

## Goss' Phillips 66 Station Open Sat.

This Saturday, May 14, has been announced as the day for the grand opening of the new Goss Phillips 66 Service station number two, located at West Ninth and American Boulevard.

Co-owned by Jessie and Carol Goss the modern new station has been open for business since Monday, but Saturday will be the day for the public to remember because of such things as the fact that with every ten gallons purchase of gas the customer will receive five gallons free at any convenient date in the future.

Jesse Goss, who will manage the business, said they will be able to handle the maximum amount of trade at one time because of the spacious drive surrounding the station's eight pumps. Four able attendants will be on duty at all times.

Since 1946 the Goss brothers have been in the service station business here and during that time they have built an outstanding reputation. Their local Phillips 66 No. 1 is located on the east corner of Muleshoe's busy crossroads.

## Final Rites For H. F. Branscum Held At Earth

Funeral services for Henry Franklin Branscum were conducted at 3:00 p. m., yesterday, May 11, at the First Baptist Church of Earth.

Mr. Branscum passed away May 10 in the West Plains Hospital and Clinic, following a lengthy illness. He was born in Burnside, Ill., November 22, 1867. A retired farmer, Mr. Branscum had made his home in Lamb County since 1924. His wife preceded him in death in January of 1950.

Rev. Cecil Meadows, of Earth, officiated. Pallbearers were Earl Moore, Oliver Tunnell, and Johnie Haber, Muleshoe; G. Keller of Earth and Bill Strune and Lloyd Stephens of Springlake.

Survivors include five sons: W. W. and Thurlio, Muleshoe; D. A. of Wichita Falls; Otis of Ft. Worth; and Arvel of Portales, N. M.; three daughters, Mrs. Hugh Teel, Englewood, Calif.; Mrs. S. J. Black, Muleshoe, and Mrs. Otis English, Dimmitt.

Also, two sisters, Mrs. Ernest Meadows, Ada, Okla., and Mrs. Cora Morris, Oklahoma City, Okla.; twenty-three grandchildren, thirteen great grandchildren and three great great grandchildren.

Funeral arrangements were under direction of Singleton Funeral Home of Muleshoe. Burial was in the Earth Cemetery.

## BROTHER-IN-LAW DIED SATURDAY

Mrs. J. O. Crawford was called to Plainview Saturday morning due to the passing away of her brother-in-law, Herbert Wells, who succumbed to a heart attack.

She was joined in Plainview Monday by her husband for the funeral services, and they returned home Monday evening.

## IT'S A BOY!

Lt. and Mrs. Earl Ladd, Jr., of Fort Knox, Ky., are proud to announce the arrival of a son, Earl Ladd, III. The young gentleman weighed 4 lbs., 9 ozs., on his arrival at 7:00 p. m., May 10.

Grandparents are Mr. and Mrs. J. A. Johnson of Muleshoe and Mr. and Mrs. Earl Ladd, also of Muleshoe.

# Rains Assure Ample Planting Moisture

VOLUME 35, NUMBER 19 18 PAGES — SECTION I, 10 PAGES THURSDAY, MAY 12, 1955

## Sam McKinstry Funeral Services Held From Methodist Church Tuesday

Funeral services for Sam McKinstry were conducted from the First Methodist Church in Muleshoe at 3 p. m., Tuesday, May 10. Mr. McKinstry, who was 76, passed away at 4 a. m., Saturday, May 7.

Officiating clergymen were Rev. Harry Cox, Lubbock; Rev. Mebane Ramsey, Hagerman, N. M.; and Rev. C. A. Stephens, Methodist pastor here. Interment

## Senior Week And Arkansas Trip Climax For Grads

This week has been filled with many never to be forgotten activities for the graduating class of 1955 at Muleshoe High School. School was out for the seniors last Friday and since that time things have really been happening.

A big party in the high school gym Monday night celebrating the arrival of the '55 issue of the school yearbook, "The Muletrain" started the festivities.

Tuesday night Howard and Jean Cox gave their graduation presents out in the form of a free show at the local drive-in, the whole class invited.

Tonight Mrs. Cecil Tate, Morris Douglass, Paul Craig, and Troy Wilkerson will honor the seniors with a "blue jean" party at the home of Morris Douglass here.

There will be a breakfast Saturday morning at the home of Dr. B. Z. Beatty with Mrs. Clifton Bristow and Raymond Gaede serving as hostesses.

Sunday things will begin to reach the climax. On Sunday morning the class will go together to the First Baptist Church here for services. That afternoon there will be a Baccalaureate supper at the home of Vernie Towns, west of Muleshoe. Several class mothers will be hostesses.

Baccalaureate services will be in the high school auditorium at 8 p. m.

Following the commencement program next Tuesday evening, 41 members of the class will leave to spend five days at Eureka Springs, Ark. While in Eureka Springs the group will stay at the Bason Park Hotel.

Two MHS school buses will be used to make the trip with Mr. and Mrs. Oran Sims and J. W. Johnson doing the driving.

Parents in the group will be Mr. and Mrs. Morris Douglass, Mrs. Dee Clements, Mrs. Bill Collins, Mrs. Clinton Bristow, and Mr. and Mrs. Murrell Brown will serve as sponsors.

Memories of these days will live forever with this class and citizens of Muleshoe have done a fine job of providing the perfect climax for their school days here.

## Neighbors Help Friend Build Home On New Farm Land Here

(Journal Photo) Home Sweet Home . . . C. C. Faulkner will soon be able to hang that sign in his new farm home eight miles east of Muleshoe. Faulkner is shown above in front of the four room house he and neighbors finished last week.

dependence and enthusiasm in developing his new home. Last Monday he arrived here with six neighboring families from Mountainview. The men, who were all farmers and not carpenters, began to work building a house while the women handled the job of feeding.

Each day last week the work began just after sunup and until dark the only time taken off the job was for meals. Saturday the neighbors loaded their tools back into a school bus and headed home, leaving Faulkner and his brother Lewis of Gotebo, Okla., to finish the work on the inside of a four room house complete with bath.

Meals was the only pay asked by the neighbors for a job that would ordinarily take three weeks for a group of professional carpenters to complete.

Like many other people moving into this area, Faulkner has plans to stay and grow with the opportunity flooded West Plains. His farm has one irrigation well which will provide the previous moisture for the cotton, alfalfa, and grain sorghums to be planted in the future.

Coming here with their father and his wife, Dorothy to grow with their future home, are two boys, Bob who is going on five, and Art, age two.

Looking at projects like this the people of America can never say that the spirit which built our country is dead or that there are no longer opportunities for the man who wants to have a part in developing new frontiers.

Mr. and Mrs. Ed White of Sundown, were in Muleshoe Sunday to attend the dedication of the First Baptist Church. Following the dedication, they spent the day with Mr. and Mrs. L. S. Barton.

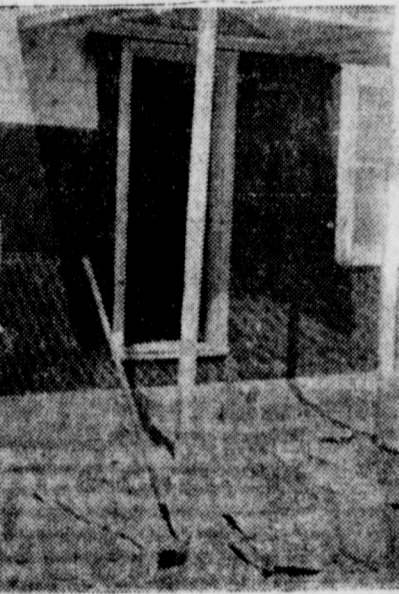

Mr. White, a former teacher of agriculture in Muleshoe high school, now teaches at Sundown high school.

Tip A. Horsley and son, Pat, have been visiting Tip's brothers, R. G. and J. S. Horsley and other relatives and friends in Muleshoe.

Mr. White, a former teacher of agriculture in Muleshoe high school, now teaches at Sundown high school.

Tip A. Horsley and son, Pat, have been visiting Tip's brothers, R. G. and J. S. Horsley and other relatives and friends in Muleshoe.

# Greater Muleshoe Journal Coming Soon

Enlargement and further development of The Muleshoe Journal will be effected with the installation in June of a newspaper press, bought Saturday.

This move has been made possible and even made necessary by the continued growth of Bailey County, Muleshoe and surrounding territory.

When this press is installed The Journal will be enlarged to an 8 column page instead of seven, and the page length will be 21 instead of 20.

When this press is installed The Journal will go to an 8-column, 21 inch page, a size that has long been recognized as standard. Presently The Journal page has 7 columns and is 20 inches in depth.

The new press feeds from a roll of paper. It will print and fold an 8 page paper, delivering as many as 5,700 an hour, ready to mail. The old press now in use in The Journal plant prints four pages at the time and is hand fed by a pressman; after both sides of the paper are printed, making 8 pages, the sheet has to be hand fed through a folding machine,

whereas the new press is automatically operated and the paper comes out folded either half or quarter size.

The Journal has for some time had the difficulty of having to omit some advertising or news, because it was tendered late enough that the facilities wouldn't allow for the inclusion of additional pages. That situation ought to be pretty well remedied with these larger pages, larger and faster printing capacity.

The Journal bought a practically new press. It's only 8 years old and hasn't a blemish on it; it's really just broken in good. The Journal is getting the press with which The Altus (Okla.) Times-Democrat has been printed.

A rather quick growth in Altus has caused the paper there to have to increase their capacity; they are installing a larger type press. The press bought by The Journal is known as a web perfecting Duplex, Model E. It will print faster and carry a longer page than any press probably in the Panhandle with the excep-

tion of towns the size of Plainview or larger.

Should Muleshoe become a twice a week town, The Journal will be ready to go along. And when the town requires a daily, which is not considered an idle dream, the new press would be adequate to take care of that. The Times-Democrat prints about 6,500 papers six days a week and had 16 Pages Sunday.

A comparison might not be uninteresting to the reader. With our present press a boy has to stand on the press more than two hours to complete a "run" of four pages. We print 2250 papers. Last week we had 18 pages, meaning 4 four-page runs and one 2-page run, the latter requiring as much press work as a four page-run. That means 11 to 12 hours of press work. Folding means about four hours more for two boys, or some 20 hours of press work a week.

Theoretically, The Journal's press work could be completed in an hour after the forms are on. However, it won't be run at top speed, since the run is short. The press will be dismantled

in its present location, packed onto a van to be brought here. There will be more than 40,000 pounds of freight. A pit will be dug in the floor here, proper wiring will be installed, and the machine will be reassembled here. Dismantling will be done by the same man who will erect the new Altus press; erection here will be done by a Kansas City man who will make the trip here for the purpose.

Actual delivery date depends upon the date when the new press at Altus is pronounced ready to roll. They expect to roll it for the first time June 1.

It will be announced in a later issue of the paper just when the changeover here will be made.

The entire mechanical crew of The Journal made the trip to Altus Saturday to make final arrangements: J. M. Forbes, publisher; Marion Waggoner, floorman; H. E. Flanagan, linotype operator; Ingle Gatewood, J. C. Gatewood, and Gene McKnight, schoolboy printers. They all learned a lot about an operation that is much larger than theirs, spent the night in a motel and

returned Sunday after a pleasant trip. The shop boys are enchanted because their jobs will be much less a drudgery in the future.

The Journal is laying on the line, or will promise to do so, about \$20,000 for this one piece of equipment; but everybody here at the paper feel we are making a long step to prepare for the future of Muleshoe and this territory. Muleshoe is full of business men who have "laid it on the line" for that matter and are still at it; they are confident their field will justify their doing so.

There is no boom in Muleshoe, but it is growing steadily, just as it always has, a well founded growth that is based on facts, not fancies. There seems every reason to believe that the firm which prepares itself for service to a growing population will benefit thereby. The Journal management is doing its best to prepare for a greater service to the people in the paper's field.

We'll show you a picture of the press in a week or so.

Rains, leaving ample moisture for planting on non-irrigated farms of this area, in the last few days have put a "new face" on the look of things. The best supply of moisture since 1951 is reported from all parts of Bailey County and the Muleshoe country.

Greatest cause for rejoicing is the fact that the rains have been heaviest on "dry land" farms, some of which have gone through four years of drouth, with no or little crop production.

The south part of the county, which is only partially irrigated, has been thoroughly covered by the showers, according to reports reaching The Journal from farmers, and from Muleshoe men who have been out to investigate.

## Bailey 4-H Girls To Meet During Summer Months

The girls 4-H clubs in Bailey county have been divided into small clubs to meet during the summer. The first activity will be a clothing workshop. Girls who have sewn very little will make a gathered skirt, and later a blouse to wear with it.

Members who have had some experience sewing will make simple dresses. All these garments will be modeled in the county dress review to be held July 16.

All the 4-H clubs, with the exception of the Muleshoe High School group, will meet once each week until the clothing workshop is completed. The schedule for the first week of meetings is as follows: Muleshoe 6th (these are girls who are in the 6th this year) Friday, May 20, at 2:00 p. m., at Jane Sander's home.

Muleshoe 7th and 8th, May 23, at 4:00 p. m., in Melba Johnson's home.

Muleshoe 5th, Tuesday, May 24, at 2:00 p. m., at Louise Stinson's home.

Progress, Wednesday, May 25, at 2:00 p. m., at Trudy Davis' home.

Needmore, Thursday, May 26, at 2:00 p. m., at Morra Shafer's home.

Y. L. and Pleasant Valley, Friday, May 27, at 2:00 p. m., at Ira Lea Inman's home.

Enochs, Tuesday, May 17, at 9:30 a. m., in the school cafeteria.

Bula, Wednesday, May 18, at 9:30 a. m., in the school cafeteria.

The schedule for Three Way meetings has not yet been set.

The Muleshoe High school club will meet once or twice each month in the evenings. The schedule will be announced at a later date.

## VISITED FRIENDS

Mr. and Mrs. J. H. Ingram visited old friends and attended church in Texaco, N. M., Sunday.

## Class 101 Strong Will Be Graduated From The Eighth Grade Monday Nite

One hundred and one students will be graduated from the eighth grade this coming Monday evening, May 16, at eight p. m.

Topping the list of honor students in this year's class are Valdeatorian Joe Robert King and Salutatorian Kay Lenderson. Joe Robert is the son of Mr. and Mrs. Robert King. Kay is the daughter of Mr. and Mrs. Jack Lenderson.

Other students ranking exceptionally high in their classes were: Nancy Donaldson, Janet Scarbrough, Linda Jones, Polly Briscoe, Bonnie Wood Alice Brogdon, Judy Murrah, Charles White, Jimmie Kemp, Linda Cooper, Clinton Murrah, Alva Lee Shofner and Shirley Cherry.

Sponsoring this year's eighth grade class was: Mrs. Eldon Page, Mrs. John Watson, Mr. Denver Daly and Mrs. Ed Johnson.

Troy Perkins, Junior High school principal, announced the following for the graduation exercises: Processional, Mrs. Joe Walker; Invocation, Rev. Carroll Jones; Salutatory, Kay Lenderson; "A Perfect Day", by Carrie Valdes Bond (the class song); Valectory, Joe Robert King; Presentation of Diplomas, Troy Perkins, principal; Song — "The Lord's Prayer", Alva Lee Shofner. The benediction will be given by Rev. Clarence Stephens and Mrs. Joe Walker will play the Recessional.

## CLASS ROLL

Sandra Allison, Sherry Allison, Marquetta Blalack, Polly Briscoe, Alice Brogdon, Patricia Braune, Donna Kay Bruns, Carla Ann Carrrell, Shirley Cherry, Wanda Chitwood, Linda Cooper, Sandra

Cotton planting in the county will be on in earnest as soon as tractors can get into the fields. Some land was not even seeded last year because of the derth of moisture.

There was some underground season in most places, and the rains of the last few days, falling mostly in a slow and easy manner, has caused the moisture to meet Lister beds are soaked.

## Hail At Three Way

Three Way community was visited Tuesday by a heavy hail. Stones as big as hen eggs pelted what cotton was peering through the ground, broke windows in the Three Way school house and in automobiles and probably damaged roofs. J. G. Arnn said he had heard reports a small twister was sighted south of Maple, but that it didn't hit the ground and caused no property damage. Mr. Arnn said rainfall totals to Wednesday afternoon ranged "from 2 to 5 inches", all over the south half of the county, with perhaps the heaviest fall around Goodland.

However, reports of heavy rains have been received from Circleback, Enochs, and Stegall. G. J. Garth, 1 mile south and 1/2 west, had received 1.2 inches to Tuesday morning. Mr. Garth doesn't believe in early cotton planting, but said he will have plenty of planting moisture when he gets ready, sometime after May 25.

It was said Wednesday afternoon that despite the fact lots of rain had fallen in spots, there was a V-shaped area in the West Camp and Progress communities which ad received less than an inch. Muleshoe itself has had less rainfall than most other communities in the area.

## Rain Was General

Observers noted that the rainfall has been general over a huge part of the southwest, parts of Oklahoma, New Mexico, and Texas benefiting.

Rainfall in the last few days at Muleshoe totals 1.85 inches. R. J. Klump, weather recorder said this morning. It fell by days like this: Friday, .12; Sunday, .07; Monday, .48; Tuesday, .21; Wednesday, .97. Today the sky is clear and no rain is expected in the next few days.

Cooper, Isabel Cortez, Martha Crawford, Betty Sue Culbert, Nancy Donaldson, Roberta Elliott, Mickey Foster, Jo Anne Glott, Alene Goss, Judy Hanks, Mary Ingle, Emilie Jacobs, Jo Dean Jarman, Melba Johnson, Linda Jones, Jerre Kemp, Billie Jean King, Linda Landers, Shirley Lane, Kay Lenderson.

**TOMATO ROSE SALAD**  
 Firm Tomatoes Philadelphia Brand Cream Cheese Milk  
 Hard-cooked egg yolk Watercress Miracle French Dressing

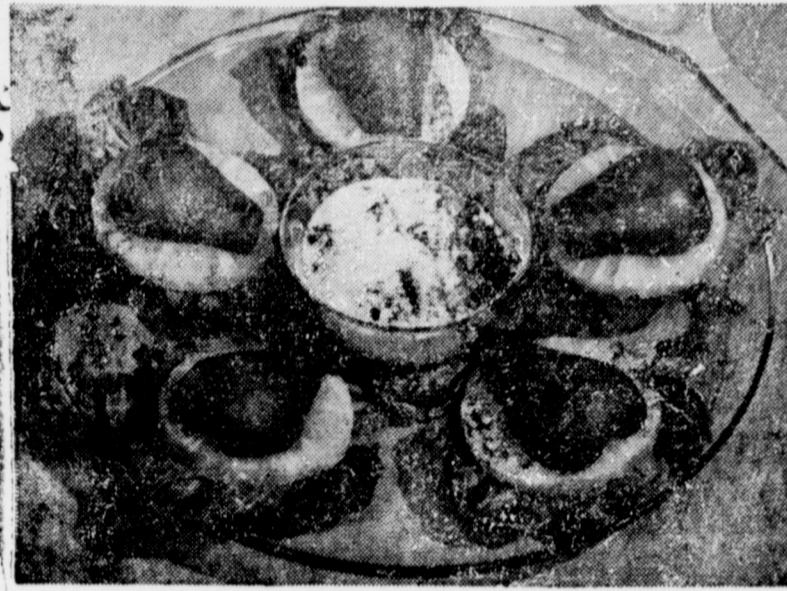

Peel tomatoes and chill them. Slightly soften cream cheese with milk. Form two rows of petals on each tomato by pressing level teaspoons of the softened cheese against the side of the tomato, then drawing the teaspoon down with a curving motion. Sprinkle the center of each tomato with hard cooked egg yolk pressed through a strainer. Serve on water cress with French dressing.

**BLUSHING PEAR AND PINEAPPLE SALAD**  
 5 pineapple slices Lettuce  
 5 cinnamon pear halves, drained Kraft Mayonnaise

Place a slice of pineapple in each of five nests of lettuce arranged around the edge of a chop plate. Place a cinnamon pear half, flat side down, on each pineapple slice, radiating the pears from the center of the plate. Serve with mayonnaise in a small bowl placed in the center of the chop plate.

Cinnamon pear halves are made by letting them stand for an hour in a syrup made by heating the juice from a can of pears and dissolving one-fourth pound of cinnamon candies in it.

## Muleshoe Girls Placed Third In District Contest

Mary and Joy Carney of Muleshoe, placed third in the senior team District Dairy Foods Demonstration Contest held at Lubbock the past Saturday.

They represented the Bailey County 4-H Clubs. Other 4-H members from the county participating in the district contests were: Gracie Lou Altman, Bula High, Senior Individual Dairy Foods Demonstration; Janet Franz, Peggy Howell, Muleshoe 5 and 6, Junior Team; and DeLoro Braune, Muleshoe 5 and 6, Junior Individual.

Much interest was shown in the contest, especially in the junior division. Bailey County 4-H members should be proud of the demonstration given by girls representing the county. This is the first year Bailey County has entered the district contest.

Others attending from the county were: Mmes. Roy Carney, Ruby Jane Batchelor, Ray Franz, Dailey Howell, Muleshoe; Mr. and Mrs. P. T. Altman, Enochs; and the agent, Mrs. Stinson.

day afternoon for points of interest in Colorado and Wyoming. They plan to be gone all of this week.

## YOUNG PEOPLE ENJOYED OUTING

The young people and intermediate Sunday School classes of the Three Way Baptist Church enjoyed a social Thursday evening at the Bateas home. Attending were: Mr. and Mrs. Ted Ferguson, Mr. and Mrs. Adolph Wittner, Paula, Brenda and Bailey Griffiths, Curtis Smith, Donald Wayne Davis, A. J. Ellis, Bonnie and Jimmy Bateas, Velta Warren, and Louise Brady.

## VISITED IN ANTON

Mr. and Mrs. Frank Griffith and children, Mrs. Florence Bailey and Drilma, and Jaquetta Boozler visited in Anton Sunday afternoon.

## VISITED SONS

Mrs. Rosa Wittner of Morton, visited her sons, Adolph and Andrew the past week.

## NEW IN COMMUNITY

Rev. and Mrs. Bobby Rowe and daughter have moved to the community from Albany, Okla. Rev. Rowe is the pastor of the Baptist Church.

## PUPILS RECITE

Mrs. John Gunter presented twenty-four pupils in a piano recital recently at the Three Way school auditorium.

## BIBLE STUDY CLUB MET WITH MRS. JORDAN

The Goodland Bible Study Club met recently with Mrs. Louie Jordan to study the 7th and 8th chapters of I Corinthians.

## SCATTERED SHOWERS FELL

More scattered showers fell over the community. Leon Reeves reports two inches on his farm seven miles north of Maple, Thursday afternoon.

## WMU MET MONDAY

WMU of Three Way Baptist Church met Monday afternoon for the Royal Service Program, "Up and Down City Streets". Mrs. D. P. Brinker led the opening prayer, Mrs. Winnie Rush led the group in singing, "Rescue The Perishing".

On the program were Mmes. Frank Knox, Adolph Wittner, Gene Kinley, Trufit Smith, Elmer Bateas, D. P. Brinker, and Frank Griffith. Other members present

were Mmes. James Kizer and Andrew Wittner. Mrs. Bateas dismissed with a prayer.

## "Strange Lady In Town" Comes To Valley Sunday

Greer Garson wanted a gun in her hand during the unfolding of "Strange Lady in Town", but it wasn't in the script.

"Strange Lady in Town", which opens Sunday at the Valley Theatre, is the outdoor story which shows Miss Garson in an old West setting. The picture is from Warner Bros., produced and directed by Mervyn LeRoy and photographed in Cinemascope and WarnerColor in the wide open spaces of Arizona.

The star enjoyed the experience of being an outdoor heroine for a change after having spent her entire screen career as, in her words, "a carpet actress".

Actually, she was exaggerating somewhat the western phase of her role. While "Strange Lady in Town" is laid in Santa Fe, N.

M. in pre-railroad days of 1879. Greer's part had many elements like those marking her past successful portrayals. The red-haired star plays a woman who has come to the frontier town from Boston to find

a new life for herself. Between Dana Andrews, who is attracted by red heads, and Cameron Mitchell, her brother and a renegade cavalry officer, Greer is forced to get pretty close to the western soil.

Miss Joy Graham and Archie Scarbrough  
Married In Candlelight Ceremony April 30

MR. AND MRS. ARCHIE SCARBROUGH

Miss Margaret Joy Graham, daughter of Mr. and Mrs. Lewis Graham of Roscoe, became the bride of Archie Dale Scarbrough of Muleshoe, in a candlelight ceremony Saturday, April 30, at 8:00 o'clock in the evening at the Champion Church of Christ.

Mr. Scarbrough is the son of Mr. and Mrs. A. E. Scarbrough of Muleshoe.

Rev. H. L. Gibson of Amarillo, performed the double-ring ceremony before an archway of greenery centered with double wedding rings tied with satin streamers. Flanking the archway were baskets of white stock and shasta daisies, and candelabra.

David McCormick, of Amarillo, sang, "O Promise Me," "I'll Walk Beside You," and "The Lord's Prayer."

Ronnie Graham, nephew of the bride lighted the candles, and Helen McCormick, of Amarillo, registered guests.

The bride, given in marriage by her father, was lovely in a

ballerina length gown of lace and crystalline. The tight-fitting bodice of lace featured a high neckline, covered buttons and long sleeves, which came to points over her hands. The bouffant skirt was of crystalline. Her veil of illusion fell from a tiara of seed pearls, and she carried a white Bible belonging to Mrs. W.V.B. Slater. It was nestled with a glabella with white streamers. She was the fiftieth bride to carry Mrs. Slater's Bible.

Carrying out the tradition she carried for something old, a handmade handkerchief belonging to her grandmother. Something blue was garters, and she had a penny in her shoe for luck.

Miss Helen Richards, of Lorraine, was maid of honor. Bridesmaid was Miss Beth Stevens of Amarillo, and junior bridesmaid was Bonnie LeMeleur, of Kerrville, niece of the bride. The attendants wore identical dresses of pastel pink, yellow, and blue. They carried nosegays of yellow

and blue iris, and pink roses, with variegated pastel satin streamers.

Sherry Julin, niece of the groom, of Ft. Worth, was flower girl. She wore a dress of white eyelet embroidery.

Raymond Stoddard, of Amarillo was best man and groomsman was Arnold Woody, also of Amarillo. Junior groomsman was Bobby Gibson.

Mrs. Graham, mother of the bride, wore navy with pink accessories, and Mrs. Scarbrough, mother of the groom, also wore navy. Her corsage was of white carnations.

A wedding reception was held following the ceremony in the home of Mr. and Mrs. Jess L. Smith. Mrs. A. C. Polk served cake and Mrs. Roy Richards laddled punch, from a table covered with a lovely lace cloth, centered with pink roses.

For traveling the bride wore a navy suit trimmed in white, with white accessories. Her corsage was the gamelia.

The couple plan to make their home in Amarillo, where they attend the Bible Training School, and she attends Draughon's Business College.

Mrs. Scarbrough finished High School in 1954. She was manager of the basketball team and editor of the school paper during her senior year.

Mr. Scarbrough graduated from Muleshoe High School in 1953.

Out-of-town guests attended from Abilene, Ft. Worth, Sweetwater, Amarillo, Littlefield, Muleshoe, Colorado City, and Lorraine.

THE MULESHOE JOURNAL, Thursday, May 12, 1955

Fidelis Members  
Met Tuesday Nite

Mrs. Eddie Lane was hostess for the regular monthly meeting of the Fidelis Class of the First Baptist Church, when they met Tuesday evening.

Mrs. J. E. Hicks brought the inspiring devotional, which was followed by a business session.

The hostess served delicious refreshments of strawberry shortcake and lemonade. Mrs. Sherman Sweatmon was in charge of games during the social hour.

Attending were Mmes. Jewel McNabb, Jewel Pool, Martha Hicks, J. E. Hicks, and Sherman Sweatmon.

## Improve a Home's Looks With Front-Yard Patio

from SMALL HOMES GUIDE

The patio pictured below, from Small Homes Guide, is a charming extra that will add immeasurably to the appearance of any home. The drawing at right gives adequate directions for the home craftsman. The lamp post should be about seven feet high.

Fence posts should be creosoted below grade as a protection against moisture and should be set about 18 inches deep. A pavement of used bricks, laid in a basket-weave pattern on tamped sand or cinders, is ideal for this front-of-the-house patio area.

## City League Box Supper To Be Held At Morton

Representatives of the nine teams in the Morton City Softball League will meet at seven p. m. tonight (Thursday) in the Coun-

ty Activities building at Morton, Texas, for a business session and at eight a "box supper" will begin with all proceeds going to the softball association. Everyone is invited to come out and enjoy themselves.

Now in its eighth year of activity, the league will decide tonight on the schedule for the season just ahead. Each team will have at least one representative at tonight's meeting and those teams are: Muleshoe Printers;

## CC Purchases Team And Wagon For Korea Gift

By SENN SLEMMONS

The Chamber of Commerce agreement to send a team of Mules, harnesses and wagon on the "Korean Friend Ship" promises near fulfillment as far as the actual securing of the mules, harness and wagon are concerned. George Hicks made the selection of the animals and harness.

Secretly, George is satisfied with the mules. But those mules need polished brasswork on their harness; like the lady who felt somewhat undressed if she wasn't wearing her rings and pearls. George was heard to declare that he had a lot of the brass work which he thought was at home in a trunk. He would like to look in the trunk for it when his wife didn't know about it. But he is afraid that he will not be able to get everything back in the trunk again. Anybody got the brass to help George out?

Ralph Mardis, president of the CofC, with two advisors made the trip out to Mr. Ralph Cox's ranch some twenty miles northeast of Muleshoe. That horse mule, Vishinsky, delayed loading operations so long that Ralph got an abbreviated weekend. But then Vishinsky never wanted to understand us people.

Should one of the Chamber board members be seen lurking around the Roping Club yards, check it off as merely the young lad who loves to see pets fed. As soon as the wagon is properly painted, and George gets his brass or gets his brass properly polished you may expect to see some of the Gav Blades driving resplendently in the summer sunshine along Main Street in Muleshoe.

Then that trek to Plainview, boys by the name of Inman, Kirk, Mardis, Wilson, and others plan an outing in the bar-bits. But that is the American side of FRIEND SHIP FOR KOREA. FUN IS WHERE YOU FIND IT.

Bailey County REA, Muleshoe; Bulia, Enochs, Three Way, Morton Merchants, Morton; Howard-Shaw Construction, Sundown; Llano-Grande Refinery, Morton, and the Texas Company, Sundown.

This season will be the fourth start for the two local clubs, which always provide plenty of league competition for the other amateur teams they face.

Three commissioners have been elected to direct the City League activities this season. They are: J. M. Walker, Maurice Levallan and J. O. Hill.

Softball at its very best is the primary aim of the league of course but steps are taken each year to make sure the players are only boys who play the game on an amateur basis. Players are not hired by any team and no pitcher who has ever pitched for a state championship game can pitch for any team in the City League.

During the '55 season fans will be able to see the teams play four nights a week (Monday, Tuesday, Thursday and Friday), and there will be two games each night. There is a time limit of one hour and 15 minutes on each game.

All persons interested in the league should be present at tonight's festivities.

### Fifteen Attended PVS Club Meeting

Mrs. Jim Grizzle was hostess when the Pleasant Valley Social Club met in her home Thursday evening, May 5, at 8:00 o'clock, with fifteen members and one visitor present. Mrs. Venita Blair was co-hostess.

Presiding over the business meeting was Mrs. June Free. Roll Call was read by Mrs. Jim Grizzle.

Delicious refreshments were served to the following members: Mmes. George Wuerflein, Gerald Allison, Kirk Pitts, E. K. Angeley, Billy Free, Paul Hammett, Max Ragsdale, Raymond Roubinek, LeRoy Hicks, C. B. Landers, Doyle Turner, V. Blair, V. Inman, and Bobby Broyles.

The next meeting will be May 19, at 8:00 in the evening in the home of Mrs. LeRoy Hicks, with Mrs. C. B. Landers as co-hostess.

Read the Journal want ad's.

### Nine Present For Meeting of The Friendship Class

The Friendship Class of the First Baptist Church held their regular monthly meeting May 5, at the home of Mrs. Martin Oliver, with Mrs. W. B. McAdams as hostess.

Roll Call was answered with a poem or a verse of Scripture. Mrs. Joe Damron, president of the class, opened the meeting, and prayer was led by Mrs. R. D. Precure. Mrs. C. M. King brought the devotional.

The business meeting was followed by a social hour, during which gifts were exchanged and refreshments served.

Ladies attending were: Mmes. R. D. Precure, Landrum Jones, Martin Oliver, Lila Dutton, C. M. King, Ray Griffiths, W. B. McAdams, Joe Damron, and R. L. Jones.

### One Hundred Twenty Attended Mother-Daughter Banquet At Fellowship Hall

In keeping with the spirit of Mother's Day, some 120 mothers and daughters gathered in Fellowship Hall last Friday evening, May 6, for the annual Mother-Daughter Banquet.

The Philathea Circle of the Methodist Church, sponsors of the event, are reportedly well pleased with the fine attendance and complimentary remarks made regarding the food served and the program rendered.

Decorations were in pink and white.

Gifts were awarded by Pat Nickles, mistress of ceremonies, to the oldest lady present, per-

son coming the greatest distance, mother and daughter who looked most alike, and gold star mothers.

Mrs. N. T. Burton was the oldest and came the greatest distance; Mrs. F. W. Watts and Mrs. Roy Whitt was the mother and daughter looking the most alike; and Mrs. C. M. Black was gold star mother.

Soft music was presented by Doris Childers and Alva Lee Shofner. Others taking leading roles on the program were: Mrs. H. C. Holt, LaVon Copley, Jean Moore, Tommie Welch, Betty Murray, and Mrs. A. C. Gaede.

### Muleshoe HD Club Will Donate To The Cancer Drive

Mollie Stinson, Bailey County HD Agent, gave a lecture on "How Do We Spend Our Time As A Family Unit", when the Muleshoe Club met at the home of Mrs. C. E. Briscoe on May 10.

Mrs. W. R. Bowers reported on her trip as a delegate from this club, to the District 2 meeting at Morton recently. Hostess gift, a planter, was won by Mrs. Fred Bruns.

Mrs. M. R. Oden led the club in a game, "dumb, dumb", and

Mrs. C. H. Gillis led the opening game, "odd and even". Mmes. M. R. Oden and Ruby Batchelor gave a charade.

Mmes. Ruby Batchelor and Pat Arnold were visitors. Members present were Mmes. C. E. Briscoe, F. A. Allison, J. E. Dav, Roy Carney, W. R. Bowers, Fred Bruns, S. C. Caldwell, C. H. Gillis, T. F. Maddox, R. F. Wright, M. L. Oswald, S. L. Robinson, Alvin Kriegl, and M. R. Oden.

The club will have a bake sale at Piggly Wiggly in Muleshoe Saturday, May 14. Proceeds will go to the Cancer Drive. Every club member is asked to donate either cakes or pies and bring to the store sometime after 10:00 o'clock Saturday morning.

The next meeting will be May 20, at the home of Mrs. J. E. Day.

### Bradley-Crawford Marriage Is Told

Mrs. Beulah Carles is announcing the marriage of her granddaughter, Jerana Sue Bradley, to R. M. Crawford.

Vows were exchanged in Amarillo, May 10, at the home of the bridegroom's aunt, Mrs. Gene West. Rev. J. W. Sizemore, pastor of the Line Avenue Baptist Church in Amarillo, and an old friend of the groom, performed the ceremony.

Following a trip to points of interest in Texas, Mr. and Mrs. Crawford will be at home in Muleshoe.

The bride is a senior in Muleshoe High School, and for a time has been employed by Grace Benton. She will continue working, following graduation from high school.

The bridegroom is employed at the VVN Ranch, west of Muleshoe.

### Barbara Jones Wins Scholarship Grant

Abilene, Texas—Two Danforth Foundation scholarship grants for summer study have been awarded to a McMurry College faculty member and a student, Dr. Harold G. Cooke, McMurry president, announced Wednesday.

Recipients of the grants are Barbara Jones, Muleshoe freshman, and Carolyn Crider of Roswell, N. M., women's physical education instructor.

Dr. Lloyd D. Huff, head of McMurry's English Department, was chairman of the selection committees which recommended Misses Crider and Jones for the scholarships, Dr. Cooke said.

Miss Jones was awarded a Danforth grant for two weeks of study and recreation, with all expenses paid, at the annual American Youth Foundation Leadership Training Camp at Camp Stoney Lake, Mich., August 1-15.

She will be one of 60 college students across the nation who will participate in the camp activities. Miss Jones is the daughter of Rev. and Mrs. Carrol M. Jones of Route 2, Muleshoe. She was recommended for the scholarship by a committee composed of Dr. Huff, Dr. S. B. Thompson, and Dr. Roland Schaeffer.

#### HERE FOR WEEK

Guests this week in the Clyde Bray home are her sister and brother-in-law, Mr. and Mrs. Bill Allbright and his cousin, Mr. and Mrs. Bill Parker, of Bokchita, Okla.

Read the Journal want ad's.

### School Yearbook Arrives At MHS

Monday the long awaited issue

of the 1955 Muleshoe High school yearbook, "The Muletrain", arrived.

A party in the high school gym Monday night provided the

perfect setting for passing out the annuals and gave the student body a chance to get their copy signed by many friends.

Clinton Dillard, editor of this

year's annual and Mrs. Horace Blackburn, sponsor, along with all other members of the staff are to be given credit for a job well done.

## Biggest "Rush" since the Klondike!

New Dodge Custom Royal Lancer in dramatic three-tone styling.

So head for your Dodge Dealer . . . and take your pick!

The moment the new Dodge hit dealers' showrooms, the "rush" was on. New car buyers had struck gold . . . and they knew it! Actual sales figures throughout the country show that sales have doubled over last year as America goes for "The Big One!" And why not? In the new Dodge you'll find "solid gold" luxury and value—for only a few dollars a month

more than you'd pay for one of the "low price three." In its class, it actually costs less than cars up to 9 inches shorter. And its *flair-fashioned* styling is stealing the "Oh's" from cars costing a thousand dollars more. The rush is on . . . with 17 magnificent new Dodge models to choose from. So head for your Dodge dealer's . . . and take your pick!

**DR. ROBERTS**  
Dr. J. B. Roberts, head of the education department at West

Texas State College, will deliver the commencement address, May 17 for the graduating senior class of Lazbuddie High School. The exercises will be at 7:30 p.m. in the school's auditorium.

The speaker came to West Texas State in 1948 from Dallas where he was associated with Roher, Hibler, and Repligle Company. He was formerly a teacher and principal at Nocona, Texas.

Dr. Roberts earned his B. A. and M. A. degrees at North Texas State College and his Ph. D. at George Peabody College for Teachers. He is a member of the Texas State Teachers Association, National Education Association, Phi Delta Kappa, national professional education honor fraternity, and the Texas Association of School Administrators.

## COURTHOUSE RECORDS

**Real Estate Transfers**  
D. C. Casey and Ray C. Livey to W. T. Millen; The S/2 of Section 79, Block "Y", W. D. and F. W. Johnson Subdivision 2, containing 197.30 acres of land and all of N/2 of Section 78, Block Y, W. D. and F. W. Johnson Subdivision 2, containing 121.2 acres of land.

H. S. Sanders, Jr., to J. V. Peeler and L. S. Barron; All of Lot 8, in Block 1, Mock addition.

Charles L. Lenau to Western Fertilizer Co., Inc.; All of the Northwesterly 50 ft. of Lot 9, 10, Block 7, Northside Addition.

John DePauw to C. W. Freeman; Tract 7 of Walker County School Land containing 166.53 acres.

H. S. Sanders, Jr., to B. R. Adams; Section 31 in Block C,

Melvin Blum and Blum Survey containing 658.5 acres.

Charles L. Lenau to George Haskins, Jr.; All of Lot 21, Block 10, Lenau Subdivision.

U. D. Gregory to R. O. Gregory; All of the S/2 of NW/4 of the N/2 of NW/4, all in Section 61, Block "Y", W. D. and F. W. Johnson's Subdivision 2.

Bailey County Memorial Park to Eugene Black; Lots 3, 4, 7, 8, Block 85, Garden 1.

Frances F. Vanden to Conrad W. Williams; the NE/4 of Section 34 in Block "B" surveyed in the name of Melvin Blum and Blum; subject to easement of a highway and subject to a right of way.

B. M. Hicks to Doyle Clark; all of Labor 22 of League 193, Foard County School Land in Bailey County, 177.1 acres of land.

W. B. Gage to L. H. Medlin, Jr.; All of Labor 19, League 196, Lubbock County School Land, 177.1 acres.

Charles L. Lenau to Nathaniel H. Green; All of Lot 5, Block 5, Lakeside Addition.

Herbert Brasher to M. T. Hukill; All of the W/2 of the NW/4 of Section 41, Block Y, W. D. and F. W. Johnson Subdivision 2.

Higinbotham-Bartlett Co., to C. F. Jones and wife; All of Lot 3, in Block 3, Hillcrest Addition 2.

Darrell Lee Sanford to Erma Stanford; All of Lot 5, Block 1, Lakeside Addition 3.

M. P. Caldwell to R. C. Martin; W/2 of Tract 5, League 184, Swisher County School Lands, comprising 184 1/2 acres.

**MARRIAGE LICENSES**

**VISITED IN SHALLOWATER**

Mr. and Mrs. Whaley Baker and family were in Shallowater Sunday visiting her brother, W. B. Sooter and family.

## Vetch Pays Off For Troy Atkinson

Outstanding among Bailey County farmers using Vetch for soil improvement is Troy Atkinson, who farms 320 acres of land 8 1/2 miles west of Muleshoe.

This year, Atkinson's second to use Vetch, he planted 36 acres in the nitrogen building plant. He

states that his yield was a ton more on 45 acres last year than in years when he did not rotate his crops with Vetch. (Last year grain sorghums yielded 3800 to a previous 1800).

It is his belief that a man using Vetch can best handle about 40 acres, time is the main factor in deciding this. Atkinson will begin to plow this year's vetch on about the 20th day of May and he plans to begin planting feed on the land by the first day of June.

Atkinson has lived on his present farm since 1925. The land is ideal for irrigation, he can water

seven acres during an 18-hour run. Rotation is outstanding in his farming operation. Vetch is rotated with maize, cotton with feed and he has used some cow-peas with feed. He does not use alfalfa in rotation.

## HERE SUNDAY

Sunday guests in the home of Mrs. I. W. Harden were: Mr. and Mrs. W. H. Bethany, Mrs. W. E. Mason, Jr., and sons, Bill and Jeff, and Mr. and Mrs. B. W. Harden and children of Hobbs, N. M. The group also visited other relatives and friends.

## Texas Bond Week Committees Named

Jesse M. Osborn, chairman of the Bailey County Savings Bonds Committee, today announced the names of local people who will serve as sub-committee chairmen to promote U. S. Defense Savings Bonds Week for Texas, May 22-28.

Local committee members will join with 1300 other volunteer workers throughout Texas in promoting the sale of U. S. Defense Savings Bonds during the week proclaimed by Governor Shivers as Texas' "Full Speed Ahead" Week for bonds.

Last year Texas ranked only 38th among all states in percentage of bond sales quota accomplished. Texas volunteer workers in the bond program intend to put Texas in first place in 1955.

Local sub-committee chairmen named by Mr. Osborn to serve during Texas Week are J. M. Forbes, Publicity; Inez F. Bobo, School Savings; and Lowell I. St. Clair, Community Activities.

Texas' bond sales quota for

## More Fine-Car Features than any other car priced so low!

CAN YOU SEE, STEER, STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS.

**POWER**—Pontiac's husky 200-horsepower Strato-Streak V-8 with four-barrel carburetor, optional at low extra cost, delivers more power than any car within hundreds of dollars of its price. And road records show this power is teamed with the greatest economy in Pontiac history.

**STYLE**—No car at any price is so beautifully distinctive. Pontiac's future-fashioned Twin-Streak styling and Vogue Two-Toning set it apart from all other cars—point the way to tomorrow.

**SIZE**—Pontiac is a big car where it counts—with a long, road-hugging 122" or 124" wheelbase. On any road, at any speed, you enjoy the feeling of genuine fine-car size.

**COMFORT**—Pontiac's extra size means big-car comfort—room to stretch out and relax. Wide-stance rear springs and Shock-Proof chassis float you along in luxury style.

If you were to guess Pontiac's price on the basis of its style, performance and size, you'd surely guess hundreds of dollars higher than its actual cost. Pontiac measures up with the finest on any point of comparison—except price.

It's a simple matter of fact that you can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

After a close inspection of Pontiac's luxury and quality and a few miles commanding its mighty 200-horsepower Strato-Streak V-8, buyers from both ends of the price scale are switching to Pontiac in record-breaking numbers. Come in soon for the clinching facts and figures. You'll make the very pleasant discovery that if you can afford any new car, you can afford a big, powerful Pontiac—and step directly into the fine-car class!

### VA At Lubbock Office Restricts Telephone Calls

The Lubbock Regional Office of the Veterans Administration has been compelled to adopt a policy restricting telephone calls and consultations because of the large volume of business which continues to come into the office. Robert W. Sisson, manager stated. He further stated it is believed that the best interests of veterans, builders, lenders, and other interested parties will best be served if Loan Guaranty personnel can spend more time in case processing. One individual calling in to inquire about the status of his case or the value placed on the house he proposes to buy may not take up over twenty or thirty minutes, but if this is multiplied by ten, twenty, or thirty such calls, one or more examiners' full day can be taken up, thus a backlog is developed on his desk.

It is requested that those who do business with the VA make their visits and calls brief, and when if possible, call only on Friday.

### McKnight Now At Lackland AFB

Clell J. McKnight, 19, son of Mr. and Mrs. C. J. McKnight, Box 861, Muleshoe, is completing his Air Force Basic military training at Lackland Air Force Base, "The Gateway to the Air Force". His Lackland training is pre-

paring him for entrance into Air Force technical training for Air Force duty assignment. The course includes a scientific evaluation of his aptitude and inclination for following a particular career field.

Lackland, situated near San Antonio, is the site of Air Force basic military training for men and women and home of the USAF Officer Military School, of which the USAF Officer Candidate School, the USAF Pre-Flight School and Officers Pre-Flight Group are operating units.

### DROUGHT TOUR

One of the great injustices against Texas farmers is the wide-spread theory that present "dust bowl" conditions on the Plains is the result of poor farming practices.

In a few cases, this is true. But during my recent tour of West Texas, I found that only a small proportion of the land was blowing due to deliberate or unthinking misuse.

Some of the Plains country should never have been touched by the plow. Eventually this land must be put back to pastureland. Even land which has had the best of care is bound to suffer some damage from wind erosion during prolonged dry spells. Yet most of the soil is shifting in West Texas because the farmer doesn't have enough money to

practice those measures which would prevent it.

One of the immediate steps the Federal and State governments should take in the Texas drought disaster area is the setting up of a realistic long-term loan program. It takes money to practice soil conservation. It also takes plenty of money to survive four to five consecutive years of almost complete crop failure. Unintentional neglect of the land is bound to result.

The Federal government does have a loan program in operation under the FHA. But farmers everywhere tell the same story. The requirements are so strict that few can qualify. Those few — about one in a hundred—who do qualify for loans soon find it is not an "emergency loan" program at all. There is little differ-

ence, if any, between what is offered by the government and what can be had at the local bank.

The emergency loan program of the U. S. Department of Agriculture was originally set up to offer money at a low interest rate of 3 percent. Three months ago — without making it a matter of public records — the government increased the interest to 5 percent, completely disqualifying the program as an emergency measure.

Our Texas banks have performed a real service to drought stricken farmers. But banks can carry the load only so far — and many of them have already reached

those limits.

In my discussions with Texas farmers, the feeling is that a government loan is needed to clear up 12-month notes at the bank. It is a matter of record, from 20 years experience in FHA loans, that the government cannot make a better investment than lending to farmers. These loans are paid back with interest.

When the time comes that a government loan means the difference between staying on the land or starving the farmer out, then these loans are in investment in the future security of our farm economy. That time is now!

### FARMER COUNTY Farm Bureau News

By RAYMOND EULER

Rhea Farm Bureau had another good meeting last Friday night. Rhea is among the communities that still has lots of life and spirit in these times when everyone seems to want to go to town for everything. They had as speaker a veterinarian from Clovis who showed a film on rabies and precautions that should be kept in mind. He also spoke on the subject of brucellosis that has been discussed heatedly in the Texas Legislature this term. Raymond Schueler is president, and Mrs. Billy Sifford secretary-treasurer at Rhea.

We want all you members to come in and see the new conference and director's room in our office soon. It was built for the specific purpose of providing a convenient place for committees to meet and plan activities, but it is also open for membership discussions. Farm Bureau literature and information on all subjects are easily accessible from there.

Directors selected Gilbert Kaitwisher to serve the balance of this year's presidential term with Farm Bureau. Gilbert lives out in the Lariat Community. He is a young successful farmer who is interested in giving as much as he can in the interest of American Agriculture. We are sure you will find him to be an understanding young man who wants to serve in this office in a very democratic manner.

Aubrey Ellison, who was serving his second year in this office has given much more than most farmers will ever realize, in their interest. We hope you will appreciate the fact that these men serve without pay, and actually spend a great deal of money in carrying out the wishes of the membership. Mr. Ellison is now employed by Farm Bureau Insurance Companies as a special agent, so you will still be seeing him regularly in this field.

We congratulate those merchants who are observing National Cotton Week this week. Promotion of the sale of cotton products helps the farmer, but it also promotes business for every business concern in the area. We hope to see even more interest in cotton sales promotion in the future.

There will be another annual Farm Bureau Queen Contest this fall. Rules governing entries will be published before long. They will be similar to those last year. Keep the good looking girls with personality in mind for this.

Consider This: Say not thou, I

# Nail Down THE TOP SOIL!

You can do it with the modern soil conservation practices which have been developed to help control the damaging effects of raging waters and destructive winds. Irrigation, too, plays its part in soil conservation. Winter irrigation, for example, lets the ground store up water for summer use without excess loss by evaporation. In addition, more weeds are dormant in winter and so do not have a chance to multiply. Get the facts from your soil conservation office or any Public Service manager. Winter irrigation pays!

### DOES YOUR SOIL STAND THE MOISTURE TEST?

That's the title of a pamphlet recently printed by this company which gives an insight into simple and effective soil moisture testing methods. If you haven't yet seen a copy drop by your Public Service office... your Public Service manager has a copy for you. No obligation, of course!

**BABSON DISCUSSES—**

**Planning For Tomorrow**

Babson Park, Mass., May 12 — If you should lose your job tomorrow, how much of a financial hardship would you and your family suffer? Are you up to your neck in installment payments? Have you borrowed too heavily on your insurance? What if serious illness should strike your family?

**MANY ARE GETTING OVEREXTENDED**

A thirty-year-old worker of a small New England machine-tool producer was laid off the other day. He had been making \$96 a week. That is \$416 a month before taxes. He has fixed monthly installment commitments: \$68.00 (interest and mortgage) on his new house; \$61.25 on a 1953 automobile; \$13.00 on a set of encyclopedias; \$18.75 on a TV; \$32.00 on a trip to Bermuda for his wife; \$19.90 on a food-freezer that I know about. In addition, he has several hundred dollars outstanding with department stores. He owes a winter fuel bill of \$135. He is behind in his telephone and light payments. The local grocer, dry cleaner, milkman, and other merchants whom he owes have put him on a cash basis. He has borrowed \$250 on an insurance policy, and now finds he cannot pay the quarterly premium.

Perhaps this young man is an exception and not typical of most young workers. But I believe he is more typical than many of us want to believe. He could get along, and might even work himself out of his financial difficulties, if he could keep fully employed and not get involved in strikes. But he has seriously overextended himself. What if he could not quickly get back to work?

**WAGEWORKERS' DEBT MAY PREVENT STRIKES**

This man is a product of our postwar wave of prosperity. In a way I cannot blame him. He has been encouraged—yes, even bullied—by radio, magazine, and TV salesmen, to overload. This young man had more money to spend than ever before. What has happened to him might happen to you. Here is why.  
Right after the war, in 1946, people were spending only about 45% of their income for life's necessities, leaving about 55% for whatever took their fancy. Since 1946, fixed charges such as rent, food, and installment com-

mitments have been taking a larger share of the income. Last year, 53% of the average consumer's income was spent for fixed charges, leaving 47% for discretionary buying — 8% less than in 1946. As long as business booms, there is little need to worry. But should strikes this summer, or overproduction or layoffs catch up with us, the heavy load of fixed charges which many consumers are carrying could be serious. When labor leaders realize this situation, they may not call strikes this summer.

**SAVINGS ACCOUNTS GOOD INSURANCE**

I am concerned about this because I know that major cycles of prosperity and depression will always be with us as a result of the unforeseeable and inevitable vagaries of human judgment. I am concerned about the present degree of installment buying. For example, on February 28 total consumer credit outstanding was \$29.5 billion — the highest February on record, and almost \$1.5 billion higher than in February, 1954. Most people are un-

**SAND HILLS PHILOSOPHER TAKES Issue With Expert Who Contends Machines Now Do 99% Of The Work**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is talking about work this week, which apparently is about all he ever does about it.  
Dear editor:  
Just for the novelty of the thing, to keep from getting stale I lit in and worked pretty hard for a while on my farm out here yesterday, and after I'd been going pretty steady for three or four hours I headed for the shade and was sitting there getting my breath back and after a while I pulled a newspaper out of my pocket and glanced over it, just to get my mind off the rest of the work still to be done.  
I was reading along not paying

much attention to what I was looking at when suddenly I caught an article that made me go back and take a second look. According to it, an expert has announced that "today, humans and animals together do perhaps one percent of all the work. The rest is done by machine."  
I thought this over a long time. There was bound to be a catch in it, but I couldn't find it right off.

Maybe, when you add up all the work in the world, counting every time a piston moves, etc., machines actually do 99 percent of it and human beings and horses do the rest, but it only works out that way on paper. From me and the horse's standpoint, those figures sure do leave something out.  
And if you ever find a farmer who does one percent of the work making a crop and the tractor does the other 99, I'd like to study his methods.  
The catch is that while machines may be doing most of the work, there's a blame lot more being done. It used to be that 40 acres and one mule plus a man was a pretty sizeable farming unit, and while nowadays a man with four or six-row equipment can farm three or four hundred acres, let's not confuse 1 percent of the total work with 1 percent of the working time.  
It's not the number of acres a man farms, it's the number of hours, and despite all the technological progress and mechanical marvels, hasn't anybody been able to substitute a sunup to sundown day for a farmer when planting time arrives.  
Machines may do 99 percent of the world's work, but they don't do 99 percent of mine. The way mine's divided, machines do about 30 percent, I do about 25, and the rest never does get done.  
Yours faithfully,  
J. A.

able to spend their money wisely; many undervalue it and spend it carelessly. In times of prosperity, just as a matter of good financial common sense, one ought to take advantage of the times and increase financial reserves. Savings accounts should be built up, careful investments made.  
This period of prosperity is by all means the time to build protection for future unemployment. Certainly in a period of great prosperity one ought not to go into needless debt. I will be the first to admit that money in the bank is not doing much good, except as insurance; but this kind of insurance is as important as any other. Pride of ownership in a house, the satisfaction of a new car, the comfort of air conditioning, the joy of TV — all of these things bring satisfaction and contentment. But what will happen to that contentment if tomorrow the pawnbroker moves in? It takes intelligence, courage, and will power to plan for tomorrow as well as to spend for today; but every reader — whether landlord, employer, or wageworker should now plan for tomorrow.

**Mrs. Kimbrough Shower Honoree**

Mrs. Lee Kimbrough was honored with a pink and blue shower Thursday afternoon of last week, at 2:30 at the home of Mrs. Claude Sanders. Ladies of the W. M. A., of the Main Street Baptist Church were hostesses. Twenty-six guests attended, and many who were unable to attend sent gifts. Refreshments of frosted punch and cake were served, and games were played. Gifts were on display in a bedroom of the home.

**Mr. and Mrs. Archie Scarbrough Feted With A Shower**

Fellowship Hall was the setting for a wedding shower Monday evening at 8:00 o'clock, honoring Mr. and Mrs. Archie Scarbrough. She is the former Miss Joy Graham, of Roscoe. Hostesses were Meses. L. D. Cannon, Leonard McCormick, Winfred Mullins, and Joe Harbin. The refreshment table was laid with an escrow cloth over pink and centered with a lovely arrangement of red roses and greenery. Delicious fruit punch, cake, and mints were served to guests. Gifts were displayed on a table centered with a bouquet of red roses, white carnations, and greenery. Thirty-two guests attended the shower, and many who were unable to attend sent gifts.

**Muleshoe Ladies Attended Golf Association Meet**

Muleshoe was well represented at the South Plains Golf Association meeting, which was held May 4, in Littlefield. More ladies from Muleshoe attended than

**Wesleyan Guild Pledge Service Held Monday**

The Wesleyan Service Guild of the First Methodist Church of Muleshoe, met Monday evening of this week at the home of Mrs. Fred Johnson, for a pledge service. Mable Dowell gave the inspiring devotional on "We Give Thee of Thine Own". The group sang, "This Is My Father's World", and Mrs. Dowell closed the devotional with a prayer. Pledge cards were passed out by the treasurer. Before the cards were signed and placed on the table between two candles, members held silent prayer. During the prayer, Mrs. Lois Schoenberg softly played, "Sweet Hour of Prayer". The impressive pledge service was given by Meses. Fred Johnson, Buford Butts, and Ray Edwards. Requirements of the Guild were given by Mrs. Johnson and

from any other town in the vicinity. Ruby Hart won the Low Gross, 1st flight; Melzine Elliott won the low gross, third flight; low gross fourth flight was won by Rita Johnson; Edith Evans won the low net, and low net of the field for the day was won by Melzine Elliott. Those attending from Muleshoe were: Ruby Hart, Tiny Forbes, Jo Wood, Melzine Elliott, Ruth Malone, Eunice Evans, Mildred Lambert, Edith Evans, Maxiene Ragsdale, Rita Johnson, Lois Leanu, Nona Blake Douglass, Mary Frances Holt, Janett Wagon, and Elizabeth Thomson.

the service closed with a prayer. Elizabeth Harden was presented with a gift for getting the most new members for the Guild during the past year. Promotion secretary, Mrs. Jim Burkhead gave the annual report of the years work, and final plans were made for the Family Night, Wednesday evening. At the next meeting, May 23, Fred Johnson will give a book report. Delicious refreshments were served to Fred Johnson, who was a guest, Elizabeth Harden and Meses. A. C. Leveridge, Clarence Stephens, Mable Dowell, Jim Burkhead, Ray Edwards, Francis Gilbreath, Buford Butts, T. M. Slemmons, and Homer Sanders, Jr.

**BUNNY BREAD**

*Get the "Rabbit Habit" Reach for Bunny Bread*

## Bunny Wrapper Nicest Yet Launched By Mead's Bakery In This Area

Bunny is all over town — on Television, Radio, Newspapers, Outdoor signs and in the store advertising! This little Bunny is certainly creating a lot of excitement and talk. The folks at Mead's Fine Bread Company have spent several years of work and research to produce a loaf with the best consumer acceptance. Their search just recently ended.

During a trip to the mid-west, Mark Anderson, manager, was attracted to a loaf of bread which in his mind had no equal in his experience. In fact, it was found that this new loaf was preferred by 7 out of 10 bread buyers!

Together with the Production and Merchandising Department of the American Bakers Copera-

tive, Teaneck, N. J., many production tests were made. It was found that Bunny Bread was outstanding in every way.

From the standpoint of freshness, flavor, texture, and eye-appeal Mrs. Housewife will welcome Bunny Bread to her dinner table, because Bunny is "Bread at its freshest Best"! The new loaf tastes better, it's good to the last slice and it's so nourishing for young and old alike.

Mr. Anderson announced that he is happy to bring his customers a loaf of bread that is preferred by 7 out of 10 bread buyers. The wrapper is eye-appealing. Bunny appears in blue and yellow against a beautiful yellow background. Mr. Anderson stated that "our introductory

campaign is aimed at getting everyone to try Bunny Bread once — after that we just know that they will have "the Rabbit Habit"!

### TO BUFFALO LAKE

Keith Gaede, Doris Ann Fields, Tommy Hicks, Jerry Hicks, and Ginger Gaede spent Sunday at Buffalo Lake near Umbarger. Keith was home for the weekend from W. T. S. C.

### ATTENDED TOURNAMENT

Mr. and Mrs. Sam Fox and Stanley, Noel Woodley, and Mr. and Mrs. Pat Bobo, were in Ft. Worth over the weekend attending the Colonial Golf Tournament.

## Billy Wood In "Hall of Fame" For Panama Canal Zone

Fort Kobbe, Canal Zone—Army Pfc. Billy E. Wood, whose wife, Kathlene, lives on Route 3, Level land, recently was named to the Fort Kobbe, Canal Zone Lifeline Hall of Fame after completing a successful season on the post baseball team.

Private First Class Wood was selected after playing first base on the Kobbe team.

An aidman with the 33rd Infantry Regiment's Medical Company, he entered the Army in June, 1954 and received basic training at Fort Bliss, Texas.

Son of Mr. and Mrs. Troy E. Wood, Friona, he is a 1951 graduate of Texas Tech College.

### WERE IN HOUSTON

Mr. and Mrs. Charles Mayhugh were in Houston over the weekend.

### CHRISTIAN SCIENCE SERVICES

Man's true selfhood as a spiritual child of God — possessing dominion over sin, sickness, and mortality — will be set forth at Christian Science services Sunday in the Lesson-Sermon "Mortals and Immortals".

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following: "Immortal man was and is God's image or idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind. Immortal man is not and never was material, but always spiritual and eternal" (336:9-12, 16).

Scriptural selections will include the following from Psalms (1:1, 6): "Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. For the Lord knoweth the way of the righteous; but the way of the ungodly shall perish".

### RETURNED FRIDAY

Phil Provence returned Friday from Cowles, N. M. where he had been several days camping and fishing. He reported that the trout were biting good.

## Three Way Pupils Themes Outstanding

Two students in English III, at Three Way high school have earned the commendations of their instructor by the excellence of themes they have written.

Mrs. Laverne Green, the teacher, has submitted the themes for publication in The Journal. Paula Griffith had a grade of 100 on her theme, "A Prelude To Night" and Barbara Mitchell's theme with the title "In The Mood for Love", rated a grade of 98. The themes were to be examples of descriptive writing. We print the two compositions below:

### IN THE MOOD FOR LOVE

By Barbara Mitchell

With a beginning such as this, a wonderful evening could easily end perfectly in a marvelous way, such as in the movies. But somehow the styles have changed to a loud beginning and end, and there's quite a bit of racket in between there.

I enjoy the sound of soft mu-

sic on a cool romantic evening with a full moon shining from above, the first few twinkling stars and a little bird calling to another, across the tree tops.

Instead, the evening is so very different with a loud roar of mufflers at first, Jazz or Bop music on the radio, and the evening ends like the beginning.

The spell could remain unbroken as lovers whispered in the late twilight. But as midnight approaches and the time has come to go, Twin Smitties break up the romantic mood of a lovely evening.

### A PRELUDE TO NIGHT

By Paula Griffith

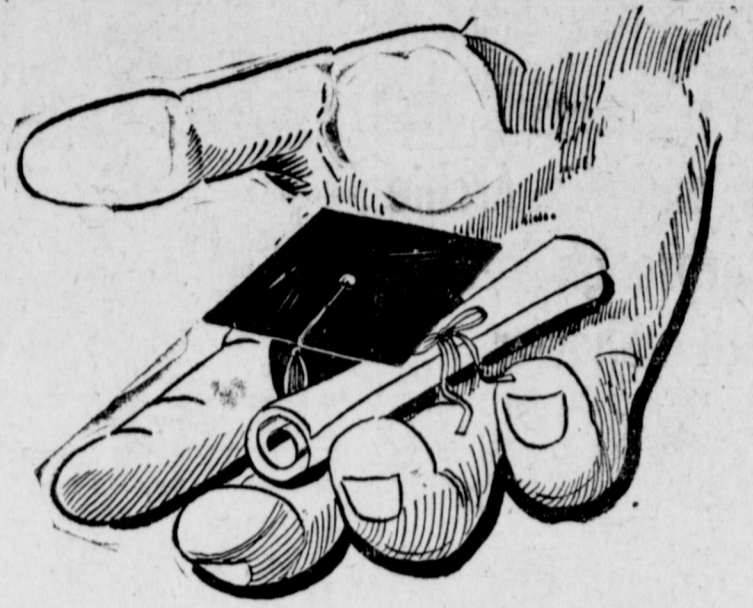

The sun's rays grow dim and blurry, and fluffy white clouds form silhouettes and pictures in the sky. Angels are shaping the clouds like a child would his colored clay. The sun sinks lower and the clear blue of the horizon turns to a royal purple.

Perhaps it is the reflection of

God's royal robe as He walks in the coolness of the evening. Clouds slowly drift by, and as they reach the West, are illuminated with rays of the sinking sun, until they resemble spun gold. The sun is now half hidden from view now, and all the West

is ablaze with rose, red, yellow, and purple.

This is the view of a sunset from the front porch of a West Texas farm house, the masterpiece of the Old Master painter framed by the glory of the heavens.

## CONGRATULATIONS

and best wishes for success go to these architects of the future.

JOHNSON-POOL

PROFITS CAN YOU AFFORD TO MISS 'EM?

Amazing fuel savings. 3 to 4 seasons without overhaul.

Oil life increased 4 times. No carbon, sludge, "ping".

Stepped-up engine power.

## ENSIGN LP-GAS CARBURETION

You've heard how tractors using low-cost LP-Gas and Ensign Carburetors are scrapping customary performance standards. "Sure," you say, "I'd be sitting pretty with that kind of power, but I can't afford it." Stop a minute. Look at the facts, and you'll find that it is actually costing you money every day you delay switching to LP-Gas! Consider fuel costs. The per-gallon difference between your present fuel and LP-Gas will pay the modest cost of converting in a short time. Then you'll save dollars, while enjoying a more powerful, smoother running engine. Oil? With LP-Gas, lube oil life is 4 to 5 times longer! And, overhaul jobs are needed only every third or fourth season as LP-Gas leaves no carbon, gum or sludge.

See how switching to LP-Gas with Ensign carburetion pays dividends? Why not talk to your Authorized Ensign Dealer? Find out now about ALL the Ensign and LP-Gas advantages. . . . You can't afford to miss 'em!

## FROM START TO FINISH . . .

You're ahead with GAS

Gas Water Heaters

... cost less to buy

... cost less to install

... cost less to maintain

... cost less to operate

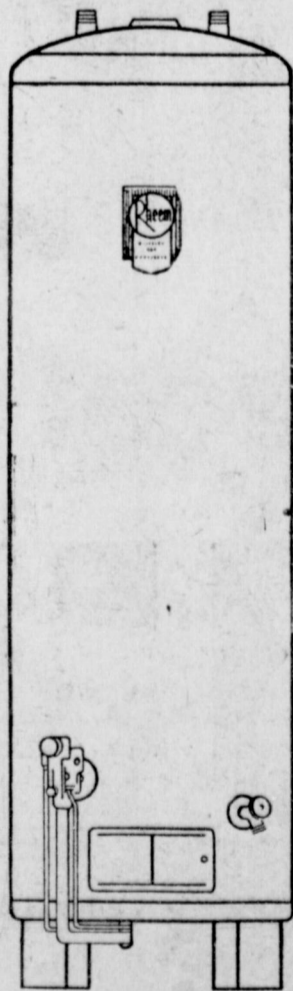

Speed is essential to modern clothes washing! With many automatic washing machines using up to 20 gallons of hot water per washer load, it is important that you have a water heater that will keep up with this demand. Check the sizing chart below and call your plumber or gas appliance dealer and ask him to install an automatic Gas water heater sized to the needs of your family.

MINIMUM RECOMMENDATIONS FOR NORMAL HOT WATER REQUIREMENTS		
Number Bathrooms	Number Bedrooms	Storage Cap'y. Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

NOTE: USE NEXT LARGER SIZE WITH AUTOMATIC CLOTHES WASHER OR AUTOMATIC DISHWASHER.

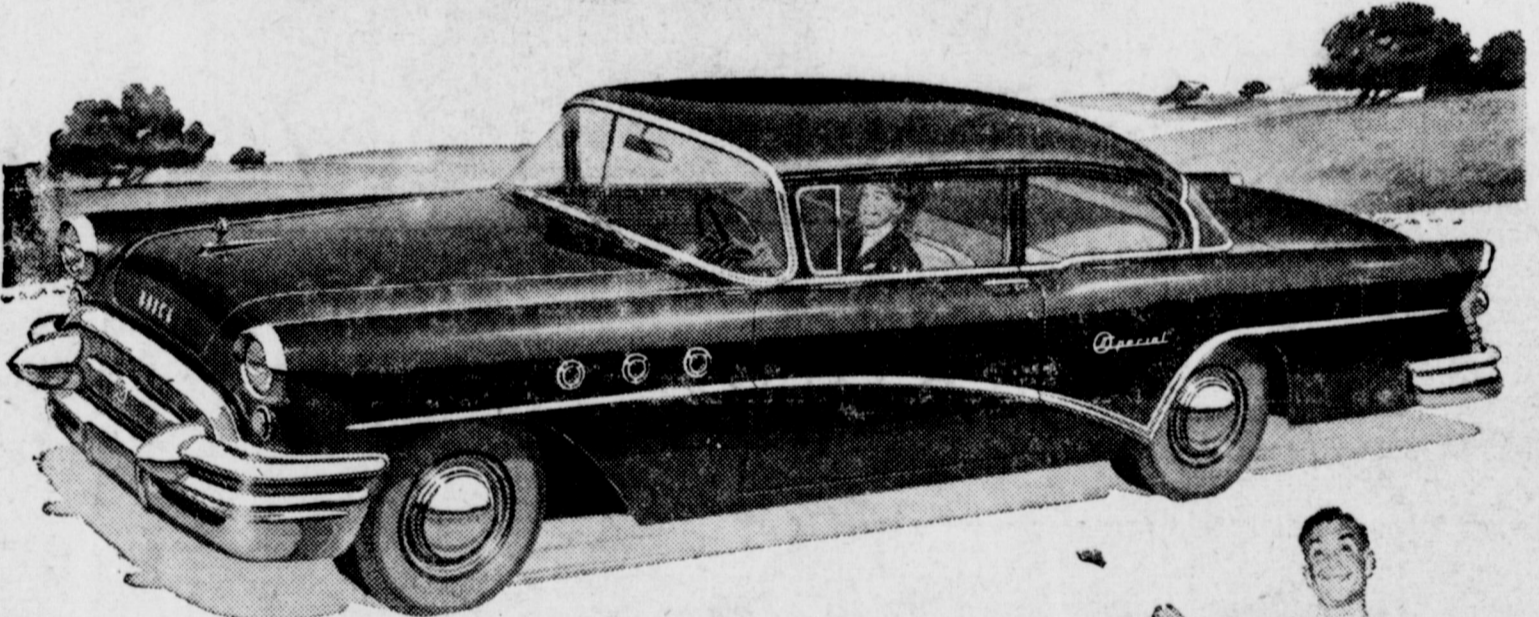

Only GAS heats water 3 times faster

Pioneer Natural Gas Company  
FUEL FOR A GROWING EMPIRE

Illustrated above is a Rheem automatic Gas water heater. The Rheem Coppermatic tank is made of a rustproof, corrosion-resistant copper.

## IT'S ALL BUICK

—AND ALL YOURS

for the price of a smaller car!

(Come in and check it!)

YOU certainly can throw out your chest and call this strapping big Buick yours.

Because—as any comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is now virtually erased.

So if you've been holding back, thinking a Buick was out of reach—let yourself go. You can afford a Buick if you can afford any new car—and the price tag we'll show you proves it.

### Buick Sales Are Soaring To New Best-Seller Highs

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the automobile you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety

you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflo† at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series

DID YOU KNOW—

— that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?  
— that the Buick SPECIAL is priced below some models of the three well-known smaller cars?  
— that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

— CAN YOU SEE • STEER • STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS — WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM —

Enjoy Cooled, Filtered Air For Less Than You Think With Buick's AIRCONDITIONER It's A Genuine Frigidaire

HIGHWAY 70 & N. AVE B

MULESHOE, TEXAS

## Lions Club Presents Two Wrestling Midgets In Their Program Here Saturday

To prove that size, weight and height do not mean everything in professional wrestling, two of the sharpest midget wrestlers now active in the United States are scheduled to clash in one of the two main events at the Muleshoe Junior High gym Saturday night.

Mexico will be well represented in the Saturday night matches by Luis Martinez and Tito Infante. From Ukrainian Russia comes black-bearded, bald-headed Ivan the Terrible. His manager, and a capable wrestler in his own right, Jimmy Siksay, hails from Detroit, Mich.

To unscramble and identify the above athletes, Tito Infante and Terrible Ivan are midgets who can show the big boys a lot of

tricks of the trade and who keep their normal sized brethren of the profession on their toes with their "show stealing" fast action and wily maneuvers.

One of the tallest of the midgets is Tito Infante, from Tampico. He stands 50 inches tall, weighs 95 pounds. Running out of competition in Mexico, he invaded other countries, and has wrestled nearly all over the world. Although he prefers clean, scientific wrestling, it is seldom he is given the opportunity, and he won't get much of it Saturday night against the Ukrainian, Ivan, a tough guy, is scientific, too, but he mixes in all the rough and underhanded stuff known to the game. He weighs 100 pounds, stands 48 inches tall.

TITO INFANTE

Luis Martinez, originally from near Mexico City, is one of the finest physical specimens and athletes ever to work in these parts. A favorite with all fans, clean and scientific by nature but capable of getting extremely rugged, Martinez faces a tough competitor in Jim Siksay. The latter is powerfully built, and has a tendency toward rowdy 'rassling.

Each match is slated for two falls out of three or one hour.

### D. T. Garth Is Dinner Honoree

Mother's Day marked the climax of a brief visit being made by D. T. Garth, at the home of his parents, Mr. and Mrs. Royce Garth. He was accompanied by Miss Jeanne Lundberg, of Manhattan, Kans.

Guests at a dinner in D. T.'s honor on Sunday May 8, were: Mr. and Mrs. G. J. Garth, Mr. and Mrs. Rudolph Moraw and family, Mr. and Mrs. Hellen Schmitz and family, Mrs. Monroe Schmitz and daughter, all of Needmore; Mr. and Mrs. Curt Smitz, Seagraves; Mr. and Mrs. Wayne Garth and family, Mr. and Mrs. H. T. Garth, Friona; Mr. and Mrs. Alton Garth and son of Lubbock; Mr. and Mrs. Bliss Osborne, El Paso; Mrs. Helen Lane and daughters also of El Paso; and Mrs. Latain Burton and son Mackie Joe of the Royce Garth home.

D. T. and Miss Lundberg plan to return to Norfolk, Va. Wednesday, May 11.

### MCCARTYS HAVE GUESTS

Mrs. Bill Pence and children, and Mrs. A. V. McCarty of Kermit and Fuston McCarty of Lubbock spent the weekend in the home of Mr. and Mrs. Delma McCarty.

## Mrs. Andy Rogers Recording Sec.

Mrs. Georgia Ann Rogers, wife of Senator Andy Rogers of District 30, Childress, Wednesday was elected Recording Secretary of the Senate Ladies Club for the 55th Regular Legislative Session.

Mrs. Rogers, who moved with daughters Paula Ann, three, and Andrea Jean, 16 months, to Austin to be with the Senator during the two years beginning with the regular session of 1957. She has been a member since Sen. Rogers was elected to his first term as Senator in 1952.

Mrs. Rogers is a member also of the American Legion Auxiliary, Cox-Furr Post of Childress, and of the Young Moderns division of the Womens Department. Paula and Andrea are members of the Legislative Childrens Club.

### MRS. HARDEN HONORED

Honoring their mother and grandmother, Mrs. I. W. Harden on Mother's Day, the following children and grandchildren met at the home of Mr. and Mrs. Buford Butts and Patricia for Sunday dinner. Mr. and Mrs. E. W. Harden and children of Hobbs, N. M., Mr. and Mrs. W. H. Bethany, Mr. and Mrs. W. B. Mason and children, all of Amarillo; Mr. and Mrs. A. V. McCarty of Kermit; Fuston McCarty of Lubbock, Mr. and Mrs. Delma McCarty and Miss Elizabeth Harden, of Muleshoe.

### ATTENDED FINE ARTS FESTIVAL AT CANYON

Mr. Allbright, speech teacher at Muleshoe High School; Mrs. Noel Wodley, Bettie Collins, Barbara Douglass, Ginger Gaede, Rosemary, Roger, and Buddie Pool, Ann Birdsong, and Mary Alice Baker were in Canyon last week where they attended the close of

the Fine Arts Festival at W. T. Rubber bands, wire baskets, S. C. They saw "The Importance pencil racks, thumb tacks, rubber of Being Earnest" at the Brand-cement. Call The Journal for ing Iron Theatre. your office supplies.

## It's Performance That Counts!

CAPTAIN I. R. OLSON tells why he uses Flite-Fuel

"I'm a Captain for Continental Air Lines. We use Phillips 66 Aviation Gasoline regularly in our airplanes. It contains the super-power component Di-isopropyl, and that makes it a very high performance fuel.

"In my car, I like to get the best performance possible so I use Phillips 66 FLITE-FUEL. It's the only automobile gasoline that contains

added Di-isopropyl. It gives me what I want . . . power, smoothness and long mileage."

*Signature of Captain I. R. Olson*
