MAKES LEAGUE MEETING PLANS

Director Faubion Urges All Schools To Join Interscholastic League Now

Schools in Lynn County which expect to compete in the University Interscholastic League next spring are urged by A. L. Faubion, County director-general of the league, to enroll for membership, if they have not already done so.

Officers for conducting the county meet have been elected, and these officers constitute a County Executive Committee which has charge of the competition in this county. Under the Constitution of the League, the County Executive Committee determines the time and place of the meet, secures the judges for the various contests, passes on eligibility of contestants, arranges for field and auditoriums for accommodating the meet.

Schools should remember that January 15th is the closing date for paying membership fees and should send in their fees before it is too late.

The Director General calls particular attention to the new contest in Picture Memory. This is a stimulating affair for the fifth and sixth graders, based upon famous pictures. It is correlated with art appreciation work in the schools, and is conducted at a very small cost. He also announced that the new rule requiring round-robin elimination in debate is in force this year, and that the County Director of Debate should be consulted at an early date concerning the round-robin schedule by any school not already assigned a place in the schedule.

At a recent meeting of the Executive Committee it was decided to include the "Tiny Tot Stories", age limit six to ten years. Each school will receive at an early date a list of the stories to be used. It was also decided to include Vocal and Instrumental music, two Divisions, one for the affiliated schools and one for the nonaffiliated schools, provided 4 schools from each division enter thirty days before the meet. Each school will receive a copy of rules from the Director of Music in the near future.

The Director General wishes to call special attention to the rule requiring that the names of all contestants be sent to the Director General and to the Director of the contest entered one week prior to the contest, except names of contestants in Vocal and Instrumental Music which are to be mailed in to the Director of Music thirty days prior to the meet. Failure to do so will render the contestant ineligible to participate in the contest.

Association Retains Tahoka High School

Supt. M. L. H. Baze recently received advice from the State Department of Education that the Tahoka High School had been retained as a member of the Southern Association of Accredited High Schools with only one suggested improvement. That suggestion was to the effect that two of the teachers in the high school were overloaded and that they should be relieved. This relief had been extended by the transfer of one of the teachers from the Central Ward to the high school, however, before the action of the Southern Association of Colleges and High Schools had been made known.

Mr. Baze also has information that the students in the various colleges from the Tahoka High school are making exceptionally good records.

Lubbock Man Buys W. R. Neyland Stock

The W. R. Neyland stock of goods was sold at public auction Tuesday afternoon to the highest bidder for cash. The stock was bought in by one Mr. Lieberstein of Lubbock, who was acting for The Model, which operates a business in that city and in Lamesa. The consideration paid, we understand, was \$3960.00.

The Model will sell these goods at retail between this date and February 1st, when they must vacate this building. We understand that the building is to be occupied by other parties after that date.

Walker's Store Is Destroyed By Fire

The store of E. M. Walker at Grassland was totally destroyed by fire at an early hour last Friday morning, as was also most of his stock of goods. The origin of the fire seems to be unknown. A vacant building adjoining the store and formerly used as a garage was also destroyed. It was owned by Walter Duckworth of Post.

When the fire was discovered it had reached such proportions that the bucket brigade, which was quickly organized, was unable to extinguish the flames, though they did prevent the destruction of Cook's store near by.

Brown Announces For Tax Assessor

To the Good People of Lynn County:

In coming to you the second time and asking for the office of Tax Assessor, I do this with a feeling of gratefulness to you for the support you gave me two years ago. Although I was defeated, no one has heard me complain and should I go down in defeat again, I want it to be with the very best of feeling toward everyone. I tried two years ago to make a complete canvass of the county and to meet you all. Of course I missed some of you, but it wasn't because I didn't try. This year I want to meet as many of you as I can. But owing to circumstances over which I have no control I will not be able to make a house to house canvass of the county and I hope you will not hold that against me. I have been in Dawson and Lynn counties for twenty seven years. I want to ask each and everyone of you for fair consideration and if you believe me worthy of this office, I will appreciate your vote and influence in July. And if elected I will try to show you my appreciation by giving you the best service that is in my power to give.

Thanking you in advance for any favors you may show me in this campaign, I am,

Yours for Tax Assessor,
T. W. (WILL) BROWN

Increase Capacity Of Tahoka Hatchery

The Tahoka Hatchery, owned and operated by Messrs. Taylor White and Verner Smith, has opened for the season with increased capacity. These gentlemen have recently installed a new 9,000-egg capacity incubator, which increases the capacity of this hatchery to 25,000. They expect to do a much larger business this year than they did even last year, which was immense.

Messrs. Harris & Applewhite have leased from John W. Newton of Haddon Heights, New Jersey, the section of land which the latter owns eight or nine miles east of Tahoka and which W. G. Briley has had under lease for the past several years. This section of land has been the property of the Newton family since 1876. Mr. Newton was here this week.

Blanket Of Snow Covers This Section

A blanket of snow conservatively estimated at four inches thick covers Lynn county today, while snow of varying depth blankets all West Texas.

A fine mist Tuesday afternoon turned to sleet Wednesday, and by nightfall the surface of the earth was covered to a depth of a quarter to a half inch with sleet and ice. Then it began snowing and continued throughout Wednesday night. Thermometers this morning registered 8 degrees above zero and the temperature is still far below the freezing point.

The snow and sleet are expected to be helpful to wheat and to put a good top season in the soil.

"JIMMY'S WIVES"

"Jimmy's Wives" is the name of a comedy-drama which is to be given at the high school auditorium tonight and Friday for the benefit of the American Legion, the proceeds, after expenses are paid, to be applied on the indebtedness against the American Legion Hall. This is a worthy enterprise and should have generous support. The play itself is reputed to be well worth the price of admission.

POST OFFICE'S RECEIPTS GAIN

Office Did \$12,000 Business In 1929 To Set New Record For This City

The receipts at the local post office during the year 1929 showed a gain of more than 15 per cent over the receipts of 1928, according to Postmaster Don A. Parkhurst. The receipts for 1928 were \$10,514.24, while the receipts for the year just closed were \$12,115.48. This was a gain of \$1,601.24, or a little more than 15 per cent. These figures would not indicate that 1929 was a hard year. If good crops should be raised throughout the county this year, Mr. Parkhurst says he expects the receipts to climb close to \$15,000.00.

RALLS JACKRABBITS DOWN TAHOKA BULLDOGS 35-16

RALLS, Jan. 6.—Overcoming a bad start in which the entire team was taken from the floor after the first quarter, the Ralls Jackrabbits tonight added another victory to their cage record by defeating Tahoka 35 to 16.

At the end of the first half Ralls was trailing on the short end of a 12 to 10 score but came back strong in the second half to allow Tahoka only two more goals and to more than triple their own.

Walker for Ralls was high point man with 13, while Gurley of Tahoka, followed with 8. Another game will be played here Tuesday night.

Sanford Seeks Re-Election as Sheriff

S. W. Sanford has authorized us to place his name in our announcement column this week as a candidate for sheriff. This office carries with it the duty of collecting taxes for the county and state also.

Mr. Sanford has served in this capacity several terms in the past but declined to stand for re-election in 1924 and was out of office from that time until January 1, 1929. He ran for the office in the primaries and the general election of 1928 and was nominated and elected. He has been serving now just a little more than one year and his friends believe that his record has been such as to merit the approval of the people.

That he has made an excellent record in this office seems to be generally conceded. Without being "hard-boiled" he has been firm and positive in the performance of the duties of the office. No hardened criminal and no professional violator of the law has ever received any sympathy from him. Honest and fearless, he commands the confidence and the respect of the people generally. In the collection of taxes, he has been uniformly courteous and accommodating.

He has no promises to make except that he will continue to do his duty as he sees it, if re-elected, as he has done in the past. His record has been clean and commendable and his friends feel that the people of the county would make a mistake to make any change in this office at this time.

We bespeak for his candidacy your earnest consideration.

HENDERSON-BARRINGTON

W. F. Henderson and Miss Josie Barrington were married last Saturday afternoon at the Methodist parsonage, Rev. R. T. Breedlove officiating.

The bride is the daughter of Mr. and Mrs. B. P. Barrington residing 2 miles east of town, while the groom is the son of Mr. and Mrs. Harve Henderson of the Redwine community. Both families are well known, while the parties to the marriage contract are very popular in their respective communities.

They have been receiving the congratulations of many friends.

Mrs. L. S. Kuykendall reports that she had as her guests during the holidays her children and their families as follows: W. M. Kuykendall and Mrs. Lonnie Taylor of Lamesa, Mr. and Mrs. Grady Beard of Fort Worth, Mrs. R. L. Green and family of Borger, Mr. and Mrs. K. Kuykendall of Lubbock and Mrs. Cecil Moore and family of Lubbock.

O'DONNELL TO AID TAHOKA

Offer Assistance In Securing New Highway And In Entertaining County Judges Meet

At a recent meeting of the Community Chamber of Commerce of O'Donnell action was taken offering to assist in securing designation of a proposed new highway from Tahoka through Wilson and Slaton and also in entertaining the visitors to the county judges meeting to be held here in April. O'Donnell is exhibiting a fine, neighborly spirit in these matters, which the people of Tahoka appreciate. The News has received the following communication from the O'Donnell Chamber of Commerce pertaining to this matter.

"The Community Chamber of Commerce of O'Donnell wishes to offer its help, in any way possible, to your organization in its efforts to secure state designation of the Tahoka, Slaton, Idalou road and also in caring for Convention of the Commissioners and County Judges of West Texas which will meet in Tahoka in April.

"We believe in the development of Lynn County and the South Plains country as a whole and rejoice in your progress in prosperity.

"With best wishes for a more prosperous 1930 and even greater progress during the coming year than the past, we are

Sincerely yours,
Community Chamber of Commerce
G. S. DOWELL, Secretary"

A. I. Thomas Out For Tax Assessor

The name of A. I. Thomas appears in our announcement column this week as a candidate for tax assessor of Lynn County. This is the first time that Mr. Thomas has offered for office of any kind.

He came to Lynn county in 1907, twenty-two years ago, when this was strictly a cow country and with the exception of a short interval several years ago he has resided in the county ever since. Only a few of our citizens of today were here when Mr. Thomas came to the county. Among these were the Wells family, Elton George, W. H. May, A. L. Lockwood, Jack Alley, Jim Weatherford, J. N. LeMond, J. B. Miles, J. V. Dyer, G. W. Small, W. B. Slaton, A. R. McGonagill, W. S. Swan, W. L. Tunnell, and a few others. There were two little drug stores here then and Mr. Thomas purchased one of them and set up business for himself. His brothers, C. A. and W. O., also had an interest in the business but they were not here at that time. This was the beginning of the big business now operated by Thomas Bros. Drug Company, but Mr. A. I. Thomas has not had any financial interest in this business for a number of years.

As a business man Mr. Thomas has had much experience in book-keeping and clerical work and is thoroughly competent to fill the position which he seeks. Having resided in the county so long, he knows the property values of the county like a book, which is an important consideration in the election of an assessor.

Mr. Thomas is a man of the strictest integrity and enjoys the confidence of all who know him. He has many friends throughout the county who will doubtless give him their enthusiastic support. He will make an active canvass and will attempt to see all the voters personally before the July primaries. He assures the voters in the beginning that he will appreciate their assistance during the campaign and on election day.

Evrett West, Joe Stokes, Died Sunday

Everett West, 19, son of Mr. and Mrs. O. O. West of the Joe Stokes community, died Sunday afternoon, after a lingering illness. The remains were buried Tuesday in the Lubbock cemetery.

Few things can be sadder than the death of a promising young man just reaching his maturity. The surviving father and mother and one sister have the genuine sympathy of a host of friends.

Kiwanis Club To Have Ladies Night

The annual meeting of the Kiwanis Club to which the wives or sweethearts of Kiwanians are invited will be held on Friday night, January 17. It will probably be held at the American Legion Hall but this has not yet been definitely determined, all arrangements being left in the hands of a committee having jurisdiction over such matters.

The program committee is arranging a program for the occasion while the membership and attendance committees are also busy. It is hoped to have a large attendance and a most enjoyable affair.

Smith Wants Second Term as Co. Clerk

Truett Smith is placing his name in our announcement column this week. Truett is serving his first term as county and district clerk and naturally he wants to repeat the operation.

That he has made a faithful and efficient clerk is not disputed by any one, so far as we have ever heard. He seems to have given universal satisfaction. Always polite, accommodating, affable, and even-tempered, he has unusual ability in making and holding friends, and his friends, in Lynn county today are legion.

It is almost a foregone conclusion that the offices of county and district clerk will be divided after the United States census is taken in April, for when the population of a county surpasses 8,000 these offices are automatically divided. If this division is made, Truett's name will go on the ballot as a candidate for county clerk only.

Truett says that if he is elected he will continue to endeavor to give service. That is about all that could be expected of any human. He will appreciate your vote and influence in the July primary.

Miss Ellis Wants Treasurer's Office

Miss Viola Ellis announces this week as a candidate for re-election to the office of county treasurer.

Miss Ellis has served three years in this position and we have never heard a single complaint as to the manner in which she has functioned. Capable and attentive to her duties she has given universal satisfaction. The salary is not high but she attends to the office just as faithfully as if there were a big salary attached to it.

In addition to all this, Miss Ellis is just a fine young lady that everybody likes. It would be hard to exaggerate in enumerating her good qualities, but there is no need for us to say more. In fact, she had no idea we were going to say this much. What she wants the folks to know is that she appreciates their support in the past and will appreciate their support in the July primary.

Mrs. Deaver Has Leg Amputated

Mrs. E. L. Deaver, now a resident of Littlefield but for many years a resident of Lynn County, underwent an operation in a Lubbock sanitarium Tuesday morning in which one of her legs was amputated above the knee. The amputation became necessary as a result of an infection of the foot, which became much inflamed and a gangrenous condition developed.

Mrs. Deaver is the wife of E. L. Deaver, who formerly resided near Wilson and was one of the county commissioners of Lynn County for a number of years.

Many friends in this county will deeply regret that this great misfortune has befallen her and hope that she may otherwise speedily regain her health.

SISTER OF MIDWAY MAN DIES IN LUBBOCK

Mr. and Mrs. Ollie Warren of the Midway community attended the funeral of Mr. Warren's sister, Mrs. J. M. Keen, at Lubbock Tuesday.

Funeral services were conducted by Rev. Jack M. Lewis, the Presbyterian pastor. Mrs. Keen died at an early hour Monday morning following an extended illness. The surviving husband is manager of the Farm Bureau Gin at Lubbock.

THIEVES BUSY OVER COUNTY

Made Big Haul in Lynn County Last Saturday; Other Counties Are Also Bothered

Thieves seem to have been busy last week end in at least three adjoining counties of the South Plains.

At O'Donnell Saturday night burglars entered the store of W. E. Guye through a rear door and stole wearing apparel and other merchandise valued at about \$500.00. The loot included five suits of clothes, an overcoat, two pairs of boots, twelve pairs of shoes, 24 buckskin hats, two dozen leather belts, six suit cases, one trunk, and numerous other articles.

On Saturday afternoon, while W. C. Renfro and family were away from their residence on the Lockhart farm five miles southeast of town, thieves entered the house and stole numerous articles of dress. The stolen property in this instance included four of Mrs. Renfro's nice dresses, two shirts, one pair of trousers, one pair of overalls, and about ten gallons of lard.

Two houses were entered about the same date over in the northeast portion of the county. From one was taken a coat and a pair of shoes and from the other was taken a couple of bed spreads, two new shirts, one automatic shotgun, about ten mid-dlings of meat and some lard.

Officers have been running down clues but no arrests have yet been made.

Early Sunday morning, according to press reports, two stores were burglarized in Lubbock. Ninety dollars and a wrist watch were taken from a drug store while \$21.00 was taken from the adjoining grocery store of Clarence Saunders. An unsuccessful effort was made to open the safe in the Clarence Saunders store.

Two thousand pounds of bulk cotton were taken the latter part of the week from the field of a farmer seven miles northwest of Slaton.

Also during last week the post office and two filling stations were robbed at Meadow in Terry County. C. O. D. packages were taken from the post office valued at \$75.00. One of them contained a pair of trousers. One hundred gallons of gasoline were taken from the Chevrolet Service Station while tubes, tobacco, and cigarettes were taken from the Meadow Service Station to the value of about \$50.00.

It would seem probable that a band of thieves were working this territory. It is to be hoped that the culprits are yet apprehended and brought to justice.

Gatesville Pastor Will Preach Here

The pulp committee of the Baptist Church desires to announce that Rev. O. J. Hull, pastor at Gatesville, will fill the pulpit at the Baptist Church on Tuesday and Wednesday nights of next week.

Rev. Hull is one of the outstanding leaders of the denomination in Central Texas. He has been pastor at Gatesville more than seven years, and the church has a membership of about 950. He is a Western man, however, having been pastor five years at Midland.

He is a preacher of much experience and ability, and it is earnestly desired that every member of the church here as well as others shall avail themselves of this opportunity to hear him.

All Baptists are also urged to attend Sunday School next Sunday morning, after which they may feel free to attend other services in town. There will be no preaching at the Baptist Church Sunday.

The above action was taken at a meeting of the pulp committee Wednesday morning.

Tahoka Man Named State Bus Inspector

AUSTIN, Jan. 3.—The selection of four inspectors for the motor bus division of the Railroad commission was announced today. The men are John Alderman of Fort Worth, J. H. Edwards of Tahoka, O. E. Walters of Sulphur Springs and Sam Johnson of Johnson City.

T. W. Brown of O'Donnell announces as a candidate for tax assessor. Mr. Brown made the race two years ago and received a most creditable vote. He is a most splendid gentleman and made many new friends in that campaign. While he is making his own announcement this week, he desired that we state that while he does not now see how he can take time to make a house-to-house canvass yet he is going to do his best to see all the voters. If he fails to see you, he will appreciate your vote nevertheless.

Prof. Taylor White attended a meeting of the vocational agriculture teachers of the South plains in Lubbock last Saturday afternoon. Mr. White is president of the association.

A. P. Ort has been hobbling around on a crippled foot the past few days. He stepped on the point of a nail which penetrated through his shoe sole into his foot on last Thursday. The wound was a most painful and dangerous one but medical attention was promptly given and it is hoped that no serious consequences will follow, though his foot is still very sore.

Mr. and Mrs. Pfluger Wampler of Plainview were guests Friday night and Saturday of Mr. and Mrs. Frank P. Hill. Pfluger was Linotype operator for the News for a long time, leaving here to take a like position with the Plainview Evening Herald last spring. He is now pulling down a long salary as one of the operators for that newspaper.

CHEVROLET EXPECTING RECORD YEAR IN 1930

DETROIT, Mich., January 11.—Following the announcement seven days ago of the improved 1930 Chevrolet Six at greatly reduced prices, the Chevrolet Motor Company last week launched manufacturing and sales activities designed to meet the requirements of what promises to be another record year for the public acceptance of six cylinder automobiles.

Factory officials expressed themselves as highly gratified over the reception of the new Chevrolet Six at the New York National Automobile Show last week. Thousands of orders and hundreds of congratulatory letters from the nationwide Chevrolet dealer organization told something of the success with which the new product is meeting across the United States.

Meanwhile, so that the thousands of orders already on hand may be taken care of with a minimum of delay, the 16 giant Chevrolet plants are speeding toward capacity operation with all the haste consistent with Chevrolet's precision manufacturing methods. Employment at the Chevrolet factories is at the highest January level in the history of the Company with many of the plants maintaining two shifts.

At the same time the sales division under the direction of H. J. Klingler, vice-president and general sales manager, sounded the formal opening gun of the nation-wide sales campaign, Wednesday, January 8, at a mammoth Chevrolet dealer meet in New York City. Two thousand dealers from various parts of the Atlantic seaboard heard the Chevrolet sales chief outline the Company's plans for the year.

The New York meeting was the first of a series of 41 similar gatherings that will be held this winter from coast to coast in a comprehensive effort of apprise the Company's far flung dealer organization of the plans which Chevrolet has arranged for 1930. In the course of these meetings, which will continue until the third week in February, every Chevrolet dealer in the United States will have the opportunity of listening at first hand to the Chevrolet message for 1930 and talking with Central office officials.

Gatherings in each city embrace a business show in the afternoon and a banquet in the evening. The afternoon business meeting is perhaps the most unique and comprehensive ever undertaken by a large industrial organization.

These business meetings feature a number of playlets graphically depicting the successful operation of a retail automobile business in its various phases. All parts are played by members of the Chevrolet organization.

To make this business show possible more than a car load of drops, curtains and stage fixtures are taken to each city. Perhaps \$50,000 worth of show equipment is required to stage the afternoon performance. A group of professional stage hands travel with the party and handle the work backstage.

In order to get the Chevrolet message over to the dealer organization in as short a space of time as possible, four groups of officials are conducting meetings simultaneously.

Heading the party that will conduct meetings in the southwest, California, and Pacific northwest will be D. E. Ralston, assistant general sales manager. The party making the northeastern cities will be in charge of J. C. Chick, assistant general sales manager, while the meetings in the southeast will be conducted by M. D. Douglas, parts and service manager. R. K. White, advertising manager, will head the group handling meetings in the central section of the country.

R. C. Forrester, who is now publishing the Wilson Pointer, was a business visitor in Tahoka Tuesday. The Pointer is now being printed in this shop. Mr. Forrester took over the Pointer recently pending the recovery of Mr. Holden's little son who has been seriously ill.

Rev. B. F. Dickson of Lubbock filled the pulpit of the Baptist Church last Sunday at both the morning and evening services. He delivered two great messages, which were greatly enjoyed by the large congregations present.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called to our attention.

Dr. W. L. Crosthwaite down at Waco is a staunch Democrat. He votes the ticket straight, yaller dog or no yaller dog. He voted for Al Smith in the fall of 1928. Recently he has been corresponding with one Franklin D. Roosevelt, an Anti-Tammany Democrat whom Smith and Tammany elected governor of New York in the 1928 election. Franklin D. wanted to know something about the political situation in Texas. The Waco physician answered. He told the New York governor that it would be a "grave mistake" for the Democratic Executive Committee of Texas to bar the Hoover Democrats from the primaries. He suggested that the national committee should take the matter up with the state committee of Texas and induce them to relent. The national committee probably did not need that suggestion. They are shrewd, long-headed politicians. They have brains enough to know that it would be next to deliberate suicide for 341,000 Democrats to kick 275,000 Democrats out of the party when there are easily 100,000 white Republicans in the state. They know that an independent Democratic candidate would not only get the votes of the expelled Hoover Democrats but also of the White Republicans, barring a few ultra-wets among their number, in which event the Wilcox machine would go down to ignominious defeat. No, the radicals on the state committee will be squelched. There will be no expulsion of the Hoover Democrats, and Texas will roll up its usual Democratic majority for the state ticket again this year just as it did in 1928, when Hoover carried the state.

Our correspondent from Petty calls attention to a problem this week that statesmen and economists have been trying to solve satisfactorily for centuries—the problem of requiring each individual to bear his share of the burdens of taxation. They have found the solution of this problem impossible thus far from the fact that most classes of our citizenship can shift the burdens of taxation to the other fellow, and thus we find that in the end all taxes are paid by the ultimate consumer who is not in a position to shift the tax and by the farmer who is unable to fix the prices of the products of the soil. It is doubtless because of this evident fact as well as for political considerations that small incomes are exempt from the income tax, since the farmers and the ultimate consumers pay the income taxes of the entire nation anyway. This exemption, in our opinion, should be still further raised, but even that would not solve the problem, for it would not prevent the shifting of the burden to the farmer by the other fellow after all. The only remedy lies in the abilities of the farmers to so organize as to be able to sell their products to better advantage—to so organize as to be able to exercise some power in the fixing of prices for their products. It is to accomplish this end that the various farm relief measures have been proposed. Just how well the farm relief measure recently enacted by Congress will accomplish the desired end remains yet to be seen.

Senator Borah, leading dry Republican in the Senate, has been firing some broadsides at the Hoover administration for alleged indifference and failure in enforcing the Volstead Act. While we feel that the Borah criticisms have been in a measure ill-advised and unjust, yet we hope that the net results will be more rigid enforcement. Apparently there are some big leaks in the permit business that should be stopped. Every official from Mellon and Mitchell on down should be fired the moment it is clearly shown that they are negligently or corruptly failing to do their best. But, as a whole we believe that there has been much improvement in the enforcement of the liquor laws since Hoover took up the reins, and he should be given credit for that.

We appreciate the progressiveness that has prompted the business men of Tahoka to use our columns in such generous measure as an advertising medium during the past year. The business men of a town make possible the publication of a newspaper, and without a newspaper a town would be a nullity. We shall strive to make the News a better paper this year than it has ever been. If we succeed, we ask our readers to remember that a large part of the credit for it belongs to the business men of Tahoka.

There is no excuse for any Texan to lay at the door of President Hoover or other Federal authorities any responsibility for alleged flouting of the liquor laws in Texas. So far as Texas is concerned the chief virtue of National Prohibition lies in the fact that it prevents interstate shipments of liquor. Before the Eighteenth Amendment was adopted and the Volstead Act passed there was no legal way to prohibit interstate shipments. As a result, all our express offices were converted into saloons in spite of state laws. But National Prohibition has effectually put a crimp into all that. The Dean law is amply sufficient to suppress the liquor traffic within the state. It is up to our state and local constabulary to enforce prohibition within the boundaries of Texas. If the law is being flouted anywhere in Texas, local officers ought to be impeached. It is the duty of the governor to make it hot for them if they willfully or negligently or corruptly fail to enforce the law. There is no excuse for passing the buck to Hoover. Our own governor should get in there and pitch.

It is not too late yet to make New Year resolutions. One resolution that it would be well for all Tahoka people to make is to buy nothing away from home that they can buy in Tahoka. Why not? You kiss that dollar goodbye forever when you spend it in some larger or distant place. You have a chance to meet it again if you spend it in Tahoka. There are business men in Tahoka just as honest and accommodating as can be found anywhere. As a rule, they sell just as cheaply as the same quality of goods can be bought elsewhere. It is not merely an idle, empty phrase that we use when we urge you to "Buy it in Tahoka." It is the soundest of sound advice.

The editor of the Southland Sun has been urging all his subscribers who lost money in the bank failure in that town to come in and have their subscriptions set ahead one year free of charge. All are urged to come without money and without price. Fletcher is the only editor we know of who can afford to step in the breach and pay off for a failing bank.

New subscribers are constantly coming in and adding their names to our subscription list. Many old subscribers are renewing. They will doubtless continue to come until practically the entire list have renewed. If you know yourself to be in arrears, come in soon and place your date ahead. We'll try to give you your money's worth.

WHAT OTHERS THINK

Every good law must in its infancy face much criticism and efforts at repeal from selfish interests and those of the human race who see "red" at any change of the old order. The present marriage license law in Texas is proving no exception to the rule. Certain county officials and many justices of the peace who are losing fees by the operation of the law are behind a loud hue and cry against the law and are promising to launch a great effort to repeal it at the first opportunity. The News is proud over the fact that Donley's County Clerk and our local Justice of the Peace are both supporters of the new law because they believe it is a good law, and are for it even at the cost of a few fees. The three days notice of application for a marriage license in Texas is halting hundreds of unworthy and ill-conceived marriages in this state and will aid greatly in eliminating a corresponding number of divorces. Likewise, the physician's certificate required for the groom is saving untold suffering and transmitted disease and weakness to unborn generations, and is therefore a boon to the race. The present law should not only be retained but should be strengthened. It seems to us that young Texans should take a pride in the detailed compliance with the law in their marriages. It gives pride and dignity and respectability to the marital state. May all efforts for the repeal of this good law come to naught.—Clarendon News.

THE OLD WAR HORSE
There is something stimulating in the announcement that Jim Ferguson, the old war horse, is being groomed (rather he is grooming himself—Jim does his own currying, thank you) for the governorship contest in 1930. He will make a definite announcement in a few days. Ferguson has a somewhat different slant on the outlook than some of the others of us, who had resigned our selves to the prospect of a fight among religious fanatics over the state's most promising plumb. He is

said to believe that R. L. Bobbitt is a dangerous candidate, and unlike a lot of us who would like to see the improbable happen and somehow or other get Barry Miller and Tom Love out of the running, he is anxious for Thomas B. to get in without fail. At least, that's what we hear. Jim knows a lot from experience, successful and unsuccessful.—Floyd County Hesperian.

EVERY TOWN HAS THEM

Every town has one or more of the type of citizens who receives all of his business and income from the community yet buys practically everything out of town. His alibi is that he cannot find anything in town to suit him.

His neighbors all about him buy of home merchants and they are as well clothed and as well fed as he is.

He is no benefit to the community. His income is derived from the community, yet he refuses to spend it with the home merchants.

The butcher and baker and candlestick maker never pay their help

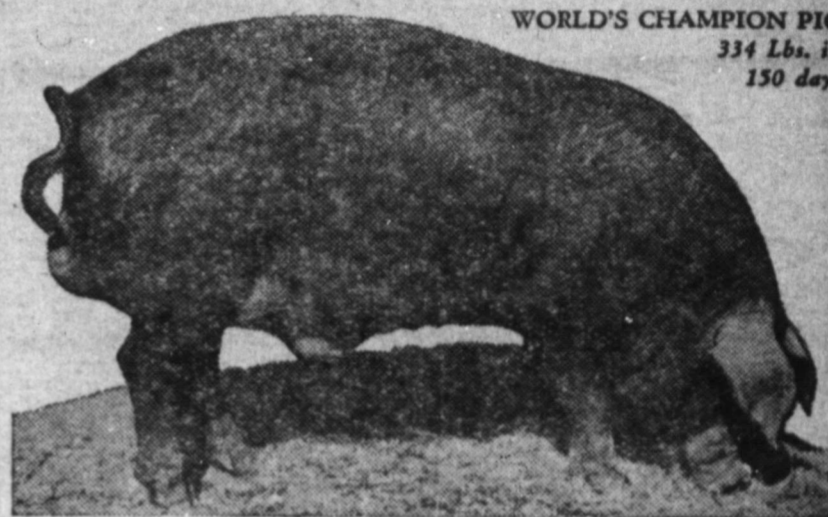

with any if his money. He is like the leech which attaches itself to another organism and lives by sucking the blood of its unfortunate victim and robbing it of its strength and life.—Hamlin Herald.

Lamesa Man Throws Bouquets at News

Even editors love flowers. On last Saturday we received a nice bouquet from S. L. Forrest of Lamesa, president of the Forrest Lumber Company, in the form of a communication. It is as follows:

"Dear Mr. Hill:
It is frequently a fault with some of us, that we fail to show our appreciation of the good things we have until it is too late, and with this in mind, I am writing you this letter, to tell you that it is a real pleasure to look over your paper when it reaches the office each week. Somehow I find myself taking time to look over your paper, regardless of how busy I might be, and I want you to know, that as one reader, I appreciate the moral standard that you maintain in your publication, and the thoroughness with which you seem to cover the news in your territory.

"When my subscription expires, please render bill to the yard there for renewal, and keep it coming.

"Wish you success with your paper there, and with best wishes for a happy and prosperous New Year, I am,

Very truly yours,
S. L. FORREST

MARION DAVIES SCORES HIT AS SINGER IN TALKIE

"Just you—just me."
You'll be humming this plaintive melody when you walk out of the English Theatre after beholding Marion Davies in her first feature length talking picture, "Marianne," to be shown January 14th, 15th, and 16th, as a new Metro-Goldwyn-Mayer presentation.

A brand-new flock of song hits are in this sparkling romantic comedy in which Miss Davies sings with a captivating charm that is certain to win for her even greater popularity than she now enjoys, and that is saying a lot.

The "Just you—just me" number slips into the picture so unobtrusively that you are not quite sure it is a song until it is picked up by off-stage orchestration. Robert Z. Leonard, who directed the musical-talkie, dove-tails his song numbers right into the dialogue and action.

And there are some other surefire songs, such as "Hang On To Me," "Sugar," "Blondie", and of course, a "Marianne" theme song that is potent with tuneful dramatics and weeps.

In the picture Miss Davies plays the part of a French peasant girl who falls in love with an A. E. F. doughboy but sacrifices her happiness when her former soldier-sweet-heart returns blinded from the war.

Included in the supporting cast are Lawrence Gray, Cliff (Ukelele) Edwards, Benny Rubin, Robert Edson, George Baxter and others of note. All deserve special praise for the capable and entertaining way in which they present their characterizations.

Mr. and Mrs. Homer Harrison left Friday afternoon to visit relatives for a month or more at Whitewright. Homer ordered the News to follow him while away.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff of any Constable of Lynn County, Greeting:

You are hereby commanded to summon Hugh Cairney by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be holden at the Court House thereof, in Tahoka, Texas, on the 3rd Monday in February A. D. 1930, the same being the 17th day of February A. D. 1930, then and there to answer a petition filed in said Court on the 8th day of January A. D. 1930, in a suit, numbered on the docket of said court as No. 818, wherein Pearl Cairney is Plaintiff and Hugh Cairney is Defendant, and said petition alleging:

To the Honorable Gordon B. McGuire, Judge of said court:

Now comes Pearl Cairney, hereinafter called plaintiff, complaining of Hugh Cairney, hereinafter styled defendant, and for cause of action plaintiff respectfully makes the following representations to the courts lowering representations to the court,

1. That plaintiff is a resident of Lynn County, Texas, where she has resided continuously for a period of more than twelve months next before exhibiting this her petition, which said residence is and has been during all of said period of time actual and bona fide, and that the place of residence of the defendant is to the plaintiff unknown, though she has made diligent inquiry and effort to ascertain the place of residence of said defendant.

2. That plaintiff and defendant were married in the City and County of Denver in the State of Colorado, on the 20th day of March, 1927, and thereafter they moved to Lynn County, Texas, where they resided on and prior to the month of June, 1928; that within a short time after said marriage the defendant began a studied course of coarse and abusive conduct toward plaintiff showing a fixed hatred and aversion of the defendant toward plaintiff; that defendant would fly into rages of ill temper and would apply vile and opprobrious epithets to and concerning plaintiff; that defendant would, without just cause, kick and abuse plaintiff's small children in the presence of plaintiff and over protests; that said course of harsh and cruel treatment on the part of defendant, toward plaintiff continued with increased harshness and violence until on or about the 12th day of June, 1928, when the defendant, without cause or provocation, flew into a rage and violently kicked plaintiff, bruising and injuring her, that the defendant then left the plaintiff in destitute circumstances, and plaintiff has not heard from the defendant or known of his whereabouts since said time; and that said conduct on the part of said defendant was such as to render their further living together as husband and wife insupportable.

3. Plaintiff alleges that during the time she and the defendant lived together as husband and wife, she was kind and affectionate to the defendant and performed all the duties incumbent upon her as a loving and dutiful wife, but that the defendant, unmindful of his duties as husband, and without just cause or provocation, conducted himself toward plaintiff as hereinabove alleged, rendering their future living together unbearable and insupportable, for which said cause plaintiff should be divorced from her bonds of matrimony with the defendant.

4. That no child or children were born of said marriage, and that there is no community property belonging to the plaintiff and defendant.

5. Wherefore plaintiff prays the court that the defendant be cited to appear and answer this petition, and for judgment dissolving said marriage relations, for all costs of suit, and for such other and further relief, both general and special, in law and in equity, to which she may be justly entitled, as in duty bound she will ever pray.

M. W. WHEELER
Attorney for Plaintiff

Herein Fall Not, but have you before said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Tahoka, Texas, this 7th day of January A. D. 1930.

WHAT OTHERS THINK

This is the time of year when the old time editor did not know whether he had a printer or not and often the readers did not know for sure whether they had an editor or not. For some unknown reason the holiday season was the big liquor drinking time for editors and printers and if a general lay out was not indulged in, then there was something wrong with the shop. And how the tramp printer soused and re-soused to sober up! The Christmas spirit was too wet to work and the back shop was littered with bottles and drunks. And when the bells rang out the glad tidings of the New Year the office force was often in a fighting mood and the new born year was welcomed in by fist fights and black eyes. Just why all this should have taken place during the holidays we have never been able to find out. But the world is getting better and the people are waking up to the fact that getting drunk is not a habit that is looked on with tolerance and the workman who boozes is not wanted. The day has come when a young man who wants to hold a job must be sober, and drinking lays off many more men than most people realize. In this day and age of machinery men must be able to deliver the goods and the drinking class of men are not wanted. And while there may still be editors and printers who do not sober up until after the holidays, yet the old time custom of celebrating by going on a drunk is giving away and the money that was formerly used to buy liquor is now spent in buying gifts for the family, and providing Christmas cheer instead of Christmas boote.—Higgins News.

M. SMITH is Plaintiff, and ROY CARPENTER, is Defendant, said petition alleging:

Suit for recovery of \$313.28, alleged to be due Plaintiff from Defendant, evidenced by an instrument in writing, to-wit, a check, for said amount, dated Dec. 10, 1927, said check payable to Defendant, and signed by Plaintiff on the First National Bank of Tahoka, Texas, Plaintiff alleging that on said date by virtue of a real estate transaction, between Plaintiff and Defendant, Plaintiff agreed to pay off and satisfy the balance of a certain note against lots 2, 3, 4, and 5, in block 107, town of O'Donnell, Lynn County, Texas, and in pursuance thereto paid said amount to Defendant to satisfy said note balance but that the Defendant failed and defaulted therein and appropriated said money wrongfully to his own use and benefit, and that Plaintiff was compelled to pay off said indebtedness again to the holders of said note. Plaintiff alleging that the Defendant, promised and agreed to forward said money to the holders of said note, but wholly defaulted therein, to plaintiffs damage and loss of \$313.28, suing for said debt, with interest at highest rate allowed by law from Dec. 10, 1927, and all costs of suit.

Herein Fail Not, and have you before said Court at its aforesaid next regular term this writ with your return thereon showing how you have executed the same. Given under my hand and the seal of said Court at office in Tahoka, Texas, this the 13 day of December, 1929.

CITATION BY PUBLICATION

THE STATE OF TEXAS,

To the Sheriff or any Constable of Lynn County, Greeting:

You are hereby Commanded to summon Roscoe Meador by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lynn County, to be held at the Court House thereof, in Tahoka, Texas, on the thir Monday in February A. D. 1930, the same being the 17th day of February A. D. 1930, then and there to answer a petition filed in said Court on the 7th day of September A. D. 1929, in a suit, numbered on the docket of said Court as No. 197, wherein Minnie Meador is Plaintiff and Roscoe Meador is Defendant and said petition alleging that Minnie Meador resides in Lynn County, Texas, hereinafter called plaintiff, complaining of Roscoe Meador, hereinafter called defendant, and whose residence to plaintiff is unknown, and praying for a divorce shows the court the following:

1. Plaintiff has been an actual bona fide inhabitant of the State of Texas, for a period of twelve months and has resided in said Lynn County, where this suit is filed, for a period of six months, next preceeding the filing thereof.

2. That on or about the 15th day of March, 1918, plaintiff was duly and legally married to defendant in Montague County, Texas, and resided with defendant as his wife at Bowie and Nocona, in said Montague County until on or about the 15th day of June, 1925, since which time they have not lived or cohabited together as man and wife.

3. Plaintiff represents to the Court that at all times while married to the defendant, plaintiff has conducted herself with propriety, doing her full duty as a wife, and has at all times treated defendant with kindness and forbearance, and has been guilty of no act bringing about or causing the hereinafter described acts, omissions and conduct on defendants part.

4. Plaintiff says that defendant on said last named date, June 15th, 1925, without any provocation or cause whatever, voluntarily left and abandoned the bed and board of this petitioner, with the intention of finally separating and living apart from her and his continued to do so up to the filing of this petition; that said defendant has never for the last five years contributed anything to the support of plaintiff, but that defendant spent his earnings for drink and roaming about from place to place, without any regular employment.

5. Plaintiff represents to the court that before her marriage to defendant, plaintiff was a widow, the wife of J. R. Burk, deceased; that she was well known as Mrs. J. R. Burk, and that she asks the court to restore to her her former name of Mrs. J. R. Burk.

6. Wherefore plaintiff prays that defendant be cited to appear and answer this petition; that upon final hearing, plaintiff has judgment of divorce, dissolving the marriage relations between Plaintiff and defendant; that plaintiff have her former name of Mrs. J. R. Burk restored to her, and for such other and further relief as the Court shall deem proper to grant with costs of suit.

Missouri Lady Says She Got Stronger and Awful Hurting Went Away After She Took Cardui.

Quin, Mo.—"For some time, I had been having an awful time with pains in my back and sides," says Mrs. Robert Cressy, of this place. "My head would ache until I felt as if it would split open."

"I was very weak and nervous. It looked like the least little thing would upset me. I was cross with the children, and I had no patience for anything."

"Often, when I would get up in the morning, I would have to go back to bed, I was so weak. I dragged through my work, but it took all my strength to do it."

"I tried many remedies, but nothing did me any good until I started taking Cardui. I had read how Cardui had helped others, and so I wanted to try it, myself."

"Cardui proved to be all that was said of it. I took it for several months, regularly. At the end of that time, I was in good health, and have been so ever since. I gained in weight, my appetite was good, and I was able to do all my housework without it hurting me. The pains quit coming."

Thousands of cases similar to that described above have been reported by users of Cardui. AC-210

"I'm now on my third bottle of Sargon and have gained back nineteen pounds of my lost weight already. Sargon Pills regulated my liver and thank goodness my calomel days are over at last. THE GREATEST CHEVROLET IN CHEVROLET HISTORY

Today, Chevrolet presents the Greatest Chevrolet in Chevrolet History—a smoother, faster, better Six—with beautiful new bodies by Fisher.

Basically, it is the same sturdy, substantial Six which won such tremendous popularity in 1929. But it is a greater car in every way—for there are scores of vital improvements

which contribute to comfort, performance, endurance and safety!

An improved six-cylinder valve-in-head motor, with its capacity increased to 50 horsepower; four Delco-Lovejoy hydraulic shock absorbers; fully-enclosed internal-expanding weather-proof brakes; a new dash gasoline gauge; heavier and stronger

rear axle; Fisher non-glare windshield; larger tires—

—these are typical of the many improvements which make this car the Greatest Chevrolet in Chevrolet History.

But most impressive of all from the standpoint of the motor car buyer—this smoother, faster, better Six is available—

--at greatly reduced prices!

During 1929, more than a million three hundred thousand persons bought six-cylinder Chevrolets. This enormous volume has made possible many savings in the Chevrolet factories—and, in keeping with its long-established policy, Chevrolet is sharing these savings

with the public. No written description can do justice to the extra value and quality provided in this new car. Visit your Chevrolet dealer—see this car—check its new features—ride in it—and judge for yourself the sensational value it represents.

FORD CARS HAVE NEW ATTRACTIVE RADIATOR

"A car is known by its radiator," said Chester Connolly, local Ford dealer, who is making arrangements to show new bodies for the Model A Ford here in the near future.

"If your memory goes back to the cars of twenty years ago," he continued, "just think for a moment how the different makes of that day were identified in your mind. Isn't it by the radiator chiefly? If I mention any of the well known makes of today, doesn't the same identifying picture flash into your mind.

"Therefore, when a car changes its radiator design, the step is one of importance. If it gains beauty and dignity, growth is shown.

"That is what has happened in the case of the new bodies of the Model A. Probably the first thing that your eye will take in will be the graceful new radiator design. And I am confident that however conscious you may be of other, perhaps more important improvements, this change will linger in your mind.

"While retaining the Ford individuality, the new radiator will be higher, narrower and designed along trim lines.

"The shell will be of highly polished rustless steel. The top will follow somewhat the lines of the old shell, with narrower lines down each side, which curve into juncture at the starter opening in the center of the lower section.

"As a whole the contour of the

new shell is exceedingly attractive blending beautifully with the new fender lines, a tie rod which arches gracefully across the front, and the head-lamp settings.

The Ford Medallion
"An oval medallion bearing the name 'Ford' in script, done in nickel on a blue enameled background, appears at the top center of the shell.

"In general, I want to emphasize that the new bodies will not be mounted on a new model car. Mechanically Model A will remain essentially as it is. But great beauty will be added by the new bodies and colors.

"The Ford Model A will now have, including features it already possesses: new body lines and colors, rustless steel trimmings, sturdy steel construction, a fully enclosed silent six-brake system, four Houdaille hydraulic double-acting shock absorbers, Triplex shatter-proof glass windshield, quick acceleration, ease of control and 55 to 65 miles an hour, if wanted."

Petty News

(Delayed)

Well, Christmas is over, and old Santa came to see us all. We had a nice Christmas tree with so many nice things on it. We think Mr. and Mrs. Owens did a good part with the school play. The house was so full Old Santa could hardly get in but we believe he saw every child and all the grown-ups.

Folks seem to be very busy in this part getting ready for a new crop. Some talk like they are going to plant less cotton on account of the low price. Speaking of farmers getting by on lower-priced crops in years back, we knew nothing then of income taxes and power farming. The old horse tools raised those crops but now it has come to where the boys most all want tractors and trucks. The farmer probably wouldn't make so much noise if our oil and machinery companies didn't have to keep raising the price to pay their income taxes. But one can readily see that the poor little old dried-up farmer pays more than 80 per cent of the whole income tax of our country through high prices and overcharges for what he buys, and still some folks think that the farmer should pay an income tax on all over \$1,200.00 that he makes a year if married, and a single man \$600. So long as we have to pay the income tax from the company we buy from, why not turn the farmer loose and say one income tax is enough instead of pouring the lash to him all the more? We don't think there will be many farmers in this part that will have to pay an income tax unless what he has to sell goes up in price.

Mr. and Mrs. O. S. Smith have just returned from Dexter, N. M., where they went on a week's visit.

Mrs. Cudd has been quite ill but we are glad to learn she is improving.

Miss Lucille Cudd has been visiting at Sweetwater since Christmas.

Mr. and Mrs. Joe Jones are the happy parents of a ten-pound girl born on Christmas night.

Mr. McCracken has bought the Petty store and will take charge of it soon.

Mr. and Mrs. Frank Blair and children were visitors of Mr. and Mrs. Brooks Smith Monday night.—Reporter.

John W. Newton of Haddon Heights, New Jersey, who owns land in this county, was here the first of the week and called on the editor Sunday. Haddon Heights is just across the river from Philadelphia and Mr. Newton has large interests in that city. He is a subscriber to the Lynn County News and says he enjoys the paper very much; and he paid the editor a high compliment which we sincerely appreciate.
