Volume XXVI

Tahoka, Lynn County, Texas, Thursday, November 14th, 1929.

Number 12

## A. Z. JACKSON DIES SUDDENLY

Prominent Citizen Claimed By Acute Indigestion Tuesday Night After Brief Attack

Like a flash out of a clear sky, the news spread over town at an early hour Tuesday night that A. Z. Jackson was dead. Stricken either with acute indigestion or apoplexy—we have not learned positively which—he died within forty minutes after becoming seriously sick.

Funeral services were conducted from the Baptist Church at 3:30 Wednesday afternoon. Since the pastor, Rev. B. N. Shepherd, was out of town, Rev. E. V. May, pastor at Brownfield, conducted the services. One of the largest crowds that has attended a funeral in Tahoka in years was present, all the seats in the church being occupied and many being required to stand. A long procession also followed the remains to the cemetery where the services were concluded.

A. Z. Jackson had been a citizen of Tahoka for a number of years, and for the past three or four years had been an automobile salesman for the Connolly Motor Company. By his geniality and lovable traits of character, he had made a host of friends here and throughout the county. Although he had not been in the best of health for years, yet nobody suspected that death was so near. He was a member of the Methodist church at Henrietta where he formally resided, but had not connected himself with the church here. Born on February 23, 1880, he was 49 years and 8 months of age at the time of his death. Besides his wife, he leaves three children by a former marriage, Mrs. H. O. Millman of Pampa, Jack Jackson of Brownfield, and Jim Jackson of Tahoka; also a foster child, Mrs. W. F. Jacobs of Dalhart. Mrs. H. O. Millman and son, Dean Jr., of Pampa, and Mr. and Mrs. Jack Jackson of Brownfield were here for the funeral. Mrs. W. F. Jacobs and son of Dalhart arrived too late for the funeral.

It is the general verdict that A. Z. Jackson was a good man. All Tahoka is grieved at his sudden and unexpected demise. The entire family have the sympathy of hosts of friends here and elsewhere.

## Man Convicted Here, Convicted at Post

Leon Stanley, who was given a five year suspended sentence by a Lynn County jury at the last term of the district court on a forgery indictment, was tried on another forgery charge in the district court of Garza county last week and was given two years in the penitentiary, according to District Attorney T. L. Price. This means that he will now have to serve seven years in the penitentiary for these two crimes, as Mr. Price states that when district court convenes here again he will file a motion setting up the fact of the conviction at Post and asking that the order suspending sentence here be set aside and that the defendant be sentenced to serve the five years assessed as a punishment in the verdict of the jury here. This young man was given a chance, Judge Price states, but like many others he failed to take advantage of it and now must pay by serving both sentences in the penitentiary.

Mr. Price also stated to the News that Jack Clayton, who was held here in jail for several weeks and who pleaded guilty in the district court here both to burglary and to the theft of cattle, also pleaded guilty to the theft of cattle in Garza county. He was given two years in the case there and the Judge entered an order making the punishment cumulative of the sentence received in Lynn County. Clayton was also indicted by the grand jury of Garza county with the offense of Robbery with Firearms along with one Clarence (Slim) Savage. Clayton was surrendered upon a Bench warrant to Fort Worth officers who wanted him on a charge of car theft. Savage is being held in jail at Post pending a habeas corpus hearing for bond, the district attorney having refused to set his bond.

Mr. and Mrs. Aaron White, Mrs. Taylor White and Mr. Arthur White visited relatives in Moran and Cisco Sunday and Monday.

## Crosbyton To Play Here This Friday

The people of Tahoka are to be treated to a real football classic here Friday in the game between Crosbyton High School and the Tahoka High School. Much interest is centered around this game. It will be recalled that Crosbyton won the game from the locals last year by a narrow margin of six points. This score was made in the last quarter of the game. A comparison of the scores of the Slaton team and the Tahoka team against Lamesa High School shows that the locals play a superior brand of football as compared with Slaton. All the boys are in good condition and are ready to take on the Crosbyton Chiefs on the local gridiron Friday.

## MARRIAGES ON INCREASE HERE

County Clerk Reports Issuance of Many Licenses; New Mexico Business on Decline

Truett, Smith, county clerk, says that the fad of running over to New Mexico to procure marriage licenses following the enactment of the new marriage license law last spring, seems to be on the wane. Most of the young men desiring license to marry are now procuring their health certificates and making application for licenses in this county. Seven such applications were made this month prior to November 14.

Tom Rash and Miss Ruby Harris of Redwine procured their license and were married on November 4th, Judge G. C. Grider performing the ceremony. A Mexican couple from O'Donnell, Joe Gomez and Santos Vadez, procured license also on Nov. 4th and were married by Judge Grider.

On the next day, November 5th, license was issued Edwin Bayer and Miss Ruby Peacock, and Uncle Ike Metcalf pronounced the magic words which joined them together as husband and wife.

On the same day license was issued to another couple but it has not been returned yet.

W. O. Thompson and Miss Irene Sims of Midway were the next couple to fall victims of Dan Cupid. They were married on November 6, Judge I. P. Metcalf presiding at this marriage.

C. B. Early and Miss Velma Hale of Draw were the next applicants, their license being issued on November 9th and the wedding following on the same day. Judge Grider graciously presided at this affair.

The last couple to fall a victim of Cupid's dart were O'Donnell Mexicans, Senor R. B. Davila and Senorita Carolina Reyna. The Justice of the peace at O'Donnell was the presiding official at this function.

Truett thinks that now is as good time for all the lovers to get married and he has in stock an ample supply of unused and perfectly good licenses, which he is anxious to issue to the proper parties. Come on in, young folks, and get yours.

## Will Begin Adult Class in Home Ec.

Miss Lois Bleifuss of the high school faculty is to begin a class for adults in home economics Tuesday night of next week. This course will consist of twelve lessons and will meet on Tuesday and Thursday nights, unless otherwise agreed upon for convenience of those enrolled. There will be no expense attached to this work. Miss Bleifuss and the school authorities are very anxious to have as many housekeepers and home makers as possible enroll in the class. All who are interested are urged to call Miss Bleifuss or Mr. Baze for particulars.

## White House Timber Received by School

B. M. Hays, principal of the Tahoka High School has just obtained from the National Lumber Manufacturers Association, Washington, D. C., an interesting souvenir of historical interest in the form of a block of wood made from the timbers of the wood trusses which were removed from the roof of the White House at the time it was remodeled two years ago. The block will be preserved and kept as a permanent display at the school.

## CLUB TO ELECT NEW OFFICERS

Hot Competition For Kiwanis Club Officers; Election Set For Next Wednesday

The Kiwanis Club will elect officers for next year at its regular luncheon next Wednesday. Two tickets were placed in the field yesterday at the weekly luncheon. With Judge Cain presiding, the club resolved itself into a sort of convention and made nominations. Both the Lion Tamers and the Wildcat Playmates put full tickets in the field. Since all Kiwanians entered both primaries and helped to nominate the candidates of each party, it will not be possible to enforce any anti-bolter rule in the general election which is to be held next Wednesday. Spirited contests are expected, however, and every Kiwanian should be present. While the campaign and election are expected to be hot, yet it is not believed that any rioting will occur.

## RECITAL AT DIXIE

The Music and Expression pupils of Mrs. Rafe Richardson will give a recital at Dixie Friday night. Everybody invited.

## Baptist Laymen Held Meeting Here Sunday

Baptist laymen from O'Donnell, Wilson, Ropes and Tahoka met in the church here Sunday afternoon in furtherance of a laymen's movement which was launched recently at the Brownfield Baptist Association held at Seagraves.

Mr. Aubrey of Ropes is president of the organization and presided at the meeting Sunday afternoon. The principal speaker of the occasion was John Heck of Wilson, his subject being Co-operation on the part of the deacons and the pastor. Mr. Heck proved himself to be quite an interesting speaker.

At the close of his address a leader for the local organization was selected, the unanimous choice being Prof Taylor White.

## Singing Convention To Be Held At T-Bar

The Lynn County Singing Convention, which was to have been held at T-Bar the fourth Sunday in October, but which was rained out, will be held the fourth Sunday in November, according to Marvin E. McCord, secretary. Everybody is expected to bring a basket dinner. Everybody invited. A great crowd and a splendid singing are expected if the weather is favorable.

## Lamesa Milk Plant Will Be Ready Soon

(Lamesa Reporter)  
Dawson county's milk plant project, called by many one of the greatest moves for progress in the history of this section of the Plains, is rapidly nearing completion, it was brought out by O. B. Norman, chairman of the Chamber of Commerce agricultural committee, in a report made to the directors of that organization in their regular monthly breakfast meeting, held Wednesday morning at the Westland.

"We have made lots of reports since this project got under way," Mr. Norman said. "We hope to be able to report soon that the last half dozen pledges still outstanding have been collected and we can get our charter and begin construction of the plant immediately."

## County's Ginning Totals 15,071 Bales

There were 16,760 bales of cotton counting round as half bales, ginned in Dawson County, prior to Nov. 1, 1929, as compared with 6,237 bales ginned to Nov. 1, 1928.

There were 15,071 bales of cotton, counting round as half prior to Nov. 1, 1929, as compared with 6,576 bales ginned to Nov. 1, 1928.

J. H. BARRON, Special Agent Census Dept., Cotton

## CITY TO DRILL WELL DEEPER

Seeking Larger Water Supply At Greater Depth; Inspect Logs Of Other Wells

While no final action has been taken by the city council, yet it has been practically agreed, according to two of the members, to sink the well deeper which was recently drilled near the north limits of the town. This well was drilled to a depth of 300 feet. Water was encountered at a depth of a little more than 200 feet but in insufficient quantities. It was then decided to drill on down to a depth of 300 feet, which was done, but no more water was found. Since that time, logs of two or three oil wells drilled west of town have been taken, and these logs show that abundant water was encountered at 360 to 380 feet. The log of the Ash Snyder well shows water at 360 feet but does not show whether it is pure or salt water. The log of the Brownfield well eighteen miles west shows that an abundance of pure water was found at 380 feet. Efforts are now being made to obtain a log of the first Hart well drilled here. If this stratum of water is pure or nearly so, it is believed that Tahoka's water problem will be solved by tapping this stream.

## Plant More Cotton, Authorities Say

L. H. Perkins and Jack Applewhite say that the farmers of Lynn county should get together and agree to plant more cotton next year. Cut out the feed entirely, should be the slogan of Lynn County farmers, they say. Sell the hogs and the cows and buy what feed they have to have. Put the whole country in cotton. They think that if all the farmers would get together and agree upon a program of this kind, then a lot of them would think that the whole face of the earth was going to be planted in cotton and they would cut down their acreage. So, they are fostering a movement to have everybody to agree to plant nothing but cotton. It's a great scheme—if it works.

## Breedlove Attending Conference at Pampa

Rev. R. T. Breedlove, accompanied by Rev. Z. B. Pirtle of Draw and Rev. Hamilton Wright of Lamesa, left Monday morning for Pampa, where the Northwest Texas Conference of the Methodist Church is in session this week. They are not expected to return until Monday.

The appointments for the ensuing year will be read out Sunday night. It is confidently expected by the local membership that Brother Breedlove will be returned to Tahoka and that he will be permitted to round out a full complement of four years service here.

Although financial conditions generally have been rather disappointing this Fall, Rev. Breedlove was able to go to Pampa with a report showing that the Conference collection had been paid in full.

At the beginning of the year that is now closing, the Young Men's Class of the Sunday school pledged funds sufficient to raise the pastor's salary \$300.00. This pledge was fully redeemed at the service last Sunday morning.

The work of the Church has grown and prospered in every department during the three years that Brother Breedlove has been here, and all Tahoka is hoping that he will be returned. Not only is Brother Breedlove himself greatly appreciated but the entire family enjoys the highest esteem of our people.

## Two Plead Guilty To Cotton Theft

Pleas of guilty were entered in the county court Tuesday by J. L. Youngblood and J. H. McLendon to charges of cotton theft. They are alleged to have stolen about 1,000 pounds of cotton from the farm of F. O. Greathouse out in the New Lynn Community. They were each assessed a fine of \$10.00 and costs and confinement for seven days in the county jail.

Sheriff Sam Sanford was back in his office Wednesday after having been sick for several days.

## Big Spring Team Fails To Appear

Although a good crowd gathered at the local high school football ground on Monday afternoon and waited until four o'clock, they failed to see a much longed-for football game. The team from Big Spring with which Coach Nicklaus had matched a game earlier in the season never appeared on the scene. Although the party with whom the game was matched avowed that the team "is leaving", "is on its way", "left here at eight o'clock this morning," etc., the coach here is inclined to believe that the fellow knew all the time that the team was not coming. A rather "sore" feeling exists Big Spring-ward, since all were deprived of an opportunity to see a game anywhere.

## INSTITUTE IS BIG SUCCESS

Excellent Program Rendered; Will Meet Next Year With Regional Institute

In spite of bad weather the Lynn County Institute was carried out with very few changes. Every member on the program came to the Institute well prepared to give something worth while. Reports from the different section meetings indicated that much good was accomplished and that many helpful suggestions were made. The matter of proper standardizing of high school work was discussed at length in the high school section.

A committee composed of four representatives of the accredited schools and four unaccredited schools was appointed to meet and work out a system of standardization applicable to all the schools of the county. The Interscholarship League was organized with Supt. A. L. Faubion of Wilson as Director General.

The feature of the Institute was the splendid help of Dr. R. E. Garlin and Miss Bonnie K. Dysart of Texas Technological College. Both spoke to the high school and primary sections respectively, and Dr. Garlin spoke to the general assembly at 2:00 o'clock on Thursday. At this hour Dr. Garlin emphasized the work of the teacher in any project of consolidation, stating that the matter of school progress rested upon proper education of the public and in this the teacher carried the burden. "Public opinion," said Dr. Garlin, "is both the means and the limit of public education."

At the close of the session the teachers voted to recommend to the County Board that the Institute be held next year with the Regional Institute at Lubbeck.

## New Lynn Club Elects Officials

The New Lynn 4-H Club will meet with Mrs. J. M. Spears on Tuesday, November 19. All be present, as we will have to elect new officers on that day. Mrs. J. M. Spears and Mrs. Briggs are the lucky ones for birthday cup towels. Let's wake up and get to work on this club work and do better this next year. All come and bring a new member that can.—Reported.

## Two Lamesa Papers Are Consolidated

The Lamesa Reporter has purchased the Dawson County Journal, and henceforth there will be only one weekly paper published in Lamesa. The Journal was established ten or twelve years ago, since which time Lamesa has had two weekly papers. A few months ago Amarillo newspaper interests purchased the Reporter and now they have acquired the Journal also. A much better paper will hereafter be published than either of the two has been. Lamesa is a good town but it is not large enough to adequately support two newspapers. The new Reporter should prosper.

A very fat man got into a bus. He also smothered a sour-faced little man when he sat down. The sour-faced man glared at him and growled, "They ought to charge by weight in these busses."

"In that case," bellowed the fat man, "it would not be worth while stopping to pick you up."

## ARMISTICE IS OBSERVED HERE

Store Closed; Program Rendered At Methodist Church And American Legion Home

An Armistice Day program, very interesting and very appropriate to the occasion, was rendered at the Methodist Church here Monday morning, being concluded at the American Legion Hall.

Hundreds of school children from Central Ward and the High School marched to the church just before 10:30, and almost filled the building. Many other citizens of the town also repaired to the church to enjoy the program.

The program was opened with the singing of "America" and the invocation was pronounced by Rev. B. N. Shepherd. Members of the Central Ward choral club sang a couple of selections, with Mrs. B. M. Hays at the piano. Members of the High School Choral Club also sang, with Miss Bessie Mae Binnion as accompanist.

Two splendid addresses were delivered. Jess Eubanks, a member of the Marion G. Bradley Post of the American Legion, spoke by request upon his experiences in the great war. He related a few of these experiences in a most interesting way, and followed these with a defense of our entry into the war and a commendation of the efforts being made to insure the peace of the world for the future.

Judge Maddox also delivered a thoughtful and eloquent address. He paid a glowing tribute to the boys who rendered service for Uncle Sam in this conflict, recited the causes that led America into the war, saying that we were compelled to get in, and likewise commending the efforts being made to prevent the repetition of such a world catastrophe. In this connection he graphically pictured the recent conference between the son of a poor blacksmith who has become President of the United States and the son of a humble home in Scotland who has become the Premier of England, in which they discussed plans for the perpetuation of the peace of the world.

One of the interesting features of the program at the Church was the brief statements made by each member of the American Legion present, who sat together in a reserved space at the front of the church, relating where they were and what kind of service they were engaged in when the armistice was signed. Of the twenty-five or thirty ex-service men present, no two of them were at the same place when the war closed.

Following the service at the Church, the crowd assembled on the lawn of the American Legion Hall, where they witnessed the lowering of the flag to half mast by the Boy Scouts in honor of the boys who never returned from France and for a minute the crowd stood in silent prayer.

All were invited into the Legion Hall to inspect the German War trophies in custody of the Marion G. Bradley Post, and many of them did so.

All business houses were closed throughout the day and the schools were suspended. A football game was to have been played between the Tahoka Bull Dogs and a team from Big Spring in the afternoon, but the latter team failed to appear.

Mrs. Laura Harrison, who has been reading the News for a long time, visited this office Wednesday afternoon in company with her grand-daughter, Mr. Gladys Stokes, and set her subscription date into the future. Mrs. Harrison has been here several weeks but is preparing to return to O'Donnell where she has resided the past two or three years.

The Lynn County News and Semi-Weekly Farm News, 1 year, \$2.00.

## More Rain Visits County During Week

Rain fell throughout Lynn County and over this entire section of the state last Friday and Saturday. The precipitation in Tahoka, amounted to .55 of an inch. It came slowly and rainfall of 2.18 in October, this has all soaked into the soil. Following a put a good fall season in the ground, and what wheat there is in the country is doing fine.

### SHERIFF'S SALE THE STATE OF TEXAS, COUNTY OF LYNN.

Notice is hereby given that by virtue of a certain order of sale issued out of the Honorable District Court of Lynn County, on the 23rd day of October, 1929, by Truett Smith, District Clerk of said Lynn County, Texas, for the sum of Fourteen Hundred Twenty-Seven and 18-100 Dollars and costs of suit, under a judgment in favor of D. N. Arnett in a certain cause in said Court, No. 763 and styled D. N. Arnett, Plaintiff vs. G. G. Adams, et al, defendants, placed in my hands for service, I, S. W. Sanford as Sheriff of Lynn County, Texas, did, on the 1st day of November 1929 levy on certain Real Estate situated in Lynn County, Texas, described as follows, to-wit: The Southeast one-fourth of section No. 55 in Block No. 20, H. E. & W. T. Ry Co. survey, cert 655, patented to Ida M. Charles, assignee, by Patent No. 572, Abst. 404, situated in Lynn County, Texas, and levied upon as the property of G. G. Adams and that on the first Tuesday in December, 1929, the same being the 3rd day of said month, at the Court House door of Lynn County, in the town of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said order of sale I will sell said described Real Estate at public vendue, for cash to the highest bidder, as the property of said G. G. Adams.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County.

Witness my hand, this 1st day of November, 1929.

S. W. SANFORD  
Sheriff, Lynn County, Texas.

### Locals

R. L. Littlepage, who formerly resided in Lynn County but who has been residing in San Antonio the past few years, has purchased a quarter-section of land near Midway school house and is going to erect a new home on the tract. The deal was made through Skip Taylor of this place. Many friends here will welcome Mr. Littlepage back to Lynn County.

W. M. (Bill) Thompson has been appointed administrator of the estate of the late Frank Vaughn. The estate has been valued at \$40,000 but is probably worth more than that. Mr. Thompson has made bond and is proceeding to administer the estate, which comprises, among other property, two sections of land about seven miles east of Tahoka.

R. E. Key is in Post this week conducting the song service in a revival meeting being conducted at the Baptist Church by Rev. Graves Darby, pastor at Wilson for about four years. Rev. Darby became pastor at Roscoe about a year ago but has recently accepted a call as pastor of the Baptist Church at Cross Plains.

Rev. James, a returned missionary from South America, lectured at the Baptist Church Wednesday night, relating some interesting facts about the people and customs down there. A small collection was taken for his benefit at the close of the lecture.

W. H. Crunk Esq. was here from Lubbock Wednesday on professional business. Mr. Crunk recently removed to Lubbock from O'Donnell, where he has practiced law the past four or five years.

Miss Evelyn Hatchett and Mrs. A. S. Coughran left Wednesday for Los Angeles. Miss Evelyn will have employment there and Mrs. Coughran will visit in California with her son, Virgil Coughran.

B. W. Baker left for his home at Los Angeles Wednesday after spending several days here with J. B. Nance. Mr. Baker has some oil leases on property near Tahoka.

Frank Terry, son of Mr. and Mrs. C. L. Terry of Dixie, who has been working for several months for the Humble Oil Company at Houston, has returned home.

W. M. Medlin of Abernathy was here with his son, E. W. Medlin, of Dixie Tuesday, looking after business matters.

Mrs. James R. Robinson of Lubbock is visiting Hall Robinson and family. She is Hall's mother.

certain time to come on these days. You are invited to come and see the exhibit any time of the day during Thursday and Friday. Of course, all school work is not objective and cannot be placed in an exhibit. We have collected the best of work from all the pupils during the year, and have it on exhibition for every one to see. This is an excellent time to visit the school, so come!

Mr. A. N. Lowrie and his family are moving this week near Draw. Friday night is the regular meeting of the Parent-Teachers Association. The chief speaker will be Mr. Joe R. Griggs. Mr. Griggs was the principal of South Ward at one time. He is a very good speaker, and will have a message for the people of this community.

### RECITAL

Mrs. W. A. Karchville presents Misses Helen Applewhite, Estelyn and Evelyn Jeffreys in an expression recital to be given Friday, November 15th, at 7:30 at the High School Auditorium.

**CAR WRECK RESULTS  
IN ARRESTS IN HOCKLEY**

As a result of an automobile wreck on the Levelland and Littlefield highway about seven miles north of town last night shortly after dark, in which a Pontiac sedan was demolished, a man whose name is given as Curley Cavitt, was arrested and placed in jail by the Sheriff's office, and will be charged with driving a car while intoxicated.

Cavitt was driving a Ford, which is also said to be considerably damaged. He is said to be a cotton picker with a wife and two children who are living in a tent about nine miles north of town. A man by the name of Rouse was riding with Cavitt, and according to Attorney Ratliff, he and Cavitt left Levelland in the afternoon and drove to Littlefield, and later returned to Levelland and at the time of the accident were on their way home. He denies that he saw any whiskey, but states that they had been drinking extracts obtained here and at Littlefield.

The Pontiac was occupied by a man and his family living on the line between Crosby and Floyd counties. Luckily no one was injured in the wreck.—Hockley County Herald.

**PROGRAM**

B. Y. P. U. Zone Meeting To Be Held at O'Donnell, Sunday Nov. 17th at 3 P. M.

Devotional—Miss Will Ruth Little, Wells.  
Special Song—Miss Rice, O'Donnell.

**"Feel Like I Have  
New Life Before  
Me," Says Lady**

Mrs. Taylor Says She Suffered 30 Years Before Taking Orgatone, Now Feels Better

"I am simply feeling so improved as far as my health is concerned that I feel like I have a new life before me, since taking Orgatone," said Mrs. A. E. Taylor, residing at 1904 Jackson St., Amarrillo, Texas, in her statement to the Orgatone representative.

"Yes, sir, I am feeling like a different woman and I want everybody to know it," continued Mrs. Taylor. "I had suffered with a badly disordered stomach and constipation for thirty years and one bottle of Orgatone has done me more real genuine good than anything I have ever tried. I guess I ought to know real medicine when I have tried it as I certainly have taken enough of it in my years of illness."

"I had been suffering for so many years with a very bad stomach and other troubles, and my condition had become wretched. After meals gas would form and bloat me up until I would get so miserable and dizzy at times I could hardly stand on my feet. I lost all desire for food of any kind and the little I did eat caused me constant misery in my stomach and I lost energy and all interest in everything."

"I tried most every kind of medicine and did everything I knew how to do trying to get relief, but I kept getting worse all the time."

"Orgatone has completely changed life around for me and I just can't find words to express my gratitude for it. I have been relieved of those terrible bloating spells and those sickening bilious attacks have left me as well as my constipation. My appetite is better now and I can eat as much as I ever could and I relish my meals. I wish I could have the opportunity to personally thank the maker of Orgatone for placing this wonderful medicine in reach of suffering people."

**PAINS QUIT COMING**

Missouri Lady Says She Got Stronger and Awful Hurting Went Away After She Took Cardui.

Quin, Mo.—"For some time, I had been having an awful time with pains in my back and sides," says Mrs. Robert Creasy, of this place. "My head would ache until I felt as if it would split open."

"I was very weak and nervous. It looked like the least little thing would upset me. I was cross with the children, and I had no patience for anything."

"Often, when I would get up in the morning, I would have to go back to bed, I was so weak. I dragged through my work, but I took all my strength to do it."

"I tried many remedies, but nothing did me any good until I started taking Cardui. I had read how Cardui had helped others, and so I wanted to try it, myself."

"Cardui proved to be all that was said of it. I took it for several months, regularly. At the end of that time, I was in good health, and have been so ever since. I gained in weight, my appetite was good, and I was able to do all my household work without it hurting me. The pains quit coming."

"Thousands of cases similar to that described above have been reported by users of Cardui. NC-210

Take **CARDUI** 10 TABLETS OF USE BY WOMEN

**Warner Club Meets  
With Mrs. Stewart**

A very interesting lesson on Mesa Verda National Park was rendered October 5th in the home of Mrs. G. M. Stewart. Mrs. Craft, the leader, routed us to this historic park and told us the many wonders that would meet our gaze. Mesdames Hood, Turrentine, Leonard and Nelson made splendid talks on the Physical features of Mesa Verda, the Prehistoric Inhabitants, Description of the Chief Cliff Dwellings, and the Art of the Cliff Dwellers.

Mrs. Haney was elected delegate to the State Federation at Mineral Wells the eleventh inst.

A committee composed of Mesdames Caveness, Nash and Elliot was appointed by the President on recommendation of the Club to draft a new Constitution and By-Laws.

A delicious plate was passed to the members as follows: Mesdames Slaton, Nelson, Townes, Craft, Elliott, Haney, Henderson, Shook, Hood, Fenton, Caveness, Callaway, Stokes, Nevels, Turrentine, Stewart, and guest Mrs. Moreland, who sang a sweet lullaby.

**CELEBRATES SEVENTH  
BIRTHDAY**

Little Billie Louise Standefer celebrated her seventh birthday Monday afternoon from three till five.

Numerous games were played, refreshments of hot chocolate and cake were served to the little guests, and each child had all the candy and pop corn they cared for. Billie was the recipient of many nice and useful gifts which she appreciated very much.

Those present were: Dorothy Jane Jeffreys, Mary Margaret Tunnell, Louise Heath, Catherine Sanders, Teddy Gene Ort, Marjorie and Mary Bland Wells, Madeline Reid, Joe Alice Books, Dorothy and Burnice Dickery, Birtie McKee, Mavis, and Ruth Brasfield, Joe Bill and Polly Milligan, Mardel and Wanda Lee Crume, Margaret and Grace Greathouse, Helen and Louise Park, Mary Ellen Conway, Truman Hines, Myrtle Billie Louise and Marvin Standefer. Helen Park and Miss Natalie Foulton of Lubbock were hostesses.

PRESIDO—The cattle importations from Mexico, through the port of Presido, begun this week when 1,000 head were crossed to the American side over the International bridge here. More than twelve thousand head of cattle entered this country last year through this port and it is estimated that there will be more than 15,000 head imported this year, due to a more stable condition in Mexico. In view of the shipping facilities afforded at Presido, it is expected that within a short time this port will handle more cattle than any other port along the Mexican border.

Wet Wash at 7c Per Pound. Call 90, Tahoka Laundry. adv.

**PRODUCTION RECORDS  
BROKEN BY CHEVROLET**

DETROIT, Nov. 12.—All October production records in all past history of the Chevrolet Motor Company were broken last month with an output of 85,915 cars and trucks, it was announced at the central offices here today.

Compared with the output of 65,052 units for October of last year, the 1929 October manufacturing volume shows a gain of more than 20,000 units. It indicates an increase of more than 900 cars and trucks a day over the showing for the corresponding month a year ago.

Chevrolet's record October performance brings output up to 1,275,778 units as of November first. This is more cars than Chevrolet has ever built in an entire year and is nearly five times the number of any other six cylinder car built in an entire year.

Due to the continued high demand, Chevrolet plants are working on the biggest November schedule on record. An indication of the volume of business that Chevrolet is doing nationally is seen in the report for the last ten days of October which shows a gain of 49 per cent over the corresponding period of last year. The figures for the period are 36,640 for the last ten days of this October as compared with 24,539 for the corresponding period of 1928.

Rex Rogers and Bill Burleson are planning to leave Saturday on a big hunting trip to Mexico. They expect to hunt deer, bears, mountain lions, and other big game. Rex declared that they expect to bring a bear back with them, alive. They will cross the Rio Grande at Presido, and any big game in that vicinity should take warning at once. These boys are "crack" shots, and no doubt they will have some wonderful tales to relate concerning their exploits in this most interesting land where Volstead was never heard of. Under the stimulating effect of the pure ozone, pure branch water, and pure—pure—grape juice of that delightful region, the imagination is said to often soar to dizzy heights, and so we may expect some interesting stories when the boys return.

**PRODUCTION OF LEHMAN  
WELL YET UNDETERMINED**

While it has been reported that the Lehman Oil Well flowed by heads for a period of about two days after the damaged casing was repaired following the last shot of nitro-glycerine, the production is yet undetermined.

About twenty-five barrels is being bailed out each day and used as fuel by the drillers putting down the Westover Well near Morton.

It seems to be the consensus of opinion that the Lehman well is just off the main structure and soundings are being made with an idea of locating three or four new locations on the same tract, as it has been authoritatively stated that at least that many wells will be drilled on the 17,000 acre holding at that place within the next year.—Hockley County Herald.

The HALE CENTER American reports that even though the wheat crop last year was considered unusually good, the prospects for a bumper wheat crop are more promising now than for several years. It is estimated that practically 95 per cent of the wheat has been sown, and most of this is already up. The favorable weather which has prevailed in this section recently has brought this verdict of "perfect" from the wheat growers.

SAN ANGELO farmers and business men have launched a cotton seed standardization program for Tom Green County. The advantages of growing a cotton of uniform staple, length and characteristics were stressed at a meeting held recently, and a committee from the Co-operative Gin & Supply Company was appointed to select the type of seed to be planted.

**WASHING!  
GREASING!**

Take care of your car; keep it well greased; keep it clean and preserve its luster.

**JOHN BOYLE ON THE WAR PATH**

John Boyle of San Antonio has donned the war paint.

He is crying out for the blood of every "bolter" in Texas—that is, every "bolter" of the 1928 model.

John Boyle is the man who led the pre-convention fight for Al Smith in Texas last year. And he was a valiant captain in the hosts of the "Happy Warrior" in the campaign following the Houston hoo-ray.

For some time now he has been quiescent. But the other day he seized his tomahawk and scalping knife, mounted his dashing little war pony, and galloped over to Austin to rally the Tammany braves.

Brandishing his political tomahawk, he asserted that no man nor woman that took any part in a Democratic primary last year and then dared to vote against Al Smith should be allowed to participate in the Democratic primaries next year either as a candidate or as a voter. Dave Wilcox thinks that while they should not be allowed to run for office yet they should be allowed to vote in the primaries. John Boyle would not even allow them this privilege. He would not permit them to vote in the Democratic primaries even for his own fellow braves.

John further admonishes his compatriots that having barred the "bolters", the faithful must nominate a man for governor that can lick 'em. "We must entirely and completely remove the religious issue from the coming campaign," he says, and in order to insure this he suggests that some man must be nominated "to whose candidacy cannot be attached in the slightest degree any religious interest." Being a member of a church organization which has won the reputation, thru its long record of religious and political activities, of being the most intolerant, domineering and bigoted religious body in all the history of Christendom, John is strong against this thing called "religious prejudice", which he thinks dominated the bolters last year. It must be stamped out—with John and his pals doing all the stamping.

Religious fanaticism must be curbed. The bolters must be barred.

So, if it should happen, by some hook or crook, that Mr. Boyle should have his way, then a big majority of the voters of Lynn County will be barred from the Democratic primaries next summer. In fact, a majority of the voters in nearly every West Texas county will be barred. Same way over in North Texas and Central Texas. If that should be done—well, it would be just too bad for John and his bunch.

**"IT BITETH LIKE A SERPENT AND STINGETH LIKE AN ADDER"**

All Texas has been shocked and amazed by the ruthless murder of a light-hearted stenographer, described as a "slip of a girl", committed on Saturday night by a man who has held positions of distinction in this state. Miss Lehlia Highsmith was stabbed and slashed to death with a long-bladed knife in the hands of John W. Brady, former assistant attorney general and former member of the third court of civil appeals. Brady had also represented the State a number of years ago in suits against the Waters Pierce Gil Company for violation of the anti-trust laws of Texas. As an orator and lawyer, he had for long years taken rank among the best. It was with astonishment unspakable therefore that Texas learned that, without seeming provocation, he had bathed his hands in the blood of a helpless "slip of a girl."

This shocking crime, like thousands of others, can be attributed to but one thing—the curse of strong drink. With all of his ability, prestige, power and influence, Brady became addicted to the use of liquor, many years ago, it is said. In recent years he had been a heavy drinker. On Saturday afternoon and night he says he had been drinking and that he remembers nothing of the terrible crime of which he is charged. Witnesses and friends declare that he was dazed and crazed by drink. A plea of temporary insanity will doubtless be interposed for him on the trial and he may escape punishment on this ground.

A number of years ago, we knew a man who killed his own mother while he was under the influence of liquor. For some time he had been a heavy drinker. From early boyhood he had been very devoted to his mother, but there came a time when they quarreled. One evening after several days of intoxication and while still under the influence of liquor, he rode to his mother's house, dismounted, walked into her room, drew his pistol, and fired a bullet through her heart. He, too, escaped the penitentiary on the grounds of alcoholic insanity.

Whiskey, bond or bootleg, will finally destroy any man who becomes addicted to the habit of drinking it. The inspired writer knew what

he was talking about when he said that "Wine is a mocker; strong drink is raging; and he that is deceived thereby is not wise." Young man, "Look not upon the wine when it is red, when it moveth itself aright in the cup; for at last it biteth like a serpent and stingeth like an adder."

The papers say that Earle B. Mayfield is to be a candidate for governor next year. If Earle runs he will have a strong following. He always has had. He nearly always gets elected. First he went to the state senate. Then he was elected railroad commissioner. Later he went to the United States Senate, being defeated for a second term last year by Tom Connolly. But, before he went out of office, he got Pat Neff's goat as a member of the U. S. Railway Mediation Board. Neff had supported Connolly for the Senate and Mayfield charged that Neff had been ungrateful. It was Jim Ferguson whom Mayfield defeated for the senate in his first race, and it was a bitter campaign. Jim Ferguson used up most of the expletives in the English language cussing Mayfield. But politics makes strange bed fellows. Last year Ferguson supported Mayfield. Now there is a possibility that they will be antagonists again, with both of them threatening to run for governor. Say, folks, the political situation is already getting interesting. There'll be a hot time in Texas next year. Personally, we are going to try to keep cool and sweet all the year round.

**FLOWERS**

The Lynn County News of Tahoka, Texas, edited and published by our fine friend, Mr. E. I. Hill, former county attorney of Bell county, is one of the best edited and most prosperous-looking weeklies that comes to this office. Mr. Hill is a man of large information backed up by much native ability. He possesses outstanding moral courage, and is a tower of strength for righteousness in his home community now as he was in former years in Bell county, and richly deserves the success he seems to be achieving in West Texas.—Rogers News.

Thanks for the bouquet! The Rogers News is published by Hon. C. W. Taylor, who served in the state senate several years. Senator Taylor lent all his power and influence to the cause of civic righteousness and good government while in the senate as he has ever done in private life. If all our legislators were as clean and capable as Senator Taylor we would have a better state. He has been at the helm of the Rogers News for about thirty years and only the Recording Angel can tell how much good he and his paper have done.

It was announced several days ago that Hon. W. H. Bledsoe of Lubbock will be a candidate for lieutenant governor next year. Bledsoe served a number of years in the state senate and took rank as one of its ablest members. While serving in this capacity he did much for West Texas, especially in the establishment of the Texas Tech and in gaining financial support for the institution after it had been established. Senator Bledsoe is an able lawyer and a shrewd political leader.

This Fall has been one of the most unfavorable for harvesting the crops for many years. Rains, cloudy, damp weather and cool spells have followed one another with provoking

regularity, and it has been almost impossible for farmers and cotton pickers to remain in the fields for more than a few days at a time. With short crops, low prices and lack of opportunity to gather the scant crops that have been raised, farmers are having a hard time this year. But every cloud has its silver lining and so we are expecting next year to be a prosperous one.

**WHAT OTHERS THINK**

At present there seems to be one fly in the ointment of the peace of the world, and that is Italy, led by a conceited freak, who imagines that he is the world's combined Nero, Caesar, Napoleon, Wellington, Washington and Lincoln, with a few lesser warriors and statesmen thrown in. He talks and thinks war more than peace and his latest reported utterances are very bombastic and calculated to start trouble. The Italian people are peace loving people as a whole if led by the right kind of a ruler, but they are hot blooded if headed by a hot-headed fool. It may just happen that Italy will get to the point that a half a dozen of its neighbors will have to give it the lesson that Germany got and the present Germany may help do the job.—Brownfield Herald.

Mussolini, dictator and autocrat of all Italy, is apparently a war-mad militarist—a menace to the peace of the world. He holds Italy with an iron hand, and at his will may sacrifice millions of men on the altar of his ambition to be a second Caesar A Napoleon or a Kaiser.—Rogers News.

**Tate-Lax**

For constipation. Do you know most all Doctors advise the use of some laxative. Tate-Lax eliminates the poisons that accumulates in the system due to congested conditions of the body and prevents diseases. Tate-Lax is used by thousands for many various conditions of the system with perfect satisfaction. Ask your druggist.—Adv. 10-4p.

Old Timer says that there is a great deal of talk these days about prison congestion. The prisoners have been trying to relieve the situation by breaking out and running off, but somebody always interferes with them. Jimmie Ferguson says that if the people of Texas insist strong enough on his being governor, he will help the prisoners to get

away, by issuing some three thousand pardons as soon as he can sign the necessary paper.—Plains Progress.

At a dog fight we usually holler for the dog on top—unless the under dog happens to be our own individual dog, then we want to kick the daylight out of the brute that is licking him.—Ropes Hustler.

**LET THE THERMOMETER DROP**

... it's always summer for your car

Even on cold winter nights your motor starts "right now" when fueled with Phillips 66. Here's a gasoline with volatility controlled to fit the season and the climatic conditions of the locality in which you buy it. Combines, for the first time, instant cold weather starting and quick warm-up—flexibility at all engine speeds—mileage and power—at no extra cost. Put your car on super-performance rations; for best results try a full tank of Phillips 66 or 66 Ethyl.

**Phillip-up with Phillips 66**

CONTROLLED VOLATILITY

WHEN THE THERMOMETER GOES DOWN THE VOLATILITY GOES UP. Gasoline must vaporize before it can be fired in the cylinders of your motor. Volatility refers to the ability of gasoline to vaporize. With volatility controlled, Phillips 66 vaporizes as quickly in cold as in warm weather.

**NEW HOME ITEMS**

Brother Gibson from Meadow preached a very inspiring sermon to a congregation of about one hundred and seventy-five Sunday morning at eleven o'clock.

Brother Horn filled his regular appointment at 7:30 P. M.

B. Y. P. U. services begin regularly at 7:00 P. M. More young people are needed to make our union a success.

Brother Weightman will preach for us next Sunday at 11:00 o'clock. Mr. Goad, superintendent of our Sunday school, has promised us something new and interesting, also. Let's all be present.

The Lakeview basket ball teams, both boys and girls are to meet our teams on the home courts Thursday, November 14th, at 3:00 P. M. Show the teams you are interested by being present.

Wet Wash at 7c Per Pound. Call 90, Tahoka Laundry. adv.

**CAN NOW WORK GOOD AS EVER**

"I suffered with constipation for five years, and during the past two years was so weak and rundown and had to spend so much time in bed. I finally had to quit work entirely. I suffered with indigestion

**J. T. STOKES**  
and would blurt up so after meals I couldn't fasten my clothing, and had awful pains in my stomach, between my shoulders and around my liver. It's wonderful what the Sargon treatment did for me. Every pain in my body is gone, I eat hearty meals and my indigestion is perfect. I'm so strong and well now I can put in a hard's day's work with the best of them. The clothes I couldn't fasten are loose on me now and I feel like a different man.  
"Sargon Pills rid me of constipation, toned up my liver and I'll gladly tell anybody what I think of this wonderful treatment." J. T. Stokes, 3039 Arizona St., Dallas.

**REAL WINTER HITS**

Lynn County was treated to a real visit of Winter this week. On Tuesday, Wednesday and Thursday, the mercury dropped far below the freezing point and wintry weather prevailed throughout the daytime on all three days. All vegetation that had escaped the light frozoes that had come heretofore was killed, very dead. The skies have been overcast part of the time but there has been no precipitation. Winter is putting in his appearance a little ahead of time this year.

**CARD OF THANKS**

We take this means of thanking our friends and every one for the kindness and thoughtfulness shown by the love, care and beautiful floral offerings given during the dark hours.

MRS. W. FAY JACKSON

**DECLINES POSITION**

Tahoka, Texas, Nov. 8th, 1929.  
Board of Directors, Tahoka Cemetery Association, Tahoka, Texas.  
Gentlemen:

Having noticed in the Lynn County News, the action of the above Board of Directors in naming me as Secretary-Treasurer, with all due respect to all parties concerned, I hereby decline to accept the position tendered, believing as I do, that the interests of the Association could be better served by some one else. Thanking you gentlemen for the compliment tendered, I am very respectfully yours,  
B. F. (Uncle Ben) ROGERS

**MAN FELT BLOATED**

**For Distress After Meals, He Takes Thedford's Black-Draught and Says He Obtains Relief.**

Gulfport, Miss.—"I have used Black-Draught for about five years," says Mr. George Chevalier, of this city. "I keep it in my house all the time."

"When I feel bloated, and have headache after meals, my method of taking Black-Draught is to take from a pinch to a level teaspoonful in my mouth, dry, and wash it down with about half a glassful of water, regulating the dose according to the situation by taking more or less, according to how I feel."

"I usually take a dose on going to bed, when needed, and am relieved next morning."

"I don't know of any medicine that I would exchange for Black-Draught. I believe if anyone is suffering from constipation, and would use Black-Draught as outlined above, he would get relief."

Thousands of other men and women find Black-Draught of great help in relieving common ailments, due to constipation, biliousness and indigestion.

Prepared from medicinal herbs and roots, of highest quality, carefully combined and packaged by automatic machinery. NC-211

**Thedford's BLACK-DRAUGHT**  
for Constipation, Indigestion, Biliousness

**Fox Song Romance Acclaimed Superb Movietone Smash**

Superlatives are trite—but they must be used after viewing and hearing "Married in Hollywood" at the English Theatre. You'll use them yourself. Chalk up "Married in Hollywood" as the biggest thing the speaking screen has ever offered—an all talking, singing and dancing Viennese romance with the most brilliant music, the fastest and most delicious story and the best singing cast yet presented to the public.

In every-day parlance, it's a "knock-out". Norma Terris and J. Harold Murray reveal the two finest voices of any talkie to date, and they are splendidly supported by Tom Patricola, John Garrick, Walter Catlett, Lelia Karmelly, Irene Palasty, Lennox Pawle, Douglas Gilmore and a host of other notables. For the first time in film history music of true operatic quality is presented in number after number, written by Oscar Straus and David Stampfer.

Marcel Silver directed—and thereby won himself screen immortality, while Harlan Thompson both staged the film and wrote the story and dialogue, much the best that has appeared so far.

If you don't like "Married in Hollywood" we gravely fear there's little hope for you, for this all singing, dancing, talking Fox Movietone song romance is undoubtedly in a class by itself.

ADDING MACHINE PAPER, 15c per roll; reduction on larger quantities. The News.

**WOMEN KNIT AND SEW FOR RED CROSS RELIEF**

**Volunteers Aid Through Motor and Canteen Corps—Send Gifts to Service Men.**

Recalling the days of the World War, many women still make pajamas and other hospital garments, many knit sweaters, and more than 2,500,000 surgical dressings were rolled by volunteer workers for the American Red Cross Chapters all over the nation, in the year just closed.

The hospital garments are given to veterans and the surgical dressings go to civilian or Veterans' Bureau hospitals, or wherever needed. Many Chapters also maintain well stocked closets of surgical dressings and garments, in order to be prepared should a disaster strike their communities.

Volunteer workers make children's clothing and layettes which are distributed in time of major catastrophes. The Motor Corps of Red Cross women and the Canteen Service, also first created during the World War, still are maintained by many Red Cross Chapters. Last year the various Motor Corps, some with ambulances, answered about 30,000 calls, and the Canteens served more than 20,000 persons. They were especially active where floods or forest fires or other catastrophes called for feeding refugees or firemen engaged in active work fighting disaster.

Another activity of women volunteers is that of filling Christmas bags—small cretonne ditty bags—to send to soldiers and sailors who are stationed at posts or ports abroad. More than 40,000 of these are sent each year for distribution to the Americans at Christmas time.

**AIRPLANES DROP TONS OF FOOD DURING FLOOD**

Army, Navy and Alabama National Guard airplanes delivered twenty-five tons of supplies furnished by the American Red Cross to flood refugees who were completely cut off from any other aid, during the serious floods in four southeastern States early this spring.

The three services made an average of fifty flights a day, delivering medicine, food, clothing and blankets. Most of the supplies were dropped to the refugees who were isolated on hill tops and high ground, by the flood waters.

Naval aviators made a total of 115 flights during the flood period, embracing 15,000 miles. Observation planes also reported by radio where marooned refugees could be located, and a magnificent program of co-operation with the Red Cross relief forces was carried forward by all three aviation services.

**RED CROSS HONOR FLAG GOES TO NEW HAMPSHIRE**

The honor flag, given annually to the State which enrolls the greatest percentage of its population as member of the American Red Cross, went this year to New Hampshire. The decision was so close between New Hampshire and Vermont that it hung in the balance for a time. California ranked third in the honor list and Connecticut fourth.

A final tabulation of figures of the 1928 Roll Call showed a nation-wide membership of 4,127,946. The banner rests with New Hampshire, where it is hung in the State House, until the 1929 Roll Call—held between Armistice Day and Thanksgiving Day—is completed and new figures available for the 1929 winner.

LORAIN—Included in the Loraine Diversified Farming Exhibit and Poultry Show were a flower show, farm and merchants exhibits, and a poultry and rabbit show. One of the features of the diversified farming exhibits was a hog guessing contest. The hogs were six months and two days old on the first day of the exhibit, and they were fed a balanced ration of ground threshed maize and a protein supplement in a self feeder. Much interest was created in this contest, and a prize was given the first person guessing the correct weight of the hogs on the second afternoon of the exhibit.

An old negro man was arraigned before a justice on a charge of assault. During the proceedings, the judge asked him if he wanted a lawyer appointed to defend him.

"No, no, judge," he replied. "I don't wan' no lawyer, but I sutenly would like a couple of good witnesses, if you have got 'em."

The gum-chewing girl  
And the cud-chewing cow,  
Are somewhat alike,  
But different somehow.

What different?  
Oh, yes, I see it now,  
It's the thoughtful look—

### WHAT OTHERS THINK

#### OUR JURY SYSTEM

Thinking people have just about come to the conclusion that the American jury system has become more of a hindrance than a help to the administration of justice. It sounds very well to say that in this country of ours every accused man is 'entitled to trial by a jury of his peers.' It is beautiful theory to say that a man's fate rests with his fellows. But does it work to the best interests of society? The Morning Avalanche is not at all sure that it does.

Jurors are too easily befuddled by the booming oratory of a clever lawyer and by the sonorous charges of a dignified celebrity perched upon the bench. Too many men who would make good jurors admittedly dodge jury service and the methods of selecting a jury, where opposing counsel break their necks to get persons whom they know are incapable of fair deliberations, are a mockery. Just what should be done is hard to say for the problem of improving our channels of justice is a grave one.

It appears to rank outsiders, however, that the old English custom, of

the decision of guilt or innocence resting with a judge, might be a way out of the wilderness. Election of three judges, say, for each criminal court, might solve the problem. At least, it's worth thinking about.

Put there men on every bench, a chief justice, if you please, and two associates. Let them hear every case, decide upon the conflicting points of law and then return a verdict. True, they would have to be lawyers themselves but this newspaper has reached the opinion that it takes men schooled in law to keep from being flim-flammed by opposing attorneys in every case. Certainly there are enough fair men left to install this system and courts could stay in session continuously without being held up while sheriffs and underlings scoured the countryside for jurors, as is the present situation.

The thought behind this editorial may be a breach of freedom as many Americans theoretically view it. It may even jeopardize the rights of a citizen in a court of law. But it couldn't be much worse than what we have now—and the chances are it might be a whole lot more efficient.

After all most juries mete out mercy instead of justice. It is up to the American public to decide whether it wants mercy or justice in its courts, and then act accordingly.—Lubbock Avalanche.

When we stop to consider the matter we find that about as many—if not a majority of people are killed over frivolous things that could easily have been settled if one or both parties had used just a bit of judgment instead of trying to show the other fellow that he was a man not to be tampered with. There was a man killed over in Crosby county last week, in which a son-in-law shot and killed his father-in-law over a dog fight. Taking human life in Texas has become entirely too common, and when we tighten up and swing or electrocute the great majority of killers like they do in old England, the percentage will automatically decrease as over there. There are more murders in some of our larger cities with two or three million people than there are in the British Isles with their 60 million people. We don't have to get any further away than Canada to find killings greatly decreased, but they get hard boiled with killers just like the mother country.—Brownfield Herald.

At present there seems to be one fly in the ointment of the peace of the world, and that is Italy, led by a conceited freak, who imagines that he is the world's combined Nero, Caesar, Napoleon, Wellington, Washington and Lincoln, with a few lesser warriors and statesmen thrown in. He talks and thinks war more than peace and his latest reported utterances are very bombastic and calculated to start trouble. The Italian people are peace loving people as a whole if led by the right kind of a ruler, but they are hot blooded if

headed by a hot-headed fool. It may just happen that Italy will get to the point that a half a dozen of its neighbors will have to give it the lesson that Germany got and the present Germany may help do the job.—Brownfield Herald.

The wife usually likes for the world to feel that her husband is an important man—even if she don't think he is worth a cuss.

Being dissatisfied with one's job becomes a habit, and breeds discontent that will follow a man through life.—Ropes Hustler.

head of a hot-headed fool. It may just happen that Italy will get to the point that a half a dozen of its neighbors will have to give it the lesson that Germany got and the present Germany may help do the job.—Brownfield Herald.

#### AUCTION SALE

Friday night, November 15th, at the New Home school building, we are going to sell to the highest bidder a large number of articles which have been donated by various merchants of Tahoka, Lubbock, Slaton and New Home. This merchandise includes anything from tooth-picks to "Aladdin Lamps".

Judge Grider is to be the auctioneer.

The proceeds are to be used for the general benefit of the school, chiefly play ground equipment.

All patrons are requested and urged to be present and help to make the sale a success.

Plenty of seats are assured.

We wish to extend a cordial invitation to all merchants to be present.

Wet Wash at 7c Per Pound. Call 90, Tahoka Laundry. adv.

### At Last!

A face powder that really stays on. Nylotis Face Powder De Luxe goes on smoothly and stays on. It does not show in spots, but spreads evenly and blends invisibly with even the finest skin. The powder is delightfully and lastingly perfumed. It is put up in an attractive round box, finished with a striking peacock design. *Flesh-White-Brunette* TAHOKA DRUG

"I never thought your husband went into places like that!"

Mrs. BEARDSLEY had just returned from the city and she was telling her friend, Mrs. Stanley, all about her visit.

"... and I saw him through the window. He was all alone at a table in the main dining room of the very best hotel. I was so surprised—you know, from seeing your husband washing his own car and cutting the grass himself and all those things. I didn't think he was at all extravagant."

"Sure, I go in there once in a while when I'm in the city," Mr. Stanley told his wife that evening. "It's not for the food. It's for the coffee. That coffee is worth the price of a meal there by itself. You know, dear, I simply must have good coffee once in a while and... well, I didn't like to hurt your feelings by mentioning it."

"That coffee, madam," the waiter told Mrs. Stanley the next time she accompanied her husband, "is White Swan Coffee. This hotel has used it for years."

Wives who are coffee-wise know that the appetizing aroma and satisfying flavor of White Swan Coffee served at home makes everyone wish that every meal could be eaten there.

"... and I saw him through the window. He was all alone at a table."

Strict selection of the imported coffees, scientific roasting and artful blending each plays its part in fully developing and nicely balancing the famous White Swan flavor.

With the skill acquired by more than a half century of experience, the Waples Platter Company controls every phase of distribution as well as preparation—making certain that no finer or fresher coffee can be brought into your home for the price you are asked to pay.

White Swan Coffee comes to you, fresh in sealed tins and fresh from the roaster with all of its rare goodness kept intact. No chances are taken with White Swan flavor.

One of the 22 Waples Platter Houses is conveniently close to each of the 10,000 White Swan dealers. A fleet of motor trucks, supplementing railroad facilities, makes regular deliveries along established routes to the retailer from all of the units of this institution of the Southwest.

Thus, your grocer always has a new supply of White Swan Coffee—freshly packed for you in one and three pound cans.

WANTED—I want to buy your fat cows, bulls, and yearlings.—T. I. Tippitt. 2-tfc.

## Dawson County To Call Bond Election

(O'Donnell Index)  
The good roads committee of Dawson county has been very busy the past few weeks lining up the voters for the purpose of calling a road bond election and voting bonds to pave all the designated highways of the county.

Petitions will in all probability be presented to the Commissioners Court this week and immediate action is expected. Many of our citizens who live in the south part of town and the north part of Dawson county will have a voice in the matter. Those who are behind the movement are confident the election will carry and that before many months Dawson county will have all designated highways paved and be in the same class with all other progressive counties in Texas.

The Index believes it is a good move on the part of Dawson county folks and hopes they are successful in voting the bonds. Lynn and Dawson counties are about the only counties in this part of the South Plains that have not attempted to vote road bonds and we believe it is high time they get in line. In case Dawson county carries the election Lynn county will be the only county left without road bonds.

Lets hope the Dawson county movement will wake up Lynn County folks and cause them to get busy and build good roads and get out of the mud and sand.

## Mrs. Shook Entertains Phebe K. Warner Club

Mrs. Shook was a very gracious hostess to the Phebe K. Warner Club, November eighth.

The Grand Canyon of the Colorado was the subject for the day. Mrs. Nash was leader. Her subject was Location and Area of the Park; Chief Characteristics of the Grand Canyon, Mrs. Nevels told two Indian Legends and also the Habits of Indians of that region today. Mrs. Fenton, Mrs. Slaton, and Mrs. Stewart talked on the origin of the Canyon, Geological History and the Canyon Trails.

Reta Shook favored us with a splendid reading. Dainty refreshments were served to Meses. Nevels, Stewart, Callaway, Elliot, Nelson, Slaton, Henderson, Craft, Nash, Caveness, Fenton, Hood, Turrentine, Haney and Shook.

FORT STOCKTON—Work on the Fort Stockton Aviation field will begin at once. This motion was authorized at a recent meeting of the local Lion's Club, who is sponsoring this move. The selected ground is level and free from all obstructions that would make it hazardous for planes to land or take off, and as soon as the contemplated improvements are made, the citizens of Fort Stockton will have reason enough to feel that they have one of the most ideal landing fields in this section.

### LOST & FOUND

FOUND—Small package of merchandise, left by some one in News office. Owner may describe, pay for this notice, and procure same.

LOST—A suit coat. Lee Woods 1tp.

LOST—An overcoat on Post highway near Claude Johnson Filling Station. Please leave at News office for reward.—S. J. Crawford. 12-1tc.

### MISCELLANEOUS

PERMANENT WAVES—\$4.50 at Sunshine Inn, guaranteed by a Lubbock Shop. Shampoo the hair. Do not use anything in the rinse. 9-2tp.

NOTICE—My bull will be in Cooper's pasture until Jan. 1st. Same price, \$2.00.—P. M. Montgomery 11-2tp.

REPORT CARD—for Common and Independent Schools are now available at The News office.

LEGAL BLANKS—Crop and chattel mortgages and car and cattle bill of sale forms in stock at prices cheaper than you can buy them from any stationer.—Lynn County News.

I AM PREPARED to mow and rake your feed on short notice.—W. C. Pritchett, 7 miles east and 2 miles south of Tahoka. 8-tfc.

## UNCLE TOM WRITES A LITTLE NONSENSE

As we have not seen anything from Lynn City for quite a while, we will give a few items.

Our city has improved a lot since you last heard from it. It has a nice, new brick school building and a set of brand new teachers, and we are just getting along fine.

They had a sock supper and a baked hen for the ugliest man. Our teacher and Truett Smith, our county clerk, were in the race, and the teacher won by just a small majority. It was as hot a race as that of Hoover and Smith for President. It was hard on Truett, as he wanted to win so badly. Truett, be of good cheer. You won second place.

Well, I have heard talk of asking for part of the court to be moved to Lynn City, including Uncle Ike and Nelson. I object to it, as we are all quiet out here and don't need any part of the court, and they wouldn't make enough to buy sugar for their coffee. We've got a sheriff out here and he has to pull bolls to get something to eat. So, I can't see that we need anything else. And they wanted to put Judge Calaway up to come to Lynn City, and I can't see for my life how Tahoka can do without him. We can make out without him, so just back out of having any part of the court to move out here. If our boys get into it, it will be cheaper to bring them to Tahoka than to put up with all that bunch. So, we will just call that off and ask for an air mail station. We will fix for them to light here. Lynn has already got the gas and the lube to shoot to them, and I can't see why we can't get one. I am satisfied if I could see Hoover and explain to him what a city we have, he would take it up with the boys and have us air mail at Lynn right away.

The cotton is about all out in this section of the living.

I heard the other day that the Baptists are going to have a box supper next Thursday night to raise money to pay out their piano, but we are having so much rain I am afraid they won't have a very large crowd.

Well, I forgot. We are going to have electric lights out here also.

Folks that pass this way must not run over the stop lights. Be sure and watch that so as not to get in trouble.

Mr. J. S. Edwards is rebuilding his house that burned down a few weeks ago.

Well, as I have given all the important items I will close. Be good, you writers, and Mr. Editor, don't holler How do we get by? I have noticed all my life that if we got by

till Christmas, we made it the rest of the year.

YOUR UNCLE TOM.

The sad-looking man at the corner table had been waiting a very long time for his order. At last a waiter approached him and said:

"Your fish will be coming almost any minute now, sir."  
"Oh, yes," said the sad man, looking interested. "And what bait are you using?"

We are pushing sale of all our staple goods to make room for—

## Holiday Goods

Which we expect to have on display soon. It might pay you to drop in at once.
