## REVIVAL GETS RESULTS

Large Crowds in Attendance; Revival Shows Signs of Great Spiritual Awakening

The revival meeting which is now in progress at the Methodist Church will into the second week, and the interest growing still more at each service. Large crowds are attending both the morning and night services. The Cochran brothers, who are assisting Rev. J. E. Bredlove, the pastor, say the crowds are about the average even at the larger churches where they do their work.

The Cochran brothers, H. L. of Brown, Texas, and J. E. (Jim) of Lawrenceville, Okla., are bringing to the audience each evening the best of the pleasure of listening to the wonderful testimonial of the people, they bring a soul thrilling and also a spiritual one. The men and women here had a musical and spiritual feast given to them by these gospel singers.

The young people are being led week by week by H. L. Cochran who is a specialty of working with the young people, and the results are gratifying from the results Mr. Cochran is doing with the men's or adult meeting is being led by Jim, who has made a thorough study and these are attending those meetings as they did of old. "We never heard it in this manner before," Mr. Cochran is very plain in his methods of explaining the real meaning of the scriptures, making it easy for men and women to see the duty and privilege to God.

The pastor is bringing some of the most reasonable, convincing, sin-repelling, soul stirring sermons the church has had brought to them. He is loved and respected by the people of the town to the extent that when he speaks it means something and he listens to him, for they feel it is message from God.

The morning services are real revival feasts, not so much preaching as it is times when the congregation just take the service away from the evangelists and the pastor come in by testimonial, singing of old songs, prayers and rejoicing some say as they did of old. "It is to be here."

The meeting will close Sunday, and everybody is urged to be present at the service that they may not miss of the blessings they are due to. The Methodists who are in or near town, and who do have their membership here are urged to bring their membership to the church and place it with the church as all loyal Methodists should.

## Members to Meet At Draw Sunday

Co-operative singing will be held Sunday, August 18, beginning at 2:30, according to W. W. Carter and W. L. Porterfield of that community. Many singers are expected to be present, and a special program is extended to all singers in Lynn and adjoining counties to take part. Some excellent singers are expected from Lubbock county to give some special music. This is the first of a series of co-operative meetings held each Sunday afternoon at Grassland, Gariynn, Edith and other communities.

On Sunday the singers met at the home of an unusually large crowd of people, filling the school house to overflowing. Prof. Ellis, who has been a four week's singing tour at Gariynn, was present to lead the singing.

## SHOWERS HELP BIG SECTION

Rain Falls Over Nearly Half of County; Eastern Half is Still Needing Moisture

Rain which fell over nearly half of Lynn county Monday afternoon and night has greatly improved the crop conditions in the sections watered. However, practically all of the eastern and central portions are still dry and the crops are suffering badly.

The Draw community received from 1/2 to one inch and Joe Bayley an inch, however the shower did not extend but a few miles north of these two places. O'Donnell and Wells had good rains. Three Lakes had one-half to three-quarters inches. West Point received a good rain. Dixie and New Home one inch. The Wilson community also received several good showers the latter part of last week. Light sprinkles fell in Tahoka Thursday night, Friday night and Monday night, though hardly enough to register in the rain gauge.

## Harley Sadler Is Coming in October

M. J. Laddrum, advance man for Harley Sadler, was in town Tuesday night and Wednesday, and told the News that Harley would positively show in Tahoka this fall, however he will be here a little later this year than usual. He did not announce a definite date, but asked us to say that it would be some time in October. The date change is made necessary because of a disarrangement to schedule in order to play the Abilene and Sweetwater falls in September. The show is said to have a number of new features this year.

## EDITH FARMER CLAIMS MILK PRODUCTION CHAMPIONSHIP FOR HIS COW

Mr. C. C. Lindley of the Edith community claims the milk production championship of Lynn county and to back up his claim he is weighing the milk of his cow each time she is milked and is having the milk tested once each month. The cow is giving more than fifty pounds of milk per day and it is testing from 4 per cent to 5.5 per cent. This means two and one-fourth lbs. of butterfat per day or a total of sixty seven pounds per month. At the present price of cream the 67 pounds of butterfat will be worth \$26.80 and according to Mr. Lindley's record it is only costing him about seven dollars to feed the cow a month leaving him a net profit of \$19.80 per month, and the skim milk valued at 50c per hundred is worth about \$6.50. Ten cows of this kind will make a man more than \$200 per month and still he hears cries of "FARM RELIEF".

## Work Is Progressing On "Talkie" Theatre

Brick work is going forward at a rapid rate on the new "Talkie" theatre and the building will be pushed to completion as rapidly as possible, Mr. D. B. English says. Carpenters and plumbers will begin work at an early date. Seven car loads of brick, sand, and lumber have been placed on the grounds in order that there may be no delay because of lack of material.

## TRUSTEES MET HERE TUESDAY

Seventy-Five School Men Hear Lee Hensley of State Department of Education

Lee Hensley, Austin, rural school supervisor from the Department of Education was principal speaker at a meeting of Lynn County school trustees held in the county court room Tuesday. About 75 trustees were present.

Mr. Hensley spoke on questions of interest to trustees in rural schools and especially dealt with the new school laws passed by the recent legislature. County Superintendent H. P. Caviness and G. S. Dowell, secretary of the O'Donnell Chamber of Commerce, also made talks dealing with the advancement of rural school work in this county.

Due to the raise in the apportionment from \$15 to \$27 this year, every school in the county with the exception of two will have either an eight or nine months term this coming school year. Mr. Caviness states, Three Lakes, Dixie, Newmore, Lakeview, Morgan, West Point, New Home, and possibly other districts will have nine month terms. The two latter schools had nine month terms last year. The raise in apportionment means that schools of the county will get over \$2,500 more this year than they would have otherwise received.

Trustees were present at the meeting: Newmore: Wells, Three Lakes, T. B. O'Donnell, Joe Bailey, Draw, Rev. J. B. Thompson, Edith, Dixie and Joe Stokes.

## Thompson to Hold Meeting at Dixie

The Methodist Revival at Dixie will begin Sunday morning, August 18, at 11 A. M. The preaching will be done by the pastor of the church, Rev. J. B. Thompson of Wilson. Mr. H. M. McEachern, Supt. of the Dixie public school will lead the singing. The pastor writes from Wellington, that he and his twin brother are engaged in a great revival in First Church there but that he will be back in time to begin the meeting at Dixie. The pastor as well as the people are anxious that everyone should feel a hearty welcome to attend the services and help in the work of the Lord.

## BOYD RICE'S HOME IS BURGLARIZED AT WILSON

While they were at church last Thursday night, the home of Mr. and Mrs. Boyd Rice was broken into by burglars and several articles of value besides \$14.00 in cash were carried away.

Not content with securing the valuables, the robbers turned the home trawny-turvy. No trace of the thieves has been found.—Wilson Pointer.

## PENTACOSTAL MEETING IS IN PROGRESS AT DRAW

Rev. T. J. Little of Fort Worth is conducting a Pentacostal meeting at Draw, services having begun August 4th and will be brought to a close the end of this week.

Large crowds and good results are reported.

## SUPT. BAZE EXPECTS BETTER SCHOOL THAN EVER BEFORE

In laying plans for the fourth year of my administration I have asked the editor of your home paper to give me space to place before you during the year some things pertaining to education that probably had not been thought of by you. Let me say in this first article that I expect this to be the biggest year yet in the local schools. There are many factors that should contribute to this end. I shall not enumerate all of them, but a few are called to your attention. This year we have more degrees among the faculty than ever before. Practically every teacher has been attending summer school and is already enthused over the year's prospects. The buildings have been renovated and made more attractive both within and without. Attention as never before is to be given to the full development of each individual. Teacher-pupil-parent con-

## WILL IMPORT DAIRY CATTLE

C. of C. To Help Farmers of County Get Registered Jersey Milk Cows and Bulls

(By C. C. Williams)  
The Board of Directors of the Tahoka Chamber of Commerce at their meeting last Monday decided that the organization would co-operate with the farmers of Lynn County in securing more and better Jersey cows this fall. It has been found that there are a great number of farmers who desire to buy good grade and registered cows. The Chamber of Commerce, dairy committee, of which County Agent Ray Shaver is chairman, will be glad to have any one who is interested in securing dairy cattle get in touch with him.

It is the plan of the Committee to take orders for whatever animals the farmer may want and get them of the best stock possible, and by buying in a greater number he will be able to save both on the stock and on the freight.

There is great need of several bull circles in Lynn County, and it is hoped that the people of this territory will see the need of such and will start this fall to building up the herds by placing among them, only the best of bulls. The animals will not be bought until about the first of November, but anyone desiring to secure dairy animals about that time should get in touch with Mr. Shaver, and let him know what you desire.

## Holland Pleased With M-System Opening

Saturday, opening day of M-System in Tahoka, was one of the biggest opening days we have had anywhere in a long time. Bill Holland, local manager of the store says, "We are more than pleased with the business given us, and we wish to thank you all for the welcome given us here."

W. J. Elliott of Lubbock is in temporary charge of the meat department, however another man will take his place at an early date. Vernon Massengale has been employed to work in the grocery department.

## ATKINSON FAMILY HOLDS REUNION HERE AUGUST 1-4

Relatives of Mr. and Mrs. J. J. Atkinson gathered at the Atkinson home Saturday and Sunday, August 3 and 4, for a family reunion. All the children of this couple were present except Obie Atkinson, a son, and also a son-in-law, Bert King. Those present were: Mr. and Mrs. H. B. Beights and children of Colorado City; Mr. and Mrs. H. P. French and children of Hamlin; Mr. and Mrs. James Atkinson of Borger; Mrs. Bert King and children of Lou; Mrs. Obie Atkinson and little son, Mr. and Mrs. Jesse Barnes and Mrs. A. S. Coughran, the mother of Mrs. Atkinson, all of this city. All present report an excellent time.

## Building Reaches Total Of \$284,000

Nov. 7-8 Is Date Of Teacher's Institute

The Lynn County Teachers' Institute will be held in Tahoka again this year at the High School building and the date has been set for Thursday and Friday, November 7 and 8th. This decision was reached at a meeting of the Lynn County School Board held in County Superintendent H. P. Caviness' office Tuesday afternoon.

## SCHOOL WILL OPEN SEPT. 2

Elaborate Program To Be Arranged For the Opening Day of 1929-30 Session

Tahoka Public Schools will open Monday, September 2nd, according to a decision reached at a meeting of the School Board Tuesday night of this week.

The opening program has not been arranged, but Supt. M. L. H. Baze says an effort will be made to have an especially large crowd of town people present. The school authorities will seek this year to develop more interest and better support of the school, especially by the local business interests and patrons. Every business house in town will be urged to have a representative present at the opening.

Twenty-four teachers have been employed by the board for this year, expansion and music teachers are included.

## Many Visitors At Kivans Program

Kivans were entertained with a very interesting program at the luncheon Wednesday noon. Walter Gaston, O'Donnell High School debater, gave a very entertaining slight-of-hand performance. H. B. Yates, district Boy Scout executive, spoke on the Scout work; and H. L. Cochran, evangelistic singer, sang several solos.

## DRAW METHODISTS TO BEGIN REVIVAL MEETING SUNDAY

A meeting will begin in the Draw community at the Methodist Church next Sunday morning and will continue for two weeks.

Rev. Z. B. Pirtle, pastor of the church, will do the preaching, and an evangelistic singer will be secured to lead the song services. People from all surrounding communities are urged to attend these services and co-operate in making the meeting a success.

## BURLESON COUNTY PEOPLE TO HOLD BIG PICNIC SOON

All people living in Lynn county who formerly lived in Burleson county are asked to meet next Sunday, August 18th, at the Fritz Speckman picnic near New Home for an all day picnic. Everybody is asked to bring a basket lunch, the News is asked to say.

## Tahoka Wins Game; To Play Here Sunday

Tahoka won over Brownfield in a hotly contested game in the latter city Sunday afternoon. Harley Wells buried the first seven innings for the locals, and was relieved during the last two by "Lefty" Squires. The score was 7 to 2.

Daughter, Floyd county, will send a team to Tahoka next Sunday for a game which will be called at 3:30. Martin Duvall, who formerly lived in Tahoka, is manager of the visiting team.

## NEW MARK IS SET FOR CITY

Total Has Already Exceeded All Previous Building Records For Any Year in History

Building in Tahoka since January 1 has now reached a total of \$284,000.00, setting a record for this city over all previous years. Present indications are that before the year is over Tahoka will have expended at least a third of a million and possibly a half million dollars for new buildings.

The new English Theatre and the improvements being made at Edwards and Lockhart gin are the two biggest items started recently. The gin is installing completely new equipment and making repairs and additions to the building at an approximate cost of \$25,000, according to Mr. Edwards; while the theatre building, exclusive of equipment, will cost \$20,000.

The Security State Bank is just completing a thorough renovation of their building at a cost of \$1,500, and the Robinson building was completed last week.

Other buildings erected this year in the business section are the two T. J. Bevell bricks, C. F. Shook's Carlin's Courts tourist camp, the West Texas Gas Company building, the W. L. Knight bakery and filling station building, the G. E. Jones building, and additions to the Craft and Hagan buildings. Thirty-seven residences have been erected at a cost of \$100,000.

The largest single item of improvement this year has been the installation of the sewer system which cost \$80,000, including connections made by the company on private property.

Dr. L. E. Turrentine and Chas. F. Shook have started new residences. The Turrentine home will be a brick veneer, and Shook's a stucco. Both are in the northwest part of town.

Texas shipped more than one-seventh of all the mixed vegetables shipped in the United States in the 1928-29 season. Totals, U. S. \$5,000 cars; Texas 7,854 cars.

The 1928 Texas wool clip is estimated at 40,000,000 pounds, valued at more than \$12,000,000.

## Boy Scouts Advanced By Court of Honor

Sixteen Boy Scouts were given advancement in rank at a Court of Honor held Friday night at Central Ward school building, participated in by Scouts from O'Donnell and Tahoka, and presided over by M. L. H. Baze. Members of the court include Mr. Baze of Tahoka, Clyde Ash of O'Donnell, Rev. L. G. H. Williams, president of the court, and H. B. Yates, Scout Executive, both of Lubbock.

Advancements and awards were as follows:

Tenderfoot: Elsie Davis of O'Donnell.

Second Class: Raymond James, Willard Green, James Hamilton, Cable Bray, and Thornton Mack, all of O'Donnell.

First Class—Russell Tarrance and Kieth Kemp, Tahoka and Alvis Tretheway of O'Donnell.

Merit Badges—Martin Baze of Tahoka, leathercraft, cooking, and woodcarving; Arthur Singleton of O'Donnell, farm layout, pork production, nut culture, and corn farming; Parks Singleton of O'Donnell, civics, pioneering, pathfinding, camping, pork production, printing, cooking, personal health, public health, and physical development; Olin Yandell of O'Donnell, cooking and bookbinding; Russell Foster of O'Donnell, personal health, public health, physical development, firemanship, bookbinding and cooking.

Star Scout—Russell Foster of O'Donnell.

Life Scout—Parks Singleton of O'Donnell.

An interesting feature of the program was a laughing contest between Kenneth Reid of Tahoka and James Hamilton of O'Donnell, the local scout losing to the visitor.

**WHO IS GOING TO DRINK IT?**

Here is an actual conversation, as reported by an exchange between two Americans, one a clergyman and the other a business man; they are good friends, and speak plainly to each other.

"Well," said the layman, with an air of finality, "prohibition is a failure, and we must get used to the idea of making America 'wet' once again."

"But who is to drink the liquor?" queried the preacher. "Will you?"

"Why, no," he replied; "you know I am a teetotaler."

"Will your son drink it?"

"No, that shall not be."

"Would you want it to come back for the sake of your clerks?"

"No, it is my practice to discharge any clerks who drink liquor."

"Do you want your customers to drink it?"

"No, I would much rather not; I am sure that those who use strong drink will not buy so much from me nor pay their bills so promptly."

"Will you want the engineer on your train to use it?"

"No, I admit I don't want to ride on a drunkard's train."

"Ah, then you want this liquor for the men whom you meet driving cars on the public highways?"

"No, of course not; that is a danger to everybody."

"Well, then, who is to drink this liquor in America, pray tell me?"

"I am not so sure that anybody should drink it. I guess we're much better off without it."

Chrystal City in the Winter Garden district, is the largest shipping point of spinach in the world. In the 1928-29 season spinach shipments out of the Winter Garden area totaled 4,300 cars.

Constipation Troubles Relieved By Help of Theford's Black-Draught, Says Tennessee Coal Miner.

Tracy City, Tenn.—"My work makes it necessary for me to use a medicine which will give quick relief from constipation and indigestion," says Mr. Lee Nunley, a well-known coal miner of this place. "For forty years or more," he says, "I have taken Black-Draught for these troubles, and have always found it reliable. At times, I suffer from bad spells of indigestion, following constipation. "Many years ago, a friend told me to try Black-Draught, as it was a vegetable remedy and would not harm my body, so that is how I came to use it. I make a tea of it, and take a sip of it after meals. I soon begin to feel better when I start this treatment. "My work is very confining, and my color gets bad and I get sluggish. I lose my 'pep' and don't feel like going. After I take a course of Black-Draught I feel fine again. "Manufacture of Theford's Black-Draught began nearly 100 years ago, and many people tell of having taken it all their lives when in need of a laxative or cathartic. COTTON GIN FIRES AND HOW TO PREVENT THEM

Fires in cotton gins cause a large annual loss in the United States, each year in some seasons amounting to \$1,250,000.00.

Causes of Cotton Gin Fires—Fires during the ginning process may be due to a number of causes, such as matches in cotton, static electricity, over heated bearings, friction between the saws and cotton stock in the gins, and sparks struck by the passage of metal and other foreign material through the equipment.

1. Static Electricity the principal cause of fires—Static electricity is the principal cause of fires during the ginning process. In seasons when the greatest number of fires have occurred electrostatic charges have been abundant and troublesome. At such times the humidity was low and the cotton being ginned was particularly dry and dirty—conditions ideal and necessary for the formation of charges of static electricity. These three conditions—low humidity, dry cotton and dirty cotton—are essential for high electrostatic charges in the gin.

2. How to eliminate Static Electricity—Some ginners remove static electricity by hanging wet bagging in the building, some by wetting down the plant and grounds very dry or even twice a day, and others by injecting a little steam into the suction pipe in the direction of the flow of cotton. A few ground the machinery. To the surprise of many ginners, the effective operation of any one of these methods seemed to put an end to their trouble with fire.

3. Thirteen rules for preventing Fires in Cotton Gins—The cotton ginner can render his plant practically immune from destructive fires if he will—

- a. Thoroughly ground all metal and moving parts of the gin, thus eliminating the static electricity.
- b. Educate the neighboring farmers and cotton pickers to keep the cotton as free as possible from matches and other foreign material.
- c. Clean the plant thoroughly at least three times a week, thus freeing the premises from lint, through which fires spread.
- d. Refuse to gin with an even damp cotton which tends to hang in the ribs and to produce friction.
- e. Keep the huller ribs and the gin

"It Has Certainly Proven a Blessing"

Snyder Farmer's Wife Gives Orgatone Praise—"I'm Now in Perfect Health", She Says.

Among the many Texas people who have expressed their hearty and sincere approval of Orgatone after putting the medicine to practical tests and deriving convincing results from it, none are more genuinely enthusiastic than Mrs. Virgil Coabart, of Snyder, Texas, living on Rural Route No. 1.

"I certainly do give Orgatone credit for my great improvement for it has helped me over a nervous, run-down condition that has been with me for three years, and the last year I had been going from bad to worse until I simply felt like I had no life left in me at all. It got to where I couldn't do my work.

"My stomach just seemed to go back on me entirely, for almost everything I tried to eat would ferment and form a gas, and give me a puffed-up miserable feeling that sometimes felt as if I couldn't get my breath."

"I couldn't sleep at all, and I became so badly run down I was simply not equal to anything and nearly had to give up trying to do my work. My kidneys and liver were bothering me all the time and was constipated and had severe pains in my stomach all the time.

"I have just taken one bottle of this Orgatone and can say positively that I have never felt better or stronger in my life. I've gained in strength and energy and all my troubles have completely left me. I feel just as if I was made over again.

"My food agrees with me perfectly and I'm not bothered with gas or nervousness in the least. I sleep just fine and my liver and kidney troubles are gone, and nothing ever bothers me in the least. If there's any reason to believe I'm not in perfect health I don't know what it is. I want to recommend Orgatone to my friends for it has surely proven a blessing."

Genuine Orgatone may be obtained in Tahoka at Thomas Bros. Drug Co.

ribs as clean as possible, and the saws sharp.

- f. Clean out the condenser every night and after all fires.
- g. Inspect all parts of the plant after closing, lest some hot box or smoldering cotton give rise to a fire.
- h. Use automatic oilers on all bearings, thus preventing hot boxes and the dripping of oil from the boxes on accumulated lint or seed cotton.
- i. Store no haled cotton on the platform or less than 100 feet from any building.
- j. Prohibit smoking and carrying matches about the plant.
- k. Keep all machinery in proper alignment.
- l. Mark and segregate fire-packed gin bales.
- m. Keep ample and efficient fire-fighting apparatus easily available at all times.
- n. Fire Protection—Fire protection equipment in the gin may consist of water barrels, tanks, pumps, and pails; hose and standpipe connections to a water pressure system; chemical extinguishers; and steam jets into gin stands lint, flue, cleaner and pneumatic distributor.
- o. Practice Fire Prevention every day in every way.

TWO BOYS ARRESTED, ONE TRIED FOR CHICKEN THEFT

A fifteen year old boy was tried in juvenile court Wednesday and a seventeen year old boy is bound over for action of the grand jury on charges of chicken theft, the crime being committed near O'Donnell last Saturday night. The former was judged delinquent and given probation. Complaints have been issued for two other boys, but they have not been located by officers yet.

The chickens were stolen from the Charles McConnell farm, and the boys are said to have been carrying them down the road when detected by a passing motorist. Constable B. L. Parker of O'Donnell arrested two of them and brought them to Tahoka Sunday.

NOTICE TO THE PUBLIC Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected, when called to our attention.

It seems that Barry Miller, A. J. Wirtz, Jim Ferguson and all the ultra wets are training their guns on Tom Love. Tom doubtless has his faults but if the boys don't watch out they may overwork their game. If it comes to a contest between Miller and Love in the second primaries, we are predicting that Miller will have the scrap of his life. Love may be a bit garrulous, but he has been a consistent dry and Woodrow Wilson never had a more loyal supporter during the eight years of his administration than Tom Love. Not only has Tom been right nearly all the time but he knows the game of politics. If Miller and his wet supporters are hoping that the fight will narrow down to one between Miller and Love, they may be reckoning without their host.

Candidates for governor next year are already becoming numerous. In addition to several avowed candidates, others are grooming themselves for the contest. Among those mentioned is ex-Governor Pat Neff. Pat was governor for four years and he was a good one. We like the vigorous manner in which he went about law enforcement. Texas would not make a bad mistake to elect him again.

It seems that the war clouds that have been hovering over China and Russia are about to lift. Another big war now would be both foolish and criminal, as most wars are. With the teeming millions in Russia, China and Japan, however, war is likely to break out in the far east almost any year. The practice of a bit of Theodore Roosevelt's much berated "face suicide" might not be a bad thing in either of those three countries. In fact, it would probably have been a good thing for them and for the world if some system of birth control had been adopted in those countries a thousand years ago.

Governor Moody has signed the bill recently enacted by the legislature fixing the scholastic appropriation at \$17.50 per capita. That means that the Tahoka Independent School District will receive about a thousand dollars more from the state during the current school year than it received last year. It should also receive an increased amount of local taxes, due to the new buildings that were constructed in town last year. Tahoka has a splendid public school system and we believe that it is constantly improving. Come to Tahoka.

It seems that Senator Woodward of Coleman will be an active candidate for governor next year. Senator Woodward has been vigilant and able in looking after the interests of West Texas at Austin and there is no doubt but that he will have strong support throughout West Texas next year.

We are having a hard time keeping this country straight. The Republicans have never done to suit us on the tariff business and the Democrats refuse to take our advice on the liquor question. Truly a country editor has a hard time running the country.

Tahoka continues to grow steadily. Blessed is the town that has never had a boom but has ample undeveloped resources to keep it constantly growing.

WHAT OTHERS THINK

On July 15, the Farmer's Creamery Association, Inc., started operation of its plant at Hereford. August 1 the company sent its first carload of "Cream O' Plains" butter to Chicago, Ill. The farmers of Deaf Smith county are supporting this plant to a man. On one Saturday 97 farmers brought cream to the plant and when it was churned produced 2,700 pounds of butter. In respect to dairying in Deaf Smith county the Chamber of Commerce and every bank in the city has aided in financing the purchase of additional dairy cows for farmers in the territory. The butter made by the creamery is on sale at every grocery store and on the table of every hotel and cafe in the city. The Hereford Brand says "It is a home industry that is placing many hundreds of dollars in circulation in Hereford every month." Olney Enterprise.

Scare heads in the daily newspapers tell of the great wealth on account of the wheat crop, and of its value at present prices. Those big boys like to kid themselves. They like to make a sad attempt to show how much the gamblers love the farmers. As a matter of fact, the present price of wheat is about 30 cents per bushel more than the actual producer got for their wheat, and whatever profit was made on the wheat this year was the result of gamblers who probably would not recognize a wheat field should they have driven down a country road. Its great to be a legalized gambler. Canyon News.

The Enterprise heartily endorses the movement set afoot by the chamber of commerce for making a tubercular test of all milk cows, from which milk is sold to users in Olney. It is the local organization's attempt to guard the people of this town against any disease originating from drinking milk that is contaminated with a disease germ. Members of the city council are joining their forces in the support of this movement, which, to the Enterprise's way of thinking, is of greatest importance to this community. Olney Enterprise.

NON-ADVERTISERS PAY IT ALL

Whose advertising bills do you pay?

The merchant who does not advertise pays for the advertising of the one who does. Every merchant in business pays for advertising, whether he uses it or not. If a competitor's advertising takes any business away from him, the profit he would have made on the lost sale is what his competitor's advertising costs him.

You have perhaps wondered how some stores can afford to spend such enormous sums for advertising. That is easy to fathom. Their competitor who don't advertise, and whose business they take, pay for their advertising.

Say the Jones family is a customer of yours. They have \$60 they intend to spend with you. They read the advertising of your competitor and are induced to spend their \$60 with him instead of spending it with you. The store makes 20 per cent or \$12 on the sale. It deducts, we will say, the \$1 advertising cost, and has \$11 profit left. The advertising has cost nothing. It got back its cost and had \$11 profit it would not have had except for the advertising.

Who paid for this advertising? Did the advertiser pay? No, he got back the cost and profit besides. Did the purchaser pay? No, he paid only the regular price.

Then who did pay? The merchant that did not advertise paid for his competitor's advertising. He not only paid for the other fellow's advertising but he paid out of his cash drawer the profit his competitor made on the sale. The merchant that doesn't advertise pays the advertising bills for the one who does. He pays in loss of sales and loss of profits. Red Bluff (Calif.) News.

YOUR HOME PAPER

On investigator for J. C. Penny & Co., recently completed a cross-country trip, calling on scores of towns and seeing them in the light of the average resident of any city or town in the country. Among other recommendations made for the company's 1285 stores, this investigator had this to say: "Local newspapers should be supported in every way, for the newspaper is a messenger to the homes of everyone in the town and surrounding areas. The importance of the local newspaper has increased by leaps and bounds during the past several years. Business houses have learned that the local paper, the one published in the town where it circulates, is the quickest approach to local interest. By availing itself of the opportunity to use the local newspaper to its greatest advantage any local business is making the value of that paper a constantly increasing asset to itself." Local newspapers are 90 per cent dependant upon local patronage. If they fail to receive that patronage they fall short of being the publication the publishers would otherwise make them. A town is judged to a large extent by its local paper or papers and when a business man patronizes an out-of-town newspaper or job printing establishment, he impoverishes his local enterprises just that much, and at the same time encourages his patrons to follow his example by supplying their needs from the stocks of out-of-town concerns. It takes the co-operation of everybody to make a good town—co-operation in every line of industry. The Journal man wouldn't have much luck soliciting business from his home merchants were he to doll himself up in a new \$10.50 suit of clothes purchased in Waco, wear a San Antonio hat, cram his No. 11 feet into a pair of No. 9 Temple shoes rear back and exhibit to the world a 98c shirt from an Austin store and flutter in the gentle breeze a red necktie with a Marlin dealer's name on it. The business man who sends out a circular printed in Oskosh, with a Galveston-printed circular letter enclosed in a government-printed envelope, urging patronage of hometown merchants is not setting the proper example for his trade, the way we see it. But regardless of everybody's shortcomings and failures, Belton is the town of our choice and here we stick until Gabriel toots his horn and summons us to join the ranks of the pure and undefiled. Everybody sell out and move to Belton. Belton Journal.

**CITATION BY PUBLICATION**

The State of Texas.  
To the Sheriff or any Constable of  
Lynn county—Greeting:

You are hereby commanded to  
summon Lucile Bursleson by making  
publication of this Citation once  
in each week for four consecutive  
weeks previous to the return day  
hereof, in some newspaper published  
in your County, if there be a news-  
paper published therein, but if not,  
then in any newspaper published in  
the 106th Judicial District; to ap-  
pear at the next regular term of  
the District Court of Lynn County,  
Texas to be held at the Court House  
thereof, in Tahoka, Texas, on the  
4th Monday in September A. D., 1929  
the same being the 23rd day of Sep-  
tember of A. D. 1929, then and there  
to answer a petition filed in said  
Court on the 31st day of July A. D.  
1929, in a suit numbered on the docket  
of said Court, No. 783, wherein  
J. R. Bursleson is Plaintiff and Lu-  
cile Bursleson is Defendant; the na-  
ture of plaintiff's demand being as  
follows: Suit for divorce, plaintiff  
alleging that he was married to de-  
fendant about November 18, 1925;  
Separated from her about April 1,  
1929; that defendant cursed and ab-  
used plaintiff, drank intoxicants to  
excess, was possessed of a violent  
temper and threatened to do him  
serious bodily injury on different  
occasions; that same humiliated him  
and destroyed his peace of mind and  
all of such conduct amounted to  
cruel treatment of such nature and  
character as to render their further  
living together insupportable. No  
children were born unto said mar-  
riage and there is no community  
property. Plaintiff prays that he be  
granted a divorce, together with legal  
and equitable relief.

Herein fail not, but have you be-  
fore said Court, on the first day of  
the next term thereof, this Writ,  
with your return thereon, showing  
how you have executed the same.

Witness my hand and official seal

Court on the 22nd day of May A. D.  
1929, in favor of the said J. H. Ran-  
dolph, and against The First State  
Bank of Mullin, Texas, a banking  
corporation, and W. M. Smith in the  
sum of \$623.37, together with 7 per  
cent interest thereon per annum from  
date of the said judgment, and cost  
of suit, and in favor of The First  
State Bank of Mullin, Texas, afore-  
said, against W. M. Smith, in the  
sum of \$711.45, with 8 per cent in-  
terest thereon per annum from said  
date, and cost of suit, and fore-  
closure of a vendor's lien on lots two (2),  
three (3), and four (4) in block 107  
in the town of O'Donnell, in Lynn  
County, Texas, as the same existed  
on the 3rd day of November, 1924,  
and still exists, as against W. M.  
Smith, Roy Carpenter and W. H. E.  
Bishop, I did on the 7th day of Au-  
gust, A. D. 1929, at 11 o'clock A. M.  
levy upon said land and premises  
therein described, and on the 3rd  
day of September A. D., 1929 being  
the first Tuesday in said month, be-  
tween the hours of 10:00 A. M. and  
4:00 P. M. on the said day, at the  
Court House door of said Lynn County,  
Texas, in said County, I will offer

Texas shipped 27,000,000 pounds  
of dressed poultry to major markets  
in 1928—a record for the State.

The Texas honey crop of 1928 was  
6,000,000 pounds with honey valued  
at \$480,000 from an investment of  
\$1,247,436 in the 249,027 colonies of  
bees.

**COW, BOW AND HEN BRING WEALTH TO O'DONNELL**

(O'Donnell Index)

Cotton is not the only money crop  
in the O'Donnell territory. During  
the past three years hogs, dairy and  
poultry industries have increased  
from practically nothing to an annual  
income for the farmers of this terri-  
tory of almost one-half million dol-  
lars which also includes the surplus  
feed crop.

A survey has just been completed  
of the above industries as to just  
what they mean in dollars and cents  
to people of this territory during the  
past twelve months. The feed crop  
which includes maize, kafir, sor-  
ghums and other small grains adds  
thousands of dollars to the yearly in-  
come of the farmers of this section.  
During the past twelve months, six  
hundred car loads of small grain  
have been shipped by buyers in O'-  
Donnell. Buyers estimate at the six  
hundred car loads of grain brought  
the farmers \$182,000.00. Thirty one  
car loads of hogs have also been ship-  
ped to the markets during the past  
twelve months which brought the  
owners \$56,000.00. The three stations  
that buy butter, cream, eggs and  
poultry have paid the farmers of this

territory an average of \$9,477 per  
month for the above products which  
represent the enormous sum of \$113-  
477 for the past twelve months.

The total income to the farmers  
of this territory for the past twelve  
months on feed, hogs, poultry and  
dairy products amounts to \$351,714.  
The correct total will probably  
amount to several thousand dollars  
more than the above figure as there  
are no doubt considerable stuff mar-  
keted through other channels that  
we are unable to check up.

We predict that within another two  
years the above yearly total will be  
doubled as dairying, poultry and hog  
raising is rapidly increasing through-  
out the territory.

**SIX CYLINDER CHEVROLETS**

*on the road in less than eight months!*

Less than eight months have  
elapsed since the first Chevrolet  
Six was delivered into the hands  
of an owner—and already there  
are more than a million six-  
cylinder Chevrolets on the  
road! And the reasons for this  
overwhelming success are easy to  
understand.

Into a price field that had hitherto  
been occupied exclusively  
by four-cylinder cars—  
Chevrolet has introduced  
a six-cylinder car of amaz-  
ing quality and value. Not  
only does it offer the  
smooth, quiet, velvety  
performance of a great  
six-cylinder valve-in-head,  
motor—but, from every  
standpoint, it is a finer  
automobile than was ever  
before thought possible  
at such low prices! Its

beautiful new bodies—which are  
available in a variety of colors—  
represent one of Fisher's great-  
est style triumphs. And its  
safety and handling ease are so  
outstanding that it's a sheer  
delight to sit at the wheel and  
drive. In fact, the new Chevrolet  
Six has completely changed every  
previous idea as to what the buyer  
of a low-priced car now  
has a right to expect for  
his money.

You owe it to yourself, as  
a careful buyer, to see  
and drive this car. For  
it gives you every advan-  
tage of a fine six-cylinder  
automobile—in the price  
range of the four and  
with economy of better  
than 20 miles to the  
gallon! Come in today!

**SURE! I MAKE MONEY ALL SUMMER—BECAUSE I NEVER STOP FEEDING RED CHAIN EGG MASH. I GET SO MANY EGGS—EVERY DAY—THAT I NEVER WORRY ABOUT THE PRICE OF EGGS—OR FEED, EITHER. MY PROFITS ARE CERTAIN!**

HERE are literally thousands of poultry folks here in the Southwest who refuse to lose money in the summer.

They have found that by feeding RED CHAIN Egg Mash the year 'round, they get so many eggs that they're bound to make a profit.

Last summer, for instance, when eggs were bringing the poultryman only 22c, RED CHAIN feeders told us their feed costs averaged only 14c—leaving them a clear profit of 8c per DOZEN!

No need for you to sing those "Hot Weather Blues!" See your RED CHAIN Dealer—NOW!

### Locals

Mr. and Mrs. E. F. Sparks and children of Brownwood, Mr. and Mrs. Edgar Luttrell of Stamford, Mrs. J. M. Ligon of Fort Worth, and Mr. and Mrs. Edgar Ezell and daughter of Cleburne are here this week visiting Mr. and Mrs. A. J. Glasgow. The two former ladies are daughters of Mrs. Glasgow, and the two latter are daughters of Mr. Glasgow.

Charles Tate and family of Brady came in last Friday for a visit of several days with his brother, B. R. Tate, and family, and the two families left Monday for New Mexico, where they are viewing Carlsbad Cavern and other points of interest.

They can't stay away very long. Several months ago Mr. and Mrs. L. B. Jones and family left here for South Texas to seek a location. Monday they blew back into town, and Mr. Jones has gone back to his old position at Boullion's.

Mrs. Berta McDaniel and daughter, Miss Lone, of Los Angeles, California, came in Tuesday morning for several weeks' visit with Mrs. McDaniel's parents, Mr. and Mrs. W. J. Crouch, and other relatives.

Mrs. H. C. Davis and two boys, Hubert Edward and Joe Bob, of Brownfield, visited her mother, Mrs. E. S. Davis, Tuesday night. They have just returned from Childress, where they have been visiting.

LCST—On Wilson-Tahoka road, black traveling bag containing girls' clothing, dresses, stockings, and underwear, and several dollars in silver. Reward, G. R. Milliken, Box 405 or Phone 285.

Mrs. J. T. Balch of New Home, who was operated on for appendicitis in a Lubbock sanitarium July 28th, was brought home Wednesday of this week and is reported to be improving nicely.

Mrs. W. J. Crouch, who has been confined to her bed for the past two weeks with a bad case of rheumatism, is reported to be slightly improved.

Mr. and Mrs. Maurice Small have returned to their home in Sudan after spending ten days her visiting Mr. and Mrs. D. B. English and Mr. and Mrs. George Small.

Miss Velma Hancock of New Home and Miss Willie Mae Grosse of Mason, Texas, are the guests of Mr. and Mrs. A. D. Seth, 303 North Kelsey.

**WILL TEACH EXPRESSION**  
Miss Lucille Jordan of Lubbock has elected by the Tahoka school board to teach expression in the public schools during the coming session. Miss Jordan is formerly of Houston.

### Beaumont Man Gained 25 Pounds

"Before I started taking Sargon I was down in weight to 140 pounds and was badly run down after years of suffering. Since taking Sargon I have gained 25 pounds and am back to my normal weight, 165 pounds."

"Up to a few years ago I had always been in fine health, then I commenced to be troubled with indigestion and constipation. It just looked like I couldn't digest anything. I put myself on such a light diet I became badly undernourished and lost weight rapidly. I lost my strength and energy and it was all I could do to stay on my job."

"Almost as soon as I began taking Sargon I started eating again and took on weight rapidly. I tell you it's fine to sit down at the table and eat a man's meal again. I am as full of strength and energy as I ever was and can do more work in one day now than I could in two before."

"The Sargon Pills toned up my liver and I no longer suffer from biliousness and constipation."

"After gaining 25 pounds I am feeling like my old self again and I think that is enough to convince everybody the Sargon treatment is wonderful."—Joe N. Canizard, 348 Washington Boulevard, Beaumont, Texas.

Sargon is now called "The Medicine With a Million Friends." Its marvelous record of achievement is probably without parallel in the history of the drug trade of this country.

James Taylor Jack Link, and Beecher Sherrod have returned from a two week's trip through New Mexico, Arizona, California, Utah, and Colorado. They report having had a great time, and having seen much they never knew existed. They are said to have spent several days viewing the scenery in Hollywood, which they declare is most beautiful.

Mr. and Mrs. Lonni Taylor of Lamesa, Mr. and L. F. Kuykendall of Tahoka, Miss Edith Chancellor of Lubbock, and Mr. and Mrs. Neal Douglas of Brownfield visited in the C. L. Taylor home, east of town, last Sunday.

A. P. Conway and family moved to Tahoka this week from Rising Star. Mr. Conway will enter business here at an early date.

Burley Brewer and wife are visiting relatives in Fort Worth and Mansfield this week.

Mrs. J. G. Taylor is on the sick list.

### NERVOUS, WEAK

**Texas Lady Says She Was Up One Day and Down the Next. Pains Stopped After She Took Cardui.**

Terrell, Texas—"I was run-down and nervous, and for several months my health had not been good," says Mrs. Louis Wieland, of this place. "I was up one day and down the next. I never felt like doing anything."

"I worried all the time, and could not sleep well at night. Periodically I would suffer from pains in my back and sides. I would have awful headaches, and would feel dull and dizzy."

"My sister had taken Cardui, and she persuaded me to try it. She said to me one day: 'If you will only try it, you will see for yourself how much good it will do you.' So I got a bottle of Cardui and began to take it. It was not long until I felt fine. I got stronger, and my nerves did not bother me any more."

"The pains stopped coming in my back, and I could do my work without any trouble. I think Cardui is a fine medicine."

The fact that so many women have been helped, in their efforts to build up their health, by taking Cardui, should encourage you to try this well-known medicine.

A purely vegetable, medicinal tonic. For sale by all druggists. MC-209

C. E. Slaton of the Hicks Rubber Company, Lubbock, was in Tahoka Wednesday. He is a brother of W. B. Slaton.

Mr. and Mrs. Walter Venable of Ennis visited Mr. and Mrs. C. L. Taylor.

Miss Estelle Lewis of Lubbock is visiting her friend, Miss Lola Belle Edwards here this week.

### ONLY ONE CASE TRIED

The only case tried in county court this week was that of James Williams versus D. Manus, the former a landlord, suing a tenant to secure the latter's removal from his land. The case was decided in favor of the plaintiff.

Carl Rountree and Dyrrel Kirk of Lamesa represented the defendant and L. C. Heath the plaintiff.

Mrs. Charles Campbell returned Wednesday from a short visit with her parents in Jones County.

Mr. E. D. Payne and family left Sunday for Oklahoma where they expect to visit relatives for some time.

Mr. J. T. Owens and family left last week for Oklahoma also.

Mrs. Thompson's sister, Mrs. Minnie Sewell and daughters from Teague, who have been visiting relatives here the past two weeks left for their home Wednesday.

J. D. Hodge left Sunday with his brother, Arthur of Tahoka for Detroit, Colorado, where they will spend a few days.

We had a total of 52 at Sunday school Sunday. Quite a number were absent on account of being gone on a visit and others attended revivals in other communities. We hope to have all the folks back with us soon.

Sunday evening the singing was at Edith. There was a large crowd present and we had lots of good singers. Everyone seemed to enjoy themselves. Next Sunday the singing will be at Drwg you are welcome.

There will be a singing at the Methodist Church in Tahoka the fourth Sunday afternoon. Singers are expected from far and near. This singing circle and the singing circle north of town will also be present. We extend to you a hearty invitation to be present and bring someone with you.—Reporter.

**South Ward Items**

The meeting came to a close at South Ward Sunday night with about 26 conversions and 14 baptisms in the Baptist Church at town. About four more are to be baptized. Two were baptized into the Church of Christ by Jesse Eubanks. Bro. Shepherd did some fine preaching and many souls, we trust, were saved. He had a good crowd all the time, and good behavior prevailed. We hated to see the meeting close, although we are all tired and sleepy. May Bro. Shepherd carry the good work on in our prayer. We surely are needing rain out this way.

Cleora Johnson and family have gone to Paris on a visit.

Mrs. Miller, who has been visiting at Greenwood's, has returned to O'Donnell and will leave soon for California. She was here taking in the meeting.

Mrs. Maulden who has been here three or four weeks visiting her

daughter, Mrs. Boyd, will return to her home in Bronte in a few days. Well, Mr. Editor, you did not come out to help us eat fried chicken, so we ate them ourselves and you have lost out.—Reporter.

**FOOTBALL TO BE FEATURE OF WEST TEXAS FAIR**

ABILENE, August 12.—A football game between teams representing Simmons university of this city and Texas university at Austin will be one of the features of the West Texas Fair, which opens for its thirteenth annual session in this city on September 23.

The game will be played in front of the fair grandstand on the afternoon of September 28th, the closing day of the fair. Despite the fact that this contest will come at the beginning of the football season, a real battle is assured as both schools will have large squads of players at intensive training for several weeks before the date of the fair battle.

**RUTH BRYAN'S GOOD EXAMPLE**

Congressman Ruth Bryan Owen (why should we call the women members Congresswomen, anyway?) is setting fellow members of congress a splendid example in at least one regard—that of making her constituents know Washington better. Everybody in the country should know our capital better than we do. It is not only the capital of our country but it is getting to be the capital of the world. She is doing two outstanding things in this matter:

(1) During the Congress vacation she is going all over her district holding meetings and telling her people about what Congress is doing and then she has moving pictures of Washington showing them in a vivid and personal way what things are like in the District of Columbia.

(2) Better than this, she is selecting 36 boys and girls, two from each of the 18 counties in her district, who show the best "school citizenship" and will bring them to Washington next year to study governmental Washington.

She is evidently staying close to the people—what else could you expect of William Jennings Bryan's daughter?

Farm timber in thirty-four East and Northeast Texas counties brought its owners \$6,192,000 in 1928 according to State Forester E. O. Sieck.

There are 3,136 cities, towns and villages in Texas, with 92,500 business concerns of all kinds.

**SLAT'S DIARY**

Friday—Ant Emmy was reading in the news paper where sum doctor had rote that the less close you ware the longer time you will live. Pa spoke up and sed Well if that is the case he seen some girls today who had a pretty good chance of helping celebrate the 500th anniversary of the Declaration of Independence, he sed.

Saturday—Ma sent me down to town today and told me to purchase some cold cream. When I got there I hadda telephone her and ast her if she wanted chocolate or vinalla and she replied and sed. You dummy I want cold cream for my sun burns. So after that my appetite was disappointed a grate deal.

Sunday—Our Sunday school teacher ast us what we liked to play when we went to school. Jake answered and sed Hokey was what he like to play morn enny thing elst.

Monday—Las night when we was out taking a ride in the 2nd hand ford why I et a lot a peanuts and when we cum home let a peace of pie and sum pickles and then I dreamed I was a night watchman in a ice cream factory so I am going to eat sum of the same every night when I get the chanct to.

Tuesday—Well I past bills all the afternoon and I got a dime for it. Pa had to have his little joak and he sed Well he guess I was working for a Close Corporation. Only this wasent any joaking matter with me this kind of weather.

Wednesday—Well ma wants me to play with the new kid whose pa just bought out the new sody fountain on account of he uses such good English. But I druther play with sum one I can understand what they are talking about.

Thursday—This was a unsuccessful day with me. I tried to smoke a pipe. I believe if enny one had offered to kill me I cud have loved them heartily. Whoever says they is solid comfort in a pipe is as big a liar as the one who brags about liking castor oil. Smoking pipes is a very vishus habit. So never no more.

**TRI-STATE FAIR TO BE IN HISTORY BELIEVED**

AMARILLO, August 12.—With 5,000 catalogues sent out all over the Panhandle and Tri-State territory, several prospective exhibitors at the Tri-State Fair, September 23 to 29, have already signified their intention to enter one or more exhibits at the Fair, Wilbur C. Hawk, president, announced here today.

According to Mr. Hawk, present indications point to the greatest Fair in the history of the exposition. It is believed that there will be nearly one-fourth again as many exhibitors displaying at the Fair as showed products last year.

Considerable interest has been shown from all sections of the territory, Mr. Hawk said, and the free gate, mammoth Hagenbeck-Wallace circus and other attractions are expected to help in breaking all attendance records.

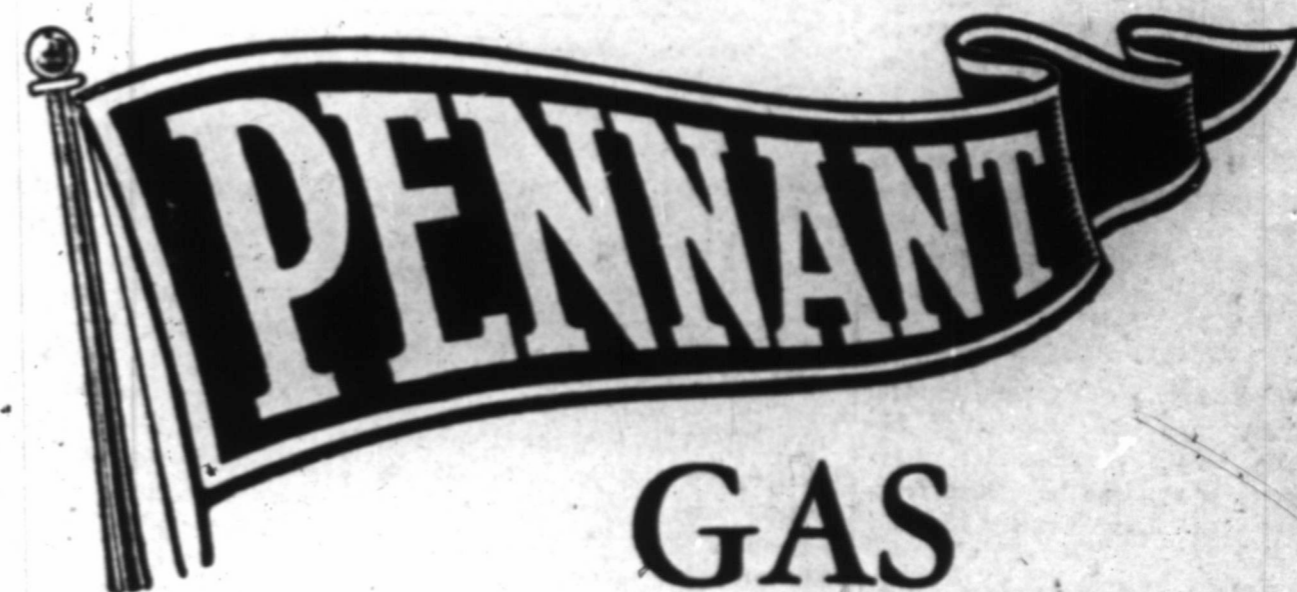

Farmers, stockmen and others who intend to show at the Fair this year and have not already received catalogues are urged to write at once to Wilbur C. Hawk, President, Tri-State Fair Ass'n., at Amarillo. Any information about the exposition will be furnished free immediately upon request.

## Hold Chicken Fry at Buffalo Springs

Judge and Mrs. G. E. Lockhart of Lubbock entertained a group of friends who have been visiting here and at Lubbock with a chicken fry at Buffalo Springs, ten miles southeast of Lubbock, last Monday evening. Those honored were Mr. and Mrs. H. W. Scott, Mr. and Mrs. W. E. Henderson, and John Claude Powell of Los Angeles California.

Fishing and swimming was engaged in during the afternoon. Judge Lockhart and Ira Doak, acting as chefs, cooked eight or ten fryers and the ladies furnished the cakes, salads, etc.

Those present in addition to the above mentioned honored guests were: Mr. and Mrs. I. S. Doak and daughters, Eva, Mary and Jo; Mr. and Mrs. Fred Spikes and daughter, Alma; Mr. and Mrs. J. R. Burrus; Mr. and Mrs. Claude Burrus and daughter; Mr. and Mrs. Lewelling, Mr. and Mrs. Joe Baldridge, Joe Henderson, Mrs. M. J. Henderson, Mr. and Mrs. G. E. Lockhart and son, Jess, and daughter, Ernestine, and Judge Tom Gerrard, all of Lubbock; Mrs. Laura McCormack, Mr. and Mrs. H. M. Larkin, and Faye Brown all of Tahoka; and Miss Clarabelle Burrus of Abilene.

## HISTORICAL REVIEW TO BE OFF THE PRESS SOON

CANYON, August 12.—Volume Two of the Panhandle-Plains Historical Review, edited by J. Evetts Haley will be off the press of Russell & Cockrell, Inc., in about two weeks. It is a larger volume than that of last year and contains articles by some of the most distinguished of the Panhandle-Plains pioneers, as well as articles by well known historians of the Southwest.

Professor W. P. Webb of the University of Texas writes on the significance of the Great Plains country prior to and during the Civil War, under the subject, "The Great Plains Block of the Expansion of the South."

W. C. Holden, of the History Department of Texas Tech, writes of Texas Frontier Defense between 1861 and 1889. The vivid reminiscences of Hank Smith, who was the first permanent settler in the South Plains country, are included in this issue. They have been edited by Miss Mattie M. Anderson of Canyon.

J. A. Richards of the University of Texas tells of South Plains land rushes and the excitement incident to filing upon open West Texas lands. W. S. Mabry, now of Selma, Alabama accompanied one of the first surveying parties into the Panhandle in 1973. He later surveyed as county surveyor of Oldham and attached counties, and was intimately connected with the development of the X I T Ranch. He tells in this volume of the early West Texas and Panhandle surveys.

Judge Thomas F. Turner of Amarillo, inspired by the address of Chief Justice W. R. Hall, has expanded upon his subject of "Prairie Dog Lawyers" and written a fascinating biography of the early legal representatives of the Panhandle.

T. D. Hobart, Pampa, president of the Historical Society has written of some characters and customs of old Mobeetie. W. H. Patrick, Clarendon, tells of an evening service of a type long past. Another humorous and soundly historical article is that written by G. A. F. Parker, Hereford, upon "Incipient Trade and Religion in Amarillo."

L. F. Sheffy, Canyon, summarizes the life history of Colonel T. S. Bugbee, the second settler of the Panhandle.

A section of book reviews and a membership list completes the book. It will be approximately 150 pages of clear cut format and excellent workmanship.

opening in him initiative and resourcefulness. Efforts will be directed more to stimulate both pupils and parents to see the value of education beyond high school so that more boys will enter college for special training. More stress during this year will be placed on the cardinal principles as advocated by the National Educational Ass'n., and termed the "Cardinal aims or objectives"

in education." Believing that good character is the biggest objective of all, stress will be laid on such things as will build good character and worthy behavior.

Much more could be said on the above, but this is enough. What we need—and have needed all along—is a heart-felt sympathy for such a school program, and such a sympathy as will lead to active support of the program. Money will build a school plant and buy the services of good teachers, but it will not buy a good school. We believe that such a program has been laid out and worked into the schools here is deserving of an active, "I'm with you" support. I shall make an appeal for such support and more so as the opening day approaches. In the meantime, think the matter over. Read this article over again, and then think it over some more. Your local school is rated among the highest three of the whole South Plains area. Are you helping to carry out the program and help your child or your neighbors child to get the most out of school? What of the future of your boy or girl? Have you any plans? Has he or she any worthy plan for the future? We are yearning to help you in these matters, but the opportunity must be given.

Articles to follow this one will deal with various subjects. Among the first will be "What is Education, Anyway?" In this I shall set forth the seven aims of education, as I see them, explaining each one in detail and asking you to think with me along the lines of each. These aims will be the same as those set forth by the N. E. A., but we hope to lead you to see them more clearly.

M. L. H. BAZE, Supt.

## WILSON SCHOOL BUILDING BEING WORKED OVER

The painters are not yet through with the school building, and already it is looking like a new one. The walls and ceilings of the class rooms have been calcimined and the wood work and seats stained and varnished. It doesn't hardly seem possible that a little paint could add so much to the looks of a building.

Plasterers have been busy plastering the walls of those rooms that have been unfinished. All rooms are now, or will be as soon as the painters have finished, ready for occupancy.

The auditorium is also receiving some attention, the walls are painted

in two tone colors and the seats and wood work stained and varnished. The school children will be met with a pleasant surprise when they view the interior in September.—Wilson Pointer.

## MRS. "WHITEY" WALKER IS STILL IN NEARBY JAIL

Mrs. "Whitey" Walker, whose bond was recently set in the charge against her in connection with the burglary of Tahoka Drug Co., is still confined in a jail of a nearby county having failed so far to make bond. Jim Wheelers, held for the same offense, was released on bond last Saturday afternoon.

## Dixie School Will Open September 2

Dixie school, which will open on Monday, September 2nd, expects to have a nine months term this year, according to H. M. McEachern, superintendent. The term is being extended as a result of a raise in apportionment recently announced by the State Department of Education. Dixie has four teachers, all of whom are teaching their second year at that place. They are: H. M. McEachern Misses Vera West, Hazel Coleman, and Frances Dulaney.

## Building Plans

Are one of the hardest plans that come to the attention of anyone. So many things are to be taken into consideration that it is almost a night-mare to think of them. It is for this reason that we maintain always a free service on house plans. We have plans ready made that might suit your needs, or we have a planning department that is always glad to offer suggestions to assist in planning your new home or the additions or changes you may care to have made.

In any event, consult us when you want to build or remodel—we will be only too glad to assist anywhere possible.

We also have the building materials that are so necessary in changing or rebuilding your home.

ASK US—WE'RE GLAD TO HELP
