

Tahoka Will Enter Snyder Track Meet

Snyder, Feb. 19.—Thirty Class A and B schools of West Texas have been invited to participate in the Invitational Track and Field Meet to be held here Saturday, March 8th, starting at 10 o'clock.

Tahoka High School has been included in the invitation which includes the following named schools: Lamesa, Post, Tahoka, Ralls, Spur, Colorado, Slaton, Roby, Rotan, Sweetwater, Big Spring, Merkel, Stanton and Anson in the Class A division.

Class B schools invited include: Fluvanna, Hermleigh, Dunn, Ira, Hobbs, Champion, Blackwell, Pylon, Westbrook, Lorraine, Coahoma, Southland, Gail, Clairmont and Trent.

The Tiger Stadium, said to be the most model high school athletic field in the state is already being prepared for the event which is hoped to be the largest gathering of athletic talent ever gathered in West Texas, outside of the larger colleges.

According to General Director W. N. Corry, Interscholastic League rules will be followed with the exception of Article 8, section 13 and 16 applying to eligibility. The Snyder meet welcomes all entrants who

are now in school. Entries must be received by March 1st, and complete data has been mailed to all schools named. Competent officials will be in charge of all events.

Handsome loving cups, medals and ribbons will be awarded in both Class A and Class B competition. Lunch will be served at the High School Cafeteria.

Methodists Visit Levelland Sunday

Three cars full of local M. E. young people—members of the Hi-League—attended the rally of the Lubbock District Leagues held at Levelland Sunday in an all-day session. They report a fair attendance, fine fellowship, and at the noon hour, a "sumptuous feast" served by the ladies of the church. Rev. J. W. Shepherd, a brother of the good Baptist, Brother Shepherd, who recently left Tahoka, is pastor of the Levelland Church and is doing some fine work.

The Tahoka chapter had the largest visiting delegation and hope also to have won the District Efficiency award, which is held up pending receipt of a missent report. The District Banner was awarded on points to the "Live Wire" Union and was given into custody of its president, Miss VeNeay Coughran.

An inspiring service in the forenoon was followed by the business session lasting until after 4:00 o'clock. Mrs. W. B. Little, of Post, Dist. Sec'y., was in charge of the meeting and program. The next rally is scheduled for early in May at Amherst.

Miss Eva Cowan, local Junior Superintendent, Mrs. R. T. Breedlove, Mrs. Suddarth, District Hi and Junior Secretary and Robert Reid accompanied the Leaguers.—Reporter.

Locals

Rev. W. A. Nicholas of Abilene, superintendent of the West Texas Children's Aid and Welfare Association, was a Tahoka visitor Wednesday. The mission of this organization is to seek homeless, neglected, and destitute children, become their friend and protector, and find homes for them in intelligent Christian families. It is a great work that Rev. Mr. Nicholas and his helpers are doing.

Mrs. George Short, who has been seriously sick in a sanitarium in Lubbock for the past thirty days, is reported to be improving nicely now and it is believed that she will be able to return home some time next week. Mrs. Short was compelled to undergo two or three serious operations before the cause of her malady could be removed.

Mrs. Clyne Thomas is opening a beauty shop in the new May Drug Store on the west side of the square. Mrs. Thomas, who formerly resided here and operated a shop in the Hub Barber shop, has more recently been operating a shop in Lubbock. Her many friends here will welcome her back to Tahoka.

Mrs. D. W. Gagnat, who was called to Tyler last week by the serious condition of her brother, Sanford, who has been sick so long, and also by the critical illness of a sister, Mrs. B. C. Howell, reports that both are yet in a serious condition. The sister underwent an operation last Sunday.

Mr. and Mrs. E. M. Hooper of Edinburg, down in the lower Rio Grande Valley, were visitors Friday and Saturday in the home of Mrs. Hooper's parents, Mr. and Mrs. G. E. Hogan. Their daughter, Miss Marian, remained here for the benefit of her health and to attend school.

Fontaine Wyatt left Wednesday morning for Fort Worth where he will attend a convention of Purina dealers, which will meet in the Texas Hotel. This meeting will last three days and it is expected that some three or four hundred dealers will be in attendance.

Mrs. E. H. Boullion and son, Elbert, Jr., Mrs. W. S. Swan and Mrs. Marshall Swan left Sunday morning for El Paso, where they will spend a week with Mr. and Mrs. Robert Turner. Mrs. Turner is Mrs. W. S. Swan's daughter and is Mrs. Boullion's sister.

Many people here and throughout the county will be interested in the information that Rev. Luther Jenkins of Goree has been called as pastor of the Baptist Church at O'Donnell and it is believed that he will accept.

A. A. Mourfield and family are planning to leave within a few days to spend several weeks at Estancia, New Mexico. It is possible that they will also visit California before returning to Tahoka.

A. I. Thomas, who has been quite seriously sick of influenza the past 10 days, is said to be improving now. Many friends are hoping that he may be able to be out again soon.

T. J. Bovell has recently purchased the Bulman home out in northwest Tahoka and the family moved in Wednesday. The Bovells have sold their home in Abilene.

W. A. Chaney and C. L. Logan left Tuesday on a pleasure trip out into New Mexico. Incidentally Mr. Logan is looking for a location also.

Mr. and Mrs. Amos Howard of Lubbock were guests of Mr. and Mrs. Harley Henderson and Mr. and Mrs. Frank Hill Sunday.

E. M. Inman of Snyder spent the night with his parents, Mr. and Mrs. W. P. Inman of South Ward, Tuesday night.

Mr. and Mrs. C. F. Elkins and son of Lubbock were dinner guests of Mr. and Mrs. W. O. Henderson Sunday.

D. D. Potter of Roscoe, a long-time friend of the editor, was a business visitor in Tahoka Wednesday.

J. F. Sharp returned Friday from a week's visit with relatives and friends at Gatesville.

Chester and Skinner Connolly returned Wednesday night from a business trip to Dallas.

T. J. Bovell spent several days this week in Abilene.

Grassland

The Grassland basketball boys have been showing that they knew a little about the game of basketball the last week.

Thursday, Joe Bailey met Grassland at Redwine to determine the district championship. We won by a score of 6 to 14. The boys proved themselves good players in that game, but they really showed the county they could play ball Saturday when they defeated New Home, the score being 7 to 19; and then again when they defeated the T-Bar boys, winners of the New Lynn-T-Bar game, with a score of 23 to 27.

The players were Jones and Thomas, forwards, Chapman, center; Norman and Crawford, guards.

The pastor of the Methodist Church has been conducting a Sunday School training course here the last week. About twenty attended.

Rev. Norris of Stamford preached at the Nazarene Church, Friday Saturday, Sunday and Sunday night. All enjoyed his sermons. We hope to have Rev. Norris back with us in a meeting this summer.

Rev. Horn filled his regular appointment at Central Sunday and Sunday night. Rev. Horn always brings a good message. More should come out and hear him.

On the sick list this week is Mrs. W. P. Thomas and Grandma Aten. We hope both will soon be up again.

The Quarterly Conference meets at the Methodist Church Saturday, February 22nd. The presiding Elder will bring the message Saturday morning.

Mrs. E. M. Walker is home after spending a week at Lubbock with her brother who is in the Sanitarium. We are glad to report he is doing fine.—Reporter.

SQUILL KILL

Rats Cost Millions Annually

You can rid your premises of this costly pest without danger to your poultry or domestic animals by using Squill Kill, a Red Squill preparation. Red Squill is recommended by the U. S. Department of Agriculture in farm bulletin No. 1533, as being taken readily by rats and relatively harmless to human beings and domestic animals.

Rats cost the American people \$200,000,000 annually. They distribute the virus of plague of hydrophobia, or trichinosis, of equine influenza. When you can be rid of these pests by using Squill Kill at a cost of 50 cents, can you afford to have them?

Squill Kill carries a positive guarantee. If used according to instructions, your money will be refunded if Squill Kill does not kill rats and mice.

JAMES E. FERGUSON ANNOUNCES FOR GOVERNOR

To The People of Texas:
Responding to the petition and suggestion of a very large number of Texas voters I hereby announce for governor.

When Abraham Lincoln was elected president the second time, he said that he did not regard the election as an honor so much as he regarded it as the belief of the people that he could best serve the people in a position for which he had been severely trained.

In this campaign I will be seeking an office which I have already had. I will not be seeking vindication because my family have had that too. I will not be seeking vindication because that has been given me. When I am elected, as I am sure I will be, I will feel that the people have called me to render a public service which they have not received for the past three and one-half years, and for which my experience with state affairs has especially qualified me to perform. Every informed person knows that the next governor should be selected on the sole ground of qualification, he who can best serve the state will be the controlling question in the mind of the voter. At this perilous time this is as it should be. I would not have my friends feel that I am taxing their patience in again asking their support. If they feel that some other candidate can perform the duties of the office better than I, then I think it is their duty to vote for that candidate. If on the other hand, they think that I will make a better governor than any of the other candidates then it is their duty to the state and not to me to vote for me. I want to emphasize that whether anybody, friend or foe, votes for me or not it will cause no hard feelings on my part and our present cordial relations, I hope will be continued.

I shall not enter into a frantic mental or physical struggle for election, and I shall conserve my strength for the performance of the duties of the office to which I will be called. If there be those who may find satisfaction in personal abuse and vicious criticism of me or my record let them be at once advised that they will have the field all to themselves without murmur or protest from me. I have long since made my peace with God and I shall not now permit the heat of politics to engulf me in personal hatred.

My platform has been heretofore announced and the public is more or less familiar with it. Shortly stated this platform calls, "(1) For a business administration and the veto of any liquor legislation by pro or anti—something to eat and something to wear without a row over something to drink;" "(2) The reduction of public offices notably the combination of the office of the assessor and collector and the limitation of fees to \$6000.00 a year;" "(3) Preventing any bank from loaning over 10 percent of its capital and deposits outside of Texas;" "(4) The right of the borrower to redeem any home or other real estate within two years after foreclosure;" "(5) The abolishment of the landlord's lien, so that a tenant may mortgage his crop to his merchant for yearly supplies;" "(6) For an elective highway commission of five, one at large and one from north, south, east and west Texas;" "(7) Opposition to the issue of any state road bonds, and for a three cent gasoline tax, and the building and grading of less expensive roads which will give more roads to the farm and mill;" "(8) Against the road "hog" and the banishment of the present bus and truck vehicles who use the public highways for profit to the exclusion of the traveling public;" "(9) A luxury tax on factory made cigars and cigarettes;" "(10) For putting the state convict farms in the hands of farmers and liberal issuance of pardons to meritorious prisoners. Upon these issues I shall go to the people and if needed or wanted I am ready to serve. If my country calls, I am ready.

Lubbock
SUNDAY AND MONDAY
FEBRUARY 23RD AND 24TH
At the Lubbock Hotel from 10 A. M. to 3 P. M.

Mr. C. F. Redlich says: The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief and contract the opening in a remarkably short time. The secret of their success is in their simplicity. An expertly adjusted device seals the opening without discomfort or detention from work. It is practically everlasting sanitary, comfortable and actually holds ruptures which heretofore were considered uncontrollable. "IF YOU WANT TO HAVE IT DONE RIGHT—SEE REDLICH." Doctor J. W. Seaver, for many years in charge of the Physical Education of the students of Yale College, has recorded 75 per cent cures with this system. Gulfport, Miss.—"I have used Black-Draught for about five years," says Mr. George Chevalier, of this city. "I keep it in my house all the time."

"When I feel bloated, and have headache after meals, my method of taking Black-Draught is to take from a pinch to a level teaspoonful in my mouth, dry, and wash it down with about half a glassful of water, regulating the dose according to the situation by taking more or less, according to how I feel."

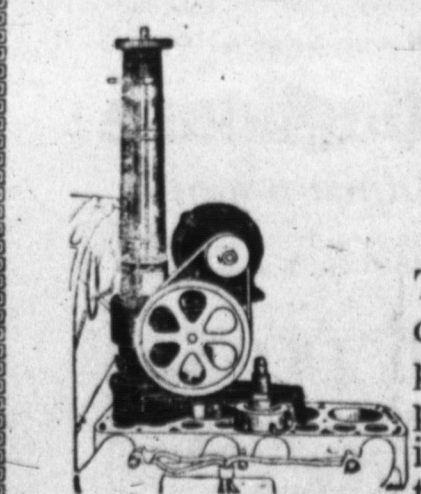

"I usually take a dose on going to bed, when needed, and am relieved next morning."

"I don't know of any medicine that I would exchange for Black-Draught. I believe if anyone is suffering from constipation, and would use Black-Draught as outlined above, he would get relief."

**WHAT OTHERS
THINK**

**AN INTERESTING BATTLE
LOOMS**

Reliable rumors now have it that Senator Small will shortly resign as state senator and enter the race for congress against Hon. Marvin Jones. Coupled with this information is the news that H. n. Clyde Warwick of Canyon will resign as representative and will announce for Senator Small's seat in the Texas senate.

It is little likely that Clyde Warwick will encounter any serious opposition for the seat in the senate, as he has made a very splendid record and no candidate of any outstanding ability will likely come out against him.

However, the case of Senator Small is entirely different. He is entering the race against a very popular and useful congressman and one still in the first vigor of his prime. He will have to carry the burden of suspicion, as much as we think of him personally, of being a part of the national movement to replace avowed prohibitionists in congress with those of anti-sympathies. His votes in the senate on legislation affecting the liquor laws have laid him open to such suspicion. Then, too, Senator Small went to Austin by the suffrage of an overwhelming majority of Democrats, men and women, who defied Al Smith and the liquor ring in the Democratic councils, and yet he argued and voted in a manner hardly respectful to these same friends back home, which same is little likely to be forgotten. It is true that he stood loyally to the interests of West Texas in the riverbed legislation, but there are those who deny that the bill that bore his name and gave him a claim to fame was his own. With this in view, and loyal to West Texas and the Panhandle as he undoubtedly is, he is probably to encounter some rough sledding in a contest with our brilliant congressman at Washington.

On the other hand Senator Small is a most likeable fellow, a good business man, a worker in the West Texas Chamber of Commerce, and has strong connections over the Panhandle with an organization forming in Amarillo who will wage an aggressive and intelligent campaign in his behalf.

Taken all in all, we are shortly to find ourselves in the midst of a most interesting and colorful campaign, between two splendid young men who ask nor give quarter in their contest for honors and preferment.

Really, The News thinks Senator Small would have done better to have waited, seasoning a little more in the state senate where he is in better position than ever to render his section signal service, and allowing those whom he has roughed a little more time in which to forget. Senator Small thinks otherwise and the people will decide—which is American and thoroughly Democratic. Let the band play and the fun begin.—Clarendon News.

RACE EQUALITY IN NEW YORK

Why should Senator Copeland be in a state of anger with Senator Heffin, merely because the gentleman, from Alabama inserted in the Congressional Record a letter containing some remarks disapproving of the marriage of whites and negroes in New York State? The laws of the State of New York permit inter-marriage of the races. Not infrequently white girls marry negro men, and the marriage of white men to negro women is even more common. Only a few days ago a Scion of a wealthy and artistic old white family of New York won a divorce, from a negress, the daughter of a negro cab driver. Negroes attend the public schools with white children, and social equality is proclaimed

officially. Negroes attend some of the white churches in New York. Last fall when a young minister of a Brooklyn Episcopal Church—a young minister originating in Texas, by the way—mildly suggested that it would be in the interest of the negro members of his faith to attend their own churches, a storm of protest was raised in the metropolitan press, and the bishop of the diocese took the pastor to task for suggesting segregation. In a public statement the prelate declared that he had been the pastor of negroes in congregations he had served and that his relations with the colored members of his flock had been as affectionate and cordial as with his white members. The flood of condemnation of the Texas minister who dared to suggest to New York negroes that they attend their own churches left no doubt as to the New York view of social equality between the white and black races. It is no secret that Tammany Hall has the support of negro elements in Harlem and that Tammany is for social and political equality of whites and blacks. Considering all these facts, what ground has the senior New York Senator for falling out with the senior Alabama Senator for referring to the condition in New York? If New York is ashamed of its race situation, why does it not change its laws?—Houston Post-Dispatch.

This is pres day and also Saint Valentine's Day. The two should make a good combination, but so far we have not had time to poetise nor look over the valentines in the shop windows. The old habit of making valentines has long since gone out and the factory product has to supply all the doves and cupids and love lorn poems. But, all the same, the budding poet has a hard time getting started—now days. There is little chance to show up any talent that may be hidden away underneath a love torn heart. When grandmother was a girl she ate a hard boiled egg filled with salt before she retired and in her fitful dreams was supposed to see the face of her future husband. Along with the egg, of course, was cold, cold water, fresh from the old oaken bucket out at the well. And if salt, egg and cold water did not produce dreams then the lass was out of luck and would not be married for another year. Then a valentine meant more than the fancy piece of lace and paper means today. For no one today pins faith or love to a valentine. We are getting beyond the valentine age. Old Dan Cupid no longer sighs and looks shyly out through a fussy, frilly mass of ribbon, lace and hearts, darts and coing doves. But romance is not dead. Love is still the sweetest story ever told. The human family goes on mating and building nests and living more or less happily ever after.—Higgins News.

Where Cash Talks Lynn County's Bargain Spot

"The Virginian" Will Show Here Soon

"All-Talking," the new medium of the silver screen, will have the opportunity to prove its tremendous power as an added quality for entertainment at the English Theatre on Tuesday, Wednesday and Thursday nights for next week with the showing there of "The Virginian."

Photographed and "miked" in the open spaces of the Western cattle country, the film presents to the eye and ear of the beholder every living detail of this thrilling story. You hear the bellowing of a thousand head of cattle, you hear the shouts of the cowboys as they drive the stampeding herd through the swift flowing river, you hear the cowboys around the crackling campfire chanting their typical ditties, you hear the dance hall in full blast, you hear Gary Cooper, the hero, barking those immortal words, "Ef you wanna call me that—SMILE."

Cooper, in his first full-dialogue role, gives a wonderful performance. His handsome features and his rangy supple physique fit him into the character as though it were written for him. His charming Southern drawl as the Virginian makes many a feminine heart flutter.

Walter Huston, as Trampas, is the most convincing bad man seen and heard since "all-talking" revolutionized the movie world. He plays the role with intense dramatic feeling. Richard Arlen as Steve, the wayward buddy of the Virginian, and Mary Brian as Molly Wood, the charming school-teacher with whom the hero falls in love, are equally artistic in their portrayals.

"The Virginian" will run three days at the English Theatre here. Better see and hear it.

SUNDAY SCHOOL CLASS ENTERTAINS OFFICERS

The Euzelian Sunday School class of the Baptist Sunday School entertained the officers and teachers of the Sunday School Friday, Feb. 14 in the lovely home of Mr. and Mrs. W. M. Harris. The home was beautifully decorated with the Valentine decorations.

On entering each guest was requested to register and mail his valentine in the Valentine Post Office. Little Olga Fay Taylor, dressed as Dan Cupid sang, "Let Me Call You Sweetheart." Little Dorothy Vickery delightfully entertained us with an essay on "Husbands." Valentine games were enjoyed the remainder of the evening.

Lovely refreshments consisting of sandwiches, pink angel food hearts, and coffee or chocolate were served the guests. After the refreshments were served the guests very eagerly waited for mail from the Valentine Post office. There was much laughter when the guests received their valentines.

Those enjoying the social were: Mesdames H. B. Howell, O. J. Jackson, Skip Taylor, Gladys M. Stokes, R. C. Wells, James Vickery, G. H. Nelson, E. J. Cooper, Noel Cooper, Viva Humphreys, C. T. Oliver, A. J. Mullins, Beulah Applewhite, B. M. Hays, C. W. Conway, A. L. Standefer, C. Connolly, F. M. Billman, H. A. Riddle, George B. Law, L. C. Heath, M. M. Shearer, W. C. Barnes Taylor White, Wylie Fortenberry, K. R. Durham, O. A. Lullin, J. B. Walker, H. P. Caveness, W. M. Harris; Messrs. W. M. Harris, Truett Smith, H. P. Caveness, W. S. Taylor, A. J. Mullins, B. M. Hays, C. W. Conway, P. A. Nowlin, Taylor White, K. R. Durham, G. H. Nelson; Misses Opal Cooper, Mattie Will Seroyer, Mary Seroyer, Faye Pitts, Elizabeth Sanders, Lois Jeffreys, Minnie Freeman Viola Ellis.—Reporter.

Mr. and Mrs. Cody Bragg have returned from Roswell, where they spent the past year, and will reside out on the C. T. Tankersley farm at West Point this year.

Prospective Pastor Fills Pulpit Here

Rev. O. J. Hull of Gatesville, who was recently called to the pastorate of the First Baptist Church here but who has not yet definitely accepted the call, filled the pulpit at both the morning and evening services Sunday. Large and appreciative audiences were present at these services.

At the morning hour the minister's theme was 'Ambassadors for Christ.' At the evening services he used as the basis of his message the incident in which a legion of devils was cast out of a demoniac, the text being, "Go thy house unto thy friends and tell them how great things the Lord hath done for thee and how he had mercy on thee."

Both of these messages were pronounced among the greatest ever heard in this church. Brother Hull speaks with great power and both messages made a profound impression. Not only is he a forceful speaker but he possesses an unusual strong personality. He impresses one as being a natural leader of men and the members of the Church are deeply anxious for him to accept the all extended him.

While he was careful not to commit himself to an acceptance, yet members of the pulpit committee express themselves as being exceedingly hopeful that he will accept.

We also wish to thank each of them for the beautiful floral offerings. May God's richest blessings rest upon each and every one of you is our greatest prayer.

Ft. Smith Man, 79, Ill Five Years Konjola Scores

Rheumatism and Stomach Trouble Quickly Respond To Action Of New Medicine.

MR. JAMES F. SIMPSON
"Although seventy-nine years of age I found quick relief in Konjola," said Mr. James F. Simpson, 1800 North Sixth Street, Ft. Smith, Ark. "For five years I suffered with rheumatism of the worst sort. The pains settled in my back, at times driving me nearly mad. Three years ago my stomach began troubling me and I grew steadily weaker from this ailment. Intense distress followed the simplest meals and food never tempted me."
"In desperation I turned to Konjola, for I knew many whom it had helped. Almost from the beginning of the treatment with this medicine, my health improved. The ills of rheumatism grew less and finally all pain from this ailment had ceased. My stomach yielded no less promptly and I soon began eating hearty meals without distress of any sort. My appetite improved and my general health is better than it has been in years."
Konjola is sold in Tahoka at Tahoka Drug Co., and by all the best druggists in all towns throughout this entire section.

NEW LYNN GIRLS 4-H CLUB

Miss Greenwade came out here last Friday morning and we had our club meeting in the Auditorium of the schoolhouse. We had an interesting contest to start with, then came plans for a glorious lively year of club work. Every member will have all she can do this year but it will be fun for all club work is fun.

We planned a Valentine party but we are having a singing school every night this week and a box supper Saturday night, so the party will not occur. We hope to have some kind of an entertainment before long though.

Remember, girls, always do your required work in the very best way possible and "climb to the top of the ladder."
We had thirteen members present. We will meet again next Tuesday.—Reporter.

LAMESA, Feb. 19.—Dawson county's next road bond election will be held April 8, it was decided during a recent meeting of the county commissioners court. The court acted on petitions signed by 275 tax payers calling for a \$600,000 program to hard surface the two state highways in the county. An educational program has been started by the Dawson County Good Roads Association to inform voters of the need for a paved road system in Dawson. Very little opposition has been evident towards this county's second effort to pave her roads.

FORMER TAHOKA LADY BURIED HERE SUNDAY

The remains were brought to Tahoka for interment and the funeral was conducted from the Baptist Church here Sunday afternoon, Rev. J. B. Vinson officiating.

Sikes, is the son of Mr. and Mrs. W. E. Sikes, who reside at Three Lakes in this county.
