. Roark — are conducting flight safety courses this month in Graham and Breckenridge.

State Legislative Council is making a study of the possibility of a state agency aircraft pool.

PARKS PULL VISITORS — Texas' 46 parks drew 7,200,000 visitors during the 1962-63 fiscal year. That's an all-time high, according to J. Weldon Watson, executive director of the Parks and Wildlife Department.

Of 2,200,000 autos checked, 112,932 were from out-of-state.

McKenzie Park near Lubbock attracted the most visitors, with 1,800,000, closely followed by Garner at Uvalde with more than 1,000,000, and Huntsville with 614,335.

Garner Park was first in campers with 172,683. Huntsville had 93,310 and Inks Lake 38,811. Parks with more than 25,000 campers included Lake Brownwood, Palo Duro Canyon, Possum Kingdom and Tyler.

Friends of Mrs. Archibald Meigs of Houston will be happy to learn that she has recovered from a ten week's illness. She was hospitalized from July 25 to Sept. 1, in the John Sealy Hospital in Galveston.

Mr. and Mrs. L. T. Smith have returned home from a vacation trip to points in Texas and Louisiana.

Mr. and Mrs. Walter Bryant spent last week end in Denver City, with their son, Mr. and Mrs. Lynn Bryant and daughter, Sandy Lynn.

FHA Borrowers Average Better

In 1963 farmers and ranchers who borrowed from the Farmers Home Administration in Texas achieved production levels in excess of those of non FHA borrowers, according to L. J. Cappelman, State Director of the Farmers Home Administration. This announcement was made before a meeting of some 300 agricultural leaders, representatives of agri-business firms, farm organizations, and USDA Agencies in Temple on October 16.

An intensive Farm Management Program was developed for the crop year 1963, primarily to assist farmers and ranchers who receive the supervised credit assistance of this agency achieve levels of agricultural production in excess of the average county production. Mr. Cappelman stated that this program was developed primarily to assist the family - type farmer and rancher whose normal source of credit has been discontinued to increase net profits to the extent that he can return to private credit in the shortest possible time.

Mr. Cappelman stated his report covered primarily the Rio Grande Valley, the Gulf Coast, East Texas, and the Blacklands.

During the meeting Mr. Cappelman announced the 1964 Farm Management plans, which include an intensive training program for FHA personnel and FHA borrowers to provide the latest research findings on improved farm management techniques. Mr. Cappelman urged the cooperation of all segments of the agricultural economy to assist the family-type farmer to improve his income, which will not only benefit the individual farmer, but rural communities and agri-business firms as well.

He concluded his report to the meeting by pledging the dedication of every member of the staff of the Farmers Home Administration in assisting the family-type farmer.

Sorority Plans For Bake Sale Nov. 2

Psi Pi Chapter of Beta Sigma Phi met for their regular meeting Thursday, October 17, 1963, at 4:00 o'clock P.M. in the home of Mrs. James Herring.

During the business session reports were heard from all committee chairmen and officers. Mrs. Mike Young reported on the Executive Board meeting held October 16 in Mrs. Black's home.

Final plans were made for the bake sale to be held November 2nd starting at 8:00 a.m. at Black's Food Store.

Mrs. Winn Talley and Mrs. Todd Newton were in charge of the program for the day which was on Jewelry.

Mrs. Talley told how jewelry was used by primitive peoples of the world as Trophies of battle, display of wealth and to shut out many evils and ills.

Mrs. Newton then introduced Mrs. Eugene Davis and Mrs. Gene Finch of Abilene, Texas, representatives of Sarah Coventry Jewelry. Mrs. Finch presented slides of the Home Office in New York and told how the jewelry is made.

Mrs. Black's name was then drawn for the piece of jewelry given by Mrs. Finch.

Mrs. Finch then presented a skit of a young housewife and mother of seven boys. Mrs. Black acted as the mother and wife and modeled the jewelry, that changed her basic black dress into a fashion suitable for the varied activities for the day. These activities included, PTA meetings, weddings, club meetings, an evening of dining and dancing and ended with a mid-night snack at home.

Mrs. Kenneth McPherson was hostess for the social hour. The serving table was centered by an arrangement of a large pumpkin, fall leaves and fruits.

Present for the meeting and social hour other than Mmes. Black, Young, Newton, McPherson, Talley and Herring were:

Mmes. Bill Skinner, Stanley Harris, Dick Vestal, Robert Barnhill, Jon Hardwick and Miss Beckye Griggs.

Also present was Mrs. Homer Driskill, Sponsor and Mrs. Frank Windham, Social Director and guests, Mmes. Davis and Finch.

Postmaster Wins Praise For Work

Postmaster Roy Gilbreath said today he had received a letter from William H. Neal National Director of the U. S. Savings Bonds Division, commending the local post office for its successful efforts in promoting the sale of U. S. Savings Stamps and announcing that children buying their first stamps of the school year will be given a free certificate signed by the seven Mercury Astronauts, designating them as "Junior Astronauts". These certificates are now available at the Post Office and at the schools in the city with the Treasury's School Savings Program.

"Just as the good service rendered by post offices is all-important to the success of School Savings, so is the leadership of Postmasters a source of encouragement of teachers, parents, pupils, and the many volunteers who participate in this patriotic thrift program," Mr. Neal wrote. "From your past performance," he added, "I know you will wish to continue your help in stimulating the interest of all these groups, thereby encouraging more schools to participate in the program in the months ahead."

"May I thank you once again for the loyal support given this program over the past twenty-three years, and offer my wishes for future success in the thrift services provided so ably by you

to your community and your nation." In his own endorsement, Postmaster Gilbreath said: "Selling Savings Stamps through the schools and over-the-counter to the public is a part of the Post Office Department's services of which we are particularly proud. The Treasury-sponsored School

Savings Program not only promotes practical thrift but also acquaints our young citizens with their government and their duties and privilege as American citizens. I know of no finer way to build for a better tomorrow than by training our youth of today in the sound American heritage of thrift."

PEOPLE AND THINGS . . .
(Continued from Page 1)

of curiosity to see what is going on. After the Gorman football game for instance, when two boys, one from Baird and one from Gorman, were injured and taken to the hospital, so many people crowded the halls of the hospital that nurses and technicians couldn't move up and down the halls. Some had to be

almost run over by stretcher bearers in order to get the patients to their places. Most everyone there was interested in the welfare of the two youths, but it would have been much better to stay away from the hospital so that the staff could handle the situation. We can help more by staying away.

County Library Adds Materials

Callahan County Library at Baird has a new feature of interest to coin collectors, a shelf of publications giving information about the value of coins and news from the entire numismatic field.

As a gift of Mr. and Mrs. Paul Washburn and their son, Paul

Jr., coin collectors, a weekly newspaper, "Coin World," and a monthly paper, "The Antique Trader," will be placed on the shelf. The 1963 Guide Book of the United States Coins, a catalog and price list of coins from 1616 to the present, will be available to library patrons.

Newly added to the Texas shelf is J. Y. Bryan's "Come to the Bower," a story of early Texas in its struggle for independence.

At the suggestion of county commissioners a case containing trophies won by Oplin students has been set up in the library-museum for display. Another article added to the museum from Oplin is an early day ledger used in the store operated by the late Ben Allen. The ledger was given by the Clint McKinley family.

A new sign marking the library-museum has been placed near the front steps of the courthouse facing U.S. 80.

Mrs. Rosa Ryan, librarian, reports that 500 books were circulated during September.

Marker Will Be Dedicated Nov. 2

The dedication of a Confederate Memorial Information Marker to Tom Green and a regional meeting of County Historical Survey Committees are scheduled for Saturday, November 2 in San Angelo.

Mr. Millard Cope of San Angelo, member of the Texas State Historical Survey Committee, announced the plans today.

County Committees will gather in the Officers Quarters No. 8 at Fort Concho at 10:00 a.m. to hear John Ben Sheppard of Odessa, T.S.H.S.C. president, speak on the "Purpose of Regional Meetings and the Texas State Historical Survey Commit-

tee Services to County Committees."

Every county committee will report on what has been done in the fields of recording and marking Civil War graves, purchasing and erecting Official Texas Historical Markers, holding Civil War Centennial Observances, getting the county committee included in the county budget and other planning and programming for historical preservation and marking.

Dr. Rupert N. Richardson, president emeritus of Hardin-Simmons University in Abilene and past president of the T.S.H.S.C. will speak.

Senator Dorsey B. Hardeman of San Angelo will dedicate the State Confederate Marker for General Tom Green. The ceremonies will be on the County Courthouse lawn at 2:00 p.m. This marker is erected by the State of Texas for a prominent Confederate for whom a county is named.

Counties included in the San Angelo region are Brown, Callahan, Coke, Coleman, Comanche, Crockett, Eastland, Edwards, Erath, Fisher, Irion, Jones, Mitchell, Nolan, Palo Pinto, Reagan, Runnels, Schleicher, Scurry, Shackelford, Stephens, Sterling, Sutton, Taylor, Tom Green and Val Verde.

Study Club Hears Conservation Talk

The Corinne Blackburn Club met October 21st with Mrs. Clyde Latimer as hostess. Mrs. Beatrice Deal, president, opened the meeting.

Reports were given on the workshop of Mesquite District which was held October 19 in Baird.

Mrs. Latimer presented the program. The topic for study was "Conservation." Mrs. D. C. Cox spoke on "Changes in Rural Communities." She discussed water and soil conservation in

Callahan County. Mrs. A. A. Manion spoke on "Modern Methods of Converting Salt Water into Pure Water". Closing prayer was led by Mrs. Latimer. Members present were Mmqs. W. A. Robbins, Margie Ray, D. C. Cox, S. N. Dunlap, Jr., Beatrice Deal, Conley Pruitt, C. M. Peek, Irvin Corn, A. A. Manion and Juanita Danielsen.

Mrs. Annie Stockton of Kan-awa, Okla., is visiting her cousin, Mrs. C. M. Bales, in Baird.
