Lynn County, in the heart of the best diversified farming country in Texas.

The Lynn County News

We invite you to locate in beautiful Tahoka. Good homes, good schools, good churches.

Volume XXV.

Tahoka, Lynn County, Texas, Thursday, April 25, 1929

Number 35

District C. Of C. Convention Opens

BUILDING FOR 1929 IS \$120,744

Much Construction is Under Way: More Buildings To Be Erected At Early Date

More building has been done in Tahoka since the first of 1929 than during any other four months in the town's history, building permits for \$120,744.00 having been let in this period. In addition to this, at least \$20,000 worth of construction is under way for which building permits have not been secured.

Present indications are that the year's building has only started, and it is expected that at least six or seven additional brick business houses will be erected before the end of the summer.

Business buildings now under construction are the Knight bakery and filling station building, the \$9,000 Shook tourist park; the Hogan building addition, and the Craft building addition. Others having been announced are the new English "talkie" theatre building the West Texas Gas Co. building, and the Hill Motor Co. building.

Eleven residences are now under construction.

The following are the permits that have been issued since January 1st:

Chas. Deo, frame residence,	\$1,000
H. B. Howell, office,	\$200
E. M. Swan, frame residence,	\$3,000
Forrest Lbr. Co., stucco res.,	\$3,000
J. H. Henderson, frame res.,	\$3,000
C. H. Crouch, brick veneer res.,	\$3,000
T. J. Bovell, two brick business bldgs.,	\$5,000

Mrs. J. H. Holloway, duplex	\$2,000
West Texas Gas Co., bus. bldg.,	\$3,000
H. B. Howell, repair,	\$500

Miss Amanda Leedy, stucco res.,	\$3,300
E. W. Fenton, Jr., stucco res.,	\$3,000
D. H. Goodnough, stucco res.,	\$2,000
O. L. McHorse, stucco res.,	\$2,000
Thomas Bros., frame res.,	\$1,400

Chas. F. Shook, stucco tourist camp,	\$7,000
P. L. Alexander, sign board,	\$1,000
W. L. Knight, brick business bldg.,	\$2,600
the roof, concrete floor,	\$2,600
Chas. F. Shook, stucco res.,	\$2,000
Chas. F. Shook, stucco res.,	\$2,000
Mrs. M. L. Ray, frame res.,	\$3,000
Forrest Lbr. Co., frame residence, for Herman Turner,	\$2,000

Higginbotham-Bartlett, Brick Veneer res., for L. C. Haney,	\$3,000
Higginbotham-Bartlett, frame res. for Bill Anderson,	\$2,000
Higginbotham-Bartlett, stucco res. for Harold Edwards,	\$2,000
Miss Minnie Cooper, brick addition to Hogan bldg.,	\$2,500
L. F. Craft, brick addition to business building,	\$500
Sewer System,	\$50,000
White Way lighting system,	\$5,000
Paving,	\$250
New roof on court house,	\$1,024

More Names Filed For School Trustee

Since our issue last week five additional names have been filed with J. B. Weatherford, secretary of the school board, to be printed on the ballot as candidate for trustee for the Tahoka Independent school district. John Evans, however, whose name was included in the list published last week, instructed the secretary not to have his name printed on the ballot, and the present list therefore includes eight names. The election is to be held Saturday, May 4th. The names now on file are as follows: George B. P. Maddox, R. C. Wood, J. C. Applewhite, W. T. Clinton, J. A. Brewster, D. W. Gagnat, and M. L. Handley and Claude Wells.

Machinery Arrives For New Laundry

Machinery and equipment for the Tahoka Steam Laundry to be operated by Messrs. Craft and Burdette has been arriving the past few days and it is being placed.

Mr. Craft says that when completed, this laundry will be capable of doing as good work as can be done anywhere, and they expect to make it a point to do work that will please the most exacting.

This equipment represents the investment of considerable capital and will provide labor for a number of employees. It is the intention of the proprietors to make the business grow until it becomes one of the big industries of the town.

Hub Moore is having a splendid residence constructed out in north-west Tahoka. W. P. Anderson is having a nice home constructed in southwest Tahoka.

Chautauqua Opens Saturday Night

A four-days Chautauqua program is to open in Tahoka at 8:00 o'clock Saturday evening with a play entitled "The Clean Up". This is a comedy snappy, and full of laughs. Programs on Monday Tuesday, and Wednesday will be given at 8 o'clock in the afternoon and at 8 o'clock at night.

These programs are to be given by the Associated Chautauquas, and we are assured that every program will be a delightful one. There will be plenty of entertainment all the way through. If you attend the first program you will want to attend them all.

SHIP 600 CARS MAIZE HEADS

Large Feed Crops of Past Year Has Brought Over \$200,000 Cash to Farmers

Approximately 600 cars of maize, kaffir, and other sorghum grain heads of the crop of 1928 have been shipped from Tahoka according to reliable information gathered by the News.

A car load consists of about 20 tons, and the average selling price has possibly been \$16.00 or \$17.00 per ton. The value of these grains shipped from Tahoka this season therefore approximates \$200,000.

Of course only the surplus crop was shipped. Every farmer in the county has an abundance of feed left for home consumption. On many farms great stacks of this feed may yet be seen, enough in many instances to provide feed for two years.

In addition to the heads shipped, there were also a number of cars of threshed grain and about twenty cars of Indian corn shipped to the markets.

Possibly the greatest feed crop ever produced in Lynn county was the crop of 1928. As one result of this abundance of feed, the poultry, hog and dairy interests have been greatly stimulated. There are probably more hogs, dairy cows, and chickens in Lynn County now than ever before in the history of the county.

Dallas Good Will Tourists Are Coming

The Dallas Good Will Tourist party consisting of 125 business and profession men will be in Tahoka next Monday. The party will arrive over the Santa Fe at 12:05 and will spend 30 minutes here. Tahoka people will be expected to meet them at the train and furnish conveyances for them to come from the station to town. A band will accompany the Good Will party and it will parade the streets and give a brief band concert. There will be an address of welcome by some Tahoka citizen and a response by some member of the Dallas party, and possibly some other short, snappy talks. It is hoped that a large number of cars will be at the station to convey the visitors to town and that there will be a great outpouring of Tahoka people in the court house lawn to welcome them.

ANNOUNCE C. C. COMMITTEES

Workers Include Many Citizens: \$5,140 Budget Has Been Raised Here

(By C. C. Williams)
The Tahoka Chamber of Commerce has recently staged one of the most thorough membership drives in its history and has been successful in enlisting practically every business and professional man in Tahoka in its work for Building a Greater Tahoka. The membership roster to date carries the names of eighty-four Tahoka business and professional men and a few farmers. The Budget for the year to date amounts to \$5,140.00. The membership committee of which Chester Connolly is chairman is working to raise a budget of \$6,000 before they let up on their work.

The program of work as outlined makes provisions for a varied program and much constructive work is under way. The following is the program of work as has been set out by the Board of Directors, who are as follows: Taylor White, President; Emory Nance, Vice-President; W. L. Burleson, Treas.; J. K. Applewhite, M. L. H. Baze; Chester Connolly, D. W. Gagnat, E. I. Hill, G. H. Nelson, W. R. Neyland, Oscar Roberts, Truett Smith and Claude Wells.

City Saves on Its Pumping Bill

By reason of the new rates recently put into effect by the exas Utilities Company on power furnished for pumping the City's water, the City has saved more than 27 per cent on its bill the past month, according to W. S. Anglin, the local manager. The bill the past month amounted to \$164.35, whereas under the old rates it would have amounted to \$227.09, a saving of \$62.74.

Masonic Officials Coming May 10th

Ben F. Brown, grand high priest, Sterling City, and Thomas M. Bartley, grand secretary, Waco, of the Royal Arch Masons of Texas will be in Tahoka for a meeting of the local lodge on May 10, according to C. C. Connolly and J. K. Applewhite. Mr. Bartley is well known to many Tahoka people, he being a former resident of this city. All Royal Arch Masons are urged to attend the meetings.

FACULTY FOR YEAR ELECTED

Twenty-Seven Teachers To Be On School Force in 1929-30; Wilson Resigns

At a meeting of the school board Friday afternoon, two additional grade teachers were elected for next year. Mrs. C. C. Williams, wife of the secretary of the Chamber of Commerce, and Miss Faye George, daughter of Mr. and Mrs. Elton George, were given positions in the Central Ward School.

Mrs. Williams holds a B. A. degree and has had six years experience as a teacher. Miss George will receive her degree from Texas Technological College at the end of the present term.

Mr. Wilson, grade teacher and coach of boys at Central Ward, was re-elected a few weeks ago but he has declined to accept the position for the ensuing year. With this exception the faculty for next year is now complete.

The entire faculty for next year will consist of twenty-seven teachers, not including Music and Expression teachers. There will be eleven teachers, including the superintendent and two seventh grade teachers, at the high school building, thirteen teachers at Central Ward, two at South Ward and one for the Colored children.

The personnel of the faculty is given as follows:
High School Building
Superintendent M. L. H. Baze
Principal Nat Williams

Crowds Gather For Today's Festivities

Revival On At Church of Christ

According to announcement made last week, revival services were begun Sunday morning at the Church of Christ and will continue through the week, closing possibly next Sunday night. The preaching is being done by Elder Glen Wallace, who is said to be one of the ablest young evangelists in the state. Services begin each evening at 8:00 o'clock.

JUDGING TEAM AT A & M. MEET

Eighteen Tahoka Boys Participate in State-Wide Agricultural Contests At College Station

Six judging teams of the Vocational Agriculture class of the Tahoka High School together with their teacher, Prof. Taylor White, are at College Station this week participating in the state vocational agriculture judging contests. They left Friday morning in a truck driven by Mr. Brooks. They are expected back today.

The respective teams and the membership of each is given below:

- Livestock: Boswell Edwards, Amel Willingham, Frank Willingham.
- Dairy: Bonnie King, Earl George, Curtis Stevens.
- Poultry: Buck Barnes, Ovid Richardson, Lester Prater.
- Shop: Jack Minor, Coughran Ketter, Andrew Cooper.
- Grain: Kenneth Reid, Void Smith, Seth Brewer.
- Entomology: Smith Lawson, Dewey Curry, Carl Nowlin.

Some of these teams recently made splendid showings at judging contests held in Plainview and Lubbock.

In the judging contests held dur-

(Continued on Last Page)

Utilities Companies Have Many Customers

Tahoka has 480 electrical connections, 312 water connections and 250 telephones. The number of electrical connections have increased 148 in the past year and four months, and water connections have increased 52 since last May.

There are 706 scholastics in the Tahoka Independent School District, an increase of 102 over last year.

C. OF C. WILL BUY SEED FOR 4-H CLUB BOYS

Action was taken by the Board of Directors of the Tahoka Chamber of Commerce Monday night to furnish the funds with which to purchase graded seed for planting by the Boys 4-H Clubs of the county. Ray Shaver, County farm Agent, was authorized to make the purchases and the Chamber of Commerce will pay for the same.

New Sewer System Is Almost Complete

The new \$50,000 sewer system, work on which has been under way the past several weeks, is now practically complete; and practically the only work left to be done is tying the lines onto a number of residences. Workmen have been busy for several days replacing paving brick in the business section that were removed in laying th lines.

Approximately nine miles of mains have been laid in the city limits, placing the use of the system of practically every house.

(Continued on Last Page)

PROGRAM WILL BEGIN AT 9:30

Meeting Will Be Held Rain or Shine; Everything Is in Readiness For Visitors

Tahoka feels greatly honored by the presence of so many visitors and distinguished guests today—men who are constantly thinking and planning and achieving for the development and growth and prosperity of their respective localities and of the entire South Plains section.

The people of the South Plains are a progressive and forward-looking people. The energy, the vim, the optimism, and the accomplishments of the people of this section are the wonder of the world. Within a few years they have transformed a frontier cow country into one of the richest agricultural empires on the western continent. And development is yet only in its infancy.

It is in order to promote the development and the welfare of this section and of West Texas as a whole that the West Texas Chamber of Commerce is "carrying on". It is to promote the development and welfare of this section and incidentally of all Texas that these men and women are gathering here today. They come from every city and town and hamlet in all this rapidly-developing empire. They come for business and for pleasure, for serious discussion of the problems peculiar to our section of the state.

The program to be rendered at the English Theatre this morning and in the Connolly building this afternoon is one of the best ever prepared for a regional meeting of the West Texas Chamber of Commerce. Vital questions are to be discussed by some of the outstanding men of West Texas. As many of our people as possible should hear these discussions. They will doubtless give information, inspiration, and entertainment that will be of untold value to every citizen of Tahoka and of the West who will hear and consider.

Yes, there is a lot of entertainment in store for all of us today, too. Ten bands, they say, are to be here. Large delegations of boosters from the many fine towns and cities of this section are to be here, all boosting for their respective home towns and for the entire section.

To be here? They are already gathering. The hosts are coming in. It is to be a great day for Tahoka, provided we do our best to entertain our guests courtesy. Let's make them feel welcome and to show them every possible come. They are welcome. Visitors—Friends—We are delighted to have you with us. Have a great, joyous time, and come again!

Final Convention Preparations Made

At a meeting of the Board of Directors of the Chamber of Commerce Monday night, the finishing touches for the entertainment of the big crowds that are expected to be here today were made.

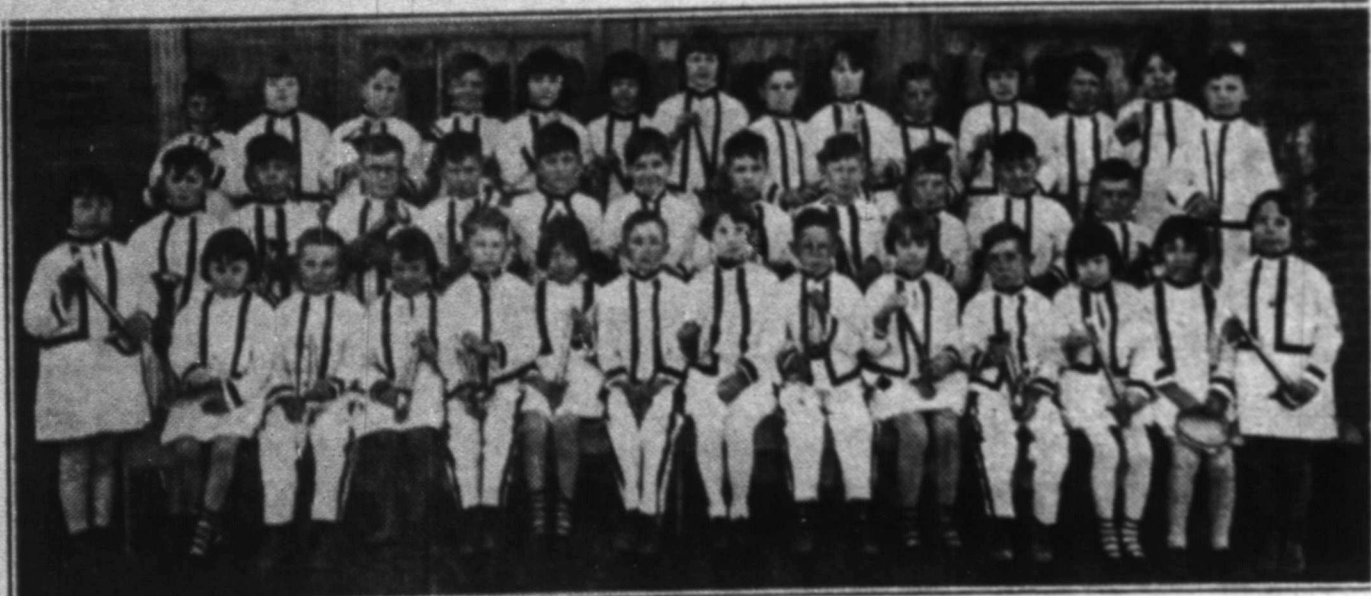

In the first place it was decided to rope off a large section of the public square and the business section of the city, so that the bands and other pedestrians might have ample room in which to perform and to move about.

The following reception Committee was also named: D. B. English, Dr. C. B. Townes, Dr. E. E. Callaway, Rev. B. N. Shepherd, J. S. Wells, H. W. Calaway, Judge C. H. Cain, Dr. J. R. Singleton, Mrs. J. B. Walker, Mrs. Gladys Stokes, Mrs. R. P.

(Continued on Last Page)

Welcome To Tahoka, Visitors; Come To See Us Again!

Floydada's Band, Composed of Children

The above scheduled to be in Tahoka today, has attracted State-wide attention. All members of this band are students in the grades of one of Floydada's ward schools.

PLANS FOR PALO DURO NATIONAL PARK STARTED

Plans to convert a section of the Palo Duro Canyons into a National Park were discussed Monday afternoon at a meeting of representatives from fifteen counties at the Hotel Amarillo. Bill Gouddy, president of the Plainview Chamber of Commerce and Maury Hopkins, secretary of organization of this city were at the Amarillo meeting.

D. E. Colp, chairman of the state park board, stated that the federal government would not buy park land and told a committee that the proper course was to sell the land to the state and let them in turn give it to the nation. This course will be pursued, Mr. Gouddy stated, or the nation will be asked to purchase it outright as a bird and game sanctuary.

Sam Braswell of Clarendon was elected chairman of a committee which was appointed to work out future plans. This committee will meet again Friday at Wayside, a little place on the edge of the canyon. It is said that almost the entire canyon can be seen from this spot.

The first important work to be done is the construction of roads across the canyon. Commissioners, County Judges and other citizens from the four counties in which the proposed park will lie are being invited to attend the meetings at Wayside and see just what the canyons have to offer as a park site.

The State Legislature will be asked at its special session, Mr. Gouddy says, for an appropriation to survey the canyon thereby finding out just what the site contains.

Those who have seen the grounds are enthusiastic over the prospect for a National Park and state that there is no more beautiful scenery in West Texas.

PROWLERS BREAK IN LYNN CHURCH, DO MUCH DAMAGE

Prowlers last week broke into the Methodist Church at Lynn and proceeded to tear things up in general, according to Rev. J. B. Thompson.

An ax was used on the piano, damaging it beyond repair, the lights were stolen, books and other literature were strowed promiscuously over the place, and to cap it all off liquor was poured over the pulpit.

Rev. Thompson stated that so far the offenders had not been arrested, but they hoped to clear it up soon.

This is a terrible thing to happen in this a civilized country. Things like that happened in the dim and distant past, but it was excused on the ground that it was just the community roughs on another border, but in this day and time there is no excuse under the sun and we hope they are speedily brought to trial and get what an act of this kind deserves.—Wilson Potater.

SLAT'S DIARY

Friday—Ant Emmy tuk the buss today and went up to the city. she sed she was going to luk for a new hat for a new hat to ware this spring. Pa ast her what kind of a hat was she going to get and she answered and replied and sed she was a going to get a hat with 1 of these non De Plumes on it she has been heering so much about the literary people wearing.

Saturday—Well I herd a good one today and I don't no whether to tell pa about it or not. Ma and Ant Emmy was a tawking out in the garden and Ant Emmy luffed and sed. Well I remember that 1 time you sed when you was a yung girl that you woodn't marry the best man on earth. Ma put a lot of sarcasm in her speetch and sed. Well I diddnt did I. I gess I wont tell pa about it.

Sunday—I walked home from Yung peoples meeting tonite with Jane and we stood at the door and tawked and tawked and finely i notisse her standing on 1 foot and finely she sed. Say dont you no how to say good night and I sed I say I do kid, and I dandy ed her and she slapped me a dandy in the ear.

Munday—Ma got pinched today fo hitting a man with a push cart daff so hard before. I thot she was luffing because I was so wittie and then I discovered that she went and got a nice new gold tooth stuck in her face.

Wensday—When ma cum home from the Bridge partie and she looked into the refriggerater and then she looks at me and sed How is it that you tuk that peace of chokalit And I sed Nonshallontly. O it was very easy. An she stung me one rite where I carry my handkerchief.

Thursday—Went swimming for the 1st time this year with ma and pa including Ant Emmy. Ant Emmy insisted on wearing an old Straw Hat. I ast her why and she sed. I wear it so as the searchers will no where to look for my body in case any thing happens.

The Lynn County News and Semi-Weekly Farm News, 1 year, \$2.00.

LITTLE OPPOSITION TO PAVING OF STREETS

Practically no position has been heard towards paving the streets of O'Donnell since the Index opened a campaign for such a movement. As we stated last week only one man has told the writer he would vote against such a proposition and since our last issue we have consulted a number of tax payers in regard to the matter and everyone who has been asked the direct question, "Will you vote for the paving of the streets of O'Donnell?" has answered in the affirmative. Less opposition has been heard than the Index expected to receive.

Paving the Highway from city limits would eliminate the fear of having the highway department leave O'Donnell. That alone would be worth much to the property owners of O'Donnell off the highway by shortening the route by going west of the main business section, should they see fit to do so. That would be worth

much to the property owners of O'Donnell. That is something for you to think about. Last week we opened the columns of the Index to all who wish to discuss the proposition whether or not you are for or against it. So why not express your opinion. Who will be first.—O'Donnell Index.

CARD OF THANKS

To all the business men and citizens of Tahoka who helped to make Better Homes Week a success: Our most sincere thanks to you we render For the articles or time you were the tender, Which made our hearts grow lighter And Better Homes Week brighter.

ELECTION ORDER

Be it ordered by the Board of Trustees of the Tahoka Independent School District that an election be held at the Court House in the city of Tahoka in said Tahoka Independent School District on the 4th day of May A. D. 1929, same being the first Saturday in May, for the purpose of electing four school trustees for said district.

J. W. Elliot is hereby appointed manager of said election, and he shall select two judges and two clerks to assist him in holding the same, said election to be held in the manner prescribed by law.

The returns of said election shall be made to the Board of Trustees of said Tahoka Independent School District in accordance with law.

A copy of this order signed by the President of the Board and attested by the Secretary shall serve as proper notice of said election, and the President shall cause notice of the

election to be given in accordance with law. In testimony whereof witness the signatures of the President of said Board of Trustees, attested by the Secretary, and the Seal thereof hereunto affixed, this the 9th day of

April A. D. 1929.

E. I. HILL, President of Board of Trustees, Tahoka Independent School District.

What Satisfied Users Say

Walter Fly, of Vega and Amarillo—a Prominent Phillips User

Scene on Fly's Farm South of Vega, Showing 5 Tractors which Use Phillips Products 100%

The following are excerpts from bona-fide letters on file at Phillips Petroleum office, written by satisfied customers. They tell their own story!

Vega, Tex., March 20, 1929
Phillips Petroleum Company, Amarillo, Texas.
Gentlemen: I started to use Phillips oil last July 1, and find it superior to all oils I ever used. I had the first tractor used successfully in the Panhandle in 1912. I think I have used about all kinds of oil made. Anyone can't go wrong in buying Phillips oil. Yours truly, Hessel Ottmer

Haskell, Tex., March 21, 1929
Phillips Petroleum Company, Amarillo, Texas.
Gentlemen: I want to tell you of the extra fine service I have obtained from the use of your Phillips oils and motor fuel. Recently we overhauled a tractor that had completed about 3500 acres of plowing. We found a very small amount of carbon which showed us that the lubricating oil was doing a superb job. We also found that there was practically no wear on any part of the motor. I am convinced there is no economy in buying kerosene oils. Phillips motor and tractor oils meet my demands and I have never found an complete satisfaction in any other oil. Yours very truly, F. W. Brunson

Haskell, Texas, March 21, 1929
Phillips Petroleum Company, Amarillo, Texas.
Dear Sirs: I have obtained complete satisfaction from the use of Phillips motor oils and Phillips 66. Before using them, my oil was costing me much more money. Now I am getting exactly as good service from Phillips oils and will continue to use them in both my tractors and my automobiles. Your service is excellent. Yours very truly, J. L. Hutson

Haskell, Texas, March 21, 1929
Phillips Petroleum Company, Amarillo, Texas.
I am an Oakland and Pontiac dealer and am very much interested in lubricating oils. I have made a number of endurance tests and operating tests and find Phillips motor oils are far superior to any I can obtain. Therefore, I am using them exclusively and am glad to recommend them to my customers. Yours respectfully, Elmer Motor Co. By O. H. Dixon, Pres.

44 Cars of Hogs Shipped

E. A. Park shipped loads of hogs last January 1st. Mr. Park than forty cars during and thought he was doing the first four months have exceeded the 1928.

A car usually contains hogs weighing about each. Each car load average, \$1,800 to \$1,900 seen therefore that Mr. Park's shipments this year brought returns approx 000.

Most of these hogs are Mr. Park from the farm County. He usually feeds few weeks, sometimes less shipping.

Many farmers find it to sow wheat in the fall so winter pasturage for hog live stock. When they plant the spring, which makes age-through the summer is often too dry through months for wheat to do well dan can be grown almost With Sudan, sorghum and other grains easily in Lynn County is coming to the most profitable hog-ra ties in the state.

FUR HOME AND ST

The extraordinary Boroson for flesh wounds, cuts, sores, and seals is just as effective as in the home. Horse flesh remarkable speed under its influence. The treatment is the animals as for humans. 44 Cars of Hogs Shipped Since Jan. 1

E. A. Park shipped out four car loads of hogs last Friday. This makes 44 cars he has shipped since January 1st. Mr. Park shipped more than forty cars during the year 1928 and thought he was doing a big business, but already his shipments during the first four months of this year have exceeded the entire year of 1928.

A car usually contains about 80 hogs weighing about 220 pounds each. Each car load brings, on an average, \$1,800 to \$1,900. It will be seen therefore that Mr. Park's hog shipments this year have already brought returns approximating \$80,000.

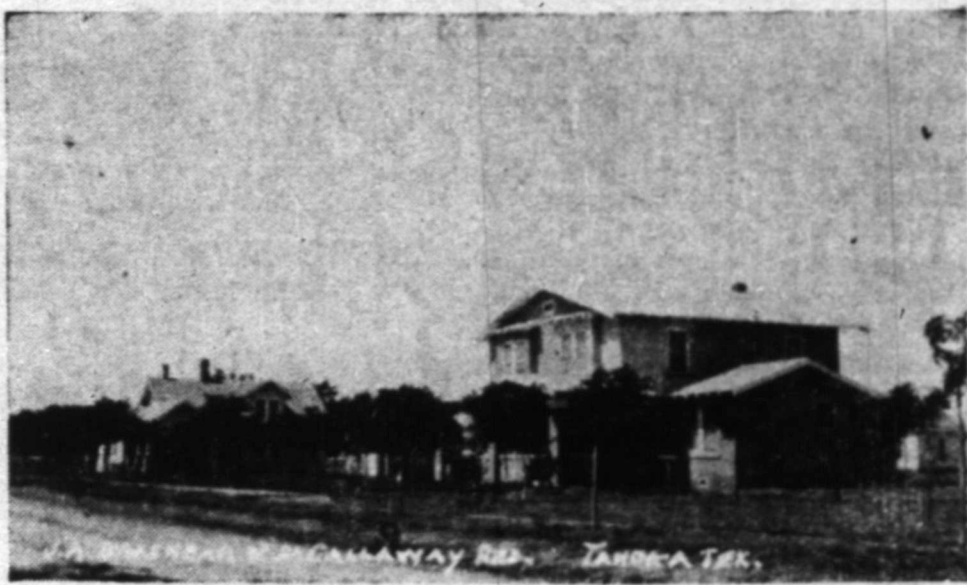

Most of these hogs are bought by Mr. Park from the farmers of Lynn County. He usually feeds them a few weeks, sometimes longer, before shipping.

Many farmers find it profitable to sow wheat in the fall so as to have winter pasturage for hogs and other live stock. When they plant Sudan in the spring, which makes fine pasturage through the summer and fall. It is often too dry through the winter months for wheat to do well, but Sudan can be grown almost every year. With Sudan, sorghum cane, maize, and other grains easily grown here, Lynn County is coming to be one of the most profitable hog-raising counties in the state.

FOR HOME AND STABLE

The extraordinary Borosone treatment for flesh wounds, cuts, sores, galls, burns and scalds is just as effective in the stable as in the home. Horse flesh heals with remarkable speed under its powerful influence. The treatment is the same for animals as for humans. First wash out infectious germs with liquid Borosone, and the Borosone Powder completes the healing process. Price (liquid) 30c, 60c and \$1.20. Powder 30c and 60c. Sold by THOMAS BROS. DRUG

Scene in Residence Section

PRESBYTERIAN REVIVAL SERVICES

As announced heretofore, a few days of special revival services will begin at the Presbyterian Church on Sunday night of the 4th Sunday, which is next Sunday. We have gotten the word around to all of the local pastors and their people as best we could through the paper, inviting them to attend and co-operate with us in any way possible, and we shall be glad to have you in every service. We will especially appreciate your help in the song service and in getting the meeting before your people. In unity there is not only strength but sanity and Godliness. Friendly and brotherly co-operation invites the good pleasure of God upon and among his people. Our Tahoka people and all of the peoples round about are invited to these services, beginning the night of the 4th Sunday in April. Rev. J. M. Lewis, D. D., of Lubbock will do the preaching. Rev. C. B. Barton of Clovis, will conduct the song service. The Local Auxiliary will arrange about the pianist. Mrs. Carl Griffin and Mrs. J. Nash are Church pianists. Services at 10:00 A. M. and 7:45 P. M. Start at the

beginning and hold on until you run into the grand central station of this meeting. All aboard, we start next Sunday. You are invited. Come, Pray and help and the Lord will help you.

—Invitation Committee

Is Believer In Cow, Sow and Hen

P. M. Montgomery is another farmer who is convinced that dairy cows pay. He knows, for he has tried it. He is milking two Jersey cows and one little heifer. The little heifer supplies milk and butter for the family table, while he sells the cream skimmed from the milk of the other two cows. The cream from these two cows the past two weeks netted him \$18.60. He says that he is feeding the skimmed milk to four hogs and feeds them little else. He has full-blood Jerseys and believes in "high-grade stuff."

Mr. Montgomery is also in the chicken business in a small way. He has about 90 White Leghorn hens and in one week recently the eggs from these hens brought him \$13.00, he says.

W. S. Taylor, R. E. Fleming, D. H. Goodnough and T. S. Williams attended a meeting of the Allen Brothers Post of the American Legion at Lubbock last Thursday night.

NOTICE OF SALE OF REAL ESTATE UNDER ORDER OF SALE

THE STATE OF TEXAS, COUNTY OF LYNN.

In the District Court of Lynn County, Texas.

C. H. Cain, Plaintiff, vs. B. H. Robinson, Defendant.

Whereas, by virtue of an order of sale issued out of the District Court of Lynn County, Texas, on a judgment rendered in said court on the 14th day of March A. D. 1929, in favor of the said C. H. Cain and against the said B. H. Robinson, No. 741 on the docket of said court, I did on the 9th day of April, A. D. 1929, at 3 o'clock P. M., levy upon the following described tract and parcel of land situated in the county of Lynn and State of Texas, and belonging to the said B. H. Robinson, and as directed by said order of sale, to-wit:

All that certain undivided one-half interest in and to-all that certain tract of land containing Seventy (70) acres in a square shape in the South west corner of Survey No. Four hundred and ninety-seven (497), in block one (1), surveyed by virtue of Certificate No. 472 issued to the E. L. & R. R. R. Co., and said 70 acres of land being described by metes and bounds as follows:

Beginning at the Southwest corner of said original survey No. 497, block 1, for the Southwest corner of this tract, and running thence East 628 64-100 varas, with the south boundary line of said original survey No. 497 to a point in said south boundary line for the Southeast corner of this tract; thence north 628 64-100 varas to a point for the Northeast corner of this tract; thence west 628 64-100 varas to a point in the west boundary line of said original survey No. 497, for the Northwest corner of this tract; thence south 628 64-100 varas, with the west boundary line of said original survey, to the place of beginning;

And on the 7th day of May, A. D. 1929, being the first Tuesday in said month, between the hours of 10:00 o'clock A. M. and 4:00 o'clock P. M. on said day, at the courthouse door of said county, I will offer for sale and sell at public auction, for cash all the right, title and interest of the said B. H. Robinson in and to said property.

Dated at Tahoka, Texas, this the 9th day of April, A. D., 1929.
S. W. SANFORD
Sheriff, Lynn County, Texas.

AN EXHILARATING EFFECT

A bottle of Herbine on the shelf at home is like having a doctor in the house all the time. It gives instant relief when the digestion gets out of order or the bowels fail to act. One or two doses is all that is necessary to start things moving and restore that fine feeling of exhilaration and buoyancy of spirits which belongs only to perfect health. Price 60c. Sold by

Turner Has Gained In Health And Strength

"I Doubt if There's a Person In Plainview Who Feels Better Than I Do Since Taking Orgatone," He Says

"I just want to tell you and everybody else what has happened to me since I began on Orgatone, and while some folks may doubt it, it's every word the truth," said W. M. Turner, prominent local citizen, who is agent for the American Kefining Co., of 1007 Independence Street.

"The day I started on Orgatone," he continued, "I was in a very bad condition. My life was just getting to be a burden to me, I felt so bad. My stomach was in a terrible condition, I didn't have any appetite, and what I ate, would not digest and would stay in my stomach and finally it would have to come up, this caused gas and sometimes it was hard for me to get my breath. My stomach was always so sore and hurt me so I couldn't stand to touch it. Sometimes when I had such severe spells of indigestion, and that hard lump formed in my stomach, I just felt like I would die, the pains were so intense. I was very nervous and never got a good night's rest, and felt tired and didn't have energy until each day was just a dread to me. I also had a bad case of constipation and just kept going down hill.

"Orgatone was recommended to me by a friend and I knew that he told me the truth so I decided to try it. By the time I finished my first bottle, I felt better than I have in the past fifteen years. I am getting wonderful results. I eat anything I want now, and all of my stomach trouble has been relieved, which is a great blessing to me, for I surely suffered agony, from indigestion. My stomach is never sore and doesn't pain me, and I sleep fine every night and wake up in the morning ready for my days work feeling cheerful and ready for the day. I don't believe there is a man in Plainview who feels any better than I do now, and I want to tell the people about Orgatone for it has restored my health and strength after I tried all kinds of medicine. I can never say too much for Orgatone."

Genuine Orgatone may be obtained

in Tahoka at Thomas Bros. Drug Co. E. L. Howard and Lee King are today (Wednesday) opening a new

theatre at Hobbs, the new oil town over in New Mexico. A new building has just been completed for the show.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called to our attention.

We can think of few things more tragic than for a young man to come to his death in the electric chair as an expiation for crime. Unspeakably sad was the execution of young Robert Blake last Friday morning on his twenty-fourth birthday, as a penalty for the murder of Fred Conner of Talia more than three years ago. The distracted pleadings of a mother and two brothers were unavailing and the protests of the condemned man to the effect that his punishment was barbaric met with little sympathy from those familiar with the circumstances of his crime. "I hope my execution will be the last one in this penitentiary and the state of Texas. I hope the people will awaken and realize how barbaric and antique capital punishment is," Blake is quoted

at stating shortly before going to the electric chair. To many of us capital punishment is utterly revolting; to many it seems barbaric. But what is Society to do in such a case as Blake's? He showed no mercy. He was not restrained either by a sense of justice or by sentiments of mercy. He showed no regard for the rights of the man he killed. Utterly inexcusable and brutal—barbaric—was his crime. Possibly there is a better way to punish crime than a resort to capital punishment. But protests against the cruelty of the death penalty from men whose hands are dripping with blood of their offending fellow men will not arouse much sympathy in this country. The old Mosaic law was, "An eye for an eye and a tooth for a tooth." It may be that that law cannot be improved upon by the state in dealing with criminals.

"The mills of the gods grind slowly" and so does our judicial machinery. Justice is oftentimes defeated and at other times long delayed. But the young man who thinks that he can follow a criminal career and successfully "buck the courts" is either an ignoramus or a fool. Oliver Wells, that confirmed criminal who has "done time" in possibly a dozen West Texas jails and who spent several years in the penitentiary, who robbed and stole and burglarized until he became an expert at the business, who broke jail until jail-breaking became a profession, a man whom no punishment seemed to deter—this man must now go to the electric chair. A jury assessed the death penalty and the Court of Criminal Appeals has affirmed the case. Page also the "Santa Claus" bandit, Helms. The courts have said that he must die in the electric chair. The murderers & bandits have been holding high carnival but a day of reckoning has come. It always does. He that sows to the winds must reap the whirlwind. The young man who deliberately enters upon a criminal course is a fool.

The News has just received a copy of the history of the XIT Ranch, otherwise known as the Capital Syndicate Ranch, written by J. Evetts Haley of West Texas State Teachers College. Haley has relatives in Tahoka and he will be remembered by many Kiwanians as the young man who was the guest at a Kiwanian luncheon a year or two ago and recited an original poem, on the old-time cowboy, that brought much favorable comment. His story of the Capitol Syndicate Ranch is in fact a history of early days on the Plains. The book is written in a most engaging style, is a work of undoubted historic value, and is of peculiar interest to all "old-timers" on the plains. It is beautifully illustrated. It should have a place in every West Texas library.

WHAT OTHERS THINK

Rebels in Mexico will blame, and rightly on the whole, the United States government for the failure of their movement. Their inability to secure recognition and the right to purchase arms, ammunition, and other war supplies handicapped them in their movements and prevented many Mexicans from joining their cause.

The attitude of the United States was clear enough from the start. We had hoped for continuation of an era of peace. The Calles government had proved friendly and the Morrow ambassadorship appeared to be a happy circumstance. To have recognized the rebels would have been to wreck the good will obtained in official circles. Not to have recognized the rebels would have been unfortunate had they won, but the best bet from the state had been with the federals. Can Mexicans learn to fight their internal battles through the ballot box? Rebel sympathizers will tell you that you cannot fight Calles with any weapon other than the sword. Rival presidential candidates have been shot at Sunrise if they spoke too loudly and too much.

To remove the efficacy of the ballot box is to incite to revolution, yet Mexico, as long as she looks to the military to solve her problems, must expect rivalries, banditry and revolution. Banditry affords an easy outlet for men who find it difficult to obtain a living by ordinary work, and who may be plundered if they do not themselves take up the practice.

Truly, those who live by the sword perish by the sword.—Pampa News.

It was brought out at the Panhandle Dairy Show at Plainview last week that the Plains-Panhandle investment in dairy herds would approximate \$30,000,000. Swisher county reported that it had probably 20,000 head of dairy cattle while Hale, Deaf Smith, Lubbock and Randall had 10,000 each. The show developed a 4-year-old Jersey cow that produced 2.4 pounds of butter fat in a 24-hour test. Another young Jersey's production was 700 pounds of butter fat yearly, where as 300 pounds is considered excellent. This young Jersey with the assistance of her sisters are sending two of their young masters through A. & M. College. The incidents cited proves a foregone conclusion that dairying is a profitable industry. With two of the country's largest milk product factories located in Texas, the dairying program is certain to become more wide-spread, and we see no reason why Young county citizens contemplating entering the business should delay his intentions on account of fear that the industry will be overdone.—Graham Leader.

the building so far it has never been located. The worst feature about the affair was that the operator had \$20 in his pants. And another freak thing the tornado done. There was a little creek in which a flock of geese were paddling around. After the storm struck the creek had been moved across the road with the geese swimming in it. After having pulled tickle grass out of fence posts that had been driven in them by a cyclone that had passed, we will believe any sort of a freak attributed to a cyclone.—The Graham Leader.

We have just decided that President Herb Hoover has shown rare judgment in surrounding himself with a cabinet of elderly men, whose average age is said to be above sixty years. We have noted that most of those who have gotten themselves in trouble with the legislatures of their states in the past few years have almost invariably been men young in both years and experience. They just lack sound judgment. Too much "ambish."—Terry County Herald.

So many country editors are using "canned" editorials these days that when one that writes his own stuff actually produces some thing good, everybody thinks that he has just got

SICK HEADACHE

Ex-Sheriff Suffered From Constipation and Felt Very Bad Until Relieved by Black-Draught.

Ardmore, Okla.—Mr. W. N. McClure, for several years a resident of this city (111 Third Ave. N. W.), formerly was a political leader in Pike County, Arkansas, where he served as sheriff and county judge.

"I used to suffer with sick headaches," says Mr. McClure. "These spells would come on me and I would feel very bad. I would get bilious and upset. My trouble was constipation, and after I found it out, I began using Black-Draught. This quickly relieved the cause, and I got all right. I began using Black-Draught in my home, shortly after the Civil War, when I lived in Pike County, Arkansas. I came out of the war, like many other soldiers, with bad digestion. I suffered a lot from sick headache and dizziness. I would get constipated, and for a while I would feel very bad."

"I found this medicine brought quick relief for constipation, and removed the cause of my headaches and dizziness, so we have always tried to keep it in the house. After I take a course of Black-Draught, I feel fine. My system is rid of poison, and my appetite picks up." Sold everywhere. Try it. NC-283

The editor of the Rotan Advance reports that a citizen of his town has been complaining about a donkey that continually brays in his back yard. Our trouble is that a few people complain about a donkey braying in our front office.—Lynn County News.

We see no reason why a little thing like that should worry the citizens of Rotan or Tahoka. About the first of November last year the bray of a donkey was music to the ears of many ahokaites and Rotanians. Of course, we admit that in many instances now the elephant would be more appropriate for a back-yard playmate or for an office ornament, yet, we have not become so foreign to the good old South that we despise the bray of a donkey and we do not care whether the said bray rises forth from the back yard or the front office, it has the same effect in making many others feel that their kind has not yet been destroyed.—Colorado Record.

Ex-President Coolidge was called an economy president, and on several occasions saved personal expenditures along with government expenditures, but President Hoover seems to be going him one better. Two famous institutions of the White House, the stables and the Presidential yacht have been eliminated by the new president. Hoover has turned seven horses in the White House stables over to the army and has turned the "Mayflower" over to the navy. The yacht cost the government approximately \$300,000 a year, and this sum will not apply to naval expenditures. Herbert Hoover is a business man and has the ability to spot superfluous functions in the government. Before his term is ended, it is a good guess that quite a few other government institutions will feel the force of this man who follows the simple life of the Quakers and will apply the same philosophy to governmental affairs.—Hamilton Herald-Record.

The tornado that swept through Minnesota the other day, blew the pants off a radio operator and blew

NOW as never before you should be careful about lubrication

THE lubrication requirements of the present high speed motors are most exacting. With their fine adjustments, these motors will not operate efficiently with every oil. They require a lubricant which is made especially to meet the particular conditions which they have created.

That's why it's most important to always specify the oil you want—and it will pay you well to insist always on a brand which has back of it the resources and experience of the Continental Oil Company. Then you will always be sure to get the right oil—in the grade made especially for your motor.

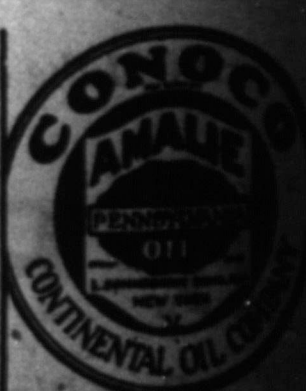

Ask for these brands at the better service stations and garages.

CONTINENTAL OIL COMPANY

THE

Tahoka's Schools Rate Very High

The Tahoka High School takes her place among the highest ranking schools of the South Plains and the entire state of Texas. For the last 2 years the local high school has been a member of Southern Association of Colleges and Secondary Schools, by virtue of which recognition her graduates are admitted to all colleges and universities of the member states. At present the Tahoka high school has twenty-five accredited units, and at the end of term will obtain one unit in chemistry. Credits held at present are as follows: English 4, Social Science 4½, Mathematics 4, Spanish 2, Science (natural and biological) 3½, Vocational Home Economics, 3, Vocational Agriculture 3, Public Speaking 1.

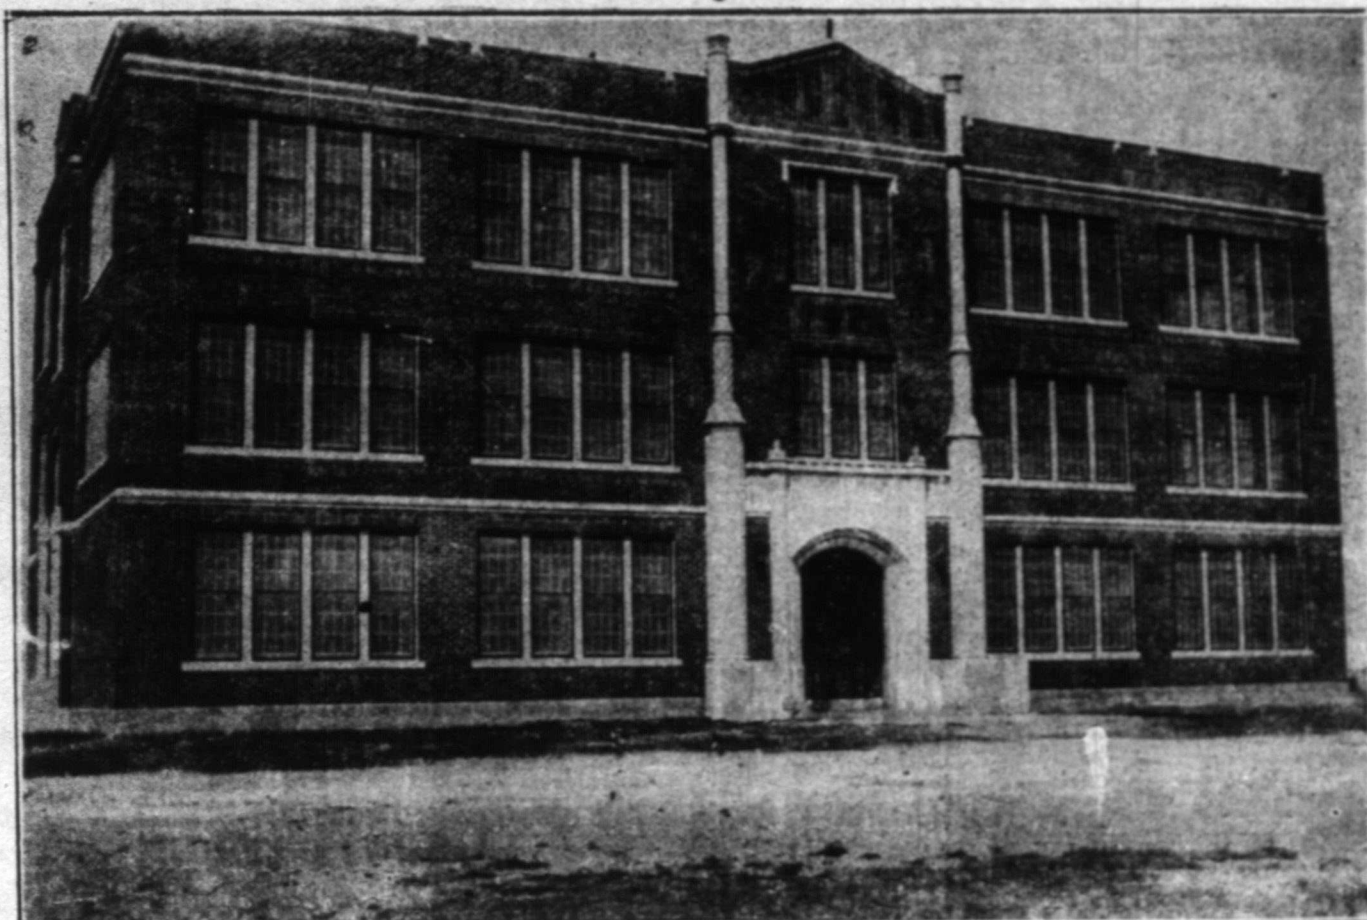

Beginning with the term 1929-30 courses in typewriting, commercial law, and short hand will be given. In addition, a high school band will be trained by John C. Alen, who has been added to the high school faculty for the coming year.

One of the greatest accomplishments of the local high school is in the musical line. The South Plains Glee Club is today entertaining the visitors at the Theatre. It won the distinction and the name of "South Plains Glee Club" by winning first place in the contests recently held at Lubbock. Among other fine musical organizations are the Girl's Choral Club, composed of more than seventy-five members, and the High School Quartet, also known as the "South Plains Quartet". Mrs. Jack Jackson is the able director of these musical organizations.

Tahoka is proud of her school buildings, her schools inside and out, and proud of the future citizens that are being prepared in her schools.

In reporting to us the names of Tahoka students appearing on the Honor Roll in the Texas Tech last week, the publicity reporter did not give the name of Henry Burkhalter for the reason that his residence is now at Lubbock. He is a Tahoka boy, however, having graduated from the Tahoka high school here. He made the honor roll last month, his grade being B-Plus. Louise was also on the honor roll at the Dupree public school.

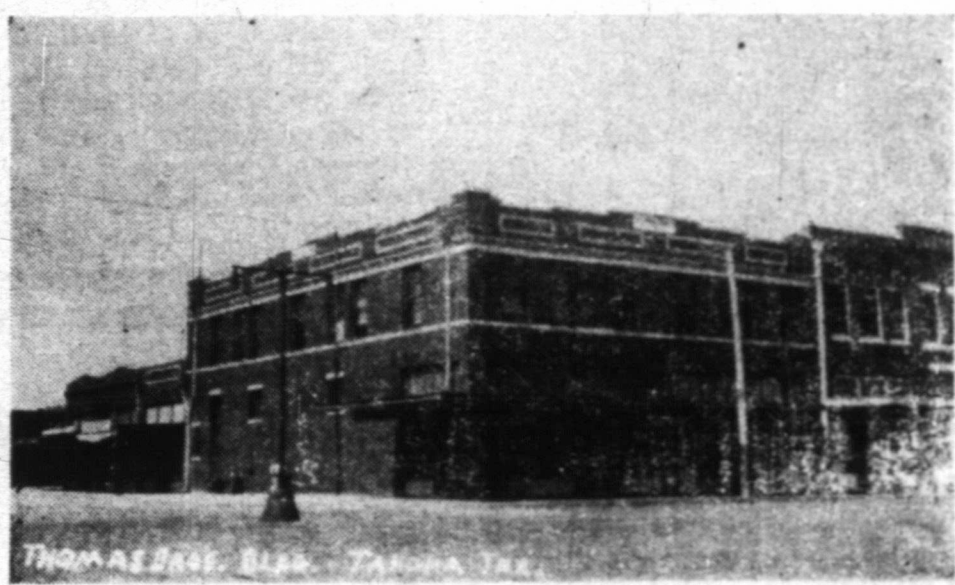

Tahoka's \$100,000 High School Building

Tahoka's school property is valued at \$200,000. The above building was erected in 1927 at a cost of \$100,000, and is considered by state school officials as being one of the best built, arranged and equipped buildings of its kind in Texas.

Other buildings are Central Ward and South Ward. A negro school is also operated by the district.

Northwest Corner of Square

"White Way" Work Starts Immediately

A "White Way" lighting system is to be installed in the business section of Tahoka according to an-

ouncement recently made by Judge I. R. Kelso, St. Louis, president, and H. L. Allen, Lubbock, dist. manager, of the Texas Utilities Company. Fifty-two standards are to be erected, and work of installing the system will begin immediately. The cost will be approximately \$5,000.

A "White Way" has long been desired by the city, W. S. Anglin and Dr. J. R. Singleton, having first outlined plans for one in 1924; and now Mr. Anglin says, Tahoka is to be one of the best lighted towns on the entire plains.

Texas Utilities has also granted the city of Tahoka a thirty per cent decrease in city water pumping rates, which decrease will practically take care of the cost of operation of the "White Way" system. The company will install the standards and the city will pay for the "juice."

Since Texas Utilities bought the light and power plant from the city a little over a year ago, 148 additional connections have been made raising the total to 480.

EBENEZER BAPTIST S. S. CONDUCTS CONTEST

A most spirited contest among the classes of the Ebenezer Baptist Sunday School, colored, has just closed, according to George Bivins, a member and leader. A box of chocolate candy and a bouquet of flowers was given by H. H. Gilyard, superintendent, to the class raising the largest amount of money during a given time. Class No. 1 taught by Daisy Deo raised \$3.05.

Class No. 2 taught by Rev. J. Jackson raised \$4.41.

Class No. 3 taught by C. C. Shaw raised \$3.38.

Total raised \$10.84.

Total in the Treasury \$21.88.

The Church and Sunday school are doing good work among the colored population of the city. H. H. Gilyard is superintendent and Nettie Ransom is secretary.

CENTRAL WARD SCHOOL EXHIBITS SHOWN NEXT WEEK

Exhibits of the work being done by the pupils of the Central Ward school will be on display at that building Thursday and Friday of next week. May 2 and 3, according to Mrs. Calie Baze, the principal. Parents and others interested are invited to come and inspect this work. The exhibits shown last year were pronounced very fine by all who saw them. Those who have never seen these exhibits will be surprised at the proficiency and progress which they reveal on the part of many of the students.

Mrs. D. T. Rogers underwent an operation for appendicitis in a Lubbock Sanitarium Friday morning. The operation was a very serious one and the patient was suffering considerably the first of this week but it is hoped that her condition would improve.

Cows and Chickens Make Cook's Living

F. P. Cook, who lives up the Santa Fe half way between Tahoka and Wilson, dropped in Saturday to place his name on our subscription list and to make provision for other good reading matter. Mr. Cook says he thinks every man should take his county paper and he had been doing without the Lynn County News long enough.

Mr. Cook has been on these plains many years. He says he is just an old "cow-puncher" undertaking to farm. He makes his living from his cows and chickens and farms as a side-line, he says. He has three Jersey cows and about 90 hens and he says that they bring him about \$2.00 per day, or \$60.00 per month. A few Jersey cows and a flock of good hens on every farm in Lynn county spells Prosperity.

"A WOMAN OF AFFAIRS" STARS GILBERT AND GARBO

John Gilbert and Greta Garbo have been given another opportunity to enjoy close-ups together in "A Woman of Affairs", a Metro-Goldwyn-Mayer picture, which will show at the English theatre Monday and Tuesday.

The film is from a story by Michael Arlen, and was directed by Clarence Brown, who, it will be recalled, also

guided the two stars through what might modestly be described as rather more than less affectionate sequences of "Flesh and the Devil"

Information is that the producers after assuring themselves that the picture was not likely to fall very far below normal, decided that the occasion was worthy of an "all-star" cast. So they picked Lewis Stone, Hobart Bosworth, Douglas Fairbanks, Jr., John Mack Brown and Dorothy Sebastian to take the more important roles.

The announced purpose of the studio was to make as nearly a perfect background as possible, of author, director and cast, for the two stars, whose success individually has been unusual, and whose appearance together in "Flesh and the Devil" and in "Love" disclosed the great interest in them not only on, but also off, the screen.

NEW FORD TOWN CAR IS ON DISPLAY HERE

Ches'er Connolly, local Ford Agent has been fortunate in securing one of the New Ford town cars for display today at the West Texas Chamber of Commerce convention.

The car is Ford's most beautiful and luxuriously built automobile. The car is here for today only.

The Lynn County News and Semi-Weekly Farm News, 1 year, \$2.00.

14,000 Bales Cotton Shipped From Here

About 14,000 bales of cotton have been shipped from Tahoka during the season of 1928-29 just closed. More than 40,000 bales have been ginned in the county.

There are twenty-three gins in Lynn County, seven at O'Donnell, six at Tahoka, three at Wilson, one at Draw, one at Grassland, one at New Lynn, one at Gordon, one at New Home, one at Wells, and one at New Moore.

Thomas Brothers gin at Grassland is the largest in the county and gins more cotton annually than any other single gin plant in the county. Most of the gins in the county are modern, up-to-date plants, some of them as good as can be found in Texas.

Man So Nervous Feels His Stomach Jump

"I got so nervous my stomach felt like it was jumping. Vinol entirely relieved the trouble. I feel better than in years."—J. C. Duke.

Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious.—Thomas Bros. Drug Co. T-4

Rupture Shield Expert Coming to Lubbock

Monday and Tuesday, May 6 and 7

At LUBBOCK HOTEL

From 10:00 A. M. to 3:00 P. M.

Evenings by Telephone Appointment Only

TWO DAYS ONLY

No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and fully developed ruptures but also with old, long neglected ones.

Ingenuous, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy legstraps are used.

I guarantee the durability of my absolutely sweat and moist proof sanitary appliances.

75 per cent of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

C. F. REDLICH, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota.

Fine Cattle on a Lynn County Ranch

COURT REFORMS

Governor Dan Moody did right in refusing to approve the act providing for another Court of Civil Appeals. We now have eleven too many courts of Civil Appeals in Texas all of which should be abolished entirely. What Texas needs is one supreme court, composed of one chief justice and five or seven associate justices. Trial courts should consist of district, county, justice and mayor's courts. The Co. court proper should be separated from the county commissioners court entirely. County judges should be required to hold license as a lawyer, from the supreme court of the state and should be paid a salary commensurate with the services to be performed, the minimum, not less than \$2500 per annum. County judges should not serve as ex-officio every organized county should have a duly qualified county school superintendent; but independent with a fair salary, the minimum not less than \$1500 per annum. Trial judges should be required to test qualifications of trial juries, by propounding certain prescribed questions. There is now no law to the contrary. Trial judges should be more lenient in granting new trials, and if he has a reasonable doubt that a case has not been fully developed, or that a material error has been committed, he should promptly on his own motion grant a new trial, or if necessary two new trials, so that litigation would end largely in the trial courts. The absolute certainty of prompt and commensurate punishment is the only deterrent of crime. Bail bonds and changes of venue should be abolished, and speedy public trials should be obtained. Pardons, paroles and furloughs should cease to be a disgrace to Texas. Pecuniary fines are an abomination, and should be substituted by the whipping post and confinement in the jails as a suitable punishment for misdemeanors are petty offenses.

WEAK, RUN-DOWN

Alabama Lady Could Hardly Lift Her Head. Began To Feel Stronger After Taking Cardui.

Loxley, Ala.—"I was in an awful bad state of health," says Mrs. Charles Jenkins, of this place. "I was all run-down and weak as could be. I did not have the strength of a kitten. Some days I could hardly lift my head from the pillow."

"I looked like a skeleton, I was so thin and haggard. It took all my will power to drag myself around the house. I never walked any farther than I had to, for it hurt me to stand on my feet."

"My back and sides hurt me until I thought I could not stand it. I saw myself growing gradually weaker and I did not know what to do. I tried several things but nothing helped me."

"One day I read about how other women had been helped by taking Cardui, so I thought I would try it. I found it a splendid medicine. After I began to take it, I soon began to feel stronger and able to do things."

"From that time to the present I have taken Cardui several times when I was run-down in health. It has never failed to help me. Cardui should help you, too. Get a bottle today."

H. J. R. No. 6.

A JOINT RESOLUTION proposing an amendment to the Constitution of the State of Texas providing for a Supreme Court of nine members, and for continuous session of that Court.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 3 of Article 5 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 5, Section 2. The Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; in other matters, until otherwise provided by Law, the jurisdiction of the Court shall be exercised under such regulations and orders as the Court by a majority vote may prescribe. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this state and unless he shall have attained the age of 30 years, and shall have been a practicing lawyer or a judge of a court, or such lawyer and judge together at least seven years. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State at a general election, shall hold their offices six years, or until their successors are elected and qualified, and shall receive such compensation as may be provided by law. In case of a vacancy in the office of Chief Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for State officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the State. The Judges of the Supreme Court who may be in office at the time this amendment takes effect shall continue in their office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. When this amendment takes effect, the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court, and, upon the qualifications of such new Justices, the Commission of Appeals of the State of Texas shall terminate."

"Article 5, Section 3. The Supreme Court shall have appellate Jurisdiction only except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law arising in cases of which the Courts of Civil Appeals have appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of Civil Appeals may hold differently on the same question of law, or where a Statute of the State is held void, and shall extend to such other questions as Law be within the Court's Appellate jurisdiction under the Statutes

of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by Law, the said Court, and the Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warrant and mandamus in such cases as may be specified except as against the Governor of the State.

The Supreme Court shall have power, upon affidavit or otherwise as by the Court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall be open at all times and shall sit at the State Capitol for the transaction of business at such times as may be designated by the Court.

The Supreme Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter, be required by law, and he may hold his office for four years and shall be subject to removal by said Court for good cause entered of record on the Minutes of said Court, who shall receive such compensation as the Legislature may provide."

Section 2. Said proposed Constitutional amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on Tuesday, July 16, 1929, at which election each voter opposing said proposed amendment shall scratch off of the ballot with pen or pencil the following words printed on said ballot: "For the amendment to the State Constitution providing for a Supreme Court of nine members and for a continuous session of that Court," and each voter favoring said proposed amendment shall scratch off the ballot in the same manner the following words printed on said ballot: "Against the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court." If it appears from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the State Constitution.

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held at pro-

vided by the Constitution and Laws of this State.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary is hereby appropriated out of the State

Treasury to pay for the expenses of said publication and election.

Approved February 19, 1929. (A Correct Copy)

Home of the Marion G. Bradley Post of the American Legion

The American Legion Home, shown above, is valued at from \$10,000 to \$12,000. It was built as a private residence, but was acquired by the local post last year.

The Marion G. Bradley Post with its women's auxiliary is one of the most active organizations in the city. The Post sponsors the local Boy Scout troop, and maintains its building as a sort of community center. The building is used by the County Home Demonstration Clubs for their town meetings, and the Phebe K. Warner Club, a study organization. Last year the local post ranked thirteenth in Texas in the Trophy Contest, and as a result it to receive from the Government a piece of heavy artillery.

BETTER HOMES WEEK SUCCESS

Many Women From Over County Attended Programs at Local American Legion Home

(By Miss Thelma Greenwald)

For the past week the American Legion Hall of this city has been extremely happy, because the Home Demonstration Clubs of Lynn County have given her a new dress and the attention she has been long due for those last few years.

The atmosphere has been changed from that of an unfurnished hall to that of a comfortable, convenient and beautiful home, what home would not be happy to be changed to a home—this which all civilization depends upon.

The County Home Demonstration Clubs of precinct four had charge of coats and the clubs of the various precincts were hostess for one day.

The furnishings to make the home complete were furnished by the various business houses of the town.

Monday was spent in cleaning, selecting and arranging the furniture.

Tuesday the Home Demonstration Clubs of precinct four had charge of the program. The following program was rendered:

Music—Dora Lois Colburn and Elizabeth Wynn.

Talk—Vitamins—Miss Margaret W. Weeks, Dean of Home Economics, Texas Tech College, Lubbock.

Miss Weeks discussed vitamins from the following standpoint: discovery, sources and necessity in life for prevention of disease and proper

CHILDREN'S FATAL DISEASES

Women and parasites in the intestines children's health and so women their health and they are unable to feed their children.

The vitamins are the best of these of vitamins. It destroys the slightly

THOMAS BROS. PHOT. CO.

CHICHESTER'S PILLS

THE GREAT COLIC PILLS

Relief in 15 minutes

Chichester's Pills are the only pills that will cure colic, constipation, indigestion, headache, neuralgia, rheumatism, and all other ailments of the bowels.

They are sold in all drug stores.

growth and development.

Miss Weeks stressed the fact of fresh vegetables and fruits being rich in the different vitamins but the fresh fruits are usually very expensive and her suggestion as well as the County Home Demonstration Agent's is that we can a sufficient supply of vitamins that are as good source of the needed vitamins as are fresh fruits, this will "cut down" on the grocery bill.

Wednesday the following program was rendered:

Music—Mrs. Hughes.

Gardening—Miss Maxwell, County Home Demonstration Agent, Quena County, Post, Texas.

Reading—Mrs. Roberts.

Solo—Mrs. Garner.

Visit to Taboka Hatchery.

Miss Maxwell's talk was centered chiefly around the adequate diet and that we could have a garden in West Texas.

The music numbers that were rendered were exceedingly fine. Especially did we appreciate our club poem "Home" by Edgar A. Guest given by Mrs. Roberts while Mrs. Hughes played "Home Sweet Home" on the piano softly.

The visit to the Hatchery was very interesting and educational. Here we saw the large incubator and about fifty baby chicks.

Thursday's Program was in charge of Precinct One. The following program was given:

Reading—Mary Jewell Crossland.

Piano Solo—Mrs. Sullivan.

Reading—Miss Margaret Tammill.

Piano Duet—Mrs. Sullivan and Miss Whittle.

Household Lenses—Miss Helen Swift, District Home Demonstration Agent, College Station, Texas.

Vocal Solo—Ruby Lee Waller.

The entire program was very good, especially Miss Swift's lecture and demonstration. Her Lenses included table lamps, pillow cases, lunchbox sets, socks, hand towels, face towels and bath towels. She discussed this from standpoint of selection of material, suitable finishes or decorations.

Friday, the program was in charge of Precinct No. 2.

The following program was given:

Music—Mrs. Jack Jackson.

Yard Beautification and What to Plant—Supt. D. L. Jones, Experiment Station, Lubbock.

The music rendered by Mrs. Jack

son and was appreciated by all.

The talk by Mr. Jones was very good indeed. He stressed the value of improving the yards in a systematic rather than haphazard way. He gave the women suggestions as to how they might improve their yards and also names of trees and shrubs that were best suited for this country.

Friday the 4-H Club girls of the county entertained the business men of the town. Rev. E. N. Shepherd gave a few remarks on home and its place in the life of a nation and its people.

Miss Alice, French of the New Lynn 4-H Club gave "The Country Girls Creed" which was very appropriate and well rendered.

Refreshments were served by the Club girls.

Saturday the Phebe K. Warner Club had charge of the program, the following program was rendered:

Music—Jimmy Jackson.

Music—Wells and Edwards Orchestra.

Talk—Better Music in the Home, Supt. M. L. E. Base.

Special Music—Members of Wells Edwards Orchestra.

Mrs. E. W. Fenton, Sr., was chairman of all meetings except the meeting on Saturday afternoon, then Mrs. Elliott took charge.

Lynn County had the best Better Homes Week in Texas last year and our motto is to "Make the Best Better" and everyone feels that is what we have done this year.

R. I. R. No. 2.

A JOINT RESOLUTION

Proposing an amendment to Section 5 of Article 4 of the Constitution of the State of Texas fixing the salary of the Governor; providing for its submission to the voters of the State of Texas as required by the Constitution, and making appropriation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5 of Article 4 of the Constitution of the State of Texas be so amended as to read as follows:

"Section 5. The Governor shall, at stated times, receive as compensation for his services an annual salary of One Thousand Dollars and no more, and shall have the use and occupation of the Governor's Mansion,

fixtures and furniture; provided that this amendment shall not become effective until the third Tuesday in January, 1931."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on July 16, 1929, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to the Constitution of the State of Texas fixing the salary of the Governor." And those voters opposing said proposed amendment shall write or have printed on their ballots the words: "Against the amendment to the Constitution of the State of Texas fixing the salary of the Governor."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution for amendments thereto.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in

the Treasury of the State of Texas not otherwise appropriated to pay the expense of such publication and election.

Approved March 19, 1928.

To Restore T-Anchor Ranch Headquarters

CANYON, Texas, April 23.—The headquarters of the old T-Anchor Ranch in Randall County will be restored by the Panhandle-Plains Historical Society and the house will be furnished with articles typical of the period which it served. It is possible that many of the furnishings which were actually used in the old ranch headquarters will be returned to it by the men who were cowboys there during the '80's.

One of the doors of the old ranch house has on it a skillful carving of the original T-Anchor brand. The house and 200 acres of land surrounding it now belongs to the plant of the West Texas State Teachers College.

Locals

Mr. and Mrs. L. F. Craft visited relatives at Blackwell Saturday and Sunday. The new oil well near Blackwell is situated on a tract of land adjoining the farm of Mr. Craft's father. Leonard was naturally just a bit excited, therefore, as he had a right to be. He reported that the well was producing 200 barrels per day already and it was believed that production would be greatly increased when the well was thoroughly cleaned out.

Mr. and Mrs. John C. Allen of Crosbyton, both of whom were recently elected to positions in the Tahoka schools, were here Saturday and stated that they would be here at the big Chamber of Commerce meeting Wednesday. Mr. Allen is the director of a school band and his band will be here to "pep up" the meeting.

Mr. and Mrs. P. Coleman visited relatives in Kent county Saturday. Upon their return home Sunday night, Mrs. Coleman left almost immediately in company with Mr. Coleman's brother from Portales, N. M., to visit her parents in Rannels County.

Messrs. J. T. and Morgan Gist, students in Texas Tech of Lubbock, visited in the Barker home last week end. Mr. Gist who will receive his B. S. Degree from the Texas Tech in May, assisted in the first Annual Engineering Show of the College, which was held last Saturday.

Sam Jones and daughter-in-law, Mrs. Mitchell Jones, of Canyon, came down Saturday to visit in the A. M. Tredway home. Mrs. Jones returned to Canyon Sunday but Mr. Jones will remain here several days. He is a nephew of Mrs. Tredway, who is seriously sick.

Mr. and Mrs. N. Piott, parents of Mrs. E. A. Park, and Mr. and Mrs. Geo. N. Piott, her brother and his wife, and George Wendell, all of Gainesville, were guests in the Park home here last week.

Mr. and Mrs. A. C. Gist of Colorado and Mrs. J. T. Gist spent the week end here with the latter's mother, Mrs. M. E. Barker. Mrs. J. T. Gist will remain with her mother here for a few weeks.

Messrs. Clarence Smith and Windell Parker, students in the Texas Tech, were guests in the home of Judge B. P. Maddox last week end. Mr. Smith is a nephew of Judge Maddox.

Mrs. J. W. Tipps of Los Angeles, California, is spending some time in the home of her sister, Mrs. W. S. Anglin, in order to be at the bedside of their mother, Mrs. Teague, who is seriously ill.

Mrs. A. M. Tredway, who has been seriously sick for several weeks, is showing no improvement. Her condition the past few days has been extremely critical.

Mr. and Mrs. W. A. Strickland are visiting at Hot Springs and Frog Smith, Ark. They expect to be away several weeks.

W. G. Briley and a party of Abilene friends were here Saturday inspecting some land in this county.

COUNTY GINS 34,217 BALES

Lynn County Stands Second on South Plains in Cotton Production For Five Years

Ten of the leading cotton producing counties of the South Plains produced nearly a quarter of a million bales of cotton last year and also during the year 1927. These same counties produced 437,337 bales in 1926.

The number of bales ginned in each of these counties for the years 1926, 1927, and 1928, as reported by the United Department of Commerce, is shown below:

	1926	1927	1928
Crosby	74,087	34,176	27,730
Dawson	40,663	40,666	28,976
Floyd	42,801	9,351	23,141
Garza	19,552	22,237	13,196
Hale	47,505	11,797	23,187
Hockley	28,500	14,749	10,280
Lamb	39,312	14,842	32,741
Lubbock	72,101	46,418	35,644
Lynn	50,338	41,870	34,217
Terry	22,478	13,268	9,746
Total	437,337	249,374	238,849

It will be seen from the above figures that in 1926 Crosby was first in production, Lubbock second, and Lynn third. In 1927 Lubbock was first, Lynn second, and Dawson third. In 1928 Lubbock was first, Lynn second, and Dawson third.

During a period of five years, 1924 to 1928 inclusive, Lubbock has stood first in total production, Lynn second, Crosby third, and Dawson fourth. During this five-year period Lubbock has produced 235,190 bales, Lynn 206,829, Crosby, 204,021, and Dawson 186,502. Lubbock's average annual production during this period was 47,038 bales, Lynn's 41,366, Crosby's 40,804, and Dawson's 37,300.

As evidences of the rapid development of this section, three of the ten counties listed above did not report any cotton ginned until 1923 and one reported none till 1924. Lamb and Terry do not appear on the list till 1923 and Hockley does not appear till 1924. The other seven counties of the ten above listed reported a total of 62,309 bales ginned in 1920.

The West Texas Chamber of Commerce is sending an invitation signed by Governor Dan Moody of Texas, Governor Dillon of New Mexico and Governor Phillips of Arizona to President Hoover asking that he attend the eleventh annual convention and the commemoration of the Gadsden Purchase at El Paso.

Put seashore coolness in your own living room

Cool and refresh yourself without getting pummeled by a boisterous surf and scalding your neck and arms with sunburn. Simply turn on the exhilarating breeze of a Westinghouse Fan, and make your home, or office, as restfully cool as a shady beach.

We sell Westinghouse Fans of all sizes—the Home Fan in either satin-black or ivory finish, and various types of commercial fans that bring relief to heat-weary workers. Whatever the type, any Westinghouse Fan delivers its breeze noiselessly, is smooth-running, economical—and will enable you to turn a "cold shoulder" to the heat of summer.

Just drop in or phone us—whichever is convenient—and we'll install seaside coolness in your home today.

The Fair Committee has plans formulated for the organization of the Lynn County Fair Association and plans to promote a greater and better Fair for Lynn County. The Civic Committee were instrumental in securing a White Way to be erected in Tahoka at an early date. This committee is working to secure city free mail delivery at an early date, committee is working to secure city free mail delivery at an early date, the streets have recently had names placed at each corner and all the houses have been numbered.

All the citizens are working for a greater Tahoka.

JUDGES AT A. & N.

(Continued From First Page)

ing the Dairy Show at Plainview, Ronnie King won a medal as the most proficient individual in the Jersey cattle judging contest. He won a prize of \$25.00 another prize of \$25.00 and still a third prize of \$25.00 in the dairy cattle judging contests. Twenty-six teams of three each, representing 78 individuals participated in these contests.

In the Intercollegiate Vocational Agriculture judging contests held at the Texas Tech a week later, the Tahoka team in livestock judging composed of Axel Willingham, Frank Willingham, and Roswell Edwards, won the silver loving cup as the most proficient team in this class of judging. Ronnie Willingham of the Tahoka team was the high point man among all the individuals participating.

All the other Tahoka teams in the contests both at Plainview and Lubbock ranked high according to Prof. White. While there will be many very proficient teams at the state contests at A. M. College this week, the Tahoka people are hoping that the Tahoka boys may be able to bring back some honors from that contest.

D. J. Robinson returned Saturday night from Reynolds, where he conducted the same services in a revival conducted there by the Baptist pastor last week. Dick reports a most successful meeting with about fifteen conversions and several additions to the church.

JESSE W. FULTON

(Contributed)

Jesse W. Fulton was buried in Tahoka Friday afternoon at 3:00 o'clock, April 19, 1929; age 25 years, and four months. He was born on Nov. 19, 1903, in Bell County, Texas; died April 12, 1929, in Ventura, California. He was taken seriously with acute obstruction and died on the operating table. The remains were shipped back to Lubbock, and Harris & Applewhite, undertakers, took charge and brought the corpse to Tahoka. Services were held at the Church of Christ. There was a large funeral procession from Lubbock to Tahoka. The church was crowded to its capacity, Mr. Fulton being well acquainted at Lubbock, New Home and Tahoka. All of his closest relatives were present at the funeral.

He was the oldest son of Mr. and Mrs. J. P. Fulton of New Home. Those of the family present were: his wife, Mrs. J. W. Fulton, and son, J. W. Fulton, Jr.; parents, Mr. and Mrs. J. P. Fulton of New Home; brothers and sisters present were Mrs. W. M. Horton of Santa Paulo, Calif., Mr. and Mrs. J. D. Gannaway of Amarillo, Mr. and Mrs. B. E. Guess of Rogers, Mr. and Mrs. E. O. White of Tahoka and Milton Fulton of New Home. Also many other relatives of the deceased were present.

The active pall bearers were Truett Smith, Garland McWhorter, Elmer Rice, Wayman Smith, and Dudolph Middleton. Honorary pall bearers were Sam Smith, R. H. Bates, P. W. Goad, E. K. DePriest, Jim Izard, and P. H. Renfro.

Mr. Fulton was a well known young man and had many friends.

CARD OF THANKS

We wish to thank our many friends for the beautiful floral offerings and kind sympathy given on the death of our beloved husband, father, son and brother, Jesse W. Fulton.

NOTICE TO RURAL SCHOOL PATRONS AND TEACHERS

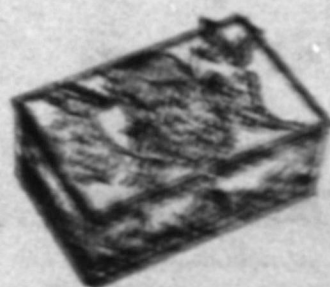

College Entrance examinations will be held in the office of the County Superintendent on May 7, 8, 9, 10th. Children taking and passing these examinations will receive credit on the subjects passed which entitles them to entrance to college the same as if the work had been done in regularly affiliated schools. Only a few children in this county have availed themselves of this opportunity in the past. There should be a large number to take these examinations this year. If you are at all interested, see the County Superintendent for full particulars.

Every person who registers will be charged one dollar and he or she will be provided with a badge which will entitle the wearer to admission to the banquet.

BEDWELL INFANT BABY DIES IN PLAINVIEW

Wendell Lee, 11 months and 23 days old infant son of Mr. and Mrs. C. M. Bedwell of Gasoline and grandson of Mr. and Mrs. J. S. McKaughan of this city, died in a Plainview hospital on March 28, following an

illness which continued from Jan. 12. Interment was made the following day in Quitaque-Gasoline cemetery, Rev. W. M. Draper of Quitaque officiating. The mother was well known here as Cleo McKaughan and the many friends of the family deeply sympathize with them in this sad bereavement. There is nothing more heart-breaking to a mother than for her infant to be called by Death.

WAR TROPHIES AWARDED POST

High Record of Local Legionists Results in Awarding War Trophies to Tahoka

The following communication which is self-explanatory has been received by Emmett Fleming, Post Commander of the Marion G. Bradley Post of the American Legion:

"The Adjutant General of Texas advises our office that shipment of being made today by freight to you a settlement of small arms captured German and Austrian War Trophies allotted your city an American Legion Post as a result of the first showing your Post made in membership and other worthy Legion activities in the War Trophy Contest held last year.

"The Governor of Texas, his War Trophy Committee, and the Department Commander of last year, Walton D. Hood, joins with the present Commander, Rufus F. Scott, Jr., and his Headquarters Staff in complimenting your city on having a Legion Post that stood among the first sixty Posts in Texas in this contest.

"It is the desire of the Legion State officials that the general public be allowed full privilege of viewing these Trophies at all times. It must be understood they are not to be distributed to the individual membership of the Legion, but belong to the citizenship and are placed in the care of the American Legion for safe keeping. If your Legion Post has not a suitable Home, Club House, or quarters where they may be kept, it is suggested that they be placed in some suitable municipal or county building or school house until the Legion acquires a suitable place.

"We are asking the Post to see that the Trophies are properly cleaned up, and then to hold dedication services, open to the public. "If your Legion membership and other activities are below those of last year that secured these Trophies, take full advantage of this opportunity to build your local organization into a permanent and helpful, real community asset.

By direction of the commander,
ROSS R. COLE, Adjutant.
ERNEST C. COX, Asst. Adj.

Tahoka C. of C. Visits at Morgan

The Good-Will party of the Tahoka Chamber of Commerce made a trip to Morgan community last Friday night where they were greeted with a filled house of about one hundred and fifty people of the Morgan community. It was a delight and pleasure to those attending the meeting from Tahoka to meet with these people on this friendly occasion. This was the third Good-Will meeting and was pronounced a great success by those attending it.

Morgan is one of the most progressive and wide awake communities in Lynn County as was evidenced by the wide interest which is manifested by the people of that community last Friday night. Morgan is about eight miles east of Wilson and they have a nice two-room hotel and school house. A fine community spirit exists in the community and they have a fine school under the direction of Mrs. Taylor.

The program Friday night, was received and enjoyed was presided over by Mr. L. H. Taylor, Principal. The program as rendered was follows:

"America" sung by the audience.
A talk on the Lynn County Fair by Mr. G. H. Nelson and Mr. Taylor.

Reading—Mrs. L. H. Taylor
Community Building—Judge G. Grider.

Duet—Mr. and Mrs. Clyde Shaw
Morgan Community.
Chamber of Commerce and Its Work—C. C. Williams.

The Tahoka High School Quartet gave several selections with Jackson, teacher of voice in the Tahoka High School at the piano. Quartette was made up of Roy Jones, Frank Sargent, Jim Jackson and Roswell Edwards. Other Tahoka people attending the meeting were A. Bradford, Tobe Kennedy, and Taylor White.

The Lynn County News and Sunday Farm News, 1 year, \$2.50

until your chicks are 6 weeks old

then, until maturity

you should keep SUPERIOR Growing Mash Chick Starter before them all the time. Feed it in hoppers, boxes, troughs; but remember—no matter how you feed it—keep the hoppers full, all the time! It's built with water, the best and SUPERIOR Chick Starter when the birds are four days old in the SUPERIOR Way; it raises more chicks than any other feed in the Southwest!

your birds, young birds, need SUPERIOR Growing Mash. This is the change from SUPERIOR Starter to Growing Mash—and from Chick Starter to Growing Mash. Now hoppers full of Growing Mash all the time. See the SUPERIOR Dealer in your town for the educational literature and complete directions for feeding, care and management of both poultry and hens.

WE WANT A SUPERIOR Feed for Every Need
