

The Lynn County News

Lynn county, in the heart of the best diversified farming country in Texas.

We invite you to locate in beautiful Tahoka. Good homes, good schools, good churches.

Volume XXV.

Tahoka, Lynn County, Texas, Thursday, April 11th, 1929

Number 33

BETTER HOMES WEEK APR. 16-20

County Demonstration Club to Present Programs at Local American Legion Hall

The program will begin at 3:00 o'clock each afternoon at the American Legion Hall at Tahoka. The Home Demonstration clubs of the county are divided up according to the Commissioner's precincts. Each of the precincts will have charge of the program on that particular afternoon.

Program by Precinct No. Four, Tuesday, April 16
Music—Donkey Quartette.

Talk—Foods—Dean Margaret W. Weeks, Texas Technological College, Lubbock, Texas.

Program by Precinct No. Three, Wednesday, April 17
Music.

Gardening—Miss Maxwell, County Home Demonstration Agent, Post, Texas.

Poultry—Mr. Taylor White, Vocational Agriculture, Tahoka, Texas.

Reading.
Visit to the Hatchery.

Program by Precinct No. One, Thursday, April 18
Reading—Obers Forrester.

Music—Quartette.

Household Linens—Miss Helen Swift, District Home Demonstration Agent, College Station, Texas.

Program by Precinct No. Two, Friday, April 19
Reading—Miss Peabody, Boston, Mass.

Yard Beautification and What to Plant—Supt. D. L. Jones, Experiment Station, Lubbock, Texas.

On Friday night the 4-H Club girls of the county will be hostesses to the business men of the towns of Tahoka, Wilson and O'Donnell. A program will be rendered and refreshments will be served. Every business man is invited.

Program by Phebe K. Warner Club Saturday, April 20

Lecture—"Character Building in the Home"—Rev. Breedlove.

Violin Solo—Miss Lucille Slaton.

Reading—Miss Jaurine Edwards.

Music—Wells Edwards Orchestra, Directed by Mrs. M. O. Bridges.

Lecture—Elder Kercheville.

Songs—High School Glee Club, Directed by Supt. Baze and Mrs. Jack Jackson.

Reading—Miss Virginia Sanford.

Big Increase In Scholastics Here

There has been an enormous increase in the number of scholastics in the Tahoka Independent School district since March, 1928, according to the census returns made by J. S. Weatherford, the census trustee for the district.

The enumeration made by Mr. Weatherford shows that the number of scholastics in the district in March this year, was 706 while the census of March, 1928, showed only 604. This is an increase of 102, or more than 16 per cent.

SCHOOL BOARD ELECTS FIVE TEACHERS FOR YEAR 1929-30

At a meeting of the school board Tuesday night a number of teachers were elected for the next school year.

Prof. Taylor White was again elected as vocational agriculture teacher by unanimous vote of the board. The board did not take action on this position when other teachers were elected a month ago on account of some uncertainty at that time as to the amount of funds that would be furnished by the State and Federal governments for this work. While it now seems certain that not as much money will be furnished from this source either this year or next year, it was the opinion of the board that this should not be dispensed with in any event and therefore took definite action in the matter Tuesday night.

Miss Irene Armes, teacher of English in the High School, was also re-elected.

Miss Jennie Sargent, who has been teaching the past two years at O'Donnell, was elected as one of the school teachers for the ensuing year.

Prof. and Mrs. Allen of Crosbyton were also elected to positions in the

County Joins in White Way Program

At a meeting of the commissioner's court Monday, this body decided to pay for twelve lights to be placed at the curb around the court yard. The Texas Utilities will install the standards without cost to the county, the county being obligated only to pay for the lights.

The installation of the fifty-two standards and the connections in the city, we understand, will represent an expenditure of approximately \$5,000 on the part of the Utilities Company.

SUB-STATION FOR NEW HOME

New Post Office at New Home Will Greatly Improve Service in Northwest Part of County

Through the efforts of Postmaster Don A. Parkhurst, a rural sub-station of the Tahoka post office has been granted New Home, the service to begin on July 1. Jim Izzard, who operates a store at New Home, will be the Post Master in charge. This sub-station will give the people of New Home practically the same service that is given at any regular post office. Mail that comes in'o Tahoka on the early morning train from Slaton and mail that comes in the early morning from Post by the bus line addressed to New Home, will be sent out to New Home from the Post Office here almost immediately. Regular money order service will be given at New Home also.

In speaking of this achievement on the part of Mr. Parkhurst, Mr. Reed of the local post office force, stated that when this service is started Tahoka will probably be the only post office in Texas with two rural sub-stations. There are only one or two other post offices in the state that have even one rural sub-station. But Tahoka already has one at Draw, granted more than a year ago, and now she is to have a second one. Mr. Parkhurst is to be commended for the good things he is accomplishing for the people of Tahoka and outlying districts.

Shook to Build New Tourist Park

Chas. F. Shook has let the contract for a new tourist camp to be constructed on the lots situated on Main Street just north of the St. Clair Hotel. It will be of frame and stucco construction and will be thoroughly equipped with all modern camp conveniences. Work will probably begin next Monday. The sand to be used in the construction is already on the ground.

W. M. S. TO HEAR DISCUSSION OF PHILIPPINES

The W. M. S. announces that an interesting talk on the Negroes of the Philippine Island will be given at the meeting of the Society to be held at the Methodist Church next Monday afternoon. You are invited.

SHOW METHODS OF TERRACING

West Texas Chamber of Commerce Officials Conduct Demonstration School Near Tahoka

In spite of high winds prevailing Wednesday, more than 50 Lynn county farmers attended the terracing demonstration conducted by B. M. Whitaker, agricultural manager of the West Texas Chamber of Commerce, and Ray E. Shaver, county agricultural agent. Another demonstration was scheduled to be held Thursday on the R. W. Evans farm, north of Tahoka. The terracing school was sponsored by the Tahoka Chamber of Commerce.

Benefits of terraced land was explained to the farmers attending the school by the two agricultural workers. Whitaker stated that land prepared to prevent erosion often yielded a much larger crop than land not prepared in a scientific method. "Moisture in this section of the state is one of the most vital factors, in farming, and through terracing this element is conserved," he said.

A. R. McGonagill, Lynn County farmer, assisted in the demonstration. McGonagill stated that he had learned the value of terracing land through experience. "Last year" he said, "fields on my place that were terraced yielded double the amount of cotton that was often produced on the same land, while fields not terraced did not produce enough cotton to pay taxes." McGonagill raised 108 bales of cotton on 225 acres of terraced land, while only nine bales were gathered on 425 acres in unterraced fields.

Sandwiches and coffee were served the farmers at noon Wednesday through the courtesy of the local chamber of commerce. C. C. Williams, local secretary stated that other demonstrations would likely be held over the county during the year.

Announce Program For Gordon Meeting

Mr. M. L. H. Baze, Chairman of the Rural Community Work Committee has a community program planned for Friday night, April 12th, at the Gordon School House. If the greatest results are to be obtained from these community Good-Will meetings it is necessary that you attend each of them and make it a point to mix with the people of the community just as much as possible while you are there.

Will you attend the meeting Friday night? This is a Community enterprise for the purpose of building Good-Will and to induce more trade from the Gordon Community to come to Tahoka. Your presence is necessary and without it the meeting will not be what it should be.

It will be necessary to leave the court house lawn by 7:30 o'clock. So be sure and gather with the crowd along the Court House lawn not later than 7:30 o'clock and go out and work for Tahoka.

Program

Mr. Taylor White, Chairman, opens program with short talk.

Cowboy Song—By Clifton Janak. Fire Building Without Matches—By a Boy Scout.

The County Fair—By Truett Smith Chamber of Commerce—How it Can Serve you—By C. C. Williams.

This undertaking demands that you do your part and without you do that it will not be a success. Be lined up at the curb of the court house at 7:30 o'clock Friday evening.

NEW ROAD IS IN EXCELLENT CONDITION

The new road that has been opened to Slaton is in excellent shape since the rain last week. Not only is Slaton but to Tahoka. In fact this is the best road that we have ever had to Tahoka. It looks like a state highway. Congratulations are in order on this piece of work.

With the amount of roads that each Commissioner has to look after, two sets of road machinery is not enough. Each Commissioner needs a complete outfit, then we would have better roads.—Wilson Pointer.

Rev. Mathews Gould, aged 93, of Winsford, England, has entered his 71st year as Wesleyan pastor, and takes a bicycle ride daily.

BULLS BOUGHT AT PLAINVIEW

Six Fine Bulls Brought Back to Lynn County Will Improve Local Stock Line

Ray E. Shaver, county farm agent, is greatly pleased that a number of high grade bulls were bought by Lynn county citizens at the Plainview Dairy show, and he has handed us the following communication for publication:

"As a result of our trip to Plainview six registered bull calves and a registered heifer came back to the county to do their part in developing the dairy industry. The champion cow of the 4-H club boys grade cow division also came back as the property of Judge Lockhart.

"One of these calves, a son of Esther Falfurrias Knight, the bull that was Grand Champion Bull of the 1923 Panhandle Dairy Show, and out of that high producing cow Oxford Majestys Rosebud of R. R. was purchased by Mr. Hufface of the Grassland Community and will do a great deal toward increasing the production of Mr. Hufface's and his neighbor's cows. Two more of the calves were bought by Mr. J. E. Morgan, Kilgore Flemming and Mr. Reed with the intention of forming a bull circle with them and one other that is to come down later. These two calves are some of the richest bred calves that are to be found in the state being grand-sons and great grand-sons of those grand old bulls, Combination Premier (sold for \$13,500 when fourteen years old) and Masterman of Oakland (sold for \$25,000 and was several times champion of the Jersey Island). Not a breeder in the state that would not be proud to own them. The exact breeding of the other three calves is not known to me at this time but they will undoubtedly improve the herds of their owners."

Kiwanians Hear Chautauqua Plea

Mrs. W. E. Suddarth made a very earnest plea to the Kiwanis Club Wednesday to support the Chautauqua which is to be held here soon, stressing the advantages of such high class entertainment as the Chautauqua provides. She also favored the club with a vocal solo.

B. M. Whitaker of the West Texas Chamber of Commerce spoke briefly concerning the terracing demonstrations he is directing in this county; stating that these demonstrations were being given for the benefit of the boys rather than the men.

Emmett Fleming appealed to the Kiwanians to assist the American Legion boys in raising the funds to pay the past due indebtedness on the Legion Hall, while G. H. Nelson presented the matter of helping the vocational agriculture boys attend the state contests at College Station.

Large Increase In Post Office Receipts

The steady increase in postal receipts serves as a fair barometer of the growth of the town and of business conditions. There has been a substantial increase in the postal receipts at Tahoka during the first quarter of 1929 over the first quarter of 1928, according to statistics furnished the News by Postmaster, D. A. Parkhurst. The receipts for the quarter ending March 31, 1928, were \$2,629.96, and for the quarter ending March 31, 1929, \$3,284.89, an increase of \$654.43, or approximately 25 per cent in a single year. Of course the town has not grown quite 25 per cent during the past twelve months, but the substantial growth of the town and the improvement in business conditions combined accounts for the large increase in the postal receipts.

COMPLETE ORGANIZATION FOR CHAUTAUQUA TO BE HELD HERE

The members of the local committee which is sponsoring the return of the Associated Chautauquas to Tahoka this season held their initial meeting last Thursday evening in the county court room and perfected a working organization. Prof. M. L. H. Baze who has been handling the preliminary correspondence, presided over the regular order of business which included the election of officers and the appointment of committees, as follows: President, G. H. Nelson; secretary, C. C. Williams; treasurer, R. P. Weathers; Chairman of Committees, respectively: Publicity, C. C. Williams; tickets, Mrs. R. D. Suddarth; decorating, Prof. M. L. H. Baze; grounds, Jack Alley.

There was a spirit evident in the meeting which augurs well for the success, from a local viewpoint, of a play by same author of last year's program gave eminent satisfaction and this year promises to be just as good or better. The Chautauqua will open on the night of April 27th with a play by the same author as last year's "Applesauce" which was so much enjoyed. On the succeeding days two well-known lecturers, one a lady, will

Will Send Judging Team to A. & M.

The Chamber of Commerce and the Kiwanis Club are co-operating in a plan to send Tahoka's winning team in the vocational agriculture contests held in Lubbock Monday and other members of the vocational Agriculture Class to the state meet at the A. & M. College on April 22nd. The Chamber of Commerce has appropriated \$75.00 from its treasury and the Kiwanis Club has a committee raising \$75.00 more to defray the expenses of the trip.

TAHOKA WINS TECH CONTEST

Stock Judging Team Gains Right to Enter State Finals at A. & M. College

In the inter-scholastic vocational agriculture judging contests held at the Texas Tech in Lubbock Monday, the Tahoka team won one of the silver loving cups offered by the Lubbock Chamber of Commerce and certain business concerns in Lubbock. Not only did the Tahoka team as a whole make the highest score in this contest, but Frank Willingham of the Tahoka team was the high point man among all those competing in this contest.

The winning team is composed of Amel Willingham, Frank Willingham, and Boswell Edwards. The picture of the team was taken and we hope to be able to print it in this paper at an early date.

The Tahoka teams entering the other contests all made good showings, and these boys together with their teacher, Prof. Taylor White, are to be congratulated upon the fine work they have been doing.

The story as published in the Lubbock Journal of Tuesday follows: In competition with teams from more than a score of towns of the Panhandle and South Plains, McLean, Tahoka, Silverton and Floyd, carried off the honors in the fourth annual vocational agriculture

CROWD VISITS DAIRY EXHIBITS

Plainview, Visit Arouses Farmers' Interest in Better Dairy Stock for County

Friday seemed to be Lynn county day at the Dairy Show held last week at Plainview. Lynn county citizens wore a ribbon indicating the fact that they were from Lynn county, and those white ribbons were in evidence everywhere. But we will have to confess that Lynn County brought back no blue ribbons as evidence of winning animals in the big show. In fact, there were very few entries of stock in the show from this county.

While Lynn county people brought back no blue ribbons, they did, however, bring back some registered stock. As many as five or six fine registered bulls were purchased by citizens of Lynn County, which is convincing evidence that Lynn county people are becoming interested in the dairying business and are determined to improve the grade and the number of dairy cattle in the county.

It is needless to say that there were some beautiful animals on exhibition at Plainview—Jerseys, Guernseys, Holsteins, and other breeds. Hale, Swisher and Potter counties took the lion's share of the prizes. The Texas Tech was also a heavy winner or prizes, especially in the Holstein class. Other North Panhandle counties also had some fine stock in the show and won a few prizes. Mr. Hester of O'Donnell had some nice Jerseys in the show, the only exhibitor from Lynn county so far, as we were able to learn.

Lynn County will doubtless have more entries in this show next year. The Lynn county delegation to the show was headed by C. C. Williams, Secretary of the Chamber of Commerce and Ray Shaver, county farm agent.

NEW LYNN H. D. CLUB REPORTS
The New Lynn Women's H. D. Club met at the school house Tuesday, April 2. The program, "Interesting Facts about Lynn County" was very interesting.

The following members were present: Mmes. Bowen, Terry, Price, Barton and Higginbotham.

The next meeting will be with Mrs. Winkler, April 16th.—Reporter.

Revival In Progress At Baptist Church

Fairly good crowds are attending the services being conducted by the pastor at the Baptist Church. Brother Shepherd is said to be preaching as he never preached before, bringing some wonderful messages, and the singing under the direction of Dock Redmond is fine.

There have been several accessions to the church thus far. The services will probably come to a close Sunday night. You are invited to attend each and every service.

Electric Iron Sets House On Fire

An electric iron came very near causing serious trouble down at the Buster Fenton home Monday evening. Mr. and Mrs. Fenton had left the house and Mrs. Fenton had forgotten to turn off the current that heated an electric iron used in one of her rooms. Consequently the iron soon got busy. It burned a hole through the ironing board, fell down upon the floor and set it afire, from which the bed clothing ignited. One of the neighbors soon discovered the smoke and turned in the alarm. The first boys got in action in time to extinguish the fire before great damage was done. Buster says he is much obliged to the boys for their fine work.

SLAT'S DIARY

Friday—Ma was a giving me the dickens this evening on acct. I was herling a few bricks at Hunny Boy Morgan. She said it was a coward act to do like that. I gess she had forgot that she told me to stay a way from him while he had the hoop coff. If it hadent of ben fer that I wood a clumb his jugly frame in a holy recent.

Saturday — Pa was a dressing to go to Lodge tonite and he had to hunt for about a 1/2 a hour for his color buten and then when he went and swallered it hole. He was kinda board but Ant Emmy sed to him. Well, enny ways you no where it is how enny ways dont you. But he diddnt make no reply to her.

Sunday—Pa and me tuk a long walk out in the country this P. M. and we seen sum fellas a shooting Craps and when we returned back home and told Ant Emmy about it she sed it was a dirty shame and when we seen enny buddy shooting them little things why we shud of called a game warden or something.

Monday—Ma was a writing a letter, and she ast me to run over and ast James Ma if she had any stamps so I went over and Jane cum to the door and she ast what did I want and I sed Did she hav enny 2c stamps and she grined like a silly thing and that I was a playing Post office. The way she acted, gosh I hate girls.

Tuesday—My cuzzen Clarents, was here at our house today and he sed he hed some offle bad luck during the past yr. becuz a man over in the next county had Swindled him out of several 1000 \$. Ant Emmy sed Why how did he swindle you out of that much money and Clarents replied and sed. Well he kept on continuing to refuse to let me marry his dotter, thats how it was.

Wednesday—Ma is all pepped up over the new Literary Soesety she has went and joined. She went to the last

meeting this afternoon and she won the first prize. She sed she hed sum bum partners but she manniged to make three grand slams enny ways.

Thursday—They was a yung man white's name I won't even rite down here. he cum to see pa las nite and wanted to borrow twenty 5 \$ so he cud get marriedy tomorro. Ma thot it was terrible that a yung man with enny self rispeck wood borry munny to get marriedy on. Pa smiled and sed. Well, I gess it werent so terrible after awl. I doant no fer sertain but have a huntsch that pa was wot you would call ad a mant to the skeam.

WHEN THE PAPER DOESN'T COME

My father says the paper that he reads ain't put out right. He finds a lot of fault, he does, pe-rusin' it at night. He says there ain't a single thing in it worth while to read, And that it doesn't print the kind of stuff that people need. He tosses it aside and says it's strictly on the bum—

But you ought to hear him holler when the paper doesn't come.

He reads about the weddings and he snorts like all git out, He reads the social doin's with the most derisive shout. He says they make the paper for the women folks alone.

He'll read about the parties and he'll fume and fret and groan; He says of information it doesn't have a crumb—

But you ought to hear him holler when the paper doesn't come.

He's always first to grab it, and he reads it plumb clear through; He doesn't miss a want-ad or an item—that is true. He says they don't know what we want—"the blame newspaper guys" I'm going to take a day off sometime and go down and put 'em wise. Sometimes it seems as tho' they must be deaf and blind and dumb—

But you ought to hear him holler when the paper doesn't come.

WARNS AGAINST INSUFFICIENT POSTAGE

This is to correct an apparent misunderstanding by some in regard to sending of first class mail with insufficient postage.

Postal laws and regulations very definitely say that all mail must be fully prepaid.

This rule is being confused by insurance agents and abstract men and others whose letters usually weigh more than one ounce with the provision that when first class mail is inadvertently mailed with insufficient postage it may be sent on, postage collect.

Now the thing that this notice is for is to stop the practice of mailing letters weighing from 2 to 10 ounces and even more with a 2 cent stamp. Such practice is a violation both of the spirit and the letter of the law and will not be continued at this office. I have had splendid co-operation by my patrons and I am sure this matter need not be mentioned again. Yours for efficient postal service, D. A. PARKHURST, P. M.

Those who attended the Dairy Show at Plainview last week can verify what we say when we state that our former fellow-townsmen, Monte Bowron, was having a bushel of fun. Of course he had a booth in the main building displaying his Delco Light machinery, and to attract attention he had devised a magic fountain apparently hidden away in an ordinary hydrant suspended by wires in the air. So far as the naked eye could perceive there was no way for the water to get into the hydrant but a beautiful stream of sparkling water was flowing from it. Monte was whiling as much fun as a small boy with a sack of cats, watching the mystified people try to unravel the mystery. It was easy to see through when once explained. Monte was declaring to everybody that this was a Lynn County product, at least when he thought a Lynn county man was in hearing distance.

Charles Miller, publicity director of the West Texas Chamber of Commerce, was here Wednesday and in a talk at the Kiwanis luncheon he stated that he had recently visited many towns on the plains and he believed Tahoka was the most beautiful of them all. Tahoka should appreciate the compliment but we must remove some of the trash and refuse from our vacant lots and alleys before the district meeting of the W. T. C. C. here on April 24th.

NOTICE OF APPOINTMENT OF ADMINISTRATOR

THE STATE OF TEXAS, COUNTY OF LYNN.

To the Sheriff or any Constable of Lynn County—Greeting:

You are hereby commanded to cause to be published once a week, for ten days, exclusive of the first day of publication, before the return day hereof, in some newspaper of general circulation published in said county, which has been continuously and regularly published in said county for a period of not less than one year; the following notice:

THE STATE OF TEXAS, COUNTY OF LYNN.

To all persons interested in the welfare of the Estate of C. B. Gregg, deceased:

You are hereby notified that J. M. Inklebarger has filed in the county court of Lynn County, Texas, an application for letters of temporary administration upon the estate of C. B. Gregg, deceased, and on the 3rd of April A. D. 1929, by order of the county judge of Lynn County, the said J. M. Inklebarger was appointed temporary administrator of the Estate of the said C. B. Gregg, deceased, and at the next regular term of said court commencing on the 22nd day of April, same being on the fourth Monday in April A. D. 1929 at the court house thereof in Tahoka, Texas, at which time, all persons interested in the welfare of said Estate are hereby cited to appear and contest such appointment if they so desire, and if such appointment is not contested at said term of said court, then the same shall become permanent.

Can't Talk To Wife, Too Cross, Nervous

"Even my husband couldn't talk to me, I was so cross and nervous. Vinol has made me a different and happy woman."—Mrs. N. McCall. Vinol is a compound of iron, phosphates, cod liver peptide, etc. The very FIRST bottle makes you sleep better and has a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious.—Thomas Bros. Drug Co.

AMPLE ROOM FOR ADJUSTING QUALITY OF COTTON UPWARD

There is ample room for adjusting the grade and staple quality of the supply of American cotton upward to meet the requirements of our American mills.

This fact is strongly indicated by results secured by the Division of Cotton Marketing of the United States Department of Agriculture in its study of cotton utilization and grade and staple estimates, according to Dr. B. Youngblood, senior agricultural economist of the Bureau of Agricultural Economics.

Doctor Youngblood presents his data as preliminary and subject to verification, but offers them "as suggestive of the type of data needed in order to take stock of the quality of supply and consumption and in order to determine rather definitely the possibility for improving the American cotton crop to meet the requirements of American mills."

Grade Declines
A summary of his findings shows that during the past 125 years, the American cotton crop has apparently declined in grade, if not in staple length.

The antiquated system of buying in the local markets on the basis of average values lends no incentive to the grower to plant varieties producing lots of superior spinning utility.

Buyers pay for the cotton which they consume on the basis of its spinning utility. The higher the grade, the longer, stronger and more uniform the staple, and the better the character of the staple, the more they pay for it.

The grades of cotton produced averaged about the same for the Georgia and Texas-Oklahoma areas. The principal differences tended to offset each other.

The Texas-Oklahoma area produced more 1 1/8 inch cotton, less 7/8 inch and under, and more 1 inch and longer,

than Georgia. Apparently both areas could materially improve the quality of their cotton and thus improve their gross income without increasing yields.

Because of the large amount of cotton 1 1/8 inch and under produced in the Texas-Oklahoma area, only \$1.97 per cent of its cotton was tenderable on Section 5 Future Contracts, whereas in Georgia the per cent of tenderable cotton amounted to 97.65 per cent.

Georgia, the only State in which a comparison could be made of production and consumption by grades and staples, produced more 7/8 inch cotton and under and less 1 1/8 inch cotton and above than her mills consumed, with the result that her mills had to go out of the State for at least 57.26 per cent of the cotton consumed by them.

Typical Areas
In both the Georgia and Texas-Oklahoma areas the production of grades and staples is not in proportion to their consumption by American mills.

If these two areas are typical of a large part of the Cotton Belt, there is considerable opportunity for adjusting the quality of the American cotton crop upward to meet the existing requirements of American mills.

It will be noted that the grade and staple estimates enable one to check up on the quality of both the supply and the consumption. They also tend to verify the reputation of the local markets with respect to the grade, staple length and spinning utility of the cottons grown and marketed in them.

There is a maxim of an old agricultural organization to the effect that "the best in kind and quality cannot become too abundant." For the present, at least, this seems to be quite true of cotton.

Says Soybeans Generally Too Valuable to Plow Under

The fertilizing value of a crop of soybeans compares very favorably with that of other legumes commonly grown for green manure. In general, however, it is hardly practicable to grow soybeans for a green manure crop. The crop is too valuable to plow under for soil improvement except under certain conditions. The soybean may, however, follow wheat and make sufficient growth to add considerable organic matter to the soil, according to W. J. Morse, Bureau of Plant Industry, United States Department of Agriculture.

A rich crop like the soybean, even if well inoculated, to remove a large per cent of it as hay or seed and still improve the soil. However, in many sections of certain types of soil, especially sandy soils in the South, increased yields of cotton and rice, have resulted with the removal of the soybean crop either as hay or seed. On other types of soil, however, results have been different. In some states much complaint has followed relative to decreased wheat yields following the addition of fertilizers to the wheat crop following soybeans has brought increased yields.

ent. Herein fall not, but have you then and there before said court on the said first day of the next term thereof, this writ with your return showing how you have executed the same.

Given under my hand and seal of said court, at office in Tahoka, Texas, this 6th day of April A. D. 1929.
TRUETT SMITH, Clerk.
County Court, Lynn County, Texas

I hereby certify that the above and foregoing is a true and correct copy of the original writ now in my hands.
S. W. SANFORD
Sheriff, Lynn County, Texas.

Tahoka business men are urged to attend the community meeting at Gordon Friday night The Gordon folks are expects you.

3 Glasses Water For Constipation

One glass of water is not enough—take three glasses one hour before breakfast. Much better results are obtained by adding a teaspoonful of simple glycerine, saline compound (known as Adlerika) to each glass. Adlerika acts on BOTH upper and lower bowel and removes old waste matter you never thought was in your system. Stops gas and sour stomach in TEN minutes! Relieves constipation in two hours—Thomas Bros Drug Co.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the
reputation or standing of any indi-
vidual, firm or corporation, that may
appear in the columns of the News,
will be gladly corrected when called
to our attention.

All right-thinking people, who are
loyal, disinterested and desire the cur-
rently troubled condition by peace officers
in Warren, Illinois, a couple of weeks
ago when they raided the home of an
alleged boot-legger, arrested him
down, crushing his skull, when he
showed resistance, and then shot the
wife and mother in the home when
she apparently reached for the dy-
ing man's gun. All good people too
admire the loyalty and the "ness"
of the little son of the slain parents
who then stood a gun and wounded
one of the assaulting officers. The
act of these assaulting officers was
so unjust and apparently so un-
founded as to call forth the condemnation
of the nation. The lesson we should
get from this is that it is always dan-
gerous to act or appoint as peace
officers, uneducated, untrained, or un-
derstanding men. Builders of this
land require the services of peace offi-
cers, suitable, consistent, fair, men
who not only obey the laws themselves
but who have a proper regard for the
rights of others, even if those
rights are against the law.

We believe that Governor Moody
deserves a salute to his party and
to his state when he voted the
Witte "Anti-Booze" bill. This measure,
which might have been introduced
under other circumstances,
was conceived in an honest and
righteous spirit. No law has been
enacted in this state since the
spirit of vengeance and terrorism
was so rampant in the same spirit
should have a place in our statute
books. If Governor Moody had
approved the Witte bill he would have
opened a veritable political Pandora's
box. There is no doubt.

The News is not opposed to sending
favors to such to the legislature. In
fact, we believe that we need them
more. With lawyers of high charac-
ter, clean in their lives, progressive
in their thinking, patriotic in their
purpose, can render great service to
our law-making bodies. But we do
not need in the legislature that class
of lawyers who merely have some
personal axe to grind, who would op-
pose every sound reform measure,
every moral reform, every progress-
ive movement for the welfare of the
people as opposed to the interests of
the favor-seeking corporations. The
lawyer who represents "Big Busi-
ness" in the legislature and finds it
profitable to do so, and the lawyer
who represents the crooks in the
courts and goes to the legislature to
represent their interests, these
should be studied to stay at home and
alone. We should get "their number"
and see to it that they be kept
from positions of trust and power.

An effort is being made to have
more sidewalks laid in Dabocca. Both
the Chamber of Commerce and the
Citizens Club are back of the move-
ment. The proposals are that many
blocks of sidewalks will be laid this
spring and summer. Every good citi-
zen should encourage the movement.
Concrete sidewalks leading out to the
school buildings and extending over
all the thickly populated portions of
the business section of the city will
not only prove to be a great conveni-
ence but would add much to the ac-
tiveness of Dabocca.

The city boys deserve the fullest
cooperation and support of all our
citizenship. They render a purely
patriotic and unselfish service, and
their such service is not always prop-
erly appreciated. We believe that
Dabocca should express its appreciation
to them in some substantial way.

We need more safety outfits in Dabocca.
They are not only a great safety
device and replace them with regu-
larly or irregularly. There is no
doubt that a little more to be
done to make them more effective.
There is no doubt that a little more
to be done to make them more effective.

The News wishes the new city ad-
ministration well. Every good citi-
zen of Dabocca should co-operate to
the fullest extent in every effort
made by the mayor and the city
council to make our city government
more efficient and successful as a pos-
sibility. We are hoping for Dabocca
a time of peace, growth and prosperity.

The retiring mayor of Dabocca, who
has served the city for many years,
has accomplished much for the town.
He has been the subject of some se-
vere criticism and has doubtless made
some mistakes, but regardless of the
mistakes, if any, that have been
made, we believe that the people of
Dabocca appreciate the service that
he has rendered. Dabocca has made
wonderful progress since he first be-
came mayor, and we believe that he
has been a vital factor in its growth.
Whether we approve everything that
he has done or not, let's give him
credit for the really substantial ser-
vice that he has rendered.

**WHAT OTHERS
THINK**

Governor Moody has vetoed the
Witte bill, as we expected, and the
News is of the opinion that now are
under no great obligation to the gov-
ernor for his wisdom as Senator
Witte and those who engineered the
bill through the Senate and house.
The governor says he vetoed the bill
in order to minimize the bitterness
and rift among Texas Democrats.
That he signed the bill or allowed it
to become a law without his signature
the rift would have been permanent
and the bitterness would have been
intensified. Texas needs no factions
and the best way to avoid factional-
ism is to refuse to do those things
which seek to force people to do
something against their will and con-
science. Governor Moody has done
Texas and the Democratic party a
real service, worthy of the applause
of well-balanced citizens of all shades
of beliefs.—(Harrison News)

Perhaps attempts have been made
to hamper legislative machinery, we
are not so confident. However, we
do know that for the past several
years attempts have been made to re-
form our procedure, and most of the
attempts approved by leading
lawyers, have failed in legislative
halls. The legislature are composed
very largely of lawyers. Many of
those in the legislative bodies are
either young lawyers, and are en-
deavoring to make any
changes in legislative machinery, or
in our reform which might be pro-
posed for the purpose of speeding up
legislative action. Since the courts
and legislature are dominated by law-
yers, there is little chance for reforms
which would speed up action in legis-
lative halls.—(Dale Warren's
Representative in 41st Legislature, in
Garrison News)

The Herald believes the governor
did a wise thing in vetoing the Witte
bill, which if it should have become a
law would have, in effect, barred all
others who did not support the party
candidate in the recent election. So
far as the writer is concerned it mat-
ters little to him if he is barred
so long as the party is controlled by
men who let their hats for those who
do not agree with their views. We
know, however, that they may have
greater weight than their hats for
the country.—(Harrison Herald)

At the annual meeting of the Re-
gional Merchants Association held in
Dabocca last week, the secretary re-
ported that one of the biggest adver-
tising schemes, presented by revealing
plans, it had been stopped, as an
industry saving of nearly \$25,000 to
the business men of that city. That
was excellent service—more than
paying for the expense of the organ-
ization this year.—(Harrison Herald)

Gov. Dan Moody's veto of the so-
called "Witte" bill, serving notice on
the national leaders that the desires
of Texas Democrats must be consid-
ered in the future in the formulation
of platforms and the selection of
candidates. The President-elect
and the voters of the State will
undoubtedly be interested in the
progress.—(Harrison News)

It is to be hoped that the Texas
Democrats will be allowed to partici-
pate in the Democratic primaries in
the near future, as Gov. Moody's
veto of the "Witte" bill the other day
has been so readily accepted by Demo-
crats, they may not want to partici-
pate.—(Harrison News)

MEMORANDUM SERVICES
Services as the President's
Chamberlain, and night watch-
man. After this month we will
go back to our old store, First Street,
Dabocca, Texas.

Rev. C. B. Barton of Clovis is
expected to lead the song service
at a good time, a good place, among
lots of good folks—why not have a
good meeting at this time? We have
been announcing these special ser-
vices about two months so there
could be no conflicting, any way,
with any other meeting. And we
would enjoy having you in our ser-
vices all through these special ser-
vices.
Practicing services next Sunday
morning and night, Rev. W. K. John-
ston preaching. You are invited.
The Women's Presbytery meets
at Midland, April 10. Our local
Auxiliary, after doing such a fine
years' work at Dabocca, must be re-
presented there. El Paso Presby-
tery meets at El Paso, April 23. Who
will go from Dabocca?
Glad to meet you in both of our
services next Sunday.
W. K. JOHNSTON, Minister.

CHILDREN'S RACIAL DISEASES
Worms and parasites in the intestine
of children undermine health and im-
pair the vitality that they are need-
ing for a serious disease. Says Dr.
J. C. Ray, who lives near here, "I
found Carboli to be of the greatest
benefit to me. I was seriously ill
for about two months, and for sev-
eral months I was not well. My
nervous system all morning. I could
not bear the least noise, and I
could not sleep.
"My head ached until it seemed
as if it would burst. My feet and
hands swelled dreadfully. I felt
tired all the time. When I was up,
I dragged around the house, but
most of the time I stayed in bed.
"I got Carboli and began taking it
regularly. Very soon I could see
that it was helping me. I began to
sleep better and eat more. The
swelling subsided and I felt better.
"When I had finished the first
bottle, I was much better than I
had been for many weeks. I was
so encouraged that I kept on tak-
ing it. After very soon, I was doing
all my household work and was feeling quite
well."
Thousands of other women have
been helped by Carboli after long
suffering from weakness and un-
wellness.—(Harrison News)

Two Different Reasons
for using
CONOCO-ETHYL
BOTH OF THEM GOOD

1 To Save Wear and Tear
With the introduction of Conoco-Ethyl Gasoline into the market, your choice of an oil motor fuel becomes a complicated one. Conoco-Ethyl has the qualities that are essential for the best results in saving wear and tear on your engine. It is the only gasoline that is specially formulated to protect your engine from the harmful effects of carbon deposits. It is the only gasoline that is specially formulated to protect your engine from the harmful effects of carbon deposits. It is the only gasoline that is specially formulated to protect your engine from the harmful effects of carbon deposits.

2 To Gain Best Performance
Conoco-Ethyl Gasoline is the only gasoline that is specially formulated to give you the best performance from your engine. It is the only gasoline that is specially formulated to give you the best performance from your engine. It is the only gasoline that is specially formulated to give you the best performance from your engine.

Locals

John Brewer who recently came to the Edith community is said to be in such serious condition as to render his recovery hopeless. An affection of one of the legs has already eaten the bone in two, and it is feared that he cannot live many days. He and his family consisting of a wife and three children are at the home of Will Holder two miles south of Edith and they are said to be in destitute circumstances. Any aid of any kind that can be rendered will be highly appreciated.

W. A. Hardt and family of South Ward school returned last Friday from Caldwell, Burleson county, to which place they were called by the serious illness of Mr. Hardt's mother. She was not showing any improvement when they were compelled to return home. Mr. Hardt says that after seeing that country again Lynn county looks good to him.

J. K. Applewhite and H. W. Calaway, who retire from the city council upon the installation of the new officers, deserve the gratitude of the people of Tabora for the fidelity with which they have served their city. Big service and little pay is the lot of a faithful alderman.

S. D. McCormack was taken to a sanitarium at Lubbock Wednesday for a physical examination. He has been ill for the past two weeks but the exact nature of his malady seemed to be unknown to the family. It is hoped that he will speedily recover.

J. G. Price and family returned Sunday from Navarro county, where they visited relatives. Mr. Price says corn was up and looking fine, while oats promised to be fine. The people were beginning to plant cotton.

Mr. and Mrs. G. E. Hogan left Sunday for Nashville, Tenn., to spend a few days with Mr. Hogan's mother, who is now getting up in years.

Vernon Massengale, who has been quite sick the past three weeks, is now reported to be somewhat improved.

Misses Evelyn and Bernice Hatchett of Abilene spent the week end here visiting relatives and friends.

Geo. B. Law of Abilene spent several days here with friends this week.

AN EXHILARATING EFFECT
A bottle of Herbine on the shelf at home is like having a doctor in the house all the time. It gives instant relief when the digestion gets out of order or the bowels fail to act. One or two doses is all that is necessary to start things moving and restore that fine feeling of exhilaration and buoyancy of spirits which belongs only to perfect health. Price 60c. Sold by THOMAS BROS. DRUG CO.

R. E. Key was a visitor to Lubbock Tuesday night and by invitation spoke to a group of Sunday School workers in the First Baptist Church.

O. B. West left Tuesday for Colorado Springs, Colo., where he expects to remain five months or longer.

Uris Howard of Crosbyton was a Tabora visitor the first of the week.

At the Election held in O'Donnell on Tuesday of last week, all the city officials were re-elected except the City Marshal. E. M. Wilder was re-elected mayor practically without opposition. W. H. Crunk had no opposition for city attorney, receiving 254 votes. C. L. Davis, R. C. Carroll, and W. E. Singleton were elected aldermen. D. H. McDaniel was elected city marshal over three opponents. The vote in this contest is given by the O'Donnell Index as follows: D. H. McDaniel, 110; J. Y. Everett, the present incumbent, 98; J. H. Yarbrough, 35; C. C. Nelson, 17.

The Methodist Church of O'Donnell is to be enlarged and re-modeled, according to the O'Donnell Index, at an estimated cost of \$3,000.00. Work will begin on May 1.

Telephoning Mrs. R. C. Hebburn of Chicago that her husband had been hurt, a burglar robbed her house when she left for the hospital.

ORDER OF SALE

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lynn County, Texas—Greeting:
Whereas, on the 14th day of March, 1929, S. W. Sanford recovered in the District Court of Lynn County, a judgment against B. H. Robinson for the sum of Seven Hundred and Sixty-five and 91/100 (\$765.91) Dollars with interest thereon from the 14th day of March, 1929, at the rate of 8 per cent per annum and costs of suit; and, whereas, the said judgment is a foreclosure of a vendor's lien on the following described property, to-wit:

All that certain undivided one-half interest in and to all that certain tract or parcel of land containing 70 acres of land in a square shape in the south west corner of survey No. 497, in block No. 1, surveyed by virtue of certificate No. 472 issued to the E. L. & R. R. Co. and said 70 acres being described by metes and bounds as follows, to-wit: Beginning at the southwest corner of this tract and running thence east 628.64 vrs. with the south boundary line of said original survey No. 497 to a point in the south boundary line for the south east corner of this tract; thence north 628.64 vrs. to a point for the north east corner of this tract; thence west 628.64 vrs. to a point in the west boundary line of said original survey No. 497 for the north west corner of this tract; Thence south 628.64 vrs. with the west boundary

line of said survey, to the place of beginning, said land being located in Lynn County, Texas; as said Vendor's lien existed on the 20th day of February, 1929, and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment. And if said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid over to the said B. H. Robinson. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution and such order shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient deed, and place the purchaser of said property in possession thereof within 30 days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above described property, as under execution, and make good and sufficient deed, and place the purchaser of said property in possession thereof within 30 days after day of sale and you apply proceeds thereof to the payment and satisfaction of said sum of \$765.91 together with interest that may be due thereon, and the further costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the defendant B. H. Robinson. But if you fail to find said property, or if the proceeds of said sale be insufficient to satisfy said judgment then you are directed to make the money, or any balance thereof, remaining unpaid, out of any other property of defendant, as in case of ordinary executions.

Herein Fail Not, but due return make hereof within 60 days showing how you have executed the same.

Given under my hand and the seal of the District Court of Lynn County, at my office in Tabora, Texas, this 9th day of April, 1929.

TRUETT SMITH, Clerk.
District Court, Lynn County, Texas.

WAS ALMOST IN DESPAIR

Lubbock Carpenter's Wife in Miserable Health for Over Year, Gains Daily on Orgatone

"I was almost in despair and did not know which way to turn for relief when some friends told me about Orgatone and I honestly believe the medicine has done me more good than anything I have ever tried," said Mrs. C. A. Anderson, wife of a well known carpenter and residing at 1416 eighth st., Lubbock, Texas, while in Bowen's drug store.

"About a year ago" continued Mrs. Anderson, "I started having pains in my back, and this seemed to be the beginning of serious trouble for me. I soon got so I couldn't eat without suffering severe pain in the pit of my stomach. Gas would form causing intense pains in my back, and sometimes I would have awful headaches. I kept getting worse until almost everything disagreed with me and I could not rest at night. I tried everything, but kept going down until it looked like nothing would ever reach my case. I was so nervous and restless I could scarcely sleep at all. I would lay awake half of the night and get up in the morning feeling about half alive.

"A number of my friends advised me to try Orgatone and, oh, I'm so glad now I did, for as I said, it has done me worlds of good. I begin to feel better with my first dose, it seemed to soothe and strengthen my stomach and my appetite has improved until now I can eat just anything other people can. My suffering is all gone and my back don't bother me like it did. My sleep is sound and restful and I wake up in the mornings feeling fine and full of vigor. I can do my housework with ease now and I can't say too much in praise of Orgatone for it's wonderful work in my case.

Genuine Orgatone may be obtained in Tabora at Thomas Bros. Drug Co.

Mrs. Irene Culter of Philadelphia was ordered to pay all costs in her husband's divorce suit.

John Maculey of Dublin willed his \$85,000 estate to his daughter, who disappeared many years ago.

An Airplane Oil For Tractor Use

West Texas (Near Vega) From a Phillips Airplane

A Group of Satisfied Users of Phillips Products

This map shows where Phillips Stations are located

IMAGINE driving your automobile 100 miles an hour for 16 hours without stopping. That's what an airplane engine must do. Only the finest oil can be used or the motor will go to pieces quickly.

The Phillips Petroleum Company uses Phillips tractor oil in their own airplanes which are used by Mr. A. M. Hughes and other company officials. These men have the same confidence in this oil that they want you to have. It's exactly the same oil that is ready for your car or tractor at any Phillips station. It warms up quickly, and fully lubricates in both hot and cold weather.

The picture at the top shows E. H. Simpson, H. D. Hill, O. D. Frasier, Geo. J. Rempel and their boys all seated on their farm machinery. These men all live in the neighborhood of Vega and Hereford, Texas. All of them use Phillips products.

This spring E. H. Simpson broke 220 acres of land with a gang plow. All of this land was worked over 3 times and 80 acres 4 times, ready for the drill. His total fuel and lubricating cost was 30c an acre. He used Phillips kerosene and oil. Many other west Texas farmers report great savings and complete satisfaction in using Phillips products. Write or talk to the Phillips agent when you need oil, kerosene or gasoline. They are quality products.

Amazing show cut... in Electric Cleaning

To speed up housework, Premier now offers two electric cleaners for the price of one!

A larger cleaner for the rugs and carpets—and a wonderful new type small cleaner—the Spic-Span—weighing four pounds—to do the work of seldom-used attachments.

Now 2 cleaners for the price of ONE

You simply plug it into any electric socket and clean mattresses, clothes, stairways, upholstery, automobiles, nooks and crannies everywhere. No lost motion—no unnecessary strain.

The Spic-Span may be purchased separately for \$14.50... or in one of the following combinations. Easy payments. Phone or visit us today and arrange for a private demonstration. No obligation.

Two Cleaners for the Price of One
Premier Duplex and Premier Spic-Span
Both \$72.50

Tiny Tot Story Telling Contest—Audy Huffmeyer, Tahoka Central Ward, first; Ruth Smith, Lakeview, second; Hazel Anderson, Wilson Ward, third.

W. C. Cowan returned Monday from Hunt county via his old home town, Colorado, and while in this fine little city he picked up a subscription for the News. Our good friend, M. Carter, one of the members of the bar of that city, a man who has a heart in him as big as a wash-tub, sent us the price of a year's subscription and sent word to put him on the mailing list for a year. Carter has lived at Colorado ever since Heck was a pup and he can tell many a thrilling tale of the "Old Days" in this section. If the hearts of all men were as charitable and sympathetic as the big heart of M. Carter, there would be mighty little hatred and cruelty and injustice in this world of ours.

Locals

T. J. Bovell was called to Abilene early Tuesday morning by the serious illness of Mrs. Bovell, who was taken sick suddenly. Mrs. Bovell spent last week end here, returning to Abilene Sunday.

Mr. and Mrs. W. C. Cowan returned Monday from Lone Oak, Hunt county, to which place they had been called several days before by the serious illness of a brother-in-law, Mr. Stillwell. The patient died while they were there, and Mrs. Stillwell, who is Mr. Cowan's sister, returned to Tahoka with Mr. and Mrs. Cowan. She will probably remain here indefinitely.

"Take that want ad out; we have already sold that cow." This is about the way Mrs. J. H. Kuykendall greeted us early Monday morning. Mr. Kuykendall dropped a little ad in our want Column last week advertising a Jersey cow and he sold her very pronto. He says that if you don't want to sell everything you've got don't advertise it in the News.

The editor and wife attended the dairy show at Plainview last Friday accompanied by Messrs. W. J. Crouch, O. O. Sproles, and J. O. King. These three gentlemen are excellent company and they made the trip a most pleasant one for the editor in every way. And they enjoyed the big show.

Mr. and Mrs. Z. T. Kemp of Post were the guests Sunday of Mr. and Mrs. S. R. Kemp of this city.

before you buy your next automobile

learn why over 300,000 have already chosen the New Chevrolet Six

Since January first, over 300,000 people have chosen the Chevrolet Six. And every day sees an increase in this tremendous public acceptance—

—for the new Chevrolet not only brings the enjoyment of six-cylinder performance within the reach of everybody everywhere, but gives the Chevrolet buyer a greater dollar value than any other low-priced car.

Just consider what you get in the Chevrolet Six! The smoothness, flexibility and power of a six-cylinder engine which delivers better than twenty miles to the gallon. The beauty and luxury of bodies by Fisher with adjustable driver's seat. The effortless control of big, quiet, non-locking 4-wheel brakes and ball bearing steering. Then consider Chevrolet prices! And you will discover that this fine quality Six can actually be bought in the price range of the four! Come in. Let us prove that anyone who can afford any car can afford a Chevrolet Six!

Now is the Time!

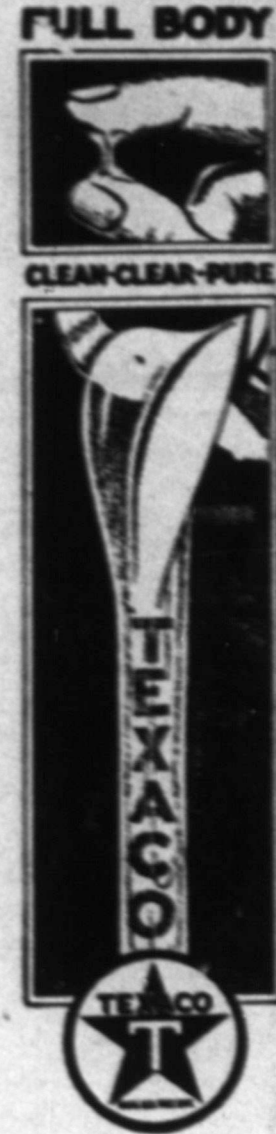

Texaco Stations have the equipment—Texaco men have the experience and the time to give you a prompt draining and thorough greasing job.

Your engine needs fresh, full-bodied motor oil. Drain out the old. Don't drive this Spring with "winter-worn" oil in the crankcase. Diluted, thinned out by the choke, it no longer has sufficient body to lubricate fully . . . to protect the pistons, the cylinder walls and the bearings.

Stop at the Texaco Red Star with the Green T. Ten minutes at most and you are on your way, crankcase drained, flushed and refilled with full-bodied, heat-resisting Texaco Golden Motor Oil, clean, clear, *pure*.

THE STATE OF TEXAS, COUNTY OF LYNN.

To the Sheriff or any Constable of Lynn County, Texas, Greeting: You are hereby commanded to cause to be published once a week for ten days exclusive of the first day of publication, before return day hereof, in some newspaper of general circulation published in said Lynn County, Texas, which has been continuously and regularly published in said county for a period of not less than one year, the following notice: THE STATE OF TEXAS.

To all persons interested in the welfare of Oscar Sanders, Erna Sanders, John Sanders, Esther Sanders, Lillie Sanders, and Hilda Sanders, Minors: You are notified hereby that John W. Sanders has filed in the county court of Lynn County, Texas, an application for letters of guardianship upon the estate of said minors, Oscar Sanders, Erna Sanders, John Sanders, Esther Sanders, Lillie Sanders and Hilda Sanders, which will be heard at the next regular term of said court, commencing on the 4th Monday in April, 1929, the same being the 22nd day of April, 1929, at the court house thereof, in Taboka, Lynn County, Texas, at which time all persons interested in the welfare of said minors may appear and contest such application, if they see proper to do so.

Herein fail not, but have you before said court on the first day of the next term thereof this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court at office in Taboka, Texas, this 3rd day of April, 1929.

TRUETT SMITH, Clerk of County Court of Lynn County, Texas.

I hereby certify that the above and foregoing is a true and correct copy of the original writ now in my hands.

S. W. SANFORD, Sheriff, Lynn County, Texas.

NOTICE OF SALE OF REAL ESTATE UNDER ORDER OF SALE THE STATE OF TEXAS, COUNTY OF LYNN. In the District Court of Lynn County, Texas. C. H. Cain, Plaintiff, vs. B. H. Robinson, Defendant.

Whereas, by virtue of an order of sale issued out of the District Court of Lynn County, Texas, on a judgment rendered in said court on the 14th day of March A. D. 1929, in favor of the said C. H. Cain and against the said B. H. Robinson, No. 741 on the docket of said court, I did on the 2nd day of April, A. D. 1929,

TEXAS GARAGE

at 3 o'clock P. M. levy upon the following described tract and parcel of land situated in the county of Lynn and State of Texas, and belonging to the said B. H. Robinson, and as directed by said order of sale, to-wit: All that certain undivided one-half interest in and to all that certain tract of land containing Seventy (70) acres in a square shape in the South west corner of Survey No. Four hundred and ninety-seven (497), in block one (1), surveyed by virtue of Certificate No. 472 issued to the E. L. & R. R. Co., and said 70 acres of land being described by metes and bounds as follows:

Beginning at the Southwest corner of said original survey No. 497, block 1, for the Southwest corner of this tract, and running thence East 628 64-100 varas, with the south boundary line of said original survey No. 497 to a point in said south boundary line for the Southeast corner of this tract; thence north 628 64-100 varas to a point for the Northeast corner of this tract; thence west 628 64-100 varas to a point in the west boundary line of said original survey No. 497, for the Northwest corner of this tract; thence south 628 64-100 varas, with the west boundary line of said original survey, to the place of beginning.

And on the 7th day of May, A. D. 1929, being the first Tuesday in said month, between the hours of 10-00 o'clock A. M. and 4-00 o'clock P. M. on said day, at the courthouse door

of said county, I will offer for sale and sell at public auction, for cash all the right, title and interest of the said B. H. Robinson in and to said property.

Dated at Taboka, Texas, this 7th day of April, A. D. 1929.

S. W. SANFORD, Sheriff, Lynn County, Texas. 33-31c

TAHOKA STOCK JUDGING TEAM WINS LOVING CUP (Continued from first page)

contests held yesterday at Texas Technological College. One hundred and ninety-eight boys representing fifty-seven teams and twenty-two towns, ranging from Dalhart on the north to Roby on the south, competed in the annual contests.

Silver loving cups were presented to the winning teams by the Lubbock Chamber of Commerce, Myrick Hardware and the Standard Milling Company. The cups will become the permanent property of a team when it wins for three successive years.

Mowery is Chairman Ray C. Mowery was general chairman of the judging, assisted by R. C. Tom, Tech senior. The visiting boys were entertained with a luncheon at the Chamber of Commerce at the same place last evening.

Winning teams in various divisions

excepting that of Farm Shop, with highest individuals and their scores are as follows:

When Mrs. Elsie Gorman of Chicago was sued for debt she offered to pay in 10 years if she couldn't longer.

These gentlemen as well as the other members of the council are to be commended for the excellent service rendered.

Lynn county, is the heart of the best dressed and farming country in Texas.

Volume XXV. CITY'S DEBTS ARE REDUCED

Council Under Old Administration Takes Up Warrants For \$37,000 As Last Act

One of the last acts of the city council before the two old members retired was to take up outstanding warrants against the City in the sum of \$37,000.00. It was first planned to have a bonfire of these warrants on the streets Tuesday afternoon but the idea was abandoned upon the suggestion that the canceled warrants should be preserved.

In speaking of the work of the City Council during the past two years, Jack Applewhite and H. W. Calaway, the two retiring members, stated to the News that during this period of time the City's indebtedness has been reduced from approximately \$188,000.00 to approximately \$50,000.00.

Dr. Singleton, the retiring mayor, stated that actually the outstanding indebtedness against the City is approximately \$129,000.00 plus about \$200.00 current expenses, but that the City has \$16,000.00 cash in the sinking fund, \$6,920.00 in transit to New York to take up some outstanding bonds, \$4,600.00 in general and special funds of the City and \$27,000.00 in 4 per cent municipal bonds. All these assets applied against the City's indebtedness would reduce it to about \$76,000.00.

LUBBOCK GIRL KILLED BY BITE OF RATTLESLAKE

Little Mary, Frances Slaton, 10, daughter of Mr. and Mrs. Carl E. Slaton of Lubbock and niece of W. E. Slaton of this city, died at 8-30 o'clock Monday morning from the bite of a rattlesnake inflicted Sunday while the little girl and her father were climbing from a canyon on the Slaton Ranch near the city of Slaton. The big rattler struck from a clump of bushes which the little girl was passing, sinking its deadly fangs into her ankle. The father immediately tried to suck the poison from the wound and then with the little girl was hurried to Slaton where a serious treatment was given. But in spite of all that physicians could do, the poison did its deadly work. The father was also compelled to take a serious treatment to avoid serious effects from the poison taken into his system in sucking the virus from the little girl's wound.

Funeral services were held in Lubbock Tuesday afternoon. W. E. Slaton and family of this city attended the funeral.

MIDWAY HOME DEMONSTRATION CLUB MEETS

Midway Home Demonstration Club met April 12th at the home of Mrs. J. W. Glover. Five members and two visitors and the agent being present. All members gave reports of work done since last meeting. The program as planned in the year book was carried out and proved very interesting and profitable. Committees were appointed to represent our club during Better Homes week and at the Chamber of Commerce banquet. All seemed very much interested over the work.—Reporter.

Revival Results in Church Additions

As a result of the revival services conducted at the Baptist Church last week by the pastor, Rev. R. H. Shreve, five persons were baptized Sunday night at the close of the services and others remain to be baptized. The attendance was good throughout and the congregation was unusually large on Sunday and Monday nights.
