## Hoover Wins Decisively Over Smith

### Hoover Given 514 Majority In County

#### MANY FAIL TO VOTE TUESDAY

Only 2022 Votes Cast In Lynn County; Hoover's Majority Is 514 Votes

In the Presidential election Tuesday Lynn county gave an overwhelming majority for Herbert Hoover over Al Smith. We are not able to give the total vote polled on account of the fact that quite a number of votes cast in several of the precincts could not be counted for either candidate on account of the manner in which they were marked. Also there were a number of socialist votes in the county. Hoover and Smith received a total of 2022 votes in Lynn county, Hoover receiving 1268 votes and Smith 754. Hoover's lead over Smith is 514 votes.

Hoover carried every precinct in the county except two. Wilson gave a majority of 23 for Smith and New Moore gave him a majority of 3. O'Donnell was the banner Hoover box among the larger precincts of the county, the vote there being more than 3 to 1. Hoover carried both Tahoka boxes, North Tahoka by 37 votes over Smith and South Tahoka by 72 votes over Smith. Hoover's lead in the two Tahoka boxes was 109. Among the smaller boxes, Hoover carried Draw by more than 3 to 1 and Three Lakes by exactly 5 to 1. While there was intense interest in the result of the election throughout the county, yet the vote was not as heavy as had been expected. Only about 2,100 votes were polled, whereas 2772 votes were cast in the July primaries and \$296 poll taxes were paid in the county prior to February 1. Quite a good many voters, therefore, evidently remained at home. The returns of Tuesday's election obviously do not represent the full opposition to Smith, for many who felt that they could not vote for Smith declined to vote the Republican ticket and therefore did not vote at all. This stay-at-home vote added to the Hoover vote represents the real strength of the opposition to Governor Smith.

While the vote in Lynn county Tuesday was not as large as was expected, yet it was the largest vote ever polled in a Presidential election. Four years ago, when the fight between Butte and Mrs. Ferguson for the governorship brought out a much larger vote than usual in general elections, 1600 votes were polled for governor and 1503 for President. Mrs. Ferguson received 975 votes and Butte 625. Davis, the Democratic nominee for President, received 1132 votes, Coolidge, the Republican nominee, received 314 votes, and La Follette, the Progressive nominee, 57 votes.

From the above figures it will be seen that Hoover received almost exactly four times as many votes last Tuesday as Coolidge received 4 years ago, while Smith received 378 fewer votes Tuesday than Davis received four years ago.

Furthermore it is seen that Hoover received more than twice as many votes for President Tuesday as Butte received for governor four years ago while Smith received 221 votes fewer than Mrs. Ferguson received for governor four years ago.

The results in Lynn county as reported to the News by the various election judges are shown in the accompanying table.

The first factory-made cotton boll-puller ever exhibited in Tahoka is being shown in front of the Harris-Applewhite Hardware store. This boll puller has also a cleaner attachment to remove the burrs and the trash, thus enabling the farmer to "sled" his cotton and to leave the refuse on the land. The machine is manufactured by the John Deere Company.

#### TO MAKE NEW TEST FOR OIL

Work To Start Soon Near Location Of Old Hart Well West Of Town

A new test well for oil is to be drilled in the T-Bar Ranch four miles west of Tahoka. Work on the well has already actually begun, the pit being now excavated. The well will be drilled by the Ash Syndicate No. 2 and George McCamey of Fort Worth, according to information reaching the News office. The location is on Section No. 5 in the L. & S. V. Ry. Co., Survey, about a half mile north of the old Hart well. Material for the derrick is expected in today.

The Hart well, which was begun almost three years ago, was never finished. Drillers had bad luck with the hole, while the Harts encountered financial difficulties, and it is our understanding that the hole was abandoned at a depth of about 1,300 feet.

It is claimed by those who have been closely watching oil developments in this county that steady and rapid progress may be expected on this well.

#### Cotton Picking Is Retarded By Weather

After a week of damp weather, during which time very little cotton was gathered in this county, picking was resumed generally Monday morning. The gins are being kept busy this week. Up to this morning at an early hour, 2,070 bales had been received at the local yard. Several hundred bales ginned at the Farm Bureau Gin and at the Round Bale gin increase the ginning figures for Tahoka to a figure considerably above this number.

#### "Ham" Wright Draws Transfer to Christoval

Rev. Hamilton Wright, pastor of the Methodist churches at Draw and Grassland, was in the city Monday and stated that he was making preparations to remove to San Angelo. He has been transferred to the pastorate of the Church at Christoval and expects to put in a part of his time as a writer of feature stories for the San Angelo Standard. Rev. Wright has had much newspaper experience and is a splendid writer. He has greatly endeared himself to the people of Draw and Grassland, among whom he has labored during the past year, and many friends here regret that he is to leave the plains.

#### TAYLOR GIRL PASSES AWAY

Zella Margaret, Daughter Of Mr. And Mrs. Skip Taylor Died In San Antonio

The many friends of the family were sincerely grieved to learn that little Zella Margaret Taylor, daughter of Mr. and Mrs. W. S. Taylor, had died at an early hour Friday morning in San Antonio, where Mrs. Taylor and her little daughters were visiting.

Little Zella Margaret had been in ill health for some time, being afflicted with rheumatism and bad tonsils, but her condition was at no time serious, apparently, until a few hours before her death. It was the opinion of the attending physician in San Antonio as well as the family physician here that her rheumatic condition affected her heart action and produced death.

Mrs. Taylor and the little girl had gone to San Antonio about ten days prior to the latter's passing away to visit relatives, Mr. Taylor remaining here. As soon as news came that little Zella Margaret was in a critical condition Mr. Taylor left for San Antonio. The remains were brought back to Tahoka for interment. Funeral services were conducted in the Baptist Church at 3 o'clock Sunday afternoon in the presence of a great concourse of friends, and interment followed in the City Cemetery.

Little Zella Margaret was born on January 21, 1922 and died on November 2, 1928. By her sweet disposition and winning ways she had made innumerable friends, who were deeply grieved at her unexpected demise. The parents have the sincerest sympathy of our entire citizenship.

#### AMENDMENTS CARRY

Comparatively meager election returns indicate that all four of the proposed constitutional amendments were adopted. Two of those relate to educational matters, while one provides for additional pensions for ex-Confederate soldiers and their widows, and the fourth grants further exemption from taxation of church property.

#### THE ELECTION IS OVER

(An Editorial)

The most heated Presidential campaign in a generation has just come to a close. This is the first time in many years that a Republican candidate has made a formidable fight in Texas. Throughout the state and here in Lynn county, the battle was furious. Men became wrought up to a high degree. Men on both sides have doubtless said and done things that should have been left un-said and un-done. Possibly some statements have appeared in these columns that were ill-advised and that gave offense. While this may have been true in a few instances, yet the editor has sought to be fair, though vigorous, in the editorial policy of the paper. As to local citizens we have indulged in no personalities. We have been fighting for great principles and for correct governmental policies as we view them. For this we have no regrets. On the other hand, we have no ill will and no censure for those of our citizens who honestly disagreed with us. We have no desire and no disposition to "rub it in." We recognize the fact that they were just as sincere and just as honest as we. We honor those who thus fought for what they believed to be right. So far as we are concerned, we have no grievance against any man or woman in Lynn county. Now that the election is over and that some of us have won while others have lost, let us forget the contentions and bickerings of the recent past and unite again for the betterment of our town spiritually and morally and for its growth and development materially. We extend the olive branch of peace.

#### SEWER SYSTEM WILL BE LAID

Will Start Construction Work Before Nov. 19, Mayor Singleton States

Construction on a sewer system for Tahoka is to begin within the next few days, according to a communication received this morning by Mayor J. R. Singleton from Donald O'Neil, who procured a franchise from the City several months ago. This franchise requires construction to begin on or before November 19. Mr. O'Neil writes that his franchise has been transferred to Messrs. M. H. Smith and C. J. Moore of Dallas, who are representatives of the Brown-Crumme Company, bond investors, and that he understands that these gentlemen will begin work on the system prior to the above date.

#### ELDER KERCHEVILLE TO PREACH AT DIXIE

Announcement is made that Elder W. A. Kercheville will preach at 3 p. m. next Sunday. Everybody cordially invited.

#### Lady Dies Suddenly From Apoplexy Stroke

Miss Georgia Compton, sales lady in charge of the ready-to-wear and millinery department of the W. R. Neyland store, was suddenly stricken with apoplexy at about 7:20 o'clock Wednesday evening just at the door of the Post Office barber shop and died a few minutes later at the Ketter Hotel, where she was taken immediately after being stricken.

Her remains were shipped today to Springfield, Mo., her former home, for interment. Miss Compton had no relatives here, her parents and other relatives residing at Eureka Springs, Ark.

#### Tahoka Bulldogs To Play Paducah

The Tahoka Bulldogs will go to Paducah Friday to play that team a game of football.

The Paducah team is said to be a very strong one, having recently defeated both Quanah and Childress. The Tahoka boys say that they are going to fight hard to win, however, and we hope that they come back victors. The Bulldogs are playing well this year.

#### Legion Boys Guests Of Kiwanis Club

Members of the American Legion were guests of the Kiwanis Club at its luncheon Wednesday. No special program had been prepared and none was rendered except for a few words of welcome by one of the Kiwanians and some announcements relating to Armistice day by President Happy Smith. Mrs. Jackson favored the club and their guests with a number of much appreciated piano selections.

#### MISS LILLA MAIE REID IS FRESHMAN BEAUTY

Miss Lilla Maie Reid of Tahoka was chosen as Freshman beauty to represent the class in the college annual. Miss Reid is very popular in various circles in McMurry. She is a member of the girls pep squad, the dramatic club, and the Sigma club.

#### G. O. P. NOMINEE SWEEPS NATION

Smith Meets Worst Defeat Of Any Presidential Nominee Since Civil War

Herbert Hoover was elected President of the United States at Tuesday's election by the most overwhelming majority in the history of the Democratic and Republican parties. Governor Al Smith suffered the greatest defeat of any candidate that ever ran on the Democratic ticket. The latest available returns indicate that Hoover has carried 40 states while Smith is leading in only eight of the states of the Union. Hoover has 444 of the electoral vote, while Smith has only 87. Of course full returns may change the result slightly but it does not now appear probable that there can be any very substantial change in the final totals. Smith has carried only the following states: Alabama, Arkansas, Georgia, Louisiana, Mississippi, South Carolina, Massachusetts, and Rhode Island. Hoover broke into the Solid South by carrying Virginia, North Carolina, Tennessee, Florida, and Texas. He has also carried the border states of Kentucky, Missouri, and Oklahoma.

The victory for Hoover has apparently been even more sweeping than that of Woodrow Wilson in 1912, when the Republicans split wide open and the Progressive wing nominated Roosevelt while the Regular nominated Taft. Wilson received 435 electoral votes in that election, while Roosevelt received 88 and Taft 8. Smith's home state, New York, went into the Hoover column, Smith carried New York city by a large majority but Hoover's sweeping victory up-state was enough to overcome the Smith majority in the metropolis. In fact, Smith did his strongest running in the big cities, where the foreign vote and the wet sentiment was the strongest. Hoover carried all the mid-western states, where Smith hoped to win on the farm relief issue.

Perhaps one of the greatest surprises to the nation was the fact that Texas swung over into the Republican column. Democratic leaders here had been claiming this state by at least 200,000, and while the Anti-organization was claiming the state yet it was generally conceded that Texas would give Smith a majority. Close political observers in the state however, were convinced that if Smith carried the state it would be by a comparatively small majority.

Hoover carried most of the larger cities of the state, including Dallas, Fort Worth, Houston, Wichita Falls, Amarillo, Beaumont, and many others. The vote was very close in San Antonio, El Paso, and Waco. Hoover carried most of the counties of West Texas and practically all plains counties. Lubbock county gave a majority of approximately 1,100 for Hoover.

The latest tabulation of the Texas returns accounts for 656,631 votes. Hoover had received 326,556 and Smith 310,075, a lead for Hoover of 16,481. These returns come from 250 of the 253 counties of the state, 83 being complete. It is not thought that the remaining returns will materially affect the result except to slightly increase Hoover's majority.

While it is not yet possible to estimate Hoover's popular majority throughout the nation, yet it is apparent that he has a tremendous lead. Thus comes to a close one of the most spectacular campaigns in the history of this country, resulting in the most crushing defeat ever administered to a Democratic Presidential nominee.

Demos Held Blow-Out Monday Night

The regular Democrats closed out their campaign here Monday night with a big rally. It had been advertised as a county-wide affair and a good many people were present from various rural communities as well as a goodly number of Tahoka residents. In fact the main auditorium of the district court room was almost filled with many in the balcony. It had also been advertised as an all-night affair but it "played out" about eleven o'clock. Mrs. J. B. Walker as chairman presided and introduced the speakers. Judge G. E. Loekhart made a rousing address in favor of the Democratic nominee. He was followed by Judge Campbell of Lubbock, who also made a hit with the crowd. The closing speech was made by Mr. W. J. Burckhardt, formerly of this county but now a citizen of Lubbock. Others were present to make a few remarks but by this time the crowd was so restless and had shrunk to such small proportions that the program was brought to a close. Miss Evelyn Wells gave a catchy reading during the evening and the program was interspersed with lively music.

The Southwestern Bell Telephone Company predicts that by 1950 Texas will have a population of 7,015,000, a gain of 1,488,000 or 28.7 per cent.

RESOLUTIONS OF LYNN CO. TEACHERS' INSTITUTE

We, the committee on resolutions, beg to submit the following for your consideration:

- 1. Be it resolved that we extend our thanks to County Superintendent H. P. Cavness, City Superintendent, M. L. H. Baze; and the directors of the various departments who have made the success of this institute possible.
2. Be it further resolved that we extend our appreciation to the Tahoka Public School Board for the use of the building, and to the City of Tahoka for the various courtesies which have been extended the teachers of this institute.
3. Be it resolved that we express our thanks to Dr. P. W. Horn, and Dean J. M. Gordon of the Texas Technological College for their splendid addresses.
4. Be it further resolved that we, the teachers of Lynn County, go on record as 100 per cent favoring the educational amendments to be voted upon Nov. 6.
5. Be it also resolved that we endorse the work being done by the State Teachers' Association in behalf of better schools; and we recommend that the Lynn county teachers send in this year 100 per cent membership fees.
6. Be it resolved that the teachers of this county favor an enactment by the coming legislature whereby a tax may be levied upon tobacco, soft drinks, theatres, and other luxuries, for the purpose of supplementing the State Public School funds.
7. Be it further resolved that the Lynn county teachers assembled go on record as endorsing the University Interscholastic League, and that we, as teachers, pledge to keep it clean—always having in mind the deals to be attained rather than winning the various contests.
8. Be it resolved that we endorse the county unit school system whereby the rural school child shall have advantages equal to those of the city child.
9. Be it further resolved that a copy of these resolutions be furnished the local papers of the county, The Texas Outlook and our legislators of this district.
Respectfully submitted, J. C. TURNEY, A. L. FAUBION, MRS. J. H. TUNNELL.

SOUTH WARD

There will be a pie supper and box supper at South Ward School Friday (tonight) evening at 8 o'clock. We invite everybody from all parts of the county. We are expecting a large crowd. The proceeds of this will go to pay for the piano at the school.

Mr. Earl Smelser and his daughter Pauline went to Fisher county Friday and returned late Sunday night. They visited relatives there.

Messrs. Bill, Thomas and Edgar Asbill of San Angelo are visiting Mr. Hood.

There will be a program at South Ward School on Friday, November 23. Make your plans to be present on that night. We are promising a much better and longer program with some extra features.

Our Sunday School meets every Sunday morning at 10:30. If you are not going anywhere to church come to South Ward next Sunday morning.

Remember the announcements; the pie supper and box supper will be tonight, Friday, November 9th, and the program will be given two weeks later on Friday evening, November 23 whether Smith or Hoover is elected. We urge you to come. You will be glad you came.

Workers Conference At Wilson Saturday

The regular Workers' Conference of the Brownfield Baptist Association met at Wilson Wednesday. The attendance is said to have been rather small, due to doubt to the fact that people are very busy just now and also to the fact that it followed so closely after the election. The program, however, is reported to have been a most excellent one. Dr. E. W. Provence of Lubbock spoke in behalf of the Greater Baylor campaign just being launched, and Mrs. Provence spoke on the W. M. U. work. Those attending from Tahoka were Rev. and Mrs. E. N. Shepherd and Edwanda J. E. Edwards, W. E. Edwards, Taylor White and possibly others.

ANTI SMITH ORGANIZATION THANKS COUNTY VOTERS

We, the officers of the Anti-Smith organization in this county, desire to express our thanks to the good people of Lynn county for the splendid majority which they rolled up last Tuesday for Herbert Hoover. We also desire to express our sincerest thanks to the local Anti-Smith chairmen and other workers in the various election precincts for the splendid work that they did, and we especially appreciate the fine interest taken by the good women in this fight for good government. With malice toward none and with good will for all, we express the hope and belief that the administration of Herbert Hoover will be responsive to the will and the best interests of a great people.

Respectfully, Anti-Smith Campaign Committee of Lynn County.

HAMILTON WRIGHT TRANSFERRED TO CHRISTOVAL

Our pastor, Rev. Hamilton Wright, Methodist, has been transferred to the West Texas Conference and assigned to the Christoval church. He has been pastor here since November 21, last year. After a siege of cold, damp weather our gin has resumed operation. It is expected that cotton will increase at the gin henceforth until completely gathered, as the late frost has precluded any further growth and increase. The crop is turning out better than many expected at the beginning of the cotton season.

The polls were spectacular scenes Tuesday when Draw suffrage, in the main, went to cast their vote for Herbert Hoover.

Rev. "Bill" Hart, former Methodist pastor here, but more recently of the Lamesa circuit, with residence in O'Donnell, is leaving shortly for Rockport, Texas, to spend the winter for the benefit of his wife's health. Hart is known throughout West Texas as an old-time "circuit-riding", having given probably thirty years to the work in these parts.

Examination papers for pupils in the Cokesbury course were handed out Wednesday night at prayer meeting. About 25 text books were used and many will send their answers to Nashville for grading and certification.

A large crowd listened to the radio at Jackson's Tuesday night for the returns on the state and national election. The broadcasting was a source of delight to all those fortunate to "listen in".

COUNTY ROAD BOND IS SET FOR DECEMBER FIRST

SLATON, November 6—Saturday, December 1, has been set by the Lubbock County Commissioners' court as the date for a county-wide bond election to vote on issuance of bonds totaling \$2,005,000 for hard-surfacing highways and lateral roads of the county. Petitions were presented to the court last Tuesday, and an order for the election was passed. The petitions bore signatures of several hundred voters in various sections of the county.

Roads to be hard-surfaced if the issue carries, and amounts to be expended by the county on each road, are:

- State Highway No. 7, via Slaton, Lubbock and Shallowater, \$325,000. State Highway No. 9, via Woodrow, Lubbock and Monroe to Abernathy, \$275,000. State Highway No. 53, via Idalou, Lubbock and Wolffarth, \$371,000. Road west from Slaton to Highway No. 9, via. Union school, 135,000. Road north from Lynn County line through Slaton, Idalou and Becton to Hale County Line, \$476,000. Road east from Lubbock through Canyon and Acuff to Crosby County line, \$263,000. This totals \$1,982,000 and bonds now outstanding in road district number one, including Slaton, will be taken up, amounting to \$23,000, making the grand total of \$2,005,000.

"You Can Turn a Farmall on a Dime and Have Nine Cents Left Over!" YOU can turn it on a dime! We often hear that said about the McCormick-Deering Farmall. There never was anything like it for getting around fast and easy in cramped space. It has the original exclusive patented square-turn feature found in no other tractor, bar none. We have never turned it on a dime but here's what we will show you—a Farmall with 4-row cultivator and also with a 7-ft. Farmall mower, working and turning in a patch of ground 20 by 40 feet. That one-fiftieth of an acre! Did you ever see any other tractor that could do much more than stand still on that? The Farmall is the only square-turn tractor on the market. In the field you are 300 feet down the next furrow or grain-side while a clumsier tractor is making its slow turn. One rear wheel stops to help you turn a close corner, and that comes mighty handy the year around. Farmall belongs on just about any farm. It works on all jobs—belt, drawbar, and power take-off—and on all crops, even to the planting of corn, cotton, potatoes and other row crops. Many men are using Farmalls on little and big farms alike, without a single horse on the place. Come and see us demonstrate these things. Drive the Farmall yourself. **NOTICE TO THE PUBLIC**  
Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called to our attention.

We have the profoundest respect for the great majority of the Smith supporters in this county and state, who were perfectly honest and sincere in their advocacy of the New Yorker, and as to them we have no disposition whatever to "rub it in". But as for the fellow who espoused Smith's cause for "pie" or for political reasons, well, he got what was coming to him and we can't help rejoicing at his discomfiture.

The Democratic leaders in Texas doubtless learned Tuesday that Tammany tactics of blow-beating, intimidation, and threats can not be used successfully in Texas. Congressmen Rayburn and Young, Chairman Wilcox and others closer home have been shown that red-blooded Texas Democrats can not be driven like so many cattle, by the crack of a party whip, into a booze-soaked Tammany corral.

Thousands of Texas democrats feel that Morris Sheppard, author of the

eighteenth amendment, in espousing the cause of Smith and joining with those who would have murdered this child of his, has played the traitor to his friends and to the cause. Sheppard played politics in this campaign and he has fallen from the high position of esteem and affection which he held in the hearts of the dry Democrats of Texas. We are predicting that they will register their disapproval of his ignominious course at the very next opportunity.

Cullen Thomas has been a highly esteemed leader among the dry forces of this state for the past fifteen years. Many of the dries almost idolized him. They were therefore deeply grieved and disappointed recently when he turned his back upon them and enlisted under the dripping wet banner of Al Smith. Cullen Thomas will have to serve faithfully and a long time before he can fully regain the high position of esteem which he has heretofore held in the hearts of the prohibition democrats of Texas.

The Claude News complains that one of our contemporaries swiped one of its editorials bodily, merely changing the name of the county so as to make it apply to the locality of the offending paper, and using the editorial without other change. The Claude News editor writes interesting and most readable editorials, and it may expect them therefore to be swiped occasionally by those who are inclined to take things that don't belong to them when the owner is not looking.

In this world it's just one thing right after another. Lubbock county is now entering upon a hot fight to vote bonds in the sum of \$2,000,000 to pave the highways and improve the lateral roads of the county. If the bonds are voted, the county expects to go fifty-fifty with the state and federal governments and to have therefore about four million dollars to spend on the roads and highways of the county. The election is to be held on December 1.

Many friends throughout Texas regret that Tom Cognally compromised his attitude on the liquor question during the recent campaign by espousing the cause of Al Smith, the idol and mouthpiece of Tammany Hall. They are hoping that he will redeem himself during the six years that he is to serve in the U. S. Senate.

Dan Moody has played a halting and disappointing game in the campaign that has just closed. He finally yielded to the pressure brought to bear by the politicians. He has clipped his own wings, and the indications are that he will never fly so high again.

Lynn county gave its answer to Judge Mullican last Tuesday, when it gave Hoover a majority of approximately 500 votes over Smith.

There is going to be lots of fun in Texas two years hence when Boss Wilcox undertakes to bar the "bolters."

Some of these Texas politicians who were tearing their shirts for Smith appear also to have torn their pants.

Jewell P. Lightfoot, former attorney general of Texas, now a practicing attorney in Fort Worth, has emerged from this campaign as one of the big men of Texas. Mr. Lightfoot, as assistant attorney general under R. V. Davidson and later as attorney general, made an enviable record. Then he left Texas, going to Chicago, for the practice of his profession. Two or three years ago he returned to Texas, locating at Fort Worth, where he has been quietly following his profession. In the Presidential campaign which has just closed he lined up with the Hoover forces and made a few speeches. Those who heard him declare that these addresses were most brilliant, eloquent, and effective in behalf of his choice for the Presidency. We are predicting that Jewell P. Lightfoot in the years to come.

Cone Johnson made a valorous fight against Al Smith prior to the Houston convention. Then he lost his voice and we have heard from him only one time since. That was two or three weeks ago, when he gave out an interview indicating that he could not support Smith. Cone Johnson could have been a power in this campaign had he not become tongue-tied immediately following the Houston pow-pow. We still insist that he is a big man and that his heart is right.

Heigh-ho, anyhow we guess we can talk about the weather in these columns now.

The Lone Star Gas Company has added 60 towns to its pipe line system since January 1 and has extended the system 350 miles.

Texas consumes in its mills only about 2.5 per cent of the cotton grown in the state.

**O'DONNELL HAS BUSIEST DAY IN TWO YEARS**

Great crowds thronged the streets of O'Donnell Saturday. In fact, it was one of the largest shopping crowds that have been in O'Donnell in some time. A canvass of the business concerns of the city from Hamburger stands to the bank, on Monday morning of this week showed that it was one of the busiest days in more than a year.

Most every concern in the city reported record breaking sales for Saturday—some said it was the best day they had seen in two years. The tinge of fall was in the air and most people were buying heavy, laying in their supplies for old man Winter who is expected to arrive soon. The weather man gave evidence Monday that the buying public's judgment was good, as a slow rain continued to fall throughout the day with falling temperature. Cotton pickers were kept out of the fields on Monday and most of them came to town and were seen buying "Heavies" in an effort to check the chilling winds.

Business was good and most everyone seemed to enjoy themselves. The crowd seemed to be more prosperous than any we have seen in some time because it wasn't "change it" or checks—merchants were paid off in most cases with the "long green." Signs of prosperity.—O'Donnell Index.

**NEW OWNERS TAKE CHARGE OF O'DONNELL GIN**

A very important business transaction that was overlooked during the rush of last week was that of the change in ownership of Brown's Gin. The deal was closed on Thursday of last week. Mr. and Mrs. A. D. Brown sold their interest to Mr. Edwards of near Waco and the plant will be known in the future as Edwards' Gin. Mr. Edwards is a ginmer of many years experience and will render the same good service that has been given in the past by the former owner.

Mr. and Mrs. Brown have not made their future plans. It is the wish of their many friends that they remain residents of O'Donnell.—O'Donnell Index.

The Dallas Power and Light Company is planning an addition to its generating plant to cost \$2,750,000.

Mr. and Mrs. J. W. Bean and family of Waco are moving in our community to live the coming year. Mr. Bean is a brother to Mrs. Jack Curry.

Mrs. A. A. Anderson, Mrs. E. D. Payne and Grandma Payne have been sick the last week or two. We hope they will soon recover.

Mr. Warner Boyce of Slaton visited in our community Sunday.

The Hallowe'en party which was to be given last Wednesday night was postponed until Friday night on account of the rainy weather. Every body present seemed to have a good time, at least they had all the pumpkin pie they could eat. This party was sponsored by the club women.

There was a good attendance at S. S. Sunday morning owing to the weather Mr. Krebbs, our superintendent made an interesting talk on the subject of the lesson "Temperance". Four members of the young people's class also made interesting discussions about subjects related to this.

Rev. B. N. Shepherd said it was impossible for him to be with us the first Sunday. As he was not present last Sunday evening we sang a while then went home. Next Sunday is Rev. R. E. Winters appointment. Everybody is invited to come each Sunday to S. S., preaching and every Sunday night to singing. We need your assistance.

Sunday night there was a good crowd at singing. Thought very few people were present from Dixie because they had preaching over there. Mr. Dugan brought our new song books Sunday night. We had a good singing even though we were kinda crowded.

The Epworth League will put on a special Armistice Day program next Sunday evening at the Methodist Church, according to an announcement by A. G. Pugh, president. Parents of ex-service men are expected to be present and address the congregation. The special program is now being arranged. Sunday several Epworthians went to Tahoka for the organization of an Epworth League Union. "Billie" Porterfield, lay leader for this circuit, and prominent in League work, was chosen as vice-president, it was learned.

The "round-up", or adjourned session of the fourth quarterly conference of the Methodist Church, was held at 11 a. m. Thursday, with Draw stewards and officials and visitors present. Dr. D. B. Doak, presiding elder of the Lubbock district, presided. Dr. Doak was not here at the regular conference due to illness.

J. M. Casbeer, newly elected superintendent of the Methodist Sunday School will take his post Nov. 25, succeeding D. G. Cook, who has faithfully served the post for many months.

Next Sunday afternoon at 3 o'clock the semi-monthly singing will take place with Mr. Caswell as leader. These singing occasions bring out a large number of excellent singers.

A singing was given Tuesday evening of last week at the home of A. H. Moyer. About thirty attended. The evening was a delightful one.

The Epworth League gave a Hallowe'en social at the teachers' week before last. Many attended. It was the first big event of the kind in some months. Miss Euna Knowles, public school teacher, was hostess.

A Hallowe'en social was given one night last week at the residence of C. C. Jackson. Numerous young persons attended. Spooks were out everywhere.

The new parsonage of the Assembly of God church has been completed and occupied by the church's pastor, Rev. "Pete" Winters. The new parsonage is just to the south of the church.

**SHERIFF'S SALE**

THE STATE OF TEXAS,  
COUNTY OF LYNN:

Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Lynn County, of the 25th day of October, 1928, by W. E. Smith, Clerk of said District Court, for the sum of One Thousand Four Hundred Sixty Three and 72/100 (\$1,463.72) Dollars and costs of suit, under a judgment, in favor of Eugene Bullock in a certain cause in said Court, No. 694 and styled Eugene Bullock vs. E. W. Howell and D. H. McDaniel, placed in my hands for service, I, J. W. Simpson as Sheriff of Lynn County, Texas, did, on the 25th day of September, 1928, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: All of lots 3 and 4 in Block No. 57 in the City of O'Donnell, Lynn County, Texas and levied upon as the property of E. W. Howell and that on the first Tuesday in December, 1928, the same being the 4th day of said month, at the Court House door, of Lynn County, in the City of Tahoka, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Order of Sale, I will sell above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said E. W. Howell.

And in compliance with law, I give this notice by publication in the English language, once a week for three consecutive weeks immediately preceding day of sale, in the Lynn County News, a newspaper published in Lynn County.

Witness my hand, this 25th day of October, 1928.

J. W. SIMPSON,  
Sheriff, Lynn County, Texas. 10-3tc

**Grassland**

The Grassland public schools opened the fall semester Monday morning with a large attendance. The school was opened with the singing of patriotic songs and an invocation by Rev. Mr. Ahern, pastor of the Grassland and Nazarene Churches. Talks were then made by Rev. Hamilton Wright, pastor of the Draw-Grassland Methodist churches and the Rev. Mr. Ahern and the new principal of the school, Prof. Venzend.

Many fathers and mothers of pupils of the school were present. Venzend, who comes from East Texas, expressed great appreciation of the Mothers' Club and of the excellent arrangement and conveniences of the Grassland School.

Rev. Mr. Shelton, former pastor of the Grassland Nazarene church,

but for the last several months located somewhere in Oklahoma, is announced to preach at the Nazarene church here next Sunday morning. He is recognized as one of the most efficient pastors of that denomination and universally respected and loved. He will serve the Quannah Nazarene church for the next year, according to information received here.

Rev. Hamilton Wright, pastor of the Grassland Methodist church, will preach at the morning and evening hour at the church. We understand that this will be the last time he will preach here, as he was two weeks ago transferred from the Northwest Texas Conference to the West Texas Conference by Bishop John Moore and appointed to the Methodist church at Christoval, though his residence will be San Angelo. It is hoped that all Methodists of the Grassland community will be present to hear Brother Wright his last time here.

The "round-up" quarterly conference of the Draw and Gossett M. E. churches was held at the church here at 2 o'clock Thursday afternoon, with quite a large attendance of stewards, officials and visitors. Rev. D. B. Doak, presiding elder of the Lubbock district, was present and presided.

The Thomas Gin at this place has pressed about 700 bales of cotton at this writing. The bad weather of last week seriously interrupted the steady grind at this gin, but with brightening weather, it is hoped to get the crop rapidly to the gin. Many Mexicans are arriving, so that the work of harvesting the crop will be expedited.

It is reported here that Rev. Cleg-horn, evangelist of the Nazarene church, who held a meeting here and in Post last spring, is dead. This report, however, has not been corroborated.

**CARD OF THANKS**

As Republican Chairman of Precinct No. 1, Lynn County, Texas, I desire to express my sincere thanks for the splendid majority that they gave president-elect Hoover. I want to thank the Republicans who cast the 49 straight republican votes, but I especially want to thank the democrats who helped to give Mr. Hoover the 72 majority in the South Tahoka box. I also wish to thank the Hon. Clark M. Mullican for his boomerang speech that Saturday

night—Judge we could not have put it over without your valuable help. And Jake Leedy's cartoons were a great help. Also the picture of Al Smith that was placed on the table in the voting booth. If we had had one on the desk also we could have carried the box by a two to one vote.

**CONSTANT EXPANSION**

—to serve Chevrolet owners better

**S**INCE January 1st more than a million new Chevrolets have been delivered to owners—making the Chevrolet Motor Company, for the second consecutive year, the world's largest builder of automobiles!

This outstanding achievement has been attained not only because of the quality and value of Chevrolet cars—but also because there has been a constant expansion of Chevrolet service facilities.

In order to bring these mammoth facilities of the Chevrolet factories to Chevrolet dealers and owners everywhere, there have been erected 26 huge parts warehouses in the principal centers of distribution. This expansion program is continually going on—for four great additional warehouses will be in operation by January first and seven more by the summer of 1929.

Into the service departments of all Chevrolet dealers, Chevrolet has brought special tools and shop equipment—designed

under the supervision of Chevrolet engineers. This equipment definitely assures maximum speed and precision and the lowest possible cost in the performance of every Chevrolet service and repair operation—which are charged for on a flat rate basis.

Furthermore, all of these tremendous facilities have been made available to 15,000 authorized service stations manned by skilled mechanics, over 25,000 of whom have been factory trained to efficiently handle every repair operation on a Chevrolet car. In addition, there are over 4,000 other points where genuine Chevrolet parts may be obtained.

Uniformly efficient, uniformly reliable and within easy reach of everybody everywhere—this great service organization is maintaining at peak efficiency the fine performance for which Chevrolet cars have always been renowned.

We cordially invite you to come in and see how our service facilities reflect the influence of this great national service program.

**RULES FOR 1929 LIVING ROOM CONTEST**

In this contest it is agreed by The Semi-Weekly Farm News and the Home Demonstration Department of the Cooperative Extension Service of the Texas A. & M. College and the United States Department of Agriculture that:

This improved living room contest shall be under the direction of the Cooperative Extension Service of the Texas A. & M. College and the United States Department of Agriculture and The Semi-Weekly Farm News, Dallas, Texas.

**Aims of the Contest**

- To encourage interest in more comfortable living rooms by making them more livable and attractive.
- To teach the best use of what is on hand.
- To teach wise expenditure of money.
- To teach wise selection and arrangement of furnishings.

**Contest Plans**

- The improved living room con-

test will be under the direction of the Extension Service of the A. & M. College of Texas and the United States Department of Agriculture cooperating, and The Semi-Weekly Farm News.

- This contest is to be conducted by the Extension Service of the Texas A. & M. College, the home demonstration agent having direct charge in her county, including the selection of the county committee of judges, The Semi-Weekly Farm News not taking part in the appointment of such committee or the rendering of such decisions as are to be made in regard to the winners of the contest.
- The Semi-Weekly Farm News will offer prizes for the contest.
- The contest will begin immediately after the Farmers' Short Course at A. & M. College. Registration cards must be sent in to the chairman of the State committee on or before Dec. 1, 1928.
- Any farm woman (in a county having a home demonstration agent) may enter the contest by registering

her name with the county home demonstration agent and working under her supervision.

- The contestant may enter one of two classes, namely:
  - Class 1. The living room making the greatest improvement in proportion to the expenditure (cost not to exceed \$50.00.)
  - Class 2. The living room making the greatest improvement in proportion to the expenditure (cost exceeding \$50.)
- In both Class 1 and Class 2 the scoring shall be done on the basis of greatest accomplishment in proportion to the cash expenditure.
  - A woman must register in Class 1 or Class 2 at the beginning of the contest. As her plan develops, if she find that the expenditure will be greater or less than that prescribed in the class in which she has registered she may be transferred to another class, provided she makes application to her county home demonstration agent.
  - Cards will be furnished the county home demonstration agent on which she will register the contestant, giving her full name and address, and indicating the class which she desires to enter. A registration card will be filed in the office of the home demonstration agent and one will be sent to the chairman of the State committee at the college, not later than Dec. 1, 1928.
  - A county committee consisting of two members shall be appointed by the county home demonstration agent. It shall be the duty of this committee to assist the county home demonstration agent in conducting this contest. This committee shall grade the living room at the beginning of the contest, according to a score card which is sent out by the college.
  - At the end of the contest, the original committee shall make a final score of the living room. The final judging in the county must be done between April 15, 1929 and May 1, 1929.
  - Each district home demonstration agent will visit the two winning living rooms in each county of a prescribed district and select the winner in Class 1 and Class 2 for the district. The district judging will begin immediately after May 1, 1929, and will be completed as rapidly as possible by the district agent.
  - After the best living rooms in each district have been decided upon, the State honors will be awarded by the State committee, which shall be appointed by the extension service. This committee will visit the prize-winning living rooms in each district. The State judging will follow the district judging immediately, beginning not later than June 1, 1929.
  - Announcement of the State prize winners will be made, if possible, during the 1929 Farmers' Short Course at the A. & M. College.
  - The names of the county winners must be made public before the arrival of the district agent for the purpose of judging.
  - In no way must the district agent or members of the State committee be asked to assist with county judging.
  - The district agent or State committee will notify the county home demonstration agent as to the time of arrival in the respective counties for judging, and the time asked for must be reserved for this purpose alone. The county home demonstration agent must not plan other work for this time.
  - No expense need be recorded for voluntary labor performed or the use of materials on hand, although itemized lists shall be made of each.
  - Gifts shall be valued and considered as that amount expended.
  - If a new living room is built during the contest period, whether it is in a new house or in a remodeled house its score should be compared with that of the room actually used as a family living room at the beginning of the county contest. Due to the difficulty of estimating what part of the cost of building was spent on the living room, the contestant may be allowed the following considering the cost.
    - Bare room.
    - Bare unfinished floor.
    - Any furnishings used previously.
 Anything additional must be counted at exact cost.
  - The following information regarding each living room shall be given to the district agent upon her arrival for district judging:
    - Story of the activity.
    - Simple floor plan before improvement.
    - Simple floor plan after improvement.
    - Kodak pictures before improvement.
    - Kodak pictures after improvement.
    - List of each improvement made.
    - Use of materials on hand.
    - List of materials on hand and value of each.
    - Voluntary labor performed.
    - Cash expenditures.

It is suggested that the judging committee and the contestant assist as far as possible in collecting this data.

- The county home demonstration agent will offer suggestions for improvement.
- The Semi-Weekly Farm News through its columns will offer suggestions for improving the living room.

**District Prizes**

Six prizes will be offered for each district by The Semi-Weekly Farm News as follows:

- Class 1. For the living room making the greatest improvement in the allotted time in proportion to the expenditure (cost not to exceed \$50.) First prize \$10, second prize \$5, third prize, one year's subscription to The Semi-Weekly Farm News.
- Class 2. For the living room making the greatest improvement in the allotted time in proportion to the expenditure (cost exceeding \$50): First prize \$10, second prize \$5, third prize, one year's subscription to The Semi-Weekly Farm News.

**State Prizes**

Eight State prizes will be offered by The Semi-Weekly Farm News as follows:

- Class 1. For the living room making the greatest improvement in the allotted time in proportion to the expenditure (cost not to exceed \$50): First prize \$50, second prize, \$25, third prize \$15, fourth prize, one year's subscription to The Semi-Weekly Farm News.
- Class 2. For the living room making the greatest improvement in the allotted time in proportion to the expenditure (cost exceeding \$50): First prize \$50, second prize, \$25, third prize \$15, fourth prize, one year's subscription to The Semi-Weekly Farm News.

changed from \$25 to \$50.

Change No. 2: The prizes offered by the Semi-Weekly Farm News have been increased. The cash prizes in each of the two classes of the State contest will be \$50, \$25 and \$15 for first, second and third prizes respectively, in place of the \$25, \$15 and \$10 prizes which were given in the first contest of 1928.

A third prize consisting of a one-year subscription to The Semi-Weekly Farm News has been added to the two cash prizes of \$10 and \$5 in each of the two classes of the contest.

Texas had an increase of 45 per cent in its natural gas production in 1927.

**To Issue "Survey of Texas Literature"**

AUSTIN, Texas, Nov. 5.—"Literature relating to the cowboy and his activities is the most distinctive contribution of Texas to the literary world," Dr. L. W. Payne Jr., professor of English at the University of Texas, said in commenting on his new book, "Survey of Texas Literature," which is to be ready for distribution about the middle of November.

A sketch of the first book printed in Texas, as well as summaries of the first foreign novel concerning Texas and of the first novel written in Texas, is included in the book. It is only since the Civil War that Texas writers have attracted National attention, according to Dr. Payne, and for that reason, the latter part of his book is considered of more importance from a literary standpoint than the first half.

### Statement Made By Mullican To Voters

I think the overwhelming victory of Mr. Hoover is due mainly to the fact that he got more votes than Mr. Smith. That is just about as near an explanation as I can give, briefly.

I sincerely hope Mr. Hoover makes us a fine President, and that the country will grow and prosper under his administration. All good citizens should stand squarely behind their officials in every laudable undertaking, and I, for one, will willingly and readily proclaim the leadership of our new President. "Pride on Earth and Good Will Toward Men" will soon be proclaimed. I shall certainly practice the toleration I have preached.

I vision two outstanding results of this campaign. One is that Parties will never control elections to our higher offices. Parties may nominate, but the people will vote for the man of their choice. Whether this is good or bad, right or wrong, I shall not undertake to say.

The other outstanding result is the awakening of the people to an understanding of Government, and to a realization of their governmental responsibilities. Our people have read and studied and learned more of American Government the past sixty days than ever before. This campaign has been a great School with millions and millions of interested students. The educational value cannot be estimated. I think it is right for our people to study the great problems of this country, for they are the problems of Christian Civilization.

I am glad the campaign is over. I tried to fight a good fight and to keep faith with my party. It has all been very interesting and instructive. Being a Democrat, I am for the rule of the majority. I sincerely and earnestly accord to the victors the ac-

claim and the honors due.

### Senior Class Holds Hallowe'en Party

The Senior Class entertained Wednesday evening with a merry Hallowe'en party at Central Ward. In rooms which were decorated for the occasion, various games were enjoyed and fortunes were told.

The telling of ghost stories in a dark room contributed to the evening's entertainment. Prizes were won by various teachers and pupils. Refreshments were served to Marie Trudway, Smith Lawson, Beulah Hancock, Ira Krebbs, Charlyne Maddox, Bill Speight, Clarence Barnes, Neva Doak, Eva Doak, Lois Jeffreys, Lowell Douthit, Jesse Ruberson, Mr. and Mrs. Williams, Lois Bliefus, Mary Margaret Worthy, Imogene Galloway, Miss Fox, Frank Sargent, Ben Hur Lawson, Odelle McKaughan, and Noel D. Bray.

### County Institute Held Last Week

The Lynn County Teachers Institute met in Tahoka on November 1st for a two day session. The program was carried out as published in the News last week except that Dr. Horn could not be present for the address in the afternoon.

One hundred and twelve teachers were enrolled including five from Dawson county, two from Borden county, and one from Gaines county. A few Lynn county teachers could not be present on account of sickness and a few did not attend who live in eastern Texas and whose schools had not opened.

The program was well carried out and because of its practical nature it no doubt proved of benefit to the teachers who attended. The Lynn County Teachers Association was re-

organized with H. M. McEachern as President and Miss Eva Faye Huffaker as Secretary. The Lynn County Interscholastic League elected officers for the year as follows: Director General M. L. H. Baze; Director of Athletics, Winfield Nicklaus; Director of Debate, A. L. Faubion; Director of Declamation, W. L. Burkhalter; Director of Spelling, J. C. Turney; Director of Essays, Miss Grace Cade. Resolutions were passed by the institute which will be found elsewhere in this paper.

Some teachers present favored the Lubbock institute with large crowds and speakers of national reputation. The County Board, however, decides on the kind of institute to be held for the county, and as the trustees and patrons of the county seems to favor the local two-day institute, and as it seems to be more practical and suits local conditions better, the probabilities are that a local institute will be held for the county again next year.

If the institute is held in Tahoka next year, it is to be hoped that the citizens of Tahoka will take more interest in it than has been the case the past two years. When a teachers institute, association, or any other such organization meets in the town, I think the people of the town should show that they appreciate their presence.

Yours truly,  
H. P. CAVENESS, Co. Supt.
