

Lynn county, in the heart of the best diversified farming country in Texas.

The Lynn County News

We invite you to locate in beautiful Tahoka. Good homes, good schools, good churches.

Volume XXV.

Tahoka, Lynn County, Texas, Thursday, October 18, 1928

Number 8

GATHERING OF COTTON SLOW

600 Bales Ginned in Tahoka To Date; Pickers Are Badly Needed; Cold Wave Hits

While cotton is coming in much more rapidly each passing day, still there is no cotton rush yet, due to the lack of pickers as much as the lateness of the crop. Farmers everywhere are now hunting and crying for pickers. Some of the gins here are running almost full time but most of them are still idle much of the time. Up to Wednesday night only about 490 bales had been received at the local yard. Some of the cotton ginned at the Farm Bureau gin does not go through the local yard and none of the round bale cotton does. Approximately 600 bales all together have therefore been ginned here.

Mr. Metcalfe, the Wilson public weigher, reported Wednesday afternoon that almost 200 bales had been ginned there. O'Donnell is leading in the number of bales ginned but we have no report as to the actual number of bales ginned.

Many farmers say that they have much cotton open. The weather has been fine for maturing young bolls during the past few weeks, and though the total yield of the county is exceedingly difficult to estimate, yet farmers, gin men, business men, and cotton buyers all agree that the prospect is much better now than it was three weeks ago. If this fine weather continues for three weeks longer before a freeze or killing frost, much of the young bolls now on the stalks will mature and the yield will be materially increased. The price has been picking up a bit the past few days. It is now a little in excess of 19 cents. Cotton seed are also commanding a good price, about \$36.00 per ton.

A cold wave the first of this week sent the temperature down almost to the freezing point, and the top leaves of the cotton in some localities were killed, but no material damage to the crop has been reported.

Hoover Still Leads In Digest Voting

The Literary Digest for this week, which arrived Wednesday, reported a total of 2,503,670 votes in the straw vote contest which it is conducting in the Presidential race.

Of this number, Herbert Hoover had received 1,593,436 votes, and Al Smith had received 910,234 votes, a ratio of more than 5 to 3 in favor of Hoover. All of the 48 states and the District of Columbia are included in these totals. Smith was leading in only four states, to wit: South Carolina, Louisiana, Mississippi, and Georgia. Hoover was leading in the other 44 states. Hoover had gained 391,567 votes since the report of last week and Smith had gained 221,407.

Texas was decidedly in the Hoover column, the Texas vote being: Hoover 45,739; Smith, 31,405, a majority of 14,334 for Hoover.

Boy Scouts Are Making Totem Pole

Members of the Tahoka Boy Scout troop are busy this week carving an Indian Totem pole, which is to be unveiled on the lawn of the Legion Home on November 11, Armistice Day, with ceremonies appropriate to the occasion. The pole will be left there permanently.

The totem pole is being made from a telephone pole, and will be similar to the one on display at the recent South Plains Fair at Lubbock. The nature of the meeting will be signified on the pole in Indian picture writing, carved and painted by the boys themselves.

MISSIONARY PROGRAM IS GIVEN FOR W. M. S.

A missionary program was given for women in the Baptist Missionary Society on Monday afternoon at the church. The subject of the program was: "Where Our Money Goes", in respect to missionary activities. Several songs were sung and talks were made by Mesdames Jeff Higginbotham, J. Nevill, Frank Billman, W. Fortenberry and J. B. Walker. There was an attendance of eighteen women.

Lamesa and Tahoka Play Here Friday

One of the best football games of the season is expected Friday afternoon when the Lamesa team comes up to engage the Tahoka Bulldogs on the local gridiron.

Tahoka is said to have a most excellent team this year, and although they have not won as many games as could be desired yet they have been doing excellent work in every game played. Lamesa is reputed to have one of the best teams on all the South Plains, and the local team will need all the encouragement they can get Friday afternoon. If you are for the home boys, be there to "root" for them.

CO. INSTITUTE HERE NOV. 1-2

Drs. Horn and Gordon Of Tech Will Be Principal Speakers On Program

The Lynn County Teachers Institute will be held on Thursday and Friday, November 1 and 2, according to Superintendent Baze. We have been unable to get a full program, but we understand that President Paul W. Horn and Dr. Gordon of the Texas Technological College are both on the program. Dr. Horn will speak Thursday afternoon and night and Dr. Gordon will speak Friday.

Every teacher in the county is expected to attend this institute. The program and work of the institute will doubtless be more profitable to the teachers than are the larger institutes, where many counties join in together.

Possibly County Superintendent Caveness will be able to furnish us a complete program next week.

200-PIECE BAND BEING ORGANIZED FOR SOUTH PLAINS

Plans have been matured for the organization of a 200-piece band for the South Plains. Many towns in this section of the state will be represented on the membership. The first rehearsal will be held at Abernathy next Saturday, when the business men of that town will feed and entertain all the visiting musicians. Several members of the Tahoka band are expected to go up. The organization will meet at the different towns in this section for practice from time to time. The band expects to be ready for the big West Texas Chamber of Commerce meet in El Paso next year.

Scouts And Legionaires To Meet Friday

A joint meeting of the Boy Scouts and the American Legion will be held Friday night at 7:30 at the Legion Home, when Scout Executive W. P. Knox of Lubbock will present the boys with their charter and membership cards. An excellent program is scheduled with Mr. Knox and Scoutmaster Jess Eubanks in charge.

Parents of the boys and all others interested in the Boy Scout work are urged to be present as well as the Legion members.

Hoover Speaking To Be Held Saturday

The Hon. Fred M. Woodard of Amarillo, Texas, former member of American Relief Administration in France under Herbert Hoover, also on Special Mission through the Near East in 1919, will speak at Wilson, Texas, Saturday, Oct. 20, 1928, at 2 o'clock, p. m. and at Tahoka, Texas, Saturday, October 20th, 1928, at 4:30 p. m. Hear this man who has had as intimate acquaintance with Herbert Hoover and his great work. Mr. Woodard is speaking in the interest of that great humanitarian, Herbert Hoover, for president.

JACK ALLEY, Rep. Chairman, Lynn County

PREACHING SERVICES AT SOUTH WARD ANNOUNCED

Announcement is made that Rev. Abe Spruiell, pastor of the Baptist Church at Lynn, will preach at South Ward next Sunday morning at 11:30. Everybody cordially invited.

PICKERS ARE COMING HERE

U. S. Employment Representative Inspects Section And Is Sending Laborers

R. L. Robison of the United States Employment Service of Fort Worth was here Tuesday conferring with Prof. Taylor White, secretary of the Tahoka Chamber of Commerce, with respect to cotton pickers for Lynn county. After making investigation as to the condition of the crop here and as to the need for pickers, Mr. Robison assured Prof. White that he would immediately direct 1,000 pickers to this county. He further assured Prof. White that the needs of the farmers would be fully supplied within a few days and asked that all be patient for the time being. The service is doing its utmost, he stated, to supply the demand for pickers.

Mr. Robison says that many pickers are now being released in east Texas. He explained that the report was out all over other parts of the state that the boll worms had totally ruined the crops on the plains and that pickers had not been coming here for that reason.

Mr. White also had a communication Tuesday from C. W. Woodman of Fort Worth, assistant director of the U. S. Employment Service, stating that he had just counted 111 cars and trucks containing at least 1,000 pickers on the highway leading from the east to northwest Texas. He has listed Tahoka with all his agents, he stated, and was sure that this county would have plenty of pickers within a few days.

T-Bar Ranch Is Being Divided Up

Dave Childers, manager of the big T-Bar Ranch, states that the big pasture is to be cut up into three compartments. It will require just 39 miles of fence to make the divisions. Material has been purchased and building of the fences was begun this week. Dave says this will be hard on wolf hunters, the end of petting parties, but mighty fine for the manager of the T-Bar.

SMITH RALLY SATURDAY EVE

"Democratic Band Wagon" From Lubbock Will Furnish Entertainment For Occasion

As announced in this paper last week an old fashioned Democratic Rally will be held in the District Court room next Saturday, October 20, at 7:30 p. m. The program for this occasion will be furnished by the Democratic Band Wagon from Lubbock, which is visiting all the main towns of the South Plains and adjoining territory. Some of the features of this program are music by one of the best old fiddlers in the State, songs by a male quartet, and other singers, spicy ten minute addresses by prominent speakers. Everybody is heartily invited to be in this meeting. Whether you be Democrat or Hoovercast come out and enjoy this unique program and an hour of fellowship with your neighbors.

The following committees are announced to function in the interest of the Democrats of Lynn County. Advisory Committee—Dr. C. B. Townes, Chairman, A. L. Lockwood, Carl Griffing, H. M. Larkin, J. K. Calloway, L. C. Haney, Mrs. G. M. Stewart, D. B. English.

Finance Committee—G. M. Stewart, Chairman; W. B. Slaton, G. W. Small, J. K. Applewhite, J. C. Wells, W. G. Tarrance, Mrs. G. M. Stokes, Judge L. C. Heath.

MRS. J. R. WALKER, Chairman Lynn Co. Dem. Club.

H. D. Box Supper Has Been Postponed

The box supper which was to have been sponsored by the Women's Home Demonstration Clubs of Lynn county, October 19th, for the benefit of the American Legion Home has been postponed until an indefinite date. Be sure to notice the News for announcements concerning the date on which it will be given and be there for an enjoyable time.

"KING OF KINGS" SHOWS IN TAHOKA NOVEMBER 1-2-3

Cecil B. De Mille in the New Testament epic of "The King of Kings", reproduces both the Sanhedrin and the Roman trials of Jesus, with a regard to historical accuracy that has not been manifested before in connection with a Biblical drama or picture. Here are some interesting data concerning them:

Pontius Pilate, Roman procurator of Judea, used the Palace of Herod during his stay in the Holy City, and there held his Court of Justice. It was just inside the Joppa Gate, on the western margin of Jerusalem.

Hall of the Sanhedrin Caiaphas, High Priest and ruler of Jewry, held court in the Hall of the Sanhedrin, which was in the Temple. A passageway from it opened into the House of Caiaphas, which adjoined one of the Temple structures.

In the courtyard of the High Priest's home took place Peter's thrice denial of his Lord, when that disciple feared his own arrest in consequence of the questions of the guard and the serving women.

Arraigned Before Dawn The incident of the cock crowing three times fixes the hour of the arraignment of Jesus as shortly before dawn. He was brought up thru the House of Caiaphas, where the High Priest angrily confronted Him on the staircase; taken through the vestibule to the Hall of the Sanhedrin for indictment and condemnation; thence across the City to the Palace of Herod where Pilate, after much hesitation, ratified the sentence.

4 Tahoka Students On W. T. S. T. C. Roll

Tahoka was well represented on the honor roll of the summer term at the West Texas State Teachers College. There were four students from here who won coveted places on the roll out of a total of ninety-eight. Only two other towns exceeded Tahoka in number, these being Canyon with seven and Amarillo with five.

Tahoka's four were Misses Georgia Slover, Marile Lowe, Montie Draper, and Iola Nowlin.

Those making the honor roll are determined from their grades and participation in student activities.

INSTALL NINE STREET LIGHTS

Texas Utilities Company Crew Finish Reconstruction Work This Week

The Texas Utilities company will complete the work of reconstructing its lines in Tahoka by the last of this week, according to W. S. Anglin, the local manager. From here the construction crew will go to Lubbock to rebuild the high line between that city and Plainview, we understand. Longer and heavier poles have been erected here and new wires strung where needed. The lines in this city are now in excellent condition and the service has been much improved.

The company is also installing some additional street lights here. A string of six lights have been placed on West North Third Street leading out to the High School building, and three additional lights on the Brownfield highway. This gives a continuous string of lights now from the Santa Fe Railway through town to the western limits of the city.

ANTI-SMITH MEETING AT DRAW FRIDAY NIGHT

There will be a Hoover rally at Draw Friday night. A number of speakers from Tahoka have been invited down, and they have indicated that they will be there. These include Rev. R. T. Breedlove, Judge B. P. Maddox, and the editor. A good-sized crowd is expected. Ladies are especially invited.

The Lynn County News and the Dallas Semi-Weekly Farm News, two good papers, one year for only \$2.00.

Home Ec. Dept. To Have Gas Stoves

The school board Saturday morning accepted a proposition may by the West Texas Gas Company thru Mr. Thompson to install four modern gas stoves in the home economics department and one hot water heater for shower baths at the high school building, at a total cost of \$144.80. Mr. Thompson says that his Company has been in the habit of making exceedingly attractive propositions to school boards. At any rate the Board felt that it was getting its money's worth in this deal. There are several small oil stoves in this department which the board wishes to sell.

FARMERS BUSY HARVESTING MAIZE CROP

Many farmers are busy now gathering their maize crops. While the acreage is much smaller than last year yet the yield per acre is very fine, and many hands are needed to help harvest the maize crop. Considerable maize is being sold and shipped out of the country.

UNCLE FRANK VAUGHAN'S ROTHER DIES IN MISSOURI

The News has received a clipping from a paper published at Ulrich, Mo., giving an account of the death of John Wesley Vaughan, brother of "Uncle" Frank Vaughan of Tahoka. Mr. Vaughan was 82 years of age and had been an honored citizen of Missouri for many years, though he resided in Texas for a time. Mr. Frank Vaughan and Mrs. Ellen Hammonds, his niece, were present when death came. Deceased was a faithful member of the Baptist church.

WOMAN DRAWS PEN SENTENCE

Mrs. Mollie Turner Gets Twenty Years For Husband's Murder Eight Years Ago

"We, the jury, find the defendant guilty as charged in the indictment and assess her punishment at confinement in the penitentiary for twenty years."

That was the verdict of the jury Tuesday night in the case of the State of Texas vs. Mrs. Mollie Turner, charged with the murder of her husband, M. B. Turner, near Wilson eight year ago.

The state was represented by District Attorney T. L. Price, County Attorney L. C. Heath, and Mr. Anderson of Post. The defendant was represented by J. E. Vickers of Lubbock. Judge Fritz R. Smith of Snyder tried the case, Judge McGuire being disqualified by reason of having been district attorney when the alleged crime was committed and was investigated by the grand jury.

The defendant filed a motion for a new trial, which was promptly overruled by Judge Smith, and the case will be appealed to the Court of Criminal Appeals.

The trial of this case attracted quite a bit of local interest, especially among the older residents of the county.

M. B. Turner was killed by a pistol shot at his residence near Wilson in August, 1920. He and the defendant, Mollie Turner, who was his wife, and their daughter-in-law, Mrs. John Turner, were the only persons present at the time of the tragedy. Both the women were indicted for murder soon afterwards but both of them claim that the killing was purely accidental, and the cases were finally dismissed for lack of evidence to convict.

But all did not go well in the Turner household. Mrs. John Turner and her husband did not live happily together. In 1926, a separation took place. About a year and a half later, in the latter part of 1927, Mrs. John

(Continued on last page)

Great Meeting At San Antonio Reputed

A party of eight Lynn county citizens, consisting of Milt Finch and Pete Hendricks of Tahoka, Raymond Metcalfe of Wilson, Paul Gooch, John Stokes, C. R. Brock, and Mr. Ledbetter of O'Donnell, and Guy Leonard now of Snyder but still a member of the Marion G. Bradley Post of the American Legion, attended the big national convention of the Legion in session in San Antonio last week, and they report a glorious good time. Immense crowds were there, and all the boys enjoyed hearing General Pershing's address, as well as many other numbers on the program. Milt says they locked up all the jails and threw the keys away before any of the soldier boys began to arrive, and that therefore none of his crowd got locked up during their stay in the city.

Tahoka Loses To Crosbyton 6 to 0

The Tahoka High School Football team lost to the Crosbyton team Friday in a well played game. Both teams played hard football showing the effects of excellent coaching. The Tahoka boys played the best game they have yet played this season. The Crosbyton boys showed the advantage of having had more experience than the local boys and won the game by one touchdown but they failed to kick goal. Their superiority was evident in the returning of punts, completing passes, and running interference. In the line, however, they were not the superior of the Tahoka boys. This was the first game of the season in which the Tahoka line showed their full strength. Crosbyton had the best team and deserved to win but the narrow margin is well illustrated by the number of first downs made by each team. Tahoka made her yardage six times while Crosbyton made the required ten yards nine times.

Two new guards, Greenhouse and Eastridge for Tahoka, started the game and for the first quarter did

Locals

Mr. and Mrs. Charles Shook returned Tuesday night from a visit of several days in Fort Worth, Dallas, and Waco. Mr. Shook says that as they drove along the highway between Waco and Fort Worth Monday a big dirigible army airship passed over them, and he declares that it was the most beautiful thing he ever saw in the nature of aircraft.

The News has received an announcement from Emmett L. Whitaker, Representative in the legislature from this district, announcing the birth and death of a little son, Spurgeon Ross Whitaker, born in Brownfield on October 13, and buried at Lamessa on October 14. Many friends will sympathize with the parents in their sorrow.

Mrs. H. C. Davis and sons, Hubert Edward and Joe Bob, visited in Tahoka Monday and Tuesday. Mrs. Lee Wood has been visiting with Mrs. Davis for several days, and will leave soon to join her husband in California, where they will make their future home. Mr. and Mrs. Davis are moving from Ralls to Brownfield.

Rev. and Mrs. B. N. Shepherd spent the first half of the week in Dallas, Rev. Shepherd having been called to a conference of Baptist ministers and workers in that city the first of the week.

Mr. and Mrs. Joe Bovell came in Tuesday from Abilene and will spend most of the fall here. Mr. Bovell reports that he has sold his bakery at Tilden to his son, W. T., and O. B. Adami.

B. F. Polson of McKinney is here temporarily associated with R. W. Fenton Jr. in the insurance business. Mr. Polson is much impressed with our little city and fine country.

Miss Lilla Mae Reid, who is a student this year in McMurry College at Abilene, came up Wednesday to spend the week end with her parents, Mr. and Mrs. S. E. Reid.

Mr. and Mrs. Tom Mabry of Bakersfield, Calif., were here last week as the guests of Mr. and Mrs. Dave Childers. Mr. Mabry is a brother of Mrs. Childers.

T. G. Marks of Fort Worth spent a few days here on business. Mr. Marks recently returned from Los Angeles, where he had spent several weeks.

Mr. and Mrs. Harley Henderson returned last Thursday from Mathis, near Corpus Christi, where Mr. Henderson bought cotton this summer.

Mrs. Elmo Wall, Mrs. Clinton Gamel, and Mrs. Clark Mullican were guests one day last week of Mrs. Gladys M. Stokes.

C. O. Edwards is spending a few weeks in New York, Washington, Philadelphia, and other eastern cities.

Marvin Munn has accepted a position with the Security State Bank of this city.

Mr. and Mrs. J. A. Brashear are visiting the past few days in Fort Worth and Temple.

G. E. Hogan was a business visitor in Austin this week.

Clean up Tahoka!

Edith

Mrs. Ben Sanders and children of Tahoka visited in the home of Mr. and Mrs. Oscar Sanders Monday evening.

Mr. W. C. Pritchett and baby returned last week from Dallas. The baby is doing fine.

Mrs. J. C. Campbell and daughter, Avis, son and wife, Mr. and Mrs. Deck Campbell and granddaughter, Zelta, have gone to Mexico and El Paso for a few days vacation. They Paso to visit the Carlsbad Cavern before their return.

Miss Christine Owens left Sunday with Miss Greenwade for Dallas where she will attend the club girls encampment this week.

Uncle Frank Vaughan and Mr. T. I. Hammonds returned Thursday from an extended trip to Hill Co., Okla., Ark., and Mo. They were gone nearly five weeks. T. I. says that Missouri looks quite different to him now to what it did when he left there thirty years ago.

Mr. Hartful Nelson who has been in East Texas the past few weeks returned last Wednesday.

Rev. R. E. Winters filled his regular appointment Sunday evening. His text was "Get Acquainted With Jesus." He preached a mighty good sermon on this subject.

Sunday school has been changed to 10:00 a. m. for the remainder of this month. The preaching services will still continue in the evening. Next Sunday is Rev. R. T. Breedlove's appointment. Everybody is invited.

Our new song books did not arrive Saturday. But we had a pretty good singing anyway Sunday night.

SOUTH PLAINS FARMERS — ELIGIBLE TO COMPETE FOR DAIRY PRIZES

The following clipping from the Amarillo News-Globe will be of interest to farmers in this territory who have been keeping or will keep records of production on their dairy animals:

The News-Globe Master Dairy Farmers contest is open to any farmer milking five or more cows, of any breed, residing in Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson, Roberts, Hemphill, Oldham, Potter, Carson, Gray, Wheeler, Deaf Smith, Randall, Armstrong, Donley, Cillingsworth, Farmer, Swisher, Castro, Briscoe, Hall, Childress, Bailey, Lamb, Hale, Floyd, Motley, Cottle, Cockrane,

Hockley, Lubbock, Crosby, Yoakum, Terry, Lynn, Garza, Gains and Dawson counties.

The contest is being staged under the supervision and with the co-operation of the Extension Service of Texas A. & M. and the U. S. Department of Agriculture and the agricultural department of the Board of City Development.

The contest will officially begin November 1, 1928, and end on August 31, 1929, for a period of ten months, provided as many as twenty-five farmers from all of the territory are entered. Entries must be in the hand of the Agricultural Extension department of the News-Globe by October 20. The winners will be announced during the 1929 Tri-State Fair in Amarillo.

Two hundred and fifty dollars in cash and a gold medal will be awarded to the first prize winner. Other prizes will be \$200, \$150, \$100, \$75, and \$50 with gold and silver medals to the first ten in the contest.

Rules and regulations of the contest will be published within the next two weeks. These rules and regulations will be merely explanations of the methods to be used by the judges in scoring the contestants.

No entry fee is charged and all farmers desirous of entering the contest are urged to get in touch with their county agent or the Agricultural Extension Department of the News-Globe at once.

Each contestant will be supplied with a record book and in accordance with the score card will be required to keep complete records on his herd.

Further details of the contest will

be announced from time to time.

The score card follows:
Globe-News Master Dairy Farmers Contest

1. Plant and Equipment, 150 Points.

A. Relation to comfort and convenience

1. Plan and construction of milk bars 40

2. Shelter and other milking barn 20

3. Equipment:

a. For keeping records 10

b. Utensils required for handling dairy products 20

c. Stanchions and stalls 20

B. Methods of sanitation:

1. Clean attendants, barns, cow equipment and surroundings 20

2. Production, 750 Points.

A. Feeding

1. Utilization of homegrown feeds 70

2. Abundance and quality of pasture (12 month basis)

3. Character of ration other than pasture:

a. Legume hay 20

b. Balanced feed 20

c. Ratio concentrates fed to pounds milk produced 20

1. Succulency of rations 20

B. Management:

1. Kind of sire used 120

2. Condition of herd:

a. Health (t. b. test) 30

b. Development of calf crop 30

3. Utilization of by-products:

a. Skimmilk 40

Total 1,000

CARD OF THANKS

We wish to express the gratitude of our hearts to the many friends who spoke words of sympathy and did deeds of kindness upon the death of our dear little daughter, Mamie Ruth. We also wish to thank our friends and acquaintances for the beautiful floral offerings. May God's richest blessings rest upon you all.

J. W. Russell and Family.

EVERYMAN'S CLASS HAS PICNIC

The members of the Everyman's Class of the Methodist Sunday School and their wives had a picnic out near the Will Montgomery home Tuesday evening. They built a big bonfire and each one present cooked his own food. Between forty and fifty persons were present and they had a hilarious good time. Some of the men engaged in an "eating contest," the after results of which proved to be a bit uncomfortable, but otherwise there was nothing to mar the pleasure of the occasion.

The Everyman's Class has grown to be quite a healthy and important component of the Methodist Sunday School.

ENTERTAINS WITH PARTY

Mrs. Jess Eubanks entertained a number of children Wednesday afternoon at her home honoring her little daughter, Norma Lee Eubanks, who was eight years old on that day. Many games were enjoyed. A beautiful birthday cake had been baked for the occasion, and fruit and candy were served.

Those present were: Mavis Brasfield, Grace and Margaret Great-house, Wanda Smidy, Madilene Jackson, Lenora and Frank Ivey and R. B. Anderson.

LOST HIS TRAILER AND COTTON

J. P. (Pete) Cummings was sailing gaily down eighth street taking a bale of cotton to the compress. Arriving there he said:

"Weigh this bale of cotton".

"What bale are you talking about?" he was asked.

Pete looked around and saw that both his trailer and his cotton were gone. He turned around and went back down the street in hot haste to find it. He located the trailer a few blocks east of Hotel Wellington and it had a man from Oklahoma pinned under it. It has come loose and run onto but not over the man who was walking along side of the road. The pedestrian was bruised but not seriously injured—Wellington Leader.

Howard Hackney and Mrs. H. A. McCain of Dallas are the guests this week of Mr. and Mrs. G. H. Nelson, Mr. Hackney being a brother and Mr. McCain a cousin of Mrs. Nelson. This is their first visit to the plains and they are very much pleased with the country.

SPEAKING AT DRAW SATURDAY NIGHT

On the front page appears an announcement that there will be a Hoover rally at Draw Friday night. This is an error. The speaking will be at 7:30 on Saturday night. Let every one note this correction.

BROWNFIELD PAVING BOND ISSUE FAILS

BROWNFIELD, Oct. 17.—A paving election held yesterday was defeated by twenty-nine votes. Those opposed to the issue were very active in their efforts to defeat it while the ones in favor contented themselves in casting their votes but took no other active interest.

WE DON'T BLAME HIM

"You are charged," said the judge "with beating up this government inspector. What have you to say?" "Nothing," replied the grocer. "I am guilty. I lost my head. All morning I had held my temper while government agents inspected my scales, tasted my butter, smelled my meat, graded my kerosene. In addition, your honor, I had just answered 3 federal questionnaires. Then this bird came along and wanted to take moving pictures of my cheese and I pasted him in the eye."

Petty

Well the cold wave we fear will stop the cotton from opening. Lots of cotton open in this part and not enough hands to pick it. Some say their maize is falling down. We can't see where the frost visited us last night. Some think a light frost will help the cotton.

Mr. Blair from Coleman is visiting in the home of Mr. and Mrs. Frank Blair this week and he seems pleased with our crops and said he would like to locate on the plains.

Mr. Purnell has gone to Anton to build Thad Smith a new house.

Clifton Beaty and Allen Rowan came in Monday from Waco where they had been picking cotton. Clifton said it was too hot down there for him.

Little Willetta Smith has been quite ill the past week, but we are glad to know she is better at this writing.

The time of our Sunday School has been changed from 3 o'clock in the afternoon to 10 o'clock in the morning. We want to invite everybody to come.

Mr. and Mrs. Frank Blair visited at New Home last Sunday.

Brooks Smith and Mr. Pinnell made a business trip to Lubbock last Saturday.

Mr. Brown is back in our neighborhood looking after business.

BAD PAINS

Use of Cardui Helped to Relieve Suffering.

"I have taken Cardui and have found it a very helpful medicine," says Mrs. Minnie Rocher, of Lynn Haven, Fla. "After a course of Cardui, I felt like I had been made over."

"For a while I suffered with bad pains in my back and sides. At times, these would distress me so I would seem past going."

"We had known of Cardui in our family for a long time, so I thought I would try taking it. I soon began to improve. I grew strong and well, and was able to resume my household duties without the least inconvenience."

Cardui is a mild, harmless extract of valuable medicinal herbs. Try it.

Draw Items

The Standard Sunday School Training School opened Monday night with an excellent attendance with about 25 textbooks having been disposed of and a large number enrolling for the course. The text is entitled "What Every Methodist Should Know", being one of the books used in the Cokesbury Course. Successful pupils will be awarded certificates of credit.

A good crowd attended the singing at the Methodist church Sunday afternoon with President Caswell presiding. These singings are held at 3 o'clock every second and fourth Sundays in each month.

Attendance was good Sunday at Sunday School and Epworth League, the latter having taken on new life in the last month.

The local Thomas gin has been running fairly regularly of late. However, the community is sadly in need of cotton pickers to gather the cotton already matured. Main headers also are needed in large numbers. Farmers are much pleased with the new gin of the Thomas Brothers here. These ginners know their business, are accommodating and seek to please.

The Womas's Missionary Society held its regular weekly meeting Monday at the church. Last week they met at the residence of Mrs. Hardy Porterfield. An invitation has been received by the local society to visit with the newly organized Grassland Missionary Society and may in the near future visit with them.

Many of our people during the week attended the Harley Sadler show at Tahoka. Sadler's shows have an imperishable reputation for pointing morals, hence are far above the

Grassland

H. C. Aten, pioneer resident of Grassland, has been ill of "flu" for several days, but is reported somewhat improved. He came to this region many years ago from Johnson county.

Many of our farmers have gone to Ballinger, San Angelo and points farther south seeking pickers for their cotton. Considerable Mexican labor is being brought into the community. About 150 bales of cotton have been ginned here up to Monday, though the number would have been greater if pickers had been procurable.

The Epworth League was addressed by the pastor Sunday evening. This was in lieu of the regular program. The League consists of some of the brightest and most intelligent of our young people. It meets regularly every Sunday evening and carries an able program.

O. H. Hoover has returned from an extended trip to points in New Mexico, bringing back a son who was recently taken there for his health, which is much improved. Mr. Hoover returned with a load of apples to be preserved. The Hoovers are among our finest people, prominent in everything elevating and progressing our community.

Many during the past week attended the singing school that has been under way for the last nine days. It is hoped that our singing will be improved henceforth. A box supper was held in connection with the school, it was reported. Many other Grasslanders enjoyed the salutary and excellent plays of the Harley Sadler shows at Tahoka.

Considerable of the benevolence of the Methodist church was subscribed at the Sunday night service when the pastor preached. Our pastor has one more preaching day here before annual conference. Attendance at church Sunday was light but heavier in the evening.

The feed crop is turning out well. Maize headers are badly needed.

The many friends and acquaintances of the Hardy Chapman family are pleased to learn that they will not move away from the community. They have arranged to retain their farm just southwest of Grassland. The Chapmans are among the mainstays of our community.

Hardy Chapman was tendered a birthday dinner at his home Sunday. Besides the immediate family some of his daughters and sons-in-law were guests, as well as his pastor.

The first cool norther of the Fall season blew its semi-frigid blast upon us early Monday morning after a frightful period of lightning Sunday night in the northwest.

Herbert Hoover, Republican candidate for the presidency, has a name sake in the Grassland community. Young Herbert Hoover is a school lad, the son of Mr. and Mrs. Herbert Hoover, and is as bright-faced and sincere as the presidential aspirant.

ordinary show. Church people of Draw may be expected to attend in large numbers the much advertised and far-famed "King of Kings" movie at Tahoka Nov. 1, 2, and 3. This play has gained an excellent reputation throughout the country.

The new parsonage of the Assembly of God just south of the church building of the denomination is practically completed. Volunteer labor was rendered during the past week on structure.

The local schools now start recitation periods at 8 a. m. and close for the day at 2 p. m. in order to enable boys and girls to assist their farmer parents in gathering the rapidly maturing cotton crop. The innovation is proving pleasing to all and obviates the necessity of having to close down the school during the gathering period. Superintendent King is much liked by the school patrons.

—Reporter.

Three Lakes

Mr. and Mrs. T. M. Ellis Jr. and Mrs. W. E. Sikes spent Sunday in Lubbock.

Mr. and Mrs. Anderson and family of O'Donnell visited with relatives, Mr. and Mrs. J. Wright Edwards Sunday.

Mr. W. E. Smith and Miss Lorrain, returned Tuesday from Temple, Tex. Miss Lorrain did not have to undergo an operation as was expected. She seems to be greatly improved and we are indeed glad.

A large number from here attended the Harley Sadler show last week and all reported good shows.

Manufacture of carbon black from natural gas is a growing industry in Texas and now employs about 1,500 people.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lynn County, Greeting:
You are hereby commanded to summon Mary A. Rainey, and husband, Ambrose D. Rainey, Martha Talkington and husband Clem Talkington, Jane Bivins and husband David Bivins, James E. Banister, Emory T. Banister and wife, Ruth Banister, Mae D. Verberg and husband, Joseph W. Verberg, their unknown heirs and their unknown husbands and unknown wives, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not then in any newspaper published in the 100th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 100th Judicial District, to appear at the next regular term of the District Court of Lynn County to be holden at the Court House thereof, in Tahoka, Texas, on the 3rd Monday in February, A. D. 1929 the same being the 18th day of February A. D. 1929, then and there to answer a petition filed in said Court on the 11th day of October, A. D. 1928, in a suit, numbered on the docket of said Court No. 721, wherein John F. Standefer is Plaintiff, and Mary A. Rainey and husband, Ambrose D. Rainey, Martha Talkington and husband, Clem Talkington, Jane Bivins and husband, David Bivins, James E. Banister, Emory T. Banister and wife, Ruth Banister, Mae D. Verberg and husband, Joseph W. Verberg, their unknown heirs and unknown husbands and unknown wives, are Defendants, and said petition alleging that on or about the 4th day of February, A. D. 1919, plaintiff was lawfully seized and possessed of the following described land and premises, situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:
Being all of Survey No. Five (5), in Block D-20, located by virtue of land scrip No. 163 issued to W.T.R. R. Co., and patented to James S. Banister,
That on the day and year last aforesaid defendants unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully withheld from him the possession thereof, to his damage in the sum of \$1,000.00.
That in executing a certain release and transfer of six notes, each for the sum of \$500.00, to The Federal Land Bank of Houston, Texas, said notes having been executed by this plaintiff payable to the order of Mary A. Rainey, Martha Talkington, Jane Bivins, J. E. Banister, E. T. Banister, and Mae B. Verberg, the above named defendants through error made a defective acknowledgment thereof; that said notes have been fully paid, and said instrument with its defective acknowledgments having been recorded in the deed records of Lynn County, Texas, in Vol. 24, page 203 and 204, on the 27th day of February, A. D., 1919, creates a cloud upon this plaintiff's title to the above described land and premises. Plaintiff further pleads peaceable and adverse possession for more than three years under title or color of title before bringing this suit.
Plaintiff prays that upon final hearing he have judgement for the title and possession of said above described premises, that any cloud or clouds created upon his title by virtue of said defective acknowledgments to said instrument be forever swept away and held for naught and for such other and further relief, special and general, in law and in equity, to which he may be justly entitled, etc.
D. E. KEMP, Attorney for Plaintiff, John F. Standefer.
Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and the Seal of Said Court, at office in Tahoka, Texas, this 11th day of October, A. D., 1928.
W. E. SMITH, Clerk, District Court, Lynn County, Texas.

FORMER EDITOR DISCUSSES POLITICAL ISSUES (The News has received a lengthy communication from James T. Buck,

former editor of the Crosbyton Review, discussing the issues involved in the present Presidential campaign. For the reason that we have had so many communications recently,

we are using only about half of Mr. Buck's article. We are leaving out some others entirely and are holding another over till next week. Ed.) To the Lynn County News:

I beg space in your valuable paper to refer to an article in one of the Lubbock papers by Judge Clark M. Mullican deploring the desertion of life-long Democrats from Al Smith to Hoover and his pleading for them to return to the fold. In this article Judge Mullican says prohibition is not an issue, which is a direct contradiction of what Al, the nominee, says. Al repudiated the dry plank of the Democratic platform before the Houston convention adjourned and in his acceptance speech he reiterated his statement that prohibition was one of the issues and that he would point the way to modification if elected President. This is in line with his long official record in New York, which shows him to be a willing and subservient tool of Tammany Hall, one of the most corrupt political organizations that has ever disgraced the political history of our nation. He has invariably worked and voted for the saloons and other elements of vice whenever measures effecting their interests came up. It is this element that has kept him in office and it is this same element that he is counting on to elevate him to the Presidency. He has always lost the rural support for Governor, but the cities, contaminated with their horde of vice, came to his rescue and elected him. Of course there are many good people supporting him, but some of them are so prejudiced and blind to anything that does not contain a Democratic label that they cannot see the error of their way.

Smith's Legislative Record
He was several times a member of the New York Legislature and here are his votes on questionable measures, as copied from a reliable magazine: "Voted 10 times against local option, voted 4 times for saloons in church and school neighborhoods, killed Mullen-Gage prohibition enforcement law, voted twice to increase saloons' liquor selling hours, voted 3 times to repeal a law closing saloons on Sunday, sponsored bill for saloons within 200 feet of schools, voted to limit no-saloon areas, voted for hotel bars in towns "dry" by local option, sponsored bill to preserve licenses for convicted saloon keepers, voted twice for Raines-law hotels". Now, if this record of voting for the liquor interests does not show how Al Smith stands on the moral issues, what will it take to show a blind man?

Literary Digest on Tammany Hall
In the issue of the Literary Digest of Oct. 22, 1927, several months before the convening of the Houston convention, an article appeared under the caption "The Shadow of Tammany Hall" in which it is said "The Democratic organization of the city of Albany is an annex of Tammany and an apt student of Tammany methods. There the lid is blown off. Gambling pools and all manner of vice and corruption are being exposed. The red-light district has crawled to the very steps of the State capitol. Democratic leaders are under indictment. Tammany Hall is still, and always will be, the same sinister Tammany. The sooner the State and Nation realize this the better for both." Further in the article we note: "National Democracy has never yielded to Tammany within its own party. Tammany has controlled its city and its State, but it never has been able to clutch national authority. It never has been able to get its greedy political fingers into the National cash register." This was written several months before Al was nominated and it now looks like Tammany may get its "greedy fingers" into the National cash register, and it will, unless the people of this great nation rise up in their might and vote for that peerless humanitarian, Herbert Hoover, for President.

States to Manufacture and Sell Liquors
Al Smith says he wants the 18th Amendment so changed that each of the different States may pass upon the liquor question and go into the manufacture and sale of beverages if they wish. Wonder if Judge Mullican endorses this, and if so, will he endorse one of the "true blues" for bar tender at Lubbock when Al becomes President and liquor dispensaries are established over the country?

Hoover A Good Democrat
John J. Blaine, the wet Republican Senator from Wisconsin, has come out for Smith and gives as his reason: "that Hoover is a Democrat; that Hoover urged the election of a Democratic Congress in 1918," and quoted Hoover as saying: "I am for President Wilson's leadership, not only in the conduct of the war, but also in the negotiation of peace, and afterward in America's burden is the rehabilitation of the world." Senator Borah of Idaho, that greatest of all Western Statesmen says that

"Herbert Hoover was the man that Wilson leaned on more than any other individual during the war." **Not Honor-Bound to Support Smith**
No true Democrat should feel the least honor-bound to support Al Smith, for he not only repudiated the prohibition plank of the Democratic platform, but he had the brazen audacity to appoint a life-long wet Catholic Republican, John J. Raskob by name, to manage his campaign. Wonder what Grover Cleveland, Woodrow Wilson and William J. Bryan would say of this if they could come to life? We are wondering if they are not squirming in their graves over this brazenness and breach of party etiquette. Judge Mullican doubtless reasons that it is all right for Raskob and the other wet Republicans to desert Hoover and support Smith, but that it is very wrong for dry Democrats to desert Smith and vote for Hoover, who is far more a good Democrat than is Smith. But why not vote for principle instead of party anyway?

What Has Hoover Done?
Judge Mullican asks, "What has Hoover ever done?" He did more than any one else in alleviating the sufferings of the hungry millions in Belgium and France during the darkest period of the World War, and when the United States entered the conflict he became one of President Wilson's truest friends and most trusted co-workers and as Food Administrator did as much or more than any one American to bring about victory and peace to the allied armies, and he is known as a great International character and humanitarian, while no one heard of Al Smith during the Great War. Hoover has served in the Harding and Coolidge administrations as Secretary of Commerce, and as such he has achieved much good for our nation in the way of bringing the commerce of the world to our shores. He handled the flood relief with success during the Mississippi river flood two years ago. In fact he has handled everything that has been entrusted to his keeping with success, and is capable of grasping big international problems, and there is no question but what he is the best qualified man in America today, by training and experience, to administer the affairs of our nation.

South Ward Items

The attendance at Sunday School was good Sunday. There were fifty present, twenty of whom were junior girls and boys. Laudell Hood was elected president of the junior class. Report cards were issued Monday. The honor students, or those who made an "A" average are: Laudell Hood, Lois Looney, Della Pearl Brewer, Pauline Smelser, Linnie Mae Brewer, Clyde Looney, Juanita Looney, Jessie Wright, W. T. McFadden, Harvey Johnson, Willie B. Hammonds, and Ivan Warrick. Mr. Hood gave a party in honor of his daughter, Laudell, Saturday night. Everyone had a fine time. Mr. and Mrs. Greenwood and family plan to attend the Joe Bailey celebration Thursday. Everyone enjoyed the program at the South Ward school Friday night. Several new or unique attractions were presented. Mrs. Boyd's mother of Fisher county is visiting her.

HIGHWAY 9 BEING CLEARED OF NAILS BY GIANT MAGNET

A giant magnet is being used today between Hale Center and Plainview to remove nails and other small metal particles from the highway. The magnet was recently procured from the state highway department for use in this district and has undoubtedly saved the motorist many a punctured tire since it was put into service. The machine works out of Lubbock to the northern boundary of Hale county. The magnet is set upon the back of a truck which is equipped with a special dynamo to furnish power. Two iron bars extend from the back close to the road surface to pick up the articles attracted by the magnet. These bars cover a space about one by eight feet. The magnet is expected to be a permanent part of the district highway equipment.

DRAW METHODIST CHURCH CONFERENCE SUNDAY

An important church conference of the Draw church will be held at the Draw Methodist church at 3:30 o'clock, Sunday afternoon, October 21, for the purpose of revising the membership and other records and to transact such other business as may come before it. It is important that every member of the church be present on this occasion. The call for the conference was made this week by the pastor, the Rev. "Ham" Wright.

FATHER OF J. J. HOUSE DIES IN TEMPLE

J. J. House, who lives north of town, received a message Sunday night bearing the sad news that his father had died in Temple early that morning and that the funeral would be held Monday afternoon. Mr. House found it impossible to reach Temple in time for the funeral and did not go. The deceased was 86 years of age and had been a resident of Bell county for forty years, being one of the well known citizens of that county. Besides his son, J. J. House, he had a number of distant relatives and many friends in this county.

Johnnie Cohen of Palestine was a brief visitor in Tahoka Wednesday afternoon. Mr. Cohen will be remembered as the singer of the Starves-Cohen evangelistic party, who held a revival meeting at the Baptist Church here two or three years ago. He is now singing in a revival meeting being conducted at Lamesa and

INDIGESTION
And Other Common Troubles Helped by Black-Draught.
"I think we owe the remarkable healthy record of our family to the use of Black-Draught," says Mrs. J. H. Luther, 514 W. Belknap St., Ft. Worth, Tex. "I was suffering from an attack of indigestion. Somebody recommended Black-Draught to me, and I got some and tried it. I felt so much better, after I had taken it, that I used it the next time I was sick, and then the next. I soon found it to be a dependable medicine to use for my family. "Whenever the children had colds, or an upset stomach, I treated them with Black-Draught." Sold everywhere; 25c.
Theodor's BLACK-DRAUGHT
For Constipation, Indigestion, Biliousness

run up Wednesday to greet friends here.

Bill Der Says

"A man, like a nail, can only go as far as his head."

The United States Nail!

We hear a whole lot about the marvels of the United States Mail—which is a wonderful service and the best on earth—but what about the United States NAIL? The whack of our hammers is heard around the world, for we are the Biggest Builders of the Bunch, and our trusty NAIL is rapidly becoming the National Emblem. We carry the best of 'em.

We are the sole agents for and sell that good Diavolo Coal. They tell you the other; coal is as good but a trial and you will use no other kind. No clinkers, no soot, no fuss.
The Reason
Many a man wears last year's fall suit because he doesn't owe for a new one.
Some day you plan to own a home. But why delay? We have the latest plans of modern homes—just the kind you want. You can always arrange to build. Come in and talk to us about it.
The best way to make others pay their debts is to pay ours.
Mr. L. V. Ratliff of the New Home community is building a modern six room residence. Contractor Crouch has charge of the construction of this new home.
A friend of ours claimed yesterday that he has Lumbago in his left leg. We don't claim to know much about such things, but is that possible?
Teacher: "How many days in October, Johnny?"
Johnny: "Thirty days has September—All the rest I can't remember—The calendar hangs upon the wall—Why bother me with this at all?"

WHAT HAS HOOPER DONE?

Herbert Hoover Branch, Iowa, in parents. His father lost four years, mother died when he was 10. He was cared for by Iowa and Oregon until ten years of age, when he earned his own way. He struggled to attain an education. After attending Stanford University his B. A. degree from there in 1905. Having prepared himself as an engineer, he began work in California and his way up until he was recognized as one of the leading engineers of his profession carried him and later to China, where during the Boxer War he did his first relief work. He was so proficient and as an organizer engaged by a number of governments of the world for their mining interests and elsewhere. In cases of which he is a pioneer had in their ranks more than 175,000 men and interrupted their mining administration. Returning to California induced to go to Europe in 1914 to undertake the interest of France, England in the Panama position soon to be held in London at the outbreak of World War. There he became chairman of the Relief Committee, and it provided transportation of Americans, who were traveling in Europe break of the war, and to return from all points to their American homes. When Belgium was over German army, the Hoover conceived and a Commission for Relief. This work soon grew to ten million people require sums of money. procured loans from States, Great Britain, amounting ultimately to \$900,000,000, and procured 1000 more from charitable organizations. In order to feed Belgium, not only were titles of foods purchased commission operated a ships, and also canal ways, and ware houses. Belgium, and every school Belgium became a feeding for pupils and babies. expenditures of this Commission the five years of 1914 mounted to nearly \$1,500,000. All its finances were handled by a firm of international who made independent their various governments. final statements were out question by all of the ment of the Commission. The overhead expenses tire five years averaged one-half of one per cent. Upon America's entry war in the spring of 1917 er returned to the United States was promptly appointed Wilson as U. S. Food Administrator. As food administrator America to increase production and decrease its so as to allow a vast the export of foodstuffs. He created the U. S. Grain with a capital of \$50 to purchase foodstuffs from the allies and to armies. He also created Equalization Board with \$5,000,000.00. The entire both these corporation by the government. Through food exports from States to the allies in 6,500,000 tons to 21,000,000 annum, and the allies' fully satisfied. Foodstuffs value of \$9,000,000,000.00 chased and sold. Every one handled was accounted no one has ever been where a single dollar was or misappropriated. During the War Mr. Hoover also a member of the commission, consisting of himself, secretaries of state, congressmen, which regulate and imports through the board; he was chairman of the food council, a member of President Wilson's

WHAT HAS HOOVER EVER DONE?

Herbert Hoover was born at West Branch, Iowa, in 1874, of Quaker parents. His father died when Herbert was four years old and his mother died when he was seven.

He was cared for by relatives in Iowa and Oregon until he was thirteen years of age, when he began to earn his own way. The story of his struggle to attain an education is most inspiring. After attending an academy and a night school, he entered Stanford University, receiving his B. A. degree from this institution in 1895.

Having prepared himself as a mining engineer, he began as a mine laborer in California and rapidly worked his way up until he soon came to be recognized as one of the leading mining engineers of the world. His profession carried him to Australia and later to China, where he was during the Boxer War and where he did his first relief work in 1900.

He was so proficient as an engineer and as an organizer that he was engaged by a number of the great governments of the world to look after their mining interests in the orient and elsewhere. In 1913 the concerns of which he was executive engineer had in their employ more than 175,000 men and no strike ever interrupted their operations during his administration.

Returning to California he was induced to go to Europe in the spring of 1914 to undertake to enlist the interest of France, Germany, and England in the Panama-Pacific Exposition soon to be held in San Francisco. Thus he happened to be in London at the outbreak of the great World War. There he organized and became chairman of the American Relief Committee, and in this capacity provided transportation to thousands of Americans, who happened to be traveling in Europe at the outbreak of the war, and enabled them to return from all points over Europe to their American homes. Over 160,000 Americans were thus benefited.

When Belgium was overrun by the German army, the Belgians were threatened with starvation. Mr. Hoover conceived and organized the Commission for Relief in Belgium. This work soon grew to vast proportions under his direction. To feed ten million people required enormous sums of money. Mr. Hoover procured loans from the United States, Great Britain, and France, amounting ultimately to more than \$900,000,000, and procured \$50,000,000 more from charitable contributions. In order to feed the people of Belgium, not only were vast quantities of foods purchased but the commission operated a fleet of 200 ships, and also canal boats, railroads, and ware houses. It established a food administration inside Belgium, and every school house in Belgium became a feeding station for pupils and babies. The total expenditures of this Commission during the five years of 1914 to 1919 amounted to nearly \$1,600,000,000.00. All its finances were handled through a firm of international accountants, who made independent reports to their various governments, and its final statements were accepted without question by all of them in settlement of the Commission's accounts. The overhead expenses for the entire five years averaged less than one-half of one per cent.

Upon America's entry into the war in the spring of 1917, Mr. Hoover returned to the United States and was promptly appointed by President Wilson as U. S. Food Administrator. As food administrator he organized America to increase its production and decrease its consumption so as to allow a vast expansion in the export of foodstuffs to Europe. He created the U. S. Grain Corporation with a capital of \$500,000,000.00 to purchase foodstuffs and resell them to the allies and to our own armies. He also created the Sugar Equalization Board with a capital of \$5,000,000.00. The entire stock of both these corporations was held by the government. Through these agencies food exports from the United States to the allies increased from 6,500,000 tons to 21,000,000 tons per annum, and the allies' needs were fully satisfied. Foodstuffs to the value of \$9,000,000,000.00 were purchased and sold. Every cent of money handled was accounted for and no one has ever been able to find where a single dollar was mispent or misappropriated.

During the War Mr. Hoover was also a member of the commission of four, consisting of himself and the secretaries of state, commerce, and agriculture, which regulated exports and imports through the war trade board; he was chairman of the inter-allied food council, and was a member of President Wilson's war

council. Following the War, millions of outcast and ill-fed children in the various countries of Europe were cared for by the European Children's Fund established by Mr. Hoover as a purely charitable organization under the control of the American Relief Administration. More than 6,000,000 children were housed in asylums, homes, and canteens, and were provided with food, clothing, and medical attention through American charity.

Space forbids the mention of other relief work which he later directed in Poland, Germany, Austria, Russia, and other European countries, involving many millions of dollars and the relief of millions of destitute and starving children.

He became secretary in the Harding cabinet in 1921, in which position he has served with marked distinction ever since.

Many farmers declare that their cotton was left too thick in the row this year to produce the best results. It grew so rank on account of the excessive rainfall of July and August that it afforded too much shade and protection for boll worms, and besides it seems to have fruited best where it was thinnest. While entirely different weather conditions may exist next year, many farmers have resolved to leave the cotton plants thinner on the ground, believing that they will thus get better results.

Tahoka has had a most satisfactory growth thus far this year. Many nice residences and practically no shacks have been built. Prospects are that we are going to have a fairly good cotton crop, though somewhat below normal, and if the price should remain in the neighborhood of eighteen or twenty cents our people should be in reasonably good financial condition next year. Tahoka is bound to grow.

Hale county probably has more fine dairy cows than any group of three or four counties south of Hale. We do not believe that there is any reason under the sun why Lynn county should not get just as strong on dairy cows as Hale county. We can produce just as much feed and we really have a more equable climate. Let's encourage the dairy industry.

It will soon be time to plant out more fruit trees, grape vines, and berries. If you have the water on your place or if you can get it, you should prepare to raise more fruit. Why not?

TAHOKA BUSINESS MEN INVITED TO LAMESA MEET

Lamesa has invited Tahoka to fellowship with her business men one night during the last week in October when Ben R. Vardaman of Chicago, nationally known business and community lecturer, will conduct a Greater Business and Community Institute there. Word is coming to the Lamesa Chamber of Commerce every day now that the neighboring towns will visit Lamesa at least one night with as many of their business and professional men as possible.

Vardaman will speak in the evenings on such subjects as "Building the City Four Square," "The Master Salesman," "Romance in Merchandise," "The Art of Making a Sale," "Handling Various Types of Customers," "Increasing Business through the use of Suggestion". The first subject mentioned will be discussed at the Lamesa High School Auditorium at 3 o'clock Sunday afternoon of the 28th, while the others will take their places each evening as they are named beginning with Monday evening of the 29th of this month.

The Chamber of Commerce of Tahoka has been asked to take the lead in securing a large attendance from Tahoka. The evening Tahoka comes will be advertised as Tahoka evening and all who come will be so recognized.

It is urged that all who can go get in touch with the Secretary of the Chamber of Commerce and make ready for Tahoka night.
Wm. A. WILSON

P. T. CLUB HAS ENJOYABLE SOCIAL MEET

The Parent Teachers Club had a most enjoyable social meeting at the Central Ward School Building Tuesday night, with a fairly good attendance. One of the most enjoyable programs ever put on by the club was rendered, consisting of music and readings.

The Donkey Quartette rendered a couple of selections which were much enjoyed and the High School Double Quartette won much praise and applause for the manner in which they performed.

Quite a quantity of groceries were brought in for the school cafeteria. To Mrs. Baze, who was in charge of the program, and Mrs. Suddarth was due the credit for the excellency of the program.

SICKLY, PEEVISH CHILDREN
Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by THOMAS BROTHERS

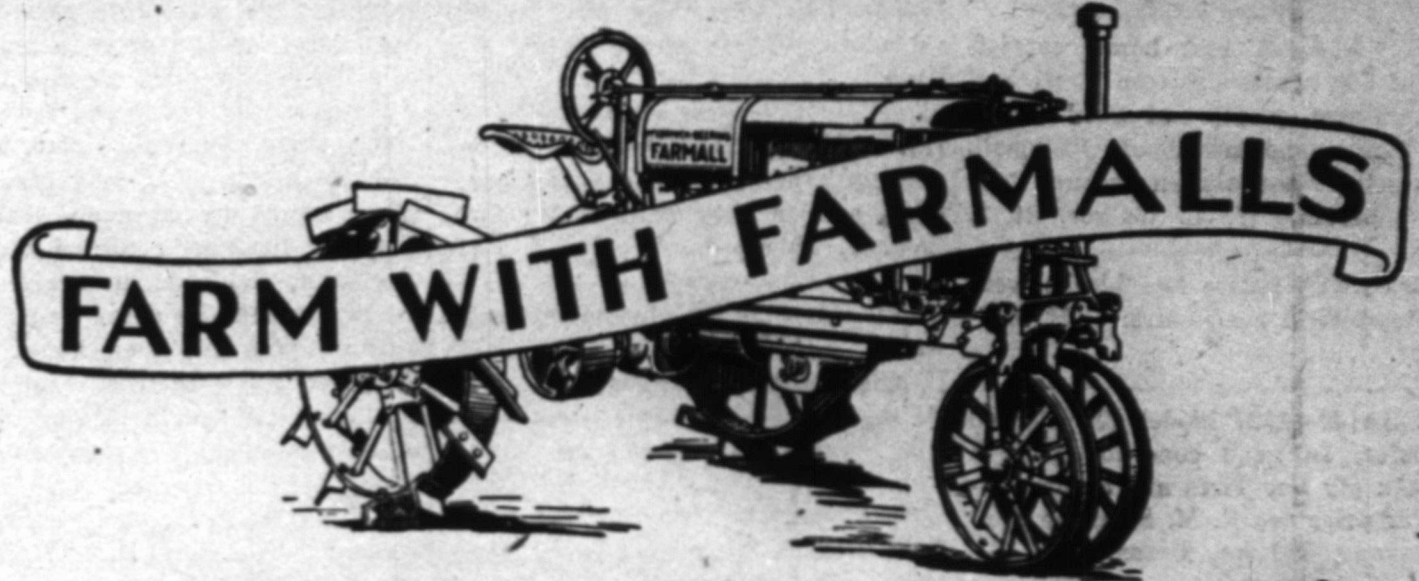

Austin, Texas, Oct. 16 — More Methodists attend the University of Texas than persons of any other religious Faith, according to a survey just completed by the University Y. M. C. A.

Approximately 1,635 students in the University belong to the Methodist Church or prefer that denomination. Other denominations represented in the survey are Baptists, 994; Presbyterians, 775; Episcopalians, 384; Christians, 313; Catholics, 247; Jews 187; Lutheran, 180; Congregationalists, 112; and the Church of Christ, 101.

Members of the different denominations are listed with the addresses and telephone numbers and typed copies of the lists are sent to the pastors of the various churches by the Y. M. C. A. This information enables the leaders of the religious work in the churches to organize their students within a few days after registration.

The Square-Turn
FARMALL
Fits Your Farm

THE big point about this tractor is that it fits the average farmer's needs to a "T". No matter how small or irregular your fields, no matter what your crops or your heavy work, Farmall has got it on the entire tractor field for many good reasons.

The McCormick-Deering Farmall is the first real ALL-purpose tractor. It handles row-crop planting and cultivating along with everything else. It easily pulls two 14-inch plow bottoms. It has liberal power and every advantage for operating belt machines. With the 7-foot Farmall mower and a 7-foot trailer you can mow a 14-foot swath. And it is ideal on all haying jobs. Its equipment includes 4-row

planters and cultivators, middle busters, sweep rakes, beet and potato tools, and others.

It takes fast, timely mechanical efficiency and a cutting down of labor and other costs to run a farm profitably nowadays. The Farmall has displaced horses and extra men by many thousands. You never saw such a useful and economical tractor, and you can't see one except the Farmall. Even if you're not buying now, keep yourself posted on the latest in all-purpose power farming. Watch us operate the Farmall and its working tools on one-fiftieth of an acre—on a patch of ground smaller than the cellar under your house. We will be glad to have you drive it.

MRS. MOLLIE TURNER GETS 20 YEARS SENTENCE

(Continued from first page)

Turner, who was then and still is living with her parents at Post, confided to them that the killing of M. E. Turner 7 years before was not accidental but was purposely done. The grand jury which convened in Tahoka last spring again investigated the case and returned an indictment against the elder Mrs. Turner, charging her again with the murder of her husband.

The evidence for the State adduced on the trial, showed that there had been previous and frequent trouble between the deceased husband and his wife. Just prior to the homicide they had gone to Amarillo, called there by some serious trouble which a son-in-law had gotten into. While there, Mr. and Mrs. Turner had further trouble, and Mrs. Turner returned to her home near Wilson. Her husband returned a day or two later, and when he arrived Mrs. Turner locked the doors and refused to admit him into their home. The daughter-in-law testified that Mrs. Turner finally got a pistol and went outside, where a few hot words between the two ensued, whereupon Mrs. Turner deliberately shot her husband. He turned and walked away, climbed over two plank fences, and went out into the public road. He died at a point in the road about 400 to 600 yards from his residence. In the meantime, the defendant and her daughter-in-law, Mrs. John Turner, made their way to a field more than a mile away, where John and Claude Turner were heading maize. Both women reported that the killing was accidental, but the younger Mrs. Turner testified on the trial this week that she so stated and so testified to the grand jury that later investigated the case out of fear, claiming that defendant had repeatedly threatened to kill her if she ever divulged the true facts.

The defendant testified to the previous trouble between herself and husband and claimed that her husband had been very cruel and abusive in his conduct toward her. She claimed that on the day of the killing her husband came and threatened to kill her and the whole family, that he broke in a door with an axe, and that in a scuffle over a pistol a few minutes later the weapon was accidentally discharged, the ball penetrating her husband's body. The jury evidently gave no credence to her version of the tragedy.

A SPLENDID FEELING

That tired, half-sick, discouraged feeling caused by a torpid liver and constipated bowels can be gotten rid of with surprising promptness by using Herbine. You feel its beneficial effect with the first dose as its purifying and regulating effect is thorough and complete. It not only drives out bile and impurities but it imparts a splendid feeling of exhilaration, strength, vim, and buoyancy of spirits. Price 60c. Sold by

TAHOKA BULLDOGS DEFEATED BY CROSBYTON CHIEFS

(Continued from First Page)

good work. They were relieved about the end of the first quarter by the first string guards, Speight and Thompson, who played a good game for the remaining three quarters. Barnes, center for Tahoka, played his usual style of play, it was more aggressive. Lawson, at tackle, played the best game that he has played this season. The star of the line, however, was little Massengale, left end. He steadfastly refused to let the Crosbyton boys make gains around his end. Many times three men of the opposition's interference would attempt to take him out of the play and it was seldom that they succeeded. When he was taken clear out of the play, he showed it up so much that some of his teammates were given time to make the tackle before there was any gain.

THE SOUTH PLAINS MUTUAL AID ASSOCIATION

has been organized at Tahoka, Texas under the revised civil statutes of 1925 of the State of Texas, and is operating under the direct supervision of the Insurance Department of the State of Texas. The reason this organization was formed is to provide insurance at cost to the people of Lynn and adjoining counties. Our insurance certificate is far ahead of any mutual certificate that you can buy in the territory in which we can operate. Let us explain to you without any obligation on your part. We can use a few live agents.

Directors of the South Plains Mutual Aid:
W. M. Harris, President
W. E. (Hap.) Smith, Vice-President
R. W. Fenton Jr., Secretary

W. D. Nevels
Geo. W. Herd
M. L. Thomas

Every Application to us has to be passed on by one of our Medical Directors before we will issue certificate.

A PLEA FOR EX-CONFEDERATE PENSION BILL

(We gladly publish the following plea in behalf of the Confederate Pension Amendment to be voted on in the November election).

The issue involved in the Presidential campaign is one that demands our most earnest thought and conscientious action, and which we can not honestly neglect.

However, while we are dealing with the momentous problems presented in this campaign, let us not forget another matter submitted to the consideration of Texas voters, which is of much importance to a number in our midst, i. e., the revision of the Ex-Confederate Pension Bill. There are numbers of these old war-worn veterans scattered over the state who are needy and to whom the passage of this amendment means relief and comfort which has been denied them in their declining years.

Texans, children of Southern sires, lovers of justice and humanity, vote for this bill and help the old Confederate veterans and their widows, and the consciousness that you have given aid and gladness to a sad heart and needy body will be a source of joy as you look on the face of your needy neighbor, and the blessing of God will be on your vote. Remember the old soldier, who looks to you in this time of decision.

MAGNET WORK ON HIGHWAY

New Machine Used To Pick Nails, Wire, Bolts, Etc. From Highway Thru Here

A truck, with a big magnet 6 feet long, attached at the rear, swinging just above the roadbed, being operated on Highway No. 5 this county to pick up nails and other metallic substances that might cause punctures of tires.

This truck, which is being operated by C. E. Sledge, reached Tah Wednesday and is working on south line of Dawson county, he is put to work on Highway No. 5 out of Lubbock through Slaton Post.

The amount of nails and other metallic substances that the magnet picks up is almost incredible. The stretch of highway extend from the end of the pavement Billie Brandon's filling station the turn in the highway less than a mile south, the magnet picked up pounds of metal in a strip 60 feet wide on each side of the road bed Wednesday. It picked up 60 in a distance of two blocks. We not learn what the total weight mounted to after the entire road had been gone over.

Mr. Sledge promised us that would be given a complete report the entire line of Highway No. 5 Lynn county as soon as the work this county is completed.

Associational S. S. Meeting Held Here

The first meeting of the Associational Sunday School and B. Y. P. U. organization, comprising the territory of the Brownfield Baptist association, was held at the B. Y. P. U. Church here last Sunday afternoon. Although the day was a very agreeable one, a number of checks were represented and many were here.

Rev. A. A. Brian of Roper representing the Sunday School, and Rev. Phillip McGee representing the B. Y. P. U. organization, are joint presidents of the ly-formed body.

At the meeting Sunday afternoon Rev. F. N. Allen of Meadow on the benefits to be derived by churches from such an organization of the B. Y. P. U. forces, and J. B. Walker of Tahoka spoke the same line from the standpoint of the Sunday School.

Dr. R. C. Pender, veteran leader in Texas and now the representative of Buckner O. Home, was also present and interestingly.

Abilene Man Opens New Tailor Shop

S. N. Weathers of Abilene, Mr. and Mrs. E. N. Weather opened a tailor shop and Gentlemen's business in the building recently vacated by the Cooper Company.

Mr. Weathers is engaged same business in Abilene and had many years experience work. A. P. Fakes, recently one, is associated with Mr. W. in the business here.

Don't forget the Living Room test. Enter before Dec. 1st.

Farming Certainly Is A Business

What do you mean by big business? Steel, automotive, clothing—all are giant industries, but none of these are of such importance as farming.

The average Lynn county farmer is engaged in a large business venture. And like all business men the farmer needs the help and financial assistance of a banker who understands his problems.

We have always appreciated this and have always taken great pride in being known as a farmer's bank.
