Tahoka, Lynn County, Texas, Thursday, August 22, 1929.

Number 52

FIRST BALE OF COTTON GINNED

A Prospect Gets 26c Per Pound and 550 Premiums For 566 Pound Bale Tuesday

Tahoka received her first bale of cotton this season on Tuesday of this week, August 20. According to Coleman Wells, this is just one week earlier than the first bale was ever received in Tahoka, before the earliest is heretofore being August 27. Possibly the bale ginned here Tuesday was the largest first bale ever received in Tahoka, too. It weighed 566 pounds. It was raised by J. A. Propst, residing about ten miles southeast of Tahoka. It was gathered from a field that matured and opened rather prematurely on account of continued dry weather. The cotton was not picked but was pulled, about 2000 pounds of pulled or snapped cotton being brought to the gin. It was ginned by one of the Handley gins here, and Mr. Handley says that the lint made one of the prettiest bales he ever saw. This bale was sold on the streets in public auction at 3 o'clock Tuesday afternoon, and it was purchased by the Forrest Lumber Company by local manager, G. A. Brasfield, who paid 26 cents per pound for the bunnies made by the business men of Tahoka through the Chamber of Commerce amounted to \$50.00. Mr. Propst, therefore, realized \$163.20 on this bale of cotton in addition to the seed.

It is thought that the ginning season will open here this fall much earlier than usual, although much of the attention is very late.

SCOUTS HAVE OUT-ING AT BUFFALO SPRINGS

Accompanied by assistant Scoutmasters W. S. Anglin and M. O. Key and by M. L. H. Baze, one of the Kiwanis committeemen sponsoring the Boy Scout troop here, twenty-five members of the local Boy Scout organization drove out to Buffalo Springs northwest of Slatt Tuesday afternoon and spent the day there. Swimming was the chief amusement and the Scouts report the best of their lives.

Presbyterians Now Have Sunday School

The Presbyterian Church has recently organized a Sunday School, according to Mrs. John Stokes, one of the leading members. The organization, which starts off with 20 members, was perfected under the direction of Rev. Geo. W. Pagan, student pastor, who is in charge of the work here for the summer.

Judge G. C. Grider is superintendent and Miss Gertrude Bishop is secretary of the new organization. The teaching force consists of Mr. and Mrs. G. T. Nash and Mrs. John Evans. Other members are expected to come in soon. "All Presbyterians and all who do not attend any Sunday School are invited and urged to join our school," is the statement which Mrs. Stokes made to a representative of the News Monday.

As soon as Rev. Mr. Pagan returns to the Seminary at Austin, which he has been attending, Dr. Johnson of Lubbock will resume his pastoral duties here. He has been busy in revival and other religious meetings during the present summer.

Fenton Buys Rogers Insurance Business

A deal was perfected last week whereby R. W. Fenton, Jr., becomes the owner of the insurance business of B. F. (Uncle Ben) Rogers. Mr. Rogers has been engaged in the insurance business here for the past six years. He has earned a good name and will probably take life easy for awhile. Of course, he will remain in Tahoka, where he has made many friends during his residence here.

COUNTY COURT CLOSES

The July term of the county court closed last Saturday and Judge G. C. Grider reports that during the term 19 civil cases and five criminal cases were disposed of. Also one juvenile case and one lunacy case were heard. There were few contest cases during the term.

Subscribe for The News.

Methodist Meeting Is Highly Successful

The revival services so ably conducted by Rev. R. T. Breedlove, the pastor, at the Methodist church, came to a close last Sunday night.

While the visible results of the meeting in conversions and accessions to the church were not large, yet it is generally regarded as one of the most helpful and successful meetings held in Tahoka in several years. There were fourteen additions to the Methodist church and a number will probably join other churches as a result of the meeting. The preaching was done by the pastor in a most earnest and a very able manner and the spirituality of the church was greatly deepened.

The Cochran Brothers led the singing in a most efficient manner.

Contributions for the pastor, singers, and pianist amounting to about \$450 were taken at the close of the meeting.

PERFECT PLANS FOR FALL FAIR

Officials Complete Preliminary Arrangements; Much Interest Shown In Coming Event

(By C. C. Williams)

The Executive Committee of the Lynn County Fair Association have just about perfected plans for one of the best County Fairs ever held in Lynn County. Better interest has been taken by all connected with the organization, and several communities have given the management notice that they will not only have a number of individual exhibits but will have a Community Exhibit and a School float in the parade in the first day.

The parade promises to be a great event, as much interest is being taken and information obtained by various individuals and business houses. The parade is open to all and any kind of an exhibit, decorated car, or float will be welcomed to participate in it. Attractive prizes are offered for the best decorated School Floats. The business men of Lynn County are requested to have their business represented in the parade and no doubt they will have an interesting group of cars and floats.

The live stock department promises to be by far the largest and best exhibit of live stock ever exhibited in Lynn County. County Agent, Ray Shaver, will have a comparative exhibit of hogs which he intends to use to show the advantage of proper feeding and also one to show the difference in large and small bone type of hogs.

Music Teacher For City Schools Selected

Surgeon M. L. H. Baze, principal of the communication Wednesday night, Mrs. Bessie Maye Binnion of Weatherford accepting the position of Music Teacher in the Tahoka High school the coming year, which had been tendered her by the Board of Trustees recently.

Miss Binnion will teach piano and will largely direct the musical and glee clubs.

Miss Binnion comes highly recommended. She has had quite a number of years of successful experience and for the past four or five years has been teacher of music in the Weatherford High School. For seven years she has been pianist for the Weatherford Rotary Club. She has been active in church and civic affairs there and will doubtless prove to be a valuable asset to Tahoka.

MARRIAGE OF DR. DURHAM TO SHREVEPORT, LA. GIRL IS ANNOUNCED THIS WEEK

Announcement has been made of the coming marriage of Dr. K. R. Durham of this city to Miss Eloise Marie Hutchison of Shreveport, La., which event is to take place in that city on Thursday evening, August 29.

Dr. Durham left Tahoka this morning for Shreveport and other points in Louisiana. He will return to Tahoka within two or three weeks with his bride.

The Doctor located here a little more than a year ago for the practice of his profession, Dentistry, and during this time has gained many warm friends here, who are already extending congratulations.

CITIZENS SUBSCRIBE \$1,000.00 TO DRILL OIL TEST DEEPER

MANY VISITORS AT KIWANIS LUNCHEON WEDNESDAY

There was an unusually large number of visitors at the Kiwanis luncheon Wednesday. We noted Rev. L. G. H. Williams and Boy Scout Executive H. B. Yates of Lubbock, Messrs. Henry Nahm, G. W. Readman, and A. B. Conway of the new United Dry Goods Stores who are opening a business in Tahoka, C. A. Ivey and Howard Hackney of Dallas, R. C. Forester of Wilson and Fred Hapey.

Rev. Mr. Williams made a short talk in the interest of Boy Scout work and announced the appointment of M. L. H. Baze as Deputy Scout Commissioner for Lynn County and Walter B. Slaton as County Vice President of the South Plains Area Council.

W. S. Anglin made a report of the Scout outing at Buffalo Springs on the preceding night and Prof. Baze gave a report of the Chamber of Commerce meeting at O'Donnell on Tuesday attended by several Kiwanians.

R. W. Fenton, Jr., requested that some act be taken with reference to sending delegates to the district convention to be held in Tulsa on September 1-2-3, and G. H. Nelson, D. A. Parkhurst, and E. I. Hill were appointed as a committee to procure one representative or more from the Tahoka Club.

O'Donnell Seeking Hi-Way Designation

A party of Tahoka citizens consisting of C. C. Williams, secretary of the Tahoka Chamber of Commerce, Ray E. Shaver, county farm agent, Judge G. C. Grider, County Attorney G. H. Nelson, Supt. M. L. H. Baze, Dr. C. B. Townes, and W. R. Neyland were guests of the O'Donnell Chamber of Commerce at luncheon Tuesday.

The matter under discussion by the O'Donnell Chamber of Commerce and its present was a proposed highway intercepting Highway No. 83 a few miles west of Gail and extending northward through Tredway, O'Donnell, Pride, Seagraves, Lovington, and other points in New Mexico. Another branch of this highway is to run northward from Tredway through Draw and thence north through Lynn County, intercepting highway No. 7 near Slaton.

The proposed highways met with practically unanimous approval on the part of all present and it is understood that steps will be taken soon to induce the state highway commission to make the designation of these routes as state highways. A committee of Lynn County citizens is to take the matter up with the commissioners' court of Berden county one day next week. The commissioners' court of that county is said to appear a little like a man on the proposition.

Visitors were present at the O'Donnell meeting Tuesday from Seagraves, Lubbock, Slaton, and Petersburg in addition to those from Tahoka. About twenty O'Donnell men were in the meeting, it is said.

Oklahoma Man Acquires Law Gin

K. C. Holmes of Watonga, Oklahoma, has purchased the gin known as the George B. Law gin and has moved his family here. They are occupying the former Herman Turner residence.

Mr. Holmes has been interested in three gins in Oklahoma and is an experienced and capable gin man. Also, before leaving Watonga Mr. Holmes was secretary of the chamber of commerce there.

Mr. Holmes is a live wire and will doubtless become one of our most valuable citizens.

Miss Reta Lois Collenback, who has been attending Abilene Christian College this summer, where she is said to have been a very popular student, is expected home today. She will be accompanied by Miss Helen Ray Roberts of Abilene, who has been attending Simmons University the past year.

Read the ads!

Negotiations are pending between citizens of Tahoka and the Hart Oil Corporation of Fort Worth for the drilling of the Ash Syndicate well five miles west of town on down to a depth of 5280 feet.

The well was drilled to a depth of a little more than 4500 feet by George McCamey of Fort Worth, when drilling stopped in the lime, according to the drillers. The Hart Oil Company, which owns a block of leases in that vicinity and which assigned a portion of its leases to George McCamey of the Ash Syndicate we understand, to have this well drilled, believes that oil may be yet found in paying quantities in this hole, or at least they are anxious to make a thorough test. C. O. Edwards, owner of the land, is also desirous of having the well drilled deeper, and has offered some valuable assistance, it is said, to have this done.

The Hart Oil Corporation accordingly asked the people of Tahoka to contribute \$1,000.00 to the expenses of having the well drilled to a depth of 5,280 feet unless oil in paying quantities should be found at a lesser depth. Approximately the amount requested has been subscribed and paid in by citizens of Tahoka, according to A. J. Lockwood, who represents the people in this matter, and he has notified the Hart Corporation to this effect. It is believed that work on this well will be resumed as soon as some minor details can be arranged.

Clarence Barnes and Neva Doak Marry

Clarence Barnes of this city and Miss Neva Doak of Lubbock were united in marriage at Clovis, New Mexico, last Sunday.

Mr. Barnes is a son of Mr. and Mrs. C. C. Barnes and was reared here. He was a member of the graduating class of the Tahoka High school last Spring and was very popular among his class mates. Since his graduation he has been employed in the Craft Tailor Shop here and enjoys the confidence and respect of the business men of the city.

Mrs. Barnes is the daughter of Mr. and Mrs. I. S. Doak and she was likewise reared in Tahoka. She removed with her parents to Lubbock more than a year ago and graduated from the Lubbock High School last Spring.

Mr. Barnes' uncle is county clerk at Clovis and after procuring his medical certificate here, Mr. Barnes and the bride left for Clovis to procure the marriage license from his uncle. The marriage ceremony was performed by a Baptist minister of that city.

Mr. and Mrs. Barnes are occupying apartments in the home of Mr. and Mrs. R. W. Fenton, Jr. They have been showered with congratulations.

Tahoka Wins Over Daugherty Team

Tahoka defeated the fast Daugherty team in a game played here last Sunday afternoon, the score being 9 to 2. This is the fourth game straight which Tahoka has won.

Wells started pitching the game but went out in the second inning and Squires finished, allowing the opposition but one hit and striking out ten men.

Lamesa and Brownfield will play here next Sunday in a double header. The first game with Tahoka will be called at 2 o'clock.

Everybody should see The Merchants Pageant, Style Show and Concert to be held at the High School Auditorium, Thursday and Friday nights, this week, August 22 and 23. Over 100 people are to take part in the exercises. The biggest event of the season. Something good and different. A fine program each night. Full of laughs and surprises. Admission prices only 15c and 30c.

Next Saturday Is Trades Day

The merchants of Tahoka are looking forward to a large crowd in Tahoka next Saturday, which will be the third monthly Trades Day. The largest crowd of the year was in Tahoka last Trades Day and all the merchants put on specials for the benefit of their customers.

These Trades Days are proving to be helpful to both the merchants and the farmers of the county. All the merchants of Tahoka invite the people of the entire county to make the very most of the opportunities afforded through these Trades Day Events, and the Chamber of Commerce, which is sponsoring this movement, is likewise anxious that the people of the county get the fullest benefits possible out of it.

Be sure to be on hand next Saturday afternoon and don't fail to take advantage of the bargains that Tahoka merchants are offering on that day.

COUNCIL HAS BUSY MEETING

Uniform Tapping Fee Set at \$8.00; No Action Is Taken On Water Shortage Situation

Several items of minor importance were disposed of at the meeting of the city council Monday night.

A uniform tapping fee of \$8.00 in addition to the regular fee of \$10.00 was fixed by the council for all water connections. This included piping and plumbing work from the main to the property line, provided the distance does not exceed thirty feet. Heretofore the consumer has been paying private individuals for this plumbing work at what ever price might be charged.

The extension of a one-inch water line from the M. O. Cannaday residence for a distance of about 400 feet west to the Rube King addition at the western limits of the city was also authorized, and it was decided to install another street light near the G. T. Brewer residence in north Tahoka.

No action was taken with reference to the present water shortage in the city, though there was some discussion of the matter and it is generally understood that some action of some kind will be taken before next summer.

It was decided to purchase a blanket policy for members of the Volunteer Fire Department to cover all injuries that might be received while fighting fires.

The salary of the city secretary, Mrs. J. B. Walker, was raised from \$75.00 to \$100.00 per month by a vote of 3 to 2.

The city tax rate will be fixed at a later date.

Excellent Cotton On J. E. Ketner Farm

A lot of folks are a bit blue over cotton prospects, but not all the cotton has gone to the bad by any means. Ed Redwine brought to town Wednesday afternoon two stalks of cotton which he had pulled from the field of J. E. Ketner just southeast of the city. We counted the bolls and squares on one of these stalks and there were 111 of them. Most of them were bolls from which the bloom had already shed. Many of them were half grown and larger. We did not count the bolls on the other stalk but it must have had at least seventy-five. Mr. Ketner says that fifty acres out of his one hundred acre field is good cotton. If there is much of it like the samples shown it should make a bale to the acre.

APPLICATIONS FOR ENROLLMENT ARE NOW READY

Applications for enrollment in the Tahoka Public schools for the ensuing term may be obtained on and after Saturday at either of the following places: The Tahoka Drug Store, Thomas Bros. Drug Store, Lynn County News Office.

Pupils should procure and fill out these applications prior to the opening of school on September 2.

Texas public school system comprises 1,000 independent and about 7,000 common school districts with school property valued at \$179,200,000.

United Dry Goods Stores, Inc., the southwest's newest chain system, will open a store in Tahoka the latter part of next week in the new G. E. Lane building on the west side of the square. This will be the third store that has been opened in Texas, and the fourteenth to be put in operation by the organization in the past year and eight months. Mr. A. P. Conway, of Rising Star, who has had a life-time experience in the dry goods business will be local manager.

The United Dry Goods Stores, Inc., came into existence January 28, 1928, when Henry and Joseph Nahm purchased a store in Clarksdale, Ariz. The firm was incorporated, and stores have since been located at Jerome, Winslow, Williams and Flagstaff, Arizona; Brawley, California; Tucuman, Portales, Roswell and Carlsbad, New Mexico; Pecos and Dalhart, Texas. Other stores will be opened at Big Spring, Midland, and Littlefield within the next six weeks. They plan to have 20 stores by the end of this year, and 50 by the end of 1930.

UNITED STORES ENTER TAHOKA

Chain Dry Goods Firm Will Open Third Texas Store For Business Here Next Week

United Dry Goods Stores, Inc., the southwest's newest chain system, will open a store in Tahoka the latter part of next week in the new G. E. Lane building on the west side of the square. This will be the third store that has been opened in Texas, and the fourteenth to be put in operation by the organization in the past year and eight months. Mr. A. P. Conway, of Rising Star, who has had a life-time experience in the dry goods business will be local manager.

The United Dry Goods Stores, Inc., came into existence January 28, 1928, when Henry and Joseph Nahm purchased a store in Clarksdale, Ariz. The firm was incorporated, and stores have since been located at Jerome, Winslow, Williams and Flagstaff, Arizona; Brawley, California; Tucuman, Portales, Roswell and Carlsbad, New Mexico; Pecos and Dalhart, Texas. Other stores will be opened at Big Spring, Midland, and Littlefield within the next six weeks. They plan to have 20 stores by the end of this year, and 50 by the end of 1930.

Company headquarters are at El Paso. Henry Nahm, Les Vegas, N. M., is president; Joe Nahm, Las Vegas, N. M., vice-president; Harold Putash, El Paso, secretary-treasurer; and G. W. Readman, Oakland, California, district manager. Henry Nahm, and G. W. Readman are both here to assist Mr. Conway with the opening.

"We are installing in Tahoka one of the nicest dry goods stores in this section of West Texas. The very best of show-case fixtures are being installed, and we will fill them with the highest class of merchandise to be sold at a lower cost," Mr. Nahm told the News man this week. "We are one of the fastest growing organizations in the country and we feel that in selecting Tahoka for one of our stores we have picked a wide-awake town with a future in keeping with our policy of expansion."

Mr. Nahm and associates believe in the use of printer's ink, and have arranged for an intensive advertising campaign through the columns of The Lynn County News.

Whittington Wins In Old Fiddler's Contest

J. A. Whittington of Tahoka won first prize in the old fiddlers contest staged at the West Texas Old Settlers Reunion held at Memorial Park, ten miles north of Crosbyton on Thursday and Friday of last week according to J. K. Callaway of this city, who attended the big celebration. C. O. Brannon of Floydada won second prize, and Jim Rob Wells of Turkey third. Mr. Callaway says that Mr. Whittington was sick up until the time he began playing, but when he began to knock music from that old fiddle he forgot all about his physical ailment. The judges in the contest were old time West Texans to wit: D. D. Shipley, J. A. Huggaby of Floydada and Mr. Cates of Petersburg.

Other Tahoka citizens attending the reunion were Bob McCord and Bert Morris. Mr. Callaway says there should have been others, for it was a "howling success." There were large crowds, lots of music, plenty to eat, and best of all the Old Fiddlers Contest, which lasted two days, he says.

Reunion Held By Donaldson Family

Mr. and Mrs. John Donaldson have had as guests the past week Mr. and Mrs. J. W. Donaldson of Moody, who stopped over here on their return trip from Los Angeles, where they spent several weeks, the two Donaldsons being brothers.

On last Friday afternoon, Mrs. John Donaldson gave a six o'clock tea in honor of their guests. Others present besides the guests already named were Wallace Donaldson of Houston, Mr. and Mrs. Claude Donaldson and baby of Wichita Falls, Mr. and Mrs. Aubrey Thomas of Lamesa, and Mr. and Mrs. Charlie Donaldson, who reside on their ranch southwest of Tahoka.

J. W. Donaldson is a banker at Moody and is one of the prominent citizens of Central, Texas.

Locals

Rev. H. A. Conway of Corsicana is here this week visiting his son, Claude and family and also his daughter, Mrs. Roy Poir, and family. Rev. Conway has been a Baptist minister for many years. Most of his ministerial work has been done in Central Texas but he has held a revival meeting of two in this county.

Mr. and Mrs. Ben Poole and son, Joe of Lampasas left Monday for Lovellland after a few days visit here with Mr. and Mrs. J. K. Applewhite and children.

PAINS QUIT COMING

Missouri Lady Says She Got Stronger and Averted Hurting Went Away After She Took Cardui.

Quin, Mo.—"For some time, I had been having an awful time with pains in my back and sides," says Mrs. Robert Croy, of this place. "My head would ache until I felt as if it would split open."

"I was very weak and nervous. It looked like the least little thing would upset me. I was cross with the children, and I had no patience for anything."

"Often, when I would get up in the morning, I would have to go back to bed. I was so weak. I dragged through my work, but I took all my strength to do it."

"I tried many remedies, but nothing did me any good until I started taking Cardui. I had read how Cardui had helped others, and so I wanted to try it, myself."

"Cardui proved to be all that was said of it. I took it for several months, regularly. At the end of that time, I was in good health, and have been so ever since. I gained in weight, my appetite was good, and I was able to do all my housework without it hurting me. The pains quit coming."

Thousands of cases similar to that described above have been reported by users of Cardui.

County Superintendent H. P. Cavness spent Friday afternoon, out at Morgan, where an addition to the school building is being constructed. The addition consists of a room about 20 by 40 feet in size to be used temporarily as an assembly room as well as a class room. The present building, containing three rooms, is also being repaired. The faculty, which heretofore consisted of three teachers, has been increased to four teachers next year. Prof. L. H. Taylor is the principal.

Mrs. H. P. Cavness underwent an operation for appendicitis in a Lubbock sanitarium Friday night. Her condition is said to be improving satisfactorily and it is hoped that she will be able to return home within a few days.

Mrs. I. S. Kuykendall left Sunday to visit her son, Claude Kuykendall, at Amarillo and her daughter, Mrs. Leola Green, at Borger. Her visit will extend over several days.

Miss Lorone Harris of Abernathy is here this week visiting her cousins, Misses Evelyn and Estelyn Jeffries.

Mr. and Mrs. Wylie Fortenberry and family spent the week end visiting relatives at Pride, Dawson county.

Mrs. A. B. Servey and daughters, Misses Mary and Mattie Will, returned to Tahoka last Thursday, after having spent the major portion of the summer in Alabama. Miss Mattie Will attended the summer session of the Alabama A. & M. College at Opelika. She also visited the Tuskegee Institute the negro school made famous by Booker T. Washington, and she says that it certainly is a splendid school plant. The Serveys also visited at Birmingham, the great industrial city of Alabama, where relatives reside. After returning to Texas they spent several days visiting relatives at Cleburne. They report an exceedingly pleasant time.

NOTICE OF SALE
STATE OF TEXAS,
COUNTY OF LUBBOCK.
In the Justice Court of Precinct No. 1, Place No. 2, Lubbock County, Texas.
G. E. Lockhart vs. A. C. Samford.
WHEREAS, by virtue of an execution issued out of the Justice Court of Precinct No. 1, Place No. 2, Lubbock County, Texas, on a judgment rendered in said Court on the 18th day of June, A. D. 1929, in favor of the said G. E. Lockhart against the said A. C. Samford, No. 701 on the docket of said Court, I did on the 6th day of August, A. D. 1929, at 3 o'clock P. M. levy upon the following described tract or parcel of land, situated in the County of Lynn, State of Texas, and belonging to the said A. C. Samford, to-wit: 74 acres out of Survey No. 484, Certificate No. 963, Abstract No. 533, commonly known as George Samford place, and near the town of Tahoka, Lynn County, Texas.

AND, on the 3rd day of September, A. D. 1929, being the first Tuesday in said month, between the hours of 10 o'clock A. M., and 4 o'clock P. M., on said day, at the courthouse door of said county, I will offer for sale and sell at public auction for cash all the right, title and interest of said A. C. Samford in and to said property.

Dated at Tahoka, Texas, this 6th day of August, A. D. 1929.

S. W. SANFORD, Sheriff, Lynn County, Texas, 50-2tc.

CITATION BY PUBLICATION
THE STATE OF TEXAS.
To the Sheriff or any Constable of Lynn County, Greeting:
YOU ARE HEREBY COMMANDED to summon T. J. Johnson by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be held at the Court House thereof, in Tahoka, Texas, on the fourth Monday in September A. D. 1929, the same being the 22nd day of September A. D. 1929, then and there to answer a petition filed in said Court on the 19th

O'DONNELL SCOUTS TO HAVE PARK AND PLAY GROUND

(O'Donnell Index)
The Boy Scouts of O'Donnell are to have a park and play ground which will be situated just northwest of the city limits.

They are indebted to Mrs. N. T. Singleton who made the establishment of the park and play ground possible by donating a two-acre plot of ground for this purpose. The land has been deeded to the Boy Scouts of long as it is used for the purpose for which it was donated.

Scout Master Clyde Ash and the local Scout troops have already fenced the ground and a well is to be drilled at an early date. The Baptist church has donated a windmill tower and mill head and Mr. Boyd F. Finner has agreed to drill the well at two-thirds the regular cost per foot. Funds are being raised to purchase other necessary equipment such as windmill and water pipes. As soon as the above is completed the boys will erect a camp house on the site and a number of shade trees will be planted at the planting season this fall. Every thing will be done to make it modern and up-to-date in every respect.

Local Scouts are highly elated over their new park and play ground and the town should join in helping them make it complete in every detail.

Local Scouts are highly elated over their new park and play ground and the town should join in helping them make it complete in every detail.

day of August A. D. 1929, in a suit numbered on the docket of said Court as No. _____ whereip Lenore B. Johnson is Plaintiff and T. J. Johnson is Defendant, and said petition alleging that on or about the 11th day of February, A. D. 1928 plaintiff was married to defendant in Coleman County, Texas; that they continued to live together as husband and wife until on or about the 28th day of April A. D. 1929, when by reason of the cruel and harsh treatment and improper conduct of the defendant toward plaintiff, she was forced and compelled to permanently abandon him, since which time they have not lived together as husband and wife.

2. Plaintiff alleges that during the time they lived together she was kind and affectionate to defendant and performed all her marital duties; that about nine months prior to their separation defendant began a course of unkind, harsh and tyrannical treatment toward plaintiff which continued until Plaintiff was forced to abandon defendant as aforesaid, that on June 26th, 1928, while plaintiff and defendant were visiting defendant's relatives in Point Isabel, Texas, defendant got drunk and cursed and abused plaintiff because she would not drink liquor with him; that defendant got his pay every two weeks from the middle of June 1928 until the time of their separation and just that often defendant got drunk and abused and cursed plaintiff; that on the 23rd day of February 1929, plaintiff came home drunk and knocked plaintiff out of her chair with his fist and spit in her face; that on the 28th day of June, 1929, plaintiff and defendant were riding in the country, that defendant dragged plaintiff out of the car, struck plaintiff with his fist, cursed her and made her walk home and that since that date plaintiff has not seen defendant. That plaintiff's name before she married defendant was Lenore B. McNamee. Plaintiff alleges that defendant's actions and conduct toward her generally are of such nature as to render their further living together as husband and wife insupportable.

Wherefore Plaintiff prays the court that defendant be cited to appear and answer herein, for judgment dissolving said marriage relation, that plaintiff's maiden name be restored, for costs of this suit, and for such other and further relief, special and general, in law and in equity to which she may be justly entitled.

Herein Fail Not, and have you be-

TRUETT SMITH, Clerk, District Court, Lynn County, By Gertrude Bishop, Deputy, 52-4tc.

Texas' population per square mile is 26.6 on the basis of the 1920 estimated total, the lowest of any of the Southern States and lower than all but twelve of the States of the Union. The highest density is in Rhode Island with 573.5 to the square mile, and the lowest is in Nevada with 0.7 persons to each mile of area.

THE DAY'S NEED

Each day I pray, God give me strength anew
To do the task I do not wish to do
To yield obedience, not asking why,
To love and own the truth, and scorn the lie.

To look a cold world bravely in the face,
To cheer for those that pass me in the race,
To bear my burdens galley, unafraid,
To lend a hand to those that need my aid.

To measure what I am by what I give,
God give me strength that I may rightly live.

L. A. Cherry has been sick of rheumatism the past two weeks.

Do you enjoy seeing a wedding ceremony? Well, then be sure to attend The Merchants' Pageant at the High School Thursday and Friday nights, August 22 and 23. The bride will advertise a Dry Goods House, the groom a Tailor Shop and the Minister a Clothing Store. Guess who the bride and groom and the minister will be. Don't miss it. Lots of fun, good singing, good music. Tickets only 15c and 30c.

The Lynn County News can still be had for \$1.50 per year—52 issues. We are also still offering the combination of The News and the Dallas Semi-Weekly Farm News for only \$2.00.

Your Home-Grown Grains Bring the Highest Price
When Marketed as **PORK**
—and this pamphlet tells you how to produce BETTER QUALITY PORK—QUICKER and CHEAPER!
GREAT Southwestern farm journal says: "The most efficient use of feed on any farm is the hog. No better market for grain has ever been discovered than intelligent hog feeding. But don't lose sight of the fact that a large amount of protein is required for rapid development and to get the highest value out of the grain used."
RED CHAIN W.M. supplies a percentage of protein almost as high as tankage—at about the same cost—and its variety of proteins makes it more efficient and economical. It gets highest value from your grain.

CHEVROLET
ANNOUNCING
A VARIETY OF COLORS
on the Chevrolet Six
at no extra cost!
In keeping with the progressive policies that have carried Chevrolet to record-breaking heights of success—the new Chevrolet Six is now made available in a wide variety of colors at no extra cost.
Still further enhancing the inherent beauty of the marvelous bodies by Fisher, these striking new colors give to the Chevrolet Six an order of smartness unapproached in any other low-priced car in the world.
And when you drive the Chevrolet Six, you will realize that its performance is equally as outstanding as its beauty. It flashes away at the traffic signal. It tops the steepest hills with an abundant reserve of power. The steering wheel responds to your slightest touch. And the quiet, non-locking, four-wheel brakes are unusually quick and positive in action.
Come in today. See this sensational Chevrolet Six which actually sells in the price range of the four.
The Roadster, \$525; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695. All prices f.o.b. factory, Flint, Mich.
COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.

NEW HOME SCHOOL SUPERINTENDENT MAKES STATEMENT

The News has received the following communication from J. C. Turney, Superintendent of the New Home Public School, relating to the work of that institution. This is one of the most progressive school communities in Lynn County, with one of the best rural schools to be found anywhere. The communication follows:

New Home Public Schools
 Our school opens Monday, Sept. 2nd. It is hoped that we shall have full attendance from the very beginning and that we shall have through the fall a better attendance than did we have last year.

It is needless to say that we are delighted with the news that New Home High School has seven units of affiliation. The subjects of which affiliation was granted are three years of History, two years of English, and two years of Algebra. We expect to secure credit in third year English, plane geometry, advanced arithmetic, civics and general science this year. With these added credits we will have full affiliation with the exception of Spanish, and we cannot secure that credit until we add another year to the Spanish course. With the teaching force we have we do not have time for the second year Spanish.

The thought of adding another teacher and the 11th grade should be getting into the minds of our people just now to the extent that the proposition will be put over in the next year or two. Remember that schools are either growing or declining.

Parents, for the best interest of our school it is absolutely necessary that you co-operate closely with teachers and pupils. Show us that you really are interested in many ways. Do not be a "knocker", for they are the least needed people in any community. Withhold your criticism until you actually know what is being done or until you know the motive in mind by those in whose hands your children are placed. We as teachers certainly mean to do the best thing possible for the school and community. So lend us a helping hand.

Edith

Mrs. J. C. Campbell returned Wednesday from a two weeks visit with relatives at Perrin, Texas.

Mrs. J. D. Haney left Saturday for a week's visit in Haskell and Throckmorton counties.

Mr. Clyde Krebs, who has been visiting friends and relatives at Tulsa, Oklahoma, the past three weeks returned Saturday.

Mr. T. J. Owens and family returned Tuesday from a few days visit with relatives in Oklahoma.

Uncle Frank Sanders spent the week end with relatives at Anton, Hale Center and Plainview. He was accompanied by his nephew, Deane Sanders, of Tahoka.

"Grannie" Sanders and children had a reunion at Mr. and Mrs. Joe Sanders Sunday. Her children who were present for the dinner were: Oscar Sanders, Joe Sanders, Sid Sanders, Dee Sanders, all of Tahoka, and Tom Sanders of Vaughn, Hill county. Bob Sanders of Iowa arrived Sunday afternoon. Mrs. Alex Henderson came but was called away to the bedside of a sick daughter Friday. She did not get back for the reunion Sunday.

There were seventy-six at Sunday School. We had a good day school and also a good preaching service. Preacher Elmer B. Broughton drew the crowd.

Quite a few people went to the singing at Draw Sunday afternoon. Everybody present reported a good time and a blessing. Don't forget the singing at the Methodist Church in Tahoka next Sunday. You are expected to be present.

SICK WIDOW IN NEED

We are advised that a widow with five small children, residing in the Miss Lola Lewis residence in South Tahoka, is sick and unable to work. Due to this fact she is in very needy circumstances. Anyone having surplus vegetables, milk, or other produce can do a Christian act by assisting her in this hour of need, and any help tendered will be greatly appreciated. This statement is made without her knowledge upon the suggestion of some of her friends.

WHAT WILL THE YIELD BE?

Everybody in Lynn County is talking about the weather, about the drought, about rain, about cotton and feed crops, and everybody is making guesses as to what the Lynn county cotton production will be this year. There were 34,217 bales ginned in Lynn county last year according to the final government report.

How many bales will be ginned this year? Various and sundry estimates are being given. The pessimist is placing the figures down to almost nothing while the optimist possibly has his figures too high. The crop is so spotted and variant in different communities and even in different fields in the same community and often in different portions of the same field that it is hard to estimate the crop.

But we have asked several conservative business men, including gin men and cotton buyers, and the estimates we have most frequently heard place the crop at 25,000 to 33,000 bales provided the drought continues.

If the drought continues its results are going to be more fatal with respect to feed than cotton. Possibly the smallest feed crop per acre in the history of the county will be made unless soaking and general rains come within the next few days.

Had it occurred to you that 25,000 bales of cotton at 20 cents per pound are worth more to the farmer than 35,000 bales at 15 cents? The difference in the cost of gathering, ginning and marketing at the lower price will overcome the advantages of the larger yield.

It may not turn out so bad after all.

FROM THE PLAINS TO THE PINES

The editor and daughters, Berta and Myrtle, and that boy Bill, visited relatives last week at Hamilton, Corsicana, and Cresson, and took a spin over to Athens and Tyler just to see what the land of peaches and piney woods looks like. We found few peaches but quite a bunch of pine trees.

East Texas is doubtless a great country—we have no stones whatever to throw at any section of Texas—but we have been wondering ever since our visit what the folks east of the Trinity live upon. Scarcely a hog did we ever see. If there were any Jersey cows in that section of the state they were off in the woods somewhere—we were able to visualize only a few of them. At many of the farm houses we were unable to discover a single hen. At others a few members of the poultry family of uncertain pedigree and doubtful value were to be seen scratching lazily about the doorway or resting under the shade of a friendly tree. Not a single garden can we recall after passing Athens, unless a few straggling tomato and bean vines here and there might be so designated. The cotton fields and corn fields of that section consisted mostly of 15 and 20-acre patches. The yield in some fields promised to be fairly good; in others it will be scant. We found a few nice peach orchards in the vicinity of Athens and we had an idea that we would find great, broad acres of peach trees and tomato plants as we approached Tyler; but nay verily. All that country looked to us like the tail end of desolation. Still, we are not knocking that country; we know that they do raise peaches and tomatoes somewhere over there in the "sticks." Perhaps this peach-and-tomato paradise lies further on toward Jacksonville or Longview, or further to the North toward Sulphur Springs, where our good friend Bagwell continually sings about the glories and riches of East Texas and goes into "spasms" every time West Texas is mentioned. Somewhere over in that country, possibly back away from the highways, must be some productive farm lands, for they have some good towns over there. Athens is a nice little East Texas county seat while Tyler has an air of prosperity and dignity about it that commands respect and even admiration—Tyler, for long years the political capital of Texas, the present home of that orator and statesman, Cone Johnson.

And that makes us think of highways. Say, boy, they need some highways in East Texas. A dandy paved highway extends out of Tyler this way to the Henderson county line but there the pavement stops. From that point to Corsicana and from Corsicana on to Waco, very little paving is found; and when it rains in that country, it rains. And when it rains, the roads get muddy—become impassable, in fact. These highways cross sluggish streams that overflow and great sloughs where the water stands for months and stagnates. Boy, they need more paving in East Texas.

Streams! To a West Texan that word calls up visions of crystal waters; pure and placid or leaping in glory over some rocky precipice. But

in East Texas the streams are veritable cess pools of fifth-odd green waters, filled with decaying leaves and other vegetable matter that looks as if they had been there a thousand years; waters that any decent, self-respecting bull frog would refuse to take a bath in and that would make a crocodile vomit.

But what about the crops this side of the Trinity? Well, they are "spotted." There is much good cotton in Navarro and Hill and Ellis counties—and yet in this great black land section of Texas hundreds of fields have withered and burned up under the blasting rays of the hot, dry summer, and in our opinion the cotton crop in these counties will be considerably below normal. In all other counties from here to the black land about the same conditions prevail as do here. The yield is going to be very light. The present prospect is that the Texas cotton crop will be a million bales short of last year's production.

The price of cotton should continue to rise this fall on present prospects. May it be so.

Petty News

The dry weather still continues in this part. Crops are holding up fairly well. Most everybody is canning corn and peas. Gardens that couldn't be irrigated have burned up. Mr. and Mrs. Brooks Smith have just returned from a week's visit at Wichita Falls and they report that they didn't see any crops that would beat Lynn County except around Vernon.

Mr. McCracken and family spent the day with Mr. and Mrs. Dockery last Sunday.

Quite a few from this neighborhood attended the baptizing Sunday at East Camp.

Not so many at Sunday School last Sunday on account of so many being off on their vacation.

Mr. and Mrs. G. C. Beatty left Sunday for Roswell to visit and work awhile.

Mr. Reynolds and family were visitors at Lynn Sunday.

The social at Mr. Nowlen's Saturday night was well attended by Lakeview people. Everyone seemed to have a nice time.

Mr. and Mrs. Alonzo Stroud of Lubbock visited at Petty Sunday.

R. E. Overstreet and O. S. Smith made a business trip to Tahoka Tuesday.

Mr. and Mrs. Frank Blair visited

in the Blocker home Sunday. Mr. and Mrs. Thad Smith visited friends in Lubbock Sunday.—Reporter.

Everybody should see The Merchants Pageant, Style Show and Concert to be held at the High School Auditorium, Thursday and Friday Nights, this week, August 22 and 23.

Over 100 people are to take part in the exercises. The biggest event of the season. Something good and different. A fine program each night. Full of laughs and surprises. Admission prices only 15c and 30c.

The Lynn County News and Semi-Weekly Farm News, year, \$2.00.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the
reputation of standing of any indi-
vidual, firm or corporation, that may
appear in the columns of the News,
will be gladly corrected when called
to our attention.

Governor Moody vetoed that item
of the general appropriation bill
which sought to remunerate farmers
for expenses incurred in fumigating and
sterilizing their cotton and seed in
compliance with the quarantine regu-
lations imposed by the State. A
number of West Texas counties, in-
cluding our neighboring counties of
Dawson, Howard, Martin, and Mid-
land, were included in this "regulat-
ed zone". The occasion for the quar-
antine was the alleged finding of a
few dead pink boll worms in this
area. A great hullabaloo was raised
by State and Federal departments
of agriculture immediately after the
discovery of the worms. Their warn-
ings of danger were as lurid and vo-
ciferous as if an invading army were
about to enter the State. Some of us
dared to say that all this hue and
cry was utterly foolishness. Farmers
and business men protested vehem-
ently, for they felt that a grave
injustice was about to be done. The
threat to declare a "non-cotton
zone" was modified to the extent that
only a "regulated zone" was fixed,
within which all the cotton and seed
were to be fumigated and sterilized;
and to satisfy the people of this sec-
tion, members and attaches of the
State and Federal departments of agri-
culture assured the people that they
would be remunerated in due

time for all expenses incurred. The
people submitted and observed the
regulations to the letter and in due
time, in the only way open to them,
they put in their claims for expenses.
The legislature allowed a lump sum
of \$150,000 to pay these expenses,
but the Governor's blue pencil struck
the item out on the grounds that
such an appropriation would be
unconstitutional. He may be techni-
cally right. We are not attempting
to pass on that phase of the matter.
But it is not morally right for the
State to require the farmers to in-
cur these expenses, under a promise
that they would be remunerated, and
then refuse to pay off. Governor
Moody has cooked his goose with
these West Texas farmers who be-
lieve that the only way to be honest
is to be honest.

"Whom the Lord loveth He chast-
eneth", and whom an editor loves he
sometimes criticizes. We are jump-
ing on Governor Moody just a little
this week but we love him still. We
think he is a splendid gentleman—
but splendid gentlemen sometimes
play politics. In an effort to make
a good showing of economy, Govern-
or Moody trimmed appropriations
for the Texas Tech and for the State
Teachers Colleges to the point of
greatly hampering and crippling
these institutions in their work. That
the Tech should be liberally provid-
ed for is shown by the remarkable
growth it has enjoyed. If there had
not been a great demand for such an
institution in this section its growth
would not have been so rapid. As
for the Teachers Colleges, we believe
that they should always be well pro-
vided for. Most of the teachers that
teach the boys and girls of Texas, es-
pecially those residing in the rural
districts, get their training from
these Teachers Colleges. The chief
function of the Teachers Colleges is
to teach teachers and to teach them
how to teach. The efficiency of our
schools and especially our rural
schools depends largely on the effi-
ciency of the work done by the Teach-
ers Colleges. A blow struck at these
institutions is indirectly a blow at
the boys and girls of Texas. We
think no governor should permit his

consumption desire to "make a re-
cord" impel him to cripple the work
of these colleges. We have always
loved, admired, and supported Gov-
ernor Moody. We are pained that
he shows a disposition to "play-pol-
itics" so often, to the hurt of the
state.

Our humble opinion is that we
need a governor who will major law
enforcement. At one time not so long
ago Governor Moody declared in a
public address that he was a "fanatic"
prohibitionist. Now is a good
time for him to demonstrate. The
charge is in every daily newspaper
and on the lips of every wet propa-
gandist that liquor flows like water
in most of the cities in Texas. We
are dead sure that the facts are
flagrantly exaggerated. But we are
also sure that much bootleg is being
sold, not in the small towns but in
all the cities and many of the larger
towns. We are sure that the law is
being openly flouted, that many
peace officers are blind to the viola-
tions of the law and have their hands
behind them, and that the law is be-
ing laughed to scorn in some quar-
ters even by those who are charged
with the duty of law enforcement.
In such a situation we believe that
the governor of our state should
speak out in thundering tones that
he should carry a big stick and wield it.
It is his duty to use all lawful means
to enforce the law. Yet we have
never heard a whimper out of Govern-
or Moody about this carnage of
crime. He has stopped a few prize
fighters—for which we commend him—
but when has he ever sent a ranger
to any county to put down open and
flagrant violations of liquor laws?
When has he ever lifted a finger to
encourage or to "pep up" enforce-
ment officers? We think he should
have taken drastic action long ago to
enforce respect for the Dean law—
to put the big liquor criminals on the
run. We expect to support that can-
didate for governor next year who
seems most likely to make it hot for
the "higher-ups" in this conspiracy
against the laws of our country. We
are for a governor who will combat
organized crime.

They say that we already have too
many laws. They say that so many
laws have been enacted that they
have become burdensome and almost
intolerable. Doubtless some of our
archaic laws should be repealed and
others should be simplified. But our
attention was called last week to con-
ditions that exist in this state which
should be remedied. If the remedy
can be found without the passage of
a law, we are for it, but if a law is
required we are for that. We refer
to conditions of labor and wage
scales that are to be found in some
of the industrial plants in central
Texas. We were told of a cotton
mill, for instance, where the wages
paid men and women and boys and
girls range from \$7.00 to \$12.00 per
week. Shanties owned by the mill
operators are rented to the employ-
ees as living quarters. The work is
arduous and doubtless unsanitary
in many cases. The mill owners are
wealthy. They coined the wealth
from the sweat and blood of human
beings that are not being given a
half a chance in this world. "We were
told of a laundry owner—a wealthy
and stingy old cuss—that pays his
employees from \$5.00 to \$7.00 per
week. Most of these employees are
women and girls, who must work or
do worse. What kind of a living
can a poor woman eke out on \$7.00
per week? When we think of condi-
tions like this, we involuntarily ex-
claim "There ought to be a law—"

Yes, the cruel, monstrous, inhu-
man, blood-thirsty prohibition en-
forcement officers must be curbed.
Their rifles must be taken from them,
or else some light-hearted, curly-
haired, smiling, innocent, mother's
darling bootlegger might get shot.
Sure—take their rifles from them.
Arm them with nigger-shooters, and
if they become too deadly with such
weapons, give them yo-yos—of re-
stricted size.—Clarendon News.

"More Obstacles for the Boll Weev-
il" says a newspaper headline, but
that gentlemen seems to be a great
Sir Mounter. The State and Federal
governments have both been after
his scalp now for a quarter century
yet he is still with us. It was told
us a few years back that the pink
boll worm had the weevil skinned ev-
ery way as a ravisher of the cotton
plant, and that they seemed to have
the fabled nine lives of the tom cat
but today they are seemingly hors
combat in Texas, while the weevil
rages on.—Brownfield Herald.

**MOORE AND TUNNELL
FAMILIES ATTEND REUNION**

The following account of a family
reunion at Lampasas attended by the
families of H. L. Tunnell and Ben
and Lit Moore of this county is tak-
en from a Lampasas paper:

Hancock Park was the scene of a
reunion of the family of J. H. Moore,
74, of San Antonio, Friday and Sat-
urday. A total of 47 persons, in-
cluding 17 sons, daughters, sons-in-
law, and daughters-in-law, 27 grand-
children, two great grandchildren
and Mr. Moore participated.

Some of the members of the fam-
ily began gathering as early as Fri-
day afternoon, and all were present
by noon Saturday, when a barbecue
dinner was served. After congratu-
lations to Mr. Moore who is still
enjoying the best of health, and many
remembrances and anecdotes, the party
broke up Saturday night. It was
the first time so many members of
the family had been together in 28
years. Mrs. Moore died 17 years ago.

Children and their wives and hus-
bands attending were Mr. and Mrs.
W. L. Tunnell of Tahoka, Mr. and
Mrs. E. E. Hodges of Fredericksburg,
Mr. and Mrs. John Johanson of Bluff-
ton, Mr. and Mrs. L. H. Moore of
Lubbock, Mr. and Mrs. Ben Moore of
O'Donnell, Mr. and Mrs. W. E. Moore
of Lampasas, Mrs. Dan Patterson of
Fort Stockton, Mr. and Mrs. C. N.
Moore of Lone Grove, and Mr. and
Mrs. R. A. Speed of Lampasas.

All reported a most enjoyable vis-
it and those from out of town ex-
pressed admiration for the new tour-
ist park and the growth made by
Lampasas in recent months.

**SLATON CHAMBER OF COM-
MERCE THANKS LOCAL C.-C.**

The News has received the fol-
lowing communication from L. A.
Wilson, secretary of the Slaton
Chamber of Commerce, which is self
explanatory.

"We wish to convey to the Tahoka
people our sincere appreciation of a
very fine courtesy which has been ex-

tended to us by the Tahoka Chamber
of Commerce in furnishing three jud-
ges for our 'Home Beautiful Contest'
which closed on Thursday Aug. 15.
"Mr. and Mrs. M. L. H. Baze and
Mrs. C. C. Williams were the judges
and their work was efficient and en-
tirely satisfactory. Our people were
well pleased with the awards as de-
termined by these judges.
"There were seventy lawns in our

contest this year, and sixteen prizes,
totaling \$100 were given on the basis
of the judging done by three Ta-
hoka people named above.

"We feel deeply indebted to the
Tahoka Chamber of Commerce and to
the three judges for the excellent
service and courtesy rendered, and
hope we may have the privilege of re-
paying them in some way in the fu-
ture."

THE *New*
BUICK

The
Greatest success
in all Buick history

More people have purchased New Buicks during the past
two weeks than in any similar period of any previous year

The New Buick with Body by Fisher has met
with a veritable landslide of public demand.
many purchased before ever seeing the car
—many thousands of others placed their
orders the first few days it was on display—
other thousands have been taking demonstra-
tions and then making Buick their choice.

More Buick owners have entered orders—
more men and women who owned other cars
have turned to Buick—more people who for-
merly paid from \$1000 to \$2000 higher for
their automobiles have purchased Buicks—than

ever before during a similar period in Buick's
twenty-six year history.
The total demand during these two weeks is
from three to five times as great as that for any
other automobile priced above \$1200.
Popularity so overwhelming carries an un-
mistakable message to every prospective
motor car buyer: See the new Buick—drive
it—compare it—and you'll quickly discover
that it's the greatest dollar-for-dollar value in
the entire quality field.

BUICK MOTOR COMPANY, FLINT, MICHIGAN

Canadian Factories
McLaurin-Buick, Ottawa, Ont.
Builders of Buick and Marquette Motor Cars

NEW LOW PRICES

118" Wheelbase Models \$1225 to \$1295
132" Wheelbase Models \$1465 to \$1495

These prices f. o. b. factory. Special equipment extra. Buick delivered prices include only reasonable
charges for delivery and handling. Conventional terms can be arranged on the liberal GMAC Time-
Payment Plan. Consider the delivered price as well as the list price when comparing auto values.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable
Lynn County, Greeting:

**YOU ARE HEREBY COMMAND-
ED** to summon G. G. Adams by mak-
ing publication of this Citation once
in each week for four consecutive
weeks previous to the return day
hereof, in some newspaper published
in your County if there be a news-
paper published therein, but if not
then in the nearest County where a
newspaper is published, to appear at
the next regular term of the District
Court of Lynn County, to be holden
at the Court House thereof, in Ta-
hoka, on the fourth Monday in Sep-
tember A. D. 1929, then and there
to answer a petition filed in said
Court on the 4th day of February A.
D. 1929, in a suit, numbered on the
docket of said Court No. 763, where-
in D. N. Arnett is Plaintiff and G.
G. Adams and Zappe Land Company,
Incorporated, are defendants, and a
brief statement of plaintiff's cause of
action, being as follows:

That heretofore to-wit, on or about
the 26th day of November A. D.
1926, the defendant G. G. Adams
made, executed and delivered to D.
N. Arnett ten certain promissory
vendor's lien notes as follows: Note
No. 1 for the sum of \$100.00 and due
December 31st, 1927; note No. 2, for
the sum of \$100.00 and due Decem-
ber 31st, 1928; note No. 3 for the
sum of \$300.00 and due December
31st, 1929; note No. 4 for the sum of
\$150.00 and due December 31st, 1930;
note No. 5 for the sum of \$300.00 and
due December 31st, 1931; note No. 6
for the sum of \$150.00 and due De-
cember 31st, 1932; note No. 7 for the
sum of \$200.00 and due December
31st, 1933; note No. 8 for the sum of
\$100.00 and due December 31st, 1934;
note No. 9 for the sum of \$200.00
and due December 31st, 1935; and
note No. 10 for the sum of \$1800.00
and due December 31st, 1936, said
notes dated November 20th, 1926,
and payable to D. N. Arnett, bear
interest from December 31st,
until maturity at the rate of
five per cent per annum, payable annu-
ally on December 31st, in each year,
and notes secured by a vendor's lien
on the herein after described land
and notes and each installment of
interest to bear interest at ten per
cent per annum from maturity. And
said notes further provide, "It is un-
derstood and agreed that failure to
pay any installment of interest on
the note when due, or to keep and
perform any covenant or agreement
contained in the Trust Deed securing
the note, shall, at the election of the
holder or holders hereof, at once ma-
ture this, and all notes of same se-
ries with all interest then accrued,
and further providing that if said

THE STATE OF TEXAS.

To the Sheriff or any Constable of Lynn County, Greeting:

YOU ARE HEREBY COMMANDED to summon G. G. Adams by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County if there be a newspaper published therein, but if not then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be held at the Court House thereof, in Tahoka, on the fourth Monday in September A. D. 1929, then and there to answer a petition filed in said Court on the 4th day of February A. D. 1929, in a suit, numbered on the docket of said Court No. 763, wherein D. N. Arnett is Plaintiff and G. G. Adams and Zappe Land Company Incorporated, are defendants and a brief statement of plaintiff's cause of action, being as follows:

That heretofore to-wit, on or about the 26th day of November A. D. 1926, the defendant G. G. Adams, made, executed and delivered to D. N. Arnett ten certain promissory vendor's lien notes as follows: Note No. 1 for the sum of \$100.00 and due December 31st, 1927; note No. 2, for the sum of \$100.00 and due December 31st, 1928; note No. 3, for the sum of \$300.00 and due December 31st, 1929; note No. 4 for the sum of \$150.00 and due December 31st, 1930; note No. 5 for the sum of \$300.00 and due December 31st, 1931; note No. 6 for the sum of \$150.00 and due December 31st, 1932; note No. 7 for the sum of \$200.00, and due December 31st, 1933; note No. 8 for the sum of \$400.00 and due December 31st, 1934; note No. 9 for the sum of \$800.00 and due December 31st, 1935; and note No. 10 for the sum of \$1800.00 and due December 31st, 1936, said notes dated November 26th, 1926, and payable to D. N. Arnett bearing interest from December 31st, 1926 until maturity at the rate of 6 per cent per annum, payable annually on December 31st, in each year, said notes secured by a vendor's lien on the herein after described land and notes and each installment of interest to bear interest at ten per cent per annum from maturity. And said notes further provide, "It is understood and agreed that failure to pay any installment of interest on this note when due, or to keep and perform any covenant or agreement contained in the Trust Deed securing this note, shall, at the election of the holder or holders hereof, at once mature this, and all notes of same series with all interest then accrued, and further providing that if said

notes are placed in the hands of an attorney to pay 10 per cent additional on the full amount due as attorney's fees, and signed G. G. Adams.

Plaintiff further alleges that on November 26, 1926, he joined by his wife, Ophelia Arnett, made, executed and delivered to Defendant G. G. Adams, a certain deed, conveying to the defendant G. G. Adams, the southeast one-fourth (SE 1/4) of Section Fifty-five (55) in block Twenty (20) H. F. & W. T. R. R. Co. survey, certificate, No. 255, patented to Ida M. Charles, Assignee, by Patent No. 572, Vol. 47, Abstract No. 404, situated in Lynn County, Texas, which said deed is recorded in Deed Records of Lynn County, Texas, and did in said deed retain a vendor's lien to secure said notes.

Plaintiff further alleges that simultaneously with the making of said deed the Defendant G. G. Adams, made, executed, and delivered to Plaintiff a certain deed of trust, said deed of trust recorded in Vol. 114, page 25-27 Deed of Trust Records of Lynn County, Texas, upon the above said land to better secure the payment of said notes, and a said deed of trust it is also provided that in case of the default in the payment of any of said notes or installment of interest when due to the holder may at his option declare all of said notes due and payable. And this Plaintiff says that said notes No. 1 and 2 are past due and unpaid and that the interest on notes No. 1, 2, 4, 6, 7, and 8 is past due and unpaid, and that by reason of the default as above he has declared all of said notes No. 1, 2, 4, 6, 7, and 8 due and payable and does here now declare said notes due and payable.

Plaintiff further alleges that he has transferred notes No. 3, 5, 9 and 10 to the Texas Land and Mortgage Company, who are the owners and holders thereof.

Plaintiff further alleges that the defendant, Zappe Land Company, Incorporated, is the owner and holder of one certain vendor's lien notes against said land in the sum of \$1300 and that said note is an inferior lien to the lien held by Plaintiff.

Plaintiff further alleges that all of his said notes are due and unpaid and that though often requested the Defendant G. G. Adams has failed and refused to pay the same on any part thereof, and that he has placed the same in the hands of his attorneys for collection and agreed to pay them the attorneys fees mentioned in said notes, and that the same are reasonable and the customary attorney's fee.

Wherefore Plaintiff prays that the defendants be cited to answer this petition and that on hearing hereof he have judgment for the amount

of his debt against the defendant G. G. Adams, including principal, interest and attorney's fees and costs of suit, and that he have judgment against the defendants G. G. Adams and Zappe Land Company, Incorporated, including his vendor's lien and Deed of Trust Lien as above set out, and that said land be ordered sold according to law, and that the proceeds be applied first to the payment of the cost of suit and sale, and second to the payment of the judgment rendered herein, and third the remainder, if any, to the person to whom the court finds entitled to the same. Plaintiff further prays the court that the note held by the Defendant, Zappe Land Company Incorporated, be adjudged an inferior lien to the lien of Plaintiff and that Plaintiff's lien be held a superior lien to the lien of Defendant, Zappe Land Co., Incorporated, and for such other and further relief as in law and equity he may be entitled to and is duty bound and will ever pray.

Herein fail not, but have before said Court, at its next regular term, to be held with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Tahoka, Texas, on this 13th day of August A. D. 1929.

TRUETT SMITH, Clerk
District Court Lynn County, Texas
52-4tc

CITATION BY PUBLICATION

The State of Texas.

To the Sheriff or any Constable of Lynn County—Greeting:

You are hereby commanded to summon Lucile Burleson by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 106th Judicial District; to appear at the next regular term of the District Court of Lynn County, Texas to be held at the Court House thereof, in Tahoka, Texas, on the 4th Monday in September A. D. 1929, then and there to answer a petition filed in said Court on the 31st day of July A. D. 1929, in a suit numbered on the docket of said Court, No. 783, wherein J. R. Burleson is Plaintiff and Lucile Burleson is Defendant; the nature of plaintiff's demand being as follows: Suit for divorce, plaintiff alleging that he was married to defendant about November 18, 1925; Separated from her about April 1, 1929; that defendant cursed and abused plaintiff, drank intoxicants to excess, was possessed of a violent temper and threatened to do him serious bodily injury on different occasions; that same humiliated him and destroyed his peace of mind and all of such conduct amounted to cruel treatment of such nature and character as to render their further living together insupportable. No children were born unto said marriage and there is no community property. Plaintiff prays that he be granted a divorce, together with legal and equitable relief.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Tahoka, Texas, this 31st day of July A. D. 1929.

TRUETT SMITH,
Clerk, District Court, Lynn County, Texas.
49-4tc.

Texas leads all the states in variety of bird life with nearly 600 different species.

Locals

Bob Sanders and family of Lineville, Iowa, are here this week visiting his brothers, Sid, Dee, J. E. and Oscar Sanders and families. Mr. Sanders resided at Tahoka during the years 1902-3-4, removing from this place to Iowa. He says that the changes that have been wrought here during the twenty-five years of his absence are truly remarkable. He was in the lively business here for a time and was president of a literary society that held its meetings in the old court house. He says that all public gatherings of all kinds, church services, dances, political meetings, and social functions of all kinds were held in the court house in those days. But there were only eleven voters in the county when he came here in 1902. He is delighted with the present-day Tahoka.

Mrs. Will Brown left Sunday to spend a couple of weeks with Ben Brown and family at Belton. Uncle Will is having a wonderful time while his wife is away. Lots of the neighboring ladies are furnishing him the most palatable meals imaginable, he says, and he is just living in clover. All our lady readers, however, are requested not to say anything to Mrs. Brown about the attentions that are being showered upon her husband during her absence, and of course this request will be strictly complied with.

C. C. Williams, secretary of the Chamber of Commerce, brought to his office Tuesday morning some samples of very fine millet raised by M. L. Taylor out at Wells. He reports that Mr. Taylor has two 7/8 acres of it which he expects to thresh out. Mr. Williams has gathered quite an assortment of other farm products, which are on display in his office and which make a good showing in spite of the continued dry weather.

County Farm Agent Ray Shaver was seen bringing to his office in the court house Wednesday a box of fine maize heads. He declared that they were raised by one of the successful farmers in the vicinity of Wilson. We inquired that he had shipped in these specimens but he says he is willing to testify that they are Lynn County products. It beats the world how some farmers can make fine crops without any rain.

Mrs. J. J. Massengale and daughter, Faye, are visiting the former's mother, Mrs. Irving, at Killen. They left here Sunday and will spend about two weeks there.

J. B. Nance visited the new oil well at Lea over in New Mexico last Saturday. He says they have a good well and expect to bring in another this week.

Mrs. Z. T. Morrison and son Joe of Lamesa are here visiting W. E. Taylor and family. Mrs. Morrison is a sister of Mr. Taylor.

Fred Barker and county clerk Truett Smith are taking their vacation out at Colorado Springs in the state of Colorado.

Lacey—"Dat wife of mine sho' know how to kiss."
Cate—"I'll say she do."
Lacey—"What dat do say, nigger?"
Cate—"I say, do she."

As railroad building bonuses Texas gave 35,000,000 acres of its public domain—roughly the equivalent of 43 counties of the average size of 900 square miles.

Locals

Mr. and Mrs. B. J. Emanuel and little son, B. J. Jr., and Mr. and Mrs. A. H. Hood, and Rawlett Harter of the Magnolia community are visiting the Briley and Liles families in Abilene. Word has come back to Tahoka that shortly after arrival in Abilene, little B. J. Emanuel, Jr., fell from a tree and broke his arm. Surgical attention was promptly given and it is thought that the injured member will heal rapidly.

Mrs. James Evette of Bolton and her two daughters, Mrs. S. L. Akers of Albany and Mrs. Pat Kennon of Pryor, and also little Mary Lee Akers were visitors in the editor's home Tuesday. Mrs. Evette is a sister-in-law and Madames Akers and Kennon are neices of Mrs. Hill.

G. E. Hogan visited Hereford and Littlefield Monday and Tuesday. He reports excellent crops in that section of the plains. The wheat was good at Hereford and the cotton promises to be fine around Littlefield, and feed crops are good at both places.

Mr. and Mrs. J. K. Applewhite left Tuesday for a few days pleasure trip out in New Mexico. They expected to visit Carlsbad Cavern and other points of interest. They were to be joined at Brownfield by relatives from other sections of the state.

Mr. and Mrs. M. L. Haynes residing eight miles south of Tahoka are the parents of a robust little youngster who came into their home Monday night. He weighed 8 1/2 lbs. and has been named for his daddy, M. L. Jr.

Mr. and Mrs. Neil Reynolds of Brownfield were guests Saturday night and Sunday of Mr. and Mrs. C. L. Taylor at Magnolia.

Fred Haney of Rose, who has been in college the past year, is here for a visit with his brother, L. C. Haney.

Miss Madeline McCord, daughter of Mr. and Mrs. Marvin McCord, was able to return home from a Lubbock sanitarium last Saturday. She had undergone an operation for appendicitis about ten days prior thereto. The operation was entirely successful and she has apparently recovered completely.

Mrs. C. L. Taylor and little daughter, Clyde Louise, returned Tuesday from Abilene, where they visited the families of W. G. Briley and J. D. Liles. They were accompanied by Clyde Briley of Brownfield.

Mrs. E. A. Webb and son Milton were here Friday and Saturday from McCallie, Fisher county, Jas. the guests of S. R. Kemp and family. They accompanied Mr. Kemp home, who visited at McCauley last week.

Mr. and Mrs. E. E. Grimes of Temple and Joe Roy Evetts of Waxahatche spent Tuesday night with the editor's family. Mrs. Grimes is a sister and Joe Roy Evetts is a nephew of Mrs. Hill.

Judge H. W. Callaway was a visitor at Snyder Tuesday. He was accompanied home by Mrs. Guy Leonard and children, who will spend the week here.

Clay Bennett left Tuesday morning for Tucson, where he expects to enter the University of Arizona. Clay is a splendid young man and will doubtless make his mark in the years to come.

Mrs. R. H. O'Neal and children returned Monday night from San Angelo, where they had spent about two weeks visiting relatives. R. H. looks like a new man since their return.

Joe Gagnat of Kansas City, brother of D. W. Gagnat, arrived a few days ago and expects to remain here indefinitely. He has accepted a position at the McCormack Company.

Mr. and Mrs. E. S. Davis left Monday on a pleasure trip to California.

Howard Hackney and C. A. Ivey of Dallas are here visiting Mr. and Mrs. G. H. Nelson and Burton Hackney. Mr. Hackney is a brother of Burton and Mrs. Nelson.

Klyde Kröbbs returned Saturday from a trip to Tulsa, Oklahoma. He reports poor crops in Oklahoma. No rain at Tulsa for two months. Dry everywhere.

C. C. Dwight returned Wednesday from a visit of several days at Clifton. He reports that crops out there are just fine.

Mr. and Mrs. Ralph Cates of Canyon were Sunday guests of Mrs. Cates' parents here. Judge and Mrs. H. W. Callaway.

D. O'Neal recently removed to San Angelo in the hope that his health will improve there.

CITATION BY PUBLICATION

THE STATE OF TEXAS, Sherriff of any Constable of Lynn County, Greeting:

YOU ARE HEREBY COMMANDED to summon E. X. Minor by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be holden at the Court House thereof, in Tahoka, on the fourth Monday in September, A. D. 1929, the same being the 23rd day of September, A. D. 1929, then and there to answer a petition filed in said Court on the 4th day of February, A. D. 1929, in a suit, numbered on the docket of said Court, No. 762, where in D. N. Arnett is plaintiff, and E. X. Minor and Zappe Land Company, Incorporated, are defendants, and a brief statement of plaintiff's cause of action, being as follows:

I. That heretofore to-wit, on or about the 7th day of December, A. D. 1926, the defendant E. X. Minor, made, executed and delivered to the plaintiff ten certain vendor's lien notes, as follows: Note No. 1 for the sum of \$100.00 and due December 31st, 1927; note No. 2 for the sum of \$100 and due December 31st, 1928; note No. 3 for the sum of \$300.00 and due December 31st, 1929; note No. 4 for the sum of \$150.00 and due December 31st, 1930; note No. 5 for the sum of \$300.00 and due December 31st, 1931; Note No. 6 for the sum of \$150.00 and due December 31st, 1932; note No. 7 for the sum of \$300.00 and due December 31st, 1933; Note No. 8 for the sum of \$400 and due December 31st, 1934; Note No. 9 for the sum of \$800.00 and due December 31st, 1935; Note No. 10 for the sum of \$1800 and due December 31st, 1936; said notes dated Dec. 7th, 1926, and payable to D. N. Arnett, bearing interest from December 31st, 1926, until maturity at the rate of 6 per cent per annum, payable annually on December 31st, in each year, said notes secured by a vendor's lien on hereinafter described land. Said notes and each installment of interest to bear interest at ten per cent per annum from maturity, and further provides, "It is understood and agreed that failure to pay any installment of interest on this note when due, or to keep and perform any covenant or agreement contained in the Trust Deed securing this note, shall at the election of the holder or holders hereof, at once mature this and all notes of same series with all interest then accrued", and further providing that if said notes are placed in the hands of an attorney to pay 10 per cent addition on the full amount due as attorney's fees, and signed E. X. Minor.

II. Plaintiff further alleges that on December 7th, 1926, he joined by his wife, Ophelia Arnett, made, executed and delivered to Defendant E. X. Minor, a certain deed, conveying to the defendant, E. X. Minor, the Southwest one-fourth of section fifty-four (54) block No. Twenty (20), H. E. & W. T. Ry Co. Certificates No. 654, Patented to Albert Taylor, Assignee, by Patent No. 250, Vol. 28-A, abstract 707 to which patent reference is made, which said deed is recorded in the Deed Records of Lynn County, Texas, and did in said deed retain the vendor's lien to secure said notes.

III. Plaintiff further alleges that simultaneously with the making of said deed the Defendant E. X. Minor made, executed and delivered to Plaintiff a certain deed of trust, said deed of trust recorded in Vol 14, pages 33-35 Deed of Trust Records of Lynn County, Texas, upon the above said land to better secure the payment of said notes, and in said deed of trust it is also provided that in case of the default in the payment of any of said notes, or installment of

interest when due the holder may at his option declare all of said notes due and payable. And this Plaintiff says that said notes No. 1 and 2 are just due and unpaid and that the interest on Notes No. 1, 2, 4, 6, 7 and 8 is past due and unpaid, and that by reason of the default, as above he has declared all of said Notes No. 1, 2, 4, 6, 7, and 8 due and payable, and does herewith declare said notes due and payable.

Plaintiff further alleges that he has transferred notes No. 3, 5, 9 and 10 to the Texas Land and Mortgage Company who are the owners and holders thereof.

VI. Plaintiff further alleges that the Defendant, Zappe Land Company, Incorporated, is the owner and holder of one certain vendor's lien note against said land in the sum of \$1,300.00 and that said note is an inferior lien to the lien held by plaintiff against said land.

VII. Plaintiff further alleges that all of his said notes are due and unpaid and that though often requested the defendant, E. X. Minor, has failed and refused to pay the same or any part thereof, and that he has placed the same in the hands of his attorneys for collection and agreed to pay them the attorneys' fees mentioned in said notes of 10 per cent which is a reasonable and the customary attorneys' fees.

Wherefore plaintiff prays the court that the defendants be cited to answer this petition, and that on hearings hereof he have judgment for the amount of his debt against the defendant, E. X. Minor, including principal, interest and attorney fees and cost of suit, and that he have judgment against the defendant E. X. Minor and Zappe Land Company, Incorporated, for the sum of the principal and deed of trust lien, as above set out, and that said land be ordered sold according to law, and that the proceeds be applied first to the payment of the cost and sale, second to the payment of the judgment rendered herein and third the remainder, if any, to the person to whom the court finds entitled to the same. Plaintiff further prays the court that the notes held by the Defendant, Zappe Land Company, be adjudged an inferior lien to the lien of plaintiff and that the plaintiff's lien be held a superior lien to the lien of Defendant, Zappe Land Company, and for such other and further relief as in law and in equity he be

entitled to and in duty bound will ever pray.

Given under my hand and seal of said Court, at office in Tahoka, Texas, on this 13th day of August, A. D. 1928.

TRUETT SMITH, Clerk. District Court, Lynn County, Texas. 52-4tc

WHAT OTHERS THINK

WE ALL CATCH H—

The Texas Legislature labored long and earnestly to provide adequate money to pay the expenses of the state the next two years. Every demand was cut by them till it looked like many features of our established institutions would not function comfortably. The appropriations ran up higher than they did two years ago and everybody expected that. The public kicked. Then the Governor took his pencil and cut it down deeper and deeper until the result will mean a great "deficiency appropriation" before the next two years is over. There was but one field of taxation to be effected, that of the Ad Valorem of thirty-five. It is possible that it will be kept as low as 30c and while the public saves a nickel on each one-hundred-dollar valuation the institutions of the state will flounder along without the relief that they really need. Every state institution should be kept in a healthy growing condition else abolished. We could turn every insane person out, every orphan away, everything else loose and save some money. Should we?—Hamlin Herald.

"BLOWED-UP"

We have been in Post since '18 and

Dr. W. J. Howard
Dentist
Phone 840 — Res. Phone 537
Myrick Bldg., Suite 507
LUBBOCK, TEXAS

not a single year can we remember that people in general haven't thought we were "rained". We have either too much dry weather, or too much rain, or too much sand, or too much something. We can't remember any year when we haven't made a crop of some kind and the majority of them have been good yields, so there is no need for people to always be looking for troubles.

About ninety-five per cent of our troubles never materialize so why cross the bridge until we come to it. West Texans are spoiled. We are accustomed to so many of the good things of life and expect the clouds to have a silver lining all of the time. Let us remember to count our blessings and stop crying before we are really hurt.

Our section will produce some kind of a crop this year without rain if we are not badly fooled and there is still plenty of moisture that can be showered on us before it is too late. There are many sections in the state that have already received beneficial rains and we feel that we are the next in line. So cheer up and let's stop this yelling about everything being "blowed-up."—Post Dispatch.

WHY NOT SELL WEST TEXAS METHODS OF SUCCESS?

The Record believes the plan of the West Texas Chamber of Commerce of sending a party of West Texas farmers to California each year to study farming and marketing problems is a great mistake. In the first place everybody knows conditions in West Texas are such that California methods will not work. Charles Weeks' one-acre poultry farms will not pay in West Texas. What West Texas needs to know is what is being done in West Texas.

There are plenty of men succeeding in dairying, poultry raising and farming in West Texas. We believe the better plan would be for the West Texas Chamber of Commerce to sponsor a tour of West Texas. Take one or two buses, or more if necessary get together a group of representative citizens of West Texas and visit every county in West Texas and find out what the farmers are doing, also what they need, and try to work out plans to help them and to further their interests.

The trip to California is worth something of course, but the information gained cannot be put to practical use here. In the first place, no Texas wants to sit down with one acre, or ten acres, and try to intensify it to the point necessary in California. The people cannot be interested in that kind of stuff. Why try to learn something that we know can not be utilized? We believe the West Texas Chamber of Commerce should pay less attention to trips to California and pay more attention to selling its constituents on West Texas. When a man makes a trip over West Texas he will go back home—whether it be in West Texas or elsewhere—sold on this country. And any group of men visiting about over this section of the State will learn things they did not know. Sell 'em West Texas first. California is all right but the West Texas' Chamber of Commerce should be more greatly interested in West Texas—Colorado Record.

Just as we expected, Governor Moody voted the appropriation of \$150,000 to reimburse several west Texas counties for a seeming needless expense of fumigating because a few dead pink boll worms were found in that section. He made a lot of other enemies with West

Texas folks on the stand he took in the new land laws wherein some oil companies were trying to grab off creek and river beds that had been held by farmers and ranchmen for generations. He has certainly cooked his political goose in this section.—Brownfield Herald.

Mr. and Mrs. H. C. Renfro and children of McGregor and Mrs. Tom Duncan of Waco have returned home after a visit with the former's father and mother, Mr. and Mrs. T. J. Renfro and the latter's grandfather, H. C. says that crops are fairly good down in that part of the state.

[THE NEW EMBLEM DEDICATED TO BETTER MOTORING]

What the MARLAND CONTINENTAL Merger MEANS TO MOTORISTS

THE consolidation of the resources and facilities of the Marland Companies and the Continental Oil Company, under the latter's name, is more than a corporate merger. It is a happy union of well balanced production, manufacturing and marketing operations from which will come a host of unusual advantages to the millions of customers and thousands of distributors.

Wide Field for Crude Selection
Out of a total area of more than two and one quarter million acres in eight states, Continental selects the crudes best suited for its manufactured products. Raw materials for oils, greases and gasolines may often come from widely separated regions. Continental controls its own crude supply and chooses the best for each refining operation and thus assures a standard uniform output from year to year.

Strategic Location of Eight Refineries
Economic and efficient operation of petroleum manufacturing frequently depends upon the relative locations of the raw product, the refinery and the market. Continental is fortunate in that its eight modern manufacturing plants are well placed to afford prompt and economical delivery both before and after refinement. These properties are located at Baltimore, Maryland; Ponca City and Sapulpa, Oklahoma; Artesia and Farmington, New Mexico; Wichita Falls, Texas; Florence, Colorado; and Glenrock, Wyoming.

Exclusive Processes Insure High Quality
Continental refinery engineers enjoy a national reputation in the oil business. Not only have they adopted the newest and most efficient mechanical equipment for these big refineries but they have designed machinery and developed processes which are exclusive to this company. Under centralized control, these facilities now are made available in the manufacture of petroleum products of exceptional quality.

Conocoland Covers Tremendous Area
More than forty years marketing experience has spread the distribution of Conoco products over an area which reaches from the western slope of the Rockies, far east to the Mississippi River. Practically half of the United States is dotted so closely with Conoco Stations that a motorist may drive anywhere in that tremendous area without introducing other than Conoco products to his car. The outposts of Conocoland range from the Pacific Northwest to the shores of the Great Lakes and from the Atlantic Seaboard to the California boundary.

Prestige Established in Foreign Lands
The Continental coastwise and export fleet operate from terminals at Texas City, Texas; Newark, New Jersey; Baltimore, Maryland; and Norfolk, Virginia; to a dozen foreign countries. Petrol pumps deliver Conoco gasoline to automobilists in the shires of England and Conoco motor oils lubricate industrial plants in north Europe, South America and the Orient.

In brief, the joined forces of these two great companies afford greater, better service to the users of motor fuels and lubricants wherever the sign of the Red Triangle is displayed.

Recovers his Old Strength "The Sargon Treatment is simply wonderful for bringing back strength and energy for now, after a few weeks of taking it, I feel like a new man entirely."

Locals

W. G. Lyons of Galveston has been here several days this week visiting his niece, Mrs. J. H. Tunnell, and looking after a farm which he owns up in Lubbock county.

Mr. and Mrs. K. F. Knight returned last Thursday night from their vacation trip through New Mexico, Arizona, California, Nevada, Utah, and Colorado.

Mr. and Mrs. Borden Davis are the parents of a sweet little daughter born last Friday morning. The little lady weighed eight pounds and is already the pride of the home.

Mr. and Mrs. Belton Howell and son and Mrs. Howell's parents, Mr. and Mrs. F. E. Walters of Brownfield returned Wednesday night from Carlsbad Cavern and Ruidoso, New Mexico.

Harvey Benson of the Dixie community was taken to a sanitarium in Lubbock Monday night for an operation for appendicitis. We understand that the patient is recovering nicely.

Edwin Renfro of McGregor was here last week visiting his cousin, T. J. Renfro, Jr. Young Renfro thinks Taboka is a wonderful place. He was here "prospecting."

Mr. and Mrs. J. E. Warwick of Midland are here visiting Mrs. Warwick's parents, Mr. and Mrs. G. W. Small this week.

A. L. Lockwood, J. E. Ketter, Anson Coughran, and L. A. Stephen left this morning on a business trip to Rotan.

Chester Connolly and A. Z. Jackson returned Wednesday night from Dallas, where they went to get some Fords.

FOUND—Some batteries. Owner may prove same, pay for this notice, and procure them at the News office.

Rev. B. N. Shepherd is conducting revival services at Lelia Lake near Clarendon last week and this.

Edgar Taylor and family of Ira Scurry County, are here visiting F. M. Billman and family.

T. S. Williams who went to Dallas the first of the week on business is expected back today.

Jesse McGuire of Clear Lake visited a friend, Miss Opal Cooper, here over the week end.

ANOTHER ADVERTISING GRAPTEE VISITS TABOKA

These merchants have a certain amount they will spend on worthless specialty schemes, and if I don't get their money somebody else will."

"I find that a local girl can sell this kind of stuff where I can't even get in at the door. Just because it's a 'church directory', merchants fall for it who will not buy worthless advertising."

For less than one day's work in Taboka he secured \$70 for a 11x14 placard, \$30 of which he paid the young lady solicitor and the News for printing—\$40 for a few hours work, and he makes six towns a week—\$240 per week.

Taboka merchants doubtless did not regard the advertising on this directory as being of any great value but responded to the solicitations for the ads out of a commendable desire to help the churches of the town.

The young lady who solicited the advertising was likewise prompted by the purest and best motives, as she felt that she was rendering a service to the religious interests of the community.

But the "grafter" cared nothing for the religious welfare or the church organizations of Taboka. Neither was he concerned about whether the advertising would be worth anything to the merchants.

MANUSCRIPT COVERS—\$1.50 per box of 100, two covers for 5c.—The News.

Acts Like It Was Made For Her "I Haven't Seen a Well Day For 10 Years Until I Took Orgatone". Says Lubbock Housewife

"This Orgatone acts just like it was made especially for my case," said Mrs. J. F. Higgins, of 302, Avenue Q, Lubbock, Texas.

"The fact is, I hadn't seen a well day for ten years and almost as soon as I started taking Orgatone it went right to the seat of my troubles, and anybody would see that I was getting better."

"My stomach was all out of order and gave me lots of trouble and I was also bothered with liver and kidney trouble. I had no appetite and could hardly eat enough to keep me on my feet and what I did eat soured and caused gas on my stomach, and I would bloat up until I would be miserable for hours."

"Then I started Sargon—and commenced to feel better right from the beginning. I now enjoy my food and my digestion is fine. I'm never bothered with stomach trouble and get plenty of good, sound sleep. I feel better and stronger than I have in years—and I'll never be without Sargon again."

Give under my hand and Seal of said Court, at office in Taboka, Texas, this the 21st day of August, A. D. 1929.

TRUETT SMITH, Clerk, District Court, Lynn County, Texas. By Gertrude Bishop, Deputy.

FORMER TABOKA COUPLE MARRIES IN ABILENE

Joe Liles formerly lived here with his parents, Mr. and Mrs. J. D. Liles and was considered a boy of much promise. They moved from this city to O'Donnell several years ago, later going to Abilene.

Miss Bernice Hatchett was reared chiefly in Taboka, and although she has spent much of her time during the last two years away from home she is still regarded as a Taboka girl—and she is one of the finest and most popular young ladies that have grown up here.

Friends here have received the announcement of the marriage of Miss Bernice Hatchett to Mr. Joe Liles in Abilene on Wednesday, August 14.

NOTICE OF SHERIFF'S SALE

THE STATE OF TEXAS,
COUNTY OF LYNN.

WHEREAS, by virtue of an order
of sale issued out of the District
Court of Mills County, Texas, in
Cause No. 2266, entitled J. H. Ran-
dolph et al vs. W. M. Smith, et al,
on a judgment rendered in the said
Court on the 22nd day of May A. D.
1929, in favor of the said J. H. Ran-
dolph, and against The First State
Bank of Mullin, Texas, a banking
corporation, and W. M. Smith in the
sum of \$623.37, together with 7 per
cent interest thereon per annum from
date of the said judgment, and cost
of suit, and in favor of The First
State Bank of Mullin, Texas, afore-
said, against W. M. Smith, in the
sum of \$711.45, with 8 per cent in-
terest thereon per annum from said
date, and cost of suit, and foreclo-
sure of a vendor's lien on lots two (2),
three (3), and four (4) in block 107
in the town of O'Donnell, in Lynn
County, Texas, as the same existed
on the 3rd day of November, 1924,

and still exists, as against W. M.
Smith, Roy Carpenter and W. H. E.
Bishop, I did on the 7th day of Au-
gust, A. D. 1929, at 11 o'clock A. M.
levy upon said land and premises
thereon described, and on the 3rd
day of September A. D. 1929 being
the first Tuesday in said month, be-
tween the hours of 10:00 A. M. and
4:00 P. M. on the said date, at the
Court House door of said Lynn Coun-
ty, Texas, in the town of Tahoka,
Texas, in said County, I will offer
and sell at public auction for cash
all the right, title and interest of the
said W. M. Smith, Roy Carpenter and
W. H. E. Bishop, in and to the said
property.

Dated at Tahoka, Texas, this 7th
day of August A. D. 1929.
S. W. SAMPFORD, Sheriff
Lynn County, Texas
50-3tc

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff of any County in
Lynn County, Greeting:
You are hereby commanded to sum-
mon Walter Earnest Baker by mak-
ing publication of this Citation once
in each week for four successive
weeks previous to the return day
hereof, in some newspapers publish-
ed in your County, if there be a news-
paper published therein, but if not,
then in any newspaper published in
the 106th Judicial District; but if
there be no newspaper published in
said Judicial District, then in a news-
paper published in the nearest Dis-
trict to said 106th Judicial District,
to appear at the next regular term of
the District Court of Lynn County,
to be held at the Court House,
thereof, in Tahoka, Texas, on the
1st Monday in September A. D.
1929 the same being the 23rd day of
September, 1929, then and there to
answer a petition filed in said Court
on the 17th day of January, 1929,
in a suit, numbered on the docket
of said Court No. 749, wherein Stella
Baker is Plaintiff and Walter Ear-
nest Baker is defendant, and said pe-
tition alleging that plaintiff was
married to the defendant on the 3rd
day of December, 1926, and that the
defendant deserted plaintiff on or
about the _____ day of March, 1929,
that defendant cursed and abused
plaintiff, called her vile names,
threatened to kill her on different oc-
casions and that the defendant was
of a violent temper all of which caus-
ed plaintiff to fear that the defen-
dant would kill her or do her serious
bodily injury and this injured plain-
tiff's health all of which rendered
their living together unsupportable,
that there was one child, a boy, born
of this marriage, whose name is J. T.
Baker, who is about 2 years old and
that plaintiff is willing and able to
properly take care of and have the
care, control and custody of said child
and provide for him and give him an
education; that there is no commu-
nity property existing between the
plaintiff and defendant. Plaintiff
prays that she be granted a divorce
and the care control and custody of
said child, J. T. Baker, and for such
other and further relief, both general
and special, in law and equity that
she may be entitled to and all costs
of suit.

HEREIN FAIL NOT, but have be-
fore said Court, at its aforesaid next
regular term, this writ, with your re-
turn thereon, showing how you have
executed the same.

Witness, Truett Smith, Clerk of
the District Court of Lynn County.
Given under my hand and the seal
of said Court, at office in Tahoka,
Texas, this the 8th day of August,
1929.

TRUETT SMITH, Clerk
District Court, Lynn County
51-4tc

MAN FELT BLOATED

For Distress After Meals, He
Takes Thedford's Black-
Draught and Says He
Obtains Relief.

Gulfport, Miss.—"I have used
Black-Draught for about five years,"
says Mr. George Chevalier, of this
city. "I keep it in my house all the
time."

"When I feel bloated, and have
headache after meals, my method
of taking Black-Draught is to take
from a pinch to a level teaspoonful
in my mouth, dry, and wash it
down with about half a glassful of
water, regulating the dose according
to the situation by taking more or
less, according to how I feel."

"I usually take a dose on going
to bed, when needed, and am re-
lieved next morning."

"I don't know of any medicine
that I would exchange for Black-
Draught. I believe if anyone is suf-
fering from constipation, and would
use Black-Draught as outlined
above, he would get relief."

"Thousands of other men and wom-
en find Black-Draught of great help
in relieving common ailments, due
to constipation, biliousness and in-
digestion."

Prepared from medicinal herbs
and roots, of highest quality, care-
fully combined and packaged by
automatic machinery. NC-211

BAZE TO DISCUSS SCHOOL WORK AT M. E. CHURCH

(By Rev. R. T. Breedlove)
The relationship of Public school work to the work of the local church or churches will be discussed in a service at the Methodist Church here next Sunday by Superintendent M. L. H. Baze, who has had years of practical experience as a school and church man. His experience along these lines has been varied and profitable, giving him an unusual grasp of the matters concerned, so that the people will be fortunate to hear him in the discussion of the questions involved in this relationship.

It is apparent to the most casual observer that there is not the community interest in Tahoka that there deserves to be, and that therefore the churches and schools are not receiving the support of the people generally, not as the institutions deserve. It is also perfectly apparent to the ordinary citizen that these the churches and the schools, are the only institutions in the community that are expressly for the building of boys and girls. Commercial clubs or chambers of commerce, civic clubs such as Kiwanis, and associations of different kinds are more or less on a commercial basis, and while seeking to build a better community, do not spend all their time and energies for the building of character. Our courts are for the guardianship of what our churches and schools spend their time in creating, and therefore have little to do with the formation of character, except as they exercise a corrective power over the lives of the citizenship. The home no longer plays an important part in character building, although the fact may be denied by a great many people. Probably there is not a dozen real, old-fashioned homes in the whole community, where the family circle has time for the building of citizens. The social life of the times has almost entirely destroyed the influence of good homes.

So we must look to the churches and schools for character building. There must be a closer fellowship between these two great building agencies. Neither should interfere with the other. The social and cultural activities of the schools ought not to make it hard to carry on the activities of church work among the young people of the town, nor should the activities of the town and the churches interfere with the pursuit of studies in school. These things can be easily worked out.

We are sure that the teachers and board of our schools want more than anything else a more sympathetic relationship between parents and schools, and a more personal and specific interest on the part of patrons. And to that end we urge the people to hear Mr. Baze at the churches Sunday.

MESDAMES LEMOND AND ROBERTS ENTERTAIN

Tuesday afternoon at 3:00 o'clock Mesdames Tom Lemond and Oscar Roberts were joint hostesses entertaining with six tables of bridge in the latter's pretty new home.

In the games of bridge, high score was won by Mrs. M. O. Bridges. Lovely refreshments were served.

Seated for the games: Mesdames Frank Larkin, Marshal Swan, M. O. Bridges, W. R. Neyland, G. M. Stewart, L. C. Haney, Chas. F. Shook, A. D. Sanders, Jr., H. M. Larkin, Robert King, Jerry Nash, Jack Alley, B. H. Robinson, W. B. Slaton, Otha Thomas, Baze, E. E. Callaway, L. E. Turrentine, Elbert Boullion, C. B. Townes, Tom Lemond, Oscar Roberts and Frank Hill and Miss Faye George.

WILLARD LANDS AGAIN ON THE MARKET HERE

In December, 1928, the Willard interests commenced reserving all the royalty under such lands as they sold, thus virtually removing these lands from the market.

Within the past few days their plan of selling has again been changed and now the purchaser procures this property subject to an oil and gas lease but under terms of said lease, the buyer gets the full one-eighth royalty in case of production. That is, these leases are to be blocked in approximately four section tracts as the purchaser of any quarter section within that lease will participate proportionately in the 2560 acres in case production is procured.

This strikes the writer as being a fair contract for the buyer as apparently all he is relinquishing is the prospect of possibly losing a small amount of lease money if he were able to sell a lease upon the land. Here is hoping much land will change hands under this new arrangement and that a great influx of farmers will invade this territory in time for a 1930 crop.—Seagraves Signal.

MANUSCRIPT COVERS—\$1.50 per box of 100, two covers for 5c.—The News.

THREE MEN COMPLETE TRIP TO ALL COUNTY SEAT TOWNS

LEVELLAND, August 20.—The Non-Stop Motor Run in a Model A Station Wagon, through the State of Texas, visiting each and every County Seat, has been successful without a motor failure; with no motor repairs whatsoever.

Under the greatest road hazards possible, through muddy roads, rocky hills and river beds, rain and hail with windstorms, this was accomplished in 732 hours and 53 minutes; or 30 days and 12 hours and 53 minutes on the Motor, with a Total mileage of 12,664.5 miles on the speedometer.

Our motor idled approximately four hours each twenty-four hour day at the rate of 20 miles per hour. This for one day would be 80 miles and for the trip 2400 miles.

Gas and oil consumption for the entire trip was 651 gallons of gasoline and 13 3-4 gallons of oil. Practically no water used at all. We made only 11 oil changes, using 13 3-4 gallons, giving us an average of 1,151.3 miles by speedometer, and with idling time in, 1,369.5 miles, without a drop being added between drainings.

Our average miles per hour was from start to finish, by speedometer, readings 17.5 MPH, with idling time out, 20.5 miles per hour, which is considered, under the road conditions very, very good.

We have a signature from each of the 253 County Seats to certify our visit there, and at the end of run were checked by employee number 616 of the Ford Motor Company, Dallas, Texas, who checked motor and switch as O. K.

Our Station Wagon body stood up wonderfully and shows no ill effects of the hard usage.

Our breaking system is in perfect condition with only two adjustments made for the entire trip.

We made the entire run without the use of mud chains due to the easy control of the car.

We invite anyone who wishes to put his car to the most severe tests possible to take the route we had, as we made it and if it will only do as we have done it is the best buy on the market regardless of price.

Trusting that this will be of some benefit to you, we beg to remain, Yours Very Truly, Wm. C. BREEDLOVE, WALTER WRIGHT

JIMMY JOHNSON'S DADDY

"Jimmy Johnson's daddy is an awful lot of fun, He's a peacherino pitcher and can hit a real home run. I know my dad could play as well but when I ask him to, He's always 'wful busy and got some thing else to do. "Jimmy Johnson's daddy knows a lot of dandy games— And he plays 'em with us fellers and he don't call Jimmy 'James'. I'll bet my dad knows lots of things

that's fun fer fellers too— But he's always awful busy and got something else to do.

"Some kids' dads seem glad to have a chance to play with boys— And even if they're readin' they don't mind a little noise, I'll bet my dad would beat 'em all if he just only knew How I miss him when he's busy and got something else to do!"

Texas has 253 organized and one unorganized county—Loving.
