LYNN COUNTY FAIR NEXT WEEK

GREAT REVIVAL CLOSED SUNDAY

40 Additions To Church And 100 Conversions Result Of Methodist Meeting

Perhaps the most far-reaching revival in the history of Tahoka came to a close at the City Tabernacle last Sunday night. Rev. E. N. Parrish, who did the preaching, was merciless in his denunciation of sin in all its forms. His messages were clear-cut and penetrating and he had no difficulty in holding the attention and the interest of his auditors from start to finish, even though his sermons were unusually lengthy.

It was announced at the close of the meeting that there had been more than 100 conversions and more than forty additions to the Methodist Church. There were also a few additions to other churches. Possibly one of the strongest features of the meeting was the strengthening of the spiritual life of professed Christians. The emotions of Christians were stirred in service after service during this meeting to a degree that had not been witnessed in Tahoka for many a day.

The success of the meeting was due in no small measure to the efforts and the consecrated life of the good pastor, Rev. R. T. Breedlove, whom everybody loves and respects. On the last day of the meeting collections were taken for the benefit of the evangelist and the singer. This amounted to \$635.77.

PLAINVIEW FIRM PURCHASES HOKUS-POKUS GROCERY

R. D. Gibbs of the Gibbs Store Company of Plainview announces the purchase of the Hokus-Pokus grocery business here from A. I. Thomas. The deal was closed Wednesday and the purchasers have already taken charge.

Get ready for the Fair Sept. 26 and 27.

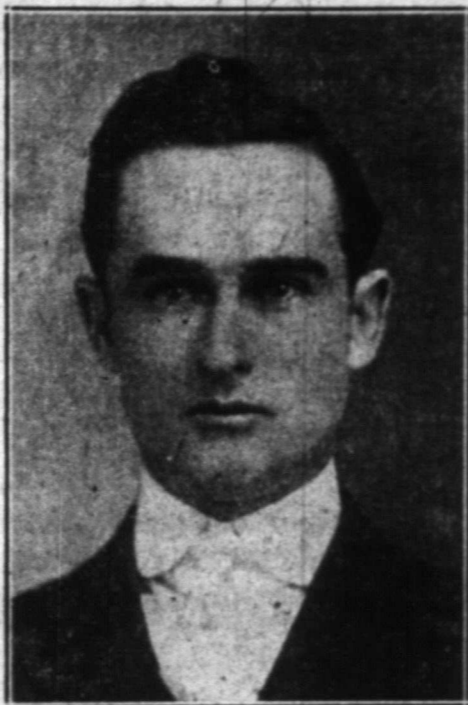

KIWANIS CLUB HEARS MUSIC

Donkey Quartet Feature Of Wednesday's Program; Townes Makes Report

The chief items of entertainment at the Kiwanis luncheon Wednesday were Dr. Townes' report of his trip to the district Kiwanis convention at Dallas and a couple of vocal numbers by the Donkey Quartet.

Dr. Townes' report was humorous and snappy, and it was thoroughly enjoyed. The Donkey Quartet, composed of Messrs. Baze, Williams, Nelson, and Townes, is always entertaining and they gave a couple of their best numbers Wednesday. Mrs. Jackson accompanied on the piano. Miss Greenwade made a brief talk boosting the fair and Prof. Taylor White talked at greater length. Mr. White called attention to the fact that one of the best lists of premiums to be found anywhere is being offered and he stressed the need of more funds to put the thing over. He was sure that the business men would respond in a manner that would enable the management to pay off promptly every premium offered.

Guests of the club were Messrs. Williams and Nelson, Misses Halsey and Greenwade, Miss Grace Conn of Dallas and Mrs. Calloway of Sherman, who are here conducting a B. Y. P. U. training course at the Baptist Church.

ELDER W. A. KERCHEVILLE

Church Of Christ To Begin Revival This Friday Night

Revival services will begin at the City Tabernacle Friday night, Sept. 21, and will continue till October 7, conducted by Elder W. A. Kercheville of the Church of Christ.

This church has just recently completed a new and attractive church building, and now it is launching an evangelistic campaign. Elder Kercheville has recently removed to Tahoka and following the revival meeting will serve the church here as minister. He is reputed to be an able and interesting speaker and is well known throughout this section of the state.

A cordial invitation is extended to the people of Tahoka and vicinity to attend the services.

Court House Is Burglarized Saturday

Tom Higgins, janitor at the Court House, reports that he was the victim of a burglary Saturday night. Some prowler cut the screen wire and effected an entrance through the east window of the county court room, then made his way to Tom's room in the basement, and stole about \$15.00 or \$16.00, evidently making his exit at the same place he entered the building. Night watchman Lee, who was at the west end of the court house at some time during the night, saw some one just inside the door but naturally thought it was Mr. Higgins and made no investigation. No arrest has been made but it is said that officers have a clue that may lead to an arrest.

J. Frank Norris To Speak At Lamesa

The announcement has been made that Dr. J. Frank Norris of Fort Worth will speak in Lamesa next Wednesday night, September 26, beginning at 7:30 o'clock, on the pending Presidential campaign.

This will be the only speaking engagement that Dr. Norris will have in this section during the campaign except one at Big Spring. His address will be red hot, sizzling in fact, and all who desire to hear Frank Norris skin Al Smith should take advantage of this opportunity.

JUDGE MADDOX SPEAKS AT DIXIE TUESDAY

Anti-Smith Democrats of the Dixie community invited Judge B. P. Maddox of this city to meet with them and to discuss the issues of the campaign Tuesday afternoon. The meeting was called for the afternoon by reason of the fact that revival services are being held at night. A crowd of about forty of the voters of that community were present.

Judge Maddox delivered the principal speech of the occasion. Uncle Ben Rogers of Tahoka and O. B. Davis, the precinct chairman of the Anti Smith organization, at Dixie, also spoke. It is said that the meeting was a very enthusiastic one; especially was the address of Judge Maddox received with much favor.

Come to the Lynn County Fair, September 26-27.

FARMER KILLED AT BALLINGER

J. F. Wendel, Dixie, Meets Horrible Death In Crash With Passenger Train

J. F. Wendel, a prominent farmer residing between Dixie and Joe Stokes in this county, met with a horrible death in Ballinger last Saturday night, when the car which he was driving was struck by the west-bound passenger train. He was thrown upon the tracks in front of the engine, which passed over him and completely severed his head from his body, carrying it several feet down the track. The car was utterly demolished.

Just why Mr. Wendel did not see the approaching train will possibly never be known, as he was alone at the time. It was learned that he had been to Rowena on business and was returning to Winters. Upon reaching the railway tracks in Ballinger he failed to see the approaching train and ran up onto the tracks just in front of it. It was thought that he was watching another engine standing on the track at the time. The tragedy occurred between 1 and 2 o'clock at night. Parties at Ballinger, knowing that Sheriff J. W. Simpson of Tahoka was at Winters, called him and he immediately proceeded to Ballinger to identify the dead man. His identity had been established by papers in his pockets before Mr. Simpson's arrival, however.

Mr. Wendel had gone from his home in this county to Winters and Rowena to close up a land deal which he was making and had just closed the deal, it is said. The corpse was brought to Slaton, where a daughter and son-in-law reside, for burial. Interment was made Monday afternoon.

Mr. Wendel had many friends in this and Runtells counties, who are terribly shocked and grieved by this horrible tragedy. The surviving members of the family have the deepest sympathy of all.

Missing Wilson Man Is Found Dead

The dead body of an aged man was found early Tuesday morning in a field near Wilson, according to reports reaching the News office. Deceased had been acting as guard at signs and other public places in Wilson the past year or two, it is said. He had not been seen for about two days, when his dead body was accidentally found. There were no indications of foul play of any kind, according to officers, death having resulted from natural causes. His name was said to be Munger. He had no relatives here.

CONNOLLY RECEIVES CAR FORD CARS MONDAY

Chester Connolly is all smiles this week. The Connolly Motor Company received a car of new Fords Monday, the first car they have received since June, 1927. The shipment consisted of coupes, roadsters, and trucks. Mr. Connolly is hopeful that shipments will come in much more frequently hereafter. The Company is constantly increasing its production now, Mr. Connolly says.

Former Hart Oil Corp. Head Dies

Charles S. Hart, rancher and oil operator, former President of the Hart Oil Corporation, died in Prescott, Arizona, on Thursday of last week, according to the Tuesday issue of the Fort Worth Star-Telegram. The Hart Oil Corporation holds leases on a block of land just west of Tahoka and has drilled one test well, and is now negotiating for extension of leases with a view to putting down a second test. The death of Chas. S. Hart in no way affects the operations of the Hart Oil Corporation, we understand.

SMITH ANTIS PERFECT CLUB

Elect Officers And Plan Work; County-Wide Rally To Be Held Soon

Between forty and fifty persons met in the district court room last Friday afternoon and formed an Anti-Smith organization to work against the election of Governor Al Smith of President.

Voting precincts represented at the meeting were: North Tahoka, South Tahoka, O'Donnell, Wilson, New Lynn, New Home, Dixie, West Point, and Three Lakes.

Judge B. P. Maddox stated the object of the meeting and made a stirring address against the election of Al Smith to the Presidency, following which organization was perfected by electing E. L. Hill as permanent chairman, C. H. Doak of O'Donnell as Vice-Chairman, and Judge J. W. Elliott as Secretary and Treasurer.

Precinct chairmen were named upon the suggestion of delegates present, as follows: O'Donnell, B. H. Hames; Wilson, J. E. Richardson; North Tahoka, E. S. Davis; South Tahoka, D. H. Goodnough; New Home, P. W. Goad; Dixie, O. B. Davis; New Lynn, W. P. Bussell; Three Lakes, G. W. Hickerson; West Point, C. T. Tankersley. Chairmen are yet to be named for other precincts. Women are also to be named as chairmen for the respective precincts and one for the entire county.

Other addresses were made by the permanent chairman and by B. F. (Uncle Ben) Rogers.

Plans are being made for a county-wide rally at an early date, when some prominent speaker will be present.

The crowd present last Friday was very enthusiastic and evinced much determination to carry Lynn county for Herbert Hoover in the November election if possible and they believe it can be done.

White Appeals For Help To Finance Fair

Prof. Taylor White, who has general direction of the fair to be given on Wednesday and Thursday of next week, has addressed us the following communication for publication:

"Our fair catalogue and premium list is complete and in the hands of a large number of the citizens of the county. The Chamber of Commerce is to be congratulated on the attractive premium list. This premium aggregates approximately \$1,000.

"This is a big undertaking, and it will take hard work on the part of all to make a go of this proposition. We could not be satisfied to do this in a small way, and we know that you do not desire a small fair, and for this reason we tried to put out a premium list and a program that would compare with the best.

"So far our resources fall far short of meeting the demands to pay all premiums. It is our desire to see every premium paid in full and to supplement our possible resources we are asking you for a liberal cash donation to meet this premium list. Some have responded in a great way, and we know that you are anxious to do your part in making this a success. It will be impossible to spend the time to see each of you individually, and we take this method of informing you of our needs. We are counting on you to respond in a great way.

Most respectfully, TAYLOR WHITE.

Please Fill Out and Return I hereby subscribe the following amount _____ to be paid by September 25th to help pay the premium list for the Lynn County Fair.

Signed _____

The Lynn County Fair promises to be one of the best ever held on the South Plains. Plan to bring in an exhibit of some kind.

Event Takes Place Here Sept. 26-27

Stage Free-For-All Fight At Barbecue

Several men are said to have engaged in a fight, or a series of fights at the dance and barbecue out at the Henry Reed place six miles southeast of town last Friday night. When the trouble was apparently about to become serious, some one turned off the lights and the trouble ended. It is said that when hostilities reached the most serious stage, the members of the orchestra fled, which for some time broke up the dance. Prior to the fight one man wandered around too close to a cistern and in some way lost his balance and fell in. Another man came to his assistance and he fell in. Others then came to the rescue and succeeded in landing both men on top of Mother Earth. Some attribute the fights and the two cistern accidents to the presence of some kind of anti-Volstead concoction, but we have no proof that any person out there had ever seen a drop of liquor. No officers were present, it is said.

Wells And Redwine Open School Terms

Among the rural schools in Lynn county which opened on Monday of last week and which we did not mention in our last issue were Wells and Redwine.

Wells opened with a faculty of five teachers and a good enrollment. The faculty consists of Supt. T. B. Franklin, "Red" Gainer, Mrs. E. R. Adams and Misses Frances Morrow and Mary Hipp. Prospects for a successful term are said to be excellent.

The Redwine school opened at the same time with a faculty of three teachers, consisting of the following: Prof. B. B. Street, Mrs. B. B. Street, and Miss Levis Bosworth. A good school is in prospect here also though it will be hampered to some extent until the new building now under construction is completed.

Renfro To Speak Here For Smith

Hon. C. C. Renfro of Dallas will speak on the court house lawn in Tahoka at 3:30 p. m. on Wednesday, September 26, in the interest of the Democratic party, according to J. B. Walker of this city.

Mr. Renfro has recently gained prominence in state politics, having been a conspicuous figure in the various Democratic state conventions this year. He is an ardent supporter of Governor Al Smith for President. He is said to be an able young man and a most entertaining speaker. You are invited to hear him.

Annual Northwestern Conference Postponed

The annual Northwest Texas M. E. Conference which was scheduled to meet at Lubbock Oct. 31 has been postponed until November 21, according to an announcement received from Bishop John Moore, Bishop presiding. The deferring was due to lateness of crops.

The conference is composed of about 350 traveling preachers and about 100 laymen. Hundreds from this area will attend who are not members or delegates.

Will Organize Down Town Bible Class

A "Men's Bible Class" will be organized at the English Theatre on Sunday, September 23, at 9:45 a. m. If you are not a regular attendant of some Sunday School, we will be glad to have you come.

G. E. HOGAN, Teacher.

PROGRAM WILL BE BEST EVER

Prospects For Excellent Fair Are Good; Large Crowd Is Expected To Be Here

The Lynn County Fair to be held on Wednesday and Thursday of next week promises to be fine, according to Prof. Taylor White, the manager. Interest is growing daily, he declares. Committees are holding meetings each night this week making preparations for the fair. Much interest is being shown in the community exhibits. Many communities have indicated their purpose to enter exhibits. Mr. White says that many entries are also promised in the live stock division, and the Women's Club work is going over in a big way. "Let's make this a banner fair for the South Plains," is the appeal he makes to the people of Tahoka and all Lynn county.

A big parade has been planned for Wednesday afternoon at 1 o'clock. The program for the two days festivities has been arranged as follows:

Parade at 1 p. m. Wednesday, September 26. All school floats participating will assemble on "Depot" Street near the Santa Fe station, and parade will form and proceed to the public square and thence out to the Fair Grounds, located just west of the High School Building.

The races will begin at 2 p. m. each day.

On Wednesday it will be Lubbock vs. Wilson.

Thursday, Slaton vs. Tahoka.

These games promise to be good ones.

Special attractions are to be arranged. There will be lots of entertainment of various kinds in Tahoka on these two days. Of course you'll be here.

FIRST BALE IS GINNED FRIDAY

G. W. Langford Of Grassland Is Awarded Premium Of \$72.50 By Merchants

Tahoka received her first bale of cotton for the present season on last Friday, September 14. It was brought in by G. W. Langford, who lives on the D. W. Turner farm near Grassland. It was ginned at Edwards & Lockhart's gin, weighed 440 pounds, and sold for 20 cents per pound. The Forrest Lumber Company was the purchaser. A premium of \$72.50 was raised by the business men and paid to Mr. Langford. Mr. Langford lives in Tahoka's trade territory and patronizes Tahoka merchants.

The first bale last year was received more than two weeks earlier than the first bale this year. It was brought in by C. E. Stewart, who also resides near Grassland, on August 30, 1927. It weighed 445 pounds and was sold for 23.20 cents per pound. A premium of \$41.00 was made up for Mr. Stewart.

Band Will Play At Wilson Fair

The Tahoka Concert Band has been invited to play at the community fair to be held in Wilson next Saturday. The Band will go up in the afternoon and make music for the occasion. An excellent community fair and a large crowd are promised. Many Tahoka people will doubtless be there.

WILSON'S LIQUOR RECORD GIVEN

President Wilson was instrumental in having passed more laws restricting and prohibiting the sale of intoxicants than any other President of the United States.

Here is Woodrow Wilson's record on the liquor evil.

- Wilson's Liquor Record**
1. He openly supported local option in the State of New Jersey when it was one of the wettest States in the Union and when every brewer and distiller and saloon-keeper in the state was opposing local option.
 2. As President he signed the bill making it unlawful to circulate through the United States mails any advertisement of intoxicating liquor, either by letter, newspaper, magazine or otherwise.
 3. He signed the bill making the District of Columbia dry. His veto would have defeated it.
 4. He signed the bill providing for the prohibition referendum in Porto Rico which made Porto Rico dry.
 5. He signed the bill strengthening and providing for better enforcement of the District of Columbia prohibition law.
 6. During the war period he signed a number of emergency bills prohibiting manufacture and sale of liquor in connection with various war activi-

ties, including the war-time prohibition bill which prohibited the manufacture and sale of all liquors in the United States while the war lasted and until all our troops were demobilized.

8. With his acquiescence under his administration as commander in chief of the army, his secretary of war sent a telegram to the governor of Texas commending enactment of the law passed by the legislature in 1917, prohibiting the sale of intoxicating liquor within five miles of soldiers' training camps and which closed every saloon in Texas.

9. Under his administration as President of the United States the Eighteenth Amendment, providing for constitutional prohibition, was submitted by three-fourths vote of each house of Congress, and was ratified by forty-six of the forty-eight States of the Union.

MEMBERS OF ALL FAITHS SUPPORT HOOVER

Houston, Texas, Sept. 8.—Among the contributors to the Anti-Smith Democratic Fund are Protestants, Jews and Catholics, although the latter are rare, according to Alvin C. Moody, chairman of the Anti-Smith Democrats for Texas. At least one member of the Roman Catholic faith is a substantial contributor to the fund, but with the expressed understanding that his name is not to be revealed, Moody said. "Several Jews have pledged liberal contributions, and it is hoped that the Protestants will become more aroused to the situation soon, the state chairman declared. There is a heavy expense for maintaining office space, stenographers, and paying for literature and postage. Persons willing to contribute any amount to the cause send remittances to Anti-Smith Democratic Campaign Headquarters, care Old Post Building, Houston, Texas." Headquarters were transferred during the past week from the Stewart Building to the Old Post Building.

THIEVES WERE BUSY AT O'DONNELL

Thieves made their appearances at the W. H. Crunk residence on Monday night of this week, some time between 10:15 and 10:30 o'clock. Mr. and Mrs. A. A. House were visiting the Crunks and had parked their car in front of the home almost under a street light, but this failed to frighten the thief or thieves and at their leisure robbed the car of a few groceries, a tire pump and a brand new tire and rim off one of the wheels.

Officers were called immediately after the discovery was made and are at work on the case but up to the time of going to press no arrests have been made. Officers believe that within the next few hours the thieves will be brought to justice.—O'Donnell Index.

UNSURPASSED FEATS OF SKILL MAKE RODEO SPECTACLE SUPREME

Unsurpassed feats of skill and prowess of unerring eye and sure hand, of steered nerve and alert brain will make of the Rodeo at the Legion National Convention a spectacle supreme of the most brilliant showmanship. Two hundred cowboys and cowgirls, champions in every trick of the game, will contend for the world's honors in this sport and for the biggest cash prizes (more than \$27,000) offered this year. Herds of outlaw horses, man-killers among them, have been bought up specially from the toughest, wildest round-ups in Arizona and New Mexico. And the steers and calves that do their stuff will not be one whit behind cowhands and cowponies in class.

Arenas from the time of Nero and before, on down through the centuries, have witnessed many a mighty combat many a contest that set the nerves a-tinging with the danger and the immensity of it, many a great spectacle of gorgeous splendor. Few have seen a show more replete with thrills and dangers, more chockful of all that goes to make the spectacular more spectacular still, than this Legion Rodeo will display to the convention crowds.

The famous cowboy band of Simmons University at Abilene, Texas, known throughout the United States will play during the Rodeo, with its fifty musicians decked out in their cowboy ten-gallons, their chaps, their red handkerchiefs and their grubby shirts. They will have with them a full line-up of clown and stunt performers. This one feature will add much of the spectacular to a show already brilliant with thrilling stunts.

Just as an interesting sidelight on the mammoth scale of this round-up and on the lavish way in which it is being put on: A wonderfully made saddle, with the most delicate hand-tooled work, in designs that are pleasing even to the casual eye, and with intricate gold and silver work inlaid, will be presented to one of the winners. This saddle was bought from an El Paso manufacturer for \$5,000.00.

FIRST SHIPMENT PIPE LINE SUPPLIES ARRIVE AT WILSON

The first shipment of supplies for the South Plains Pipe Line Company reached Wilson last week, to be used in the construction of the pipe line that will supply Wilson with gas.

According to officials of the company, construction will start on the line that will connect us with the main line 4 miles west of town, the latter part of this month. They also state that we should be using gas by the middle of October, provided that there is no delay in getting the supplies.

This will be welcome news to the town. We have looked forward to the time when we could have the gas. In talking to one of the officials recently he told us that every town that they had built into had enjoyed a substantial building boom. We see no reason why this should be the exception in Wilson, and we anticipate the building of several new homes in Wilson in the next year, and in all probability there will be other business interests attracted to the city.—Wilson Pointer.

BAPTIST W. M. S. RENDERS INTERESTING PROGRAM

The Baptist W. M. S. met Monday at the church with seventeen women present. The following missionary program was rendered:

- Song—The Kingdom Is Come.
- Prayer—Mrs. Higginbotham.
- Devotional—Mrs. Applewhite.
- Song—The King's Business.
- Graded W. M. U.—Mrs. Coleman.
- Song—O Zion Haste.
- Family Ties—Mrs. Heath.
- W. M. U. Special—Mrs. HoHwell.
- Song—Our Women's Hymn.
- W. M. U. Family in Action—Mrs. Walker.

Song—We've a Story To Tell to the Nations.

Talks by Miss Conn and Mrs. Calloway in regard to the institute this week.

Following the program refreshments were served. We urge all the ladies to come and meet with us.

HOMER ST. CLAIR ACCEPTS POSITION AT O'DONNELL

Mr. Homer St. Clair who has been with the Cicero Smith Lumber Co., of Tahoka for the past six years, has been transferred to the local yard. He comes to O'Donnell recommended as a splendid young business man. He has already moved his family here and they will be glad to meet all the O'Donnell folks.—O'Donnell Index.

CENTRAL WARD P-T CLUB ORGANIZED TUESDAY

A Parent-Teachers Club with an initial membership of about thirty was organized at the Central Ward School building Tuesday afternoon. Eleven teachers and eighteen or nineteen parents were present and entered the organization.

Mrs. Baze, principal of Central Ward School, stated the purpose of the meeting and explained some of the purposes and aims of a Parent-Teachers Club, and acted as temporary chairman.

Upon those present indicating that they desired to form the club, officers were elected as follows: President, Mrs. L. E. Turrentine; Secretary, Mrs. H. A. Maasen; Treasurer, Mrs. Geo. B. Law; and Parliamentarian, Mrs. L. A. Henderson.

Several committees were appointed. The committee on constitution and by-laws consists of E. I. Hill, Miss Mattie Will Seroyer, and Mrs. Belton Howell.

The Membership Committee: Mrs. C. L. Dickson, Mrs. D. H. Goodenough, and Mrs. V. N. Burleson.

Committee to provide a booth at fair: Mr. Curtis Wilson, Mrs. Belton Howell, and Mrs. C. L. Dickson.

The matter of providing hot lunches for the children at the noon hour was discussed and the following committee was appointed to investigate

and report at the next meeting: Mrs. H. A. Maasen, Mrs. L. F. Craft, and Mrs. James Connolly, together with Mrs. Baze.

A program committee was also appointed consisting of Mrs. Baze and Mrs. R. P. Weathers.

The chairman was also authorized to appoint an executive committee to assist her in planning the work for the year. The personnel of this committee will be announced later.

Business meetings are to be held on the first Tuesday in each month and a social meeting with the High School Club will also be held at such time each month as may be hereafter agreed upon.

The membership fee was fixed at 50 cents, and this includes both parents.

Considerable enthusiasm was manifested and the new club started under most auspicious circumstances.

COMMUNITY FAIR INTEREST GROWING

The Community Fair is gaining momentum daily, and indications point to the largest in history to visit Wilson on the 30th. Enthusiasm is running high over the exhibits and a very large field of crop exhibits as well as ladies department and poultry promised.

We are glad that the farmers taking so much interest in the and we hope with their cooperation to make Wilson's Fair equal to better than any Community Fair the Plains.—Wilson Pointer.

WE WELCOME YOU

To the Fair. Come in and see us while you are here.

QUALITY

FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting laxy. Neglect of these symptoms might result in a sick well, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by

THOMAS BROTHERS

BAD PAINS

Use of Cardui Helped to Relieve Suffering.

"I have taken Cardui and have found it a very helpful medicine," says Mrs. Minnie Rocher, of Lynn Haven, Fla. "After a course of Cardui, I felt like I had been made over. For a while I suffered with bad pains in my back and sides. At times, these would distress me so I would seem past going. "We had known of Cardui in our family for a long time, so I thought I would try taking it. I soon began to improve. I grew strong and well, and was able to resume my household duties without the least inconvenience." Cardui is a mild, harmless extract of valuable medicinal herbs. Try it.

CARDUI

Used By Women For Over 50 Years

Three Lakes

The Three Lakes community has fine crops this year. Every one seems to be looking bright over the prospects of a good cotton crop.

School opened Monday, September 3, with an enrollment of 17 pupils. The enrollment increased the second week to 30.

Mr. and Mrs. W. E. Sikes, T. M. Ellis Jr., and G. W. Hickerson attended the Brownfield Baptist Association at O'Donnell.

Mr. T. Ellis returned Monday from Christoval, where he has been visiting relatives.

Mr. and Mrs. W. J. Lay of Stephenville have been visiting Mr. and Mrs. A. C. Scott of Tahoka.

One of our pupils, Harvey Lee Duckett, is attending Lubbock High School. We are proud of Harvey Lee.

We are sorry to report that Miss Lorain Smith, who is attending Tahoka High School is sick. We hope she will soon be able to return to school.

Mr. and Mrs. Fulford of West Point spent Sunday with Mr. and Mrs. W. E. Sikes.

Mrs. J. Wright Edwards started a music class Tuesday.

The school has had a car of coal hauled out from Tahoka by the patrons. We are preparing for cold weather.

Mr. Carroll Edwards left last Thursday for Glenrose to be with his wife who is there for her health. We hope she will soon be able to return home.

Get ready for the Fair Sept. 26 and 27.

Bethel

Quite a few of our people attended the association at O'Donnell last week and said they had a great time.

Mrs. Ollie Warren and two children have been on a visit to her mother near Knott, Texas.

Mr. and Mrs. Dudley Simpson visited her parents, Mr. and Mrs. S. J. Crawford, Sunday.

The club ladies were entertained by Mrs. Robert Luttrell Friday eve and they planned for the exhibit at the Lynn County Fair.

B. Quariz was called to Corsicana last week. His niece, Bessie Brown was in a car wreck and was seriously injured. We are glad to report her as improving the last news we heard of her.

Mr. Varner's folks have sold out and left the plains during the discouraging days we have had over short cotton crops. We are surely having fine weather now for cotton.

Jessie Williams and Irene Beckham are staying in Tahoka attending high school.

Mr. G. W. Godwin and family returned from an extended visit to Louisiana surely glad to have them home again.

Andrew Jackson Houston will vote for Hoover

Houston, Texas, Sept. 8—Colonel Andrew Jackson Houston, superintendent of the San Jacinto Battle-ground Park, and the only surviving son of General Sam Houston, believes in bolting the nominee when the nominee bolts the platform, he says. He is an ardent supporter of Herbert Hoover. The people of America should repudiate New York City's efforts to undo everything constructive that has been done in the way of prohibition," the Colonel declared, "and the best way to repudiate the big city effort at domination is to vote against Smith." Houston Williams, insurance man of this city and grandson of General Houston, committed himself to Hoover before either of the national conventions, and alludes to Hoover as by all odds the most capable man the nation could pick for president.

Come to the Lynn County Fair, September 26-27.

Bring your exhibits to Tahoka for the Lynn County Fair, September 26th and 27th.

Locals

J. B. Nance, who has been in Pyote the past several months, is in Tahoka again this week for the purpose of getting extensions on the oil leases west of town given to the Hart Oil Corporation. If extensions of these leases can be procured, it is claimed that another well will be drilled on the lease beginning at an early date. Unless extensions are procured, no other test will be begun, Mr. Nance says.

Hon. Emmett Whitaker, member of the legislature, who has been employed recently on the Terry County Herald at Brownfield, was here Sunday visiting friends. Mr. Whitaker calls himself a preacher-printer and he is looking for religious work as well as mechanical work. He was not a candidate for re-election to the legislature.

W. E. Smith, who resides on the Donaldson farm in the Three Lakes community, says it is all a mistake about the worms letting up on the cotton crop. He says that a new crop of worms has appeared and that they are puncturing almost every young form that appears. He thinks the cotton crop is going to be exceedingly short.

Miss Georgia Compton of Springfield, Mo., has accepted a position as saleslady at W. R. Neyland's. She will be in charge of the Ready-to-Wear and Millinery departments. Miss Compton has had many years experience in this line and is said to be an expert in these departments.

Supt. H. P. Caveness states that the bonds recently voted in the New Moore school district in the sum of \$15,000 for building purposes have just been approved by the attorney general. It is presumed that work on the new school building will begin at an early date.

W. H. Nix of Roscoe, who is now engaged in teaching a singing school at New Moore, dropped in Saturday to see the editor, whom he knew in other days. Mr. Nix says that the worms have damaged the cotton in the Roscoe country even more than they have here.

J. Y. Thompson dropped in Monday to have his paper sent to the family at Lubbock, to which place they removed recently in order that Miss Pauline might attend the Tech. Joe is trying his hand at batching during their absence.

Henry McDaniels is constructing a residence just east of his present home in the west part of town. Its dimensions are 26 by 34 feet and it will consist of five rooms, with stucco finish. It will be a neat residence.

James C. Asbury has been employed as secretary of the Baird Chamber of Commerce to succeed Mr. H. O. Tatum who resigned to take the position of city manager at Eastland. Mr. Baird has been active in C. of C. work for many years.

T. M. Ward of T-Bar was here Tuesday and he says that his cotton is now opening rapidly. He expects to begin picking next Monday. No doubt cotton picking will open up on many farms next week.

G. W. Short went down to Stamford Saturday and returned Sunday accompanied by his wife, who had spent several days there with her mother. The mother underwent an operation recently for appendicitis.

J. H. Wyatt and family took a trip out in New Mexico and Mr. Wyatt says that of all the little cities he ever visited, he believes Albuquerque is the most beautiful.

E. L. Deaver, of Littlefield, formerly a resident of Wilson and a member of the commissioners' court of this county, was here on business Tuesday.

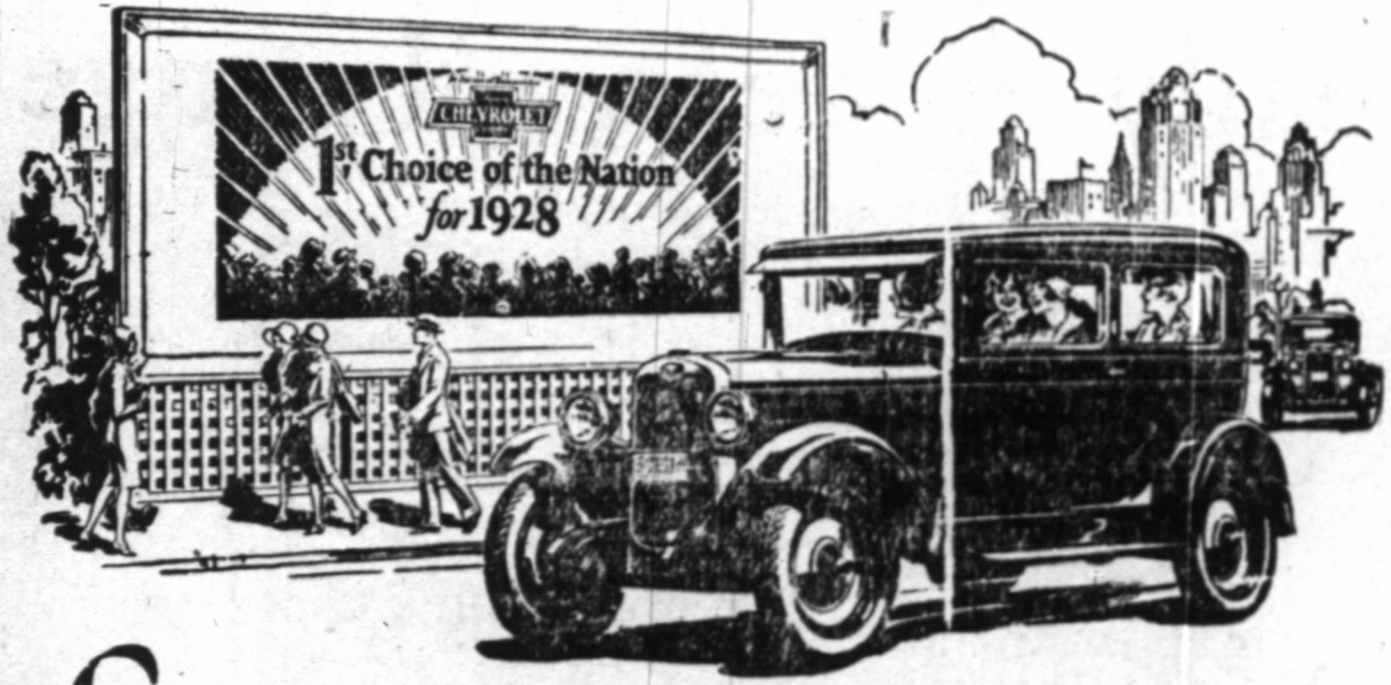

W. G. Briley and family spent Saturday and Sunday here with friends, returning to their home at Abilene Sunday afternoon.

The first issue of the Panhandle-Plains Review published by the Panhandle-Plains Historical Society at Plainview has been issued and distributed to the members of the association. Many interesting articles fill the book.

IT DRIVES OUT WORMS
The surest sign of worms in children is paleness, lack of interest in play, fretfulness, variable appetite, picking at the nose and sudden starting in sleep. When these symptoms appear it is time to give White's Cream Vermifuge. A few doses drives out the worms and puts the little one on the road to health again. White's Cream Vermifuge has a record of fifty years of successful use. Price 60c. Sold by

Week after week and month after month the Bigger and Better Chevrolet has swept on to greater and greater heights of popularity—until today it stands acknowledged everywhere as first choice of the nation for 1928!

Never has any Chevrolet enjoyed such overwhelming public acceptance—for never has any low-priced car provided such an outstanding combination of distinctive beauty, thrilling performance and amazing economy!

Its beautiful bodies by Fisher—long, low and racy, and finished in colors that reveal to-day's mode for smartness and individuality—are far in advance of accepted standards in the field of low-priced cars. Inside

and out they prove anew that Fisher craftsmanship is a thing apart.

But Chevrolet performance is no less impressive than Chevrolet beauty and style. Never before was a low-priced car so easy to handle—for the steering mechanism is fitted with ball bearings throughout... the clutch and gear-shift lever respond to the slightest touch... and big non-locking 4-wheel brakes give a measure of braking control that is more than equal to every occasion.

Come in and see the car that has won the approval of more than three-quarters of a million buyers since January 1st. Learn for yourself why it is scoring the greatest success of this great automotive year!

NOTICE TO THE PUBLIC
Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that may
appear in the columns of the News,
will be gladly corrected when called
to our attention.

Monday was Constitutional Day. It was observed in Taboka by the display of U. S. flags by the business men of the town. Practically nobody would have thought of this as a holiday had not the flags been displayed. Possibly many did not know the occasion which brought forth the flags. We do not know whether this manner of observing the day will bear any fruit or not. If it inspired any individual to again read the Constitution of his country, the display of the flags was not in vain. If you have not read the wonderful document recently, we would suggest that you read it this week. The great English statesman, William E. Gladstone, declared that it was the greatest instrument ever struck off at a single time by the heart and brain of man. If you will read it carefully and thoughtfully, we believe that you will

agree with him. Read it. Do not undertake to read it all at one sitting. Read it slowly, and digest it. Read not only the original Constitution but read the amendments, the first ten of which contain the "bill of rights" reserved to the people and to the individual citizen. Read and study our Constitution in the light of history, and you will have a deeper reverence for the flag and a more profound respect for our Government and our laws.

Some of our warmest friends have expressed genuine regret that we can not see our way clear to vote for Al Smith for President. It is as painful to us as it is to anybody to be unable to support the nominee of the Democratic party, having voted the Democratic ticket straight for thirty years, but we feel that a crisis is upon us in the history of our party and of our country. We can not follow those who would make our party a wet party and our country a wet country. We can not support him who announces in advance that it is his purpose to pursue a course which, we believe, would largely undo what Southern dry Democrats have been a quarter of a century in accomplishing. We shall vote the Democratic ticket straight in November except as to Al Smith. We censure nobody that fails to see as we do, but we do think that the dry Democrat who can see no danger to prohibition in Al Smith is shortsighted indeed. We believe it would be a calamity for him to be elected, and therefore we can not help to elect him.

We haven't heard of a pink boll worm anywhere this side of the Rio Grande Valley yet this year. We hope we never hear of another one of the little pests. By the way, had it ever occurred to you that a few dead pink boll worms last year

were a potent factor in politics in several West Texas counties this year? We suspect that two dead worms cost Dan Moody several hundred votes in Dawson county alone. Yes, and in Lynn county too.

Some girls seem to have forgotten that modesty is the queenliest virtue that a woman can possess. We would not return to the days when short skirts and bobbed hair would have been deemed a disgrace, but we do believe that if our girls and women would display the same modesty now that was prevalent then there would be fewer trial marriages, fewer divorces, and fewer broken homes. Modesty is the most winning quality that a young girl can possess.

While it is yet uncertain as to what the cotton yield in Lynn county will be this fall, yet it is almost certain that much more cotton will be raised than some are estimating. We are predicting that, barring an early freeze, Lynn county will be in excellent financial condition this fall and winter.

Some of our Texas politicians are telling us that there is no such thing as a Hoover Democrat. The Raskob Dupont variety of Democracy, however, does not seem to strike them as being in anywise incongruous. There are still some men who "strain at gnats and swallow camels."

If you have any farm products of superior quality, of any kind, you should by all means bring an exhibit to the Lynn County Fair on Wednesday and Thursday of next week. The prospects are that this is going to be the best fair Lynn county has ever had.

The Republican chairman of the Democratic National campaign committee, John Joker Raskob, also thinks that Texas dry Democrats should vote for Al Smith in November in order to help get rid of the "damnable affliction of prohibition."

Of course you are going to attend the Lynn County Fair on Wednesday and Thursday of next week. That big school parade Wednesday afternoon is going to be worthwhile itself. There'll be lots of attractions. Come to the Fair.

The whir of gin machinery is going to be sweet music to many a Taboka business man within a few days. If this beautiful weather will just continue another month, O Boy!

SLAT'S DIARY

(By Ross Farquhar)

Friday—Ant emmy went to the pitcher show tonite with sum of her friends from the city & wen she cum home ma ast her how did she like the pitcher witch was called the Lyun & the Mowse. Ant emmy sed it was awright but she was disappointed as she thot it was a animal pitcher.

Saterday—ant emmy is very sup-er-stahus and tonite wen ma was seen the tabul she dropt sum of the silvurwear. Ant emmy sed it

ment that Co. was coming, pa sed it means the same thing wen the silvurwear is borried, pa has been wisecracking a lot lately ever since he pulled a fast 1 on ma the uther day witch seamed to silents her.

Sunday—after S. skool today ma and jake went down to Jim Berrys house to see his new brother witch arrived there the uther day. jim says they think the baby is gonna be a St. car conductor because he yells a lot of things witch nobuddy understands.

Monday—Gess I will haf to get a harecut now for I seen jane today and she ast me was I gonna take up the vilene. ma had give me the munny to get it cut but I thot I wud buy sum paint to put on my & jakes raff witch we expect to compleat sum time this week.

Tuesday—mister gillem was over to are house tonite tawking to pa & he sed he seen in the paper wear sum man had crot a pineappul with a banana & had wun a meddle for it. pa sed he had seen wear sum man had crot his wife and got 2 mos. in the hospital.

Wednesday—it wont be long now till the melankoly days are hear as skool has began. ma sed I will haf to do better this year than I have ever did or I wont get to go to skool no more. if I thot I cud depend on that the teacher wud be in for a terribul life skool turn.

Thursday—pa tuk me down to the

store this p. m. to bye me a new sute. pa tole the salesman that he wanted to get a sute for me that was unexpensive but durbul I that wud wear like iron & wud stand lots of punishment. the salesman loked me over and sed how do you think a sute of overalls wud be. that salesman has never liked me since the time jake and me went fishing in his golefish pond.

FAIR WEATHER CAUSING WORMS TO CEASE DAMAGE

According to reports coming from various sections of the O'Donnell territory, worms and other insects are not doing as much damage as they were some ten days ago. However, a conservative estimate of the damage they have already done is placed at 50 per cent of the total crop that was promised two weeks ago. However, before the worms showed up the country promised a record cotton crop. Estimates placed O'Donnell ginnings at 20,000 bales. It is believed that this year's crop will not yield more than half that figure.

For the past ten days the weather has been ideal and it is hoped that it will continue as much depends on the condition of the weather the next two or three weeks.

This year's crop is at least two weeks later than the average crop in this section. Up until today (Thursday) there has not been any of the fleecy staple showed up in O'Donnell. However, we understand a bale is expected this afternoon. Reports state that a bale is being picked out of town. —O'Donnell Index.

The next meeting of the Panhandle-North Plains District Convention of the West Texas Chamber of Commerce will be held in Shamrock. This city sent a large delegation to the meeting recently held in Pampa.

Snyder shipped 400 cases of eggs or 12,000 dozen to Havana, Cuba, recently. This is considered the earliest shipment of eggs ever shipped from the county, shipment usually starting in January.

Plans are being ake in Big Springs to experiment with methods of oiling road. If the method proves practicable on a short stretch its extensive use will be considered.

Draw Items

The cotton situation has made no appreciable improvement since the dry weather, according to farmers. In the last few days there has been a decided deterioration of the plant with no fruiting. In many areas in this section the plant is withering and what little fruit was starting has been cast off.

Some few farmers assert that they may gather from one-fifth to one-fourth bale of cotton to the acre under the present prospect. But the majority are of the opinion that it will take from six to ten acres to make a bale.

The grain sorghums are promising, though considerable worm depredation is reported in maize. It is not known just how far the latter ravages have gone but most of the farmers seem to be assured of a good feed crop.

Many farmers have been putting in extra time canning peas, beans, corn and other garden products. One family is known to have put up 1,000 cans of garden products for winter and spring use.

The bad cotton prospects have caused some farmers to give more thought to the dairy business and it is probable that before the year is ended that many more cows will be brought in. With abundance of feed and more cows the Draw area should be able to get back to a new financial standing in a few months.

The Lynn County Fair promises to be one of the best ever held on the South Plains. Plan to bring in an exhibit of some kind.

EDITORIALS

CONTINUED

THANKS FOR THE FLOWERS

Some lady Saturday sent the editor a big bouquet of beautiful roses in appreciation of his stand in the present political campaign. The donor did not disclose her identity, but we appreciate the flowers. It is heartening to know that there are always those who appreciate sincerity. Many brickbats, figuratively speaking, will probably be hurled at the editor for his position. Possibly he can dodge most of them, but it is nice to know that there are also those who would scatter flowers in his pathway. Many, many thanks.

The editor of this paper has been voting the Democratic ticket straight for thirty years. We are indeed sorry that we can not do so this year. But we believe that it is to the best interests of both our party and our country that Al Smith be defeated. If Al Smith should be elected it would enthrone him and Tammany Hall as masters in the Democratic party. Their brand of democracy is not our brand of democracy. Bryan and Wilson had to fight that wing of the party as long as they were in positions of leadership. The election of Smith would not only give Tammany a dominant position in the party but would fix upon us the stigma of being a wet party. More than that it would mean that a fight would be made to modify the Volstead Act and the Eighteenth Amendment. Smith's election as a wet would give him a tremendous advantage in such a fight. We would rather fight him before the election than to fight him after the election and then for years to come. Dry Democratic Senators and Congressmen who are supporting him now will have to fight him after he is elected—or surrender to him. A vital issue, bigger than any matter of mere party regularity, confronts us. Smith and his cohorts have made it the issue. We are compelled to meet it and as for us we are going to meet it like a patriotic citizen should meet it—and that means that we must fight Smith and his Tammany confederates until they are utterly routed.

Tahoka has just had a wonderful revival. The religious temperature of the town has been decidedly raised as a result of these services. It is to be hoped that this religious fervor will last. Be sure to go to church next Sunday.

If you have good live stock of any kind, be sure to enter them in the Lynn County Fair next week. It will help the fair and it may help you.

Every young man and every young woman in Tahoka should be found in some Sunday School or Bible School next Sunday morning. Why not?

THE SLOGAN AT OUR MAST HEAD

"Take care of the boy and the man will take care of himself."

The motto at the head of the Higgins News was put there for a definite purpose.

It was put there at a time when some of our lads were in hard straits and the community had been set to thinking.

Every so often some boy or boys go wrong and we all wonder just how it all came about and why such things happen in a well ordered community and so on and so forth. And each and all of us go at once into the matter without stopping to think how we vowed that last time trouble came to boys that we would be big brothers and sisters to the lads and do something to help them to grow up into decent, law-abiding citizens. And then we forget the matter. Fact, isn't it! Now probably somebody will remember that a Boy Scout Camp might help a bit; somebody else may think of a Father and Son movement or some other good plan, but who will put these good things in force and make them attractive to the boys of our community?

That is the question.

When boys are not in trouble, is the time to take care of them.

One boy saved, is worth all the time and trouble it will take to be helpful to the boys who are growing up in our community.

Men and women go hither and yon, looking life in the face, living a well ordered life, quite content to let things swing along in the same old rut, but the boys are growing up, have not reached the state of being and are unsettled, easily influenced for good or for evil.

It is at this unformed period of life that we may be helpful in bringing the boy to himself.

Yet people go on their way giving scant thought to the great needs of youth who is reaching manhood. In a big sense every boy in the community belongs to us and we should be vitally interested in his welfare.

As a community we are not without blame, because we have done little to make the boys better, except, of course, in a vague, general way. Wake up and think this matter over.

Boys will be boys, it is true, but boys will be pretty much as we let them become when they grow up without the helpful efforts of the older members of the human family. Children are worth saving and the way to save them is to be interested in their welfare and help them to grow up and mature without having a stain on the names they bear. Each boy and each girl is a gift that has been given into our keeping and we as a community, are responsible for that gift. If that gift is broken and bruised and tarnished by bad habits, how far are we responsible for not recognizing the fact that our boys need an outlet that they may know and develop into self respecting manhood and if worthy things are not offered, Satan, who is by no means as careless as we are, will find plenty of work for the lads to do. Citizens and friends, it is time to wake up.

"Take care of the boy and the man will take care of himself."—Higgins News.

Edith

Mr. C. M. Phillips began picking cotton Monday. A few others will begin soon.

Mrs. T. J. Mansell from O'Donnell, Mrs. Eunice Mitchell and Miss Hazel Gaunet from Rochester, nieces of Mrs. T. I. Hammonds, visited her Friday.

Mr. and Mrs. Chas. Campbell and family visited relatives near Post Sunday.

Mr. McLendon and family who have been visiting near Ft. Worth the past three weeks returned Sunday. Mr. McLendon and son, Clyde, left Tuesday for Ft. Worth, where they will pick cotton awhile.

Mr. and Mrs. J. C. Campbell, Avis Campbell and Beatrice Hammonds visited in the Morgan community Sunday.

The brick and sand are on the ground for the construction of a new room to our school building. They began work this morning. We hope to have the building finished by October.

The singing school is progressing nicely with twenty students enrolled. It will close Friday night with a musical entertainment and pie supper. Everybody is invited to come.

Mrs. W. C. Pritchett and little daughters left Monday night for Dallas where the baby will undergo treatments from the doctor again.

There was a large crowd at S. S. and preaching Sunday evening. Bro. Winters preached. We had a good S. S. and preaching service also.

Mr. C. W. Krebbs, our Sunday School superintendent has not been

WILSON MAN DISCUSSES RELIGIOUS BIGOTRY

Much is being heard about religious intolerance and Church bigotry both through the press and from the hustings. There may be some justification in rare instances, but it strikes one as being a question of generalities without a case in point from which to draw a conclusion, in fact, a camouflage to divert attention from real issues.

On last Saturday the 15th inst. at Lubbock, Texas, there passed from the stage of action by death Enrique Silva, a well known and favorably known American citizen of Mexican extraction and birth who was forced to flee from his native coun-

try and seek refuge and safety under the Stars and Stripes, because of his belief in a Protestant form of religion. He entered Baylor University, finished his education, cast his lot with American people and his life and actions stand as a monument to honesty of purpose attained only in this liberal government of ours.

Early last week, becoming cognizant of his early demise, he sent for the Mexican Baptist Preacher, Felix C. Torres, and requested that his funeral arrangements be conducted under the rituals of the Protestant church with no Priest in attendance under any consideration, and the song entitled When The Roll Is Called Up Yonder be sung at his bier. When these requests were being carried out according to his will and the body had been prepared for burial, funds subscribed for the expense, a priest and two nuns made their entrance and ordered that no Protestant rites would be permitted, whereupon Mrs. F. E. Barron, a cultured, educated Spanish teacher in the Lubbock school, interposed and declared that Silva's wish would be carried out if it was the last act of her life. They were told not to touch the body lest it would be contaminated and unfit to be carried into the Catholic church, after which interruption they turned on Mrs. Barron and abused and threatened her with bodily injury and threatened to destroy her school and forcibly take the larger girls from the school, and they pointed out the Mexican Methodist Clinic which had previously been destroyed as an example of what would be done for her school.

Mrs. Barron left the premises for the purpose of consulting with the authorities by phone as to what course to pursue and in her absence the body was forcibly taken away and carried to the Catholic Church and afterwards buried in a grave dug by Silva's friends, and all this in Lubbock right here at our doors. The righteous indignation of the American people will rise and wipe this kind of stuff off the face of the earth like a prairie fire. Instead of cussing and villifying preachers in politics, you corn-fed politicians better be counseling patience and caution, because if this high handed bigotry is being practiced now in your very midst, what will happen when Al Smith is elected? But then, he is not elected yet already. The eyes of Texas are upon you, and you, and you.

J. T. WILLIAMS, Wilson, Texas

SHERIFF'S SALE

STATE OF TEXAS, COUNTY OF LYNN. By virtue of an execution issued out of the Honorable County Court of Lynn County, on the 7th day of August, 1928, but the Clerk thereof, in the case of Ivan Stoker, versus Geo. W. Smith, No. 505, and to me, as

Sheriff, directed and delivered. I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the 15th day of September, A. D. 1928 before the Court House door of said Lynn county, in the city of Tahoka, the following described property, to-wit:

The Geo. W. Smith Tailor Shop in the rear of the I. S. Doak Barber Shop in the town of Tahoka, Lynn County, Texas, including all furniture and fixtures therein.

Levied on as the property of Geo. W. Smith, to satisfy a Judgment amounting to \$528.56 in favor of Ivan Stoker, and cost of suit.

Given under my hand, this 5th day of September, 1928.

J. W. SIMPSON, Sheriff, Lynn County, Texas

By W. M. LEE, Deputy.

Grassland

The cotton is opening up quite a bit this dry weather, Mr. Langford getting the first bale last week.

Miss Ruth Childs visited her sister, Mrs. P. E. Adams, last weekend. She is teaching school at Berry Flat again this term.

Mrs. E. M. Walker returned last week from a visit to Timpson, Shelby county, where she has been to see her mother. Grandpa and Grandma Walker, came back with her. They have also been visiting there.

The Church of Christ Revival is in progress, with 9 additions to the church, and will continue through the week.

Mr. and Mrs. E. A. Thomas and daughter returned last week from visiting relatives in South Texas.

Mr. and Mrs. Roy Reed have a new-comer at their home. Mother and baby girl doing fine.

Mr. and Mrs. Hugh Odum have returned from New Mexico, where they have been looking after the father's property.

Mr. and Mrs. Hugh Odum are moving to Draw this week, where Mr. Odum will work at the Thomas gin down there. We are sorry they are leaving but hope to see them back with us again.

Mr. D. D. Odum is remodeling his home.

Misses Zuella and Gladys Fox visited in our community last week end.

Paul Lawson is at home for a few days. He has been working at Post.

Mr. R. B. McCord and family have moved to Tahoka. We surely hate to give this good family up, but hope they will come to see us often.

Mr. and Mrs. Claude Thomas visited Mr. and Mrs. Carlos Edwards of Three Lakes Saturday night.

O'DONNELL SCHOOL HAS ORGANIZED PEP SQUAD

O'Donnell's athletic teams will be helped along the road to glory by a well-organized and enthusiastic pep squad. With Miss Murel Smith as advisor and Irma D. Palmer, Florence Gary, Truett Hodnett, and Walter Gaston as pep leaders, the public may expect some demonstrations of the real article at games this year. -O'Donnell Index.

Get ready for the Fair Sept. 26 and 27.

CITATION BY PUBLICATION

THE STATE OF TEXAS COUNTY OF LYNN.

To the Sheriff or any Constable of Lynn county—Greeting:

You are hereby commanded to summon J. H. Kendall by making publication of this citation once in each week for four consecutive weeks previous to the return date hereof in some newspaper published in your county, if there be a newspaper therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Lynn county, to be holden at the court house thereof in Tahoka, on the fourth Monday in September, the same being the 24th day of September, 1928, then and there to answer a petition filed in said court on the 2nd day of July 1928, in a suit numbered on the docket of said court No. 729, wherein Nacoma Kendall is plaintiff and J. H. Kendall is defendant, said petition alleging that said defendant was guilty of such harsh and cruel treatment, that he inflicted such physical injury, that he made such false accusations concerning her chastity, and that he failed and refused to give medical aid during illness of said plaintiff, that the said plaintiff was forced to leave the bed and board of said defendant, and that the conduct of said defendant was otherwise of such a nature as to render their further living together in supportable without cause or provocation on the part of said plaintiff; that the plaintiff has been and is now unable to communicate with de-

endant because his whereabouts are unknown to plaintiff, and therefore unable to get service on defendant wherefore, plaintiff asks that defendant be cited to answer this citation and show reason why plaintiff should not have a decree from the above court dissolving the relationship of marriage between the plaintiff and defendant.

Herein fail not, but have you before said court on the said first day of the next term thereof, this writ with your return thereon, showing how you have executed the same.

Witness W. E. Smith, Clerk of the District Court of Lynn County, Texas.

Given under my hand and seal of said court in the city of Tahoka, this the 29th day of August, 1928.

W. E. Smith, Clerk of the District Court of Lynn County.

Issued this 29th day of August, 1928 A. D.

W. E. SMITH, Clerk of District Court of Lynn County.

Howdy, folks. Here we are again. Having some pretty weather for crop gathering. Some are picking cotton in this neighborhood.

School is progressing nicely. Every one seems to be pleased with the teachers.

We have started Sunday School again with a very good attendance. Every one is invited to help us in the Lord's work.

The baby boy of Mr. and Mrs. Walter Rhyne was recently run over by a car Sunday but is doing nicely.

Mrs. James M. Chandler and children of Fort Bayard, N. M., are visiting her parents, Mr. and Mrs. W. P. Inman.

Mrs. J. W. White is helping Mrs. Cobb and Mrs. Greenwood gather vegetables this week.

W. P. Inma and family returned Sunday night from their vacation trip to Concho county and the Llano River. They reported having a nice trip but never saw anything that looked as good as "Dear Old Lynn County."

A Subscriber.

Three Lakes

Brother Vinson will preach here Sunday, September 23 at 3 p. m.

Mr. and Mrs. T. M. Ellis returned from Glen Rose Friday.

Joe Allen Ellis, who has been sick for quite awhile, is greatly improved.

Miss Lenora Sikes entertained her friends Saturday with a birthday party. Lemonade and cake was served to about thirty guests.

Mrs. T. D. Lytle arrived here Friday from Vernon for a short visit with relatives.

Mr. and Mrs. T. M. Ellis Jr. spent Sunday with Mr. and Mrs. J. H. Barnett, Jr.

Mr. and Mrs. G. W. Hickerson visited Mr. and Mrs. W. E. Sikes Sunday.

A large number from here attended the social at Mrs. Yates' Monday night. Ice cream and cake was served to about one hundred guests, who joined in helping her celebrate the birthday.

Mr. and Mrs. Carroll Edwards are expected to return from Glen Rose this week.

Mr. and Mrs. C. H. Howell of Post visited his relatives, Mr. and Mrs. R. C. Scott. They report fine crops at Post.

—REPORTER

Conducting A B. Y. P. U. Study Course

A B. Y. P. U. Study Course is being conducted this week at the Baptist church courses being given each night. "It is treat that you shouldn't miss," said one of the members. "On Monday night there were about a hundred present. There are many good things there for you. Come and see", she continued.

The Study course is being given under the direction of Miss Grace Conn of Dallas, and she teaches Modern B. Y. P. U. Methods.

Mrs. Calloway of Sherman teaches a book for "Leaders and Sponsors" of Juniors and Intermediates.

Mr. D. L. Redmond, formerly of Post but now residing here, has charge of the Juniors. Mr. Key teaches the Intermediate Manual.

Miss Viola Humphries, a returned missionary from the interior of China will teach a book on Our Mission Work at Home and Abroad.

Rev. White, pastor of the First Baptist Church of Lubbock, will speak on Friday night.

There is a special inspiration period each night with something new each time.

While these courses are given especially for the benefit of B. Y. P. U. Workers and members of the Baptist denomination, yet members of other denominations are invited. The courses given are helpful to Christian workers of whatever denomination, it is said.

OUR MISTAKE

Last week we were requested by Happy Smith to insert for him a card of thanks to the voters of Lynn County for the liberal support which they gave him in the recent election and for the favors they had extended to him in previous elections. We overlooked this item and failed to publish it. It was not Happy's fault, however, for he is thoroughly appreciative of the support given him and wanted to say so to the folks. He wants to say again that he thanks you.

The Electra Chamber of Commerce has sponsored a road to tap the virgin trade territory in the oil district. It acquired the deed, secured the field notes, and started the work on the road, which will be 12 miles long.

MRS. W. A. YATES HONORED WITH BIRTHDAY PARTY

Mrs. W. A. Yates was given a surprise party Monday night by neighbors and friends in honor of her sixtieth birthday.

While Mr. and Mrs. Yates were visiting Saturday and Sunday in Big Spring, the three daughters, Mrs. T. N. Hale, Mrs. John Fulford and Mrs. Dura Barham planned a party in their mothers' honor. They accordingly baked an immense cake and provided large quantities of ice cream, having invited in the neighbors and friends; and so at the appointed hour, to the great surprise of the honoree, the guests began to arrive and continued to do so until the crowd numbered more than one hundred.

It was an occasion of feasting and merriment, of happy conversation and many congratulations to the good woman in whose honor the party was given.

Following the feast, the old time game of "snap" was indulged in by young and old alike. No, there were no "old", for, for this hour, all became young again. It was a great occasion.

MISS MYRTLE MURRAY EXPRESSES THANKS

The News has received a communication from Miss Myrtle Murray, District Agent at Lubbock, thanking this paper for the cooperation it has given Miss Halsey in her work here as county home demonstration agent.

The News has given this cooperation

tion because it believes in the work. We expect to give the same support to Miss Greenwade, and we wish to again request that local women's and girls' clubs throughout county send in reports of their work from time to time and we shall be glad to publish them.

We wish you a good time

At The Fair

Come in and see the exhibits of farm and garden products, dairy products, etc. This Fair should encourage Diversification.

Cotton may be the big money crop, but it is the fellow who raises his living at home who will be able to deposit his cotton money in the bank and leave it there for a "rainy day."

We believe in fine stock, fine dairy cows on the farm, hogs, poultry, gardens and fruits.

Let's raise our living at home and grow rich.

BULLDOGS WIN INITIAL GAME

O'Donnell Goes Down In Defeat By Score Of 13 To 0 In Game Here Friday

(Principal Nat Williams has furnished us with the following account of the football game played on the Tahoka gridiron between the Tahoka Bulldogs and the O'Donnell team on last Friday afternoon.)

The Tahoka High School football team drove through the line and around the ends to win over the O'Donnell team by two touchdowns. The Tahoka boys played straight football all the way through attempting no passes or fake plays. O'Donnell attempted nine passes, completing two. One was intercepted by Fulton, right for Tahoka, and the remainder were either grounded by Tahoka men or fell untouched.

The first part of the game brought many fumbles on the part of both sides. However, this was to be expected since it was the first game of the season and the first game of all seasons for several of them. After the first quarter most of the boys got over their nervousness and played good football.

The best ground gainer who did all the scoring on the field was Short, fullback and Captain for Tahoka. But he was ably assisted by Fulton, Edwards and Minor. In the line Buck Barnes showed up to a good advantage being especially adept at getting the man when O'Donnell was carrying the ball.

In the O'Donnell backfield, Clayton seemed to be the most valuable man. He showed good generalship in directing the work of his team and was capable of making gains carrying the ball. Also he shared the punting honors with Everett, O'Donnell fullback. A report would not be complete without giving honorable mention to Gardenier, right half-back for the visitors. He made some nice gains with the ball and was especially valuable in running inter-seemed to have a wealth of material, the cream of which looked to be Grider, right guard and line, right tackle and captain.

The O'Donnell team was considerably handicapped by having only two weeks practice before the game. The tale could be a different one when the same two teams meet in O'Donnell November 2.

O'Donnell Position Tahoka
Eckles left end Moffett
Gaston left tackle George
Stokes left guard Speight
Milsap center Barnes
Grider right guard Thompson
Line (Cap) right tackle Lawson
Tune right end Willingham
Clayton quarter back Edwards
DeBusk left half back Minor
Gardenier right half back Fulton
Everett full back Short (Cap)
Substitutes: Tahoka: Ketter,
Mourfield, and Benson; O'Donnell:
Miller, Keith, and Vaughn.
Officials: Referee, Jean Taylor, T. C. U.; Umpire, M. L. H. Baze; Field Judge, Harry Taylor, T. C. U.; Head Linesman, Evans.

Grassland Organizes Missionary Society

The ladies of the Grassland M. E. Church organized a Woman's Missionary Society Friday afternoon. A number of Draw women assisted in the organization, including Mrs. Hamilton Wright, president of the latter society.

Mrs. Price Thomas was elected president and Mrs. O. H. Hoover corresponding secretary of the new Grassland society. Other officers are to be elected later.

Mrs. Gossett, zone leader, living at Garlynn, was present, with a Mrs. Cook, to assist in the organization.

An advertising trip of citizens to go from Cisco to Matamoros, Mexico via San Antonio and Brownsville, is being planned to start October 10 or 12. The trip is estimated to cost probably \$40.00 per person.

Mathews Discusses Presidential Race

(Fred Mathews of Grassland has sent us the following discussion of the pending Presidential campaign for publication.)

The article sent in by Mr. Adair is erroneous, as will be shown. I am not acquainted with many Catholics and have not questioned any of their political views, but Mr. Lucy, a Roman Catholic, is one of Hoover's lieutenants in Texas. Common sense will teach that this religious intolerance and abuse will drive the Catholic vote to Smith. I have more admiration for these self-styled Hoover Democrats that will frankly admit that they are opposing Gov. Smith because of his religion than their weak contention of his prohibition views. Personally I have more respect for Tammany Hall and other Northern machines than for our Texas and other Southern machines. They do believe in some freedom, while some of these politicians in Texas passed the Terrell election law in 1905 and then attached this iniquitous party pledge to the primaries in a special session of the 1905 legislature. So the state executive committee has added this pledge to the national elections two times. While I am opposed to all party pledges I believe one should not be a hypocrite and should exterminate the primary pledge or pledge the entire ticket.

These self-styled Hoover Democrats should have enough respect for the Republican party and support the Republican nominees and electors and quit trying to put blotting Democrats in their place or hop on the Smith band wagon with the rest of us. If they have not enough respect for the Republican regulars, then they are getting in bad company.

I am supporting the Democratic ticket, believing it to be to the best interest of agriculture at the present time. The Republican platform, also Mr. Hoover's definition, is as follows: Higher tariffs on agriculture, Development of inland water transportation, and Federal loans to co-operative associations.

The first is impractical, because Canada ships us some wheat, or all together \$450,000,000 imports, while we export \$850,000,000 to Canada. The Senate won't let that measure get by.

Next, common sense will teach that inland waterway transportation will not benefit over one per cent of the country.

Now as to Federal loans to co-operative associations, then that is easy answered. All of the Farm Bureau members, including myself, have been taken to a cleaning 'this year. We all believe the books are straight but that there is some crookedness up the line. We all know how straight the Post Office is run, so we believe the Government should control our marketing systems. Having received sixteen cents, middling basis, for our cotton, and having no comeback, we have only one hope, and it is in the Democratic platform and nominees. Mr. Smith has pledged to this plank, the creation of a Federal Farm Board and the financing of co-operative associations to deal with crop surpluses.

I shall now answer Mr. Adair's ridiculous article. Mr. E. I. Dupont has donated \$30,000 to the Democratic cause. Mr. Adair failed to speak of his brother, Lamont Dupont, coming out for Hoover. Mr. Raskob criticized Mr. Lamont Dupont's prohibition stand on taking beer and wine from workers but failing to mention taking whiskey and champagne from his aristocratic associates. There is more truth than poetry in this. Personally I am opposed to tampering with the Eighteenth Amendment as strong as Mr. Adair.

Now on his nigger and baby kissing. The papers state that Hoover refused to kiss babies, and we have no record of Smith doing so either. We are always afflicted with negro prejudices in the Democratic party, and I have no sympathy for Governor Bilbo's statements on the negro

Republican party. The Republicans are also trying through Senator Curtis to abuse this tariff issue when both parties are now for a protective tariff.

Concerning W. J. Bryan, we don't know whom he would support, but his brother, former Governor Charles W. Bryan of Nebraska, is now a candidate for governor of Nebraska and has issued a statement that he is supporting Gov. Smith and Senator Robinson.

Concerning the gang leaders of these criminals of Chicago, Detroit, St. Louis, Los Angeles, and other large cities, supporting Smith, it sounds improbable. Governor Smith has never been lenient to criminals, and I think the Baumes law was passed during his administration. The Baumes law makes each succeeding offense of a criminal subject to a higher penalty, so that the fourth criminal offense lands a criminal behind bars for nearly a life time. Common sense will teach that gangsters have nothing in common with Smith. We notice that Mr. Adair failed to mention any of New York State cities.

Concerning prohibition Gov. Smith favors modification but pledges support of the Eighteenth Amendment and all other laws. It takes two-thirds of the Senate and House to amend the Constitution and three-fourths of the states to ratify it. The Eighteenth Amendment has been passed to be constitutional by the United States Supreme Court. Judge White of the Supreme Court, a Roman Catholic, upheld the verdict. The Senate and House are dry. So it takes two-thirds of the Senate to pass on any appointee of the President. Gov. Smith had too much sense to pack the court with men obnoxious to law enforcement, knowing they would be blocked if he attempted to do so. The Supreme Court can not undo legislation that has already been passed and held constitutional by the former Supreme Court.

The next answer is War records. Mr. Hoover was a member of the cabinet during the war, so was food administrator. He was never on the firing line. Gov. Smith was in the legislature of New York and was

governor towards the end of the war. Woodrow Wilson sent a very congratulatory message to Governor Smith when he defeated Governor Miller six years ago. So Smith must have had his approval.

As for La Follette, then Senator Wheeler of Montana, who was La Follette's running mate four years ago, is supporting Governor Smith and classes him as a liberal and worthy of the office.

Respectfully,
FRED MATHEWS.

Gossett To Consider New Church Bldg

Rev. Hamilton Wright, pastor of the Draw-Grassland-Gossett Methodist churches will preach morning and evening at Gossett, Garza county, September 30 according to announcement made here.

At that time consideration will be given of the plan for erection of a church edifice which was deferred until outcome of crops could be determined.

IRRIGATION

Statistics on irrigation districts in the Lower Rio Grande Valley compiled up to July 1, 1928, show that there are 12 such districts serving a gross acreage of 516,700 of which 456,000 is actually irrigable. Lands irrigable outside the present area totaled 575,000 acres of which 488,000 acres are actually irrigable. The value of irrigation works in the Lower Rio Grande Valley is \$13,594,000.

The \$300,000 Education Building at the West Texas State Teachers College is to have the most modern of equipment for the teaching of grade and high school students. It is to be dedicated with a special ceremony October 19.

Work is progressing on the Olton School House which contains eight large class rooms and a library. The building is costing \$45,000, and will be modern in every feature when finished. Twenty per cent of Olton scholastics are in high school.

To Hold Quarterly Conference At Draw

The fourth quarterly conference of the Draw-Grassland-Gossett Methodist Churches will be held at Draw, Sept. 22 and 23, according to an announcement by Dr. D. B. Doak, presiding elder of the Lubbock district.

Many delegates and members from the three points will be present. The business session will probably be held Saturday afternoon Sept. 22, following a dinner to be served on the ground by the women of the Draw church. Dr. Doak will probably preach Saturday morning, afternoon, evening and again on Sunday morning. Then he will go to O'Donnell to hold the fourth quarterly conference at that place.

The attendance is expected to be large.

SUCCESSFUL MEETING AT GRASSLAND CLOSES

A successful revival meeting conducted by Elder W. A. Bentley of Abilene under the auspices of the Church of Christ came to a close at Grassland Wednesday night. There were eight baptisms and three restorations during the meeting. Interest was fine throughout the meeting, according to W. T. Garnett, a member of the congregation, and he expressed the deepest gratitude to the people of Grassland and vicinity for their cooperation in making the meeting a success.

Elder Bentley will hold a meeting at the same place next summer.

ASSEMBLY OF GOD CHURCH TO HOLD REVIVAL AT DRAW

A week's revival will start at Draw Assembly of God Church, Sunday, September 23, with Mrs. Lou Hale of Bakersfield, California, as evangelist. Services will begin at 8:00 p. m. Everybody is cordially invited to attend. Don't fail to hear "the little woman with the big message."

Bring your exhibits to Tahoka for the Lynn County Fair, September 26th and 27th.

TAHOKA PLAYS LUBBOCK SAT.

Slaton Plays Here Thursday; Wilson To Meet Lubbock Team Here Wednesday

Tahoka will meet the Lubbock Senior High School football team here Saturday afternoon instead of the Junior High School team, as previously announced by the press. The game will be called at 3:00 o'clock.

Lubbock has an excellent team, and it is out to cop the district championship. They have at least 40 men out for football that are of first team calibre. Part of them will be used in a game with Post Friday afternoon, and another eleven with Tahoka Saturday.

Tahoka meets Slaton at the Lynn County Fair next Thursday afternoon at 4 p. m. Slaton won the district and the bi-district championships last year, and has promises of winning the same honor this season. In these two games Tahoka fans will have an opportunity to see two of the best teams in West Texas in action against the locals. Wilson is scheduled to meet Lubbock Junior High School here at the Fair Wednesday afternoon at 4 p. m.

All of the Tahoka gridsters are said to be in excellent shape for Saturday's game, and a hard fought contest may be seen. Prospects of a good Bulldog team are growing better all the time, according to Nat Williams. Bonnie King a former letter man of note, has returned to school and will be eligible to play in four weeks.

Be at the games Saturday, Wednesday and Thursday, and help put Lynn county on the map athletically!

FAIR MEETING HELD AT NEW HOME WEDNESDAY

A party of Tahoka people consisting of Prof. Taylor White, and Miss Thelma Greenwade, Mr. and Mrs. Jackson, and the famous Denkey Quartet composed of Messrs. Baze, Williams, Nelson and Towns visited New Home Wednesday night in the interest of the fair to be held here on Wednesday and Thursday of next week. They were greeted by quite a crowd of New Home folks who assured the visitors that New Home would be here with an effort and would be well represented at the fair.

A n entertaining program rendered by the visitors.

Thieves Operating In Draw Vicinity

Thieves have been operating quite extensively in the Draw area recently. Several auto tires have been taken and one of two houses entered and articles taken.

The most recent theft was Sunday evening when the spare tire of G. A. Pugh was taken from his car parked at the Methodist church. The home of Kirk Johnson, residing five miles south, was entered and a few minor articles and about 50 chickens taken.

Grassland Methodists To Dedicate Church

The Grassland Methodist church will be formally dedicated in an impressive ceremony Friday evening, Sept. 21, by Dr. D. B. Doak, presiding elder of the Lubbock district, according to an announcement made by the pastor, Rev. Hamilton Wright.

The Methodist ritual will be employed and the church formally presented by the officials of the Grassland congregation. The church was completed and paid for about three years ago, but the observance of the dedicatory ceremony has been postponed repeatedly due to the absence of the pastor who constructed it. Rev. "Bill" Hart of O'Donnell

PICTORIAL LIFE OF HERBERT HOOVER

No. 11

By Satterfield

1. In Europe on an official mission in 1914, Hoover was alarmed at the international hatreds that he saw.

2. War came, with 300,000 Americans stranded in Europe. Hoover took the emergency job of helping them.

3. Then arose the call of the refugees. Hoover stepped into the breach to handle this... of operations.

4. His travels of Belgium stirred his sympathy and imagination. He felt that fate had called him.

Find Canoe Belonging to Age of Bronze

A boat, tied to its landing wharf for 3000 years, has been found buried under six feet of peat in an ancient bog in upper Suabia, according to Dr. Oscar Parot, a Stuttgart archeologist. It is a dugout canoe about fifteen feet long, hollowed out of the trunk of a giant oak. The sides, Doctor Parot says, were shaved down to a surprising thinness. Several paddles were found in it. A number of earthen vessels and bronze objects found in the bog around it date the boat as of the Bronze age, about 1000 B. C., contemporary with the siege of Troy and the reign of Solomon in Jerusalem.

The boat was found at the end of one of three long narrow canals which run back to the vicinity of the remains of a number of bogs. Apparently there was once a village on the edge of the bog, on solid ground separated from the open water of the lake by a wide, marshy margin, which could be crossed only by these canals. When the village site was abandoned, the vegetation in the bog and the lake continued to grow until the lake disappeared and the piling up of the dead leaves and stems buried all the works of the ancient men who lived there and used to go fishing in their dugout canoes.

Knowledge of History Duty of Citizenship

There never was a time when the average man needed to know more about the continuity and tradition of his race than in this age, when he is beset on all sides by agitators who seek to trample under foot anything that custom has hallowed or experience taught us to be true. Bacon advocated the reading of history as making men wise, and it is to be hoped that this revival of interest in our country's story is being undertaken in the spirit that ought to underlie all our reading, not that of blind acceptance, or that of contradiction, but with an open, alert mind, so that we may weigh and consider well before lending our support to or withholding it from any proposed political reform. The reading of history is the first duty of citizenship.—Exchange.

Lost Art of Individuality

Nobody wants to be individual all these days. Alike as rabbits, we are. Running with the pack. One hole, and millions seek the others. One skirt slips up to the knees and all the other skirts spring up into place as at a given signal. One woman decides not to bother with all that bleaching her summer tan, and deep ochre powder becomes the rage. Men echo each other in opinions—they're always echoed each other in clothes—women repeat one another in faces. In the type of head (too large lends any more, heads must be small no matter what Nature has done to you), in clothes, and in conduct. We're as standardized as Ford. Even artists look like business men—and yet they don't feel or think like business men. And young girls look and act like women of thirty. And women of fifty can't tell themselves from their daughters.—Delineator.

Rich Man's Lot Easier

The rich man today has an easy time of it compared to his brother who lived in ancient times when wealth was wholly in the form of land and houses and flocks, according to J. M. Campbell writing in the New Age Illustrated. "The rich man of a thousand years ago," he says, "was really the slave of his possessions. The more land he owned, the more houses, the more cattle, the more sheep and horses and goats, the more firmly was he tied; and the harder he had to work. But the rich man of today can turn his belongings into income-producing securities and go where he pleases. For a comparatively small sum he can rent a safe-deposit box in which his stock certificates and bonds and mortgages will be safer than they would be if he kept them in his own hands."

Work on the Muladine gin is being rushed in order that all of this season's crop will be handled. New machinery is being installed and the plant will be modern in every respect.

The Methodist revival at Draw came to a close Sunday week last. Several conversions and additions were reported. The preaching was done by Rev. Elmer Crabtree, pastor of the Southland-Carlyle circuit. His messages were forceful, impressive and inspiring.

Locals

J. A. Jaynes of New Lynn informs us that county agent Eaton of Lubbock and county agent Parr of Post are to meet at his place Friday morning to inspect his maize. He has developed a very high grade variety, which he believes surpasses any yet developed on the U. S. experiment farms. He has invited Mr. Jones of the Lubbock experiment station to also be present and inspect his product. Any Tahoka people who are interested are also invited to go out.

J. C. Welch and S. J. Smith were business visitors to Seagraves Monday. Mr. Welch says that the cotton in the vicinity of Seagraves is earlier and has suffered less damage from worms than here. Much of the cotton is open and is being picked. He saw almost twenty pickers in one field. Five bales were ginned at Seagraves the day he was there, and it will come in rapidly from now on.

Mr. and Mrs. W. D. Nevels took their daughter, Miss Willie Lois, to a sanitarium at Lubbock this morning to undergo an operation for some kind of an affection of the bone of one of her arms, possibly a tumor of some kind on the bone. It is to be hoped that the operation will be entirely successful and the affected member will speedily heal.

Ernest Cowan left today to enter the Texas Technological College at Lubbock. Ernest was a member of the graduating class of the Tahoka High School last spring and made a splendid record as a student. He will doubtless make good in the Tech.

Overalls, Jumpers, Work Pants, and all kinds of Work clothing at Larkins.

Mrs. Vickery of the T-Bar community, mother of J. B. Vickery of this city, underwent a minor operation in a Lubbock sanitarium Tuesday. She was able to return to her home Wednesday afternoon.

FOR SALE—Martin Darcas strain White Wyandotte cockrels. Price \$1.50—W. R. Ledbetter, O'Donnell, Texas, Rt. 2.

L. F. (Dad) Garnett, an old-time citizen who lives southeast of Tahoka, was able to be in town today, after having been confined to his room for several weeks. His many friends hope for his complete restoration to health speedily.

Ladies and Children's dresses, gingham, satens, ladies hats, etc., at Larkins.

Sheriff and Mrs. J. W. Simpson visited relatives at Winters last week end, going down Friday and returning Sunday. Mr. Simpson says that the cotton crop in Runtella county is not at all promising. He does not think that the yield per acre will be as good there as in Lynn county.

L. F. Goad and Joe Curry of New Moore were business visitors in Tahoka Tuesday. Mr. Goad says that there is much good cotton in his section of the county.

County Superintendent H. P. Caviness, accompanied by Rev. J. W. Pippin, visited the school at Wilson and Morgan Tuesday. Tutufoda nFB

Fit the school children up in our shoes. Good line and prices right—Larkins.

R. E. McCord recently purchased the residence of E. H. Bouillon in Northwest Tahoka and has moved from his Granddams farm into the new residence. Glad to have R. E. in town.

J. O. Tinsley, who lives one mile north of town, was brought home from a Lubbock sanitarium Sunday after being operated on for appendicitis nine days previous. He is now rapidly on the road to recovery.

Miss Elva Massengale of Winters has been added to the faculty at the high school building, being employed as teacher of one section of the seventh grade. Miss Massengale holds an A. B. degree and has had several years experience as a teacher. She is a niece of J. J. Massengale of this city and happened to be visiting here when it was decided to add another teacher to the faculty.

P. G. Allen of Brownfield was in Sunday as the guest of C. C. Deane of the N. U. Studio.

Mr. and Mrs. Homer Hughes, Rising Star are visiting Mr. and Mrs. J. O. Tinsley this week.

Come to the Lynn County Fair, September 26-27.

Mrs. E. R. Bouillon was a visitor Wednesday.

Gas was turned into the main lines from the Amarillo oil field last week. Demonstration of stoves for the new fuel has been in order of the day since, with the result that a number of people are buying stoves before cold weather.

Come to the Lynn County Fair, September 26-27.

L. F. Frazier says that the little girl who came into their home two weeks ago is growing prettier and sweeter every day. They have named her Ethel Goodwin.

Roy Tinsley and wife of Houston were here last week visiting J. O. Tinsley and family.

AIR PASSENGER LINE WILL PASS THRU WEST TEXAS

DALLAS, Sept. 18.—Operations over Dallas' third air-line, carrying passengers, freight and express will begin Thursday, officials of the American Air Transport company announced today.

The new line, with Dallas its eastern terminus and Amarillo the western terminus will serve North and West Texas territory heretofore not touched by air-lines.

Four Ryan brougham planes delivered this week for the new line will operate from Dallas to Fort Worth, Gainsville, Wichita Falls, Plainview, Lubbock, Midland, San Angelo and Abilene, returning by way of Fort Worth to Dallas. One plane will leave daily from each terminus. Each ship will have a capacity of five passengers and pilot, with a large compartment for freight and express matter.

No Word Received Here
 Although no direct word has been received by civic organizations in Lubbock relative to the proposed airline, it is presumed that the planes will land at the temporary municipal air port about two miles north of the city adjoining the Plainview highway.

It is understood that a downtown office for the company is to be opened but no definite word on this matter has been received.

Gary E. Prebenson, Wichita Falls representative of the American Air Transport company were in Lubbock about a month ago making plans for beginning of the new airline.

CAR RUNS OVER CHILD

The little two-year old child of Mr. and Mrs. Ovid Luallin was run over by a car driven by a lady Wednesday evening, and witnesses say that one of the wheels of the car passed directly over the child's body, yet not a bone was broken and no serious injury was inflicted. A physician was called immediately to treat the supposed injuries but he found them to be of only a minor nature.

The accident occurred in the street near the Luallin home. The child was playing in the street, and the lady driver of the car, blinded by the sun which was shining directly into her face, failed to see the child until too late to avert the accident.

Investigates Methods Of Handling Cotton

Austin, Texas, Sept. 18.—Investigations of the methods of handling cotton in Bremen, Germany; Basle and Zurich, Switzerland; Milan, Italy; Havre, France; Ghent and Antwerp, Belgium; Rotterdam, Holland; and Liverpool and Manchester, England; were carried on last summer by Dr. A. B. Cox, director of the Bureau of Business Research of the University of Texas and a recognized international expert on various phases of the cotton industry.

He has just returned to the University from his three months' visit to these cotton and spinning centers of Europe and states that cotton spinners of that country have a feeling that Texas cotton is losing the quality of its staple.

"The criticism of Texas cotton among European spinners is due to the short length and character of the staple," Dr. Cox said.

"Notwithstanding this apparent falling off in quality, Texas cotton still brings a premium over other American cotton. The fact should not be lost sight of by the cotton growers of this State that much improvement is taking place in the grade of India cotton, some of which now brings a premium over American cotton. Egyptian cotton is also being improved.

Dr. Cox went to Europe as the representative of one of the largest firms of cotton controllers in the world. This firm has general offices in Boston and Bremen. It handles cotton for American shippers, performing the services of weighing, sampling, taring and classing. In each of these foreign cotton markets he investigated these several phases of the industry. Incidentally, Dr. Cox made a complete moving picture record of methods of handling cotton in foreign markets. He will use these pictures to illustrate his lectures in giving his cotton courses at the University. He also acquainted himself with all changes made in the rules of handling cotton and brought his knowledge of the different foreign elements that enter into the industry up to date.

SCHOOL OF AERONAUTICS BEING CONDUCTED HERE

One Mr. Crewdson of Big Spring is here conducting a school of aeronautics. Instruction began last Monday and will continue for about 20 days. Lee King and possibly others are taking lessons. A Lincoln Standard air plane is being used.

CUSTOMERS BUY MORE UTILITIES SECURITIES

Nearly three and one-half million shares of stock and other securities were sold to their customers last year by the electric utilities of the country, an increase of almost 30 per cent over 1926, itself a record year, according to the Texas Public Service Information Bureau.

In 1927, also, the number of utility companies undertaking customer ownership sales increased from 228 reporting in 1926 to 242.

The number of new customer-owners, including employees of the companies who purchased securities in 1927 was 235,674, and these bought 3,484,000 shares or approximately 15 shares apiece.

It is estimated that the electric utility companies of the country now have customer and employee stockholders owning 16,622,000 shares.

ENGINE DERAILED IN LOCAL R. R. YARD

While doing some switching in the local yards, the engine of the south-bound train jumped the track here Wednesday afternoon, due to a broken rail, and it was several hours before the crew succeeded in placing it back on the track. No serious damage resulted.

Coleman is starting a home beautification project which when completed will include a boulevard entirely circling the city. Two parks and the site for a new park recently donated by an interested citizen will be given attention.

Bring your exhibits to Tahoka for the Lynn County Fair, September 26th and 27th.

Tahoka, Texas
 Sept. 28, 1928

Dear Friends:

Did you ever try to wash a woolen blanket? I never did, myself, but I'll bet it would be an awful job.

But I certainly never would clean a blanket that way now—since I've seen 'em cleaned here at Craft's.

Several nice woolen blankets have come in lately for dry cleaning and they certainly do look nice, after they come through the cleaning and steaming process.

The boss says that blankets ought to be cleaned frequently, both for cleanliness and sanitation. Doctors say so, too. Better call Number 96 and ask him about this blanket cleaning.

Yours truly,

Bon Jive

P. S.—Folks be sure and come to the fair and then to see us.

Bring your exhibits to Taboka for the Lynn County Fair, September 28th and 29th.

ENGLISH THEATRE

Friday Night Only

'High School Hero'

With Sally Phipps, Nick Stuart, Charles Padlock, and John Darrow.

Rampant youth in a Boileau ball romance.

Boys will be boys and girls will be girls, especially when you mix them together in high school.

Many a fair high school co-ed can teach her professor a thing or two.

The last minute of play often decides who'll win the game of basketball and who'll win the girl.

How a game of basketball made life long friends of bitter enemies.

Saturday Only

TOM MIX AND TONY, THE WONDER HORSE

'Silver Valley'

A "Singing" western Romance with Dorothy Dwan.

Monday & Tuesday Sept. 24-25

Colleen Moore

In her latest and one of her most thrilling pictures.

'Happiness Ahead'

With EDWIND LOWE

Colleen Moore in her most charming role. The world's most popular star in a story of appeal and charm. The favorite of millions in a role you'll never forget. Good news for picture-goers. There's "Happiness Ahead."

Wednesday Only, Sept. 26

'Adventure Mail'

The thrilling, dramatic story of a man who loves adventure. Thrills are a tonic to him—danger is what he craves. It's calling; I must go.

Thursday Only, Sept. 27

'Becky'

With SALLY O'NEAL AND OWEN ROOSE

A lavish and spectacular Cosmopolitan production. If you are crooked, find "Becky" and go straight. This is the story of a girl who fought straight for a crooked lover. If you are Irish, you will like it; if you are Jewish, you will like it; if you are American, you will love it.

BOY PREACHER ADDRESSES CROWDED HOUSE AT O'DONNELL

Cecil Tams, fifteen-year old boy preacher, spoke Sunday morning and evening to congregations which filled the Methodist Church here.

Very slender and boyish, he walked to the pulpit Sunday morning, and opened his Bible with only a slight tremor to show his youth and inexperience. Pausing a moment to regain his self-possession, he calmly read to his lesson the second chapter of Jonah, and developed it with an ease and depth far beyond his years. He is an interesting speaker, his simplicity and earnestness and very evident sincerity making up for any lack of training. As evidence that he was appreciated here, the congregation at the evening service was fully as large, if not larger, than that of the morning hour.—O'Donnell Index.

JUDGE MCGUIRE GRAND-CHILD SCALDED TO DEATH

George E. Low, who was a business visitor in Brownfield Monday afternoon, brought back the information that while there news came to District Judge Gordon E. McGuire, who was there holding court, that a little grandchild of his at Odessa had just been scalded to death. Details of the tragedy were not given. Judge McGuire left immediately for the scene of the tragedy.

Bring your exhibits to Taboka for the Lynn County Fair, September 28th and 29th.

Brick Proves Durability

A chimney of brick 175 feet in height stands like a sentinel over the abandoned mining town of Belmont near Tongah, Nev. This chimney, erected in the boom days of the town, showed the spirit of the men who sought better living conditions in these communities that sprang up over night. Brick was hauled from Saratoga, a distance of more than 500 miles, by means of ox teams. Withstanding the attacks of weather for 75 years, this chimney is in as good condition now as it was when erected by the gold-mined first inhabitants of the town. It gives mute testimony to the durability of common brick.

Didn't Know Him

Margie, aged five, was surprised when, after her mother read her a story from a humor column, she told the little girl the story was about her, not. The story told briefly of Margie's interest in birthdays and how on February 22, when her older brother told her that it was George Washington's birthday, Margie had asked excitedly, "What did he get?" and her mother had insisted that she was the little girl that made the remark. Margie said, discarding, "Why, mother, I didn't say that. I don't even know George Washington." — Indianapolis News.

Time to Be Cautious

The commonly accepted explanation of the saying, "Beware of Greek-bearing gifts," is to be cautious in trusting persons who introduce their proposals or requests with gifts. The origin of the saying is a matter of dispute and is recorded by some authorities to Virgil's statement, Aeneid, II, 41: "I fear the Greeks, even when they bring gifts." Presumably this referred to the wooden horse stratagem at the siege of Troy.

Long and Short of It

The late Mrs. Mary Emory of Cincinnati whose collection of art gallery was bequeathed to the Cincinnati Art Museum, was a generous patron of painters, poets, sculptors and musicians.

One, at a Cincinnati tea, a clergyman praised Mrs. Emory for the present she had bestowed on an aged novelist.

"Oh, well," she said in answer, "art is long, but artists are always short."

W.O.W. Has Great Faith In Future of Texas

Here are \$80,000,000 in bonds being handled by employees of the Woodmen of the World. W. A. Fraser, Sovereign Commander, is standing with a group of bonds in his hands. \$24,342,392.26 of these bonds represent Texas investments. The employees are clipping the semi-annual dividend coupons.

That the Woodmen of the World Life Insurance Association has faith in Lynn County is evidenced by the fact that W. O. W. has \$222,000,000 invested in municipal bonds of this county, according to a statement made by W. A. Fraser, Sovereign Commander of the Woodmen of the World and President of the Globe Life Insurance Company.

"The Woodmen of the World has great faith in the future of this state," said Mr. Fraser.

Sovereign Commander Fraser also announced that the Woodmen of the World Life Insurance Association now has \$24,342,392.26 invested in municipal bonds in the state of Texas.

"Our funds are used to help the development of the various parts of the United States where Woodmen of the World members are located," said Mr. Fraser. We are glad in having the opportunity to aid the various counties and states in building roads, school houses, court houses, street improvements and other municipal enterprises.

Educational Films Being Produced

The University Film Foundation, with the aid of the physical resources of Harvard University, is producing educational films along lines which should prove of great benefit to schools and universities. Except for historical films, the educational possibilities of the motion picture have not been developed up to their full strength. The handicap has been the lack of facilities with which to work. The co-operation between the film foundation and Harvard is making possible the production of films extremely useful to smaller institutions not as abundantly endowed with equipment. In process of production are films on fundamental studies such as botany, zoology, chemistry, geology, anthropology, and the fine arts. Future production plans contemplate films on subjects relating to medicine, public health, physical education, industry and commerce. Eventually nearly every field of learning and human pursuit will be brought to the screen. Correlated with regular courses of study educational films should provide a ready and practical means of furthering the spread of education. The enterprise opens up possibilities of extension work such as no university has ever attempted before. Properly produced, the new films will meet with instant demand from public schools, institutions of higher learning, museums, clubs, churches, libraries and other groups and institutions. The good they will do will be inestimable, but apparent to all. — Hamilton Herald-Record.

We Invite You

To come in to the Fair

Have a good time; see the exhibits; enjoy the races, take in the amusements; and be sure to visit us. We want to help you enjoy the occasion.

FAMILY REUNION AT ENGLISH HOME SUNDAY

They had a big dinner out at the home of R. E. English Sunday when we say big, we mean big. They had four big fat fried chickens and other things to match. It was a gala occasion, when the English and Small families met to enjoy a family reunion. Those present besides Mr. and Mrs. D. R. English were Mr. and Mrs. C. S. Small, Misses Ida and Alice Small, Mr. and Mrs. Irvin Stewart, all of Taboka, Mr. and Mrs. Maurice Small of Saban, and Mrs. Raymond Hatch and Misses Raymond Bryson and Mrs. C. W. for and little daughter, all of Lamona.

KEYLAND HAS BIG SHOW

Great crowds of people came into W. E. Keyland's store the afternoon Friday night for his big Fall Opening Show, which began at 8 o'clock. Living models displayed and the show was a thing from start to finish. It was fully pronounced a great success.

COMMUNITY FAIRS COUNTY FAIRS

Are both for the development of country. No community can develop faster than its public utilities. We strive at all times to render the greatest service possible to the community and materially assist in the development of our great country.

May we have a splendid fair next year?
