We invite you to locate in beautiful Tahoka. Good homes, good schools, good churches.

Volume XXV.

Tahoka, Lynn County, Texas, Thursday, February 21, 1929

Number 26

Tulia Man Named Lynn Farm Agent

SHAVER'S WORK BEGINS MAR. 1

Is Graduate Of A. & M.; Has Been In Cow-Testing Work In Swisher County

Roy Shaver is the gentleman who will serve Lynn county as county farm agent, beginning March 1, according to information given us this week by Judge Grider and Miss Greenwade.

Mr. Shaver is a comparatively young man, is a graduate of the A. & M. College of Texas, and has recently been employed in testing cows for dairy interests at Tulia. He will be here ready to begin serving the farmers of Lynn county on March 1. You are expected to call on him for counsel and assistance in any matters in which he may be of assistance to you.

McCormack Shows New Pulverator

A demonstration of the Pulverator-Combine Plow is being made this afternoon on the Will Montgomery farm two miles northwest of town by The Massey-Harris Company of Dallas and the local representative of this company in Tahoka, the McCormack Company, Inc. C. D. Taylor of Dallas is here directing the demonstration of this remarkable plow, which not only turns the soil deep but thoroughly pulverizes it at the same time.

The Massey-Harris companies combined, which have recently taken over the J. I. Case Company and their implements, are said to constitute the oldest, largest and financially strongest manufacturers of farm machinery in the world.

The Massey-Harris companies manufacture more than 1500 types of machines, the simplest being of eight parts and the most elaborate of 9,840 parts, and they turn out 325,000 complete machines annually.

The Massey-Harris machines are being sold in practically every country on the globe. A glimpse in their shipping rooms would reveal from time to time the names of the following foreign ports, each a romance in itself: Buenos Ayres, London, Paris, Moscow, Berlin, Melbourne, Montevideo, Copenhagen, Auckland, Oslo, Valparaiso, Singapore, Reval, Algiers, Stockholm, Smyrna, Dundin and Basra—on the way to Baghdad.

The Massey-Harris accounts are settled in fifty-three currencies and are invoiced in as many different languages.

The Massey-Harris line has proved to be an asset to the farmers in all parts of the world, who are demanding the best in farm machinery.

This line of farm implements is being handled by The McCormack Co., Inc., of Tahoka, who are assisting in the demonstration being given on the Montgomery farm this afternoon.

The big Pulverator-Combine Plow is drawn by a 20-30 Wallace Certified Tractor and looks like a really wonderful piece of farm machinery. Many farmers and others are out witnessing the demonstration this afternoon.

FINCH ANNOUNCES FOR RE-ELECTION AS MARSHAL

Milt Finch requests that we announce that he will be a candidate for re-election to the office of city marshal in the city election to be held on Tuesday, April 2.

Mr. Finch is serving his first elective term in this office. He has been diligent in the performance of his duties, and we have heard very little criticism of the manner in which he has filled the office.

He will appreciate your vote and influence on April 2.

DRAW CLUB GIRLS TO GIVE PLAY FEBRUARY 22

The play "An American Woman" will be given by the Draw 4-H Club girls at the Draw High School Auditorium Friday night, February 22, 1929.

We invite everyone to attend.

Tahoka Gridsters Awarded Sweaters

Sixteen members of the football squad of Tahoka High School were given sweaters Monday. Of the sixteen men awarded sweaters only six will be ineligible for Interscholastic League Competition next year. Those awarded sweaters were Captain Short, Captain-elect Edwards, and Barnes, Benson, Greathouse, Lowry, Lawson, King, Massengale, Minor, Welch, Ketter, George, Sargent, Willingham, Manager Jackson, and Coach Nicklaus. The sweaters were awarded by Principal Nat Williams.

PROSPECTS FOR MORE WILDCATS

Several New Oil Tests Contemplated; Big Companies Active In Securing Leases

There seems to be renewed interest in oil development in Lynn and adjoining counties with the approach of spring.

It is reported that the Midwest Oil Company is to start the drilling of a well at an early date on a block of leases which it has in the northeast portion of Terry county.

It is also reported that other companies are preparing to drill in Lynn county.

The Shell Petroleum Corporation, successor to the Roxana Oil Company, has been procuring leases recently north and northwest of town.

Joe A. Noake of the Ballwood Exploration Company of San Antonio was here Tuesday to complete a block of leases which his company has been taking in the north part of the county.

The Phillips Petroleum Company has also recently procured scattered leases north of Tahoka.

Dan H. Freel of San Angelo has also procured a bunch of leases in this portion of the county.

It is reported that one of the larger companies is to take over the Miller well being drilled near Tahoka Lake and complete the test there, though we have been unable to get any confirmation of this report.

Rather slow progress has been made by the Ash Syndicate on their well being drilled five miles west of Tahoka, due to the long-continued cold weather and to the hard structures through which they have been drilling. They have reached a depth considerably more than 800 feet, however. They expect to make better progress now.

It is also reported that the casing has been drawn from the Brownfield well and that it is being abandoned at a depth of about 4,500 feet.

Plans Under Way For Short Course

The committee of arrangements and program are making plans for the short course to be conducted March 7th and 8th. We expect to have a program that will be of interest to every farmer and business man of Lynn County.

Speakers of outstanding reputation will be here, and will have a message you will want to hear. We especially invite farmers and their wives to meet with us. Our new county agricultural agent will be with us at this time, and we should like for you to meet him and get acquainted.

Come out and enjoy two days of wholesome instructions and entertainment.

Respectfully,
TAYLOR WHITE,
Pres. of Chamber of Commerce

Firemen's Annual Banquet Tonight

The members of the Tahoka Volunteer Fire Department are preparing for their annual banquet, which is to be held tonight in the Sanarillo Cafe. Following the banquet and program, officers for the ensuing year will be elected. A great time is anticipated by the fire boys.

FEW OUT FOR CITY OFFICES

One Candidate Announces For Mayor And One For Marshal; None For Councilmen

An election to select a mayor, a city marshal, and three aldermen will be held the first Tuesday in April. Several names have been mentioned in connection with the office of mayor but we have heard no name mentioned for aldermen and city marshal except the present incumbents.

The term of Milt Finch as city marshal will expire and it is presumed that he will be a candidate for re-election. We have heard no other names mentioned in connection with this office.

There is one vacancy on the city council. Homer St. Clair moved away some time ago and his place has never been filled. Others whose terms expire are H. W. Calaway and J. K. Applewhite. We have heard of no prospective candidates for these places. No doubt both Mr. Applewhite and Mr. Calaway will be re-elected without opposition if they can be prevailed upon to stand for re-election.

The aldermen who hold over another year are W. O. Thomas and W. S. (Skip) Taylor.

The city secretary, Mrs. J. B. Walker, also holds over.

FIRST TRADES DAY MONDAY

Free Auction Sale Feature Of Day; Farmers Are Invited To Tahoka

Tahoka is to again have a trades day once each month. The first of these is to be next Monday, February 25.

This trades day is being sponsored by the Chamber of Commerce but is directed by Col. Seal and Col. Casey, who will auction off, free of charge, anything and everything that the farmers may bring in for sale.

Some of the merchants are also offering special inducements in the way of reduced prices on certain articles of merchandise.

A large crowd is expected here Monday. The auction sales are to begin at 10 o'clock in the morning.

Mr. and Mrs. M. B. Hood were called to Colorado Sunday by the serious illness of Mrs. Hood's aunt.

Elect Mrs. Nicklaus To Faculty Position

At a regular meeting of the school board Monday afternoon, Mrs. W. W. Nicklaus was elected as teacher in the intermediate grades at the Central Ward School to fill the vacancy caused by the resignation of Mrs. Smiddy, who resigned last week.

Mrs. Nicklaus is a graduate of the Amarillo High School, of Kidd-Key College at Sherman, and has done some special work in the West Texas State Teachers College at Canyon. She taught the past two years in the Amarillo public schools. She has been substituting here occasionally this year. Mrs. Nicklaus is the wife of Prof. W. W. Nicklaus, teacher in the high school and coach of boys' athletics.

Boy Breaks Leg While Wrestling

Roy Stephens Jr., 14, of the Midway community, sustained a fracture of the bones of the right leg just above the ankle last Thursday while wrestling with Cecil Davis, another boy about his own age. The fracture resulted when the two boys fell. Young Stephens was brought to a physician to have the injured member treated and the leg had to be set in plaster of Paris. It is to be hoped that the fracture will heal readily and perfectly.

NEW LYNN CLUB MEETS

The New Lynn 4-H Club girls met at the school house Feb. 19, 1929. Miss Greenwade met with us and helped the girls with their aprons. We had eleven members present. We received two new members, and made plans for the next meet which will be Thursday.

WINTER COURT TERM OPENED

Grand Jury In Session. Judge McGuire Makes Forceful Charge to Body

District court convened Monday morning, with Judge Gordon McGuire on the bench and district attorney T. L. Price, court reporter Clyde L. Backenstoss, district clerk Truett Smith, and sheriff Sam Sanford all present.

The first work of the court, of course, was to impane/a grand jury, and the following gentlemen were selected to serve on this body: R. C. Wood, B. W. Baker, R. C. Carroll, Frank Crews, Lester Phillips, J. D. Martin, W. G. Allen, John Ray, J. E. Rice, Sailor Williams, J. K. Applewhite, and W. E. Sikes. Mr. Applewhite was appointed foreman by Judge McGuire. The Judge gave a brief but forceful charge, stressing those kinds of crimes which are most frequently committed in this section of the country, after which they entered upon their investigations. Bailiffs were appointed as follows: J. H. Bulman and Guy Sherrod of Tahoka and Dr. D. H. McDaniel of O'Donnell.

The grand jury, as usual, is composed of a high class of citizens, and the people of Lynn county may be assured that this body will do its duty.

BIG DECREASE IN POLL TAXES

Total of "Off Year" Is 2,683, A Decrease of 617 Over High Total of 1927

Only 2683 poll taxes for the year 1928 were paid prior to February 1, 1929, according to Sam Sanford, sheriff and tax collector of Lynn county. This is a decrease of 617 from last year. The falling off is accounted for by the fact that this is an "off" year politically and from the further fact that financial conditions are not quite as good as they were a year ago. The number of poll tax payments exceeds the number issued in and previous "off" year, however. The record for the past several years is as follows:

Year	No.
1922	1,732
1923	2,669
1924	2,514
1925	3,017
1926	2,254
1927	3,300
1928	2,683

J. L. McClurg Hurt In Car Accident

J. L. McClurg, employee of the Texas Filling Station, was seriously hurt Sunday afternoon when his car turned over on the highway near Brownfield. His shoulder blade and collar bone were broken and he received injuries on the head which required ten stitches to close. He is now confined to his bed and the indications are that he will not be able to return to his work for several weeks.

Paul Howell was in a car close behind him when the accident occurred. He rendered first aid and took the injured man to a physician to have his injuries dressed. We are not advised as to just what caused the car to turn over.

Commissioners Fix Ex Officio Salaries

The ex officio salaries of county officers were fixed for the ensuing year by the commissioners' court Monday. No changes were made in the amount of ex officio salary paid these officers. The county judge gets \$150.00 per month, while Truett Smith as county and district clerk and G. H. Nelson as county attorney draw \$50.00 per month each. Of course each of these officials also gets the fees provided by law. Sam Sanford, sheriff and tax collector, is allowed a salary of \$1,000 per annum in addition to the fees and commissions allowed him by law.

Mrs. Della Grace, who has been on an extended visit to her daughter, Mrs. Tom New, will return to her home at Franklin this week.

Plant a berry patch.

Raise C.-C. Budget; Hunting Secretary

Election Judges For Two Years Selected

At its meeting Monday the commissioners' court selected election judges for all general elections to be held in Lynn county during the next two years, as follows: O'Donnell, J. M. Christopher; Three Lakes, W. E. Sikes; New Moors, J. F. Rogers; New Home, Gailor Williams; West Point, C. T. Tankersley; Dixie, A. F. Pitts; North Tahoka, E. S. Davis; Wilson, John Heck; Magnolia, W. J. Faires; Gordon, Walter Wynn; Draw E. R. Sherrill; South Tahoka, J. R. Fenton; Grassland, W. P. Thomas.

WILSON WINS CHAMPIONSHIP

Fast Wilson Six-Footers Sweep Series To Represent County At District Meet

The Wilson High School Basketball team won the Lynn County Championship and the right to enter the district meet at Lubbock February 22 and 23. The other three teams that had won their way to the final tournament were defeated in turn by the strong Wilson Quintette. Tahoka was the first to lose to them and the score was 35-8. Three Lakes, the next victim lost by the record score of 59-1. In the last game of the tournament Saturday night Wilson defeated O'Donnell 32-13. Tahoka won second place honors by defeating O'Donnell 25-19 and Three Lakes 42-8. In the consolation game O'Donnell defeated Three Lakes 25-12. Gurley Tahoka forward, was the high point man of the meet, scoring 32 points in the three games in which he participated. Crews, of Wilson, was second high with 28 points and Short of Tahoka was third with 25 points to his credit.

The winners of the tournament are well qualified to represent the county in the district tournament. It is a rare occurrence that any high school gets together the material for a basketball team that will compare with the Wilson six-footers. Coach Nix has seven men with plenty of speed and endurance and they average six feet in height. Their chances to win the district meet are excellent if they play the same style of ball they played against Tahoka Friday night.

Mr. and Mrs. E. J. Tredway of O'Donnell were guests Monday night of Mr. and Mrs. Porter Tredway of this city.

J. A. Brashear was a business visitor to Littlefield Wednesday.

Fern Aycox Wins Popularity Contest

The box supper and popularity contest held in the old Connolly place of business last Thursday night proved to be quite an entertaining affair. It was a decided success, also, from a financial standpoint. The popularity contest brought in about \$81.00, while the total proceeds of the evening were more than \$190.00.

In the popularity contest, Miss Fern Aycox, who was the candidate backed by the High School, won the \$75.00 diamond ring, after a spirited campaign.

The boxes were auctioned off by Judge G. C. Grider, who fully sustained his reputation on this occasion as an auctioneer.

The proceeds are to be used to help pay for a piano in the high school auditorium.

American Legion To Present Play

A play entitled "The Eyes of Love" will be presented at an early date by the Ladies' Auxiliary of the American Legion. The play is being coached by Mrs. R. L. Richardson. The date and place are to be announced later. This promises to be a splendid entertainment. The proceeds are to be used for the benefit of the American Legion.

HOPE TO RAISE \$5,000 BUDGET

Experienced Secretary Will Be Employed; Business Men Are Responding Liberally

The board of directors of the Tahoka Chamber of Commerce met Monday night to hear a report from the finance committee and to consider the matter of electing a full time secretary.

The finance committee, composed of the President, Taylor White, Claude Wells, Jack Applewhite, and Chester Connolly, reported excellent progress in procuring subscriptions for the budget. They had already procured subscriptions amounting to more than \$3,700 and many had not been seen. Claude Wells stated to the News Tuesday that the committee felt sure that a total budget of more than \$5,000 will be raised "and we will need every cent of it," he continued.

The committee decided to procure an experienced chamber of commerce secretary for full time and inquiries for the proper man are now being made.

The business men of the town generally have responded liberally in subscriptions to the budget, and there seems to be more enthusiasm and a better spirit of cooperation in this work than for some time.

Caveness Urges School Children To Visit Short Course

To Principals and Trustees of Schools:

I wish to call your attention to the Farmers' Short Course to be held in Tahoka, Texas, March 7, 8.

According to the agent who promoted the course, Thursday, March 7 will be of especial interest to school children. There will be pictures shown and talks given that will stimulate interest and activity in Club Work and general home life. Recognizing the fact that this is wholly an agricultural section, and realizing the need of better methods and management in our agricultural operations, I am recommending that trustees allow and encourage teachers to bring their classes for Thursday, March 7th, the first day of the course, and give teachers and pupils credit for a full day of school work. Pupils who attend should be encouraged, if not required, to write a composition on some phase of the work of the Short Course as a part of some future lesson in English. These papers can then be read and discussed in the class, thus affording an excellent method of reviewing the Short Course. Some children who prefer to give their reports orally should be allowed to do so at some English period, thus affording a practical and profitable exercise in oral English. The majority of our school children will follow agricultural pursuits so the facts that may be learned at the Short Course will be of more value to them than many of the facts found in their text books. Let us undertake to educate our children for farm and farm life rather than educate them so as to be unfitted for and dissatisfied with farm life.

Our County Farm Agent will be here at that time and it will be a good time to get acquainted with him. Possibly he will have some plans to give out at that time that you will be interested in. Please write to me as soon as possible whether any or all of your pupils will be present. Write to me at once whether you are coming or not. Yours very truly,
H. P. Caveness, County Supt.

NEW RIDDLE HOME CATCHES ON FIRE

The new home of Alex Riddle was discovered on fire about midnight Saturday night, the fire originating in the roof at the opening of a vent from the bathroom. The fire department was called out and the flames were extinguished before any considerable damage was done.

WANTED
EVERY FARMER IN LYNN COUNTY TO BRING SOMETHING TO BE SOLD AT AUCTION
COME IN, FARMERS, AND TAKE ADVANTAGE OF THIS BIG AUCTION SALE

FREE AUCTION SALE

Fourth Monday, Feb. 25, 10 a. m.

THIS SALE IS BEING SPONSORED BY THE TAHOKA CHAMBER OF COMMERCE FOR THE FARMERS OF LYNN COUNTY
NO CHARGES WILL BE MADE FOR AUCTIONING

It will be auctioned for the best possible price, and ABSOLUTELY FREE OF CHARGE. Bring your stock, implements, etc., that you do not need. Someone else may be planning to buy just what you have to sell. This sale will be cried by two of the best Auctioneers in the State of Texas: Col. Joe Seale and Col. W. P. Casey of Lubbock, Texas, will have charge of the auctioning, and will get for you the very best of prices, on everything that is put up for sale. This sale will be held on the fourth Monday of this month. It will be of great value to the farmers of Lynn County. Be sure and come in and take advantage of this big event.

SALE STARTS AT 10 A. M. MONDAY MORNING.

Sale Will Be Held on Vacant Lots East of Court House.

Locals

Judge G. C. Grider is a happy man. Another fine little boy came into his home on Tuesday of last week. The Judge says that he and the mother have not agreed upon a name yet. The Judge is expecting the little fellow to be another Gene Tunney or Jack Dempsey in a few years. This makes eleven children in the Grider home now, eight boys and three girls. The eight boys and one son-in-law are expected to some day make a winning baseball team.

Supt. M. L. H. Baze and Miss Margaret Worthy of the High School faculty together with the entire membership of the Public Speaking class attended the debate between

SICKLY, PEEVISH CHILDREN
Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destroyer of the worms but harmless to the child. Price 25c. Sold by

PLAINVIEW NURSEY
Box 1097, Plainview, Texas

the Texas Tech team and the T. C. U. team held at the Tech Tuesday night. They report a most interesting debate.

W. T. Shannon, who removed to this place from Brownfield a few weeks ago, has been seriously sick of flu and pneumonia the past two weeks. He is now much improved, according to J. C. Welch, who has been helping to care for the sick man during his illness.

Dr. J. R. Singleton and Dr. K. R. Durham attended the convention of the Panhandle Dental Society, which was held in Amarillo last Friday and Saturday. They report a most excellent program and a good attendance.

Monte Bowron and family removed Saturday to Plainview, where Mr. Bowron will continue to sell Delcolight plants. Mr. Bowron had been here about three years selling Delcolos and directing the Tahoka Band. Many friends here regret his removal.

E. A. Welch of Fort Worth spent several days here as a guest of his uncle, J. C. Welch, and family. Mr. Welch was employed for several years on the Star Telegram but has been making his home more recently in California.

Jake Leedy was here from Hobbs a few days this week. Jake says Hobbs has been growing but is now awaiting the coming of a railroad, either the Santa Fe or the Texas & Pacific. Both companies are seeking permission to build into the town.

Mrs. J. W. Hughes of Dallas is here with her daughter, Mrs. G. C. Grider, who is now sick.

D. B. Swanzy, wife and baby of Abilene spent the week end visiting Mr. and Mrs. J. Emory Nance. Mr. Swanzy is secretary-treasurer of Simmons University.

A. N. Lehman, manager of the Levine Bros. store, left for the market Tuesday afternoon, Dallas. He expects to buy quite an additional stock of spring and summer goods.

O. L. McHorse is building a neat residence in North Tahoka.

SLATON TO HAVE A CREAMERY SOON

According to the Slaton Slatonite, preliminary surveys have been made and the committee appointed to work out plans to bring a creamery to Slaton, will now begin in earnest.

The Red River Creamery Co., of Frederick and Waurika, Okla., will establish the creamery at Slaton. The Company has been investigated by Slaton business men and found to be making a success of the business in the two above mentioned towns. They also found them to be financially responsible.

Slaton is to be congratulated on bringing this enterprise to that town. It is a forward movement for them and will aid the diversification program now being advocated for this country.

Not only will it be of benefit to Slaton, but Wilson will benefit as well for if we understand the proposition right the plant will afford a market for whole milk.

It is hoped that the plant will be in operation by April 1.—Wilson Pointer.

SHERIFF'S SALE

WHEREAS, by virtue of an order of sale issued out of the District Court of Harrison County, Texas, on a judgment rendered in said court on the 28th day of September, 1928, in favor of B. S. Pope in the case of B. S. Pope vs. M. C. Hamilton, No. 6829, on the docket of said court, I did on the 27 day of January, 1929 at 11 a. m. o'clock, levy upon the following described tract of land situated in Lynn County, Texas, and belonging to the said M. C. Hamilton, to-wit:

Six hundred forty acres of land in Lynn County, Texas, the same being all of Sec. 25, Block H, Abstract No. 178, the East Line and Red River Railroad Company being the original grantee and patented to Emmer L. Stout, Assignee of the East Line & Red River Railroad Company, by Patent No. 394, of Vol. 45, and being 10 miles S. E. of the town of Tahoka and about four miles West of the town of O'Donnell, beginning at a mound in the Southeast corner of Survey 24 of this block;

Thence North 1900 vrs. with the E. B. L. of Survey No. 24 to a mound, the Northwest corner of this survey;

Thence East 1900 vrs. to a mound the Northeast corner of this survey and the Southeast corner of Survey No. 30;

Thence South 1900 vrs. with the West Line of Survey No. 26 to its Southwest corner, being the Southeast corner of this survey;

Thence West 1900 vrs. with the N. E. L. of Survey No. 16, of this block to the beginning.

And on the 5th day of March, 1929, being the first Tuesday of said month, between the hours of 10:00 a. m. and 4:00 p. m. on said day, at the Court House door of said county, I will offer for sale and sell at public auction for cash all the right, title, and interest of the said M. C. Hamilton in and to said property.

Dated at Tahoka, Texas, this the 28th day of January, 1929.
S. W. SANFORD,
Sheriff of Lynn County, Texas
24-31c

A REGISTERED JERSEY BULL FOR WILSON

A fine registered Jersey Bull arrived in Wilson Tuesday to make his home. Messrs. John Heck, R. A. Kallich, O. L. Woody, S. A. Cummings and J. E. Richardson are the owners. The Bull comes here with a wonderful record behind him. One of his grandmothers holds the record of having produced 1,000 pounds of butter fat in one year.

We congratulate these men for the move they have made. They have done more for the community than might be imagined at first thought.

Now if we can get a few registered cows in the community we will have made a fine start toward putting this place on the map and making some real profits from the farm.—Wilson Pointer.

R. O. T. C. AT TECH IS GIVEN BOOST

LUBBOCK, Texas, Feb. 20.—The application of Texas Technological College to the federal government for Reserve Officers Training Corps aid under section 550 National Defense Act has been approved by the

War Department, according to a letter received here by Lieutenant H. E. Killin, commandant of the present military corps at the College.

With the enrollment of 300 cadets in the work at the College, a senior R. O. T. C. unit may be secured which will provide full equipment and officers together with regular pay of 70 cents per day to all juniors and seniors taking the work.

PREVENTS INFECTION

The greatest discovery in flesh handling is the marvelous Borosone, a preparation that comes in liquid and powder form. It is a combination treatment that not only purifies the wound of germs but cause infection but it heals the flesh with extraordinary speed. Bad wounds and cuts which take weeks to heal with ordinary liniments mend quickly with the powerful influence of this wonderful remedy. Price (liquid) 30c, 60c and \$1.00. Powder 30c and 60c. HIGH SCHOOL GIRLS TAKE CLOSE GAME FROM T-BAR

The Tahoka high school basketball girls met the basketball girls from T-Bar Saturday night at the gymnasium, Tahoka making the first point, stayed in lead with the score all through the game. Hard fighting was shown on both sides, with the scores being 17-16, Emily Lou Robison making the highest points.

This game will probably be the last game for Tahoka as the gymnasium has been rented by the Whippet Motor Company and a girls' tournament cannot be held Friday and Saturday nights.

The line up for the season: Coach, Miss Zuella Fox; Forwards, Emily Lou Robison and Lois Jackson; Centers, Lola Belle Edwards and Fern Aycox; Guards, Mae Armstrong and Fannie Jackson; Substitutes, Jaurne Edwards, Lois Jefferys, Blanche Swan, Beatrice Perkins, Artie Perkins and Joe Russel.

—Contributed.

NEAR SERIOUS FIRE IN BUSINESS SECTION TUESDAY

Fire broke out in the vulcanizing department of the Anchor Filling Station at about 5:30 o'clock Tuesday afternoon and gained headway rapidly. For a time it looked as if the entire building of the Anchor Filling Station and also Craft's Tailor Shop would be destroyed, but the fire department got on the job and extinguished the flames before any serious damage was done. Several old tires, and a few new batteries were destroyed, while considerable damage was done to the roof and the north wall of the room in which the fire caught.

The vulcanizer, was left in the room, lighted, for a few minutes and the fire caught from that while no one was in the room. Mr. Vickery and others were in the adjoining room, however, and gave the alarm. The flames were fanned by air escaping from an air tube in the room and it required quick work to save the building.

CHILDREN RENDER WASHINGTON PROGRAM

The children of Miss Lulu Moore's room rendered a program at the chapel hour at the Central Ward School building Wednesday morning. The program was given in commemoration of the birthday of George Washington and consisted of patriotic songs, readings, and soldier drills.

The stage was decorated with symbolic features.

Preceding the program, a devotional service was conducted by Rev. B. N. Shepherd, who also gave a talk on Citizenship.

The program rendered by the children was as follows:

Song: George Washington—by the room.

Story: Betsy Ross' Needle—Audie V. Huffaker.

Song: Soldier Boys—Second Grade Boys.

Reading: When George Washington Was a Boy—Alex Nevil.

Song: Dairy Maids—by the Girls.

Reading: George Washington and the Cherry Tree—Viola Clarkson.

Reading: I'll Try—Dock Thompson.

Reading: A Cherry Pie—Claude McHorse.

H. P. Burkhalter of Lubbock was a Tahoka visitor Tuesday. Mr. Burkhalter, who recently sold a nice farm near Grassland in this county and purchased another farm near Lubbock is giving more and more attention to the dairy business. He has quite a bunch of high-bred Jersey cows and they are bringing in quite an income weekly.

Visual instruction presented by means of a Balopticon machine is being given the children of the public schools here. Some of the classes at Central Ward were given a study of Birds and Bird Life Wednesday afternoon. The giving of the pictures is always attended by a lecture by one of the teachers making the necessary explanations.

C. O. Carmack underwent an operation for appendicitis in a Lubbock Sanitarium today.

Cotton Seed

We have a few hundred bushels of early ginned cotton seed for sale. These seed have been re-cleaned and are ready to deliver at a reasonable price.

Announcement

We Are Pleased to Advise Our Trade That We Have Taken on a Full Line of Farm Implements Manufactured and Marketed Throughout the World by the Massey-Harris Co.

WE WANT YOU TO KNOW—

That the MASSEY-HARRIS Companies combined constitute one of the oldest, largest and Financially Strongest Manufacturers of Farm Machinery in the world.

That MASSEY-HARRIS manufacture over 1,200 types of machines, the simplest being of eight parts and the most elaborate of 9,840 parts; also that 325,000 complete machines are manufactured annually.

That MASSEY-HARRIS Machines are being sold in 53 national markets comprising practically every country on the globe in which modern farm machinery is used.

That to supply the demand for MASSEY-HARRIS Farm Machines, seven factories having a total floor space of 91 acres engaged in their production, and it is possible to load 90 cars of MASSEY-HARRIS products at one time.

That a glimpse in the shipping room would reveal from time to time names of foreign ports, each a romance in itself. Buenos Aires, London, Paris, Moscow, Berlin, Melbourne, Montevideo, Copenhagen, Auckland, Oslo, Valparaiso, Singapore, Reval, Algiers, Stockholm, Smyrna, Dunedin and Basra—on the road to Bagdad.

That MASSEY-HARRIS accounts are settled in in more than fifty currencies and invoiced in as many as forty languages.

That the MASSEY-HARRIS Line has proven to be an asset to farmers in all parts of the world who are demanding the BEST in Haying and Harvesting Machinery and other Farm Equipment.

(Massey-Harris Co., formerly J. I. Case Plow Works, Inc.)

AFTER CAREFUL CONSIDERATION

We Have Chosen to Handle the

MASSEY-HARRIS CO.

Line of Farming Implements, Because:

1. This machinery is best adapted to West Texas Farming.
2. It enables us to furnish you any implement of any type—when you want it.

The PULVERATOR--COMBINE PLOW

Ask any of the farmers who attended the demonstration of the Massey-Harris Pulverator-Combine Plow on the Will Montgomery Farm Thursday afternoon.

If You Want Terms, We are in Position to Give You 1 or 2 Years at Low Interest Rate

For further information on this celebrated line of farming implement,

McCormack Co., Inc.

Distributors and Dealers for Massey-Harris Co. Tahoka, Texas

For further information and details of finance plan

COME SEE US!

GREETINGS, MR. CROP PRODUCER!

To raise a crop you must have a seed bed. For years, to get a seed bed you have been plowing, discing, harrowing; and at best the seed bed was not over two inches deep. Many fields have no seed bed, but only broken ground. Many fields have been plowed the same depth and the top soil is worn out and contaminated with weed soil. You can't divide the soil between Johnson grass and cotton, corn, oats, etc., and get the best crop. Many farmers cut off and burn up all vegetation in the field so they can plow, thereby losing its fertile qualities. Many farmers want to plow deeper but are afraid the subsoil will not grow the crop that year. You are a victim of one or all of the above troubles. With few improvements, the method of plowing today is the same as was used thirty years ago. Radios and aeroplanes were innovations in their lines.

JIM REED SINGS HIS SWAN SONG

Senator Jim Reed of Missouri, in a vitriolic attack upon the prohibition laws in the United States Senate a few days ago, made the following astounding statements: "I have traveled extensively in the United States in the last eighteen months. I have never entered a state, a city, a town or a village where I was not tendered liquor and where a few minutes' conversation did not disclose the fact that distillers were all around towns and all around the villages and that liquor could be obtained anywhere. There is not a policeman in a city of the United States who can not collect enough evidence in twenty-four hours to keep the courts busy for twenty-four months."

That there has been poor enforcement of the liquor laws, in many cities and in many parts of the country is doubtless true. That there has been a disposition on the part of many officers and many private citi-

zens to wink at violations of the liquor laws is likewise true. But we believe that Jim Reed overdraws the picture. If his statements are literally true, then we consider them a grave reflection upon Jim Reed himself. He says that he has never entered any city, town or village in the whole country where he was not offered liquor, and that within a few minutes he was enabled to learn that distillers were all around. If Jim Reed was offered liquor wherever he went and had no trouble in locating the stills, that is a pretty good indication that the bootleggers felt that they could trust Jim. The bootlegger usually knows whom to approach. This editor has visited quite a number of cities and towns and villages in Texas since the national prohibition law went into effect, and he has never yet been approached by a bootlegger with even a hint that he had liquor for sale. The law-abiding, law-respecting citizen is seldom approached by the bootlegger. If Jim Reed has been so constantly bombarded by bootleggers or their friends, we must presume it was because they felt that he was a prospective patron and that he could be trusted not to "squawk" on them if caught. Jim doesn't tell us that he ever gave any of the deadly information which came his way to any of the sheriffs or other enforcement officers in this country. That might have helped some.

Jim says that "to say that the law has ever been enforced is to stand in the face of truth and to deliberately lie to the American people."

But what is Jim's remedy? Repeat the law, of course. "What a monstrous thing it is!" he exclaims. Kill the hateful thing and kick it out the back door. Open all the saloons again, as in days of old. Let good whiskey flow freely everywhere. This would abolish graft. This would destroy hypocrisy. This would put an

end to crime. This would usher in the Millennium. This is Jim Reed's remedy.

It is to laugh! Strange what fools some brainy men become when prohibition is mentioned. Any driving idiot knows that it would be the height of folly for the United States, at this late day, with 25,000,000 automobiles racing up and down our highways, to turn back the old clock twenty-five years, as Jim wants to do, and open up a saloon on every corner again. Any idiot knows that prohibition, though badly enforced, has been a good thing for this country. The only remedy for the present situation is better observance of the law by our citizenship and better enforcement of the law by our officers and courts.

The trouble with Jim Reed is that he has a case of "sour grapes." He has been an enemy of prohibition ever since it was adopted. He has vilified an abused prohibition and prohibitionists almost incessantly for the past ten years. There has been only one hiatus in his campaign of hatred and vituperation and falsehood, and that was last year when he wanted the Democratic nomination at Houston. He saw that Al Smith was the idol of the wet forces and he therefore tried to court and win the friendship and the support of the dregs. They refused to "fall" for his blandishments, and he has been a disappointed man ever since. He is now singing his Swan Song in the United States Senate and, true to form, it is a Song of Hated. Jim Reed is to be replaced in the United States Senate after March 4 by a dry—a man who respects the laws of his country. Glory be!

If conditions are half as bad in some of our Texas cities as some people claim, then it is high time for sheriffs and other peace officers to get busy. A clean-up should be started in Texas as well as Chicago, and possibly a lot of peace officers in this state ought to be removed. It should be made so hot for hi-jackers and bootleggers that they will not find it healthy to ply their vocation in Texas, and if the officers refuse or neglect to make it hot for the criminals then the officers should be fired. Texas wants a clean-up.

Thus far only one citizen has announced his candidacy for mayor. We have heard several other names mentioned in connection with the office and several gentlemen possibly have the matter under advisement but none of them has yet announced his decision to run, so far as we know. This is an important office and the voters should have plenty of good material to select from. We hope that no good man who really wants the job, or who would accept it, will be too bashful to come on in—the water's fine.

There are fifty-eight members of the House of Representatives at Austin who are so afraid of the "Hoovercrats" that they tried to bar all of the latter class from any place on the Democratic ticket, from governor to constable, next year. There were 61 members of the House, however, who either had better sense or a better sense of justice and fair dealing, and they voted the silly proposition down.

Roosevelt, Wilson, Bryan, Coolidge, Hoover, and even Al Smith have each made their impress upon America, but they all pale into insignificance in comparison with the Honorable Little Tin Henry. He has done more to revolutionize modern life and modern living conditions than all the big statesmen combined, possibly. He has truly been a servant of the common people.

Congress is in session at Washington and the legislature is still grinding at Austin, but the chances are that most folks will be compelled to continue to look to old Beck, Bossie, and Biddie for their bread and butter—and eggs.

Thomas A. Edison recently declared that nobody knows one millionth of one per cent of what there is to be known. If we were to say that to some of our good friends they would feel insulted. But we guess Edison is about right.

JESUS, FRIEND OF THE HELPLESS

Mark 1:40, 41. And there came a leper to him, beseeching him, and kneeling down to him, and saying unto him, If thou wilt, thou canst make me clean. 41. And Jesus, moved with compassion, put forth his hand, and touched him, and said unto him, I will; be thou clean.

Mark 2:5, 11. When Jesus saw their faith, he said unto the sick of the palsy, Son, thy sins be forgiven thee. 11. Arise, and take up thy bed, and go thy way into thine house. PRAYER: O Lord our Lord, Thou art mighty and able to save to the uttermost all that come unto God through Thee.

It is now announced from Washington that no further effort will be made to have the nomination of Pat Neff confirmed as a member of the U. S. Railway Mediation Board. When Earle E. Mayfield leaves the Senate on March 4th he will leave with Neff's political scalp dangling at his belt.

A lot of us got our farm relief by quitting the farm and moving to town.

EDITH CLUB MEETS

The Edith H. D. C. met with Mrs. J. K. Nowlin Feb. 13. In the absence of the Pres. Mrs. Owens, Mrs. Nowlin, Vice-Pres., presided. The following members answered roll call with the name of a new vegetable to be tried this year: Mesdames McGonagill, Nowlin, Downey and Fenton.

The Bettye Homes Chairman briefly outlined the plan of work for the year. She also gave a review of a lecture on curtains and draperies given at the Short Course at Lubbock Jan. 29-30.

A program on garden preparation and seed selection was then carried out, all members present taking part.

Miss Greenwade made a talk on how to prepare a hot bed and the use of cold frames. The club members then inspected Mrs. Nowlin's hot bed.

Miss Greenwade read a paper entitled "My Paradise of Health," a report of garden work last year by a Scurry county club woman.

This woman divided her garden into two equal plots, each planted to the same variety of vegetables. One plot was fertilized with nitrate of soda. The value of the vegetables raised on this plot was more than treble that produced on the unfertilized plot. By use of hot beds and cold frames there was only six weeks in the year in which the family was without fresh vegetables.

The cash value of vegetables raised in this garden was \$387.97. The surplus was sold on the market or canned. This woman said no doctor had been called in their family for 9 years. An abundance of fresh vegetables meant a healthy family so she called her garden "A Paradise of Health."

The Club adjourned to meet with Mrs. T. J. Hammonds February 27. Reporter.

South Ward Items

We want every one who lives near here to come to Sunday School next Sunday at 10 o'clock. Remember the appointment of Bro. Shepherd who is to come on the fourth Sunday which is this Sunday. Let's everybody come and give him a welcome with a large crowd. Bro. Shepherd was sick last time and he didn't come but he is to be here this Sunday at three o'clock. He preaches a sermon that you will enjoy hearing, so be here.

Mr. Sherman Inman, Venson Cobb and Mr. Casey went horse-back riding to the T-Bar last Sunday afternoon.

Mr. J. C. Hood visited Mr. Walter Rhine last Sunday afternoon.

We are to have a program at the school house soon, called "the trial of a school teacher." We will announce the time later. Sherman Inman is the Professor in this play. —Reporter.

Stony Smith and family left Monday for Ballinger for a brief visit, after which they will probably proceed to Florida.

A SERIOUS CHANGE

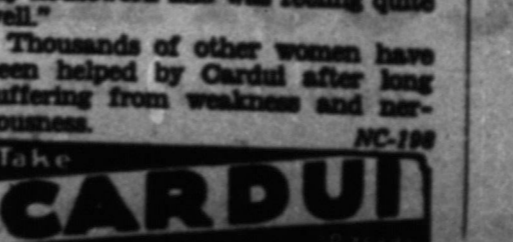

Kentucky Lady Was Seriously Ill for Months But Was Finally Relieved By Cardui.

LAWRENCEBURG, KY.—"At a time in my life, when my health was undergoing a serious change," says Mrs. J. C. Ray, who lives near here, "I found Cardui to be of the greatest benefit to me. I was seriously ill for about two months, and for several months I was not well. My nerves were all unstrung. I could not bear the least noise around me. I could not sleep.

"My head ached until it seemed as if it would burst. My feet and limbs swelled dreadfully. I felt tired all the time. When I was up, I dragged around the house, and most of the time I spent on the bed.

"I got Cardui and began taking it regularly. Very soon I could see that it was helping me. I began to sleep better and eat more. The awful nervousness got better, but when I had finished the first bottle, I was much better than I had been for many weeks. I was so encouraged that I kept right on. Before very long I was doing all my housework and was feeling quite well."

"Thousands of other women have been helped by Cardui after long suffering from weakness and nervousness."

Fuel system of the new Ford has been designed for reliability and long service

THE practical value of Ford simplicity of design is especially apparent in the fuel system.

The gasoline tank is built integral with the cowl and is unusually heavy because it is made of heavy sheet steel,terne plated to prevent rust or corrosion. An additional factor of strength is the fact that it is composed of only two pieces, instead of three or four, and is electrically welded—not soldered.

Because of the location of the tank, the entire flow of gasoline is an even, natural flow—following the natural law of gravity. This is the simplest and most direct way of supplying gasoline to the carburetor without variations in pressure. The gasoline feed pipe of the new Ford is only 18 inches long and is easily accessible all the way.

The gasoline passes from the tank to the carburetor through a filter or sediment bulb mounted on the steel dash which separates the gasoline tank from the engine.

The carburetor is specially designed and has been built to deliver many thousands of miles of good service.

for your baby chicks
THE SOUTHWEST'S MOST POPULAR CHICK STARTER!
MORE baby chicks in our great Southwest are raised on SUPERIOR Orange-Vitamin Chick Starter than on any other food. Poultrymen tell us that it reduces mortality to a minimum... raises bigger, stronger chicks... makes broilers ready for market earlier... makes pullets lay sooner... and it always yields a larger net profit for their time and work.
WHY There is no other Chick Starter like SUPERIOR
It contains everything you would expect in a high quality Chick Starter: ground oatmeal, ground hard wheat, yellow corn meal, wheat gray shorts, Kaffir meal, dried buttermilk and bone meal. In addition to these, it is for our baby chicks the richest practical source of the health-giving and growth-promoting vitamins!
It COSTS NO MORE to Raise Your Chicks the SUPERIOR Way
By the way, SUPERIOR naturally costs a little more than low quality brands or makeshift "home-mixed." But poultrymen who buy accurate cost records find that SUPERIOR always raises more chicks and thus pays them a larger net profit.
We Have a SUPERIOR Feed for Every Need!

GRASSLAND H. D. CLUB
The Home Demonstration Club met at the teacherage February 13, 1929, with eight members present. Miss Greenwade was with us, and gave an interesting talk.

The amount was paid in full for the hoeing of the school yard. Come and bring your dinner, February 22nd to the school house and bring shrubs and hoes and work on the school ground.

We are to have a sock supper Friday night, March 1st. You get a bargain when you get a pair of these socks, as they are filled with fruits and nuts.

Be present at the next club meeting Thursday afternoon, February 28 at one-thirty o'clock.

Mrs. Brightman was elected chairman.

HOLINESS REVIVAL

To the People of Tahoka:— Beloved, we take this means of announcing to you a revival of the old fashioned type beginning at the Church of the Nazarene, March 3. We most earnestly solicit the presence and fervent prayers of every person in Tahoka.

In inviting you to serve the Lord Jesus with us, we assure you that while the preaching will be simple, direct and in plain terms, it will be delivered in a spirit of Christian courtesy with profound respect for all persons and all beliefs. We count ourselves as your Christian brethren and it is as such that we invite you to enjoy this feast of the Lord with us. We are going to stress the two great Bible doctrines of Regeneration and Entire Sanctification or Perfect Love, both of these by faith in Jesus Christ, and the latter wrought by the baptism with the Holy Ghost as a second definite mark of divine grace.

We invariably make use of the old fashioned "burner's bench" where seekers for pardon or purity may come and pray through to an old fashioned know-so experience of shouting salvation. Come and help us shout and praise the Lord and pray the Glory down. The preaching will be done by the pastor and other resident preachers.

F. O. PARR, Pastor.

WHAT OTHERS THINK

THE CHICAGO OUTBREAK SHOCKS THE WORLD

Mexico has gained notoriety in the past for its firing squads and wholesale executions; but we doubt if it has ever eclipsed the atrocity perpetrated in Chicago Thursday when eight men were lined up in front of a brick wall, shot down, and left to lie in their own blood. There is some excuse for such occurrences in Mexico where opportunities for learning better are limited; but for such an outrage to take place in our so-called enlightened and well governed United States is a serious reflection on our entire civilization. Gang warfare has been permitted in Chicago long enough. Battles between rival liquor factions have ceased to be a matter of local concern. If political greed and corruption are responsible for permitting the outrages, then it is high time Chicago had a thorough house cleaning. The bloody occurrence of Thursday should be the last straw. If Chicago is unwilling or unable to rid itself of its murderous bands of modern outlaws, then the federal government should take a hand and use ruthless methods until the gangsters are exterminated. Only thus can life and property in Chicago be made safe, and can the rest of our country be certain such gang warfare as now being practiced will not spread to the more peaceable sections of the United States.—Midland Reporter.

An Ohio convict has just been released after gaining fame as a writer. Chapman played his way out of the pen, and enforced solitude probably made O. Henry. Many people who are outside would probably be better off inside the pen these days. Outside they do not have time to think; they have not the inclination to apply themselves to the development of their talents; the world is going by in too great a hurry for them to keep their thoughts herded in a compact space. Somewhere every day people ought to have opportunity for calm, uninterrupted meditation. The best in us does not easily come to the surface in the hurly-burly whirl of the present day.—Rotan Advance.

The editors of The Tahoka News and Killen Harold talk favorably for Tom Blanton as our next governor. Tom Blanton would not make us an extravagant governor, for his "long suit" is economy in office. What about Tom Love? Either one of these Toms would show us the Turkey-trot when it comes to economy in the executive mansion at Austin, Texas, more taxes and higher taxes, has been the cry of many tax payers. It is high time that we were looking around for a Governor who would reduce taxes to a minimum.—Claude News.

Things are not always what they seem. At least this is what a resident of Chicago thinks. He winked at a girl, and she winked right back. More than that, she crossed the street to him. "Like my looks?" he queried. "You bet!" was the reply and she flung her arms around his neck, and held him tight. Then—she screamed for the police, informing them that man had held her up the day before, relieving her of a large sum of money and valuable jewelry. The moral is, know with whom you are flirting.—Southland Sun.

Over at Tahoka, the "Cold Check" artists are pleading guilty by the half dozen at a time. That is much better than letting them go FREE, like they are doing in many parts of the Panhandle.—Claude News.

Edith

Quite a few of the Edith people went to the singing convention at Draw Sunday afternoon.

Several of the Dixie people and a few of the Tahoka people came to help the Edith people sing Sunday night. The Edith singing class will visit the Dixie people Sunday afternoon and go from there to Woodrow Sunday night.

Mr. E. D. Payne and brother, Marvin have just returned from Gainville where they were called from the sudden death of their father, Mr. J. M. Payne.

Mr. E. D. Payne has been very sick for the past week. We hope he will soon recover.

Mr. and Mrs. Rouse and family from Seagraves spent Sunday with their relatives Mr. Lagow and family.

Mr. S. E. Haster and family from Edith were visitors in O'Donnell Sunday.

Mr. Alva Cullifer and sister Loys of Lamesa were visitors in the Edith

community Sunday. Mr. J. W. Huffaker from Roscoe was a visitor of his niece, Mrs. C. E. Campbell Sunday.

Mr. and Mrs. A. G. Freeman from Tahoka spent Sunday afternoon with Mr. J. C. Campbell and family.

Mr. G. C. Lindley and family spent Sunday in the T-Bar community.

Mr. and Mrs. R. E. Appling and daughter Gene from Redwine visited her parents Mr. and Mrs. J. C. Campbell Sunday.

—Reporter.

SAYS T-BAR WINS OVER TAHO

Prof. Thorpe, principal at T-Bar, has furnished us the following report of the basketball game played here between the T-Bar and the Tahoka girls basketball teams.

"In spite of disrespect shown the visiting team by some and misunderstanding the Tee Bar girls won from Tahoka to the count of 18-17. The referee's decision stands."

BLOATED FEELING

And Other Troubles Went Away After This South Carolinian Had Taken Black-Draught.

Iva, S. C.—"I have used Black-Draught, at intervals, for about five years," says Mr. J. F. Gilliland, of this place. "I take it for indigestion. "After eating, I would have a tight, bloated feeling, and pains in my chest and stomach. I would spit up my food, and some things I ate would not agree with me at all. "I would be hungry, but afraid to eat on account of the indigestion. I would be constipated, too.

"Some one told me that I should try Black-Draught, which I did, with good results. I take just a small dose after meals, and I feel like a different person.

"I do not have any more trouble of that kind. I can now eat almost anything I want to, at any time, and it does not hurt me.

"Black-Draught is a splendid medicine. I can recommend it to others."

Thousands of people have found relief, in cases of common indigestion, by taking a pinch of Black-Draught after meals, and continuing this treatment for several days.

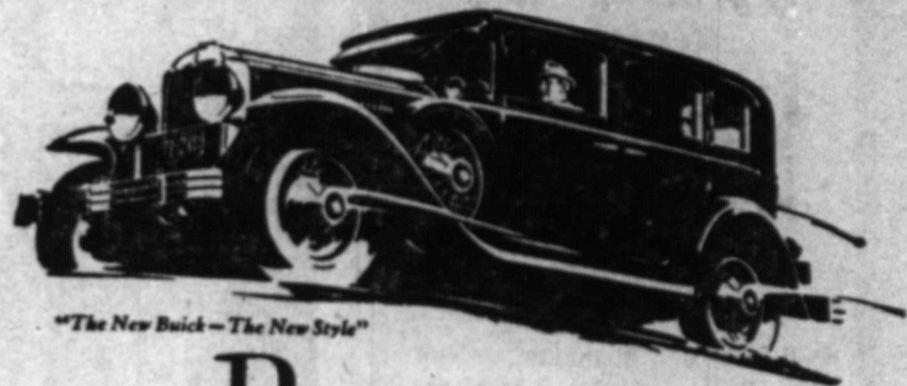

Take Theodor's Black-Draught. It is purely vegetable and acts in a helpful way, without the bad effects of mineral drugs.

National Demonstration Week!

Drive the Chevrolet Six

No matter how closely you inspect The Outstanding Chevrolet of Chevrolet History—you will never appreciate what a wonderful achievement it is until you sit at the wheel and drive. So this week has been set aside as National Demonstration Week, and you are cordially invited to come in and drive this sensational automobile.

Not only is the new six-cylinder valve-in-head motor 32% more powerful, with correspondingly higher speed and faster acceleration . . . not only does it provide a fuel-economy of better than twenty miles to the gallon—but it operates with such marvelous six-cylinder smoothness that you almost forget there is a motor under the hood!

Regardless of the car you may now be driving—come drive this new Chevrolet Six. Come in today!

—a Six in the price range of the four!

SARGON BRING BACK HEALTH

"Sargon restored my health at a time when I thought nothing would help me," recently stated Frank Bennett, of 905 Macon St., Fort Worth. His full statement follows: "My troubles started two years ago when I commenced to suffer with indigestion. I lost my appetite and

FRANK BENNETT

what little I ate caused me lots of misery. I suffered with gas pains around my heart, and could taste food for hours. I seldom got a good night's sleep and was so nervous at times that I would shake all over. I felt tired, run down and worn out even before the day was half over. My liver was out of order, I was bilious and my vitality was very low. I took lots of medicines and treatments with no lasting benefits.

"Then I tried Sargon, and I knew almost at once that I had found the right medicine at last. My appetite returned and my strength and energy began to come back with the first bottle. Now I sleep fine, eat anything I want and everything agrees with me. I am always hungry and enjoy my meals. My nerves are steady as a die, my headaches are

gone and I feel like a man made all over again. I have gained nine pounds and just want to be on the go all the time.

Sargon has built me back up so that I am stronger, and feel better than I have felt in years. I am a well man now, and the Sargon treatment is responsible for it."

Sargon may be obtained in Tahoka from Thomas Bros. Drug Co.; and in O'Donnell from Corner Drug Store

MRS. A. D. SANDERS ENTERTAINS WITH BRIDGE PARTY

Mrs. A. D. Sanders Jr. was a charming hostess at her pretty new home on 223 West North 5th Street Saturday afternoon, from 3 to 6 o'clock, entertaining with a bridge party.

Three tables were in place and Mrs. Marshall Swan was found to have won high score.

Dainty refreshments was served to Mesdames L. E. Turrentine, G. M. Stewart, Frank Larkin, Buford Swan, E. E. Callaway, Robt. King, Oscar Roberts, Chas. F. Shook, Lum Haney, W. B. Slaton, Marshall Swan and Frank Hill.

VALENTINE PARTY

One of the jolliest Valentine parties for the younger set was given Thursday, February 14, when Mrs. C. L. Dickson ably assisted by Mrs. B. C. King, entertained for Miss Geneva Mae Dickson, honoring her class, the sixth grade and teacher, Miss Galloway.

The house was very beautifully decorated with Valentines, and a huge Valentine box from which Valentines were drawn caused much merriment.

After many and various games were played, the hostess served sandwiches, cake and hot chocolate to about thirty-five children.

The guests were Mrs. Cris, Mrs. Adair, and Mrs. King.

NOTICE OF CITY ELECTION

By virtue of authority vested in me as mayor of the City of Tahoka, I hereby call an election to be held the first Tuesday in April, being April 2, 1929, for the purpose of electing a mayor, three aldermen, and a city marshal.

H. M. Larkin is appointed manager of said election, who will appoint his judges and clerks and make reports to the city secretary as required by law.

Given under my hand and seal of office this the 20th day of February, A. D. 1929.

J. R. SINGLETON, Mayor, City of Tahoka

Attest: Mrs. J. B. Walker, City Secretary

For 9 Years Gas Ruined Her Sleep

"Due to stomach gas I was restless and nervous for 9 years. Adlerika has helped me so that now I eat and sleep good."—Mrs. E. Touchstone.

Just ONE spoonful Adlerika relieves gas and that bloated feeling so that you can eat and sleep well. Acts on BOTH upper and lower bowel and removes old waste matter you never thought was there. No matter what you have tried for your stomach and bowels, Adlerika will surprise you.—Thomas Bros. Drug Co. A1

Washes, Carries Coal, Woman Gains 18 Lbs.

"I wash, iron and carry coal and don't get tired since taking Vinol. Also, I have gained 18 pounds."—Mrs. S. Cortese.

Vinol is a delicious compound of cod liver peptone, iron, etc. Nervous, easily tired, anemic people are surprised how Vinol gives new pep, sound sleep and a BIG appetite. The very FIRST bottle often adds several pounds weight to thin children or adults. Tastes delicious.—Thomas Bros. Drug Co. T1

CHEVROLET COUPE STOLEN WEDNESDAY NIGHT

A Chevrolet Coupe belonging to Loyd Nowlin was stolen from the street at an early hour Wednesday night. No trace of the car or of the thief has been found at the time we go to press.

Mr. Nowlin works in the Jack Conley Shop in the rear of the Tahoka Service Station, and his car was parked just across the street at the curb alongside the St. Clair Hotel, not more than 90 feet from the place where Mr. Nowlin was at work. At about eight o'clock he heard a car start and leave the curb but paid no attention to the matter. When he went out to get his car thirty minutes later, however, it was gone, and he now thinks it was his car he heard.

Officers were notified immediately. Sheriff Sam Sanford promptly notified officers in adjoining counties but up to this time has not heard of the stolen car.

February 22 is the day all good Americans keep sacred to the memory of

The Father of Our Country

Altho it's a national holiday, we will keep open for your convenience.

Our service insures satisfaction long after all other factors have been forgotten. Four skilled mechanics who take pride in their work, and the best of equipment for all makes of cars.

SERVICE

LIGHT

POWER

ICE

Texas Utilities Co.

1. Advantages of an Early Hatch.

Early spring is Nature's most favorable growing season. By hatching chicks early they will have the advantage of a longer growing period than those hatched late in the spring or summer. Hot weather retards the growth of chicks and they are then less able to resist the diseases and insects that naturally appear as the summer advances. Given the proper care and attention chicks that are hatched in February and early March will weight more and be stronger and more vigorous and fewer will die from disease than those that are hatched in May. A chick develops more rapidly the first four weeks of its life than any other period. This means that early matured pullets that will lay early in the fall and be broody early the following spring. They will also be laying heavily at Christmas when eggs are highest, thus materially assisting us in paying for our Christmas gifts. Both cockrels are ready for the early fall shows and fairs.

2. Selection of Eggs for Incubation:

In securing eggs for incubation the most important factor is the health and vigor of the parent stock. Satisfactory results may be expected by carefully selecting eggs from any good standard-bred variety, provided the following points are kept in mind:

1. Choose eggs from birds which have been kept in sanitary premises; had a supply of green food, such as sprouted oats, or wheat, beets, lettuce, or cabbage in addition to the necessary amount of grain and dry mash the month before the eggs are needed. Hens that are lacking in green food lack the necessary vitality that will produce strong, healthy chickens.

2. Gather the eggs twice daily. Keep in rather uniform temperature of 55 to 65 degrees, turning daily.

3. Do not set eggs that are more than 10 to 14 days old, and never those that are spotted, dirty, stained or that have knots, ridges or rough places of any kind. Choose clean, unwashed, sound eggs with strong shells that are well formed and uniform in size, shape and color.

3. Feeding Baby Chicks:

Baby chicks should not be fed until they are at least 48 hours old for nature takes care of them up until this time. A safe plan is to feed them a very small feeding of sour milk at the close of 48 hours, and give them their first feed at 72 hours.

The four most important factors for the success of baby chicks are correct feeding, exercise, sanitation, and temperature.

Feeding. For the first feeding either corn bread or oatmeal is good. The cornbread should be cooked hard, crumbled and browned again. Place on a crumb or something that can be removed after the chicks have eaten all they want for five minutes. Food should never be left on the ground for it will be tainted and cause bowel trouble. During the same time let them have plenty of skimmed milk. Feed them either the cornbread or oatmeal—all they will eat for five minutes at a time five times daily. In from two to three weeks gradually decrease the number of feedings from five to three times. Make two of these scratch feed of two kinds of cracked grain. From four to six weeks gradually reduce the number of feedings from three to two times daily. Let two of these feedings be the scratch feed. But keep the dry mash before them of two parts bran, two parts cornmeal, one part wheat shorts, or ground milo, one-half of high grade sifted meat scraps.

Give chicks plenty of sour milk, fresh water, chick size grit, charcoal and plenty of green food.

4. Sanitation:

The house should be cleaned every day. Drinking and feeding devices should be washed with soap and water, and disinfected with a 5 per cent solution of carbolic acid or any other good disinfectant. The houses should be disinfected with a 50 per cent cresote dip at least every two weeks. Always disinfect outside as well as the inside. Thorough cleaning and proper disinfecting will prevent 90 per cent of the poultry diseases of growing chicks.

Insects will not develop if their breeding places are continuously destroyed and disinfected.

ANNOUNCEMENT: The subject for February is Gardening. If you do not belong to some Home Demonstration Club, join now and receive the benefit of the entire year's work. The program of work this year is very interesting and educational.

Plant a tree.

A SPLENDID FEELING

That tired, half-sick, discouraged feeling caused by a torpid liver and constipated bowels can be gotten rid of with surprising promptness by using **Herbine**. You feel its beneficial effect with the first dose as its purifying and regulating effect is thorough and complete. It not only drives out bile and impurities but it imparts a splendid feeling of exhilaration, strength, vim, and buoyancy of spirits. Price 75c. Sold by

NOTICE OF TRUSTEE'S SALE

THE STATE OF TEXAS
COUNTY OF LYNN

WHEREAS, by virtue of authority vested in me, as trustee, named and appointed in a certain deed of trust recorded in volume 13, on page 100, deed of trust records of Lynn County, Texas, executed and delivered to me on the 9th day of June, 1926, for better securing the payment of one certain promissory note for \$45.00, more fully described in said deed of trust, executed by J. C. Welch, payable to the order of R. R. Karr, at Tahoka, Texas, due in sixty installments of \$75.00 each, the first installment due and payable July 1, 1926, and the remaining installments on the 1st day of each and every month thereafter to and including the 1st day of June, 1931, bearing interest from date until paid at 8 per cent per annum, interest payable monthly as it accrues, providing failure to pay any of said installments as the same shall become due shall at the election of the holder of said note, mature the same in the same manner as if the full time provided in said notes had expired, and also providing for the payment of 10 per cent additional on the amount of principal and interest then due as attorney's fees, if placed in the hands of an attorney for collection, said note being given in part payment for all of the North Twenty (20) feet of Lot No. eleven (11) in block twenty two (22) of the original town of Tahoka, Lynn County, Texas.

And, whereas, the said R. R. Karr is the holder and owner of said note and the said J. C. Welch has made default in the payment of said note, which now bears credits for sixteen payments, default having been made in fourteen monthly payments, and the said R. R. Karr has exercised his option to declare all of said note due and so notified the said J. C. Welch, and default having been made on the payment of said note as aforesaid, and the same now being past due and unpaid, principal, interest and attorney's fees, and notice in writing having been given the said J. C. Welch, and whereas the amount now due and payable including principal, interest, and attorney's fees is approximately \$4,210.00

And, whereas, I have been requested by the said R. R. Karr to enforce said trust, I will offer for sale between the legal hours thereof, to-wit: Between the hours of 10 o'clock a. m. and 4 o'clock p. m. at

public auction to the highest bidder, on the first Tuesday in March, being March 5th, A. D. 1929, at the courthouse door in the town of Tahoka, in Lynn County, Texas, the following described property to-wit: All of the North Twenty feet of Lot 11 in Block 22 in the original town of Tahoka, Lynn County, Texas, with all the rights, members and appurtenances thereto in anywise belonging.

Witness my hand this 30th day of January A. D. 1929.
W. C. WELLS, Trustee.

T-Bar

The people are almost over the flu but we have two cases of measles at present. Miss Olga McCarley and her little sister, Beney has them but we hope they will soon be back in school. They are missed by all the school children and teachers.

T-Bar girls played a few games of basketball last week and did not lose a game. So far we have the best team in the county.

The program which the children put over was fine. There sure was some good music and singing from Randal out that night and we hope they will come back and bring more good music pieces with them. There were short plays and readings, and the Spanish class song, one song in Spanish.

Mr. Charley Henderson returned home from Red Barn, Texas where he has been to see his children.

Bro. Shermake came over Sunday evening and preached a real good sermon and brought several real good singers with him. We are glad to have visitors and invite them to come back again to sing with us. Sunday is the Methodist preacher's day and let's all come and make a good crowd, and have good singing before time for the sermon.

Mr. and Mrs. McMillan and little daughter went to Slaton Sunday to visit their daughter, Mrs. Willie Mae Childress. —Blue Bonnet.

TEE BAR WINS SERIES OF BASKETBALL GAMES

The Tee Bar girls basketball team won a number of games in succession played last week. This is reported to be one of the very best girls teams in the county.

The report of the games as given below was furnished us by Prof. Thorpe principal of the Tee Bar school.

"February 12 the Tee Bar girls defeated another victory to their good record by defeating the Tahoka high girls to the tune of 24-17. Lucile Townsend of Tee Bar was high point player with 14 counts to her credit.

"February 13 the Tee Bar girls ball club took the second game of the week by defeating Wells girl. The game was fast and well played by both teams. The Tee Bar girls took the lead early in the game and held it to the end. When the final whistle blew the score was 16-5 for the Tee Bar club. This leaves the club still looking at 100 per cent. Lucile Townsend of Tee Bar was high point player with 15 counts.

"February 14 the Tee Bar girls took the third game of the week by defeating New Moore to the count of 37 to 1. The Tee Bar second string played a large part of the game. Lucile Townsend was high point player with 18 counts. Mildred Crews was second with 13 counts."

"February 13 the Tee Bar girls ball club took the second game of the week by defeating Wells girl. The game was fast and well played by both teams. The Tee Bar girls took the lead early in the game and held it to the end. When the final whistle blew the score was 16-5 for the Tee Bar club. This leaves the club still looking at 100 per cent. Lucile Townsend of Tee Bar was high point player with 15 counts.

"February 14 the Tee Bar girls took the third game of the week by defeating New Moore to the count of 37 to 1. The Tee Bar second string played a large part of the game. Lucile Townsend was high point player with 18 counts. Mildred Crews was second with 13 counts."

T-BAR GIRLS CLUB REPORTS

The 4-H club of T-Bar met at the school house Monday, February 18. Miss Greenwade, the Home Demonstration agent met with us. Eight members were present and five new members were added to the club. The girls are progressing nicely on this year's work. The following is the report for the club:

- Chicken coops completed, 2.
- Butterboxes, 1.
- Hens set, 1.
- Chickens hatched, 12.
- Aprons finished, 2.
- Chicks ordered, 100.
- Dresses finished, 2.
- Underwear started, 2.

The club has elected Mrs. J. B. Vickery as our sponsor and we are sure she will be very good.

Club songs were sung and club adjourned until next meeting.

Better Than Whiskey for Colds and Flu

To cut short a cold, cough or the flu and prevent complications, nothing gives such quick and delightful relief as Aspirinol, the new, scientific "Liquid Cold Remedy" that melts the head, relieves congestion in the nose and throat, checks the excessive flow of mucus, banishes dull headaches and that chilly, aching feeling.

Aspirinol is a complete Liquid Cold Remedy, acting gently on the liver and bowels, and your druggist is authorized to refund your money while you wait at the counter if you do not feel relief coming in two minutes. Aspirinol is sold by all druggists. Price 6c.

MISSIONARY PROGRAM BY THE W. M. S.

A Missionary program on "Where Races Meet" was heard Monday afternoon when the Baptist W. M. S. met at the church. Mrs. Walker was leader of the devotional service and talks on the program subject were made by Mmes. Shepherd, Johnson, Fortenberry and Nevill. Mrs. Allen Lubbock was a visitor. We were ways glad to have visitors.
