OFFICERS GET WOMAN ROBBER

Whiter Walker Arrested in Birmingham, Alabama, For Local Robbery

Mrs. Delois Walker, wife of "Whiter" Walker, notorious bandit in the penitentiary, is under arrest in Birmingham, Alabama, charged with the burglary of the store of the Tahoka Drug Company here a few months ago, and Sheriff Sam Sanford accompanied by county commissioner Walker Florence and armed with requisition papers issued by Governor Moody on the governor of Alabama left Monday night to bring the noted prisoner back to Tahoka.

Mrs. Walker was arrested by Birmingham authorities on a vagrancy charge while she was seated at the wheel of an expensive automobile on July 23, according to Press reports. She thereafter Lloyd Fulton was arrested by Midland authorities upon information given them by Sheriff Sanford and he was brought to Tahoka and lodged in jail. He is said to have made a statement in which he named Mrs. Walker and one "Whiter" Wheeler in the Tahoka job. Mrs. Walker was arrested in Lubbock the last part of last week and brought to Tahoka Saturday. He is still in jail. Fulton has been held here since Mrs. Walker until a message came that Birmingham authorities had her under arrest. District Attorney T. L. Price last week made application to Governor Moody for requisition papers, and Mr. Sanford left Tahoka as soon as the proper papers were received. He and Mr. Price are expected back with their families about the last of this week.

Amendments Carry In Only One Box

The commissioners' court convened in the election returns Monday and the total of 429 votes cast in the election held on the last week on the two amended constitutional amendments. An enlargement of the supreme court there were 85 votes, against the increase in governor's salary 29 votes, against 329.

Amendments returned last week were: Three Lakes, and New Moore is the county that gave a majority for them.

Amendments Were Defeated, Apparent

Press dispatches from Austin Thursday morning indicate that the belief was general there that both of the constitutional amendments submitted to the voters on July 16 had been defeated. Later returns coming in from the rural districts seem to have overcome the early lead of more than two to one given for the amendments in the cities.

CAR WRECKED; THREE INJURED

Lampasas Family Turn Car Over On Highway South of Town.

All Improving

The new Ford car of B. F. Seals, occupied by himself, wife, son, and daughter, all of Lampasas, turned over on the highway six miles south of Tahoka Wednesday morning, resulting in painful injuries to himself and wife and slight injuries to the son. His shoulder was severely wrenched and hurt but the injury is pronounced as only temporary. Mrs. Seals received a severe injury over the left eye and a painful injury to the chest. The son received only some bruises about the body while the daughter was uninjured. Mrs. Seals was more severely injured than any of the others. The family were being cared for following the accident in a farm house near the scene of the accident. They were on their way from Levelland, where they had been visiting, to Lampasas, where they had relatives, and it was the judgment of the attending physician that they would be able to proceed on their way to Lampasas either Wednesday at noon or Thursday morning.

The car which they were driving was also badly damaged. One wheel, two casings, and a fender were utterly ruined and the top was badly damaged.

Mr. Seal's version of the accident was that the car developed a "flat". He applied the brakes, evidently too quickly, and the car toppled over, turning topsy-turvy with the occupants underneath. They called a passing car for a doctor, and the driver hastened to Tahoka and summoned a physician, his impression being that some of the party had been fatally injured.

Dimple Calaway Weds Canyon Man

Miss Dimple Callaway became the bride at 9:30 Sunday morning of Mr. Ralph Cates of Canyon, the beautiful wedding ceremony being performed at the residence of the bride's parents, Mr. and Mrs. H. W. Calaway. Rev. D. D. Johnson, missionary of the Brownfield Baptist Association, officiated.

Miss Dimple was one of Tahoka's finest and fairest young girls. She was practically reared here. She attended the high school here and the Normal High School of the Canyon College, and was exceeding popular among her associates. She was given a beautiful wedding shower at the home of Mrs. Ovil Laallin Saturday afternoon and received many valuable gifts.

Mr. Cates is a young business man of Canyon. He is not well known here but is said to be a most worthy young gentleman.

The young couple will make their home in Canyon. They have the best wishes of great hosts of friends.

Docket For County Court Is Light

County court convened here Monday but the docket is light and not much business is being transacted further than the entering of some orders in probate matters.

The criminal docket will be called next Monday morning and two days will be given to the disposition of the criminal cases. The next three days will be devoted to civil matters. A jury will be here next Monday morning to hear such cases as may be ready for trial. A jury has been called for only one week of the present term.

Mmes. Edwin Horstein of Chickasha, Okla., and James M. Ney of Phoenix, Ariz., are visiting in the home of their father, Rev. J. M. Dasher and family.

WOMEN HOLD DRESS CONTEST

Mesdames L. C. Crews, Jack Nettles, and J. L. Earles Winners of H. D. Contest

The tailored wash dress contest was held here Saturday at the American Legion Home. Miss Thelma Greenwood County Home Demonstration Agent, in charge. Miss Mamie Maxwell of Post did the judging.

There were twenty-three contestants, and the dresses were so beautifully made that a decision was hard to reach. Miss Greenwood stated to the News: "Each woman had chosen correct colors and suitable designs and the workmanship was splendid. After much worry and studying, the following decision was given: First place, Mrs. L. C. Crews of the T-Bar Club; second place, Mrs. Jack Nettles of the Lakeview Club; third place, Mrs. J. L. Earles of the O'Donnell Club."

The winner of the first place was given a trip to A. & M. Short Course by the Chamber of Commerce and the Kiwanis Club of Tahoka. The second place winner received a quick Mayonnaise set for her prize. The third place winner received a book on sewing called "Sewing Made Easy", and we hope Mrs. Earles' sewing will not be so hard for her from now on.

The agent wishes to thank and congratulate the contestants for their cooperation. It was indeed a pleasure to work with you, and we are hoping for several other contestants next year."

Should Register All Births and Deaths

(By C. C. Williams)

The local Chamber of Commerce is in receipt of a letter from Joseph E. Leopold, manager of the Southwestern Branch of the United States Chamber of Commerce with a copy of a letter from the Census Bureau of the U. S. Department of Commerce in which both are requesting that the public give some thought to and secure the enforcement of the death and birth registration in Texas.

"Texas is one of three states, namely, Texas, New Mexico, and South Dakota not included in the birth and death registration area" says Mr. Leopold.

The trouble caused the American Legion boys in securing compensation, and having to go to the trouble of getting sworn statements as to their birth in order to secure a passport which would enable him to leave and return to United States.

The Bureau of Census states "there were approximately 2,100 deaths of infants in Texas during 1928 where the death certificate was filed, but no birth certificate had ever been placed on record. This would indicate a great deal of laxness on the part of doctors and midwives who attended the births of children in this state."

Women's and Girls' Demonstration Clubs Hold Annual Encampments

(By Miss Thelma Greenwade)

The 4-H Club girls of Lynn county held the annual encampment at the American Legion home Friday, July 19.

The camp organized Friday morning, electing Virginia Inklebarger chairman, Laura Edwards sec'y., and Jamie McCaskey song leader.

After this business meeting we had a general "pop meeting". This put much enthusiasm into the camp.

Dinner was served in picnic style under the trees at the back of the Legion Home. This was enjoyed by every one.

That afternoon Dr. Durham talked on Teeth and Their Care, which was very instructive and was appreciated by all.

We had the pleasure of having the commissioners' court of the county with us for awhile. We enjoyed very much their presence and the words of encouragement and appreciation given us by them.

The dining room of the American Legion Home served as a place for

C. OF C. VISITS THREE LAKES

Good Crowd Present At Tuesday Night's C. of C. Good Will Program

The Tahoka Chamber of Commerce held its weekly good will meeting at Three Lakes last Tuesday evening with a good crowd present from both Tahoka and Three Lakes.

The meeting was opened by G. W. Hickerson of Three Lakes, who welcomed the visitors and introduced County Judge G. C. Grider, who presided over the meeting. A fine program was rendered by County Attorney G. H. Nelson, the South Plains Quartet, which is composed of Jim Jackson, Boswell Edwards, Coleman Cywan and Clifton Janka substituting for Frank Sargent, who was unable to be present. C. C. Williams, secretary of the Tahoka Chamber of Commerce, made a short talk about the purpose of the Tahoka Chamber of Commerce and urged the cooperation of the people of Lynn county in the Lynn county Fair which will be held at Tahoka on September 25 and 26, and other numbers.

Others attending the meeting from Tahoka were: Mr. and Mrs. J. K. Applewhite, Mr. and Mrs. Claude Wells, Mr. and Mrs. Kemp, Mrs. G. H. Nelson, A. F. Martin, W. G. Tarrence, Burton Hackney, H. B. Howell, Jim Weatherford, Guy Sherrod and Robert Benson.

The next good will meeting will be held at Redwinb next Tuesday evening and an interesting program is being planned.

Hi-League Members Enjoy Lawn Party

On Friday night, July 19, the members of the M. E. Hi-League held a delightful lawn party at the home of their counselor, Mrs. W. E. Sudarth. If laughter is any indication of enjoyment everyone present undoubtedly had a good time. After various games on the lawn, refreshments of brick ice cream and cakes were served by Miss Mabel Lee, head of the Recreation Department to the seventeen assembled guests.

The evening was rounded out with a "sing-song" around the piano, at which Miss Lee presided.

The attendance was not quite so large as usual due to the absence from town of several Leaguers: Miss Lorene Childers enjoying a vacation in California; Frank Sargent singing in a revival meeting at Wilson; Beal Brashear with his father at San Angelo; and Jesse Roberson still sojourning in East Texas; with a few others unavoidably absent.

Within this week and next, these young folk will co-operate with their pastor in the pending Methodist revival beginning August 4th, by taking a community church survey. They will appreciate the courtesy of the people in giving them the brief religious statistics they require.

Oil Test Is Down Past 4,200 Feet

There has been some delay in drilling on the Ash Syndicate well the past week on account of a fishing job and other minor troubles. Drilling has been resumed, however, and on Wednesday afternoon a depth of more than 4200 feet had been reached.

FAIR PREMIUM LIST PRINTED

Catalogue Ready For Distribution: Many Communities Will Place Exhibits

(By C. C. Williams)

Plans are still going forward toward the greatest and best county fair in the history of Lynn county. The catalogues have been printed and are ready for distribution. According to President Claude Wells and Manager Taylor White more community exhibits have been pledged and much better and larger swine, poultry, dairy cattle and individual agricultural exhibits will be at the fair this year.

Plans are under way to secure a much larger and better carnival than last year, and other entertaining features will be worked out for the entertainment of the visitors. A horse shoe pitching contest has already been scheduled which is expected to furnish plenty of fun for the horse shoe fans of the county.

The parade scheduled to start at ten o'clock promises to be a very interesting part of the program. Each community in Lynn county is requested to have a community agricultural exhibit at the fair. Beginning next week the Lynn County News will carry a list of the communities which have their committees appointed to place their community exhibits at the Fair. If your community has not its committee appointed it is hoped that you will see that it is appointed and the secretary of the Fair Association notified and the name of your community will be carried in the list. This list will be printed each week until the time of the Fair.

You may get Fair catalogues from the Director of the Lynn County Fair of your community, Chamber of Commerce office at Wilson, O'Donnell and Tahoka, or from the Vocational Agricultural teachers at Wilson and O'Donnell.

Old Ketter Home, Landmark, Burns

The old Ketter home in the southern outskirts of Tahoka was totally destroyed by fire on last Thursday night. The fire is said to have originated from a gasoline stove explosion. Two men, we understand, were occupying the residence temporarily at the time. The property belonged to J. E. Fortenberry. He carried insurance on the building in the sum of \$2,100. The fire boys responded promptly when the alarm was turned in but the flames had already made too great headway for the building to be saved.

This residence was one of the oldest residences in town. Tahoka was quite a small village when it was constructed. The Keters had not resided in it for several years and it had changed hands several times during the past three or four years.

To Paint 'Tahoka' On Court House

At a meeting of the commissioners court Monday, the painting of the word "Tahoka" on the roof of the court house for the benefit of aviators was authorized. The letters will be six feet high and the name will stretch almost entirely across the roof. This action was taken in response to a request made by some of the aviation organizations.

BAPTIST PASTOR TO HOLD REVIVAL AT SOUTH WARD

Announcement is made that Rev. R. N. Shepherd, pastor of the Baptist Church here will begin a revival meeting at South Ward school house on the first Sunday in August to continue a week or ten days. Everybody is invited to attend the services and all Christians are expected to cooperate.

SHORT COURSE TO DRAW MANY

Large Delegation Going From Lynn County to A. & M.; Leave Here Saturday

(By Miss Thelma Greenwade)

The Farmers' Short Course which is held annually at the A. & M. College of Texas will be held July 29 to August 3.

The largest number ever attending the Short Course from Lynn county will leave Saturday night. They will leave on a special train to College Station.

Each Women's Home Demonstration Club in the county will have a representative. They are as follows: Mrs. J. B. Love and Mrs. Lloyd R. McCormick of New Home, Mrs. L. H. Moore of Lakeview, Mrs. A. L. Fashion of Wilson, Mrs. W. Bartn of New Lynn, Mrs. J. O. Patterson and Mrs. R. W. Fenton of Edith, Mrs. A. A. Lawson of Grassland, Mrs. J. C. Veach of Draw, Mrs. J. R. Strain of Midway, Mrs. J. H. Moore of T-Bar, Mrs. C. W. Switzer of New Moore, Mrs. G. W. Hickerson of Three Lakes, and Mrs. J. L. Earles of O'Donnell.

There will be three representatives who will go as a result of two contests, namely, the Living Room contest class I, and Mrs. S. M. Clayton, winner in class II; Mrs. L. C. Crews of T-Bar was winner of the Tailored Wash Dress contest. This prize was donated by the Chamber of Commerce and the Kiwanis Club of Tahoka. This cooperation is splendid and very greatly appreciated.

The girls 4-H Clubs will also have some representatives. They are as follows: Cleo Corley of Dixie, Marie Owens of Edith, Bertie Payne of Joe Bailey, Mildred Crews of T-Bar, Virginia Inklebarger of Grassland, Edna Merle Parks of Draw, and Alecie French of New Lynn.

The train will leave Post Saturday night at 11:30. Every one is planning on a wonderful time.

McDonald Rebuilds Gin At New Home

J. W. McDonald of Lamesa and W. J. Ely of Snyder were here Tuesday and announced that they had just completed the building of a new gin at New Home on the same lot where their old gin was destroyed by fire last winter. Machinery and equipment for the new plant is now arriving and being placed, and the new gin will be ready for business before the ginning season opens in the fall. The new plant is to be a four-stand eighty-saw gin, and it is said that the very latest and most highly improved gin machinery is being installed. G. H. McDonald of Abilene is also one of the stock holders in the McDonald-Ely Company that is installing this gin.

There is another up-to-date gin at New Home, and with one or two more showers at the proper time it is believed that the cotton crop in that vicinity will keep them both busy through the ginning season. The cotton prospects now are most excellent, though a rain at this time would benefit the crop.

Methodist Pastor To Fill Pulpit Sunday

Rev. R. T. Bredlove returned Wednesday from Aiken, Floyd county, where he had been engaged in a revival meeting, and has asked us to announce that he will be here for both services in his church Sunday. He will be glad to greet all his members in their pews Sunday morning at 11 and again in the evening.

Brother Bredlove had an unusual successful meeting at Aiken. There were fifty or sixty professions of faith and many accessions to the Church.

Are Making Repairs On Central Ward

The interior of the class rooms at the Central Ward school building are being re-arranged and other minor repairs are being made. The premises surrounding this building were recently improved, Bermuda grass being set out over a portion of it. These repairs render the building and the grounds more attractive and will add to the convenience and comfort of the class rooms.

Locals

A party consisting of Joe Liles, Misses Kaleta and Lillian Liles, and Miss Bernice Hatcher of Abene, and Mr. and Mrs. B. Norman and little children, of Grassland were the dinner guests of Mrs. C. L. Taylor of the Magnolia community last Saturday evening. Ice cream was served and music furnished the diversion for the occasion.

S. A. Cantrell of Del Rio has been here this week looking at the town and country. He is foreman of a ranch near Del Rio and has been a cowboy since he was twelve years of age. He was all over this country before there was scarcely a white resident in Lynn county.

Mr. and Mrs. J. L. Heare spent Wednesday and Thursday in and on the way to and from the Carlsbad Cavern, where they went for the first time to explore its magnificent reaches and to behold its majestic beauty.

Edgar Hays, linotype operator in The News office, left Saturday afternoon to spend two weeks vacation with home folks at Bowie. His absence will entail additional work on other members of the News force, and our business men and others can help us somewhat by getting copy for their ads, announcements, and other matter in to this office as early as possible next week.

Mr. and Mrs. C. W. Hill and Mrs. A. Z. Jackson left Tuesday morning for Dallas, where each are visiting relatives. They were accompanied as far as Mineral Wells by Mrs. Dr. Chaney, who is to visit relatives there.

J. C. Cook and family, Mrs. D. H. Goodnough, and Miss Edie Butler of Gorman are here as guests of D. H. Goodnough and family. Most of the party visited the Carlsbad Cavern Monday.

Mrs. Eula Peters of Oakland, California, is here visiting in the home of Mr. and Mrs. C. L. Taylor, who reside near Magnolia.

Prof. R. E. Key spent Sunday in Amberst, where he spoke at both the morning and evening services in furtherance of Sunday School work. In the evening he and a number of local Sunday School workers also rendered a program depicting a beautiful home scene, as was done in the church here several months ago. Other congregations in the town dismissed for the service and the house was filled to overflowing. It is said to have been a most inspiring and helpful occasion.

Mr. and Mrs. Hogue Cash and Mrs. Joel Tullous and baby of McGee, Arkansas, Mr. and Mrs. J. H. Trusty of Comanche, Oklahoma, and Mr. and Mrs. W. M. McNeil and son of Knott, Howard county, were the guests of C. T. and J. E. Oliver and families last week. The visiting ladies are sisters of the Messrs. Oliver. It was the first time in twenty-two years that the four sisters had been together. It was a family reunion that all enjoyed very much.

Mr. and Mrs. S. T. Blanton and children of Waco are here this week as guests of W. C. and T. J. Renfro. He and T. J. Renfro Jr. are spending much of their time out in the T-Bar pasture shooting prairie dogs. Hundreds of the little rodents have fallen as victims of their deadly marksmanship. There are no prairie dogs in Central Texas, and Mr. Blanton regards the shooting of these pestiferous little animals as great sport.

Mr. and Mrs. E. E. King and Mr. and Mrs. Leroy Knight returned Sunday night from a week's vacation trip which took them as far as Corpus Christi and the Lower Rio Grande Valley. They spent Saturday night with Mr. and Mrs. Happy Smith and little daughter in San Antonio. They report that Happy is prospering, being connected with a big real estate firm there.

L. M. Nordyke, Arthur Beard, Tom Beard, and Lonnie Williams, of the a fishing trip down on the Concho. Redwine community returned Sunday from a fishing trip down on the Concho. They report that in three days time they caught 200 pounds of fish and had a wonderful time.

F. E. Redwine reports that his nephew, Bert Stires, 21, now of Hale Center but formerly of Tahoka, underwent an operation for appendicitis in a Lubbock sanitarium Saturday and has been in a very grave condition. Hopes are now entertained for his recovery.

J. F. Climer and family of Hillsboro visited Mr. and Mrs. A. L. Dunagan of Dixie community and other relatives in Lubbock this week. Mr. Climer is a brother of Mrs. Dunagan. This is Mr. Climer's first visit to the plains and he says it is a wonderful country.

Mrs. J. B. Cherry and daughters, Misses Jessie Belle and Theda, and son, Teddy, left for their home at Sanger Tuesday morning after a few days visit with Mr. and Mrs. L. A. Cherry here. Mrs. Cherry accompanied the party back to their home to visit a few days there.

Verner Smith returned home Tuesday from a week's visit with relatives in Fort Worth. His father, who is also father of Mrs. Taylor White, returned with him to spend some time in the White home.

Mr. and Mrs. M. C. Kelley and four children left Tuesday morning for their home in Lockhart, after having spent several days here as the guests of Sam Sanford and family.

Frank Larkin is constructing a new five-room house out in north-west Tahoka. It will be of Spanish style of architecture with stucco finish, and will be an attractive home.

Mr. and Mrs. Coleman Wells have had as their guests the past week their cousins, Mrs. John Hendrix and daughters, Misses Inez and Lois Hendrix, Mrs. Ethel Adams, Miss Ada Bradford, and Miss Ruth Carter, all of Palestine. They are leaving today for a visit to Carlsbad Cavern and El Paso. Coleman says he thinks they intend to cross over into Juarez in search of a Bull fight. This was their first trip to the Plains and none of the party had ever seen a prairie dog or even a jack rabbit. They spent much time out in the "tall timber" of the T-Bar watching the antics of the always interesting prairie dog and rousting up a jack rabbit now and then just to see him run. Coleman says they had a lot of fun while here, and they will doubtless find great pleasure in relating their most interesting experiences to their friends down in the "Piney woods" after their return home. W. R. Neyland is spending a few days in Dallas on business.

Albert Downing of New Home was arrested Saturday upon a complaint filed in the justice court here charging him with the crime of arson in connection with the burning of the C. L. Dickson residence several weeks ago. The accused has made bond. His case will be investigated by the next grand jury.

Mrs. Emma Hardin of Austin spent a few days here with her sister-in-law, Mrs. W. S. Street. She left Wednesday morning for a few days visit with relatives in Amarillo.

Elder W. A. Kercheville returned home Tuesday from some place near San Antonio, where he had been holding a revival meeting, and the same day to begin another meeting near Littlefield.

The election held at Joe Stokes on Thursday of last week resulted in favor of the school bonds. Bonds are to be issued in the sum of \$3,000 to build an addition to the brick school building in that district.

Mrs. Viva Humphreys returned Saturday from Canyon, where she has been attending the West Texas State Teachers College this summer. She will teach at West Point again next school term.

Mr. and Mrs. F. M. Lyon and son and daughter, Louis and Miss Bess of McGregor visited Prof. and Mrs. H. P. Caviness and family this week. Mrs. Lyon and Mrs. Caviness are sisters.

Friends here have been advised that W. G. Briley, who formerly resided here but who now lives in Abilene, has had another severe attack of erysipelas.

B. B. Street, Jim Wetzel, and J. J. Boydston left Wednesday afternoon to try their luck fishing in some of the streams of Borden county.

Friends of Sanford McCormack, who has been seriously ill so long, will be grieved to learn that his condition shows little improvement.

Mr. and Mrs. W. C. Cowan are visiting relatives in Happy and Canyon.

Springs, Colorado, is visiting his parents at Draw this week, Mr. and Mrs. W. N. McAllister.

The News is requested to announce that Rev. House of Draw will preach at South Ward school house next Sunday morning at 11 o'clock. Everybody cordially invited.

Boyd Woodall and family of Crawford, East Texas, were here Monday and Tuesday looking for a location. Mr. Woodall is an old time friend of E. H. Yeates.

Albert McAllister of Columbia, D. B. Eaton and son David of Mills county, spent Tuesday and Wednesday here visiting J. K. Adams, white, and J. H. Colclough, who are old-time friends.

Mrs. E. W. Fenton Sr. is visiting her sister, Mrs. J. P. Wingo in Pecos this week. She is returning home today.

Virginia Lady Was Just Dragging Around. Health Improved Steadily After She Took Cardui.

Bristol, Va.—"I was just about down in bed and so weak I was past going," writes Mrs. Jennie Goodman, of 118 Portsmouth Avenue, this city. Mrs. Goodman says her family was very uneasy about her condition, as she seemed so weak and thin. "I asked all over," she explains, "and my back and sides hurt most of the time."
 "I dragged around, and did not see a day of good health."
 "I went to call on one of my neighbors, and she remarked about my looking so bad. She told me to get a bottle of Cardui and take it. On Saturday night, my husband brought it home to me."
 "Before I had taken Cardui a week, I was feeling much better. I continued taking it for awhile, as my health kept on improving."
 "I gained in weight, and soon was feeling like a new person. Since then I have taken Cardui several times, and it has always done me good. I can recommend it to others."
 "Cardui has been in use so long that its merit has been proved by the experience of several generations of women."

Mrs. Dave Childers and children and her mother, Mrs. A. T. Mabry, returned Sunday from California. They left Wednesday morning of this week to spend a few days in Fort Worth and Grandview.

Mrs. Bert Dollins was able to return home Wednesday morning from the sanitarium at Lubbock. She seems to be steadily improving now.

J. H. Coltenback is rejoicing over the fact that he is now grandpa. Mrs. Anderson, formerly Miss Dovie Coltenback of Abilene has a little daughter in her home. Mrs. Coltenback and Miss Reta Lois are visiting there now.

Little Josephine Simpson, daughter of Wesley Simpson, underwent an operation for appendicitis in a Lubbock sanitarium Sunday. She was in a most serious condition for several days but is now reported to be improving.

Mrs. S. S. Ramsey and son Sam are building a five-room cottage residence in northwest Tahoka. It is to be attractively finished and will be one of the neatest homes in the town.

N. M. Wyatt is building a nice residence in the west portion of the town. When finished it will be one of the attractive homes in that part of the city.

Mrs. L. C. Turner and baby Kathryn of Fort Worth will leave tonight, after a few days' visit with her father, Mr. Geo. T. Brewer.

ORGANIZE "LIVE WIRE" EPWORTH LEAGUE UNION

Leagues from Tahoka, Wilson, Grassland, and Southland were represented at the business meeting of what has hitherto been known as the Post-Tahoka Epworth League Union. The delegation was comprised of approximately fifty Leaguers from over the Union.

The Union President, VeNoy V. Coughran, of Tahoka, conducted the meeting, the following officers being elected for the year 1929-30: Miss Hattie Server, Wilson, Vice President; Clifton Janak, Tahoka, Secretary; Miss Lucille Inklebarger, Grassland, Treasurer; Miss Katie Belle Hawthorne, Southland, Era Agent. The following department superintendents were appointed by the president: Miss Oma De Baker, Southland, Worship Department; Mrs. O. H. Hoover, Grassland, Mission Department; Max Thornton, Post, Social Service Department; and Miss Mabel Lee, Tahoka, Recreation and Culture Department. It was voted to name the Union the "Live Wire Union."

Following the business meeting the following program was enjoyed: "Prayer: A Principle of Christian Living and Thinking".

Invocation—Leader.

"Sweet Hour of Prayer" (Instrumental).

"The Beautiful Garden of Prayer" (Vocal)—Clifton Janak.

"The Garden of Prayer" (Talk)—Mrs. W. B. Little, Post.

"The School of Prayer" (Talk)—Miss Hattie Server, Wilson.

"Take Time to be Holy" (Instrumental), period of silent prayer.

"Just for Today" (Vocal)—Mrs. W. E. Suddarth, Tahoka.

The meeting was closed after our hostess League had served refreshments, and the Leaguers had entered in a "get-together" and pep meeting, with Frank Sargent of Tahoka, who is the district pep leader, leading the yell.

Delegates from Tahoka were: Misses Mary Fenton, Hazel Anglin, Mabel Lee, Eloise Clark, Marie Brown, Corene Corley, VeNoy Coughran; Mmes. W. E. Suddarth and W. R. Neyland; Clifton Janak, Frank Sargent, and J. D. Dona'd's:n.

A cabinet meeting of the new officers has been called for Friday evening, July 26, at Tahoka.

We are planning to hold an Efficiency Institute within the Union at some time in the near future.

GIRL'S ENCAMPMENT TO BE HELD IN PALO DURO CANYON

CANYON, July 23.—Announcement has been made that the tenth annual Northwest Texas Girl's encampment will be held at the Methodist Camp Ground in the Palo Duro Canyon, near here, August 8-28.

A large number of girls of the Panhandle will be present at the encampment and will spend the days learning many worthwhile things under competent leadership. Basketball, archery, nature lore, swimming, horseback riding, music, and religious exercises will make the days memorable ones for every girl who takes part.

Several notable persons in the field of young people's work are to be present and will help direct the activities of the girls. Among them will be Miss Emma Jewell Ross, of New York City, representative of the Young Women's Christian Association and Girl Reserve work, and Miss Louis Price of New York City, National Camp Director of Girl Scouts.

Mrs. T. C. Delaney will be manager of the encampment. Abe Mulkey will act as assistant manager. Verna Crump as executive secretary and treasurer, while Rev. John E. Eldridge will be Camp "Dad."

The Camp staff will include platform managers, a dietitian, ground supervisors, leaders of devotionals and vespers, pianists, soloists and directors of physical education, nature lore, archery and basketry.

The East Texas tomato crop will add between \$2,125,000 and \$2,500,000 to the wealth of the counties of that section, Editor Schoffebayer of the Dallas News estimates. Daily shipments have been averaging 115 cars a day worth approximately \$200,000.

"Floresville shipped 15 cars of Green Corn." "Wilson County Ships 76 Cars Watermelons." "Sold! Shipped Out 16 Cars Tomatoes." These were headings in successive columns on Page 1 of the Floresville Chronicle-Journal of June 21, indicating the successful development of the truck shipping industry in Wilson County within the past couple of years.

Expansion of the Dallas Power & Light Company plant from a capacity of 57,500 to 82,500 kilowatts, made necessary by increasing demands upon it, will be completed by January 1, 1930, at a cost of \$3,000,000. Some concrete idea of the magnitude of the 110,000 horsepower plant may be had from the fact that the spray pond of the completed expansion will require 120,000 gallons of water per minute or more than the requirements of the entire city of Dallas.

Following the shipment of two car-loads of Wise County cream to Philadelphia, the Tennessee Dairies plant at Decatur shipped a full carload of Powdered milk to the same destination.

Three-fourths of an acre west of Paradise, Wise County, yielded 4,100 6.000 pounds of merchantable potatoes, which he sold at prices ranging from \$2.50 to \$3.25 per cwt., according to the Decatur News, which also reports sale of a ton of cucumbers by Oswald Scott of near Decatur with more to come off his six acre cucumber plot.

Texas' death rate in 1928 was 35.1 per 1,000 population. The average for the United States in 1928 was 12.1 per 1,000.

GUARANTEED USED CARS

Your Ford dealer offers solid values in USED CARS

WHAT do we mean by "solid values?" Simply this:

When you buy a used car from us you pay just what that car is worth. There has been no inflation in the resale price to take care of an unreasonable trade-in allowance.

The price of the new Ford is very low, and the value high; there is no leeway for excessive trade-in allowances. That is why you can buy a used car

from us knowing the price is for the service that car will give, and nothing else. Our used car department is based on a spirit of fair-dealing. We would hardly care to risk our reputation by acting otherwise.

Come in today and see some of our bargains in unused transportation. There are several makes now on display. Model T Fords are thoroughly reconditioned, and carry a guarantee.

The people of West Texas voted overwhelmingly against both the constitutional amendments which are said to have been adopted at the election held on Tuesday of last week. There are several reasons, possibly, why the people of West Texas—the few that voted—did not take kindly to these amendments. First, the amendments had not been generally discussed. People were afraid that the adoption of these amendments would mean a slight raise, at least, in the taxes, and they feel that the people of West Texas are already paying more than their proportionate share of the taxes. As to the supreme court amendment, they did not thoroughly understand the manner in which this court transacts its business and they were unable to see that nine judges could render an opinion any quicker than three judges can do so. Secondly, these proposed amendments were regarded as Moody measures, and while Governor Moody is held in high esteem by many West Texans yet he is thoroughly disliked by two antagonistic elements, the Ferguson followers and the former members of the Ku Klux Klan. Ferguson raised the battle cry against the amendments and most of his followers fell in line and swatted them hard. Many of Moody's ancient

enemies from the other camp also went to the polls with blood in the eye, and there was nobody fighting for the amendments. As a result, they lost throughout West Texas by a vote of two or three to one. If the amendments were adopted as the daily papers claim, the governor's salary following Governor Moody's exit from office will be \$10,000 per year, and the supreme court will consist of nine instead of three members as soon as the election results are legally declared and the governor makes the appointments. The commission of appeals will be abolished and amendments will prove to be both amendments will prove to be wise ones.

Texas is to have another woman candidate for governor, Miss Kate Daffan. Miss Daffan has long been prominent in women's club work and in literary circles. Texas does not take kindly to the idea, however, of having a woman occupy the governor's chair. It is true that one woman was elected governor, but that was under extraordinary political conditions, and people voting for her knew at the time that if she were elected her husband would be the real governor. Miss Wilmans of Dallas, a lawyer and an accomplished lady, ran for the office twice but received only a few scattering votes. We doubt if Miss Daffan is fitted for the rough and tumble fighting that a strong governor must engage in. A state as large as Texas and with as many diverse interests needs a real he-man at the wheel.

Well, the Brownfield business men are in for a great advertising campaign in our trade territory, and they are going after it with a determination to get all there is out of it. And another good feature is that they are doing the work and getting the advertising at cost, and not paying some promoter 200 percent profit to do something for them they can just as easily do themselves.—Terry Co. Herald.

We give bounties for wolf scalps; we spend our good money for the extermination of the prairie dogs, we make relentless war at great expense on the cattle tick, and we have appropriated large sums of money with which to combat the ravages of Mr. Boll Weevil. Alas! which is proper and commendable. But these prey only upon crops and live stock. We have never heard of an appropriation or a bounty for the extermination of rattlesnakes, whose chief victims are human beings. Possibly scores of children, many adults, and even a few babies are bitten by these venomous and vicious reptiles in Texas every year. Why not make increasing war upon the rattlesnake until he is exterminated? Why not spend a little money in order to put him out of business? Are not the boys and girls that fall victims of his deadly fangs worth a thousand times more than the comparatively small sum that would be necessary to virtually exterminate him? We think so. We are against the rattlesnake. We hate him almost as intensely as we hate whiskey, and that's going some. Let's swat him just like we swatted the saloon.

The News has received Number 1 of Volume 1 of The Southern Advance, published in Dallas and Houston by The Texas Statewide Publishing Company, with Alvin S. Moody as president, Norton McGiffin as managing editor, and Dr. J. B. Cranfill as associate editor. It is to be published weekly and is the successor of The Advance, heretofore published by Dr. J. B. Cranfill. Its battle cry is: "Turn the Raskob Out". Its purpose will be to combat the forces that controlled the Democratic party in the last campaign and that are seeking now to perpetuate their control of it. It will be the mouthpiece of that vast army of dry Democrats whom the Smith-Raskob contingent in the legislature undertook to drive out of the party by legislation recently. It will seek to give the people the true facts with reference to prohibition and to counteract the effects of the flood of liquor propaganda that is now finding its way into most of the magazines and newspapers of the country. It has a great mission to perform, and if it does this efficiently and nobly, it will become a journal of great influence and power in this state.

A Donley county tenant farmer, tired of raising cotton exclusively, with all the hardships that it means started in a small way in the dairy business in the fall of 1926, according to the Clarendon News. He still tried to farm the 265 acres in 1927 and with the aid of seven dairy cows and a flock of hens came out even at the end of the year. In 1928 he sub-rented 215 acres to thirteen negroes, keeping 50 acres for his own use. To his cows and chickens he added 17 pigs, which he fed on skim milk from his separator. From his 28 bales of rent cotton and from the amounts realized from his cows, chickens, pigs, roasting ears and other products of his 50 acres at the end of the year he didn't owe a cent, had \$2,000 in the bank, and was getting ready to move his eight cows, a sow, seven pigs, a gilt, six teams, a cream separator and a truck over to the farm which he had bought for himself. And the change came about in three years' time.

Just a little grading of Lockwood street along the south side of the City Park has helped that street a great deal. This was demonstrated thoroughly when the little rain came last week. A removal of the dips and a thorough grading of this street would doubtless be worth far more than the cost.

Brownfield recently voted bonds for the purpose of paving the streets in the business district. On Tuesday of last week the citizens of Terry county voted bonds in the sum of \$25,000 to do the county's part of the paving around the public square.

Col. P. H. Callahan, of Louisville, Ky., calls attention to the fact that the recent vote on prohibition in Wisconsin shows progress for the drys. A similar vote was held in 1926. Col. Callahan says:

"A comparison of these two votes show that the wets in 1926 had a majority of 172,000, while the election last month showed that the wets had a majority of only 121,000. A gain of 50,000 in Wisconsin is all that could possibly be expected, for no sane person expected Wisconsin to vote dry.

The wet vote shrank from 249,000 to 221,000 while the dry vote increased from 177,000 to 200,000. Furthermore, the counties of Adams, Bayfield, Crawford, Eau Claire, Jackson, Marquette, Monroe, Pepin, Sauk, Sawyer and Trempealeau that voted wet in 1926, all voted dry in the recent election.

There was no county that voted dry in 1926 that voted wet in this last election.

WHAT OTHERS THINK

SANDEFER NOT A CANDIDATE!

There will be mixed feeling in West Texas relative to the announcement that Dr. J. D. Sandefur, president of Simmons University, has eliminated himself from consideration as a candidate for the governorship of Texas in the ensuing campaign. The doctor feels that he has a life's work cut out for him at Simmons.

Much religious feeling is going to be injected into the next political campaign. In fact it begins to look like religious prejudice is going to be the deciding factor for the next few years in political campaigns, taking the place of prohibition. Regrettable as this may be, it is a situation that must be met. When people get their religious prejudices stirred up they are more determined, madder, than over any other one question save one—that of race.

A great majority of West Texans could have voted for Dr. Sandefur very gracefully. Really, it looked like he could get enough votes to get in the second primary where he would be an almost sure shot. But that a good West Texan should eliminate himself from a political campaign where his own vigorous personality and ability would be hidden behind a barrage of villification and religious hatred, is a sort of relief.—Floyd County Hesperian.

A BURNING SHAME

An officer of the law who will unnecessarily abuse a man of boy whom he has under arrest has no principle about him, and is not worthy to be an officer. An officer, of course, has the right to subdue a man who is unruly and refuses to submit peacefully to arrest, but when an officer kicks and abuses a man who has submitted to arrest and is being taken in peace before the court, he, the officer, shows himself to be a coward and unworthy to be an officer.—Exchange.

We don't blame you a dog-gone bit for being sore. As even-tempered and long-suffering as we are, we must admit that to be trapped in any such way would arouse our ire to the point where we would be in danger of making naughty remarks. When we are arrested we like to be escorted to the detention parlor with all the pomp and dignity to which we are accustomed, and any improper remarks or gestures, or any undue familiarity on the part of the Government representative is always vigorously resented.—Rotan Advance.

When we shoot at a mark on a tree we take careful aim in order that no error of judgment may be made. We want to make a dead center hit—we don't want the humiliation of a wild shot or a miss. But when we shoot a volley of criticism at a public official we are not always as careful as when shooting at a mark. We do not always judge the distance, our aim is not always correct, and sometimes we just blaze away at random, on the theory that people who fill public offices are fair targets for anything we choose to shoot at them. That is one reason why so many men of high executive ability persistently refuse to accept public office. They never shoot at random themselves, and they do not care to serve as targets for people who do. It requires skill and good judgment to drive a bullet into the center of a mark, but any kind of a loose tongue can pepper a public official until his grandmother wouldn't know him.—Paducah Post.

THE TOWN THAT GROWS

Once in a while—say in a hundred years or so—a town can sit still and without an effort grow into a city, just by the location of some industries which drop in unasked. But the other ninety-nine years the towns which grow into cities are the towns whose people have vision, energy, courage and a go-getting spirit. There is too much competition now among cities for the town which only sits and waits to have much of a chance.—Iola Register.

The new gasoline tax is now in effect, and henceforth the consumer will pay a four-cent tax on his gas instead of two. Along with this law was passed a law providing that the registration fees on cars be cut one-half. As we don't drive our "puddle jumper" much we won't howl. However, if we owned a "lemonseed and a chauff" to drive her about, we'd howl long and loud and declare taxation was ruining the country.—Ropes Hustler.

Texas will soon have the largest single rock salt mine in the world in operation when the new mine a mile south of Grand Saline, Van Zandt County, is opened up for work. A solid salt structure more than 1,000 feet in thickness was discovered by borings made by the Morton Salt Co. of Grand Saline, and a 20-foot shaft 200 feet deep will be sunk to the salt formation. The vein is known to exist over an area of several miles of hills and valleys in the vicinity.

Texas farmers bought 194,377 tons of commercial fertilizer from September 1, 1928 to June 1, 1929—an increase of nearly 55,000 tons over the preceding year. North Carolina in 1927 used 1,171,499 tons, South Carolina 726,000 tons and Georgia 408,000 tons—indicating that fertilizer is still far short of general use in Texas which in 1927 used by 80,000 tons. In the United States in 1928 8,000,000 tons were used.

ROAD NOTICE

STATE OF TEXAS,
COUNTY OF LYNN.

We, the undersigned Jury of Freeholders, citizens of said Lynn county, Texas, duly appointed by the Commissioner's Court of Lynn County, Texas, at its July term, 1929, to view and establish a First class road from the S. W. corner of survey No. 10, Cert. No. 1133, in block Y to the N. E. corner of survey No. 4, block C-40, and having been duly sworn as the law directs, hereby give notice that we will on the 3rd day of August, 1929, assemble at the S. W. corner of survey No. 10, Cert. 1133 in block Y and thence proceed to survey, locate, view, mark out and establish said road, beginning at the S. W. corner of survey No. 10, Cert. No. 1133 in block Y, which is also the N. W. corner of survey No. 3 in block A-1, and running thence south 1 mile along the West Boundary line of said survey No. 3, block A-1, to the N. E. corner of survey No. 5, Cert. No. 1428, in block A-1; thence east 1 mile along the south boundary line of survey No. 3, Cert. No. 1427, block A-1, to the S. W. corner of survey No. 2, Cert. No. 1426, in block A-1, which is also the N. E. corner of survey No. 12, block A-1; thence south 2 miles along the east boundary line of surveys No. 12 and 11, block A-1, to the northeast corner of survey No. 22, Cert. No. 1436, in block A-1, which is also the S. W. corner of survey No. 14, Cert. No. 1432, in block A-1; thence east 2 miles along the north boundary lines, surveys No. 21, and 20 to the N. E. corner of said survey No. 20, block A-1, which is also the S. W. corner of survey No. 18, Cert. No. 1434, in block A-1; thence south 2 miles along the east boundary lines of surveys No. 20 and 33, block A-1, to the S. W. corner of survey No. 58, Cert. 1478 in block 1; thence east 1 mile along the south boundary line of said survey No. 58 to the S. E. corner thereof, the same being the N. E. corner of survey No. 57, block 1 and the N. W. corner of survey No. 4, block C-40 and continuing east another mile along the north boundary line of said survey No. 4, block C-40 to the N. E. corner of said survey. Said above described line to be the center line of said road and said road to be bounded by line on either side thereof 20 feet distance therefrom, to enclose a road way 40 feet in width.

And we do hereby notify any and all persons owning lands through which said road may run, that we will at the same time proceed to assess the damages incidental to the opening and establishment of said road, when they may, either in person or by agent or attorney, present to us a written statement of the amount of damages, if any, claimed by them.

Witness our hands this 10th day of July, A. D., 1929.

Mr. and Mrs. F. P. Paden and daughter, Mrs. Docia King, of Greenville are here visiting the former's granddaughter, Mrs. L. A. Nowlin, and family. Mr. and Mrs. Paden are soon to celebrate their fifty-fifth wedding anniversary. They have a number of children and many grandchildren and great-grandchildren. Although they have lived in Dallas, Collin, and Hunt counties for many years, they are thinkink of locating in Tahoka.

R. W. N. East of Cooleage and Z. N. Walker of Waco spent several days here visiting the former's son, R. H. East, who resides on the West farm several miles north of town. Mr. East is also an old-time friend of J. K. Callaway, who was introducing him around town. Naturally each of them had a kind word to say about the other. "Uncle Joe" seems to have borne a good reputation down at Cooleage also.

Mr. and Mrs. G. H. Nelson, and his daughter returned Thursday night from a two weeks visit with relatives in Dallas Commerce, Picton, and Linden. His little brother, Henry Thomas, accompanied them home to spend a few weeks visiting. Mr. Nelson reports that crops east of Dallas are exceptionally good, though the fruit crop is a little scant.

A party consisting of Chester Connolly and family, F. M. Sherrod and family, and Mrs. C. E. Brown and family left Monday on a fishing expedition. Their destination was Meard, and they hoped to find fishing good in the crystal waters of the San Saba.

A number of Tahoka people are attending the Baptist encampment being held at Two Draw Lake near Post this week. The members of the Tahoka Church have decided to attend the encampment in a body next Sunday. A splendid program is being carried out at it is said.

G. T. Brewer and son, Tom, and grandson, Seth, returned last Thursday from a visit with relatives at and near Fort Worth. They report that crops in that section of the state were suffering terribly from the drought, much of the corn being past redemption.

Jeff Connolly returned Thursday from Whitney, where he visited several days. He was accompanied home by his nephew, Connolly Franks, who is spending a few days here with the Connollys.

Mrs. Roy D. Clift and daughter, Zoe, of Corpus Christi have been the guests this week of Mrs. Clift's parents here, Mr. and Mrs. W. W. Simpson. Mrs. Clift is returning from a tour of Canada and the Pacific coast.

In the absence of Rev. B. N. Shepherd, the pastor, Rev. B. F. Dickson of Lubbock filled the pulpit at the Baptist Church Sunday morning and evening.

Mr. and Mrs. Meryl Wilson and baby and Mr. and Mrs. Henry Emler and children of Winters spent Friday and Saturday with their grand parents, Mr. and Mrs. W. W. Simpson.

Miss Tommie Milliken was a week end visitor with relatives and friends in Slaton.

Rep. Robinson of Kentucky, says that when he came to Congress ten years ago there were twelve drunkards in the House. Today there is not one.

THE WEST TEXAS Chamber of Commerce motorcade disbanded at Vernon after ten days of intensive sightseeing over a 3000 mile tour. Carlsbad Cavern was the ultimate objective of the tour and one day was spent in exploring the underground caves. Two district conventions of the regional organization were held on the way.

SLATON reports that a new high record for the shipment of wheat from that section of the Panhandle is being recorded. Four hundred cars of wheat are being handled daily through the Santa Fe terminal and the peak has not been reached. A large volume of the crop will continue to move for the next 30 or 40 days.

Edith

There was a large crowd at Sunday School and also a nice crowd at singing Sunday afternoon. There were singers from all parts of this county there. You are welcomed back again.

The meeting which began here two weeks ago has been well attended so far. We extend a welcome to all Christian workers to come and be with us.

A nice rain fell in parts of this community last Thursday night. It was welcomed by those who were in need of it. There was some hail but not enough to damage the crops.

Mr. S. J. McFarland of Lubbock and his brother Jimmie of Ladonia have been visiting Mr. Phillips and other friends in this community.

Mr. G. P. Jones and wife of Clovis, New Mexico, visited Mr. J. T. Owens and family of this community last week.

Miss Fay Wilson of Wilson, Texas, spent the week end with Misses Pearl and Beatrice Hammonds.

We wish to announce that on the fourth Sunday afternoon in August there will be singing at the Central Ward School building in Tahoka. The cooperative singing circle east and north of Tahoka will meet there to sing all the afternoon. Singing will begin at 2:30 o'clock. Come along and bring your books.

EUZELIAN CLASS MIXES BUSINESS AND PLEASURE

The Euzeilian Sunday School class met in a call business session Tuesday afternoon with a good number in attendance. Vacancies in the corps of officers were filled as follows: associate second vice president, Mrs. G. E. Hogan Jr.; third vice president Mrs. L. C. Heath; secretary, Mrs. Tom L. Lemond.

Mrs. Hgoan, with her social committee, announced plans for a class picnic. This gala occasion is to be Thursday afternoon, August 1st. All members of the Euzeilian Class, together with their husbands (or other escorts should some be "fortunate" enough to have no husbands) are requested to be at the church at 6:30 p. m. on the above named day, from which place all will immediately repair to Twin Mills, where appropriate refreshments will be served and a good time generally indulged in. Dire will be the consequences to any member who dares to play "hooky" at this time.

After discussing other plans for the upbuilding of the class, this group of workers were served delicious peach cream by their president, Mrs. G. H. Nelson, and all went home with the conviction that "business", on occasions, is also "pleasure". —Reporter.

Lynn City

There was a large crowd at the singing last Sunday, and Sing! My! We surely did enjoy it. Mr. Parker says we sang beautifully. People, if you want to hear some singing or wish to participate in the song service, just come to New Lynn at 3 o'clock P. M. next Sunday afternoon. We will be at the Baptist Church house next Sunday and at the Lynn Chapel the following Sunday. Be sure to come.

Mr. Jesse Pollock and son, John D., with Mrs. John D. Pollock were visitors with Mr. Henry Higginbotham and family of New Lynn last week. These people hail from Abilene, Taylor county, the old home of the Higginbothams.

ANCIENT BONES AND PLANTS DISCOVERED IN CETA CANYON

CANYON, July 23.—W. D. Mateer, a member of the faculty of the West Texas State Teachers College, who has been studying the Ceta Canyons near here, has recently discovered a bed of fossil plants and an ancient jaw bone in his search.

The fossil bed is located in the South Ceta Canyons. The plants were round in shape, somewhat like a baseball, but they had fluted sides with grooves running the length of the plant. They also resemble some of the cactus plants, but they grew in swamps instead of on dry land. It is apparent that they grew in an ancient swamp, although they are found five hundred feet above the level of the plain in a silt pocket, and in soft clay fifty feet in diameter in sandstone. Although sand deposits have covered the plants they have been preserved in almost perfect shape. Of the plants collected Mr. Mateer has identified five different varieties, but there are many others left to be identified.

Another specimen of interest is the 10-inch jawbone of an ancestral horse found near the bed of fossil plants. The formation where this bone was found is known as the equus bed; this bed contains large quantities of fossil remains.

In this same place are numerous other varieties of bones and plants that Mr. Mateer expects to identify soon.

From 1911 to 1925 the manufacturing output of Fort Worth increased 906 per cent, according to Census Department figures.

A carbon black plant with capacity of 10,000,000 feet of gas and 15,000 gallons of gasoline extracted in the process has been established by the Huber Co., in the Gray County gas field.

Spent About Half Of Her Time In Bed

Plainview Carpenter's Wife Gains 7 Pounds on Orgatone; Now a Well Woman

"I have gained seven pounds since taking Orgatone and am feeling like a well woman for the first time in two years," said Mrs. H. G. Cole wife of a well known carpenter, and living at 217 Hillcrest, Plainview, Texas, recently.

"I suffered from a severe case of indigestion, nervousness and a general run down condition," she continued, and in spite of everything I did, I just kept getting worse. I finally got to where I couldn't eat anything, and what I did disagreed with me, and gas formed and caused those puffed up, bloating spells. My nerves were all on edge and I could hardly sleep at all for worrying about my condition and by morning I would be so weak and fagged out that I could hardly get up at all. I was fast going down hill, and I actually got so weak and listless at last I just had to stay in bed part of the time. I was gradually losing weight, and I tried all kinds of medicines and treatment but nothing seemed to bring back my health and strength.

"One day a friend came to me and what it had done I decided to try it. I had done that I decided to try it. I am certainly getting wonderful results, and had only taken a few doses and I knew that I had found the medicine I needed. I have improved right along ever since and can now eat anything I want and it agrees with me. My kidneys and liver are back to normal and I rest fine every night and sleep like a child. I have honestly gained seven pounds on Orgatone and it has helped me so much, my husband is now taking it. Orgatone is the best medicine I have ever seen or heard of and a medicine that will do what Orgatone did for me is certainly worth recommending."

Genuine Orgatone may be obtained in Tahoka at Thomas Bros. Drug Company.

4-H ENCAMPMENT

(Continued From First Page)

The Club exhibits and really looked like a fair.

That night we carried our supper out to the Sand Hills and had a wonderful time eating, and then the play on the sand was grand. Coming back to town regardless of being sandy, we marched down to the picture show and enjoyed it. We returned to our camp about 12 o'clock. There being about 41 of us it took quite a bit of space for our beds. Pallets were scattered everywhere.

The next morning every one was up "bright and early", as the neighbor expressed it, and breakfast was served under the trees back of the Legion Home.

The School Dress contest created a large interest. There were seven dresses. The first place was won by Marie Owens; second, Labusha Macha; third, Lola Mae Baxter.

The Buttonhole contest was another interesting contest. Cleo Corley proved to be the "champ" and was given a picture donated by Kemp's Variety Store. Thanks to Mr. Kemp!

The purpose of this encampment was to decide who should win the trip to the Short Course in the clubs where they had the money made to send them. The winners in the clubs were as follows:

Edith: 1. Marie Owens, 2. Christine Owens, 3. Myra Harter. Joe Bailey: 1. Bertie Payne, 2. Beatrice Beckham, 3. Pauline Cope-lin.

Lakeview: 1. Helen Allen, 2. Flora Dell Smith, 3. Ruth Charters. New Lynn: 1. Alice Frerich, 2. Margis Higginbotham, 3. Ruby Le-vacy.

New Moore: 1. Beatrice Bayer, 2. Lola Mae Baxter, 2. Verda Taylor. T-Bar: 1. Mildred Crews.

Grassland: 1. Virginia Inklebarger, 2. Dixie, 3. Irma Macha. Petty: 1. Bess Reynolds, 2. Pearl Dockery, 3. Yuton McCracken.

Draw: 1. Edna Mearle Parks, 2. Morgan; 1. Mollie Cato. The following girls will go to the A. & M. Short Course: Alice Frerich, Cleo Corley, Virginia Inklebarger, Bertie Payne, Edna Merle Parks, Mildred Crews and Marie Owens.

We were very glad to have some of the club sponsors with us and hope to have a bigger and better encampment next year as this one was over last year's encampment.

H. D. ENCAMPMENT

(Continued From First Page)

hard to keep up with bedding coats, etc.
After breakfast, which was served about 8 o'clock, we all went for another swim. This was the best swim we had because some missed the 10 o'clock program.

Miss Edna Rae discussed Home Sanitation, which was very good. Knox Parr, County Agent of Garza county, discussed Diseases of Poultry, which was very interesting to all.

The Krauss Dry Goods Company sent out a representative to talk on Feet and Their Problems.

After lunch we had a short business meeting. It was decided to meet with Garza county next year. Each woman is to pay \$1.00 for the four meals and then prepared ready to serve. Every one was in favor of this plan and every one enjoyed every minute of the time, and we are certainly sorry that more women did not go and enjoy it.

The clubs from Lynn county that were represented were: Wilson, Edith, Grassland, Midway, O'Donnell, New Home, and Draw.

In 1928 Texas spent \$65,128,919 on its public schools.

KILLS RATTLESNAKES WITH 'NIGGER SHOOTER'

Armed with a weapon not so formidable as that with which David slew the mighty Goliath, a T-Bar youth has been waging deadly warfare upon the rattlesnake family in his community. Clyde Haynes, son of M. L. Haynes, residing on the old Larkin farm two or three miles east of T-Bar school house, within the last few months has killed five big rattlers, sixty-eight rabbits, and one hawk with a "nigger shooter", with which innocent little weapon he has become an expert marksman. His latest triumph was achieved Sunday, when a huge rattlesnake became a victim of his deadly marksmanship. Walking across the pasture in company with his father, with the little weapon in his hand, the menacing rattle of the vicious reptile suddenly greeted their ears. He lay coiled within three feet of the boy, held raised, ready to strike. The youth stepped back unflinching, took aim, and let go. The head of the reptile was almost split in twain, and this modern specimen of man's ancient enemy fell back limp and lifeless.

Four-times before had a rattlesnake fallen victim to this modern little David. He has practiced with the weapon until he rarely misses his mark. We wonder if there is another boy anywhere in America or elsewhere who can match this record.

SCHOOL TRANSFERS MUST BE MADE THIS MONTH

Supt. M. L. H. Baze calls attention to the fact that all applications for transfers for pupils into or out of the Tahoka Independent District must be made prior to August 1. The same rule applies to all other school districts. Parents desiring to have their children transferred from one district to another should attend to the matter at once. Make application to county superintendent H. P. Caveness.

Of the 700,000 members of the W. O. W., 165,000 are in Texas.

URNS TABLES AFTER 15 YEARS

"Sargon turned the tables for me after I had tried for 15 years to get well of stomach trouble. Now I am gaining every day. I went from 119 to 130 pounds, a gain of 11 pounds in three weeks on just three bottles, good for a man 62 years old."

"I suffered day and night for almost 15 years and spent many hard earned dollars for medicine, but none of them reached my case until I got Sargon. I felt weak and sick from morning until night. I would just drag myself around but now I feel years younger and can keep going all day. I eat anything I want and have no trace of stomach trouble, headaches or dizzy spells any more."

"The Sargon Soft Mass Pills straightened out my liver and I no longer suffered from biliousness and constipation. It sure is great to be feeling like my old self again and I will always praise the Sargon treatment. There never was any medicine equal to it."

DAL PASO MOTORCADE WILL START AUGUST 1

A motorcade starting at Marshall on August 1 and terminating at El Paso on August 5 is being promoted by W. A. Wilson of the Lamesa Chamber of Commerce, according to announcements sent the News. The tourists will reach Lamesa over the Dal Paso Highway at 10 A. M. Saturday, August 3, and will proceed to El Paso Monday, where the caravan will disband. Tahoka people are invited to join with Lamesa in welcoming the visitors from the east to the plains section and to accompany the caravan on to El Paso. The purpose of the Motorcade is to popularize the Dal Paso Highway and to give publicity to this section of the state.

COMANCHE will be visited by representatives from Aransas Pass who are making arrangements to allow the Comanche County Carmen Group crop. Growers are urged to inspect the method of grading and packing, and inform themselves as to what they will be expected to offer.

Texas' equine population has decreased from 1,170,000 in 1910 to 780,000 in 1929.

MRS. R. W. FENTON

HIGH HONORS BROUGHT HERE

Mrs. Fenton Also Selected As Master Farm Home-Maker Of State Of Texas

"Mrs. R. W. Fenton recognized as master farm home-maker and elected president state home demonstration association."

The above is the text of a telegram received Wednesday morning from Miss Thelma Greenwade, Lynn County Home Demonstration Agent, now attending the Short Course being given at College Station.

This is indeed a signal honor which Mrs. Fenton has won for herself, her club and her county. Mrs. Fenton is a member of the Edith Women's Home Demonstration Club near Tahoka. She has been in active home demonstration club work for several years, being one of the leaders of the work in this county. Not only is Mrs. Fenton to be congratulated, but also Miss Greenwade, who has been directing home demonstration work with much energy and enthusiasm the past year. Miss Greenwade has taken up the work laid down by Miss Halsey in a fine way and her phenomenal success is due to the devotion and intelligence with which she has gone about the work. Miss Halsey builded well before her, and the value of the work of these two women in Lynn county is estimable.

Mrs. Fenton has not only been active in home demonstration club work but has also been a leader for many years in other women's clubs and in church work in this city. Tahoka should give her a royal welcome upon her return home.

New Law Regulates Live Stock Hauling

Sheriff Sam Sanford has called our attention to a law enacted by the legislature of Texas recently which regulates the hauling of poultry and livestock, and he has requested that we publish the substance of this law for the benefit of all concerned.

The law requires that the driver of any truck, automobile, or other vehicle containing any domestic fowl or live stock, on any street or on any highway or on any land not his own, shall have, in his possession a permit from the owner authorizing said movement. Failure to have or exhibit such permit to an officer shall be deemed such subject such driver to a fine of not less than \$5.00 nor more than \$200.00 for each head of livestock or each domestic fowl in said movement. Said permit must show the place of origin, the point of destination, the number of live stock or fowls giving a detailed description thereof, and marks and brands if any. Any peace officer is given the right to search the vehicle for any such property in the event the driver fails to have and exhibit such a permit. Any driver carrying in his possession any false or forged permit shall be fined not less than \$200.00 nor more than \$500.00 or may be imprisoned not less than 60 days nor more than 6 months or may be punished by both the fine and imprisonment.

The object of this law is to enable peace officers to more successfully cope with the chicken and cow thieves that seem to be operating with renewed vigor throughout Texas.

Sheriff Sanford says that he is going to do his best to make it hard for any thief operating in this county to get away with his stolen property in so far as he is able to do it, and he calls upon all citizens to assist him in seeing that this is observed.
