CAMPAIGN FOR WALKS STARTS

Kiwanis Club Organizes To Get More Sidewalks In The City Of Tahoka

At the Kiwanis Luncheon Wednesday, Dr. C. B. Townes, acting as president in the absence of Happy Smith, appointed a committee to have charge a sidewalk building campaign in this city. This committee composed of the following gentlemen: D. A. Parkhurst, W. S. Anglin and Judge C. H. Cain.

Dr. Townes announced that members of the city council would not be invited to be present as guests of the club next Wednesday but that a committee consisting of about a half dozen "laws" would be appointed, if necessary, to bring them in.

New members of the club present were W. S. (Skip) Taylor and Prof. Nat Williams.

R. R. Gilliland and T. A. Majors of Quanah were present as guests of W. O. Henderson. Mr. Gilliland is general manager and Mr. Major is general superintendent of The West Texas Gin Company, an organization that operates many gins throughout west Texas. Mr. Gilliland made a very happy speech, which was much enjoyed by the Kiwanians.

BAND CONCERT TO BE GIVEN AT T-BAR

The Tahoka Concert Band will render a program in the new T-Bar school building on Friday night of this week, according to H. W. Crews, of that community, who was here Wednesday. A good program is promised and everybody in the community is invited to be present, as well as residents of the neighboring communities. Let everybody come.

BOX SUPPER AT JOE BAILEY BIG SUCCESS

The box supper which was given in the Joe Bailey school building last Friday night was a pronounced success, it is said. There were many visitors from other places, and all seemingly had a good time.

The coast line of Texas has a total shore of 384 miles and a straight-way mileage of 370 miles.

WRITE TO SANTA CLAUS EARLY

All children who wish to write to old Santa Claus and get their letters published in the Lynn County News are asked to have them mailed next week if possible. Old Santa will soon be coming this way and he needs to know your wants in advance.

NEGRO KILLED IN 'CRAP' GAME

Shooting Of Cotton Picker Took Place In Gordon Community Last Sunday Night

Frank Smith, a negro, is in jail here charged with the killing of another negro whose name we did not learn, out in a cotton pickers' house on a farm in the Gordon community last Saturday night by shooting him with a pistol.

A large number of negroes were congregated in the cabin gambling, according to information given the officers, when the trouble which resulted in the fatal shooting arose. Many negroes were present but only one statement had been taken and reduced to writing up to Wednesday night, according to County Attorney L. C. Heath. According to this statement, the dead negro was the aggressor, appearing in the door, making threats and boasting of his prowess. He himself fired one shot, according to the evidence, which took effect in Frank Smith's arm. The fire was returned by Smith with fatal effect. The bullet entered about the waist line and penetrated the abdomen, the wounded negro living about an hour after the fatal shooting.

Officers are of the opinion that the negroes had been drinking.

Sign Petition For Free Mail Delivery

Chris Adair has been circulating a petition this week asking the Postmaster General to establish city free delivery in Tahoka. The petition was numerously signed. In fact it was signed by practically everybody to whom it was presented. It will be forwarded to Senator Sheppard, and we understand, for presentation to the Post Office Department at Washington.

While most of our citizens would like to have free mail delivery at the earliest possible date, yet it is generally recognized that more sidewalks must be constructed throughout the residence sections of the city before free delivery of mail can be obtained. The Kiwanis club and others are now agitating the building of more sidewalks.

Law Gin Sold Under The Hammer

The round bale gin, operated by Geo. B. Law and who had purchased an interest in the same, was sold at sheriff's sale here Tuesday afternoon, the Lubbock National Bank, which held the note, buying it in.

Several months ago this gin plant became involved in litigation, resulting in the appointment of a receiver pending the outcome of the suit. H. W. Calaway was manager under the receivership and it is presumed that he will continue to act in this capacity.

SANTA IS COMING

A furniture and kitchen shower for the American Legion Hall will be given on Friday night, December 14. The general public is invited. A good time for all is promised.

Mule Breaks Leg In Peculiar Manner

M. A. Dorman reports that he has a mule which broke its leg in a peculiar manner Wednesday morning. He and others were attempting to catch the young animal to shear it, when it whirled suddenly on its hind feet, and completely broke the bones just above the hoof. Mr. Dorman thought that it would have to be killed, as it could not put the dangling foot to the ground.

TWO OIL TESTS ARE 'SPUDDED'

Test Is Started Northeast Of Town; T-Bar Well Is Also Started This Week

Two test oil wells have been spudded in within the past few days in Lynn county.

The new well near the old Hart location in the T-Bar pasture four miles west of Tahoka was spudded in the latter part of last week, and drilling is expected to proceed rapidly.

A well was also spudded in a few days ago on a 10,000-acre block in the vicinity of Tahoka Lake. The well is situated just east of the lake and is about ten miles northeast of Tahoka. Surface indications for oil are claimed to be excellent in that locality. This well is being drilled by a company of Slaton people organized by Dr. H. F. Miller of that city.

Both these tests will be watched with much interest. If both or either test should strike oil, Tahoka would be the center of a big drilling boom.

Methodist Pastor Given "Pounding"

The members of the Methodist Church gave an informal reception and "pounding" to the pastor, Rev. R. T. Breedlove, and his family at the parsonage Tuesday evening. The occasion was a surprise to the recipients and was arranged in honor of Mr. Breedlove's reappointment as pastor of the church at the recent meeting of the Northwest Texas Conference. About sixty guests were present and numerous other members of the church sent contributions to the parsonage. The gifts included everything from blankets to beans and from peanuts to potatoes, and there was also a check from the official board of the church for \$200 to apply on the pastor's December salary, being paid in advance. An enjoyable time was had by all and Mr. Breedlove and his family expressed themselves as highly gratified at the many evidences of the good will and esteem of the members of the church.

OFFICERS RAID GAMBLING GAME

Twenty-Six Are Arrested In Big Raid Made By "Laws" West Of O'Donnell

Deputy Sheriffs Dee Sanders, J. E. Brooks, George Lightfoot, and Constable Parker of O'Donnell, accompanied by County Attorney L. C. Heath, made a raid Saturday night on a bunch of gamblers out west of O'Donnell and gathered in about 26 victims, composed of two or three whites, one Mexican, and nearly two dozen negroes. Most of them pleaded guilty and paid off.

One man was also picked up in O'Donnell on a charge of attempted hi-jacking after having fired a couple of shots, which both the constable and another citizen declared barely missed them. He is in jail. His case will be investigated by the next grand jury.

Starting at the bottom of the ladder is all right; it's camping there that's wrong.

New Moore School Nears Completion

Prof. F. C. Newbrough, principal of the public school at New Moore, was in the News office Saturday and reported that school would open there Monday, with three teachers—himself, Miss Milliner, and Miss Walker.

Prof. Newbrough reported that rapid progress is being made on the construction of the new building at that place, which will consist of three class rooms and an auditorium. It is being built of brick at a cost of \$12,000. The trustees will have \$3,000 with which to buy equipment, since bonds were voted in the sum of \$15,000.

New Moore has heretofore had two little school buildings situated in different localities in the district, but these two will soon be discarded and all of the children in the district will attend in the new building.

New Moore has taken a long step forward in educational matters.

YARDS, ROOM AND DIET IMPROVED

The home demonstration club at Acuff in Lubbock county boasts of having been the means of beautifying 90 per cent of the farm yards in that community by adding shrubs, and flowers and at least one tree. Besides this the members have rearranged most of their living rooms to make them more comfortable and livable, and many of the bedrooms have been brightened by the use of lacquer, paint and "new" furniture made out of the old pieces.

The members of this club have preserved more than 10,000 quarts of food stuff the last year and 12 new steam pressure canners have been added to kitchen equipment. Miss Louise Balrd, the home demonstration agent reports.

WILL RAISE FUND TO ERECT MUSEUM

Canyon, Dec. 6.—C. A. Tignor, of Pampa, Texas, is the most recent life member of the Panhandle Plains Historical Society.

Others who have become members within the past few months are H. T. Burton, Clarendon; D. O. Beene, Wheeler; Senator Claude Hudspeth, El Paso; Mr. and Mrs. W. G. Baxter, Dimmitt; J. W. Stevens, Plainview; J. Ed. Crawford, Tulla; J. B. Speer, Follett; U. N. Oliver, Amarillo; George Ely, Denver, Colorado; and Martin Garreston of New York City.

The Society is undertaking a campaign to raise \$50,000 with which to erect a museum in which to house the largest collection of historical materials to be found in Texas. The president, T. D. Hobart of Pampa, H. E. Hoover of Canadian, L. Gough, and T. F. Turner of Amarillo, J. A. Hill, J. Evetta Haley and Mrs. T. V. Reeves of Canyon are in charge of the campaign.

The District Convention of the West Texas Chamber of Commerce held November 23 at Decatur drew a large crowd. President A. M. Bourland, Manager Homer D. Wade, and Publicity Manager E. H. Whitehead were among WTCC officials present.

PROVE WORTH OF 4-H WORK

Work Of Two West Texas Boys Is Outstanding; Result From Membership In 4-H Clubs

By making a profit of \$106.30 in prizes and returns on a registered Durac Jersey gilt, Herbert Chessir of Terry County announces his intention to "grow myself into the hog business and to pay myself through high school and college on my start with club pigs." He was one of 71 4-H club boys who drew lots at Brownfield last spring for registered pigs in a club sponsored by the county agent. By feeding what was at hand, milo maize grain and skim milk, Herbert made his pig weigh 260 pounds when nearly seven months old, the cost of grain amounting to 6.8 cents per pound. The gilt won second in a class of 17 at the county fair, but at Lubbock competing in both club and open classes against good breeders, the pig took highest honors. This good record won for Herbert a Santa Fe prize to Chicago.

One of the best cotton growing records made by West Texas 4-H club boys this year was that of John Nunn of Hale Center in Hale County. This boy produced 1504 pounds of lint on four acres, nearly a bale to the acre, and his sales of lint and seed amounted to \$297 after ginning costs were paid. He shows a net profit of \$207.35 on this four acre tract.

The weather during the entire fall has been unfavorable for gathering the crop. There has not been any heavy rainfall but there has been much damp, misty, and cold weather, which has greatly hampered picking. The country has a bountiful supply of pickers, who would soon gather the crop if the weather were favorable. A slow, drizzling rain began falling at an early hour this morning, with no indications of its clearing up soon, as we go to press, and this will probably keep the pickers out of the field at least three or four days.

Old Mexican Died Here Last Week

Frank Ashton, a Mexican bearing an American name apparently, who came here a few weeks ago from San Antonio to pick cotton, died out on a farm a few miles east of town on Wednesday and was buried on Thursday of last week. Rev. R. T. Breedlove, pastor of the Methodist Church, conducted the funeral services.

The deceased was 75 years of age, and his son, Fred Ashton, told the News that the high altitude here and the inclement weather which had prevailed here was responsible for his father's death.

Other sons surviving are George and Fernando Ashton, both of whom are here. It is said that while the remains were buried here the will be removed to San Antonio within a few weeks.

GARDNERS ADVISED TO TRY NEW VARIETIES

There are scores of varieties of vegetables not commonly grown in home gardens in Texas that should be found there to add health and variety and relief to the daily diet. Very seldom are such healthful and easily grown vegetables found in gardens, as cauliflower, spinach, rhubarb, asparagus, kale, collards, carrots, dill, parsley, Swiss, lamb's quarter, hoar-hound, lavender, mint, sage, catnip, Jimson or mullein. Yet everyone of these and many others were among the 82 new vegetables grown by the Bailey women's home demonstration club in the blackland of Fannin county this last year. The club reached its goal of having every one of the 27 members grow at least one new vegetable and learn to prepare vegetables in four new and different ways.

Asparagus can be grown in any garden from roots set in the spring. New Zealand spinach is a valuable leafy vegetable which withstands the long dry Texas summers admirably. Cauliflower does well nearly everywhere from seed planted in February. Swiss chard is another good garden crop that matures quickly and is ready for use in early spring and late fall.

A GOOD SPELLER

Teacher (to parent)—"Do you know your son spells ridiculously?" Parents—"Does he? Well he's about the only word he can spell."

Thanksgiving Is Observed By League

The Tahoka Epworth Hi-League held a Sunrise Thanksgiving Service last Thursday at the home of Mrs. Rubie D. Suddarth. A short devotional service was held outside as the sun slowly peeped over the horizon. After this service the leaguers reentered the house and sang several hymns pertaining to the days. Mrs. Suddarth then delivered a short but very helpful talk on the spirit of Thanksgiving; after which a delicious breakfast of waffles and coffee was served to the following: Mabel Lee, Gladys and Yowell Douthitt, Mary Fenton, Lucille Slaton, Frank Sargent, Clifton Janak, Clyde Eubanks, and Carson Douthitt.

Santa Claus Letters

Dear Santa:—
I am living down at Joe Bailey and am 4 years old.
Santa Claus, if you happen to come around down here, I would like for you to bring me a little tractor, a big ball and a little gun. I will thank you very much.
Lessie Junior Hood.

Dear Santa Claus:—
I am a little girl seven years old. I help my mother take care of the chickens, turkeys, I can read and sing. Will you please bring me a sleepy doll, with black curly hair. I wish you a merry Christmas, that you may live long, to bring joy and happiness to little girls and boys.
Your little friend,
—Athalie Richardson.

Dear Santa Claus:—
Please bring me a tricycle, apples, candy, chewing gum, oranges, bananas, a doll, dishes.
Your little friend,
—Albert Williams.
Draw, Texas.

Dear Santa Claus:—
Please bring me a doll and some little dishes, and some nuts and fruit and candy, and knives and forks and spoons.
Your little friend,
—Juanita Williams.
Tahoka, Texas.

Dear Santa Claus:—
Please bring me a doll and dishes and knives and forks and spoons and nuts, and fruits, and candy, ball.
Your little friend,
—Thelma Williams.
I have a little brother one year old. He wants a ball, a doll, fruit, candy, A B C book.

Dear Santa Claus:—
Please bring me a doll, apples, oranges, bananas, candy, kitty car, nuts.
Your little friend,
—Walter Lee Williams.
Draw, Texas.

Dear Santa Claus:—
I have been very good for a little girl my age. I believe you will be very kind and bring me a piano, tricycle and pretty doll.
Now, don't forget "Baby Byron." Bring him heaps of pretties, too.
Then fill both stockings full of candies, as they can be. The big cake on the dining table is for you. Now please don't disappoint me. Thank to you.
Perry Lorene Nixon.

Dear Santa Claus:—
I am a little boy seven years old, live in the country. I am in the second grade. I go to school at Grassland. Will you please bring me a box of tinker toys, a toy pistol, a letter board, and any thing you want to bring me. Please bring me a bunch of fire crackers, and some fruit. Hoping to see you soon.
Your friend,
—R. L. Bosworth
Tahoka, Texas.

Dear Santa Claus:—
I want you to bring me a big sleepy doll that can say mama, a teddy bear, a little red wagon, a set of dishes and lots of candy, chewing gum, apples and oranges.
Now be sure to come early Christmas eve night because I am going to bed real early. I have been a good little girl this year and have helped mother lots too.
Yours truly,
Vinita Cooper.
Tahoka, Texas.

Dear Santa Claus:—
I am looking for you bright and early Christmas eve night. I have been real good this year and think I deserve lots of toys.
I want you to bring me a sleepy doll that can talk, a set of dishes, a tricycle, a set of A B C blocks and plenty of fruits and candy. Now remember, Santa, I am putting my order in early so your workers will have plenty of time to make the toys.
Yours truly,
—Mildred Cooper.
Tahoka, Texas.

Dear Santa Claus:—
I want you to be sure and come to see me Christmas and I shall tell you what I want you to bring me. First of all I want a bicycle, then a cowboy suit, Tinker toys, Fireworks of all kinds, candy and fruits. Yes, and I want you to be sure and bring me an air gun and plenty of shots so I can kill snow birds. I want a horn too. I guess this is all I want this Christmas except that I want you to take good care of your reindeers until time for you to come so they can hurry and get here.
Yours truly,
—Truett Cooper.

Dear Santa Claus:—
I am a little boy in the second grade. I love you and everybody, I want you to bring me a doll, a pretty little doll. I want a little dog and a cat. I want a cow and a horse. I want a goat and a bear. I want a lion and a camel and elephant and a sheep.
—Pat Hamby.

Dear old Santa Claus:—
I want you to bring me a pair of shoes, and a coat, and a pair of stockings, and a box of candy. And I want you to bring Mother a box of candy. And I want you to bring Father a handkerchief.
From your friend,
Little Miss Pearl: Des Rogers

Dear Santa:—
I want you to bring me a guitar and a car, some candy apples, oranges, nuts and fire works.

Treat Your Nails Kindly

When building nice corners around and you are buying your lumber, keep a little kindness in your heart. Be a Boy Scout and do a good turn. Buy good lumber for your nails' sake. Think how humiliating it must be for a perfectly respectable nail to be driven into a poor and vulgar hunk of inferior lumber!

**GREAT DEMAND FOR
RESIDENCES NOW**

Inquiries are being made at the News Office practically every day for furnished or unfurnished rooms and for residences. We do not know how long the almost unprecedented demand for houses will last, but it is so great just at the present time as to furnish proof that Tahoka needs more residences and facilities to care for those who would like to locate here.

MY HARVESTS

I thought to have gathered many a bloom
From a rose tree I planted one sweet
spring day;
Ah me! I forgot
And watched it not
And the soft buds withered away.

I thought as I looked at my heaped-up corn,
"I will sow it broadcast—this rich golden grain!"
Ah me! I let it lay
And it withered away,
And harvest time reaps me no grain.

I thought that my friend would be mine always;
That his hand to my hand would cling close and fast,
Ah me! I hoosed hold
On our friendship old,
And his fingers slipped at last.

I still wish for roses—my rose tree is dead;
I still wish for harvest—and hunger for bread;
I cry for the old love—the old love is fled.
I sowed not—I reaped not—God's judgment is said.
—Heneward.

The old hen gathered her brood together and bade the twelve pullets guard their only brother while she went out for the afternoon.
On her return all the pullets were weeping bitterly and cried, "Oh mother, dear, our brother is dead."
"Dead?" How did it happen?
"The minister came to tea. The farmer's wife caught our brother, plucked him, cooked him and the minister has eaten him!"
"How sad. But we must look at the bright side of things. Anyhow we can be thankful your brother has entered the ministry, for he would have never been any use as a lay-man."

Era Mosker is dead. He died Monday, at the advanced age of 97 years. But who was Era Mosker? He was one of the pioneers who migrated in a covered wagon drawn by an ox team over the old Oregon Trail from Iowa to Oregon in 1862, more than three quarters of a century ago. His later became a quite prominent citizen of that section of the United States. His longevity has attracted quite a bit of attention to him in recent years, and newspaper reports are now describing him as one of the last of the "covered wagon era." This is inaccurate, however. This editor, as young and as spry as he is, was born in the "covered wagon era." In a brief half century we have seen the covered wagon era, and horse-and-buggy era, and the automobile era each in the zenith of its glory.

and we have held the ushering in of the airplane era. It may be that before many years we will all have individual wings and will rise and fly at will. Who knows?

J. N. Thomas came in Monday and renewed his subscription and furnished us a copy of the Hopkins County Echo, published by our good personal friend, J. S. Bagwell. Bagwell gets out a snappy, spicy, newsy paper, in spite of the fact that he fills it with good-natured gibes about West Texas. The trouble is that he has been over there in the sticks so long that he thinks all the persimmons are up one tree. They do have lots of persimmons and "possums" over there, and so Bagwell never has to worry about where the next meal is coming from. If we could get some West Texas to visit Bagwell and bring him out to the plains for just one look, he would feel like old Joshua did as he first viewed the promised land. But Bagwell is wedded to his idols, the garlic and onions of Egypt, and he will probably die without ever knowing anything about the land of milk and honey out here on these plains. However, after having spent a life time down in old Hopkins, Bagwell will doubtless find Heaven a wonderfully fine and dandy place when he finally lands there. In fact, it is very much like Lynn county, we understand.

The Volstead Act is chiefly useful in this state in preventing interstate shipments of intoxicating liquor. It is the state Deas law which can be used most effectively in preventing the traffic in liquor within the state. There seems to have been a lot-up on the part of officers throughout the state during the past few years in their efforts to enforce the Deas law. This may be due in part to the operation of the "Search and Seizure" law enacted under the Ferguson administration, but we feel that it is due in large measure to indifference on the part of officers. The people of this state should start and keep up an agitation in favor of the enforcement of this law until more satisfactory conditions are brought about. Officers who will not make an honest and untiring effort to enforce the law should be retired from office at the first opportunity.

Congress is in session again. It convened for the short session Monday. It is not expected that much legislation will be accomplished, but the politicians will have another splendid chance to keep their names before the public.

Congressman John C. Box, representing a southeast Texas district in Congress, has been appointed as party whip to serve until March 4, succeeding Congressman Oldfield of Arkansas, who died a few days ago. Box has become conspicuous as an advocate of more stringent immigration with respect to Mexico and other Latin-American countries. Since the late Democratic candidate for the Presidency was generally reputed to favor a relaxation of immigration restrictions, it is significant that the Democrats in Congress have selected as a party whip a strict immigration restrictionist.

So far as the "experts" can determine, not a boll of cotton has been destroyed this year in all the territory said to have been newly infested last fall and winter, but possibly a hundred thousand bales have been destroyed by the old-time, old-style boll worm that has infested the cotton fields of Texas from time immemorial. It occurs to us that the Agricultural Departments are training their big guns on the wrong animal.

Mexico has a new President. His name is Gil, pronounced Heel, one instance in which a government has a Heel for its head. We are figuring that this Gil (Heel) will need a long head if he holds his job in that country very long. He may be compelled to use his heels to save his head.

Two new test oil wells started in Lynn county. Maybe old Santa will bring us a gusher as a Christmas present next year.

South Ward Items
South Ward School plans a box supper and pie supper on Friday, December 14, one week from now. The success of a box supper depends upon the support of the community first. For this reason we make an appeal to every person in this community to help us make this occasion a big success. This box supper is sponsored entirely by the school and the proceeds will go for lamps, athletic goods and other things that we are badly in need of. We are to have several other things for entertainment besides the box supper. We are to have some real fiddle and guitar players to give some music. Then there will be some boxing matches which will be free. There will be plenty of seating space for everyone. This announcement is made because of the lack of seating space on our last program. We are to have some very distinguished visitors this time.
A new baby boy was born to Mr. and Mrs. F. J. Switzen last Sunday morning.
Mr. and Mrs. Duman visited relatives in Slaton last Sunday.
We are very much indebted to Elder W. A. Kercheville of the Church of Christ at Tahoka for delivering the splendid address at South Ward last Sunday afternoon. He came on short notice and yet about forty enjoyed hearing him speak.
At our last program we raised about ten dollars to buy a hat and ball. The children are now enjoying the ball and other things that this money purchased. We wish to thank the Lynn County News for publishing our program. We announced last week in the News that there would be a program on Friday, December 14, but that will be put off in order to have the box supper.
A whist club was organized Monday. There are nine members: Landell Hood, Linnie Mae and Della Paul Brown, Essie Cobb, Linn and Juanita Loney, Don Warrick, W. T. McFadden and Pauline Smither. Landell Hood was elected president; Pauline Smither is secretary, Della Paul Brown is treasurer. Arm bands with the colors blue and white have been ordered for the club members.
Mrs. White took dinner Sunday with J. F. Goodwin. Mrs. Hood, Mrs. Copeland and Mrs. Copeland from Oklahoma were also guests of Mrs. Goodwin Sunday.
Mr. Cobb, Linnie Goodwin, Bill Cobb and Bruce White went to the train Sunday on a hunting trip. Della Paul and Linnie Mae Brown spent Sunday with their grandmothers who live at Joe Bailey.
Mr. and Mrs. W. E. Hammond and their son, Willie B. and Gail went to Lubbock Sunday. They brought Mrs. Hammond's mother who has been seriously ill in the Lubbock Sanitarium, back with them.
This evening Mrs. Smither with Landell Hood.
Mr. Will Stone, popularly known as "Old Will" left Sunday morning for the East Texas. He has been with Mr. J. C. Eard since September.
Mr. and Mrs. Johnson spent Sunday with Mr. and Mrs. McFadden. We have not had any visitors for the Christmas term. Don't forget to visit us next time. This is your last and the year's children. Don't forget.

the box supper Friday night, December 14 and the Christmas tree program Wednesday night, December 18.

Sunday morning there was to present at Sunday school. The number in attendance is increasing. Folks, we appreciate your presence in our S. S. and all other services. Come be one of us. We welcome you. Sunday morning the election was held for officers for the coming year. Mr. C. W. Krebs was re-elected superintendent, Mr. G. C. Lindley re-elected as assistant superintendent, and Mr. Horace Krebs elected secretary. Sunday evening we had a splendid crowd at singing. We surely appreciate your presence and especially do we appreciate you taking a part in the singing. The first Sunday night of each month has been set aside for every one to go to their respective churches.
The Thanksgiving program Thursday night was enjoyed by all present.
Friday night we had a box supper for the benefit of the school. The funds raised were about \$36.00. We wish to thank each of you who helped in any way.
Mr. Lagow and family from Sweetwater who are going to live on Mr. Greathouse's place the coming year came into our community about two weeks ago.

Trainloads of FARMALLS Going Everywhere
This is the Most Useful! Most Popular Tractor!

Builds the Farmall we also have the popular McCormick-Deering 15-20 and 20-25 (2-Plow and 2-Post)

NO wonder this tractor is popular—the McCormick-Deering Farmall for the first time gives the farmer a real all-purpose tractor. It is ideal power for all crops, all fields, all jobs, and all the time. There is no off-season for the Farmall.

The Farmall is the ideal tractor for every power machine in its power range—whether it runs by diesel, belt, or power take-off. Its short wheel base, wide tread, extra-high rear clearance, and other special features of design fit it perfectly for plowing and cultivating of corn and cotton and other row crops.

FARM WITH A FARMALL! The Farmall and its equipment will show you a better, better, more economical, and more profitable way to farm. Ask us to demonstrate it for you on a piece of ground 20 by 40 feet, and working with a mower or other water. Climb on the seat yourself and drive the Farmall. You will see why it is popular.

Jim Weatherford returned Sunday from a trip which carried him first to the tax assessor's convention in Austin, then to Lockhart for a visit with relatives, and finally to the State Teachers' convention at San Antonio. While Jim spent most of the time in San Antonio with the teachers, most of whom are ladies, yet he took time to visit some of the sights of the city, such as Brackenridge Park, San Pedro Springs, the Buckhorn, etc. But he was most interested in the teachers.

J. L. Moore and family arrived Sunday night from McKinney, Collin county. Mr. Moore is an uncle of T. I. Tippitt and is located for the present with Mr. Tippitt, but he wants a place to farm next year. Mr. Moore says that the cotton crop in Collin county was better than usual this year. He declares that it has become almost impossible to raise a good cotton crop there on account of the ravages of boll worms and weevils. He is hunting a country where there is less mud and fewer pests. He has found it.

P. W. Goad of New Home reports that most of the cotton has been gathered in that community and only about 1100 bales have been ginned there this season. The crop is lighter than it was last year, he says, but the feed is fine. Anyway we and our mules are going to have plenty to eat.

A telegram from Supt. M. L. H. Baze sent from Fort Worth Wednesday morning stated that the Tahoka High School was retained on the accredited list of the Southern Association. Mr. Baze will give further information about this association and the high standing of the Tahoka school next week.

John W. Slover has gone extensively into the hog business at his farm 3 miles south of town. Since this is a great feed country, Lynn county ought to become a great hog-producing country.

W. R. Hamilton and T. J. Renfro Jr. of the Edith community returned Sunday from McGregor, to which place they were called the first of last week by the death of Mr. Hamilton's brother, a young man of 20. Young Mr. Hamilton was a member of the McGregor Fire Department and lost his life when a wall fell upon him while he with other members of the fire department was fighting a fire in that city. W. R. has the sympathy of many friends here in his bereavement.

Rev. A. W. Shewmake, who is farming on the J. R. Strain place in the Midway community, came in Friday and had his name placed on our subscription list. He says he has been "toting fair" with the Lord and that the Lord has dealt fairly with him. He already had out 44 bales of cotton and figured that he would get 80 more; all this from 150 acres, or a half bale per acre. His feed crop is fine also. He gives a tenth of the net proceeds to the Lord.

B. P. Bairrington and J. B. Reese out east of town a few miles say that it will take many acres of cotton to make a bale in their neighborhood. The hail and the worms worked havoc with the crop. But these young fellows are both dandy good farmers and we figure that they will come out on top in the long run.

Rev. and Mrs. B. N. Shepherd and daughter, Miss Gertrude, and Misses Mattie Will Seroyer and Faye Pitts who attended the big State B. Y. P. U. convention in San Angelo last week, report a great meeting, with more than 2,000 present.

Will Montgomery says that those east Texas guys haven't anything on him. He has lots of fine persimmons and knows where he can get the 'possums. If we were not so bloomin' busy we would go out and play with him a day or two.

Supt. M. L. H. Baze left Tuesday morning for Fort Worth to attend the meeting of the Southern Association of Colleges and High Schools, of which the Tahoka High School is a member. The association will be in session practically all the week. High schools and colleges all over the South will be represented. We expect Mr. Baze to give us an interesting report of its proceedings next week.

J. D. Martin down in the Draw-Redwine country hailed us on the street Friday and ordered the News sent to his address again. He failed to get the paper for a few weeks and says he missed lots of the news. We'll keep her coming forever after this. J. D., if you say so. No Lynn county man can get along well without the News. He can not.

T. I. Tippitt says that cotton is not turning out as well as many thought it would. The ravages of the boll worms, due to the unprecedented rains in August, were heavier than most people realized. Still, he says this is the greatest country in the world—and he is just about right, the goober grabblers of East Texas to the contrary notwithstanding.

J. W. Roberts, editor of the O'Donnell Index, was a caller at the News office Tuesday. He reported that business with him was fine. In fact, he was feeling so prosperous that he had decided to take a few days vacation and intends to leave today on a deer hunt. If he brings back a big buck we may go down and take dinner with him.

Judge E. L. Klett and Mr. C. E. Maedgen, President of the Lubbock National Bank, were business visitors in Tahoka Tuesday.

Mrs. Sumper Clayton of O'Donnell, a former Tahoka resident, visited her mother, Mrs. Crie, Sunday.

"Slim" Hall, a former rodeo and carnival mat artist and victor in wrestling matches in seven or eight states, is now engineer on the City's new tractor which pulls the grader with which Milt Finch is working wonders on our streets.

Mrs. A. C. Pruitt and little daughter of Snyder spent the week with Mrs. Grover Stewart.

J. H. Kuykendall of the Edith and here with Mrs. Grover Stewart.

New Car Will Be Put Out At Price Of The Old Model "Four"

Detroit, December 6 — Record crowds, highly enthusiastic over Motordom's newest automobile, viewed the new line of Chevrolet six cylinder valve-in-head cars at the national premiers last week in New York and Detroit.

Thousands that crowded both exhibitions to inspect Chevrolet's great achievement—a six in the price range of the four—enthused over the streamline beauty of the new Fisher bodies, the latest accomplishment of this famous organization.

Visitors were open in their admiration of the "expensive big car" appearance of the new models. They were pleased with the smart new colors that will distinguish the new Chevrolet from all others; the elegance of the fittings appealed to the most discriminating and the most luxurious upholstery pleased the most exacting of the feminine show-people.

They inspected the powerful new 48 horse power motor with its non-detonating high compression head. They were particularly interested in learning that it develops 32 per cent more power than its predecessor which was world-famous for power and that its speed and acceleration has been stepped up to satisfy maximum requirements.

In the shimmering new cars they saw the final proved product of more than four years research and experimentation in the Chevrolet experimental laboratories, the General Motors Research laboratories and the General Motors Proving Ground.

The hum of enthusiasm that pervaded both the New York and Detroit exhibitions seemed to presage a new record year for Chevrolet in 1929. Orders were being placed immediately by those desiring early delivery in January when the first of the new cars will be delivered to owners.

Despite the fact that only two cities have seen the new cars, orders in large volume are pouring into the Chevrolet offices from every section of the country. Although the country-wide dealer organization will not have display cars until December 20th, the entire sales organization is now equipped with full color illustrations of the cars, literature and other information about the car that promises to write a chapter of sensational success into the automobile history of 1929.

Meanwhile the fifteen giant Chevrolet plants across the country are pushing production with all the speed possible within the limits of precision manufacturing in order to supply dealers with cars as quickly as possible for delivery starting January 1. In order to accommodate the public and the dealers, the December production schedule has been stepped up to the highest on record for the month.

THE SUGAN

"What was good enough for Father must be good enough for me," said the drummer, puffing in the ancient shikharas, which is why he is a musician.

"What was good enough for Father must be good enough for me," said the artist, painting a picture of a man with a sword, and a woman with a bow.

"What was good enough for Father must be good enough for me," said the doctor, holding a bottle of medicine, and a patient who was coughing.

"What was good enough for Father must be good enough for me," said the farmer, holding a pitchfork, and a cow that was mooing.

"What was good enough for Father must be good enough for me," said the soldier, holding a rifle, and a general who was shouting.

Locals

W. N. McAllister of Draw says the cotton crop in that vicinity is proving to be rather short. Mr. McAllister is of the opinion that some variety of rapidly maturing cotton is by far the best kind to plant in this country. He says that while he has one field of 50 acres that will make scarcely more than a bale, a son has cotton in nearby fields that will make a third of a bale per acre. The latter is the short-staple, quick-maturing variety.

B. J. O'Neal has sold his residence near the Central Ward School building to John Minor and gave possession Wednesday, moving into the residence vacated by Mr. Minor near the Woolridge Lumber Company. Mr. O'Neal will probably build a new home in the spring.

J. N. Noble was among those who renewed his subscription this week. Mr. Noble is one of the pioneers of this section and has seen a great transformation on these plains. He has likewise been a reader of this paper for many years.

J. H. Bullman of West Point, who purchased a residence here from Charles Shook a few weeks ago, is preparing to move into it this week.

Mrs. Belton Howell and little son Wade spent last week end with Mr. and Mrs. Alvin Hicks at Midland, returning home Sunday.

G. A. Brasfield and family spent Thanksgiving Day with friends in Slaton.

REMEMBER THE OPERETTA

Mrs. Jackson requests that we remind everybody to remember the operetta to be given on Friday night, December 14. She will make further announcement concerning it next week. Make your plans to be there. It will be worth while.

Santa Claus Letters

Dear Santa—
I am a little boy six years old. I have been a good boy and I am asking you to bring me a hanky, a soap, a toy, a bag, a wagon, and a four-in-one tractor set, and Santa, bring me some firecrackers, and some caps for my pistol. So bye bye, Santa, and hurry and get here.
Your little friend,
—Edward Dorman.

CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and weaken their vitality that they are unable to resist the diseases so fatal to child life. Building permits from Snyder have already exceeded the \$300,000 mark up to November 15. The City Council is planning the installation of a new \$18,000 sewage disposal plant to be erected within the next 30 days.

Locals

Before leaving for Fort Worth Tuesday morning, Supt. Martin Baze promised to furnish us a report next week of the State Teachers' Association which met in San Antonio last week. Supt. and Mrs. Baze, Miss Bliefuss, and Miss Fox, all of the Tahoka schools, attended this meeting.

Mrs. J. E. Ketner came in Monday and had the News sent to Mrs. J. C. Burgett, formerly Mrs. Hatchett, now residing in Honolulu, Hawaiian Islands, and to Mrs. Ruth Sherrod at Crea, California, both of whom were former residents of this city.

Mr. and Mrs. Grover Stewart and Mr. and Mrs. Marshall Stewart and little daughter Mary spent Thanksgiving Day with Mrs. Grover Stewart's parents, Mr. and Mrs. T. M. Dobbins of Roctoe.

Monday the ditching machine was unloaded at the Santa Fe depot, preparatory to laying the Tahoka sewer system.

Dr. Wilson, formerly of Fort Sumner, N. M., but now living at Lamesa, was in the city Monday and Tuesday.

Leslie Campbell, who recently came here from Coleman county, has gone out to New Moore, where he has a job.

Mrs. J. H. Colleenback and daughter, Miss Reta Lois and Miss Lucille McCord went to Abilene Wednesday, visiting Mrs. Anderson, the former's daughter. They also visited in the home of Mr. and Mrs. Buck Briley. Misses Colleenback and McCord attended the Cisco-Abilene game at Cisco Thursday.

J. L. Cunningham of the Wells community was in Tahoka Tuesday and called in the News office and subscribed for the Lynn County News. Mr. Cunningham has been living in this county for 3 years and said he had done without the county paper just about as long as he could. Thanks.

M. A. Dorman, who resides twelve miles north of Tahoka, was in town Wednesday and declared that he would not gather more than seven bales of cotton from 90 acres. He says that worms hurt the cotton more than most people thought at the beginning of the picking season.

Ben Moore of the T-Bar community was a caller at the News office Friday and reported that cotton in his community was making a half bale per acre. He declared it was the best cotton in the county. The rain was lighter there in August, he explained.

M. C. Richey who lives over near the Garza county line, was in Wednesday and set his date up another year, although his time had not expired. Says his wife likes the paper, and he does too. You're going to have good reading another year, folks.

Carl Holden, editor of the Wilson Pointer, was a business caller at the News office Wednesday. Mr. Holden is getting out a neat little paper and it is well patronized by the business men of this section.

Oliver Looney, who resides on Dr. E. E. Callaway's farm near New Home, reports that \$80.00 was stolen from his room Tuesday night. He thinks he knows who got the money but the suspected party has not been located yet.

A gas burner was installed in the furnace of the heating plant at the Methodist Church last Saturday, which it to heat the main auditorium only. Individual stoves will be placed in the various rooms in the basement.

Mr. and Mrs. W. E. (Happy) Smith left Sunday morning for a brief visit in San Antonio and Houston. Happy stated that he might go deer hunting before his return, in which event he is not expected back for several days.

W. M. Waldrop of the T-Bar community says that crops in his immediate neighborhood are very short. From 110 acres of cotton he estimates that he will gather 15 bales. The boll worms did the work.

Mrs. Beulah Atkins, called from Big Spring to the bedside of her mother-in-law in Lubbock, spent a short time visiting with Tahoka friends Sunday.

Mr. and Mrs. Nat Williams and little son, Don, spent the week-end in Putnam with Mr. Williams' mother, Mrs. Lois Williams.

B. C. Workman of Plainview, sales manager of the Texas Utilities Company, was a business visitor in Tahoka Tuesday.

Tommy Davis, who farms between Edith and Central, was a week-end visitor here with his sister, Mrs. E. B. Gaither.

E. L. Hogan of Archer City returned to his home Friday, after a few days visit here.

Mr. Cass O. Edwards has returned to his home in Fort Worth.

Grassland

The Mothers' Club at Grassland met at the school house the first Monday in November and reorganized. The work that had been done during the summer was discussed. The next meeting was held Nov. 26th and plans were made for improving the school yard.

The name of the club was changed to "Home Demonstration Club". Every mother is urged to be present as it is for the benefit of your child. Miss Greenwade promised to meet with the club the first Tuesday in each month.

ODONNELL'S 7 GINS WILL GIN 7,000 BALES THIS YEAR

The weather man has furnished sunshine most of the time during the past week and the harvesting of this season's cotton crop is going forward rapidly, especially during this week. However, last week very little cotton was gathered, due to the inclemency of the weather.

The optimist who earlier in the season estimated this year's crop as large as that of 1927 is ready to place a new estimate on this season's total ginnings in O'Donnell. During the writer's visit of the seven gins in the city Thursday morning, the estimate for this season's total ginnings in the city was placed at around 7,000 bales, by ginners and farmers of this territory, something like 5,000 bales less than that of last year.

Up to date the seven gins of the city have ginned 4,278 bales of the fleecy staple. This is far short of the total on the same date a year ago. On November 25th of last year there had been ginned in the city a total of 6,378 bales — O'Donnell Index.

SHERIFF'S SALE

THE STATE OF TEXAS, COUNTY OF LYNN:

NOTICE IS HEREBY GIVEN That by virtue of a certain Alias Execution issued out of the Honorable Justice Court of Precinct No. 1 of Lynn County, on the 23rd day of November, 1928, by I. P. Metcalfe, Justice of the Peace of said Precinct No. 1 of Lynn County for the sum of One hundred fifteen and no/100 (\$115.00) Dollars and costs of suit, under a judgment, in favor of Frank Walton in a certain cause in said Court, No. 792 and styled Frank Walton vs. Miss Lee Northcross, placed in my hands for service, I, J. W. Simpson as Sheriff of Lynn County, Texas, did, on the 28th day of November, 1928, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: Being all of the South-West quarter of section No. 464; certificate No. 454; abstract No. 1022, E. L. & R. R. R. Co., and levied upon as the property of Miss Lee Northcross and that on the first Tuesday in January, 1929, the same being the 1st day of said month, at the Court House door, of Lynn County, in the

city of Tahoka, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said alias Execution, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Miss Lee Northcross.

And in compliance with law, I give this notice by publication, in the Eng-

lish language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County.

Witness my hand, this 28th day of November, 1928.
