State General Election Next Tuesday

Prospects Of Potash Development In Lynn County Bright

WOULD BUILD PLANT IN CITY

Negotiations Still Underway By Dallas, San Antonio Parties For T-Bar Mineral Rights

Negotiations are still pending, we are informed, whereby potash development in two lakes out in the T-Bar pasture is to be undertaken. There is every prospect that these negotiations will terminate in the signing of a contract at an early date. San Antonio and Dallas parties, we understand, are negotiating for the potash rights in the lakes with a view of developing them.

If the negotiations are successful, a pipe line is to be laid and the potash-bearing water is to be pumped from wells in these lakes and conveyed to Tahoka, where a plant for the extraction of the potash is to be established. It is said that possibly 50 men or more will be permanently employed if the plant is established and that possibly a million dollars worth of potash will be mined and marketed annually.

ASSOCIATIONAL B. Y. P. U. MEETS HERE SUNDAY

Announcement is made by Miss Clara May of Wilson, director, that the Associational B. Y. P. U. will meet in the Baptist Church here next Sunday afternoon at 3 o'clock. This meeting will be in the nature of a contest, and will decide who are to go from this association as representatives of the Junior and Intermediate B. Y. P. U.'s to the state meeting.

Tom Cat Costly To Tom Higgins

WOW! Tom Higgins has a tom-cat that has cost him just \$73.00 during the past four years.

Old Tom is the big cat that has his habitat in the court house. For four years he has made his home in the county capitol. For four years Tom Higgins, the janitor, has bought a nickel's worth of meat each and every morning for Old Tom's breakfast. The other day Tom, the janitor, got to figuring how much Tom the Cat had cost him. Five cents each day for 365 days would amount to \$18.25, Tom figured. That was the cost of Old Tom's board and keep for one year. For four years the amount would be just \$73.00. The figures seemed a bit startling, but they were correct.

But Tom, the janitor, thinks it's worth the money. Old Tom, the cat, is a valuable animal. He is monarch of all he surveys in his big home. He does about every thing he pleases except preside over the district court. He daily visits almost every room in the building. He keeps all the mice cleaned out of the structure. Moreover, he is the mortal enemy of all other cats and of the entire dog family. No dog can slip in and prow around long without old Tom discovering his depredations, and then it is just too bad for the intruder. One time recently another big cat dared to come in uninvited and make himself at home. Pretty soon Old Tom discovered the visitor's presence. He wanted no uninvited guests inside his threshold, and before the stranger had time to even blink an eye Old Tom landed on him. Like a flash the intruder went out the nearest door, leaving nothing behind but a streak, a shriek, and a little fur. He has never visited the court house since—not even when a smutty case was being tried.

Old Tom is Tom Higgins' special pet—a real friend; and we doubt if money could buy him. What does \$73.00 amount to?

Herman Turner, now of Big Spring, was greeting friends here the first of the week.

Inspector Praises Schools Of County

Negro School Is Opened Monday

The Negro school opened in Tahoka Monday morning with about twenty pupils enrolled and with Charles Deo as teacher.

Heretofore the school for colored children has not opened till after the Christmas holidays. Deo is well educated and is a good citizen. He will doubtless do excellent work as teacher of the colored children of Tahoka.

Texas Utilities Cuts Power Rate

Electricity power rates in Tahoka and all other Northwest Texas towns served by Texas Utilities Company have been reduced, according to information given out today by I. R. Kelso, St. Louis, Mo., president, through W. S. Anglin, local manager. The new rates are already in force and will apply to the month's service just closed.

The reduction will affect all classes of power and will be of considerable benefit to the small user. The average reduction of various classes of power will be approximately 15 per cent, Mr. Anglin says.

This is the third rate reduction made by the Texas Utilities Company since they bought the local power plant and distribution system from the City of Tahoka. The cut is made possible, Mr. Anglin says, because of the increased volume in use of electrical power.

Man In Jail On Burglary Charge

Complaint was filed in the justice court here Wednesday afternoon against Bass Mullins of Lubbock charging him with the burglary of the Singleton Hardware Co. at O'Donnell a few days ago, and he was lodged in jail pending the making of bond, according to County Attorney G. H. Nelson. Mullins was arrested at Littlefield by deputy sheriff Will Brown and city marshal Dr. McDaniel of O'Donnell. Most of the stolen goods were recovered. These consisted of guns, pistols, a radio, and other articles of merchandise.

Vacant Residence Destroyed By Fire

A vacant residence in the southwest portion of town, owned by Raymond Metcalfe of Wilson, was destroyed by fire about 4 o'clock Wednesday morning. The residence was wrapped in flames before the fire was discovered and fire boys were unable to save the building, which was a total loss. The building had been vacant for some time but we understand the owner carried insurance on it. The origin of the fire is unknown.

A fire alarm was turned in Saturday night from the residence of District Attorney T. L. Price in the west part of town but the fire was extinguished before the fire department arrived.

Mrs. G. A. Brasfield received a message Sunday stating that her father, W. C. Peacock, had died on Saturday at his home in Alamo, Tenn. He was 64 years of age.

Mrs. H. M. Larkin and Mrs. Frank Larkin are spending the week with Mr. and Mrs. S. J. Smith at Ingram. Fred Smith, who was visiting here, returned to Ingram with them.

Mrs. G. A. Griffin of Frost is here visiting her daughter, Mrs. D. B. English.

SCHOOLS ARE GOOD AS BEST

G. L. Huckaby, State Inspector, Visits County's Schools And Recommends Aid

Prof. G. L. Huckaby of the State Department of Education is here this week visiting the rural schools of the county in company with County Superintendent H. P. Caveness to determine the amount of state aid that would be granted.

Prof. Huckaby stated to a representative of the News Tuesday evening that he would recommend allowance of the limit permitted by law to each of the schools he had visited.

Prof. Huckaby had much praise for the schools of Lynn county. "There are at least three respects in which they stand at the top," he stated. "They have better buildings and longer terms than the average county in Texas, and they have teachers for every school in the county." Every school in the county except one has a local tax rate of \$1.00 on the \$100.00 property valuation, he pointed out.

Prof. Huckaby assured the News that the State Department of Education is doing everything possible to relieve the prevailing financial depression in this section of the state. In addition to allowing the limit allowed under the law for state aid, he stated that all inspectors in East Texas had been transferred to West Texas so that this portion of the state might receive attention first.

Prof. Huckaby was very favorably impressed with the character of work that he found was being done in this county by County Superintendent H. P. Caveness. He felt that much of the credit for the high type of schools he found here was due to the efforts of Mr. Caveness.

Woodrow Grider, 14, son of Judge and Mrs. G. C. Grider, is confined to his room this week with an attack of appendicitis.

Boys Are Caught Stealing Gasoline

Alvin Hibdon and Wesley Rascoo entered pleas of guilty Monday in the county court to the charge of theft of gasoline from the Jim Burleson filling station. They were each fined \$1.00 and costs and required to make their abode in the county jail for four days.

The young men are said to have been caught last Thursday night in the act of breaking the lock and extracting the gasoline from the station by the night watchman whose duty it is to guard that portion of town.

San Diego is to spend \$320,000 on additional school facilities.

Tahoka Wins Over Crosbyton 7-0; Bulldogs Play At Slaton Friday

After emerging as victors in the game with Crosbyton at that place last Friday afternoon, the Tahoka Bulldogs journey to Slaton tomorrow to battle the fierce Slaton Tigers, always one of the district's strongest football teams. A number of fans are expected to make the trip with the team. Tahoka has the best chance in many years to defeat the always stronger team, since Slaton is said to have a slightly weaker team this year than usual.

The game with the Crosbyton Chiefs last Friday was a classic,

CLEMENTS DIES FROM GUNSHOT

New Home Man Shoots Self Accidentally; Buried Here Last Sunday Afternoon

Creed Clements, 39, a farmer residing between Dixie and New Home, died in a Lubbock sanitarium just before five o'clock Saturday afternoon as the result of a gunshot wound received about 8 o'clock Saturday morning.

Mr. Clements had just left his residence and was attempting to kill a hawk. Undertaking to climb through a wire fence with a shotgun in his hands, the gun was in some manner accidentally discharged, the load taking effect in the abdomen and one of the lungs.

Mrs. Clements and little daughter, who were in the house, heard the shot and discovering that he was wounded they rushed to him, placed him in a car and started to New Home. His condition was seen to be so grave, however, that it was decided to rush him to a sanitarium, and two neighbors, Sam Kitchen and R. L. Smith, took him to Lubbock. Raymond Terry, son of C. L. Terry, another neighbor, also heard the shot, and seeing that Mr. Clements was wounded, he hastily spread the news.

Upon arrival at the sanitarium, Mr. Clements was found to be too badly wounded for an operation to be undertaken.

Funeral services were conducted Sunday afternoon, the remains being interred in the City Cemetery here in the presence of a vast throng of his neighbors and friends. Elder Smith of Lubbock, a minister of the Church of Christ, officiated.

Mr. Clements was a highly respected citizen of his community and of this county. He had many friends in Tahoka, who deeply deplore this tragic accident and sincerely sympathize with the bereaved family.

Mr. Clements left surviving him a wife and little daughter Ronda, four brothers, two sisters and one foster sister, as follows: J. W. Clements of New Home, J. A. of Ovalo, Roy of Melvin, and Tom of Meadow; Mrs. B. L. Darnell of Hollis, Okla.; Mrs. W. C. Manley of Melvin; and Mrs. Bessie Elliott of Petersburg, the latter being the foster sister.

Burglars Enter O'Donnell Residence

Two men, King and Fullbright by name, are looking out through the bars of the county bastille on a charge of having burglarized the residence of a widow residing near O'Donnell. The burglary is alleged to have been committed Sunday night, a feather bed, some quilts, and other household articles being taken. The arrests were made by Constable B. L. Parker of O'Donnell.

Henry Reed, who had been in jail at Odessa, was brought to Tahoka Thursday of last week on a charge by indictment of the theft of some mules. He made bond immediately and was released.

Five Amendments Will Be Voted On

Boy Scouts Will Hold Honor Court

Boy Scout troops 40 and 21 have voted to hold a court of honor here on Friday night, November 14, according to Scoutmaster W. S. Anglin. Mr. Dean of the high school was recently selected as scoutmaster for troop 21.

Both troops are enthusiastic over the prospects now, and they invite the public to attend their court of honor to be held on November 14.

City Tax Values Increase \$120,000

Mrs. J. B. Walker, City Secretary, has completed the city tax rolls which show property tax valuations this year amounting to \$1,481,300. This is an increase of \$120,234.00 over last year, the 1929 valuations being \$1,361,066.00.

A portion of this increase resulted from new property, such as the sewer system and a few buildings, which has gone on the tax rolls and a portion of it is due to an increase in valuations.

The tax rate for the city has been fixed by the city council at \$1.25, which is two cents lower than the tax rate last year.

Pleads Guilty To Giving Cold Check

A young gentleman who resides at Slaton bearing the name of T. H. Bryan entered his plea of guilty in the county court here Monday to the offense of swindling by giving a cold check.

The young man had purchased some chickens from John Heck of Wilson, late forgerman of the grand jury here, and gave a check in payment for the poultry. He had neglected to make proper arrangements with the bank on which the check was drawn, however, and being unable to get either the money or the chickens back, Heck reported the affair to the officers. Bryan then squared matters with Heck and the court assessed his fine at only one 100-cent paper rag and costs.

Man Charged With Raising Of Check

Paul Wyckoff, whose home is said to be at San Saba but who has been in this county a few weeks, was lodged in jail Monday night on a charge of forgery. It is said that he raised a check given him by I. M. Draper in the sum of \$5.07 to \$50.07. He purchased some groceries at The Cash Store in this city, endorsed the check to this House and received some money for the difference in the value of the groceries and the face of the check. His case is to be investigated by the next grand jury.

Kiwanians Plan Hallowe'en Fete

The regular Kiwanis luncheon was dispensed with Wednesday and in lieu thereof the Kiwanians will have a Hallowe'en party tonight. A program will be rendered and a few refreshments served in the basement of the Methodist church. Kiwanians, their wives or sweethearts, and a few other invited guests will be present. The program committee consists of Meses. G. H. Nelson, J. K. Applewhite, and D. W. Gaigant, and we understand that they have arranged what promises to be an interesting program. Festivities are to begin at 7:30.

LARGE VOTE IS URGED TUESDAY

Little Doubt Seen As To Outcome Of Democrats; But Amendments Deserve Attention

On next Tuesday a United States Senator, a governor and all state, district, county and precinct officers are to be elected.

In Texas, a Democratic nomination is considered equivalent to election and hence little interest is usually taken in the general election in November. It is so this year. It is generally conceded that Ross S. Sterling, Democratic nominee for governor, and the entire Democratic ticket will be elected, with the possible exception of the Democratic nominee for Congress in the San Antonio district. The present incumbent is a Republican, Harry M. Wurzbach, and the chances are that he will be re-elected.

Morris Sheppard, Democratic nominee to succeed himself as U. S. Senator, is opposed by Doran John Haesley, Republican.

Ross Sterling, Democrat, is opposed by William E. Talbot, Republican, for governor. All other Democratic nominees for state offices have Republican opponents. Ewen Marvin Jones, Congressman from this district, has a Republican opponent, S. E. Fish.

(Continued on last page)

Car Goes Wild; Chauffeur, Too

A tourist from Dallas, whose name we did not learn, with a chauffeur driving a big car, was the victim of a near-serious accident on the highway eight miles north of town Monday evening when his car went into the ditch.

The chauffeur, colored, was said to have been driving at a speed of about sixty miles per hour or better, when he ran through a little mud-puddle on the highway. Water and mud be-spattered the windshield to such an extent as to obscure the negro's vision, and the next thing he knew the car was going into the ditch. Whether he was thrown or attempted to jump from the car no one will ever know, but he landed over in a field on the other side of the fence. The owner of the car remained in his seat unhurt but almost scared out of his wits, according to statements of other persons traveling the highway. The negro imagined that he had been just about fatally wounded.

At this juncture, Mrs. L. F. Craft and Mrs. Truman Walker of Tahoka appeared on the scene. They offered to act as good Samaritans and to bring the suffering colored gentlemen to a doctor. He was accordingly loaded into their car and brought to town. Mrs. Craft states that on his way to town he regained his composure and talked very calmly and freely about the accident. When they arrived in town, however, and the curious crowd began to gather around, the Ethiopian suddenly decided that he was in a dying condition and began to groan with groanings that were unutterable.

A physician was called and after thoroughly examining the patient was unable to find any wounds or bruises on or about his person anywhere.

The car was dragged into town and slightly repaired, after which the subdued couple proceeded on their journey—but at a much retarded speed.

GRASSLAND E. LEAGUE HOLDS COUNCIL MEETING

The Grassland Epworth League held a council meeting at the home of Miss Sybil Thomas Monday night. The Grassland Leaguers attended the Epworth League rally at Post. Those going from here were Misses Erlene Norman, Odell Chapman, Stella Mae Yeary, Mildred Edwards, Lura Edwards, Mrs. R. M. Thomas and Forrest Chapman. The rally was enjoyed very much. We are sorry that our entire league could not attend.

MRS. EDWARDS PRESENTS STUDENTS IN RECITAL

Mrs. Marcus Edwards, teacher of piano in the public schools, presented her Central Ward pupils in recital at the High School auditorium Tuesday night.

The recital was different from the usual recital in that this one was introduced in Halloween story form by Mrs. Harley Wells, Snookie Maddox acting as "witch."

COMING SOON—1c Sale of Rexall goods. Thomas Bros. Drug Co.

CHILDREN CRY FOR IT—

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. This pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria have him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.

DEBATING CLUB ORGANIZE

On Friday afternoon, October 17, the pupils interested in debate met and organized into the Tahoka High School Debating Club. The organization was very simple. Only the officers that were considered necessary were elected; they are the following: Billy Lester, president; Boswell Edwards, vice-president; and Lorene Childers, secretary and reporter. Mr. Dean, the head of the Public Speaking Department, is director. This club will meet on Tuesday night of each week. The place for the meeting has not yet been chosen.

It is hoped by the club and those interested that this will be a very spectacular year for debate. The club is planning to enter the inter-scholastic contests, and numerous debates have previously been matched with neighboring schools.

TEXAS UTILITIES EMPLOYEES ENJOY BIG DUCK DINNER

All the local employees of the Texas Utilities Company and their families were invited to the home of Mr. and Mrs. R. L. Richardson last Friday at noon, when a big duck dinner was served. Following the feast a most pleasant social hour was spent. Those present included W. S. Anglin and family, R. L. Richardson and family, I. I. Gattis and family, C. C. Ross and family, and G. H. Hines and family, the latter being superintendent of the City Water Department.

P. T. A. MEETS FIRST WEDNESDAY IN MONTH

The Parent-Teachers Association will hold its regular monthly meeting at the High School building next Wednesday afternoon at 4 o'clock, according to Mrs. J. H. Powell, president. All patrons of the local schools are urged to attend this meeting and all meetings throughout the school year.

Meetings will be held at this time each month on the first Wednesday.

Mr. and Mrs. H. R. Methvin had as their guests Sunday Mrs. Methvin's father and mother, Mr. and Mrs. O. W. Watkins of Meadow, and also Mr. and Mrs. T. V. Glover of Brownfield, and Mrs. and Mrs. J. D. Cook of Wilson. Mrs. Glover and Mrs. Cook are sisters of Mrs. Methvin.

G. H. Nelson and Mr. and Mrs. C. E. Donaldson were business visitors to Goldthwaite and San Saba the first of the week.

DON'T MISS IT! It won't be long now. The Rexall 1c Sale. Thomas Bros. Drug Co.

Texas has 900 million acres of virgin pine and about the same amount of standing hardwood timber with 3-1.3 million acres of second-growth pine and 2 1/2 million acres of second-growth hardwood.

Locals

Jack Corley, who was recently wounded in the leg from an accidental shot, is able to be in town but is unable to resume his work at the garage. The injured member is still giving him much trouble and he entertains fears that amputation may yet become necessary.

Mrs. Maurice Small and baby of Sudan, Mrs. C. M. Traylor and daughter, Virginia Lee, of Lubbock and Mrs. Raymond Hatch and son of Lamesa are here this week visiting their mother, Mrs. D. B. English.

G. A. Brasfield reports that Mrs. Ernest Snelson, wife of the manager of the Forest Lumber Co. at Andrews, died in Lamesa Sunday. She had quite a number of friends and acquaintances here.

At a meeting of the city council last week it was decided to lower additional water mains in the west portion of town, to forestall the bursting of pipes this winter.

A. A. Mourfield, whose arm was so seriously broken a few weeks ago in a gin accident resulting in the necessity to amputate the member, is now able to be out again.

Mr. and Mrs. H. Richardson are the parents of an athletic little fellow weighing just nine pounds. He came into their home south of town on Wednesday of last week.

The Camp Fire Girls will sell candy, pop corn balls, and doughnuts Saturday, Nov. 1st, all day. They will be sold at the corner of Hogan Dry Goods. Adv.

Mr. and Mrs. Leonard Coldewey, who live out in the lakeview community, spent the first of the week visiting his parents and other relatives at Roscoe.

Vanroe Howard of Crosbyton is spending the week here with his sisters, Mrs. Harley Henderson and Mrs. Frank P. Hill.

Mrs. W. D. Haney and son, Fred of Roscoe were visitors here Sunday in the home of Mr. and Mrs. L. C. Haney.

Mrs. Dr. Tredway and Mrs. Lucille Bynum of Brownfield were Sunday guests here of Mrs. D. B. English.

Mrs. M. L. Thomas and Miss Sybil and Starlon Yeary visited Mrs. Thomas' brother at Colorado Sunday.

J. U. Wright has sold his interest in the Jackson and Wright Market to his partner, O. J. Jackson.

Miss Berta Hill spent the week end with her friend, Miss Thelma Haygood, in Lubbock.

REXALL 1c Sale Coming Soon. Watch for ad. Thomas Bros. Drug Co.

PRIZES FOR BREEDS, TYPES AND PRODUCTION BIRDS AT SLATON POULTRY SHOW

SLATON, Oct. 28.—An outstanding feature of the first annual Texas Panhandle-Plains Poultry Show, to be held in Slaton on Dec. 10, 11, and 12, will be that separate lists of premiums will be offered on breeds, types and production birds. It is announced by Taylor White, of Tahoka, president of the poultry association, and L. A. Wilson, Slaton, manager of the show.

"This arrangement will appeal both to the poultry fancier and to the grower who pays more attention to production than to fine fowls," President White said.

One premium list will apply strictly to breed types, in which awards will be made according to standard rules of the American Poultry Association, while a second premium list will apply to the other group. Entries in the production classes will consist of flocks, eight females and one male constituting a flock.

Detailed plans for the show are being completed rapidly. Mr. White announced. He said much interest in the exhibition is being shown by poultrymen and farmers of the Panhandle-Plains section, which includes the same 54 counties that are included in the annual dairy show at Plainview. The regional poultry organization was formed last August. Slaton is the permanent home of the show.

Distribution of the show catalog and premium lists will begin within a few days, it was announced by L. A. Wilson, show manager. Many inquiries for catalogs are being received. Competitive exhibits will not be accepted from outside the 54 counties.

Thieves Have Been Busy At O'Donnell

Beginning with a series of petty thefts Saturday afternoon, sneak thieves put in a busy day in O'Donnell.

The most serious burglary was that in which two shot guns, five six-shooters, four boxes of shells and a victrola were taken from the Singleton Hardware Store sometime Saturday night. The loss was discovered about noon Sunday. It was found that the thief had entered through the back door where the lock had failed to catch. How he knew the door could be opened is a matter of conjecture. All the articles with the exception of four of the revolvers, have been found.

It is thought that the man is one who has been working in the Wells Community. The man left hurriedly Sunday, and was reported to have been seen at Seagraves, Shacktown, and other points.

The knob was knocked off the safe door, but it had not been opened.

The cash register had not been molested, perhaps because it is located just under a light.

Several persons have advanced the theory that the thief secreted himself somewhere in the store, allowing himself to be locked in at closing time. At any rate, he was successful in removing the articles from the store, and in selling and trading them around in town.

Officers, acting with Hal and W. E. Singleton, have been active all the week in running down clues, but so far have not caught the man.

It is thought that the same man walked out of Guye Dry Goods store wearing a new hat for which he had neglected to pay. Mr. Guye is of the opinion that he will not return to correct the error.

Practically every store in town lost something Saturday. A Mexican was detected in the act of making away with a number of shirts from L. D. Tucker's store, but was caught and arrested.

Numerous small items were picked up in Thornhill's Variety Store, the greatest loss on one item being a fancy clock. Others report small losses, especially in those stores where merchandise is hanging up or displayed on the counters.

In addition to the thefts, attempts to pass cold checks by a man answering to at least three names kept merchants on the look out part of

the day Tuesday. The man, who gave Abilene as his address, signed the names of Moody, Brown and Mooty. Telegrams from Abilene said that he was out on bond for forgery in that place. He was arrested and placed in the city jail. He was in company with five other men and two women, and the seven of them spent most of the afternoon trying to release him. Fearing that they might attempt a jail delivery during the night, B. L. Parker took him to the county jail at Tahoka.

The week end activities were the climax to a series of petty thieving which has been a nuisance for several weeks. Chickens have been re-

ported missing in one or two instances, clothes have been taken from lines, and various other depredations of like nature.—O'Donnell Index.

FROM A WASHINGTON POINT OF VIEW

Have you read the Washington Letter on this page? The News correspondent at Washington thinks the Democrats may have a landslide in November 4 elections. Our candid opinion is that if the Donkey-men would cater to land-slides rather than to liquor-slides they would come a lot nearer electing the next president.—Sydney News.

TURKEYS

The turkey market will open next week. We want to buy your turkeys, one or a car load. See us!

attention.

THE WET HOUNDS ARE ALL ON THE TRAIL

The people of Illinois are to vote
next Tuesday on the question as to
whether or not the Eighteenth
Amendment shall be repealed. They
are also to vote on the question as to
whether or not the Volstead Act
shall be modified. Further, they are
to decide whether or not the state
prohibition law of Illinois shall be
repealed.

Massachusetts voters are also to
decide whether or not they desire
some sort of modification of the li-
quor laws.

Rhode Island voters are to vote
"yes" or "no" on the question as to
whether or not the Eighteenth
Amendment shall be retained.

In a number of the states in
which senators are to be elected, the
wet-and-dry issue is being strictly
drawn. In Ohio, for instance, a wet
Democrat is running against a dry
Republican. In Montana a wet Rep-
ublican is running against a dry
Democrat. In New Jersey, both the
Democrats and the Republicans have
nominated a wet candidate for the
Senate. In Pennsylvania, a dry Rep-
ublican, Pinchot, was nominated by
the Republicans for governor, and
now many of the wet Republicans
in that state are supporting

a wet Democrat for the office.

We were assured by Democratic
orators two years ago that Prohibi-
tion was indelibly written into the
Constitution and that we were fool-
ish to let Al Smith's wet procliv-
ities influence us to vote against the
Democratic nominee.

What means then all this hulla-
balloo that the "wets" are raising
in every wet or doubtful state for
the repeal of the Eighteenth Amend-
ment?

We knew then that Smith, Ras-
kob, et al were making a drive to
destroy Prohibition. The campaign
was checked a bit by the overwhelm-
ing defeat of Smith, but the "wets"
did not call their dogs off long. It
was only a short time until they had
every wet hound in the country
howling again about Prohibition.
They are now hot on the trail, it
matters not whether they wear a
Republican or a Democratic label.
The bear they are after is the
Eighteenth Amendment. They are
determined if possible to get its
blood. It matters little whether
this is accomplished by Repeal or
Nullification. What they want is
liquor. The probabilities are that
they will win next Tuesday in Illi-
nois, Massachusetts and Rhode Is-
land. They may win in Ohio. They
have already won in New York and
New Jersey.

After these elections they may be
expected to redouble their energies
to again nominate a wet Democrat
for President of the United States.
They may also undertake to nomi-
nate a wet Republican against
Hoover. At least they will agitate
such action in order to keep the in-
terest of the "wets" aroused to
white heat. Then, if a wet Demo-
crat is nominated and Hoover is re-
nominated, the wet Republicans may
be easily induced to vote for the wet
Democrat.

Even more distinctly than two
years ago, the next Presidential
campaign promises to be—not a
fight between Republicans and Dem-
ocrats—but a fight between "wets"
and "drys."

Two or three years ago the Mexi-
can government confiscated all the
property of the Catholic Church in
that country. This came as a revul-
sion against the arrogance and ty-
ranny that this Church had practic-
ed so long in Mexico. The same
Constitution and laws that forbid
the holding of property by Catholic
Churches, however, also forbid the
holding of property by Protestant
churches in that country. The
wholesome doctrine of entire separa-
tion of church and state, which is
one of the fundamental principles
on which our own government is
based, seems to have made little im-
pression as yet on the Mexican
people. But Mexico is struggling
toward the light. When it becomes
a land of spelling books and Bibles,
of little red school houses and news-
papers and telephones and automob-
iles and good roads, then will it be-
come safe for Democracy and reli-
gious liberty.

Corpus Christi is to vote on \$1,-
650,000 worth of bonds for water
front improvements.

The Baptist pastor, Rev. O. J.
Hull, spoke to a well filled house
Sunday night on the subject What
Are You Worth?—He took occasion
to vigorously assail the public
dance hall that is being operated in
Tahoka, denouncing it in no uncer-
tain terms. At the close of the
sermon the congregation again ex-
pressed its disapproval of this insti-
tution. It can be safely asserted
that a vast majority of the Christ-
ian people of Tahoka of every de-
nomination are against the public
dance hall. They know that no good
can come of it and that much evil
may come. A man is playing with
fire when he deliberately and per-
sistently defies the wishes of the
very best element of Tahoka's citi-
zenship. The public dance should
not be repeated in Tahoka.

FOOD FOR THOUGHT

In essay writing, spelling, pun-
ctuation, grammar and sentence
structure the average Texas high
school graduate doesn't appear to
be so proficient.

We have ample authority for this
conclusion. It is furnished by the
University of Texas. Freshmen ex-
aminations in English were given to
1,067 members of the freshmen
class at the University at the begin-
ning of the fall semester. The ex-
amination included the compara-
tively simple subjects listed above,
yet more than half of the 1,067 boys
and girls failed to make a passing
grade of 60.

They came from the high schools
of Texas, for the most part. Only
21 students made a grade of 90 or
above, and practically all of them
were from the big-city high schools
—Dallas, San Antonio and Austin
furnishing most of them.

The test, says the university, has
for the student and their instructors
a "predictive" value. Results of the
test are reported to the various high
schools concerned as soon as possi-
ble.

There seems to be food for
thought in the fact that only 509
graduates of the affiliated high
schools of Texas made a passing
grade of 60 in an English test that
was flunked by 558.—Ablene Morn-
ing News.

Several weeks ago, we offered
the criticism that the ordinary high
school graduate is a poor speller
and knows little or nothing about
the division of words into syllables.
It would seem from the above sta-
tistics that said graduate is also de-
ficient in punctuation, grammar and
sentence structure. We do not know
who is to blame for this condition
but school faculties everywhere
should find out and remedy the de-
fect.

New Home

Many of our students are staying
away from school again to pull holes
since the weather has cleared up.
We are hoping they will be able to
reenter soon.

Last Friday night, a series of
basketball games were played be-
tween the New Home and Ropesville
teams at Ropesville. Mr. Garland
McWhorter of Woodrow was referee
for the senior boys game which re-
sulted in a score of 28-20 in favor
of New Home. Ropesville was vic-
torious in the other two games with
scores of 27-20 for the senior girls
and 21-8 for the junior girls.

Wednesday night our senior boys
and senior girls will meet the Can-
yon teams at Wolforth, and our
junior boys will play against Wood-
row and Foster at Wolforth the
same night.

The New Home School will be en-
tertained Friday night, October 31,
at the school building with a Hallo-
we'en Carnival. Everyone come and
find out what the New Home
"spooks" can do.

The Freshmen and Senior classes
have been organized recently. The
Senior Class has for its sponsor,
Miss Murrell, for president Floyd
Smith, vice-president Melvin Peek,
and secretary-treasurer, George
Hancock. The sponsor of the
Freshman Class is Miss Coleman.
Helen Lee Armontrout is president,
and Lynn Lemon is secretary-treas-
urer.

A high school glee club has also
been organized with Frank Farris
as director, George Hancock as
president, and Esther Smith as sec-
retary-treasurer.

Our pastor, Rev. W. K. Horn, filled
the Meadow pulpit Sunday morn-
ing but preached here Sunday night.
Rev. W. H. Izard preached here in
the pastor's absence.

Mr. and Mrs. W. F. Latham of

COMPANY

New Lynn

Well, we are still having bad
weather here; what time it isn't
raining, its trying to. We hope the
weather will soon clear up so the
farmers can finish gathering their
crops.

We had some fine singing Sun-
day afternoon. Those that didn't
get to come—well, you can guess
what you missed if you've ever been
out and heard them sing. Glad to
have the visitors and extend to them
an invitation to come back every
time possible.

Miss Lella May Stephenson spent
Sunday with Miss Margie Higgin-
botham.

Miss Oleta Huff of Meadow visit-
ed her brother, Mr. Herbert Huff
here Sunday.

Brother Bussell who has lately
moved to Slaton came back Sunday
and filled his appointment to preach
at the Baptist Church. Seems like
old times to have him and Mrs. Bus-
sell back with us again. As they
have been here for a long time the
place is lonesome without them.

Mr. and Mrs. John Quillion and
daughter, Hazel of Seagraves, Tex-
as visited their relatives here Sun-
day, Mr. and Mrs. S. P. Levacy and
family.

Mr. and Mrs. Stoncipher and fam-
ily of Slaton were visiting in this
community Sunday.

Mr. and Mrs. J. H. McCarty and
family spent Sunday with Mr. and
Mrs. Jake Holcomb and family.

The Young People's Society pro-
gram at the Nazarene Church Sun-
day night was fine. Everybody is
invited to come and be with them
on the second and fourth Sunday
night of every month.—Reporter

NOTICE OF SALE

STATE OF TEXAS,
COUNTY OF LYNN.

By virtue of an execution and or-
der of sale issued out of the Hon-
orable District Court of Lynn County,
Texas, on the 22nd day of October,
A. D. 1930, by the Clerk of said
Court in the case of Otto Stolley
v. Security State Bank, garnishee,
No. 828, and to me, as sheriff di-
rected and delivered, I will proceed
to sell within the hours prescribed
by law for the sale of personal prop-
erty on the 3rd day of November,
A. D. 1930, at Tahoka in Lynn Coun-
ty, Texas, in front of the Courthouse
door thereof, the following describ-
ed personal property, to-wit:

Certificate No. 42, calling for 50
shares of the capital stock of the Se-
curity State Bank;

Certificate No. 44, calling for 15
shares of the capital stock of the Se-
curity State Bank;

Certificate No. 45, calling for 10
shares of the capital stock of the
Security State Bank;

Certificate No. 51, calling for 5
shares of the capital stock of the
Security State Bank;

Certificate No. 59, calling for 1
share of the capital stock of the Se-
curity State Bank;

Certificate No. 63, calling for 5
shares of the capital stock of the
Security State Bank, Tahoka, Texas.

Levied on as the property of R. H.
King to satisfy a judgment amount-
ing to \$8,006.37, in favor of Otto
Stolley, and costs of suit.

Given under my hand, this 22nd
day of October, A. D. 1930.

S. W. SANFORD, Sheriff
9-2tc Lynn County, Texas.

Her Cross Little Boy Wouldn't Eat or Sleep

"My little son had poor appetite,
couldn't sleep and was cross. I gave
him Vinol and it ended these troubles
like magic."—Mrs. L. DuCrest.

Vinol supplies the body important
mineral elements of iron, calcium
with cod liver peptone. This is just
what thin, nervous children or adults
need, and the QUICK results are
surprising. The very FIRST bottle
brings sound sleep and a BIG appe-
tite! Vinol tastes delicious! (2)
THOMAS BROS. DRUG CO.

Relief From Curse Of Constipation

A Battle Creek physician says:
"more misery than any other cause."
"Constipation is responsible for

But immediate relief has been
found. A tablet called Rexall Order-
lies has been discovered. This tablet
attracts water from the system into
the lazy, dry, evacuating bowel
called the colon. The water loosens
the dry food waste and causes a
gentle, thorough, natural movement
without forming a habit or ever in-
creasing the dose.

Stop suffering from constipation.
Chew a Rexall Orderlie at night.
Next day bright. Get 24 for 25c to-
day at the nearest Rexall Drug
Store, Thomas Bros. Drug Co.
48-24tc

Edith

Rain and more rain seems to be
the order of the day now. The farm-
ers would be glad to see a few days
of sunshine.

Mr. and Mrs. S. C. Harter and
children visited in the home of Mr.
and Mrs. Parnell near Draw Sunday
evening.

Mr. and Mrs. H. O. Hargett were
at Gordon Friday on a business
trip.

We are glad to hear that Mr. Nix-
on of Grassland is moving back to
our community again.

Arvil Pritchett, Mr. Rhea and son,
Alvin returned home Wednesday
night from Quomada, New Mexico.

A number of young people attend-
ing at New Lynn Sunday evening.
They reported a good time.

We are glad to report that Mrs.
McGonagill is still improving.

Miss Anna Lou Pritchett spent
Sunday afternoon with Miss Gussie
Parnell near Draw.

There will be Sunday School at
10 o'clock Sunday morning and
Brother Dyke of Tahoka will preach
for us at 11 o'clock.

Everyone enjoyed the singing
Sunday night. There were a number
of people from Grassland and Draw
present. You are invited to come
back next Sunday night.—Reporter.

Wilson

(By R. C. Forrester)
This week I am bringing you a few items of various kinds about the why's and wherefores of our community in a general way. Most people know already that this part of the Plains was hard hit by the drought and Wilson suffered her part along with the worst hit places of West Texas. In most places over the community one will see fields that were kept almost bare by the drought now being covered with a green carpet of wheat some of which has now attained sufficient growth to furnish fine grazing which will cut the winter's feed bill quite a bit besides keep the land in so much better shape. The late rains have brightened prospects a great deal and every one seems greatly hoped up. The rains of course have done considerable damage to feed that was in the shock but has benefited in so many ways that we might forget the loss. Quite a bit is being realized from the sale of cream, eggs, poultry, surplus stock and other kinds of food such as sweet potatoes, greens of various kinds, beef, chickens, tomatoes, and in fact everything that goes to make up a fine meal and at the same time cut down the winter's grocery bill.

Cotton Gins

Our cotton gins are all three running and are ready at all times to gin the cotton when it arrives but owing to the continued wet weather during the past few weeks the cotton has been slow in coming in. We see over a large area of our community fields that are white, waiting for clear weather. To date the three gins have ginned about 900 square bales, it will be hard to estimate the number of bales yet to be ginned.

School Notes

The Vocational Agriculture class of the third year are studying the process of manufacturing raw farm products into finished products and in connection with the lesson they made a field trip to the Slaton Oil Mill Monday afternoon to watch the steps in the manufacture of cotton seed hulls, meal, cake and oil. Members of the class expressed themselves that it was a field trip worth while.

Farmers of the Wilson community are attending a short course in poultry raising. Meetings are held every Tuesday night at the Wilson high school building. It is being conducted by W. M. Kopecky, teacher of vocational agriculture of the Wilson school. The course will continue until December 30th and the various phases of poultry raising and problems connected therewith are being considered at the meetings. The attendance is gradually increasing and we hope the attendance will reach the fifty mark before the course closes.

Deaths

Victor, the 14-year-old son of Mr. and Mrs. W. C. Davis passed away Monday, October 20th and his body was taken to Weatherford for burial the following day. A ruptured appendix and pneumonia were said to have been the cause of his death. Victor was a real good hard working, dependable studious boy and it is so hard to see him go but we have the promise that some day we shall have the privilege of seeing him if it is our will. The entire community extends to the bereaved their deepest sympathy.
A letter from a brother in Dallas is crowded out this week.—Reporter

Wilson Circuit of Methodist Church
We are fast coming to the close of the Conference year. We have had many things to discourage us this year but in spite of these things we have made some progress. We may not be able to see results now, but we are laying foundations for

the future. "Let us not be weary in well doing for we shall reap in due season if we faint not."

Our schedule for November 2nd will be as follows:
Dixie 11 A. M. and 8 P. M.
Petty 3:30 P. M.
There will be a round-up meeting of the stewards of the entire charge at Wilson on Friday night, October 31st. This meeting will be held at the parsonage. If you are interested in next year's work, you are urged to be present.
EUGENE L. NAUGLE, Pastor

About Our Folks

Mr. and Mrs. L. H. Taylor of the New Hope community were visiting Mrs. Taylor's sister, Miss McAlister who is teaching in the Wilson school and their many good friends of the city last week end. Mr. Taylor and Mr. Clyde Shaw left Monday for Levelland where both are acting as receiving clerks for the Co-Ops. Mrs. Taylor remaining in the Shaw home where she will continue her visit for several days. It will be remembered that Mr. Taylor was superintendent of the Morgan school for several years but will serve in that capacity in the New Hope school the coming term.

R. E. Key of Tahoka was visiting relatives and friends in Wilson last week end.

Mrs. William Green's son, W. D. Dixon of Shriner, Texas, arrived in Wilson last Sunday evening, they will be followed shortly by Mrs. W. D. Green who is spending a few days in Dallas. Mrs. William Green will spend several weeks in the Lumsden home while Dixon and wife will be here about two weeks.

Miss Myrtice Graves, teacher of expression in the Wilson school has also started a class in the New Home school. We think both schools are fortunate in securing a teacher of Miss Graves ability.

Mr. Painter, our local druggist is remodeling his store this week and will soon have it spick and span again.

The barber shop which has been closed for some time was re-opened last week end by Mr. Earl Taylor late of Brownfield, where he has spent several years working at the barber trade.

Mrs. J. D. Cook and Miss Curtis Cook were Lubbock visitors last week end.

Messrs. Howard and J. D. Cook made a round trip Sunday looking after their live stock interests in the Seminole community.

We have the names of several who are ill this week. Mrs. Walter Crews who has been quite ill for some time seems to have become seriously ill the first of the week. Mrs. R. E. Finley and Mrs. J. E. Brown have also been quite sick.

Mrs. Johnnie Streit has been having her eyes treated by a specialist for several days.

Mrs. Fannie Dawson is spending a few weeks in Mineral Wells with the hope that her health may be benefited.

Mrs. H. B. Crosby who has been in Mineral Wells for several days is expected to return Sunday.

Mr. W. A. Brashear who owned a lumber yard at this place for a number of years but now lives at Levelland was a business visitor Tuesday.

Miss Zuda Mae Scott of Lubbock is visiting in the Forrester home for a few days.

CARD OF THANKS

We wish to thank the friends and neighbors who were so thoughtful and kind to us following the accident in which I lost an arm. We deeply appreciate their goodness.
A. A. Mourfield and wife

STATED MEETINGS of Tahoka Lodge No. 1041 the first Tuesday night in each month at 7:30. Members urged to attend. Visitors welcome.
C. R. RILEY, W. M.
J. L. HEARE, Sec.

T-Bar

Sunday School begins at 10:30 A. M. The attendance was 52. School will open November 17. It has been delayed on account of naving the children to help gather the crops.

Mrs. C. M. Whipp from Lubbock spent the week end with her children, Mr. and Mrs. C. C. Whipp. Mr. and Mrs. Charles McCord and Mr. and Mrs. Holman from O'Donnell spent Sunday with Mr. and Mrs. Kenney McCarty and family. Misses Zelma, Callie and Birdie Dorman from Dixie are visiting

Sore Gums-Pyorrhea

Foul breath, loose teeth or sore Gums are disgusting to behold all will agree, LETO'S PYORRHEA REMEDY is highly recommended by leading dentists and never disappoints. Druggists return money if it fails. (3)

THOMAS BROS. DRUG CO.

SIDE AND BACK

Lady Had Suffered So Much Pain Was Almost Desperate. Says Cardui Helped Her.

Denison, Texas.—"Before I took Cardui, it seemed like I had tried everything, for my health was wretched," writes Mrs. Nannie Davis, of 418 W. Woodard Street, this city. "I was in bed most of the time," explains Mrs. Davis, "suffering so much with pain in my side and back, and weakness. I was so discouraged, I was almost desperate. I knew there ought to be something to reach my case. I only weighed about 110 pounds. My eyes were hollow and I looked awfully bad."

"A good friend told me about Cardui. After taking my first bottle, I felt better, but I kept it up until I had taken four bottles, and now I am well, have no pain in my side or back, and feel like a new woman. I can work most of the time, and feel fine."

"For three years, I have been free from pain. That is why I recommend Cardui."

If you are run-down, nervous, or suffer every month, take Cardui, a medicine used by women for over fifty years. As your health improves, you will share the enthusiasm of thousands of others who have praised Cardui for the benefits they have felt after taking it.

their brother and family, Mr. and Mrs. Calvin Dorman.

Mr. and Mrs. C. E. Leverett spent Sunday with their brother, Mr. Davis, near Lamesa.

The Home Demonstration Club will meet November 7th, urging all members to be present.

Those who won prizes from T-Bar at the exhibition at Tahoka, were as follows: Mrs. J. B. Moore, first on canned beets, second on sweet

pickled pears and second on canned peaches; Mrs. Townzen, second on watermelon preserves; Mrs. C. C. Whipp, first on chow-chow.—Reporter.

Mr. and Mrs. Frank Hill and little daughter, Patricia, visited Mrs. Hill's parents, Judge and Mrs. B. H. Howard, at Crosbyton, Sunday.

Opinions Of Our Readers

Under the above caption we will print communications from our readers each week. Communications must be of reasonable length and respectful in tone. Contributors must send in their real names, though a non de plume may be used for publication, if desired. Subject to these conditions, we invite our readers to send in communications expressing their opinions on anything under the sun. Criticisms of the News and its editor will receive the same consideration and the same fair treatment as any other communication. What we want is expressions of opinion from the People. This is your newspaper; we want you to use it.

The Publishers

Wants Lynn County To Pave Highways

Dear Editor:
I enjoyed your editorial advocating NOW as the time to build good roads in Lynn County. I endorse what you say. Lubbock county has already joined the Plains counties on the north in a road building campaign, and I would like to see Lynn County do the same.

If Lynn county builds roads, Lynn county will be the one to prosper most from the improvement, comparatively speaking. I think Lubbock county, for example, is a prosperous county because she has faith and is not afraid to vote bonds to make conditions better for her citizens and tax payers. I want to see Lynn County grow and prosper in the same way, hence I take this moment to write a word of encouragement.

E. L. Klett, Lubbock, Texas.

Judge Maddox Favors Amendments

(Condensed for lack of space)

There are two amendments to the Constitution of Texas that I am very much interested in, those two amendments being:

1. The amendment fixing the terms for convening the Legislature and

2. The amendment providing for an increase in the maximum per diem of the members of the Legislature to \$10.00 for the first 120 days and thereafter not exceeding \$5.00 per day and decreasing the mileage traveled by each member in going

to and returning from the Legislature from \$5.00 for each 25 miles to \$2.50 for each twenty-five miles.

When this present provision of the Constitution was written, the members of the legislature were confined to a comparatively few counties lying in eastern and central Texas, not so remote from the meeting place of the Legislature, their numbers at that time were small and the subjects for legislation were comparatively few in number and simple in their nature; but since that time the State has so tremendously developed in population, resources, industries and subjects of legislation, that new members of the Legislature come from the various far flung borders of this great Empire and when they reach Austin they are faced with legislative problems that are numerous, varied and intricate and fraught with such tremendous consequences that the time and the mind of the members of each House are severely taxed to digest this great volume of legislation and to decide just what is best for the State and their constituents.

As a member of the House for three terms, serving under three different governors, Campbell, Colquitt and Ferguson, I made a close study of legislative procedure and gave much thought to the great volume of the legislative matter that came before the body at that time, from 1909 to and including 1915, and I can honestly say that the regular term of the Legislature, being 60 days was far too short for the members to honestly and seriously and satisfactorily pass on the great mass of legislation that came before us at that time, and that problem has tremendously increased since that time. When the Legislature meets it takes a full week to organize and get ready for work, and this time of organization can not be safely cut shorter and do effective work, and every time you have an extra session, this organization must be gone over again, and if you have three called sessions, you have lost a month in organization by lengthening the regular term from 60 days to 120 days and thus cut out the expense and waste of time of organizing for each special session.

Now there is one item of legislation especially, and that is the appropriation bill, that can not be put in shape in 60 days; that is, during the regular session, for passing by the two houses and consequently this one item alone must go over to a special session and a special session is absolutely necessary for the passage of this one bill; and this special session lasts only 30 days. Then just imagine the condition of the members of the legislature who

are not on the appropriation committee. He is faced with the problem of passing on the huge expenditures for the State in 30 days, and it has taken the Committee 60 days to get it in shape to place before the House and the Senate and thus only one of two courses are left to a member. One is to just shut his eyes and vote for the bill as it comes from the committee or drop every thing and use what time he has during this 30 days in an honest endeavor to learn something about this bill; and I can assure you that this particular bill always comes from the committee to the House and Senate with much larger appropriations than ever get through the legislature.

I never expect again to be a member of either House of the Legislature and I have no personal concern in these two amendments, but as just a private citizen of this state, I do honestly feel that we could get much better, safer, more intelligent legislation if we would go to the polls and vote for these two amendments, and under these amendments money would be saved.

Now as to the increase of the pay I wish to say just this: The conditions under which the members have to serve now and the conditions under which they had to serve when the present Constitution was adopted are very different. The cost of living has largely increased and at the present pay, it is a sacrifice for any one to serve as a member of either House, which makes men of moderate means very reluctant, after serving one term, to return to the House or Senate. We should at least pay a living wage to the men who pass upon the great mass of legislation under which we have to live. And I can honestly say that the great majority of the men that go to the House and the Senate are honest, hard working men, but under present conditions of the Constitution they are not given a fair chance or opportunity to do the work for you that they should have. Let's vote for these two amendments and give the members of the Legislature a fair chance to do the right thing, and to do it wisely and intelligently.

B. P. MADDOX

17 County Judges For Amendments

SAN ANGELO, Oct. 28.—Claiming they have been giving to the university and the state more than they have been receiving, and in excess of other counties, the judges of 17 counties where the university has holdings, have directed an appeal to voters throughout Texas to remove the inequality and discrimination by voting for the university land amendment Nov. 4. The Crockett County commissioners court by resolution has asked voters to render justice in their verdict, the resolution being broadcast over this section.

Crockett and Upton counties have road projects which will entail a half million dollar expenditure through university lands, and neither will get a cent from the university to help pay for the cost of improvements. It is a gift to the school that tax payers of the two progressive counties will bear, whereas the roads will redound to the good of the university, the state, and to every county interested in supporting the university, says the statement of the judges.

Taxes paid by the 17 counties in 1928 for state purposes amounted to \$1,281,498.47 and the total repaid them in school apportionments was \$556,185, making an excess retained by the state of \$725,313.47, the judges cite in their plea for justice.

Texas Tech Aggies Will Hold Rodeo

LUBBOCK, Oct. 28.—Frontier days in college fashion will be revived here on November 7 and 8 when the first annual Texas Tech Aggie rodeo will be staged.

James Williams of Lubbock is manager of the Rodeo, being assisted by B. E. Snyder of Moran, Assistant Manager. G. D. Gordon of Lubbock and James Donley of Paducah are in charge of publicity for the event.

Present plans call for every feature of an old-time western rodeo, including wild buffalo riding, calf roping, steer riding, bronc riding, wild horse races, trick roping and riding, relay races, wild cow milking and pack races. Rodeo grounds are to be established south of the Aggie building.

The selection of a Queen for the Rodeo from the student body has been narrowed down to three students. The student body by popular vote will designate which of these three will be Queen at an election to be held soon and the other two will serve as "Ladies in Waiting". The girls are Kathleen Harmon, from Lampasas; Vonella Gilkerson, Lubbock; and Frances Ola Reeder, Lubbock. The Queen and two "Ladies in Waiting" will ride in all parades.

A down town parade will be staged on Saturday, November 8, led by the Texas Tech band, followed by the Queen and her attendants, the contestants, clowns and prize livestock.

Contests, many of them carrying valuable prizes, are not only open to Tech students, but exhibition contests are to be staged by men not connected with the college.

Money earned from the rodeo will be used to send the Senior stock judging team to the International Livestock Exposition at Chicago, the American Royal Livestock show at Kansas City and the Wichita, Kansas, show. The team will be away from November 11 until December 2nd.

Ray C. Mowery is Coach for the

Senior Team, which will include six senior students. The Rodeo is being sponsored by the Junior Agricultural students, assisted by the seniors. Over fifty Junior students will be called in to help make the Rodeo a success.

Radical Change Made In Spelling Rules

There has been a radical change made in the rules for the Spelling contest in the University Interscholastic League this year, according to Mr. J. B. Miller, who was elected Director of Spelling in this county at the recent teachers' institute.

"Formerly," said Mr. Miller, "the contest has been based solely upon the spelling lists issued by the League Bureau, Division of Extension. This year, however, the contest is based not only on this list, but on words in the State Adopted spelling book. Preparation of students for the contest therefore will involve a mastery of words in both sources, the League lists and the State Adopted Text.

Teachers are also cautioned that the contest involves plain writing as well as spelling. Often a good good speller is a poor writer and it is necessary to coach such contestants in plain writing. Every letter

in a spelling paper must be clearly legible.

"No more valuable training in my opinion, can be given our pupils than that involved in adequate preparation for this contest. The words prescribed are all words in common use, and words therefore for which the student has constant use. Moreover, the ability to write a clear, legible hand is an accomplishment which many graduates of our schools fail to acquire; yet in business and the professions, and even in the trades such an ability is of the utmost importance.

COPY MUST BE IN EARLIER

We wish to state again that articles, announcements, etc., except of the briefest nature, can not be published unless turned into this office not later than Wednesday night. Thursday is press day and we can not use long articles turned in on that day.

Hopkins County Editor Sends The News A 'Tater; East Texas: Here Is A Sample From West Texas

J. S. Bagwell, editor of the Hopkins County Echo published at Sulphur Springs, sent a little sweet potato out to Lynn County last week with the request that the bearer bring it around to the News office and exhibit it to the editor. It was brought to the News office Tuesday by G. S. Maddox of Como, Hopkins county. We are free to confess that it was a nice specimen, weighing just fifteen pounds. We were disappointed, however, in that Mr. Maddox didn't leave the tuber with us. We were also disappointed in

that Bagwell didn't also send along a big fat 'possum and a bag of persimmons. Hopkins county is famous for three things—potatoes, 'possums, and persimmons. We were unable, on the spur of the moment, to send to our friend Bagwell by his Hopkins county emissary a fair specimen of the products of this county. In fact, Mr. Maddox was not prepared to transport back to old Hopkins the best of our field or garden specimens, since he was traveling in a car. We are printing on this page, however, a

photograph of an ear of corn raised in Lynn county this year. This, of course, is not a fair sample of what this country can do, due to a little drouth that prevailed here during the summer. If Bagwell will print this photograph in his paper, correctly labeled, we will promise to send him the picture of one of our water melons. If he had ordered the potato left in our sanctum, we would have sent him a real, honest-to-goodness melon, such as he has rarely ever seen.

South Ward

Brother Dykes filled his appointment with us Sunday and delivered two very good sermons.

Mr. and Mrs. W. P. Inman and daughters, Misses Nora Belle, Mary Ellen and Ornela visited their daughter and sister, Mrs. Melvina Nelson of Meadow Sunday.

Mr. and Mrs. Walter Reams of Anton visited the latter's parents, Mr. and Mrs. J. T. Pinkley, last week end.

Misses Birdie Hardt was a dinner guest of Stella Moore Sunday.

Brother and Mrs. Dykes and lit-

tle daughter, Wilma were dinner guests of Mr. and Mrs. Redding Sunday.

Dr. L. O. Dugeon of Sweetwater was visiting in this community Sunday.

A large number from this community attended the funeral services of Mr. Creed Clements Sunday evening at the Christian Church of Tahoka. Mr. Clements resided in the Dixie Community.

Miss Laudell Hood was a dinner guest of Miss Opal Pinkley Sunday.

Miss Edna Moore was a dinner guest of Miss Mildred Hardt Sunday.

Mr. and Mrs. Deudolphus Pink-

ley and family and Miss Opal Pinkley of Anton visited relatives and friends here the past week end.

Mrs. Effie Flynn and children of Tahoka visited friends in this community Saturday night.

Mr. J. W. Moore, Mr. D. D. Ware and Mr. R. C. Cooper made a business trip to Post City Monday.

Mr. and Mrs. Taylor spent Saturday night in Tahoka.

Mr. and Mrs. Aleck Taylor were dinner guests of Mr. and Mrs. J. S. Wall Sunday.

Annie Ruth Moore spent Sunday evening with Viola Hardt.

The Christians of this community meet each Sunday evening at 2:00 o'clock for their services. Everybody invited to attend.

Yes, we are having Sunday school each Sunday at 10:00 A. M., so don't forget to come.—Reporter.

CARD OF THANKS

We take this opportunity of offering our heartfelt thanks and appreciation to our many friends and neighbors, who were so good to us during the death of our dear husband and father; also to Mr. Bobo and others in Lubbock and for the beautiful floral offerings. May God's richest blessings be with you. Mrs. Creed Clements and daughter, Ronda.

Adults Contract Children's Diseases

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults—White's Cream Vermifuge, which you can get at

Her Children a Joy

"When I was not more than 13 years old mother taught me never to take spells of biliousness, indigestion and sour stomach lightly," says Mrs. C. E. Hauck, whose home is at 1310 Boyle St., in Houston. "She started me taking Herbine then, and what a blessing it has been for me! My four children are always well, with good appetites and a big store of energy. Any time one of them gets a little sluggish, breath is bad or I see the tongue becoming coated, I give him a teaspoonful of Herbine. Herbine is a vegetable liquid so concentrated you only have to take a teaspoonful to get results. Herbine does nothing more than keep the stomach and bowels active so gas can not constipate you, make you bilious, dyspeptic or suffer from sour stomach, sick headache and indigestion."

Swift & Company

Lubbock, Texas

"I Raise Them— You Eat Them"

"Just think how immense this town would suddenly become if all the people who eat Brookfield Butter, Brookfield Eggs and Premium Milked Chickens were to crowd in every day for their supplies.

"But that's not how it works. Nobody has to go outside his town for Swift & Company goods. I'm one of the 200,000 producers who deliver supplies to the Swift & Company produce plants and receive cash for my products. There are more than 80 of these plants, 400 branch houses and 600 car routes carry the Swift products to every community in the country and prevent local gluts or shortages. That's the marvelous organization of nation-wide distribution. It's like the arteries that carry the life stream all through your body. It's a mighty fine thing to have contact with an organization which can thrive on an average margin of less than 2 cents on every dollar of sales.

"Of course I've more than ordinary interest in Swift & Company. I'm one of the 45,000 shareholders, besides being a producer, and in addition to having a ready cash market for all I can raise.

"I receive a return on my investment. Thousands of Swift & Company employees are shareholders. Many of the 38,000 employees who receive just wages live right in this town. They spend their money with our merchants, build their homes here pay taxes like you and me. I can tell you, there's something more to being in the Swift family besides delivering butter and eggs."

SOCIETY

Club and Church News

METHODIST MISSIONARY SOCIETY MET MONDAY

The Woman's Missionary Society of the Methodist Church met Monday afternoon at 3:00 o'clock with eleven members present.

Opening Song—"Take Time to be Holy."

Prayer—Mrs. Adair.

Devotional Reading from Romans, 8th Chapter—Mrs. Stewart.

Subject of lesson—Cuba.

The Platt Amendment was presented in a round table discussion.

Mrs. Weaver read a very able paper "Barriers to Religious Influences by our Financial Domination of Cuba through Armed Forces."

Our Methodist work in Cuba was very interestingly given by Mrs. Adair. After a short business session the meeting closed with prayer by Mrs. Fenton.

PHOEBE K. WARNER CLUB WITH MRS. FINCH FRIDAY

On Friday afternoon, October 24, the Phoebe K. Warner Club met with Mrs. M. C. Finch.

After the business session, the following program was given:

Roll Call Response—Names of Composers.

A Brief History of Music—Mrs. H. P. Caveness.

Seven Great Composers—Mrs. W. O. Henderson.

The Opera—Mrs. I. A. Stephen.

The special feature on the program was a solo by Mrs. Lane Moreland.

The next meeting will be on Nov 14th with Mrs. H. P. Caveness.

SENIOR B. Y. P. U. PROGRAM

Subject: Growing Through Church and Denominational Loyalty.

Introduction—Lucile Kemp.

Why Should We Be Loyal?

Because we believe it is right—Mae Armstrong.

Because we will grow—Lois Shaffer.

Because our loyalty will help—Edgar Hays.

How May We Be Loyal to our Denomination?

By knowing and teaching its doctrines—Lois Jeffreys.

By helping in its work—Fays Nevill.

By being a Faithful Church Member—Boswell Edwards.

Face to Face With Self—Edward Welch.

Ozona will vote on \$175,000 for a new high school.

Morgan

We had a real good crowd at Church Sunday afternoon and also at Sunday School.

Those attending church from Slaton were Mr. and Mrs. Jack Cooper and mother, Mrs. James Rayborne and son, Messrs. Miller and Brown.

Little Derwood Wheeler who is attending school at Slaton got hurt some way and is in a very critical condition.

Mr. and Mrs. J. O. Patterson of Tahoka visited with Mr. and Mrs. Ed Milliken and family Sunday.

Dinner guests with Mr. and Mrs. A. B. Pruitt Sunday were Mr. and Mrs. J. N. Townsend and Jessie; Mr. and Mrs. Etheridge and Tola Faye and J. T.

Mrs. R. A. Collings spent a few days last week with Mr. and Mrs. Ovis Carter of Southland.

J. B. Cato is on the sick list. Mr. and Mrs. C. Lancaster from near Slaton visited with Mr. and Mrs. W. T. Lancaster Saturday night and Sunday.

Mr. and Mrs. McGehee visited Mr. and Mrs. B. Collings Sunday. Mrs. Beulah Shaw who has been

visiting with E. N. Milliken and family, also Clyde Shaw and family of Wilson has returned to her home at Idalou.

Hugh Blevins who has been down about four weeks with rheumatism is able to set up but can't walk.

Mrs. Bailey of Lubbock spent Saturday night and Sunday with Mrs. Frank Thompson.

Mr. and Mrs. Del Mining are at Southland with her father who is very low. Mr. and Mrs. White have moved to East Texas.

Mr. Ernest McAnnally who has been picking cotton near Ropes returned home Wednesday.

Mr. Grady Moore and Ed Lidi have returned to their work at Meadow.—Reporter.

Cold weather is motor-punishing weather... Now, more than ever, you need the extra protection of this **DE-WAXED, EASY-STARTING OIL**

In cold weather motors usually are hard to start, but Conoco Germ-Processed oil actually makes starting easier!

There are two good reasons for this.

First: Germ-Processed oil is thoroughly de-waxed and does not congeal at low temperatures. Second: Germ-Processed oil does not drain away during periods of motor idleness. The initial "turning over" process is made easier by the protective lubricating film which is on duty before you touch the starter. The usual 40% to 60% of motor wear occurring during the starting period is greatly reduced. Conoco Germ-Processed Motor Oil gives you

safe starting—and quick starting, even at zero temperatures. Change now to this new oil. Use it all winter for motor safety and economy. You always will find Germ-Processed Motor Oil at stations bearing the Conoco Red Triangle.

STATE GENERAL ELECTION WILL BE HELD TUESDAY

(Continued from first page)

Democratic candidates for judges of the supreme court and the court of criminal appeals and the court of civil appeals likewise have Republican opponents.

All other Democratic nominees for district, county and precinct offices in Lynn county will be elected without opposition.

While the result of the election as to candidates is a foregone conclusion, yet there are some important amendments to the Constitution to be voted on. We give the substance of these amendments as follows.

The first proposed amendment provides that the Supreme Court may sit at any time during the year. Under the present constitution it may sit only nine months in the year. The purpose of the amendment is to abolish the enforced three months vacation.

The second amendment would subject University lands to taxation for county purposes in the counties in which they lie. A number of West Texas counties have vast areas of University lands within their borders, which are not subject to taxation. The people of these counties feel that these lands should be subject to taxation just the same as other lands.

The third amendment would fix the regular session of the legislature at not exceeding 120 days at regular pay, instead of 60 days under the present provision of the constitution, so as to give legislators more time to give consideration to proposed legislation.

The fourth amendment would change the salary of the legislators from \$5.00 per day to \$10.00 per day and decrease their mileage from 20 cents per mile to 10 cents per mile.

The fifth amendment would make the permanent University fund available for the construction of buildings for the University.

No man nor woman should vote either for or against any of these amendments without having first gathered some information as to their general intent and purpose. It is just as foolish and unpatriotic to vote down a good amendment because it is not understood as it is to vote for a bad amendment that is understood.

DISTRICT LEAGUE RALLY HELD AT POST OCT. 25-26

October 25 and 26 about eighteen members of the Tahoka Epworth Leagues with their Counselor attended the quarterly District Rally at the Post M. E. Church.

Over one hundred and fifty delegates registered from four to six o'clock Saturday, and all were assigned to most hospitable homes of their Post friends and neighbors.

At 6:30 Mrs. Suddarth of Tahoka conducted the first service on the program, the evening Vespers. Her

theme was "Service Through Love." We were then royally entertained by a rainbow banquet in the basement of the church. It was a sumptuous meal and served delightfully by the local matrons. Lovely decorations and favors were in rainbow colors. Welcome addresses were delivered by pastor Rev. E. A. Sharp, Chairman of Board, T. R. Greenfield, League President, Miss Sybil Thompson and District Secretary, Mrs. W. B. Little. Mrs. W. E. Suddarth of Tahoka gave a fitting response.

Talks on the different rainbow colors were given by Leaguers from over the District beginning with Miss Mary Fenton of Tahoka, President of the Live Wire Union.

Following the banquet we adjourned to the auditorium to listen to an entertaining as well as inspirational address by Dr. C. A. Bickley, Presiding Elder of the Lubbock District.

Sunday morning at 7:30 J. Frank Sargent of Tahoka conducted a very impressive Morning Watch service using "Prayer" as his theme.

Committees and Group meetings occupied the hour preceding a special Sunday School class for the Leaguers taught by W. R. Graeber

of Post, who was thoroughly appreciated. At 11:00 o'clock a fine sermon on "The Scarecrows of Life" was delivered by Rev. J. W. Watson of Lubbock. A special musical number was given by Clifton Janak and Frank Sargent of the Tahoka League.

The afternoon devotional was ably conducted by Miss Hester Gates of O'Donnell, after which Mrs. Little held a brief business session.

Rev. Watson presided over the

Nearly Killed By Gas, Druggist Saves Her

"Gas on my stomach was so bad it nearly killed me. My druggist told me about Adlerika. The gas is gone now and I feel fine."—Mrs. A. A. Adamek.

Simple glycerin, buckthorn, saline, etc., as mixed in Adlerika, helps GAS on stomach in 10 minutes. Most remedies act on lower bowel only but Adlerika acts on BOTH upper and lower bowel, removing poisonous waste you never knew was there. Relieves constipation in 2 hours. It will surprise you. F-4

Battery, Generator and Electric Service

Another Reduction In Power Rates

Carrying out the policy of TEXAS UTILITIES COMPANY of rendering service to our customers with ever reducing rates, we are glad to announce that power rate has been reduced, effective with the October bills.

This will be a saving to the small power user of considerable extent and was brought about by the volume or universal use of electricity as a source of power.

The saving on a 10 horse power motor will be \$3.75 per month, or, as the average power bill has been running the reduction will be approximately 15 per cent.

Texas Utilities Company,
Tahoka, Texas.

With reference to the following schedules: (1) SCHEDULE CP-1 Commercial Power (Secondary Voltage) 1 Meter (No Lighting); (2) SCHEDULE CLP-1 Commercial Lighting and Power (Secondary Voltage) 1 or 2 meters as required (contract), and (3) SCHEDULE ILP-1 Industrial Light and Power (Primary Voltage) 1 meter (contract).

The purpose of this letter is to call to your attention the facts hereinafter set out in respect to the new or revised schedules above referred to:

That the above mentioned schedules, applicable to the classes of service there-in referred to, are effective as to power bills covering October service.

That under Schedule CP-1, the demand charge of \$1.00 per month per K. W. connected (figured from manufacturers' name plate rating of all motors installed), entitles the customer to 10 Kilowatt Hours use of energy per month per each K. W. connected.

That under Schedule CLP-1 the demand charge of \$2.50 per month for each K. W. of demand, as measured by demand meter, entitles the customer to the use of 25 Kilowatt Hours of energy per month per K. W. of demand.

That under Schedule ILP-1, the demand charge of \$2.50 per month for each K. W. of demand, as measured by demand meter, entitles the customer to the use of 35 Kilowatt Hours of energy per month per K. W. of demand.

That Schedule CP-1 being a lower rate applicable to the class of service covered by Schedule OCP-1, automatically cancels said Schedule OCP-1 and entitles customers heretofore billed on Schedule OCP-1 to hereafter be billed on Schedule CP-1.

That the effect of the readjustment of rates in the above mentioned schedules is a material reduction to all consumers now being supplied power service covered by said schedules.

Yours truly,
(Signed) I. R. KELSO, President.

It Is Easy To Own A

Ford

Value far above the price.

For safety, comfort, speed, power, economy, it is the king of low-priced cars.

Easily financed.

If your old car needs repairing just drive into our mechanical department, and you will get quick and competent service.
